

Godly Choice 421

Chapter 421: Murder (Part 1)

After all, Mr. Huang has rich experience in walking the rivers and lakes, and he immediately saw what Li Yun was worried about.

"Little friend, are you worried that someone will rob Zhang Ming?"

Listening to Huang Lao's words, Gong Lianyi's beautiful face showed a sudden look. A handicapped person, but there are tens of thousands of dollars in the iron box. Just now, many people saw it, and if not sure, there will be gangsters going to robbery.

Li Yun smiled, "I'm afraid there will be more terrible things, but I can handle it myself, you guys..."

"Do not!"

Gong Lianyi took the initiative to hold Li Yun's hand, and said softly, "I will go with you, so I can take care of it."

"I, I will go too!" Gong Qingyu certainly didn't feel backward.

The rest of Huang Lao shrugged and said that he couldn't go shopping alone, so he simply followed by and took a look.

"Alright." Li Yun paused, "but don't be too surprised when you wait."

"surprise?"

The three said they didn't understand what was so surprising about the robbery.

Li Yun didn't explain too much, and took the lead to walk in the direction where Zhang Ming had left.

After bypassing the three streets, the four of them followed Zhang Ming at a distance and came to an old street near the tributary of the Yellow River.

This old street is also a riverside building, but the treatment of the surrounding houses is quite different from the previous one.

Due to historical and environmental reasons, this tributary stream is frothy all year round, the sewage is turbid, and the smell is soaring to the sky.

As a result, the aborigines of this old street have moved away, leaving only people from other places to live, lack of human management, and it is particularly chaotic and dirty.

Because Gong Qingyu and Gong Lianyi's appearances of the two beauties, big and small, are so outstanding that it is inconvenient to track people, they use a veil to cover their appearance.

But even so, the tall and graceful figures of the two women, as well as a gorgeous Hanfu costume, still attracted passers-by to turn their attention to them.

"Bad!"

Huang Lao's old face turned into a bitter melon face. He shouldn't go shopping with Gongyao. If this spreads out, the elder of Tiandanmen will follow a beggar to ensure that it spreads throughout the martial arts of the rivers and lakes within one night. Send a big joke!

He just wanted to end it quickly and go back to study his Gu worm.

Therefore, after seeing Zhang Ming walking into an old house, he couldn't wait to say: "Little friend, since Zhang Ming has arrived home, shall we go back?"

In fact, Huang Lao couldn't help complaining in his heart. Didn't it happen that nothing happened?

However, by selling a favor to Li Yun, he might get more information about Gu worms. Huang Laocai clenched his teeth and persisted until now.

Li Yun said indifferently: "Don't worry, the shocking thing has not happened yet, I can guarantee that you will be shocked later!"

Shocking thing?

The two women looked at each other. Li Yun was always so inexplicable, but afterwards proved that he was definitely right.

The three of them looked at the distance for a long time, and Huang Lao couldn't bear it again and said: "Little Li, are you too sensitive? Feeling a little bit? Robbery is a felony, and ordinary criminals don't dare to come like this, tens of thousands of dollars. It's not a lot, and it's not a huge sum of millions, is it?"

From Li Xiaoyou to Li Xiaozi, Huang Lao's mood has changed.

Gong Qingyu also felt that Li Yun might be too careful. Although she liked Li Yun, it was one thing to like it, and another to doubt.

"Li Yun." Gong Lianyi blinked and asked softly: "Did you notice anything?"

Faced with the suspicion of the three, Li Yun smiled slightly, "I said, don't worry, it's not a robbery, but... a murder!"

Chapter 422: Murder (Part 2)

murdering case! ?

The three of them looked at Li Yun in horror, with shock and doubt in their eyes.

Who murdered? Who is going to kill? Why kill?

"The killing... is related to Zhang Ming?"

Gong Lian has a soft temper, but after all, she has been the elder of the palace since the age of twenty-five. Although most of the Gong family's affairs in Zhonghai City have not been questioned, she also knows a lot of bad things.

Therefore, Gong Lianyi soon thought that Li Yun was referring to Zhang Ming, but she still couldn't believe it.

How could anyone want to kill a disabled person? At most, he could run away. Zhang Ming couldn't catch up even if he wanted to chase, and he couldn't resist. Killing Zhang Ming was useless!

unless.....

"Here is the murderer!"

An inexplicable color flashed in Li Yun's eyes, staring closely at the three people who walked into the old building where Zhang Ming was.

