

## Godly Choice 3821

Chapter 3821: Strange and familiar

Even if the three little girls knew these things, they couldn't do anything. They could only listen to what Li Yun, Xiao Mingzhu and Ise Kamakura had experienced as stories.

But Li Yun still told them most of the matter.

The reason is also very simple. The future world is destined to be not peaceful. Li Yun has the ability to protect them, but he can't turn these three little girls into silly girls who don't know the world or become trapped birds in cages.

They can do nothing, but they can't help but know.

"Ah? That's serious! Brother Yun, is Baqi Orochi powerful?"

"Why does the goddess Amaterasu do this?"

"Husband, the one named Ise Jinzakura, is Fu Sang's female shaman?"

"Husband, is she beautiful?"

"Big Brother Yun, did you have something with her?"

"Brother Yun, I saw the photo of Ise Jinzakura in the group, she is very cute..."

At first, the three little girls focused their main attention on the mysterious and powerful figures such as Yaqi Orochi and Amaterasu, but they were quickly distorted by the little princess Yongning and focused on the appearance of the \*\*\*\* child.

From height, appearance, bust, age, to status, personality, whether you slept with Li Yun.

Wait for the questions, I asked them all!

Of course, Li Yun can't answer them all, fools will answer truthfully, cough cough... He dare not say that he and Xiao Mingzhu are playing around in the cherry blossom country, and the little witch has always been with him until late at night. Yes, and witnessed the various mischief of the two people throughout the process, and even participated in a lot...

"Brother Yun!" Caiwei glanced at Princess Yongning, turned her head and bulged at Li Yun, hugged his arm tightly, her tone was very resentful: "Sister Qingyu told me, Brother Yun is about to I was reluctant to think about it. I refused to come back in the cherry blossom country, and left Caixia, me, the little princess, and Xiaoxiao and others..."

The bad thing about the large number of people in the family is coming. Caiwei said that she had to order all the people in the family, or it would be impolite.

Li Yun couldn't laugh or cry. "Nonsense, when did I miss Shu... Also, since just now, why did you call me Brother Yun instead of Brother?"

The twin sisters looked at each other, their faces flushed, and they looked at Princess Yongning again.

The little princess Zhu Shue of Yongning was still a little confused at first, and did not react, but after being pushed by Cai Wei, she suddenly realized that she threw herself into Li Yun's arms and clasped his neck skillfully.

"Husband~~~ Kiss Yongning, Yongning misses you very much~~~"

Accompanied by the greasy voice of the little princess, a rosy little cherry mouth came to Li Yun's mouth and kissed him on his own initiative.

"Wait, there are Cai Wei and the others..."

Who can refuse this situation?

Caiwei and Caixia blushed and watched, shyly observing how intimacy Yongning Princess and Li Yun are. Next, they will also practice it themselves.

Soon after Princess Yongning was over, Caiwei mustered up the courage and took the initiative to go forward and kissed Brother Yun on the lips like Princess Yongning.

"..."

Time seems to freeze at this moment.

Li Yun opened his eyes abruptly, instead, like a boy who was attacked by a gangster, he looked in front of him incredible, closed his eyes, and kissed his girl jerkily.

She is so strange and so familiar.

"Plucking..."

"Brother Yun..."

Chapter 3822: Satisfied

The young girl, who was as beautiful and tender as the first blooming flowers, gave her loving kisses.

No matter how hard-hearted Li Yun was, and no longer willing to destroy their beauty, he couldn't help being fascinated by it and responded to their affection.

Although this kind of affection seems very jerky, they don't even know whether they are love, or some kind of special emotion.

But no matter what, at least at this moment, Cai Wei, Caixia, the twin sisters, are willing to show their hearts to Li Yun with the bravery mixed with them.

The two sisters used a small trick to ask Princess Yongning to kiss Li Yun first, and then they would take it again.

She is very introverted. Plucking, who seldom speaks in front of strangers, is the first to kiss Li Yun. Maybe... even this little trick came up with her.

