

Godly Choice 4061

Chapter 4061: Reunite again

The two of them hugged each other for two or three hours before Li Yun's cell phone rang. When he picked it up, it was the housekeeper who called, saying that the wife was coming soon.

"Ah! This time! They are all here!"

Xiao Su hurriedly pushed Li Yun away, looking at the mess around him, his small face blushed, but he quickly got up, his mellow and white feet stepped on the floor, ran to the closet beside him, opened the door of the closet, and filled with a dazzling array of sights Choose a set of beautiful clothes.

As for what she wore before, it was soiled a long time ago, now it is thrown on the ground, and it will be cleaned up when she comes back at night.

"Not in a hurry, they just arrived at the door and told you to eat for at least five minutes."

Li Yun got up from the lazy couch contentedly, put on his neat clothes, walked over again, raised Xiao Su's little cheek, kissed her little mouth, and smiled: "I'm going out first. , I'll let Caiwei come to tell you to eat, and eat more tonight."

"Huh~ I know~"

Xiao Su hummed in a charming voice, which made Li Yun's bones soft by three pounds.

Worthy of being the goddess of the future, she now has the beauty of a country and a city, she is an out-and-out little beauty, especially when she was shy just now, it makes Li Yun feel like she is back at Mount Ado. , Three volcanic craters erupted at the same time.

"Kiss."

Li Yun bent down and turned his face to his side, cheeky asking for the face of the beautiful goddess from the future at this moment.

"so troublesome!"

Crackling.

While complaining, Xiao Su happily kissed him. As a result, Li Yun turned his other face away, and she had to kiss him again.

However, this guy looked at him with a straight face again. Xiao Su couldn't bear it anymore. He pushed a little hand and said angrily: "No! Go and go, as a divine envoy, I actually prayed for so many rewards from Lord Goddess, don't Face~"

Li Yun is indeed shameless.

It can only be said that the goddess and Lori is really one of the most beautiful attributes in the world.

Li Yun even wondered whether the next time he was alone with Xiao Su, would he not be separated from her sweet little mouth for a moment?

...

Villa 36 in Huangting Mountain quickly became lively.

Gong Qingyu, Gong Lianyi, Qingzhu Little Maid, Su Muxin, Fang Xue, Xiao Mingzhu, the four maids of Spring, Summer, Autumn and Winter, etc., except for Shangguan Lingxian and Liu Xianxian who is busy filming outside, the other girls around Li Yun My child, more than half came!

Yingying and Yanyan were beautifully red. When Li Yun went down to the living room on the first floor and saw the beautiful women of various colors including Huanfeiyanshou under the hall, he almost suspected that he had come to the country of her daughter.

Full of stunning beauty.

"Wow, the emperor is down!" Little Pepper yelled, causing a group of girls to laugh.

Jin Liuli, who came back from Penglai Island, bit her lip and gave Li Yun a blank eye. After looking around, she felt that this place was her sisters, and then said: "The big satyr is not the emperor, but our sisters. ...Well, evening supplies."

"puff!"

A few girls with a thicker skin all laughed scornfully, their faces blushing.

Other thin-skinned girls, such as Gong Lianyi, Xia Feiyao, and Zhao Tianfeng, turned their heads away.

As for Caiwei and Caixia, they looked at each other with a shy blush on their faces.

"What nonsense, there are outsiders."

Li Yun couldn't laugh or cry, looked at the twin sisters and nodded to them: "Cai Wei, Caixia, you..."

"elder brother!"

Chapter 4062: All the girls get together

The girl who was in the blooming season flew over and hugged Li Yun with excitement and joy. Then, in the surprised eyes of the women, the charming girl stood on her toes and wrapped her hands around Li Yun's neck, as in Li Yun. With astonished eyes, the rosy and soft lips kissed Li Yun's lips heavily.

"Wow!" Su Muxin exclaimed.

"Ah!" Jin Liuli shouted out in surprise.

"Yeah." Xia Feiyao was surprised to look at Plucking who was kissing Li Yun, as if she was surprised that this shy girl was the first of them to kiss Li Yun?

