

The Godsend Trio – My Terrible yet Heartwarming CEO Husband

Chapter 153

Chapter 153 Do You Think You Are Really Living Happily Ever After?

The tension in the room was palpable instantaneously.

Andy suppressed his fury with all his might and chillingly replied, “Scramble.”

“Andy, I know you despise me, but there’s not much you can do about it right? Given that Karen and I are accomplices.”

Rory gently fanned herself with her paper fan, “From the day you covered up for Karen, you are no longer guilt-free, stop acting as if you are much better and righteous than us.”

“Scramble!”

He roared furiously.

Rory smiled and left.

After she left, Andy frowned and went upstairs.

Karen was sitting on the chair with a scene before her – the ground was full of broken porcelain pieces.

As she saw him, she twisted her lips, “I will not give up.”

He maintained his composure, sighed, and then proceeded to sweep the floor and finally whispered, “Adrian and Cathy are fated.”

“If they aren’t, they would not be married.”

“There are still many men...”

“I only want Adrian!”

Before he could finish speaking, Karen’s scream interrupted him.

“You were the one who told me that Adrian was your brother, and he would listen to whatever you said!”

“You also told me that as long as I like him you will help me!”

“So now what are you doing? Convincing me to give up? But weren’t you the person who initially asked me to marry Adrian?”

“I have given up so much just because of your single statement and now I can almost smell success, you’re asking me to call it a day?”

She leaped down from the chair, “I have no turning back!”

“Either you help me.”

“Or you kill me!”

As she jumped down, her feet almost stepped on the broken shards.

Andy reacted nimbly as he lifted her above the ground, “Look out.”

“Let go of me!”

Karen’s face was still twisted from agony as she flailed around.

Andy tenderly carried her and placed her on the bed, “Before I finish cleaning, don’t move around.”

“Oh.”

As Karen saw him scurrying around cleaning, Adrian’s image appeared before her eyes.

If only...

If only Adrian treated her the same way as Andy...

...

When Cathy woke up the next day, her phone was ringing non-stop.

Any close friend or mere acquaintance, as long as they had her number sent her a congratulatory message.

“I did not expect Adrian to be your husband! Lucky you!”

“Cathy, I think we are due for a meal together! Don’t forget to bring your husband along, perhaps we can talk about future cooperation.”

“Cathy, your husband was so manly!”

“Cathy...”

Facing such bombardment, Cathy locked her phone in exasperation.

This was the main reason why she did not want to declare her relationship with Adrian.

His identity was simply too prominent and staggering.

And she was merely average.

What could she expect after disclosing their relationship?

However...

She smiled wryly.

Even though she may not like it, she should not be too selfish.

If Adrian wanted to announce it, so be it.

Even though they were married for a short time, he did sacrifice a lot for her.

She had no reason to reject.

And now, given that the whole world was aware, there was no point in rejecting.

With that, she sighed.

She replied every single message, even those she barely knew.

By the time she completed replying, it was lunchtime.

Abner started banging on the door, “Mommy, it’s time for lunch!”

“Are you tired to the point that you can’t come down?”

“Mommy, in that case, why don’t I get Alice to serve you?”

“I think it is the best way out, but I’m worried that mommy you are either unwilling, or you might be embarrassed.”

“If you are not coming out, I’m getting Alice...”

“I’m coming out right away!”

Cathy interrupted Abner, “I’m changing now then I’m coming down.”

Over her dead body to let Alice serve her in bed!

Adrian made such a big fuss yesterday. Alice being an adult would definitely know what happened the night before.

If Abner got Alice to serve her in bed, she would definitely never live it down again.

Abner’s devious laugh rang across the room, “Mommy you better hurry up!”

“We are all waiting for you!”

With that, the little guy took quick little strides as he tore down the stairs.

Cathy sighed and as she placed her phone down, it rang.

It was a message from Karen.

“Cathy, let’s chat?”

“I know you are not in the mood to chat with me, but what I have to say is regarding the parents of Abner and Arius, are you not curious?”

Cathy’s hands froze as she was about to place her phone down.

With regards to Arius and Abner’s mom...

She was indeed very curious.

Arius and Abner did not know much about her. Adrian also rarely mentioned her.

She was unaware that Karen also knew about her.

After pondering for a while, she took a deep breath and replied, “What do you want to say?”

Karen was evidently pleased with herself, “You are indeed curious about her?”

“I’ll send you an address, drop by now?”

Cathy snickered, “If you have anything to say, just message me.”

“I’m not interested in meeting you.”

The last time she met Karen outside of the Bolton’s residence, it was the night of Penelope’s incident.

She may not have evidence, but Cathy was very aware that Ember was against her solely because of Karen.

“Wow, aren’t you friendly?”

Karen’s reply was lightning speed, “Adrian’s declaration on TV got you really puffed up, yeah?”

“Do you feel that you are now the happiest person and the most blessed woman?”

“But Cathy, do you really think Adrian’s in love with you?”

“The woman Adrian loves will forever be Arius and Abner’s mother.”

“You are just a substitute, stop being so arrogant!”

With that, Cathy was truly taken aback and her mind went blank.

She was deep in her thoughts for a long period, but couldn’t restrain a reply, “What are you blabbering?”

Adrian had clarified with her that it was a mere accident with their mom.

He also stated that he did not have feelings for her.

“Can’t you clarify on your own whether I’m bluffing?”

“Adrian is simply kind towards you because you had a child for him and he was guilty towards their mother, thus he’s paying penance by substituting you for her.”

“Do you really think you are living happily ever after?”
