

Godly Choice 4201

Chapter 4201: She miss you so much

Only Fan Linglong is what Wan Neishang is most worried about now.

It's strange that Fan Linglong has already had this kind of relationship with Li Yun. It stands to reason that she and Li Yun have this kind of relationship, so she shouldn't worry about Fan Linglong looking at her with contempt.

But for some reason, Wan Nishang was a little worried that Fan Linglong, who had spent one or two hundred years with her close friends, fought each other and seriously injured each other, would look at her with strange eyes.

Is it because she is afraid of Fan Linglong's misunderstanding that she is here to grab her boyfriend?

No, Fan Linglong's character... shouldn't think so, if she knew it, she would probably... laugh?

Yes, it must be a big laugh!

Wan Nishang thought about Fan Linglong's reaction after knowing her, as if she had already thought of her clutching her belly and laughing.

Fan Linglong must have laughed very happily, and even teased her for a long time.

"Said Linglong."

Li Yun picked up Wan Nishang's hair and looked carefully at her charming and charming face. When she saw Wan Nishang's cheeks were reddening, her delicate body trembled-she knew what Li Yun this ***** wanted to do to her.

"Say, say what?"

In order to find out about Fan Linglong, Wan Nishang endured it.

Or maybe it was because I was hugged by Li Yun, so I didn't avoid it.

"She said, Wan Nishang, the demon girl, she is not weak, she has duplicity, she is cold in front of outsiders, and crazy in front of familiar people. Don't look at the six-door saint before, she is actually more sentimental than anyone else,"

"asshole!"

Can't help it, Wan Nishang gritted her silver teeth and cursed. This is indeed the tone of that fellow Fan Linglong, which is particularly hateful.

In fact, the so-called acquaintance is crazy in front of her, and only in front of her. Wan Nishang has almost no friends in the six doors. Wan Faxian barely counts as one, but for various reasons, it is limited to ordinary friends. The relationship is nothing more than trust.

Li Yun looked at her amusedly. After cursing, Wan Nishang's expression became full of memories again. Don't guess, you also know that Wan Nishang cares about the friendship with Fan Linglong very much.

"Do you still talk later?" Li Yun asked with a smile.

Wan Nishang glared at him: "What else? The fellow Fan Linglong betrayed me and told you all about me. What else to say?"

Fan Linglong must have revealed her character to Li Yun, and beware of her.

"Ok."

Li Yun smiled slightly and stroked her flushed face with both hands: "Nishang, after you go back, you will go to see Linglong with me. I can see that you miss her very much."

"Don't go!!" Wan Nishang resolutely refused.

"I can see it too," Li Yun continued, "Van Linglong misses you very much."

This time, Wan Nishang's delicate body trembled, turned his head, and looked at him in disbelief.

"I didn't lie to you."

Li Yun smiled softly, "If she doesn't miss you, she won't ask for your news when I come out, and she also deliberately told me to take you..."

"What do you do with me?!" Wan Nishang eagerly asked.

"Push you... pushed!"

"what!?"

Wan Nishang couldn't believe her ears at all. The fellow Fan Linglong asked Li Yun to... insult her?

"That bastard...well."

Wan Nishang's curse could not continue, Li Yun's fingers provoked her chin, and kissed her ruddy lips again.

Chapter 4202: Do not lie to me

An unfamiliar and familiar feeling came from her lips, Wan Nishang's eyes widened, and Li Yun's smiling eyes looked at each other at close range.

"Hmm~"

Wan Nishang began to struggle, but was slender waist but was hugged by Li Yun, slapped him, did not open, patted again, still did not open.

After the third beating, Wan Nishang had completely lost the strength to resist.

The whole body was limp, as if it had been poisoned, and could not exert any strength, but the feeling on the lips was so clear, the hot, affectionate emotions passed on the lips of the two kissing.

Such a sweet feeling... made her fall quickly.

I don't know how long it took before Li Yun released her, and as soon as she separated, Wan Nishang panted loudly, her legs were so soft that she couldn't stand, she could only rely on Li Yun's arms, and his slender waist was wrapped by his big hands.

