

## Godly Choice 411

Chapter 411: Don't understand, don't understand at all

It is a pity that Li Yun couldn't find the equipment similar to the five thunders exorcising jade pendant in the gift bag. If there is, it should be able to protect the two women and exorcise evil.

The three of them talked until eleven o'clock in the evening, and when it was over, Gong Lianyi still had an expression of unsatisfactory meaning.

"Auntie Lian, you should rest, after all, your body is just right and you need to recuperate for a while."

"It's okay, I'm not tired now... Okay, then we'll talk about it tonight."

Gong Lianyi glanced at Li Yun, perhaps because tonight's events impressed her too deeply, she was a little bit sad.

"Auntie Lian." Gong Qingyu stood up, pointed to the teacup she had brought on the table and asked, "Do you want to take this teacup?"

"Uh, just put it here."

"Okay! Listen to Aunt Lian."

Gong Qingyu smiled and nodded, already having the answer in his heart.

Her question just now was a tentative question. Putting the third teacup here shows that Gong Lianyi still wants Li Yun to come to this small study and chat with her.

So the teacup does not need to be taken away naturally.

After she left, Gong Lianyi woke up to the meaning of her words, and her cheeks quickly spread a blush.

"Qingyu, Li Yun..." Gong Lianyi bit her lip and recited the names of the two people she valued most. If, if we can stay with them in the future, even if something doesn't happen with Li Yun, Gong Lianyi was also willing.

For her, emotional matters don't require two people to walk together. Platonic love (spiritual love) is enough.

...

"Qingyu."

Walking on the corridor inside the mansion, underfoot was a high-grade red carpet, surrounded by a classical beauty, and the dim light brought the charming atmosphere, Li Yun couldn't bear to hold her little hand.

Smooth and soft, with warm fragrant nephrite, the girl's little hands are indescribable.

"Huh, what are you doing?"

Gong Qingyu arrogantly took a moment, then stopped, and looked at Li Yun without a smile, but his eyes were full of smiles.

"I'm sorry tonight." Li Yun apologized sincerely.

"I'm sorry?" Gong Qingyu asked immediately.

"Lian Yi's matter."

"what?"

"It's Lianyi, you know!"

"I don't understand, I don't understand at all~~!"

Gong Qingyu shook his head, shaking her long black hair, making this dignified beauty look a bit more naughty.

Li Yun helplessly scratched her little nose, and said, "It's me who is wrong. You shouldn't wait to be with your elders... what."

"Hmph, you still know how to apologize!"

Gong Qingyu whispered: "I'm not satisfied with me, and he aimed his gaze at my elders, and still my most beloved Aunt Lian. Are you bad guys so bothersome?"

"Feel sorry."

"Don't you apologize, you won't stand on the balcony and kiss Aunt Lian from now on?"

What she said was very bold, and Li Yun couldn't help but fantasize. If she kissed that charming lady at that time, it would be...

"Qingyu, I'm sorry for the relationship." Li Yun clasped her little hand tightly and whispered: "You know, I already have several confidantes..."

"what about me?"

Gong Qingyu interrupted him and looked straight at him. The two of them looked at each other, and Gong Qingyu quickly lowered his head again.

Li Yun whispered: "Qingyu, I respect your choice."

Having said that, Li Yun couldn't help but feel heartache when she thought of Gong Qingyu throwing herself into another man's embrace.

Do you really have to decide like this?

Chapter 412: Ding, Gong Qingyu has a favorability rating of 100

Hearing Li Yun's words, Gong Qingyu's face couldn't help but feel sad. Respecting her choice meant giving up?

"but!"

Li Yun gritted his teeth, held her slender waist with one hand, raised Gong Qingyu's chin with the other, fixed her eyes on her, and made a domineering declaration: "I respect Qingyu's choice, but I

am not willing to give up on you. , I will work hard to pursue you and let Gong Qingyu be my girlfriend and wife!"

But now Gong Qingyu didn't want to think about it. Her girl was moved. Only Li Yun was in her eyes, and her mind was completely occupied by him.

The eyes of the two met, and there was the tenderness and affection between the lovers in their eyes.

Just when Li Yun thought that the timing, atmosphere, and location were all right to win the first kiss of Gong Qingyu, the classical beauty, the classical beauty stood on tiptoe and actively took a bite on his lips.

