

The Godsend Trio – My Terrible yet Heartwarming CEO Husband

Chapter 151

Chapter 151 I Have Always Been an Unloved Idiot

The reporter was frightened by Adrian’s threatening glare. He took a step back and said, “No, no other question.”

Adrian glanced at the people before him with a chilling gaze. “Does anyone else have any questions?”

The other reporters exchanged glances among themselves, but no one dared to say anything.

“Since there is no more question.”

Adrian cleared his throat and looked at the camera as if he was in control. “Cathy Shaw is my wife. Therefore, no one is allowed to disturb her without my permission.”

Those words may seem to be directed toward netizens who criticized Cathy baselessly. In actuality, he was warning Flynn, Karen, and everyone who wished Cathy harm.

It did not matter what anyone was planning. No one can hope to touch Cathy as long as he was by her side.

Everyone broke into a fierce applause.

Then, the recording of the press conference ended.

Next, the projector showed a recording of Arius and Abner standing side by side.

Both of them were standing against a white wall and smiling towards the camera.

Abner said, “Mommy, I hope you don’t mind daddy being a little old-fashioned. He put in a lot of effort to prepare this romantic confession.”

Arius said, “Although the way he confesses may seem cringy, it is not easy for Mr. Adrian Bolton to fall in love at his age.”

Then, Abner added, “So mommy, have you guessed why we are doing this recording?”

Arius said, “It is because this old man is too shy to confess his feelings. Therefore, he dragged us both into this.”

Then, Arius and Abner exchanged glances before sighing helplessly.

Abner pulled out a banner from behind him. He and Arius each grabbed an end before unrolling it gradually.

There were words written in yellow on the red banner:

‘Adrian loves Cathy.’

Cathy was touched to the point of tears, but she could not help but laugh when she saw the banner.

She leaned back with laughter and turned to glance at Adrian. “Did you ask them to prepare this?”

A vein was pulsing on his forehead.

He had no idea that Arius and Abner recorded this video.

His face turned stern in protest. “I did not.”

I did not ask them to do this!

Although he felt that his confession was not romantic enough, he would never ask Arius and Abner to record such a video.

They were saying nonsense.

“I expect Mr. Adrian Bolton would be too shy to admit. He would say that he didn’t ask us to prepare this.”

Abner sighed and continued, “Mommy, you have to get used to it. He has always been like this and is too shy to voice his feelings.”

“However, we can see that he loves you madly. He even told us that he is willing to reveal his relationship with you. However, he does not wish to cause you trouble.”

Arius nodded in agreement. “Mr. Adrian Bolton is clearly trying to stop more men from approaching you.”

“Mommy, he is romantic in an old-fashioned way.”

“Do you now feel his love for you?”

The video finally came to an end.

The projector stopped and the lights came back on.

Cathy’s eyes were stained with tears, but she had laughed so much that her cheeks ached.

Initially, Adrian seemed a little unhappy.

However, Cathy looked so adorable laughing that he could only sigh.

After she had laughed enough, Adrian pulled her into his embrace. He wiped her tears gently with his fingers and said, “Was it that funny?”

“Yes!”

Cathy pouted and bravely clung her arms around his neck. “Hubby.”

She had rarely called him that.

Previously they did not have feelings for each other, so it did not feel right to call him ‘hubby’.

Later, she got used to calling him by his name, so she felt too embarrassed to call him something else.

However, she felt that she should call him ‘hubby’ tonight.

“Yes, dear.”

Cathy’s coy voice softened Adrian’s gaze.

He hugged her and said, “Good girl.”

His voice was magnetic and charming.

His embrace felt warm and comforting.

Cathy leaned into his embrace. She wished to say something but could not bring herself to say it.

After hesitating for a while, she finally looked up at him with eyes bright like crystals. “Thank you.”

Thank you for all you have done for me.

Before marrying him, she had never thought that she would experience his tenderness.

Now, everything felt like a dream.

“Why are you thanking me?”

Adrian patted her head gently. “You are my wife.”

It is natural for me to do everything I can for you.

However...

“I wish to clarify something.”

“I didn’t ask Arius and Abner to film that video from just now.”

“I did not know anything about it.”

I’m not that old fashioned!

Cathy’s expression stiffened for a moment.

He said he did not ask Arius and Abner to film that video.

Does this mean...

She looked down and whispered, “I understand.”

He is good to me because he is my husband.

It is only out of his sense of responsibility as my husband.

Perhaps he might like me.

But he does not love me...

As she thought about this, her initially excited heart began to harden.

After a while, she sniffled and said, “Don’t worry.”

“I won’t mistake it to mean that you love me.”

“I think it is good the way we are now.”

I must not wish for too much.

Everything I have now is already beyond my expectation.

I should learn to be thankful for what I have.

Adrian frowned. “I don’t mean it like this.”

However, Cathy would not listen to his explanation.

She looked down and shook her head. “It’s alright. You don’t have to comfort me.”

“To be honest... I didn’t fall in love with you.”

“We are fine as we are now.”

“I don’t think I deserve love...”

Adrian frowned deeper. It frustrated and pained him to see her feeling sorry for herself.

He had always believed that it was unnecessary to talk about love.

He believed that it was enough to show through action.

He thought that she would understand how he felt from everything that he had done for her.

In the end...

“You’re an idiot.”

Cathy could not stop her tears from falling upon hearing him.

She sniffled and tried her best to stop crying. “I know I’m an idiot. You don’t have to tell me.”

“To you, I’m always an unlovable idiot.”

“[...”

“Ah!”

Before Cathy could finish speaking, Adrian tilted her chin and kissed her fiercely on her lips.

He kissed her relentlessly, giving her no chance to refuse.

She widened her eyes in shock and tried to move away. However, it was useless.

Then, Adrian pressed her onto the bed.

He trapped her wrists above her head with one hand. His other hand pressed down on her waist.

She let herself drown in his kisses.

Then, Adrian moved to kiss her earlobe and said in a gruff voice. “You are not allowed to think such nonsense again.”
