

Godly Choice 811

Chapter 811: Humph

Behind the scenes?

Li Yun didn't know how Fairy Nine Heavens or Hidden Sacred Valley knew about this, but there is a saying, the person who knows you best is actually your enemy, so let this news be true for the time being.

Li Yun wanted to leave directly, but considering that it was almost noon, he simply ate a meal at the farm.

The former ticket sales aunt looked a little unnatural after seeing Li Yun. Qingzhu glanced at her but didn't say anything.

The aunt was obviously the one who whispered the news, but until now she didn't know what happened inside. She thought that the boss didn't bring people to trouble Li Yun, and Qingzhu didn't bother to get angry with the 'mortals' anymore.

Li Yun had already asked Wang Zhong why he wanted to monitor the visitor. It turned out that he was afraid that Song Yuan's quagmire would find him, so he asked his aunt to pay attention to the visitor at the front door and notify him when he encounters a suspicious person.

"Woohoo!"

Halfway through the meal, there was a sound of police sirens in the distance. Not long after, a group of heavily armed soldiers and Liao Hua, Li Yun's old acquaintance, appeared in front of him.

The ticket sales aunt was obviously frightened, and when they confiscated all the documents here, she stood aside in fear and did not dare to speak.

She actually knew vaguely that the boss here was a bit abnormal, not like the boss of a normal farmhouse.

"Brother Liao, I didn't expect you to lead the team yourself." Li Yun smiled while eating lunch, "Would you like to sit down and eat together?"

Hearing these words, Qingzhu pursed her mouth violently. She is happy to have dinner with Li Yun and Gong Qingyu, but these people from the government, she is not willing to let the Saintess sit with them for dinner. Woolen cloth!

"Uh, no, I've already eaten it."

Liao Hua shrugged, "I have nothing to do now. I have already ordered most of the things. I just waited for the results. So when I heard something from you, I came right away."

With that said, he couldn't help but glanced at the Saint Fan Qing. This sage of the Hidden Sacred Valley is sitting gracefully at the moment, without a trace of emotional fluctuation on her beautiful face, as always, the fairy spirit is fluttering.

"That's OK, I won't bother you, let's discuss if we have any questions!"

After Liao Hua left, Li Yun looked at the little maid and smiled: "Do you want your mouth to be so high?"

"Huh~~~!"

"I just invited him out of politeness. I can't blame it."

I'm not you, I'm independent from the world, and I won't be affected by the mortal breath, Li Yun said with emotion in his heart.

Humans are creatures of collective life, and it is inevitable to deal with people. Probably just like the Sage of Vatican, who has no desires and no desires, and powerful people can maintain their original minds.

After eating, Li Yun drove the jeep around Zhonghai City with them. Gong Qingyu who turned around yawned and took out his mobile phone to play in the co-pilot position.

Qingzhu also seemed to be lacking in interest. After trying hard to learn how to surf the Internet, she spent the whole afternoon tinkering with her mobile phone. On the contrary, Master Saint is very proficient in mobile phones.

"I'm going to catch Liu Ye by myself tonight." At five o'clock in the afternoon, seeing that they were all a little tired, Li Yun suggested, "Don't worry, even if Liu Ye is a venerable person, I will be sure to leave the whole body!"

Sage Fanqing had no objection, and Gong Qingyu agreed, but felt it was too early. Wang Zhong said that Liu Ye usually showed up in a certain entertainment club at 8 o'clock in the evening, and Li Yun could go back to have dinner before going out.

"Okay, let's go, go home... well, go back!"

"Go home? Hee hee, you can also treat my place as your home. Anyway, you will move to Zhonghai City after the college entrance examination, right? Hee hee~"

Chapter 812: Dynasty Entertainment

At 7:30 in the evening, Li Yun came to Dynasty Entertainment KTV.

Seeing the neon lights flashing and the very dynamic KTV sign, he couldn't help but smile: "There are many people in the country called Dynasty KTV. If there is no one hundred thousand, there are eighty thousand, right?"

Others include Dynasty Fashion KTV, Dynasty Prosperity KTV, anyway, it is Dynasty, the name is too vulgar.

However, although the name is vulgar, the people who come here are people who have some spare money and come to have fun.