It was really just a bite, and Li Yun's lips showed a row of fine teeth marks!

"Hehehe, I'm not the wife of your pervert, I want to chase after me and Aunt Lian, you are still three or five years early~!"

Gong Qingyu blushed and fled, leaving Li Yun standing still.

Three or five years early? Not for a lifetime?

Does three to five years mean there is a chance?

No, Gong Qingyu was talking about chasing her and Aunt Lian. Doesn't it mean that she is willing to share with Gong Lian.

Li Yun smirked happily. Gong Lianyi and Gong Qingyu looked similar. One was a classical beauty and the other was a dignified lady. No matter which one they could have, they could make a man extremely happy.

But he has the opportunity to have these two beauties at the same time!

"Ding, congratulations to the host for successfully obtaining the full favorability of the fourth girl, with an extra bonus of 100,000 experience points, 666 free attribute points, and a red envelope!"

"Red envelope: money 1888888 in it, after opening it, passive skill: Flirting (your sunny and confident temperament will make women unable to extricate themselves, from the eighty-year-old woman to the three-year-old loli, all have a good impression of you!"

Li Yun couldn't laugh or cry. It's a good skill to have high spirits, but that's fine for Loli, the old woman... No, he is really not so angry and needs to be defeated.

"Qingyu is the fourth one with a liking degree of 100 and rewards 188w of money, so what about the fifth one? 1888w? The sixth one, 180 million?"

"In other words, who is the fifth girl who has a good impression of me?"

Hu Xiaomeng, Concubine Wan Qing, Gong Lianyi, er, Concubine Wan Qing, forget it, the enchantress is covered with thorns, she will be stabbed if she wants to get close, and it is possible to see the real Concubine Wan Qing only after she has a scar.

Li Yun was already very satisfied with tonight, but Gong Qingyu said that he was not his girlfriend, but his affection degree was over 100, which is even more intimate than his girlfriend.

Call her quasi-wife from now on, right?

Li Yun smiled, raising his foot to go back to the room to sleep.

"Wait, cheating! Qingyu, where is my room?"

"Hehe, sleep in the corridor tonight~"

Gong Qingyu's voice came from the third floor, and then Li Yun led the maid to the next door to her room, so close, it was a little dark.

The mansion is very large, with a five-story bungalow. There are at least 20 rooms in the middle building. The maids and bodyguards live in the two small buildings next to it. It is a small castle.

In the evening, Li Yun lived as a gadget. After taking a shower, he lay leisurely on a chair on the balcony, playing with his mobile phone while admiring the night view of the Yellow River as the tourists were gradually dispersing.

After reporting peace with Fang Xue and Li Feng, Li Yun went back to the room to sleep.

Chapter 413: Gong Lianyi's plan

When he woke up the next day, Li Yun washed up and went to the restaurant to sit and wait, waiting for Qingyu and the others to get up for breakfast.

Huang Lao and Yu Wensheng have not left yet, but Li Yun is too lazy to talk to Yu Wensheng and ignore them.

After eating breakfast, Li Yun wanted to continue to test the network security performance for the soldier base, but Gong Lianyi stopped him again.

"Li Yun, I want to talk to you about something."

Gong Lianyi returned to her thick and solid dress. Her charming look was also dispelled by her feminine temperament. The expression on her face did not have the slightest shame, nervousness, or shyness of last night, but a kind of friendliness and intimacy. The politeness of not being alienated and not letting you approach.

"it is good."

Li Yun was stunned before agreeing, right now Gong Lianyi is her usual.

Following Gong Lianyi into a reception room, Li Yun just sat down, but Gong Lianyi's face was red, and he took the initiative to pour a cup of tea for Li Yun and handed it to him like a little wife.

"Uh....."

Well, it seems that Gong Lianyi is the one in front of him last night, as beautiful as a young girl's spring heart, not at all indifferent in front of outsiders.

Li Yun smiled and took the teacup, took a sip and cleared his throat, and said, "Lianyi, what are you looking for? I have to deal with some things during the day, and I will leave soon."

"Don't delay." Gong Lianyi nodded gently, "I have told the driver to wait for you outside, tell him where you are going, just let the driver carry you these few days."

Li Yun couldn't help looking at her. Gong Lianyi's gentle and considerate made him feel very comfortable. Her thoughts are very meticulous, and she deserves to be the helm of the Gong family in Zhonghai City!

