

Godly Choice 931

Chapter 931: The richest daughter, Xiao Mingzhu

Li Yun was amused by the security's stubborn attitude, but he didn't care about him, let alone getting off the car, or arguing that the supervisor here fired the security guard.

He didn't even bother to do the little belly chicken intestines.

Driving Ricky and entering the parking lot in tandem with the Sebel behind, Li Yun vaguely heard what the security guard said, what is worth hundreds of millions of dollars, the global limit, the entire Huang Xuanguo has less than ten cars and so on.

It is probably talking about Xiao Mingzhu's luxury sports car. Li Yun thinks he is still suitable to go to work in a car dealership.

"Miss Xiao, hello."

After parking the car, Gong Lianyi was the first to get out of the car and bowed to Xiao Mingzhu, who had not gotten off next to him, and said softly, "Thank you Miss Xiao for guaranteeing us."

"what?"

Xiao Mingzhu, who was about to unfasten his seat belt, was taken aback and looked at Gong Lianyi in surprise, "I remember you are the elder of the palace family? It seems to be called Gong Lianyi, who is in charge of the palace family in Zhonghai City, you Why is it here?"

Xiao Mingzhu met Gong Lianyi at a very small gathering of friends two years ago. When she learned that she had reached the late congenital stage at such a young age, she was very surprised. But unfortunately, she didn't interact with Gong Lianyi again. Although not a completely hidden family, they rarely show up.

"Yes." Gong Lianyi smiled in a ladylike manner, "I have come to participate in the auction with Li Yun and the two distinguished guests of the palace this time. There are some things to be auctioned."

Gong Qingyu walked to her, Gong Lianyi smiled again and introduced to Xiao Mingzhu: "This is one of my cousins, named Gong Qingyu, she is the daughter of the Patriarch. Qingyu, this lady is Xiao Mingzhu, her mother is senior Xia Lingshan, and she was born in Thousand Flower Parade."

Hearing Lian Yi's explanation, Li Yun was secretly surprised that the wife of the richest man in Zhonghai City was also from the Jianghu school.

Ordinary people certainly don't know about this kind of thing, and they will only know the origin of these people if they also come from the martial arts.

"Hello."

Gong Qingyu nodded faintly, not lukewarm to Xiao Mingzhu, she was not a person who was good at communication at first, and she didn't care much about men or women.

"Hello, daughter of the palace family, nice to meet you."

Xiao Mingzhu is very interested in Gong Qingyu. The two are about the same age. She also heard about Gong Qingyu studying in Zhonghai City, but she has never had the opportunity to meet. She unexpectedly met today. It was a pleasant surprise.

Gong Lian chuckled softly and said, "Qingyu, don't underestimate others. This Ms. Xiao is also a martial arts wizard. I heard that she has reached the innate state at the age of 14. Now she is the same age as you, but has already entered. It has been more than a year since the mid-innate period. She knows these things very well.

"Middle congenital?"

Gong Qingyu finally showed a surprised expression and glanced up and down at Xiao Mingzhu. If she herself hadn't met Li Yun, it would take two years to break through to the mid-innate period.

In this way, this girl with a bright smile and a bright and sunny face is indeed talented, slightly better than her!

"It's nothing..."

Xiao Mingzhu was about to talk, but a young girl hummed.

She turned her head to look, and suddenly, there was a woman in her field of vision who was handsome, beautiful, elegant and holy, like a moon palace Chang'e, and like a nine-day mysterious girl, making Xiao Mingzhu's heart sway, she opened her eyes wide for a while. Looking at her, she couldn't get back to her mind for a long time.

Chapter 932: Fairy descends

"Big villain, let's go! The auctions are all started!"

The girl in the green dress next to the fairy urged Xiao Mingzhu to come back to her senses, her face flushed, and it was the first time that she was shocked by the beauty of the same woman.

No, it should be said that Xiao Mingzhu was surprised by the impeccable temperament of this fairy-spirited woman. In terms of beauty, she didn't think she was losing to her, but the temperament of the fairy was very special. It is definitely not something ordinary people can have.

"Li Yun, you can introduce it."

Gong Lianyi threw the problem to Li Yun, because it is really difficult to introduce Saint Fan Qing, and she doesn't like to talk. It is easy to cause problems when introducing it to others.

Li Yun shrugged, smiled at Xiao Mingzhu, and said: "She is called Fan Qingsheng, and she doesn't like to talk. You can treat her as transparent, Miss Xiao."