Li Yun looked at the handsome men and beauties coming and going. The men were full of spring breeze, dressed up as successful people with pride, and the beauties were high heels, with red lips, showing pink. Tender calves and white shoulders at the end of April. Birth appearance, holding the hands of his male companions around him for intimacy, or being shy and embarrassed by men in their forties who are enough to be their godfathers.

"Entertainment KTV is indeed a mixed bag, with people from all walks of life!"

Li Yun looked at the beauty who entered the KTV with his godfather around her waist, and couldn't help but shook her head, stepping into the KTV.

at this time.

"Great, hero!"

Hearing this somewhat familiar voice, Li Yun turned his head and found that he had met an acquaintance.

Yesterday, on the bank of the Huangjiang River, Li Yun wanted to get into the sewer to find a Taoist man. He was a young man working out in the park!

"You really are the hero!"

The young man was very excited and came over and said respectfully: "Heroes, are you coming to KTV to play too?"

"...What hero?"

Li Yun is full of black lines, what the **** is this called, why is he a hero?

There are several people around the young man, including men and women. Although they are dressed in fashion, Li Yun knows from their temperament that these people are still students, and they are probably still third-year high school students.

They all showed weird expressions when they heard the title of heroes. One of the little girls couldn't help but laughed out: "Heroes? Wang Hao, are you confused by reading martial arts novels!"

Wang Hao showed an expression that I understand your hardship, and changed his words and said, "Big Brother, I'll call you Big Brother!"

Li Yun couldn't laugh or cry, "I am not a big brother."

After that, walked to Dynasty Entertainment KTV.

"Big brother, don't go, I happened to be here to play in KTV, watching Big Brother you are alone, why not let us be together?"

Wang Hao patted his chest and said boldly, "I will treat you today, eldest brother, I will cover all your expenses for today. Whether it is drinks, snacks or the princess's money, I will cover all of you!"

Heroes are also human beings. The heroes in the novels are not all looking for flowers and asking Liu, even poets and knights love to go shopping in Huajie, as are modern heroes.

That's what Wang Hao thought. He felt that as long as he pleases Li Yun, he might be able to learn one trick or two!

Princess.

Hearing these words, Li Yun stopped and frowned slightly and said, "What princess?"

He thought of Princess Yongning. The little princess pestered her to chat for a long time last night. After learning to use her mobile phone, Princess Yongning was waiting for news from Li Yun every day, hoping that he would return as soon as possible.

"Princess Anxi!"

Wang Hao thought that Li Yun was asking about the famous princess here, and quickly replied: "Brother, there is a very famous princess here recently. Everyone who ordered it said yes! She looks sweet, has a good personality, can play, and is lively and cute. , We are here to order her today!"

"Wang Hao!" said one of his female classmates angrily: "What is a princess? Do you think we don't exist?"

Chapter : 813 Sewer Hero

The princess, in ancient times, refers to the daughter of the emperor or the daughter of a prince.

In modern times, after adding a KTV, after becoming a KTV princess, it becomes a meaning.

Accompanying guests to drink, sing, pour wine, light cigarettes, etc. The princess's imposing manner is the work of the waiter, but it is slightly more intimate than the waiter, which belongs to the work of accompany drinking.

Generally speaking, if you have a female companion, you will never invite the princess again, because the biggest role of the ktv princess is to activate the atmosphere. If the box is full of big masters, the atmosphere will not become active.

After listening to the explanation, Li Yun's face became a little weird. Gong Ning Yong Ning mainly knew that the word princess had become this meaning now, and he didn't know if he would be stunned.

Presumably the shy and weak little princess, it would be fun to show such an expression, right?

"Brother, walk around, let's go in and talk!"

Wang Hao pushed Li Yun into the KTV halfway, but Li Yun had no choice but to follow him in.

After Wang Hao ordered a superior box called the Emperor's Privilege, Li Yun said, "I'm here to find someone. I will leave when the time is up."

"It's okay, elder brother will play with us first, and later I will help elder brother find someone for you!"

Wang Hao agreed, Li Yun smiled, and did not insist on leaving.

He came to KTV alone, and it was indeed strange to open a private box. Before he came at 8 o'clock, he should follow these people temporarily.

Under Wang Hao's enthusiastic introduction, Li Yun learned the origins and identities of these young men and women.

