

Godly Choice 4321

Chapter 4321: Not allowed to approach

The expression on Shangguan Lingxian's face became very strange. He looked at Xiang Berry and then at Li Yun, but he didn't take the initiative to express his opinion, just a...thinking look.

"Ahem."

Li Yunqing coughed, "I'd better go to live in the living room."

Xiang Berry blushed, and said: "I, I have no other meaning, just don't want... Sister Lingxian your... husband sleeps in the living room, the box-spring bed is so big, the three of us are completely enough. Besides...With Lingxian sister, do you still want to become a beast?"

Shangguan Lingxian chuckled. Originally, she wanted to prevent Li Yun from turning into a beast by holding the fragrant berry, but she didn't expect to turn her into the one to prevent it.

"Well, just sleep together... In the middle of my sleep, you sleep inside Xiang Berry, you sleep outside, you are not allowed to approach us~!"

Shangguan Lingxian softly agreed and took the initiative to pull up Li Yun, and took him into the room with Xiang Berry.

Can Li Yun object to it?

Only when he woke up the next day, Li Yun, who was originally sleeping outside the bed, felt that he had a petite body in his arms. He instinctively didn't feel like Shangguan Lingxian, so he opened his eyes. It really isn't.

The young girl Xiang Berry was lying in his arms, with one leg resting on him, hanging like a koala, her sweetly sleeping little face was slightly flushed, very cute.

Shangguan Lingxian was on the other side of her, hugging her with Li Yun.

In other words, the Fragrantberry, who was supposed to be sleeping in the bed against the wall, somehow ran to the middle of the two and hugged Li Yun...

"This....."

Li Yun couldn't laugh or cry, and cautiously tried to break the hands and feet of Fragrant Berry, but he couldn't break them. Instead, he woke up Shangguan Lingxian.

She opened her eyes, yawned, and when she met Li Yun's big eyes to her small eyes, she suddenly saw the fragrant berries in him.

".....what!!"

Shangguan Lingxian suddenly screamed.

Li Yun covered his forehead, and it was all right now, and Xiang Berry was also woken up.

The sleepy girl rubbed her eyes, and when she realized the situation, the little face became flushed and she hid in the arms of her sister Lingxian, not daring to look at Li Yun at a glance.

"Ah... Well, I'll get up first and make breakfast for you!"

Li Yun quickly turned over and got out of bed, but he did not expect that the man's unique imagination in the morning would be fully visible to Fragrant Berry. No matter how stupid the girl was, she knew why she looked like Li Yun. Her face turned red, but her eyes were forbearing. After watching it several times, he bowed his head shyly.

Li Yun pretended not to see it, and quickly put on his clothes and went out.

The remaining Shangguan Lingxian and Xiangberry looked at each other. Finally, Shangguan Lingxian chuckled and took Xiangberry's little hand and whispered something to her.

When Li Yun made breakfast, the two beauties came out. Xiang Berry's face was still a little red, but it was much better.

After dinner, Xiang Berry sat for a while before hurried away, leaving Shangguan Lingxian and Li Yun alone.

Li Yun was quite itchy, but it was a pity that Shangguan Lingxian was guarding him.

Li Yun didn't find a chance to be intimate with her until he got up to nap at noon.

The two of them were in the pavilion in the herbal garden, chatting about love, but Xiang Berry came unexpectedly. Shangguan Lingxian wanted to get up in a panic, but unexpectedly, Xiang Berry pretended not to see it, and was still diligent. Watering the herbal garden.

Li Yun, who was in Xingtou, simply continued to mess around with Shangguan Lingxian, let Xiang Berry see it.

Chapter 4322: In the pavilion

In the end, Xiang Berry was attracted by the things in the pavilion, blushing and walked to the side of Ling Xian sister. Finally, Li Yun hugged her slender waist, Xiang Berry's petite body fell into the arms of Ling Xian sister.

Then, Li Yun snatched her first kiss.

"Fragrant Berry..."

Shangguan Lingxian bit her lip and looked at the intimacy between her and Li Yun, but in the end he didn't say anything, closed his eyes and continued, let Xiang Berry feel what it was like to fall in love with Li Yun.

