

GODS' IMPACT 361

Chapter 361 Night Time- Right Time

Zach got up from the bed and walked to the door with Ninia, but before he could open his chamber door, Ninia tucked his clothes from behind.

"Hmm?"

"Can you..." she squirmed left and right and said, "Can you kiss me one more time?"

"Sure..." Zach gave a passionate kiss to Ninia and left the room before her.

Aria, Victoria, Noah, and Alina were already at the table, seemingly waiting for Zach and Ninia to arrive.

"What were you two doing?" Aria asked with a suspicious glare in her eyes.

"I will fill you up later."

After eating dinner and talking, everyone went to their respective chamber. But Zach couldn't sleep, so he decided to head to the girl's chamber.

He left his chamber and made his way to Aria's chamber, but she was fast asleep.

"Well, I was planning to go to Victoria's room anyway."

He walked to Victoria's chamber and opened the door, but it was locked from the inside.

KNOCK~ KNOCK!

He gently knocked on the door and said, "It's me."

A few seconds later, Victoria slightly opened the door and asked, "What happened?"

"Can I come in?"

"Sure..."

Zach entered the room and sat on the bed.

"Were you sleeping?" he asked.

"I was about to."

"Are you... well, do you want to have sex?"

"Wow. Didn't think you would come out so directly," she chuckled.

"I have been thinking about it for a while, and I didn't want you to feel that I am neglecting you. We have time right now, so we should cherish it. Who knows, when will be the next time we will get to spend time together. So I thought if you wanted to... you know, have some fun," he uttered with an awkward smile on his face.

"I mean... yes. But... I am afraid." She sat on the bed beside him and muttered, "Our first time wasn't exactly one would call pleasurable."

"Don't worry. I will do it better this time. I swear. I have learned many sex skills and I now know how to satisfy a girl. I even made someone like Aria moan shamelessly, so I think you will also surely, definitely, enjoy it," he said with a grin.

"I will trust you."

"So... are you stripping, or do you want me to strip you?"

"I will strip."

Victoria took off her clothes and revealed her naked body to Zach.

"Wow. It's just as I remembered. You truly look stunning when you are naked..."

Victoria squinted her eyes and said, "So are you saying that I don't look like one when I am wearing clothes?"

"Your figure is perfect. But when you wear clothes, it doesn't look the same. I am not saying you don't look good in your clothes. Everything about you is obviously just fantastic!"

"You have gotten a lot better at these lines, huh?"

Zach also stripped and got on the bed, but his gaze suddenly fell on the door, and he asked:

"Did you lock the door?"

"No..."

Zach hurried to the door and locked it from inside.

"I am glad I noticed. Or imagine someone walking on us having sex. If it was Aria or even Ninia, it would have been okay. But we can't let the kids see us. It's too early for them."

Zach touched Victoria's breasts and gently squeezed them before sucking on top of them. While Victoria stroked his snake.

"Say... do you want me to use my mouth?" she asked with a slight smirk on the corner of her lips.

"Last time I asked, you turned me down saying 'Such stuff is not necessary', and we jumped straight to the sex without any foreplay," Zach remarked.

"Yeah. Maybe that's why we couldn't enjoy it. We ignored the first rule of sex; that is, both partners enjoying it."

"Do you know how to suck it? It will be your first time too."

Victoria shrugged her shoulders and said, "You know I also put something in my mouth such as candies, my thumb, my lips, the inner side of my cheeks. So I am pretty confident at sucking your dick."

Victoria grabbed Zach's snake in her hands and glanced at Zach with a soft glare in her eyes. She opened her mouth and uttered:

"You better not make fun of me if I do it wrong."

She licked the tip of his snake and kissed it before sucking it like a popsicle. She moved her lips up and down without moving her head and played with the tip. A few seconds later, she engulfed his entire snake in one go and began to move her head up and down.

"Mnh~" Victoria made a noise while sucking.

The slurping sound had filled the room, and Victoria showed no sign of stopping.

After a few seconds, she stopped while staring into Zach's eyes and uttered, "Can you... place your hand on my head and..."

"Oh? Seems like someone has watched too much porn," Zach teased with a soft scoff.

"I am a modern teenage girl. And what's wrong with watching porn? It teaches us so many things about sex," she remarked.

Zach placed his hand on her head, and Victoria smiled slightly before plugging her mouth with his snake.

His hand moved up and down every second, but he thought it would be funny to tease her and began pressing her head down whenever it moved up to control Victoria's head movement.

Victoria had been looking into his eyes ever since she started, but when Zach moved her head, her gaze narrowed, and she glared at him— although her face seemed delighted.

"I am going to cum soon!"

Victoria ignored Zach's words and continued sucking his snake. But when his snake began to twitch, she decreased her speed but increased the time she was keeping his snake in her mouth so she wouldn't miss the shot.

Zach tried his best to hold it as he didn't want that feeling to stop, but a minute later, he shot everything inside Victoria's mouth while jerking his hips a little.

He saw Victoria's mouth getting filled and her cheeks getting puffed.

"Wow. This is indeed a blissful sight to my eyes."

Chapter 362 Victoria's Cave Exploration

Zach watched as Victoria tried to contain his milk in her mouth. He wanted to see what she do with it without giving her any instruction.

Victoria stared into Zach's eyes and waited for him to say something, but after receiving no response, she grabbed the cup from the table and spat everything in it.

"Wow..." he couldn't help but mutter that.

"What? You didn't tell me what to do!" she retorted.

"You just said a while ago that you are a modern girl who watches porn. You should do what girls do after they get their mouth filled with the milk," Zach commented.

Victoria squinted her eyes and said, "They do some stupid acting and spit it out."

"I... can't refute that.." he sighed.

Victoria looked at the cup and glanced at Zach from the corner of her eyes before asking, "Did you want me to drink it?"

"Not really. But... yeah. Then again, I didn't want to force you to drink it, and knowing you; you would have most likely drank it because you didn't want to make me upset." He shrugged his shoulders and said, "Didn't you say there should be a mutual understanding between both partners?"

"Actually... I was going to swallow it as I was sure you would like to see that. But it was too much, and I was choking on it so—"

"It's fine. You will get a lot of chances to drink again. Not to mention, your physique is now strong enough to handle my essence inside your body. It might even help you boost your physique drastically," he stated calmly.

Victoria lay naked on the bed and said, "You can start now."

"Well then, let's start with eating you out." Zach got between Victoria's legs and began to lick her cave.

"Hey! What are you— Anh~" she moaned. "What are you doing?!"

"I am eating your pussy," Zach replied in a muffled voice as he started eating Victoria's cave.

"Don't— nnn~ Don't do that. It's dirty~"

"You sucked my dick earlier. So what's wrong with me sucking your pussy. Besides, I never get a chance to do this."

Zach slowly inserted his tongue inside Victoria's cave, but he didn't force it too much. He let him go until it could and started moving it.

However, that was too much for Victoria, and she ended up orgasming with a loud moan.