Gong Qingyu frowned. She didn't know the three of them, but they were all dressed in black tights, similar to Tang suits. At first glance, they were born in Lianjia, and ordinary people rarely have this kind of clothes.

However, Lianjiazi usually have family conditions that are not too bad, and they rarely come to the dark corners of such cities.

There is no oil and water here, it is impossible to make money!

"They are here to rob...no, that's not right!"

Old Huang quickly woke up, "The person in the middle has a hideous expression and resentment. It's not like the kind of greed who came to robbery. They are really here to kill!"

"Let's go, don't let them succeed!" Gong Qingyu hurriedly wanted to go out, but was held back by Li Yun.

"You follow behind, and I will explore the truth of the facts by myself!"

"what?"

Ignoring the surprise of the three of them, Li Yun's figure flashed, running a vague footwork, and quickly rushed towards the old building.

"I'll go as well!"

Gong Lianyi was the strongest in the team, and Li Yun was a person she valued very much, so she naturally wanted to catch up to protect him.

But Elder Huang stopped her with a hint of surprise on his face, "Miss Gong, didn't you find out? Li Xiaozi's light work is so mysterious and extraordinary, it is suspected that he has reached the realm of entering the hall!"

"Come into the hall!?"

Gong Lianyi was surprised at first, and then recalled Li Yun's body shape just now. It was indeed the case. His speed was extremely fast. He was not like an acquired martial artist, but a master of the late innate stage.

Gong Qingyu has a strange expression on his face. In the arena, people generally divide martial arts practice into several levels, such as beginners, Xiaocheng, Dacheng, and Consummation.

If you exceed Consummation, you will reach the level of pride and enter the room, which means you can get it, enough to be a good name.

For example, if someone has a strong swordsmanship, a man is called a gentleman, a young man, a fairy, a chivalrous woman, and so on.

Does Li Yun's light service come into the room, does it mean that he can also have the name of the rivers and lakes?

"Let's follow."

Gong Lianyi was relieved, Li Yun was so easy, so that even if he couldn't beat him, he could still run away with ease.

The three followed quietly and walked onto this old building.

Gong Qingyu looked around. The walls were dusty, the mud was flying, the wires were aging, the iron railings were corroded, and everything seemed so dilapidated.

This is Gong Qingyu's first visit to such a place.

Zhang Ming's home lives on the third floor. Huang Lao motioned the three of them to stop at the corner of the stairs, listening to the movement upstairs.

But unexpectedly, the first words the three heard, shocked their minds!

"Yu Wensheng, is it you?"

Chapter 423: The praying mantis catches the cicada, the oriole is behind

Yu Wensheng? !

Gong Qingyu opened her mouth to make a scream, but her Aunt Lian immediately covered her mouth and shook her head to signal her to stop speaking before letting go.

Gong Qingyu was extremely surprised, looking at Aunt Lian as if asking, but the latter didn't know the answer.

Old Huang frowned, the development of things really exceeded his imagination.

Is it really Yu Wensheng?

At this time, the three of them heard Li Yun's calm voice from the upper floor again, "Don't deny it. Judging from the first time you saw me, you wanted to kill me and you knew that you were a small belly chicken intestine. , A person who is very vindictive."

"And Zhang Ming asked you to make a fool of yourself in the public, but you Yu Wensheng left without saying a word. At that time, you must have planned to kill Zhang Ming, right?"

A sneered sneered at the corner of Li Yun's mouth, "No wonder you were so generous and threw ten million bank cards to Zhang Ming. Are you thinking that if you want to kill this guy anyway, let him keep the bank cards temporarily? Kill him and get it back. By the way, you can still push Zhang Ming's cause of death to this bank card. It really can be said to kill three birds with one stone!"

There was silence upstairs.

Gong Lianyi seemed to see a picture, Li Yun stood proudly in front of the three mysterious people in black tights, and righteously rebuked their crimes!

And the reason for the silence of the three mysterious people is probably because Li Yun said that they were so embarrassed that they were going to be furious.

Sure enough, Gong Lianyi heard a familiar voice.

"Hahaha, well, that's right, you are really right!"

Yu Wensheng! !

An anger suddenly flashed in Huang Lao's eyes, it was actually him!

The reason for Huang Lao's anger was because Yu Wensheng had blindfolded him with his modest performance, making Huang think that he was a mature and kind-hearted person, so Huang Lao promised him to treat Gong Lianyi.