As for her younger sister, she did the same. Following her sister's practice, after her sister ended, she also put her arms around Li Yun's neck, and offered a sweet kiss bravely and shyly.

"pink clouds....."

How does Li Yun feel now?

No, now he has been completely lost in this kind of tenderness. He doesn't know what sensation is, he just feels like lightning spreading throughout his body.

Caiwei and Caixia are twins. They have been in a good relationship since they were young, and they have never been separated since they were young.

When they were very young, they were a little older in a crib. When they were able to walk, the two sisters also walked together holding hands, or holding Li Yun's hand together, following Li Yun like a worm.

When they grew older, they always slept together. They slept in the same room with their eldest sister Li Feng, and got out of the same room. Never thought of sleeping separately.

They buy everything in duplicate, and the computers are kept together. Even if they look at something online, they will not hide from each other.

For each other, Caiwei and Caixia have almost no privacy. They exist as one body, and they do everything together.

For example, when going to kiss Li Yun now, the two will take turns.

"..."

"Huh! Huh!"

I don't know how long it took for Caixia to escape from the lack of oxygen. She glanced at Li Yun with a bewildered look, and met Brother Yun's eyes, before she unconsciously left Brother Yun's embrace at her sister's .

Then, it was Princess Yongning again.

After coming down, it's plucking again.

Repeatedly circulating, the three girls came up over and over again and got intimacy with Li Yun. Time passed unconsciously for a long time.

"stop!"

Li Yun finally reacted, holding on to Plucking, who was about to rush forward, and seeing their blushing cheeks and bashful eyes with joy, Li Yun couldn't laugh or cry.

Why does it seem that something is wrong?

"Brother Yun~~"

Caixia didn't know how many times she had kissed Li Yun, but she still wanted to, because it was her turn again.

"One last thing~"

Seeing that Li Yun didn't refuse, Caixia kissed him many times, so she was much more courageous, with a smile in her big eyes, she leaned up, and kissed Li Yun on the cheek.

Satisfied.

"Hee hee~"

Caixia was holding her mouth and snickered, her sister was also smiling shyly. As for Princess Yongning... she was used to it, but now she is just crooked beside Li Yun, holding his arm to watch TV.

Chapter 3823: When does it begin

Zhu Shu'e had noticed the thoughts of these two sisters a long time ago.

When did it start?

Probably from knowing that they were not the husband's relatives, and then contacting Li Feng and her husband, plus the usual observation of Caiwei and Caixia's feelings for Li Yun, Zhu Shue quickly understood.

She doesn't go out often, and spends half of the day sleeping, but that doesn't mean she is stupid.

In the afternoon, she still reads the book well, and in the evening she will also study, chatting with her husband and learning some knowledge at the same time.

She is not a fool, she is the little princess of the father, she is smart.

Therefore, she took the initiative to invite the sisters and made today's decision.

Yes, it was her Princess Yongning who came up with this idea to make the relationship between the sisters and Li Yun break through, instead of maintaining the previous ambiguous level.

The reason is also very simple. Zhu Shue saw the entanglement between Caiwei and Caixia, and also saw that at night, when her husband wanted to be intimate with her and the sisters in the family, he always had to avoid them.

As the "mother", Zhu Shu'e noticed that the sisters showed disappointed expressions several times. She wanted to join the family at night and wanted to be intimate, so she decided to help the sisters.

After talking with Li Feng, Zhu Shue finally made up his mind.

So what happened just now: after she kissed, let Caiwei and Caixia also follow her to get in touch with each other, so that the relationship broke through.

Very simple way, right?

As long as the two sisters like Li Yun and Li Yun likes them, this method is of course simple and effective.

"Hee hee~"

Seeing her husband and Caixia Caiwei with big eyes and small eyes now, Zhu Shu'e was amused.

"Um?"

Li Yun looked at her, Zhu Shue quickly pretended to be watching TV, and said: "Husband, Yongning doesn't know anything, it's Caiwei and Caixia who want me to do this!"

"Wow, little princess, you betrayed us!"

