

## **GODS' IMPACT 311**

### Chapter 311 Fingering Aria

Zach was sitting on the bed with his back leaning on the wall, while Aria was sitting on Zach's lap with her back leaning on Zach's chest.

Zach was gently squeezing Aria's twin mountains and pinching her erect nipples.

"Mnh~" Aria was letting out soft moans once in a while, but Zach wanted to hear them more.

He slowly moved his one hand down to Aria's cave and rubbed his thumb on the entrance.

"It tickles..." Aria said with a flushed face.

"Since you have never masturbated before, you don't know the heavenly feeling of the orgasm. Let me finger you and pleasure you, so you can have your first ever orgasm with my finger."

Zach nibbled on Aria's ear and whispered, "You can moan as much as you want."

"I won't moan. Hmph!"

"You said the same thing when I massaged you for the first time. Come to think of it, do you want me to finger you while wearing gloves?" Zach asked with a curious expression on his face. "Who knows, it might turn into heavenly masturbation or something." He scoffed softly.

"Don't add 'heaven' in front of everything. You speak too lightly of heavens. And you don't know what heaven is like. It's truly a paradise," Aria said with a distant smile on her face as she recalled the millennia she spent in heaven.

"Is it really that beautiful?"

"Indeed. I want to show it to you one day. Hopefully..."

"The heaven you and mother lived in had two thrones, right?" Zach asked with a curious yet calm look on his face.

"Yes."

"I doubt mother would want to return as a goddess, so once we have slain the other gods and you reclaim your throne, I will take the other throne to rule the heaven with you," he said calmly with a gentle smile on his face.

"What about Aurora, Victoria, Aquarius, and Ruli?"

"We will get a throne for them as well," he scoffed.

"It's not funny."

"To be honest, I wouldn't mind living with you in hell either. I just want to spend the rest of my life with my family and lovers."

"It's the same for— Anh~!"

When Aria tried to speak of her feelings, Zach took the opportunity to insert his middle finger into her unexplored cave.

"Oh? What was that? Did the goddess just moan by getting fingered?"

"Shut up! You did that when I wasn't prepared!" she hissed.

"Well then..." Zach pointed his gaze at the finger that was going in and out of Aria's cave and said, "Look at it properly. Do you see how it goes in and out of your sacred place?"

"When you insert your finger, I feel like I am getting plugged. I feel filled. How is your schlong going to enter such a small space?" Aria asked with a curious and innocent look on her face.

"I can't believe I am explaining sex to the very person who invented the humans..." Zach muttered.

"Well, we designed humans based on how the other races looked. We simply added new things and removed some. Such as wings, an extra pair of hands, a third eye, fins and gills to breathe and live underwater, changed the shapes of teeth, limited their tongue, decreased their lung capacity, and many more things," she stated.

"What about the tail? Were humans supposed to have tails?"

"No. Why would they need a tail?"

"Well, according to scientific research, it is said that human ancestors were monkeys, and they evolved into humans."

"Why would that happen? It is indeed true that humans have undergone various evolution, but they weren't animals. But if you talk about the similarities between monkeys and humans, then yes, they are indeed similar."

"So it's just a coincidence?"

"No." After a brief pause, Aria said, "What if I tell you the monkeys were originally humans, and they were punished and cursed to become monkeys?"

"I don't know." Zach shrugged and said, "The scientists also said that gods don't exist and here I am, fingering the mother of all humans."

"....!"

"It's so warm and tight."

'My finger is being sucked in.'

Zach looked at Aria, who was trying her best to hold her moan.

"Does it feel good?" Zach asked.

"Mmm," She nodded.

Zach started moving his finger in and out. Every time he pulled his finger out, Aria's cave sucked it back in.

"I am touching your hymen."

"It will bleed if it breaks, right?"

"Yes. But it's not like it always bleeds."

"Hmm? I thought that was a sign of a girl being a virgin."

"No. The hymen is not a layer or a wall inside a vagina. It's a ring-like structure with a small hole in it. The size of the hole is different for different girls. Some have a small hole, and some have a wide one. It also depends on muscle flexibility," Zach explained.

"They bleed because the cells around the hole are ruptured or damaged because of the insertion of the penis or some thick thing."

"There have been many cases where the girl loses her virginity but doesn't bleed. That doesn't mean she wasn't a virgin, or it wasn't her first time. It's because the hole in her hymen was wider, or she had made it big by masturbating or other practices."

"You seem very knowledgeable at this," Aria commented with a judging look on her face.

"Well, they taught us in school. Talking about school reminded me of a similar incident in my school."

"Go ahead. I am curious."

"So there was this couple in the other class, and they were childhood friends who started dating a few months ago. But when they had sex, the girl didn't bleed, and the boy assumed she wasn't a virgin even though the girl kept saying that she was a virgin."

"What happened next?"

"I have no idea. But it's sad to see what kind of world I live in," Zach sighed in disbelief.

Zach kept moving the middle finger of his right hand inside her cave and continued squeezing her left boob with his left hand while sucking her right boob.

"Ahn~"

She was fully in Zach's control now. Every time he sucked her boob, she tensed up.

"Ahn~!"

'Her moans are getting louder. She is probably close to orgasming.'

Zach stopped sucking her boob and started kissing her.

"Mmm~"

As soon as he kissed her, her cave got tighter, and Zach's finger got crushed between the walls. So he started brushing his finger around the walls inside her cave and rubbed his thumb on her clit.

A few seconds later, Zach's finger drowned under Aria's first orgasm.

Chapter 312 Before Dual Cultivation

"How was your first ever orgasm?" Zach asked with a grin on his face.

"I..."

"Hmm?"