Unexpectedly, this Yu Wensheng is a small belly chicken intestine, who kills innocent hypocrites in a small matter, what a villain!

"Li Yun, to be honest, I admire your observation."

Wearing a disguise mask, Yu Wensheng showed a negative smile, "But have you ever heard a word? The smarter the person, the faster the death!"

Li Yun smiled faintly, and said disdainfully: "Just because of the three of you, you want to kill me?"

"hehe."

A middle-aged man standing next to Yu Wensheng smiled and asked: "Are you Li Yun?"

"good."

Li Yun's expression moved, and he suddenly realized: "I understand, you are the person Yu Wensheng invited to kill me, so I asked me if I was Li Yun. That's it, Yu Wensheng, you are really murderous, it seems tonight Only one of us can leave this building alive!"

Such a sinister and cruel villain must not be left behind for too long, otherwise there will be endless troubles!

"Hahahaha!" Yu Wensheng laughed loudly again, tears bursting into his eyes, and pointed to the middle-aged man beside him and introduced: "This is the outer elder of my clan, Yuwenji, kid, you know the big family Is there any strength of the outer door elder?"

Li Yun shook his head indifferently.

"Huh, stupid idiot!" Yu Wensheng sneered, and then introduced: "This is my clan uncle, Yu Wen Shangfu, in the early stage of innate cultivation, boy, don't blame me for not letting you die. You understand, after you go to **** well Tell the king, it was the three of us who killed you!"

Immediately afterwards, he respectfully said to Yuwen Shangfu: "Uncle Clan, please help me kill this kid!"

"Okay, kill things as soon as possible."

"Let me see who dares to do it!"

Chapter 424: Tonight we agree to plant

With a squeaky sound, Gong Lian walked up to the third floor with a cold face.

Behind her, following Gong Qingyu and Huang Lao, the form completely reversed in an instant.

Originally, Li Yun was alone, but only the cultivation base of the acquired realm. It was easy for Yu Wensheng and the three to kill him.

But in a blink of an eye, with the appearance of Gong Lianyi and Gong Qingyu, the contrast of power was suddenly reversed!

Gong Qingyu, the early congenital period.

Gong Lianyi, late congenital!

Gong Lianyi alone is enough to beat four or five mid-innate congenitals, not to mention that there is only one opposite!

"hehe."

Li Yun smiled and shook his head, and sighed: "Yu Wensheng, I really don't know how to evaluate you, but forget it, you will be free after tonight, and you will slowly confess in ***** from now on."

"you!"

Yu Wensheng's face rose to the color of pig liver, and the expressions of the other two also aroused ugliness.

They recognized Gong Lianyi and knew that she was the genius of the previous generation of the palace family-only 25 years old, broke through the late congenital period and became the youngest elder of the palace family.

I also recognized Gong Qingyu. This cold little beauty is now the top genius of the Gong family's new generation. At the age of 16 he broke through the innate, and it is likely to break the record of becoming an elder in the Gong family again in the future.

That is, before the age of 25, breakthrough to the late congenital period!

With these two people, it is enough to bankrupt their actions tonight.

But this is not more terrible!

The old man in the acquired realm who was blocked by them was the reason why Yuwenji and Yuwen Shangfu were so terrified!

Old man Qingnang, Huang Tianshi, elder of Tiandanmen!

Although he only has the cultivation of the Houtian realm, the name of the old man Qingnang spread throughout the country, and his reputation is extremely high. It is far from what Gong Lianyi can compare with.

The old man Qingnang is an ardent person, but he also hates evil. As long as he goes back and publicizes, saying that the three Yuwen family have to kill a beggar for some trivial matter, Yuwenji and others will inevitably become infamous and be laughed at by the people of the world. The

decent people are even more ashamed. With them, Yuwen's family will also clean up the door and drive them out!

For an instant, the three of them seemed to see the tragic situation in the future, and their faces became pale.

"Clan, clan uncle!" Yu Wensheng said in a panic: "We kill them, we must kill these guys, otherwise after tonight, we..."

"So courageous!"

Huang Lao screamed, and the three of Yuwen's family were startled.

"Okay, the three of you have been arrested. It's okay if you don't want to be caught with your hands. You dare to have evil thoughts. What a shame!"

Old Huang was trembling with anger, wishing to go back a few days ago, when Yu Wensheng came to invite him, he directly asked someone to break his legs!