"Sister..." Caixia was stunned. Her sister was very active. In front of so many people, and these people are still their sister-in-laws, her sister also dared to take the initiative to express her wishes.

It seems that the elder sister is for this purpose, so in the presence of Gong Qingyu, Fang Xue, and Li Feng, are you intimate with Brother Li Yun?

My sister is amazing.

"abnormal."

I just picked up Li Yun from the airport in the morning. Gong Qingyu, who had been messing around with him all the way and at noon, is now wearing another beautiful undergarment. His beautiful face is full of cold, cold complaints. .

Abnormal is the evaluation she gave to Li Yun, but she has forgotten how enthusiastic she was on the way back from the airport to share with the abnormal Li Yun the feelings she had not seen for many days.

"Big pervert, don't even let your **** sister go." Qingzhu's little maid muttered, and couldn't help but glance at Li Yun, who was intimacy with Caiwei, her face flushed.

At noon, she was on the third floor of the mansion. Like the lady of the saint, she was so hugged and kissed by Li Yun that she was so soft and unable to use her strength, she could only watch this big villain on the third floor of the mansion. The point is that the saintly lady has not stopped her, she has been leaning lazily on the sofa, Li Yun went to kiss her, and she also raised her head to cooperate.

Anyway, the mansion was very chaotic at noon, Qingzhu was a little confused, and didn't want to remember it!

However, every time she thinks back, she can't help feeling agitated. The whole person seems to be warm. The memory is full of happiness and very comfortable. She can't help but fantasize and expect. When will such a thing happen next time? have.

Now it seems that there is no need to wait long, or even the next day, just wait for dinner.

And the following weekend, Qingzhu couldn't imagine what would happen.

She knows that the situation is now relatively stable. The Lord Sainte no longer has to worry about the hidden sacred valley, nor does she need to rush for the six gates. She has a lot of time to practice, silently practice, and improve her strength to cope with future possibilities. Crisis.

Because of this, I have a lot of time to talk about love with Li Yun...

It took a full half a minute before Caiwei put down her toes, her pretty cheeks were rosy and charming, and the clear eyes looking at Li Yun were full of admiration, moist, and springy girl, enough to make people tremble in their hearts.

"Brother, Brother Yun~~~ Caiwei misses you so much~"

After saying something sweet and greasy, Caiwei loosened her arms around Li Yun's neck, stretched out her hand to grab Caixia who was standing aside still a little at a loss, and pushed Li Yun into Li Yun's arms.

"Uh!"

Li Yun was shocked. When did Plucking take the initiative? Is something irritating her?

Your Royal Highness Princess Alice?

Maybe, this time Li Yun went out to take Alice's adventure and date together, she must have known it too.

Chapter 4063: Plucking Wei, Caixia

Foreign women are beginning to entangle their elder brothers. How can Caiwei not take the initiative?

If you don't take the initiative, there won't be so many girls in the big villa at home!

The number of fairies is just right, Caiwei thinks, there can be no more, oh yes, plus the awkward six-door saint on New Year's Eve, three people, so it happens to fill this big villa.

"Brother Yun~"

Caixia plucked up the courage to learn the way of plucking, she also stood on her toes, put her arms around Li Yun's neck, and kissed her lips excitedly.

My sister gave her so much courage and helped her so much. If she doesn't take the initiative to express her feelings for Brother Li Yun in front of the women, then she really doesn't deserve to stay in this big family anymore. .

Everyone looked strange.

But no one stood up to interrupt the twin sisters' expression of their feelings towards Li Yun. They actually had a hunch. Even without such a hunch, after seeing Caiwei and Caixia's intimate actions towards Li Yun one after another, Can react.

After all, the excellence of this man is what they all see. Caiwei and Caixia have no blood relationship with Li Yun. This is something they have known since they were young. It is quite normal to like him during the day and night with Li Yun. Thing.

Rather, it was only now that Caiwei and Caixia didn't express their intentions, which surprised them a bit.

"Brother Li Yun..."

Compared with her sister Caiwei, sister Caixia didn't dare to kiss for a long time, and she parted in a panic and shyly after not many times, and she hugged Li Yun's arm and dared not look at people.