Wan Nishang knew that her face must be very hot at this moment, as if it had been burned by fire, and her body could not exert any strength.

If Li Yun comes to kiss again...well.

"This little bastard, here comes again..."

Wan Nishang's mind was dizzy, and she didn't know if she was responding to Li Yun, but just subconsciously chasing something.

When she wakes up again, she and Li Yun are sitting on a deck chair on the side of the ship. To be precise, it is Li Yun sitting on the deck chair. She is sitting on Li Yun's lap with her arms around his neck. .

This... is exactly the sitting posture of a standard male and female couple when going on a date!

"How about it?"

Li Yun smiled, "Linglong really wanted me to do this, don't you believe it? Do you believe it now?"

"You bastard!"

After being ridiculed, Wan Nishang slapped her in anger with a slap in the face, but her strength was soft. Li Yun grabbed it, kissed the back of her white hand, pulled her to let her lean over, and moved up again.

After slapped Li Yun weakly for a few times, Wan Nishang lost the ability to think again, and unconsciously responded to Li Yun's intimacy.

Under the moonlight, above the sea, and inside the cruise ship, a pair of lovers hugging each other intimately, the picture seems to be frozen at this moment, and time is willing to stay here.

On the deck, after the two figures secretly looked at the men and women they were close to, they glanced at each other, then quietly returned to their room, and exchanged some words secretly.

"..."

Wan Nishang gasped again, and when he woke up, he found that he was already lying in Li Yun's arms, with his arms around his neck and his cheeks against his chest. I don't know how long this situation lasted. The two of them lay down. The recliner was covered with bright moonlight.

Wan Nishang is lazy, and her whole body is very warm. She doesn't want to move or wake up.

She found that she had no ability to resist the chaos of the bastard, and the **** Li Yun kissed her if she wanted to kiss her. She couldn't refuse.

There seemed to be some magic on his lips, which made her stunned, and she was ashamed to death. Fortunately, she was called a demon once, but she fell into a man.

"Believe it?"

Li Yun asked with a smile again, the Wan Ni Chang in his arms bumped him with his head, and said angrily: "You lie to me?"

"I didn't lie to you."

"Dare to say it!"

"Well, if I lie to you, then I won't be allowed to touch you for three days."

"Bah, what are you talking about?"

Wan Nishang stretched out his hand to pinch his waist, blushing with shame, how shameless this guy said.

Chapter 4203: You lose

Touch her?

How does it seem to be... that kind of relationship!

Obviously it's just kissing, how can there be such a relationship!

"I don't touch Qingya and Qing concubine, within three days, will it be enough?"

Li Yun smiled, reaching out and squeezing her face.

Wan Nishang groaned, but didn't push away his hand that squeezed her face indiscriminately. When they kissed, they had no idea how many cheeks had touched each other, and even this guy was holding her face with both hands. , Kissed her slowly, it was nothing to pinch her face like this.

When rubbing his cheeks with him, there is not much worse than intimacy

"Then I lose, so..." Wan Nishang tried to take the lead, but Li Yun took her face again, kissed her, and laughed: "If what I said is true, then Nishang will take the initiative. How about a kiss, just one?"

a bit?

The blushing Wan Nishang didn't believe this guy's nonsense, but...at this moment, it was only she and Li Yun, and I didn't know how long he had been intimidated by him just now, so there is no shortage of this.

"it is good!"

Wan Nishang gritted her teeth, "If you lie, not only will I not move my mind for three days, but I will also pinch you!"

"Then you will lose!"

Li Yun directly took out his cell phone and called Fan Linglong.

"Wait, you call her now?!"

Wan Nishang was busy stopping Li Yun, and said strangely: "You don't look at what time it is now."

Li Yun glanced at the phone, "It's twelve to fifty, a little bit sooner."

Wan Nishang was taken aback for a moment, then his face turned redder.

Means, she and Li Yun have been intimacy outside for more than half an hour? No, after she came out, she didn't chat with Li Yun at all, so she patronized the intimacy.

It lasted almost an hour, and I was hugging Li Yun's neck and intimacy. This...

