Chapter 3721: Li Yun, am I pretty

In fact, a complete sacrificial ceremony took longer than Li Yun imagined.

After he finished the bath, he waited for more than ten minutes. Xiao Mingzhu also finished the bath, walked out wearing a loose kimono, and sat with him in the living room outside Ise Jinsakura's palace.

After waiting for a full hour, Ise Kamakura walked in under the guidance of several witches.

"so beautiful!"

Seeing the neatly dressed little witch, Xiao Mingzhu's eyes widened and couldn't help but say.

Her clothes are still red and white witch costumes, which are very simple, but besides the witch costumes, a beautiful coat called Chihaya is added. The clothes are embroidered with white cranes and pine patterns. The materials are exquisite and exquisite. The collar is tied with Chikake Kan, and he is decorated with flower hairpins and a crown of heaven. There is also a string of Kagura bells in his hands, which jingle when he walks.

With her solemn and sacred temperament, it was as if a little goddess walked into the living room, leaving Li Yun stunned for a moment.

"Pretty?"

Hearing Xiao Mingzhu's compliment, Ise Shinying's solemn expression suddenly broke through, smiling with crooked eyebrows, opened her hands, and turned around in place under the gaze of Li Yun and Xiao Mingzhu.

The large clothes danced lightly, and the flower hairpins and the bells in the hands jingled together to make a clear and sweet sound, which made people feel very comfortable to hear.

"Pretty and beautiful! It's so beautiful!"

Xiao Mingzhu couldn't help standing up and walked in front of Ise Jinsakura, but didn't dare to touch her, because Ise Jinsakura is now neatly dressed, especially the heavenly crown on his forehead and the one held in his hands. Kagura Ling gave people a sense of extremely neat rituals, and a little touch of her would feel a sense of blasphemous guilt.

"Hehe." The little witch took the initiative to put her little hand on Xiao Mingzhu's hand, her brows crooked, "Mingzhu, if you like, you can also change into a witch costume, wait for me to go to the Kagura dance... ..Well, you don't know how to dance Kagura yet, it's too late to learn, so you can only act as a maiden who accompanies me to go with me. I stand aside and watch. When the next sacrifice, you learn Kagura dance and you will be able to dance with me! "

"Huh?" Xiao Mingzhu was very surprised, "I, I can also be a witch?"

She thought for a while, and immediately added: "If I change my career to become a witch, I won't do it, temporary, okay?"

"OK."

Ise Jinzakura did not blame her, and continued to laugh: "When many shrines hold festivals, there are not enough maidens, and they will also recruit temporary maidens from the outside world. It's just that, temporary maidens can't wear Chihaya, they can only be We special witches wear it."

"Chihaya?"

"It's me."

Ise Jinzakura pointed to her upper body coat, a shirt with a crane pine pattern. Not to mention, it was originally just a plain red and white witch costume. With the addition of a patterned Chisao later, she also belonged a little bit more. The beauty of the girl is no longer just the solemn red and white witch.

"Oh oh!" Xiao Mingzhu nodded and smiled: "That's not bad to wear a red and white witch costume. Can I wear it now?"

"OK."

After finishing speaking, Ise Kaminakura looked behind her, and soon there was a maiden holding a set of red and white maiden clothes and handed it over to Xiao Mingzhu.

Li Yun clearly saw her happily taking it, and then happily ran to the back of the bedroom, preparing to change clothes.

"Li Yun, am I pretty?"

After Xiao Mingzhu left, Ise Jinying looked at Li Yun and asked a rather surprising question.

Chapter 3722: Pretty

A beautifully dressed maiden stretched out her hands towards you and asked you if she was beautiful.

Such an ambiguous question, if it is another girl, it is estimated that his face will be flushed with shame. After all, this question is no less than confession, and even a bit more shameful.

It was only asked in the mouth of the pure little witch, but it only gave Li Yun a feeling that she was proudly showing off.

In fact, it is true.

Ise Jinying opened her hands again towards Li Yun, and turned around happily, her black hair flying in the wind, her bells crisp, her smile sweet, her face was indescribably lively and lively.

Li Yun smiled and clapped his hands, "beautiful, of course beautiful, my little witch is of course the most beautiful witch!"

The maidens couldn't help looking at him, and then lowered their heads-they didn't dare to intervene too much about Mikami.