This kind of person is not a wicked sect who acts both righteously and evilly, but a person in the demon sect, a thoroughly wicked person!

The expressions of the three Yu Wensheng were extremely ugly.

I want to do it, but I can't beat Gong Lianyi. I want to let it go. Their reputation will be greatly damaged. In the future, they will have no place in the arena. Life is better than death!

"Okay, let's accept the plant tonight!" Yuwenji took a deep breath and bowed his hand to Gong Lianyi, "I apologize to Miss Gong and Mrs. Huang, and promise that this will stop here, and I will serve it afterwards. I apologize for a thin gift, please forgive me!"

Old Huang's expression improved a lot, and he gave a cold snort, but did not speak.

Li Yun smiled faintly. It was him that Yuwenji was going to kill, but Yuwenji did not apologize to him. It can be seen that in Yuwenji's mind, he is a **** at all. If it weren't for the support of the palace family, he would kill him. !

Chapter 425: Support together

"Lianyi, what do you think?" Li Yun looked at Gong Lianyi, only to see her face calm and she couldn't see her inner thoughts.

"Want to go? How could it be so easy!"

Gong Qingyu yelled first: "You want to kill Li Yun, how should this account be calculated? Let me see, you each cut off your arms and vowed not to trouble Li Yun again, and the matter tonight should be revealed! "

Li Yun smiled slightly, as expected to be Gong Qingyu, just say whatever he wants, his character is too straightforward.

Moreover, 100 points of favorability is not just for watching. Gong Qingyu has already regarded him as the most important person in the second half of his life, and will naturally defend him everywhere.

As for Gong Lianyi...

"Li Yun, I listen to you." Gong Lianyi glanced at him, the calm expression on her face was broken, she showed a gentle expression, and her tone was extremely soft.

It turns out that Gong Lianyi's peace is only for other people. In front of Li Yun, she will always be the gentle lady.

"Miss Gong!" Yuwen Shangfu shouted angrily: "Are you really going to offend our Yuwen family for a nameless man? You are not afraid that one thing will not be done, causing a death fight between the two families, heavy casualties, and completely reduced to a second-rate family? "

People who come from a sect family place great importance on family inheritance.

"The palace is not afraid of your Yuwen's house." Gong Lianyi said calmly, as if only telling some unchangeable facts, "Besides, even if I want to leave the palace, I will never allow anyone to hurt Li Yun!"

Yu Wensheng's heart was shocked, and he looked at her in disbelief. Only a few short days passed before this fox beauty fell to Li Yun? !

Are these two people doing certain things in the room these days and nights? Or three people together?

"damn it!"

Thinking of Gong Qingyu Gonglianyi's two charming beauties lying in Li Yun's arms and being hugged by him, Yu Wensheng couldn't help but rise in anger!

Huang Lao gritted his teeth and also spoke to support Li Yun: "The palace is not enough, and what about my Tiandanmen?!"

He quickly calculated that Li Yun had good martial arts talents, but more importantly, he knew Gu worms, which had an important boost to the improvement of Tiandanmen's medical skills.

I believe that if you report it to the head, the Tiandanmen will also support Li Yun!

The two geniuses of the Palace family, an elder of the Tiandanmen, both supported Li Yun. This change caught the three of Yuwen family by surprise, and left their faces black and did not speak for a long time.

"What do you want?!" Yuwenji's eyes flashed with murderous intent, "I want to fight with us? I admit that Miss Gong is powerful, but our Yuwen's "The Yan Di Zhen Jing" is not easy to provoke. of!"

All three Gong Qingyu looked at Li Yun, waiting for his decision.

At this moment, Li Yun's system issued a prompt.

"Ding, the host makes a choice and rewards (justice value +800, all attributes +600, experience value +300,000, blue gift bag*1)!"

"Ding, trigger the option event, please choose from the host:

Option 1: Kill the three Yuwens on the spot, reward justice value +500, experience value +500,000, all attributes +1000, purple gift bag*1 (Note: The prerequisite is that the battle is forbidden to spread to other people).

Option 2: Let them go, let's talk about it later, reward justice value +50, skill: swallow your breath.

Option 3: After letting out a breath of bad breath, let them go, reward justice value +100, a random skill, white gift bag*3. "

Chapter 426: I'll let you go after abandoning martial arts

Looking at the options given by the system, Li Yun frowned.

