

Godly Choice 821

Chapter 821: Flick to fly

The atmosphere in the box was extremely tense, and everyone only felt that their hearts were touching their throats.

"hehe."

Li Yun smiled softly, "I thought you would just chop it down, but that's all."

As he said, he stretched out his right hand, put his index finger and **** together, clamped the machete pointed at him, and turned it slightly.

Just listening to the sound of a bounce, this machete made of fine steel was actually divided into two, and it was directly broken into two pieces from the middle!

For an instant, the eyes of everyone present were round, and it was hard to believe what they were seeing.

The extremely hard machete was actually broken by two fingers!

"Kang Dang."

Ma Tsai's face was pale, the half of the machete in his hand fell to the ground, his pupils dilated, and he looked at Li Yun like a monster.

"You have to be thankful that you didn't cut it down directly."

Li Yun pinched half of the machete with his fingers, and a smile appeared on his face: "Otherwise, you will practice left-handed swordsmanship in the future."

Left-handed swordsmanship means that his right hand will be abolished!

thump.

Ma Tsai's legs softened and he knelt directly on the ground. The man in front of him gave him too much fear!

"Oh, and you."

Li Yun looked at the pale-faced third brother Zhao and smiled: "Zhao Sansi, am I entitled to call your name taboo now?"

Zhao Sansi dare not say a word.

Li Yun pinched half of the machete, swiped at him casually, and then threw the machete aside.

Everyone still didn't understand what was going on, including Zhao Sansi. He only saw a flash of sword light before him, and there was nothing else.

After a while, Zhao Sansi finally felt it.

"Why do you feel a bit cold suddenly?"

He looked down, and was shocked to see that the clothes on his body had been cut with a long slit!

"This!!"

Everyone looked at Zhao Sansi in horror, and the stab wounds from top to bottom, from the head, to the neck, to the chest, buttocks, and heels appeared on his body!

Zhao Sansi's clothes slowly fell off, and finally turned into a funny appearance wearing only a pair of underwear.

Blood slowly oozes out, and the scary knife wound becomes clearer, and Zhao Sansi has become a blood man from top to bottom!

"If the machete is advanced a little further, Zhao Sansi will probably be split in half!"

This thought flashed in everyone's mind, and the gaze at Li Yun became more and more in awe.

This sword is a magical skill, far beyond their understanding!

"Brother, I was wrong!"

Zhao Sansi is also a ruthless person, kneeling directly in front of Li Yun, and kowtowing three heads towards him, "Your lord has a lot, just forgive me this time!"

One by one, his men fell to their knees, kowtow.

The group of people who were vicious and vicious before now all surrender in front of Li Yun.

The exaggerated scene once again shocked everyone present.

Wang Hao was in agitated mood, and muttered in his mouth: "The big brother is really a hero, and the hero is the big brother. There really is a hero in the world, and the big brother is simply a hero..."

Wang Hao was so excited that he couldn't even speak.

Princess Anxi was dumbfounded, she only felt that what she saw today completely subverted her previous three views.

"hehe."

Li Yun knew that people like Zhao Sansi would be dissatisfied, but he didn't care about the views of such a small person, and said directly: "For the sake of you did not force Princess Anxi, I will give you a way to survive and see you. Can you hold it?"

Zhao Sansi lowered his head, a trace of resentment flashed in his eyes, but said in his mouth: "Big Brother for advice!"

Chapter 822: Liu Ye

"Take out all your money and compensate Princess Anxi."

Li Yun disgusted the other manager's handling, so he ignored him directly.

"Remember, it's all the money." Li Yun said indifferently, "I am not interested in monitoring whether you will retaliate against the people here, but if I hear about Princess Anxi in the future, you have to be careful, Zhao Sansi. Drop your head."

"Trust me, even if you escape to the end of the world, I will have a way to find you!"

Zhao Sansi knelt on the ground, gritted his teeth and agreed.

Princess Anxi was in a very complicated mood. Li Yun had added a layer of insurance to her. Although she did not always protect her, he at least gave Zhao Sansi a warning.

Thinking of this, Princess Anxi's heart was frozen with a trace of warming.

At least, there is still one person in this world who cares about her.