"How can something like this feel so good?!" Aria asked with a resolute expression on his face.

SIGH!

Zach sighed in relief and rubbed his chin on Aria's shoulder before saying, "I was worried that you didn't like it since you did a pretty good job in holding your moans."

"No! It felt so good that I couldn't do anything. My mind and body were frozen in pleasure!" she said while hugging Zach tightly.

"Well then, let's continue."

"Will you finger me again?" she asked with an innocent face.

"Uhh... I am thinking of creating the essence pill first. Aurora has been waiting for one."

"Oh, yes... but I don't think we should do that now."

"Hmm?"

"Making the pill would take your hours, so would you rather waste time making the pill or have dual cultivation with me?" she asked with a knowing look on her face.

"You are right about that. I forgot the main reason we are doing this."

Aria lowered her gaze and bit her lips with a sad look on her face.

After noticing the dejected look on her face, Zach asked, "What's wrong?"

She smiled wryly at Zach and muttered, "We are only doing it because you want me to open the crack to hell. It's kind of sad because I wanted our first intimate activity to be—"

SLAP!

Aria's eyes widened in shock, and she covered her mouth to stop herself from gasping.

Zach had slapped himself so hard that his mouth and lips started bleeding.

"What are you doing?!" Aria yelled at Zach and placed her hand on his wound to heal it.

"Why would you do that?! She continued yelling as he healed him.

"I am still a dick of a person. I am far from becoming a better person..." he muttered in a disdainful tone without looking at Aria.

"What..."

"I can't even look you in the eyes."

"Why are you saying that?"

"As you said, I wanted to dual cultivate you so you can absorb my essence and gain soul powers to open the crack to hell. I... was so focused on that. But believe me, I didn't ask you to dual cultivate for that reason. I truly wanted to do it with you!"

"I believe you..." Aria hugged Zach and said, "I should have phrased better. I know how important we are to you, and you just want to protect us all. But Zach... you don't have to take all the burden to yourself."

"..."

"Victoria and I are here for you. You can share your burden with us. In fact, we would be glad to do so."

After a few seconds of silence, Zach nodded and uttered with a forced smile on his face: "Sure. I will let you know if something is troubling me."

Then, they stared into each other's eyes as their faces got closer. And before they knew it, they were kissing.

After sharing kisses for a few minutes, Zach moved his hand to Aria's chest and squeezed her breasts. He gently squeezed them and played with her nipples before sucking them.

"Mnh~"

Aria enjoyed the pleasure, but she wanted more. Furthermore, she wanted to please Zach too. So she moved her hand to Zach's crotch and stroked his snake.

"It's so sturdy and hot... just like last time..." she muttered.

"Like your nipples," Zach teased with a grin on his face.

After the demon invasion, Aria had suggested Zach feed Aria an essence pill to boost her recovery. But to make the pill, he had to use his essence. So one night, after Aria had fallen asleep beside him in the inn's room, Zach began masturbating to get his essence to make a pill for Aurora.

However, Aria woke up to the rustling sound and found Zach playing with his little brother. Of course, she was freaked out after seeing that and jumped off the bed, but Zach explained what he was doing, and she reluctantly calmed down.

She then gave him a helping hand and performed a handjob on him. She collected his essence in her hands and used a simple sealing technique to preserve it.

"How can something this big can fit under a vagina?" Aria wondered. "I know how sex works, but still... your schlong is..."

"Don't call it that. Call it dick."

"Why?"

"It;'s more romantic that way..." Zach uttered with a straight face.

Aria squinted her eyes and said, "You are going to corrupt the innocent me."

"Don't worry, I will be gentle," Zach said in a calm voice. "It might hurt a little at first, but I will make sure you enjoy it."

"I know." Aria stroked Zach's snake and said, "Can I... Do I have to suck it...? It looks so cute~ I want to eat it!"

"I... I am kind of scared now."

"Don't worry, even if I eat it, I will heal you, and it should grow back," Aria reassured with an innocent smile on her face.

"Wow. I can't believe you just said that with an innocent smile on your face. Remind me not to mess with you."

Aria smirked and said, "It seems I have got my hands on your weakness."

"...."

"Relax. I was kidding." Aria curled the corner of her lip and muttered, "What if it never grows back?"

"Aurora would probably kill you, hah!" Zach scoffed out loud.

"And Victoria too. Let's add Aquarius and Ruli too while we are at it."

"Don't forget Xie Lua," Zach added.

"I haven't met her yet or never seen her. So I don't know what I should think of her. But she is a woman who wants to cuddle with a boy she kind-of raised, so... not an innocent woman."

"By that logic, you are currently cuddling naked with a boy millennia younger than you. Not to mention, you are the one who created the humans." Zach smirked and said, "What an admirable Goddess."

Chapter 313 Tasing Essence\*

They both were nervous as it was their first time with each other, so Zach made fun of Aria because he wanted to ease the mood by teasing her.

Aria furrowed her brows and grabbed Zach's nuts in her hands before saying, "Whenever I see something round, I get an urge to squeeze and crush them."

"I apologize for my behavior so far, O mighty Goddess of death and destruction. I am but a humble believer. Won't you spare this lowly—"

"Stop that. I don't like such things," Aria uttered in a low voice.

"Okay. No roleplay, I guess."

"I will ask again." Aria licked her lips and asked, "Can I suck it?"

Zach shrugged his shoulders and said, "There is no need to if you don't want to, but I do want to see my dick in your sexy mouth."

"I was also curious, so I guess there is no harm in it. But hey, it's my first time, and I don't know anything. Please, guide me properly, so I can pleasure you," she said in a calm and soothing voice.