Of the three options, there is no doubt that the first reward is the most generous, with a full attribute bonus of up to 1000 points. This kind of reward is rare.

but.....

Li Yun glanced at the closed wooden door behind Yu Wensheng. This wooden door of Zhang Ming's house, which was not known for many years, would definitely not be able to stop Zhenqi's attack.

Yu Wensheng only needs a palm to blow the wooden door, thus taking hostages, making Li Yun and others have to stop.

Judging from the bad personalities of the three Yu Wensheng, it is not strange to take the hostages.

With a sigh in his heart, Li Yun shook his head and said, "Everything is inconvenient tonight. It depends on your friendship with the palace family. I will spare you Yuwen family once!"

The three of Yuwen's family were obviously relieved, and Yuwensheng was even more proud. This kid really didn't dare to force it, but he was still afraid of Yuwen's power!

"Humph!"

Yu Wenji's face was ugly, and he glared at him fiercely. This kid really dares to speak big words. Did he rave Yuwen's family once?

"But!" Li Yun looked indifferent, and looked at Yu Wensheng with indifferent eyes: "The death penalty is forgivable, but the living sin is inevitable. Yu Wensheng, remember what I said to you?"

"What are you talking about?" Yu Wensheng asked subconsciously.

"If you dare to attack me, I will kill you!"

Li Yun's voice was indifferent and murderous, and gently stroked the bracelet on his wrist, and said: "You have another murderous intent on me tonight, I can spare your life, but the premise is—"

Everyone looked at him.

"You gave up martial arts and became an ordinary person!"

"what?!"

Yu Wensheng was shocked, "Abandoning martial arts? No, it's impossible! It's better to just kill me!"

What is the most important thing for people in the rivers and lakes?

There is no doubt that they are many times more powerful than ordinary people!

With this force, even if the family is destroyed, they can easily find a good job and continue to live a life of worry-free food and clothing.

And without martial arts, everything is empty water pavilion, don't even think about the generous treatment!

Even if he used to be a big brother, a disciple in charge, a super genius, the future hope of the martial arts, but once martial arts disappeared, he immediately became a handyman disciple, and there was no hope of turning over!

Li Yun said indifferently: "You have no other choice. Either Yu Wensheng abolishes his martial arts, and then leaves, or the three die here together!"

"You!" x3

The Yuwen family's three spirits were desperate, but they looked at Gong Lianyi who was guarding Li Yun's side, and they were all speechless.

The form is stronger than human beings. With Gong Lianyi, a calm innate late master, it is impossible for them to get close to Li Yun.

Huang Lao didn't speak anymore, Li Yun's request was a bit cruel, but not excessive at all.

Just ask, if Li Yun came alone, would the three of Yuwen's family let him go? Even Zhang Ming would die.

Gong Lianyi said euphemistically: "Second, the mastermind this time is Yu Wensheng. As long as he is brought to justice, I can no longer hold him accountable or publicize what happened tonight."

All the sins were pushed to Yu Wensheng, and Yu Wenji and Yuwen Shangfu, the two innate masters, were able to preserve their reputations.

This choice is undoubtedly strongly tempting. At least Yu Wensheng was already shivering with fright, with a smile on his face, and said to Yu Wen Shangfu: "Fu, Uncle Fu, do you remember? You even hugged me when you were a kid. !"

A trace of unbearable flashed in Yuwen Shangfu's eyes, and gritted his teeth and asked: "We are willing to admit the plant and tell you the compensation you want, as long as it is not excessive, I..."

"Do not."

Chapter 427: King Kong finger, break dantian

Li Yun coldly spit out the word "No".

"Either you die tonight, or Yu Wensheng's cultivation base will be abolished, there is no other possibility!"

Yu Wensheng's face turned pale again.

Yu Wenji was shocked and uncertain, where did this kid's confidence say to kill them?

However, this Gong Lianyi firmly supports him. Could it be that the two have some adultery, right?

Yes, only the two have a close relationship to make Gong Lianyi stand beside Li Yun so firmly.

"Choose." Li Yun looked at them coldly, and stretched out his hand again to press the bracelet on his left hand.

As long as the two dared to move, Li Yun immediately released Nie Xiaoqian, the female ghost in red, and killed them by surprise!

Yes, Nie Xiaoqian is the reason Li Yun dares to stay with them so confidently!

The atmosphere suddenly solidified, and a cold sweat was dripping down Yu Wensheng's forehead. He had already noticed that his two clan uncles were very moved by Li Yun's proposal!