Although he was just a stranger, he looked down on her, but... it was enough to make her feel a touch of warmth.

"Okay, get out."

Li Yun waved his hand impatiently. Now that the time has passed eight o'clock, he doesn't know if Liu Ye has come.

He didn't want to care about this at first, so a small **** like Zhao Sansi would just have a casual fight, and then let Lianyi help to check the news, so as not to make Zhao Sansi mess up, just deal with it in this way.

"yes, Sir!"

Zhao Sansi stood up, bowed respectfully, and then bowed to Princess Anxi: "Miss Anxi, after I finish handling my property, I will transfer the money to you immediately!"

"......it is good."

Princess Anxi agreed that no matter what the future might be, she wanted money like this.

Anyway, he also offended Zhao Sansi.

"Ding, the host makes a choice and rewards (justice value +5000, experience value +200,000, all attributes +400, blue gift bag*3.

Li Yun was a little inexplicable, how did he teach a little **** and reward so many justice points, save a person before, and reward one thousand.

Could it be that Zhao Sansi is a heinous person? It shouldn't be. No matter how vicious he is, he can't be better than the people like Dean Yu of the Six Demon Gates, right?

What Li Yun didn't know was that Princess Anxi looked at him steadily behind him, and made a decision in her heart that she would no longer be a KTV princess in the future!

After getting Zhao Sansi's money and paying off her debts, she concentrates on preparing for the college entrance examination, and the future... Besides, there is at least one person in the world who cares about her.

"Brother, I'm leaving now."

When things came to an end, Zhao Sansi led a person out of the box, wearing a little brother's clothes, looking extremely embarrassed.

"I will definitely return this account!"

Zhao Sansi's eyes flashed fiercely, and when the seller changed his property, he strengthened Princess Anxi. The big deal is to hire some people from the acquired realm as killers and let them deal with Li Yun!

In his opinion, Li Yundingtian is also the master of the day after tomorrow, as long as he is careful and pays enough money, it is not difficult to kill him!

at this time. Zhao Sansi saw five or six people walking in front of him. The first one was an old man with a pale face and a cold and strange expression. He swept over with a dull look in his eyes, and Zhao Sansi was frightened.

"Six, six masters!"

"Oh, it's you, Zhao San."

The pale face of Liu Ye made a hoarse voice, and Zhao Sansi and his men felt a chill burst from their heels to the Tianling Gai, chilling all over.

"Liu Ye!?"

Li Yun was overjoyed when he heard the conversation outside the door. It was a coincidence, so he immediately went out and had a face-to-face meeting with Liu Ye.

Chapter 823: Be threatened again

"Okay, that's great!"

Zhao Sansi was overjoyed, and Liu Ye actually met Li Yun. As long as he used a little trick to bring the two people into conflict, wouldn't he be able to take revenge on the spot?

As for Liu Ye, Zhao Sansi doesn't know much. He only knows that he used to be an outside disciple in the martial arts, and now he is in charge of several listed companies with a strong backing.

Not to mention Zhao Sansi, even some second-rate families in Zhonghai City must respectfully call Liu Ye when they see Liu Ye.

"Liu Ye, do you also play KTV today?" Zhao Sansi hurriedly asked, thinking about how to bring the topic to Li Yun.

Li Yun glanced at him.

"Hey-hey."

Liu Ye let out a hoarse yin smile, "I heard that this KTV recently had a very well-known daughter, so come and check to see if it is as powerful as the rumors."

Behind Li Yun, Princess An Xi's face became extremely ugly.

It is not the first time that she has been called a jealous woman. When some low-mouthed guests want to do something to her, but are rejected, they will call her a jealous woman.

The former Princess Anxi was indifferent and didn't take these things to heart at all, as long as there was money to make money.

But now, in front of Li Yun, when Liu Ye was called the daughter of the mind again, Princess An Xi panicked and looked up at Li Yun for fear of being hated by him.

"Yes, yes! Yes, there is a well-known daughter!"

Zhao Sansi was ecstatic, but Liu Ye happened to be here to find Princess Anxi!

This is simply dozing off and giving pillows, it's just time!

"Oh, who is it?"

