Chapter 4071: Comb hair

An extremely familiar feeling struck, Jin Liuli's stiff body suddenly relaxed, and his cheeks suddenly turned red. She fell into Li Yun's arms, raised her head, and asked softly, "Why are you here? Still so suddenly. I was shocked when I appeared!"

Li Yun smiled slightly: "I just want to see you, so I'm here, Xiao Liuli, shouldn't you be thankful that I am the first to come to you?"

Li Yun picked up the comb in her hand and combed Jin Liuli's black hair.

"The first... Looking for me?!"

Jin Liuli finally reacted. He even forgot the important thing that Li Yun combed her hair. She looked back at him in shock. After seeing the dotting expression on Li Yun's face, Jin Liuli was determined. You can see it.

Li Yun, the first one to come to her...?

For a while, Jin Liuli's mind was completely occupied by this matter, and nothing else could interfere with her.

"Correct."

Li Yun said solemnly: "Your room is closest to the living room, so I'm the first to come to see you. I plan to take a stroll tonight. Everyone is my favorite..."

"Go to hell!"

Jin Liuli hit his chest back with his head, stood up puffed up, and sat on the sofa to get angry.

Wouldn't this bad guy look at the atmosphere? Obviously she was so moved just now, it would be nice to just lie to her!

It's not that she doesn't know his character, she will definitely think that he just happened to be the first to find her, instead of making a special trip to find her first!

The difference is too great.

"Stop combing your hair?"

Li Yun smiled and raised the comb in his hand. Jin Liuli realized that she had missed Li Yun's chance to comb her hair just now.

Jin Liuli moved her **** away from the sofa, but quickly sat back.

"I!"

In the next moment, Jin Liuli was hugged again by Li Yun as if he was in his arms, and his body was like clouds and mist, hiding in Li Yun's sorrow.

For a while, the two stopped talking, silently enjoying this rare silence.

"Well, I won't lie to you, impatient little fool."

Li Yun kissed Jin Liuli's cheek, and said warmly, "I came to you, of course for a reason."

"Um?"

Jin Liuli said in a dull voice, put her arms around his waist and pressed her cheeks against his neck, and asked a little madly: "Then what reason do you say? Is it because I am the closest to you, so Come to you!"

Miraculous women are often unreasonable. If they don't coax them well, they won't turn their heads when the king of heaven comes.

Li Yun could be hugged by Xiao Liuli, rather than being driven out by her, which already shows his position in Jin Liuli's heart.

"of course not!"

Li Yun hugged her willow waist tightly. The waist, which was once incredibly soft, is still soft and graceful. Li Yun can't wait to hug her in his entirety.

"Well, be lighter." Jin Liuli twisted her body, let herself find a suitable position in Li Yunqi, and continued to ask: "Say, what's the reason?"

"Can't you guess it yet?"

Li Yun said warmly: "The reason why I came to you is because you are not in Zhonghai City. Recently, I have been busy with the Fairy Club on Penglai Island, right? I finally had a chance to come back. One is looking for you! Well, to be precise, looking for you, and Feiyao."

Jin Liuli stayed for a while.

Chapter 4072: Everything is fine

It turned out that Li Yun saw all the things she did. He did not ignore it. Jin Liuli and Xia Feiyao have been busy with those things on Penglai Island. They were only for the fairies to be able to run better. Go down. Unexpectedly, Li Yun...

"Satisfying with this explanation?"

Li Yun lowered his head and kissed Jin Liuli's small mouth.

The girl who used to be extremely proud and scolded a bunch of big perverts and big bad guys at Li Yun, but now her body trembled slightly, and soon she had no idea of resisting.

I don't know how long it took, Li Yun picked up some soft Jin Liuli and took her to the balcony seat of the window. The two hugged each other, blowing some cold evening breeze, and took a look at the starry sky at night. moon.

Well, I can't see anything.

The starry sky is obscured by the polluted environment of Zhonghai City, and so is the moon. If you want to appreciate the stars and the moon in the city, you must have the right opportunity.

However, Li Yun and Jin Liuli didn't come to appreciate the moon either.

"Xiao Liuli, how is everything on Penglai Island recently?"

"Humph, nonsense, of course it's okay~"

Jin Liuli circled Li Yun's chest with her fingers, with her cheeks close to his face, and lazily replied, "If it's not good, I will definitely ask you to help."

