

## **GODS' IMPACT 161**

### Chapter 161

Aurora focused her gaze on Zach's snake and kept staring at it.

"Now that's not a stare a princess should give..." Zach uttered in a low voice. "Not going to lie, I expected you to be embarrassed after seeing my snake."

"I have already seen it a couple of times, so..." Aurora shrugged without completing her sentence.

Zach raised his brows and squinted his eyes as he asked, "What do you mean by a couple of times?" You had only seen it once when you came to wake me up when I spent the night with Aquarius in her room."

"Yeah, but I already saw you hard many times before," Aurora remarked.

"When...?"

"We sleep together. So there have been many times when I wrap my legs around your body." Aurora explained using her hands and said, "So... I have accidentally touched it a few times."

"And I felt bad for copping you once," Zach sighed.

Zach moved his leg between Aurora's sacred place and tried to touch it with his toe, but Aurora covered her cave and said, "Not so soon."

Aurora stood up and sat in front of Zach. She leaned her body back on Zach's chest and curled up.

"Well, well. Someone is being bold all of a sudden," Zach commented with a grin on his face.

"You have seen Victoria's naked body and even slept with her. You had sex with Ruli, so obviously, you saw her naked body. You have also seen Aquarius' naked body. And this morning, you saw Aria naked." Aurora looked up at Zach with puppy eyes and said, "I didn't want to be the last one."

Zach moved his hand forward and touched Aurora's breasts, but he didn't press his hands on them.

"Can I...?" he whispered in her ears.

Aurora quietly nodded with a flushed face.

Zach gently pressed his hands on Aurora's breasts and squeezed them.

"Mnh~" Aurora moaned a little.

Zach squeezed them for a while until Aurora's nipples got erect.

"How do they feel?" Aurora asked.

"They are soft like cotton..."

"Are they better than Ruli and Aquarius?"

"They are not humans, so I don't think you should be comparing yourself with them," Zach responded.

"Then... are they better than Victoria?" Aurora asked.

"Maybe..." Zach pinched Aurora's nipples and replied, "It has been months since Victoria and I had sex. And believe me, that sex was awkward. We ended it after one round."

"Wait, it was her first time?"

"Yeah."

"And your...?"

Zach kissed Aurora on the nape and whispered, "Yeah. It was my first time too."

Zach moved his hand down to Aurora's sacred place and said, "Can I...?"

Aurora looked at Zach's hand and noticed he was wearing gloves.

"Why do you have your gloves on...?" she asked with a confused and puzzled look on her face.

"Because they make me look cool..." Zach replied casually.

"You are butt naked without any clothes on your body, so why do you expect to look cool in your gloves?" Aurora scoffed loudly.

"Do you want me to take them off?" Zach didn't wait for Aurora's answer and unequipped his gloves.

Then, he touched the entrance of Aurora's cave and played with her clit.

Aurora moved her legs and said, "Don't... touch..."

Zach continued doing that and slowly inserted his finger inside Aurora's cave.

"Amh.."

"You are so tight..." Zach muttered.

Zach fingered Aurora with one hand and played with her nipples with another.

"Anm~"

Aurora enjoyed her free masturbation and moaned once in a while.

"Does it feel good?" Zach asked in a calm voice.

"Mnh~" Aurora moaned in reply.

"Should I push my finger further in?"

Aurora nodded and leaned back after spreading her legs wider, so Zach could easily move his finger in and out.

After fingering Aurora for a while, Zach stopped and said, "Why are we doing this again?"

Aurora looked at Zach and replied, "Because you want to?"

Zach kissed Aurora on the lips and said, "Do you remember our first conversation?"

Aurora pondered for a while and said, "Do you mean where I asked you for the directions, and you sent me to the dungeons?"

Zach raised his brows in confusion and asked, "No... I was referring to where I met you in the park under the gazebo. That was my first time ever talking to you."

"Weird..." Aurora placed her hand on her chin and muttered, "I always thought that was you."

Zach knitted his brows and asked, "Was there someone else with that person?"

Aurora shook her head and said, "No. It was only you."

"Yeah. Then that wasn't me. I was with Shay and Kayden on the first day. And I myself was clueless about the game, so there is no way I would give directions to other players."

"Hmm. That's possible," Aurora nodded. "That makes sense since when you talked to me in the park, you were talking like it was our first time meeting. I thought you didn't remember me, but I guess it was someone else."

Zach hugged Aurora from behind and said, "Don't go talking to strangers."

Aurora turned around and looked into Zach's eyes. She kissed him on the lips and said, "But that was before I met you."

Aurora hugged Zach and asked, "Why are you suddenly talking about our first meeting?"

Zach grinned and asked, "Do you remember what I said to you after you asked me to show my stats?"

"Oh..." Aurora also grinned and said, "You said, 'Why are you making it sound like we are exchanging nudes', right?"

"Yes," Zach snorted.

"And here we are. Sitting naked in each other's arms," Aurora mumbled quietly.

"I never thought this day would come, to be honest," Zach kissed on Aurora's forehead and continued, "But I am glad."

Aurora let go of Zach and began stroking his snake with a curious yet anxious look on her face.

"Are you jerking me off?" Zach asked with a grin on his face.

"You fingered me, so now it's my turn..."

Zach placed his hands on Aurora's shoulder and looked into her eyes.

"What's wrong...?" Aurora asked after noticing Zach's expression on his face.

"I have something to tell you before it's too late," Zach said with a serious look on his face.

"It's about Aria," he added.

"Okay..."

Zach took a deep breath and said, "She is my aunt."

Chapter 162

"Aria... is your aunt?" Aurora repeated with a puzzled look on her face.

"Yes..."

"Like... What do you mean by that? Is this a roleplay you are playing, or do you mean it...? And how... why didn't you realize it until now?" Aurora asked. "You met her a long time ago in her domain or something, right?"

"First of all, I had never seen her before in my life. Second of all, I had only heard of her in the stories, and you know that the stories are always exaggerated, right?" Zach scoffed.

"Well, yeah..." Aurora nodded.

"But in Aria's case, her stories were understated. She is much more than the stories. However, that wasn't the reason I didn't recognize her. I mean, how was I supposed to know it was my mother's sister. Besides, our first meeting was... disastrous," Zach sighed.

"Okay, so putting all that aside. When did you realize she might be your aunt?" Aurora asked curiously.

"Around the time we went to the Sea Realm," Zach replied honestly.

"Does she know about this?"

Zach shook his head in response.

Aurora pondered for a while and then squinted her eyes at Zach before asking, "So why are you telling me this?"

"I tried to tell her, but she got furious even before I could mention it. So I think I won't be telling her anytime soon," Zach sighed with a groan.

Zach wanted to tell Aria, but upon looking at Aria's face last night, Zach decided not to tell her, especially when they both were slowly getting together.

They still had a thin wall between them, but by breaking it, they would have created a larger and thicker wall between them.

"Say..." Aurora looked into Zach's eyes and asked, "Do you love her?"