Xiao Mingzhu looked around for a week, and saw the women with different expressions and expressions. She couldn't help but smiled while covering her forehead: "This time, the entire villa is all sisters!"

Sisters are the nicknames between Li Yun's confidantes.

Li Yun didn't want them to be jealous when fighting for him, and to bother to fight for him, and he didn't want to see the blood and blood in the backyard of the palace.

So he kept asking-even though he didn't say it often, the girls around him should get along as good friends.

Although this belongs to the unfair side to them, Li Yun really can't find a solution, unless he divides it into thirty, or chooses only one of them, the other girls will only be sad. Depressed and ended.

The latter two are impossible to achieve, so Li Yun can only try to maintain the protection and harmony of this big family.

Until now, Li Yun felt that he was doing a good job. There was no quarrel in his home or Gong Qingyu's house, nor was he jealous of his affairs. The girls were modest to each other, and Li Yun did his best.

Everything is so happy and complete, whether it is on the surface or on the inside, Li Yun can pat his chest to ensure this!

"puff."

Hu Xiaomeng couldn't help laughing, and said with a grin: "Not yet, and our Lord Son is not a sister."

Li Yun's eyes widened, right? Is this discovered?

"she?"

The girls were taken aback, Zhao Tianfeng, who was standing next to Hu Xiaomeng, couldn't help but knocked her on the head: "What are you talking about, she is a goddess, and her age...Although she is old enough, some **** really wants to hold her. She kisses, don't you feel perverted?!"

"Super abnormal!"

"Super super abnormal"

"Hehehe, he was a pervert, even Li Feng and Caixia Caiwei didn't let it go."

"And Aunt Lian!"

"Qingyu, you, you are not allowed to talk nonsense."

Chapter 4064: Dinner

The girls in the large living room joked about Li Yun, Caiwei and Caixia, the blushing twin sisters, glanced at each other, and secretly breathed a sigh of relief.

Sister-in-law, no, it's the older sisters—they are going to change their name to older sister now. Of course, it's okay to call older sister, hehe.

The elder sisters understood their choice very well, and did not say much, and there was no contemptuous look in their eyes, which made Caixia and Caiwei very happy.

In this way, there is really only a thin layer of paper left between them and Brother Li Yun. As long as they work a little harder, they will be able to sleep together with Brother Li Yun.

For the rest of my life, I will not be separated.

"Husband~~"

Seeing the end of Caiwei and Caixia, Princess Yongning couldn't help it anymore, Ruyan plunged into Li Yun's gaze like returning to the forest, looking at him with pitiful big eyes.

The girls laughed, and if you want to say that Li Yun is the most sticky, it is the little princess, even though she has been sleeping.

Of course, in addition to the little princess Yongning, Su Muxin and Gong Qingyu are also very attached to Li Yun. As for Fang Xue and the others, although they did not show it, they also have a desire. Otherwise, they will not wait to come when Li Yun comes back. Find him.

I don't care about everyone seeing him together. Anyway, as long as I'm with Li Yun, even if there are many girls around him, the girls feel satisfied: chatting with Li Yun while chatting with the sisters, whether it's playing cards, Still playing mahjong, or simply exchanging some knowledge, the warm atmosphere is enough to indulge in.

"Okay, let's stop talking about the gossip, Cai Wei Caixia, go and ask Shengzi and Qingnv to come down for dinner!"

Li Yun asked the two sisters to go downstairs to eat, while he put his arms around the petite Princess Yongning and went to the big dining room with the other girls.

The dining table is already full of delicacies. The luxurious dining table that could only accommodate 18 people was ruthlessly abandoned and turned into a long round table like the present one with a slow-running conveyor belt. In this way, the dishes can be served. On the conveyor belt, everyone can eat it.

As for the fixed position, some fruit plates, pastries, cold dishes, etc. are placed.

Xia Feiyao spit out her little tongue, blushing a little, but then she covered her mouth and smiled secretly: "What a great meal, husband, bother."

Li Yun said er, "These are all made by the chef at home, and I don't bother."

