

## **GODS' IMPACT 141**

### Chapter 141

Zach took off Ruli's clothes while kissing her, and she didn't even realize it because she was lost in the pleasure of the kisses.

After the kiss, Ruli noticed that Zach had stripped her naked. She covered her breasts and sacred place with her hands and squinted her eyes at Zach before saying, "You seem experienced at this."

"I am," Zach replied with a grin.

Ruli closed her eyes and kissed Zach, but it was her first time initiating the kiss, so she messed up and ended up hitting her teeth.

"Open your eyes," Zach said.

Ruli opened her eyes and looked into Zach's eyes.

"Good. Now wrap your arms around my neck."

"But... you will see... my body..." she said with a flushed face.

"It's too late to say that," Zach remarked.

Ruli wrapped her arms around Zach's neck and said, "So why aren't you taking off your clothes?"

"That's your job."

Ruli pushed Zach on the bed and got on top of him. Then, she unbuttoned his shirt and pulled down his pants. But in that process, Zach's little brother ended up hitting her on her face.

"You okay?" he asked with a scoff.

Ruli grabbed Zach's snake in her hand and muttered, "It's so big..."

"And it was inside you last night," he remarked.

Ruli stroked Zach's snake and said, "Human sex is so weird..."

"Now that I think of it, how do the Sea creatures have sex?" Zach asked with a curious look on his face. "Do they do it in their full beast form?"

Ruli nodded and said, "But unlike humans, the Sea creatures aren't fond of sex. And most of them spend their lives without having a partner. Only royals and nobles get married to continue their lineage."

"That's why Aquarius used an aphrodisiac on me that night," Zach muttered.

"She did what?!" Ruli exclaimed.

"It wasn't her fault..."

"Yeah. I know." Ruli sighed and said, "It must have been my sister's idea. That's how she seduced the sixth and forced him to marry her."

"Wow... no wonder she was so angsty when we were talking about Aquarius' marriage with me..." Zach sighed in disbelief.

"We... we don't really know anything about love and stuff. We are made that way. We are creatures, and our lifestyle is simple. But..." Ruli licked her lips and said, "Every once in a while, miracles happen."

"You know, I think it's natural. I mean, I am an outsider, so naturally, you all would be curious about me. And that curiosity turns into like and then love?"

"Maybe?"

"Let's stop talking and do it. We don't have enough time..." Zach suggested. "How about you start by sucking me off?"

Ruli licked the tip of Zach's snake and said, "I will show you how a mermaid's mouth feels like."

Ruli gobbled up Zach's snake in one go and started sucking it as though she was sucking a lollipop.

After looking at Ruli's face, Zach couldn't help but get even more turned on.

Ruli was sucking Zach's snake from all the sides, and she was using her tongue to stimulate sensitive spots. As Ruli was in a human form, her inner body was also similar to human, but it wasn't totally a human.

Ruli retracted her teeth so she could easily suck in and out without having to worry about biting Zach's snake. That alone was enough for Zach to feel heavenly.

Furthermore, Ruli changed the insides of her throat and made it more narrow than a human throat.

Not only that, Ruli was using her suction ability from her mouth to suck Zach's snake from her inner cheeks too. She also changed the size of her tongue and made it long and thin, which she used to wrap around Zach's snake while sucking in and out.

Within three minutes, Zach ended up releasing everything in Ruli's mouth. However, Ruli still kept sucking Zach's snake and didn't stop until she sucked out every single drop from it. Then, she changed the inside of her mouth to normal.

After pulling out Zach's snake from her mouth, Ruli asked with a mischievous smile on her face, "How was it?"

"It was thousands of times better than a regular blowjob! It was almost like... I was fucking someone..."

Ruli kissed the tip of Zach's snake and said, "That's a perk of being a mermaid."

"A snake inside the fish's mouth..." Zach muttered.

"What are we going to do now?" Ruli asked with a curious look on her face.

"To be honest, I want you to give me another blowjob, but let's make you a little wet and start the main event."

"There is no need for that." Ruli stood up and said, "I am already wet."

Zach picked up Ruli in his arms and gently placed her on the bed.

Ruli automatically spread her legs and waited for Zach.

Zach copped a feel of Ruli's breasts and pulled her nipples before pinching her. Then, he moved his hand down and inserted his finger inside Ruli's wet cave.

"Well, well... someone was looking forward to getting railed," Zach said with a grin on his face.

"I was thinking about it while taking a bath. It felt so good last night, even when you were half sane. I can't imagine how it would feel today when you..." Ruli raised her body and said, "Please, fill me up with your big snake~"

Seeing Ruli begging like that turned Zach even more on. He still couldn't believe that he was doing with Ruli. He was also feeling a guilty pleasure by thinking of Ruli as Rilu. He couldn't help but imagine that because they looked exactly the same.

"Do you want me to turn into my mermaid form?" Rilu asked.

"But... mermaids don't have legs..."

"But we do have the vagina..."

Zach imagined doing with Ruli in her mermaid form, and he didn't quite like it.

"Let's stick with our human form."

Zach rubbed the tip of his snake on the entrance of Ruli's wet cave and slowly penetrated it.

"Wow..."

Once his snake had traveled halfway through Ruli's cave, he plunged into the rest with a single thrust.

"Aanh~!"

"This is... incredible." Zach gently started thrusting his hips back and forth while Ruli tried her best to hold her moans.

She covered her mouth and moaned, "Mm nn mnh nn~"

"It feels awesome, Ruli."

Ruli wrapped her legs around Zach's waist and said, "Don't worry about me. You can go harder and ravage me inside out. I am all yours~"

Zach grabbed Ruli by her waist and said, "I will gladly accept that offer."

After that, the entire room echoed with Ruli's muffled moans and Zach's grunts of pleasure.

## Chapter 142

"Anh~ Amh~ Annnn~" Ruli moaned.

It has been six hours since Ruli and Zach started their fun session, and they have been doing it non-stop without taking any break.

It was due to Ruli's body that Zach couldn't stop himself from railing her again and again. And Ruli couldn't stop the feeling of getting filled up with Zach's snake again and again.

It was an otherworldly experience for both Zach and Ruli, quite literally.

Currently, Ruli was riding Zach on top of him. She was shaking her hips at a slow pace as though she wanted to enjoy every second of it.

Ruli had orgasmed 15 times during those six hours, while Zach ejaculated ten times.

However, during the first round, it was Zach who ended up ejaculating in just 10 minutes. After that, he got used to the feeling and learned to hold himself.

As the time passed, both Ruli and Zach got immersed in it, and their sex drive increased instead of decreasing.

Ruli increased her pace and said, "Is it weird that I am falling in love with you more and more with every passing second?"

"Not as weird as you getting tighter with every thrust," Zach replied with a grin on his face.

