

Godly Choice 401

Chapter 401: Draw red makeup for you

After Gong Lianyi took a shower, she sat in front of the dressing table and asked the maid to lift her hair high, revealing her beautiful white swan neck.

Afterwards, Gong Lianyi did it herself, carefully stroked her eyebrows, and applied a light-toned rouge on her red lips, making her already attractive double fringe more and more full of charm.

Willow leaf eyebrows, light-colored lips, blue silk curled up, a white skirt, a fox-like appearance, but a gentle and gentle lady temperament.

Anyone who sees it can't help but praise her, she is a beautiful lady who is curvaceous and graceful.

"Miss!"

The maid who had followed Gong Lianyi for more than ten years was extremely surprised.

She has been with the young lady for so many years. This is the first time that she saw Gong Lianyi putting on makeup and rouge at night. Is she trying to make herself more beautiful and to attract someone?

The maid sighed secretly in her heart.

The young lady actually looks very seductive, but she is unwilling to expose her seductiveness to others. She has always been dressed strictly and solidly, suppressing her seductive look with graceful feminine temperament.

But now, the young lady took the initiative to reveal her seductive side a little, for whom the maid had guessed.

The maid had already imagined how amazing the men would be when the lady was dressed up!

Sure enough, the maid was right.

Gong Lianyi came to the restaurant at the pace of a lady, smiled slightly to everyone, and apologized when he said that he was late. Everyone opened their eyes and looked at the peerless beauty in shock.

The eyebrows are picturesque and the heart is blue, but there is a charm that charms all living beings, which firmly attracts people's eyes and cannot extricate themselves.

"Okay, so beautiful!"

Yu Wensheng couldn't hide it anymore, showing a demented expression directly, but everyone didn't laugh at him, because Gong Lianyi in front of him was really beautiful.

Even Gong Qingyu couldn't help standing up, stepping forward and holding her hand, and sighed in surprise: "Auntie Lian, no, Sister Lian, it turns out that you would be so beautiful if you change your outfit, hehe, before I Calling you Aunt Lian is really wrong!"

"You girl!"

Gong Lianyi nodded her forehead strangely, but secretly looked at Li Yun. After seeing his eyes express appreciation, Gong Lianyi was relieved.

Fortunately, she is not very old, she is only thirty-one years old, and many older women in modern times are still unmarried.

Moreover, her appearance can attract Li Yun, which makes Gong Lianyi happy with her charming appearance for the first time.

"Let everyone wait a long time, sorry."

Gong Lianyi sat beside Li Yun, who happened to be accompanied by Qingyu on either side of Li Yun.

"It's been a bit longer, but we all ate some fruit." Li Yun joked, Gong Lian covered her mouth and smiled softly, "A lot of things happened today. Thank you for your hard work."

She was talking about you, but everyone understood that she was talking to Li Yun.

"It's okay, let's eat!"

On the contrary, Li Yun looked like a master.

Gong Lianyi held up the rice bowl, and sure enough, there was no nausea in her heart, nor was she unable to eat because of the two Gu worms.

She knew in her heart that it was because Li Yun gave her a pill, which relieved her mental obstacles.

What Li Yun gave must have eliminated the toxins in her body. Gong Lianyi felt that her skin was much hydrated and smooth, and there must be no dirt left in her body.

Therefore, she has no psychological barriers to eat this meal.

"Li Yun, thank you."

Inwardly, Gong Lianyi said to him affectionately.

Although Li Yun couldn't hear her voice.

Chapter 402: Small Study Room (Part 1)

After a meal, Yu Wensheng felt nothing. He looked at Gong Lianyi almost the whole time, and the evil fire in his heart couldn't dissipate.

Gong Qingyu is also very beautiful, classical and dignified, with a cold temperament, just like lotus on a snow-capped mountain.

But compared with her elder Gong Lianyi, Gong Qingyu is undoubtedly too immature. Perhaps a few years later, when Gong Qingyu grows open, her beauty will be comparable to Gong Lianyi.

But now, there is no doubt that Gong Lianyi won.

With a frown and a smile, every move is seductive and charming, yet reserved and graceful, as graceful as a lady.

The perfect fusion of charm and Gao Jie, this kind of contrast can be life-threatening!

After eating, seeing Gong Lianyi's demeanor a little bad, Huang Lao said wittily: "Miss Gong will take a short break tonight. I will stay here for a few days and wait until your condition stabilizes."

"Trouble Senior Huang."