Liu Ye showed a very urgent appearance, but his eyes did not change at all. They were still bleak and dull, and he didn't know if there was something wrong with his body.

"It's her, Princess Anxi!" Zhao Sansi couldn't wait to point to Princess Anxi behind Li Yun, and the look in Li Yun's eyes flashed with pleasure.

With the support of Liu Ye, are you still arrogant? !

Princess Anxi wanted to cry without tears. She knew that she was very beautiful. From small to large, from elementary school to high school, many boys had pursued her, and she was regarded as the best candidate for school.

Unexpectedly, I came to ktv to work for less than a month, and after a little performance, I won huge praise. The guests who ordered her were madly praised, which caused the title of Princess Anxi to spread more and more widely.

"Liu Ye!"

A burly man stood up and pointed to Princess An Xi and said, "This woman's father is a gambler and owes 800,000 debts to the company."

Princess Anxi saw the big man's appearance clearly, her eyes widened suddenly, "You!"

The man in front of her was the gang thug who took people to her house to block the door and ask for money!

"Oh? What a coincidence."

Liu Ye smiled negatively, and said to Princess An Xi: "Since ancient times, it is only natural for fathers to pay their debts. Your father owes me money. You, a daughter, should pay me back within the time limit. Don't come...hehe!"

Princess Anxi's sweet face showed a panic look, turned her head to look at Li Yun, her eyes showed the meaning of asking for help.

In her opinion, the man in front of her is probably the only one who cares, and the only one who can help her!

"Ding, trigger the option event, please choose from the host:

Option 1: Destroy the old man in front of you, reward justice value +1000, experience value +500,000, all attributes +1000, purple gift bag*1.

Option 2: Grab the old man, reward justice value +1500, experience value +300,000, all attributes +800, blue gift bag*2.

Option 3: Ignore, no reward. "

Chapter 824: Thunder shot

destroy?

Li Yun felt baffled, the system's wording was a bit messy, but he still acted according to his previous assumptions.

"You are Liu Ye? Real name Zhang Liuhua?"

Li Yun asked indifferently. Everyone looked at him. Li Yun had been very strong before, but the sixth master in front of him can make Zhao Sange bow his head to please him, and his background is not small.

The two sides met here, and it was for a woman to make her debut, it would be another battle!

Throughout the ages, I don't know how many men have died for women. I don't expect everyone to see them with their own eyes now!

"Death under the peony flower, and behave like a ghost!"

Wang Hao was very excited. In his opinion, Li Yun was the kind of romantic knight in ancient times. He could draw his sword to help a woman who had only one side, and he would never die!

"Li, Yun."

As she muttered his name in her heart, Princess Anxi's eyes turned softer when she looked at Li Yun. Whether or not he can save herself, Princess Anxi already regards him as the only person who can be trusted in this cold world.

"Yes, it's the old man!"

Liu Ye carried his hands on his back, smiled proudly, and was about to inquire about Li Yun's origins. Suddenly, there was a flower in front of him.

"It's you who are looking for!!"

Li Yun squeezed his neck with his right hand, only feeling that Liu Ye's skin was very cold, but at this moment he didn't think too much, and forced Liu Ye up!

quick! too fast!

The crowd was terrified. They couldn't even see how Li Yun acted. There was an afterimage in the same place, and the next second Liu Ye was lifted up by Li Yun's neck!

Liu Ye, who is less than 1.7 meters tall, is very thin, and his neck is pinched by the 1.8 meters Li Yun, it is like an adult bullying a child!

There was an expression of horror on Zhao Sange's face.

He never expected that Liu Ye, who can be called a big boss on Zhonghai City Road, would be subdued in an instant!

"you!"

Liu Ye was furious, and his right foot in the air kicked Li Yun fiercely, not at all like a person pinched by his neck.

"boom!"

Li Yun puffed up his anger and took the kick abruptly.

At the same time, his left hand slammed a punch on his stomach, then turned his back and threw Liu Ye's short body to the ground like a sack.

"boom!"

The ground trembled for a while, and everyone almost thought that the floor was about to collapse. They were all shocked and inexplicably shocked. In just two strokes, it was proved that both of them possessed extraordinary power!

"If you dare to resist, I will shoot you!"

