

## Godly Choice 3741

Chapter 3741: keep going

The external affairs came to an end for the time being. Ise Jinzakura ordered no one to enter the shrine tonight, and everything will be discussed tomorrow.

"That's the end of the matter tonight. Everyone goes back to sleep. I believe no one will dare to make trouble."

Li Yun said something and looked at Omiya Secretary, meaning that he was asked to arrange the guest room.

It was an accident last night. I can't still sleep in the palace of the little witch tonight. How inappropriate.

"Oh, go to sleep~~"

The little witch was very energetic. She pulled up Xiao Mingzhu and Li Yun again, and walked towards her bedroom to see what she looked like... Did you want Li Yun and Xiao Mingzhu to sleep with her again?

Omiyaji looked at each other and did not dare to object. After all, the Omiya God had said that Mr. Li Yun was also a benefactor, and there was a \*\*\*\* standing behind him.

Besides, the relationship between that \*\*\*\* and the Great Royal God is not trivial. How can they dare to stop it?

"and many more."

Li Yun hurriedly took hold of Ise Jinzakura, "Little Miko, shouldn't you let me be with you...cough cough, where am I going to sleep tonight?"

"Huh?" The little witch blinked, "Didn't we sleep together last night? We will continue tonight."

"How can this work!"

"Why not? Didn't you all sleep together last night?"

"Last night was a special situation, not tonight!"

"You have something tonight? Is it okay tomorrow night?"

"...Mingzhu, come on!"

Li Yun threw this stupid and pure little witch to Xiao Mingzhu and asked her to say.

"I think it can."

Xiao Mingzhu said solemnly: "It's just sleeping together, and nothing will happen. Does someone want to do something to our little witch?"

"How could it be..." Li Yun couldn't laugh or cry.

"Hahaha, look at you scared, oh no, look at you beautiful!"

After Xiao Mingzhu teased her, she took the little witch and whispered, telling her something that belonged to the girl when she grew up.

"Marriage? Have a baby?"

Ise Kaminakura blinked in confusion, looked at Li Yun, from his face, down to the heel, and then from the heel to the chest, as if recalling that she slept with her arms around him last night, The scene of sleeplessly.

Very comfortable, no wonder she would want to sleep with Li Yun for another night now.

"Yes, you can..."

Ise Jinying suddenly said something, shocking Li Yun, Xiao Mingzhu, and the priests and witches around.

Can? What can be? Is that kind of okay?

"In fact, there is an oracle."

Ise Jinzakura squeezed, and finally showed a shy expression on her small face. It is very rare to see the shy expression on the face of this pure and innocent little maiden. matter.

"The oracle?" Xiao Mingzhu asked, and Omiyaji and others also looked at the goddess.

It's not that... oracle, is it?

"Well, there are many, many things that Omitama told me."

Ise Jinzakura blushed and said: "Omikami said that it may take many years to change in the future. She didn't need to stay in the shrine, and I can marry and have children. In this way, my daughter will continue to be a daughter. Mikako...if trained properly."

Everyone fell silent.

The goddess Amaterasu actually ordered such things down, really a kind and good goddess.

Li Yun was also surprised. Could it be that the goddess Amaterasu knew that these witches would not marry for life during the previous communication with Mikamiko, so she specifically ordered it?

Chapter 3742: agree

In any case, the previous Mikami also married, and of course Ise Kamakura now can.

As long as she has not officially married, or gave birth to a child, or... is definitely taken away from her virginity, then she is Mikami.

Moreover, the current rules have to be changed again, because Omikado really exists, and how many years Ise Kamakura wants to be a Mikami in the future, not from Ise Jingu, or whoever else has the final say.

It's the Great God.

Only when Omikagami issued an oracle to change Mikami, Ise Kamakura was forced to lose her identity as Mikami, regardless of whether she married and had children, or opened a room with whom she fell in love.

"The relationship between Mikami and Mr. Li Yun is very good, and Mr. Li Yun is another god's messenger. Could it be said that in the future, Mikami will join forces with the \*\*\*\*\* behind Mr. Li Yun? Or even form an alliance?"

