Chapter 4311: Future vision

"Is that mountain? I don't know how big it is, but I think...in my imagination, near the foot of the mountain and halfway up the mountain, near the road, is the medical hall, used to receive patients, and the top of the mountain is me... No, it's where we live."

Shangguan Lingxian changed his words again and said that I was us.

Because the source of funds for renting that mountain came from the Fairy Society, and even if it wasn't, Shangguan Lingxian would not regard the mountain as hers, but as the sisters in the group, and Li Yun. , The property of this big family together.

"Hee hee." Hu Xiaomeng made a cute expression, did not refuse the meaning in Shangguan Lingxian's words, and the women also followed by acquiescence.

In the future, that mountain will be dominated by Shangguan Lingxian, but they can also go wherever they want to play.

"We live on the top of the mountain. You can build a few more buildings, or build a two- or three-story big house without too many rooms. Anyway, you don't usually live there, just one, two or three big rooms."

Shangguan Lingxian blushed a bit, but she also knew that Li Yun's villa and mansion had a large bed of more than 50 square meters, which made him and the sisters in the group mess around. It is said that there have been...Anyway, many people .

"Okay!" Su Muxin finally went online. Like Hu Xiaomeng, she likes to mess around. She will definitely have no worries about topics.

"Then the back mountain is my plantation, and another garden will do, just near the top of the mountain."

"Would you like a hot spring pool?" Fan Linglong asked.

"Huh? That mountain has a hot spring pool?"

"Nothing can be done, haha, you will understand when the time comes, @绾妮服饰, come and work with me~."

"@清雅, @清妃, you go." Wan Nishang retorted, but was still dragged away by Fan Linglong... The four went to find Gong Lian Yi Gong Qingyu and they talked about it, and they started to do it in two days. Get it done.

The heated discussion finally ended, and the mountain was also named Lingyao Mountain, but in fact, the people in the group preferred to call it Back Garden.

It means, the back garden where everyone has fun.

After seeing the discussion, even the little princess Yongning said happily that she can go to the back garden to help sister Lingxian grow herbs together. No one will bother and she must be very happy.

After seeing their discussion, Wan Nishang finally stopped lingering and speeded up their work with Fan Linglong, trying to get it done in two days.

"Thank you, thank you everyone!"

Shangguan Lingxian thanked them from the bottom of their hearts. After talking with them, her troubles disappeared.

It doesn't matter whether Xiang Berry will simply stay with her in the future, or stay with her in Li Yun's big family, there is no problem. The sisters in the group are very tolerant and give her the greatest kindness.

"thanks?"

When Shangguan Lingxian was chatting, he couldn't help but say something, so that Li Yun could hear it. He didn't go to see the affairs of the Fairy Society, and he hadn't seen it once.

Shangguan Lingxian raised his eyebrows with joy, but quickly tightened his small face and turned his head with a hum: "Nothing, no...In short, Xiang Berry will follow me to Zhonghai City in the future!"

"Isn't that right, you still play a temper with me?"

"Hee hee, sorry, my fault."

"Is it useful to just say sorry?"

"Then...this way?"

Shangguan Lingxian stood on tiptoe and stamped Li Yun's face with his soft lips, but Li Yun didn't calm down and stared at her. Shangguan Lingxian had no choice but to move his lips to his lips.

Then, she was held by Li Yun's waist again.

Chapter 4312: Lingxian's decision

At the end of the kiss, Shangguan Lingxian's blurred eyes were moist, and he hugged Li Yun's neck. Those beautiful eyes were full of tenderness and honey.

Seeing that Li Yun really wanted to lift her up, go back to her cabin, close the door, and be intimate with her.

"...Badass."

As if seeing the overbearing and aggressive expression in Li Yun's eyes, Shangguan Lingxian's blushing face became a bit more shy, but he did not escape. He just lowered his head, bit his lip, and waited for his next move.

It seemed that even if Li Yun took her by the hand and took her back, she would not object.

The Shangguan Lingxian at this moment is really a submissive little daughter-in-law appearance, making people want to love her at the same time, but also want to bully her.

"Lingxian." Li Yun gently hugged her slender waist, pressed his forehead against her, and called out softly.

"Um....."

"We, that matter..."