"Sister Lian ordered to do it, right?" Xiao Mingzhu looked at Gong Lianyi. Although this is Li Yun's villa, Gong Lianyi still has the majesty of the housekeeper's wife. If you say it, the maid in the villa The chefs all acted as Li Yun meant to follow suit.

"Just prepare something casually."

Gong Lianyi was a little embarrassed, "After Li Yun said that he would be back today, I probably guessed that you would also fly back, so let me prepare more."

The people who flew back refer to Xia Feiyao and Jin Liuli who flew back from Penglai Island, and Hu Xiaomeng and Zhao Tianfeng who flew from the capital. They all came here by plane to meet Li Yun.

Although they also have teleport beads, they can go directly into the Qinglian Immortal Mansion, but normally they don't use it, so as not to waste the aura of going in and out of the cave mansion.

Li Yun's gaze flicked across the faces of the four women one by one, and he paused, still holding the little princess Yongning in his arms, trying to say something, but in the end he still didn't say anything.

It's not suitable to talk to them alone now, and talk to them again when you have time.

There will be such a time.

Chapter 4065: No emperor treatment

When the blond son Lori and Qingnv walked downstairs, both of them were surprised by the beauty of this restaurant.

Xiao Su directly covered his forehead: "This is so much!"

She had so many competitors all at once, and every one of them was very powerful. It was almost impossible to win, so she could only join in as a "sister".

As for the young girl, she rolled her eyes and spit out in a voice that all the girls could hear: "If you know that this is the restaurant of Li's house, if you don't know, I thought it was King Zhou's harem!"

"Whee."

"Senior Young Girl, your statement is too exaggerated."

The women were embarrassed by the praise, and even Shan Xiaoxiao raised her little hand: "Senior Qing girl, does King Zhou's harem include a little girl like me?"

Her mother Shan Ruqing was taken aback and looked at her daughter. Hu Xiaomeng also took a meaningful look at the little girl with super IQ, and saw through the question she wanted to ask.

Qingnv glanced at Li Yun and said leisurely: "The harem of King Zhou has men, what do you think?"

"Wow!"

Shan Xiaoxiao screamed, covering her face and eyes with her two small hands, indicating that she didn't understand what Senior Green Girl meant.

Everyone laughed. What kind of husband was hurting all over the floor, what reminded his boyfriend to be careful when he went out, etc.

Anyway, all kinds of words are messed up, Li Yun can only look embarrassed.

More than twenty girls were sitting together, Fang Xue, Li Feng, Qing Yulianyi, Xia Feiyao Jin Liuli, Hu Xiaomeng, Zhao Tianfeng, etc. Li Yun also called out Nie Xiaoqian and Pistachio Hei in Qinglian Immortal Mansion. Yudie, together with Hu Xiaomeng and Shan Xiaoxiao, made the restaurant very lively.

This meal was eaten from the dining room to the living room. The reason was that the women felt that eating alone was too boring, and they worked together to move the dishes to the large living room, just like on New Year's Eve, watching TV and playing fireworks while eating.

Cheerful and warm, a bit more lively than New Year's Eve. After all, Fang Xue and the others were spending the New Year in their hometown on New Year's Eve, but they were all together tonight.

So after Hu Xiaomeng and Jin Liuli sent photos of the dinner to the group, Liu Xianxian, who was far abroad, almost wanted to rush back to participate, and Shangguan Lingxian, who had a bitter face at Tiandanmen, also showed his eyes. A bit of envy.

However, she didn't indulge too much, she concentrated on refining alchemy after a few glances, striving to refine the elixir she wanted as soon as possible-besides, the chat history is in the group, if you want to see it, after taking a shower before going to bed at night, Lie on the bed and slowly watch what they are talking about.

Now there is an unwritten rule in the Fairy Society. Every time a girl spends certain activities with Li Yun, whether he is taking risks or going on a date, the lucky girl must post some photos.

First, let the girls in the group know Li Yun's current situation, and second, reduce the jealousy of the girls as much as possible. After all, knowing what she and Li Yun did is better than not knowing anything.

Moreover, once in a few months, it will always be their turn to be alone with Li Yun, or two or three girls to accompany him.

