

The Godsend Trio – My Terrible yet Heartwarming CEO Husband

Chapter 146

Chapter 146 Cut Cathy Shaw Out

Flynn’s words caused a ripple effect.

The crowd at the scene was stirred up.

Amelia, who was enjoying the drama, laughed heartily. “Flynn, I was curious why you were so calm. Turns out that you’ve been waiting here!”

Cathy wanted to tackle two handsome men at once. But look at what happened!

In the end, she could neither shoot a kissing scene with Flynn nor the handsome male stand-in!

Flynn crossed his arms around his chest and glowered at Adrian defiantly. “This gentleman, the stand-in I have found is more professional than you.”

“No matter in terms of height, figure, or jawline, she looks exactly like Cathy Shaw.”

“Besides, you do not look like me in any way. You do not qualify as my substitute.”

The man’s words made Adrian blue in the face instantly.

He narrowed his eyes and stared at Flynn coldly. “Are you sure you want to provoke me like this?”

Flynn smiled lightly. “You were the one who provoked me first.”

Filming was a regular job, and kissing was always a part of it.

Adrian used his status as a producer to interfere with his work and deprived him of the opportunity to be intimate with Cathy. Of course, he would not let him get his way.

“Mr. Bolton, don’t blame me for not reminding you.”

“I’m a producer like you too. At the same time, I’m the main actor in this film.”

Flynn smirked. “Now you have two choices.”

“One, not use a stand-in. Let me and Cathy act.”

“Two.”

He pointed at the female stand-in beside him. “You act with her.”

After Flynn finished speaking, he turned to look at Director Zach. “Am I right, Director Zach?”

“Both of us are producers. You cannot have double standards.”

Director Zach pretended to be calm. He coughed lightly and turned to Adrian. “Mr. Bolton, this…”

Adrian crossed his arms around his chest and stared into Flynn’s eyes with a hint of playfulness in them. “Mr. Jasper gave me two options.”

“But I’ll tell you now that…”

The man sneered and pulled Cathy into his arms. “I’m not choosing either one.”

After he finished speaking, he grabbed the back of Cathy’s head and kissed her fiercely.

The man’s kiss took Cathy out by surprise. It was sudden and domineering.

Cathy froze for a moment. Then, her body softened as she melted under his kiss.

It was the first time they had kissed in public. Cathy thought that she would feel embarrassed and shy.

But the truth was…

She actually enjoyed it.

The woman unconsciously wrapped her arms around his neck. Her body softened like a puddle of water.

Everyone on the set was stunned.

The videographer quickly turned on the camera and recorded the act.

In the warm and dreamy set, Adrian had a hand on the back of Cathy’s head, and another on her waist. He was kissing her domineeringly.

On the other hand, Cathy kissed back submissively.

This scene was just absolutely beautiful.

Director Zach stared blankly at the act before him and sighed, “What a perfect match…”

He did not know why but he could feel happiness and love in this kissing act between Adrian and Cathy.

Flynn frowned hard. Jealousy, sadness, and helplessness were evident in his eyes.

Ariel was still waiting for him to marry this woman so she could be her mother.

The man sighed.

It seems that I have to work harder in order to satisfy this little girl’s dreams.

“Mr. Jasper?”

Amelia frowned. “Why are you not stopping them?”

Flynn turned his head and glanced at her. “Why should I?”

“They are kissing!”

Amelia looked unhappy.

Didn’t they agree on Cathy kissing Flynn, or letting the stand-ins kiss each other?

Why isn’t anyone stopping them?

Now Cathy is going to be so happy!

She did not graduate from a film school and was just a stand-in. She did not have any background either. What on earth did she do to have such luck?

“Why don’t you go then?”

Flynn rolled his eyes at her and ignored her.

Amelia pouted. She glanced at Director Zach and the videographer. In the end, she did not have the guts to stop them.

She stomped her feet fiercely. Then, she threw her arms angrily and turned to leave.

Rory, who stood behind her, giggled softly as she put away her phone. Then, she chased after Amelia.

After coming out of the studio, Amelia glared and kicked the big willow tree by the roadside fiercely.

She was enraged!

The female lead of this film was originally hers. But when the cast list was about to be set, Director Colin had supported and recommended Willow to be the female lead.

She had no choice then but to be the second female lead. She kept persuading herself that this was a normal phenomenon. These were the unspoken rules in the entertainment industry. She should feel lucky enough to be able to star in a film with Flynn Jasper.

But she had not expected that Cathy, a stand-in, would be the female lead of this film instead of Willow!

Why is this woman so lucky!

She could not even film a professional kissing scene. Yet, she had such a handsome man to act with her!

She had the chance to film flirtatious scenes with Flynn Jasper. Now, she’s even filming a kissing scene with a handsome guy!

The more Amelia thought about it, the angrier she felt.

“Amelia, stop kicking.”

Rory pulled her. “Doesn’t your foot hurt?”

“Not at all!”

“Even if your foot doesn’t feel the pain, the tree will.”

Rory chuckled lightly and took out her phone. She sent Amelia a video and said, “Look.”

Amelia frowned and looked at the video.

It was a shot of Cathy and Adrian kissing on the set.

Both of them had their eyes closed. Happiness was clearly written all over their faces…

Amelia was furious once more. She immediately turned off her phone and demanded, “Why are you showing me this?”

Does she feel that she wasn’t angry enough?

“Of course, it’s to calm you down.”

Rory grinned at Amelia. “Look.”

“Although someone was filming this scene, that man is a stand-in. No one knows who he is.”

“But my video is different.”

She took out the video and pointed at Flynn in it. He looked cold and unhappy. “Mr. Jasper, the male lead, is watching the female lead kissing someone who isn’t an actor.”

“If this spreads out… wouldn’t it be interesting?”

Amelia did not understand. “What’s interesting about this?”

Rory rolled her eyes.

So stupid.

But she still explained it to Amelia carefully. “Different people will have different perspectives of things.”

“Mr. Jasper’s fans might think that this actress disliked his kissing. So, she refuses to kiss him.”

“Others might suspect that this actress’ acting skills are too inferior that she isn’t fit to film with Mr. Jasper.”

“Or perhaps, some might think that she isn’t a suitable female lead. See, she even needed a stand-in for a simple kissing scene…”

Rory’s words made Amelia come to her senses instantly.

That’s right!

Since Cathy was alright with being so high-profile on the set, she will help her publicize it!

Amelia took out her phone and sent the video to her manager. “Cut Cathy Shaw out of the entertainment industry!”