"Uncle Clan, Uncle Ji!" Yu Wensheng said quickly: "I am willing to pay and ask my parents to pay a lot of money. As long as you protect me, I will be grateful to Yu Wensheng. From now on, I will listen to everything in the family. The two uncles!"

Although it was strange to hear the words of the two at the same time, Yu Wensheng was already too panicked, and his words were shaking.

But there was a moment of silence between the two.

"It seems that you have already made a decision."

Li Yun's indifferent voice sounded, and then he moved his feet and came to Yu Wensheng at a speed that the three people on the opposite side could barely react.

"So fast!"

This thought flashed through Yu Wenji's mind, and he was so frightened that he waved his hands in front of him, but Li Yun's goal was not him.

"King Kong points!"

"Chuff!" Li Yun was extremely hard, pressing his impenetrable thumb on Yu Wensheng's dantian, and the masculine and mighty infuriating energy penetrated through his body, and Yu Wensheng's dantian was smashed into pieces.

Yu Wensheng opened his mouth and spouted a mouthful of blood. He didn't react at all, so he was abolished by Li Yun's Diamond Finger and his dantian was abolished.

"you you you!"

His dantian was dethroned, and Yu Wensheng, who was limp and weak, knelt on the ground with a shiver, his blood-red eyes glared at him, and he couldn't help but fainted.

Everyone was shocked.

Gong Qingyu opened her mouth in surprise, her boyfriend's hand just now was so beautiful!

Huang Lao nodded secretly, Li Yun's light work was a little higher than he had judged. From entering the hall, he reached a superb level!

"I still said that."

Li Yun clenched his fists, his indifferent eyes swept over the Yuwen family, and said: "You have committed sins and don't live. I hope you remember this sentence and don't provoke me, otherwise...the Lord of Hell will not be able to protect you. go away!"

The words were sonorous and powerful, and the two of Yuwen's family were actually forced by Li Yun's aura. They couldn't say a word, so they had their faces black and put on Yuwensheng and left.

Especially Yuwen Shangfu, he was an early congenital master, just now Li Yun suddenly shot but didn't react at all.

In other words, if Li Yun attacked him just now, Yuwen Shangfu would probably also be severely wounded by a palm!

"Ding, the host makes a choice, and the reward (reward justice value +100, random skill: Prajna palm (primary), white gift bag*3.) has been distributed!"

Li Yun was slightly surprised. The skill of Prajna Palm was not bad. Although it was stronger than Yiyang Fist, it was better than King Kong Finger.

Chapter 428: Prajna palm

Li Yun's current fist has a male fist, and his ***** has a diamond finger, plus a master-level light-gong sly footwork, and a wind-cutting sword technique, and finally a prajna palm, which can be described as a fist, a foot, a sword, a sword... well, it's just a sword. The law is perfect!

Of course, Li Yun still has master-level spiritual resistance, high-level steel and iron bones, plus the mighty Nine Sun Heavenly Scriptures, and his strength has long been inferior to the innate realm master!

"Li Yun!"

Gong Qingyu happily stepped forward and held Li Yun's hand, holding his thumb in her little hand and looking over and over, "Are you okay? You just used a diamond finger? Have you learned Buddhism? "

"Ahem, don't ask about that."

Li Yun turned the subject and smiled: "I didn't scare you just now, right?"

He knew that he would be crazy when fighting, indifferent and full of murderous intent, and most people really couldn't bear his murderous intent.

"No." Gong Qingyu smiled and shook Li Yun's arm. "I think you are doing a good job. After all, being kind to the enemy is cruel to yourself. The bad guys like Yu Wensheng should make him stop in the future. Do evil!"

Can't do evil anymore? Castrated? This is a good idea.

Gong Lianyi smiled and shook her head, with a very gentle expression, and asked curiously: "Li Yun, who did you just say about the Lord of Hell Palace--?"

"I just mentioned it casually."

In front of Mr. Huang, Li Yun didn't want to say more. This was a vocabulary he knew from the mouth of the old man Tianyin. It seemed to be the abbreviation of the man of Taishan in hell. Tianyin old man servicing the little ghost mentioned this word when he stalked his life.

After Yu Wensheng and the others left, Zhang Mingcai opened the door in fear, and he was relieved when he saw that they were Li Yun.

"Dad, who are these people?"

A little loli poked her head out. It turned out to be Zhang Ming's daughter, who was only 6 years old this year.