"Go to sleep! If you don't sleep, she is asleep. She usually falls asleep at ten o'clock in the evening. Are you embarrassed to wake her up?"

Wan Nishang held Li Yun's cell phone and prevented him from calling Fan Linglong.

"Sure enough, you still care about her."

Li Yun smiled slightly and explained: "Generally speaking, Linglong sleeps at ten o'clock in the evening in the Hidden Sacred Valley. However, after she left the Hidden Sacred Valley, she came to a modern city, and her work and rest schedules gradually changed. It has to be similar to modern people, that is, at twelve o'clock, only go to bed at one o'clock, and only get up at seven or eight in the morning."

Tonight's circumstances are special. Even if Li Yun wakes her up, it is very necessary.

Wan Nishang had no reason to stop, so she could only watch him make a call, and her heart suddenly became tense.

Last time on New Year's Eve, she hadn't felt that at that time, the inexplicable anger in her heart still occupied her mind. After meeting Fan Linglong, she only regarded her as an opponent to defeat.

But now?

Because of Li Yun's relationship, the barriers between her and Fan Linglong are no longer there. The honey-friend relationship that has lasted for more than a hundred years, and nearly two hundred years, seems to be reconciled and regained.

How does this make her not nervous?

"Hello? Li Yun?"

Soon, Fan Linglong's familiar, slightly drowsy voice came from the phone speaker. Wan Nishang grasped Li Yun's clothes tightly, and her breathing became hurried.

After looking at her, Li Yun smiled and said, "Linglong? Have you slept yet?"

"Not yet." Fan Linglong seemed to turn around, and his voice became clearer: "What's wrong? You didn't sleep in the middle of the night. Didn't you go to the South Island by the sea? Is the jet lag?"

Chapter 4204: I miss you

"No, it's still late at night on my side, I just missed you all of a sudden."

"...Huh~, I'm ashamed or ashamed, I say this in the middle of the night."

Fan Linglong muttered, but anyone could hear the joy in her words. Not to mention just calling her at three or four o'clock after she fell asleep, she would answer the phone happily.

"Well, I won't lie to you."

"What?! You!"

Fan Linglong angrily said: "Don't you miss me?!"

"Yes, nor is it." Li Yun said with a light smile: "I think you are for sure, but I have other things to tell you, which is more important, so I called you in the middle of the night."

"Yes, or don't you want to?"

Fan Linglong started to act like a coquettish in anger. This sentence was completely a sweet word from a girl in love, asking her boyfriend what kind of tone she wanted.

"Yes, of course! I think now, and even more when I go back!"

"Huh, it's almost the same."

In Mansion No. 3, Fan Linglong, who was sleeping in the room on the second floor, turned over again on the big bed and hugged a quilt. He was very happy: "Okay, forgive you, let's talk, what can I do? "

"It's nothing, it's just..." Li Yun took a deep breath, looked at the dumbfounded Wan Ni Chang, and said to Fan Linglong: "There is a woman next to me, her name is..."

Li Yun stopped.

Inexplicably, Fan Linglong thought of someone, and blurted out: "Wanner clothes!?"

In an instant, the pair of former honey friends who were separated by thousands of mountains and rivers were all shocked.

".....Yes."

Li Yun nodded affirmatively, moved the microphone end of the phone to Wan Nishang's little mouth, and motioned for her to speak.

However, neither of them spoke.

It seemed that something extremely difficult had happened, so that they couldn't speak.

The last time they met, the last time they met, they fought directly and fought faintly. Perhaps it was the way they get along now, instead of sitting down and chatting peacefully under Li Yun's blending.

After a long time, the changeable face of Wan Nishang returned to a joking look: "Van Linglong, I seemed to have heard that someone is not asleep yet? Hehe, I really laughed at me, someone's voice is clearly already It was the tone of being awakened after sleeping, but when her husband called, she changed her words and said that she was not asleep, which was so funny, hahaha."

Li Yun looked embarrassed.

You have to satirize Fan Linglong, right?

"Wan, Ni, Chang!!!"

Fan Linglong gritted her teeth and said her name word by word, and asked bitterly: "Why are you by Li Yun's side?"