Shangguan Lingxian's face turned red, and she couldn't help struggling a little. The reservedness and shyness of her heart made her unable to listen to Li Yun to continue.

"Haha, don't worry, I mean, wait until the evening!"

Li Yun took her hand and continued walking with her on the tree-lined gravel road of Tiandan Gate, surrounded by birds and flowers, the sunshine was just right, and there was no one, so they could talk about some secret things.

"If you don't want to, we'll just wait, I'll go back to Shangguan's house with you."

Shangguan Lingxian is a daughter of the Shangguan family of the four major families of the rivers and lakes. Shangguan Ming is her elder brother and relative. However, she did not stay in the Shangguan family to grow up and practice, but worshipped under the Tiandan sect.

This is also one of the reasons why she can have a transcendent status in Tiandanmen, after all, there is Shangguan's backing behind her.

"However," Li Yun looked at her apologetically again, and said, "If you want to get married and then take the last step, I'm afraid it will be more difficult. After all, I'm still in school. You don't want to put on a wedding dress now, right?"

Shangguan Lingxian blushed and shook his head, and then carefully looked around to prevent anyone from eavesdropping on these shameful things.

The last step in Li Yun's mouth, she knew what it meant.

"What do you mean?" Li Yun shook her little hand, chuckled, and scratched her soft palm with his fingers, which meant it was self-evident.

Shangguan Lingxian's cheeks burned like fire, and after summoning the greatest courage of his life, he said in a thin voice, "I... can I still refuse?"

"Uh-huh." Li Yun didn't answer this question. Whether she could refuse it or not depends on whether she is determined.

After all, if it takes a few years to eat such a gentle, kind and beautiful spirit fairy, Li Yun will also be very reluctant, and can't bear it, let alone let her stay alone for several years, right?

Shangguan Lingxian's face was flushed with blood, and Ai Ai said in expectation: "You, you villain... pervert, I know all in the group, and sister Fang Xue and sister Qingyu...you are acting wrong!"

The shy psychic fairy accused herself of misbehaving, Li Yun's heart was shaken and he gave her a hard kiss.

"Ah!"

"Mischievous, isn't it like this?"

"Necrotic you...I haven't finished it yet!"

"I am listening."

Shangguan Lingxian's face flushed and he was ashamed: "You, you...you are like this, can I still refuse? Will, in the future, I will go to live in Zhonghai City again, and I will still be by your side... let alone escape. It has to be opened."

Li Yun raised his eyebrows and looked at the shy beautiful fairy in his arms, "Meaning, the spiritual medicine fairy who can't escape, intends to dedicate himself tonight?"

Chapter 4313: Beauty and beauty

Shangguan Lingxian covered her red cheek, and the villain could see through her mind.

Rather than go to Zhonghai City and play around with the girls with Li Yun, it is better to be at Tiandanmen, where she can be called home—at least before, her home will become Zhonghai City in the future. .

In Tiandanmen's home, with him... In short, all the wishes of this big satyr, lest he keep thinking about it.

It's necrotic.

Li Yun gave a chuckle, took Shangguan Lingxian's wrists, removed her jade hands, and then kissed him.

The shy spiritual doctor fairy, at such a moment of intimacy, instead let go a lot, as if it was because of the confusion, how intimacy came anyway.

After another kiss ended, Shangguan Lingxian looked at Li Yun with something different than before.

She had already told him what she wanted, even if Li Yun picked her up, held her back home, and closed the door, Shangguan Lingxian would not refuse.

Now there are still several hours before the evening meal, which is the time when Fragrantberry finds it.

"Not urgent."

Li Yun hugged her slender waist again, and walked with her at Tiandanmen, looking around at the scenery: "Let's talk about it at night, now we only have one task, which is to take a good stroll around the place where you have lived for more than ten years, etc. Tonight, again..."

In the evening, Shangguan Lingxian was fully prepared for what would happen, her footsteps were a little soft, and she was hugged by Li Yun and walked forward. She regained her strength after walking a long distance, but her face was still very ruddy.

She was so embarrassed that she didn't dare to face her senior brothers and sisters at all.

Fortunately, Li Yun also had no intention of letting outsiders appreciate the moment, Shangguan Lingxian's shy and charming attitude, so the two of them avoided the crowd and wandered around Tiandanmen.

