

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 131 - YOU DON'T LIKE ME, DO YOU?

Gym class, playground.

"Clang", the basketball into the frame.

Xu Qingzhi smiled, "quite good."

The first thing you need to do is to get a good idea of what you want to do.

The first thing you need to do is to take the water off the floor and take a few sips, and then glance at the badminton court.

Only to see Si Eucalyptus will be playing badminton with a girl.

Heh.

"Quarrel?" A clear, cold voice rang in her ears.

She turned her head sideways and met Xu Qingzhi's smiling eyes.

"No."

Xu Qingzhi screwed on the cap and put the water back, "These days see you guys in the competition class are not sitting together, not even walking home together after school."

When Qi slightly raised his eyebrows, "You are very carefully observed."

Xu Qingzhi smiled and did not say anything.

"You don't like me, do you?" The company's main business is to provide a wide range of products and services.

Unexpectedly, Xu Qingzhi curved the corners of his mouth, "How can you tell?"

Time Qi was confused...

What the hell!

Seeing that Shi Qi seemed to be shocked, he added, "Just kidding."

He took the basketball on the ground and shot a three from a distance.

When Qi was relieved, "I was scared to death."

Xu Qingzhi thought her reaction was a bit funny.

"Before I met Si Eucalyptus, I was always number one."

This ripple-free change was maintained until graduation from junior high school.

Therefore, when there was suddenly someone who stood taller than him and was superior to him in every way, Xu Qingzhi became curious about Si Eucalyptus.

For the first time, he had the heart to compete with others.

When Qi thought to himself, then you really should not be in the same school with Si Eucalyptus, harm, but nothing, wait for high school graduation, the first or you.

Xu Qingzhi smiled and looked at the badminton court, "He is playing badminton with other girls, are you angry?"

The postings on the bar, he has more or less read some.

When Qi deflated his mouth, "I am angry with what, and I have nothing to do."

The first thing you need to do is to get a good idea of what you're doing.

The company's main business is to provide a wide range of products and services to its customers.

The water is cold, there must be at least five, six, seven, eight minutes it!

He woke up and forgot all about it.

Xu Qingzhi, however, took a clear look at the emotions on her face, the heart ignited with interest.

"Do you want me to help you angry at him?"

"How?"

"Learn from him."

The first thing you can do is to understand what he is talking about, and shake your head, "No."

This kind of method of using other boys to stimulate each other, she refused.

The first is that she and Si Eucalyptus have not said anything, and are not boyfriend and girlfriend.

Second, this method, is based on making the other party hard to bear.

The last time the god of learning was drunk, the mouth of Xu Qingzhi, if not for the basketball class, she might have backed away from Xu Qingzhi.

The first thing you need to do is to get a good idea of what you're doing.

She has been reborn all her life and has a chance to make up for her regrets, so she doesn't want to alienate her relationship with Si Eucalyptus by doing all these fancy things.

The actual fact is that you can find a lot of people who are not interested in this kind of things.

The actual fact is that you will be able to get a lot more than just a couple of days to get a lot more than just a couple of days.

The two of them carried the two bags of basketballs that they had collected and went back to the gym to put the equipment.

Just put away the equipment, ready to go out of Xu Qingzhi, glanced at the two people holding the racket to this and came.

The corners of his mouth slightly hooked, as if he thought of something funny, turned around and walked back.

When Qi had just counted the number and was ready to leave, Xu Qingzhi suddenly shouted at her with a serious face, "Don't move."

When Qi was startled, "What's wrong?"

"There's something on your shoulder..."

The face of Shi Qi suddenly turned white, what thing? A cockroach?

"Don't move, I'll take it off for you."

Time seven small face white and blue, ah, she is most afraid of bugs these things ... oooh.

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 132 - THE GREEN HAT

Xu Qingzhi took two steps forward, outside, the sound of footsteps had far and near.

He hung his head slightly, his gaze fell on Shi Qi's shoulder, looking like he was helping her catch bugs.

Si Eucalyptus appeared at the door of the equipment room holding a badminton racket, only to see the equipment room, two figures overlapping inside.

The boy was attached to the girl, and from the angle of the door, it looked as if two students in early love were hiding in the equipment room to date and steal a kiss.

The face of Si Eucalyptus suddenly changed, eyes slightly sunken.

The eyes are wide open. Powerful ah!

Not a moment later, Xu Qingzhi backed away and whispered, "Okay."

He looked at Si Eucalyptus and saw those complicated emotions on that normally calm and ripple-free face.

There was anger, there was displeasure...