It was rare for Aria to speak in a soothing tone since it had a charming effect on it. Even Zach, who had a strong resistance, had fallen in love with her when she invited him to join her on the quest to slay the gods.

Aria sat on the ground, but Zach picked her up and placed her on the bed.

"What are you doing? I am going to suck your... dick."

"You can do that while sitting on the bed. I will stand still, so there should be no problem," Zach said calmly.

Aria squinted her eyes at Zach and commented, "You are being awfully caring so suddenly because you are going to get laid soon."

"Of course. I am a gentleman, after all. And chivalry isn't dead, at least for me," he said with a proud face.

Aria opened her mouth and kissed the tip of Zach's snake. Then, she licked it with her tongue to make it wet.

A few seconds later, Aria licked all the parts of Zach's snake. She had tasted the scent of a man, that too of the man she loved.

"I will start sucking it now..."

Aria opened her mouth and slowly sucked the tip. Then, she rubbed her tongue around it before pushing it deeper into her mouth.

With just the tip inside her mouth, Aria's mouth was stuffed.

"Don't worry. Your mouth will automatically widen up as you move. Just don't force yourself. Otherwise, it would do more harm than good."

Aria nodded in response with Zach's snake still in her mouth.

She stayed like that for a few seconds but didn't stop rubbing her tongue around the tip of Zach's snake.

Once Aria was ready to continue, she sucked a little more and used her hand to stroke it.

But, suddenly, she pulled it out and said, "I am sorry if you don't feel good. This is my first time, but I promise I will get better after we do this regularly. And it's harder than I thought, honestly. My respect to those who suck it well without any problems."

"Don't worry about it.." Zach placed his hand on Aria's head and said, "I can cum just by seeing my dick in your cute mouth. This scene is exhilarating."

Aria's facial expressions flashed before Zach's eyes as he buried another expression in his memories. And this one was better than all of them combined.

'I am going to add more expressions to my collection soon!'

Aria stuffed the snake back in her mouth and started moving her back and forth. She used her tongue to make it more wet and kept stroking it with her hand while sucking it.

Zach could hear slurping sounds and feel how wet his snake was getting. Aria was trying her best to make Zach feel good.

Zach could feel her tongue touching all the sides of his snake, and it was touching his sensitive spots. It was Aria's first time, and she had no prior experience in this.

Zach was already close to cumming after seeing Aria's cute mouth sucking his snake as though it was her favorite popsicle.

Once in a while, Aria's teeth were hitting Zach's snake. However, the pleasure he was feeling was heavenly. And a few seconds later, Zach released his fresh cream inside Aria's cute mouth.

He watched Aria's cheeks getting puffed, not from anger, but with his cream in her mouth. And it was slowly spilling out. Even though she was trying her best to keep it all inside so that she could swallow it, she ended up spilling a lot after her first attempt to swallow it.

It wasn't as though Aria didn't like the taste. She simply couldn't swallow it all as it choked her because of the thickness of the cream.

It was natural as it was her first time, after all.

After swallowing what she could and spilling the rest, Aria looked up at Zach with teary eyes and said, "I am sorry I couldn't drink all of it."

"It's okay. You did surprisingly good for your first time," Zach said with a gentle smile on his face.

Aria licked her lips and savored the taste of his milk before looking at him with an alluring gaze and saying, "It tasted rich with power."

"Did you get anything after drinking it?" Zach asked curiously.

"Yes. I got physique points," Aria nodded.

"Similar to what Aurora got," he muttered and asked, "Anything else? Did your soul powers increase?"

Aria shook her head and said, "I don't think it would increase like that. In fact, the body I am in doesn't accept my soul entirely. Even the status screen I have is of the girl."

"..." Zach raised his brow with a mixed expression on his face and asked, "Why are you saying it like this is not your body?"

"Because it's not. Didn't I tell you this before?" Aria wondered with a puzzled look on her face.

"I don't think you did."

'Come to think of it, Aria looks completely different from Ameria, so I couldn't recognize her. I only got suspicious because of how she was acting.'

"I already mentioned when we first met in my realm that I can't enter the game."

"Yeah, but I assumed you entered as a player..."

"No..." Aria shook her head and said, "I simply transmigrated my soul into this body."

Chapter 314 Starting the Dual Cultivation

"I transmigrated my soul into the body of a player. I don't know if it was the correct term or not, though."

"You did... what? Did you kill the girl?"

"Of course not! The girl died in the dungeon while fighting the monster, and her body landed near the portal of my domain," she said with an angry look on her face. Seemingly, she was angry after knowing the first thing Zach assumed was that she had killed the girl.

"But that was before the new update arrived that made the player's body decayable. At that time, the players' bodies disappeared after 30 minutes of dying."

"As I said, she dropped dead near my portal. Seemingly, she defeated the monster and tried to leave the dungeon to get herself healed. But unfortunately, death got her first."

"Okay, that was a weird reference since you are the Goddess of 'death'." Zach facepalmed himself and uttered, "I am not saying that you killed her, but you did possess her body."

"Well, I don't know. I didn't know what to do, and I was bored to death! I wanted to get out of my domain and enter the game. How could I miss the only chance I was getting? And excuse me for being desperate to meet you!"

"...."

She glared at him and said, "Had someone come to my domain to cultivate, everything would have turned out different."

"True that..." Zach imagined how it would have been if he had decided to use Aria's domain. "I would have met you once in a while, and we two would always be alone there. Not to mention, you would be in your real form."

"..." Aria watched the resolute expression on Zach's face and asked, "Why do you look excited?"

"I mean... alone with a hot Goddess... come on~" Zach licked his lips as he said, "I am sure I would have tried to make moves on you."

"Oh? Even though you were scared to enter my domain," Aria remarked.