"Me?" Wan Nishang became more leisurely and proud, "I caught your husband, and I am interrogating him now. I call you so that you can quickly wash your white ***** and run to redeem your husband!"

"Go to hell!! Dare to touch his hair, me!"

"You? What are you?"

Wan Nishang became more and more proud. It was the first time that she made Fan Linglong so crippled and frantic since fighting with Fan Linglong, or even between the two.

Sure enough, men are the weakness of women in love, and vice versa.

"I will fly over with my own hands and leave you...no!"

Fan Linglong was awakened suddenly: "In the middle of the night, you didn't sleep, and you were still with my husband...you..."

"Don't think about it! I, I just..." All of a sudden, Wan Nishang panicked.

Chapter 4205: Fight each other

Listening to the flustered tone of a former good friend, familiar with her is as if familiar with yourself, why can't I hear what she means?

"Wan, Ni, Chang..."

With a whispering voice like a female ghost, Fan exquisitely said like an evil ghost: "You...it turns out that you are not greening me, you are, you are...tweeted my husband!!!"

The last sentence, she just screamed, full of incredible and incredible excitement-very complicated, but only in this way can she express Fan Linglong's mood at the moment.

"You, you, you, what did you say?"

Wan Nishang hurriedly denied, "I, how could I fall in love with him! I'm not you, I and I still want to save face. Both are hundreds of years old, so how could I fall in love with one... well."

Her red lips were blocked by Li Yun again.

Hearing the familiar kiss sound, Fan Linglong was stunned and dumbfounded. She seemed to have seen Li Yunzheng kiss Wan Nii clothes 3,000 miles away, but Wan Ni Chang, a strong man in the Soul and Bright Realm, struggled and failed to break free. The shy look who can be intimate with Li Yun.

What did Wan Neishang look like when he was kissed by a man?

Fan Linglong thought very hard and couldn't imagine it, even though she had known her for more than two hundred years, or even 300 years... but she still couldn't imagine that she had always looked down on men. Now What is it like.

Yes, he looks very shy, right?

After a long while, Li Yun let go of her.

"Linglong, knowing that I'm calling you, I don't hesitate to wake you up, is that why?"

Li Yun asked with a chuckle.

Fan Linglong nodded silently, the **** still took the four saints by his side, and could not escape from then on.

"Before you went out, you told me that you want me to give the neon clothes to... what's the matter." Li Yun touched his nose, a little embarrassed: "I didn't want to, but now... I admit that it was my love. A little bit, but neon clothes should be the last one!"

If you don't count Xiao Su, she is already in front, but it hasn't been announced yet.

"Quan neon clothes, the last one..."

Fan Linglong's tone is complicated. He wanted to use a bitterly resentful tone, but finally couldn't help but laugh out loudly: "I will be another woman, I must be so angry that I want to beat you, but if it's Wannichang... I can only say, Good job! You should teach Wan Nishang severely, make her arrogant, make her proud, make her self-righteous!"

Wan Nishang could imagine that this fellow Fan Linglong was talking while clenching her fist and cursing her.

"Fan Linglong, are you looking for a fight?!"

Wan Nishang, angrily, yelled at the phone.

Li Yun hurriedly made a hush gesture so as not to be awakened by the sleeping sisters in the yacht.

"Come on, come on, I'm afraid you won't make it!"

As if regaining the previous face, Fan Linglong was full of fighting spirit. Provocatively, Li Yun believed that if they were within a hundred miles of each other, they would definitely fly to find each other to fight, but it would not be the same as the elegant concubine Wan Qing. Stopped the car and looked at Fenglin.

"All right."

Li Yun hugged the excited Wan Nishang, and said softly to the two women: "What's the matter, wait until we meet, Linglong, don't worry, I will take the Nishang back."

"Who wants to go back with you!" Wan Nishang blurted out, but was surprised to find that she didn't hear Fan Linglong's voice.

"Don't refuse."

Li Yun nodded her forehead, and after a few words with Fan Linglong, he hung up the phone.