"Aanmh~!" she filled the house with her moan.

Of course, Zach quickly covered her mouth by placing his lips on her lips. It was late at night, and everything was silent; even the slightest noise could wake one up.

"Don't yell so loud!" He whispered in her ears. "I don't want Aria and Ninia to bang on our doors."

"Are you afraid if they catch us?" Victoria asked with a judging look on her face.

"Not in the slightest. But if they catch us, we might have to stop, and I... want to fuck you for the rest of the night."

"I... don't think I would last that long..."

"We will see."

Zach grabbed his snake and rubbed it at the entrance of Victoria's cave.

Victoria closed her eyes and clenched the bedsheet so she could take out her pain without letting out a grunt of pain.

"I am going in."

"Hmm."

Zach slowly inserted the tip inside Victoria's cave and made his way in as it explored and widened it until it reached the stop.

"Are you in...?" she asked.

"Halfway, yeah,"

She opened one eye and said, "Just thrust it in one go. I feel like a kid waiting to get injected."

Zach took a deep breath and uttered, "Alright. This might hurt you a little so endure it."

He thrust his into Victoria and plunged his snake deeper into her cave.

"Amnh!"

He raised his brows and asked, "Was that a moan of pleasure or pain?"

Victoria finally opened both her eyes and said, "What do you think? You are experienced in this field, right?"

"Okay then. I will check it first before answering."

Zach once again thrust his hips and waited for Victoria to moan, but she didn't. However, judging by the look on her face, it was evident that she was enjoying it.

"Anh~ Anh~ Mnh~ Nmnh~" Victoria moaned uncontrollably as she experienced the pleasure of getting railed by the mighty snake.

It had been a few minutes since they both indulged in their love session.

Now that Zach could hear Victoria's sweet moans and see the orgasmic look on her face, he felt more excited to keep railing Victoria.

"Anh~ Wait—anh~ What's going on~? How could something like this feel so good? You are simply moving your penis in and out of me, so why—Anh~ No~ Stop~ I can't think straight~ You are making me go insane~"

It was Victoria's first time experiencing true pleasure; understandably, she was scared too. She was feeling something she had never felt before, but she didn't want it to stop.

Her first time was painful, and she even got unbearable stomach pain when Zach released his essence inside her without knowing the risk. But now, everything was different.

"What's happening to me~? Why is my body suddenly turning so hot~?" Victoria began moving her hips up and down. "Why is my body moving on its own~? What did you do to me~?"

Victoria's comments seemed so oblivious and innocent that Zach felt like he was taking advantage of her.

"I have watched enough porn, but I never knew it could feel this good. If I knew this, I would have approached you to have sex with me after my stomach pain and subdued. I missed so many opportuVictoriaes in my life, but I am glad to have you with me," she said with a gentle smile and a flushed face.

Zach grabbed the two bouncing mountains in front of him and squeezed them gently before pinching the nipples simultaneously.

"No~~! Don't do that~ Don't play with my body like this~!"

"Do you feel good?" Zach asked with a smirk on his face.

"Yes~ Yes~! It feels incredible ~ Please don't stop until I pass out~"

"That would be a problem for me." Zach grabbed Victoria's waist and increased his speed after saying, "If you pass out, I won't get to hear your sexy moans."

Chapter 362 In a Closed Church Chamber

Zach raised Victoria's body by her waist and aligned his snake and her cave perfectly in a straight line. Then, he slowly began to move his hips back and forth.

Victoria covered her mouth with her hands as she could no longer hold her loud moans and didn't want anyone to hear them.

After a few thrusts, he increased his speed and thrust his hips like before.

"Aanh~ Mmh~ Nhhm~!" Victoria removed her hands from her mouth and submitted herself to Zach.

Her breasts bounced up and down, and Zach was barely holding his urge to squeeze them. He let go of Victoria's waist and squeezed her soft mountains, but Victoria's hips were still raised.

"Harder~ Harder~ Make a mess out of me~ I have never experienced this pleasure before, and I don't want it to stop~ Please use my body until you are satisfied~ This feels so much better than our first time~"

"I do. I am going to cum soon. Where do you want it? Should I creampie you?"

"No~ You can't cum inside me~"

"Why not? You will get a lot of benefits with your physique too."

"If you shoot inside me, the same thing will happen again. I don't want to be bedridden by that pain."

"Don't worry. That won't happen."

"Do you promise?"

"Yes. And if it does happen, we already have Ninia and Aria to heal you in no time. But seriously, it won't happen. You are no longer a normal mortal."

"Then do it..."

Zach humped Victoria for a few more seconds and released his load inside Victoria's wet cave.

"Amnh~!"

After releasing all the shots, he slowly pulled his snake out of Victoria's cave and stuffed it into her mouth. Victoria reacted to it by wrapping her lips around it and sucking it.

She swallowed the remaining milk from his snake and smiled at Zach.

She puckered her lips and said, "It didn't hurt, and it... tasted good too..."

Zach pinched her nipples and asked, "Are you ready for round two?"

"Huh?" Victoria's smile vanished from her face as she asked, "You want to do... more...?"

"Obviously." Zach shrugged his shoulders and said, "There is no way I will be satisfied with only one round. I finally got my hands on you. I want to make you feel much better!"

Victoria slowly sat up and gulped down anxiously before dragging her hips back.

"It's already too late. I think we should end it here. You should also leave before someone suspects us. What if they heard my moans?"

Victoria turned around on all fours and tried to get off the bed, but Zach grabbed her from behind and plunged his snake inside her cave in one go.

"No~ If your dick stays inside me for even one more second, I will go insane~ You will break me~"
Victoria's legs and hands gave out, and she dropped lazily on the bed.

She had orgasmed as soon as his snake returned for the second round.

Zach raised Victoria's hips and grabbed her by the waist as he pulled her body back and forth while thrusting his hips accordingly.

.

The pleasure had gone over her head, and she was literally flying above the clouds. The only thing she could feel at that moment was getting plugged up by Zach's snake.

"Aanh~ Aamnh~ Deeper~ Go harder~" she moaned loudly.

"Oh?" Zach smirked from the corner of his lips and asked, "What's wrong? Gave in so easily already?"

He teased playfully.

"I don't care anything about anymore~ Fuck me until I pass out~ And if anyone catches us, you will be the one in trouble~!"

After railing Victoria from behind for a few minutes, he released his fresh, hot load inside Victoria's malnourished cave.

"Mnmnh~~!" She clenched the bedsheet tightly as her cave got filled with hot milk. However, she had no idea what had happened.

Zach kept his snake inside her cave and slowly wriggled his snake to paint his milk inside every corner of her cave.

"That felt so good," she said with an orgasmic look on her face and smiled in satisfaction.

Zach smirked and asked, "It seems you have gotten used to it."

"I don't think I can get enough of this feeling..." she said while drooling.

"Time for round three."

Victoria thought Zach was done, but he hadn't even started yet.