Then, she started telling Li Yun about Penglai Island one by one.

"...As for the Fairy Club, it's still the same now. I have accepted the combination of ancient warriors and supernaturalists. I asked a child of the palace family to help me manage personnel. She did a good job. Also, the Fairy Club has bought it now. A lot of land, just collecting rent and collecting protection fees, can earn a million dollars a day~!"

"It's boring to make so much money."

Li Yun shook her head, nodded her little face, and advised Jin Liuli to say: "You can spend enough money. Don't always calculate how much money you make and how much you lose. We are now out of the low-level taste here. Money can be earned less. , But you must be happy."

"I know, I'm not a miser~"

Jin Liuli wrinkled her little nose, then stretched her brows, and said with a chuckle, "Are you afraid that the fairies will go too far in front of you and cause people's disgust?"

It is not a good thing for a power to be too strong, and it is easy to cause rejection by the four parties, even in Huang Xuan's country.

"It's just unnecessary worry." Li Yun smiled, "The most important thing is that Xiao Liuli and Feiyao in my family have to live happily."

"Of course Feiyao and I are happy!"

Jin Liuli wanted to say something, but then thought of Xia Feiyao, she shook Li Yun's shoulder quickly and urged: "Let's go find Feiyao. Since you are here for me and Feiyao, then she must also do it now. I am looking forward to your visit to her. If Feiyao sees you, she will definitely be happier than me!"

Happier than her? maybe.

But Li Yun felt that at the moment he appeared just now, Jin Liuli's cheers and excitement were by no means inferior to anyone.

"Not jealous?" Li Yun asked her with a smile.

"What jealous am I!"

Jin Liuli bulged, "People have already loved Feiyao sisters on Penglai Island. Well, we are sisters. We always have a very good relationship with Feiyao. Take me to see her. I can't wait. It must be funny to want to see Feiyao happy~ hehe."

"Well then, let's go!"

Li Yun also really wanted to see Xia Feiyao, that young girl with a baby face and a super body was waiting for him.

Chapter 4073: Xia Feiyao and Jin Liuli

Li Yun did not put down Jin Liuli, so he hugged her and went out, knocked on Xia Feiyao's door, which was on the side of Jin Liuli's room, very close.

"coming."

Xia Feiyao didn't care. She walked over to open the door wearing a pair of slippers. She thought it was Little Loli or other girls who came to play with her, but when she opened the door, she was stunned.

Li Yun's handsome smiling face, and Jin Liuli's red puffing face around him, just broke into her sight.

"Li... Yun?"

Originally, Xia Feiyao had no expectations for tonight. She knew that a lot of people would compete tonight. Not to mention Lord Saint, Su Muxin and others were also looking forward to Li Yun.

What about her? It seemed that there was nothing to tell, the only thing that attracted Li Yun was her... figure.

But other people's figures are not bad.

So Xia Feiyao has no bottom at all.

Unexpectedly, Li Yun came to her with Liuli?

"Hurry in."

Jin Liuli urged Li Yun to say, after he carried her into the room door, Jin Liuli closed the door.

Xia Feiyao's face turned red all of a sudden.

Does closing the door mean... the events on the Diamond Princess are happening again?

For that trip, Xia Feiyao still clearly remembered that at that time, she got a day to date with Li Yun. At that time, she didn't think there was anything, she was simply very happy.

But after the Diamond Princess, encountered a series of things, aura burst out, Li Yun also became busy, plus having to accompany other people, Xia Feiyao never dated with Li Yun alone.

Until tonight.

Well, although there is one more small Liuli, it is okay, just one more person!

"What's wrong? Stupid appearance."

Li Yun put his arm around Jin Liuli and Xia Feiyao with his arm around the waist of the two women. He hugged them to the living room sofa and sat down, letting their heads rest on his shoulders.

Hold left, hold right.

Really enjoy the blessings of the world.

Apart from enjoying Li Yun, he also felt a deep sense of indebtedness. This kind of debt could not be fully repaid, so he could only make up for them as much as possible.

"Huh? Husband."

Xia Feiyao yelled out like a murmur. At this moment, she seemed to not want to say anything, she didn't want to think about anything, just wanted to put her arms around Li Yun and enjoy this rare time.