They are all students from Zhonghai No.1 Middle School. They are from the rich second generation. They have good family conditions and a good growth environment. Although they are

not billionaire families, they also have some spare money, tens of thousands of dollars in pocket money every month.

So before the college entrance examination, these young people came to KTV to relax and ordered the most expensive emperor exclusive box.

"Li Yun, what do you do?" a girl named Xiaojing asked.

She saw that Li Yun was very young in appearance, the same age as them, but his temperament was not comparable to that of Wang Hao or any other boys.

Sunshine's handsome face, calm and calm temperament, and piercing eyes, as if the world is holding the confident style, enough to make the three little girls shine!

"I guess it's from the rivers and lakes." A boy named Li and Li Anbu laughed and teased, "How else would Wang Hao call you a hero?"

To walk the rivers and lakes, the implicit meaning is to see a doctor and tell fortune-telling, determine Feng Shui, or simply be a beggar.

The surrounding atmosphere became a little embarrassing. Li Anbu's words implied sarcasm. Obviously he was very upset that Li Yun was looked at by the three girls with worshiping eyes.

Li Yun shrugged, drank a glass of juice calmly, without answering anything.

The surrounding atmosphere was even more embarrassing, and Li Anbu's face turned black.

"Li Anbu!"

Wang Hao hammered his shoulder in annoyance, "Can you make fun of my elder brother? Humph, you don't know, how awesome was the eldest brother yesterday! Right, eldest brother?"

Three big brothers in one sentence, Wang Hao's admiration for Li Yun became more and more curious. Xiao Jing looked at him and asked: "What did you meet Wang Hao yesterday? What's so great?"

"Haha, it can scare you to death!"

"What the **** is going on? Wang Hao, don't betray you!"

"Hey hey, you don't know. Yesterday I was running by the Yellow River and saw my eldest brother and two beautiful women standing together. I was curious, so I stopped and looked at it for a while. The result."

"what's the result?"

In the curious eyes of everyone, Wang Hao looked at Li Yun's admiration and said, "As a result, Big Brother jumped directly down the sewer!"

Chapter 814: Princess Anxi (Part 1)

The atmosphere froze suddenly.

"Jump, down, sewer?" Xiao Jing asked in disbelief.

"Yup!"

Wang Hao slapped his thigh fiercely, "At that time, the eldest brother's appearance was really...how do you say it, like a dragon, if Pian Ruhong, just a word of handsome!"

The emperor's exclusive box suddenly became quiet.

Sudden.

"Hahahahahaha!"

Li An stepped his thighs and laughed. The other boys were also overwhelmed with joy. Even the three girls Xiao Jing smiled.

"Wh, what's the situation?"

Wang Hao looked dumbfounded. Was he a joke just now?

"Yes, Wang Hao really has you!" Li Anbu laughed in tears, and in turn hammered him on the shoulder, "I, Cao, I didn't know that you guy was talking so funny before, so I actually invited a Xiu People from the small waterway came to KTV and gave a serious introduction saying that he was awesome, but suddenly they broke the news that he was repairing the sewer. Hahahaha, I really laughed at me!"

Wang Hao had a big brother before, and his respectful attitude made Li Anbu, Xiaojing, and others think that Li Yun was born in a very remarkable way. Maybe he was the son of a top family in Zhonghai City.

Unexpectedly, when Wang Hao turned around, he actually said that he was repairing the sewer!

The strange contrast made everyone present burst into laughter.

At this moment, the three girls of Xiaojing looked at Li Yun again, and they felt that he was a silly, and Tie silly!

That calm attitude was only shown deliberately because it was too nervous!

"hehe."

Li Yun smiled indifferently, took another sip of juice, and turned a blind eye to everyone's strange eyes.

"I, Cao, don't you believe it?!"

Wang Hao, who had recovered from the confusion, was furious, and was about to describe Li Yun's handsome actions at the time, when the doorbell of the box rang.

A boy near the door stood up to open the door and asked, "Who? Are you looking for...!!!"

Before he finished speaking, he was forced to stop.

Because in front of the box, stood a beautiful girl with long hair and shawl, with a sweet face and a pitiful temperament.

This girl is about twenty years old. She is not very tall, only about 165, but she is definitely the best height in the minds of most men who can be embraced and loved wantonly!