Under the pavilion, the three of them stayed together from afternoon to evening. The girl who gave her first kiss and kissed Li Yun at least hundreds of times at one go. She was so dizzy that she was so dizzy with her sister Lingxian. When Li Yun ended this mess, Xiang Berry was able to rest, leaning on Lingxian sister, watching the sunset with her and Li Yun.

"Li Yun...Sister Lingxian."

Fragrantberry murmured, touching her lips with her fingers, as if she couldn't believe why things were developing so fast and so smoothly.

She just took the courage and didn't leave the herbal garden, she saw the matter between Lingxian sister and Li Yun, and then took a closer look, and Li Yun snatched her first kiss.

Three hours passed directly.

"Regret it?"

Shangguan Lingxian held her little hand and looked at her distressedly. Xiang Berry was in love for the first time, but he had been intimidated by the villain Li Yun for so long, and the villain's destruction was endless.

Shangguan Lingxian actually felt a little quick, but when she thought of the way Xiang Berry looked at Li Yun before, and how Xiang Berry was reluctant to leave her, she seemed to understand why Xiang Berry was so bold before.

Perhaps, Xiang Berry's heart is very afraid of being thrown away, or being abandoned, right? That's why I stepped forward so boldly.

"No, not at all, really."

Xiang Berry used three sentences in one breath to prove that she would not regret it. She quickly glanced at Li Yun, then lowered her head, with a smile on her lips: "Sister Lingxian, and... Li Yun, I Actually, I am very happy now!"

"Because you like me so much?" Li Yun smiled.

Xiang Berry glanced at him in embarrassment, while Shangguan Lingxian gave Li Yun a roll of eyes.

"There are some...not many."

Xiang Berry blushed and replied, "I think... Li Yun, you are good at cooking and you are also very good to sister Lingxian. You must be a good man, so just..."

Just like you.

Shangguan Lingxian guessed what the girl was thinking.

"And oh~" Xiang Berry continued. This time, she looked at Sister Lingxian with shining eyes: "This way, I can continue to live with Sister Lingxian. It's great. , I don't want to be separated from Sister Lingxian... Sorry, I don't seem to have grown up, and I can't live without Sister Lingxian at all."

Shangguan Lingxian hugged her to comfort her and let her relax. It's okay. She is still young and will mature in the future.

Li Yun's face was weird: "How do you feel that Xiang Berry you like your sister Lingxian?"

"Yup!"

Xiang Berry confessed very happily, got into the arms of Shangguan Lingxian, and said with a smile: "I like Sister Lingxian the most. Even if you are, it's not as good as Sister Lingxian's status in

my mind, if you It's not good for Sister Lingxian in the future, I will definitely leave you with Sister Lingxian too, huh~"

After being kissed by him for so long, Xiang Berry also confessed his fate. Anyway, he will depend on him in the future, and he has to make good food for her from time to time.

Chapter 4323: No regrets

Both Shangguan Lingxian and Li Yun heard that Xiang Berry liked her as well as him. Because of this, they were very keen to participate and boldly joined the big family.

Shangguan Lingxian and Li Yun looked at each other, and Li Yun nodded to her, saying that she would let her speak.

"Fragrant Berry..."

Shangguan Lingxian squeezed her little hand, Xiang Berry looked at her and asked with his eyes, what's wrong?

"Sister actually... I'm sorry."

"what?"

"Let you be like this prematurely, what should you do when you grow up in the future? You may only really have someone you like in the future, such as a few years, until then..."

"elder sister!"

Xiang Berry interrupted her and said seriously: "I like my sister and Li Yun, no matter if I like it by men or women or girls, anyway, I like it. I...I want to live with you. Never want to be separated!"

"I'm serious, I'm not a kid, I'm not young anymore!"

Xiang Berry added, his face was full of stubbornness.

Shangguan Lingxian hesitated, but Xiang Berry looked at her stubbornly. Finally, Shangguan Lingxian sighed and rubbed her head: "Well, sister can't persuade you, but you can be by my side. But you are not allowed to talk about you and him outside."

"it is good!"

Xiang Berry agreed in one gulp, making Shangguan Lingxian dumbfounded: "I haven't finished talking about it, and I'm not allowed to talk about Li Yun's affairs, because I will have to regret it in the future. Waiting for you... If you like others, you will regret it again. Not too late."