"The key to the alliance is to let Mr. Li Yun marry Mikamiko?"

Everyone thought of this possibility, and at the same time they felt shocked, they felt that it was not impossible, but very possible!

Because Da Yu Shen said the last words, when the world changes in the future, let Li Yun come to her again.

Maybe it's for negotiating the alliance.

After all, there were many evil gods in ancient times, such as the big snake of eight Qi, which is one of the sources of disaster!

"Well, since you have said so, don't you come here soon."

Xiao Mingzhu smiled and took Li Yun's hand, and walked towards the bedroom with Ise Jinzakura.

This time, Omiyaji and others finally had no intention of blocking them, but respectfully bowed their heads and stepped back to deal with follow-up matters.

There was such a big noise tonight, it can be expected that countless people from Sakura will come to visit Ise Jingu, and they can't even wait for tomorrow morning. I must give an explanation tonight.

But... Ise Jingu is no longer a mascot, so I can strongly reject them!

"Provide the order of Mikamiko." Omiya Secretary faintly said: "Reject all visitors tonight, and for anything, we must wait until tomorrow morning. After the morning prayers, we will tell Mikamiko to discuss with... Mr. Li Yun. !"

"Hi!"

Everyone nodded. From tonight, Ise Jingu doesn't need to fear anyone. The thousands of shrines in the entire Sakura Country do not need to look at anyone's winks!

Except for Mikamiko and Mr. Li Yun.

...

"Are you serious?"

Li Yun was dragged to the bedroom of Ise Jinzakura, seeing that he could not hide, he finally panicked.

Don't talk about him or the beast, think about it, there are two beauties, one big and one small, sleeping beside him, and they are all beauties who have a good impression of him. Who can stand it?

He is not Liu Xia Hui!

"What's really?"

Xiao Mingzhu blinked like Ise Kamakura, and said innocently: "Tonight, we will sleep on tatami mats. I will sleep with the little maiden. Find a quilt to sleep on the side. The tatami mats are as big as... Wait, Do you still want to sleep with me and the little witch like last night?"

With no one around, Xiao Mingzhu's words have become quite bold.

The little witch blushed.

He glanced at Li Yun with big eyes, then quickly lowered his head and squeezed.

Before, she only regarded Li Yun as a good friend, a good person willing to help her.

But after Xiao Mingzhu talked to her about getting married, having children, and sleeping together, Ise Jinying suddenly realized that she was a girl.

And Li Yun is a man.

The one she has a crush on, man.

Chapter 3743: Little Witch joined the group

Therefore, Ise Kamakura is shy.

She used to be Mikami, not a girl, Mikami is not shy, but only serves Omijin.

But girls will be shy, because girls will be kissed by boys, and their mouths and mouths will be kissed together.

This is how she, the couples she has met, and the couples who came to worship, express their love for each other.

As for more things, she didn't know.

But even this kind of kiss, she felt very ashamed, and made her heart beat like never before.

"Little Witch, what do you think?" Li Yun looked at her.

"Well....."

Ise Kaminakura stretched out her small hand, and pointed weakly and pointed not far away, "Li Yun, you, where you sleep, and Mingzhu and I sleep here... The tatami is very big, and it can sleep three people... "

"Well... so it is."

After Li Yun glanced at the shy Ise Jinzakura, he finally agreed.

He is not Liu Xiahui, but he is not the unfeeling Pan Shimei. The little witches of the other people all said that she was doing this, and it would be ruthless to refuse.

Moreover, the tradition of Sakura Country also has the idea of co-living, that is, men and women are separated, or sleeping in a big shop, if there is only one room, men and women are sleeping on one side.

It's similar to the current situation.

"Ok, let's sleep then!"

Li Yun heaved a sigh of relief, waved, and took the initiative to take off his shoes and walked into the bedroom of Ise Jinzakura.

Then, two beautiful girls also took off their shoes and walked in wearing white socks.

Both women's faces were flushed, and they sat at a low table.

"It's still early to go to bed, do you want to play a game?"

Xiao Mingzhu voluntarily suggested that it is only ten o'clock, two hours before modern people sleep.

"What game? Don't you want to invite the little witch into our group?"