"Wait, no..." Victoria covered her leaking cave with her hands and said, "Let me take a rest. I am so sensitive right now."

"There is no rest for the wicked." Zach squeezed Victoria's breasts and kissed her on the lips. After a few kisses, he said, "How about you get on the top this time?"

"No way. I am scared."

"There is nothing to be scared of. Think about it, you were scared a few minutes ago when we hadn't started, yet, you were moaning with a satisfied face. It will feel better if you do it by yourself," he said calmly.

"Since when did you become so good at sweet-talking with people?" Victoria sat up and remarked with a judging look on her face.

"Practice makes one perfect."

Victoria got on top of Zach and pointed his snake at the entrance of her cave.

"..."

Zach waited for Victoria to sit down so his snake could enter her cave, but she didn't.

"Uhh... what are you waiting for?" he asked.

"I am scared...."

"I see. Let me help you. " Zach grabbed Victoria's hands and said, "Look me in the eyes."

Victoria looked into Zach's face with an anxious look on her face. While Victoria was lost in Zach's eyes, Zach suddenly thrust his hips up and plunged his snake inside Victoria's cave.

"Anh~!" She moaned again as Zach turned on his engine. "I~ Hate~ You~ Why would you do that!"

"Why are you so cute when you are meek? Dammit! " Zach smirked and began to thrust his hips up and down. "I might fuck you for the rest of the night!"

"Mhn~!"

Chapter 363 Love Making Sessions

"Mnh~ Anh~ Amh~" Victoria's breasts bounced up and down with every thrust as she tried her best not to fall from the top of Zach.

"Do you like getting drilled in this position?" Zach asked.

"Shut up~ I am angry at you~ You fooled me once again and betrayed my trust."

Her breasts bounced with each thrust, following her soft moans and her face that tried to hide the embarrassment.

"Heh!"

"Mnh~ Nmnh~ Yes~ I can't get used to this feeling~ I want it deeper~ Go harder~"

Victoria's words were acting as an aphrodisiac to Zach's ears.

"I still don't understand~ How could something like this feel so good~? And why does the first time hurt~? If only it was this pleasurable for our first time too, we wouldn't have broken up~"

"True."

"We might not even have logged into this game."

"That's a possibility. I don't want to say we broke up for good, but if we hadn't, I wouldn't have met Aurora and the other girls..."

"But hey, everything happens for a reason. We broke up, and we became mature. We learned things we never knew we had to learn."

"Yeah."

"Mnh~ Anh~ Yes~ Yes~ Yes~ Keep going~!"

"I have been doing all the moving since we started. Even when you are on top of me, I am doing most of the moving while you are only enjoying getting drilled. How about you move now?" he asked with a knowing look on his face.

"I... don't know how to..." she said while averting her gaze, seemingly, she already knew but was playing dumb for some reason.

"Move your hips back and forth while I thrust mine up and down. You will feel much better, you modern city girl~!"

She did as Zach asked her to do, and she couldn't help but appreciate for being born as a girl and for being his lover.

After a few minutes, she noticed Zach's snake was twitching inside her cave, so she asked:

"Are you going to shoot~?"

"Yes. Brace yourself."

"Don't shoot it inside me! My pussy will definitely flood with your milk!"

"I already shot it twice, though."

"That's why I am— aanh~!"

Zach released his load inside Victoria's cave and watched the orgasmic look on her face, seemingly, she had also orgasmed with him.

"Amnh~!"

She dropped on top of Zach and uttered in a meek voice, "You have filled me up completely. If you pull your dick out, my pussy will leak."

"Let's go take a bath together before anyone wakes up," Zach suggested.

"I don't think I can walk after this..."

"I will carry you."

"Okay~"

Victoria thought Zach was kind enough to care about her that much, but she had no idea that she had walked right into his trap. She was like a sheep sleeping in a lion's den, thinking it was the safest place as no one would dare to enter the lion's cave, even in his absence.

However, she didn't know that it wasn't the lion she needed to fear, it was the cave itself.

After Zach took Victoria into the bathroom, they washed each other's bodies and dirtied them soon after. Zach repeatedly filled her up, again and again, sometimes in her cave, sometimes in her mouth.

They continued it with no sense of time and spent the entire night making love to each other without sleeping a wink.

Victoria was reluctant at first as she was scared of getting caught, but she couldn't say no to the heavenly pleasure. Deep down, she didn't want to stop.

She loved Zach and wanted to show her love to him with her body. She did things she had never imagined in her dreams. She threw away her shame and got lost in the love-making activities.

KNOCK~ KNOCK~

However, they were interrupted by the knock on the door.

Victoria stopped riding Zach and looked at him with an anxious look on her face.

"What now?"

"Of course, this has to happen. It has become a cliché now," Zach sighed.

Victoria was freaking out for no reason, so Zach carried her with his snake still inside her cave and gently pushed her against the wall.

"Nmh. Mnh! Anm!" Victoria bit Zach's shoulder to muffle her moans.

KNOCK~ KNOCK!

"Argh!" Zach groaned in frustration and asked, "Who is it?"

"That voice... Master Zach, is that you?"

"Noah? What are you doing here? Go back to bed. If you want to pee, then do it outside," Zach said while humping his hips into Victoria.

"I wanted to take a bath," Noah replied.

"Bath? At this hour? I don't think it's wise to take a bath at midnight in such cold weather."

"What are you talking about, Master Zach? It's already morning."

"..." Zach opened his menu and saw it was 6:09 AM.

He smiled at Victoria, who was trying her best to hold her moans, and said, "We have been at this for nearly eight hours."

"Master Zach? Did you say something?" Noah asked.

"Ah, yes. Can you wait for a few minutes? I just got here, and I want to have a relaxing bath."

"Okay! I will wait outside!"

"Mnh!" Victoria moaned as her eyes widened. She shook her head as though she didn't want Noah outside.

"It will take a while actually, maybe around ten minutes or so," Zach said to make him go away.

"I can wait!"

"How about you go take a jog outside? Running in the morning is good for your health. You are young, so developing such habits at this age will surely help you a lot in the future once you grow up. One day, when you will look back to this day, you will remember me and thank me for giving you this advice."

Even though Zach gave Noah profound life advice, his all focus was on Victoria and her body.

"Okay, Master Zach. I will take a quick jog around and return in around ten minutes!"

"Anh~" Victoria finally let out a moan and said, "Let's finish this~"

Chapter 364 Yet Another Revolution

"Mnh~!" Victoria moaned while kissing Zach on the lips.

Even though Zach had said he would be done in ten minutes, they were still going at it.

"I orgasmed two times since Noah left, but you are still not done~!" Victoria said while moaning.

"Since this is the last round. I want it to last as long as possible."

"But he will come back!"

"Let him. I will just send him away again."

After a few minutes, there was another knock on the door.

"See~?"

"Master Zach, you are still not done?" Noah asked.