"Will not!"

"Don't say no, think about it seriously."

"That..." Xiang Berry's face was ruddy, and she whispered shyly: "Anything like just now, can I still participate? I, I want to see the appearance of Lingxian sister, and also want to be with this bad guy. ..."

After speaking, her little face turned redder.

Shangguan Lingxian glanced at Li Yun, this guy got a bargain, and now he is pretending to be stupid and doesn't say anything.

However, Shangguan Lingxian looked at Fragrant Berry again, and saw that the girl's Chunxin was sprouting, and there were still traces of her intimacy with Li Yun just now, and after a few intimacy with her on her lips, Shangguan Lingxian finally agreed.

In the future, Xiang Berry can also participate in those things between her and Li Yun and the third floor of the villa, but within half a year, Shangguan Lingxian feels that Xiang Berry should not go to the last step with Li Yun so quickly.

Fragrantberry is watching from the side, or participating in a shallow way. If you fully join in, I am afraid it will be difficult to get out in the future.

"Thank you Sister Lingxian."

Xiang Berry thanked her obediently. She hadn't thanked Lingxian for a long time, but she had better be more solemn when it came to such matters.

Shangguan Lingxian rubbed her little head and said softly: "Don't thank sister, you just don't blame sister in the future."

"How could it happen, my sister is true, always suspecting that I am a child!"

"Aren't you just a kid?"

Shangguan Lingxian looked down, Xiang Berry woke up, her small face continued to flush with shame, and she thought in her heart that Lingxian's sister had become the empress of Mrs. Li, which really changed a lot.

But... tonight, is she going to go one step further?

"Uh, what should I say?"

Li Yun finally spoke, and the two beauties looked at him together.

"What I want to say is, Xiang Berry... You are actually very similar to my two younger sisters!"

"what?"

Xiang Berry is very upset, is it just a younger sister?

Chapter 4324: Ignore you

However, after hearing about the relationship between Li Yun and his two younger sisters, Xiang Berry breathed a sigh of relief and said with a smile: "Then I am looking forward to meeting them?"

"Yes, it's useless to think so much."

Li Yun also rubbed her little head, stood up and said, "Let's go, let's make dinner. After dinner tonight, I don't know when we will come back next time."

In this way, both Shangguan Lingxian and Xiang Berry became a little sad, and decided to make a sumptuous dinner tonight, and to bid farewell to everyone at Tiandanmen tomorrow morning.

Fragrant Berry is looking forward to it, what will happen tonight?

...

One night passed by in the blink of an eye.

When Xiang Berry woke up the next day, with her eyes open, between Li Yun and sister Lingxian, she quietly looked at the wooden roof above her head, still remembering what happened last night in her mind.

That's really...

If you didn't see it with your own eyes, Xiang Berry would not have thought that the gentle and holy sister Lingxian in the day would be so charming and sentimental at night, especially when she was messing around with Li Yun, sister Lingxian seemed to change. Just like a person, the flattery between the corners of the eyebrows makes one's heart fascinating.

and.

Xiang Berry also did not expect that there was something more unbearable for her than the intimacy of the pavilion during the day.

She only remembered that when she was too tired to fall asleep, Sister Lingxian was still having a love relationship with Li Yun. For example, Sister Lingxian was still sleeping late and had no time to get up.

"..."

Xiang Berry sat up, got out of bed cautiously, put on her skirt and clothes, and went to the herbal garden to water. After returning, he saw Li Yun get up.

"Morning." Li Yun greeted her.

"...Morning, good morning."

Xiang Berry's face blushed, and she turned her gaze and dared not look at him.

Li Yun asked, "How did you sleep last night? Did you feel okay?"

"Don't ask!!" Xiang Berry screamed shyly, but was afraid of waking sister Lingxian, and quickly covered her little mouth.

"What can't you ask?" Li Yun blinked, "I just ask if you are used to it, what do you think I want to ask?"

"...Big villain! I'm ignoring you."

Fragrantberry bit her lip and hurriedly went out again.

She didn't dare to stay in front of him anymore, lest she be caught again and hugged in the lichen, so that she would have no strength, just like last night.