"Hmph, I helped you... Oh no, it's not!"

"Little princess, you have revealed your stuff!"

The three little girls laughed and joked, and they were still playing around Li Yun. Various intimacy contacts were inevitable, but they had kissed Li Yun so many times just now, and these were nothing more.

"stop!"

Li Yun grabbed one with a big hand, and forced the two sisters and the little princess to kneel and sit on the carpeted floor, while sitting on the sofa, looking at them condescendingly:

"What happened just now, who is the mastermind?!"

Li Yun is ashamed of himself!

In other words, it is a man who has experienced so many things, and there are a group of beautiful women around him, but in the end, there are not three little girls who can take turns to react.

Shame, really shame.

But who could have imagined that Caixia and Caiwei, the twin sisters he grew up watching, would suddenly rush on?

"It's a little princess!" x2

"It's Caiwei...no, it's Caixia! Ah, it's still wrong, you two are partnering to bully me!"

Zhu Shu'e didn't listen to Li Yun's orders. After she felt that she could not beat the sisters, she got up and threw herself into Li Yunqi, put her arms around her neck, and said in a tired voice: "Mr. !"

"..."

There is no need to ask, Li Yun already understands the general process, it is nothing more than one of the three little girls who made a suggestion and got their unanimous approval.

Then, it was implemented.

Chapter 3824: Emotional convergence

"Brother...No, Brother Yun, are you...angry?"

Caiwei habitually called Li Yun as her elder brother, but soon changed her name and called her elder brother Yun.

Li Yun raised his eyebrows and did not speak.

"Big Brother Yun, if you are angry, just hit me and scold me. It's none of their business. Yes, I brought it up!"

Caixia took the initiative.

Then, seeing Li Yun's angry look, the two little girls admitted that they were their masterminds, and the other two were just cooperating.

The three little girls scrambled to take on the wrong look, which made Li Yun's expression very wonderful. What should they say?

"What do you want me to say?"

Li Yun helped the two sisters who were kneeling on the carpet and let them sit on his lap. Princess Yongning took the initiative to give up the position and looked at him with her arm on the side.

Her husband is the best person, and will definitely accept Caiwei and Caixia's sister.

"Brother~Brother~!"

The sadness of the sisters came quickly and went quickly. As long as Li Yun gave them some comfort, they would soon be happy.

Li Yun squeezed their faces and said, "Do you know what I want to say?"

"Know!" x2

The twin sisters replied in unison again.

Caiwei said seriously: "Big Brother Yun wanted to say that we are still young, so..."

"So I don't know what the love between men and women is like, right?" Sister Caixia helped to add.

"This is just a part."

Li Yun sighed, "You also know that there are many girls around me, right?"

"It doesn't matter." Caiwei said firmly: "My brother and I understand what my sister and I want to say. My brother wants us to find a good boyfriend to marry when we grow up, right? Marry some rich second. Generations, or handsome men, right?"

"I don't want it." Caixia murmured, "No matter how good a man is, he can't be better than Brother Yun!"

Li Yun opened his mouth, before uttering a word, Cai Wei said again, "Well, what my sister said is what I want to say. Brother Yun, my sister and I swear that we will never want to be separated in this life, nor will we want to marry in the future. I don't want to leave my brother and sister."

"Brother wants to say again, we are still young, right?"

Caixia said first, holding her chest up, and proudly said: "But in fact, my sister and I know everything. From now on, we will meet with older brothers and sisters. We will have Sister Fang, Sister Chili, Sister Qingyu, Sister Mingzhu, Feiyao, Xiao Liuli, and Xiaoxiao, we all live together, don't think about whether to marry or not, and live a happy life, isn't it good?"

Caixia glanced at Li Yun full of resentment, "My sister and I have been dreaming about this kind of life from a very early time. We used to be the four of us, but my brother found so many sister-in-laws, and my sister and I have been imagining this life. There was no objection, and she even became good friends with them. For example, Xiao Xiao, she also told me that she would live together in the future."