Just like now, a large number of pictures were sent to the group, so that the Shangguan Lingxian, Alice, Liu Xianxian, and Tang Anxi who were not on the scene could all see Li Yun at the dinner table, which was like an emperor.

Of course, only the position of the emperor, but no emperor treatment!

Chapter 4066: Who is the favorite

The specific manifestation is that Li Yun wanted to take a bath with them after eating, and then have a happy night life. As a result, he was greeted by Xiao Mingzhu and said that he wanted to chat with her.

After Li Yun and Xiao Mingzhu, who had an "unpredictable" face-in layman's terms, talked nonsense and had a silly face, they went back to the living room, only to find that all the women ran away. .

Only Shan Xiaoxiao was left, waving at him happily.

"Oops!"

What Li Yun realized, looked back at the door of the villa, and found that Xiao Mingzhu had also gone away in a hurry, and went back to her house! Don't live with him!

How can Li Yun not understand now?

This group of girls escaped deliberately and deliberately used Xiao Mingzhu as a cover. I don't know when they secretly reached a consensus!

That's disgusting.

"Little."

Li Yun looked at the only girl in the living room on the first floor. No, she should be called a girl!

"Dad~~"

Shan Xiaoxiao died happily, her mother and young mothers were hiding from her father, but she was left, and she happened to be alone with her father~.

On weekdays, she has a lot of time to chat with her father, but when her father comes back, he wants to play with the little mothers, so she can't take care of her. It's really annoying.

"what happened?"

Li Yun couldn't laugh or cry and hugged her who flew over, "Good little, tell dad, how did your mother tell you before she left?"

They must be upstairs, but if Li Yun goes straight up, there is a high probability that he will be rejected.

"Woo, Dad doesn't care about Xiaoxiao!" Shan Xiaoxiao said cryingly, "Obviously, they are right in front of Dad, and Dad doesn't care about them, it's necrotic~"

"Uh, well, my fault, I will make up for Xiaoxiao next time!" Li Yun touched her head.

"Don't be the next time Xiaoxiao, this time Xiaoxiao~"

The little girl hugged him and acted like a baby. Li Yun couldn't laugh or cry, and squeezed her little fat face: "Then what do you want Dad to do?"

He is now more and more in the role of the little father. After all, he has taken her mother to a date. It is a matter of course to be Shan Xiaoxiao's father.

Shan Xiaoxiao didn't say a word, just turned her face and turned her cute little face at Li Yun.

How could Li Yun not know what she meant? Lean down and kiss her face with one bite.

"Well, Dad, I want to go here too~"

Shan Xiaoxiao turned to the other side of her face again. Li Yun was helpless, so she could only kiss Xiao Su in the same way as before, and kissed her right cheek again.

"Hehehe~"

Shan Xiaoxiao was satisfied now. After wiping her cheek with her tender white fingers, she recalled: "Little mother Qingyu said that some big bad guys are not allowed to take a bath with them tonight, and they are even less likely to go to the big bed. , He is only allowed to find someone he likes the most. Dad, who is the big villain? Hey, isn't it Dad? Hehe, Qingyu's little mother is wrong, Dad is not the big villain, Dad is Great egg~!"

Li Yun: "..."

If Shan Xiaoxiao hadn't vowed to say that what she conveyed was absolutely correct, Li Yun would have to wonder if Qingyu had been taken away by something, otherwise, how could she say that?

Gong Qingyu, want him to choose the one he likes the most? Isn't this blatantly destroying the atmosphere of harmony among the women?

Besides, Li Yun doesn't have a favorite, only loves all. He likes and loves every confidant around him.

Chapter 4067: Multiple choice

It stands to reason that Qingyu could not be ignorant of his intentions, but why did she still say such a thing?

Other girls have the same idea?

Wait, everyone else...

"I understand!"

Li Yun slapped his head, annoyed by his stupidity. He is so stupid, really, this is not a proposition, but a sub-question!

"dad?"

Shan Xiaoxiao looked at him pitifully. She probably didn't have the opportunity to chat with her father tonight, and her father would definitely be with the little mothers.

"Hey, Xiao Xiao, go take a bath." Li Yun touched her little head and said.