"No, no, it's not troublesome at all, besides, I would like to ask more about Li Xiaoyou!" Huang Lao Fu must be laughed heartily.

Gong Lianyi said: "Senior Huang, I want to talk to Li Yun about my condition tonight, I don't know..."

"Uh?"

Huang Lao's jaw dropped, the two chatting together at night? One man and one woman?

"Qingyu, come with you too." Gong Lianyi said again.

Mr. Huang wiped his sweat. It turned out that he wanted to be awkward. When the three of them were together, nothing would happen to him.

Li Yun nodded and said goodbye to Huang Lao, and followed Gong Lianyi, the three of them left the restaurant.

Yu Wensheng's face was so gloomy that he could drip water, his eyes flashed with resentment, and he seemed to be thinking of some conspiracy.

Li Yun didn't wave with the ancient well in his heart. If Gong Lianyi invited him alone, he might be a little excited, but with Gong Qingyu, there would be no excitement.

He couldn't make eyebrows with Gong Lian in front of Qingyu.

Li Yun likes several girls at the same time, but he still doesn't want to do so.

The three of them came to Gong Lianyi's room again, opened the door and went in. The room had been cleaned up, and the incense was lit in the living room to dissipate the previous bad luck.

"Li Yun, come with me."

Just when Li Yun wanted to sit down, Gong Lianyi invited him into it, and Li Yun looked at her in surprise.

Isn't Gong Lianyi's boudoir inside?

Gong Qingyu looked at Aunt Lian with a weird expression and found a blush on her face. Obviously, Aunt Lian did not resist Li Yun's entry into her small study.

"Let's go, go in together."

Gong Qingyu was in a complicated mood, but actively pushed Li Yun and signaled him to go in.

Li Yun shrugged and walked into Gong Lianyi's boudoir, almost certain that he must be the first man to enter here.

Gong Lianyi lowered her head shyly and pushed open the concealed door of her bedroom. In an instant, Li Yun standing at the door smelled a lavender-like fragrance, which was very comfortable.

When I walked in, it turned out that there was a small living room, or a small study room.

The room is divided into two parts, inside and outside, with a large bookcase in the middle. Li Yun vaguely saw the beautiful light blue mosquito net inside, which should be Gong Lianyi's bed.

It must be more fragrant there.

Inside the small study room outside, there are many books on the shelves. At a glance, a dazzling array of books is a little messy piled up at home and abroad, but it doesn't look messy.

Near the balcony, there are soft sofas and tables for meeting guests. There are some books on them. There are only two teacups. It is estimated that they usually come here.

Fortunately, there are sofas.

Chapter 403: Small study room (below)

"Sit down, sit down."

Gong Lian asked Li Yun to sit down softly. For some reason, Qingyu was clearly standing by, but she felt very nervous and her voice was full of panic.

Li Yun broke into here, just like breaking into her heart.

"Ah, there is no teacup, I'll get one!"

After Li Yun sat down, Gong Lianyi discovered the problem and hurriedly tried to get the cup, but Gong Qingyu held her.

"Auntie Lian, I'll go get it, you guys talk first."

Before Gong Qingyu left, he gave Li Yun an unclear look, as if he was saying something, but Li Yun really couldn't understand it!

"Sister Lian, sit down too."

A faint smile appeared at the corner of Li Yun's mouth. After Qingyu left, Gong Lianyi became more and more disturbed, like a shy little girl, almost pinching the corner of her clothes in a shy manner.

But think about it, perhaps Gong Lianyi had never chatted with a man so intimately in the previous thirty years of her life, and it was normal to be nervous.

In particular, she still has a good impression of Li Yun. In front of the people she likes, everyone is nervous.

".....Um."

Gong Lianyi's voice was very soft, and Li Yun couldn't help it. In order to relieve her anxiety, he deliberately didn't go to see her, but picked up a light yellow book on the table.

""Human Words and Words"? Wang Guowei's book, Sister Lian, do you like poetry?"

"Do you like it too?"

Gong Lianyi looked up at him in surprise. "Human Words and Words" is very famous, but not many people have seen it. Li Yun knew that the author of this book had surprised Gong Lianyi.

"Have seen some."

Li Yun smiled and nodded. In fact, he hasn't seen it before, but he has a system!

Half a month ago, Li Yun acquired master-level poetry and singing skills, which contained the content of human words and words.

Coincidentally, the system prompt came.