"Uh?"

It was the first time that Xiao Mingzhu saw such a special way of introduction, but he also roughly guessed the character of Fan Qingsheng.

The two parties joined together and walked out to the auction site not far away.

Except for Li Yun, all the people in the group are top beauties. Fan Qingsheng, Xiao Mingzhu, Gong Lianyi, Gong Qingyu, and the little maid Qingzhu are slightly worse than them, but her lively

and lovely temperament has been enhanced a lot, absolutely. Will not be obscured by the light of the four big beauties.

As a result, it attracted the attention of countless people along the way.

"This this this!"

The two security guards in the parking lot were immediately stunned. They never expected that Li Yun's "broken car" would have four beauties sitting in the moonlight, shameless flowers, fishes and wild geese. One of them was even more beautiful, like an immortal.

After a long time, the security guard who blocked Li Yun slapped his face severely, and said with great annoyance: "I'm really a dog who looks down on people. Fortunately, the gentleman didn't blame it, otherwise, I really want to go to the car dealership. Go to work!"

No other proof is needed. Just being surrounded by four top beauties is enough to prove the dignity of the identity of the man driving Ricky, and the lofty status of the man.

Otherwise, it is absolutely impossible to have that level of beauty, and there are still four!

"Okay, so beautiful!"

"My God, who is that very young man? There are five big beauties around him!"

"I, Cao, isn't that the daughter of the Xiao family, Xiao Mingzhu?!"

"If the shoulders are cut, the waist is as normal as before. The neck is stretched, and the quality is exposed... Fairy, fairy!"

"It's so beautiful... I have seen thousands of beauties, but compared with that fairy, all the beauties I met before have become vulgar fans!"

After entering the auction site, Li Yun and his party received great attention, and the Sage Fanqing received no less than hundreds of gazes, and was shocked by her untouched secular, unaffected, and nine-day temperament.

"Sage Fanqing, what kind of person is she?"

Xiao Mingzhu became more surprised. If she always appeared in front of everyone, she would definitely be the focus of the banquet. Countless people wanted to build relationships with her, make friends, and even exchange WeChat phones and so on.

However, the appearance of the Holy One of Fanqing directly shocked the entire auction, turning the unusually noisy auction hall that was about to begin into a university thinking class, and the needles were heard.

"Huh, a group of mortals, have you finally seen the fairies today? Hehe~"

Qingzhu seemed very proud, and he did not have the slightest surprise in the effect caused by the Lord Saintess. After all, the people here are just ordinary people. It is normal to be surprised when I see the Lord Saintess with high status!

Chapter 933: Haoting International Banquet Hall

Xiao Mingzhu had a weird face. Hearing what the maid named Qingzhu said, it seemed that the Sage Fan Qing came to experience the mundane life?

It seems that she came from a family in a hidden world.

Xiao Mingzhu vaguely guessed that only in the depths of the mountains, living among the green mountains and green waters, can he cultivate such a dusty temperament as the Sage Fanqing.

"Miss Xiao, please sit here!"

Xiao Mingzhu did not come with the invitation card, but someone had already taken her to a table and sat down with the four of Li Yun.

After Li Yun sat down, he had time to observe the next surroundings.

The Haoting International Banquet Hall is ring-shaped as a whole, hollowed out in the middle, and the hall is decorated in a magnificent manner. The floor is covered with a high-end red carpet. A huge floor lamp post runs through the first, second and third floors, allowing the sun to shine straight during the day. In the night, this huge floor lamp post exudes the flickering neon color, beautifully.

There are high-end restaurants on the first and second floors, and small rooms on the third floor, which can provide rest, small meeting rooms, or clubs for drinking tea and chatting.

The first and second floors are connected, and the first floor can be overlooked from the second floor, which happens to be able to participate in the auction.

Li Yun glanced at it roughly. Those who can participate in this auction are either rich or noble. The men are full of vibes and self-confidence. In their pockets are the masters who are not short of money. The women are exquisitely dressed, wearing low-cut evening dresses, bright and charming. , Qiaoxiaoyanxi.

Luxurious venues, attentive service, and top entrepreneurs, rich and second generations gather to become a social club where many middle- and lower-class women dream of entering the upper class. Li Yun saw many beautiful women in their twenties, wearing what they call a show. , Jiao body is still close to her male partner, for fear that others will not know that she has found the diamond king.