"You also said that you wouldn't be in your domain when you left, so we are even now."

"...."

"Anyway..." Zach looked at Aria's naked body— which didn't belong to her— and said, "Are you sure about having sex with me in someone else's body?"

"Umm... I am still me from the side, and I feel the pain and pleasure from this body, so I guess it's fine?" Aria responded with a shoulder shrug.

"What about your real body, though? If you lose your virginity in this body, would your body in the— where it is, also lose it?" he asked with a curious yet calm look on his face.

"I am not sure. This is my first time transmigrating in someone's body and getting trapped in a game," she replied with a forced grin on her face.

"Come to think of it..." Zach raised his brows and wondered, "What about the other normal players? I am sure at least 30% of the players have tried having sex in this game, although I am sure most of them weren't virgins since most of the players are adults. But the question remains the same; do female players lose their virginity in the real world too?"

Zach let Aria think about the question while he pondered on another problem.

'Since Aria is not in her body, or rather, the body she is in is a human body, I highly doubt it would be able to dual cultivate. So I don't think Aria can absorb my essence through this body and gain soul powers.'

'That means dual cultivation with Aria is useless, and it won't do any good. Should I tell Aria about this? But then, she would feel like I only care about the crack to hell. I want to have sex with her either way. And who knows, maybe we can dual cultivate too since Aria's soul is inside the body?'

Zach was brought back to by Aria when she poked her finger at his face with puffed cheeks.

"So cute..."

"Umm..." Aria touched her cave and said, "Can we...?"

"Umm..." Zach wanted to continue the foreplay to make sure Aria was wet enough to take his snake inside her cave.

Aria lay down on the bed and spread her legs in front of Zach as she said, "I... want it. Give it to me~!" She begged Zach to explore her cave with his snake.

Zach wanted to play more with her cave by sucking it, but Aria seemed desperate for the visitor in her cave, so Zach had no other choice but to go for an adventure.

He got between Aria's legs and fixed his position. Then, he touched the entrance of her cave with the tip of his snake and said, "I can't believe we have come this far. Looking back to how we first met, never in my wildest dream would I have imagined having sex with you. It's honestly exhilarating!"

"It's the same for me," she said with a happy smile on her face.

Zach wanted to make sure that Aria was truly up for it and that she wasn't forcing herself for his sake. They could do it at some other time if Aria wasn't ready. But there was no point in worrying about that since they both wanted the same thing.

"Just shove it in~!" Aria moved her hips forward, and the tip went inside her cave.

"Anh~" she moaned as her cave got penetrated.

Zach slowly pushed his snake further in, but it was stuck just after the tip went in.

'That's her hymen. If I push further, she will lose her virginity.' Zach shot a glance at Aria and saw her desperate for more.

Zach looked at Aria's face to make sure she was feeling alright. Then, he took a deep breath and slowly poked the tip of his snake against her hymen.

The next second, Zach plunged his snake inside Aria's virgin cave in one go. As expected, a lot of blood came out, but when he looked at Aria's face, she looked happy and satisfied.

'I didn't mess up this time...' he sighed in relief.

Chapter 315 Dual Cultivation\*

Zach looked at Aria's cave, which was bleeding, and then gazed at Aria's face, which showed no sign of pain, only a satisfied smile.

"Are you okay...?" Zach asked with an anxious look on his face.

"Yeah..."

"Does it... not hurt?" he asked hesitantly.

"No, I am fine," Aria answered in a calm voice. "Surprisingly, I don't feel any pain at all."

"How are you feeling right now?" he asked curiously.

"If I had to describe it... it's a feeling similar to getting stabbed. The only difference is that here it feels good. I feel like I am complete now. You have plugged your dick inside me and filled the empty space I didn't know existed."

Zach was trying to comprehend why Aria didn't feel any pain, and he could only come up with one possibility.

"You know, I am not sure, but... we might be highly compatible with each other. No, that's not what I was trying to say."

Zach let out his inner thoughts and mixed them with what he was trying to say.

"Hmm?"

"I mean, you yourself said that this body doesn't belong to you, and it is the body of a dead player. There is a high possibility that she wasn't a virgin. But the blood came out, so it doesn't make sense," he sighed.

"Is it weird if the girl doesn't feel pain during her first time?"

"No. Of course not. I think almost 30% of the girls don't feel pain, but most of them are the girls who masturbated or did other activities to make their vagina lose enough to not feel any pain. While you were... well, I don't even need to say it."

"So maybe the girl was one of them?"

Zach shrugged his shoulders and uttered, "That's what I was trying to say, but let's stop thinking about that now. We need to focus on something else."

"Yes~" Aria moaned in a low voice and touched Zach's face.

"Yeah."

Zach slowly pushed his snake deeper into Aria's cave but made sure to keep his eyes on her face.

Within a few seconds, more than half of his snake had successfully explored Aria's virgin cave.

Zach didn't want to force his entire snake in before letting Aria catch her breath. Sure, she said she didn't feel pain, but it could be delayed pain too. If that happened, she wouldn't be able to enjoy the rest of the cave expedition.

However, Aria herself started moving her hips up and down.

"Start moving already~!"

Zach started moving at a slow pace and thrust his hips back and forth.

"Mnh~ Nmh~ Anh~"

As the time passed, Aria's cave widened, and Zach's snake explored it as deep as possible. Aria's cave had become so wet and slippery that Zach's snake could easily go in and out. However, the tightness of the cave remained the same.

The walls of Aria's cave trapped Zach's snake every time it tried to go deeper.

Within the next few minutes, Aria had already orgasmed from the heavenly pleasure. However, that was just the start of their dual cultivation.