Presumably Xiao Liuli thinks the same way, right?

"Foolish, still as confused as before."

Li Yun scratched her little nose. Xia Feiyao wrinkled her nose, with a smile in her eyes: "No, Yaoyao has grown up now, and she is no longer the reckless Qingleigu stupid woman. ~"

"Me too!" Jin Liuli put her chin on Li Yun's shoulder, looked at Xia Feiyao on the other side, and smiled: "Feiyao has become a calm girl, and I think I have also changed. A super heroine~, hehe, I don't know how many people outside are calling me, yelling..."

"what is it call?"

"Penglai Goddess~!"

Xia Feiyao helped Jin Liuli name her new nickname, Li Yun was taken aback, and then laughed loudly: "Penglai Goddess? Uh, well, I won't laugh, don't pinch or pinch."

Dodging Jin Liuli's attack, Li Yun simply kissed him and finally stopped the embarrassed Jin Liuli.

"I'm the goddess of Penglai, why don't you ask Feiyao's new name?" Jin Liuli wiped his mouth and hummed.

"Ah, don't say it!" Xia Feiyao hurriedly stopped her.

As a result, Jin Liuli still said:

"Feiyao's name is Tong Yan Da... Uhhhhhhhhhhhhhhhhhhhh."

Chapter 4074: Lovesickness

Young girl?

Er, although he is not a giant, Li Yun has already guessed the truth.

"Yaoyao."

Li Yun held back his smile, leaning against Xia Feiyao's slender waist, and said with a smile: "Let your husband come and see if the so-called name is worthy of the name!"

"Ah."

Xia Feiyao exclaimed, her body softened in Li Yun's arms, her eyes quickly damp, moist, very beautiful, and very moving.

"Yeah." After a real experience, Li Yun nodded solemnly, "It is indeed worthy of the name, my Yaoyao is the best!"

"puff."

Jin Liuli squeezed his arm hard, and said softly, "You are not allowed to bully our cute and big Feiyao~!"

When Jin Liuli said it was very big, Xia Feiyao was even more ashamed, but she was reluctant to leave Li Yun's arms and palms, she could only bit her lip, and looked at her husband with wintry eyes. It didn't take long for Xia Feiyao couldn't support it anymore, holding Li Yun's cheek, and enthusiastically showing her love.

"Bah, what a pervert!"

Jin Liuli took a small sip, and a shy blush appeared on her cheek.

In fact, after Li Yun came to her, she knew that something like this would happen. Well, to be precise, when she flew back from Penglai Island, she guessed it would happen.

However, she is ready. After all, Jin Liuli's desire to see Li Yun is getting stronger and stronger. She hasn't seen him for half a month. This time... she and Jin Liuli, at least Stay in Zhonghai City for a weekend!

One weekend, two days in total, can almost alleviate the pain of her missing, even if she is with other girls, Fang Xue, Qingyu and them, Jin Liuli feels it is worth it, at least she can see Li Yun, talk to him.

Besides, although you can't monopolize Li Yun, but chatting with the sisters, eating together, and even watching TV together, she feels very relaxed, there is no embarrassment or uncomfortable feeling at all, she can limp on the sofa, Doing nothing, just watching Li Yun fight with them, or even get involved, is extremely addictive.

If, just like tonight, that is, the next thing, if you mess around with Li Yun, Jin Liuli feels that she can completely relax...

After all, after a girl becomes a woman, she will become very gluttonous, come back once in half a month, or come back once on the weekend, which is just right.

Well, it takes two days to come back once, Li Yun goes to class, she goes to Penglai Island, or goes home, anyway, class time is reserved for Xiao Mingzhu Gong Qingyu and the others, right?

"Husband~"

Thinking about this, Jin Liuli also took the initiative to offer her own kiss, and together with Xia Feiyao, and Li Yun in the room while watching TV, chatting, and at the same time, they were fooling around.

Fan Linglong upstairs opened his eyes, silently "looked" down, then closed his eyes and decided to go to sleep.

That **** Li Yun probably won't come tonight.

By the way, say it in the group, lest they keep waiting tonight.

Fan Linglong took out her cell phone again and talked to the "sisters" in the group-Fan Linglong believed that all the people in the group were her sisters, and none of them were older sisters.