Li Yun and a few people went in and sat for a while. After asking, they learned that Zhang Ming's wife was not in good health. Although it was not a major problem, she had been suffering from backache and waist. In addition, Xiao Loli was about to go to school, which caused a huge expense stand up.

So Zhang Ming gritted his teeth and went to the street to beg for his daughter, but he couldn't pull it down, so he blocked his feet with an iron plate.

After Gong Lianyi learned about it, he gave them a large sum of money, which was taken out of Yu Wensheng's ten million—originally wanted to give it all, but Zhang Ming insisted not, saying that three million would be enough for his family. Life is rich, no matter how much it is, it is a curse.

Yu Wenji went back to the hotel where he was staying with a calm face, and threw Yu Wensheng on the sofa. He woke up with a cry of pain after falling.

"I am..."

Yu Wensheng clutched his pubic area, but after a while he recovered, and suddenly screamed.

"Uncle Clan, you must avenge me!"

"okay!"

"That kid Li Yun, I must kill him, I must slash him a thousand times, I want to... slap!"

Yuwen Shangfu slapped him angrily and shouted angrily: "I told you to shut up, didn't you hear it? Waste!"

Yu Wensheng's face was pale.

Before returning to the family, he already felt the treatment of being a waste.

The former Yuwen Shangfu loved him so much, let alone slap, he didn't even scold him.

But now Yuwensheng Dantian has been abolished, and his uncle slapped him without saying a word. He didn't treat him as a human being. The difference in treatment before and after was too big!

Yu Wensheng turned to look at another clan uncle, Yu Wenji.

"No one is allowed to reveal anything about tonight!"

Yu Wenji took a sip of tea annoyed, not only did not help Yu Wensheng to speak, but also looked at him with indifferent eyes.

Chapter 429: In the middle congenital period, Gong Qingyu

"Uncle Clan!!"

Yu Wensheng's face paled a bit.

Not allowed to reveal it means that he can't find the elders of the family to avenge him!

"Nephew Sheng." Yu Wenji's tone eased a little, "I know you have been wronged tonight, but it will be no good for you and me to disclose this matter. Obedient, let's stay in Zhonghai City first, and wait for me and You, Uncle Shang Fu, find a chance to kill that boy Li Yun, and there is no proof, we will go back again!"

"Yes!" Yuwen Shangfu quickly understood what Yuwenji meant, and said: "As long as Li Yun is dead, no one will know what happened tonight."

"Uncle Clan!"

"Okay, you go to rest first, stay in the hotel until you recover from your injury, don't go anywhere."

The two left with a cold face, and took away Yu Wensheng's cell phone, and the hotel phone was also cut off, which was tantamount to a house arrest!

Yu Wensheng furiously smashed in the hotel room.

Why didn't he understand the two people's intentions?

Yu Wenji didn't dare to kill him, but he kept the matter down for the time being, and later brought him back to the family. At that time, even if the nasty things they did tonight broke out, but because they missed the time, there would be no transmission. What impact.

The purpose of the two is to preserve their reputation!

As for Yuwensheng, a waste person doesn't need to care anymore, as long as he doesn't kill him, no one in Yuwen's family will stand up for him!

All of this complied with Li Yun's words, committing sins and not living.

"Li Yun, I broke through!"

On Saturday, Li Yun was lying on the soft sofa while he was idle, chatting with Gong Lianyi and chatting with Fang Xue and others on the Internet. Suddenly, Gong Qingyu rushed in happily and pounced on him. Li Yun's soft body touch made Li Yun's heart shake.

"Breakthrough?"

"Yeah!" Gong Qingyu smiled like a flower, couldn't bear the excitement in his heart, and didn't care that her aunt Lian was by her side. She leaned down directly and put a girl's fragrance lip print on Li Yun's lips.

"Thank you, Li Yun!"

Gong Qingyu looked at him with a blushing face. Li Yun gave him a comic plot outline that was said to be capable of fire a few days ago, called "Qin Chao Mingyue", and a pill that was said to be able to regulate the body of a congenital master.

Leaving aside the cartoon outline, Gong Qingyu has been able to feel the changes brought to her by the pill in the past few days after taking that pill.

She broke through her innate at the age of 16. Although she was extremely talented, her foundation was a bit unstable. Originally, Gong Qingyu predicted that she could reach the mid-innate period at the age of 20, and before the age of 25 to the late innate period.