"Qingsheng's things are exhibited on the second floor?"

Li Yun asked Gong Lianyi, who nodded: "The first floor is an auction, and the second floor is on display. There are a lot of jewellery and antiques of Lady Saint, and only a small part is auctioned, and the rest are on the second floor."

"it is good."

Li Yun pretended to smile boldly and said: "Wait when you have something you like, just ask, I will buy it for you!"

Gong Qingyu rolled his eyes and teased: "Do you have so much money? I'm afraid that Aunt Lian will pay?"

"Ahem, Qingyu, don't expose me!"

Li Yun spread his hands. There is money in his Baiyun company account, but he has not withdrawn cash, that is, it is still the company's money, not his.

"Huh~"

Gong Qingyu secretly laughed, "Okay, okay, little white-faced husband, just sit there, and you can tell me what you like later, I'll buy it for you, hehe~"

Seeing the two flirting and yelling, Xiao Mingzhu, who was sitting together, looked strange. Li Yun had no money. Is it a little white face?

Having said that, he had no money last time at the airport. It was a jade bracelet presented by a very delicate and delicate girl next to him. Xiao Mingzhu did not expect to meet Li Yun again. He still came to sell jewelry, and the beauties around him It was changed again, and there were two more.

"Li Yun, is the last Ming Dynasty Ping'an bracelet still there?" Xiao Mingzhu showed a smile, "If you sell it, my price can go up a little bit more."

"The peace bracelet is not with me." Li Yun paused, and said with a faint smile: "And I don't sell it, I don't lack money!"

Not short of money?

Xiao Mingzhu disagreed, and Li Yun didn't explain too much.

He didn't have much cash, but whether it was the Wufu Peach Wood Sword given to Gong Lianyi or the ghost-binding rope and amulet given to Gong Qingyu, they were all treasures that could not be measured by value.

Even if you don't sell these magical instruments, just sell the pill such as Zhuji Pill and Jiedu Pill, Li Yun estimates that a small pill is worth at least one billion.

Imagine that a small Jidan can strengthen the body without side effects, and enter the body tempering state. How will those rich people make crazy bids for their children?

Unfortunately, they just want to buy, and Li Yun will never sell it!

Chapter 934: Yang Dongxue, Zhong Nansheng

Five minutes before the auction, on the second floor.

"Young Master Zhong, look at those beauties!"

A young man wearing an Armani high-end shirt, holding a glass of red wine in his right hand, stood on the booth on the second floor, frivolously at the Fan Qingsheng and others below.

In fact, most of the eyes on the second floor were already attracted by the five beauties, and even the talk was mostly about them.

"It's beautiful."

Zhong Nansheng, the eldest master of the Zhong family, looked at Sage Fanqing intently, then looked at Gong Lianyi, Gong Qingyu, and even glanced at Xiao Mingzhu with greedy eyes. These four women, no matter which one he saw in his life, Compared with them, the women Zhong

Nansheng had played with before were actually like dying flowers and losing willows, they were not comparable at all!

"Tsk tsk."

The young man holding the red wine sighed several times, drank it, and cursed in a low voice: "The kid sitting in a few beauties doesn't know where he came from, so he dared to hug right and left, making me jealous with envy!"

"Dongxue, are you still short of beautiful women?" Zhong Nansheng smiled faintly, suppressing the restlessness in his heart, and glanced at this young man. This person is called Yang Dongxue, and his status and status are similar to him. The two have a lot of friendship, but they are all It just came out on the wine table.

"Zhong Shao said and laughed."

Yang Dongxue smiled bitterly, staring at the beauties downstairs again, and sighed: "The women I have played with can not be compared to them, and I don't know what the origins of these four women are. They are actually similar to the pearls of Zhonghai , One of them even crushed Xiao Mingzhu's side, really hell!"

As the richest daughter in Zhonghai City, Xiao Mingzhu is definitely the goal pursued by the upper-class young master of Zhonghai City. There are countless handsome and rich people around him.

Today, Xiao Mingzhu came to the auction alone, probably to relax, otherwise, the princes of the top families would have followed!

Such an excellent Xiao Mingzhu was even suppressed by another woman, not to mention the overall superiority of his temperament, appearance, and figure, but most people think that Xiao Mingzhu is slightly inferior.

"Master."