Zach slowly increased his thrusting speed as he got closer to cumming. He wanted to hold it as long as he could to make his first shot in Aria's cave as pleasurable as possible.

"I can feel your dick twitching inside me. Are you going to cum?" Aria asked with a curious look on her face.

"Yes..."

"Inside me~ Shoot it inside me~" Aria begged and wrapped her legs around Zach's waist.

'What should I do?' Zach asked himself.

Zach wasn't sure if he should creampie Aria or not. Sure, that was the main reason they were dual cultivating. However, since she was in the body of a mortal, the same thing could happen as what happened to Victoria.

'What if she failed to absorb my essence? She would feel immeasurable pain in her lower abdomen that would render her useless for weeks.'

Not only that, but Aria was in a human body, and there were chances that she could get pregnant if he shot his load inside her.

'Wait, do players even get pregnant in the game? I haven't heard something like that yet, and it has already been enough time for the news to spread if that was the case.'

Still, even after that, Zach didn't want to stop or pull his snake out of Aria's cave. He wanted to mark it as his. Besides, there was no way he could refuse Aria's plea.

A few seconds later, Zach released his load inside Aria.

"Aanh~!" Aria moaned and accepted Zach's fresh milk in her cave.

"I can feel it pouring inside me~! I am getting filled up by your essence~!"

Aria's legs twitched because of the pleasure, and she ended up letting go of Zach.

Zach slowly pulled his snake out from Aria's cave. And as he did, his white cream mixed with the blood came out from the cave.

"Why did you pull it out~?" She asked with a moan, her voice full of desperation. "Shove it back in~ I want more~"

After seeing Aria beg like that, Zach couldn't help but let out a chuckle with a grin.

"What are you grinning for?!" Aria yelled. "Do you enjoy watching me suffer?"

"Of course, no. But this is an amazing sight. It's truly bliss. Seeing you beg for my dick like this pleases my eyes and ears to no extent."

"..." Aria puffed her cheeks without saying anything.

"Not to mention, I just creampie'd the mother of all humans. I am having weird emotions wilding inside me right now."

Aria frowned her face after hearing that.

"You also creampie'd your aunt then," she uttered with a straight face.

"Come on~" Zach groaned out loud and said, "Why did you have to mention it? You ruined the mood!"

"Then you also ruined the mood for me! You keep mentioning 'mother of all humans' again and again!" she hissed.

"Well..."

"How about we make a deal? We won't mention anything now," Aria proposed a fair deal.

"Okay."

However, Zach had something else in his mind. He wasn't going to lose his only chance of teasing Aria.

Chapter 316 Moaning Goddess\*

Zach picked up Aria in his arms and sat on the bed with his back leaning on the wall. Then, he placed Aria on his lap face to face and kissed her on the lips.

After a kiss, Aria looked at Zach with teary eyes and said with a flushed face: "Please, put it in."

"I didn't know you had this meek side on you," he said with a grin on his face. No, he wasn't teasing her, not currently. He was genuinely surprised to see Aria acting like that.

Something had awakened inside him. A new fetish. A sadistic nature, which was what Aria needed since she had a fetish for being dominated. And what could be a better place to be dominated if not on the bed?

Aria hugged Zach, but when she did, she moved her hips forward, and the tip of Zach's snake entered her cave.

"Aanh~!"

"... that was a loud moan and satisfying moan," Zach remarked with a proud face.

"Shut up!"

Zach squinted his eyes and asked with a grin on his face: "Do you want me to shut you up?"

"What do you—"

Before Aria could understand what Zach was trying to say, he kissed her on the lips.

"Umn~" Aria's stiffened body loosened up after receiving the kiss from Zach. She looked into Zach's eyes with a flushed and satisfied look on her face. "That... felt good."

Zach glanced down and uttered, "I can see that."

When Zach kissed Aria, she ended up orgasming, and her cave was flooded with her juice. Earlier, only the tip of Zach's snake was inside her cave, but now, it was slowly entering her wet cave.

"I want to do it again..." Aria demanded.

Zach smiled at her and kissed her again. Then, he played with her tongue and sucked her saliva. The more Zach and Aria kissed, the further Zach's snake entered Aria's cave.

Zach's snake eventually stopped moving forward, but they kept kissing. After a while, Aria looked down and said, "Only half is inside me. Push it further. I want it inside me~"

Zach furrowed his brows after hearing that. Upon seeing Aria acting like it was Zach's fault that his snake couldn't go further, Zach wanted to tease Aria to take revenge.

"You are an innocent girl, so let me corrupt you." Zach moved his hand to Aria's hips and grabbed them from behind. Then, he gazed into Aria's eyes with a curious look on his face and moved her hips forward with his hand.

"Ready?" Zach asked.

Aria quietly nodded and pressed her lips on Zach's to kiss him.

Zach raised Aria's hips with his hand and pulled her in to plunge his entire snake inside her cave.

"Mnh~!" Aria let out a loud moan, but it was muffled because she was kissing Zach.

Zach stayed like that for a while and let Aria do whatever she wanted with his mouth. After a while, Aria stopped kissing Zach and said, "You can move."

"Hmm?" Zach teased Aria as though he didn't know what Aria was talking about.

"I want you to move~" Aria begged and moved her hips back and forth.

"How about you move your hips at your own pace?" Zach suggested with a grin on his face. "I will move when I am close to cumming. I also want to see you ride me."

Aria slowly started moving back and forth at a steady pace. Then, she placed her hands on Zach's shoulders for support and continued shaking her hips.

"Why does it feel a lot better than the first time?!" Aria asked in a rather loud voice.