"What your little witch?"

Ise Kamakura wrinkled her little nose, raised the Kagura Bell in her hand toward Li Yun, and shook it. The jingle bell's bell was particularly crisp: "It's not your little witch, it's the little witch of the Great God, talking nonsense, Shake you shake you."

Through the Kagura Bell, Li Yun saw the happy smile of the little maiden, which was really...especially beautiful.

It's so beautiful that it's breathtaking.

To be honest, Li Yun does have an urge to hold her in his arms. Who doesn't like the petite and cute, solemn, and innocent little witch?

"Cough, cough." Li Yun covered his mouth and coughed, turning the subject away: "What am I going to do next?"

"What else can you do?"

Ise Kaminakura walked to Li Yun, picked up Kagura bell again, and shook it in front of his eyes. The bell was very nice.

"Don't you just watch me dance the Kagura dance? You don't have to do anything. By the way, you know that when the three artifacts are gathered, I will hold an event to worship the Omikami, will something special happen?"

Li Yun shrugged, saying that he didn't know.

"Huh? What a pity."

Ise Jinzakura said regretfully: "I just asked Hanako to go through the records. The last time the three artifacts were gathered together, the shrine was still in the imperial palace. When it was not moved out, it was more than 1,300 years. Before...Now the palace relocation ceremony has been carried out 61 times."

The so-called moving ceremony means that Ise Jingu will be completely destroyed and rebuilt every twenty years, and moved to another prepared place. It conforms to the concept of reincarnation of life and death and is also a kind of respect for Amaterasu.

Once in twenty years, the palace moved sixty-one times, which is more than one thousand two hundred years ago.

"What will happen? You'll know when you have a look."

Li Yun said: "But it is recommended to be prepared, and the security in the shrine is arranged to prevent anyone from making trouble."

In the daytime, Ise Jinzakura showed great power in the imperial palace, frightening a large group of people, but there is no guarantee that no one would be dissatisfied, especially some ninjas, sneaking in secretly and sabotage, it would be bad.

"Well, I know."

Ise Jinzakura nodded and said, "I have let Ryou Tokugawa set up defenses. Anyone who comes during the sacrifice will be turned away. Anyone who dares to enter without authorization will be put to death."

When she said these words, not only did she directly call Dongzhao Sword Saint, but she didn't change her tone at all when she was put to death, as if she was crushing an ant to death.

Li Yun couldn't laugh or cry. If he didn't know her character, he would think that the little witch was a murderer.

Chapter 3723: Beauty is like a pearl

But in fact, the little maiden does not kill indiscriminately, she just hates others to sabotage the ritual, or violate the oracle of the great god.

Coupled with the fact that she has lived in Ise Jingu all the year round, she has no correct perception of many things. She can do whatever she wants, without any scruples.

I really don't know whether it was the Mikami who was trained in Ise Jingu, or whether Ise Jinzakura is a special case.

But Li Yun didn't want to care. Anyway, it was the people from Ise Jingu and Sakura Kingdom that were bothering. As long as the little maiden's nature was not bad, it was fine.

As the two talked, Xiao Mingzhu changed into a red and white witch costume, put on wooden clogs, and walked out at a formal pace.

Li Yun's eyes lit up, and Xiao Mingzhu, who was wearing a red and white witch costume, was also a beauty no less than Ise God Sakura.

If Ise Jinzakura is a splendid cherry blossom, then Xiao Mingzhu is a luxurious peony. Although it is not as decorated as Ise Jinzakura, she has a tall figure, peerless face, and extravagance. The sheer temperament, coupled with a well-developed figure, gave her a bit more luxurious air than Ise Jinzakura.

Standing with the neatly-dressed Ise Kamakura, Xiao Mingzhu is a little more noble, completely like a big sister, while Ise Kamakura can only succumb to the role of a little sister.

"Return to mind."

Xiao Mingzhu smiled and waved his hand in front of Li Yun, only to make this nasty guy come back to his senses.

"Huh, you're all dumbfounded?"

Xiao Mingzhu was full of pride, with a smile on his eyebrows and eyes, obviously surprised that his beauty could fascinate Li Yun.

"A beauty is like a pearl, and a pearl is like a beauty."

Speaking in praise, Li Yun stood up, walked forward, took over Xiao Mingzhu's slender figure hidden in the witch costume, leaned down, and kissed her lips forcefully.