Chapter 4206: Go back with me

After hanging up the phone, Li Yun and Wan Nishang stared at them with big eyes, but Wan Nishang was still lying in Li Yun's arms and never changed their positions. It seemed that the two of them looked strange now.

"go back!"

"Do not!"

"I mean go back with me!"

"No!"

"Will you go back?"

"Absolutely not!"

Li Yun cheated up, and kissed her hard-mouthed Wannichang's plump red lips, and kissed her in protest. After the end, she still stared at those big stubborn eyes and didn't want to go back with Li Yun.

Because, going back is not going back to the cabin of the yacht, but going back to the villa with him, going to the mountain, sitting down with Fan Linglong, and chatting peacefully.

This makes the dresses that have not yet reconciled with Fan Linglong, how can they pull the bottom?

"Are you willing to go back now?"

At the end of the kiss, Li Yun exhaled, looking at Wan Nishang aggressively, and asked.

What I got is still Wan Nishang's stubborn answer: "If you kiss me again, even if you give me something here, I won't go back alive and dead!!"

Li Yun was shocked.

On the one hand, I was surprised at Wan Nishang's determination, which is more stubborn than Wan Qing concubine. On the other hand, in fact, Wan Nishang's words also revealed another meaning:

She didn't mind being harmed by Li Yun here.

Even if it is a misfortune, I will never go back with him!

"Neon clothes."

Li Yun amusedly held her cheeks that still had Hongxia, lowered her head, and pressed her forehead against her forehead: "How can you be willing to go back?"

"Huh~"

Wan Nishang swallowed her face, and she didn't know how she was willing to go back... No, she was definitely not going back. Why did she go back to Li Yun's villa? It's not her home! It's just the home of Fan Linglong.

Li Yun put his arms around her waist, and the two of them were silent for a long while.

"Neon clothes?"

"Too annoying!"

"Are you worried?"

Li Yun chuckled softly: "Before I came out, Linglong told me that he would do harm to you or something. By the way, the reward for the bet just now..."

Before he could finish his words, Wan Nishang leaned forward impulsively, with his hands very natural and skillfully wrapped his arms around his neck, and offered a fragrant kiss on his own initiative.

"Give it to you, bastard, satisfied?"

After the end, Wan Nishang gave Li Yun a charming and coquettish look, and there were thousands of indescribable styles in it.

Li Yun stroked his lips with a finger, smiled and said, "Generally satisfied."

"Huh~~?" Wan Nishang pulled into a voice and asked.

"If the neon clothes can go back with me, then I will be satisfied."

Li Yun smiled lightly.

After hearing these words, Wan Nishang fell silent again, resting his chin on his chest, and said quietly: "Can't you give me some time? How long have I known each other? Even if Qing concubine and Qingya don't say anything, What about the others? My face is gone."

Just now she and Li Yun are like this, which has already made her ashamed.

"Do you care about this? I thought you were entangled with Linglong laughing at you." Li Yun said.

"Of course she would laugh at me!"

Wan Nishang gritted her teeth with hatred: "You didn't hear that guy laughed so happily just now? If I go back with you, she will definitely laugh more!"

"That's what I care about, right?"

"Humph!"

"Ha ha."

Li Yun smiled and said, "I think you have misunderstood Linglong, or you didn't understand her intentions."

"How can I not understand?!"

Wan Nishang blurted out and pinched him.

Chapter 4207: Friend's sullenness

Wan Nishang and Fan Linglong are a pair of old friends who have known each other for more than a hundred years. Although they are of different origins, they are each other's enemies, but before

revealing their identities, they are indeed their closest friends and can get drunk together. , Sleeping with arms around, a relationship of incomparable trust.

How can Wan Nei Chang not understand Brahma Linglong?

"Do you really understand?"

Li Yun asked back: "Just now, when I said I would take you back, do you remember what Fan Linglong said?"

"She..." Wan Nishang was stunned, vaguely, she didn't remember what Fan Linglong said.

"Do you remember her tone again?"

Li Yun asked again, but Wan Nishang still couldn't answer. At that time, Fan Linglong...as if she didn't say anything, did nothing, her tone was very light, she didn't laugh at her, let alone refuse her not to come.