"Ding, trigger the option event, please choose from the host:

Option 1: Discuss poems with Gong Lianyi, compose poems on the spot, and conquer her! Reward Gonglian with a certain degree of favorability, a certain amount of experience, and a blue gift bag*2.

Option 2: Do nothing, reward skill: straight man of steel.

Option 3: Go directly to kiss Gong Lianyi, kiss him so drunk and bewildered, reward skill: Domineering president (it is possible that women will fall in love with you as the domineering president at a glance, but there is also a chance that women will hate it), Gong Lian According to the degree of favorability ± 10 . "

Li Yun Mantou black thread, what the ***** is this option three?

Kissing Gong Lianyi directly, will her favorability continue to increase, or will it decrease to the point that she hates Li Yun?

This is a problem. It is estimated that the decision is up to Li Yun's kissing skills.

Why are you so proficient. jpg.

Li Yun gave a chuckle, opened a certain page of the book, and said, "Wang Guowei advocates three realms of reading and doing great things in the book. Which one do you think you are now, Lian Yi?"

"me?"

Gong Lian was extremely relaxed physically and mentally. Hearing that a faint smile appeared at the corner of his mouth, and said mischievously: "I should be 'my clothes are getting wider and I won't regret it, I will make people haggard for Iraq', this realm~~! How about you?"

Her tone rose, obviously, Gong Lianyi was in a good mood now.

One of the three realms of reading that Wang Guowei admired was: the west wind withered the green trees last night, and he went up to the tall buildings alone, looking at the end of the world.

The second is what Gong Lianyi said.

Third.

Li Yun smiled slightly and looked at Gong Lianyi's eyes and said: "My name is, I am looking for him thousands of times in the crowd, and suddenly looking back, but that person is in a dimly lit place.' What do you think, do you think I'm too arrogant?"

Gong Lianyi was stunned for a moment, then a shy flush appeared on her cheeks, she lowered her head and dared not look at Li Yun again.

Chapter 404: After dusk

The meaning of these three realms is very simple. It means that people want to achieve their careers, and they need to experience the three realms of imitation of pursuit of goals, persistent struggle, and natural success.

Gong Lianyi means that he is in a period of struggle and is working hard to achieve his goals.

Li Yun is much more overbearing. He directly said that he would succeed if he wanted to succeed. He no longer needed to find a goal, let alone work hard.

To him, success is a gadget at his fingertips!

But this sentence, 'the crowd looked for him thousands of times, and suddenly looked back, but the person was in the dimly lit place. 'But it has another meaning.

It is also a very dark meaning.

So Gong Lianyi immediately made a big blush. This graceful lady thought that Li Yun was confessing to her in disguised form by discussing poetry.

Li Yun smiled softly. There was no abrupt beauty, but stood up and walked to the balcony, "Lian Yi, let me write you a poem."

"Oh?"

Gong Lianyi stood up, took the lead, and docilely opened the floor-to-ceiling windows leading to the balcony for Li Yun, and stood shoulder to shoulder with him on the balcony.

"What kind of poem?" Gong Lian Yi smiled, looking forward to the poem written by Li Yun.

"Write a poem... about the Lantern Festival."

Li Yun looked at the brightly lit night view of the Yellow River in the distance, and had an idea in his mind.

Although it is not the Lantern Festival, the bright lights look no different from the brilliant lanterns on the Lantern Festival, and the artistic conception is barely justified.

"Yuanxiao?"

Gong Lian Yi nodded slightly. It was a lively festival, but it was a pity that she spent most of the time alone.

Not alone, but lonely in my heart.

"Last year at Yuan Ye, the flower market lights up like the day."

Gong Lian Yimei's eyes lit up, and the simple words and verses combined made them very graceful. The sentence 'lights like day', fully depicts the brilliant lights of the Lantern Festival night, which is truly wonderful.

"On the moon, willow heads, and people will meet after dusk."

After reading this poem, Li Yun glanced back at Gong Lianyi. The two eyes met, and there were inexplicable emotions entwined with each other.

Infected by this very emotional verse, Gong Lianyi's heart trembled, her eyes gradually blurred.

In the distance is the bustling and lively night view of the Huangjiang River, with a beautiful full moon in the sky, and in front of her is a man who has a good opinion of her, who is saying 'confession' to her.

—Isn't it just a depiction of the sweet love between a man and a woman?

When Li Yunyin wrote this poem, Gong Lianyi had an impulse in her heart, as if she felt that falling in love seemed to be excellent, provided that she was with the person she liked.