In addition to the fairies group, Li Yun and them have another group, and they also invited the saint son Xiaosu, Qingny, Liao Hua and others to be in the group together.

Of course, the topic of this group chat is more serious than the Fairy Club.

"Well, good, then join the group first, and then see if you want to play some games."

Xiao Mingzhu beckoned to Li Yun, motioning him to sit closer.

Li Yun didn't go right away, but found three pillows and threw them to them. Instead, he hugged one, leaned comfortably on the pillows to play with the phone, and deleted all the messages that popped out after turning on the phone.

Anyway, there is no message from the girls around him, they all know that Li Yun can't read text messages now.

Ise Jinzakura was learning everything, and lying on the tatami, a pair of delicate jade feet wearing white socks stepped on Li Yun's calf and swayed happily.

Li Yun glanced at the feet of the little witch and ignored it.

So as not to get angry again.

"Ah, I added it!"

Ise Kaminakura yelled happily, and Li Yun glanced at the group, and many people bubbled up.

Liao Hua: "Ise Jinzakura?! That Mikami from Ise Jingu?"

Ise Kaminakura immediately said, "Li Yun, how should I answer this person?"

Li Yun hadn't spoken yet, and someone sent another message in the group.

Hu Xiaomeng: "Good guy, really good guy, the Lord has joined in! We are talking about you, the young lady from Sakura Country is good, young lady is so beautiful~~!"

"Ms. Sister? Are you younger than me?" Ise Kamizura can understand Chinese characters.

Gong Qingyu: "Welcome, welcome, welcome our little witch to join the group!"

Chapter 3744: Meet in the group

"Thank you, thank you all, and thank Li Yun's friends, and everyone!"

Ise Jinzakura can understand and speak Chinese, but it's a pity that she doesn't speak very sharply, which is very strange.

But considering her origin, everyone can understand.

Not long after, all the girls were online.

Hu Xiaomeng: " come and take a few selfies, they are just photos, the meaning of the photos, do you understand?"

"Um, understand, wait."

Before everyone could stop, Ise Jinzakura raised his phone and took a picture of himself,

By the way, Li Yun and Xiao Mingzhu were also taken in.

"Wow!"

"Brother is there too?"

"Bird. Beast,

"Mingzhu is there too, tatami?"

"very nice."

"The little witch is so beautiful!"

A group of people were noisy, Gong Qingyu also took a selfie and sent it to the group. Only her frontal photo was said to be known to Ise Jinsakura, and sister Qingyu would cover her in the future.

Then a group of people clamored to be the sister of Ise Jinying, Caiwei and the others were jealous, and the group was too confused for a while, and Li Yun didn't even look at it anymore.

Finally, when the chat speed was a little slower, Liao Hua took the opportunity to ask: "now in Sakura, the goddess of Amaterasu will have a big impact ?"

Liao Hua has spoken very tactfully. The subtext is, will the appearance of the goddess Amaterasu have a huge impact on Huang Xuanguo and the world situation?

For example, if there is an aura outbreak like Penglai Island, he needs to report it as soon as possible to be prepared.

Liao Hua's current position is not low, he has the ability to speak up, and has a good relationship with the leaders of Zhonghai City. In Zhonghai City, he is responsible for coordinating the relationship between Li Yun and Beijing. If there is any movement, he needs to know in time. And report it.

The so-called movement actually refers to the actions made by Li Yun and the two cultivators of immortality!

Including this time, when Li Yun went to Sakura Country, the incident involving the arrival of the goddess Amaterasu, God knows how many calls Liao Hua received from the leaders of Beijing and Zhonghai in just one hour.

If he doesn't ask Li Yun himself, he will have to resign in the morning.

Li Yun saw the news in the group, but did not answer Liao Hua, but just said, "Mingzhu, Little Witch, please answer him."

Li Yun is now inconvenient to answer.

There are many reasons, the biggest reason is that Ise Kamakura is in the group.

"I?"

The little witch said questioningly, she put her two little feet with socks on Li Yun's waist, while her head got into Xiao Mingzhu's sorrow, and it became horizontal between Li Yun and Xiao Mingzhu. Posture.