By the way, I found some unmanned corners, and the two hugged each other to talk love and affect each other.

Finally, Li Yun took Shangguan Lingxian to the top of a mountain near Tiandan Gate, sat on a large rock, and watched the setting sun.

"What a nice view."

The clouds on the horizon were lit by the setting sun, and the afterglow of the setting sun shone, Shangguan Lingxian leaned his head against Li Yun's chest and muttered.

"No matter how beautiful, there is no fairy beauty in my house."

"Humph~~~"

This afternoon, Shangguan Lingxian listened to countless love words, and now he was somewhat immune, although he was still very happy.

Li Yun and Shangguan Lingxian looked at the sky together. The clouds just floated above the setting sun, showing a magnificent scene, which was red and red, and it was indeed beautiful.

But the beautiful scenery can only set off people's hearts. Watching the sunset with the people around you is the key to the beautiful scenery.

"Li Yun."

Shangguan Lingxian whispered, looking at the setting sun, as if already intoxicated in the afterglow.

"Um."

"Do you remember when we met?"

"Of course, I don't dare forget this if I forget anything."

Li Yun put her arms around her waist, Shangguan Lingxian shrank and got into him. She especially wanted to recall the past, and she didn't know why.

Maybe it was about to hand over himself to him at night, so Shangguan Lingxian was a little bit worried about gains and losses at the moment.

"At that time, we met because of Song Yuan, right?"

"Song Yuan!"

Shangguan Lingxian struggled quickly and stared at his magma: "Then do you remember Song Yuan's sister?"

Chapter 4314: About Song Xi

Li Yun was silent for a while, "Of course, she is also your sister."

"Well, Song Xi... miss you a lot."

Shangguan Lingxian hesitated, but he still spoke out.

Song Yuan's younger sister is Song Xi.

Once imprisoned by her uncle in an attic of her house, her uncle tried to occupy her family's property, but Li Yun arrived and rescued her with Shangguan Lingxian.

For this reason, Song Xi's favorability towards Li Yun is full, but there is no big red envelope, only small red envelope.

But Li Yun would not ignore these, in fact, he always remembered it, but...

The relationship between him and Song Xi is really shallow. They only met a few times, and Song Xi went to school abroad, and it was not easy to come back and talk to him more.

It was only about an appointment that Song Xi would be his secretary after graduation.

"she....."

Li Yun hesitated, and finally made up his mind: "If you have time during the winter and summer vacations, you can go to Zhonghai City to find me. You will be in Zhonghai City in the future. You can talk more with your recognized sister."

"it is good."

Shangguan Lingxian showed a smile. It was enough for Song Xi to agree to this. Her sister had experienced a life and death separation from her parents, and because Li Yun's elixir resurrected her parents, Song Xi's current requirements for life Very low and very low, I just want to be with my parents and relatives, even if I follow Li Yun, I just follow silently, not dare to ask too much.

Shangguan Lingxian took out his cell phone and notified Song Xi of the news, and then he simply called and asked Li Yun to talk to her.

It can be heard that Song Xi, who was studying abroad, was very excited after hearing Li Yun's voice. After learning that he could go to Zhonghai City during the winter and summer vacations, he was even more nervous and excited.

"Well, waiting for your winter and summer vacations, you will come to me again, and your sister to play, we are all in Zhonghai City."

"Hmm, then... I won't bother you anymore, I'll talk next time, I will have summer vacation in July... It's about the same as in China."

"it is good!"

"Take care of your body."

"Yes, sister~."

Song Xi's tone became a lot more brisk, making Shangguan Lingxian who hung up the phone very satisfied, as if he had solved another very important matter, and he kept crawling around in Li Yunqi, and his laughter became too. Very happy.

Li Yun hugged her, not to mention that Shangguan Lingxian's daily clothes were loose-fitting skirts and horse-faced skirts and other ancient costume skirts. If you really want to hold her, if you have

time to slowly feel the body of Lingyi fairy, You will find that her figure is actually very predictable.

The amazing figure hidden in the fluttering dress, although still no match for Feiyao, who was a childish giant, but for the girl next to Li Yun, she was ranked second.

"Bad!"