"Uhh... yeah. I decided to relax for a few more minutes. How about you go and jog around the garden one more time?"

"Okay!"

PHEW!

Victoria squinted her eyes and said, "You are making him run for no reason."

"How rude. I am making him strong. In fact, this is nothing. I trained hard till I was seven years old."

"You are you, and he is he. And here you are making him run because you want to keep fucking me~"

"Oh? Then do you want me to stop?"

"No~!" Victoria wrapped her legs around Zach and said, "Keep fucking me and release the biggest load inside me~!"

Zach increased his speed and thrust his hips fast like never before. He squeezed Victoria's breasts that were bouncing up and down with every thrust and grinned after looking at the orgasmic look on her face.

She had been moaning and feeling so good all this time that she could no longer moan. The only thing she was looking forward to is to get her cave nourished by Zach's fresh and hot milk.

"Yes~ I am going to cum again~!" Victoria kissed Zach on the lips after saying, "Let's cum together~!"

She could feel Zach's snake vigorously twitching inside her cave. She prepared herself for the biggest load of the day. She was excited, and her cave got tighter just by imagining what it would feel like.

After a long minute of continuously drilling his snake into Victoria's cave, he released his load inside her cave and hugged her tightly.

"Aanh~!"

Victoria let out a loud moan that surely echoed in the entire church, and Zach hoped that it didn't wake up the girls.

"I am pulling out," he said in a calm voice.

"Wait. No. Don't pull out right now!" Victoria pulled Zach close and said, "I am so sensitive right now. And even the slightest movement will make me orgasm again."

"Oh?"

"Yes. So don't move until I say so."

"Alright. As you say. I won't move."

"Thank you—"

"Is that what you thought I would say?" Zach smirked at her with a haughty look on her face.

"...!" Victoria's face turned pale after hearing that, and she knew what was going to happen next.

Zach began moving his hips back and forth at full speed and enjoyed the reaction on Victoria's face.

"Nnh! Mnh!" Victoria was glaring at Zach with teary eyes, but her cave was tight as ever, and she was still wrapping her legs and arms around his waist and neck.

"Dammit! Your pussy is twitching with every thrust. Do you feel good?" he asked with a grin.

"I~ Hate~ You~!" she said with a flushed face.

Zach continued railing Victoria for another five minutes and stopped.

"Okay." He stretched his hands in the air and said, "Let's go now. Noah must be returning at any minute."

"Wait.." Victoria grabbed Zach's hand and said, "I can't walk. My legs and pussy have gone numb..."

"It's not hurting, right?" he asked with an anxious look on his face.

Zach was afraid to hurt Victoria as the incident of his first time with her still haunted him.

"No. It doesn't hurt. I just... it feels tingly, and my legs will probably give out if I try to walk," Victoria responded.

"How will you walk to your room then?"

"You will have to carry me."

"What if someone saw us leaving the bathroom together?"

"Well..."

Victoria lowered her gaze, but it fell on Zach's erect snake.

"Why are you still hard...?" she asked with a confused look on her face.

Zach shrugged his shoulders and said, "I am still in the mood."

"Even after all that?" she exclaimed in shock. "And you know what, I am actually glad that you have a harem. Otherwise, I don't think a single girl would be able to go through this every single day and night."

"Yeah. My libido is godly."

Victoria bit her lips and said, "Does that mean you are still not satisfied?"

SIGH!

Zach hugged Victoria and kissed her on the lips before saying, "I am more than satisfied. The situation is just so exciting that I can't calm down."

"You can use my body if you want..." she said in a low voice.

Zach flicked his finger on Victoria's forehead and said, "You can't even walk properly and still want to offer your body so I can use it? Where is the Victoria I once knew that always nagged on every little thing."

"I have changed."

"Please let some things stay alive in you. You can't lose the charm of your personality. And I won't either."

"Hmm."

"Now. I cannot carry you to your room because— first of all, you are naked, but you can wear your clothes with just one click. Second of all, it's already morning, and the girls might be awake. There might also be injured players outside, so it's a bad idea."

"Then how am I going to leave?" she asked anxiously.

"I have got an idea."

Zach opened the portal to Aria's domain and said, "Go in."

Victoria opened her menu and equipped her clothes before stepping into Aria's domain. Zach closed the portal and equipped his clothes before leaving the bathroom.

He glanced around to see if Noah was there, but he wasn't.

"Well, ten minutes haven't passed yet."

He casually walked his way to Victoria's room and closed the door.

PHEW!

"That was easy. If I knew I wouldn't run into anyone, I wouldn't have sent Victoria in the domain."

Zach opened the portal to Aria's domain, and Victoria walked out, but as she couldn't walk properly, she tripped as soon as she stepped forward.

Luckily, Zach was there to grab her.

He carried her to the bed and said, "I didn't let you sleep for the entire night. Take some rest."

"Hmm." Victoria grabbed Zach's hand and said, "It was really fun. Thank you for the amazing night."

Zach looked at the portal and raised his brow in amusement.

'Why didn't I realize it sooner?' He took a deep breath and muttered, "If Victoria was able to move from the bathroom to her room using Aria's domain. Does that mean I can also use the same technique to bypass the level requirement to ascend to the higher realms?"

'If yes, then Victoria and Aria would have no need to clear the dungeons or level up 100. I can ask them to enter Aria's domain and ascend myself to the second main realm. From there, I will open the portal again and bring them there!'

Zach has found a major loophole that was once again going to bring a revolution to Gods' Impact— after his first revolution, which was the invention of the MP potions.

Chapter 365 New Plans

Zach left Victoria's room and sat at the first pew near the altar. He was now changing his plan as he had found a revolutionary strategy to bypass the level requirements.

Previously, he had planned that he would keep on ascending alone and keep the girls safe in the lower realms. Of course, he planned to return every night.

He wanted to treat the ascendance as a job where he would leave every morning and return every night. However, now that he had found a way where they would be together all the time, he couldn't be happier.

After making a plan and a few backup plans, Zach walked to Aria's chamber, but she still seemed asleep. He went to Ninia's chamber, and she was also sleeping with Elina on the bed beside her.

'They are still sleeping. Well, yesterday was a big event, and they did all the things by themselves. I will let them sleep. The same goes for Victoria. She must be tired, and I spent the night with her in such a state...'

Zach was just like Victoria when it came to worrying about each other. Even when he reassured her, he couldn't do the same to himself.

"Hmm..." he hummed in wonder and thought, "Maybe I should make breakfast for them? They will be happy."

"Absolutely not!" Aria yelled from behind him.

Zach turned around and remarked, "That's the first thing you say after waking up instead of a 'good morning' or a good morning kiss?"

"That can come later." Aria grabbed Zach's hand and dragged him out of the kitchen while saying, "We both know how much you suck at cooking."

"But I just wanted to help."

"Oh, I am sure you do. But if I let you make breakfast, you will do more good than bad."

"What's that supposed to mean?" Zach raised his brows and said, "And hey, I am not that bad at cooking, okay?"