The expression in Xiao Mingzhu's eyes went from disbelief to struggling, and finally her eyelashes trembled and fell into Li Yun's arms.

This villain, even the little witch is still watching, regardless of what occasion it is now!

Are you so impatient?

Xiao Mingzhu thought shyly. In the corner of her eyes, she seemed to see the little witch covering her eyes with one hand, but the gap between her fingers was extraordinarily large, and her big smoky eyes were even wider, obviously watching her. The intimacy with Li Yun.

"Bad guy, enough, enough, right?"

After a hot kiss, Xiao Mingzhu wiped his lips, pushed away the enamel of Li Yun, pulled up the little hand of the little witch covering her eyes, and walked out, saying: "Little witch, let's go and ignore this. It's silly!"

"Secondly?"

"It's very good. It means very rascal. Simply put, it is Li Yun!"

"Huh? Okay. What do you mean by color?"

Everyone was shocked.

Is the little witch so pure?

Xiao Mingzhu gave Li Yun another bitter eye. This villain actually kissed her in front of such a pure little maiden. He really taught the child!

snort!

"Ahem."

Li Yun pretended to be very calm. He admitted that he was indeed seduced by Xiao Mingzhu's witch costume.

I also blame Gong Qingyu for dragging him to watch anime all day long. There are especially many witches in the anime of the island country. They are all dressed up in awe-inspiring fashion. After seeing the real witches, Li Yun couldn't help but feel compelled.

Although I have seen Ise Kanzakura's witch dress before, how can her poor and barren figure compare with the tall and white and rich beauty of 1.7 meters?

Xiao Mingzhu put on the shrine maiden's costume, and the moment he went there, he firmly attracted Li Yun's eyes. No matter how generous the shrine maiden's costume, she could not hide her graceful figure.

Chapter 3724: Cute little witch

In the fairies group, at seven o'clock in the evening, the girls began to chat lively.

Because Xiao Mingzhu sent a few pictures up.

Once it was sent out, it detonated a group chat of more than 20 people, no, more than 20 fairies.

Gong Qingyu: "!!! [shocked]"

Three exclamation points and a shocked expression proved how shocking Gong Qingyu, an otaku, was after seeing Xiao Mingzhu's photo.

Delicious little chili: "Wow! Wow!! Wow!! Miko costume!!!"

Among the few photos sent by Xiao Mingzhu, it is clearly a close photo of her and Li Yun, and there is also a full-length photo. She is wearing a red and white witch costume and wooden clogs, standing in front of a brightly-lit temple, smiling cleverly. , Special beauty.

Xianxian is not a lingxian: "What a beautiful girl, who did that villain Li Yun provoke... Ah, wait a minute, this is... Pig?! Xiao Mingzhu?! No way? Really. Xiao, Ming, Zhu?!"

Speaking directly by the name of your girlfriend is also enough to prove how shocking this "immortal is not a spirit fairy" is.

Ling Xian: is not a Ling Xian, Xian Xian, your name...

Shangguan Lingxian sent an expression to express his feelings, and immediately said: "It is indeed very beautiful. Are you and Li Yun in the cherry blossom country, Mingzhu? Have you visited the shrine?"

Sister Fang Xue said: "No, he and Mingzhu are in Ise Shrine. It seems that something happened again. Xiao Mingzhu said in the morning. I don't know if it is resolved."

"It's probably solved. Judging from the background of the photo, it seems to be a celebration?"

"It's hilarious, envy."

"I, I am quite envious."

Tang Anxi bubbling for a while, she finally couldn't help being added to the group on New Year's Eve. Except for the greeting, this was her first bubbling.

Gong Qingyu: "What kind of celebration, this is a festival, a festival of a shrine! By the way, this is a festival of Ise Jingu?! , come out and give me an explanation, otherwise I will fly over and watch it now! "

Strictly speaking, she can indeed go to Li Yun's side. Through the Qinglian Immortal Mansion, all the girls in the capital and Zhonghai City can quickly get to Li Yun's side.

It's just that these days are Xiao Mingzhu and Li Yun's date, Gong Qingyu said, it is impossible to disturb her.

After all, what happens when I date Li Yun, Gong Qingyu who has experienced sketching one night, but knows clearly.