Li Yun chuckled softly, but quickly sighed in his heart. He didn't know if Fragrant Berry...Will they accept Fragrant Berry? His debts are getting more and more. Fortunately, it is only half a month.

Within this half a month, he will stay with them.

...

After Shangguan Lingxian also got up, Li Yun went to various places in Tiandanmen with them and visited some people they wanted to say goodbye. After learning that Shangguan Lingxian was really going to live in Zhonghai City, many people were very disappointed. Looks like.

Some also emphasized that they will also go to Zhonghai City in the near future to join the master sister's medical clinic and so on.

In short, when the farewell was over, Li Yun took the two and embarked on the way home together.

"Zhonghai City... is here."

Xiang Berry was sitting in the first-class plane, and finally saw the bustling and bustling city different from the city he had seen before, and finally couldn't help but ask: "Sister Lingxian, will we live in this super big city in the future? ?"

Xiang Berry left Tiandan Gate for the first time, and it was the first time that she came to the sky above such a prosperous and huge city. Looking at the towering buildings underneath, she was deeply shocked for a while.

Chapter 4325: go home

"Well, we will live here in the future."

Looking at Zhonghai City under the window, Shangguan Lingxian felt a different sense of belonging to this city for the first time in his heart.

She came here before, just a passing visitor in a hurry, but after today, she will live in Zhonghai City.

For Li Yun, she is willing to live here.

"It's great~."

Xiang Berry dangled his legs happily, "When our mountain is finished, we will have a mountain in this super big city, right?"

"Yes!" Li Yun answered her.

"Then I think, we can plant some herbs and trees first, so that we don't have time to grow a year later, ah, in this way, sister Lingxian, you and I can only live in his house?"

"Um...I'm fine, how about you, Fragrantberry?"

"I have no problem...ah."

Xiang Berry was a little uncertain, but she quickly thought that she would just follow Sister Lingxian, and let him take care of other things.

The plane landed quickly, and Li Yun saw the familiar figure of classical beauty again.

"Qingyu."

Li Yun took the two women, hurried forward, hugged Gong Qingyu, and said distressedly: "Why are you here again? Every time you come to pick me up, I am embarrassed."

"Are you embarrassed?"

Gong Qingyu hugged him for a while, then pushed him away, and looked at Lingxian and the cute girl in her mouth, Xiang Berry.

"It's really cute. It seems that I was right to pick you up this time."

Gong Qingyu smiled slightly, and said to Xiang Berry: "Otherwise, how can we see such a lovely sister of ours? Xiang Berry, right?"

"Yes, yes, my name is Xiang Berry, my last name... the last name doesn't seem to exist."

Xiang Berry blushed. Seeing Gong Qingyu's surprised look, she quickly explained, "I don't think the last name is important... Anyway, people know that my name is Xiang Berry."

Gong Qingyu's face was weird, and she really didn't know whether to feel sorry for her or to complain about her.

In the end, Gong Qingyu took Xiang Berry's hand and called Shangguan Lingxian. They got into the back seat of the car, and the three of them were just crowded together. Naturally, Li Yun could only sit in the front passenger seat. Gong Xiaochun was still driving.

As the car started, Li Yun listened to the conversation of the three people behind, and felt that something was wrong.

How come Qingyu already knows...

Li Yun turned his head, just to see Gong Qingyu also looking at him. The meaning in his eyes made Li Yun suddenly feel guilty.

"Huh, needless to say."

Gong Qingyu hugged Xiang Berry and said to Li Yun like a warning: "This time, for the sake of how cute Xiang Berry is, we will forgive you, but there is no next time, really!"

Li Yun nodded fiercely, Xiang Berry's face flushed, and he didn't speak.

"Even if there is," Gong Qingyu added: "That's the only blonde loli in the house, right?"

"Uh, Qingyu, what are you talking about, why don't I understand?"

Li Yun's heart jumped. Could it be that Xiao Su revealed it?

"Too lazy to care about you, if you don't include that blonde loli in your bag in the future, my Gong Qingyu's child will have your surname!"

"?"

Your child is my child. Whose surname shouldn't be with me?

Is there such an operation?