"But it feels so good~"

"Yeah~"

Ruli's breasts were bouncing as she shook her hips, and Zach couldn't help but grab them. He squeezed them gently and pinched her nipples using his thumb and finger. Because of that, Ruli got a little more tighter.

"Do you like it when I do this?" Zach asked with a curious look on his face.

"I like your touch~ I feel happy whenever you touch me. And I feel satisfied when your big snake is inside me~!"

"Wow. You are not even shy anymore. I like it."

"I am going to cum~" Ruli moaned. "What about you? I like it when we cum together. And the feeling of getting filled up with your hot juice is so thrilling that I want to get filled like that all the time~!"

Zach sat up while pulling Ruli's breasts and squeezing them. He sucked her nipples left and right and then pushed her on the bed on her back.

"Yes~"

Zach grabbed Ruli by her waist and pulled her body back and forth.

"More~ More~"

Zach also started moving his hips back and forth and slowly increased his speed as he got close to ejaculating.

Ruli started moving her body up and down to make it easy for Zach to shoot everything inside her.

However, Zach wasn't going to shoot just yet. He wanted to tease Ruli and make her more desperate.

"Why are you not cumming~?" She asked while violently moving her body up and down. "I can't hold it for much longer~ I want to cum together with you at the same time~"

"Hold it for one more minute," Zach said as he increased his speed.

"No~ You are asking for too much~ I want it now~"

Zach could feel Ruli's cave walls clenching his snake from all the sides. She had gotten so tight that it was getting hard for Zach to move back and forth, but that was his main goal.

More than six hours had already passed, and Aurora messaged him a while ago that they were on their way back to their place. That's why, this was going to be their last round.

"Don't you want to make this last round more exciting and amazing?" Zach asked with a mischievous smile on his face.

"Yes~ Yes~ I do~ I want it to be the best one~"

"Good girl. Now count from 10 to 1. We will cum together when you reach one, okay?"

"Okay~"

Zach was trying to make this last round unforgettable for Ruli. Sure, he said he could cum when Ruli reached the count of one, but he was lying.

Ruli was desperate to reach the count of one, and Zach knew that Ruli wouldn't cum until Zach shot his juice inside her. So even if she reached the count of one, she would feel more desperate, and that's when Zach planned to fill her up to make her as satisfied as possible.

"Ten~ Nine~ Eight~ Seven~ Six~ Five~ Four~"

Ruli's cave had gotten so tight that even Zach was having trouble holding himself from cumming.

"This feels heavenly!" Zach grunted.

"Three~"

Zach started pounding Ruli's cave as hard as possible.

"Two~"

Ruli wrapped her legs around Zach's waist and started shaking her hips in all directions.

"One~!"

Ruli prepared herself to receive a big load inside her cave, but she was left hanging.

"No~ Give it to me~" She moaned loudly.

At that exact moment, Zach released everything inside Ruli's thirsty cave, and Ruli ended up orgasming at the same time.

"Aaanh~ Yes~ It's feeling me up~ Keep shooting it inside me~"

Ruli's entire body twitched as her cave swallowed each and every drop of Zach's juice.

Zach scoffed and grinned after seeing the orgasmic and satisfied look on Ruli's face.

"I will pull it out now," he said as he tried to pull out his snake from her cave.

"No~!" Ruli once again wrapped her legs around Zach and said, "Keep it inside for a while. I want to stay like this."

Zach squinted his eyes at Ruli and said, "If you say it with a face like that... I will start humping you again."

"I don't mind~ I don't want it to stop~ Keep ravaging me until you are satisfied~"

After hearing those words, Zach once again started moving his hips slowly. He could feel his juice getting mixed inside Ruli's cave, and it was working as a lube.

'Why is she so tight? I can't just get enough of it! Mermaids are awesome!"

Just like Ruli, Zach didn't want to stop yet. He wanted to keep railing Ruli for a bit longer, and Ruli wanted Zach to nail her for forever.

"Yes~ Yes~ Harder~ Go deeper~ More~ More~" she moaned.

Once again, the room was filled with Ruli moans.

Chapter 143

Three more hours passed, but Zach and Ruli continued their session.

"..."

"..."

Zach was lying on the bed, and Ruli was lying on top of him. After the last round, Ruli had passed out due to unbearable pleasure.

"Are you awake?" Zach asked.

"You are so cruel..." Ruli muttered.

Zach gently squeezed Ruli's breasts and asked, "How so?"

"You teased me so many times..." she said in a low voice.

"But you were enjoying it, right? You got tighter every time I teased you," Zach remarked.

Rilu raised her head and looked into Zach's eyes as though she wanted something.

Zach smiled at her and kissed her on the lips before saying, "I have never felt this good before."

"And this was my first time getting filled up by someone," Ruli responded and turned to the side.

Zach sat up on the bed and glanced at Ruli's cave.

"You are dripping, by the way," Zach commented.

Ruli sat up and started wiping her cave with a cloth.

"You released it inside me so many times that it's leaking now..."

Zach squeezed Ruli's breasts and kissed her on the cheek before getting up from the bed. He walked to the huge glass window and looked outside.

"What are you doing?" Ruli asked with a curious look on her face.

"Come here."

Ruli got off the bed, but more of Zach's juice spilled out from her cave.

"Umm... I will be there in a few..." she replied as she wiped her cave.

Zach was looking at Aurora, who was training sword fight in the royal garden with the female guard of the elite four.

Aquarius and Aria were with her too.

'They returned to the palace three hours ago, but I told Aurora that I will need some more time, so she is helping me out,' Zach thought after watching them.

Ruli finally walked to Zach and hugged him from behind. Then, she looked outside the window and saw the girls.

"Oh... so you are watching them..." Ruli murmured.

"Yeah."

Ruli pressed her soft breasts against Zach's back and said, "Do you feel excited after seeing them?"

"Hmm?" Zach couldn't understand what Ruli meant.

"I feel excited after seeing Aquarius. I am stealing her future husband in front of her." Ruli moved her hand between Zach's legs and grabbed his snake.

"It's hard..." she said.

"You do know that they can't see us from the outside, right? This glass window only allows us to see the scenery of the outside," Zach stated.

"I know... but still... it's exciting..." Ruli walked over and stood in front of Zach as though she was trying to block his view of the outside.

Zach raised his brows and asked, "What are you doing?"

Ruli kissed Zach and said, "I want you to focus on me while I am here."

Zach pushed Ruli against the glass and rubbed his snake on her cave. He teased her by inserting the tip inside and said, "This is hard for you. What more do you want?"

Ruli licked her lips and said, "Do you want me to clean it?"

"Oh?" Zach knitted his brows and said, "Another blowjob? Sure. Your mouth feels as incredible as your..."