"Do you want to understand?"

Li Yun put his hand on her jade back and stroked it gently, with a light tone: "Actually, Linglong knows that your personality is very sensitive. Once you laugh at you, you won't go back with me, but you don't laugh at you. , You will definitely feel that she didn't say what she meant, so she laughed at you before, and then when I said to take you back, she didn't say anything to refuse to laugh, just because she was afraid that you would become angry and wouldn't follow me.

"I....."

Wan Nishang was speechless. She knew that if she had to follow Li Yun back, Fan Linglong would definitely welcome her. As long as she was willing to sit down and chat with Fan Linglong, Fan Linglong would definitely accept her. Will definitely become a close friend again.

However, the inexplicable persistence and the identity of the two made Wan Nishang resist seeing her again. Even if she did, she would use battle instead of the time between them.

For a long while.

Wan Nishang sighed slightly, and said quietly: "Perhaps, I haven't really understood her. You are the one who understands her. No wonder you can get her heart."

Li Yun smiled and said: "It's no wonder that I can get your heart in neon clothes, right?"

Wan Nishang's face blushed, her head down did not answer, and she acquiesced.

She was so intimacy with Li Yun like this, did not refuse, did not escape, enough to prove her inner feelings for Li Yun.

"Want to know what happened when Linglong first met me?"

Li Yun asked again, holding up her face.

Wan Nishang shook his head subconsciously, before he spoke, he was kissed by Li Yun again.

"Well."

Wan Nishang took a picture of him angrily, but couldn't refuse, so he could only let it go.

I don't know how long after that, the two people separated.

"asshole!!"

Wan Nishang pinched him vigorously: "You didn't mean to tell me, what was the first time you met with Fan Linglong? Just tell me like that?"

"Yes, haven't you felt it? Then do it again!"

"Well, dead bastard..."

"Still not feeling it? Then come again!"

Finally, after four or five times of intimacy, Wan Nishang was really exhausted, and she leaned weakly with her face on his chest. It took a long time before she came back to her senses.

"Don't tell me, the first time you met Fan Linglong..."

"Yup."

Li Yun held back his smile, "The first time I saw Fan Linglong, something almost the same happened that night, just like you are now."

Wan Nishang was dumbfounded, just like her? Fan Linglong was provoked by Li Yun? Or when the two met on the first day?

"Impossible, absolutely impossible!"

Chapter 4208: Unreliable divination

Wan Nishang does not believe Li Yun's nonsense, even if Fan Linglong has been lonely and lonely for hundreds of years, it is impossible for an ordinary woman to kiss her indiscriminately on the first day.

She and Li Yun were fast, but it was also because they had experienced New Year's Eve with him, had New Year's Eve dinner together, and then went to clean the ancient pagoda with him, plus the relationship between Qing concubine and Qing Ya, and most importantly, this ***** During the day, she shamelessly kissed her, so she fell so quickly.

Otherwise, normally, even if she likes Li Yun, it will take ten or eight years for it to happen.

"Really don't believe it?"

Li Yun raised his eyebrows, Wan Nishang almost immediately understood what he wanted to do, and hurriedly pressed his face: "Don't come here, it's so stinky and dirty! Explain to me immediately what is going on! If it doesn't To be clear, I can't spare you!"

You can't forgive such words, only at this time, after the relationship with Li Yun, Wan Nishang will say it.

This sentence is almost what she said when she was walking in the rivers and lakes with Fan Linglong when she was a girl.

Now I say again, let her go back to the girlhood in a trance, in that carefree time, walking in the rivers and lakes, riding a white horse, wherever she goes by the horse, happy time.

Later, there was another Fan Linglong beside her. The two of them became company, walked the rivers and lakes together, and enjoyed drinking and enjoying the flowers together. At that time, it was really the happiest time for her.

"Actually, it's nothing."

Li Yun smiled: "I took Qingsheng back then, do you know?"

At that time, Fan Linglong also arrived at the Hidden Sacred Valley, so she knew.

It's just that when Li Yun mentioned the Sacred Vatican, Wan Nishang was taken aback for a while, a little lost.