I don't know whether Li Yun and Xiao Mingzhu were in a shrine for the first time, in a hotel, or in a hot spring?

The girls chatted for a while before Xiao Mingzhu continued to post some other photos.

One is a fifteen or sixteen-year-old witch, dressed in unusually beautiful and neat, Baoxiang solemn sacrificial witch costume, holding a Kagura bell in his hand, and showing a brilliant smile to the camera, seeming to be in the group The fairies say hello.

"So cute!!"

The first one to scream is still Gong Qingyu. As a genius and dead housemaid, she has zero resistance to the little witch who seems to have come out of anime.

Especially the identity of this little maiden, seems to be the genuine maiden of Ise Jingu? !

"who is this?"

"Ise Jinying, a little witch that Li Yun knew in the cherry blossom country, according to Xiao Mingzhu, is very good, very beautiful, and has a good status."

"Um?"

Seeing Su Muxin's explanation, the women became vigilant. Xiao Mingzhu said very well, referring to...the one who is willing to be accommodated in the big family is very good?

Chapter 3725: Live Festival

"It's actually a festival ceremony in Ise Jingu!!"

After listening to Xiao Mingzhu's explanation in the group, Gong Qingyu was even more excited, and hurriedly said: "Mingzhu, you ask the little witch, Sakura, right? Ask her, can you broadcast the whole process to us? Shijingu's ceremonial ceremony is of particular interest, you can ask her to see if it can be broadcast live!"

There are many ceremonial ceremonies at the shrines of the Sakura Country on the Internet, and there are also many real maidens performing Kagura dance.

But no one has ever uploaded a ceremonial ceremony at Ise Jingu!

Not to mention that the **** maiden of Ise Jingu, personally abbot, and uses three sacred tools to serve as rituals.

The reason is also very simple.

As the most traditional and high-status shrine, the annual festival of Ise Jingu is impossible for foreigners to enter, and even for locals, it is only an invitation system. Only some important figures, even members of the royal family, are invited to participate every year. The most solemn festival.

Only some less important ceremonies will be open to tourists to participate together.

As for foreigners, I can only look at it from a distance. I want to see the festival with my own eyes. I'm sorry, let's go to another shrine. Ise Jingu is not welcome.

No one has ever filmed what it is like to hold a festival at Ise Jingu. Cell phones and cameras are all prohibited from being brought into.

It can be said that Xiao Mingzhu inadvertently posted a rather remarkable picture, which successfully aroused Gong Qingyu's keen interest.

As for the girls, they are all very curious too. How does this petite maiden who looks neatly dressed and smiles at the camera holding a strange bell, performing the etiquette of offering sacrifices to the gods?

She was a little too young, she was only 16 or 7 years old, her expression was very immature, her smile was full of innocence, but her temperament was solemn and sacred, all of which aroused the curiosity of Fang Xue, Su Muxin, Liu Xianxian and others. .

What did this little witch look like when she offered sacrifices?

"what?"

Xiao Mingzhu seemed hesitant and reluctant to broadcast live. After all, when she took out her mobile phone to take pictures and solicited the Omiya Secretary, the clergyman in charge of daily affairs unceremoniously refused her request to take pictures.

Of course, Ise Kaminakura was by her side, and she immediately rejected Omiyaji's order, saying that Xiao Mingzhu could take pictures or shoot at her.

Therefore, Xiao Mingzhu was able to pass the photos to the group.

As for the Omiya Secretary...Anyway, he dared not say any objections, at least on the surface, no one knew what he was in his heart.

As long as Ise Jinzakura is still Mikami, and can still summon the power of Omikami, no one can oppose her.

In the past, Mikami also had great powers, but they didn't care too much, and Mikami didn't intend to change this tradition.

But here is Ise Jinzakura...

Not only did she change many traditions, she also called on the power of the true Omikami, so that Ise Jingu, and even hundreds of thousands of people from various shrines, had no objection.

What Mikami said is what.

Her words are oracles.

Her decision was the decision of Omitama.

"live streaming?"

Standing in front of the Kagura Hall full of white lanterns, Ise Kamakura blinked and looked at Xiao Mingzhu suspiciously: "What's the live broadcast? Isn't it taking pictures? It's okay to take pictures. Omikami didn't say no, besides. It's a sacred sacrificial ceremony later, so it's okay to take pictures for others to see."