"As my...?" Ruli wondered with a curious look on her face.

"What do you want me to call you vagina?"

"What do humans call it?"

"Umm... pussy?"

Ruli pondered for a while and said, "Why not just call it that? Or maybe.... Since you are calling your thing... a snake. Call my pussy a cave?"

Ruli sat on her knees and started licking Zach's snake without touching it with her hand.

"Oh?" Zach placed his hands on Ruli's head and said, "I dare you to not use your hands at all."

Zach rubbed her tongue on the tip of Zach's snake and said, "I will try. And... you can use my head however you want. You can ram your entire snake inside my mouth if you want."

"If you say words like that..." Zach began moving Ruli's head with his hands and said, "I won't be able to hold back."

Ruli retracted her teeth, made her throat narrow, and changed the shape of her tongue to long and thin.

"Yeah. It feels tight but not as tight as your cave. But it feels like I am fucking someone. And your tongue is making the pleasure doubled."

Zach used Ruli's head to move it back and forth while he also kept thrusting his hips back and forth.

After ten minutes, he released everything inside Ruli's mouth, and she drank everything as though it was her favorite drink.

Ruli looked up at Zach with his snake still inside her mouth and said, "I want it inside me."

"There is still an hour left for dinner, so yeah." Zach pulled his snake out of Ruli's mouth and said, "Stand up and stick your ass towards me."

"Okay..." She said in excitement.

Ruli placed her hands on the glass window and bent over with her hips towards Zach. She twerked and said, "I am ready~"

Of course, Zach was going to tease Ruli first, so he inserted the tip in her cave and moved it up and down without penetrating her cave.

"Please don't tease me~"

Zach scoffed and plunged his entire snake inside Ruli's tight cave with one thrust.

"It went in one go~" she moaned.

"I will go rough, okay?" Zach uttered as he grabbed Ruli's waist.

"Yes~ Go rough~ And don't stop until I pass out~"

After thirty minutes, Zach released his load inside Ruli, whose legs had given out. She could barely stand still because of the pleasure.

However, she still wasn't satisfied.

She spread her legs and said, "There is still time, right?"

Zach picked her up and pushed her against the glass window.

"Are we doing it while facing face to face?" she asked.

"Yes." Zach immediately penetrated Ruli's dripping cave and said, "Wrap your legs around me and hold me as tight as you can."

"Okay~ Aanh~" Ruli wrapped her arms and legs around Zach and submitted herself to him.

"Aamnh~ Anh~ Aam~ Ann~" She kept moaning louder with every thrust. "Kiss me~ Kiss me~"

Zach pressed his lips against Ruli's lips and increased his thrusting speed.

"Mmh~ Nmh~ Nh~" Ruli moans were muffled by the kiss.

However, Ruli stopped kissing back because she wanted to say something.

"Make sure to release it deep inside me~"

"Of course. You don't have to say that," Zach responded with a grin.

"No. That's not what I— Anh~ This one is important~"

"What do you mean?"

"You creampie'd me 14 times, and this will be the 15th time," She stated. "If a mermaid gets creampie'd 15 times, she has a chance of getting pregnant."

Zach moved his hands towards Ruli's breasts and asked with a curious yet calm look on his face: "You want to get pregnant?"

"Yes~ I want you baby~ I want your seed~" she responded with a moan.

"Are you sure?" Zach asked with a judging look on his face. "You are a widow, so others might try to—"

"It's fine. I will say Maxim's impregnated me before you killed him," Ruli said with a grin on her face. "No one will know it."

"But the child can be a human too, you know?"

"Who cares about that? It's not certain that I will get pregnant for sure. And if I do, I will let you know~"

"Fine by me." Zach started thrusting deep into Ruli's cave. "My father fathered me when he was twenty. I will surpass him and become a father at the age of 18."

After 20 minutes, Zach released everything inside Ruli's cave and gave her the biggest load of the day.

#### Chapter 144

Aquitius the sixth, Rilu, Ruli, Aquarius, Aurora, Aria, and Zach were eating dinner in the dining hall.

As usual, Aurora was sitting on the left, and Aquarius was seated on the right, while Zach was in the middle. Aria was sitting in the opposite seat to Zach, and Ruli was sitting beside Aria.

Ruli was shooting glances at Zach while eating, and Zach was doing the same.

However, only Aurora was aware of the reason behind that.

"Where were you all day, Zach?" the sixth asked with a curious look on his face.

"Umm... I was in my room," Zach replied with an awkward smile. "I was sleeping."

'With Ruli,' he added inwardly.

"I see. I apologize for not showing you my hospitality. I was busy with—"

"Don't worry about it. You are technically my father-in-law now. And there is no hospitality between families, right?"

Zach never liked to be the center of attention. Even in school, he could top the exams, but he purposely kept his grades average. Even in sports, he performed poorly on purpose and told everyone that he was not athletic.

He could use his powers if he wanted to, but his mother had warned him not to use his powers without her permission.

Even in Gods' Impact, he could become well-known if he challenged one of the top players in a duel and won. But that would have only gained him fame. Sure, he might have gained some fans too, but he would have gotten haters too.

Zach had a lazy mindset, and he never truly tried his best in anything. He wanted to live a slow life and spend it with his family. But agreeing to play the VR game with Shay and Kyden turned his life upside down.

Zach had to become the very thing he was trying to avoid. He had to work hard and survive, where his real-life abilities and powers were constantly tested.

Of course, he stopped regretting playing the VR game. After all, if he hadn't played it, he wouldn't have met Aurora, Aria, Aquarius, and Ruli.

After eating dinner, Aurora, Aria, Aquarius, and Ruli, went to the Aquarius room for certain reasons.

After an hour, when Rilu went to check on Aquarius to make sure she hadn't sneaked out, she heard several moans coming from her room.

The door was closed, and the two female guards were guarding it.

Rilu was left speechless after hearing those moans. However, it wasn't because it was coming from the Aquarius room. In fact, she was glad that Aquarius finally made a move on Zach.

But, she was baffled because she heard multiple moans coming at the same time.

"Who is in there?" Rilu asked with a curious look on her face.

"..."

However, the guards didn't reply. They were scared of the Aquarius threat.

Rilu furrowed her brows and said, "I asked who is in there?"

"The princess, her future husband and his two wives, and... lady Ruli..."

"...!" Rilu covered her face to stop herself from gasping.

'I understand if he was having a foursome with his two wives and Aquarius. But Ruli... how dare she beat me to it!'

'But wait... I should let them continue. He said he was going to leave tomorrow morning, so this will be Aquarius' first and last night with him until she joins him on his journey.'

Rilu glanced around and thought, 'But I can't let the sixth know about this. He and his family's customs are boring as hell.'