The steward Zhong in a tuxedo walked over with a slight nervous expression in her eyes. Zhong Nansheng nodded to Yang Dongxue, and walked aside to talk with steward Zhong alone.

Yang Dongxue showed a weird expression and glanced at the two of them, feeling strange.

Guanshi Zhong is the abbot of this auction. If he doesn't prepare now, what else is he talking about with Zhong Nansheng?

"Master, or forget it this time!"

Coming to a corner where no one heard, Guan Shi looked worried and whispered: "Although I don't know the details of the palace family, Gong Lianyi who came to the auction is very close to Xiao Mingzhu. I'm afraid..."

"What are you afraid of!"

Zhong Nansheng slapped him on the shoulder fiercely, with a hideous look on his face: "I have been investigated long ago. The palace family has no strength in Zhonghai City. There is also a house

No. 3 in the concession, worth two or three. One billion, they are still inquiring about selling the house recently, coupled with the sale of antiques, it proves that they have no strength!"

"This....."

The young master was right. Guan Shi also felt that the family that needed to sell a large amount of jewelry and antiques was gone, but he had hesitated for a long time.

After seeing the temperament and beauty of Gong Qingyu and Gong Lianyi, Zhong Guanshi's eyelids kept twitching, as if he had a bad premonition.

This kind of beautiful lady with demeanor temperament can't be cultivated by a small family!

Chapter 935: Ricky

"Besides, the car that kid drove was a broken Ricky, less than half a million rubbish!"

Zhong Nansheng sneered, "A poor ghost family, what is there to be afraid of? Don't worry, you just do what I told you to make sure that no one sees the flaws!"

"Ok."

Guanshi Zhong sighed secretly and agreed.

Because he knew that the young master had a deficit of more than one billion in his account recently because of a gambling trip to Vegas, which was exactly when he needed money.

only.....

Guan Shi walked to the first floor and glanced at the fairy fluttering again. He always felt that a woman with such a temperament was born in a lot of ways.

If something goes wrong this time, I am afraid that the Zhong family will be destroyed.

"Um?"

Li Yun looked at this man in a tuxedo and a white tie. The look in his eyes made him a little puzzled. How did it feel like he was scrutinizing him?

The man walked onto the main stage, and his surroundings gradually calmed down. Only then did Li Yun realize that he was the abbot of this auction.

"Gentlemen and ladies, welcome to participate in this spring auction of treasures held by Wanbao Pavilion! I am the host of this auction, Zhong Ming!"

Guanshi Zhong smiled and bowed to everyone. Li Yun suppressed the weird feeling just now. Perhaps the host felt strange that the palace family had brought a lot of things to auction, so he took a look at them more.

"Several people, let's talk about it after the auction."

Xiao Mingzhu smiled at the few elder brothers who came close. Since she came in and sat down, these elder brothers buzzed around her like flies smelling the scent of cake, making Xiao Mingzhu annoying.

She came alone tonight because she wanted to relax and buy some jewellery that was pleasing to the eye by the way. She really didn't want to socialize.

Xiao Mingzhu was a little envious of Fanqing Sheng and Gong Lianyi, and these people were also very beautiful. Many people came over and wanted to strike up a conversation, but they were all scared away.

Gong Qingyu didn't bother to talk to these people. The maid in the green skirt had eyes high above her head. Looking at other people's eyes was like looking at a piece of dirt on the ground. The 'Master Saint' was silent, so Gong Lianyi could speak better.

—Xiao Mingzhu still don't know why Li Yun and several people call Fanqing Sheng as the sage, is it the name of Jianghu?

"...I won't say anything extra, and the auction will officially begin!"

Guanshi Zhong smiled and clapped his hands. Then, a tall beauty wearing a high-forked cheongsam walked up holding a plate covered with a red cloth and placed it on the auction table.

The lights dimmed, and the surrounding cameras focused on Mr. Zhong and the auction items. There were large screens on the first and second floors to see what was being auctioned.

"The first thing we want to auction is the last work 30 years ago by a top design master from country Y. The translation is called Zodiac Romance, please see!"

Guanshi Zhong uncovered the red cloth, revealing a beaded necklace. Li Yun just looked at the ruby the size of his thumb, and knew that it was not low in value.

After another introduction, Guanshi Zhong directly shouted: "The starting price of Zodiac Romance is 5 million, and the price increase is not less than 100,000. Start bidding!"

"Ten million!"