Feeling Li Yun's restlessness, Shangguan Lingxian's face blushed again, and the soft, affectionate, wet eyes looked at him, but this time Li Yun didn't have the patience and looked straightforwardly aggressive. Hold her.

Shangguan Lingxian knew that this guy was going to transform into a wolf at night, so she wanted to run away quickly!

"We... Let's go back soon, Fragrantberry might be waiting for dinner!"

"It's not too late to go back after a kiss, come."

"Woo, badass Li Yun."

Shangguan Lingxian was hugged by Li Yun, so he could only obediently raise his head, and repeatedly intimacy with Li Yun.

When the sun on the horizon was completely down, Li Yun was satisfied, put his arms around her slender waist, and took her several leaps back to her herbal garden.

Chapter 4315: Long hair waiting to be married

"what!!"

As soon as Li Yun and Shangguan Lingxian landed, they heard Xiaoxiangberry's surprised screams. Fortunately, she quickly saw that it was the two of them. Then she patted Xiaohe's pointed chest, breathed a sigh of relief, and said, "Sister Lingxian, Li...yun, you're back, scared me."

She paused when she talked about Li Yun, her face flushed slightly, Shangguan Lingxian keenly noticed this situation, but compared to before, she is now quite calm.

"Um."

Shangguan Lingxian left Li Yun's arms, went forward to hold Xiang Berry's little hand, and blinked at her: "Fragrant Berry, we will go to live in Zhonghai City in the future!"

"Ah...? Didn't you decide before? Is it going to leave tomorrow?"

"No, no, the day after tomorrow."

"The day after tomorrow."

Li Yun corrected Shangguan Lingxian's words, which made the two women a little happy. They still wanted to stay at Tiandanmen for one more day, at least after the matter was finished.

"Let's go, let's cook, you two will help me."

"what!"

"Ah what, I haven't made alchemy tonight. Of course, I'm here to help me, Xiaoxiangberry, don't be lazy, you eat the most."

"What? No, sister Lingxian eats the most~"

"Xiaoxiangberry framed me~"

The three of them went into the kitchen, made dinner, and happily ate dinner at the herbal garden in front of the wooden house. Fragrantberry rested for a while before getting up to leave.

"Whee."

Xiang Berry's face was red, and she covered her mouth and looked at Li Yun and Shangguan Lingxian: "I, I won't disturb you tonight, sister, come on~"

"Huh? What do you do?"

"Just...trying to be a child~"

Shangguan Lingxian was stunned, his face flushed red, but Fragrantberry took the opportunity to abandon it.

"Going to death, Xiang Berry, come back!"

"No, Li Yun, remember not to let Sister Lingxian go~"

She is getting bolder and bolder now.

But.

After Xiang Berry left, Shangguan Lingxian was a little restless. He kept moving, and his eyes turned wildly. The blush on his cheeks had never disappeared, and he was always flushed and shy.

Li Yun smiled lightly, cleaned up the dishes, and took Shangguan Lingxian to the house, turning her into a lamb. When Shangguan Lingxian was too embarrassed to open his eyes, Li Yun was so embarrassed that she did not dare to open her eyes. He hugged her solemnly, and carried her into the bathroom at the back of the house in a princess hug posture.

".....what!"

Feeling the hot water pouring down, Shangguan Lingxian finally opened his eyes. Before he could confirm whether this was a bath room, he saw Li Yun standing in front of her.

At a glance, Shangguan Lingxian saw Li Yun's figure with perfect muscle lines, her pretty face became even redder, she hurriedly closed her eyes again, and turned her head away.

Already have the meaning of hiding ears and stealing bells.

Li Yun watched with great joy, shy and moving, and the soft and charming Shangguan Lingxian was right in front of him. It was really...not enough to look at.

Can't describe it either.

"Lingxian, wash your hair first when you take a bath, right?"

".....Um."

Isn't this a normal bathing procedure? This villain must be teasing her!

"Come on, I'll help you wash your long hair, Lingxian's beautiful long hair."

Li Yun came behind her, picked up her black hair that was scattered behind her, and gently scrubbed with shampoo.

Shangguan Lingxian softened quickly, his eyes opened, and he quietly felt this kind of emotional exchange.