"You two should go and guard the hallway from both ends. And make sure no one enters, and I mean no one." Rilu glared at the two guards and said, "Not even the sixth."

The two guards nodded and left in opposite directions.

"Mm~"

"Nn~"

"Mh~"

"Nh~"

Rilu locked her lips after hearing the muffled moans coming from the other side of the door.

'If they are moaning so hard... it must be feeling good...'

"He is taking care of four girls at once..." Rilu's face flushed as she said, "He is so manly..."

Rilu stood there for 5 minutes and then started touching herself.

"And here that sixth can't even get hard without the aphrodisiac, and even with that, he goes limp in one round..."

"My king... you shouldn't!"

Rilu looked at her right to see the sixth approaching her, and the guard was running behind him.

Rilu's face turned pale because if he caught Zach and the girls doing it, especially his sweet innocent little daughter, he would go mad in rage.

"What's going on?!" he asked. "Why is the guard stopping me?!"

"Dear husband. Let's go to—"

"Aanh~! Not that hard. Be gentle~" Aquarius moaned from the other side of the room.

The sixth frowned her face and asked, "What's happening in there?!"

"Nothing is—"

"Shut up!" The sixth kick-opened the door and saw Aquarius, Ruli, and Aria were on the single bed. And Zach was in the middle.

"What the hell is going on?!" the sixth yelled.

"I am giving them massages," Zach responded with a confused look on his face.

"Nonsense! I know what massage is. No one moans like—!" The sixth stopped when he looked at Aquarius and Rilu's faces. They were flushed red and satisfied.

'He was giving them massages?!' Rilu exclaimed inwardly. 'My dirty mind was thinking of something else.'

Aurora was sitting on the couch, waiting for her turn for the massage.

Zach turned to the sixth and said, "I can give you a message if you would like me to."

"Umm... sure..." the sixth responded with a puzzled look on his face.

"Can you girls..." Zach wanted to ask the girls to get off the bed, but they were lost in the pleasure and couldn't move.

Aurora got off the couch and said, "You can take the couch."

The sixth lay on the couch on his stomach and said, "Do I have to take off my attire?"

"There is no need."

Zach gave a 10 minutes massage to the sixth, and never in his wildest dream had he thought that he would hear the moans of an old man.

#### Chapter 145

The sixth had passed out from the pleasure during the massage, and his moans had brought the three girls back to their senses.

"Guards!" Rilu yelled.

After a few seconds, a couple of guards entered the room and bowed down to Rilu.

"My king—!" They all were baffled after seeing the sixth passed out of the couch. "What happened—?!"

"Worry not. He is just asleep," Rilu responded. "Carry him and take him to his room."

"Yes! My Queen!" The guards bowed down and carefully carried the sixth out of the room.

After that, a female guard came and closed the room door.

"..."

Rilu looked at Zach and said, "Can you give me a massage too?"

Zach glanced at Aurora and Aquarius with a troubled face as though he was seeking help.

"Sure," Zach nodded and pointed his finger at the couch before saying, "Get on the couch."

Rilu lay on the couch on her stomach, but she got up soon after and took off her outer dress.

"..."

Of course, it was a little revealing, and Zach felt it inappropriate to look at Rilü's body. She was his mother-in-law, after all. But after looking at Rilü's body, Zach couldn't help but imagine Ruli's naked body.

'They are twins, after all. Of course, they would have a similar build,' Zach sighed inwardly and got on the couch to massage Rilü.

Within five minutes, the room was filled with Rilü's moans.

"Anh~" she moaned.

'Not going to lie, but hearing her moans cleansed my ears after listening to the sixth moans,' Zach uttered inwardly.

Aria walked to Aurora and stood beside her as they both watched the orgasmic look on Rilü's face.

'Look at her. She is making an immoral face,' Aria whispered in Aurora's ears.

"..."

'And her moans are so loud,' she added.

"Yes~! That's the spot! Harder~ Harder~ Yes~ Yes~ Keep going~!" Rilü moaned.

Aria shook her head in disbelief and whispered, 'She is saying so many illicit words in front of us. She is so shameless.'

Aurora raised her brows at Aria and said, "You were the same."

"No, I wasn't. I would never say those words or make such a vulgar expression on my face," Aria retorted.

"You were saying more nasty words and making a lewd face. Especially at the beach..." Aurora remarked.

Aria froze after hearing that. She recalled everything as her face flushed.

"Actually... I don't think it's immoral. It's perfectly fine. It's a sign that the massage is working." Aria tried to defend herself.

"Heh!" Aurora snorted.

Aria furrowed her brows and said, "The same thing will happen to you when you get a massage."

"Can you go a little down?" Rilu said.

Zach moved his hand from Rilu's back to her waist and said, "Here?"

"No. A little further down..."

"..." Zach moved his hands down to Rilu's hips but then moved them further down to her thighs and said, "Here."

"Yes..." Zach could feel disappointment in Rilu's voice.

Zach massaged Rilu's legs and thighs for ten minutes. Of course, she moaned like crazy.

'Her moans are the exact same as Ruli...' Zach couldn't help but keep remembering his time with Ruli.

If he remembered it a little more, something would have awakened in his body, and it would have caused a lot of trouble.

Meanwhile, Ruli bit her lips after seeing Zach getting close to Rilu. She got off the bed and left the room after whispering something into Zach's ears. And because of that, Zach's little brother was awakened.

Rilu turned around and said, "Can you massage me from the front too?"

"...!"

'Isn't that a little too much?' Zach wasn't sure if he should do it or not.

"Mama..." Aquarius called out to Rilu and said, "I think that's enough. It's time for you to go to your room."

'Thank you! Thank you!' Zach thanked Aquarius from the bottom of his heart. 'You have no idea, but you saved me from a major dilemma.'

Rilu grabbed Zach's hand and said with a mischievous smile on her face: "How about you come with me? You can give me a special massage for the rest of the night."

"...!"

Zach was genuinely taken aback after hearing that. And it wasn't only Zach, but Aurora and Aria also understood what Rilu meant.

"Mama..." Aquarius said with a creepy smile on her face. "I will take you to your room."

Aquarius grabbed Rilu's hand and dragged her to the door. But she suddenly stopped and turned around with a soft glare in her eyes.

"\* \*\*\*\* \* \*\* \*\*\*\*\* \*\* \*\* \*\* \*\*" Aquarius said in a celestial language. And only Zach and Aria understood what she said.

"What did she say?" Aurora asked with a confused and puzzled look on her face.

Zach gulped down and turned to Aria, only to find her glaring at him.

"What... happened?" Aurora asked.

Aria turned to Aurora and said, "He slept with Ruli."

"Oh!" Aurora sighed and muttered, "I thought it was something serious."

Aria furrowed her brows and uttered, "Why are you acting like you were aware of it?"