Si Eucalyptus converged his emotions, just misplaced is just misplaced.

He held the racket inside and put it away.

When Dickie glanced at Si Eucalyptus, he also froze, seeing that he completely ignored himself, his heart was a hard time.

The two are actually Xu Qingzhi and Shi Qi.

Although I believe that the time seven, think that just that is false, but still can not control in their minds the picture, for Si Eucalyptus put on a green hat.

The company's main business is to provide a wide range of products and services to its customers.

Xu Qingzhi was not expecting, just like that?

The first thing you need to do is to get a good idea of what you're getting into.

"What just happened, I don't want to see it a second time."

Xu Qingzhi smiled lightly, "You care so much, is it because you like her?"

The company's main business is to provide a wide range of products and services.

The first thing you need to do is to get a good idea of what you want to do.

The first and second in the grade are love rivals?

A little bit awesome.

The first thing you need to do is to get your hands on your brother's shoulders and say, "It's okay, although you don't look as good as Xu, but you have good grades!"

"Shi Qi is certainly not that kind of superficial girl."

Si Eucalyptus laughter twice.

Thank you, and was not comforted.

Huai late: "But, how did you two quarrel again?"

This is not just reconciled not more than half a month, how to quarrel again?

It's not just a matter of time, but also a matter of time.

That's really dedication.

The company's main business is to provide a wide range of products and services to its customers.

However, every time she had a disagreement, she went with that guy Xu Qingzhi, this, let him completely displeased.

The topic of the god of learning and the little fairy of time cold war again, again on the posting bar hot.

All kinds of netizens have posted evidence.

At this time, a group of people who called Xu Qingzhi and Shi Qi cp fans forced their way into the crowd.

The actual fact is that you can find a lot of people who are not able to get a good deal on this.

Liang Chen Zhi Xi: agree with the upstairs, but really than a cp sweet sweet too much! Pictures as evidence.

A picture of the gym class was uploaded to the posting bar, male handsome female beauty, immediately attracted the eyes of the crowd.

Covering the wind to keep laughing 20087: Ma Ma ah, I feel like I can again!

Chicory Li: I officially announce that I am off the SS cp, officially joining the XS cp!!!

i no envy he forget: hold high my XS flag!

A piece of green leaf: +1

...

The first thing you need to do is to get a good idea of what you're doing.

Si Eucalyptus closed the computer, the face is unclear, gave four words.

UHH.

On the other hand, Xu Qingzhi looked at the message on the posting and found it interesting.

It says he is interested in Shi Qi? No.

Say he is interested in Si Eucalyptus? Even more unlikely.

He took out an old, slightly yellowed book from the drawer.

The book's pages were opened, and what caught his eye was the name on it.

Time Seven.

He was just interested in, a certain strange thing, feel.

For example, this book that suddenly appeared in the drawer at some point.

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 133: SHE DIDN'T MEAN THAT EITHER

The evening breeze carried flying snow all over the night sky, Xia Zhi Zhi followed the wide footprints on the snow with her backpack, and followed carefully one step at a time.

The person in front seemed to sense that someone was following behind, and he looked back at a figure wearing a thin school uniform jacket.

"Xia Zhi Zhi?"

Xia Zhi Zhi smiled and trotted up to him, "Teacher Bian, you found out?"

Her little face and nose were probably red from the cold wind, and both hands were frozen red.

Bian Yixiu's eyebrows knitted slightly, "Why don't you put on more?"

The body is already bad, but still so do not know how to take care of themselves.

Xia Zhi Zhi shook her head, "I'm not cold."

The first time I took off the scarf hanging around his neck, raised his hand and put it around the neck of the little girl in front of him.

Xia Zhi Zhi's whole body is like being surrounded by warmth, smiling sweetly, "Thank you, teacher."

I don't know when the number of times this little girl smiled became more.

He was a little relieved, raised his hand and pulled the woolen cap on the little girl's head, "Let's go, hit the hot pot today."

"Mm-hmm."

A long and a short shadow elongated in the snow, the original shape and shadow lonely footprints, now side by side with a large and a small.

...

The final exam is coming, and the semester has come to an end.

The second examination room, Yang Xiaoling rummaging through the pen bag, froze no ruler, she poked the girl in front of her, "Hello, may I ask if you have an extra ruler?"

The girl shook her head, "I only have one with me."

"Okay thanks."

The back will be late hesitation for a moment, in the end is also together across the year relationship.

He picked up his own copy of the ruler and folded it slightly harder into two.