Until Li Yun washed her again, Shangguan Lingxian put his arms around his neck again, was wrapped in a large towel by him, scrubbed clean, and was carried back into the house by Li Yun.

Chapter 4316: Mrs. Lee

finally.

"Lingxian, I love you."

"Well, I love you too, I love you very much... Li Yun."

A tear appeared at the corner of Shangguan Lingxian's eyes. Looking at him, the two looked at each other for a long while before Shangguan Lingxian slowly closed his eyes, preparing to welcome the wind and rain.

Li Yun smiled softly, hugged her, and then became intimacy with her, waiting for Shangguan Lingxian's frowning brows to relax before moving with her.

Xiang Berry, who returned to his residence, glanced out the window, tilted his head, and wondered how the current sister Lingxian was?

Happy or unhappy?

She doesn't know, let's check it out tomorrow.

...

On the second day, Xiang Berry got up early, but she didn't dare to go directly. She dared to go to the herbal garden of sister Lingxian and came to the wooden house.

Xiang Berry put her ear on the wooden door. Fortunately, she listened for a long time, but did not hear any special movement inside.

Of course, sister Lingxian did not get up either.

In the past, it was 6:30 at most—it was around 7 o'clock in winter. Sister Lingxian must have gotten up early in the morning. Sister Lingxian was already pouring herbs, weeding and fertilizing, and then eating breakfast. At the time of the day, after eating breakfast, Sister Lingxian would start reading, studying, or cultivating, instead of closing the door at 8:30.

This also made Xiang Berry affirmed one thing: Sister Lingxian became Mrs. Li, hehe.

Inexplicably, Xiang Berry did not feel sad, but was happy for Sister Lingxian.

She could also see that the relationship between Lingxian Sister and Li Yun was very, very good. The two eagerly kissed each other on the first day when they met. Could the relationship be bad?

Secondly, Xiang Berry also felt that since Lingxian Sister will go to live in Zhonghai City and live next to Li Yun, something will happen between the two people sooner or later. It might as well be here. At least Xiang Berry can know about it. , For Sister Lingxian, this is also a familiar place for her, and it will be easier in her heart.

"Well, sister Lingxian hasn't gotten up yet..."

At nine o'clock, Fragrant Berry had poured water into the herbal garden once using the wooden bucket and wooden spoon outside the house, but sister Lingxian's room door was still tightly closed.

This had to make Xiang Berry start a mess of associations. Sister Lingxian and Li Yun last night, wouldn't it be until two or three o'clock to go to bed?

However, after 9:30 before seeing Sister Lingxian come out, Xiang Berry finally couldn't help it.

She stepped forward, opened the door with a small amount of force, took a look at the room, her eyes widened suddenly, and she yelled!

"You got a thief?! How could it be?! Tiandanmen...how could there be a thief."

Sister Lingxian's door is unlocked, and generally speaking, no thief will break in. Otherwise, he will definitely be chased by the gangsters.

But sister Lingxian's house was so messy.

The table was knocked to the side, the chair was kicked into the corner, there was a strange but not unpleasant smell in the room, and there was a vaguely fragrant smell, which was very messy.

"Sister Lingxian!"

Xiang Berry hurriedly came to the open door of the inner room and looked inside. It was messier and more terrifying than the thief. All kinds of clothes were thrown around, quilts were also spread on the ground, and...

"Lingxian... Sister?"

Xiang Berry was stunned. She saw sister Lingxian and Li Yun, sleeping on the ground, covered with a quilt, strangely laying on the floor.

Chapter 4317: Blame you

It wasn't until Xiang Berry saw the scene on the bed of sister Lingxian that she finally understood why she was laying on the floor.

Because I can no longer rest there, the boards are broken, and I don't know whether it is because of disrepair or because of the great strength.

However, Sister Lingxian is the great sister of Tiandanmen. Even if she lives in a small wooden house, the bed is theoretically the best, and it is unlikely that she will fall into disrepair for a long time.

Then there is only one possibility.

"..."

Xiang Berry's face turned redder, but she did not leave. Instead, she was stunned on the spot, looking at Li Yun, who was holding her sister Lingxian, slowly opened her eyes, and stared at her.

"...Morning." Li Yun couldn't laugh or cry, and said hello to Xiang Berry.

