"You... What do you mean?" Yu Lei suddenly had an ominous premonition.

"Since you don't know the name of that place, you can only take me there yourself." Shen Yanxiao smiled and said.

"No... No ah ah ah!!! Stop joking! I won't go back there even if I die! Do you want me to die? You don't know how inhumane those guys are! I finally escaped from there with great difficulty. How can I go back? Don't even think about it!" Yu Lei wailed and shrunk himself into a ball. That place was his nightmare. He never wanted to go back there again in his life.

He had just escaped there, and now Shen Yanxiao wanted him to go back? Dream on!

Shen Yanxiao raised her eyebrows and slowly shook her fist. "You can choose to take me willingly, or I can use violence to ask you to take me. Either way I'm fine."

Yu Lei trembled and looked at Shen Yanxiao's small fist. His abdomen was still aching.

This King Kong Barbie was exceptionally ruthless. If she were to beat him up, he probably would not be far from death...

"Why do you have to do this? Why bother? Those guys are really savage. Why do you want to get involved in this muddy water?" Yu Lei knew that his resistance had no effect at all, so he began to struggle, trying to persuade Shen Yanxiao to give up this self-destructive practice.

"Which do you choose?" Shen Yanxiao completely ignored his persuasion.

Yu Lei wanted to cry. If he had known that he would meet Shen Yanxiao, he would rather not have the eighty million gold coins from Bobo Bi.

If he had no money, he could just work to feed himself. However, in the hands of this King Kong Barbie, his life was going to be worse than death.

"Do I have a choice?" Yu Lei looked at Shen Yanxiao with tears in his eyes. He could not beat Shen Yanxiao and could only surrender.

“Very good.” Shen Yanxiao nodded in satisfaction.

Not good! Not good at all! Yu Lei really wanted to look up to the sky and roar. How did he meet such a killing star?

“Now, you go to Bobo Bi and tell him that the treatment is not over yet. Then I’ll go with you to his room, and you let Bobo Bi...” Shen Yanxiao was not in a hurry to find the base of those Warlocks. Taotie, the Dragon God, and Bian were still on their way to the capital city. She must wait for all her forces to gather before launching an attack.

Before that, she had to clean up the mess made by Yu Lei, this quack.

“How can he be treated? It’s not like you don’t know that I’m just using healing light to cheat that stupid kid. How can I possibly treat him?” Yu Lei muttered. He was just an ordinary student at Saint Laurent Academy, and so far he had only just climbed to the level of an Intermediate Priest. He still hadn’t figured out what was going on with Bobo Bi’s father’s injury, so how could he treat it?

“Since you know about our Saint Laurent Academy, you should also know that our batch of Priest Division students are not very capable. The only one who broke through to the second class promotion is a Priest named Yan Yu, but he has been away from Saint Laurent Academy for a long time. If you look for him, he might be able to cure you.” When Yu Lei mentioned Yan Yu, his eyes were suddenly filled with admiration.

“Yan Yu?” Shen Yanxiao raised her eyebrows. Hearing the name of her little friend from others made her feel nostalgic.

“That’s him, a very powerful Priest. He’s my number one idol!” Yu Lei did not conceal his admiration for Yan Yu at all.

Shen Yanxiao chuckled and said, “You have a good eye, kid. You don’t have to worry about Bobo Bi’s father. Just do as I say.”

Yu Lei wondered why Shen Yanxiao praised him. He didn’t know what the dwarf before him was capable of, but since he couldn’t beat Shen Yanxiao, he could only be obedient.

Yu Lei soon found Bobo Bi and told him that he was going to give his father a second treatment.

Bobo Bi was immediately moved to tears when he heard that. Master Yuyu Lei treated his father without regard for his own health. He simply didn’t know how to thank him.

After Bobo Bi thanked him profusely, Yu Lei invited Bobo Bi out according to Shen Yanxiao’s instructions and asked Shen Yanxiao to stay.

After closing the door, Yu Lei stared at the dwarf lying in bed and spread his hands.

“What should I do now?”

Shen Yanxiao glanced at Yu Lei, raised her hand, and struck Yu Lei directly on the back of his neck.

Before Yu Lei could react, he passed out directly.