Everyone was stunned and looked at Li Yun one after another. Li Yun shrugged and said that it was not he who shouted, but that it was another rich second generation who was sitting beside Xiao Mingzhu.

"Ten million, I bought it!"

The rich second generation showed a handsome smile and said flatly to Xiao Mingzhu: "Miss Mingzhu, this necklace matches you exactly, and Miss Mingzhu, you also like it, don't you?"

Chapter 936: 20 million

Before Xiao Mingzhu showed interest in this necklace, he grasped it accurately.

At this time, another man's voice came.

"Twenty million."

The moment they heard this number, everyone doubted their ears.

The necklace with a starting price of 5 million, after only two auctions, the price soared to 20 million!

In the hands of this group of top rich men, well-known entrepreneurs, and capitalists, money seems to have not been earned, but fallen from the sky.

Some middle-class people who have mixed in by various means have a monthly income of several hundred thousand, and the year-end dividend + stocks are also three or four million, which is definitely the top income in front of most people.

But the whole year's wages of these middle-class people are actually not enough for this group of rich people to call for a bid!

"Sure enough, it is the highest-end auction in Zhonghai City. There are too many rich people!"

"Tsk tsk, I need two years' wages to buy this necklace. Sure enough, there is no way out for a part-time job. I still have to be the boss."

"Bullshit! The boss is no good, you have to be rich for three generations to have this background!"

"I can see the lavishness of this group of rich people. I took the opportunity to make a few business partners. The admission fee of 500,000 yuan is worth it!"

The amount of up to 20 million caused a commotion on the first floor of the auction. Everyone looked at the bidder and suddenly exclaimed.

"It's Yang Dongxue, the son of the Yang family!"

"There is also Zhong Nansheng next to him, from the Zhong family, who is the organizer of this conference, Master Zhong from Wanbao Pavilion!"

Li Yun saw two handsome men approaching. They should be the so-called Shao Yang and Shao Zhong.

"Pearl."

Zhong Nansheng greeted Xiao Mingzhu with a smile, and said with a smile: "If you like Zodiac, I will give it to you."

He didn't talk about bidding and buying, he directly talked about giving it away, which shows that this necklace is a must to win!

After Zhong Nansheng made the offer, the rich second-generation who was sitting with Li Yun directly did not dare to make a noise. He even squeezed a smile and nodded to Zhong Nansheng.

Obviously, he didn't dare to offend the other party.

"No need." Xiao Mingzhu smiled and said: "If I like it, I will buy it myself. Generally speaking, I will not accept gifts from others easily. Please forgive me for paying off Zhong Nansheng."

"It's okay."

Zhong Nansheng smiled freely, "Pearl, you can be self-reliant, but it is a rare quality of women nowadays."

As he said, he walked to Li Yun, motioned to him with his eyes, and gave him a place!

There were not many seats at one table. Li Yun and Gong Qingyu took up five of them, and Xiao Mingzhu and her suitors took up a few more, resulting in no more seats.

Li Yun took a sip of his drink calmly.

"This kid!"

A cold light flashed in Zhong Nansheng's eyes. He only tried it out, but he didn't expect that the other party would really not give him face, and he didn't even say a word of kindness!

Zhong Nansheng put his gaze on the other man, and immediately, the man who had been courteous to Xiao Mingzhu stood up, said that he had something to do, and left.

In the same way, Yang Shao, the two occupied the position next to Xiao Mingzhu and drove away all the rich second generations except Li Yun!

"Twenty million for the first time!"

"Twenty million for the second time!"

"make a deal!"

On the stage, Zhong Ming knocked the auction hammer cleanly, and the deal was a success!

Soon, a beautiful woman wearing a red cheongsam came to Zhong Nansheng's side with the constellation Romance, and respectfully handed the necklace to him.

Originally, the auction required subsequent payments to get things, but everyone in the room was with decent people, so as long as you take the picture, you can get the things directly, and you are not afraid that they will not pay.

Chapter 937: Where do you come, where do you go

After confirming that Xiao Mingzhu would not accept the necklace, Zhong Nansheng regretted putting it back on the plate, pretending to sigh, "Swords go with heroes, necklaces with beauties. It's a pity that there are now necklaces, but no beauties are willing to accept them. It's a violent thing!"

Gong Qingyu glanced at him and wanted to yell at him, but this kind of person felt dirty when talking to him, so he endured it again.