For example, the handsome and literary man in front of me.

The eyes of the two softened, and their heads approached each other. Gong Lianyi stared at Li Yun, her eyes trembled, and finally closed slowly, waiting for that moment to come.

She cherished the emotions that she had kept for thirty years and was about to hand it to Li Yun at this moment, but Gong Lianyi did not regret it.

"Ah, I'm back!"

A crisp girl's voice broke the lips of the two who were about to approach, Gong Lianyi seemed to feel the breath from Li Yun's mouth hit her double flanks, but the next moment, the two immediately separated, Gong Lianyi's cheeks blushed instantly, just wanting to find a hole to drill down.

Li Yun looked a little embarrassed, turned his head and said to the classical girl who happened to appear: "Qingyu, are you back?"

"Humph."

Gong Qingyu let out a proud hum that was indistinguishable.

Chapter 405: Ding, crisis event

"Ding, the host has made a choice, and the rewards (Gonglianyi favorability +8, experience value +130,000, blue gift bag*2) have been distributed!"

After Gong Qingyu came back, the previous selection event had ended.

It's just that the system gave Li Yun a little surprised.

Gong Lianyi's favorability for him is another subtle number, eighty-nine.

It was almost ninety.

After reaching 90, Li Yun's relationship with her is equivalent to saying that she can do some intimate things, such as kissing, holding hands, rubbing his head, holding the waist, etc. Even more deeply, Gong Lianyi will not be disgusted.

Unfortunately, it seems that it was because Gong Lianyi had concerns in her heart, or Li Yun did not kiss her, causing Gong Lianyi's inner restraint and gaining the upper hand, and she did not dare to do more with Li Yun.

Currently, among all Li Yun girls who have a good impression of him, only one is below 70.

That is the Vatican, who has never met him. He has a good impression of 65, which is slightly higher than that of ordinary people. It is equivalent to saying that he can be a friend, but if you want to be a girlfriend, you can't even think about it.

"What are you doing on the balcony?"

Gong Qingyu put the teacup on the table, staring at Li Yun tightly, but turned a blind eye to Aunt Lian's shy and feminine expression.

Just as Gong Lianyi's spring heart is sprouting, everyone can see the problem, but Gong Qingyu just didn't go to see her, instead chasing Li Yun to ask.

"Ding, trigger the crisis option event, please choose from the host:

Option 1: Gu left and right, don't answer Gong Qingyu's question, reward skill: scumbag character (the host can go from side to side, wander the flowers, but there is a chance of being hacked to death by women who like you with a hatchet, and the end of the boat is good).

Option 2: Be lenient in confession, strict in resistance, and no reward. If the host does not answer well, Gong Qingyu may have a lower degree of favorability with the host.

Option 3: Step forward and kiss Gong Qingyu forcibly, so that she won't ask about it again, and reward skill: the upgraded version of the domineering president.

Option 4: Spring. The night is short and the day is high. From then on, the king will not come early. I want all beauties, big and small! Reward skills: The ultimate version of the overbearing president, the host has a chance to be hacked to death by Gong Qingyu and Gong Lian Yi. "

Li Yun swallowed hard.

The system gave him four choices for the first time, and it was the first time that he didn't give him any rewards. They were all spoof skills!

Seeing Gong Qingyu's scrutinizing eyes, Li Yun seemed to understand that the situation in front of him could not help him not choose, no matter which one he chose, it would lead to different results!

Muddle through? frank? Strong kiss? Or do I want them all?

Li Yun's mind turned wildly, and he encountered an unprecedented crisis!

Sure enough, opening the harem would definitely encounter this kind of problem, and Li Yun wanted to cry without tears.

The harem is not so easy to open. If you are not careful, you will catch fire in the backyard like it is now. Not to mention the system rewards or the welfare of your girlfriend, you will lose your life!

"Qing, Qingyu."

What surprised Li Yun was that Gong Lianyi was the shyest person who spoke first.

She looked sad and ashamed, and said, "It's me..."

"Aunt Lian!"

"Lian Yi."

Gong Qingyu and Li Yun spoke at the same time, and Gong Qingyu took a few steps forward and held Gong Lianyi's hand, as if she didn't want her to speak first.

The reason why Li Yun spoke was simple. He woke up immediately after seeing Gong Lianyi's ashamed expression.

Damn, what about his big man now, his mother-in-law, isn't he just behaving closer to Gong Lianyi?

