

Godly Choice 3701

Chapter 3701: explore

Just why?

Why is Ise Kamakura unable to feel the light of Amaterasu after the remnant soul of the Yaki Orochi entrenched in the Yata mirror is wiped out?

Li Yun is not a magic stick, but he also has several conjectures, which may make sense.

"Li Yun."

Ise Jinying looked at him pitifully, clutching Li Yun's hands with both hands, and begged in the sight of thousands of priests and maidens: "Can you help me? I, I really can't do this... There is no great god, me, me, I don't know what to do, woo, Li Yun, me!"

She threw herself into Li Yun's sorrow, as sad as her parents had died.

Perhaps it is more sad than the parents who died.

Because Ise Jinzakura was sent to Ise Jingu at a very young age, the environment in which she grew up was filled with the shadow of Amaterasu Omikami.

Almost everything we do in life is to become a Mikami and serve Omikami better.

It is also because of the deep influence that Yaki Orochi gave a very unreasonable order before, but Ise Kamakura still obeyed it.

It was one aspect of her being controlled, but it was also because she didn't want to resist, and was controlled by the evil spirit of Yaqi Orochi.

"Calm down, I will help you."

Just after Li Yun said this sentence, the system prompt sounded.

"Ding, the host takes the initiative to take the selection event, looking for the real Amaterasu Omikami, reward: to be determined, no matter how this task is completed, the host's reputation in Ise Shrine and Sakura Kingdom has been greatly improved, and Ise God Sakura's service."

The service of Ise Jinzakura? Actively select events?

The word service is always not a good word. Li Yun once watched an anime with Gong Qingyu. Someone in the school of Sakura Country established a ministry department. What's more amazing is that several young ladies also joined. Among them, the more amazing thing is that these eldest ladies have all gone to serve the male lead.

That's weird.

"You wait."

Li Yun gave a clear drink to a group of priests and maidens standing outside the Grand Shrine, and then raised the small hand of Ise Shenzakura, signaled to Xiao Mingzhu, and the three of them once again entered the Grand Shrine.

In this shrine dedicated to Yata Kagami, Ise Jinzakura is usually the only one sitting here and praying. Outsiders want to come in, but usually few people come in, let alone facing the Omikami in the Imperial Shrine. Mirror prayer.

Only Mikamiko can pray in this palace.

But now, this noble and transcendent **** maiden can only kneel obediently on the soft cushion she used to pray in the past, look up at Li Yun and Xiao Mingzhu, and wait for the result with tears in her eyes.

"Let me see."

The floor in the temple was very clean, but Li Yun did not choose to sit on his knees. Instead, he picked up the Yata mirror and stood there with Xiao Mingzhu.

"What to look at? What to look at?" Xiao Mingzhu asked curiously.

"Use... eyes."

Li Yun's eyes are naturally not ordinary eyes.

After obtaining the Innate Dao Ti, his vision seems to have a penetrating ability. When he uses Tongyou, he can directly pass through the entity, and most of the formations and barriers can't hold him at all. .

Now, it's the same!

As Li Yun's right hand turned into a translucent shape, he slowly stretched out and reached into this magic mirror.

Xiao Mingzhu and Ise Jinying widened their eyes, watching his hands slowly disappear into the mirror, Ise Jinying couldn't help but glanced sideways.

no.

Really do not have!

Li Yun's hand disappeared in the mirror!

Chapter 3702: appearing again

Li Yun stretched his hand into the Yata Mirror, and a ray of his consciousness drifted into the sacred mirror, one of the three artifacts of the cherry blossom kingdom.

Inside, a vast expanse of whiteness.

As if a mist shrouded the world, Li Yun's consciousness was blank no matter which direction he looked in.

"Strange, there is nothing in it? Did I not find it, or the physique of my congenital Taoist fetus failed to get rid of the protection of the Yata mirror, thus failing to find the real secret?"

Li Yun's pupils shrank slightly. This was the first time he encountered this situation.

In the past, even if he touched the gate of life and death, he could be pulled in by the illusion inside the gate of life and death, and finally he could come out safely. Although he could come out safely,

it was not necessarily the effect of the innate body constitution, but it could already explain some problems.