"This lady."

Zhong Nansheng set his gaze on a silent Vatican, and asked tentatively: "Why don't you give this necklace to you?"

"Shut up!!"

With a soft drink, everyone in the vicinity looked over in surprise.

"Mortal!" The little maid Qingzhu said with an arrogant toe, and angrily said: "The Lord Saint is not something you can talk to, a mere mortal, but also delusional to have a relationship with the Lord Saint? I tell you, it's pure wishful thinking! "

Everyone was stunned, and Zhong Nansheng was even more astonished for a moment. No one thought that the girl in the green dress would say something like this.

Arrogant? ignorance? arrogant?

Fortunately, the little maid looks very cute even with the domineering appearance, otherwise, it is estimated that Zhong Nansheng will directly become angry.

"Pouch."

Gong Qingyu laughed out loud. If Zhong Nansheng knew the identity and strength of Sage Fanqing, would he be scared to pee directly?

It's funny thinking about it.

"Miss Gong, right?"

Frustrated with Saint Fanqing, Zhong Nansheng aimed at Gong Qingyu again, and wanted to give her the necklace.

"roll."

"...?"

Calm and clear, with a crisp voice that contained extreme disdain, the person in the seat next to it was surprised again.

"what?"

Zhong Nansheng once again doubted his ears, this beauty with classical temperament actually told him to go?

"I'm sorry, I was wrong." Gong Qingyu's beautiful face showed a faint smile, "I mean, wherever you are, then wherever you go!"

Zhong Nansheng's face quickly darkened. Although he did not understand Gong Qingyu's words, her expression was arrogant and her tone of disdain was not good.

"Qingyu, don't you say a few words."

Gong Lian Yiluo was a little worried. Zhong Nansheng is the son of the Zhong family. If he offends him, it is likely to mess up this auction and make it impossible to sell Van Qingsheng's things.

Gong Qingyu smiled helplessly. She knew Aunt Lian's character, not to blame her, but Aunt Lian's soft personality, who likes to compromise.

"Since no one likes it, I will give it to you!"

Zhong Nansheng tried his best to suppress his anger, and then threw the necklace that he had spent 20 million on on the plate of the cheongsam beauties. The cheongsam beauties were surprised at first, but then they said in a little panic: "No, how dare I ask Zhong to miss you? ..."

"I'll give it to you, I'll give it to you, where is so much nonsense!"

Zhong Nansheng sipped in a low voice, the cheongsam beauty became more alarmed, and quickly left with the necklace.

Li Yun smiled faintly, and had a panoramic view of the farce.

Some people say that the wind is light and the clouds are calm, like a handsome son, but in fact the personality is irritable and easy to get angry. This kind of person is referring to Zhong Nansheng!

The auction continued. Li Yun talked with the two sisters of the Gong family, and the little maid Qingzhu, and occasionally talked with Xiao Mingzhu.

As for Zhong Nansheng and Yang Dongxue, most of them talked to Xiao Mingzhu. Except for Gong Lianyi who would talk to them out of politeness, the others basically didn't talk to them.

Time came to nine o'clock in the evening, and the auction was coming to an end.

Chapter 938: Stop

On the way, Li Yun bought two gadgets, one for the little maid Qingzhu, and the other for Qingyu. Both Lianyi and Qingsheng were not interested in them.

Although Qingzhu said that he did not disdain what Li Yun gave, he still grabbed it in his hand, playing with it happily, his little face flushed, showing his inner joy.

"This kid, Yan. Fortune is not shallow!"

Both Yang Dongxue and Zhong Nansheng could see that Li Yun's relationship with at least three women is not shallow. Among them, Gong Qingyu must be his girlfriend, and the two have a lot of intimate behaviors.

And the fairy who has been silent and never speaks, Li Yun can also talk to her, and the other party doesn't hate it.

"Humph, wait when you cry!"

Zhong Nansheng was very annoyed. It was the first time that he had suffered such a serious deflation on women. Not only did he fail to get them, he was even ridiculed when talking to each other!

"Next, we are going to bid for the finale of this auction!"

The abbot on the stage, Zhong Ming, announced that Qingzhu suddenly became surprised and turned his eyes to Gong Lianyi: "Sister Gong, why only two of our things have been auctioned, and the auction is over?"

In fact, there was only one piece of jewelry that came from the hand of Sage Fan Qing, but Qing Zhu assumed that the final finale was the broken artifact given by the Lord Saint, so it was two pieces.