Ask a woman to stop the gun for him to defend him, Li Yun can't do it!

Chapter 406: To coax girlfriend, or

"Qingyu." Li Yun said to Gong Qingyu, who was holding Gong Lianyi's hand, "I was discussing poetry with Lianyi just now, and then we went outside to see the night view of the Huangjiang River."

A smile appeared on Gong Qingyu's beautiful face, and her little hand gently squeezed Gong Lianyi's palm, motioning her not to speak for the time being.

"and then?"

The tone was soft, but dangerous, which made Li Yun's heart be alarmed.

"Then," Li Yun said bitingly, "I looked at the night view of the Huangjiang River, and my poems became popular, so I made a poem for Lian Yi."

"and then?"

Gong Qingyu paused, but the problem was still the same. Li Yun couldn't help but smile. It seemed that he couldn't help it.

"Qingyu, Li Yun..."

Gong Lian regretted that she could not suppress her inner feelings before and did something beyond friendship with Li Yun.

Moreover, it was still in her younger generation, in front of her goddaughter and sister Qingyu, being caught by Qingyu, this made Gonglian Yi extremely ashamed.

"Auntie Lian, don't talk, let this guy answer!"

Gong Qingyu's words smelled of anger, but Li Yun secretly breathed a sigh of relief.

"Lian Yi, ah no, sister Lian!" Li Yun said apologetically to her: "Sorry, I was not good just now. I shouldn't use that kind of love poems to seduce you, I am wrong, I apologize to you! "

"..."

The scene suddenly quieted down, and Li Yun's words in disguised confessed the secret ambiguity just now.

"Me!" Gong Lianyi had tears in her eyes, she really didn't know whether to be happy or sad.

Li Yun took all the sins over, but this sentence also means that the two will be impossible in the future.

"Humph!"

Gong Qingyu was sour in her heart. She had long seen that there was something wrong with the two of them, and deliberately left them a little space to get along, wanting to see if it was true.

Unexpectedly, she just returned with a teacup, Aunt Lian and Li Yun...

Moreover, Li Yun also called Lian Yi Lianyi, this guy is really a flower. A ghost, a big pervert!

However, a big rock in Gong Qingyu's heart fell to the ground.

At least Li Yun did not deceive her, this is the most important thing.

"Auntie Lian, let's go back and ignore this big pervert!"

Gong Qingyu took Aunt Lian's hand back to the small study room with a furious expression. Gong Lianyi glanced at Li Yun with a complicated gaze, and then entered the small study room, leaving Li Yun alone on the balcony.

"Ding, the host makes a choice, Gong Lianyi's favorability degree is +3, and Gong Qingyu's favorability degree is -1."

A big rock in Li Yun's heart also fell. Although Gong Qingyu is the only girl who has a favorable impression score above 90, she should only be jealous, not below 90, let alone a stranger. To the point.

This means that Gong Qingyu has forgiven him and is willing to accept the fact that Li Yun has several girlfriends.

Gong Lianyi's favorability reached 92, which means that Li Yun can treat her...

Keke, can't think about it.

Li Yun smiled lightly, and then entered the small study-the floor-to-ceiling windows on the balcony were not closed, it seemed that Gong Qingyu had left him specially.

The three were seated, and the atmosphere was a bit weird.

Gong Qingyu's expression of 'I'm very angry and needs someone to coax me, but I don't want you to coax me'. Gong Lianyi's mood is a little depressed, even the charming rouge on the double fringe seems dull.

"Ding, trigger the option event, please choose from the host:

Option 1: Coax Gong Qingyu and reward Gong Qingyu with +1.

Option 2: Comfort Gong Lianyi and reward Gong Lianyi with +1.

Choice three: I want them all, reward skill: Flying with three wings. "

Chapter 407: Two beauties, please have tea

Li Yun wanted to cry without tears, this Nima Tuoduo is another life-threatening choice event!
and many more.

Looking at the prompt, Li Yun thought about it.

What Gong Qingyu needs is coaxing, coaxing her girlfriend to make her happy, which means that Gong Qingyu is actually not very angry, just jealous.

Gong Lianyi needs comfort, similar to the caring and condolences between good friends.

This subtle gap made Li Yun quickly think of a good idea.

"Qingyu!"

Li Yun showed a smile, trying to make himself more handsome, "I will give you a cup of tea, what would you like to drink?"