"Photographing is not a live broadcast, but a live broadcast is...real-time shooting means that many people will directly see you dancing the Kagura dance." Xiao Mingzhu explained.

"Oh... it's okay. Let's broadcast it. Later, I will be facing the camera, and I will dance Kagura among many people, praying to the god, so that outsiders can see how powerful the power of the **** is~"

Ise Kamizakura agreed.

Chapter 3726: Live broadcast

"That's great!"

Gong Qingyu, who was still in the palace family, clapped her hands and said with joy, "Mingzhu, I'll rely on you to pass the boring time tonight. Remember to make it high-definition and record the sound!"

"I have a mobile phone now. The sound cannot be guaranteed. The video should be clear."

"That's okay, remember to be close to that cute little maiden, her status is not low, Mikami is definitely the first time to broadcast the festival, you can't be sloppy."

"I will handle it."

As Xiao Mingzhu and Gong Qingyu were chatting in the group, others gradually learned what was going on.

Fox Xiaomeng: "the little witch is in a bad situation right now? If you want to help her, ask her if you mind a live broadcast worldwide. If you mind, forget it, if you don't mind, Can play a big role."

The Pearl of the Kingdom: "Huh?"

Beauty is like jade: "You can do [like]"

The Pearl of the Kingdom: "Let me ask, I probably understand what you mean."

The situation of Ise Jingu and the little maiden is indeed not very good. Hu Xiaomeng inferred from the messy information, so he gave advice.

Xiao Mingzhu thinks it has great feasibility.

"Little Miko!"

Xiao Mingzhu took the mobile phone and found Ise Jinzakura who was making the final preparations, explained to her, and asked her opinion.

"National broadcast? No way, no way!"

After hearing Xiao Mingzhu's remarks, Omiyaji, as well as some maidens and priests, all directly opposed and firmly disagreed with any live broadcast.

Allowing Xiao Mingzhu to shoot the video before was a great kindness. Now that it is broadcast live, doesn't it expose all the ceremonies of Ise Jingu?

"What's good?"

Ise Jinying ignored them and asked Xiao Mingzhu with her big eyes blinking.

"There are many benefits."

Xiao Mingzhu didn't pay attention to those who opposed it. She could see that Ise Jinying didn't care about anything in normal times, but once she made any decision, none of these people dared to stop her.

Therefore, she only needs to persuade the little witch.

"First, it can ease the relationship between Ise Jingu and the outside world."

Xiao Mingzhu explained: "Because of the Yaqi Orochi incident, the relationship between the shrine and the outside world is a bit stiff. If you take the initiative to broadcast the festival, you can dispel the hostility of some people."

Omiya hesitated for a while, if there is such a benefit, he can try to agree.

But Ise Jinzakura shook his head: "It's boring, I don't care what people outside think of us, I just need to serve the Omikami well."

Li Yun felt dumbfounded when she heard it. It seemed that the little witch really didn't eat the fireworks and ignored the opinions of the outside world.

Xiao Mingzhu smiled and said: "There is another huge benefit, that is, through Sakura's beautiful dances and sacred festivals, let the outsiders know Ise Jingu and the majesty and power of the Omikami. In this way, There will be more people who directly believe in the Great God God, instead of just knowing it before."

"Can more people believe in the Great God? Good, good!"

Ise Jinzakura's eyes lit up, and she agreed directly.

Sure enough, she lost her mind when it came to the mention of Dai Yushen.

No, she has always been very mindless.

"Then it's decided?"

Xiao Mingzhu looked at the people around him and said, "I will broadcast the live broadcast on my mobile phone later. Everyone strives to make this festival the best, so that those who see the festival will have admiration for the shrine."

Everyone look at me, I look at you, and reluctantly agreed.

"Come on, everybody!"

"come on!!"

Only Ise Jinying responded to Xiao Mingzhu's cheering.

Chapter 3727: Barrage website

"it has started?"

After the group live broadcast was opened, Hu Xiaomeng was ready and immediately used the power of his Hu family, and also known as Jin Liuli, used various relationships. Several major live broadcast platforms around the world have opened simultaneous live broadcasts.

It is not correct to say that it is synchronized, and the delay is about ten seconds.

"Ok, YouTube has contacted and found a few accounts with more than 5 million fans who are willing to broadcast."