Gong Lianyi looked a little shy, lowered her eyes slightly, did not look at Li Yun, but did not avoid his admiring gaze, Zhu Lips lightly said: "I want to discuss something with you."

"What's up?"

"As for the Mo Liang we caught last night, I want to let him go."

Li Yun nodded, "Do you think he is useless, or do you mean..."

"Draw the snake out of the hole."

The two looked at each other and smiled, and they had a deep understanding.

Li Yun was originally afraid of Gong Lianyi's benevolence, so he didn't talk about following Mo Liang to find the black hand behind the scenes. Gong Lianyi also heard Li Yun's meaning and directly stated his own purpose, without the slightest hide.

"Okay, what are you going to do?"

"First, follow Mo Liang and investigate everyone he contacts; second, find relationships to explore all the trajectories of Shi Taining's actions in Zhonghai City, and secretly investigate who he was in contact with and what he did."

"Be careful, Shi Taining has Gu worms, he is a person from the Six Demon Sects!"

"I know." Gong Lianyi's tone was gentle, but she also revealed a sense of confidence: "Even if Shi Taining knows that someone is investigating him, he can't find it here."

Li Yun nodded. Gong Lianyi is not a vase. She is a master of the late congenital and the most reliable power of the Gong family in Zhonghai City.

"Besides." Gong Lianyi said again: "I will strictly order everyone in the mansion not to disclose information, so that Huang Lao and Yu Wensheng will keep the secret and know that Mo Liang is in contact with that big man!"

Li Yun pondered for a while, and in Gong Lian Yi's somewhat nervous expression, he sighed and said: "Lian Yi, you are very considerate. I can't beat you. The only thing I can say is to act carefully."

"Yeah." Gong Lianyi was relieved, she didn't want to be underestimated by Li Yun, she wanted to occupy a more important position in Li Yun's heart.

After all, there are a lot of girls around Li Yun, so it won't work if you don't work hard.

Chapter 414: Concubine is deeply honored

"Okay, then I'm leaving."

Li Yun stood up and smiled at her, "Whenever, remember to bring the detoxification pills I gave you, and contact me if you have anything."

"Um."

Gong Lian responded softly and stood up as well. Then, she found that the collar of Li Yun's coat was a bit irregular, so Lianbu moved lightly, came to him, and used her graceful and slender fingers to give Li Yun sorted it out.

The expressions, movements, and manners are all similar to those of a gentle and pleasant wife.

Li Yun felt itchy in his heart and couldn't help lowering his head and kissed Gong Lianyi on the forehead.

"Lian Yi, I'm leaving."

".....OK."

It wasn't until Li Yun's figure disappeared that Gong Lianyi recovered from Li Yun's kiss just now. Then, a beautiful face was quickly stained with red clouds, and even the crystal clear earlobes turned pink.

"Li, Li Yun..."

Gong Lianyi was bounced with confidence, unable to say a word, her cheeks were blushing, and after a long time, the red glow disappeared.

She just sorted Li Yun's clothes, and Li Yun replied with a kiss. The movements of the two were very natural, like a couple who had been married for a long time.

This elegant way of getting along with each other is what Gong Lianyi likes the most, and is also the most willing to see it.

Gong Lianyi's face blushed before she walked out of the reception room and began to direct everyone to do things. Anyone familiar with the palace elders can see that there is lingering joy and happiness between her eyebrows, just like a girl in love.

Just a few days later, Li Yun went out to do errands, Gong Lianyi was in the mansion, and Qingyu went to class normally, or skipped class—she didn't go to class half of the time.

And Huang Lao and Yu Wensheng did not leave either. Huang Lao was studying Gu worms, while Yu Wensheng had been cheeky with Gong Qingyu and even Gonglian.

Gong Qingyu hinted that he was leaving several times, but Huang Lao did not leave. Secondly, Yu Wensheng made an excuse that Li Yun was still there, so he refused to leave.

Friday night.

Li Yun finally finished his work today. During the period, he earned a lot of justice points and attribute points. He met many leaders of Zhonghai City, and he was familiar with him. In the future, he won't be afraid of messing up business in the future.

"Li Yun, are you ready?"

"Uh, this thing is really hard to wear, it's okay!"

After dinner, Li Yun fiddled with his clothes in the room. Only thinking that he was a lot more handsome, he walked out.