“Xiu, help him expel the devil energy,” Shen Yanxiao said to Xiu after Yu Lei fell asleep.

The next second, Xiu gradually transformed into a solid body. His slender figure looked much taller in a room built for dwarves.

Shen Yanxiao was not a doctor. Moreover, right now, she was just a dwarf who could not use divine power at all, so she could only ask Xiu to do the treatment for her.

The devil energy that made Bobo Bi worry was easy in Xiu’s hands.

She saw Xiu’s clean and good-looking fingers hanging over the dwarf’s head, and soon a dim aura slowly floated out of the dwarf.

Shen Yanxiao sat on one side and looked at Xiu’s side profile.

No matter how long she looked at the other party, she would never get tired of this face.

Shen Yanxiao had wandered so many continents and seen many beauties of various races, but she could not find a single person that could compare to Xiu.

Shen Yanxiao was so engrossed in the beautiful picture in front of her. Looking at the dazed Shen Yanxiao, Xiu raised one of his eyebrows.

Then, the tall figure slowly came to Shen Yanxiao’s side and stretched out his long arms to embrace the dazed little fellow.

Feeling the familiar breath on her face, Shen Yanxiao came back to her senses. The handsome face in front of her was so lethal that she even stopped breathing at this moment.

The next second, Shen Yanxiao stretched out her delicate hand and covered Xiu’s eyes.

“Don’t look, this face-changing mask is so ugly.” Even she herself could not accept this King Kong Barbie appearance. How could she tarnish the eyes of her fiancé with this appearance?

Xiu gently pulled down Shen Yanxiao's small hands and wrapped his big hands around them. His cold eyes carried a trace of warmth as he whispered, "What I see is you, not these superficial things."

Appearance was just a fleeting cloud. What he cared about was the soul hidden deep in the body in front of him.

No matter what Shen Yanxiao became, no matter what race she became, to him, she was his soon-to-be wife.

"But it's still ugly." Shen Yanxiao wrinkled her nose. No matter what, a woman always wanted to show her most beautiful side in front of the person she liked.

The same was true of Shen Yanxiao.

"Not ugly." Xiu lowered his head slightly and kissed Shen Yanxiao's neck.

"Xiaoxiao will always be the most beautiful in my heart."

Faint sweet nothings flowed into her heart and a gentle kiss touched the skin on her neck. Shen Yanxiao chuckled and leaned against Xiu's embrace.

Even if there was only a moment of peace, it was still good to be together.

In troubled times, a short period of warmth could also touch the soul.

Leaning against Xiu's arms, Shen Yanxiao hoped that time could stop at this moment. Be it the alliance of the various races, the invasion of the Devil race, or the evil experiments that were going on, they could all be thrown to the back of her mind for the time being. Her heartstrings that had been tense for a long time could finally relax a little.

At that moment, she was merely a young lady in the tight embrace of the person she loved, not the Demon Lord who was all-powerful and controlled the entire Brilliance Continent.

Her gentleness was only displayed in his eyes, and his gentleness only belonged to her.

Being together for life, that was all they wanted in their lives.

Yu Lei woke up in a daze and lay on the cold floor. The soreness on the back of his neck reminded him of the cause of his coma. He reluctantly sat up and looked sadly at Shen Yanxiao sitting on one side drinking tea.

Cooperate! Cooperate! Cooperate!

He was already cooperative enough with her, so why did she have to knock him out?

Was she even human?

At this moment, Yu Lei's expression was like that of a wife who had been abused by her husband. His resentful little eyes flickered at Shen Yanxiao, but he dared not say anything.

"Get up if you're awake." Shen Yanxiao slowly drank her tea. The warmth from a moment ago greatly improved the mood of this heartless thief.

Was it not great to relax once in a while?

"Oh." Yu Lei stood up.

"Go and call Bobo Bi in and tell him that his father has recovered," Shen Yanxiao said.

"Ah?" Yu Lei was confused.

"Go." Shen Yanxiao glared at him, and Yu Lei immediately jumped out like a frightened quail.

Soon, Bobo Bi was brought in by Yu Lei.

"Master Yuyu Lei, has my father really recovered?" Bobo Bi excitedly held Yuyu Lei's hand, his eyes flashing with tears of excitement.