"I... am not sure. But I don't hate her. And we have many other relationships, so I think it's... complicated."

"If you actually love her and start your relationship with her... it will turn into an incestuous relationship, right?" Aurora asked with a judging look on her face.

"Not exactly, and I am not worried about that." Zach counted something on his finger and then said, "There are so many things that debunk that idea."

"Like?"

"Aria and Erza were created by higher gods using magic. And even their magic was totally opposite of each other. My mother was the goddess of umm... life and prosperity, while Aria was the goddess of death and destruction," Zach stated.

"And they were created with one goal. They weren't born. They didn't have childhood or anything. They were created as adults, only to serve the higher gods and do something to make them happy."

"So in other words...." Aurora rolled her eyes and said, "They are not blood-related?"

"Well, they are magic-related, but that's not the point I am trying to prove." Zach inserted his finger in Aurora's mouth because she kept interrupting him.

"You see, mom was obviously favored more by the humans. And Aria was hated because of obvious reasons. Even though she didn't do anything wrong, she was simply doing her job, and it wasn't as though she enjoyed doing her job."

"My mother once told me about how Aria forced herself into a deep slumber so she wouldn't wake up again. But that didn't work because if death and destruction stopped in the world, life and prosperity would end up destroying the world."

Zach played with Aurora's tongue as he continued, "The only way to go in slumber was if both of them went into slumber. But unlike mom, who used to hear nice things about her in her sleep, Aria always heard people cursing and blaming her for everything."

"You see, humans are like that. They make their life choices for their own lives, but they blame her if something bad happens. But Aria also blamed herself, and she was tired of it. She thought she would be able to get peace at least when she was in slumber, but that didn't work."

"That's.... Horrible...." Aurora uttered in an awkward manner because Zach's finger was still in her mouth.

It was both surprising and weird to see Aurora and Zach have a serious conversation while playing with each other's bodies naked in the bathtub.

Aurora was stroking Zach's snake while Zach was squeezing and playing with Aurora's breast with one hand and her tongue with another.

"But no one is to blame here," Zach continued. "We can't blame humans since they can't fathom the idea of destruction. It spreads terror and takes countless lives."

"..."

"So in the end, even the two Goddesses were unhappy with their existence," Zach scoffed softly. "You know, mother always mumbled about this under her breath and said, 'Maybe everything happened for good?'"

"What...?"

"If they weren't exiled from the heavens, they wouldn't have parted ways. My mother was killed by humans, you know?"

"....!"

"Don't worry. She reincarnated. But if she had gone back to Aria, they would have been complete again." Zach kissed Aurora on the nape and continued, "This world... this universe is built with a balance, and it needs to maintain that balance. One way or another, otherwise, everything would collapse."

"I don't understand what you are trying to say..."

"Without evil, one wouldn't realize the meaning and the importance of kindness. Evil is needed, but no one wants it," Zach asserted in a solemn voice.

"But what does that have to do with your mother and Aria suffering for no reason?"

"I don't know," Zach shrugged and muttered, "It's better if we don't get too deep into it. Or the rights might look wrong, and the wrongs might seem right."

"So, in short, your mother didn't go back to Aria after being reincarnated because had she met her, they would have been completed again, and Aria's suffering would have continued for eternity?"

"Pretty much," Zach nodded. "Mom must have thought it would be better to let Aria suffer a little to save her from the greater suffering."

## Chapter 163

"So back to my first and the most important question..." Aurora looked into Zach's eyes and asked, "Do you love Aria?"

"My answer is still the same as before."

"Let me rephrase my question then..." Aurora squinted her eyes and said, "What type of relationship do you want to be with her?"

"All my moments with her have been precious to me, and I think they are more precious for her than I can ever imagine." Zach looked into Aurora's eyes and said, "And I want to make more precious memories with her. I want her to live as a normal girl and enjoy every second of her life. I want her to be happy and smile and cry, and... well, I don't want her to be sad. But that's the proof that we are alive."

When Zach met Aria for the first time, she had a lifeless glare in her eyes. As though she had been fed up with life and didn't care about anything else. After his fight with Aria, when Aria asked him if he wasn't afraid to die, Zach told Aria something that changed Aria's perspective.

Aria realized that she was alive, and she could live her life however he wanted. That's why, Aria had decided to join the game as a player. Although her approach wasn't good, she still met up with Zach.

"So you want to fall in love with her, right?" Aurora asked with a judging look on her face.

"I may already be in love with her, and I would never know because our relationship is different," Zach asserted with a sigh. "But yeah, I want her to experience the joy of love. I want her to fall in love with me."

"Heh!" Aurora sneered. "I don't think you are that dense to not notice the change in her behavior lately."

"Yeah, I have seen her getting jealous and acting agitated from time to time. But I can't tell her that. She has to realize on her own that she loves me," Zach explained.

Aurora squinted her eyes at Zach and commented, "You naughty boy."

"Stop that."

"Making moves on your aunt and wanting to be in a relationship with her, you pervert," she teased with a mischievous grin on her face.

"Stop that..."

"You and Aria have so many relationships. You two are enemies, friends, party members, companions, god and goddess, master and servant, husband and wife, and an aunt and nephew. I am kind of jealous..."

"I knew you had weird quirks, but I had no idea that you have something wrong with your head," Zach sighed in disbelief. "I can't believe you are a princess."

Aurora puffed her cheeks and said, "Yeah, you prefer Aquarius over me anyway."

"How did you jump to that conclusion? And I already told you that you shouldn't compare yourself with otherworldly creatures." Zach kissed Aurora on the lips and muttered, "And you have been stroking my dick for a few minutes now. I am about to shoot out something magical."

Aurora focused on stroking Zach's snake, and after a while, Zach shot out everything in Aurora's hand.

Aurora touched it and said, "It's so slimy and thick. And it smells weird too..."

"Can you give me a blowjob?" Zach asked hesitantly.

Aurora licked her lips and said, "I will... try."

"I am surprised you know what it means," Zach scoffed. "Were you given sex education by your maids?"

"Uhh...yes..."

Aurora was indeed given basic knowledge of sex and reproduction, but that's not how Aurora learned about it. Sometimes, when her masters gave Aurora a phone to watch television shows and anime, Aurora ended up opening a hentai website left opened by one of her maids.

At that time, Aurora had no idea what she was watching for the first few minutes. She thought it was one of the upcoming anime she was supposed to watch. But halfway through, Aurora realized it was something else.

After that, Aurora regularly watched hentai and masturbated. However, those were the only videos she had watched. She had never seen real porn.

Aurora thought that there would be no way people would be that shameless to show their naked bodies and have sex to show the entire world. She was innocent on that side.

"I will suck it then..." Aurora muttered.

"Wait." Zach placed his hand on Aurora's chin and raised it. He looked into her eyes and kissed her for a while until he was satisfied.

"I can't suck you if you keep kissing me..." Aurora muttered with a flushed face.

"Well, I can't kiss you until you finish sucking me. So let me kiss those juicy lips to my heart's content."