"You, hello." Chu Chu's poor girl bowed slightly nervously, "Are you Mr. Wang Hao? I am Princess Anxi who is here to accompany you."

Princess Anxi! !

In an instant, the eyes of the few boys present lit up, and they also saw the appearance of the poor girl with a very good temperament, and they were immediately attracted by this girl.

"This woman has her own way of talking."

Li Yun took a cup and glanced at her. This Princess Anxi didn't say that she was here to accompany you to drink, but that she was here to accompany you, which brought you closer emotionally and made people feel good about her.

Coupled with her sweet temperament, it perfectly fits the image of a man's first love. The pitiful appearance makes people want to hug her and slowly love her.

Well, in this respect, Princess Anxi and Princess Yongning are quite alike, but Princess Yongning is weak and innocent, pitiful, and loving, as if to her own daughter.

And Princess Anxi is a little white lotus, and the little bird is in harmony with the people, so that men have a desire to occupy.

"White lotus, green tea table!"

A girl opposite Li Yun cursed in a low voice.

Chapter 815: Princess Anxi (Part 2)

Obviously, this kind of girl who appears pitiful in front of boys is most disgusted by them who are also girls.

"Yes, this is Wang Hao's room!"

"Go away, what is Wang Hao's room? It should be said that you have found the right place, please come in!"

"Hee hee~"

"Princess Anxi, ah, this name is so nice!"

"Thank you, what is your name, sir?"

A few boys rushed in to welcome Princess Anxi in, almost like a queen descending, and the three girls of Xiaojing turned black.

Wang Hao took a close look at the princess Anxi, who is said to be very famous recently and doubled the traffic of Dynasty Entertainment's KTV. It's worth it!

Yes, it cost him 10,000 yuan to call for Princess An Xi to accompany him.

"Princess Anxi." Wang Hao pointed at Li Yun and said with a smile: "You are mainly to accompany my elder brother today and serve my eldest brother. You will have tips, drinks and everything!"

He appeared to be very skilled, knowing that Princess KTV mainly relied on the guests to give tips, and to get a commission on the tipping of the box.

"OK, all right."

Princess An Xi blushed, as if she was ashamed of Wang Hao's explicit words.

In the envy and jealous eyes of a few boys, she walked up to Li Yun and bowed slightly again, "Hello, gentleman, you can call me An Xi, I don't know how I call you?"

"No."

Li Yun waved his hand and said indifferently: "I don't have to, you go with other people, and I will leave later."

"what?"

Princess Anxi was very surprised, she was actually rejected?

Among the men she has seen who come to ktv to sing and drink, few can resist her charm. Princess Anxi does not boast. With her looks and temperament, she is definitely not worse than those stars, internet celebrities, and anchors. .

In addition, the service attitude is good and the courtesy is in place, so even the most serious man, Princess Anxi is sure to drink a glass or two with him.

But the boy in front of her, who was about her age, refused with a cold attitude!

Does he like men?

In my mind, Princess Anxi's sweet face showed a sad expression: "Sir, do you think I am not doing well enough? Sorry, I don't know if you look down on me as a princess. I'm sorry to make the guests dissatisfied. , I'm leaving now."

Her expression of weeping, I saw a pitiful temperament, her clenched fists, and her slightly trembling body.

All this made a few boys feel filled with righteous indignation, and they all began to help.

"Princess Anxi ignore him, this guy is a sewer!"

"Yes, Wang Hao doesn't know what the **** is going on. Asking you to accompany this guy will simply tarnish your identity!"

"Princess Anxi, don't be afraid. I will pay for it today and come over to accompany us for a few drinks, the most songs, just sit and chat together!"

Several boys knew that this was a formal occasion, not worse than those dirty and messy places. The princess who was killed by Dynasty Preparatory KTV was just the princess, not the **** girl.

Princess Anxi showed a grateful expression, looked up at Li Yun nervously, then lowered her head quickly, and whispered: "Mr. Li Yun, do you really need my company? Just drink a glass of wine, okay? "

When things have reached this point, I believe 99 out of 100 men will agree to her request.

Chapter 816: Looking for search, deserted

Li Yun is the most special among a hundred men!

"I only speak once."