"morning....."

Both of them said early, but their meanings were quite different, and their expressions were very strange to each other.

Xiang Berry stared at him for a long while, then laughed chuckles, but soon stopped, and asked fiercely: "Why are you doing this, making the house look like a thief, what happened last night? thing?"

After all, she was still a young girl in the cardamom years. She thought of the reason for the broken board, but she didn't know the reason for the mess in the house.

Li Yun couldn't laugh or cry, just as he wanted to let her go out, Shangguan Lingxian finally woke up.

Then she saw the fragrant berry.

She, Shangguan Lingxian was stunned.

"Lingxian... Sister."

Xiang Berry stood at the door stubbornly, but didn't leave.

Shangguan Lingxian opened his mouth, and said in a hoarse and dry voice: "Xiangberry, you... why are you here?"

"It's getting late, it's half past nine, sister, what's wrong with your throat?"

"It's not because of... him."

Shangguan Lingxian's body was blue and purple, and he couldn't lift much strength anyway, and his throat became dumb, but Li Yun was the fault of this!

Xiang Berry took a deep breath, "Sister Lingxian, get up first, I'll clean up the house for you, you get up... it's okay, just treat me as your sister's maid."

She probably guessed something, she felt sorry for sister Lingxian very much, and blamed the villain Li Yun!

"Well, I'm all to blame."

Li Yun is very frank, because he is indeed to blame.

However, if he wants to blame anyone else, then blame Shangguan Lingxian for being so beautiful, especially last night, because she was so beautiful that Li Yun was so beautiful that he went into the morning with her without knowing it.

Fortunately, Shangguan Lingxian is now not only the consummation realm of the innate realm, but also has some mana.

"I'll help my sister to get up."

Seeing that Shangguan Lingxian was struggling, Xiang Berry hurried forward and helped Lingxian sister out of the quilt.

As a result, I saw scary traces.

She was so embarrassed that Xiang Berry blushed all the time, but she didn't expect to see Li Yun again, and she was even more ashamed.

The corner of Li Yun's mouth twitched. This girl cared about her sister. He couldn't say anything. He could only pretend that he couldn't see it. She stood up calmly and put on her clothes. It is to make some breakfast for the immortal.

Apart from other things, at least a bowl of thick chicken soup should be served to nourish the body.

Although Shangguan Lingxian's strength can actually be recovered soon, Li Yun can't afford to love his girlfriend at all.

...

After being busy, the neatly dressed Shangguan Lingxian finally returned to the table and began to eat breakfast, but Xiang Berry always stared at her, making Shangguan Lingxian a little shy.

Chapter 4318: More beautiful today

"Fragrantberry, what do you always look at me for?"

Shangguan Lingxian squeezed the lovely face of Xiang Berry and groaned.

But she doesn't know that she has many differences from yesterday's herself. Especially when she is coquettish, the charming charm of her eyes makes her trying to find the difference between Lingxian sister and yesterday. See After a while, he subconsciously said: "Sister Lingxian is so beautiful~!"

Shangguan Lingxian covered his mouth and smiled, "Fragrant Berry is also very cute."

"I'm serious... My sister is more beautiful today than yesterday."

Sister Lingxian became more beautiful, of course, because of Li Yun, Xiang Berry glanced at Li Yun quickly, her face turned red, and she quickly lowered her head.

She had seen his figure just now, perfect and handsome, no wonder sister Lingxian liked it, and she didn't fall asleep until morning with him, and broke the wooden board on the bed.

After taking a shower, Lingxian sister deliberately went back to the room to destroy the dead body, and used her space ring to put away the unusable bed. No one knew this except for the three.

Elder sister Lingxian who hides her ears and steals the bell is also very cute, hehe.

"Eat for dinner, didn't you eat the most yesterday?"

Li Yun took the soup spoon, spooned the chicken soup, and handed it to Lingxian's ruddy lips.

Shangguan Lingxian, who had just become a woman, or Mrs. Li's family, opened her mouth obediently and drank the thick chicken soup of love from her husband.

I was full of Fragrant Berry Dog Food and ran away after the meal.

She couldn't stay any longer, and if she stayed any longer, her eyes would be blinded by the tender affection between the two.

...