Li Yun glanced at her.

The little witch was not conscious at all. Her calves were lifted and dangling leisurely, while her head was resting on Xiao Mingzhu's arms, playing with her mobile phone.

I believe that if such a laid-back Mikako takes a picture and spreads it out, it will surely shock the eyes of hundreds of millions of people around the world who are concerned about the arrival of the goddess Amaterasu tonight.

Even if I think about it, Ise Jinzakura has to pray morning, noon and evening, but she doesn't have to go to school, and the cultural classes are taught by other witches in the shrine.

Except for occasional unhappiness, isn't the other time just relaxing in the sun in the shrine?

Ise Kamin Sakura: "Omikami is a big good man, a good god, and will shelter the Sakura Kingdom in the future, and protect the believers, do you want to believe in Omikami?"

Chapter 3745: Insider information

Good guy, dare to bring a leader like Liao Hua to believe in the \*\*\*\* of the cherry blossom country, little witch, are you trying to die?

Li Yun couldn't laugh or cry, but still didn't speak, let them explain.

Xiao Mingzhu glanced at the \*\*\*\* Li Yun, but reluctantly, he could only type a word and send it up: "I have broadcast the basic process. What happened before is nothing more than a big snake occupying it..."

The people in the group are trustworthy people, Liao Hua, Wu Ke, Li Yun's twin sister, Shangguan Ming, Xia General, etc., so Xiao Mingzhu can directly tell this amazing inside story without worrying about leaking it out.

"It turns out." Baiyun Technology's president, Wu Ke, who is in charge of a company with a market value of tens of trillions, said with emotion: "Unexpectedly, the ancient gods and monsters have recovered, and things have finally developed to this point. In fact, I still have a lot of things. People have already had a hunch, just holding a trace of luck."

With the appearance of gods and monsters, the human world will usher in a huge change.

There are already many believers in gods around the world. The three major religions have two or three billion believers. After the Penglai Island incident, the number of believers has skyrocketed.

This time the goddess Amaterasu came out, conservative estimates...There will be four or five billion people in the world who will try to believe in gods and pray for refuge.

Such a change is scary just to say it.

For business, education, political situation, etc., it is a huge change.

"Amazing!"

Caixia couldn't express her opinion, so she could only make a comment.

In fact, she didn't know who Wu Ke and Liao Hua were, so she didn't feel ashamed to interrupt the conversation. After all, her sister Mingzhu was the initiator of the topic, so there was nothing to worry about.

Liao Hua's face was weird, and news that could shake the world came out in this small chat group, and there was also a junior high school girl who interrupted. It was...somewhat outrageous.

However, Li Yun did not take the initiative to speak, leaving Liao Hua with some guesses.

It seems that he doesn't want to explain too much, saying too much is wrong.

Liao Hua: thank Miss Xiao for revealing the inside story, so that we don't have to be so passive."

Xiao Mingzhu: "You're welcome, I just participated in it. In fact, I don't know many things, and he probably doesn't know, so let's be cautious."

She was afraid that Liao Hua could not see Li Yun's meaning, so she reminded her.

"I see!"

Liao Hua @Ise Shenyang again, trying to ask her something.

Ise Jinzakura knows everything, but the topics are all about how to convince people in the group that Amaterasu is a good god, and how to prove that Amaterasu is a good god, plus how to make people in the group believe in heaven. According to such a good \*\*\*\* as Omikami.

At the end of the day, as soon as she spoke, no, before she spoke, everyone knew what she was going to say next.

"It's good, good~~!"

Gong Qingyu quickly interrupted her: "Little Miko, your Amaterasu goddess is a good god, but the gods in our family are not bad, Caixia, is Xiaosu still there?"

"Here, watching the comics of "Angels and Demons" next to me, I'll call her."

The twin sisters are chatting with Shan Xiaoxiao, mother and daughter, and some other girls in the living room on the second floor. The son Xiaosu finally went online after hearing about the group.

"Are you the envoy of that mad woman?"

Chapter 3746: going offline

It's just that the first sentence of the son Xiaosu made everyone stunned.