"This....."

Gong Lianyi was puzzled, "Could it be that other items are too low in value?"

The one sold before was worth 35 million yuan, and Qingzhu took out at least 100 pieces of various jewellery antiques from the space mustard seeds, which can reasonably be sold for several billion.

There is a guarantee from the palace that these items do not need to be as invisible as the ones dug up by the tomb and can be auctioned directly.

"Hehe, make you laugh!"

Zhong Nansheng picked up the cup and took a sip of red wine, with an undetectable sneer at the corner of his mouth. Suddenly, he saw the fairy's sight and looked straight at him.

Zhong Nansheng's expression froze, and after a long while, he slowly put down the wine glass.

The look in this woman's eyes is terrifying!

As if he could see through his heart, there was no secret in front of her.

"...The finale is-a relic from the Tang Dynasty!"

"what?"

Zhong Ming's words surprised Li Yun and the others. The final product was not a magical tool given by the Sage Fanqing, don't they know the goods?

Or, this relic is also a magic weapon? !

Thinking of the protagonist's missing plots in some film and television novels, Li Yun became interested and looked at the relic.

"The relic of the Tang Dynasty, after the judgment of many experts, is valued at more than 200 million yuan!"

Zhong Ming said with a smile on his face: "This relic is in the shape of a pagoda, with a golden seat and double lotus petals at the bottom. The gold base supports the reliquary pagoda. The pagoda contains Buddha finger relics, Buddha bone relics, and tooth relics.

According to legend, this is the relic formed after the Tang Sanzang returned from the Western Classics, and was formed after the first disciple of the Datang Collection, Zihua. The price increase is not less than one million! "

The starting price is only 200 million, and each increase is an astonishing one million.

Such a high price has amazed many people. Even the bosses of some listed companies may not make 200 million yuan a year. The price of this relic can be said to be against the sky!

"Two hundred and ten million!"

"Two hundred twenty million!"

"Add another five million!"

The quotations one after another made the auction scene full of excitement, and everyone was waiting excitedly to see whose hands this treasure would fall into.

at this time.

"stop!!!"

Chapter 939: Forcibly interrupted

Accompanied by a little girl's crisp and sweet shout, a white and tender little hand was raised.

In an instant, everyone's eyes were attracted, and many people who were paying attention to the situation over there showed weird smiles, and something went wrong as expected.

"what are you doing?"

Zhong Nansheng sank his face, partly dissatisfied with the little maid Qingzhu's interruption of the auction.

"Mortal, shut up! This is not what you have to say!"

With an angry expression on Qingzhu's small face, he stood up and pointed at the relic on the stage, and said angrily: "What are you? You dare to be the finale. The Ningshen jade pendant that the lady of my family gave you for auction is better than this. Common things are a hundred times more expensive, and all relics are deceptive!"

Unless it is a person who has gone out of the Hidden Sacred Valley or the Six Demon Gates, otherwise, the so-called Buddha sitting and turning into relics are all lie!

People who truly cultivated Buddha had both schools, but their relics after they had been seated had been taken away long ago, and they couldn't be left out.

There was a commotion in the crowd, and they were all shocked by the little girl's behavior.

"Who is she?"

"The palace family? What palace family? Never heard of it."

"My Lord Saint? Listening to this title, it seems to be from a river and lake, no wonder it is so presumptuous!"

"Lack of education, probably not a big family."

Gong Lianyi, with a weak personality, panicked a little. She never thought that someone would stand up and interrupt at such a critical moment at the auction. This action was amazing.

Li Yun smiled. Perhaps this is the difference between monks and ordinary people. Most of them despise the world and don't care about etiquette.

At this moment, three beautiful women walked in from the gate, headed by a woman with a coquettish temperament in a bright yellow low-cut dress, she walked in with a smile after looking around.

Now everyone's eyes were attracted by Qingzhu, and they didn't even notice them.

Even if I noticed it, I only thought it was the pheasant, and wanted to climb the dragon and attach the phoenix.

"The show is about to begin, and finally caught up."

The glamorous woman's smile continued until she saw Qing Zhu standing up and the Queen Fan Qing sitting next to her, and the spring breeze smile suddenly solidified.

"Miss, it's her!"

"what!"

The two women behind the glamorous woman exclaimed, their eyes a little panicked.

"What are you afraid of?"

