Chapter 39 I Will Play This Role

Cathy was tired after analyzing the script for Tyrell until two in the morning. Therefore, she overslept the following morning.

She instinctively took her phone upon waking up and checked the time.

It was already nine o'clock!

yesterday.

Cathy jumped off the bed and rushed to the bathroom to wash up.

Then, she quickly changed her clothes and dashed out of the house.

Once the car arrived at the studio entrance, she suddenly remembered that she had resigned

Cathy stood in front of the studio and gave a long sigh.

Yesterday, in Fred Hanson's office, she said she would leave and never return. However, now that she stood here and looked at the familiar studio, she suddenly felt a sense of loss.

Ryzan had only one film studio.

If she wanted to continue working as a stunt double, she had to go to another city.

If she wanted to stay in Ryzan, she had no choice but to search for another job.

I will not leave Ryzan.

Cathy felt a little lost.

if she stopped working as a stunt double.

As for searching for another job...

"Cathy!"

A surprised male voice called out to her as she was sighing.

Yesterday in Fred's office, he spoke self-righteously and caused Fred to fire her. Cathy could still

She turned toward the voice.

It was the director of White as Snow.

remember what he said.

"I just came here to look at this place for the final time. Since I resigned yesterday, you won't see me in the studio anymore."

Seeing the director approaching her, Cathy forced a smile and said, "Don't worry."

With that, she turned around to leave.

Coming here today is a mistake.

"Wait!"

He frowned and looked at Cathy. "Are you seriously resigning?"

"Why are you resigning?"

chose to resign.

"What do you mean?"

Cathy furrowed her brow and replied, "Yesterday, you said that Xavier refused to act if I'm around. Your White as Snow would fail because of me."

Cathy had just managed to take a step when the director grabbed her arm.

The director was stunned for a moment before smiling. "It seems like you don't know yet."

She was unable to help Fred obtain a two hundred million investment from Adrian. Therefore, she

"However, after yesterday's search, we realized that Willow has framed you. We have wrongly

With that, the director patted Cathy's shoulders and continued, "This morning, Xavier's manager came to see me. He wanted me to give the role of the second female lead to you."

The director sighed. "Cathy, I was wrong yesterday. I'm sorry."

"Initially, it was Xavier who got this role for Willow. Now that they have broken up, Willow has

The director smiled when he saw Cathy's shocked expression. "Furthermore, Mr. Carter indicated that even though you're a stunt double, you are hardworking and would do well in acting."

She was so stunned that she could not say anything.

"Therefore, my crew and I would like you to grow with us."

Yesterday's matter caused a huge uproar. Since he broke up with Willow, Cathy could understand him not wanting to continue acting in the same film with her.

As she was still confused about what to say, the director suddenly mentioned something shocking.

"The second female lead in White as Snow has many scenes with Xavier. These two characters

Now I understand why.

The second female lead has a lot of emotional scenes with Xavier's character.

She couldn't understand why he wanted me to be this film's second lead.

With this thought in mind, Cathy took a deep breath and said, "Director, thank you for the offer, but I don't want to get involved."

"I'm just a stunt double and do not wish to become an actress. Furthermore, I do not want to act in

There were also a few vans following the black BMW closely.

She came to the side of the road. Before she had a chance to hail a cab, a black BMW screeched

"Cathy."

"I know you don't want to see me."

"I'm sorry for all the hurt I caused you."

Xavier had come prepared.

"I don't need your apology."

The reporters surrounded them as he spoke.

"I was wrong in the past. I didn't know you have a wound on your shoulder or that my exgirlfriend was determined to bring you down."

The BMW's door opened. It was Xavier dressed in a tailored suit.

However, how could she outrun Xavier, who was 1.8 meters tall?

Xavier quickly caught up with her and grabbed hold of her wrist.

Cathy's face turned pale with shock. She immediately ran.

At the same time, numerous camera-wielding reporters rushed out of the vans.

Cathy wrenched her hand away. "Mr. Carter, you are too kind."

Before the cab drove away, she could hear Xavier talking to the reporters.

She had no intention of acting with him.

"Also, every website praised her dedication. She got into the studio to fulfill her dream to become an actress. It is not an excuse to approach me. Therefore, she will do well..."

He had hurt her so much before this, but he never apologized. Therefore, she knew that he

Thus, she took a deep breath and pushed away the reporters blocking her way. She walked away

"To compensate Ms. Shaw, I have persuaded the director to give her the second female lead role."

"Don't worry about her acting skills. She was a dedicated stunt double. Therefore, she will work

She leaned into the back seat and closed her eyes.

Xavier did it on purpose.

He deliberately released such a statement and used the netizens' opinion to poison the well.

If she chose to take the role, Xavier would continue to manipulate things behind her.

Cathy could no longer hear anything as the cab traveled away.

If she refused the role, the netizens would begin to doubt her professional capabilities and suspect her reason for joining the studio.

Cathy clasped her hands tightly.

She thought the matter had ended yesterday.

Once the cab arrived at the Boltons villa, Cathy took a deep breath and sent the director a message: 'I accept this role.'

However, this was just the beginning of her entanglement in Xavier and Willow's dispute...