"Cough cough cough!"

Shan Xiaoxiao? Li Yun was completely speechless.

Sisters, you and me, plus whether Princess Yongning is interjecting by her side, it is said that Li Yun has completely lost his temper.

Perhaps they are right.

As Li Feng said before, before the sisters went to college, Li Yun gave them a chance to prove and face their inner feelings.

Give them a chance instead of always rejecting it.

Otherwise, this matter will become their heart knot, making the sisters think about it day and night.

Chapter 3825: Brother Yun is the best

"it is good!"

Li Yun agreed.

"Hurray~~!"

"Big Brother Yun is the best!"

Caixia and Caiwei rushed up again, and kissed Li Yun fiercely on both cheeks.

Then, the two sisters glanced at each other, moved closer, and kissed Li Yun softly on the lips.

After a while, the sisters left shyly.

"I also want!"

Li Yun was too late to feel the scent of the two of them. Princess Yongning who was watching from the side couldn't help it. She also leaned in and kissed, and then laughed and said, "Now everything is going well? We will be on the third floor in the future. At that time, there is no need to avoid so many taboos. When your husband is intimate with us, Caixia and Caiwei can watch from the sidelines, no one is an outsider~~!"

Caiwei and Caixia looked at each other again, their eyes full of happiness and shyness.

very nice.

Everything was realized as previously expected, making them feel as if they were dreaming.

But they are not too surprised, because their brother Yun is a good brother who dotes on them and loves them.

Even if they did something wrong, my brother won't blame them. Success is a matter of course, right?

"Hehe~~"

The two sisters happily lay on Li Yun's chest, as cute as two kittens.

Princess Yongning didn't grab it, and she clung to Li Yun's arm very well. Although she couldn't monopolize her husband, she was a little jealous, but getting along with the family is also one of her daily tasks.

Husband is very busy. She spends most of the time playing with Qingyu and Caiwei.

Li Yun thought of something, "So you call me Brother Yun because of this?"

"Um!"

Caixia kept laughing, "The eldest sister said, calling your brother will make you only think of us as your younger sisters. If you call Brother Yun, you will have a sense of strangeness. This will be better!"

"Big Brother Yun~~" Caixia also shouted in a crisp and sweet voice, smiling with crooked eyebrows, very cute.

Some strange things appeared in Li Yun's heart.

Not to mention, it felt very strange to hear the sisters who should be his sister call him Brother Yun.

"I hope you don't regret it."

Li Yun completely accepted them from his heart, Caiwei and Caixia, as well as Li Feng, have a deep relationship with him.

Li Yun's feelings for them are very special, it is a feeling of love mixed with family affection.

It is as if the husband and wife have been married for many years, and the love is also precipitated as family affection. The husband and wife are supporting their lives, and most of the love has faded.

It's just that Li Yun and them are still young, and they need to turn this emotion into a love-like existence, and try to get along again.

"I won't regret it!" x2

Caiwei and Caixia said in unison.

Li Yun stopped struggling with this matter, and put his arms around their slender waists, causing the twin sisters to lie on his chest.

Princess Yongning blinked, why did she seem to be superfluous?

Woo, I left first if I knew it, and waited for them to get together at night after they finished talking.

"Brother Yun, do you like our performance just now?"

After chatting for a while, Cai Wei suddenly said something.

"What did you do just now?"

"That's...like this."

Caiwei took the initiative to kiss again.

The emotions that had been suppressed for a long time were finally liberated on this day. She liked the feeling very much, and desperately wanted to be more intimate with Li Yun.

Whether it's older brother or older brother Yun, she likes it very much, likes it very much.

Like forever.

Chapter 3826: Let it go

Shan Ruqing took her daughter, Xiaoxiao, and drove back to the Huangtingshan Villa. Just after the car stopped by the rockery pool at the door, Shan Xiaoxiao jumped out of the car eagerly, opened the door of the cab and pulled her mother eagerly:

"Mom, hurry up, Dad is back! Oh, I knew I wouldn't go out to play, how nice to wait for Dad at home!"