The relationship between the four saints is really unreasonable, but it is undeniable that no matter what the relationship between her and the Sage Fanqing, she is very concerned about this very cold and seldom-talking child.

In her heart, the Saint Fan Qing is as important as Concubine Wan Qing.

"Know, any?"

"Then Qingsheng is my girlfriend."

"Huh, what are you proud of?!"

"I'm not proud, I just state the facts."

Li Yun continued to explain: "I followed Qing Sage back to the Hidden Sacred Valley. After meeting Linglong, she decided to test me to see if I could be Qing Sage's boyfriend."

"It's reasonable." Wan Nishang nodded, "That guy looks carefree, but in fact, he is more suspicious and knows how to divination. She must have divination of your origin, but she can't tell anything."

Li Yun looked at her strangely: "How do you know she can't make divination?"

Wan Nichang gave her a white look and sneered: "If Fan Linglong can tell something, it must be pretending to be shit! I once dropped a jade bracelet, or she gave it to me, and I asked her to tell. As a result, she vowed three times in a row that it was somewhere, but we ran to find it, and we couldn't find it anywhere on the ground!"

Li Yun looked embarrassed. It turned out that Linglong's divination was so unreliable.

"What happened later? Did you find the bracelet?"

"found it."

"How did you find it?"

"How to find?"

Wan Nishang rolled her eyes, "Fifty years later, I saw a young girl wearing it in her hands. It took me a few thousand taels of silver to buy it back!"

"How many taels?"

"Yup."

"So that's it." Li Yun laughed loudly, "Dare to be treated as a family heirloom by others!"

Chapter 4209: The original thing

Therefore, the life span of the immortal cultivator is outrageous. A bracelet has been lost. After waiting fifty years, he still waited to return.

Most of the ordinary people died in fifty years. Even if they were not dead, they were almost old. They didn't have much thoughts about coming back after seeing the bracelet.

"Continue to talk about what I just said." Wan Nishang urged.

"Where did you just say?"

"You take Qingsheng back, that guy is suspicious."

"Oh yes."

Li Yun put his arms around the delicate body of the neon clothes, and the two of them chatted and kissed from time to time on the sea under the moonlight.

It's not that Li Yun wants to take advantage of Wan's neon clothes, but that he is reappearing what he had done with Linglong.

"... Then, Fan Linglong took over her disciple's body and was kissed by you for a few hours?"

Wan Nishang was dumbfounded, what is this all about!

Going to beat Li Yun than her, and being kissed by this guy was ridiculously 10,000 times.

Fan Linglong was kissed by Li Yun for a long time inexplicably? Won't she refuse?

"Hahaha."

Wan Nishang suddenly laughed again, and shook Li Yun's shoulders and said, "No, I must go back and see with you, see her with my own eyes, and then tell her about it in person, and see what else she has in the future. The face appeared in front of me, it just laughed me to death...No way, no, you call her again, call her now, I can't wait, now I want to know what that guy looks like after being laughed at by me!"

Li Yun twitched the corners of his mouth, can't you two get along well?

"Neon clothes."

"what?"

"Have you ever thought, in fact, between you and Linglong, and me... are actually the same."

Wan Nishang was dumbfounded.

Yes, during the day, she just wanted to beat Li Yun violently, but somehow she turned into a forced kiss by him. The kiss lasted for several minutes. Qing Fei and Qing Ya were still watching.

Such a shameful thing, if Li Yun tells Fan Linglong again, then she will not be laughed at?

"You, no, tell her!!"

Wan Nishang found a solution, stared, and strongly warned Li Yundao word by word.

"It's not impossible if I don't tell."

Li Yun narrowed his eyes.

"What do you want to do?"

Wan Nishang is very vigilant. After being kissed so many times by him, if she is not vigilant, then she will become a big white rabbit, a big white rabbit eating grass stupidly, without knowing how to escape.

"Why don't you want to do it, just want to... take you home, in front of Linglong, like this..."

Li Yun went up again, and Wan Nishang slapped him symbolically a few times, and soon softened, and began to respond to his intimacy again.

