Cathy smiled. "I will not spread the word."

She had no interest in revealing others' interests. Moreover, if this were to leak, the person who will suffer the most will not be Flynn, but Ariel.

Perhaps surprised by her words, Flynn stared at Cathy, dumbfounded.

Adrian frowned lightly and pulled Cathy into his arms.

Not long after, the police arrived.

Just as Cathy and Adrian were about to head to the police station for their statements, Ariel,

"Uncle Flynn..."

opened her eyes. She was still in a daze when she grabbed Flynn's sleeve, "Uncle Flynn..."

The little girl's words made Flynn frown hard.

He turned around and glared at Cathy hastily.

Is this woman... the 'beautiful lady' whom Ariel always mentioned to him?

"I'm sorry, beautiful lady."

mommy..."

Cathy smiled faintly at Ariel. "It's alright."

Her eyes were laced with tears. It made Cathy's heart melt. How could she bear to blame her?

The little girl's eyes were filled with tears. "I just think that you look very much like my

The police smiled and patted Flynn's shoulder. "Movie star, I think you should give your child more attention in the future and only call the police after you have understood the situation."

The police left right after he finished his words.

"Seems like this was just a misunderstanding."

Flynn froze to the ground. His face looked kind of ugly.

"I'm leaving."

Adrian glared at Flynn coldly. Then, he pulled Cathy and left.

Cathy frowned and asked in a low voice.

"What's wrong?"

The man hesitated, turned around again, and pulled her out of the place.

When he arrived at the door, he suddenly frowned and turned back to look at Ariel.

But tonight, this soft and cuddly girl made Adrian realize that having a daughter... Did not seem like a bad idea.

He never had this thought before.

Arius and Abner had always wanted a sister.

When they reached the hotel, Cathy and Adrian exited the elevator together.

"Goodnight!"

Cathy waved at him. Then, she lowered her head and took her room card from her bag.

Adrian stood at the door of his room as Evan hurriedly rummaged through his bag for the room

However, before she could open the door, the man stretched his arm out and pulled her into the room next to hers.

Evan, who was still rummaging through his bag for the room card, jumped in shock. His boss and

his boss' wife were no longer in front of him. He was left in front of a closed door.

Evan weakly raised his hand and knocked on the door. "Sir, you..."

Evan was stunned for a moment. He suddenly came to his senses. "Okay!"

A man's hoarse voice was heard from inside the room. "Go away."

"Bang!" The door slammed shut.

Cathy was pinned against the door.

The man lifted her chin with a finger, and called out her name amorously, "Cathy."

Her heart started beating fast. She blushed, and she lost control of herself.

He kissed her earlobe. His voice sounded low and charming in her ears.

Behind her was an icy door panel. In front of her was Adrian with raging hormones.

She could hear her slightly trembling voice speaking. "What's the matter..."

The man's deep and mellow voice seemed to spread down to her body as he breathed against her.

The man clasped her slender waist with his huge hands. His voice was enticing. "Arius and Abner

The pain was still etched in her bones.

His voice was enticing.

"Baby, you're so sweet."

Now, she was awake.

"Don't be afraid."

But she was drunk at that time. Her mind was foggy.

His voice was deep and restrained. "You can do it."

Just as he pinned her onto the bed, she grabbed his hand. "Adrian." The man paused.

She was like a fish washed up on the shore. She was on the verge of drying up, but she was

The man chuckled lightly after receiving her approval. He lowered his head and kissed her lips.

Cathy's face burned as she bit her lip. "But..." "Didn't you promise Arius and Abner too?"

She nodded in silence. "Yes."

Cathy believed that she was bewitched by him.

"Really?"

As soon as she cursed, a man's voice was heard in the room.

She closed her eyes and cursed. "What a beast..."

After a night of ravage, Cathy woke up the next morning feeling wasted.

Her body was sore and tired all over after a whole night of torture.

The morning sun shone on his body, portraying a sense of indolence and arrogance on him.

At this moment, Cathy's phone rang.