"Well, he told me about it," Aurora replied with a shrug.

"...!" Aria glanced back and forth at Zach and Aurora with a baffled look on her face and said, "I am honestly surprised at your fetishes."

Aria sighed and walked to the bed after saying, "I am going to sleep."

"..."

Aurora placed her hand on Zach's shoulder and said, "Don't worry. I will handle her."

Zach kissed Aurora on the lips and said, "Thanks."

"Come on." Zach pointed his gaze at the couch and said, "Now, it's your turn."

Aurora averted her gaze and said, "Umm, I think I will pass on the massage."

"Why?"

"I want you to massage me when I am alone." Aurora puckered her lips and said, "I don't want others to see my lewd face or hear my immoral moans."

Zach let out a weary sigh and said, "And here I was looking forward to seeing that..."

Aurora brought her face close to Zach's ears and said, "Don't worry. I will show you my everything once we get back to our home."

"Okay," Zach nodded.

"Tomorrow... right?"

Zach nodded again and said, "Yes. We are leaving tomorrow."

Zach had already informed the sixth and the rest about his departure. And the sixth had already prepared for everything.

Chapter 146

"Can I ask what Ruli said to you when she left?" Aurora asked with a curious look on her face.

"She said she is waiting for me in her room," Zach replied honestly.

"Wow. She is so thirsty..." Aurora remarked with a scoff.

Zach kissed Aurora and said, "I will go now. I don't want to keep her waiting, or she will go crazy."

"You know... I kind of want to see that..." Aurora muttered with a flushed face.

"..."

"I mean... I feel so thrilled when I see you kissing another girl. I can't imagine how exhilarating I would feel if I saw you fucking a girl..." Aurora's face looked so exciting when she said that, as though someone was tickling on her sensitive spots.

"Wow. I admit I have peculiar fetishes, but yours is just.... Wow."

Aurora squinted her eyes and said, "Now get out. Or you will have to face Aquarius' wrath too."

"Yes..."

Zach left Aquarius' room and hurriedly made his way to Ruli's room. However, when he got there, Ruli had already fallen asleep.

'Well...' Zach looked at Ruli's naked body with an alluring gaze in his eyes. 'I shouldn't wake her up if she is sleeping.'

Zach got on the bed and lay down beside Ruli. he closed his eyes and imagined how he would have felt if Ruli was sucking him right now.

"..."

However, maybe Zach imagined too hard that he could feel his snake getting wet.

When he opened his eyes, he saw Ruli was sucking his snake with a delighted look on her face.

"I thought you were sleeping..."

"I was pretending to be asleep," she said and continued sucking his snake after saying, "I wanted to see what you do."

"Oh?" Zach sat up and placed his hand on Ruli's head. "Can you do what you always do?"

Ruli blinked her eyes in response and retracted her teeth. She made her throat narrow and changed the shape of her tongue to long and thin.

"I will move your head now," Zach said in a gentle voice.

Ruli blinked in response and continued sucking Zach's snake as though it was her favorite dish.

After ten minutes, Zach released his hot juice inside Ruli's mouth. However, he kept his hand on Ruli's head and let her suck for a little while.

After sucking and cleaning Zach's snake, Ruli got on top of him and penetrated her thirsty cave with Zach's snake.

"Aanh~! Yes~ I missed this~ I was craving for it~!"

Zach grabbed Ruli's bouncing breasts and played with them as Ruli shook her hips back and forth.

"Mn~ Nm~ Mnh~" Ruli moaned.

After hearing Ruli's moans, Zach scoffed and said, "Your moans are just like your sister."

"I did hear them~" she said while moaning. "But you should be careful of her. She likes younger boys."

"..."

'And I thought she was acting like that because of the massage,' Zach uttered inwardly.

"You know, she was first said to marry Aquitius the seventh, but he rejected her because he was a Sea God," Ruli uttered.

Unlike the Sea Goddess, the Sea God was allowed to have relations. It wasn't as though the rule was strict on the Sea Goddess, but it was the same for the Sea God in many circumstances.

The Sea Goddess was the defense of the Sea Realms, while the Sea God acted as the Offense. Just like a shield and a sword.

The Sea Goddess protected the Sea Realm from the inside by harnessing its power, while the Sea God protected the Sea Realm itself.

Ruli placed her hand on Zach's thighs and leaned back. Then, she moved up and down at a slow pace.

Zach could see his snake going in and out into Ruli's cave with every thrust.

"The only reason my sister married the sixth is that he was the king of the biggest kingdom in the Sea Realm," she said.

"Yeah... I kind of assume that," Zach sighed. "And she used the aphrodisiac drug on him to sleep with him, right?"

"Yes~"

"Let me guess. Then she would have told the world that she was seduced by the sixth and then asked him to take the responsibility?" Zach wondered with a curious look on his face.

"Something like that, yes~"

Zach raised his brows and asked, "Does Aquarius know of this?"

"She knows. And I am sure my sister wanted Aquarius to use the same method on you," she added.

Zach thrust his hips up and down and pulled Ruli close to him by pulling her nipples.

"Aanm~"

"You said your sister likes young boys, but I can say the same to you..." Zach said with a grin on his face.

"I am not the same~ For me, it's true love~"

"How old are you, by the way?" Zach asked with a curious look on his face. "I have said this before, but you look like you are in your early twenties. While your sister looks like she is in her late twenties."

"Why don't you guess my age?"

"Hmm..." Zach pondered for a while, but he couldn't really think straight because he was shaking his hips while playing with Ruli's breasts.

"Aquarius is 19. And you and the queen are twins. So your age should be around 40?" Zach guessed.

"No." Ruli shook her head and said, "I am 72. Aquitius the seventh is 150 years old, and the sixth is 200 years old."

"...!" Zach stopped shaking his hips in surprise. "You married at the age of 57?!"

"Don't forget that everything works differently in the Sea Realm. Here, the youngest age of getting married is 50, and that's only for the royals and nobles," Ruli stated.

"What's the average age for other sea creatures then?" Zach asked with a curious yet calm look on his face.

"Not everyone gets married here. But the average age for females to get married is 250— which is equivalent to age 25 in your world. And the average age for males to get married is 600— which is equivalent to 30 in your world."

'The math is broken beyond repair...' Zach uttered inwardly.

After that, Zach and Ruli tried various positions and enjoyed their last night together.

When Zach woke up in the morning, he saw a familiar figure standing next to the bed. She was looking down on Zach and Ruli with a lifeless glare in her eyes.

## Chapter 147

"..."

"How long are you going to stare at me?" Aquarius uttered in an emotionless voice.

"I have no idea what I should say in this situation. So I was keeping my mouth shut as a wise man would," Zach answered with an awkward smile on his face.