Gong Qingyu's face eased a lot, but she still said in a huff, "Do you know how to make tea? Don't make a cup of rotten tea just to show my courtesy, I won't drink it~"

He said no to drink, but his eyes kept watching Li Yun's movements.

Qingyu, you are so cute!

"Don't worry!" Li Yun packed the tickets, patted his chest and said: "My tea art skills are advanced, so making a good cup of tea is definitely not a problem!"

"Advanced tea art technology? What level is this? Is it the highest?"

Li Yun smiled without saying a word, he began to be grateful for the messy skills he had acquired before.

When he first gained proficiency in advanced tea art, Li Yun secretly scolded these skills for cheating, and he was not interested in making tea slowly.

Now, it smells so good!

"Also, let me come."

Gong Lianyi felt that it was not good for guests to do these things, and in her heart, she also felt that Li Yun, as a big man, was a little bad for serving the two women.

Although she was in contact with modern society and controlled the Gong family's business in Zhonghai City, she grew up in the Gong family's old house and was heavily influenced by those traditional concepts.

Li Yun waved his hand, "No, Lianyi, sit down, I'll be fine."

Gong Lianyi's heart trembled, Li Yun...also called her Lianyi!

Gong Qingyu had a panoramic view of everything, and his mood became more and more complicated. Unexpectedly, after Li Yun held Aunt Lian for treatment, he actually made Aunt Lian feel good about him in one night.

No, it should be said that it is deeply rooted in love.

Gong Qingyu had already known that Aunt Lian hated men and didn't want to get married in this life, and refused the family's arrangement for her to have a blind date.

Li Yun was probably the first and last man who could walk into Aunt Lian's heart.

Gong Qingyu looked at Gong Lianyi who accompanied and took care of her when she grew up. Aunt Lian has always been very assertive, perhaps because of her illness in the past few days, her heart feels fragile.

And Li Yun appeared at this time, and immediately captured Gong Lianyi's heart, giving her support.

"Two beauties, please have tea."

While Gong Qingyu was thinking about it, Li Yun made two cups of tea and brought them to them in person.

"thanks..."

Gong Lianyi's voice was very small, and a charming red cloud appeared on her face. Under the blessing of Hu Mei's appearance, this charm made Gong Qingyu a little lost.

No wonder Li Yun couldn't resist.

never mind.

Gong Qingyu held up the teacup. The tea was delicious. Together with Aunt Lian, the two of them also drank deliciously.

That's all, let this villain be proud of it.

Gong Qingyu glared at Li Yun, two beauties serving a husband, and the two golden flowers of the Gong family were picked by him. This villain must have his mouth cracked with laughter in the future.

But Gong Qingyu was not so proud of him. She decided to discuss with Gong Lianyi, not telling the bad guy their decision first, making him anxious, and could only look at the two beauties with greedy eyes, but couldn't eat his mouth. Here, mad at him!

Gong Qingyu also decided that before Aunt Lian agreed, she would not agree to be Li Yun's girlfriend, so she died in a hurry!

Fancying Li Yun's anxious and angry picture, Gong Qingyu's beautiful face couldn't help showing a bright smile.

Think of it as punishing the bad guy.

Chapter 408: Discuss business matters (part 1)

Li Yun is inexplicable, why is Qingyu angry and smiling?

"Ding, the host makes a choice, rewards Gong Qingyu with +1, Gong Lian with +1, and obtains the skill: Biyi Sani Fei (three times together, three times happy)."

"?"

Li Yun slowly played a question mark in his mind, what's the situation?

Making tea for the two girls was a small method he used to coax Gong Qingyu. Originally, he had prepared a few hands, including giving Gong Qingyu a comic plot and an intermediate Jidan, as well as flattering that Gong Qingyu is indeed an innate powerhouse. , A move to kill the yin and yang two corpses and so on.

—Although shameless, the girlfriend is just for coaxing.

Unexpectedly, he just made a cup of tea for the two women, so he coaxed Gong Qingyu and comforted Gong Lianyi.

Has his charm reached such a shocking level?

Li Yun was complacent, and even wanted to find more beautiful girlfriends to use this ability, but when he thought that he would have a headache when there were more harems, he immediately gave up this idea.

Girlfriends don't need too much. Being beautiful is a prerequisite. They also need to have special charms. For example, those Internet celebrities, being beautiful is beautiful, but it is not rare for him to take a look at Li Yun.

The three of them were drinking tea and chatting, and the atmosphere soon improved. Gong Lianyi also showed a gentle smile again, as if she knew her decision from Qingyu's attitude.