"Tweet is good too. It is also a few accounts with more than one million followers. After paying, they will broadcast it later."

"There are also Sakura domestic, niconico website has also opened a live broadcast, and the administrator of their website, after knowing that it was actually the festival ceremony of Ise Jingu, directly agreed with the homepage + pop-up recommendation, and confirmed that it is really Ise God. The queen of the palace is willing to give us a large amount of free real-time advertising, and

the rewards are all ours...Ah, forget it, I won't say anything about rewards. Our fairies don't lack this little money, hehe."

Niconico is a fairly large two-dimensional barrage website in Sakura, and it is also the ancestor of Huang Xuanguo barrage website. The earliest Ac barrage site is the imitation of this website.

After they knew that it was actually the ceremonial ceremony of Ise Jingu, they directly gave the greatest resources to them, and promised to put additional advertisements in order to attract more people to watch the live broadcast.

Needless to say, the reason is that Ise Jingu may not be well-known, but it is definitely the most special and most transcendent of all the shrines in Sakura.

Ise Jingu, which was originally closed and conservative, actually agreed to broadcast the festival ceremony and let the management of the nico website manage whether it was a prank.

Fortunately, one of Jin Liuli's subordinates is a relatively influential family son in Sakura, and he came forward to guarantee that he won the trust of the website.

Of course, whether it is a festival at Ise Jingu or not, I have to watch the live video.

"Prepared, Sakura is ready!"

Xiao Mingzhu said in the group that all the women temporarily put aside their work and prepared to watch the live broadcast. They also saw Li Yun in the video, and the guy greeted them with a smile.

Gong Qing Yu Gong Lian Yi, who spent the New Year at the palace family, is still in Fang Xue in Longyang County, Hu Xiaomeng who also returned to his hometown in Longyang County, Zhao Tianfeng who was in Beijing, and Shangguan Lingxian, Qingleigu who returned to Shangguan's home Xia Feiyao, Jin Liuli who stayed with her mother in Jinsheng Pavilion, and all the girls in Huangting Mountain, Zhonghai City, all leaned in front of the screen and prepared to watch the live broadcast.

In Villa 36 in Huangting Mountain, Caixia projected the group video on the big screen, and she happily watched the live broadcast with the little princess and Shan Xiaoxiao.

Saint Son Xiaosu raised his head and glanced, "Ise Jingu? Humph, it's the shrine of that golden woman, so please take a look."

She picked up a bag of potato chips and ate them while watching the live broadcast.

It's too leisurely.

I don't want to go back to her castle anymore, so I live in Villa 36.

"Jingle Bell."

In the live video, the witch was not as picturesque, and the crisp bells rang first.

"Come here! The witch is here!"

The girls who saw this scene, as well as the inexplicable audiences from all over the world who saw this scene, were all attracted by the sound of bells, and the little hand and Kagura bell that were reaching into the picture.

Chapter 3728: Three bells

The little hand holding Kagura Bell is white, flawless, and slender.

Kagura bells are also exquisite. They are made of gold and are shaped like three-story towers. Each tower has five or six small bells. The golden bells are shining brightly, matching with the sound of jingle bells to bring out the whiteness of the little hands. exquisite.

"wrong!"

Jin Liuli nestled in her mother's arms and saw the problem at a glance, and said in surprise: "It's not a special effect, but this Ise Shenzakura. She knows spells? Or is she supernatural?"

On the Kagura bell, each small bell was shining with golden light, and the little hand held it and shook it gently. The bell was crisp, the golden light burst, and the sound and light shavings fell on the ground together, splashing a little bit of brilliance.

Beautiful, just like a goddess.

Jin Liuli opened her mouth wide, "This, this...that's amazing!"

Her words are basically the thoughts at the moment in the minds of the people who saw this scene.

Immediately afterwards, while the audience was still marveling at the whiteness and flawlessness of this little hand, as well as the strange brilliance and crisp sound that Kagura bell shook, the little hand shook again and Kagura bell shook again.

The little hand shook again, and the Kagura bell pointed to the brightly lit Kagura Hall, as if using a bell to guide the witches.

With three bells, I succeeded in hearing all the attention mesmerized.

Liu Xianxian, who is playing music, is already crazy at home at the moment. What if he complied with the sound of the bell and wrote a few songs?

"Amazing!"

"What will happen next?"