The indifferent tone revealed a firm momentum, and everyone couldn't help but wonder, is this really what a migrant worker with a sewer can say?

Princess Anxi bit the lower lip with gorgeous lip gloss. She still wanted to try it because she could see that the people here are a group of rich second-generation, absolutely rich and willful, and easy to be irritated. Money pays the bill.

If you win Li Yun, or win this group of rich second-generation elder brothers, today her salary will be increased by 10,000 or 20,000!

Anyway, this group of rich second-generation money should not be for nothing.

"Sorry, I think too much of myself."

Regarding retreat as advancement, Princess Anxi took a step back cautiously and glanced at Wang Hao, "Or I will go back and tell the manager that this time the expenses will be forgotten, I..."

"No need!"

Wang Hao waved his hand boldly, "Since my eldest brother doesn't like it, then you can drink and drink with us. I heard that Princess Anxi sings well. Would you like to show it?"

It's a success!

Princess Anxi was slightly proud of her. Although Li Yun was unmoved, the rich second generation still left her behind.

"No, no." Princess Anxi looked at the three girls, Xiaojing, and smiled slightly: "There are three people who don't know whether they are sisters or younger sisters. I don't dare to show my ugliness. It's better to sing the three first. I'll give you some songs. ."

"Humph!"

Xiao Jing obviously doesn't take this kind of flattering way, but Princess Anxi has been lowering her posture, walking around a few people, relying on her superb wrist, and actually won the approval of this group of people, even three girls The complexion is much better.

"Then... I'll sing a little bit?"

The microphone was in Princess Anxi's hands. She accompanied Wang Hao and drank a sip of very low-purity fruit wine. Her sweet-looking face was stained with a hint of blush, her delicate and weak appearance, not only made the boys pity, but some of the girls were a little bit pitiful. Can't bear to get angry with her anymore.

"Okay!" Li Anbu applauded first, "Princess Anxi's voice is good, and I must sing very well!"

"No, it's so average."

Princess Anxi smiled shyly. After clicking on a song, she handed the microphone to her red lips, opened her lips lightly, and a beautiful song came from her mouth.

"Today I am troubled and worried.

The water will flow even more when the knife is cut off, and the sorrow will be relieved by a toast.

...

Flower world, mandarin ducks and butterflies.

In the world is already turbulent, why bother to go to the blue sky. "

Slightly sad singing, soft and slow, as if telling me that I am deeply trapped in the commonplace, involuntary, eager for someone to accompany, know and love each other.

With the identity of her ktv princess and the bleak look on her face, even Li Yun who was watching could not help showing a trace of surprise.

Is this Princess Anxi acting, or is she telling the truth about her experience?

"Xun Xun Xun, cold and desolate, miserable and miserable, it is the most difficult to stop when it is warm and cold."

After singing, Princess Anxi ended it with a song "Slow Voice" by Li Qingzhao. She sang back and forth with vague crying sound, wandering down and down, tactfully and desolately, making people cry.

In just a few lines of poem, Wang Hao, Li Anbu, Xiao Jing and others were all moved. I just felt that this poem could not be more suitable to describe the current Princess An Xi!

"Anxi, you!" Wang Hao hesitated to say something, and couldn't help but spend all of his money, generously donate to her, just to win a beautiful smile!

Chapter 817: Miserable

"Suddenly remembered sad things, sorry, let you see a joke."

Tears flickered in Princess Anxi's eyes, her slender hand wiped her eyes, her movements were gentle, revealing a sorrowful atmosphere, which can strongly evoke sympathy in people's hearts.

Li Anbu couldn't help asking: "Princess Anxi, did you encounter any difficulties that made you compelled to come to ktv to work? Tell me, although Li Anbu is not very rich, it is enough to make your life worry-free! "

Li Yun glanced at the pitiful woman. For some reason, she always felt that she was acting all the time.

"No, no need." Princess Anxi smiled slightly and lowered her head and said: "I did encounter some problems at home, but I am still well-known, and someone comes to accompany me every night, although I am not very I like it, but at least I can earn enough for my living expenses. This is enough!"

The people were greatly moved and praised Princess Anxi as an independent and self-improving woman, and bought a bunch of high-end drinks and snacks, conservatively estimated to be more than 100,000.

