Adrian's expression turned stern as he opened the door.

He immediately smelled alcohol in the living room.

Then, he saw a few bottles of his precious wine on the coffee table. Each of them was worth millions.

Furthermore, a young woman lay wasted on the sofa. Her cheeks flushed as she kept scolding a

Annoyance appeared on the man's cold and handsome face.

We have just gotten married. Is she now revealing her true colors?

Cathy suddenly noticed someone had walked in; she burped and turned to him.

"Who are you?"

He seems handsome like Xavier.

She was completely drunk. She got up and went to Adrian.

No, he is Xavier...

Adrian had a high nose and stern eyebrows. He was a handsome man with chiseled facial features.

How dare he appear before me!

Cathy gritted her teeth furiously and raised her hand to slap him. However, Adrian grabbed hold of her wrist.

Adrian's cold eyes turned stern. "How much did you drink?"

He looked down at her.

Splash!

He hated women.

Her legs were wobbly, and she could not stand still as he held her wrist. She kept swaying as she answered, "I didn't drink..."

With that, she flung herself at him and wrapped her arms around his waist. "Xavier, I miss you."

Her face flushed like a young girl in love, and her voice was alluring as she shouted, "Xavier, can

Adrian furrowed his brow, his expression darker than a stormy sky.

At this moment, Cathy hugged his waist tightly. She looked innocent and adorable.

Although she looked at him lovingly, her red lips called out another man's name.

Adrian grabbed hold of her and carried her in his arms, bringing her upstairs.

But the water had turned icy cold at this point.

Her wet white t-shirt clung to her body, revealing her alluring figure.

Adrian dropped Cathy into the tub of water.

Cathy had prepared a warm bath for Adrian.

He would not allow any woman to touch him, including his sister.

After he had hurt a woman five years ago, he felt an instinctive aversion toward women.

Instead, he even found it a little pleasant.

However, when Cathy hugged him just now and stuck close to his body, he did not feel disgusted.

Even though the bathroom was cold, Adrian felt a wave of heat coursing through his body as he

She reached out and grabbed the hem of Adrian's shirt and said, "Can you hug me?"Her eyes were

"Xavier."

"It's cold..."

Cathy shivered in the tub.

He could not remember the last time he had felt like this.

Her voice was smooth and sweet like hot chocolate, melting Adrian's cold heart.

Adrian kneeled by the tub and grabbed her jaw with one hand. "Who am I?"

Cathy rested her head on the edge of the bathtub and called out weakly, "I'm cold."

alluring, and her cheeks flushed. She looked at him coyly and continued,

"Can you carry me out? It's really cold..."

However, she kept calling out for a man named Xavier.

The bone-chilling water surrounded her head but did not wake her from her drunken state. She

She could only see Xavier in her drunken state. Adrian frowned dangerously and pushed her head into the water.

"Please get me out of this cold water."

"You think this is bullying?"

The following day.

The sun rose as usual.

Cathy pursed her lips and answered, "You're Xavier."

He had to admit that she was different from other women.

Adrian quickly let go of her and gave her an icy stare. "Tell me. Who am I?" "Xavier."

Cathy said in resignation, "Hubby..."

Cathy reached out and held Adrian's face. She looked at him with her crystal-like eyes and said,

Tears fell from Cathy's eyes as she coughed out water. She looked at him with eyes full of tears

"I've called you hubby, so you mustn't bully me anymore." She had a beautiful face. Now that she was drunk and crying, she seemed alluring like a red rose.

Adrian looked at her and muttered, "You little drunkard."

Cathy looked up at him innocently and nodded.

Adrian reached for her ruby lips and rubbed them as he said, "Call me hubby."

Adrian felt an intense urge surged throughout his body when he heard her.

Adrian's voice turned hoarse. "Let me show you what bullying is." He immediately climbed into the bathtub.

Suddenly, a man pulled open the curtains, revealing a floor-to-ceiling window. He stood with his

Its piercing light shone into the room through the glass window.

She was immediately greeted with the sight of a masculine back profile. Cathy was so shocked that she could hardly speak.

He looks tall and strong. Even from his back profile, I can tell that he is not Adrian! Who is he?

Adrian heard Cathy's gasp and frowned. He turned around and said, "You must never drink wine

She drank a few millions worth of his wine last night. Although he did not care about the cost, he felt sad over the loss of his hard-to-find premium

Did I sleep with another man under Adrian's roof?

Cathy was stunned for a long while. She remembered feeling suffocating sadness when she saw Xavier and Willow on the news. Then, she drank some wine.

After saying that, he walked out of the room without another glance at Cathy.

After that... "No way!"

Cathy looked down at the bruises and scratches on her body and wanted to weep. She was supposed to have her wedding night with Adrian last night. However, she could not wait for Adrian to come home and even let a stranger...

She recalled all those rumors about Adrian's violent tendencies.

Cathy could imagine that she would suffer a terrible end...

Furthermore, that man who cuckolded Adrian even dared to stay behind to tell her never to drink wine again.

She would never dare to drink wine again from now on.

While she was still in a daze, someone knocked and opened the door.

It was Arius dressed in light yellow pajamas. He walked into the room and said, "I'm hungry."