But now, he found nothing.

"There must be something in the Yata Mirror, otherwise my hands won't penetrate it."

"Is the contents gone? Or was it swallowed by Yaqi Orochi?"

Li Yun even thought of an absurd idea. He felt that the things in the Yata Mirror were gone, so he didn't observe anything. What he got was a blank result.

"Li Yun, look!"

Xiao Mingzhu screamed suddenly and stretched his hand to the door.

Ise Kaminakura turned her head to look, and suddenly exclaimed: "Ah, it's the sky cloud sword!"

Li Yun was also a little surprised. This sword flew all the way from the imperial palace last night. It should have been summoned by Ise Kamakura, so it flew... Wait, why can Ise Kamakura summon this sword?

Is it because...the sky cluster cloud sword and Yata Mirror are both one of the three artifacts? !

Under the gaze of the three of them, this divine sword, known as the sword of conquest of the cherry blossom kingdom, slowly flew in front of Li Yun. The sword was gathered in the scabbard, emitting a golden light, and the golden light blooming on the Yata mirror. Together, a phantom is intertwined in the air.

"what!!!"

Ise Jinzakura could no longer sit still, and hurriedly walked on her knees on the ground, and came to this golden phantom in a panic, kneeling respectfully, saying:

"Great God!"

Yes, the golden phantom formed by the interweaving of the golden brilliance from the two artifacts is the plump golden goddess that Li Yun and Xiao Mingzhu saw in the sea of consciousness of Ise Shenzakura last night, which is also the myth of the country of cherry blossoms. The supreme ruler: Amaterasu.

This goddess is much shorter than the thousand-foot-tall appearance last night, and is tightly larger than the average person, two or three meters tall. If you want to talk about the characteristics, it must be her plump figure, which can be recognized at a glance.

It's not a loli, it's not a girl, and it's not a royal sister, but it is indeed a beautiful young woman who has raised a child, has a mature and plump body, and has a slightly tight and narrow skirt.

The magic is that the golden goddess looks very plump, but does not appear fat at all, but gives people a...just right fullness, very similar to the picture of a lady in the Tang Dynasty: the bun is high and slender. The white neck and the large white shoulders give people a very pampered and noble feeling.

The goddess closed her eyes again, did not open them, her head drooped slightly, as if looking down at the people, and looking at sentient beings with compassion.

Wearing a faintly radiant crown on his head, it is decorated with pearls, grains, and flowers, forming an extremely beautiful and divinely majestic outfit.

"Is this Amaterasu Great God?"

Chapter 3703: The Great God Descends

Xiao Mingzhu asked in surprise.

Yesterday she and Li Yun only saw this golden plump goddess in the sea of consciousness of Ise God Sakura, but they saw it in the real world today!

"Guess so."

Li Yun nodded and looked at Ise God Sakura: "Little Miko, don't kneel, get up and ask, can your great God speak!"

Xiao Mingzhu and Ise Jinying both gave him a blank eye—Ise Jinying gave Li Yun a look after carefully raising his head.

"You are not allowed to be rude to the Great God!"

Seeing the Great Royal God with my own eyes is more effective than any recovery pill. The little maiden recovered instantly, knelt forward and walked a few steps forward, her face leaning in front of the two or three-meter-high golden goddess, if it weren't for the goddess, she would still look like an illusion. , She is going to talk with her chin on the knee of the goddess

"Omikami?"

Ise Kamakura opened her mouth pitifully, her eyes gleaming like a goddess.

Unfortunately, no response was received.

"Omikami?"

"Woo, Omikami, it's me, I'm your...your child!"

"Yes, I am your child, and you are also your messenger, Omita, you can't ignore me!"

Ise Jinying kept crying pitifully, so that Li Yun, who thought she would use some magic to call or communicate with the gods, made the corners of her mouth twitch.

"Okay, Sakura, don't shout."

Li Yun retracted his hand from the Yata mirror, and the golden goddess dissipated again.