When Zach opened his eyes in the morning after spending a steamy yet juicy night with Ruli, he saw Aquarius waiting for him to wake up.

"I will deal with you later, but first..." Aquarius squinted her eyes at Ruli, who was still fast asleep, and said, "Wake her up."

"Well... we were doing it all night, and she slept like 30 minutes ago. So... I don't think she will wake up..."

Aquarius walked closer to the bed and slapped Ruli on the face. Of course, it was a soft slap and didn't even make a noise.

"Mm..." Ruli rubbed her eyes and opened them soon after, only to see her beloved niece standing in front of her.

Her face turned pale, and she covered herself under the blanket.

"It's not what it looks like!" she said while curling up with the blanket.

"Get out of the blanket, Aunt Ruli..." Aquarius uttered in a monotonous tone.

"No, I don't want to," Ruli said. "I know you will hate me."

"You should have thought of that earlier." Aquarius turned to Zach and said, "Aurora and Aria are waiting for you in the dining hall. Go eat breakfast and get ready to depart for Atlantis."

"..."

"Father is already on his way to Atlantis," she added.

"No, Zach. Don't leave!" Ruli begged. "She will kill me!"

Zach raised his brows at Aquarius and asked, "Will you?"

"It depends on her..." Aquarius responded while taking her eyes off Ruli.

Zach got off the bed and walked to the door, or so he made it look like. But he grabbed Aquarius' hand and pulled her close to him.

"What are you—!"

Before Aquarius could say anything, Zach stopped her by kissing her on the lips.

Aquarius tried to push him off, but Zach once again pressed his lips against hers and kept kissing her.

After the kiss, Zach looked into Aquarius' eyes with a grin on his face and said, "Don't be too harsh on her."

After saying that, Zach left.

When he was walking in the hallway, he realized that he was naked. So he quickly opened his menu and wore the clothes.

Luckily, no guards or maids were around to see him.

Zach made his way to the dining hall and met up with Aria and Aurora., who were waiting for Zach to arrive so they could eat breakfast together.

He sat beside Aurora and shot a smile at Aria.

"Did you sleep well?" he asked Aria.

Aria raised her brows and asked, "Since when did you start caring for me?"

"You are my wife. So it's my duty to ask how your day or night was," Zach replied with a shrug.

'So you only care about that so-called duty? I am sure he would stop paying attention to me once we get back to the land,' Ara thought to herself.

Aria hadn't realized that the boundaries between their relationship had gotten thin over time. It was a matter of a single push that they would end up crossing boundaries. However, the outcome was undetermined.

Zach had promised himself that he wouldn't make moves on Aria until he told her that he was her nephew.

It might come off as a surprise to her. But it would be up to her to decide the future of their relationship.

After a while, Aquarius and Ruli walked into the dining hall.

Aquarius sat beside Zach, and Ruli sat beside Aria, but neither of them said a single word.

"Good morning..." Zach said to Aquaris to get her attention.

"I don't think this was a 'good' morning, darling." Aquarius turned to Zach and said, "This was the best morning of my life!"

"..." - Zach.

"..." - Aurora.

"..." - Aria.

"Umm... what?" Zach asked with a confused and puzzled look on his face.

"I am so happy that my lovely aunt Ruli found her true love!" Aquarius said with a genuine smile on her face.

"So..." Zach raised his brows and asked, "You... were not angry?"

"Of course not. What gave you that idea?"

'Your face! And your behavior!' Zach uttered inwardly.

"Anyway, let's finish our breakfast first. We have a carriage waiting for us."

"..."

'This entire royal family is crazy!' Zach, Aurora, and Aria thought the same thing.

After eating breakfast, everyone went to the carriage.

For some reason, Aquarius said that the carriage could only hold three people in one carriage. So Aurora, Aria, and Ruli went in one carriage while Zach and Aquarius went in another.

"You lie about the carriage was obvious, you know that, right?" Zach commented.

"I don't care. I just wanted to spend some alone time with you," Aquarius said in a disdainful tone.

Zach chuckled and placed his hand on Aquarius' face. Then, he rubbed his thumb on her lips and said, "Then you should have said so, idiot."

Aquarius jumped from her seat to Zach's lap and hugged him tightly.

Zach hugged her back and asked, "What's wrong?"

"I am going to miss you..." she said in a low voice.

"I will miss you too," Zach responded in a calm voice.

"But you have Aria and Aurora. I don't have anyone..."

"You have your beloved aunt Ruli, right?" Zach scoffed softly and continued, "You can ask her about my fun time with her."

"I already plan to do that..." Aquarius snorted. "Say... I... I don't want to be clingy or something. But... I want to know if you love me or not..."

Zach held Aquarius face with her chin and kissed her on the lips.

Aquarius looked into Zach's eyes and asked, "What's that supposed to mean?"

"Of course, I love you." Zach kissed her soft lips again and said, "I wouldn't spend time with you if I didn't love you."

Aquarius sniffed and said, "Can you... say it again? But this time, say it with my name."

Zach kissed Aquarius on the lips and then said with a smile on his face: "Aquarius, I love you, my sweet wife."

On the rest of their way to Atlantis, Zach and Aquarius spent their entire journey kissing each other passionately.

## Chapter 148

The carriage stopped at the palace of Atlantis, but the atmosphere around was dire.

Aurora, Aria, and Ruli came out of one carriage, and Aquarius and Zach came out of the other carriage.

Aquitius the seventh and sixth were already waiting for Zach to arrive. Meanwhile, the other players were glaring at Zach.

'Not going to lie, I completely forgot about them...' Zach uttered inwardly.

They had to complete three tasks and get the spell scroll to leave from the Sea Realm. But Zach was the only one who managed to complete one task, while the other players couldn't.

It was Zach's responsibility to send all the players back to the surface, but he needed the scroll for that.

Zach had told all the players that he would come to Atlantis on Wednesday, which was two days ago.

All the players waited for Zach to arrive at Atlantis for two days and nights while Zach was having fun with Ruli.

Naturally, all the players were angry at Zach for wasting their two days. But Zach didn't feel sorry for that. The players needed Zach, and the beggars couldn't be choosers. Even if Zach had come after spending a month in Ribel, they couldn't do anything to Zach.

"You bastard! Do you have any idea how long we have been waiting for you?!" a male player walked forward and yelled.

However, the players were humans, and they couldn't quite understand their circumstances.

"If you wanted to go back that badly, why didn't you win the duel?" Zach scoffed out loud.

"You won because of luck!" the player yelled. "Even I could kill him if the killing was allowed."

Zach shrugged his shoulders and said, "Then shut the fuck up."

"You...!" The player unsheathed his sword and dashed at Zach with the sword aimed at him. His eyes showed no sign of stopping as though he was serious about killing Zach.