"What I am trying to say is 'while you are trying to help us, you will just make things worse and end up troubling everyone.'." Aria shrugged her shoulders and added, "I am just doing you a favor."

"But I can at least watch you from close, right?"

"From afar."

"Okay."

Aria washed her hands and face before heading back to the kitchen.

"What do you want to eat?" she asked.

"Anything is fine."

"Wow." Aria rolled her eyes and sighed before saying, "Thanks for the answer."

A few minutes passed, and Aria had just begun to make breakfast. Zach slowly got near her and hugged her from behind.

".....!" Aria jolted in surprise and tried to break free from Zach's grip. "What do you think you are doing?!"

"Giving a nice and warm hug to my lovely wife?"

"Right. I am sure you are going to pull some pranks. Please let me make breakfast peacefully."

Zach hugged Aria even tighter and whispered in her ears: "We seem like a couple on a honeymoon."

"What's a... honeymoon?" she asked with a curious and confused look on her face.

"Uhh... that's... well, it's like a vacation a couple goes to spend time together after getting married. But a couple can go on a honeymoon at any time they want, so there is no specific time limit. Or so... I think."

Zach explained while swinging Aria left and right in his embrace.

"Then you must be planning a big honeymoon with all the girls in your harem," Aria commented.

"You bet."

Aria turned around and hugged Zach. She placed her ear on his chest and listened to his calm heartbeat, which sounded forceful for some reason.

Amidst that, she took a deep breath and sniffed his scent, only to smell a different smell on him.

"You smell like... Victoria..." she said.

"Wow. Even though I took a bath, you can still recognize the scent, huh?"

Aria squinted her eyes and uttered, "Now that I think of it, why were you awake so early in the morning?"

"I... didn't sleep."

"Hmm?"

Zach moved his face close to Aria's ears and said, "Victoria and I fucked like crazy for the entire night."

"Seriously...?"

"Yeah. She went to bed a few minutes ago."

"I don't know what to say. But I am happy for her. I am sure she was waiting for her turn as well."

"Aurora might be pissed if she learns of this. I am sure she will insist me to fuck her even in that condition," he sighed.

"Don't you do anything to her."

"Of course, I won't."

"Now. Get out of here, and let me make breakfast."

"Is there anything I can do? I want to help you."

"Nothing. Just wait. Oh! Yes, actually. How about you order the demons to clean this place?"

"..." Zach stared at Aria with a judging look on his face.

"What? Did I say something weird? And you were the one who wanted to help."

"I mean... you are asking the demons to clean a church. That's hilarious and ironic at the same time," he scoffed softly.

CLAP~ CLAP!

Zach clapped his hands and said, "You heard the lady. Get to work."

Lower-ranked demons appeared from the shadows and dark corners of the church and knelt down in front of Zach.

Zach pointed his finger in a certain direction and said, "You will find all the tools required to clean this place."

The demons nodded and rushed to clean the church.

Zach turned to Aria and asked, "Anything else?"

"There is one thing I want to confirm. But we will talk about that later when we are alone."

"We are currently—"

"I know, I know. But not right now. How about you wake up Ninia and Elina?"

"I can do that."

"Victoria will be sleeping for the rest of the morning and at noon, so I won't make food for her. If she wants to eat, take her out for dinner or something," Aria suggested.

"Today, I will mark all my followers with my Sigil. And I am going to fight the realm boss later. Then, I still have to take care of one thing."

Zach walked to Ninia's chamber after saying, "You girls should pack your bags to leave this realm soon."

Chapter 366 Waking Ninia Up

Zach knocked on Ninia's room, but he received no response, so he went inside. Elina and Ninia were still sleeping on the bed, and Zach wasn't sure whether he should wake them up or not.

Sure, he had come to wake them up, and he could wake Ninia up without any problem. But waking Elina up was a different matter.

'She is a 14-year-old girl and is probably in her rebellious phase. I don't want her to misunderstand the situation and get weird ideas,' he uttered inwardly.

Now that Zach had his own religion and he had thousands of players as his followers, he had to maintain his proper image in public. Even if a false rumor spread around the realm, he would lose many followers, and his name would be defamed.

Zach decided to wake Ninia up, but she was sleeping on the other side of the bed that was touching the wall, and to wake her up, he had to climb on the bed.

SIGH!

He walked to the other end of the bed and tapped a few times on Ninia's leg without calling her name.

A few taps later, Ninia slowly opened her eyes and closed them again. But her sleep vanished when she noticed Zach was in her room.

She sat up on the bed and said, "Lord Zach! Why are you here?!"

"Shhh!" Zach placed a finger on his lips to ask her to keep quiet. He pointed his gaze at Elina and said, "You will wake her up."

"What are you doing here? Is everything alright?"

"Yes."

Ninia's face suddenly flushed as she averted her gaze a few times before finally making an eye contact with him. She squirmed a little and asked:

"Are you perhaps here to do the night activity? We can't do it here since Elina is sleeping. Please wait in your room, I will be there soon."

"..."

"I need some time to prepare myself."

"What are you talking about?" he whispered. "I am here to wake you up. It's already morning!"

"Heh." Ninia smiled at Zach and said, "Now is not the time to joke, my Lord. Go wait in your room, I will... wait..."

After noticing the serious look on Zach's face, she realized he wasn't lying.

"It's really morning?!" she exclaimed. "Oh, my Lord. What have I done? I didn't wake up on time for my duty! I have committed a major sin! Please, forgive me, master Zach. I am ready for any punishment!"

"Calm down. You are literally yelling. You will wake her..." Zach glanced at Elina and found her eyes open. "Oh, she is awake."

Elina sat up on the bed while rubbing her eyes and asked, "What's going on? Why are you here?"

"It's morning. Wake up. Aria is making breakfast. You should get ready in the meantime," Zach said to her in a calm voice.

"Oh... okay." Elina got off the bed and said, "I did feel like I slept a lot today."

She stretched her arms in the air and yawned loudly, which made Ninia yawn too.

After fixing her hair and clothes, she left the room and walked to the bathroom to wash her face.

But her face was red as a beet.

'What was that?!' she yelled inwardly. 'They were talking about dirty stuff, weren't they?!'

Elina had woken up right after Ninia woke up. And she heard everything Ninia had said to Zach.

Even though it was a misunderstanding on Ninia's part, and it was resolved quickly, the damage was already done.

'I don't understand Zach's relationship with the girls. But it seems that everyone likes him. Even Ninia, who is a nun; a sign of purity and innocence, was ready to do dirty stuff with him.

But since he is a God and Ninia serves him, it's understandable? What's a nun's job anyway? They devote their lives to their God, which, in this case, is Zach. Does that mean Ninia already belongs to Zach?'

Elina decided to stop thinking and washed her face.

Meanwhile, things were getting awkward in Ninia's room.

"I... should I also leave."

Ninia hurriedly got off the bed and rushed to the door, but Zach got there before and closed it before locking it.