Crazy woman?

"What crazy woman?"

Ise Jinzakura corrected and said: "I am the maiden of Omikami!"

"Well, that's her."

Saint Xiaosu threw a sentence, "I watched the live broadcast, and she pretended to be very serious. In fact, hey, this woman is more crazy than anyone else. You will understand when you see her in the future. Don't get caught. She tossed to death."

"you you you!"

"What you, you, you, I am also a god, I am the one who has the most say."

After showing off his identity and showing off contentedly, the saint son Xiaosu went off the assembly line contentedly, and didn't bother to pay attention to the news in the group.

After reading it silently, the young girl said: "This \*\*\*\* looks like, I probably know who she is."

After the two men played the dumb riddles, they all went offline, leaving behind a group of dumbfounded people.

Liao Hua asked cautiously: "The two of you just now..."

Hu Xiaomeng replied: "One is Saint Son and the other is Ancient Aunt. After answering, go to play PS5~"

"I'm off too."

"Watch anime, talk back, next time I remember to come to Zhonghai City, I will prepare some clothes for you, by the way, add friends."

"Me! Me! I also want to add friends, Miko Sister, add me!"

The group has become a chat mode, no longer talking about gods and monsters.

Liao Hua wanted to ask again, but was too embarrassed to speak up.

As for the people who watched the whole process, such as General Xia and others, they were lost in thought.

It turns out that there are so many ancient figures around Li Yun, but he never said that, including that Xiaosu, it seems that these gods don't want to reveal their identities and have been waiting for something.

This is a message.

It is also a urging signal, which means that humans must speed up their pace, otherwise it is difficult to say whether humans can resist the disaster when the gods and ancient monsters really appear collectively.

"Li Yun, what are you thinking?"

Xiao Mingzhu asked Li Yun, who had been silent for a while while playing with her mobile phone.

Then, Xiao Mingzhu finally noticed that the little witch's slender legs were lying on Li Yun's abdomen, one by one, very cute.

This little witch was chatting with her newly added friend while leaning comfortably on her and Li Yun, and she couldn't enjoy herself.

It's no wonder that the little witch wanted to sleep with them before, so she was so careful.

Not to mention, now the three of them are lying on the tatami, as if they are the parents and the daughter sleeping in the middle, they are especially warm.

Xiao Mingzhu didn't want to go out to play a little bit, so she stayed here for the next few days, playing with the little witch?

"What do you say?"

Li Yun returned some information from Fang Xue, Xiaojiao and others, checked the news on the Internet, and then asked.

"Don't pretend to be stupid!" Xiao Mingzhu said dissatisfied.

"Yeah, don't pretend to be stupid~" the little witch said, her two little feet dangling happily.

Xiao Mingzhu couldn't help laughing. The pure little witch still didn't know what the consequences would be. She was sure that if Li Yun and the little witch were alone together, she couldn't help it now.

This badass.

"Ahem, what do you say?"

Li Yun helplessly said: "These ancient guys are master-level players who play dumb riddles. They refuse to say, then I can't help but wait."

"Ok."

"Ancient guy? Who?"

Chapter 3747: Not heavy

The little witch stopped her movements, and said with dissatisfaction: "Da Mikado is not a guy!"

"Well, well, what you say is what you say, hurry up and put your feet down."

"No, give me a ride, stingy."

"Heavy!"

"How is it possible? I'm less than forty kilograms, and one leg won't be heavy."

"..."

Li Yun had nothing to say, and then, the little witch could stretch her feet to his face.

Damn it, what's the matter with a little scent?

Li Yun never admits that he is a lo\*ic\*n, let alone a maiden control, let alone a \*\*\*\*\* child control!

...

When Li Yun got up the next morning, there was a soft and petite girl in his arms.

Needless to say, it must be Ise Jinzakura again.

The little witch was so happy that she couldn't sleep last night. She entangled Li Yun and Xiao Mingzhu to chat late into the night. Li Yun threatened her not to get up and pray the next day, so she went to bed with fear.

But she insisted on letting Li Yun sleep a little so that she could put her two slender legs on the legs of Li Yun and Xiao Mingzhu, smiling and said that it was very comfortable.