Gong Lianyi, who had been waiting at the door for a long time, brightened. The handsome young man in front of him was dressed in Hanfu, a gorgeous cyan robe, and a jade pendant tied around his waist. Except that his hair was not as long as that of the ancient young master, regardless of his temperament. The appearance is still demeanor, Li Yun is now a handsome young man!

"This beautiful young lady, what's your appearance?" Li Yun arched his hands to Gong Lian, this is the first time he wore ancient costumes.

Gong Lianyi laughed out loud, but quickly reduced her expression, made a half-shy, half-surprise expression, put her hands together on her waist, bowed to Li Yunying, and said in a shy tone:

"Well... the son is very handsome~, the concubine looks like a willow, and it is the blessing of the concubine to be by his side."

Listening to her delicate words, Li Yun's eyes flashed with fiery heat.

Gong Lianyi is now wearing a light blue skirt, her black hair hanging from her waist like a waterfall, with a beautiful step in her hair, dignified and elegant, beautiful and indispensable.

Chapter 415: Walking night scenes with beauties

"This young lady does not have to be modest, you have a peerless look and elegant temperament, young lady likes you very much, tonight, not as good as us... Well, cough cough, go to the night view of the Huangjiang River!"

Li Yun had an 'obscene' smile on his face, and wanted to molest him. Play with a fox-like lady who has a 95-degree affection for him, but the door to the next room opened and his prospective wife went online and gave him a jealous look. Li Yun immediately closed his mouth and smiled as Gong Lianyi was covering her mouth.

"Master, son! Why don't you speak anymore?"

Gong Qingyu smiled and walked out at a light pace. She was wearing a light pink dress with a graceful curve and a waist tied around her waist, showing her slim figure to the fullest.

When she smiles without showing her teeth, her quiet and classical temperament makes people think that she is naturally suitable for wearing Hanfu.

In the words of Weibo, it means, how to dress and look good, beautiful, lick and lick.

Li Yun sternly said: "This lady, your appearance and temperament are not bad, elegant and indifferent, as beautiful as a blooming peony!"

"Fuck you, full of greasy mouth and tongue! If Xianya is said to be indifferent, it should be a peach blossom, not a peony." Gong Qingyu gave him a roll of eyes, but Li Yun and Gong Lianyi both saw the joy between her eyebrows.

"Let's go, let's go to the night view."

On Friday tonight, people in Zhonghai City who have been busy for a week will choose to go shopping on this evening, especially couples, they will appear in pairs.

Therefore, the night view of the Yellow River tonight is particularly lively.

Huang Xuanguo's traditional culture is well protected. On festive days, there will be people wearing Hanfu who will go out shopping.

So Li Yun went to the village to follow the customs and put on an ancient costume.

Not to mention, he is quite suitable for costumes, and he looks a lot more handsome.

However, Li Yun's costumes were no better than the other white-clothed man in the team.

That is, Yu Wensheng.

He has long hair, a knot in a bun, a crown, and a fan in his hand. His whole person is no different from the ancient noble son. Along the way, many girls actually screamed and screamed like idiots. Take pictures with Yu Wensheng.

"So handsome, my goodness!"

"Which star is this man in white? How can he be so handsome!"

"Sword eyebrows and star eyes, graceful, my god, my old lady can't help but want to eat tender grass!"

"Hey? What's the matter? The two beauties in his team are with another man in Tsing Yi instead?"

"The man in Tsing Yi is handsome and sunny. I like him more!"

Hearing the shocked voices of passers-by, Yu Wensheng was originally very proud, but after hearing that the two beauties were accompanied by the man in Tsing Yi, that is, Li Yun, his face suddenly became gloomy.

"Just let this kid be proud for two more days!" A cold light flashed in Yu Wensheng's eyes, and soon, the help he asked for in the family is coming. At that time, he will make Li Yun not as good as dead!

Li Yun, the two golden flowers of the palace family, and Huang Lao, the five of them walked towards the busiest part of the Huangjiang River at night.

Originally Huang Lao didn't want to come out, saying that it was the bustle of young people, but Gong Qingyu was afraid that Li Yun and Yu Wensheng would have a conflict, so he used the excuse Huang Lao to come to Zhonghai City and went out together to enjoy the bustling night scene.

Along the way, Li Yun attracted the attention of many passersby.

