

The Godsend Trio – My Terrible yet Heartwarming CEO Husband

Chapter 145

Chapter 145 I Prepared a Stand-in

“What?”

Amelia looked at Adrian’s tall figure and stern side profile. She wondered if she had misheard.

This man is even more handsome than Flynn. How can he be Flynn’s stand-in?

Furthermore, he is going to be the stand-in for a kissing scene?

Is this man insane or have I gone mad?

She bit her lower lip and went to stand beside Rory. “Did I mishear?”

“No.”

Rory narrowed her eyes. She looked at Cathy’s face and secretly gritted her teeth.

“Damn it.”

“I should have found a stand-in for the kissing scene too.”

Amelia was jealous as she looked at Adrian getting his makeup done. “She gets to play the leading role alongside Flynn and act in a kissing scene with an even more handsome man. Why does she keep getting all the good things!”

“It may seem like a good thing for her at first glance.”

Rory glanced at Cathy resentfully sneering. “But who knows what will happen in the end.”

Amelia did not know who the stand-in was, but Rory recognized him easily.

He was the man Karen desired.

Before she started as an actress, she worked for Karen for some time.

At the time, Karen kept trying to get pregnant with Adrian’s baby and forced him to marry her.

Unfortunately, Karen was a promiscuous girl from an urban village before Andy brought her to his family.

She had undergone too many abortions and became barren. In the end, she had no choice but to...

Rory secretly took a photo of Adrian’s back profile and sent it to Karen.

Soon, Karen messaged in reply: Why are you with him?

Rory smirked upon seeing the message.

Who would have known that I would be working with Karen again about this man after so long?

...

Once the makeup artist finished applying Adrian’s makeup, Cathy had also finished touching up her makeup.

“Don’t you have an important meeting?”

Cathy stood beside Adrian and whispered as the crew were busy preparing for the filming.

Adrian answered nonchalantly, “I canceled it.”

He canceled it?

Cathy pursed her lips. “But... Wasn’t it an important meeting?”

“Yes.”

Adrian smiled charmingly. “It was an important meeting. The meeting was to discuss planning and operation of the branch company in Europe for the next quarter.”

“Since it was important, why did you cancel it?”

Cathy frowned in confusion.

Although she knew nothing about business, she could see how important that meeting was.

Adrian has always been a workaholic. Why would he cancel that meeting?

“Work is important.”

Adrian glanced at Cathy affectionately. “But I didn’t want to keep you waiting.”

I didn’t want to keep her waiting.

Furthermore, I don’t wish to see her filming a kissing scene with another man.

Cathy rolled her eyes.

Does he not know which is more important?

Although my scene is important, I have discussed it with the director, and he agreed to delay it to the afternoon.

But what about his meeting?

Our country is in a different time zone from Europe. Furthermore, his schedule is always full. Now that he canceled this meeting, when will he be able to replace it?

Adrian seemed to have read her thoughts. He smiled and said, “Don’t worry. Someone attended the meeting for me.”

Cathy frowned and asked, “Who?”

“Abner.”

Cathy widened her eyes in shock. “Abner?”

“Yes.”

Adrian shrugged nonchalantly. “Could you be thinking the same as Arius? Did you assume that Abner has no special talent other than being talkative?”

“That’s not true.”

“Arius has a high IQ, but he is not good at interpersonal communications. He prefers to seclude himself to do things he is interested in.”

“Abner is intelligent too and can understand most of my work documents. Furthermore, he has a good understanding of business.”

“Unfortunately, he is mischievous and lazy. He would always find ways to avoid the tasks I assigned him.”

Cathy was rendered speechless.

She never knew Abner could be so capable.

He is truly Adrian’s son... I never knew Abner can be so brilliant.

Meanwhile, in Bolton’s villa.

A five-year-old boy looked unusually small as he sat in a large chair. However, his sense of authority did not pale to anyone in the video conference.

He wore a Bluetooth earpiece and listened to people presenting their reports to him.

“There is a discrepancy between the report and the form. Although I’m not sure where went wrong, I believe my father would ask you to redo the report.”

“There are many issues with this market research, and the survey sampling is too concentrated. Since I find issues with it, my father would surely be dissatisfied with it too.”

“Don’t think that you can trick me because of my young age. I have read the document you mentioned just now.”

...

The high-ranking executives broke out in cold sweat throughout the meeting.

Our boss’ son is no less astute and brilliant than his father.

He is only five years old!

I don’t dare to imagine how he would be once he grows up.

However, a few people also noticed something strange.

They noticed that Abner kept wearing a Bluetooth earpiece throughout the meeting.

The things Abner said were not something that an ordinary five-year-old could understand. Therefore, the only possible explanation was that someone was directing him through the earpiece.

He did not think up the things he said, but the person directing him in the earpiece did!

However, they did not know that the person speaking through the earpiece was...

“Arius went to read a book after teaching me a code. He’s ignoring me.”

“I’ve also played with the wooden blocks several times and typed codes three times. When are you coming back? It’s so boring here...”

Abner smirked gleefully.

Hah! Although Ariel may appear to like Arius, she can’t stand it after I left for a while.

I win this round, Arius!

...

“Actors, get in position!”

After a long wait at the film set, the filming finally began.

Adrian had an eye-catching appearance and looked very different from Flynn. Therefore, the director and the cinematographer took a long time to find the right angle.

Then, Cathy and Adrian stood face to face at the center of the set.

Adrian looked handsome while Cathy was beautiful. They looked good standing together.

They looked like a beautiful couple from afar.

On the other hand, Amelia sat sullenly away from them and stuffed a strawberry into her mouth. “Flynn, I think you might as well shoot the kissing scene yourself.”

Previously, when Amelia found out that Flynn wanted to use a stand-in for the kissing scene, she gloated at Cathy. She thought that a new actress like Cathy did not deserve to perform a kissing scene with Flynn.

Now, she found out that the stand-in was even more handsome than Flynn. Thus, she could not help but feel jealous.

What did Cathy contribute to this world that she gets all the good things?

Flynn leaned into the chair and scrolled through his phone disinterestedly.

He did not look up even after hearing Amelia. Instead, he smiled and said, “I wish to film the kissing scene too, but I don’t have a chance.”

However...

He glanced at the delighted expression on Adrian’s face.

Although Adrian was Cathy’s husband, Flynn did not plan to let Adrian have his way easily.

When the director was about to start filming, Flynn suddenly stood up and said, “Director!”

“A producer has the right to request an actor to use a stand-in, isn’t it?”

Director Zach was stunned for a moment. “Yes.”

“I’m also one of the producers.”

Flynn sent Adrian a challenging glare before saying, “Therefore, I request to use a stand-in.”

Flynn was clearly trying to complicate things.

Director Zach frowned in confusion. “Don’t you already have a stand-in?”

“I question the actress’ acting skills.”

Flynn gestured with a smile. An actress stepped out instantly. She had a similar height, figure, and jawline as Cathy.

“Therefore, I hired a stand-in for the female lead.”

Then, he glanced at Adrian smugly. “The male stand-in can kiss the female stand-in.”