The audience's eyes widened, and they dared not miss any picture.

After the bell rang, more than a dozen young and beautiful, slender maidens, uniformly dressed in simple red and white maiden costumes, walked to Taichung from all corners of the Kagura Hall.

Each maiden is solemn and solemn, holding a golden paper fan in her hand. After she got on the stage, she slowly turned three times, and then kneeled down on the four sides of the Kagura Hall stage, letting out the middle position. .

Everyone can tell that these witches are waiting for the master of Kagura Ling to step onto the stage.

The live footage finally gave a panoramic view, allowing the audience to see all the people on and off the stage clearly.

"hiss!"

The people who understand the setting-most of them are from the Sakura country, and they all took a breath. Those who are more knowledgeable stood up in shock and looked at the furnishings in this live video in disbelief. Shocked and muttered:

"Really it is the festival of Ise Jingu?! How could it be possible!!"

The management of the nico website was trembling with excitement. After reacting, he turned and yelled at the people under his hands: "Give me action. All the live broadcast resources are given to this live broadcast. Hurry up! Wait, I will change the live broadcast right away. The title says, it's rare to see a beautiful girl in two thousand years..."

No, no, it's not the title, it's changed to: Sakura Country Shrine Ruler, Ise Jingu...what? People over there let the title be changed to "Ise Jingu-Amaterasu Daimoji Festival"? Okay, then this title, go now! "

The management of the website flushed with excitement. He seemed to see his promotion and salary increase and the future of becoming a winner in life.

The most mysterious, most conservative, and highest-status Ise Shrine has a live broadcast on the nico website. This kind of thing can make a national sensation in less than five minutes!

It's no exaggeration.

Because only by understanding Ise Jingu do you know the status of this Jingu in the Kingdom of Sakura.

"Yes, boss, I will start to promote it right away!"

The live broadcast of the festival ceremony at Ise Jingu, the rapid spread of the news in Sakura, swarmed 100,000 audiences in less than a minute.

Chapter 3729: Respectfully

"The festival of Ise Jingu? The festival is held at night? What is it? Why did Nico suddenly post this live broadcast?"

"What is Ise Jingu?"

"You are too stupid. Ise Jingu doesn't know that this is the shrine with the highest status in our country. No, half of it is said to be a shrine. It is made up of hundreds of shrines, the largest! The highest! The strongest. !"

"So awesome? Really or fake."

"I do not believe."

"Don't make a noise, the witch is out."

"Correct again, it's not a maiden, not a maiden, not a maiden, this is the maiden of Ise Jingu, it should be called: Miko, or Miko!"

"Miko? So cute~."

"Miko-sama's little hand is so cute, I want to hold it in my palm and kiss him."

"Oops, the disgusting house is coming."

As the live broadcast of the Ise Jingu Festival was put on the homepage and various pop-ups were promoted, a large number of viewers began to flood in.

They may not know how powerful Ise Jingu is, but after three bells, more than a dozen maidens came to the stage in turn, kneeling and waiting respectfully, it can be seen that this Ise Jingu is really powerful. !

Because in other shrines, when the festival is held, at most three maidens will be used to dance the Kagura dance. Many small shrines can have a maiden willing to dance.

After all, after entering modern society, many traditional things are dying out, and no one is willing to be a witch.

But in this Ise Shrine, there are only fourteen maidens accompanying the dancers, or fifteen!

In short, a lot.

And judging from the manners, movements, appearance, and clothes of this maiden, they are all at the top level. When placed in some large shrines, they can serve as the face of the shrine maiden to welcome the worshippers.

But in this Ise Shrine, there is only a humble maiden.

"What are you kidding me, sitting on the east side, the third miko from the left, so pretty and so cute, she can only kneel and wait?! How big is the master miko of Ise Jingu?"

"Pull the newcomer, Yan Shang! Objection!"

"I like the first one from the south left. It's very cute and very slender."

"The second one in the south is not bad, look at her, she is really standard, she doesn't dare to move, she's so cute."

"I like the first one from the right in the north. When she walked to Kagura Hall just now, she glanced at the camera with her eyes, ooh, her eyes were faintly dissatisfied, with an angry expression, which made me so excited and cute. cute!"

"Who knows the name of the second witch in the east? Good sister-in-law! I like it, I have decided, she will be my wife from now on!"