"Emmmm~~ Xiaoxiao is going to wash it with Dad!"

Shan Xiaoxiao pestered Li Yun to act like a baby again. She didn't want to end the chance of being alone with her father so soon. After all, there would be no chance tonight or tomorrow.

Li Yun originally wanted to refuse, but after Shan Xiaoxiao looked at him with teary eyes, her heart softened and she agreed.

Anyway, Xiaoxiao is still young, and it's okay to take a bath together. No matter how high IQ, she is a child.

"Yeah~!"

Shan Xiaoxiao cheered happily, took Li Yun's hand and ran to the second floor, leaving the first floor dining table and dining room to the maids and servants to clean up. Of course, these maids did not include the four maids in spring, summer, autumn and winter. I went to the open-air bath on the third floor with my lady a long time ago to take a bath.

On the third floor, in the open-air bath, a group of beautiful little fairies in various swimsuits are taking a bath, from the young son Xiaosu, to the young girls Caixia and Plucking with bags waiting to be released, and the youthful and beautiful Fang Xue and other women, A group of girls swimming happily in the bath.

"Sister Saint's figure is really good, incredible beauty."

Su Muxin didn't know how many times she sighed. From the time she ate before, Saint Fan Qing actually seldom talked. Her master Fan Linglong also spoke very little. She just watched silently, without too much embarrassment. It's just that some topics can't be found to chat.

After the girls went to the bath and put on their swimsuits, everyone was shocked by the graceful and exquisite figure of the Saint Vatican, while Fan Linglong was proud of her. Her apprentice followed her more instead of the swan dress. Guys.

"indeed."

Zhao Tianfeng is one of the best in the height of all the women, but in front of the Sage Fanqing who is shorter than her, he always feels that he has lowered his head.

The saint simply stepped out of the dressing room and showed her figure and large pieces of skin like jade in front of them, which made them feel ashamed.

Lady Saint, her skin is so dazzling that she shines, and she is beautiful and beautiful.

"Sister Saint is the most beautiful~~!"

Hu Xiaomeng happily pounced on Saint Fanqing and clinging to her with a grin. Jin Liuli was a little moved, but she still resisted being too close. She always felt that although the sister of the saint was very approachable, she couldn't muster the courage to get close.

"You are also very beautiful." Fan Qingsheng did not refuse Hu Xiaomeng's approach, but also stretched out his hand, wrapped her waist, and led her into the bath step by step, soaking in the warm bath water.

The girls looked at each other and felt a strange sensation.

How did such a deserted saint be taken by Li Yun?

Saint Fanqing has appeared in front of them many times, even when Gong Qingyu was still at noon, he saw her kissing Li Yun.

But they still feel that the Sage of Vatican is like an independent fairy who is not a mortal at all.

Chapter 4068: Who is the first to look for

As they chatted, their topic could not help but shifted to Li Yun. After all, these girls got together because of Li Yun, who else could he talk to without talking?

"You said, who will that bad guy go to first tonight?"

Wearing a three-point swimsuit, Su Muxin, who showed her graceful figure, looked around the crowd and asked suddenly.

Of course she also hopes that Li Yun will be the first to find her. After all, she and Li Yun have not seen her for more than a week. For Su Muxin, who likes to mess around with him, this week has been very difficult. Su Muxin is looking forward to it tonight. , However, because there are indeed a lot of girls around Li Yun, she estimates that she will have to wait at least tomorrow to chat with Li Yun alone.

Sometimes, even Su Muxin was a little envious of Gong Qingyu. This house girl usually didn't bother to go to class and stayed at home all day, and the first time Li Yun came back, Gong Qingyu was able to pick him up the first time.

Su Muxin had already heard about what happened in the No. 3 mansion at noon. Gong Lianyi shyly posted a picture of the living room in the group.

In that picture, Su Muxin could tell at a glance what kind of chaos had happened in the messy living room. This was probably why Jin Liuli and the others couldn't wait to find Li Yun?

"Probably... Saintess?"