Not to mention the two men, just the looks of the beauties, Gong Qingyu and Gong Lianyi, plus their temperament, one classical and dignified, the other gentle and gentle, they are simply too beautiful in ancient costumes.

In the words of a passerby: "It's like a lady walking out of a painting. It's worth seeing these two beauties tonight!"

## Chapter 416: Begging man

Traveling along the banks of the Yellow River, the luxurious cruise ship on the river in the middle is decorated with neon lights, shining sparkles on the river.

Surrounded by bright lights, tourists are either stylishly dressed, handsome men and beauties, showing the confidence of international city citizens, or like Li Yun, dressed in ancient costumes and personable, composing stories about young masters and beautiful ladies.

Li Yun ignored Yu Wensheng throughout the whole process, chatting with the two beauties of the palace family, Huang Lao interjected from time to time, and it became more and more that Yu Wensheng was an outsider.

"damn it!"

Yu Wensheng's face was darker, and his heart was extremely fierce. When he was worrying about how to attract the attention of Gong Qingyu and the two women, he saw the two rows of golden glazed tiles in front of the antique shop with primitive decorations, and he immediately noticed in his heart.

"Qingyu, let's take a look at antiques!" Yu Wensheng squeezed out a smile, "I heard that Zhonghai City's antiques are quite famous. It just so happens that Huang Lao also has a research on antiques, maybe we can pick up a few omissions. !"

Huang Lao smiled modestly, "I'm overwhelmed, the old man is just a bit older, and it's not a research. The old man's interest is still in the field of medicine!"

The underlying meaning is that he really loves antiques.

"Then go take a look?" Gong Qingyu looked at Li Yun.

"Okay, but wait a minute."

Li Yun nodded in agreement, but looked at the corner of the flower garden on the street.

Gong Lian followed his gaze and found that there was a man with a slightly dull look sitting there, with an iron plate in front of him, and a speaker playing music.

The sound played by the speakers is not loud, but Gong Lianyi, who is an innate late powerhouse, can still hear what this song is singing in the noisy noise.

"...Heaven and earth make it, the swords and demons are frightened, and the boys are young!"

Gong Lianyi was startled. The soundtrack of this song is passionate and the lyrics are bold and unconstrained. Even if she is a woman, after listening to this song, she can feel a rush of passion and passion in her chest. She can't wait to take the sword to walk the rivers and lakes and kill all the villains in the world. Do chivalry.

Gong Qingyu's beautiful eyes lit up, and then he looked at Li Yun grinningly.

"He is begging, let's go and see."

Li Yun smiled slightly and walked over. When the begging middle-aged man saw these handsome men and beauties, he put a flattering smile on his dull face.

Unfortunately, he did not recognize Li Yun.

"this is for you."

Li Yun took out fifty yuan and put it on his iron plate. The middle-aged man was happy on his face and quickly thanked him: "Thank you, thank you gentleman, you are such a good person!"

Gong Lianyi's heart warmed. She hadn't noticed anyone begging at all just now, but Li Yun found this beggar in the corner among the visitors.

This shows that Li Yun must be a gentle and kind hearted man.

"I'll give him some money, too." Gong Lianyi reached out and touched her cuff, only to realize that she would have a maid to follow when she usually came out, and she didn't need to take the money herself.

"Hehe, Aunt Lian, let me give it to you!"

Gong Qingyu smiled and took out a few red banknotes and gave them half to Gong Lianyi. After that, the two classical beauties squatted down like Li Yun and put the banknotes on the iron plate.

"Thank you, thank you, thank you!" The man was so excited that he kept bowing to them while sitting on the flowerbed.

"Okay." Gong Qingyu patted his hand, pointed to Li Yun and smiled: "If you want to thank you, thank this guy. He gave you the money first."

Is it Li Yun's illusion? After Gong Qingyu was with him, he became more talkative and more lively.

Chapter 417: Just you caring

"Thank you, thank you so much!"

The middle-aged man looked excited and bowed to Li Yun again. The hundreds of dollars were enough to make up his income for ten and a half days.

Huang Lao also took out two banknotes and put them in, but Yu Wensheng looked at Li Yun more and more upset. No matter what this guy does now, he is extremely disgusted, and he can't wait to kill him immediately!

"Humph!"