"Ah... Ah... I think so..." Yu Lei, who had always been eloquent, could not help but feel a little embarrassed at the moment. How could he know if his father had recovered or not? It was the King Kong Barbie who said that he had recovered, but he didn't know anything. He was just a messenger.

Shen Yanxiao sat up from the chair and looked at the excited dwarf. "Bobo Bi, your father has recovered. It's all thanks to Master Yuyu Lei's miraculous hands. Go see your father."

Bobo Bi nodded and immediately went to the bed.

Yu Lei secretly pursed his lips on one side, not understanding what Shen Yanxiao wanted to do.

A few seconds later, Bobo Bi burst into a scream. He turned to look at Yuyu Lei with tears in his eyes and said excitedly, "Master Yuyu Lei, thank you! You are really the best doctor I have ever met! Thank you!"

Bobo Bi's series of thanks made Yu Lei a little confused. He subconsciously looked at Shen Yanxiao, but she didn't even give him a sidelong glance.

With doubts in his heart, Yu Lei walked to the bed and looked at the patient.

The dwarf, who previously had a purple complexion, had now returned to his normal skin color. Although his face was still a little pale, some flush on the cheeks could be seen. Overall, he seemed just a little weak, not half-dead like before.

Yu Lei's eyes immediately widened and his mouth gaped in shock.

How long had he been unconscious?

Why was the dwarf, who was about to die, miraculously healed when he woke up?!

2264 Heavens, Save Me (4)

Yu Lei had no idea what was going on, but Bobo Bi had already attributed his father's recovery to Yu Lei. He excitedly came to Yu Lei's side and held his hand tightly. He was so excited that he couldn't even speak.

Yu Lei was embarrassed. He really didn't do anything...

"Master Bobo Bi, not only did Master Yuyu Lei save your father, but he also asked me to return the gold coins he asked for before." Shen Yanxiao stood up as she spoke, holding the storage ring that Bobo Bi had handed over to Yu Lei not long ago.

Yu Lei's eyes were about to pop out!

He clearly remembered that he had placed this interspatial ring in his pocket. How did it end up in her hands?

"What..." Bobo Bi looked at Shen Yanxiao in surprise.

Shen Yanxiao smiled and put the storage ring in Bobo Bi's hand and said, "Master Yuyu Lei is of noble character and unquestionable integrity. How could he charge you so much? He just wanted to test your filial piety to your father, so he asked for a high price just to test you. Now that your filial piety has been proved, Master Yuyu Lei naturally won't charge you these gold coins. Moreover, your father has just recovered, so keep this money for your father's health."

"Master Yuyu Lei?" Bobo Bi held the storage ring in disbelief and looked at Yu Lei.

Yu Lei's expression twitched. To hell with your noble character and unquestionable integrity! He just wanted to cheat some money and find a beautiful place to spend the rest of his life alone! God knew when this storage ring fell into the hands of this King Kong Barbie.

Yu Lei wanted to shake his head. He wanted to tell Bobo Bi that he didn't want to give the money back at all, but...

From the corner of his eyes, he could see Shen Yanxiao showing him a devilish smile. Even if Yu Lei had a hundred guts, he dared not refute Shen Yanxiao's words.

Yu Lei could only pull up the corners of his mouth with a stiff face and said, "Yes... That's what I thought. This money... Just take it back."

"Master Yuyu Lei, thank you so much!" Bobo Bi once again wept with joy. He was really a crybaby.

Watching Bobo Bi take the storage ring back, Yu Lei's heart broke into many pieces.

Why was this happening to him?!

It was not enough to be abused by a King Kong Barbie, but he also had to return his pension money!!

Oh god, please save him!

He simply could not live anymore!

Yu Lei, whose heart was broken into pieces, was in a trance. How he wanted to tell himself that none of this was real and that he was just dreaming.

"Bobo Bi, you take care of your father first. Master Yuyu Lei and I will go first," Shen Yanxiao smiled and said.

"Ah! Huohuo Xiao, where are you going?" Bobo Bi did not forget his friend who had provided him a helping hand at the most critical time. If Shen Yanxiao had not appeared in time, he would not have been able to pass Master Yuyu Lei's "test".