However, Li Yun's medicine directly made the zhenqi in her body extremely thick, and breakthroughs were only a matter of course!

Feeling the beauty of the girl's fringe, Li Yun licked his lips, "Qingyu, verbal thanks are not enough, you need to thank your lips!"

"Ah...hmm, badass, Lian and Aunt Lian are still with him."

Li Yun blocked all of Gong Qingyu's resistance, and hugged her enthusiastically.

Gong Lianyi had already closed her eyes shyly, but wanted to see how the two of them did. After tangling for a long time, she opened her eyes slightly.

Then.

Close again immediately!

This is too shameful!

She never thought that the emotional exchanges between lovers and lovers would be so sweet and fragrant. If Gong Qingyu was replaced by her, how would she respond...

"Report, report!"

The maid Dong Zhimei ran up to the third floor panting and came to Gong Lianyi's study. Standing at the door, she suddenly saw a scene that made her completely dumbfounded.

Chapter 430: Mysterious people appear

Her young lady, the cold daughter of the palace family, was kissing a handsome man.

And another great beauty of the Gong family, a master of the late innate and also the elder of the Gong family, Gong Lianyi was watching her across from the two.

This indescribable picture made Dong Zhimei directly dumbfounded.

Although the interaction between Li Yun and the two palace beauties in the past few days, Dong Zhimei had already anticipated this, but she was shocked by seeing it with her own eyes.

Could it be said that the two golden flowers of the palace must marry the same man?

Dong Zhimei is sure that if this is spread out, it will definitely cause an uproar in the arena!

"You badass!"

After hearing the voice of the maid, Gong Qingyu recovered from the drunken state, and immediately hammered Li Yun's chest with a small pink fist, with an overwhelming expression on her face.

"Ahem, nothing!"

Li Yun held her small fist and said to the maid standing at the door sternly: "Your young lady broke through to the middle congenital stage and was in agitated mood. I just checked the stability of her cultivation level. Okay, what do you have? Do you want to report it?"

Dong Zhimei couldn't help but want to complain.

You are an acquired little weak scum, where is the confidence to ask the young lady to check the cultivation level? I'm afraid it's not a check on your health, right?

Or check the mouth?

Before the age of twenty-five, Dongzhimei, whose mind was still the same as that of a girl, began to think about it.

Gong Lianyi's face was flushed, she took a few deep breaths, tried to suppress the shyness in her heart, tried her best to calm her pounding heart, and asked: "Dongmei, what's wrong with you being so impatient just now?"

Dong Zhimei has a weird face. Aunt Lian sits in this mansion and is the backbone of dozens of people in the mansion.

Unexpectedly, Aunt Lian was watching the closeness between Li Yun and Gong Qingyu just now, saying that there was nothing in it, Dong Zhimei definitely didn't believe it!

"That's right, Aunt Lian, the person who followed Mo Liang said something is happening!"

"Oh?!"

Speaking of business affairs, Li Yun immediately reacted, "Talk about it in detail!"

"Yes!"

Facing the future uncle, Dong Zhimei did not dare to neglect, she was about to speak, and suddenly woke up: "Miss, have you broken through to the mid-innate period?!"

Her tone was full of surprises and surprises, Gong Qingyu nodded with a smile, Dong Zhimei was overjoyed, and almost took out the phone to report the good news to the mistress.

At the age of 18, reaching the mid-innate period, looking at the whole arena, they are all top-notch existences, and there has not been a single super genius for decades!

It's just that she is strange, why did the young lady and Li Yun immediately broke through when they talked about love?

"Sister Dong, let me talk about what you want to report first." Gong Qingyu interrupted her thoughts, and Dong Zhimei returned to her senses and quickly told everyone the information she had received.

It turned out that after Mo Liang was released, he had been in a depressed state. He didn't call a mysterious person until half an hour ago.

On the phone, Mo Liang was scolded with ***** heads, and then told by a mysterious person that he should come somewhere and tell in detail what happened in the mansion.

"How does he call that mysterious person?" Li Yun asked.

"Master Yu!"

"Last name Yu?"

Li Yun frowned. Previously, he guessed that the Gu worm was a ghost of Shi Taining, but now it does not seem to be.

But it's almost the same. In Huang Xuan's country, people who know Gu worms can almost tell that they are all disciples from the Six Demon Sects.

Unless the people of Hidden Sacred Valley also use this stuff, it must be related to Shi Taining!