Li Yun took out Silvin's pistol and coldly pressed it against the head of Liu Ye who was crawling on the ground. The cold muzzle finally made this guy dare not resist any more.

"And you!"

Li Yun looked at Liu Ye's men indifferently, "Including Zhao Sansi, they squatted down with their hands on their heads. Anyone who wants to resist or make a call will blow his head with one shot!"

Everyone was terrified. Seeing that the boss was subdued, Liu Ye's men had no resistance, and they squatted down in despair.

In an instant, before Wang Hao and the others understood what was going on, Li Yun took control of everyone!

"Okay, awesome!"

Princess Anxi's eyes lit up, her eyes fixed on Li Yun.

"Huh, kid, who are you?!" The sixth master who was lying on the ground was still hoarse, revealing a crazy hostility!

"Hehe, who am I? When you played a ghost in the suburban orchard half a year ago, didn't you expect it to be today?"

"You...Hidden Sacred Valley!!!"

Liu Ye's voice finally changed a little.

Chapter 825: Zhao Sansi, you are looking for a dead end

Li Yun had already determined that the Six Masters would not practice, but the minions of the Six Demon Sects did not cultivate mana.

"Less long-winded!"

Li Yun kicked his qi sea hole and sealed the true qi in his body, "Get up, I will take you to meet someone, and you will understand!"

He planned to take Liu Ye back and let Saint Fan Qing assist in the interrogation. After all, the saint had opened his eyes and could clearly know whether Liu Ye was lying.

Liu Ye sneered, got up without saying a word, and stood aside with his hands down.

"Ding, the host makes a choice, rewards justice value +1500, experience value +300,000, all attributes +800, blue gift bag*2."

The box was quiet inside and outside, and everyone looked at Li Yun in awe, not daring to offend him without permission.

"Zhao Sansi."

Li Yun smiled faintly, and said: "Don't give you a way to survive, you chose a dead end yourself!"

Zhao Sansi's expression changed drastically. He just tried to provoke Li Yun and Liu Ye's contradiction, and let them fight to death, but he did not expect that Li Yun's strength was beyond his imagination, and he would overpower Liu Ye with one move!

"escape!"

Knowing that Li Yun had bypassed him once, it would be impossible to spare a second time. Zhao Sansi's body suddenly moved and fled frantically towards the stairs.

Zhao Sansi's men were all dumbfounded, their boss dropped them and fled by himself, and ran so fast, he rushed to the corner in the blink of an eye, and he was about to escape successfully!

"boom!"

A piece of wood accurately hit Zhao Sansi's calf and fell to the ground. He rolled several times before stopping.

"I, my leg, broken, broken... Hurry up, call an ambulance!"

Listening to the screams made by Zhao Sansi, everyone looked intently and found that the calf he was hit was twisted unnaturally, and it was obviously broken.

"act recklessly."

Li Yun coldly turned his head and turned his head to the other manager and said, "You go to the police and inspector and say that there is a disturbance here, and then tell them that I, Li Yun, have been here before, and they naturally know how to do it."

Manager Fang was in awe, and dared to love the young man in front of him from a long history.

"Besides, arrest all these people!"

Li Yun reached out and pointed at Liu Ye and Zhao Sansi's men. Before Manager Fang ordered, the security of Dynasty Entertainment immediately acted and took out a rope to tie up both groups.

Princess Anxi wanted to laugh but didn't dare to laugh. Now, how can anyone here dare to defy Li Yun's instructions? So these security guards are very obedient!

"And you, Princess Anxi."

Li Yun suddenly looked at her, Princess An Xi was startled, her beautiful face showed a flustered expression, and two blushes appeared quietly, even the beautiful ears were blushing.

"I, my name is Tang An..." Princess Anxi's voice was so small that Li Yun couldn't hear him, but he didn't care, and said directly to her: "Your compensation is probably gone. Property will be seized."

Li Yun shrugged, "I didn't want to care about these messy things, but Zhao Sansi is looking for death by himself, so I can only send him to prison!"

With Zhao Sansi's fierce character, the criminal activities he has committed are guaranteed to keep him detained for more than 20 years.

"No, it's okay."