"You are so little, don't be so eager, your father won't leave anymore, you have to stay at home for several days."

Shan Ruqing was dragged away by her daughter, she said she was concealing it, but she walked fast with a pair of high heels under her feet, completely keeping up with her daughter's pace, leaving the car to let the villa's servant drive into the garage, she was forced to wait. The daughter pulled upstairs.

"Dad, daddy, where is daddy?"

Shan Xiaoxiao shouted happily, but couldn't find it on the first and second floors.

It wasn't until she was on the third floor that Shan Ruqing heard the faint sound of breathing in front of her, and the sound of a couple's intimate exchange of feelings, she reacted violently, trying to stop her when she was young, Shan Xiao Shino has discovered Dad.

"dad?"

Shan Xiaoxiao was stunned.

Her father is in the spacious living room on the third floor of the villa, which can be seen at a glance.

It's not surprising that there are several girls around my father. After all, there are too many Xiaoxiao until the little mother beside his father, ten or twenty.

But.....

The three girls next to my father now had their faces flushed. When Shan Xiaoxiao saw her, her father was still kissing one of them, and both of them reached out to strange places doing bad things.

"Sister Caiwei, Sister Caixia, you..."

This was the reason Shan Xiaoxiao was stunned.

But the reason why she was stunned was not because she saw the couple exchanging feelings, but...too fast.

Since she guessed the feelings of the sisters towards Li Yun, they suddenly became intimate.

How long has it been!

so fast?

Li Yun really is a big pervert, big \*\*\*\*\* thief!

"Little, don't look at your father...he is a big bad guy!"

Shan Ruqing hugged her daughter, covered her eyes, and said angrily to the four who froze: "You really are. I don't know if you go to the room and teach the children...Huh? Why are you? Plucking, you, and Caixia?!"

Only now did Shan Ruqing realize that she and Li Yun were intimate with... Cai Wei Caixia?

Is it them, not the other girls?

Shan Ruqing was shocked for a while.

But thinking about it, it seems to be taken for granted.

After all, Li Yun is a big pervert, and he gets along with Caixia and Cai Wei day and night. Li Yun is born in an orphanage and has yet to find his biological parents.

It is normal for them to like Li Yun.

After a burst of exclamation and riots, Shan Xiaoxiao was let go by her mother, and the scene in front of her was restored.

Caiwei and Caixia have been seated, but their cheeks are still red, their mouths are a little red, and there are some traces of intimacy on their cheeks and necks. As long as they are not kindergarten children, they know that they are with Li just now. Yun has been intimate.

"Ahem, Xiaoxiao, aren't you happy to see Dad?"

Li Yun opened his arms to Shan Xiaoxiao and smiled.

Shan Xiaoxiao immediately put aside some strange thoughts in her mind, cheered, ran over to Li Yunqi, giggled, "Dad, Dad, you are finally back, Xiao Xiao wants to die you~~!"

Seeing her daughter and Li Yun act like a baby, Shan Ruqing's expression was a little complicated, and finally sighed and let it go.

Chapter 3827: Seize happiness

The reason Shan Ruqing sighed lightly was actually because he knew that if Li Yun had been living with Xiaoxiao, with his masculine charm, Xiaoxiao would probably fall in love with him in the future.

This is unavoidable.

The more Shan Ruqing came into contact with Li Yun, the more he knew this.

The man she identified was really good enough to make Shan Ruqing feel inferior. If she occupied Li Yun alone, she would definitely have a conscience uneasy.

Because Li Yun is such a good person, she inevitably feels that she is not worthy of him.

Now that she shares Li Yun's goodness with some girls, that's what makes Shan Ruqing feel at ease: she likes Li Yun and also loves Li Yun. In the future, she can stay with her daughter and watch her. Her mother, Li Yun, a temporary father, Cai Wei Caixia, and the little princess and other playmates.

The daughter can happily grow up in a big warm family, much better than when she brought her alone before. This is one reason why Shan Ruqing could not leave Li Yun.