Even the three girls, Xiaojing, ordered a lot of expensive cakes, and their attitude towards Princess Anxi changed one hundred and eighty degrees.

Princess Anxi was very moved, and sang a more joyful song again, sweeping away the sad atmosphere before, and there was constant laughter in the box, and the atmosphere was fiery.

"Come on, Princess Anxi, I toast you! You are a weak woman, but you have taken care of your family early. It's really amazing!"

"Princess Anxi, this is my phone number. What do you need in the future, even if you come to me, I still have a bit of face in Zhonghai City!"

"Princess Anxi, are you still studying? Why did you come out to work so early?"

"The grades are not satisfactory? Have you considered repeating it? I think Princess Anxi is very suitable for art students. Maybe you can become a star in the future!"

Everyone took a mouthful of Princess An Xi, Wang Hao had forgotten Li Yun who was sitting in the corner, and he kept paying attention to Princess An Xi.

Li Yun checked the time, at 7:55 in the evening, Liu Ye should have appeared soon.

The news that Liu Ye will appear in Dynasty KTV was revealed to him by Wang Zhong. Now that Wang Zhong is under control, Liu Ye does not yet know that an accident has occurred in the orchard.

"boom!"

Just as there was laughter and laughter in the box, when Li Yun stood up and wanted to leave, the box door was kicked open, and everyone in the box was startled by the loud sound.

"Where is Princess Anxi!?"

There was a gloomy shout outside the door, and Li Yun looked over and found seven or eight capable young men standing outside, headed by a short and stout man with a very gloomy expression and indifferent eyes.

Liu Ye?

Li Yun frowned slightly. According to Wang Zhong, Liu Ye is easy to recognize. He always has a cold expression, cold like a dead man.

"Zhao, Brother Zhao!"

Hearing his voice, Princess An Xi's face turned pale, she was a little at a loss, completely different from the calm and calm before.

"Humph!"

The short and sturdy third brother Zhao walked in indifferently, and a group of thugs followed closely behind him. Li Anbu looked unhappy, and wanted to step forward to block him, but was directly pushed by the third brother Zhao.

boom!

Li Anbu stepped back several meters before directly smashing the LCD screen on the wall, and the glass shattered to the ground.

In an instant, the atmosphere in the box became tense.

Several little girls who had never experienced this kind of situation shrank together in fright and looked at the group of people in fear.

"Who dares to report to the police, die!"

Brother Zhao's men lighted up the dagger in his hand, and Xiao Jing quickly turned off the phone.

Chapter 818: The arrogant third brother Zhao

Looking at Han Guangshan's dagger and the ferocious expressions of these thugs, the atmosphere in the box became extremely tense.

"Buddy."

Wang Hao stood up, with a slightly chatting smile on his face, and said: "My name is Wang Hao, and my father is Wang Nengfa, the president of Haofa Co., Ltd., if you have something to say, don't scare the girl..."

"roll!"

Brother Zhao kicked out impatiently, hitting Wang Hao's stomach, kicking him several meters away, clutching his stomach and grinning with cold sweat on his forehead.

This foot is so powerful that Wang Hao only feels the pain in his stomach.

"What **** king can send, I have never heard of this name!" Zhao Sange glanced at Wang Hao, and sneered: "You little bunnies, come to KTV if they don't have all their hairs. It's really looking for death!"

"The boss is right!" One of his men flattered and scolded Wang Hao, "The woman who actually dared to get involved with the boss was so impatient that she was living and said, did you take the initiative to act on An Xi Gong!?"

A group of people fell silent, and Li Yun looked at Zhao Sange with interest. This man was short, stout, stubborn, and fierce. He didn't expect to fight for a KTV princess, and didn't care about the face of Dynasty Entertainment.

Sure enough, people from Dynasty Entertainment came.

A middle-aged man wearing a straight suit and bow tie, who appeared to be a hotel manager, arrived in time with a group of security guards.

"stop!"

The hotel manager looked ugly, and asked in a deep voice, "What's going on? Who allowed you to make trouble!?"

"Manager Fang!"

Princess Anxi showed a surprised expression, and her panic was calmed down a lot. There were managers who came forward and more than a dozen security guards. How could Zhao Sange retreat and give Dynasty Entertainment a face?

Regarding this ktv, Princess Anxi can still trust it, because she chose to work in this ktv after she learned about it.