"That's the secret of sex. The more you do it, the better it feels. You may have ruled the heavens for millennia, but the pleasure I will give you would surely make you feel.... heavenly."

Aria grinned and kissed Zach on the lips, which was weird since Zach expected Aria to get angry as he mentioned heavens again. But it seemed that the pleasure was taking over her mind. It was as though she was having a hard time deciding what felt better; kiss or sex.

However, Zach wanted to make Aria feel better, so he moved his hand toward Aria's hips and moved them up and down using his hands.

"Amh~ Yes~ Yes~ Keep going~"

As Aria's body was shaking up and down, Zach's gaze fell on Aria's marshmallow-like breasts as they bounced up and down as Aria moved.

Zach couldn't hold the urge to touch them. He moved his hand towards her breasts and touched them both with his hands.

"Mmh~"

As Zach had expected, they weren't comparable to Xie Lua. While Xie Lua was in her real body, Aria wasn't. And her breasts felt the same as how they should feel for a human.

Zach started squeezing them and did whatever his heart told him to do. He moved his fingers around her breasts and played with them. Then, he pinched her nipples with his fingers and squeezed them between his fingers.

"No—Anh~!" Aria tried to stop Zach, but she ended up letting out a moan.

"Don't play with—Aanh~ They are sensitive! If you squeeze—Anh! No~~!"

Zach rubbed his thumb on her erect nipples and pressed them with his fingers.

"I will end up cumming again!"

Zach ignored everything Aria was saying and only focused on her moans. Since he had realized Aria was extra sensitive on nipples, he decided to take this to the next level.

He sucked her nipples and bit them with his teeth while squeezing the other breasts with his hands.

Aria stopped moving her body and made a satisfied look on her face. "This feels so sooo~ good."

Aria orgasmed for the fifth time and stopped moving.

"Why did you stop moving?"

"I can't... move anymore..." Aria said and hugged Zach tightly.

Zach was only a second away from ejaculating, and he got angry when Aria stopped after satisfying herself. Of course, in a playful manner, just like how they teased each other all the time.

He pushed Aria down and grabbed her waist.

"Wai— Anh~!"

Chapter 317 Aria and Zach\*

Aria twerked and said, "I am ready~"

Of course, Zach was going to tease Aria first, so he inserted the tip in her cave and moved it up and down without penetrating her cave.

"This is hard for you. What more do you want?" he teased with a grin on his face.

"You are so cruel~"

Zach scoffed and plunged his entire snake inside Aria's tight cave with one thrust.

"It went in one go~" she moaned.

"I will go rough, okay?" Zach uttered as he grabbed Aria's waist.

"Yes~ Go rough~ And don't stop until I pass out~"

Zach started slamming his hips onto Aria, but he wanted to go even rougher, so he grabbed Aria's hand and pulled it.

"Anh~!"

He grabbed Aria's other hand a few minutes later and continued railing Aria like crazy.

After 10 minutes, Zach released his load inside Aria, whose legs had given out. She could barely stand still because of the pleasure.

However, she still wasn't satisfied.

She turned around and lay down on the bed. She looked at him with a seductive smile and spread her legs as she said, "You can still go more, right?"

"I can." Zach picked her up and pushed her against the wall on the side of the bed.

"Are we doing it while facing face to face?" she asked.

"Yes." Zach immediately penetrated Aria's dripping cave and said, "Wrap your legs around me and hold me as tight as you can."

"Okay~" Aria wrapped her arms and legs around Zach and submitted herself to him. "I will hold you for forever~"

"Aamnh~ Anh~ Aam~ Ann~" She kept moaning louder with every thrust. "Kiss me~ Kiss me~"

Zach pressed his lips against Aria's lips and increased his thrusting speed.

"Mmh~ Nmh~ Nh~" Aria's moans were muffled by the kiss.

However, Aria stopped kissing back because she wanted to say something.

"Make sure to release it deep inside me~ We are dual cultivating too, remember?"

"Of course. You don't have to say that," Zach responded with a grin. "I will fill you up."

"Yes~" Aria looked up at Zach's face and puckered her lips as though she wanted to kiss Zach. Zach moved his face closer and kissed Aria on the lips. They kept kissing until Zach shot his hot venom inside Aria's now damp cave.

"Uhm~"

Zach kept his snake inside Aria's cave until it stopped twitching. He opened his menu to look at the time.

"It's evening..." Zach said to Aria. "Victoria and the rest should be coming back soon."

"Yes..." Aria turned around and lay on her back. She shot a glance at Zach's erect snake and said, "How about we do it one more time? This will be the last round for today."

"Sure..." Zach pinched Aria's nipples and asked, "What position do you want for the finale?"

"This is the last one, so I want to ride you again, but I am tired, and I don't think I can move much."

"Then let's do it from behind again."

"Let's do the one where I am at the bottom, and you are on the top. What was it called again...." Aria stuttered as she tried to remember.

"It's called missionary," Zach scoffed.

"The names are too confusing~"

"Don't worry." Zach inserted the tip in Aria's cave and said as he plunged his entire snake inside: "I will make sure you remember them all."

"It's so big~" Aria orgasmed the moment Zach's snake plugged into her cave. "But now it can easily go in and out, unlike before when you had to force your way in."

"I will shape your cave with my snake. And you should be glad that you are the second girl who managed to take it entirely without a problem during the first time."

Zach raised Aria's hips and started thrusting his hips like a piston engine.

"How many girls have you been with?" Aria asked curiously, with a hint of little jealousy in her voice. "I know there is Aurora and the others. But I am wondering if you had a lover before Victoria."

"If you are asking about an intimate relationship, then only Ruli, Victoria, and you," Zach replied honestly. "And... yeah."

"Only?" Aria squinted her eyes.