Li Yun couldn't laugh or cry. Sometimes Qingyu could say something astonishing. For example, now, Xiang Berry is frightened.

Fortunately, Gong Qingyu only likes cute girls, loli, who likes to dress them beautifully, but she is not a slut.

Chapter 4326: I'll talk about it when I go home

Gong Qingyu already had doubts about the relationship between Xiaosu and him, which surprised Li Yun a little, but it also made him secretly relieved, after all, he was allowed in disguised form.

Although the appearance of the son Xiaosu is just a little blonde loli, she has actually been alive for many years. She is still the reincarnation of the former Goddess of Light and retains all the memories of her time when she was a goddess.

According to the understanding of mortals, Saint Son Xiaosu is the former Goddess of Light, but from the perspective of God, she is indeed reincarnated. Her personality has changed, from a "goddess" to a childish little girl. Lolita has retained her memory, but her personality has changed, and her perspective on issues has also changed.

Therefore, the son Xiaosu is both a loli and not a loli.

It's a wonderful existence.

"Yes or no?"

Gong Qingyu leaned his face over and stared at Li Yun. Even if he concealed it again, Gong Qingyu could tell at a glance.

However, she snorted and didn't ask too much. Even the reincarnated Xiaosu of the goddess was taken down by him, Gong Qingyu really had nothing to say.

"Qingyu..."

"Don't say it, go back and say it... No, I'll talk about it later."

"what?"

"Ah what, Lingxian has just returned home, are you going to talk about this?"

"Yes!"

Li Yun obediently responded, Gong Qingyu laughed out of satisfaction, and kneaded it back and forth with the small hand of the fragrant berry, like it was so likable.

Xiang Berry was a little nervous. Basically, Gong Qingyu asked what she would answer. She even told the pavilion and the affairs of last night within a few clicks. Shangguan Lingxian blushed with embarrassment and was too late to stop her. Looking at it with smiling eyes made Shangguan Lingxian even more embarrassed.

"So Lingxian, you are playing crazy too?"

Gong Qingyu smiled ruddy and said, "Then... shall we be fooling around with this big villain tonight?"

The three girls in the car blushed, but they have a close relationship with Li Yun, and they know what it means to be foolish.

Shangguan Lingxian turned his head out of the window and asked in a low voice, "Do you really want it? I, I'm afraid... they will or will be a little uncomfortable. I, I, have no problem, I should..."

"It's fine."

Gong Qingyu whispered: "The sisters in the family are all very good. If you want to get involved quickly, have fun together at night, and then rest on that big bed, it is easy to get closer... But all of these have to be. See what you mean by Lingxian, you want to wait a while, and you will be acquainted with them."

Shangguan Lingxian blushed and glanced at Li Yun who was serious. This guy pretended not to hear anything now, but he must be looking forward to it, right?

"Every night, every night?"

Shangguan Lingxian's face blushed a little bit. If that happened every day, she estimated that she would not be able to withstand the frenzied bombing from Li Yun, and she would be under a lot of pressure.

"Of course not."

Gong Qingyu glared at Li Yun, "This bad guy wants to do it every night, even during the day, but how can we agree to his Hulai proposal? At most once a week...or two or three times, but there will be something tonight. You're new to join, there should be one time, if you join."

".....it is good."

Shangguan Lingxian accepted it in a low voice, brushing the hair around his ears, feeling that his face could already be hot enough to boil eggs.

She didn't even know what would happen to her tonight. With so many sisters together with Li Yun, what would this guy do?

Chapter 4327: Doubtful

"Where is the berry?"

Gong Qingyu turned around and asked Xiang Berry again, looking at her with a shy smile.

Xiang Berry's blushing face was even more rosy, and his head was almost buried on Xiao He Cailu's chest, but there seemed to be a joy in his heart: Sister Qingyu invited her.

She is no longer an outsider, but an accepted person. Although her status may be very low, including in Li Yun's mind, at least she can stay with Sister Lingxian, and she can also live with Sister Lingxian in the future. 'S home is no longer an outsider.

"it is good!"

Xiang Berry blurted out and raised her head, only to see sister Lingxian looking over in surprise.

"Sister, I... shouldn't I agree?" Xiang Berry was a little uneasy.