He poked Yang Xiaoling in front of him and gave half of it, "Lend it to you."

Yang Xiaoling silently took out her school card, "No, thanks."

"..." No ruler is best, hurry up and give up the tenth place.

The two halves of the ruler were glued back together, keeping the last bit of their "dignity".

...

The first thing you need to do is to get a good idea of what you are getting into.

The first thing you need to do is to get a good idea of what you are getting into.

The good guys, she saw at a glance at the stairway at the two figures!

Isn't that the girl who played badminton with Si Eucalyptus that day!

Just see a thing, handed to Si Eucalyptus ...

When Qi called the head three fires.

Really good, not to mention the break, this year's exams, but also here to get involved with flowers?

The first one in the grade is really a big deal, unscrupulous?

The first one is the first one in the world.

When Qi went back to the examination room with an iron face.

There Si Eucalyptus pushed the gift box back, "Sorry, I don't have that kind of meaning for you."

The girl blushed slightly and her tone was small and sticky, "No...no, I wanted to ask for the help of classmate Si to pass it on to classmate Shi Qi."

Si Eucalyptus was dumbfounded for a moment and looked back with an ironic face, "Sorry, she didn't mean that either."

This little squirrel, not only attracts boys to think about, now also attracts girls to think about.

The first thing you need to do is to get a good idea of what you are getting into.

I vowed to take the first place in the grade and pull down Si Eucalyptus!

The first thing you need to do is to get a good idea of what you are getting into.

The prize money is hopeless anyway.

...

The end of the exams also means a holiday.

"It's okay."

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 134: POKE AT A REAL PERSON IF YOU CAN

At the corridor, Xu Mirai was walking side by side with Qi Qi, carrying his school bag and holding his books.

"QiQi, what's wrong with you and the god of learning again?"

"Nothing."

"Liar, did you really make him angry by putting a sack over him?"

The first thing you need to do is to get a good idea of what you're doing. I've been working so hard to send him home by himself.

The first thing you need to do is to get a good idea of what you're doing.

She felt that both pairs of cp are good, all fragrant, mainly to hurry to probe to find out the thoughts of the parties.

"What what situation?"

"Who do you think is handsome between Xu Qingzhi and Si Eucalyptus?" Xu Future decided to ask a different way.

When Qi thought to himself, of course it was Si Eucalyptus.

But...remembering the scene I saw in the afternoon, heh.

"Of course it's Xu Qingzhi, the schoolboy is good, objective fact."

Xu Future nodded in agreement, indeed Xu Qingzhi is more handsome, smiling makes people feel very warm.

The actual fact is that you can find a lot of people who have been in the business for a long time.

The first thing you need to do is to take a look at the website.

The actual fact is that she will recount the objective facts, how come she didn't like Xu Qingzhi in her previous life.

The company's main business is to provide a wide range of products and services to the market.

The people next to me were shocked.

The company's main business is to provide a wide range of products and services to its customers.

The company's main goal is to provide a good solution to the problem.

The company's main business is to provide a wide range of products and services.

Si Eucalyptus skimmed with mineral water, his footsteps were gentle, as if he did not see the squatting there to pick up the book when the seven.

This scene was taken down by bystanders with quick eyes and hands, and a new topic soon appeared on the post.

When Qi picked up the book, stunned to look at the figure of the long gone, she fell, he actually completely ignored it?

The first thing you need to do is to get a good idea of what you're doing.

The first thing that happened was that the person who was in the crowd was not able to see it.

...

A post of "When the fairy fell, the god of learning watched coldly" quickly became hot.

The people in the room have told what they saw and heard.

Covering the wind to keep laughing 200827: Really! I was there at the time!

I have no envy He forgot: agree with the upstairs, I also saw with my own eyes, the god of learning clearly saw, but also coldly deliberately from the side of the fairy.

The first thing you need to do is to get a good idea of what you're getting into.

Heart moving in the sea of people: Maybe the god of learning is nearsighted did not see?

The little potty question mark: see my id upstairs? The god of myopia also sat so after looking at the blackboard?

The rabbit eating grass: harm, we when the little fairy is finally wrong to pay.

Liang Chen Zhi Xi: alas, fortunately I have changed cp, XS to understand, huge sweet, into the stock is not a loss.

June orange orange: hold high my XS cp banner ~

good understanding immediately married registry: woo woo woo... the little fairy figure is so lonesome and pathetic, the god of learning's back is so heartless... yuck! Scum!

...

Time Qi returned home holding a warm cup of white peach oolong, aggrieved.

Looking at the door of Si Eucalyptus's house, indignantly kicked two jio.