After kissing Aurora for a few more minutes, Zach and Aurora stood up. Zach sat on the ledge of the bathtub and placed Aurora on his lap before continuing to kiss her.

Then, he sucked Aurora's nipples for a while and said, "You can do it now."

Aurora furrowed her brows and kissed Zach with an annoyed look on her face.

"What happened?" Zach asked with a puzzled look on his face, as though he had no idea what he did to make Aurora upset.

"You kissed me so many times and then sucked my boobs. Now, I am horny. If I suck you to make you feel good, I want you to make me feel good too!" Aurora demanded.

"Well, I would have suggested doing sixty-nine if we weren't in the bathtub," Zach scoffed with a sigh. "Do you want to continue the rest in our room?"

Aurora shook her head and said, "No. We have already wasted around half-hour here. If we go to our room and continue, only to come back to the bathroom after doing the deed, it would be a waste of time."

While Aurora was speaking, Zach inserted his finger in Aurora's cave and started fingering her.

Aurora's legs grew weak, and she wrapped her arms around Zach's neck as she said, "Stop. It feels too good."

"Does it feel better than you doing it yourself?" Zach asked with a grin. "And don't think that I didn't notice you came when I was fingering you earlier."

Aurora's face flushed even more as her cave started twitching in pleasure.

Zach increased his fingering speed, and after a few seconds, Aurora orgasmed as her cave flooded Zach's finger with her warm juice.

Chapter 164

Aurora's legs grew weak, and she ended up falling into Zach's lap.

"Are you okay?" Zach asked with a grin on his face.

Aurora wrapped her arms around Zach's neck and muttered, "It felt so good."

"Of course, it would."

Aurora nibbled on Zach's ears and said, "You seem to be experienced at fingering girls."

"Well, I have fingered three girls before you, so..." Zach shrugged.

"Victoria, Aquarius, and Ruli. Am I right?" Aurora asked. "And Victoria and Ruli have taken something more than a finger..."

Zach kissed Aurora on the lips and said, "We will do it too, soon."

"When is soon?" Aurora asked impatiently.

"You are not ready yet..."

"Is it because I am not 18 yet?" Aurora wondered. "I was supposed to turn 18 in three months, but now I am stuck in this game where even the time passes differently. We have spent around two months in the game already, right? So I don't think one month would make any..."

Aurora stopped speaking when she saw a grin on Zach's face.

Aurora puffed her cheeks and said, "What? Do you enjoy seeing me desperate for your love?"

Zach scoffed and kissed Aurora on the lips, causing her puffed cheeks to go poof.

"It's not only about the age, idiot. You are a human, and I am a god. There are certain requirements we need to complete if we want to have proper sex," Zach stated. "I was able to do it with Ruli because she is not human. And I don't think this would have mattered with Aquarius either, but it's different with you."

"But... you did it with Victoria..." Aurora muttered under her breath.

"Yes. And I regretted that. I should have waited and taken proper steps." After a brief pause, Zach continued, "You know, after Victoria and I did it, she had major stomach pain, which got worse with every passing second."

"I heard it when Victoria broke up with you..." Aurora nodded her head.

"She could have died, actually..."

"...!"

"I told my mother about Victoria, and then she got angry at me. She gave me a two-hour-long lecture and explained me the dangers of mating between two incompatible entities. Then, she sent a medic to Victoria's house and had her healed," Zach uttered in a disdainful tone.

"So, are you saying that we can't do it?" Aurora asked with a dejected look on her face.

"We can do it. But I have grown at least ten times stronger than I was when I did it with Victoria." After a brief Pause, Zach said, "We should be able to do it freely once you surpass the first cultivation stage."

"What will happen after that...?" Aurora asked with a puzzled look on her face.

"After that, your body would be able to receive my essence without causing any malfunctions," Zach responded in a calm voice.

Aurora pondered for a while and raised her brows. She looked into Zach's eyes with a curious look on her face and asked, "What if... you don't release your essence inside me?"

"..oh!"

In cultivation, the main reason for dual cultivation was to help each other cultivate while enjoying it. Both parties receive pleasure and benefits. Male absorbs yin energy from the female, and in return, he gives yang energy to the female.

It was a perfect cultivation method for mutual benefit and pleasure.

However, Aurora discarded everything and thought only about the pleasure she would receive. She had no idea about the advantages of dual cultivation, but it wasn't as though Zach was knowledgeable about it either.

Just like any growing-up kid, Zach was also interested in knowing about the adult world. While he didn't read about cultivation because he couldn't cultivate, he had read about dual cultivation. He knew the basic rules, limitations, and necessities on how to make dual cultivation work.

However, he was once caught sneaking into his father's library in the middle of the night. And the person who caught him was none other than his least favorite master, who was super strict on it.

His master warned Zach and threatened him that she would tell his mother and father about that, and after that day, Zach never tried to read about it again.

It was too early for him. But as he grew up and reached the age, he lost interest in that and never tried to learn more.

"So... you are saying that.... Well yeah..." Zach sighed. "That makes sense. It's also called sex for a reason."

"I am not saying that I don't want you to creampie me, but I want you to enjoy my body too," she said.

"Yeah. I know."

Aurora got down from Zach's lap and licked his snake without touching it with her hands.

"Take it slowly," Zach advised.

"Hmm." Aurora grabbed Zach's snake and first licked the tip. She made it wet and started sucking it while looking into Zach's eyes.

"I can't believe this is really happening..." Zach muttered.

"Hmm?"

"You have no idea for how long I wanted to see my dick in your mouth..." Zach scoffed.

Aurora squinted her eyes and said, "Are you saying that you were perverting on my body and masturbating thinking about me?"

"No. But I have always been tempted by your boobs and your mouth. You might already know this, but I have played a lot with your mouth and tongue using my finger whenever you were sleeping," Zach shrugged.

"Mostly in the morning," he added.

"So you were training my mouth, huh?" Aurora grinned.

"Don't laugh, idiot."

Aurora opened her mouth and licked Zach's snake from all the sides to make it wet. Then, she placed her hands on Zach's thighs and gobbled his snake in one go.

Of course, she was only able to take half of it in one go. She slowly moved her tongue around it and started sucking in and out.

DING!

Suddenly, Zach received a message from Victoria.

He opened it and read the message: [Did you receive the wedding invitation from Kayden or Misha?]

[Yes.]

[Are you going?]

[Of course. Why are you asking like you aren't coming?]

[We have a dungeon early tomorrow, remember? I am in charge. I have too much to do, so I can't come. But I have sent my best wishes to them. Please, give them my regards and tell them that I am extremely sorry that I can't join them.]

[Don't worry about it. Their invitation was too sudden, so I am sure they would understand your situation.]

[Thanks. See you tomorrow.]

[Yes. I can't wait to squeeze your boobs.]

[I will make sure to wear chest armor so you can't touch them.]

[LOL.] she added.

[Bye.] Zach scoffed after writing that.

"Aurora pulled out Zach's snake from her mouth and asked, "Who was it?"