Princess Anxi's voice was as thin as a mosquito, "Brother Zhao, no, Zhao Sansi was arrested, and Liu Ye's men were also arrested. Naturally, I don't have to worry about them coming to force me to pay the gambling debt owed by my father, so it's okay. , I still have money..."

Li Yun nodded. Judging from the fact that Zhao Sansi and Liu Ye came for her, Princess Anxi earned a lot of commission in KTV.

Chapter 826: Catch up

"Okay, this thing ends here, the rest has nothing to do with you!"

After catching Liu Ye, Li Yun was not interested in staying here, and after dropping a sentence, he escorted Liu Ye to leave.

"Hey?"

Princess Anxi was taken aback. Is Li Yun really not interested in her at all?

But at this time, she no longer thinks that Li Yun is a joke, or pretending to be a nobleman, but thinks that Li Yun is a real knight, maybe he already has a girlfriend, so she is indifferent to her.

However, Princess Anxi couldn't help but want to follow.

"Li, Li Yun, I..."

She chased it up, and she didn't know why she wanted to chase it. Obviously, the gap between her and Li Yun was very big, and she might not be able to catch it back in a lifetime.

Wang Hao, Li Anbu and others looked at each other, but none of them felt inappropriate.

Heroes and beauties have always been the case since ancient times. It would be strange if Princess Anxi stayed.

"Did I?" Wang Hao looked triumphant, "Big brother jumped down more than five meters deep into the sewer at the time. There were two beauties. The beauties who were definitely more beautiful

than Princess Anxi were beside him. It can be seen that the big brother had It's not about repairing the sewers to go down for urgent matters!"

"Ahem!"

Li Anbu sternly said: "Wang Hao, you said you want to apprentice, can you take me?"

"And me, I also want to worship the heroes as my teacher, I was so handsome just now!"

"Great! Big brother is awesome, big brother, I want to apprentice!"

The boys wanted to say that they were apprentices, but the girls looked at each other and said with emotion: "Unfortunately, there is no phone number from Li Yun, so I can't ask him out."

"Uh."

A group of people fell silent. They stayed with Li Yun for so long, and no one thought of asking for contact information. They were all attracted by Princess Anxi before.

...

Princess Anxi followed Li Yun off the Dynasty Entertainment KTV, and everyone on the way looked at her. Now Princess Anxi in Dynasty Entertainment is like a star holding the moon.

"Li, Li Yun!"

Li Yun stopped and looked at the beautiful woman in front of him with open hands and flushed face. To be honest, Princess Anxi's appearance is really not bad, no better than Li Fenghe who didn't take skin care and beauty pills before. How much is the variance of the snow.

But Li Yun is lacking in interest. He has no interest in this level of beauty, and the system did not indicate her favorability, probably because the Princess Anxi in front of him is not Bai Fumei.

"Is there anything else?"

"I!"

Scared by Li Yun's indifferent attitude, Princess Anxi stopped talking, but also knew that this was the only time she had the opportunity to approach Li Yun.

Missing the opportunity in front of me, the two people don't know if they can meet next time.

"I...I feel a little nervous and upset now."

Princess Anxi said quietly, pinching the corner of her clothes with her little hand, showing a pitiful expression.

When the men in the hall saw this scene, they shouted.

"Who is this kid!?"

"This Nima... actually dared to make Princess Anxi cry, and see if I won't go up and hammer him!"

"Looking at the kid is upset, the beauty is in front, and what a comparison!"

Listening to the comments of the people around, Li Yun's face sank and said to her: "If nothing is wrong, let me go! I'm in a hurry! Also, your expression should be restrained. It may be effective for other men, but I will not eat. This set!"

Chapter 827: Princess Anxi's heart

Princess Anxi was flustered. In a moment of anxiety, she unconsciously used her acting skills when she was drinking with people in KTV, but she should have known that Li Yun is not one of those vulgar people, and she wouldn't be so cute at all. The poor expression was moved.

"Li Yun, me!"

She couldn't say a word in a hurry, Li Yun's eyes flashed softly, and he patted her shoulder: "Let's live your life, don't stay here anymore."

After speaking, Li Yun pushed Liu Ye and shouted: "Let's go!"