But the magical thing is that these golden brilliance did not fly away directly, but fell on Ise Kamakura one after another, like a commendation to her faithful believers, poured into her sea of knowledge, and gave She has a lot of magical knowledge.

"What is this? Will something happen?" Xiao Mingzhu couldn't help asking, she thought of the strange snake before, which had a similar green aura.

".....probably not."

Li Yun carefully observed that this power is not of the evil type, and Ise Jinzakura has not been harmed by herself, on the contrary, she can't stand it.

"Well....."

After a long while, Ise Kamakura recovered from the trance, but she still looked at Li Yun steadily, and seemed to be in a daze again, becoming a stupid state.

"what happened?"

Xiao Mingzhu asked softly, for fear of disturbing her.

"Da Mijin!!!"

Ise Jinzakura suddenly yelled, then stood up, reached out her hand to the sky, and shouted again: "Omikami, Omikami, Omikami bless us!! Omikami did not leave, she has been watching us!"

The sound was so loud that it alarmed the people standing outside the door.

Afterwards, the people outside saw a golden goddess walking out of the Grand Shrine step by step.

In the golden light, a plump goddess figure appeared in front of them, sweeping the faces of everyone with a majestic look and torch-like eyes.

There was a thought in everyone's minds: Great God!

"It's the Great God!"

"The Great God is here!"

"Woo, Omitama, we finally waited for you!"

A group of people knelt down with excitement, and they all started crying, praying, or telling Omikami what happened during this period.

I don't know how long it was before Omiya wiped his tears and raised his head, and was stunned.

Where is the great god, it is definitely the **** child!

No, it was Mikami who gave the power to Amaterasu, and her appearance almost changed drastically.

A golden phantom of the goddess appeared on her body, as if it became a fusion with the goddess, and it seemed to guard her and give her supreme power.

Seeing Ise Jinzakura is like seeing Amaterasu Daimikami.

Chapter 3704: God possessed

It is difficult for Li Yun to describe the current state of Ise Kamakura.

After she suddenly yelled, she held up the Yata mirror again, and then a golden goddess appeared and guarded her behind.

The magic is that this goddess seems to be standing behind Ise Shenzakura, but no matter from that angle, this golden goddess phantom is facing the person who is peeping at her.

It seems that the golden goddess does not allow others to peep behind her, and prohibits any evil prying.

Or, the golden goddess has become the guardian deity of Ise Shenzakura, and everything close to Ise Shenzakura, whether it is a human, ghost, demon, or god, will be watched by the guardian god.

It's just that her eyes are half-closed and half-closed. They haven't opened them completely, nor have they looked at anyone seriously. They just looked straight ahead calmly and indifferently, not paying attention to anyone, nor showing the slightest expression.

But everyone who sees the shadow of this illusory goddess will have a feeling in their hearts:

Don't look directly into the face of the god, let alone look into the eyes of the goddess. Once the goddess is watching, unimaginable terrible things will happen!

In other words, don't offend or disobey Ise Jinzakura's orders.

Seeing Ise Jinzakura is like seeing Amaterasu Daimikami.

The order of Ise Jinzakura is like the order of Amaterasu Daimikami.

"Da, Yu, God!"

Like Omiyajii, all those who raised their heads and saw the face of the goddess became stiff, and then bowed their heads in fear, not daring to lift up half a point.

But their hearts were extremely excited.

Unlike the last time when I knelt outside the Imperial Palace, this time there was no weird green gas or that kind of weird roar, and everyone did not fall to the ground one by one.

Mikami stood in front of the shrine, shrouded in the golden shadow of the great Mikami. The majesty of the goddess was vast, but it made people feel warm and comfortable, like being surrounded by sunlight, and all evil and gloom were wiped out.

"Great God!"

"This is the real Great God!"

"Omikami is a symbol of the sun, isn't it the sunshine that we feel now?"

"Great God, woooooo!"

There is no need to say anything from Ise Jinzakura, these priests and maidens all confirmed from the heart that the goddess summoned by Mikami this time is the true goddess!

"People's hearts are stabilized?"

Li Yun stood aside, smiled, not knowing if it was an illusion, Ise Jinying glanced at him, and the golden plump goddess seemed to glance at him.