"Victoria," Zach replied honestly.

Aurora licked the shaft of Zach's snake from the side and said, "What was she saying?"

"She said she can't make it to Kayden and Misha's wedding. And she asked me to send them her regards," Zach responded in a calm voice.

"I seriously can't believe you were talking with your ex-girlfriend when a princess was sucking your dick like a lollipop using her warm mouth, craving for your love and attention."

Aurora's face flushed when she said that.

Zach would have felt bad about it, but only if Aurora didn't look excited. She was enjoying getting ignored.

"You liked that, didn't you?" Zach asked with a judging look on his face.

"Yup."

"A pervy princess..." Zach sighed with a scoff.

Chapter 165

Aurora was sucking Zach's snake at a slow speed.

Zach placed his hand on Aurora's head and said in a calm voice: "Can you go faster?"

Aurora nodded and opened her mouth to take Zach's snake inside. She first sucked the tip and slowly sucked half of his snake.

"Your mouth is surprisingly small, not going to lie," Zach remarked.

Aurora furrowed her brows and sucked deeper, taking almost Zach's entire snake in her mouth.

Zach could feel the tip of his snake hitting the back of Aurora's throat, but he didn't force it further and let Aurora go at her own pace.

He couldn't help but compare Aurora's novice-like fellatio to Ruli's otherworldly blowjob. But he knew that he wouldn't get the same pleasure from any girl other than Ruli, or maybe Aquarius too.

Zach looked into Aurora's eyes and said, "It feels good."

Aurora rolled her eyes at Zach and continued sucking him. She moved her head back and forth, and with every other movement, she used her tongue to rub around his snake.

"You are trying too hard," Zach said. He placed his other hand on Aurora's cheek and said, "It's okay to be bad at this. In fact, I would prefer you do it awkwardly on your first time."

Aurora stopped moving her head and said, "But if I don't do it properly, you won't feel good, right?"

"No. That's not how it works," Zach scoffed softly. "You may not know, but just by seeing my dick inside your mouth makes me excited."

"Do you really like my mouth that much?" Aurora asked as she slowly started moving again.

"You have such a cute face, so obviously, I would want to see my dick inside your mouth. You have also said many mean things about me. You have also teased me a couple of times. And how can I forget all your remarks you purposely made to make me angry so I could assault you."

Aurora averted her gaze and spoke with Zach's snake's tip still in her mouth: "I hab no idea wut you are talkin about."

She said it awkwardly because she couldn't speak properly.

"But I remember everything. And I am going to take revenge once we get to the main deed," Zach said.

"Like...?"

Zach gently forced his snake inside Aurora's mouth and said, "You will know when the time is right."

Zach had teased Ruli so many times during their sessions and made her desperate for more. He did that when Ruli was being a little cheeky, but Zach had a history with Aurora, so he wasn't going to let her off so easily.

Zach slowly moved Aurora's head using his hands, but Aurora suddenly stopped and looked up at Zach as though she wanted to say something.

"What's wrong?" Zach asked. "If your jaw hurts, then we can stop—"

Aurora shook her head before pulling out Zach's snake from her mouth and said, "I want to suck it entirely. Why can't I do it?"

"Well... you will eventually learn it. You can't get everything right the first time," Zach responded in a calm voice.

"But I want to make you feel good...."

"How many times do I have to say that I am feeling good," Zach sighed.

"But you are not cumming and grunting in pleasure..."

"..." Zach didn't know how to respond to that. But he chose to be honest and said, "Listen, I am not saying your blowjob doesn't feel good. But I have had better blowjobs, and they were awesome. So I can't grunt in less pleasurable blowjobs."

"..."

"I can fake my grunts if you want me to, but I am sure you won't like it," Zach shrugged. "And I wouldn't like it either if you fake your moans."

Aurora bit the tip of Zach's snake and said, "I like how you are honest and blunt even at sensitive moments."

"But if you want me to feel better, then... let me control your head movements..." Zach uttered the last part in a low voice.

"Will you be forceful?" Aurora asked with a curious yet calm look on her face.

"A little, yeah," Zach nodded. "But just show me a sign if you feel uncomfortable, and I will stop."

Aurora opened her mouth widely and showed her tongue before saying, "Go ahead."

"Alright, if you say so..." Zach placed his hands on Aurora's head and said, "Make a sign when you want me to stop."

Aurora nodded and continued sucking Zach.

'Since it's her first time, I will go easy on her.' Zach slowly began to move Aurora's head back and forth with his hands. After a while, he gradually increased his speed and forced his snake deeper into her mouth.

Zach could feel the tip on his snake hitting Aurora's throat, but this time a little further down.

He looked into Aurora's eyes and asked, "Are you okay?"

His snake was still in her mouth, and she continued sucking it without replying to Zach's question, as though she was trying to say she was fine.

"Well then, I will be a little rough now."

Zach stood up and pulled Aurora's head up with her body. Up until now, Aurora was on her all-fours, but now she was on her knees.

Zach started moving Aurora's head back and forth with a uniform motion, but he also started moving his hips back and forth.

He was thrusting his hips into Aurora's mouth while pulling her head back and forth. Then, he increased his speed and started deep throating Aurora but made sure not to force it too much.

Zach was doing the same thing he did with Ruli's mouth, but it was different. Ruli could retract her teeth as per her will, so Zach didn't have to worry about getting his snake scraped or hurting Ruli's jaw. But he couldn't be too forceful with Aurora even if he wanted to, especially when it was her first time.

After a few thrusts, he was about to cum, so he let go of Aurora's head and let her move at her pace.

"I am going to shoot it in your mouth!"

Zach let out all his milk into Aurora's mouth. After the second shot, Aurora's cheeks were puffed because her mouth was full of Zach's milk.

"You can spill some out," Zach said in a calm voice.

Aurora shook her head and started swallowing it slowly. Zach's snake was still in her mouth, and she was using her tongue to stimulate it.

Once Zach released every single drop of his milk into Aurora's mouth, he pulled his snake out from her mouth and watched Aurora with an amused expression on his face.

Aurora chewed on Zach's milk as though she wanted to savor the taste. Her puffed cheeks eventually turned to normal, and Aurora swallowed everything without spilling a single drop out.

"Wow. That was...hot...?" Zach uttered with a mischievous grin on his face.

"I want to drink it more," Aurora replied with a slutty smile on her face.

Zach slapped his snake on Aurora's cheeks and said, "Check your physique and see if it increased or not."

Chapter 166

Zach slapped his snake on Aurora's cheeks and said, "Check your physique and see if it increased or not."

Aurora moved her head around to avoid getting slapped by Zach's snake, but she got bored and caught it with her mouth. She started sucking the tip and opened her stat menu.

"Umu," she nodded.

"It increased?!" Zach exclaimed.

Aurora pulled out Zach's snake from her mouth and said, "It increased by 500."

"Wow. I can't imagine how much it would increase if I creampie you..." Zach wondered.

Aurora closed her menu and started sucking Zach's snake again.

"What are you doing?"