"Master Yuyu Lei said that I have quite a few internal injuries in my body, and he just examined them for me. It's quite complicated, so he wants to go back to my place of residence with me and help me slowly recuperate." Shen Yanxiao thought up a lie easily.

You won't die if you don't seek death. Yu Lei really wanted to slap himself in the face right now!

Who asked you to be greedy for money?

Now, not only did he not get a single penny, but he was also kidnapped by this violent King Kong Barbie. This King Kong Barbie was simply heartless!

“Alright, Huohuo Xiao, you must take good care of yourself. When you are better, you can come and find me in the Bobo Tribe. I must thank you and Master Yuyu Lei.” The simple-minded Bobo Bi did not notice that a certain quack on one side had tears streaming down his face.

2265 Metal Rod (1)

After saying goodbye to Bobo Bi, Shen Yanxiao took Yu Lei to the Alchemist Guild's event venue. Halfway there, Shen Yanxiao picked up her cloak again and wrapped herself up tightly.

“Where are you taking me...” Yu Lei asked in fear.

“Don't be afraid. I won't take you to those guys yet. I still have to wait for some companions. Before they arrive, follow me back to the Alchemist Guild's event site and stay there. I'm warning you, if you say anything you shouldn't say when we get there, wash your neck.” Shen Yanxiao narrowed her eyes and warned.

Yu Lei wanted to cry. Why was this guy so gentle to Bobo Bi, that naughty brat, but so cruel to him?

How could he know what to say and what not to say?

In a daze, Yu Lei was taken by Shen Yanxiao to the Puko's Alchemist Guild's activity venue. Pipi Ka, who had been waiting outside the gate, immediately greeted Shen Yanxiao when he saw her.

“Momo Xiao, you're back at last! The president thought you were lost and asked me to wait for you at the door.” Pipi Ka opened his mouth with a smile. Gege Lu was not afraid of Shen Yanxiao getting lost, but of Shen Yanxiao being discovered by Mimi Si.

“This is?” Pipi Ka noticed Yu Lei following Shen Yanxiao.

“This is a friend of mine. He has just arrived in the capital city and has yet to settle down. I saw that there are still many vacant rooms in our guild, so I called him to stay with me.” Shen Yanxiao said without blushing or stuttering.

Yu Lei muttered to himself.

Friends? When were they friends?

What friend would get beaten up for no reason and be exploited and threatened?

Also, what was the name of this King Kong Barbie? Why did her name change from Huohuo Xiao to Momo Xiao?

Yu Lei was full of questions, but he always kept Shen Yanxiao's warning in mind. He did not dare to open his mouth, so he could only smile at Pipi Ka.

"Welcome, welcome. We have a lot of rooms here. Feel free to stay." Pipi Ka was very hospitable.

Pipi Ka arranged a place for Yu Lei to stay. He was also kind enough to arrange Yu Lei's room directly next to Shen Yanxiao's, which made Yu Lei wish he could knock himself to death.

Since entering the room, Yu Lei had been warned by Shen Yanxiao not to leave without permission, or else he would be dead, so he could only obediently squat in the room.

Meanwhile, Shen Yanxiao followed Pipi Ka to see Gege Lu.

"Momo Xiao, did you see any interesting auction items?" Gege Lu finally breathed a sigh of relief when he saw Shen Yanxiao return safely.

"Nothing special. But there's one more thing I want to ask the president for a favor," Shen Yanxiao said.

"Don't be so polite. Just say it." Gege Lu was very casual.

Shen Yanxiao smiled and took out a brocade box from her storage ring. Gege Lu and Pipi Ka on one side immediately looked surprised.

They had seen this brocade box before. Wasn't it the one that contained the abyss mithril?

"I stayed at the High Clouds Auction House for a long time and didn't see anything good, but I heard from the president that this abyss mithril is a good material to make some metal rods. I don't know how to make it, so I wonder if the president can help me with it." Shen Yanxiao handed the brocade box containing abyss mithril to Gege Lu.

Gege Lu's hands began to tremble.

Abyss mithril!

It was really abyss mithril!

Gege Lu would never have thought that Shen Yanxiao would buy back this thing worth eighty million gold coins!