Seeing him about to leave, Princess Anxi became anxious again, and once again stopped in front of Li Yun, and said in a panic: "Li Yun, can you give me more time?"

"Nothing to chat, I really don't have time, and I'm not interested in chatting with you."

Li Yun said indifferently, "It's not that I look down on you. Everyone has their own difficulties. I understand you and I know that you are like a jade and you are not a bad woman."

In his opinion, this is probably what Princess Anxi wants to explain, if the purpose is not for money.

Princess Anxi watched Li Yun walk to the door, all kinds of thoughts flashed in her mind, but she still didn't know how to keep Li Yun and let him stop a little.

Finally, Li Yun stepped out of the door of Dynasty Entertainment KTV. Princess Anxi finally broke a tight string in her mind. She closed her eyes and shouted:

"I...no, Li Yun, you are the only person in the world who cares about you, thank you, thank you!!"

After saying this, Princess Anxi's tears shed silently, her eyes were dim, only Li Yun's impression was still clearly printed in his mind.

Everyone in the hall was dumbfounded, and Princess Anxi, who was held up and down as a moon by the Dynasty Entertainment KTV, actually said this to a man.

Could it be that she lacks love?

After a long while, Princess Anxi opened her eyes in despair, she had anticipated the scene of Li Yun disappearing before her eyes.

"what!!"

But when she saw the front clearly, the loss turned into surprise in an instant, and her excited hands covered her small mouth, "Li Yun!"

"...If you don't mind, come with me and we'll talk in the car."

Li Yun's words made Princess Anxi cry again, but this time the tears were joyful: "Well, I will follow you, uh, no, I will listen to you!"

She carried her skirt and hurriedly followed Li Yun's pace. The receptionist behind her was taken aback and hurriedly shouted: "Anxi, it's still time for work!"

Just now she was chatting with Li Yun at the door of KTV and not working. It can be said that it was because of Princess Anxi's status as being favored, but now she left KTV with a man, it was simply...lost KTV's face!

A princess ran after the man, embarrassed no matter how she looked.

"I quit!"

Princess Anxi turned her head to reveal a sweet villain to her: "Xiaohua, go and tell the manager, I'm not doing it! This month's salary is no more, this staff uniform will be bought by me, okay. Little flower, goodbye~"

Waved to the lady at the front desk, Princess Anxi got into the jeep that Li Yun drove over.

"Uh?"

The lady at the front desk was taken aback, An Xi's smile seemed to be different from the previous ones, happier and happier?

"My Cao? Princess Anxi really ran away with a man?"

"Nima, I also want to have some Princess Anxi, the money is ready!"

"Grass, I never kissed once, so I touched her little hand, **** it!"

"Princess Anxi's blood is about to be taken by that kid, I am envious."

"Sure, driving the beautiful woman away, what is it not to go to the hotel? It is the man who can't stand the temptation of Princess Anxi!"

Chapter 828: Tang Anxi's life experience

"My name is Tang Anxi, the evening of the sunset."

Sitting in the passenger seat, Princess Anxi, a girl named Tang Anxi whispered.

"The name is nice."

Li Yun smiled slightly, did not take the initiative to ask questions, nor refused her narration. Perhaps Princess Anxi just needs someone to listen to her.

"The name is nice, but my family..." Tang Anxi glanced at Li Yun cautiously. Seeing that he was not tired of listening to his own life experience, she continued: "My family is not very good."

"My mother passed away shortly after I was born. Although my dad said she died due to a dystocia, but over the years, my dad brought back several women who were drunk and could not bear domestic violence before leaving. ."Nôv(él)B\\jnn

"So I thought, my mother might have been beaten to death by him too..."

Tang Anxi's tone was very low. She had a domestic violence father and her mother had been absent a long time ago. Those women were just stepmothers. The environment in which she grew up can be imagined.

Li Yun didn't know how to comfort her. Every family had hard-to-read sutras. He and Li Feng grew up in an orphanage and were adopted by Caixia Caiwei's grandfather. Although the eating conditions deteriorated, he became happy. many.

"My dad is a bad guy, he's a good gambler, alcoholic, lazy, and basically doesn't work. He lives on the money left by my grandparents. After the money is exhausted, he doesn't work and plays cards all day long."