Li Yun thought he was being watched by the gods.

"Any thing else?"

Everyone didn't speak, Li Yun looked at Ise Jinzakura and said: "If it's okay, put away the state of being possessed by the gods. After all, you are still injured and can't maintain it forever."

Now, only he dared to speak with Mikami.

"Um."

Ise Shenzakura took back the statue of the goddess, did not speak immediately, but closed her eyes, felt the message in her mind, opened her eyes, and said: "Li Yun, Omikami seems to have given me an oracle."

"The oracle? Pass it to them." Li Yun stretched out his hand and pointed to a group of priests and witches who were kneeling in front of him, shrugging his shoulders: "They are the people who execute the oracle, and I am not a believer of your great god."

"Hmm!"

Ise Jinsakura finally lost his status as a ***** child, bulging his cheeks, "Oh, Ming Ming is so good and so strong, Li Yun, why don't you always believe in the god? There was an oracle just now, and the ***** seems to be paying attention to you. , Let me take you to see her."

Chapter 3705: Omiya's decision

The thousand priests and maidens who were kneeling were shocked again. This man was really amazing, no, it should be from an extraordinary background. Even the Omita paid attention to him. No wonder he could help Omita to solve the legendary one.

"Oh."

When a goddess pays attention, Li Yun's answer is "Oh".

There is no one more calm than him in the world.

Ise Jinzakura puffed up her cheeks again.

"How come it seems?"

Xiao Mingzhu asked curiously, "Is these two instructions an oracle, a command, or a hint? What is the first oracle?"

The two oracles, Ise Shenzakura, seem to be used, and there is no certainty that they are oracles.

This is not in line with the character of the little maiden, she usually says what she has, especially when it comes to the oracle of the Great God, she is even more outspoken.

So these two seem very unusual.

"It's... not sure!"

The little witch was discouraged, "The oracles I received before were all very clear commands, but this time they were vague. I don't even know whether it was the order of the Great Royal God or I thought it myself. In short, it's very clear. strangeness."

"What's weird about this." Li Yun patted her little head amusedly, "Little Miko, are you stupid? Now you have only obtained two artifacts, so the Amaterasu God left not much information. In addition, your oracles were all from Yaqi...Uh, I still don't talk about it."

Ise Jingu's Mikamiko was blinded by Yaki Orochi for a thousand years. It is not only a taboo to say it, but it will also make Ise Kamakura sad, so it's better not to say it.

Omiya Secretary raised his head and glanced at Li Yun. He also thought of this, but he must not say anything about Yaqi Orochi!

The majesty of Ise Jingu cannot be trampled on.

What happened during this period of time was pushed to Yachi Orochi, and the previous Mikako received the oracle from Amaterasu Orogo, not from Yachi Orochi!

In fact, for the past thousand years, Ise Jingu has always believed in Amaterasu, not the big Yaki snake. Even if the strange snake occupies this place, it can only act as Amaterasu. The Great God, not the ***** of faith that occupies here.

Therefore, it is better to conceal the matter from the mistake.

"This matter... Mikako doesn't need to be involved. She has regained the favor of Omikami and became a true envoy. In the future, she will continue to lead us at Ise Jingu, and Omika will also guard us.

Omiyaji made a secret decision. The Yaki Orochi matter must be rotten in the stomachs of those who knew about it. People outside only know that it was Mikako Ise Kamakura who summoned the Omikami and killed eight. Qi Da Snake!

Fortunately, last night that Miss Xiao only said that the Yaki Orochi occupies Ise Jingu, but did not say how long the Yaki Orochi has occupied the shrine. The fact that the Yaki Orochi was here for a full thousand years was still in the morning. , I found out when I was chatting with Mr. Li Yun.

And there are only a few people who know this, and they won't spread it out.

"what?"

Li Yun kept silent, but Ise Kamakura was very puzzled, but didn't ask much, but thought of another thing, and said in surprise: "How do you know that the first oracle of Omikami was for me to gather together? Three artifacts?"

"what?!"

A group of kneeling people were taken aback by the oracle of Omikami, but after thinking about it carefully, they could understand all of them.