"Well, if I drink your essence ten times a day, I can easily cultivate my physique, right? And then my body will also get strong enough to get creampie..."

"No. That's not how it works." Zach opened the journal from the menu and opened the cultivation. There, he scrolled down to the dual cultivation and read out loud:

"The physique increased by receiving the essence resets weekly," he read.

"What does that mean?" Aurora asked with a confused look on her face. "Does that mean my physique will go back to normal after a week?!"

"No. It means that even if you drink or receive my essence again, your physique won't increase for a week. It can only be used once a week. But you can increase it the normal way, though," Zach stated.

"Oh!" Aurora sighed in relief and muttered, "I thought I would lose your essence..."

"I am curious about one thing, though." Zach placed his hand on his chin and uttered, "I wonder if my essence's benefits are locked based on the girl or me? Like if some other girl gets my essence, I wonder if her physique would increase."

After pondering for a while, Zach nodded, "Yeah. it should."

"Why don't you test it on Aria?" Aurora suggested with a grin on her face.

"Maybe in the near future when Aria decides to open up to me..." Zach sighed.

Aurora licked her lips and muttered, "A nephew asking his aunt to suck his pp..."

Zach slapped Aurora's face with his snake and said, "Stop that!"

Aurora opened her mouth and started sucking Zach's snake with a delighted look on her face.

"What are you doing? You won't get anything even after drinking my essence again, you know?"

"I just want to make you feel good," Aurora said as she slowly started moving her head.

"..."

Zach's gaze fell on Aurora's breasts that were bouncing as Aurora's moved.

"Hey..." Zach looked into Aurora's eyes and said, "Can you..."

Aurora noticed Zach staring at her breasts, so she understood what Zach wanted.

She pulled out Zach's snake from her mouth and said, "Do you want me to...?"

"Yeah. Use your bouncy tits and give me a boobjob," Zach nodded and squeezed her soft breasts with his hands.

Aurora placed Zach's snake between her soft marshmallow-like breasts and said, "Like this?"

"Does it feel good?" Aurora asked with a hesitant smile on her face.

"Press your boobs against each other and crush my dick without mercy," Zach snorted.

Aurora did as Zach asked her to do, moved them up and down to make the motion slippery.

"It feels fantastic!" Zach answered and asked Aurora to continue.

Without any instructions, Aurora gave an awkward boobjob. However, after seeing Aurora trying her best, Zach let out a chuckle and stood up from the ledge.

"What... happened?" Aurora asked with an anxious look on her face. "Did it not feel good?"

"I am just stepping up the game," Zach answered. He adjusted his position and placed his snake between Aurora's boobs. Then, he asked Aurora to squeeze her boobs even more.

"Like this...?" Aurora confirmed as she pressed her boobs from both sides.

"Yes. Now I will move, so all you need to do is keep squeezing them." Zach began to thrust his hips back and forth at a slow pace. Once Aurora had gotten used to it, he increased his speed.

Aurora looked up at Zach's face with a smile on her face and asked, "Does it feel good? I feel weird, in a good way."

"You are doing great. I will increase my speed!"

Zach began to thrust his hips even faster. The tip of his snake was hitting Aurora's lips, so Aurora opened her mouth so the tip would go inside her mouth.

"Nice!" Zach grabbed Aurora's head and pressed it down so she could suck more of his snake. Aurora opened her mouth to suck it whenever he thrust his hips forth.

Aurora noticed Zach's snake was twitching, and she realized that he was about to shoot his essence again. So she started moving her breasts up and down to make it more stimulating.

Aurora kept her mouth open and sucked the tip of his snake with her tongue whenever it entered her mouth.

After a few minutes, Zach released his load inside Aurora's mouth, and she slowly swallowed it after enjoying the taste.

After swallowing everything, Aurora cleaned Zach's snake using her mouth. She looked up at Zach with an alluring gaze in her eyes and said, "I want to do more."

"If we waste more time, we will end up running late for Kayden and Misha's wedding," Zach asserted.

"No." Aurora bit Zach's snake and said, "I want to drink it more."

"Go ahead then," Zach sighed with a grin and patted Aurora's head. "You are such a spoiled princess."

Aurora stroked Zach's snake using her hand and started sucking. She was so immersed in pleasuring Zach that she couldn't think of anything other than drinking Zach's essence again.

Midway through, she heard Zach grunting. She thought Zach was finally feeling good enough to grunt in pleasure, but he grunted for another reason.

"Argh!" Zach grunted out loudly.

Aurora stopped sucking Zach's snake and looked up at him to see Zach struggling to speak with a painful expression on his face.

"What happened?!" Aurora exclaimed with an anxious and concerned look on her face.

"Run..." Zach managed to stutter.

"Huh? What?"

Zach forced himself out of the bathtub and fell to the ground.

"Zach!"

Aurora rushed after Zach and tried to help him to get up. But Zach shrugged her hand and said, "Get... out..."

"But you are in pain!" Aurora was panicking. She had no idea what to do, but she wanted to help Zach.

"Go... get... Aria..."

Aurora ran out of the bathroom naked without worrying about her clothes and made her way to Aria's room.

Zach's body started changing colors and began behaving strangely. Zach's skin turned pale, and his hair color changed rapidly. His skin turned into scales, and his veins started popping.

Strange marks appeared all over his body, and they started moving from inside out his body.

His eyes turned black and started bleeding. His ears turned long and pointy, and horns sprouted on his forehead. A halo appeared above his head, and a third eye popped out from his forehead. Wings came out from his back and covered his body. A tail appeared from his waist, and his body grew larger. His nails became claws, and his teeth became fangs.

"De..vour..."

## Chapter 167

Meanwhile, Aquitius the sixth came back to Atlantis after his coronation on the Xavier kingdom.

The seventh was sitting on his throne with no one else in the throne room other than the sixth.

"Brother, I will take my leave now," the sixth said.

"Hmm."

"Umm... brother, I am sure you know that I am planning to wed Aquarius, the only princess of the three kingdoms, to the child of atrocity," the sixth stated. "I hope you are okay with that."

"Yeah, I am absolutely okay with that," the seventh nodded. "He is the only one suitable for my lovely niece."

"Ummm... he will also become my successor and the next king of the two kingdoms of the Sea Realms," the sixth added.

"I am aware." The seventh looked into the sixth's eyes and said, "Do you know that Aquarius has been chosen as the next Sea Goddess?"

The sixth's face turned pale after hearing that.

"Wha...t?" he stuttered. "How is that possible..."

The sixth's eyes widened in terror as he looked at the seventh with a petrified look on his face and said, "What about the child of atrocity? I promised I would give him Aquarius. If he gets to know that—"

"Don't worry about it. He has already taken care of that," the seventh stated. "Initially, I planned to talk it out with the current Sea Goddess, but he beat me to it."

"But.... Aquarius... she is... she is my daughter. I can't let her become the Sea Goddess. She is not ready..." the sixth stammered.

"That's not for you to decide, brother." The seventh clapped his hands, and the throne room doors opened. "You may leave now."