"No, no." Shangguan Lingxian smiled, "I just want you to think carefully, Qingyu, will it be messy at night?"

Before, Shangguan Lingxian called Gong Qingyu sister Qingyu. After seeing her, Shangguan Lingxian thought it was better to call her by name directly. No matter what the sisters and sisters, just call those seniors as sisters. They are about the same age. All are called names.

"Chaos... how do you put it."

Gong Qingyu's face was weird. Suddenly, she lowered her head and kissed Xiang Berry's mouth, making Xiang Berry directly surprised, her eyes full of weirdness.

Shangguan Lingxian was also surprised, what's wrong?

But before she could think clearly, Gong Qingyu turned his head again, and kissed her again, making Shangguan Lingxian freeze directly.

"puff."

Li Yun couldn't stand it anymore and laughed directly.

Gong Qingyu used practical actions to tell them how chaotic they were when everyone was messing around together at night, that's how chaos was.

It took a long time for Shangguan Lingxian and Xiangberry to understand what Gong Qingyu meant. Shangguan Lingxian was okay. There were already many cases in the group, but Xiangberry, who looked dumbfounded for a long time.

But when she reacted, she asked something quite surprising:

"Sister Qingyu, can I also kiss Sister Lingxian at night?"

As soon as this sentence came out, everyone in the car was shocked.

Especially Li Yun, although he is very happy to see the scene where Xiang Berry and Shangguan Lingxian match CP, he is also thinking in his heart, does Xiang Berry like her Lingxian sister?

However, even if Xiangberry likes Lingxian, she should also like him. Besides, Shangguan Lingxian does not show signs of light lily like Xiangberry.

After reacting, Gong Qingyu leaned close to her face and said in a charming voice: "Of course, but... do you love your sister Lingxian? Xiangberry, it is doubtful."

"I....."

Xiang Berry understood, and was a little at a loss.

"Ahem, it's okay." Li Yun, who was in the front passenger seat, comforted, "Even if Fragrant Berry is Lily, I am not jealous. As long as you don't like Fragrant Berry, you will treat me as the owner Just leave it aside."

Xiang Berry stayed for a while, meaning... could she have some more things with Lingxian sister?

It took a long time for Shangguan Lingxian to understand the entanglement, and his tone became stammered: "Li Yun, you, don't get me wrong, Xiang Berry and I... are pure sisters, it's not that kind of relationship! Fragrantberry, you... don't you?"

Shangguan Lingxian was surprised. Did Xiang Berry like her?

Xiang Berry blushed in silence for a while, but shook his head again, and glanced at Li Yun in the front row, very tangled.

Chapter 4328: Hobby

"Go ahead, it's okay."

Gong Qingyu encouraged Xiaoxiangberry, even faintly excited, but she was very aware of Li Yun's disposition, this guy is a pure Lily control, she likes to see two girls close together, if two girls There is that kind of sweet love in the meantime, not even considered as love, just the kind of girlfriend, when he puts this kind of affection on the stickers, Li Yun likes the bad guy even more.

Gong Qingyu estimated that as long as the two girls did not leave him, nor did they change their hearts to him, or even if one of them changed their hearts, but did not leave him, then Li Yun, the villain, would not be angry, but would love to hear.

In conclusion, as long as the two girls didn't change their hearts and didn't leave him, then Li Yun, the villain, would be able to accept it!

However, Gong Qingyu feels that this is too much. As long as it is the girls around him, even if they are with each other at night or get along with each other on weekdays, they will give birth to some similar feelings between men and women. They go shopping together and watch movies. , Date, kiss together.

But Gong Qingyu can be quite sure that they will not change their hearts to Li Yun. The more they are with Li Yun, the better they can feel about him.

Regardless of which aspect, Li Yun is well deservedly excellent. With him, he will only get deeper and deeper. Even the love between girls is because he likes to hear and see, so the girls are paired with each other and formed. cp.

For example, Fang Xue and Li Feng, Liu Xianxian and Xiao Mingzhu, Hu Xiaomeng and Zhao Tianfeng, and even herself and Aunt Lian, etc., are all because Li Yun, a villain, wants to see each other, and they even have some affection. , All because of Li Yun!