Linglong clear: "Li Yun went to find Xiao Liuli and Feiyao sisters, sisters who are greedy and dissatisfied, you can go to sleep."

After joining the group for a long time, Fan Linglong's mentality was getting younger and younger, and she would be joking.

Chapter 4075: Words in the group

Sister Little Chili: "Huh? I'm looking for Xiao Liuli!"

Su Muxin feels a little regretful, and even wants to go downstairs to find Li Yun and join the team of Jin Liuli and Xia Feiyao. After all, she used to accompany Li Yun to the Diamond Princess for seven days and seven nights with them. He is very familiar with it, and it won't be as embarrassing as other girls to join.

But after thinking about it, she said again: "I understand, my sister's husband, he probably wanted to make up for Xiao Liuli and Feiyao who have been far away on Penglai Island and can't come back often, so he went to look for them. "

Mingyu: "It's almost like this. There is no other reason except this. Okay, everyone can go to bed tonight. Tomorrow..."

She added an extra tomorrow, and when many girls in the group saw it, their faces were hot.

Tomorrow and the day after tomorrow, they have a lot of time. It is estimated that they have been playing in Huangting Mountain, and they can't go anywhere. After all, their gang of girls, if they all go shopping with Li Yun, they will walk on the street. Can cause traffic jams.

Therefore, there is a high probability that tomorrow and the day after tomorrow can only be played in Huangting Mountain.

Huangting Mountain is quite large, and there are four sisters' homes on the mountain, namely Xiao Mingzhu, Gong Qingyu, Liu Xianxian, and Su Muxin's homes. Although each of them has family members living in it, Gong Qingyu's There are no people living in the castle, only some security guards and maids keep the castle clean.

Of course, in addition to Huangting Mountain, more importantly, Li Yun will also play with them on the mountain.

After making an appointment for tomorrow, the fairies in the group fell asleep. Gong Qingyu, who had been messing around with Li Yun for a long time in the morning, slept very quickly. As for Fang Xue and Su Muxin, they felt a little itchy in their hearts.

Especially knowing that Li Yunzai and Xia Feiyao and Jin Liuli are on the second floor.

Several girls could not fall asleep over and over again, as if Li Yun's voice rang in their ears, making their misses heavier.

Finally, at twelve o'clock in the evening, a picture was sent to the group.

Golden colored glaze: "[Picture] It's okay for anyone to come, our Feiyao can't stand it anymore, who is not asleep, come~!"

Su Muxin, who couldn't sleep, immediately came to her mind, and she clicked on the picture to zoom in and see clearly, her face was red.

The protagonist in the picture is of course Li Yun. He is holding something in his wide-opened hands. Xia Feiyao's pitiful baby face looks towards the camera, with pleading expressions in his eyes, as if he is begging for a photo shoot. Liuli hurry up to help her.

Fang Xue and Li Feng who were sleeping together also saw the picture.

Fang Xue didn't look anywhere else, just glanced at the sweat on Xia Feiyao's forehead clinging to her short hair in the picture, and she knew what was going on.

"I'm going!"

Fang Xue turned over and sat up on the bed, biting her lip, and said to Li Feng, who was not asleep, with a blushing face.

"Where to go?"

"Where else can I go, of course downstairs."

"Why are you going downstairs?"

Li Feng held back a smile and asked again.

"Well, you Li Feng, why are you still asking? Of course it is to find your brother Li Yun!"

Fang Xue pushed her body in silk pajamas hard, and urged in shame: "Get up quickly and go with me!"

Li Feng hugged the soft silk quilt tightly, and wrapped his graceful body in a cup like a rascal, and said in a delicate voice, "I'm not going~~, if someone wants to go, then go, I didn't stop you. It's just...don't be tired until tomorrow, just fine."

Chapter 4076: You guys so fast

"going or not?"

Fang Xue ignored her messy words, bit her silver teeth directly, and viciously inquired about her good girlfriend.

"Don't go!"

Li Feng wrapped the quilt tighter, and planned to shrink his head into the quilt.

"I ask you again, go or not?"

"No~~Go~! Yeah, what are you doing? Let go of my quilt! No, let me down!"

Li Feng, who was in the quilt, was directly picked up by Fang Xue, who was inborn realm strength, like a pig bajie holding his wife. He triumphantly took Li Feng and the silk quilt out of the door and went straight to the second floor.

