

# GODLY CHOICE SYSTEM

## Chapter 9: I'm not familiar with you, get out

The two came to the teaching downstairs.

"Fang Xue, when you are here, shall I help you up?"

Li Yun looked at this beautiful girl, and in all fairness, Fang Xue was indeed prettier than Li Feng, but Li Yun believed that his sister would not be inferior to her by dressing up well.

At this moment, two boys walked down the stairs.

"Um."

Fang Xue nodded lightly, her beautiful face still a little bit shy, letting Zhou Xianming and Lu Shan who had walked down stare blankly, it was the first time they saw this cold school girl with such an expression!

"Besides, you..." Fang Xue turned her head and whispered, "Just call me Xiaoxue. That's how my friend called me."

After saying this, her heart throbbed.

"Okay, Xiaoxue!" Li Yun smiled heartily, "Then you just call me Li Yun!"

Hearing such an intimate address, Fang Xue's hanging heart finally fell, and she smiled sweetly at Li Yun: "Well, Li Yun~"

Zhou Xianming was completely stunned.

Not only because I saw the sweet smile of this glamorous school girl, but also because the school girl actually smiled at a poor boy, not at him!

"Fang Xue!!"

Zhou Xianming walked over with a sullen face, gave Li Yun a vicious look, waved his hand and wanted to pat Li Yun's hand holding Fang Xue away.

"Snapped!"

Li Yun's face was calm, his left hand blocked Zhou Xianming calmly, and the huge strength of the 150-year-old physique made the opponent almost turn around, his palm hurting fiercely.

"you!"

"Classmates." Li Yun said lightly: "I'm not familiar with you, don't just move around, lest it will be bad for everyone!"

Zhou Xianming's lungs are going to explode!

Fang Xue and him have known each other since elementary school. Relying on Zhou Xianming's cheeky, after appearing in front of Fang Xue's father consciously or unconsciously, the Fang family and Zhou's family have become acquainted. Relying on the Fang Xue family, quickly grow up.

It can be said that Fang Xue has been regarded as his possession by Zhou Xianming, how can he tolerate Li Yun to get involved!

"Hehe, interesting."

Standing on the side, the road and mountain as tall as a stone pillar, seeing this scene, I couldn't help showing a seemingly honest smile, hehe smiled: "Zhou Xianming, you seem to be flat, how about it? Would you like me to help? you?"

With that, he rolled up his sleeves and showed off his strong biceps.

"What do you want to do?!"

Fang Xue stood up and shouted at the two with a cold face.

A trace of fear flashed in Zhou Xianming's eyes.

Others may not know, but he knows exactly how powerful the Fang family is! Not only does it belong to an absolutely hostile family in Longyang County, it also has a firm foothold in Zhonghai City and is accepted by the upper class society in Zhonghai City.

You know, the prosperous Zhonghai City can be described as Crouching Dragon, Hidden Tiger, Fang family can have a place, by no means a simple tens of billions of net worth can do!

"Xiao, Xiaoxue, this kid is rude to you, I..."

In the face of this wealthy daughter, Zhou Xianming acted tremblingly, making Li Yun amused.

"you are wrong!"

"Huh?" Zhou Xianming was taken aback.

Fang Xue hugged Li Yun's wrist tightly, and said intimately: "Li Yun was not rude to me. On the contrary, he helped me come back because I was not feeling well. I thank him for it's too late."

After speaking, he took a deep look at Li Yun and then let go of him reluctantly.

There was a nice smell in Li Yun's body, warm like sunshine, which made Fang Xue feel a little obsessed with him.

"Li Yun, I will go up first."