The atmosphere in the box changed again, and the two groups of people watched the confrontation.

But Li Yun could see that the people of Brother Zhao were not afraid at all. Instead, they clenched the steel rods in their hands, as if they were going to violently beat others at any time.

"hehe."

Zhao Sange sneered and looked very eye-catching in the quiet box.

Manager Fang of Dynasty Entertainment noticed this short and stout man with cold and arrogant eyes. The moment he saw him, Manager Fang's pupils shrank suddenly.

"You are Zhao Sansi!?" Manager Fang's voice was slightly horrified. Everyone was taken aback, and Princess Anxi's surprised expression froze, as if Manager Fang also...

"Nima is better!"

One of Zhao Sange's Ma Tsai screamed, pointed a machete at Manager Fang's nose, and shouted: "The boss's name is what you can call the bad manager? You can't die?!"

Manager Fang's expression was extremely wonderful, and he was scolded by a small ***** in public with his nose pointed at him, and he was still in front of his own hand, which filled his heart with anger.

However, Manager Fang was deeply afraid of Zhao Sansi.

His gang is not strong, but fierce and combative, and his subordinates are all desperadoes. Those who open KTV, bars, and discos near this street know this person.

The atmosphere became serious, and the security guards of Dynasty Entertainment also knew the name of Zhao Sange, and now they are even more reluctant to deal with such ruthless people.

"How do you say? Manager Fang."

Third Brother Zhao consciously controlled the scene, his tone also slowed down a lot, his eyes fixed on Princess An Xi with fiery eyes.

Chapter 819: The manager is also persuaded

"This....."

As an old fried dough stick, Manager Fang, how could he not know what Zhao Sange meant,

"Manager Fang." Zhao Sange smiled faintly, "I have been to your Dynasty Entertainment for several days, and I think you are still good here. It's fun to have fun, but your princess is so outrageous!"

Princess Anxi's face was pale, and her delicate body couldn't help trembling slightly.

The cold sweat on Manager Fang's forehead came out again, this Zhao Sange actually came to Dynasty Entertainment for several days!

"It doesn't matter if I don't give it to my relatives. I can't even touch it. I pretend to look like a good woman. Do you think I haven't brought enough money? Haha."

Brother Zhao sneered, "Today I will see if your princess is a real princess, you can't even touch it!"

The atmosphere became more solemn.

Faced with the threat of Zhao Sange, no one in Dynasty Entertainment dared to stand up for Princess Anxi.

Wang Hao glanced at Li Yun in a panic, and found that he had no intention of making a move, so he stood quietly aside, as if this matter had nothing to do with him, or that he could not beat so many people, he was scared.

"Does he think that two fists are harder than four hands?"

Wang Hao couldn't help but think sadly in his heart, it seems that martial arts are useless, it is better than a few machete.

At this moment, he no longer called Li Yun the eldest brother, let alone any heroes.

Chivalrous heroes, gratitude and enmity, drew swords to help... all of this doesn't exist anymore!

Wang Hao clenched his fists, just thinking that his previous fantasy was really ridiculous, there is no hero in the real world!

"An Xi." Manager Fang's tone was soft, and a smile squeezed in front of his face, "Or, you can go and accompany Sange Zhao? Don't worry, Sange Zhao will not treat you well, and even be able to Help you financially!"

A smile appeared at the corner of Li Yun's mouth. Manager Fang said it decently, but when it came to money, he was undoubtedly a hint.

"Count you acquaintance!"

Pointing at Manager Fang's Ma Tsai with a machete and showing a triumphant smile, he turned to princess An Xi and yelled at Princess An Xi: "Our boss gives you face and looks up to you. I want to marry you home and live a good life. In the future, he will eat and drink more spicy food than you It's much better to be a princess in ktv? What else do you pretend to be!"

"roll!"

Brother Zhao kicked him and said with a smile: "Are you talking to Princess Anxi like this? Damn!"

A group of people laughed. In their opinion, Manager Fang had compromised, and Princess Anxi insisted without reason.

What qualifications does she have to insist?

Sure enough, Princess Anxi took a deep breath and agreed: "Okay, I promise you, but I want half a million!!!"

"An Hee!!!"