Chapter 3706: Two oracles

Previously, Omikami, no, it was the false oracle from the previous Yaki Orochi who asked them to seize the ruling power of the Sakura Kingdom and let everyone be ruled by Ise Jingu.

When they learned of this oracle, they almost weren't scared to death.

But now, Omikami just asked Mikami to collect three artifacts, but it was a matter of course.

Because the three artifacts themselves came from Amaterasu, isn't it natural to collect them now?

Moreover, Ise Jingu itself enshrines a divine artifact-Yata Mirror, and another divine artifact flew over last night, the Kusana Sword, and it was only one piece of eight-foot jade gou jade.

"The goddess statue just now is not complete, so I guess three artifacts are needed to truly obtain the complete lineage of the goddess."

Li Yun explained.

He was wrong before. Amaterasu left behind in the Sakura Kingdom. These are these three artifacts. As long as you gather them and use some means to awaken some of the remaining powers, you can get those who believe in Amaterasu. The inheritance of Mikamiko.

These methods should include forced awakening like Li Yun, or some magical skills of the Ise Shenzakura Society, or trigger certain things, such as events like Penglai Island, and so on.

It is equivalent to saying that the three artifacts are the eyes of the goddess Amaterasu staying in the cherry blossom country, so that she can know what happened in the world.

If she really lives in Gaotianyuan!

"Original, it turned out to be like this."

Ise Shenzakura suddenly realized, "No wonder I feel that the oracle is vague, it turns out to be incomplete, okay! Let's find Qiong Gouyu, so that the oracle of the Omijin can be conveyed more clearly!"

"Then go."

Li Yun greeted Xiao Mingzhu and prepared to go with the little witch.

Unexpectedly, the elated Ise Kamizura suddenly thought of something, and a little embarrassed expression appeared on her small face: "I...I'm going to the imperial palace to find that person now, I'm afraid it's not suitable."

"That person? The emperor?" Xiao Mingzhu asked.

"Uh-huh!"

Ise Jinzakura nodded.

The person Sakura Kuni called the emperor was also Mikamiko.

"What's inappropriate?" Li Yun said indifferently.

"It's... I offended the people over the palace before."

Ise Kami Sakura said pitifully, "It's all the blame for that nasty big snake, who dared to preach the oracle fakely. Next time I see it, I will summon the power of Omikami and kill it again!"

Very violent little witch.

Li Yun curiously asked: "Aren't you feeling sad? After all, little witch, you have been deceived for so long."

Omiyaji was taken aback, and hurriedly hinted crazy with his eyes, telling Mr. Li Yun to stop talking about this topic!

"Sad? Why are you sad?"

Ise Jinying looked at Li Yun with a strange look, and Xiao Mingzhu was surprised. After being deceived by Yaqi Orochi for so long, the little witch is not sad?

The former Mikami didn't even know it until they died. It turned out that the ***** who occasionally passed to them the so-called oracle was actually a strange snake, and it was also the enemy of the Mikado!

Ise Kamakura, who was not sad, even made Li Yun wonder if he was too irritated and mentally ill.

"Li Yun and Mingzhu, why do you both look at me like this?"

Ise Jinzakura is even more weird, "I'm really not sad, I should be very guilty for letting a big snake occupy the shrine. In this year's prayers, I have to make atonement to Omikami, otherwise Omikami will blame us."

"what!?"

Li Yun and Xiao Mingzhu were surprised.

Chapter 3707: Decide

"What Mikako said!"

Li Yun and Xiao Mingzhu were surprised, but the priests and witches present all agreed with Ise Jinying's decision.

They have done something wrong and committed such a big omission, they should make atonement for their sins. This year, and even many years to come, they have to pray for forgiveness from the Great God.

Therefore, Ise Jinzakura is not sad, but self-blame.

"..."

Li Yun and Xiao Mingzhu looked at each other. Sure enough, it is difficult for ordinary people to understand the thoughts of the ***** stick.

Normal people know that they have been deceived for so many years, they are either angry or sad, feeling that their life is deceived, and some may even commit suicide.