Not the main reason, but it must be one of them.

But... it is precisely because my daughter lives in this big family that she will inevitably be dazzled by her eyes and will love Li Yun when she grows up.

Shan Ruqing is not speculation, but the fact that is happening.

Li Yun is very good. This big family exists around him. Every girl, from the cold saint, to the genius girl, such as Gong Qingyu, and the daughter of the richest man in Zhonghai City, Nantian Technology Group Chairman's daughter Su Muxin, and so on.

These excellent, beautiful and independent girls all like Li Yun!

It seems that it is natural for her daughter to grow up in such an environment and become like Li Yun?

"Daughter, you don't want to move out of this house, do you?"

Seeing her daughter playing with Li Yun happily, then pounced on Caiwei and Caixia to fight with them, and asked them if they were kissing her father just now, which made the sisters look ashamed, Shan Ruqing thought in silence.

With such a happy smiling daughter, how can she bear to let her lose such happiness?

"If you like it, you can talk about it in the future."

Shan Ruqing walked in front of Li Yun and took the initiative to kiss him gently on the lips, which surprised the surrounding girls.

"Miss me?" Li Yun hugged her.

"Hmm...think."

"Then, eat first?"

"it is good!"

Shan Ruqing is bolder than ever before. After all, there will be no outsiders in this family.

This is great, isn't it?

...

Nine p.m.

After eating a long and hearty dinner, Saint Xiaosu finally wiped his mouth with satisfaction and returned to his room. Another outsider, Qingnv, had already left the seat and returned to her room.

Caiwei and Caixia originally wanted to go up to the third floor together, but Shan Xiaoxiao held them back. In desperation, the two sisters could only stay on the second floor and let Shan Ruqing and Li Yun go up to the third floor alone.

"Mum, good night!"

When parting, Shan Xiaoxiao waved her hand vigorously, smiling like a bad fox.

Tonight is a rare opportunity for mom to be alone with dad.

That Tang Anxi didn't come back, Sister Xianxian was outside, Xiao Mingzhu did not follow, Fan Linglong and Lord Saintess returned to the mansion, but did not come, but Li Yun will look for them tomorrow.

Therefore, only Shan Ruqing is with Li Yun tonight.

As for the little princess Yongning, she was already yawning.

Chapter 3828: Today

"Sister, today..."

On the second floor of the villa, in a spacious bathroom, after the sisters went in to take a bath, Caixia finally couldn't help being excited and looked at her sister.

My brother's newly bought house is very large. They live on the second floor and have a very spacious boudoir. Although the bathroom is not as good as the open-air bathroom on the third floor, it is more than 50 square meters wide, and there is one inside. In the bathtub where four or five people take a bath together, there are two showers outside. Not only can the two sisters bathe together at the same time, even if two or three people are added, there is no problem.

"Um... Finally, I have expressed our intentions with Brother Yun."

There was a blush on Cai Wei's face, but it was more of a happy smile.

She and her sister's wish for many years was finally fulfilled, and brother Li Yun accepted them. The sister, and the girls around his brother, regarded them as "sisters" instead of sister-in-laws.

From now on, she and Caixia will be able to intimacy with brother Li Yun openly, go to the third floor and sister Gong Qingyu and others at night to accompany her brother and participate in it.

Although they used to be able to go to the third floor and chat with their brother Fang Xue and sisters, they had to go downstairs after nine o'clock to give up time.

Every time they leave, Caiwei and sister are very lost, they also want to be together...

They like Brother Li Yun, it's that simple.

"Whee."

Caixia bit her lip and was about to say something, Shan Xiaoxiao's voice came from outside the door: "Sister Caiwei, Sister Caixia, I'm here to take a bath with you!"

"what?"

The sisters glanced at each other. They were still thinking about whispering while taking a bath, but Xiaoxiao would also come to join in the fun.

But they didn't refuse. Shan Xiaoxiao and her mother lived in the next room. Occasionally, when her mother didn't come back, Xiao Xiao often came back to play with them.