"If I kill the champion who won the duel, that makes me the champion, right?!" he sneered loudly and swung his sword.

Of course, Zach was ready to cleave the player's head if he seriously tried to kill Zach, but fortunately, Zach had no need to worry.

Aquitius the seventh came in between and said, "Seize this instant! No one moves in my kingdom without my permission!"

"Fuck off, old man! I will kill you too! You don't have any guards to protect you!" The player glared into Aquitius the seventh's eyes, and his body was incinerated into ashes.

"..."

Everyone was taken aback by that, and there was nothing but silence for a while.

SIGH!

Aquitius the seventh sighed and looked at the party members of the player who had just died. "What was that fool's name?"

"Midas..." a girl replied.

"Who was he to you?" the seventh asked in a calm voice.

"Nothing." the girl shrugged her shoulders and said, "He was just a party leader."

SIGH!

The seventh sighed again and said, "He would have gotten you all killed if you had followed him."

After a brief pause, the seventh uttered, "His parents probably regretted giving birth to him."

"Pff!" For some reason, Zach found that statement funny and ended up laughing, but he managed to cover his mouth in time. However, Aurora, Aria, Aquarius, and Ruli heard him.

"I told them only one thing when they arrived here; that was to not look me in the eyes. Yet, that fool dared to glare at me and even tried to kill me. Why are humans always like this?" the seventh wondered and turned to look at Zach.

Zach and the seventh looked into each other's eyes for a while until the seventh said, "Don't worry. It won't work on you."

"I am kind of jealous of that ability," Zach uttered. "If I had that ability, I wouldn't have to fight or even move from my spot. I would have killed everyone just by looking into their eyes."

"It's not an ability," Aria quipped. "Or rather, it's not him who is killing everyone who looks him in the eyes; it's the power of the Sea inside him. It's protecting its host, and whenever someone glares at him with ill intent, they die."

"Oh." Zach nodded and muttered, "That makes sense."

The seventh looked at Aria and thought, 'As expected of the Queen of death. Her knowledge of the world and its powers are godly.'

"Umm..." a male player walked out of the group and said, "Can I live here for forever?"

Aquitius the seventh raised his brows at the player and responded, "If you want to live here, then you must follow each and every rule of the Sea Realms."

"...!" the player walked back and muttered, "I am good."

The seventh turned to Zach and said, "You can stay as long as you want."

'What's with this disparity in the treatment?!' All the players thought after noticing that the seventh was awfully kind and gentle towards Zach.

Zach shook his head and said, "I have something important to do tomorrow, so I have to leave."

"I see..." the seventh stroked his beard and muttered, "What a shame."

"Now..." Zach glanced back and forth between the seventh and the sixth and asked, "Where is the scroll?"

"You have to come with us and complete the ritual." The seventh clapped his hands, and three flying mattresses stopped in front of Zach.

"Your... umm... girls can come too." The seventh and the sixth got on one mattress and said, "Let's go."

Aria and Ruli hopped on the second mattress, and Aquarius, Aurora, and Zach got on the third mattress.

The mattress took them to an unknown place in the Sea Realm, which looked old and ancient. There were many broken statues of mermaids and other sea creatures half-buried into the sea bed.

Zach glanced around and asked, "What is this place?"

"It's the center of the Sea Realm, where the power of the Sea is the strongest. Sometimes, we come here to offer a sacrifice for prolonging peace in the Sea Realm."

After a brief pause, he the seventh added, "My ancestors called this place a 'devilincross' because we had to sacrifice our most beloved thing in order to maintain peace, and this place is the center of this realm, making it a crossroad. My ancestors hated this place..."

"And so do I..." he muttered in a solemn voice with a distant smile on his face.

## Chapter 149

"Hihihi!" Aquitius the fifth giggled with an evil smirk on his face.

He was sitting on his throne in the hall room, and the door was closed. It was pitch dark, and the only light in the throne room came from the radiating pillar and its reflection on the chandelier.

"It has been three days since I sent that outsider to the Ribel kingdom and gave him the task of kidnapping Rilu," he sneered.

"I honestly don't care if he manages to complete my task or not. However, if he indeed managed to complete my task and bring me Rilu, I will undo the seal on my part— but that's highly unlikely."

"Hehe!" he scoffed out loud and muttered, "My guess is that my dear brother, the sixth would have slain those outsiders and his companion."

"And if that happens, the seventh would get angry because he killed his important quest."

He clenched his fist and continued, "Then, the seventh and the sixth will fight, and I am certain that the seventh will win."

"And if that happens, Riu would become a widow, and I will win her heart by comforting her," he smirked. "I will also get the kingdom! Ahaha! My plan is brilliant!"

The fifth jumped off his throne and walked to the door while saying, "I should send a guard to spy on them."

Suddenly, a tip of the sword came out of the fifth's neck, and he started bleeding. Someone had stabbed him from behind.

The fifth placed his hand on his neck and turned around to see Stinglord standing with his blood-coated sword.

"You..."

The fifth rushed to the door of the throne room and stumbled on his feet. However, Stinglord didn't chase him. He simply walked out of the throne room and followed the trail of the blood left by the fifth.

"Gua...rds..." he said in a broken voice. "Help... me..."

The fifth choked on his own blood and fell to the ground. Instantly, a few guards rushed to the fifth and tried to help him. But Stinglord appeared and pulled the fifth's neck from his body.

The guards immediately took out their swords and tried to attack Stinglord, but Stinglord tossed a scroll and said, "It was the Sea God's order."

The guards read the scroll in which the fifth's dead sentence was written, and the sixth and the seventh had signed it.

The guards glanced at each other and nodded. Then, they looked at the fifth lifeless head in Stinglord's hand and bowed down to it.

"Aquitius the sixth will come here after a short while. Prepare for his arrival," Stinglord stated.

The guards nodded and left in a hurry without saying anything.

Meanwhile, Zach and the rest had just reached the 'devilincross' point.

"Uhh, what about the third seal?" Zach asked. "I don't see the fifth here."

"Don't worry about it. That matter has already been taken care of," the sixth uttered in a disdainful tone.

After around five minutes, Stinglord arrived with the fifth's head in his hand. He was grabbing it by the hair and showed no respect towards it.

"...!"

Everyone, including Zach, was surprised to see that.

'They killed off their brother because he broke the rule?!' Zach exclaimed inwardly. 'I am glad that I am on good terms with them. But why...?' he wondered.

The seventh and the sixth looked at each other and nodded. Then, they started chanting something together, and a magic circle appeared on the seabed.

Not only that, the sand started moving, and an ancient-looking pedestal came out from the ground.

The seventh and the sixth jumped on top of it and asked Zach to get on it too.

Zach got on the pedestal and noticed the scroll was hovering in the middle.