But for people like Ise Jinzakura, who is a mad believer and a ***** witch, the first reaction to be deceived is self-blame. It was her mistake that caused the oracle of Omikami to fail to pass.

Li Yun feels that this kind of thinking can sometimes be dangerous. Maybe something will go wrong in the future, especially if the goddess Amaterasu issues some strange oracle.

But then again, Ise Jinzakura, who is a ***** envoy, seems to be unable to refuse, and can only pray that Amaterasu will not be so crazy.

"Forget it, let's go now."

Li Yun looked to the sky, "While it was still early, we had lunch and went to the palace to get Qiong Gouyu back."

Xiao Mingzhu glanced at him.

"no!"

Ise Kaminakura immediately refused, and Li Yun and Xiao Mingzhu looked at her again.

"Before lunch, I still have to pray." Ise Jinzakura added.

"Didn't you just prayed?"

"Just now it was in the morning, now I have to make up for noon."

"..."

Facing the righteous little witch, Li Yun couldn't laugh or cry. He knocked her head hard, causing the little witch to scream and looked at him angrily.

"You can't miss one day? You didn't pray three times a day before, did you?"

"One day can't be less!" Ise Jinzakura is very firm. "I used to be three times a day, and no day is less. Besides, today's prayers are reserved for tomorrow, then tomorrow is reserved for the day after tomorrow? Besides, ah , Today's prayer is different from tomorrow's prayer."

"..."

Even Xiao Mingzhu was speechless, "You mean you must pray?"

"Yup."

"That's it."

Li Yun had a headache. He had to find an excuse and pointed to the Yata Mirror in her arms: "The Great Royal God handed down the oracle and asked you to gather three artifacts. Little Witch, do you think it is important to execute the oracle, or Is it important to pray?"

"It's important to execute the oracle!"

Ise Jinzakura replied immediately.

"Ok."

Li Yun waved his hand, "Now eat, take a 15-minute rest after eating, and set off to the palace!"

".....stare."

The stupid little witch stared at Li Yun with her eyes, and after a long while, she reluctantly agreed.

Stop praying, eat, and then go to the palace to get Qiong Gouyu.

As for the question of whether the emperor allows it, wait until the palace.

"Mikami." Omiya Secretary and several people in charge of the shrine stepped forward and asked respectfully: "Then we shall prepare now? First inform the imperial palace and say that Mikami will arrive in two hours. "

"it is good!"

Ise Jinzakura agreed and let them do these chores.

Mikami is actually a respectable name. Usually they call Ise Kamakura as Kozakura, but in formal occasions, they all call Mikamiko. If translated into Chinese, it can also be called Miko.

Both Miko and Miko are fine.

Chapter 3708: Set off

After lunch and a brief rest for a few minutes, Li Yun, Xiao Mingzhu, and Ise Jinzakura walked out of Ise Jingu, got in the prepared car, and set off in front of Kyoto.

Li Yun did not drive or sit in the co-pilot position. Instead, he chose to sit in the back row with the two women. Xiao Mingzhu sat in the middle. The little witch yawned and leaned her head on her shoulder. Go to sleep.

It didn't take long for Li Yun to hear the little witch's breathing evenly, apparently she had fallen asleep.

"Pearl."

Li Yun glanced at Nagasawa Huayi who was driving. She was also a shrine maiden, but she was by Ise Jinzakura, who belonged to the category of personal maids, and she was usually responsible for passing on the news of Mikamiko.

"What?" Xiao Mingzhu said softly.

"Do you have something you want to tell me?"

Li Yun smiled and asked, "Don't deny it. You gave me the look several times before, but I saw it all in my eyes. Let's talk, what's the matter?"

"...You are so sensitive."

Xiao Mingzhu put his hand on his hand, and the hands of the two quickly became a gesture of interlacing ten fingers.

In fact, strictly speaking, the purpose of Li Yun's coming out this time was to date her. As for Ise Jingu's side, it was incidental.

It's just that Ise Jinying, the little witch, is so popular that Xiao Mingzhu couldn't help but want to help her, so she was busy for so long.

"Why is Insensitive your boyfriend?"