It's normal to help each other wash their bodies together in the spacious bathroom.

"Little boy? Come in!"

Soon, a petite girl opened the bathroom door and poked her head in. After seeing that the sisters were ready to take a bath, she giggled and came in and closed the door. She took off her clothes and joined the sisters. Two teams.

"Where's the shower gel?"

"Here!"

"Wow, no, sister Caixia, don't have so much shower gel...itchy, hehehe~."

Three cute little girls joking around under the two showers, splashing water and frothing bubbles, no one can appreciate the beautiful and moving pictures.

The only one who might be lucky enough to see is probably Li Yun.

When a large family takes a bath in the open-air swimming pool on the third floor, Li Yun often sees lively scenes of beautiful girls playing and playing with each other. Of course, they must all be wearing swimsuits at that time.

It's not like these three little girls now play around in the fifty-square-foot bathroom without wearing anything.

"Huh~, soak after taking a bath, it's really comfortable~"

The three little girls washed their hair, put on some shower gel, rinsed again, and went into the spacious bathtub together.

This bathtub is very large and unique in shape. It is specially made for the two sisters. It is a bit tall for Shan Xiaoxiao. Fortunately, there is a special cushion in the bathroom, which fits into the bathtub.

"Sister Caiwei, I'll give you a massage~"

Shan Xiaoxiao volunteered to give Caiwei a massage, showing a flattering look on her small face.

Chapter 3829: Little, don't say

"what?"

Caiwei was lying in the bathtub comfortably, and her relationship with Li Yun's brother today has improved by leaps and bounds. She is still thinking about it now.

This kind of intimacy with the people you like turns out to be so happy. No wonder the sisters are always messing around with their brothers at night.

"Sister, I think she must be asking us for something, otherwise how could she be so proactive?"

Caixia lay on the other end of the bathtub. The hair on her head was \*\*\*\*\* with a towel. Her small face, which was moisturized by the warm water droplets, appeared to be softer and smoother, and her little swan-like neck and slender clavicle made The girl exudes a temperament that is both youthful and charming, innocent and lovely, and with a little femininity.

The current girl is undoubtedly a little beauty, and anyone who has seen her like this will not doubt whether she can grow into a big beauty in the future.

Li Caixia has all the necessary conditions to attract her brother Yun, the best proof in the afternoon.

"Sister Caixia slander!" Shan Xiaoxiao said innocently.

"Stigmatize? You used to dive in the bathtub and just popped out of your head and played with the waves?"

Thinking that Shan Xiaoxiao's chin was not under the water, and facing some small toys floating in the bathtub, such as toy ducks, ships, and the cute appearance of blowing air with her small mouth, Li Caixia couldn't help but laugh again.

Almost wanted to hug Xiaoxiao over, and squeeze her little cheek well.

"Hey hey~"

Shan Xiaoxiao plunged into Caiwei's stupefaction and splashed a large splash of water. She hugged her sister Caiwei for a long time, so that Caiwei had to smile and pinch her face, and asked: "Quickly Come on, what do you want us to do for you?"

Caixia also looked over, holding a screaming duck toy in her hand, pressing and playing with it.

Sometimes the noisy environment can make people relax more. For example, when a family eats New Year's Eve dinner, it is also reasonable to have the Spring Festival Gala on TV.

"Also, it's not what I want my sisters to do."

Shan Xiaoxiao said with a guilty conscience: "That's right, a boy in my class confessed to me."

"What?!!!" x2

The sisters looked at her in surprise, Shan Xiaoxiao smiled again, and shyly stepped her head into Caixia's chest, but no one noticed that there was a sly in the eyes of this little girl.

Any boy confession is a lie~.

She doesn't go to school often. Even if she does, she is still the student with the highest IQ in the world. Those boys are not qualified to talk to her!

The only man in the world that she can value and put in her heart is Li Yun.

That is her godfather.

Because of her mother, Shan Xiaoxiao didn't say anything or express it, but in fact she hates men more than her mother. If she hadn't met Li Yun, she would never be close to a man in her entire life!