"What are you doing? I need to leave. I can't let Aria use this event as an excuse to tease me when we fight the next time," Ninia said while backing her steps from Zach.

'She is a total opposite of Selene. I thought that Ninia was just a small part of Selene's personality change, and it would be possible for her to regain Ninia's memories, but now I am afraid that's not possible.'

"Master Zach, I need to leave," Ninia repeated herself.

"Then go. I am not stopping you," he shrugged.

"But you are standing at the doorway, and it is locked."

Zach stepped aside and said, "Go."

Ninia gulped down anxiously and hesitantly walked to the door. She slowly walked a few steps and then suddenly dashed to the door.

She successfully managed to unlock the door, but just as she was about to open it, Zach grabbed her from behind and hugged her tightly.

"...!"

"What's wrong? Why did you stop?" Zach felt her body and whispered in her ears.

"Because... you are holding me..." she said while weakly trying to break free from Zach's grip. Seemingly, she didn't want to but was acting to do so.

Zach slowly moved his hands from Ninia's waist to her breasts and squeezed them gently before rubbing his cheek on her cheek.

"Master... you are touching my..."

"Hmm? What's wrong?" Zach turned her around and pushed her against the door before pressing his lips on her lips and locking them together.

"Not.... right now..." she managed to utter between the kisses.

After a few kisses, when Zach stopped for a second, Ninia looked into Zach's eyes and said: "I suddenly don't feel like leaving this room."

Chapter 367 Tasting Nun

Ninia wrapped her arms around Zach's neck and said, "How could you do such things to a nun who is the sign of purity and holiness?"

"Is that so? Then I must be punished for the terrible sin I have committed. Please punish me."

Ninia brought her face close to Zach's ear and whispered, "Daddy~"

"...!"

She then kissed him on the lips and pressed her body against him.

"Whoa~ Someone's being a little aggressive all of a sudden," Zach remarked.

"I am not. I am doing what I always wanted to do. Whenever I looked at you, I imagined how it would feel to touch you, to hold you, and to kiss you.

Of course, I knew that I was having unholy thoughts, but a nun's duty is to devote her soul, body, and everything to their god. You are my god, so having any sort of thoughts about you is nothing but a way of worship."

Ninia said with a grin on her face.

"Is that so? Then how come you never made moves on me?"

"You were always surrounded by either Victoria or Aria, so I never got a chance. Besides, I was afraid of what you might think of me."

"Come to think of it, you did tempt me a lot and forced me to look at you... holy body. Like the time when I woke up from my slumber and found you sleeping beside me. And then, when I fell on top of you, you didn't show any discomfort."

There are many other small things. Now I know why Aria and Victoria were jealous of you. I thought they were overreacting, and you were simply showing your devotion to me as a prophet of my religion, but who knew you had such ulterior motives."

Zach failed to notice Ninia's advances as he never looked at her that way. But it was until Ninia eventually managed to seduce her that he began to look at her as a love interest.

Still, even when Ninia harbored such feelings for Zach, she didn't know the name of that relationship. It was obvious to anyone's eyes that she was in love with him, but she herself wasn't aware of it.

Perhaps one of the reasons was that she thought of Zach as her God, not a man. Still, Zach knew it was the gods' doing, and the NPCs were restricted from experiencing feelings such as love.

Zach sat on Ninia's bed, and Ninia sat on Zach's lap.

"Am I heavy?" she asked.

Zach didn't bother to reply and showered her lips with kisses. Their tongues intertwined and salivas got mixed with each other. While their mouths were busy kissing, Zach moved his hands to Ninia's breasts and squeezed them gently after poking to her nipples.

Ninia was wearing her nightgown, which was thinner than her usual nun outfit. When Zach had touched her breasts the last time, she was wearing her nun outfit, but since she was currently in her nightgown, the sensation of her breasts felt much softer.

It was the same for Ninia. Zach's touch was making her thrilled, and she was getting touched at the places she had never touched herself.

After a few kisses, Zach pushed Ninia onto the bed and unbuttoned her dress.

"It's embarrassing..." she said while covering her breasts.

The rest of the dress was still on her body, but the main view was visible, and Zach's eyes were feasting on it.

"Is my body to your liking?" she asked hesitantly.

Zach pointed his gaze at the bulge in his pants and said, "Do I need to say it out loud?"

He touched Ninia's bare breasts and couldn't resist the urge to suck them. They felt different from any others he had touched so far.

'Is this the physique of an elf?' he wondered.

"Your body is perfectly carved. It's exactly how I wanted you to be, and I am happy to say that you have far exceeded my expectations."

"I am glad you liked it." Ninia spread her hands and said, "It's all yours. Do whatever you want with it."

Zach licked his lips and sucked her nipples for a while before moving to the main dish— to drink the juice from the forbidden cave.

Ninia was enjoying the pleasure, and she had no idea what Zach was going to do. After touching her cave and rubbing his thumb over her full-sleeved panties, Zach took them off and touched them directly.

"So soft..."

He inserted his finger into her cave, which was so tight that he felt like his finger would get crushed between her cave walls if he didn't pull it out.

"Mnh..." Ninia let out a soft moan, but her face showed signs of pain.

"Are you okay?" he asked calmly.

"Yeah." she nodded and said, "I felt like I was stabbed by a rod, and it was tearing me apart."

"That's the best description I have ever heard."

Zach rubbed his thumb on Ninia's clit and played around with her cave to make it wet. Then, he licked it and said, "Time to taste you."

"My Lord! What are you doing?!" Ninia suddenly sat up and said, "That place is dirty. Please don't do such things. You don't have to make me feel good. You should only worry about your own pleasure."

"Oh, shut up. If you ever say that again, I won't talk to you."

"Nuu!"

"And weren't you the one who said, 'My body is all yours. Do whatever you want with it.'? So I am doing whatever I want, and you can't stop me."

"But what if you get sick by licking that nasty place?"

"Shhh! You are a nun, the sign of purity and innocence. So every part of your body is ever pure and sweet. Now, let me enjoy your taste and allow me to feed on it."

Zach licked and sucked Ninia's cave for a few seconds before inserting his tongue inside.

"Anh~"

Chapter 368 Forbidden Juice

Zach ate Ninia's cave and pleased his ears with her moans until they both were satisfied. It didn't take Ninia to get into the mood and enjoy the pleasure.

She even used her hands to press Zach's head against her cave so he wouldn't stop.

"Please don't stop~" she moaned.

After hearing that, Zach smiled from the corner of his lips and continued eating her out.

"Something is coming~"

A few seconds later, Ninia orgasmed, and Zach drank her forbidden juice from her cave.

"Did you feel good?" Even though Zach already knew the answer, he wanted to hear it from Ninia's mouth.

However, she was unable to answer as she was still trying to fathom the pleasure of the orgasm she had just experienced.

Her face was flushed red, and her eyes were barely opened while her body was completely relaxed. It was almost as though she had passed out, but she hadn't.