This time, Li Yun felt the enthusiasm of Wan Nishang, which she did not have before.

Presumably, in her heart, she has accepted this incident, these people, including him, including Qing concubine and Qing Ya, and Fan Linglong.

...

When he woke up the next day, Li Yun was still not accompanied by Wenxiang Nephrite, and Wan Nishang refused to sleep with him last night. After pushing him away, he ran back to his room.

"Button button."

Li Yun knocked on the door of the three women's room at a time. The yacht is not too big. Four people occupying four rooms already occupy a large space. The original four rooms can accommodate at least eight people.

However, Wan Qingya walked out of her sister's room. She didn't know where she threw her pajamas, so she wore a "swimsuit", her black hair was messy, she yawned and opened the door to Li Yun.

"Husband~."

Chapter 4210: Look for

Wan Qingya's eyes were full of sleepiness, she squinted her eyes and threw herself into Li Yunqi, stood on tiptoe and kissed him, smiling and asking in a low voice: "How long did you talk to her last night?"

Li Yun was startled, his eyes widened: "Have you all seen it?"

"Nothing."

Wan Qingya denied, "I just watched it a little bit, um, I saw you kissing her, um, the picture of you sitting on a chair and hugging her is very beautiful, the neon clothes are beautiful, and the husband is also very handsome. At that time my sister covered my mouth, ahhhh."

Consort Wan Qing in pajamas walked out from behind, raised her hand and knocked her on the head, "What nonsense? You just slept last night and slept so hard you didn't know anything!"

"Oh oh, I don't know anything, I don't know anything~~ OK, OK, I know, I know, sister, why are you staring at me again?"

"I stare at you because I want you to have a good memory."

"Hate, my memory is inherited from you, my memory is not good, and your memory is not good either!"

"Shut up!"

"Do not."

Wan Qingya began to quarrel with her sister.

Li Yun couldn't laugh or cry, consciously went to the restaurant to make a good breakfast, brought it to the yacht deck, and delivered it in front of three beautiful beauties.

"Count you acquaintance."

Wan Nishang glared at Li Yun bitterly. She still had lingering fears about what happened last night. Even if this guy kissed her, she turned into a villain in the end, and didn't even know about such things as evil!

She messed up her clothes.

"Of course, I am the best man in the world."

Li Yun sat down and had a meal with three charming girls—well, girls also include swan and neon clothes, girls who have not left the pavilion, of course, girls, no matter how old they are hundreds of years old, they are all girls.

"Yes, my husband is the best~"

Wan Qingya was the first to respond to Li Yun's words, her pure face was full of lovely and lively, so Li Yun couldn't help reaching out and pinching her tender little face.

As a result, Wan Qingya moved the other side's face and let Li Yun squeeze it.

Inexplicably, both Wan Qingfei and Wan Nishang are immune to this interaction between the two of them, and they are very calm about eating breakfast.

"Sister, what do you say? Husband is the best from time to time?"

"If he can make breakfast, lunch and dinner for us every day, and then come to have some supper from time to time," Wan Qing concubine drank the delicious rice porridge with a spoon, "then he can barely call it a good man."

Li Yun was surprised: "Not the best man in the world?"

"If you want to be beautiful, you are just a good man. He is far from the best in the world."

"Then what do you say is the best?"

"It's up to you to work hard~~"

During the small chat, the four of them finished their breakfast, and the yacht drifting on the sea for the night continued to set off and headed for the destination.

As he kept getting closer to the location given by the golden Arhat, Li Yun finally put away his thoughts of chatting with them, and began to talk business.

"Qingya, is this definitely said on that bamboo leaf?"

The golden body Arhats are naturally not ordinary bamboo leaves. Wan Qingya can feel a vague orientation on the bamboo leaves, but where they are, they need to come to this sea to find them in person.

"Well, it should be almost the same."

Wan Qingya looked around, took the bamboo leaf and felt it, then opened the tablet Li Yun handed over, and compared it with the location of the bamboo leaf on the satellite map.

"It seems to have changed. There were some islands behind here, but now they are all gone."
