

GODLY CHOICE SYSTEM

Chapter 8: Your boyfriend is so handsome

"Fang Xue, wait, I'll buy you a drink!"

When he came to the milk tea shop near the school gate, Li Yun stopped.

Drink?

Fang Xue frowned slightly. She seldom drinks milk tea because it is not conducive to maintaining her figure, but she also knows that drinking cold drinks during her period is bad for her health.

Thinking of this, Fang Xue reminded Li Yun euphemistically, she had a good impression of this handsome boy, and most people Fang Xue didn't even bother to give him a look!

"fine."

The clerk inside Li Yunchong shouted: "Bring me two cups of milk tea, a warm cup, and a cup of hot drink. It seems that there is a hot drink of red dates?"

Then Fang Xue smiled softly and said, "Student Fang, you seem to be unwell. I think a hot drink would be better."

There was a blush on Fang Xue's charming face again. It turned out that he had already guessed that he was on an official holiday.

And, so gentle!

Fang Xue glanced at Li Yun deeply.

"Correct!"

The little brother enthusiastically introduced: "We have winter fragrant hot drinks here. A cup is only 25 yuan, and there are red dates and milk in it. Now this weather is the most suitable drink!"

"Bring me a cup! Another cup of pearl milk tea, just warm."

Li Yun said arrogantly, 25 yuan is a bit expensive, but he doesn't care about it now.

"Okay, no problem, you two will sit down for a while, and the drinks will be ready soon!"

Li Yun helped Fang Xue sit down, and he was relieved when she saw that her expression had improved a lot.

The little brother seemed to see it too. When he handed the drink to Li Yun, he said enviously: "Classmate, your girlfriend is very beautiful. This is the first time I have seen such a beautiful girl!"

Said to be Li Yun's girlfriend, Fang Xue turned her head too shyly. It is of course that the younger brother has never seen her. She is from a good background and has never been to a milk tea shop.

At Zhicai High School, she thinks she is second in beauty, so no one dares to say that she is the first!

Neither does Li Feng!

"Ahem!" Li Yun coughed, and was about to say that Fang Xue was not his girlfriend, but the little brother had misunderstood him, and quickly said: "Of course, classmate and your boyfriend are also very handsome and very gentle, you guys. Together, the two are really a match made in heaven!"

"Cough cough cough!"

Li Yun coughed louder, this little brother tried hard to let him visit this store in the future.

"You misunderstood, Fang Xue and I are just classmates."

"Hey, isn't it a boyfriend or girlfriend?"

The little brother murmured, the two people were so close when they walked in, didn't he make a mistake.

wrong!

When the little brother saw the more moving blush on the face of this high-cold temperament beauty, he finally understood.

Although the two are not lovers, it is obvious that they will soon be.

"Fang Xue, let's go, I'll help you go back!"

Li Yun took a drink and hurriedly left, lest the clerk's little brother would say something astonishing.

The atmosphere was a little embarrassing, Li Yun explained: "Uh, Fang Xue, don't take what you said just now."

".....Um."

Fang Xue nodded reservedly. In fact, she didn't mind the words just now.

In the last semester of high school, it seemed good to have such a gentle and handsome boyfriend.

The two walked towards the campus, and Li Yun's gesture of holding the school flowers along the way attracted the attention of countless classmates. Many people even took out a few photos with their mobile phones and sent them to the school's post bar.

Soon, the news of 'Fang Daxiaohua and Li Yun walking together' spread throughout the campus.

"Damn it!"

After being told about this, and seeing the picture of Li Yun helping Fang Xue, a boy in the experimental class showed an angry face, cursed bitterly, stood up and walked downstairs.

"Hey? Zhou Xianming, where are you going?"

"Huh, go and teach someone!"

"So exciting? Hey, add me!"