Of course, Colonel Fang's face was also very red. After all, she was going downstairs to find Li Yun to mess with her, so she must bring Li Feng to ease her embarrassment, otherwise she would not dare to go down alone.

But when she came to the door of Jin Liuli's room, she ran into Hu Xiaomeng coming out of it, so scared that Colonel Fang almost threw Li Feng on the ground.

"Little Meng, you!"

Fang Xue looked at the girl in front of him in surprise, who was just wearing a bunny pajamas. She was with Li Yun and Xia Feiyao just now?

"Not here, no." Hu Xiaomeng walked quickly, pulling the corner of her clothes and walking towards another room: "They are here, in Feiyao's room, not in Sister Liuli's room."

"Oh....."

After Fang Xue realized that she opened the door and heard the blushing and heartbeat sounds of Li Yun, Xia Feiyao and Jin Liuli inside, she reacted: Hu Xiaomeng came before her!

"Wow you guys, so fast."

There was a voice behind her, Fang Xue didn't need to look, she knew that Su Muxin was here.

Su Muxin is very enthusiastic and greedy for this little pepper. It would be strange if she didn't come, but Fang Xue was embarrassed to call her before.

"The fastest is her."

Fang Xue tossed Li Feng forcefully, into the room, and tossed towards Li Yun. Li Feng watched as he passed Hu Xiaomeng, leaped more than ten meters away, and landed on Li Yun and Xia Feiyao. Then he was hugged by Li Yun and put it on Feiyao's body.

"puff!"

Jin Liuli, who was exhausted and rested, burst into laughter directly after seeing Li Feng's "can't wait" leap, making Li Feng's face even redder.

All around her are messy clothes and traces of various things. If you want to stand up, you have to find a place, enough to see how messy Li Yun was with them just now, watching TV is so messy, and there is no one.

Keke probably.

"Fang Xue, you wait for me!"

Li Feng struggled to stand up, but was pinched by Li Yun's waist. She was so scared that she looked back. Li Yun was looking at her with a smile, and nodded at her. Li Feng's heart softened and he didn't move.

"Feiyao is so pitiful."

Jin Liuli picked up Xia Feiyao who was finally free, wiped the sweat from her forehead and cheeks on Feiyao's tired little face, and took a bottle from the table where Xia Feiyao lay just now. Juice, poured a glass, fed her and drank it. Xia Feiyao, who made her voice hoarse, finally felt that she was alive.

"Feiyao, Yaoyao, my sister Yaoyao~~~"

Su Muxin entered the room, hurried over happily, hugged Xia Feiyao who was exhausted, and kissed her red cheek with a kiss, and said happily to her and Jin Liuli: "We Diamond Princess III The team finally got together again!"

"Diamond Princess trio?"

Chapter 4077: Chat

Jin Liuli blinked as she understood the meaning of this sentence.

They were indeed on the Diamond Princess and spent a week of vacation with Li Yun. Now they are reunited, and they are also reviewing the life of doing whatever they want and thinking about two or three. No wonder Su Muxin said that they Three are the Diamond Princess trio.

"The trio becomes a six, and there will be more tomorrow."

As Jin Liuli spoke, calmly stretched out her hand and grabbed Su Muxin's pajamas.

"What, what's wrong?"

Su Muxin asked with some doubts, but in the next moment, as Jin Liuli lifted her hand up, she became in the same state as Jin Liuli, Xia Feiyao, and Li Yun in Li Yunqi.

There is nothing left.

"Yeah!" Su Muxin bit her lip, her cheeks flushed: "What are you doing? Did my little Liuli eat from eight o'clock in the evening until now, and finally get tired of it, want to change my taste?"

The meaning of a change of taste, after many things, and the Jin Liuli who travelled with her on the Diamond Princess, of course, I understood it all at once.

"I won't be with your little pepper~"

Jin Liuli smiled and hugged Xia Feiyao, who was still very weak, and couldn't even speak. "My Feiyao and I are just fine, Feiyao, right?"

Xia Feiyao shook her head, rested weakly on her body, and was taken care of by Jin Liuli. She was with Li Yun just now. Jin Liuli was mostly watching the show, which was too bad.