Gong Qingyu knew that Fang Xue and Li Feng had already made an appointment and went to watch a movie together, because they had been intimate at the cinema and almost went to the hotel to open a room.

These things were all told by Fang Xue and Li Yun plainly--under the threat of a big bad guy, Li Yun told him when he was messing around at night, this guy was so bad that Gong Qingyu didn't want to remember it.

Because Li Yun even wanted her to go on a date with Aunt Lian... It made her angry. This villain is really messing up. How could she and Aunt Lian go on a date?

Even if he asked again, Gong Qingyu didn't want to go on a date with Aunt Lian, at most on weekdays, and be more intimate with Aunt Lian, so that this guy would have a good time to watch.

—Poor Gong Qingyu hasn't realized that she is so accommodating to Li Yun, and sooner or later she will half-push her promise, and go on a date with her aunt Lian, and then tell Li Yun to satisfy his weird Liyun hobby .

Humph.

Gong Qingyu gritted his teeth and stared at Li Yun. How could this guy have such a hobby as Baihe Kong? It's really weird, other men can't wait for their harem and He Meimei, every girl is his own, right?

Just like Li Yun, the bad guy wants his harem and the girls to post each other, they are all intimate and good girlfriends.

"I....."

Xiang Berry took a quick look at Li Yun, the topics discussed in the car became more and more open, and she finally dared to say: "I like Li Yun... I feel comfortable with him, and can't help but look at him. I don't hate the feeling of being with him at all, really!"

Gong Qingyu smiled softly, "Then what about your sister Lingxian? You just said you want to kiss, right?"

Gong Qingyu glanced at Li Yun, and sure enough, this guy looked excited.

It's just too bad.

Chapter 4329: Petrochemical on the spot

Gong Qingyu is not annoying, she likes all kinds of Qing Lily's anime, and she also thinks it's good to post with girls.

However, she is an innocent straight girl who likes to dress other cute girls beautifully, which is purely a hobby.

Fragrant berries seem to be different.

"I... I don't know."

Xiang Berry was watched by Sister Lingxian and Gong Qingyu, very nervous, but then said the most true thoughts in his heart: "I am...well, I just want to get closer to Sister Lingxian, just now I When Sister Qingyu said yes, I just... blurted out, and then, because Sister Qingyu also kissed me..."

Xiang Berry's explanation was messy, and Shangguan Lingxian couldn't understand what she meant.

However, Gong Qingyu, who has a super IQ, understood it.

"Probably, Xiaoxiangberry, you feel that you can't blend in, and you especially want to live with your sister Lingxian, so you can't help but want to get close to her, right?"

"Well, that's it, that's right!" The girl nodded in surprise.

"But well," Gong Qingyu said with a wicked smile: "I think you have some bisexual tendencies, oh no, you only like your sister Lingxian, and you also like Li Yun, right? ?"

"Ah...it seems to be too."

Fragrantberry was confused and his answer was vague.

Let Li Yun listen with great joy, "Okay, Qingyu, don't tease her, Xiang Berry, you will follow your sister Lingxian from now on. As for whether you can kiss your sister Lingxian, it depends on your ability. NS."

Xiang Berry was so ashamed, Shangguan Lingxian also gave him an annoying look, and couldn't help reaching out and squeezing his ears.

"Hiss! Where is my gentle and kind spiritual doctor fairy?"

"Hmph, the Spirit Doctor Fairy is gone, eaten by some big bad guy, and now only Mrs. Li is left~"

"Hee hee hee."

Xiang Berry covered her mouth and smiled, no matter what happened just now, as long as she was with Li Yun with them, she would be happy.

Gong Xiaochun silently listened to their conversation and was driving silently. She knew that Li Yun and these girls would be chaotic when they mess around, and even she was one of them, but she hadn't dated him yet.

However, Gong Xiaochun felt that although the relationship between the girls in the family was chaotic, it revealed a sense of warmth. Those night events can make the relationship between them better, rather than disgusting.

For example, maybe the lady of the saint is the most reserved and most likely to dislike the nonsense at night, but Gong Xiaochun sees her almost every time. Although she did not participate, she stayed quietly and watched. The matter between them and Li Yun.