"Fortunately, his gambling skills are okay. I'm not going to starve to death. I'm just hungry and full. My neighbor stopped me from entering her house when I was five years old... probably because I was afraid I could eat too much. Too many, she can't bear to go every day."

Li Yun: "...Thanks for your hard work."

He still couldn't think of words to comfort Tang Anxi.

"Hehe, it's actually okay." Tang Anxi squeezed out a smile and said, "Although my father's gambling skills are good, but the owner of the casino will always make money, so when I was ten years old, he even had a house. After losing, he and I can only live in a house for one hundred yuan a month."

One hundred yuan a month, one can imagine how bad the environment is.

"He basically didn't care about me. I applied for the school bursary myself. I was able to eat full when I was in school. The winter and summer vacations were the hardest... Many times I was thinking. Fortunately, I live in the city and I can pick up waste and sell it for money. , Eat the leftovers cold and burn, not to starve to death."

"My dad later snatched me three hundred yuan, saying it was the last time to fight, and he would buy a house if he won, hehe."

"I moved out by myself when I was thirteen, and rented a house by stealing money from a very annoying classmate."

"Because I can act, that annoying classmate believed that I was afraid of her, so he helped her undercover to find clues. She suspected another girl."

"I stopped picking up trash when I was fifteen, and I changed to be a sales promotion lady, because I finally grew to 1.6 meters when I was fifteen, and I was tall enough, and I couldn't see through makeup. I was only fifteen."

"..."

"My dad died a month ago. Because he was in a bad debt, he was beaten up, and he didn't have the money to go to the hospital. My relatives didn't care about him for a long time. He died in the rental house. I know this is already happening. Three days later, I took a look, but the landlord scolded her and gave her three thousand yuan in advance for cremation."

"Because of this, I was targeted by those debt collectors. Fortunately, I was a little talented as a sales promotion lady. I temporarily gave them 10,000 yuan to get the delay."

"After that, I went to work in KTV..."

Chapter 829: delicate and charming

Tang Anxi talked about her life experience, the white eyes she had suffered, the most difficult time she had experienced, her ugly stealing, and even her cold-blooded ruthlessness.

Everything was spoken in front of Li Yun without reservation.

Li Yun didn't know why she believed in herself so much, maybe as said before, Tang Anxi just lacked someone who could listen to her.

"Sorry for what happened to you."

Li Yun patted her on the shoulder, but there was no sympathy on her face. Instead, she smiled: "But now that you have money, you can quietly return the money you stole from your classmates to her!"

Because the story was too long, Li Yun parked his car on the side of the road, not far from Mansion Three.

"Hehe, okay! I know her mobile phone number and will charge her for her phone bill!" Tang Anxi smiled, her sweet smile was moving, and she swept away the gloom, sadness, and helplessness before. .

The real Tang Anxi may be a slightly sad girl.

Li Yun didn't mention it again, nor asked about Tang Anxi's things before. She only needs a listener.

Tang Anxi must have sealed the past, but there is still some sadness left in her heart. If someone listens to her, she can release her sadness.

From now on, she no longer needs to recall the painful childhood.

But after the narration, the conversation between the two also announced that it was about to end.

"You..." Tang Anxi hesitated to speak, bit her blushing lips, and asked cautiously: "Li Yun, you have a girlfriend, don't you?"

"Correct!"

Li Yun admitted frankly, subconsciously adding one more sentence: "And there is more than one."

".....what?"

When Tang Anxi heard that Li Yun had a girlfriend, her heart suddenly tightened, only to feel that her future life would become gloomy again.

But Li Yun said that he had more than one girlfriend, but Tang Anxi's heart ignited a glimmer of hope.

There is more than one girlfriend, why can't we add one more?

Even when she was young, she was willing to...

"Then I..."

"do not think too much!"

Li Yun patted her slender shoulder and interrupted Tang Anxi's fantasy: "You only like me because you are too insecure and loved. In the future, you will understand this world if you come into contact with more people. It's not just bad people, there are many good people."

Tang Anxi bit her lip. Maybe there are good people, but what does those good people have to do with her?

"Didn't you say that you are also a third year student?"

"Um."

"Then study hard. If it doesn't work, repeat the course and try to get into a good university. The future is very bright!"