"But—"

"I said leave... brother..." the seventh uttered with a glare in his eyes.

SIGH!

The sixth walked out of the door after saying, "See you at Aquarius' blessing ceremony, brother."

The seventh clapped again, and the doors automatically closed.

"Zach..." he uttered in a low voice. "Forgive me for not telling you about the truth behind your birth."

"You... are born to crush everything. You were raised as a weapon. You are the child of atrocity. You are the sign of impurity. You were created to end the era of gods. You are the forbidden existence because you shouldn't exist. You will put an end to the eternal rule of the gods. You are the true abomination born for only sole purpose; to devour everything that stands in your way."

"Sooner or later, the powers of the beings you hold would ask your aid, just as they aided you upon your birth. Soon, it will be time for you to grant their wishes. As for me..."

The seventh looked at his hand that had started cracking on dry skin.

"I don't have much time left. You already devoured my powers, the power of the Sea God, when I activated your blessings. By undoing the seal on your soul, I turned on the switch for annihilation."

"Show me, Zach. Show me how you are any different from us, from your father. Gods are meant to create and destroy, but can you change that, for you whose purpose of existence is to destroy."

—

-

.

At Aurora's house on the surface.

Zach opened his eyes to find himself on the bed of his room. He looked to his right and saw Aurora was sleeping naked with only a blanket over her body.

Zach's body had turned to normal, and neither Aurora nor Aria had seen him change. Currently, he was also naked with only a towel on the lower part of his body.

"What... happened...?" he wondered.

"You are awake!" A cheerful voice said.

Zach looked to his left to see Aria was sitting on the ground, looking at Zach with somewhat teary eyes.

"What are you doing?" Zach asked with a confused look on his face.

"You had passed out in the bathroom..." Aria responded in a calm voice. "Aurora was freaking out so hard. It was a pain to calm her down. She was crying and panicking. I didn't know who to handle, you or her, but then she passed out."

Zach chuckled and asked, "How long has it been?"

"Only 30 minutes," Aria responded.

"I see..." Zach sighed in relief after hearing that. He looked at the ceiling and muttered, "So we can still make it to Kayden and Misha's wedding."

Aria furrowed her brows at Zach and said, "Are you not going to explain what happened?! You made both of us worry about you!"

"I think it was probably because uncle Tis activated the blessings," Zach stated. "And my body in the real world finally channeled with my soul powers."

"Oh..." Aria looked into Zach's eyes and asked, "Do you feel anything weird?"

Zach shook his head and said, "The only thing I can feel right now is..."

Zach pointed his gaze at his snake and said, "That."

Zach couldn't move his body.

Aria frowned her face and asked, "So you and Aurora were doing indecent things in the bathroom?"

"Yup. She sucked me off and drank my essence. She also gave me a boob job," Zach licked his lips and continued, "Her breasts are awesome."

Aria puckered her lips and asked, "Did you... did it...?"

"No. But I guess we will be doing it after we come back from the dungeon raid," Zach stated. "So ignore it if you hear moans coming from our room."

"Hmph!" Aria averted her face to the side and said, "I somehow feel weird."

"Oh? Is that jealousy I am smelling?" Zach teased with a grin on his face.

"No!" Aria retorted. "Aurora is like my... little sister, or maybe a close friend. And after knowing that you are going to corrupt her soon, it gives me a weird feeling in my chest."

"Heh!" Zach scoffed softly and said, "In my defense, I want to say that your close friend was already corrupted a long time ago."

Zach remembered his session with Aurora in the bathroom, and his snake moved a little, causing the towel to slip and his snake peeking out. His snake was now erect and visible to Aria.

"Umm..." Zach averted his gaze from Aria and tried to move his hand to cover his body, but it still wasn't responding.

"..."

Zach sighed and looked at Aria, only to see her glaring at him with a judging look in her eyes.

"Can you... help me out?" Zach asked hesitantly. He was prepared to be left hanging by Aria, but surprisingly, Aria agreed.

Aria nodded and groaned, "Fine~"

Aria grabbed Zach's snake with her hand and slowly moved her open mouth towards it.

"Wait! What are you doing?!" Zach suddenly exclaimed.

"Huh? You asked me to help you out... right?"

"I was talking about helping me with the towel to cover it..."

Aria's face flushed red after hearing that. She misunderstood what Zach was trying to say, but what was more embarrassing was that she agreed to help Zach to pleasure him.

"Were you... were you just going to suck me off...?" Zach asked with a curious yet baffled look on his face.

"No!" Aria retorted.

"But it looked like you—"

"Shut up!" Aria covered Zach's snake with the towel and stood up.

She glared at him with teary eyes and suddenly kissed him on the lips.

"...!" Zach was once again caught by surprise and left speechless by Aria's sudden action.

"..."

After the kiss, Aria teased Zach by showing him his tongue and said, "You have kissed me twice without my permission. This was simply my revenge!"

"..."

"So don't get the wrong idea~" After saying that, she left the room.

Zach licked his lips and muttered, "I feel assaulted."

## Chapter 168

"Congratulations to the bride and the groom," the priest asserted.

The entire church applauded with smiles on their faces. Some people present there were NPCs, while some were the players.

It wasn't as though only the players who Kayden and Misha invited came there, but the players who were around also came to celebrate.

Kayden had invited all his friends and classmates, including Zach, Shay, Victoria, and a few others, but only Zach was able to come.

Most of Zach and Kayden's classmates were in Risen Warrior (Elliott, Shay, Victoria's) guild, and they couldn't come.

It wasn't as though Kayden and Misha were sad or upset by that. They knew their invitation was sudden.

Kayden shook hands with some of his friends and classmates. While Misha hugged her female friends.

Zach was standing at the end because he barely made it there with Aurora and Aria.

Kayden approached Zach with a smile on his face and hugged him without saying anything.

"I honestly thought you wouldn't show up," Kayden remarked.

"I thought you would cry if I didn't come," Zach snorted. He hugged Kayden again and said, "Congratulations, man. I never thought you would be the first one to get married."

"Thanks..."

"I still can't believe this is happening," Zach scoffed softly.

"Honestly, I can't either," Kayden sighed.

Zach and Kayden looked at Misha, who was talking with Aurora and Aria with a wide smile on her face.

"She looks beautiful," Zach uttered in a low voice. "But I guess all brides look good in the wedding dress."

"How about me? Praise your best friend's handsomeness, too," Kayden remarked.

"You don't look more handsome than me, though," Zach retorted. He nudged Kayden and said, "I am happy for you, bro."

"When are you getting knotted with Aurora?" Kayden asked with a curious look on his face.

"..." Zach shrugged his shoulders in reply, but it wasn't as though he hadn't thought about it.

Once the dungeon raid ended and Aurora surpassed level 25, Zach was going to give her the crimson sword that would help her cultivate her physique at a much faster rate.

Aquarius was going to join them in two months, so Zach had decided that he would marry Aurora and Aquarius together in the Sea Realm. Victoria was also going to join them after the dungeon raid, and he had to tell her many things about the harem.