"Scum!"

The result of this kick, but it is to kick themselves to hurt.

She squatted in the doorway, aggrieved, took out her phone, looked at the screen saver photo, is the school sports day, Si Eucalyptus playing basketball photos.

The first thing you need to do is to take a look at the picture. Not to help me! I can't believe you didn't help me!"

"And do not know to coax me..."

"You're a pig!"

She buried her head into her knees and whimpered twice.

Si Eucalyptus stood not far away and sighed, so cold, and did not know to hurry home.

He walked over, slightly squatted down, raised his hand and rubbed the little squirrel's little head, "What's wrong?"

When Qi froze, raised his head, teary-eyed looking at him, deflated his mouth, turned his head away, "Not talking to you!"

The company's main business is to provide a wide range of products and services to the market.

The eyes and tone of voice, to spoil more than spoil, "Well, have the ability to poke at the real person."

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 135: HOW I FEEL ABOUT YOU

Shi Qi deflated his mouth and poked at Si Eucalyptus' face twice, quite disgusted, "What a thick skin."

Si Eucalyptus: "..."

When Qi got up and twisted his body, he opened the door and isolated Si Eucalyptus.

Si Eucalyptus really didn't know what to do this time.

What was she so angry about?

The night

He took the computer and plugged in his phone to import information and data, and accidentally glanced at a video nearly 2G in size.

When did he take such a video?

With doubts, he clicked on the video.

Only to see the computer screen, the figure of two people appeared, himself sitting in a pink sack.

The little squirrel pointed to the sack and said to himself, "It's you who got into it, not my business."

"Obviously you were the one who wanted to knock me out, so I made the first move."

"You also added another girl's WeChat, bah, scum."

"No, it was a part-time job, and it was the phone that would be late."

The screen itself, the cheeks are red...

Si Eucalyptus some can not bear to see, holding the forehead, once wanted to turn off.

At this time, the screen has changed.

The squirrel brought a cup of water to drink, and then ... he directly over the squirrel kissed up ...

The video of the two embracing each other, ambiguous to the extreme, the whole maintained nearly 5 minutes.

Then...he fell asleep.

The eucalyptus covered his face with one hand, and his ears were burning.

What had he done?

Drunkenness is a mistake...

How else could he see Squirtle...wait! He seemed to know why the little squirrel was angry.

Si Eucalyptus hurriedly took his phone out of the room and knocked on the door of the house next door, but it was Shi's mother who opened the door.

When mom saw Si Eucalyptus, she smiled, "Si Qi went out to buy something, come in and sit down."

"Auntie, I need to find Shi Qi urgently, where did she go shopping?"

"Just the nearby twenty-four hour convenience store."

Si Eucalyptus hurriedly ran away, Shi Qi's mother closed the door and muttered, "What's the hurry, can't people run away?"

On the street in the neighborhood, Shi Qi was walking back with her bag when she saw Si Eucalyptus running towards her, looking very anxious.

He stopped in front of her, panting slightly.

When Qi frowned slightly, took out mineral water from the bag and handed it to him, "You ran so..."

The first thing you need to do is to get a good idea of what you're doing.

When Qi was hugged, she froze, "What's wrong?"

The voice of Si Eucalyptus is slightly mute and low, "Sorry, I forgot about that day."

The first thing that came to mind was the fact that he had forgotten.

The first thing that came to mind was another apology.

She wanted to break away, but was locked in Si Eucalyptus's arms.

"You can feel my feelings for you, I want to go to college with you in the same city..." Si Eucalyptus' voice sounded in Shi Qi's ear.

The first thing you need to do is to make sure that you have a good idea of what you are doing.

A certain place in the heart was filled to the brim, and all those little worries and sorrows disappeared.

"Good." When Qi smiled sweetly, the two shallow dimples on his cheeks were extraordinarily cute.

At this moment Si Eucalyptus felt a sense of security that he had never felt before.

He reached out and took the bag in Shi Qi's hand, carrying the bag with his left hand, pulling Shi Qi with his right hand and slowly walking home.

The wind was cold at night, and the snowflakes were flying, but under the light-colored streetlights, it looked extra warm.

"But, Si Eucalyptus, it's not right to fall in love early."

Si Eucalyptus smiled, "I didn't fall in love early."

"Neither do I."

Who knows.

Si Eucalyptus looked up at the night and thought, "Wait a little longer, wait a little longer."

When he confirmed if Shi Qi was the same as him, when he made sure she was safe.

It's not too late to make up for the regret.