"Well... I compared to the actual harem members, so...."

"I see... so I guess I am your third one to make love with you..." Aria uttered with a grin on her face.

In the middle of this conversation, Zach was thrusting his hips back and forth, and Aria was also shaking her hips once in a while.

"I should also spend some quality time with Victoria. I don't want her to think I am neglecting her," he said calmly.

Aria bit her lips and muttered under her breath: "Yeah. She seemed okay with it, but I am sure she was feeling dissatisfied."

"Yeah. And honestly, if it was the old Victoria, she would have dumped me over ten times now."

Zach chuckled and kissed Aria on the lips.

A few minutes, Aria was once again creampieped.

"That felt so good~" Aria uttered as she licked her lips, her face flushed red with an orgasmic look on it.

After catching her breath, Aria stood up and started wearing her clothes.

"Let's go now. We should remove all the traces from this room. And it smells too."

"Yeah..." Zach stood up and pushed Aria against the door.

"What are you—"

Before Aria could understand what was going on, Zach plunged his snake inside Aria's cave from behind.

"You like to be dominated, right?" he asked as he began to thrust his hips back and forth.

"That's not true~" Aria replied with a moan.

"You are lying. I can feel how tight you are right now, you pervy goddess!"

"What are you doing~?! You have to go back~!" Aria tried to yell while moaning. "And don't give me weird names!"

She couldn't hide the pleasure of getting railed by Zach.

"Your moans say otherwise," Zach remarked with a grin.

"Anh~ Anh~ Anh~ Aanh~"

After a few seconds, Zach asked, "Where do you want it? Your mouth or your thirsty, tight pussy?"

"Inside! Inside~ Let it out inside~!" Aria begged. "Fill me up~!"

Zach released his venom inside Aria and later got his snake cleaned by Aria's mouth.

#### Chapter 319 I Love You

After spending some 'quality' time with Aria, Zach was sitting naked on the floor. Aria was resting on Zach's slap and sucking his snake once in a while.

Zach stroked Aria's hair and said, "That looks so hot, not going to lie."

"Hmm?"

"The scene of you sucking me off like this is a bliss to my eyes. Lap pillows are no longer pure for me."

"I don't know. I like sucking it."

They were so immersed in sex before that they forgot about their surroundings. They were in the church, and it was open to everyone. NPCs and players could enter and leave at any time.

Sure, Ninia and the rest weren't there, but there was a possibility that injured players might be outside. However, it was already too late as Aria's moans were echoing in the entire church.

The Goddess was doing a sinful act in the holy place. But Zach was the God, so it could be taken as she was simply trying to please God.

Zach was repeatedly opening his mouth and swallowing nervously as though he wanted to ask something to Aria but wasn't sure.

'Here goes nothing...'

Zach took a deep breath and asked, "Do you feel like your soul powers increased? OR do you feel any change in your body?"

"Oh!" Aria suddenly exclaimed and sat up in shock. Seemingly, she had forgotten about the dual cultivation.

She placed her hand on her chest and closed her eyes for a few seconds before opening them again. She looked at Zach with an apologetic face and said, "It seems I couldn't dual cultivate. I am in a mortal's body, and they can't dual cultivate unless they strengthen their foundation.."

She lowered her gaze and muttered, "I am sorry I wasted your time."

'As expected. But I am glad I realized this sooner. I would have told her only if I was 100% certain about that,' Zach uttered inwardly.

"Hey..." Zach hugged Aria and patted her back as he uttered in a calm voice: "It's okay."

"But I failed you. I can't open the crack without my soul powers..."

"That doesn't matter. You enjoyed sex, right?"

"I did..."

"That's what matters. I enjoyed it too. And I already told you before we started that I wanted to do it with you anyway. Dual cultivation was just an extra benefit. I don't care about that," he said in a gentle voice.

"But..."

"We will find a different way to increase your soul powers. There is no need to hurry. I have other things to take care of before that. And besides, I can't go unprepared into hell."

"I am sorry. I have been nothing but a burden to you from the start. Even though I am a goddess, I can't use my powers. Even Aurora is stronger than me. I am not fit to be in your—"

"Hey, didn't I say there is no need to worry. Why are you suddenly acting like this? Where is the haughty Aria I fell in love with?" he asked with a judging look on his face.

"..." Aria didn't say anything in response.

"Listen, you girls, or my love, will never get in the way of my ascendance. What I am today is all because of you girls. If you weren't with me when I needed you, I would have given into insanity a long time ago."

Aria looked up at Zach with teary eyes and asked, "Would you still love me even if I become useless to you?"

"You are not useless."

"Would you still love me even if I don't provide you with anything? Even if I don't give you any benefits?"

"Your presence alone is enough to bring peace to my heart. I will love you till the very end," Zach asserted in a solemn voice.

"Would you still love me if we had a different relationship?"

After a brief silence, Zach kissed Aria on the lips and uttered, "Yes. Even if you were my biological aunt, I would have loved you the same way I do now."

"I love you too..."

They stared into each other's eyes and got lost in their world. They brought their faces closer and started kissing. They kissed and kissed until Aria's gaze fell on Zach's snake, which had gotten hard again.

She shot a glance at Zach and asked, "They haven't returned yet. Should we go one more round?"

Zach grinned and said, "I was about to ask you the same thing."

Zach lifted Aria and placed her on his lap. After fixing the position, he slowly moved Aria's hips forward and let his snake smoothly enter her cave.

"Mnh~"

"Let's take it slow," he said before kissing her.

Aria wrapped her arms around Zach's neck and gripped her fingers between his hair. She also wrapped her legs around his waist and clenched Rudy's body by pressing her body against his.