"But why did you suddenly decide to marry?" Zach asked curiously.

"You know Misha's mom is from a wealthy traditional family, so naturally, she has trained Misha well." Kayden sighed and said, "Misha told me 'No sex before marriage.' So... we got married." Kayden shrugged.

"I don't see anything wrong with that statement considering you and Misha are also brother and sister. But..." Zach raised his brows and said, "Don't tell me you only married her just so you could sleep with her?"

"That's one of the reasons, yeah," Kayden nodded and continued, "But Misha and I had already planned to spend the rest of our lives here. We don't know when or if we will be able to go back to the real world. I wanted to give Misha all the happiness I can, and you know that it was her dream to be a bride one day."

"Yeah..."

Kayden chuckled after looking at Misha and uttered, "She is smiling and laughing right now, but she will probably cry when she is alone."

"Hmm?"

"Some of her friends didn't show up," Kayden groaned with a bitter smile on his face.

"Victoria too," he added.

"She sent her regards, by the way." Zach wanted to say more things, but he let it be since he didn't want them to think more about it.

"You are going on a dungeon raid after this, right?" Kayden asked. "Good luck."

"We will probably ascend in a few days, so get ready to move out from the inn," Zach stated.

"Oh! About that," Kayden exclaimed. "There is no need to worry about that."

"What do you mean?" Zach asked with a confused look on his face. "Weren't you two looking for a house...?"

"Actually, Misha and I are the first couples to get married in this game. So as a reward, we got a small piece of land with a house and farm," Kayden asserted. "I will show you when you three join us for dinner tonight."

"Oka...y..."

Zach placed his hand on his chin and wondered, "Weird. If their marriage is truly the first marriage in Gods' impact, then...'

Zach glanced at Aria and thought, 'Then why Aria and my marriage wasn't considered as the first marriage?'

'Well, it was an error in the first place since the game registered our contract as marriage. Or maybe it's because we didn't have the ceremony?' Zach wondered.

Misha and the girls approached Zach and stood in front of them.

"Are you not going to congratulate me?" Misha uttered with a grin on her face.

"I feel sorry for Kayden. I pity him that he has to put up with you now." Zach saluted at Kayden and said, "One more man was hunted down."

"Why are you so awkward?" Misha puffed her cheeks and hugged Zach.

"...!" Zach didn't hug Misha back because he thought it would be improper, but that didn't stop him from saying, "Take care of Kayden."

"You better take care of Aurora and Victoria, too," Misha said in a muffled voice.

"..."

After that, Zach, Aria, and Aurora spent the rest of the day at Kayden and Misha's new house.

"How is it?" Misha asked Zach, who was walking on the grass with bare feet.

"It's good. A perfect place for retirement," Zach scoffed. He glanced around and asked, "Where are Aurora and Aria?"

"We are making food in the kitchen," Misha responded in a calm voice. "Why don't you spend some time with Kayden?"

Zach nodded and went to the back of the house to meet with Kayden.

"What are you doing?" Zach asked.

Kayden pointed his finger at the empty spot and said, "What do you think of this spot?"

"What should I think of that spot?" Zach questioned back.

"I am thinking of buying cattle and starting the farm. And maybe turn into a business one day," he scoffed.

"I somehow don't doubt that. But if you truly manage to do that, give me some discount," Zach sneered.

Zach and Kayden walked around to explore the land better. But on his way, Zach remembered he hadn't equipped his gloves again.

He opened his menu, but he saw something strange on his hand that he had to seek advice from Aria.

## Chapter 169

"Aria!" Zach called out to Aria from outside the house.

After a few seconds, Aria came out with Aurora and asked, "What happened?"

"Come with me for a second," Zach said with a serious look on his face.

"Uhh.." Aria shot a glance at Aurora and said, "Me... alone?"

"Yes," Zach nodded.

"Okay..."

Aurora went back into the house again to help Misha cook dinner, and Zach took Aria to the farm where no one was around.

Zach was walking ahead, and Aria was slowly following him behind.

Zach looked back to see Aria squirming while walking.

"Stop fidgeting like an innocent girl," Zach remarked.

"Why..." Aria turned her face to the side and asked, "Why did you call me out here on the farm where no one is around?"

"I wanted to show you something," Zach responded in a calm voice.

'Is this because I kissed him?!' Aria asked herself. 'I still regret that. I don't know why I did that. But it felt like the right thing to do after what happened. I was also worried like Aurora, but I had to maintain my calm.'

Aria placed her hand on her lips and uttered inwardly: 'It felt good even though only our lips touched. That kiss wasn't even like how Aurora kisses him.'

Aria stopped thinking when she noticed Zach staring at her in disbelief. She pulled her hand back and asked, "What?"

"I have been calling your name for ages, but you were lost in some deep thought," Zach sighed. "What's wrong? Is something bothering you?"

'It's you!' Aria yelled inwardly.

"It's nothing. Now, tell me..." Aria glanced around the farm and asked, "What is the reason you brought me here?"

Zach raised his hand and moved it towards Aria's face.

Aria thought Zach was going to touch her, so she closed her eyes and waited for Zach's touch.

"What are you doing?" Zach groaned. "Open your eyes. I want to show you something."

"..." Aria opened her eyes and looked at Zach's hand to see a strange symbol on the back of his palm near the thumb area.

She raised her brows and said, "Can I touch it?"

"Sure." Aria inspected the symbol and asked, "When did you get this?"

"I am not sure, but I think I got it after what happened in the bathroom today," Zach replied.

"Are you sure?" Aria asked with a judging look on her face. "Since you always had gloves on, maybe you didn't notice this before?"

Zach pondered for a while and nodded after saying, "Yeah. Because when I fingered Aurora and squeezed her boobs, there was no mark on my hand."

"..." Aria didn't like how Zach came to a conclusion, but it was valid.

"Do you have any idea or knowledge about this symbol?" Zach asked in a calm voice with a curious look on his face. He was genuinely putting his trust in Aria and relied on her for the answer.

Aria looked at the symbol from all sides and said, "What does this symbol look like to you?"

"I... am not... sure..." Zach looked at the symbol closely and muttered, "Maybe... a bird?"

Aria nodded and said, "It's a phoenix."

"Oh..." Xie Lua's face flashed before Zach's eyes.

"I remember you mentioned that you have a phoenix's blessing too," Aria asserted. "This might be it. It got activated."

'The blessings will automatically activate when your body meets the requirement.' Zach recalled the seventh's words.

"But... why so suddenly?" Zach wondered. "I am sure it wasn't because Aurora sucked me off because I did a lot more things with Ruli."

"But the Sea god hadn't undone the seal at that time, right?"

"Yes..." Zach placed his hand on his chin and muttered, "But this doesn't make any sense. Why only phoenix's blessing got activated.'

'Maybe because Xie Lua and my relationship got better?' Zach wondered. 'We are on good terms now. We are traders, friends... maybe? And since she is one of my father's friends, I naturally put my trust in her.'