"What!" Su Muxin said with her arms akimbo, "I'm obviously the sister of the Diamond Trio, and also, Xiao Liuli, you should call Feiyao your sister. You don't have the idea of growing up, you should be punished!"

"Well, okay, I have no objection... Then punish me to take care of Feiyao sister~"

The corner of Jin Liuli's lips outlines a charming smile. A lazily turning over, she hugged Xia Feiyao in her, and let Feiyao lie on the sofa, while she hugged Feiyao's long neck, intimate Post with Feiyao.

Between girls, especially good friends and close friends, there is often such a cute behavior of sticking and sticking. When most boys and girls see it, they just smile at each other, not like seeing a man holding hands. Shock.

Of course, when men in some countries go shopping, they will also have the custom of holding hands. For example, in the three countries, men will hold hands when they go out shopping to show their closeness.

And now, Xia Feiyao and Jin Liuli rub their faces like best friends, and then kiss each other, the relationship between each other is close to the best level, and they almost become lovers.

But even so, it still made Su Muxin, Fang Xue and the others surprised.

Hu Xiaomeng was very happy. She leaned over and watched the interaction of the two sisters closely, even eager to try.

"Feiyao, Liuli."

After waiting for their close friends to pause for a while, Fang Xue asked with a weird look: "Would you not be on Penglai Island, right?"

Hu Xiaomeng's eyes lit up, and even Su Muxin felt a little expectant, and looked at them tightly, not even paying attention to Li Yun on the side.

Anyway, she'll be there in a minute, so don't worry.

There is still some time tonight, and I can only eat a little in a hurry. It is impossible to eat and be full.

"Can't it?"

Jin Liuli leaned in Xia Feiyao's arms, her lazy expressions were rather aggrieved: "Liuli and I can't come back often. It's inconvenient to do something, unlike you, who often can be with that big villain. Go shopping for a date, ohhh, so miserable~"

Chapter 4078: Don't say

The girls knew that she was acting like a baby, but Jin Liuli told her frankly about her and Xia Feiyao, making Xia Feiyao, who was lying on the sofa under her, a bit shy and couldn't help turning her head to look towards her. Li Yun.

The shy eyes collided with Li Yun's eyes when she appreciated the interaction between her and sister Liuli.

"Yes, of course!"

Li Yun was the first to encourage him. He gave his thumbs up and complimented Xia Feiyao and Jin Liuli. At the same time, he kept moving, and continued: "I like to see posts between girls. Who doesn't like them? What about a beautiful, lovely girl who can post it?"

The girls are very beautiful, and the two girls together make them even more beautiful.

There are more than 20 confidantes around Li Yun, who complement each other and are even more beautiful.

"Hmph~ I knew it a long time ago, badass brother Li Yun."

Hu Xiaomeng murmured, meaning that she had known that Li Yun liked to watch two girls go shopping together, watch movies, take a bath and rest together. In short, any post between two beautiful girls, as long as it is These two girls love Li Yun, so he will never oppose him, but will support him.

I like to see the blooming of Bai1he flowers in spring, which is also a major hobby of Li Yun.

"Correct!"

Holding Li Feng's arm in both hands, Li Yun said with a smile, "Do you know? Xiaomeng and Tianfeng..."

"Ahhhh, don't talk about it!"

Hu Xiaomeng turned his head, "It's not what you think, huh~"

"No?" Su Muxin snickered, "Last time when we were in the Snow Mountain Resort, I saw with my own eyes that Tianfeng was holding your hand. Well, or are you holding her hand? You went in together. A remote room, it seems that it took more than an hour to come out!"

"I'm going to whisper to Sister Tianfeng!"

Hu Xiaomeng denied it immediately, but her eyes turned to Li Yun.

It's not a guilty conscience, but communication and exchanges, indicating that the villain Li Yun must never speak out.

After all, when she was in Xueshan Village, she took Zhao Tianfeng's hand into the small room, which Hu Xiaomeng showed specifically to Brother Li Yun.

Li Yun laughed.

What Hu Xiaomeng didn't know was that Zhao Tianfeng was also communicating with him at the time and also secretly put a camera on it. It can be said that Li Yun watched it twice.

"Bastard!"

Fang Xue probably understood. She glared at Li Yun and looked at Li Feng again, and said, "Be careful, our Fengfeng is almost speechless."