After Xiang Berry left, Li Yun and Shangguan Lingxian finished their breakfast. She got busy in the herbal garden. She didn't listen to her words. She also said that she was healthy and she didn't need to rest.

It is impossible for Li Yun to rectify her on the spot right now, but he has no choice but to help her, and the two of them take care of the herbal garden together, but from the happy smiling face of Shangguan Lingxian, it is worth it.

In the evening, after fragrant berry came for dinner, he left again.

As soon as she left, Li Yun was about to move, looking at Shangguan Lingxian with eager eyes.

"I... can't, can't."

Shangguan Lingxian waved his hand quickly, blushing in rejection.

"Why not?" Li Yun asked, "Are you still boasting that you are alive and well in the afternoon? Why are you tired now?"

"It's not you yet~" Shangguan Lingxian bit his lip, "I broke the boards, what's going on now..."

Her face flushed even more, as if she was reminiscing about what happened last night.

"Haha, what am I talking about, it's okay, I have a spare."

"spare?"

"Well, it's different from last night. This bed is high-quality, spring."

Li Yun explained the principle of the spring to Shangguan Lingxian. After pressing the spring hard, the spring would return to its original state. Shangguan Lingxian's eyes widened. If the spring was used to resemble what happened last night, wouldn't she also bounce. go?

"Lingxian, let's go."

Li Yun said softly, holding her little hand.

".....Um."

Shangguan Lingxian blushed and was held by Li Yun and went into the back room. He quickly became as drunk as he did not know where he was. He only knew that he would hold Li Yun, hold her lover, and stay together forever. .

Xiang Berry woke up early the next day and was leaving Tiandan Gate tomorrow. She was especially worried, so she ran to the herbal garden early in the morning.

After seeing the wooden house she was used to, she did not bother, but diligently watered the herbal garden. She had already told people that after sister Lingxian left with her, someone would take care of this herbal garden, at least to harvest A batch.

Chapter 4319: Go back tomorrow

However, Xiang Berry was absent-minded, and while watering the herbal garden, he frequently looked inside the wooden house, as if seeing the scene of Lingxian sister and Li Yun talking about love in the house.

Let her feel bad in every way.

It's not jealous or happy, but feels stupid, and the distance from sister Lingxian suddenly widens.

Sister Lingxian has been married and has become a woman. Although she is still an older sister, she has a husband in her heart. She is still close to her, but there are other things that are different.

Fragrant Berry was thinking about it, and after nine o'clock, he went to open the door of the wooden house, only when he approached, the neatly dressed Shangguan Lingxian walked out.

"Xiaoxiangberry, early." A blush appeared on Shangguan Lingxian's cheeks, trying to pretend to be calm, but the charm and shame on his face couldn't be concealed.

After all, she slept until three poles before getting up today.

Although it was a "newly married Yaner", it was like this for two consecutive days. It gave Shangguan Lingxian a feeling that she was also degenerate. The key is that she still enjoys it and feels ashamed to think about it.

"Morning, sister Lingxian~."

The blushing and shy Sister Lingxian made Xiang Berry a little closer, and she got into the room again to clean up the traces of the battlefield for Sister Lingxian last night. Shangguan Lingxian did not refuse.

Then, Xiang Berry saw the box-spring bed that had become cleaner. She didn't know what it was for for a while. After sitting on it, she felt it swayed and it seemed to be very comfortable to sleep.

But the fragrant berry does not understand the mystery.

Only the Shangguan Lingxian who has experienced it understands that this kind of bed is really slick, and it is strange that people will move up and down with a little effort on it.

"Fragrant berries, let's have breakfast, these... won't clean up!"

Shangguan Lingxian took the stunned Xiang Berry and went out, and she was ashamed to let the little girl stay here.

Xiang Berry couldn't help but glanced back, before going out with sister Lingxian blushing.

It seemed... very powerful, no wonder Lingxian sister got up so late again.

After a simple breakfast, Shangguan Lingxian pulled Xiang Berry and refused to leave her, lest the villain Li Yun would be messed up again.

However, after eating lunch, Xiang Berry ran away, allowing the two to enjoy the time together as a couple again.

"Don't mess around!"