Even Xiao Mingzhu couldn't stand her indecent posture, so she hurriedly covered her with a sheet, and the little witch was willing to sleep.

So when she got up the next day, she slipped into Li Yun's arms again, curled up and fell asleep soundly.

After Li Yun woke up, he didn't get up immediately. He habitually took another look at the news. The headlines of various countries, websites, forums, etc. were basically related to the appearance of the Amaterasu God last night.

People who are enthusiastically shouting that God will come, God saves the world, there are;

There are also people who are screaming that the end of the world is coming mad, and want to go mad before death;

When it comes to eating melons, people who are quite calm account for the majority.

Anyway, there was a lot of chaos, similar to the Penglai Island incident that Li Yun made before, but compared to the last time, the netizens appeared to be calmer this time, and some even started to eat melons to discuss the proportion of the goddess Amaterasu ...

It is undoubtedly an act of death.

Li Yun glanced at some domestic websites of Sakura again. The amazing thing is that there is no news about Ise Jingu returning the three artifacts. The news about the three artifacts is all based on the origin of the three artifacts. , And emphasize the origin of the emperor, highlight the status of Ise Jingu and Ise Jinzakura, etc.

In Li Yun's view, it was nothing more than a purpose: to emphasize that the Kingdom of Sakura is the territory of the Amaterasu God, and all the people of the Kingdom of Sakura should believe in the God.

"It seems that the National Assembly of the Sakura Country has passed a resolution to promote Amaterasu and to strengthen cooperation with Ise Jingu. Tsk tsk, the future will be a battle for interests."

Li Yun sighed.

Instead, anyone is sitting in the position of Ise Kamakura. In the current situation, it is not that he is full of ambitions, intends to hold more powers, realize his own desires, or negotiate with the outside world to win more benefits, and so on.

I can't sit still anyway.

Only a silly, or innocent person like Ise Jinzakura can fall asleep, and don't care what the outside world is like.

Li Yun estimated that even if she went to negotiate, no, Ise Kamizura would not negotiate at all, she just wanted to be a Mikamiko.

"Innocent people are actually very happy, aren't they?"

Li Yun smiled and touched the face of the little witch in his arms. The sleeping face of the little witch was very cute and soft, which made people want to squeeze her face.

Chapter 3748: noisily

After Xiao Mingzhu woke up, Li Yun had already sat up, drinking tea and reading at the low table.

The book was taken on the shelf of the Little Witch. The content was all about the deeds of the Omikami. In fact, it was equivalent to a book of fairy tales. Only people who were as stupid as the Little Witch would believe it.

The content recorded in it is quite different from the mythology that Li Yun obtained in the system, and only a few of them are slightly the same.

"woke up?"

Li Yun glanced at Xiao Mingzhu and froze.

Yesterday morning, I didn't have time to take a closer look. It turned out that Xiao Mingzhu, who had just woke up, was actually very beautiful and made people move their index fingers.

The scattered hair was a little messy, covering the white jade face, her eyes squinted lazily, and she held a little witch in her arms in a big sleep, wearing white pajamas, that looked like Haitang sleeping in spring, It's so beautiful.

"Don't come over."

"what?"

"Look at your eyes, you know you want to do bad things!"

Xiao Mingzhu's eyes were smiling, but she saw it again last night, Li Yun was rubbed against the leg of the little witch, almost not ashamed.

Li Yun smiled and said, "If I want to do bad things, won't I wait for the little witch to pray? There is still afternoon, find some time, hehe~!"

"Think beautifully, when I'm going to pray with the little witch, don't think about it."

"What about noon?"

"Dine with the little witch at noon."

"What about this afternoon?"

"In the afternoon, I went to Ise Jingu with the little witch."

"What about the evening?"

"Supper with the little witch."

"Ah, what about me?"

"You? Just reluctantly let you follow and pour us some tea~"

"Then I will pour you water now!"

"Ah? Ah, ah, I'm going to call for help, a pervert!"

The two joked about each other, and when Ise Kamakura woke up, he saw Li Yun suppress Xiao Mingzhu again, and the two immediately froze.