Li Yun said with a smile, but Xiao Mingzhu didn't refute, and he didn't even say that he was just a temporary boyfriend as before.

It seems... that he has already acquiesced that Li Yun is her boyfriend!

"what?"

Li Yun, who didn't hear Xiao Mingzhu's usual rebuttal, turned his head and glanced at her, and stared at Xiao Mingzhu's bright eyes with a hint of shame.

"Who, who is your boyfriend! Only temporary, temporary!"

Finally, Xiao Mingzhu's arrogant words came.

Li Yun smiled, her hand tightened her little hand a bit, and pointed out: "Even if it is temporary, but we are traveling in the cherry blossom country these few days, your Xiao Mingzhu is my Li Yun's girlfriend, so ah , You have to take the responsibility of your girlfriend!"

What's the responsibility of the girlfriend?

A man and a woman travel alone. As girlfriends, what are their responsibilities? It's nothing more than caring about her boyfriend, playing with her boyfriend during the day, and at night... also playing with him.

"What kind of messy things...lazy, too lazy to talk to you."

There was a tremor in Xiao Mingzhu's voice. Of course, she understood the meaning of Li Yun's words, which was to drive a car.

"Ha ha."

Li Yun smiled, not forcing too much.

Now he is quite satisfied. Although he didn't eat it in his mouth, he occasionally made fun of Miss Huang Hua like Xiao Mingzhu, and looked at her blushing cheeks, which was especially interesting.

Unlike the girls who have dated with Li Yun, Li Yun is now in front of Gong Qingyu and Fang Xue, saying something. They would not be too shy if they were a child.

After all, the old man is an old wife.

"Huh, talk about business!"

Xiao Mingzhu calmed down and refused to give Li Yun a chance to play with her. He changed the subject and said, "This time I go to the palace of the emperor, what do you think?"

"? How else can I look at it? Of course, go and get it directly. If he doesn't give it, we will try to get it."

Chapter 3709: Domineering

Li Yun said indifferently, and looked at her with a smile: "Mingzhu, don't you think I'm too reckless again? This time is different, our teacher is famous!"

As he said, he pointed to Ise Jinzakura who was asleep on the side.

This little witch is just like a child, she sleeps as soon as she gets in the car, and she sleeps soundly.

"Grab by force?" Xiao Mingzhu's eyes moved slightly, as if to give him a roll of eyes, but she held back.

".....almost."

Li Yun thought for a while, "If the emperor and the ministers of the upper and lower councilors are interested, we will hand over Qiong Gouyu so that we can directly gather the three artifacts. If we are more stubborn, we will teach some people and let them take the initiative. Hand it over!"

"Also take the initiative, you, you, I really don't know..."

Xiao Mingzhu hesitated to speak but stopped.

"what happened?"

Li Yun looked at her strangely, "Just tell me if you have anything you want to say, you are my girlfriend, what's not to say? Do you want me to give up the use of force? But it takes time to wrestle, I guess it's not a lot. Zhou can't get results."

"no."

Xiao Mingzhu denied, "I have nothing to dare to say, I'm just afraid that it will affect your...domineering."

"Huh? Domineering?"

"Um."

Xiao Mingzhu bit her lip and looked at him, as if to deepen the impression of Li Yun's handsome appearance again and engrave it in her heart.

Later, she explained: "I know that your power is already very strong now. Even some powerful people in the Six Doors and Hidden Sacred Valley can't help you. You can crush those supernatural powers around the world. ."

"Almost." Li Yun said.

"So, your power can make you ignore the vast majority, or even ignore all worldly powers!"

Xiao Mingzhu's words made Li Yun frowned.

"Just, I'm thinking, Li Yun, what kind of person will you become in the future?"

".....what?"

"Is it a secluded world-famous person, or a strong man standing on the pinnacle of the world? Or is it a trendy person who uses Baiyun technology to lead the times?"

Xiao Mingzhu squeezed his hand, her eyes seemed to flash with wisdom.

She has always been a very smart girl.

"I choose, two."

Li Yun took Xiao Mingzhu's question as a systematic selection event to answer her.

"That means living in the world of ordinary people, right?"