Wang Hao, Li Anbu and others looked at her in disbelief, isn't this just betraying their body?

Five hundred thousand a night is not a high price.

Li Yun smiled faintly. He actually didn't look down on Princess Anxi. Everyone had a hard time. It is understandable to do something dirty in order to survive. You can't help but give pointers to those who are rolling in the mud.

The reason why Li Yun hasn't shot is just to give Princess An Xi a warning.

As a princess in ktv, I can consciously play with men and make money, but unfortunately, this is just a mirror image. If Princess Anxi continues to stay here, she will still encounter similar things in the future.

"Can."

A smile appeared on Zhao Sange's cold face, "Five hundred thousand small meaning, as long as you accompany me for ten and a half months, I will give you three million, Princess Anxi, you are worth the price!"

Chapter 820: Compromise, Princess Anxi

The two sides nakedly put the transaction on the table, leaving Wang Hao and a group of students stunned.

Desire, hope, money, violence.

This scene tonight taught them an unforgettable lesson.

"it is good."

After agreeing to the price, Princess An Xi's expression turned calm, as if she was more sad than her heart, and her eyes turned gloomy.

Just after she said the word 'good', Li Yun finally heard the system prompt.

"Ding, trigger the option event, please choose from the host:

Option 1: Take action immediately to clean up the third brother Zhao, reward justice value +3000, experience value +100,000, free attribute points +600, blue gift bag*1.

Option 2: Ignore, reward evil value +10.

Choice 3: Wait for a while, and then come forward to solve this matter, reward justice value +5000, experience value +200,000, all attributes +400, blue gift bag*3. "

Seeing these three options, Li Yun suddenly became puzzled.

Ignoring will add evil value, which seems to be the first time.

Moreover, the difference between choice one and three is that after waiting a while, the reward is almost doubled. Why?

With curiosity, Li Yun continued to watch patiently.

But it seems that there is nothing good to watch. He didn't wait for the system's selection event before, but just wanted to teach Princess Anxi a lesson.

Now that Princess Anxi is forced to compromise, Li Yun feels that there will be no changes in the future.

"Brother Zhao."

Princess Anxi slowly walked towards the short and stout man in front, and everyone couldn't help but compare. Although Princess Anxi was not tall, she was still a head taller than Zhao Sange.

Coupled with her slender figure, Zhao Sange is more and more dwarf and clown.

It's almost like a white swan, forced to lower its head and surrender to the toad!

"Princess Anxi~!"

Brother Zhao showed an expression of drunkenness for a moment, and Li Yun's pupils suddenly shrank. He was surprised to see that Princess An Xi's hand quietly reached into his pocket.

Sweeping away her spiritual thoughts, Li Yun immediately knew what she was hiding in her pocket!

"Let me do it."

The next moment, Li Yun suddenly appeared next to Princess An Xi, reaching out and grasping the little hand she wanted to reach into her pocket.

Soft and boneless, slender and smooth, Princess Anxi's skin is very delicate and delicate, and feels very comfortable to the touch.

"you!"

Looking at Li Yun, Princess Anxi's eyes flashed with surprise, but she quickly dimmed, "Let go of me."

Everyone was shocked by Li Yun's actions. Isn't this hairy boy afraid of death?

"You kid!"

Seeing Li Yun grandiosely touching Princess Anxi's little hand, Zhao Sange was furious, and was about to punch her with a fist, but Li Yun released Princess Anxi's hand and pushed her back slightly.

"Your name is Zhao Sansi?"

Li Yun said indifferently, "Give you a chance, leaving here, you still have a way to survive."

"!!!"

In the box, Wang Hao, Manager Fang, Xiao Jing and Princess An Xi, as well as Third Brother Zhao and his horses were all startled by this sentence.

The tone of Zhao Sange was arrogant enough before, but compared to what Li Yun said now, everyone felt that Zhao Sange's words were simply too gentle!

Leave here, you will have a way to survive!

These words are no longer mad, but arrogant, overbearing, and mad!

"You ***** dare to talk to the boss like that? You're going to die!!"

One of Zhao Sansi's Ma Tsai, who had previously pointed the knife at Manager Fang, was the first to react. He took a machete and took a big step forward. The sword was pointed directly at Li Yun's nose. The distance between the two was different. More than an inch!