Shangguan Lingxian was very vigilant, and Li Yun was also innocent: "I just want to hold hands with my wife and walk around the Tiandanmen. This is also called chaos?"

Shangguan Lingxian blushed and snorted, "Who told you to be like that last night...like this or that, you don't have to be messy today, nor tomorrow, I'm going to sleep with Fragrantberry tonight!"

"Who springs the bed?"

"You're dying, don't talk about last night again!"

Shangguan Lingxian chased Li Yun to fight, and the two of them held hands while playing and walked inside the Tiandan Gate.

However, this time Shangguan Lingxian was holding a cell phone, chatting with Li Yun, and chatting with the sisters in the group, telling them something shyly, and communicating with them again...about Li Yun Experience of things.

Anyway, most of the people in the group were people who had been with Li Yun, and she was not afraid to talk about it.

It seems that the only one who has not been with Li Yun is the only one left, right? Not counting the words of Gong Qingyu's thinking maid and the maid Qingzhu beside Fan Qingsheng.

Only the Sanctuary of Vatican is left.

"Li Yun, let's go back tomorrow!"

Chapter 4320: Dating later

"Why are you so anxious?"

Li Yun embraced her slender waist and looked at her in surprise.

Shangguan Lingxian took the cellphone and said embarrassedly: "I see everyone in the group, although they always complain about you, complaining that you are too messy~"

Li Yun smiled, what should he do if he wants to mess around tonight?

"But," there was a blush on Shangguan Lingxian's face, as if he had also thought of the events of the past two nights.

"But what?"

"But everyone...the topic always shifts to you involuntarily. Although they didn't say anything, but I can see that everyone missed you very much, thinking about you going back, as if only you were back in Zhonghai City, and they were there. Mansion No. 3, or having fun in the villa became more interesting... so I thought, let's go back."

Shangguan Lingxian used it back instead of going to Zhonghai City.

It proves that she has regarded Zhonghai City as her future home, staying in that city for a long time, living with Li Yun.

".....Not urgent."

Li Yun thought for a moment, shook his head and said: "After saying that I will stay with you for a few days, that is, stay with you for a few days. I haven't seen you for so long, and if I've been alone for three days, they can understand. When I go back, I will stay with them will... go on a date with them!"

"Dating?"

Shangguan Lingxian was stunned at first, then his eyes lighted up, and he stared at Li Yun: "Then... do you have any plans to date with me?"

"Aren't we dating now?" Li Yun hugged her and kissed Shangguan Lingxian's soft and ruddy lips.

Shangguan Lingxian's eyes overflowed with joy, but soon he wanted to pout his mouth again, and said coquettishly, "No, not enough~, now we are walking, I also know what a date is like, or not? Play outside, go shopping, go to the mall, go to the pedestrian street, uh... the boyfriend has to buy milk tea for his girlfriend and watch a movie together."

Li Yun laughed and raised her smooth chin: "Is that the date is over, and I have to go to the hotel together?"

"Why are you going to the hotel?" Shangguan Lingxian tilted his head, there was no such thing in the books she had read.

"Just... open a room, two people, live together~"

"A room... badass badass!"

How could the Shangguan Lingxian, who became Mrs. Li through personnel affairs, fail to understand? He blushed immediately with shame.

However, before she became angry, Li Yun kissed her and eliminated all the protests of Shangguan Lingxian.

A long kiss lasted from noon to night, and the two got into a clean clearing in the woods, chatting and intimacy at the same time.

When he finally left, Shangguan Lingxian had to put on clothes, and he blamed that bad guy Li Yun, his hands and feet were not clean at all, and he was always messing around.

Back at the herbal garden, Xiang Berry had been waiting for a while, and seeing sister Lingxian's ruddy and charming appearance, she knew that she and Li Yun were going to have a love affair again.

Shangguan Lingxian's face blushed, and he quickly took Li Yun to the kitchen to make dinner for Fragrant Berry.

After dinner, Xiang Berry wanted to leave again, but Shangguan Lingxian held her alive, saying that he would sleep with her at night, and let Li Yun sleep in the living room again!

but.....

"One, let's go together, it doesn't matter."

Xiang Berry plucked up the courage, took Li Yun's hand, took him into the room of Lingxian sister, and actively proposed that the three of them should rest together tonight.