The coquettish woman quickly stabilized, gave Li Yun a meaningful look, and said: "This time it's not our action, just watch the show, leave her alone, hehe, go, let's go upstairs and have supper~"

"Eat, eat supper..."

The two women looked at each other and both showed a wry smile. The young lady always does things unexpectedly.

The arrival of the three did not cause any disturbances, they walked straight to the second floor, just like the others, enjoying the food and wine on the table while watching the good show downstairs.

...

"Little girl!"

On the stage, Zhong Ming's expression calmed down, and he said in a flat tone: "I don't know what you said. The value of the relics in the Tang Dynasty has been verified by many experts. Our Wanbao Pavilion is responsible for the customers. The professor of the Department of Archaeology personally identified it, there is absolutely no falsehood!"

After a pause, he said again: "As for the Ningshen jade pendant you mentioned, I don't know what it is. If you have handed it over to us for auction, then I suggest you go to the second floor to have a look. There is an exhibition there. Maybe you are here. You can find it there!"

Chapter 940: Despicable

The underlying meaning is that your jewellery and antiques, little girl, are worthless things, not worth bidding at auction!

"you!"

The little maid was so angry at the series of words, her face rose red, she opened her mouth to say something, but couldn't say it.

"Ding, trigger the option event, please choose from the host:

Option 1: Help Qingzhu speak, reward Qingzhu's favorability greatly increased, experience value +500,000, free attribute points +1000, white gift bag*5.

Option 2: Ignore, no reward.

Choice 3: Let her sit down tough, reward Qingzhu for lowering her favorability, and get the skill: Shrink the head turtle. "

This still needs to be selected?

"I have something to say too."

Li Yun stood up, patted Qingzhu's petite shoulder, and in the eyes of everyone, he turned his head and said to Zhong Ming: "I can't comment too much on the value of Tang Dynasty relics, but we gave you more than one hundred. Pieces of jewellery items, including a priceless jade pendant. With so many items, only one appeared at the auction just now. Could it be that they are not eligible for the auction?"

Li Yun's expression was calm, but his eyes were extremely sharp, causing Zhong Ming on the stage to suddenly shrink his pupils.

coming!

When the Lord appears, success or failure depends on this step!

"This gentleman."

Zhong Ming agreed to answer in a calm tone: "I don't know what the more than one hundred antique jewelry items you are talking about are. In this auction, the most received are the jewelry sent by Baozhufu Group for auction, totaling three. Fifteen pieces are the largest number of commissioned auctions ever received since the Wanbao Pavilion auction was held!"

"what!?"

Gong Lianyi, Gong Qingyu, and Qingzhu were all surprised, and Gong Lianyi was even more panicked for a moment, because she asked the butler to send the jewelry antiques, but now they are gone! ?

"So that's it." Li Yun showed a smile, "In other words, the more than one hundred pieces of jewelry I sent people have been embezzled by you?"

The sound was not loud, but it spread throughout the auction, causing all the more than 1,000 people on the scene to talk.

"Has more than a hundred antiques lost?"

"I, Cao, this is at least one billion, right?!"

"I've said that Wanbao Pavilion is tricky, is there something wrong now?"

"Fake! How can anyone sell more than a hundred antiques at once!"

"Eating melons and watching the show, I have a hunch that tonight will be very exciting."

"Hahaha, I can't afford anything here, but it's fun to watch these rich people fight."

The crowd's comments made Zhong Nansheng's face ugly. He expected that the people of the palace would be troubled, but he didn't expect that the auction was not over. These people forcibly interrupted the auction and prevented Uncle Zhong from coming to the stage.

According to the process of the auction, there will be a small dinner party at the end of the auction, which will be used for social networking in the upper class, and the people of the palace will also find problems at that time.

But when the auction is over, many people will leave, so the palace family can't overcome any storms.

But now, in full view, this matter must be resolved!

"shut up!"

Zhong Nan patted the table fiercely, stood up angrily, and shouted to Li Yun with a gloomy expression: "You mean that Wanbao Pavilion has embezzled more than a hundred of your antiques?"

"This is the case." Li Yun replied calmly.

"Humph!" Zhong Nansheng sneered, "My Wanbao Pavilion has a history of a hundred years and has always been operating with integrity. I have never heard of anyone losing something with us. Besides, what if you have a hundred antiques? The value is only one billion. , We will be greedy for something like you?"