Yu Wensheng glanced at the begging middle-aged man, and said in a weird manner: "With hands and feet, but begging on the street, did your parents teach you the principle of getting something for nothing?!"

Everyone was stunned, the middle-aged man showed a face of shame, Yu Wensheng became more proud, and said mockingly: "I think you are so shameless, and you probably have no parenting. You can make money by putting a plate on the street. This way of making money. It's really amazing!"

"Qingyu, Aunt Lian, and Huang Lao." Yu Wensheng bent over and stretched out his hand, picked up the hundreds of dollars on the plate, and sarcastically said, "Don't be fooled by someone who is

overflowing with love. Worthy of sympathy! No, is he overwhelming with peace of mind, or does he want to show love in front of beautiful women? Haha!"

Yu Wensheng sneered and grabbed the red notes.

The middle-aged man looked lost, but did not stand up to stop him.

The next moment, Yu Wensheng's hand was tightly pinched.

"Let go!"

"you!"

Yu Wensheng stared at Li Yun with annoyance, "You \*\*\*\* just let it go! Only you have love? People who come and go on the street don't have love? This person has hands and feet, why should you let Qingyu and Aunt Lian offer Love? You \*\*\*\* pretend here!"

He sternly asked, causing the passing pedestrians to stop and watch. Soon, dozens of people gathered nearby.

The middle-aged man looked panicked, but his long inferiority complex made his lips tremble and he was speechless.

"Yu Wensheng." Li Yun said in an indifferent tone: "Thank you to figure it out. Don't look at people with a wasteful look, understand?"

In fact, you are the waste.

Li Yun didn't say this sentence, but the meaning is already very clear!

Yu Wensheng became more annoyed. He threw away Li Yun's hand, threw the banknotes under his feet, stepped on him, and sneered: "Are you blind? This man has hands and feet but came to beg, and put an iron plate in front of him. , You can make money by playing a \*\*\*\* song. Are you still overwhelmed with love and want to give him money? You are not showing love, you are totally helping the gang to abuse!"

Gong Lianyi frowned slightly and said euphemistically: "No, this song is very nice."

The middle-aged man's face was very ashamed, and the people around him talked a lot.

"He has hands and feet, he is still a big man, really shouldn't come to beg!"

"Hey, maybe someone has difficulties at home."

"Who has no trouble at home? But did you see them come out begging?"

"Yes! I think the man in white is right, and shouldn't give him money!"

Yu Wensheng became more proud, and provocatively said to Li Yun: "Have you seen it? Does anyone around you agree with you? Huh!"

The eyes of the people around were on Li Yun. Gong Lianyi was worried that Li Yun would get angry because of this. He wanted to come out and say a few words to him, but saw Li Yun bend down and picked up the banknotes that had been stepped on.

"?"

Everyone felt puzzled. Isn't this young man in Tsing Yi dizzy?

"Money is a good thing, it has always been." Li Yun flicked the banknote with a calm expression, flicked off the dust on it, and handed it to the middle-aged man. He said sincerely: "Accept it, friend, The society should help you people with physical disabilities!"

Chapter 418: You are blind

Have a physical disability?

Everyone was taken aback, but looking from left to right, the middle-aged man didn't seem to be disabled!

Yu Wensheng sneered, "Say you are blind, you are really blind!"

"Shut up."

Li Yun's tone turned cold, "If you dare to trample on the banknotes we gave him like a beast, be careful I will kick your foot off!"

"You scold me as a beast?!" Yu Wensheng was furious, but at this moment, Gong Lianyi exclaimed, "That's it!"

Yu Wensheng had to suppress his anger, "So what?"

"It turns out that this gentleman's feet are already..."

Gong Lianyi pointed to the middle-aged man's trouser tube, and everyone looked at it again, but the middle-aged man was wearing trousers and could not see if his leg was broken.

"Really disabled?"

Everyone was very puzzled, how did Li Yun figure it out?

"Uh... he is really a disabled person!"

But the person standing on the side saw the problem, and one pointed sadly under his trousers, "He is not wearing shoes."

No shoes? !

"What the \*\*\*\* is going on!?" Yu Wensheng's face was gloomy, and he kicked the iron box that the middle-aged man had placed in front of him. The silver coins inside were spilled out, one yuan, five cents, and one cent of banknotes spilled all over the place. .

"Really no shoes!"