The seventh glanced at STinglord and reached his hand to it. And the Stinglord tossed the fifth's head to the seventh.

Then, the seventh dropped a little blood on the magic circle on the ground, and the scroll started moving erratically. Soon, one seal was broken from the scroll.

Then, the sixth conjured a small dagger in his hand and made a cut on his finger. And soon, the second seal was broken.

Zach and the sixth turned to the seventh and waited for him to drop his blood, but the seventh started averting his gaze.

The sixth squinted his eyes at the seventh and said, "Brother..."

"I know, I know." The seventh grabbed the dagger from the sixth's hand and placed it on his finger, but he didn't make a cut.

The sixth furrowed his brows and uttered, "Brother..."

"Yes, yes. Give me time to—"

Before the seventh could finish what he was saying, the sixth snatched the dagger from the seventh's hand and chopped the seventh's finger.

"Brother!" the seventh yelled on top of his lungs. "Why would you do that?! You chopped my finger!"

"Stop being dramatic. Your finger has already healed," the sixth remarked.

"But I can still feel the pain, you know?!"

The sixth sighed and asserted, "You are the freaking Sea God, stop crying like a girl over small injuries..."

'Wow. Big brother is playing his role quite nicely. I am surprised that they have this side to them,' Zach uttered inwardly.

'This kind of reminded me of Zoe. I wonder if she is doing alright. She is such a crybaby.'

The third seal also broke, and the scroll fell to the ground.

"It is done." The seventh picked up the scroll from the ground and handed it to Zach after saying, "The player who opens it will get the spell. So be careful."

"What type of spell does this scroll possess?" Zach asked with a curious look on his face.

"How about you open it?" the seventh suggested.

Zach shrugged his shoulders and opened the scroll.

[Congratulations! You have obtained a top-tier spell!]

Chapter 150

[Congratulations! You have obtained a top-tier skill!]

'Top tier skill?!' Zach exclaimed inwardly. 'I knew there was a strong spell, but I didn't expect it to be a top-tier skill.'

There were three types of skills in Gods' Impact. Low-tier, mid-tier, and top-tier.

Low-tier skills could easily be obtained by meeting specific requirements. Mid-tier skills could be obtained by using real-life talents. And top-tier skills could only be obtained by defeating the realm's bosses, that too only in rare cases.

Zach opened his menu and looked at the skill's name before reading its description.

[Sea's Blessing]

"This skill can be used to control the sea..." Zach read.

He was a bit confused as it didn't describe anything else.

Zach turned to the seventh and asked, "So... I can control water with this skill?"

The seventh nodded and said, "Yes. As long as you are within three meters of the water, you should be able to control it."

'Three meters?' Zach laced his hand on his chin and wondered, 'Three meters is a safe distance when fighting someone, especially if it's a magic-based battle. But This spell is only useful if the opponent uses a water-based attack.'

'Although this skill is top-tier, it should have more advantages than the normal skills.'

Zach jumped on the ground and looked up at the water floating above them.

'Let's try it.'

Zach took control over the Seawater and formed a vertical line, then a horizontal line. Then, another horizontal line and a vertical line. He repeated it two more times and formed a familiar symbol.

He had created a middle finger emote using an emote.

Aurora ad Aquarius shot a glare at Zach, but Aria was confused and curious.

"What does this symbol mean?" Aria whispered into Aurora's ears. She felt ashamed because she was the only one in the group who didn't know what it meant. Even Aquarius and Ruli knew what it meant.

"It basically means 'Fuck you'. It's a slang that most people use when they want to annoy the person annoying them," Aurora responded in a low voice.

Aria furrowed her brows and muttered, "Zach showed me this once..."

"Heh!" Zach sneered and nodded at the seventh in amusement. "This is awesome."

'He is just like his father...' Both the seventh and the sixth thought the same thing.

"Now then, shall we go? I believe the other players would be getting angsty now," the seventh stated.

"Yes."

"Brother..." the sixth turned to the seventh and said, "I will be on my way to the Xavier kingdom."

"Good luck."

"Are you sure you don't want to take over the Xavier kingdom? It's the biggest kingdom of the Sea Realms," the sixth asked with a curious yet calm look on his face.

"Yeah, I am sure." The seventh chuckled and said, "I already have a lot of responsibilities on my shoulder."

The sixth left for the Xavier kingdom, while the rest returned to Atlantis.

"So..." Zach glanced at the seventh from the corner of his eyes and asked, "What do I have to do to send them back? And how Am I supposed to get out of here?"

"Use the spell to control the Sea. Open a portal and send them back," the seventh responded in a rather monotonous voice.

Zach imagined a portal in the Sea, but it didn't work. So he tried his own way.

He created a colossal hand from the Seawater and grabbed all the players in it. Then, he flung them into the Sea so hard that they came out of the other end.

"..." the seventh shot a glance at Zach.

"What? It worked!" Zach shrugged his shoulders and said, "And that was way better than your suggestion."

"Heh!" the seventh scoffed softly and said, "Would you throw your friends the same way?"

"Nope."

"You are just like your father," the seventh chuckled.

"...!" Surprised and shocked, Zach raised his brows and asked, "You... knew my father...?"

"I know you too. Don't you remember how you used to pull my beard all the time?"

"Uhhh... I don't. Who are you?"

"Well, I would blame you for not remembering me. You were only three years old at that time."

The seventh jumped and changed his form into a 24 tentacled sea monster.

"...!"

"Do you remember me now?" the seventh asked.

"No way...! Uncle Tis?!" Zach exclaimed.

"Ahaha!" the seventh changed into human form and said, "Yes. I am surprised you still remember me."

"Wow! I... don't know what to say." Zach was genuinely happy after knowing that the seventh was his uncle Tis.

"I also didn't recognize you the first time. But when I looked into your eyes, I knew for sure that you are Zach," the seventh asserted. "Maybe I should have revealed myself sooner."

"Wait... so the reason why you were acting differently with me was because of my father...?" Zach asked with a curious and judging look on his face.

"..."

"Reality is often disappointing," Zach uttered with a sigh.

"What's with the deep quote? And that sigh in the end just hit me hard, bro..." the seventh uttered in a disdainful tone.

"I am... tired of being recognized because of my father. It's like... it's like I am always overshadowed by him..."

"Oh? Are you jealous of him?"

"This has nothing to do with jealousy, Uncle Tis. But as long as I am being recognized as his son, I will never be able to surpass him," Zach remarked. "You should know it."

'You have no idea that you were created to surpass him...' the seventh uttered inwardly.

Aria squinted her eyes at Zach and the seventh and wondered, 'If the Sea God himself was scared of Zach's father, then he has to be a strong entity. Zach did say that he inherited his father's blood, but he didn't receive his power. I honestly thought that was a joke, but I should have known that Zach never lies.'