Everyone turned their eyes to the Sage of Fan Qing. There is no way to say that everyone's appearance is not bad, even if there is some difference in naturalness, it is in the skin care and beauty pill of Li Yun, or the marrow pill, or whatever. Under Dan's care, every girl who is immersed in the bath water at the moment will have good skin.

And girls with a white covering a hundred ugliness and good skin have occasional differences in appearance, but they have their own characteristics, non-standard facial features, and sometimes they are more lovely when combined together.

Such as Xia Feiyao.

She is a standard immature baby face. She is eighteen or nine years old but she has a cute face like twelve or thirteen. But because she has the hottest and proud figure among all the girls, every girl can see her. Behind his figure, he couldn't help but pause, and his eyes showed a bit of envy.

The girls who took a bath in the bath are not bad in appearance and body. Although there are some differences in birth, there is no difference. Tang Anxi, who was born in the coldest, is not here for the time being. It can be said that every The girls are all white and rich, or heroic heroines~.

However, whether it is beauty or figure, not to mention the background, it seems that it is not worth mentioning in front of the saintess, that is, the noble and pure temperament of the sage of Vatican.

For example, at noon, Gong Qingyu and the others were playing around with Li Yun, that is, playing around her, but Fan Qingsheng was indifferent, sitting quietly in the living room and reading, until Li Yun hugged him. She, Fanqing Shengcai raised his head and kissed him.

With such a disposition, Gong Qingyu and Gong Lianyi were shocked, and they even felt ashamed.

Fortunately, that villain Li Yun was really cheeky enough to allow the nonsense to continue.

Therefore, if Li Yun were the first to find the Fan Qingsheng tonight, they would all think it would be a matter of course.

"Do not."

Fan Qingsheng shook her head. Most of her graceful and beautiful body was immersed in the bath water, and she whispered, "Tonight, Li Yun will not be the first to look for me."

Chapter 4069: discuss

The women were taken aback.

Fan Qingsheng added another sentence: "Tomorrow."

understood.

Her master Fan Linglong nodded. Qing Sheng said that Li Yun will not go to her tonight, but will have a chat with her alone when he is free tomorrow instead of going tonight.

When the girls think about it, yes, that big bad guy tonight will definitely be like a big hungry wolf hunting, wandering on the second and third floors of the villa, he may go into any room to catch someone, and laugh and play with them. In the voice of resistance, Li Yun's big hungry wolf could do anything wrong.

I went to find the Sage Fanqing tonight, but there was actually nothing to do. The Lord Saint hadn't had the last step with him yet.

"That's... Senior Linglong?"

Su Muxin looked at Fan Linglong again. After all, among them, Fan Linglong is the oldest, ah no, the most respected!

With half of Fan Linglong's face buried in the bath water, he complained: "That guy doesn't have any thoughts of respecting the old and loving the young. He definitely didn't come to me."

"That must be looking for our Zheng Gong empress!"

Hu Xiaomeng, wearing a one-piece dead-tank swimsuit, chuckled and looked at Fang Xue. In the scene, only Sister Fang Xue would be teased as a lady of the palace. After all, she was Li Yun's first. Girlfriends are very special in status and meaning.

Fang Xue's face blushed, and she was a little expectant, but she said, "I don't think he is, he is not a nostalgic person...probably."

Fang Xue actually knew whether Li Yun was a nostalgic person.

If he hadn't, he would have abandoned her a long time ago. After all, Gong Qingyu and others are all better girls than her, but Li Yun likes her as always and cares about her.

"I think it's Li Feng!"

Gong Qingyu looked seriously at the three sisters of the Li family, namely Li Feng, Li Caiwei, and Li Caixia, and said with a smile: "Look just now, Caiwei and Caixia took the initiative to hug him. Not only did he not refuse, but he took the initiative. It can be seen that he is actually a little perverted sister who controls his sister's psychology."

"Qingyu is dying for you!" Li Feng, who was blushing with ridicule, poured a handful of warm water on Gong Qingyu's head.

Gong Qingyu grinned and counterattacked, and the two wooed the sisters. The wide open-air bath was suddenly full of girls' laughter. If anyone were lucky enough to come in and take a look, they would definitely have their eyes straight.