'So does that mean the power of the blessings can be affected by the relationship I have with them? But I don't think I am ever going to meet the rest of my benefactors, though...'

"Wait a minute..." Aria raised her brows in confusion and said, "But you used the 'wrath of the phoenix' even before you had your soul awakening, right?"

"Yes..." Zach nodded.

"Hmm..." Aria pondered for a while and said, "Maybe the blessings can also be affected by your feelings and emotions?"

"If that's the case... then..." Zach couldn't dare to complete his sentence.

"Yeah," Aria nodded and uttered, "You have to keep your emotions and feelings in control, or it might not end up well."

Zach equipped his gloves and said, "As long as you are with me, I am sure that won't happen."

DING!

Aria and Zach received a message from Aurora.

[Dinner is ready.]

Zach glanced at Aria and nodded at her. Then, they started walking to the house.

Aria's walking speed gradually decreased, and Zach walked ahead of her.

"Hey, Zach!" Suddenly, Aria called out to Zach.

"Hmm?" Zach turned around to see what Aria wanted, but he was pinned down on the ground by Aria.

Aria looked into Zach's eyes without saying anything.

"What... is the meaning of this?" Zach asked in a low voice.

It wasn't as though Aria was applying pressure on Zach's body to keep him down. He could easily push Aria to the side if he wanted, but he wanted to see what Aria was planning.

Aria gulped down and pressed her lips on Zach's lips.

"..."

Then, she inserted her tongue inside Zach's mouth and started kissing him. She kissed him for one minute straight and then stared into his eyes without saying anything.

"..."

"This was the revenge for the second kiss." Aria got up and walked a few steps before saying, "Now we are even~"

After saying that, Aria dashed to the house.

Zach stayed on the ground and stared at the starry sky.

"I am happy that she is living like a normal girl..." He closed his eyes and muttered, "I will keep the truth to myself and live with the guilt, so we both can be happy."

Chapter 170

Zach opened his eyes in Aria's domain and stared into nothingness.

"...."

Zach sighed and laid down on the floor, which was hot lava, but it turned into the grass the moment Zach laid down.

Aria's domain was protecting Zach from any harm possible even when Aria wasn't present there.

"I have no idea how long I have been here, but I probably spent more than 10 hours here," Zach mumbled.

MP- 15000/∞

Zach looked at his MP and muttered, "I think this much should be enough.... Right? I was saving up my MP and cultivating for the past week, but my battles in the Sea Realm ended up consuming all my stored MP."

Zach could use his DT (1MP = 50\*10\*2 HP DMG) skill and deal 15000000 HP DMG to any monster he would touch.

"But since I am only participating in this dungeon raid so I could help Aurora level up faster, it doesn't matter."

Suddenly, Zach remembered something.

"Wait a... minute...."

In the last Gods' Impact update, the gods changed the EXP and rewards gained under any circumstances. Out of which, one was where the EXP and rewards would be automatically distributed to the guild members based on the DMG or participation in the following raid.

"Aurora is also aware of this, and so is Aria. But I guess the update doesn't affect us since we are already strong players."

The EXP gain was dependent on the DMG dealt by the players, but since Aurora was already a strong player, she could deal with high DMG and gain high EXP. And besides, Zach agreed to participate in the dungeon raid so Aurora could get the guild benefit and cultivate her physique faster.

"Sorry Victoria, I know the main purpose of this dungeon raid was to help low-level players level up faster so your entire guild could ascend together. But the new update fucked everything up." Zach let out a weary sigh and said, "And you will be leaving the guild after this raid, so you don't have to worry about those players."

Zach stood up and stretched his hands in the air.

"Even if they are our classmates, it shouldn't matter." After a brief pause, he added in a solemn voice: "If they can't level up on their own, then they might as well not level up at all."

"Being a high-level player or having a high physique doesn't make you strong. If you lack talents and skills, then you are better off dead than become a burden to others," Zach mumbled under his breath.

"... I don't know where have I heard this before...?"

Zach checked the time, and it was 5:50 AM in the morning.

"The raid is at 6 AM. I should meet up with Aria and Aurora and leave. But I don't think we will be able to make it before 6 AM."

Zach sneered and said, "Victoria is going to get angry."

Zach opened the portal to Aurora's house and passed through it.

"..."

When Zach got there, the lights were off, and the house was filled with nothing but silence.

"Weird..." Zach walked to Aria's room since it was the closest and knocked on her door. But she didn't respond.

'For the first time, I decided to knock on her door, and she didn't answer...' Zach muttered in frustration and opened the door, only to see it was empty.

"Did they go without me?" Zach asked himself. "They should have at least left me a message or something."

Zach walked to his room and opened the door to see Aurora curled up on the bed.

"Nice!" Zach sighed in relief and said, "I knew my Aurora would never leave me behind."

"..."

Aurora was wearing her nightdress, and her hair was messy. Zach found it strange since Aurora was excited about the dungeon raid last night and couldn't stop talking about it.

"Aurora? What's wrong?" Zach asked in a calm voice.

"..."

Zach placed his hand on Aurora's back and asked again, "Aurora?"

SNIFF!

"...!"

Zach held Aurora's head in his hands and lifted it up to see Aurora was crying.

"Hey..." Zach hugged Aurora and asked, "What's wrong?"

"..." Aurora didn't say anything, nor did she try to hug Zach back.

Zach waited for Aurora to calm down and then asked, "Is everything alright? What happened? Where is Aria? Did she say something mean to you?"

"I am sorry..." Aurora sobbed.

"Why... are you apologizing?" Zach wiped Aurora's tears and kissed her on the lips to calm her down.  
"Don't worry. Whatever you have done, I won't be mad."

He caressed Aurora's face in his hands and asked, "Tell me."

Aurora sniffed and opened her menu before showing her stats to Zach.

"....!"

Even Zach was left baffled and speechless.

Aurora's stats had reset back to default.

After eating dinner last night at Kayden's house, they ordered a cake from the cafe. Zach had to cultivate his MP for the dungeon raid, so he left early and went to Aurora's house, where he opened the portal to Aria's domain and cultivated nonstop for the entire night without any rest.

Meanwhile, Aria and Aurora ate cake and enjoyed the party before finally leaving Kayden's house.

When they reached home, Aurora searched through the entire house, but she couldn't find Zach. Aria told her about her domain. Aurora was curious about Aria's domain as she hadn't seen it before, so she asked Aria to open the portal, but Aria had no power or ability to do that. Only Zach could open the portal to Aria's domain and that too using the token. Aria could open the portal from the inside but not from the outside.

After that, Aria and Aurora talked for a while and later went to their room to sleep.

Aurora had no idea that she would wake up in a nightmare where her stats reset to default.

Aurora sobbed and said, "I am sorry. If I had paid attention..."

Aurora had received a quest where she was asked to do something she would never do, and she made a promise that she would never eat a crepe. In return, she was given a physique point, and she was able to ascend to the first realm with Zach.

However, the penalty for breaking that promise was cruel.