Because Li Yun's hands were dishonest again.

"Morning, early~~"

Ise Jinzakura ignored the two of them, slapped her mouth and yawned, stretched her waist again, and muttered: "I want to sleep. I wonder if Omikami can tolerate me and pray later?"

"...Good fellow."

Li Yun and Xiao Mingzhu looked at each other and smiled. This sleepy little witch actually wants to succumb to her morning prayers?

Fortunately, this incident did not happen. Soon the serving maiden walked in, got up with Ise Jinzakura, went for a wash, and then prayed.

Throughout the whole process, the two witches who served deliberately ignored Li Yun and Xiao Mingzhu. When they did not exist, of course, if Li Yun wanted something, the two witches would also bring it.

Ise Shen Ying was neatly dressed and walked out of the sleeping hall full of energy. Li Yun and Xiao Mingzhu also followed her, preparing to go to the Grand Shrine.

As soon as he left the door of the sleeping hall, Li Yun saw Omiyajii and a large group of people waiting respectfully. Everyone had the look of fear and sincerity, as if they weren't waiting for their big \*\*\*\*\* child. It is a god.

After acquiring the three artifacts, Ise Jinzakura has become a \*\*\*\*\* of the present, that is, a \*\*\*\*\* that exists in the present world.

"What are you doing?"

Ise Jinzakura asked strangely.

"Waiting for you, Mikako."

A maiden respectfully said: "From now on, we will decide that every morning, noon, and evening, we will pray to the Great God like you every morning, noon, and evening!"

The group quickly agreed.

Li Yun almost laughed out loud. Although these people were priests and witches before, they probably regarded this as a profession.

Chapter 3749: Who was calling just now

How much do you want them to believe in Amaterasu?

Sorry, it's impossible.

Modern people are too smart, and there are very few true fanatics, not only in the cherry blossom country, but in the West, as in any religion.

There are billions of people who believe in gods, but one in ten thousand people who truly believe in crazily and can be called pious is good.

However, after Ise God Sakura summoned the phantom of Omikami last night, all these priests and witches became fanatics.

At least on the surface, they are fanatics!

"Need not!"

Ise Jinzakura rejected them, "In the future, you will still follow the original. You can pray at the festival, or set aside a time each week to pray specifically, and the other time will be the original."

She didn't want to change the status quo. Every time she prayed, it was as messy as a festival, which was too troublesome.

Omikami wouldn't like it either.

"this....."

The witch glanced at Li Yun and Xiao Mingzhu, and saw that neither of them had any intention to speak, so she nodded in agreement.

Omiyaji hesitated, and stood up and said, "Mikako, there are many people outside asking for interviews, including the prime minister..."

"not see!"

Ise Jinzakura waved his hand and walked forward, "Before I finish praying, no one will be seen. You can let them wait. You can deal with any urgent matters."

Sure enough, the sky is big and the earth is big, and the prayer to the Omikagami is the biggest.

"Yes!"

Omiya Secretary's eyes flashed with a secret expression of joy. Xiao Mingzhu smiled after seeing it, "It's time to see the talents outside of the big thing last night, Sakura, wait until we finish praying. Go and meet those people, maybe I can give you some advice."

Omiya's face instantly turned pale.

"Of course." Xiao Mingzhu added: "I'm just giving you an opinion, it's up to you to decide what to do."

"Well, all right."

Ise Jinzakura hesitated, agreed, and agreed to wait to see the Prime Minister and others.

To the outside world, these people have extraordinary status, leading hundreds of millions of people in the Sakura Country, but in Ise Jingu, they can't even enter the door, and they can only wait outside after arriving overnight.

...

At the end of the prayer, Ise Jinying and Li Yun had breakfast again, only when Xiao Mingzhu reminded them to see them.

"Then go see you."

Ise Kamizakura said that there was a maiden leading the way right away. It is estimated that those people have waited for a long time, and the people who led the way are walking fast.

When he came to a hall where people met, Li Yun heard loud noises from a distance.

"Where are they? Our Prime Minister came to your shrine in person. You are so rude and made us wait for several hours. Is this the way Ise Jingu treats guests?!"