She took heavy breaths as her stomach moved up and down, with her breasts moving a bit with every breath.

"It felt good..." she said while facing the other side.

"Look at me and say that."

Ninia slowly turned her face to Zach and locked her eyes with him. She opened her mouth but didn't say anything until she saw Zach squint his eyes.

"It felt good."

"Wow. That was so emotional." Zach got on top of Ninia and kissed her on the lips a few times before moving down and sucking her breasts.

"These breasts always appealed to me. Whenever I looked at you, my gaze first fell on them, almost as though they were inviting me to touch them, to feel them, to squeeze them, to suck them."

He said while sucking and pinching her nipples.

"Daddy, is this really okay?" Ninia asked hesitantly.

"Hmm?"

"You are a God. Are you okay with doing such activities with someone lowly like me?"

Zach bit her nipple and said, "Don't lower your self-esteem. You are the most important in my religion. For instance, I wouldn't mind losing all my followers and worshippers; I would never want to lose you. I can get as many followers as I want, but I cannot get you. No one can replace you."

'Not even Selene...' he added inwardly.

"What Aria and Victoria would be against this. What about Lady Aurora? If she gets to know that I seduced you with my—"

"Aurora is the last person you should worry about. She wouldn't care, honestly. I don't think Victoria would mind too. But Aria... well, you two always fight, so maybe she will pass some remarks before acknowledging you as a harem member," he responded calmly while playing with her breasts.

"I have no intention of joining your harem." Ninia played with Zach's hair and said, "I don't think I am qualified. So even if Aria doesn't acknowledge me, it doesn't matter. As long as you can use my body and satisfy yourself in need, I am content."

"If I truly wanted to fuck someone only to satisfy myself, then I would go to Aria and Victoria. They would be more than happy. I am with you because I want to be with you."

"Ninia, listen." Zach held Ninia in his arms and said, "I know you understand all this. The concept of love is non-existent in the NPCs. The petty gods had made sure that the players couldn't coexist with the NPCs and start a family in the game.

But I will change that. Once I find a way to turn the NPCs into players, all the restrictions the NPCs have should permanently be removed. And once that happens, you will realize how much I love you."

Ninia smiled at Zach and kissed him on the lips. She took off his shirt and rubbed her fingers on his chest to feel his manliness.

"Since you made me feel good. It's my turn now." She placed her hand on the bulge under Zach's pants and said, "I don't know what to do, so you will have to teach me."

She brought her face close to his ears and then added, "Daddy~"

"Not going to lie, every time I hear you call me daddy, I get this... wild urge to push you down and ravage you like an animal."

Zach got off the bed and stood in front of Ninia while Ninia stayed on the bed and pulled down Zach's pants, revealing his erect snake.

"Wow~!" She chirped with awe.

"Heh!" Zach chuckled and said, "That's a reaction I would expect from a girl seeing a dick for the first time."

"What should I do now?" she asked eagerly.

"Try touching it," Zach advised.

Ninia slowly moved her hand to his snake and touched it, but she retracted her hand when his snake twitched.

"Eek! It's moving!"

"It's because your hands are cold. Grab it again and stroke it up and down," Zach instructed in a calm voice.

"O...okay..." Ninia moved her hand to Zach's snake and grabbed it with her hand. Then she grabbed it with her other hand.

"..." Zach watched Ninia with a smile on his face and muttered, "I can't believe this is truly happening. When I met you for the first time in this church that night, I would have never imagined we would be doing this one day."

"I am glad you feel that way." After a brief pause, she said, "Even though I am grabbing it with both my hands, there is still enough space left for a third hand and the tip too." Ninia admired Zach's snake size and uttered, "Is this a normal size in your world?"

"Uhh... no. And let's not talk about this."

"What should I do now?" Ninia asked with an innocent look on her face.

"Start stroking it at your pace."

Ninia nodded meekly and started stroking Zach's snake up and down with her both hands. After some seconds, Ninia began to enjoy it and increased her speed.

"Am I doing it right?"

"Yeah. You are doing great. Just keep going."

Chapter 369 Nun's Mouth

"What should I do now?" Ninia asked while stroking his snake up and down.

"Suck it with your mouth."

Ninia gulped down nervously and slowly opened her mouth to kiss the tip of his snake. Then, she licked on the sides and made it wet.

"It's so big. I don't think it will fit in my mouth," Ninia remarked.

"Don't worry about it. Just suck as much as you can. No need to force yourself. It's your first time, after all," Zach instructed in a calm voice.

Ninia nodded and opened her mouth to suck it. However, she only managed to take the tip in her mouth.

"My mouth won't open anymore..." Ninia said with Zach's Snake still in her mouth.

"Heh!" Zach chuckled and said, "You have to move your head up and down and use your hands to stroke it too. You will get used to it. Just take it easy. We have so much time."

Ninia started stroking it up and down with both hands and used her saliva to make it wetter so it could get slippery. She used her mouth to suck it up and down.

After a while, Ninia got used to it, and she increased her speed. She was able to take 1/3rd of Zach's Snake in her mouth without any sign of struggle on her face.

Zach could see Ninia's cheeks bulging when his snake hit the sides.

"You can stop if your jaw hurts and take a break," Zach uttered with a concerned look on his face.

Ninia shook her head and stopped for a few seconds before pulling his snake out of her mouth and saying, "It just feels like I am eating a big bite which is hard yet soft at the same time. I can't chew on it but only suck it."

"Uhh... yeah."

"And for some reason..." Ninia touched her cave and said, "I feel good when I suck it, and I feel like sucking it more. But I can't move my head further, so I want you to move my head."

"Alright."

"Just don't force too much. I don't want to choke on it," she added.

She sucked the tip and gulped his snake. After sucking as much as she could, she nodded at Zach and gave him a signal to move her head.

Zach placed his hands on Ninia's head and said, "I cannot know how much you can take in, so make a sign when you want me to stop."

Ninia nodded and continued sucking Zach.

"Since it's your first time, I don't expect you to be crazy good at it. I am already feeling more than good, and just the fact that a nun is sucking my dick... that alone is enough for me to cum right now."

Zach slowly began to move Ninja's head back and forth with his hands. After a while, he gradually increased his speed and forced his snake into her mouth.

Zach could feel the tip of his snake hitting Ninia's throat.

"Wow, you can take half of my snake without any problem." Zach was surprised at how fast Ninia was learning things. "Even Aurora and Aria took a while to get used to it. While Victoria didn't bother trying her hard. She was just focused on making me feel good."

Suddenly, Ninia's teeth bit his snake, so he looked into Ninia's eyes and asked, "Are you okay?"

His snake was still in her mouth, and she continued sucking it without replying to Zach's question, as though she was trying to say she was okay.

"Wait..." Zach raised his brow and asked, "Could it be that you bit me on purpose?"

Ninia averted her gaze in response.

