Chapter 44 You Are Nothing

Who do I think I am?

"I'm the winner of this year's Academy Awards!"

Xavier could no longer control his fury and stared at the director fiercely. "Is this a good enough reason for you?"

Who is this man that he can make the most principled director do anything?

I don't understand what's going on.

Adrian chuckled beside Cathy and said, "Are you sure?"

The director immediately understood what Adrian meant. Xavier did not stand a chance against

Therefore, the director turned to Xavier sternly. "The organizers haven't even announced the result for this year's Academy Awards!"

"Who are you to say that you're the winner?"

Then, he turned to the chief screenwriter and said, "Change the script as this gentleman said!"

After that, he sent Xavier another stern glare. "If you refuse to act in this, you can pay the penalty

and leave!"

Xavier was completely stunned.

Initially, it was the director that paid him a visit at his home and invited him to take up the male lead role.

"There are numerous actors who wish to get this role!"

He even said that he offered him the role because he trusted in Xavier's capabilities as the winner

That was only two days ago. Now, everything changed and the director flipped his attitude towards Xavier.

With this thought in mind, Xavier narrowed his eyes and stared at Adrian fiercely. "Who the heck

Adrian pretended not to hear him. Instead, he turned to Cathy gently and gave her a pen and a piece of paper. "You can write whatever you wish for your character."

She had always known that Adrian was powerful.

The chief screenwriter came to Cathy and said respectfully. "Yes, Miss Shaw. You can write down

Cathy did not know what to say.

The chief screenwriter looked at Adrian fearfully.

However, she did not expect his power to involve everyone in the studio.

The chief screenwriter nodded and wrote down Adrian's requests before leaving the meeting

Since the script had to be rewritten, there was no point for Cathy to stay and continue the readthrough with Xavier.

Cathy frowned a looked at Adrian quietly.

Xavier gritted his teeth. "How would you know?"

Adrian got up calmly and walked past Xavier.

"I'm leaving too!"

Xavier stood up and walked past Adrian. He strode out to the door and said, "Cathy, let me send

She stood up and said, "If there is nothing else, I'll take my leave."

He never bothered to spare Xavier a glance. It was as if Xavier was invisible.

Adrian said in a solemn tone.

"She won't go with you."

"Come with me."

As she walked past Xavier, he was still indignant about what happened and grabbed her arm. "Cathy, how dare you ignore me?"

"Do you think you're the only one who has evidence of what happened in the past?"

"Don't forget that I still have evidence of the dirty things you did!"

Cathy was stunned for a moment before walking hurriedly to catch up with him.

She gritted her teeth and lowered her voice. "I'm warning you. Stop trying to use the past to threaten me."

"Otherwise, I have no qualms dragging you down."

It seems that she loves someone else now...

Xavier stood stunned to his spot and watched Adrian. He clenched his hands tightly.

In the past, Cathy would never treat me coldly and speak to me in such a tone.

Then, she wrenched her arm away and strode down the corridor to catch up to Adrian.

When she was acting with Xavier yesterday, she did not notice anyone taking photos. Therefore, she did not expect things to turn this bad.

"Do you know what will happen if I didn't come here today?"

"He is unhappy about this matter."

Cathy did not know what to say.

Cathy bit her lower lips. "I'm sorry..."

Cathy opened the document quickly.

They wanted to trample Cathy and use her to climb to new heights.

They coax and lie to me when I am of use to them. Once they are done with me, they would squeeze me dry.

Is it because I have a good temper and hold things against anyone. Is that why they treat me like

Adrian looked at her. His gaze was calm and unaffected. "There is a reason why people dare to scheme against you relentlessly."

Adrian's words struck a chord in Cathy's heart.

She looked at him with a stunned expression.

"You are too weak."

"There is no use being angry with them."

Adrian raised his fingers to her lips and caressed them gently. "To them, you are someone that they can bully however they want."

"If you want people to stop bullying and scheming against you..."

He pulled his fingers away and smiled. "You should work hard and grow prominent enough to trample them under your feet."