"Of course, I am also an ordinary person, I never said that I am special."

Li Yun is not a god, even if he gets a system plug-in, he is still a mortal.

"Then have you studied sociology?"

Xiao Mingzhu asked again. Without waiting for Li Yun's answer this time, she continued: "I believe that even if you have never studied, you should know that people living in society are bound by social ethics, laws, and values."

"So you don't think I should just grab it?"

Li Yun understood what Xiao Mingzhu meant.

She did not plead for the cherry blossom country, but pointed out another thing: the strong cannot be unscrupulous, otherwise it will easily arouse the fear and disgust of the world.

Li Chaoren, incarnation of Li Yun, rescued millions of people on Penglai Island, but it also caused a series of follow-up reactions.

There are many people who worship him, but behind the scenes, there are definitely many people who regard him as a demon.

People are born to reject people who look different from everyone else, discriminate against thin, fat, short pockmarks, look down on introverts, and require everyone to be cheerful and generous, and so on.

If you want to live in society, you must meet the requirements of society.

Chapter 3710: Social rules

All kinds of restrictions, if you fully meet the standards of ordinary people, then you will be able to enjoy yourself in society.

But if you have some independent specialties, you will be blamed by countless people.

From teachers, to parents, to classmates, to every passerby.

You must behave as normal.

Under this premise, if Li Yun outrageously took the Bachiqiong Gouyu from the palace, it would inevitably arouse the disgust of many ordinary people. Even if the people of Huang Xuanguo applaud his heroic behavior, it is difficult to guarantee that some people will think that , Li Yun is using his power unscrupulously, and will become a scourge in the future, threatening Huang Xuanguo.

Even if no one dared to play any conspiracy against Li Yun, once this kind of thinking became deep-rooted, Li Yun would be isolated.

Order is the only way to live in society.

Li Yun does not follow the rules to **** things in the Sakura Country Palace, and others will think that he is a rule-breaking person, from awe to pure fear.

"I understand."

Li Yun nodded, but his tone was unchanged, and he said solemnly: "However, if the emperor of the cherry blossom country or some people want to stop, I still have to do it!"

"Oh?" Xiao Mingzhu looked at him.

"Do you think I'm overbearing?"

"What's your reason?"

Xiao Mingzhu asked back.

Li Yun said: "The reason is, I don't think Sakura Country is very happy! Besides, our teacher is famous.

The teacher is famous, referring to Ise Jinzakura. Mikako wants to get the jade goose back. Of course it is not allowed under the current law of the Sakura country, but in the traditional shrine concept, it is possible.

Xiao Mingzhu stared at him for a long while, and laughed, "Okay, okay, it seems I can't convince you, um, I support you!"

"Not angry?"

"I just remind you that if I objected, I would have spoken to you harshly."

Xiao Mingzhu leaned his head on his shoulder and murmured: "I'm just worried about you... Your strength is getting stronger and stronger. I know you won't become the kind of person who ignores other people's lives and tramples on the rules of society. I can't help but worry, if no one around you reminds you, it will make you less and less concerned about the rules of the world."

"Isn't there you?"

"Don't be annoying me."

"How come, I never showed my annoyance, okay."

"Have you ever revealed it? It means you feel that I'm annoying in your heart?"

"No, absolutely not!"

Quarreling with him, the smile in Xiao Mingzhu's eyes became more intense.

She knew that Li Yun had never been that kind of person. He had powerful powers, and he also had many strange and magical elixirs and magic weapons, as well as black technology that did not know where he came from.

But Li Yun has never done anything arrogant and arrogant. Even when he faces the enemy, a mouth can kill the enemy alive, but he always maintains a rational state in his actions.

Xiao Mingzhu was worried about himself.

She became more and more addicted to quarreling with Li Yun and living with Gong Qingyu and others. She obviously hadn't promised Li Yun to be her girlfriend, but a girl's heart had already fallen.

Xiao Mingzhu was worried about whether he would become the kind of love-brained, simple-minded, emotionally arrogant person, and he knew that he would walk around Li Yun.

In fact, it's okay to become a love brain.