Without the cover of the iron box, everyone can see clearly now that the middle-aged man's trousers are empty, and his legs have been amputated for some reason.

In an instant, the atmosphere on the scene became serious, and everyone was very embarrassed.

The crowd onlookers previously accused the middle-aged man of begging with hands and feet, but unexpectedly, his feet were gone...

"Yu Wensheng!!" Li Yun clenched his fists and looked at him indifferently: "You are blind, right? His trousers are covered with dust and dirt, you can't see it, what's the use of eyes?"

Gong Qingyu looked over and saw that the middle-aged man's trousers were actually dirty. Obviously, he was walking on the ground with his hands, causing the trousers to be stained with dirt on the ground.

Yu Wensheng flushed with his handsome face.

Huang Lao stood up and said, "Wen Sheng, your temper is a little bit irritable, and you overturned everything from others. This is really..."

Even Huang Lao stood up to accuse Yu Wensheng, one can imagine how much he is guilty of public anger now.

Gong Qingyu said coldly: "If you knock it over, pick it up, don't stand like a okay person!"

Yu Wensheng's pupils shrank, "You let me pick up this beggar's stuff?!"

"Why? Are you noble?" Gong Qingyu's character was straightforward, and he was not afraid to say these things. "Just now Li Yun can pick up the banknotes stepped on by someone like you. I think you are better than a beggar. Why can't you? Pick it up? Huh!"

"I, might as well, a beggar?"

Yuwen was trembling with anger, and his voice was so cold that he popped out word by word from his teeth, staring at Gong Qingyu with a horrible look that he was about to choose people.

But why Gong Qingyu was afraid of him and stared back unceremoniously, "Pick it up, or not pick it up? If you don't pick it up, you will leave the palace immediately. People like you are not welcome to me!"

She was able to challenge Li Yun in front of thousands of people at the press conference, which shows how courageous Gong Qingyu is, her straightforward personality, and the courage to speak up.

Li Yun stood beside Gong Qingyu to prevent Yu Wensheng from suddenly making a move. Li Yun felt that he had to guard against the violent temper of a person like him.

Chapter 419: Donate money enthusiastically

Yu Wensheng's face was blue and purple, and everyone was watching his jokes, making him want to kill all those who laughed at him.

"Humph!"

In the end, Yu Wensheng took out a card with a gloomy expression and threw it down like trash, saying, "There are ten million in it, and the password is 112401."

His tone was extremely calm, and after speaking, he turned and left without even saying goodbye.

Old Huang frowned. When Yu Wensheng went to invite him, on the one hand, Yu Wensheng was sincere and generous, and on the other hand, he was treating the elder of the palace family, so he came to see Gong Lianyi.

Unexpectedly, this Yu Wensheng's sincere attitude was pretending, his temper was quite irritable, and he wanted to hurt people when he said nothing.

Gong Lianyi's eyes were as gentle as ever, and she showed no sign of Yu Wensheng's departure. As long as Li Yun is fine, she has no interest in other men.

"I remember!"

A stylishly dressed girl pointed at Li Yun and exclaimed, "Aren't you the author of "Zhengjiang Lake"?"!

Everyone was taken aback, their eyes turned to Li Yun.

"I rub, really!"

"It's no wonder he is so caring. Last time Li Yun also made a donation, so he sang while punching, so handsome!"

"So handsome!"

"It's more than that. People still have money. Li Yun's current company is amazing, with a market value of 10 billion!"

Facing everyone's star-like eyes, Li Yun smiled helplessly, "I only noticed this because I heard my song, but I didn't expect such a thing to happen. However,"

After a pause, Li Yun smiled and said, "If you are also willing to show love, I think this gentleman will definitely thank you!"

"Handsome guy, if you want us to show love, do you have to fight a boxing like the last time?" A girl said with a grin, and soon everyone shook up and took out the red bills to let Li Come and perform on the spot.

Gong Lian Yi Meimu had a deep surprise. Did Li Yun write this poem "Zhengjianghuhu"?

She likes this song very much. From the lyrics, you can know that the person who wrote the song must be a bold knight, but it was written by the man she valued most, giving Gong Lianyi a strong sense of surprise.

It turns out that the man she likes is so powerful.

"Ahem!" Li Yun said sternly: "I can do this kind of thing once. It just so happens that two of my friends are by my side. Why don't you let them show off their talents this time?"