Li Yun raised his eyes and wanted to say something, but couldn't say anything. He could only shook his head in distress, begging Fang Xue to step her up quickly.

Fang Xue ignored it and wanted to sit on the other side of the sofa. As a result, Li Feng cast his help-seeking eyes on Su Muxin. The latter's eyes turned thieflly, hugged her forward, and threw it hard.

In the next moment, Fang Xue felt that she was flying up like clouds and fog.

"Ah!!!"

The screaming Fang Xue was thrown next to Li Yun by Su Muxin, and the next thing was obvious. It was as if she had done something to Li Feng before, and our Fang Daxiaohua also received retribution.

Jin Liuli turned her head back and looked at Xia Feiyao's baby face, and looked at her questioningly, "Feiyao, are you okay?"

"Um."

Xia Feiyao's eyelashes trembled shyly, but after noticing that Li Yun and Su Muxin started, they closed their eyes again and agreed.

Jin Liuli hugged her tightly and glanced at Li Yun again. Only then was she content to chat with Feiyao, or post a post to enjoy this quiet and happy night.

"Really, I was left alone?"

Hu Xiaomeng looked at the chaotic scenes around and saw that Sister Fang Xue and Sister Li Feng were chatting together somehow, so she had to run to join Li Yun and turn on the TV. After the TV sound rang, Just feel relieved.

Chapter 4079: the next day

the next day.

When Li Yun woke up, the girls beside him were still asleep. There was an extra bed in Xia Feiyao's room. It was Li Yun who controlled Fang Xue last night and moved with her to Jin Liuli's room next to him. .

I have to say that strength is good. You can move a huge bed while playing around, and put together a huge resting place in Feiyao's room.

It is also worth noting that the so-called controlling Fang Xue means literally, Li Yun took her arm, came to the next door with her, and slowly moved things over.

In the end, it became the appearance of the girls lying down and resting.

"Well."

Not long after Li Yun got up, Hu Xiaomeng also woke up. When he saw him getting up, he immediately jumped over and hugged him, with a pitiful look in his eyes.

"What's the matter?" Li Yun squeezed her little face.

Hu Xiaomeng kept a pitiful little expression without saying a word.

After thinking about it, Li Yun knew what she meant, couldn't help but smile, lowered his head and kissed her lips: "Did you leave you in the cold last night?"

Hu Xiaomeng never had the last thing to do with Li Yun because of some ties, so most of the time last night he watched from the sidelines, which was very pitiful.

"Woo~" Hu Xiaomeng cried with a small face, indicating that it meant that.

"Okay, okay, wait... after that."

Hu Xiaomeng's eyes lit up, his slender hand shook Li Yun's arm, and his big eyes revealed the meaning of inquiry.

"Um."

Li Yun thought for a while, "I have always wanted to go to the capital to spend some time with you and Tianfeng, but I haven't had time before..."

"Huh!" Hu Xiaomeng expressed dissatisfaction with a hum. The last time she went to Xueshan Village was not counted. She also wanted a better trip, such as playing around the capital, going to the ancient Great Wall or something.

"If I am free during this period, I will go to the capital, for example, May Day?"

It's March now, and there are still two months to go before May Day. If it's not long, it's not short. Considering that it's almost over, I should be able to date him again. After that... it's the end of happiness. Days are up.

"Okay~, hee hee."

Hu Xiaomeng was finally willing to speak, showing a small face, and rushing into Li Yunqi to act like a baby: "Brother Yun, shall we go find Sister Tianfeng? She must have gotten up now."

"it is good!"

Just go, Li Yun hugged Hu Xiaomeng, and after some action, amidst her exclamation, he led her out of the door.

Fang Xue who stayed in the room opened her eyes, looked at the nightdress that Hu Xiaomeng had left behind, and couldn't help but smile.

Later, when playing in Huangting Mountain, Hu Xiaomeng was afraid it would be too painful to walk. Forget it, go to bed again and get up again at noon.

Li Yun hugged Hu Xiaomeng and went out and went up to the third floor. At a glance, she saw Saint Fan Qing who was waking up early. She was standing in the corridor stretching her muscles and bones. After seeing Li Yun and Hu Xiaomeng now, she frowned. .

"Uh."

