"Why are you so unenthusiastic?"

Jasper at the music festival last night."

Cathy sighed lightly, "I miss Arius and Abner."

Quinn looked at Cathy as both of them sat on a bench in the Ocean World listlessly.

Of course, she could not tell Quinn the real reason — that she was tortured by Adrian all

After speaking, she raised her eyes and glanced at Quinn. "How about you?"

"Hey."

Quinn sighed and looked straight ahead. "I made this trip because I wanted to meet my idol, Flynn

"But... He left before he even got up the stage last night."

That's it?

Cathy pursed her lips. "If I'm not mistaken, Flynn is staying next door. Am I right?"

"Wouldn't it be easy to meet him?"

Quinn sighed. "I don't want to bother his personal time."

"That's different."

She looked at Cathy quietly and said, "You wouldn't understand even if I told you."

She had knocked on the wrong door during their first encounter, and he looked cold.

Cathy shrugged. "I don't have a good impression of this idol of yours."

After speaking, she changed into a more comfortable position and leaned against the back of the

"What a pity..."

During their second encounter, he simply jumped into a conclusion and treated her as a kidnapper.

Quinn pouted. "He's actually a fine man."

"Even if he was an heir to a preposterous family, he ignored his family's arrangement to do their

Cathy was confused as she listened to Quinn.

The woman sighed in relief. She stood up and pulled Quinn up at the same time. "Let's continue

Quinn nodded. When she looked up, she saw a hickey on the back of Cathy's neck.

She grinned slyly and nudged Cathy with her elbow. "Is Adrian especially strong?"

Cathy's face turned red all of a sudden.

however, is unknown. I wonder if this is even true..."

But she was not interested in Flynn at all to begin with.

She turned her face away and quickly strode forward. "I don't know what you're talking about."

Cathy rolled her eyes at Quinn, and she refused to answer Quinn.

Quinn caught up with her happily. "Did he cure your fear of man?"

"I thought your phobia would make you a nun for the rest of your life."

At night, Quinn received a text message when she was having dinner with Cathy.

Quinn winked at Cathy. "Seems like I have to spend tonight alone in the room again then!"

"Miss Fuller, our boss worries that you'd feel afraid spending the night alone tonight, so he has specially prepared a gift for you."

Don't blame me for this, Cathy.

The message was from Adrian's assistant, Evan.

Although friendship is precious, money is more valuable.

Cathy: "..."

There were two red envelopes containing a huge sum of money after the text message.

Quinn glanced at Cathy after reading the text message. Cathy was busy eating, and Quinn sighed.

So, she replied Evan with a few emojis and accepted the red envelope.

Cathy, who was still busy eating the fish before her, was still in the dark about this.

Cathy did not expect Quinn to slam the door shut right after she sent her back!

Cathy raised her head quickly. She met Adrian's dark and bottomless eyes.

Cathy had no choice but to accompany Quinn back to the hotel.

Cathy initially wanted to bring Quinn around after dinner, but Quinn complained that she was

She raised her hand to knock on the door, "I have not entered the room yet!"

"You can't."

At this moment, he had both his arms across his chest. He leaned against the door gracefully as he

looked at her.

His eyes were exactly the same as last night when he fucked her.

A man's deep voice sounded.

Cathy was a little scared.

"Cathy."

Cathy:"..."

Cathy frowned fiercely at the cold door.

"Quinn."

"Mrs. Bolton."

She was wasted last night even when he had used only half of his might.

The man strode over slowly. He approached Cathy step by step. "Why are you in a rush to go

If they were to have sex again, she was afraid that she would not be able to even get out of bed!

He pressed her against the wall of the corridor. His thin lips spread into a half-smile as he asked,

She was fine with making a daughter with him, but he should still let her rest, shouldn't he?

But even if these were her thoughts, she did not dare oppose him openly.

"That's not what I meant..."

"Can you please be gentler..."

"But I clearly remember that you enjoyed it."

"What does that mean?"

"Tired already?"

back? Don't you want to be with me?"

Of course, she didn't want to!

Cathy: "..."

The woman's face turned red as if it was on fire.

She lowered her head, and she dared not look at him. "Adrian, this is the corridor."

The corners of the man's mouth curled upwards. "This is a timely reminder."

After he finished speaking, he stretched out his long arms and carried her up.

She pled with teary eyes when she was thrown onto the big bed by the man.

Under what circumstances is death better than being alive?

Being fucked by Adrian for two consecutive nights.

She frowned, picked up the phone, and glanced at it.

It was Mr. B. Olton from Thunder Studio.

Adrian pulled off his tie gracefully. "We shall look at your performance then."

dead fish. Her bones felt as if they were shattered to pieces.

On the other hand, Adrian seemed energetic as he sat beside her, scrolling his phone.

Cathy closed her eyes. She was about to sleep when her phone rang.

The next day, Cathy sat in the car back to Ryzan. She leaned against the back seat of the car like a

"There will be an audition at eight tomorrow morning on the top floor of Thunder Studio."

This news instantly alerted Cathy.

She will have an audition tomorrow at eight!

"I heard that you're going to the audition for Director Colin's Mauve?"

She took a deep breath and was excited to share this news with Quinn.

At this time, her phone rang.

It was a text message from Xavier.

"Yes, what's wrong with that?"

The woman smiled and replied Xavier.

Cathy had originally blocked all of Xavier and Willow's contact information. However, she had no choice but to add him back because she was going to play a role in the same movie as Xavier.

She did not expect Xavier to know so soon as she was notified by Mr. B. Olton.

"Willow wants this role too."

Xavier was not polite to Cathy at all. "Tomorrow when you go to the audition, do teach her some tricks so she'll successfully secure the role."

"This role is very important to Cathy."