"But what if I still can't forget you in a few years?"

"..."

Li Yun was speechless for a while, and could only say: "Let's talk about it then, now your task is to study. Entrance to university is the most important thing, you understand?"

"Um!"

Tang Anxi understands this. If she wants to get rid of her identity as an entertainment princess, she can only go to university.

Otherwise, she will be Princess Anxi all her life in front of Li Yun.

"That..." Perhaps because he thought Li Yun was very good at talking, Tang Anxi plucked up the courage and said, "If we meet again, can I be one of your girlfriends?"

Her face is full of red clouds, but her sweet look has a slightly gloomy temperament, which is very affectionate in relation to her life experience.

"Ding, the option event is triggered, please choose from the host."

Chapter 830: Ding, no matter how you choose, you have a good impression of 100

"Choice 1: Promise her, and kiss Tang Anxi directly, reward Tang Anxi with a degree of +100, and the host will have a high probability of getting an outstanding talent in the future. Tang Anxi is qualified to become a female president, female director, big star, and big Singer etc.

Option 2: Indifferent refusal, reward Tang Anxi's favorability +100.

Choice 3: Reject, but invest in Tang Anxi, give her a pill to make her better, and reward Tang Anxi with a +100 favorability degree, and Tang Anxi will become more promising. "

Finally, the system issued a prompt.

Looking at the three options, Li Yun couldn't laugh or cry. He indifferently rejected Tang Anxi, and he was able to reach full favorability. That is to say, Tang Anxi is already full of favorability, and he believes that he is the person next to him in the future, and he will never change. .

If there is no system prompt, Li Yun may be able to leave.

But now Tang Anxi has a full affection for him, and Li Yun always treats him indifferently, always feeling a little uncomfortable.

But if you want to say that you can directly become boy and girl friends with Tang Anxi, and even bring her home and introduce her to Fang Xue and Princess Li Feng Yongning and others, Li Yun can't do it either.

so.

"I'll talk about it later."

Li Yun no longer patted her on the shoulder, but rubbed her head. The black hair was very beautifully taken care of and was messed up by Li Yun, but Tang Anxi was full of tenderness and honey in his heart.

"When you are admitted to college and become a woman with real self-confidence, let's talk about it again, okay?"

"Um!"

Tang Anxi nodded heavily, even though she guessed that Li Yun was just comforting her, but now she needs this kind of comfort and needs this kind of hope to support her.

"By the way, I will give you something."

Li Yun took out a few small medicinal pills, "It will be good after taking it...you can trust me, right?"

This sentence is actually nonsense. Tang Anxi can't wait to take the things in Li Yun's hand and nods her head fiercely. Of course she believes in Li Yun and believes it without reservation.

"Okay, I'm going back, so you should go back to review subjects earlier."

With the pill that Li Yun gave her to improve her body and memory, coupled with Tang Anxi's not stupid brain, she might be able to enter a good university.

Tang Anxi got out of the car and immediately walked to the window of the driver's seat. After hesitating, he whispered: "Li, Li Yun, can you kiss, kiss... I, that's the first kiss, no one, I am not..."

Li Yun smiled slightly, took her little hand, let her lean down a little, and kissed her forehead lightly.

Just a simple kiss made Tang Anxi's body tremble violently.

"Let's go back."

"Um... I like you, Li Yun, we will definitely see you again!"

After Tang Anxi said this, she turned her head and ran away in a hurry. When she turned to the corner, she looked back at Li Yun, with an extremely firm expression in her eyes.

"Next time I meet, I will definitely make you like me!"

...

"Ding, the host makes a choice, reward: Tang Anxi's favorability degree +100, Tang Anxi's life track changes.

Note: Because Tang Anxi is not Bai Fumi, there is no red envelope for this time. When Tang Anxi becomes an excellent Bai Fumi in the future, he can help the host become CEO, marry Bai Fumi, and reach the pinnacle of her life. Red envelope rewards. "

"..."

What the hell! ?

Li Yun couldn't laugh or cry. The cheating system was discriminating against Tang Anxi. He didn't even have a red envelope.

But thinking of Tang Anxi, Li Yun shook his head helplessly.