After Gong Qingyu intentionally or unconsciously talked about Li Yun's condition, saying that he was bothered with radish and had several girlfriends, Gong Lianyi bit her lip and glanced at Li Yun, but did not show an expression that hated him.

Like Gong Qingyu, Gong Lianyi was actually very happy about Li Yun's behavior that he did not hide.

Furthermore, Li Yun has several girlfriends, which means that he can accept her and Qingyu at the same time.

The only thing worth worrying about is that the palace family might disagree.

"No, it's not right."

Gong Lianyi's face is hot, what is she thinking!

Mingmingcai and Li Yungang met, thinking about these shameless things. In the future, if you have a relationship with Li Yun, she thinks everything will happen.

It's too early.

"What do you think of Mo Liang?" Seeing that they were in a good mood, Li Yun changed the subject and started talking about business.

In fact, this was the reason Gong Lianyi invited him to the small study, but the three of them delayed for a long time due to emotional matters.

Meiren Township, Hero Tomb, this sentence is not wrong at all.

"Mo Liang?"

Gong Qingyu suppressed his laughter before, frowning and said: "He said that he was instructed by a big man to come here, and he couldn't tell the origin of that big man even if he was killed. I'm afraid we need to investigate!"

"Those who dare to hurt Aunt Lian must not let it go!" She added.

Gong Lianyi was touched in her heart. Despite Li Yun's factors, her relationship with Qingyu has always been very good. Even if she wants to like the same man with her, Gong Lianyi is unwilling to rob her.

Li Yun nodded, "I know who instigated Mo Liang."

"who is it?!"

Gong Qingyu and the two girls were not surprised. Li Yun knew a lot about Gu worms, and it was normal to know the inside story.

"Mo Liang came from Feihumen, right?" Li Yun asked with a smile.

"That's it."

Gong Lianyi nodded lightly and said softly: "Mo Liang is not from Feihumen, but his father is a deacon in Feihumen. Could it be Li Yun that the person who came to harm me was the head of Feihumen, or the elder? "

Gong Qingyu's eyes revealed a bit of indifference. If it were, the Gong family would never let Feihumen go!

Chapter 409: Discuss business affairs (part 2)

Li Yun said: "The current Feihumen is very closely related to the Liemomen."

"Are you trying to say that the Lie Demon Gate is behind the scenes?"

The Lie Demon Sect is one of the eight evils in the "Two Sects, Four Families, Eight Sects and Eight Evils."

Therefore, after Li Yun spoke of the Lie Demon Gate, the expressions of the two women became solemn.

"no."

Li Yun shook his head. When they breathed a sigh of relief, he said a moment that shocked them: "The Lie Demon Sect is only a controlled sect!"

"what?!"

Gong Qingyu was surprised, "The Lie Demon Gate is controlled by someone? How could it be..."

Gong Lianyi was also very surprised. As one of the Eight Evils, the Lie Demon Sect, disciples of the sect behaved wildly, and there were traces of their activities in various cities in China.

Bars, nightclubs, casinos, martial arts halls, etc., disciples of Lie Momen control many gray money-making industries.

In ancient times, the people of the rivers and lakes were either taking darts or taking the side. In modern times, these rivers and lakes have changed and become the bosses of the company. They also occupy many profitable industries by force. .

With such a powerful sect, Li Yun actually said that he was controlled by a certain force? !

If they didn't know that Li Yun wouldn't talk about it, they would definitely not believe it.

"Gu poison."

Li Yun's slender index finger tapped on the table to remind them specifically.

The two women looked at each other and looked a little disturbed.

Li Yun smiled, "Do you think someone used Gu poison to control the elder and head of the Lie Demon Sect?"

"Isn't it?!"

Gong Qingyu and the two women are more and more shocked, there is a deeper conspiracy behind this?

"Are you sure you want to know?" Li Yun's face was serious, "The secrets in this may completely defeat your understanding of the world, and it may also put you in a crisis."

There is a saying: The more you know, the faster you will die.

Gong Qingyu gave him a white look, "Aren't you there? You can't protect us?"

"...Of course!" Li Yun looked at her softly, "I will use my life to protect you!"

Gong Qingyu became shy. The classical beauty originally wanted to act like a baby, but Li Yun did not expect that she would say such words that moved her.

"Do you also include me?" Gong Lian looked at Li Yun fixedly, said this subconsciously, and immediately lowered her head shyly.

"Also including you."