The person holding the Kagura bell has not yet appeared on the stage and has not shown up, but the dancing maidens of Ise Jingu have attracted countless people's love with their pious and solemn expressions and standard walking dance moves.

Many people have abandoned the two-dimensional wives, and turned to like the three-dimensional wives of the witches, and a large group of dead houses began to fall in love.

"Bang! Bang! Bang!"

The shrine maiden holding the Kagura bell still did not show up, and the sound of a wooden barrel-like musical instrument sounded first, a rather strange, not very pleasing, but very sacred music performance began to sound.

The audience widened their eyes and saw the maiden wives on their Kagura Hall. At the same time, they knelt down and shouted respectfully, "Please Mikako."

The shrine maidens shouted in unison, giving the owner of Kagura Bell enough face, but also made many audiences dissatisfied.

Chapter 3730: Three prayers and three please

"It's so big!"

"Mishiko doesn't enlarge people?"

"Mikako seems to be respectful."

"Who is Mikami? If you are not on stage, you have to use witches to please?"

"Hurry up, can't wait!"

The audience was even more dissatisfied, and they actually asked their witch wives to please?

"Jingle Bell."

Outside the screen, there was a crisp sound of bells, melodious and ethereal, like the tune of the gods descending from the sky.

The camera was aimed at the audience, and everyone saw clearly what the audience looked like for the first time. After only one glance, everyone was stunned again.

I saw at least five or six hundred priests and witches sitting on the square in front of Kagura Hall.

They looked respectful and solemn, and the priests were all wearing white hunting clothes, wearing tall black ebony hats, and holding wat boards that symbolized majesty in their hands.

The witch is wearing a red and white witch costume, holding a magic wand in her hand, and her expression is equally serious and solemn.

"Please Mikako again!"

Hundreds of priests and shrine maidens all bowed together and respectfully came to the stage.

"Oh My God!"

This scene completely shocked the Sakura country and millions of viewers around the world who saw this scene.

Even foreigners who do not know Sakura Kuni Shrine know what it means for so many clergymen to hold the festival neatly and solemnly at 8 o'clock in the evening.

This "Ise Jingu-Amaterasu Daigojin Festival Ceremony" is more solemn and majestic than any of them imagined, full of sacred majesty.

At the same time, it also aroused their curiosity about the witch holding a Kagura bell.

Can the millions of priests on and off the stage be invited over and over again, what exactly does that witch look like?

"Jingle Bell."

The third ringtone gradually moved closer, and the audience seemed to realize what would happen next.

really.

The people on and off the stage knelt and bowed together, and then shouted: "Three, please go to the gods!"

Three prayers and three invitations, the true body of Mikami finally appeared.

"Tingling bell~"

Accompanied by a brisk ringing, Mikako holding the Kagura bell seemed to respond to their respect, and the camera slowly shifted to focus on her back as she walked slowly onto the Kagura Hall.

"What a nice view."

Seeing Mikami's slender figure, the audience couldn't help but have the same thoughts in their minds.

This Mikami is much more beautiful than they thought!

The graceful and slender figure, the arrogant walking posture, and the sacred temperament that he saw from the side, all deeply shocked every audience.

"it's beautiful."

Shangguan Lingxian couldn't help but exclaimed. She returned to Shangguan's house during the Chinese New Year. During the day, she went to worship relatives with her parents. When she returned home at night, she saw the live broadcast of the group.

After seeing the profile of Yu Shenzi, Shangguan Lingxian was very surprised, shouldn't Li Yun want to...

"It's so cute, I really want to give her a hug!"

Gong Qingyu covered her face contentedly, she really couldn't help but want to give a hug to the existence of the cute witch!

More and more viewers watched the live broadcast, and also saw Ise Jinzakura after walking up to the Kagura Hall.

The Kagura Hall is very special. There are no walls around it. It is just a palace similar to a stage with an altar on it. On the stage, the maidens dance a dance to please the gods, so called: Kagura dance.

As the festival was held at night, lanterns were hung around the Kagura Hall. The night color matched the lights, shining on the noble Mikamiko on the Kagura Hall, becoming more holy and noble.

She just stood still on the stage holding the Kagura bell, but she had already demonstrated her outstanding beauty.

Because around the Kagura Hall, there are hundreds of priests and witches kneeling.

Only she is standing.