But since that time in the forest, she and her mother were rescued by Li Yun, she...

"really."

Shan Xiaoxiao emphasized, still not lifting his head.

"The little girls and boys now are really..." Li Caixia was speechless, it was just a few years, the generation gap was so big?

"Then little you...?"

"I just want to ask, in the afternoon, you and..."

"what!"

"Don't say it!"

Before Shan Xiaoxiao had finished speaking, she was unanimously opposed by the sisters, and she was not allowed to say it.

The sisters were very ashamed.

Chapter 3830: Three-person deal

"What's the point?" Shan Xiaoxiao raised her head and blinked: "Isn't it just getting intimacy with the person you like? If you don't even dare to face this, how can you be as naive as the kindergarten kids? "

"You are the kindergarten kid! In the afternoon we..."

Caixia closed her mouth in time, her face was still red, and she didn't dare to go on.

She glanced at her sister, and her sister also looked at her. Both of them were very red, and they seemed to think back to the afternoon.

From the first time they got intimacy with Brother Yun, until they were met by Shan Xiaoxiao and the others, it seemed that two or three hours had passed. The two of them and the little princess were getting intimacy with Brother Yun together, as if they could not finish talking. End of feelings.

At first they were still on the second floor, but after being hit by a maid once, the little princess took the three of them up to the third floor.

The living room on the third floor is bigger, and there will be no maids who will go up casually. Every time the housekeeper is cleaned, they will go to the third floor only after the housekeeper says that it can be cleaned.

Therefore, without being disturbed, Li Caixia, her sister Li Caiwei, and the little princess Yongning, the three of them stick to Li Yun and lie together on the sofa. While watching TV, the three of them take turns intimacy with Li Yun.

What happened in the process, how many times she was loved by Li Yun, and what she said in the middle, Li Caixia can't remember now.

I only vaguely recalled that Li Yun had never done too much, just being intimacy with them, confined to the neck above, nothing happened.

The clothes are still there.

only.....

"Woo, so ashamed!"

Li Caixia hid half of her head on the water. She now recalled that she seemed to be playing badminton after running three or four laps in physical education class before. She was sweating all over, and everything seemed to be hot. .

Unexplainable strange.

"Whee."

Looking at the shyness of the sisters, Shan Xiaoxiao secretly laughed, covering her mouth, and said slyly, "In fact, I saw it in the afternoon!"

"what!"

The sisters looked at her again in surprise.

Shan Xiaoxiao snorted, "Your brother Li Yun is a big pervert, but I know that, as soon as I entered the living room, I saw his irregular hands, separated by you... um! "

Shan Xiaoxiao was speechless, because Li Caiwei, who was ashamed, covered her mouth.

"Don't say it!"

"Just say...oooo, it doesn't matter, it's not a big deal, I'm still in my mother's phone, and I saw something more powerful!"

The three little girls laughed and laughed for a while, and finally stopped.

However, after Shan Xiaoxiao's questioning this time, and she also saw the afternoon Caiwei and Li Yun's intimacy, the relationship between the three has gone a step further-that they can finally talk about some secrets between girls if.

"Shan Xiaoxiao, you are a little devil!"

Li Caixia finally saw it, stretched out her hand to catch her, and forced her to ask: "Say, did you mean it just now?"

"What is it on purpose? I don't know it~~"

"Don't change the subject or sell cute! Also, you just said, what did you see... in your mother's phone?"

finally come.

Shan Xiaoxiao smiled more slyly, chuckling, and said: "I am not a kid who knows nothing. I'm smart. Once my mother dropped the phone, I took a sneak peek... Do you know? They still have a group of people!"

"Liqun?" The sisters pricked their ears. They vaguely heard the little princess say, but every time they asked, the little princess looked like she was beaten to death.

"Yes, Liqun..."

Shan Xiaoxiao, who has a super high IQ, gradually attracted two little sisters and began to carry out her... one of the most important goals that allowed her to live with her father!
