

The Godsend Trio – My Terrible yet Heartwarming CEO Husband

Chapter 147

Chapter 147 If You Can't Beat Them, Join Them

“Both of you look so good together!”

On the film set, the director replayed the video of Adrian and Cathy's kissing scene. He could not help but sigh and said, “Miss Shaw, if I didn't know that you are single, I would have thought both of you are a couple!”

Cathy blushed upon hearing him.

She pursed her lips. “Actually...”

“That's not totally impossible.”

Adrian interrupted Cathy calmly and looked at her. “You should remove your makeup.”

Cathy glanced at the time and saw that it was almost lunchtime. Then, she looked at her makeup in the mirror and nodded. “Lunch at one o'clock?”

Adrian smiled and answered, “Sure.”

“I'll go remove my makeup.”

Cathy smiled happily as she turned around and entered the dressing room.

She did not have lunch with Adrian for a long time.

They could never find time to have lunch together. One of them would always be too busy to make it.

Adrian smiled warmly when he saw how Cathy anticipated their lunch together.

Rory recorded their interaction from afar and sent it to Amelia.

Since we have decided to teach Cathy a lesson, we need to cause a huge uproar!

Amelia immediately uploaded the videos Rory sent onto the Web.

“A newbie actress disregarded Flynn Jasper and insisted on having a stand-in for a kissing scene.”

“She treated the stand-in to lunch after filming. What secrets are Cathy Shaw hiding from us?”

Previously, Willow and Xavier also posted scandalous news about Cathy on the Web. However, Cathy was still a nobody at the time, while Willow and Xavier had little standing in the film industry. Therefore, the news did not attract too much attention and discussion.

Therefore, very few people talked about Cathy then.

However, things were different this time.

The news now involved Flynn, one of the most prominent actors in the film industry.

Thus, many of Flynn's fans began scolding Cathy on the Web.

Haters made nasty remarks against Cathy.

Soon, Arius's software began to fail.

In the small study room, Arius wiped the sweat from his brow and glanced at Ariel. “Your Uncle Flynn has so many fans?”

“Of course.”

Ariel rolled her eyes. “Uncle Flynn is the best in the film industry!”

Then, she pursed her lips and said, “Are they too much for you?”

Uncle Flynn has many fans.

I have also tried to fight against them.

But later, I realized...

No matter how sophisticated the software I wrote, it can't stop millions of people from posting their opinions.

Now, Arius finally gets to experience it.

Ariel changed to a more comfortable position on the couch and said, “I can call Uncle Flynn and ask him to help clarify the matter publicly.”

“His fans will do as he says.”

Arius pursed his lips.

He did not want Cathy to have anything more to do with Flynn.

If he let Flynn come forward to clarify the matter, Cathy would be owing Flynn a favor.

It meant that Cathy would have more interactions with Flynn. Arius did not want to give them opportunities to become closer.

Therefore, Arius called Adrian on his phone.

“Daddy, have you seen the news? I can't stop it.”

“What should I do?”

Adrian frowned and took out another phone to check the Web.

He saw the news Arius was talking about.

Many websites had posted videos of Cathy and his kissing scene.

There were also many posts analyzing the video showing Cathy inviting him to lunch.

It was something that Adrian should be concerned about, but somehow, he felt excited about it.

Is this how I look when kissing Cathy?

It was his first time seeing himself kissing Cathy from a spectator's point of view.

Oh, I can be a little more passionate here.

I can hug her tighter here too...

“Daddy...”

Arius said after Adrian did not respond for a long time. Then, he sighed and asked, “Are you listening?”

Adrian finally came out of his daze.

He cleared his throat calmly and said, “Since you can't deal with it, you don't have to do anything.”

“If you can't beat them, join them.”

Arius furrowed his brow. “What do you mean?”

“I think the number of views for these videos can grow higher.”

“I look handsome in these videos.”

Arius was rendered speechless.

Is that why he did not answer me for a long time? Was he admiring his own appearance?

Arius rolled his eyes. “But this kind of news is detrimental to mommy.”

Arius did not want to have to rely on Flynn on this matter. Therefore, his only option was to call his father to suppress the news before Flynn could do anything.

“Whether it is good or bad depends on how you see it.”

Adrian smirked as he enjoyed watching the video of him and Cathy kissing.

“People scolded and criticized her because they don't understand the truth.”

“What if they find out that Cathy and I are married?”

“If Flynn's fans knew that I did this for the benefit of the three of us, would they still be angry?”

Arius thought for a moment before saying, “I understand.”

Is daddy going to use this matter as an excuse to reveal his relationship with mommy?

As his son, why would I not support that?

“I will go along with your plan.”

After hanging up, Arius took a deep breath before typing at his computer again.

Ariel wondered what happened.

She looked up from the couch at Arius and said, “Arius, are you writing a code?”

“Yes.”

Arius nodded.

Since he had to join Flynn's fans and turn the public opinion to favor his parents, he needed to change his codes.

“Don't waste your time.”

Ariel pouted and said, “You can't defeat Uncle Flynn's fans.”

Arius looked at the computer screen and smirked. “Who said I want to defeat them?”

...

Cathy finished removing her makeup and walked out of the film set. Suddenly, her phone rang.

It was a call from Quinn.

Cathy frowned and wondered why Quinn called her. Is something wrong?

However, before she could answer it, a well-formed male hand snatched her phone away.

Adrian pressed to reject the call and put the phone in his pocket. “I want you to enjoy having lunch with me, and not neglect me by chatting with your best friend on the phone.”

Cathy did not know what to say.

When did I ever neglect him by chatting with my best friend on the phone?

However, she knew that Adrian was determined to have things his way. If she did not have lunch first, she could never hope to get her phone back.

Therefore, she could only sigh and leave the film set with him.

Somehow, Cathy felt that people were looking at her strangely since she came out of the dressing room.

Even Director Zach was more quiet than usual.

Cathy furrowed her brow. I know I don't look as pretty without makeup.

But I couldn't have looked that bad. Why does everyone seem so sullen?

As she was still thinking, Adrian brought her to a nearby restaurant.

Cathy glanced at a nearby TV after ordering food.

Suddenly, her body stiffened.

The TV was showing Adrian and her kissing scene!