"Not only the prime minister, but also the councillors and the emperor are here, why can't you please?!"

"It's really arrogant! Ise Jingu is getting more and more arrogant!"

The noisy sound disappeared the moment Ise Kamakura stepped into the threshold and appeared in front of them.

The scene fell into silence all at once.

"Just now, who was talking?"

The first one to speak was Xiao Mingzhu.

She swept across the crowd with indifferent eyes, and asked in the blunt Sakura Mandarin.

There was quite an anti-visitor-oriented taste, which was so shocking that all these people did not dare to say anything.

"Mingzhu asks you something." Ise Kamizakura also said, "Who was arguing just now?"

"Yes, me! So what?" a person stood up and asked while listening to his chest.

"Not very good, just let you get out."

Chapter 3750: Enough

Through this incident, Xiao Mingzhu learned Li Yun's domineering, the first sentence she stepped into the threshold was to let people get out.

On the spot, the faces of a group of people inside were flushed with anger.

"What an arrogant tone!!"

A man stood up abruptly, glaring at the three people who came in, "Do you know who is sitting here?!"

Li Yun looked around for a week and found that many people had come, and many of them were high-ranking officials who often appeared in TV news, including the prime minister of a country. The reason why Li Yun knew him was because of this person. The last time I met with an official from the father's country, the waist was bent almost to the knee.

The prime minister of the dignified cherry blossom country bowed to a minister of defense of another country. It is unimaginable to put it in Huang Xuanguo, but it seems to be a matter of course in the cherry blossom country. They are used to bowing to their father country.

Seeing this prime minister, Li Yun suspected that it was a sin to help them drive away their father's country?

"Who are you? Why should I know who you are sitting here?"

Without waiting for Xiao Mingzhu to continue speaking, Ise Jinying raised her eyebrows and pointed at him: "Go out, this is the Shrine of Omikami, you are not welcome!"

More than a dozen high-ranking officials on the other side, the patriarch of the wealthy family, and the chairman of the chaebol, all looked ugly.

"Mikako, it's enough."

After all, the Prime Minister is the Prime Minister (Prime Minister | Prime Minister). As the backbone of high-ranking officials, he stabilized the military spirit when he opened his mouth. All the people with indignation on their faces took a few steps back and allowed the Prime Minister to talk to Mikamiko.

The current Mikami has the qualifications to speak with the Zai, which was unthinkable before. Even facing the emperor, the prime minister elected by the council did not have to be afraid.

But today's Mikami is different.

"Humph!"

Ise Shinying glanced at him, but didn't say anything, turned to look at Xiao Mingzhu, and then at Li Yun.

"Ask me how to do it?"

Li Yun smiled, "Generally speaking, if you want to swear your own territory and maintain the mortal territory of the Great Royal God, you need to prove yourself with strong strength, you need..."

"Maintain the shrine of Omikami?"

The little witch interrupted Li Yun, and her two small ears immediately stood up. She may ignore or not understand the metaphors in Li Yun's words, but this sentence must be heard in her ears! Have to remember it!

Li Yun smiled helplessly: "If you want to maintain the dignity of the Great Imperial God, you need to prove it with strength. After all, many people don't believe in videos, but only believe in their own eyes. My advice is to show your strength so as not to be People look down!"

The prime minister, minister, leader of the wealthy clan, and the helm of the chaebol, the true powers of each of the cherry blossom kingdoms are greater than the group of human rights encountered in the palace yesterday, and they are the real top level of the cherry blossom kingdom.

But after hearing Li Yun's words, all these people's expressions changed.

The prime minister said immediately: "Mr. Li, please don't provoke divorce, this is our Sakura domestic matter!"

In his capacity, he naturally knew the origins of Li Yun and Xiao Mingzhu. If there was no Ise God Sakura, he would be quite afraid of Li Yun's strength.

But now there is a true Mikami in Sakura, who can summon the power of the gods. The prime minister believes that he no longer needs to fear the so-called Superman Li!

But in the end, he slapped him in the face severely.

The Mikami of Sakura Country does not listen to his prime minister at all, but listens to Li Chaoren's words!