The faces of the twin sisters were flushed, and they didn't expect that sister Qingyu would tease them.

Doesn't that mean that in Sister Qingyu's heart, they are already members of Li Yun's brother, and they are also with them?

"correct."

After tired of playing, Jin Liuli swam in front of the two sisters like a little mermaid, rubbed their respective cheeks intimately, and said with a smile: "We have a group, do you know Caixia Caixia?"

The other girls floated in the bath in twos and threes, or started swimming competitions. The bath is 30 meters long and 10 meters wide. More than 20 girls bathing together seem to be very spacious, and the bath has It doesn't matter how long you soak in the constant temperature facility.

After hearing Jin Liuli's words, many girls looked over.

"Um."

Caiwei replied in a low voice, "I heard my sisters have talked about it, it seems to be Sister Pepper?"

"Hehe, I didn't say anything~ la la la." Su Muxin wandered away.

After all, it is not appropriate for girls to know about the fairies.

Chapter 4070: Looking for you

"Okay." Jin Liuli rubbed the faces of their sisters and said: "The group! I won't invite you for the time being. After all...there is a mess in that group, waiting for you to grow up. How about going in later?"

".....Um!"

Caiwei and Caixia agreed, and today's progress is far beyond their imagination, enough.

"Hehe, should we call you sister-in-law or younger sister?"

Su Muxin also leaned over, wrapped her arms around the slender waists of the two sisters, and asked with a smile, causing the twin sisters to be ashamed at the same time. Caixia rushed over and started fighting with Su Muxin in the bath water happily.

It's a beautiful scene, but Li Yun couldn't see it. He was forced to wash Shan Xiaoxiao's hair on the second floor. After washing his hair, he went into the big bathtub with her to take a bath. Xiaoxiao didn't know where she came from. Get two toy ducks and two toy ships, and play in the bathtub.

As for Xiao Su... she couldn't get involved anywhere, so she simply took a shower and then climbed into bed early to rest.

In the afternoon, I was fooling around with Li Yun. It took her a lot of effort. Now she feels comfortable. After she curled up on her big bed and fell asleep, the dream was full of Li Yun's figure, making Xiao Su's mouth tolerate. I can't help smiling sweetly, I still feel warm and happy even in my dreamland.

Li Yun naturally didn't know that being intimacy with her all afternoon would make Xiao Su dream of him all night.

After bathing Xiaoxiao, he coaxed her to go back to sleep with her mother, but Xiaoxiao didn't want to sleep with her mother, so she ran to sleep with the sisters Caiwei Caixia, and asked her to

give her mother to her tonight. Li Yun couldn't help feeling like that. Xiao Xiao is indeed an older child with a high IQ, and she will make time for her parents.

Cough.

However, Li Yun did not plan to find Shan Ruqing tonight. He sat in the living room and waited patiently for the group of girls to take a bath and then went back to their own rooms in the big villa to rest. During the period, Xia Feiyao and Jin Liuli came downstairs, Zhao Tianfeng and Hu Xiaomeng also went downstairs, their rooms are on the second floor, but when passing by the living room, they only glanced at Li Yun and left with a smile.

It didn't make Li Yun go up to the third floor, nor did he stay on the second floor. There weren't people on the left and right.

However, his spirit sensed that after all the girls in the villa entered the room, a smile was drawn at the corner of his mouth.

After waiting patiently for another three minutes, Li Yun began to act.

The figure turned into a transparent color, walked through the walls of the villa, and came to a room, and saw a petite woman who was looking at a vanity mirror and taking care of her hair.

Li Yun silently looked at her from behind.

The once eccentric girl turned into a woman who is now calm, somewhat arrogant, but still demeanor in formal occasions.

To put it simply, she has matured a lot, which is very different from the lively and savage girl in Li Yun's first impression of her.

Li Yun didn't have the idea of "If life is just like the first time I saw it, what's the sadness of painting an autumn fan", no matter how she changes, the emotions between him and her, her and him, and the two will not change.

"what!"

Jin Liuli screamed. She saw a person slowly emerging from the mirror, making her body agitated.

Then, she was hugged by a familiar warm and powerful arm.