Li Yun smiled shamelessly, and said, "Lianyi, you are Qingyu's elder and my...friend, of course I will protect you too!"

An acquired realm said to protect two beautiful geniuses from the innate realm. I don't know how many people will laugh off the teeth when I say this.

But the two women are convinced.

"Ahem, let me tell you something... weird things I encountered recently."

"it is good."

Gong Lian replied softly, "We will listen carefully, Li Yun, don't worry, the enemy has already attacked me, even if I don't mess with them, they will come to me for trouble, so it doesn't matter."

Li Yun nodded.

He had anticipated this situation a long time ago. Even if he didn't go to trouble with the Six Demon Gates, he would definitely encounter these people in the future!

"Things will start from the beginning of my senior year..."

Gong Lianyi was taken aback, then lowered her head shyly.

Li Yun behaved very maturely, giving her the feeling that he was a man with a good degree of conversation, and did not realize that Li Yun was actually in the third year of high school.

So, it was her old cow who ate the tender grass...

Chapter 410: I want to help you

"The spirit stick that Feihumen placed in Xiuxi County...makes people insane, crazy? Oh my God!"

"Zombies appeared in Zhennan Province...A suture made up of dozens of human flesh and blood?!"

"Gu worms exist, and there are even people who have raised evil spirits and ghosts?!"

Listening to Li Yun's narration, the hearts of the two women swayed, Sanguan was greatly shaken, and the familiar world seemed to suddenly become unfamiliar.

The two are not the low-level people either. They came from a thousand-year-old wealthy family and know a lot of secrets.

But I never knew that there really is something beyond common sense in the world!

"All of this is related to a mysterious sect of the Six Demon Gates!"

Li Yun emphasized again: "Today, you'd better not disclose this matter, and don't take the initiative to provoke them. Even if you want revenge, you must do it extremely secretly. I suggest that you don't take revenge. Let me solve them for you!"

The two women came back to their senses and looked at each other, and both of them could see the touch of emotion in each other's eyes.

"Li Yun." Gong Lianyi looked at him softly, "I know you are for our good, and I can understand what you do. But..." She bit her rouge lips and said softly: " But I want to help you."

"Me too!" Gong Qingyu took the initiative to hold Li Yun's hand, with a proud expression: "Don't underestimate me, I am a congenital realm, and Aunt Lian is a congenital later period, so they are better than you!"

"I know, I know." Li Yun scratched her little nose and said with a smile: "Well, let's take a long time to discuss this matter. Don't worry, I know who the person who knows Gu worms is. He has nothing but gu worms awesome."

"Gu worm..." Gong Lianyi was a little worried, and glanced at Li Yun again.

Knowing what she meant, Li Yun immediately took out a few small and a medium-sized detoxification pills from his pocket, "Don't worry, I'm still confident in dealing with Gu worms. If you are poisoned, I will just..."

Li Yun explained to them the usage of these two kinds of detoxification pills, first use small ones, and then eat medium ones.

The two women held these detoxification pills tightly, their eyebrows were filled with emotion.

With these things, the people who manipulate the weird Gu worms are no longer afraid!

They are strong innate, and there are a large number of bodyguards armed with guns in the mansion. Even if the consummate masters come to attack here, the two women can confidently make him come back and forth!

After Gong Qingyu's excitement calmed down, he looked at Li Yun's pocket curiously, "Li Yun, why are there so many things in your pocket?"

"Hmm, Shanren has a clever plan, you will understand later."

Li Yun made a sloppy look.

If the two women have 100 points of affection for him, Li Yun would not mind telling the secret of the space ring. After all, the 100 points of affection proves that they have completely fallen in love with him and can never be changed.

Now, I can only say that the time has not come.

Gong Qingyu pouted, but didn't ask.

"With the detoxification pills, there is nothing wrong with dealing with Gu worms." Li Yun pondered. "As for zombies, it is not a big problem. It's just that the body is as hard as iron and requires a lot of hands and feet."

The two women breathed a sigh of relief again.

"The ghost is more troublesome."

Uh!

The hearts of Gong Qingyu's two people raised their throats again.

"However, the speed of Li Gui is very slow. If you encounter it, you will run lightly and run away, asking me to deal with it!"

The two women nodded obediently, facing these unknown things, they dare not to be big.

Fortunately, there is Li Yun. Otherwise, let alone encounter female ghosts and zombies, they will not be able to pass the Gu worm level, and they can only be abused|humiliated.