She slowly moved her lips back and forth as they kissed. While Zach moved his hand to Aria's chest and started squeezing her twin mountains.

"Nhm~"

They both were enjoying the slow sex, even more than the rough one they had a while ago. Maybe it was because they both were tired and sensitive, or perhaps it was simply because they were feeling emotional.

Once in a while, Zach would suck Aria's nipples while playing with the other one.

"Mnh~" she moaned in pleasure.

Aria's cave had clenched his snake tightly, but it was loose enough to move freely. Zach had done what he had said a while ago. He had shaped Aria's cave into the shape of his snake. But of course, it was simply because Aria was too immersed in it.

"I love this slow sex~" she said with a satisfied smile on her face.

Everything was going well, and they would have orgasmed a few minutes later. However, Zach's ears suddenly twitched as he heard the sound of footsteps approaching the room.

What's more, was that the door didn't have any lock.

Chapter 320 Someone is at the Door

'Someone is coming!' Zach was instantly alerted.

He glanced at Aria only to find her lost in the pleasure.

'It seems she hasn't realized it. What should I do?'

Zach had two options; to stop or to keep going. Of course, he wanted to choose the second option, but there was a high risk.

Firstly, he had no idea who the person was. It could be an injured player, an NPC, or maybe someone else. While there was also a possibility that it was Victoria, Ninia, or the kids.

'If it's Victoria, then it's probably fine. In fact, I think she would help us out in keeping Ninia and the kids busy. But what if it's Ninia or the kids? Wait, Victoria knows what we are doing, so I don't think she would ever allow them near the room.'

Even though they were in a pinch and Zach was thinking too many things at once, they were still having sex.

'Should I tell Aria, though? She would most likely ask to stop, but I don't want to stop. That would be a next-level blue balling. I am also close to cumming, and it's going to suck if I don't cum.'

As the footsteps approached closer, Zach's heartbeat got louder. He had decided to end the final round as soon as possible, so he pushed Aria back and grabbed her by the waist.

"Hmm?" Aria was surprised, but she was enjoying it anyway.

Zach continued thrusting his hips as fast as he could.

"Anh~ Mnh~ Are you close to cumming?" she asked.

'Don't moan now! You will get us caught!'

Zach only needed a good minute to release his load inside Aria's cave.

KNOCK~ KNOCK!

'Oh shit!'

Aria had an orgasmic and satisfied look on her face, but it turned pale as soon as she heard the knock on the door. Not only that, but her cave got incredibly tighter.

'So tight!'

ARia tried to get away from Zach, but he pulled her back by her waist.

"What are you doing!" she whispered violently. "Someone is at the door! What if they saw us?!"

"To be honest, I don't think it would cause any problem even if someone saw us," Zach replied calmly.

'That's right. Why was I freaking out in the first place?' he asked himself.

"What do you mean—anh~!" Aria could control her voice, but she couldn't control her moans.

"We are husband and wife. We are supposed to do things like this," Zach responded as he increased his thrusting speed.

"You are right, but... it's embarrassing~"

Since Aria was moaning loudly, Zach decided to shut her up by sealing her lips with his lips.

"Mnh~" she moaned softly.

At this point, Aria had stopped resisting and started enjoying it again. She wrapped her arms and legs around Zach and kissed him back.

'Good. Good. This is so exciting!'

KNOCK~ KNOCK!

Meanwhile, on the other side of the door.

'Zach said they would continue for six hours, but surely, he was kidding, right?' she asked herself. 'There is no way someone can continue for that long. And didn't Aria say it was her first time? It would have hurt her so much, and doing it for so long would be no different than torture.'

Victoria's first time was anything but pleasurable. And she was bedridden for days after that. Deep down, she was afraid of sex.

KNOCK~ KNOCK!

She knocked once again, but of course, there was no reply.

'Could it be that they are still doing it?'

Victoria slowly placed her ear on the door and heard muffled moans of Aria. Her face immediately flushed, and she felt a weird sensation between her legs.

She couldn't help but touch her to stop the feeling, but it only got worse.

'What's this? What's happening to me?' she asked. 'And... Aria is moaning...'

She swallowed nervously and muttered, 'The Aria, who is always haughty and never says good things, is moaning so shamelessly.'

Before Victoria could even realize it, she had started touching herself.

'I wonder what kind of face she is making right now.' Victoria looked at the knob and muttered, 'If I twist it and open the door, I will see it. I will see what type of Face she is making and what Zach is doing with her. What position are they in, and why are the moans muffled?'

'Do they know I am here? I did knock on the door, but what if they are lost in the pleasure and didn't hear it?'

There were so many questions going on in Victoria's mind, but the only thing she cared about was seeing them.

'Should I open the door? I will just say I knocked on the door a couple of times, and I entered after hearing no response. That's a real reason, and I am not even lying.'

After pondering for a while, Victoria had made up her mind. She was going to enter the room.

She twisted the knob a little and heard footsteps from behind. Baffled, she let go of the knob and turned around to see Ninia standing there.

"What's wrong?" Ninia asked with a puzzled look on her face. "You said you were going to call them, so why are you still here?"

"Well..." Victoria had no idea how to answer. She didn't want Ninia to catch Zach and Aria making love in the room, on the church ground.'

"And why is your face flushed? Are you alright?" she asked with a concerned look on her face.

"Yeah... I am..." Victoria kept glancing at the door knob while talking, which made Ninia suspicious.

"What's going on? You are acting strange," Ninia asked impatiently.

"Uhm..."

Ninia walked past Victoria and twisted the knob after saying, "If you are not going to call them, then I will."

"Wait!" Victoria tried to stop her, but it was too late.

Ninia had opened the door.