"Two good friends?! Two beauties?!"

In an instant, everyone's eyes looked at the two golden flowers of the palace.

Gong Qingyu groaned: "I don't want it!"

"Hahaha, it doesn't matter, just just dance!"

"do not want!"

"Lian Yi, are you coming?"

"Huh? Me, me, that, I won't..."

"Swordsmanship general? How about I come to fight with you, just to increase the atmosphere!"

Gong Lianyi blushed and agreed, and a heart that had been thought to have been silent became vigorous again because of Li Yun, like a young girl, bright and lovely.

But Gong Lianyi couldn't do anything about sword dancing in this situation, so she had to switch to poems on the spot, successfully winning the applause of the audience, and donating a steady stream of donations.

Gong Qingyu was a little unconvinced, and took the initiative to dance a wide-sleeved fairy dance. Although it is not standard, her classical beauty danced gracefully, with flying sleeves and fluttering skirt corners, which made the men and women present look crazy. Drunk, the donation rushed to the 30,000 mark.

Chapter 420: Ding, trigger event

During the clamor, Li Yun and everyone talked about picking up the fallen coins and change back into the iron box and returning them to the middle-aged man.

The man named Zhang Ming was moved to tears, saying that he had never met someone as good as Li Yun.

Li Yun patted him on the shoulder, and did not say much comfort.

"I don't want this card."

After feeling a little calm, Zhang Ming shook his head and handed the card back to Li Yun, "This is something from your friend. Besides, there is too much money. I can't get it. You can return it to him for me!"

Gong Qingyu said directly: "Just take it, that person is very rich, don't worry about him, don't worry about using this money!"

Zhang Ming still shook his head, saying that he didn't want this card.

While resigning, Li Yun suddenly received a system prompt.

"Ding, trigger the option event, please choose from the host:

Option 1: Take the card and leave, continue to visit the night scene, no reward.

Option 2: Secretly protect Zhang Ming, capture someone who has murdered him, reward justice value +800, all attributes +600, experience value +300,000, blue gift bag\*1.

Option 3: Let Zhang Ming escape to the field, reward +50 for justice and +1 million for experience.  
"

Seeing the selection event given by the system, Li Yun frowned.

Someone who murdered Zhang Ming?

Logically speaking, a disabled person's social status is very low, others will not bully him, and he cannot bully others.

If someone has a murderous heart towards Zhang Ming, it can only be someone who leaves in anger

---

Yu Wensheng!

"Humph!"

A cold light flashed in Li Yun's eyes. This guy walked so happily, and threw a million yuan so generously. He didn't expect to find someone behind to kill Zhang Ming to vent his anger.

This Yuwensheng, \*\*\*\* it!

"Li Yun, what's the matter?" Gong Lianyi, who had been paying attention to Li Yun's every move, quickly discovered his abnormality and asked with some worry.

"It's nothing, it's just that someone is getting impatient and needs me to help him."

"?"

Li Yun smiled faintly, and reached out to take the bank card with a deposit of 10 million yuan, "Give it to me."

Gong Lianyi frowned her eyebrows slightly, Li Yun's words made her a little confused, but his origins were mysterious, Gong Lianyi still chose to believe him, secretly looking around, trying to find out who was impatient.

After asking the address of Zhang Ming's house, Li Yun said goodbye to him and walked towards the antique street.

"Are we going to buy antiques?" Gong Qingyu asked cheerfully.

Although, as the eldest lady of the palace family, it was a bit wrong to perform her talent in a large court, but she felt happy and ignored the accusations of the elders in the family later.

Besides, Aunt Lian also wrote a poem on the spot, and when that time comes she will use her as a shield, hehe.

Thinking of this, Gong Qingyu was in a good mood.

As for Gong Lianyi... She didn't worry about this problem at first.

"No, that's all for shopping tonight."

Turning into the Antique Street, Li Yun looked back at Zhang Ming calmly, and found that he had supported his hands, tied the iron plate around his waist, and walked towards home.

His arms are very powerful, it is not a problem to prop himself up, it is not difficult to walk, but it is still sad.

"Ah? It's over?" Gong Qingyu pursed his lips. "It didn't take long for us to come out to play. Huang Lao wants to buy antiques. Why is it over?"

Li Yun smiled without saying a word, watched Zhang Ming leave, and said: "You go shopping, I want to leave."