"I see. So you are jealous that I am talking about other girls," Zach smirked from the corner of his lips and said, "I have never seen the angry Ninia. Maybe I should tease you more so you will get angry, and I will see a new side of you."

Ninia once again playfully bit his snake.

"Should I tell you how amazing Aria's pussy was? Perhaps, you would like to know how Victoria moans when I hit her sensitive spot?" he teased Ninia jokingly.

Ninia bit his snake again, but this time a little less playful than before.

Zach was dying to see angry Ninia. Sure, he had seen her yell at Aria and Victoria, and she had even yelled at him when he did reckless things, but that was different. She was angry for Zach's sake and had never been furious for personal reasons.

Zach wanted Ninia to let out all of her emotions. He had once broken the restriction on Ninia, and she ended up regaining all her memories and her true personality. However, Zach wanted Ninia and Selene to coexist together and become one person.

The only way he could think of was to make Ninia experience all types of emotions.

You have been biting me for a while now. It is time for your punishment," Zach uttered with a gentle smile on his face. His words and facial expression were different from each other, but even Ninia knew that Zach was simply joking.

"Well then, I will be a little rough now."

Zach started moving Ninia's head back and forth with a uniform motion, but he also started moving his hips back and forth.

He thrust his hips into Ninia's mouth while pulling her head back and forth with her long, pointy elf ears. Then, he increased his speed and started deep-throating Ninia but made sure not to force it too much. After some thrusts, he was about to cum, so he let go of Ninia's head and let her move at her pace.

However, that was a mistake. Had he let go of Ninia after shooting his milk in her mouth, it would have ended there. But as soon as he let go of Ninia's head, the door of her chamber suddenly opened, and Aria walked in.

"Zach. Breakfast is ready. How long—" She stopped when she saw Ninia was already having Zach's long snake as breakfast.

"...!"

Chapter 370 Holy Water

"..." - Zach.

"..." - Ninia.

"..." - Aria.

Zach simply needed ten more seconds, and he would have released his holy water inside Ninia's mouth. But now, he may never get another chance.

"How did you..." Zach glanced at the open door that was still shaking after it was opened. "How did you enter this room? I was sure I had locked the..."

He stopped on his words and let out a weary sigh as she shook his head at Ninia.

"You didn't lock the door again?" he asked.

Zach's snake was still in her mouth, and even though she had stopped moving her head, she was still sucking it.

She slowly pulled it out from her mouth and said, "I might have forgotten to lock it."

"..."

Zach finally jerked his head to the side and looked at Aria, who was staring at them in disbelief.

"Is breakfast ready?" he asked.

SIGH!

Aria shook her head and uttered, "I expected something like this to happen eventually, but I never expected for it to actually happen! Come on! Why did I have to be the one to catch you two?!"

"That's what you are angry about?"

"I don't really care what you do with who. Even if you slept with a random NPC or your worshiper. But I have no interest in knowing my husband's sex tales. So long as you do it behind my back and I never find out about it, it doesn't matter. However, I do get jealous when I see it happening in front of me!"

"You can always pretend that you didn't see anything," Zach remarked.

"Well, that's impossible to do if the first thing I see after entering the room is your dick in her mouth."

Zach raised his brow and asked, "No offense, but you don't seem angry. You just look... err... annoyed?"

"I was making breakfast for you outside, waiting for you to come so we could have some alone time, but you were busy with the mother of your religion," she commented. "Anyway, I am not angry. But tell me the details later."

"Hmm?"

"You two were always close, but you only thought of Ninia as a prophet of your religion. So what's with this sudden development? Wait..." After briefly pausing and glaring at Ninia, Aria continued, "Don't tell me you two were always a thing."

"No. Of course not. You know I never hide if I fool around with a girl."

"Yeah..." Aria squinted her eyes at Ninia and uttered, "You serpent. You finally managed to seduce my husband, huh?"

Ninia hugged Zach and said, "He is my God, and my relationship with him is more significant than a relationship between a husband and wife."

"Yeah, yeah." Aria rolled her eyes and said, "Just finish it and let him cum. I don't want to be labeled as an annoying harem member who didn't let him cum."

Ninia and Zach stared at Aria for a few seconds as though they were expecting something to happen.

"What are you waiting for? Start sucking him!" Aria yelled.

"Wait, you are going to stay here and watch us?" Ninia asked with a flushed face.

"Aww~ Look who is suddenly embarrassed," Aria teased.

"You catching us was different, and watching us is another. Obviously, anyone would be embarrassed if a person with no manners doesn't know how to give private space to someone," Ninia remarked with a judging look on her face.

"Oh, wow. Look who is suddenly talking about manners." Aria furrowed her brows and said, "You are the one with no manners. You are the one who made moves on my husband. And you are the one who doesn't have any shame."

"Uhh... can you two fight later because the mood is really turning me off. And if you two continue this for any longer, I don't think I will be able to cum soon," Zach quipped.

Aria shrugged her shoulders and said, "Don't look at me. Tell that to Ninia. I already gave her my permission to suck you off and make you cum, so I can finally have breakfast with my husband."

Zach turned to Ninia and said, "Continue, please. I really want to cum. I couldn't cum earlier either with Victoria because she had reached her limit. And I truly don't want to get blue balled twice in the morning."

"I want to continue, but please ask her to leave. It's embarrassing, even for me."

"Argh!" Aria walked toward Ninia while saying, "Get away from him. I will suck him off and make him cum."

"No! I will do it!" Ninia immediately plugged her mouth with Zach's snake and began sucking it.

She glanced at Aria from the corner of her eyes, and her face flushed a little. However, she didn't stop and began moving her head.

"A girl who can't satisfy a man doesn't deserve to stand beside him," Aria stated.

"I wouldn't go that far." Zach shot a smile at Aria and said, "I don't love a girl for her bed skills."

"I just said that to miss her off~" Aria groaned.

Ninia ignored everything and focused on making Zach feel good. Even if Aria's words didn't hit her as she intended, she wished to satisfy Zach.

After a while, Zach's snake began to twitch inside Ninia's mouth, and her eyes widened.

"I am cumming!" Zach let out all his milk into Ninia's mouth. After the last shot, Ninia's cheeks were puffed because her mouth was full of Zach's milk.

"This scenery again... it never gets old..." he uttered and patted Ninia's head. "You can spill it out. I don't expect you to swallow it on your first time."

Ninia shook her head and started swallowing it slowly. Zach's snake was still in her mouth, and she was sucking it while swallowing his holy water.

Once Zach released every single drop of his milk into Ninia's mouth, he pulled his snake out from her mouth and watched Ninia with an amused expression on his face.

Ninia chewed on Zach's milk as though she wanted to savor the taste. Her puffed cheeks eventually turned to normal, and Ninia swallowed everything without spilling a single drop out.

"How was it?" Zach asked with a mischievous grin on his face.

Ninia licked her lips and smirked before glancing at Aria from the corner of her eyes. She kissed the tip of Zach's snake and responded, "Your holy water has cleansed me."