A drop of cold sweat appeared on Hu Xiaomeng's forehead, "Well, Sister Saint, I..."

"Be careful of colds."

"Huh? Oh, yes, it doesn't matter."

Hu Xiaomeng thought that Sister Saint's reprimanding her and brother Li Yun was fooling around early in the morning, but he didn't expect to worry about her, "Sister Saint's is so nice... ah."

Li Yun nodded to Fan Qingsheng, motioned to wait a moment to chat with her, and walked towards Zhao Tianfeng's room with Hu Xiaomeng in his arms.

Chapter 4080: Unstable foundation

Zhao Tianfeng really woke up and saw Hu Xiaomeng being hugged by Li Yun. After looking down at the two of them, he rolled his eyes and said, "Didn't a certain little fox sneak away to eat meat last night? Eat again early in the morning?"

"Hee hee~"

After seeing her, Hu Xiaomeng was very happy, and Li Yun, who was about to hug her, hurry over, said in a small mouth: "That's not because this little fox was tired of eating last night. I brought it back this morning for someone Tsundere's people eat it? A Tsundere still doesn't appreciate it, hum, cry."

"Come on, it's okay if I don't eat meat... Besides, did you eat it last night?"

When the two women were fighting, Li Yun walked into Zhao Tianfeng's room, closed the door and held Hu Xiaomeng in front of Zhao Tianfeng, put Xiaomeng in front of her, and let Zhao Tianfeng hug him.

"Woo, it's suffocating."

Hu Xiaomeng, who had become the middle layer of the sandwich, slapped her small hand in protest, then looked up, Li Yun and Zhao Tianfeng had already kissed, and ignored her again.

Hu Xiaomeng pursed her mouth, and to express her dissatisfaction, she decided to work hard so that Brother Li Yun could no longer bully a certain Tsundere.

Li Yun looked down at Hu Xiaomeng who was working hard, and after smiling, Zhao Tianfeng, who was embarrassed and blushed, walked into the room.

"Feng'er, let's have a chat."

"Where is Hu Xiaomeng?"

"Leave her alone, she is struggling."

"Oh, this little fool."

Zhao Tianfeng nodded on Hu Xiaomeng's sweaty forehead, which was so funny, this girl didn't know the severity, now she has no ability to think? Really stupid.

Thinking of this, Zhao Tianfeng took the initiative to pick up the weakened Hu Xiaomeng, and then she threw herself into Li Yun's arms, chatting with him while intimacy, enjoying the rare world of two.

...

At noon, all the women were up, including the sleeping princess Yongning. Everyone saw Li Yun holding the lazy and exhausted Hu Xiaomeng, and Zhao Tianfeng, who was full of red light and full of love, came out, and they knew Li Yun and this. What are the two of them doing.

"The big bull doesn't know how tired it is."

Fang Xue murmured, Jin Liuli felt the same way, and Xia Feiyao felt even more so.

Last night, they went to chat with Li Yun. They were almost exhausted late at night. They didn't get enough sleep until ten o'clock this morning. As a result, Li Yun, the bull, went to chat with Zhao Tianfeng again in the morning, and he was really energetic.

Li Yun shrugged: "No way, my strength is getting stronger and stronger, maybe I will be better than Linglong any time."

As he said, Li Yun looked at Fan Linglong with a smile, and the latter bit his lip, but he didn't know what to do.

Fan Linglong's own strength has reached a bottleneck, but Li Yun is growing rapidly, and it seems inevitable to surpass her in the future.

"Less proud~"

Fan Linglong can only say this: "It is not a good thing to increase strength too fast, and the foundation is unstable."

"Do not worry!"

Li Yun let go of Hu Xiaomeng and Zhao Tianfeng, let them sit on the sofa, and walked over to embrace Fan Linglong and kiss her little mouth. After all, they are now on the third floor, all of whom are confidantes by his side, even Cai Wei and Caixia always pestered him to kiss her.

And now it's a great time on Saturday again. If you don't make the atmosphere, you will miss this rare party.

Li Yun also dreamed of bringing the beauty around him, buying a super luxury yacht, going to the sea for a transnational travel, going to the Maldives, Phuket, Bali, Sri Lanka, etc., have fun, if you can rent it Or buy an entire island as a vacation place, that would be great!
