## Chapter 66 I Am a Lousy Actress!

Director Colin panicked when he heard Flynn!

Since he had planned to let the lesser-known Willow play the female lead, he needed a famous actor for the male lead. Otherwise, the movie would flop.

Furthermore, Flynn was one of the most popular actors in the industry!

Therefore, he got up quickly to run after Flynn and managed to grab his shirt sleeve. "Mr. Jasper,

Flynn pulled his arm away gracefully and glanced at Cathy who was nearby. "You were brilliant."

His eyes glimmered with praise. "Today, Penelope said that I should come and see a talented new actress. Initially, I did not expect much."

"When I saw you, my expectations dropped even lower."

Cathy did not know what to say.

It seemed that she had left Flynn a bad impression in Tee City. Furthermore, she must have

seemed ordinary to him.

"However, I have now changed my mind."

Flynn's lips curved into a smile. "You are worthy of Penelope's compliment."

Director Colin's face turned deathly pale.

"If there is a chance, I will introduce you to the directors I trust."

"You are worthy of them."

Then, he glanced at Director Colin coldly. "This film is not worth it."

Meanwhile, the two producers who gave Cathy low scores but full marks for Willow exchanged glances and stood up quickly. "Mr. Jasper!"

They were not expecting Flynn to observe them from the back.

If they had known that Flynn would be watching them, they would never have agreed to Director

Colin's request, even if he offered them ten times the amount of money.

"Mr. Jasper, we didn't actually think that Willow acted her role well!"

Flynn furrowed his brow and paused his steps. However, he did not turn around. "Since you didn't think that she acted well, why did you give her high scores?"

The two producers exchanged glances again.

After all, Director Colin was quite powerful and reputable in the film industry.

They could not say that Director Colin paid them to give Willow high scores.

Both of them pointed their fingers to Willow. "It was her!"

"So..."

Therefore...

Her words made his face blanched.

He glanced at Willow before clearing his throat. "Everyone knows that my eyesight is bad."

Penelope laughed from the judges' seat. She crossed her arms and looked at Director Colin. "What

"Therefore, I thought she was acting quite well from her voice. However, I could not see her expressions. It was my fault."

Penelope smirked and glanced at Willow. "Is that so?"

Flynn turned around calmly and chuckled. "You think I believe that?"

"Yes."

But now was not the right time.

"That's wonderful!"

The whole room was silent.

Xavier had to be present to witness it.

The worst thing is that I have no way to fight back.

I still need to depend on him to give me a female lead role. Furthermore, I spent a lot of effort to please him. Therefore, I can't let him fall to ruins!

Thus, Willow had no choice but to grit her teeth and said, "Mr. Jasper, please don't blame Director

Flynn looked at Willow sharply, causing her to panic. "I..."

Cathy frowned and stepped forward. She blocked Willow from Flynn's view. "Mr. Jasper, since

Cathy looked at Flynn earnestly. "What about me?"

Cathy nodded seriously. "Mr. Jasper, I'm only asking whether you are willing."

She knew Flynn wanted to expose Willow and Director Colin's affair.

It would be unsatisfying for Cathy unless she could see Xavier's expression when he realized that Willow cheated on him.

Doesn't she know that she has the most to lose if Director Colin and Willow are in collusion?

Flynn glanced at Cathy coldly. "Are you sure you want to interrupt me now?"

Since she doesn't care...

Flynn smirked and said, "Sure."

Flynn narrowed his eyes and wondered how could Cathy be so stupid.

"Good. It's settled then!"

Director Colin feared that Flynn would change his mind. Therefore, he added quickly, "Flynn

Director Colin clapped excitedly. "I choose her!"

On the other hand, Willow bit her lower lip and strode out of the room.

However, the security guard blocked her way.

The security smiled politely. "None of the key people have left yet, so you can't leave."

The actress who had joined Willow in mocking Cathy was now looking at Willow coldly. "You haven't explained how you bribed the two producers."

"That's right."

"Sure!"

"You think you can run away without any explanation?"

"I'm a lousy actress, so I sent gifts to people to help me. What's wrong with that?"

Willow gritted her teeth, and her face was white as a sheet. "What is there to explain?"