Therefore, Gong Xiaochun doesn't hate the current life at all and enjoys it very much.

The car quickly returned to Huangting Mountain. Today, at exactly the weekend and at noon, the little princess Yongning also woke up.

When Gong Xiaochun drove into the big villa, a large group of charming girls with different bodies and temperaments greeted them with hula-la. The scenes were so beautiful. These beauties outside are almost 100% of the people who turn their heads back. In Li Yun's villa, there are so many people.

"Haha, come out to meet me? It's so polite~"

Li Yun opened the car door and walked out, greeted his confidantes with a big smile.

As a result... they all passed by him, ran to Shangguan Lingxian, and twittered to welcome the arrival of the new sister.

Li Yun petrochemical on the spot.

Chapter 4330: Low mountain

"Hehe, husband~."

Fortunately, Li Yun also had a well-behaved, cute and sensible little princess Yongning. She smiled and threw herself into his gaze to comfort Li Yun's hurt heart.

Gong Xiaochun smiled secretly in his heart. When Li Yun was away, everyone thought he was going crazy, and when he came back, they all held back one by one.

They deserved to be fooling around with Li Yun in the living room on the third floor for so long at night.

"Let's go, go in first."

Fang Xue greeted everyone to enter the villa first, but Fan Linglong and Wan Nishang looked at each other, but Fan Linglong said: "No hurry, we will take you to a good place to ensure that you will be surprised."

"?Where?"

"You know when you go, go, go by car~"

Fan Linglong and Wan Nishang are both mysterious and mysterious, Wan Qingya smiled and refused to say, urging everyone to go quickly, wait a moment and promise to be shocked!

So, the girls went out in four or five cars again, from halfway down the hillside of Huangting Mountain to the foot of the mountain. Just when everyone thought they were going to the city, Wan Nishang told Gong Xiaoxia, who was driving the first car, to turn around. Go right, make a circle, and come to the back of Huangting Mountain.

"Could it be that.....!"

Su Muxin widened her eyes in surprise, and looked out the window tightly. When she finally saw the mountain behind Huangting Mountain, she finally couldn't help but exclaimed.

Also exclaimed, there are many people who also saw the mountain scenery.

They saw that the low mountain that was originally desolate had now been completely renewed. Not only was the road well repaired, but even though it was still a dirt road, it was already leveled and firm, and it was only necessary to pave the road.

And halfway up the mountain, there are also more than a dozen beautiful wooden houses, two or three storeys high. Some seem to be dormitories, and some are places for hospitalization. Shangguan Lingxian was surprised to recognize that these were from ancient medical centers. The style of the house, but slightly different, adapted to modern furniture.

Halfway up the mountain, near the top of the mountain, there is a fence surrounding the top of the mountain, surrounded by thorns to ensure that patients halfway up the mountain cannot reach the top of the mountain.

On the top of the mountain, there are a large area of lush trees and fruit trees. Some have even blossomed and bear fruit. Among the trees, there is a spacious house, which should be the big house for Shangguan Lingxian and them to live here in the future. !

"This... Sister Linglong, you built this place?!"

When the car stopped at the foot of the mountain, Shangguan Lingxian looked at Fan Linglong and Wan Nishang with surprise, "Sister Nishang, you also help build? Oh my god, why are you so fast... Oh, I see, it's a magic trick, right? Bar?"

"Of course~" Wan Qingya replied quite proudly, surprise Shangguan Lingxian again, and thanked her again, which made Wan Qingya feel embarrassed, and said no with a grin.

Everyone suddenly realized.

It turns out that the reason why Fan Linglong and Wan Nishang are busy these two days is that they cast spells here and built such a complete medical hall and herbal garden in a few days.

Xiao Mingzhu suddenly guessed the principle of the magic. It was probably that Fan Linglong asked to send the materials here, and she and Wan Nishang and their apprentices used the magic to build it.

As long as they can build wooden houses, they can build them quickly.

"But those trees can also give birth?" Xiao Mingzhu asked in surprise, pointing to a large area of lush trees on the top of the mountain.

"You stupid." Concubine Wan Qing explained: "Now the aura can be easily catalyzed, and besides, spells can also do it."

"That's it... It's amazing."

"Ha ha."
