

Goodnight 1001

[Chapter 1001](#)

1001 I'll make you suffer in silence

Lin Hanxing was expressionless as he poured bone-chilling cold water over the two of them!

A crash was heard ...

The man and woman, who had already reached the peak of their passion, were suddenly drenched like this, and their whole bodies shivered.

Lin Jiaojiao was the first to wake up, and her misty eyes gradually regained clarity.

He looked at everything in front of him with a dazed expression!

Why were there so many pairs of eyes looking at him?

Why were their eyes ...

Why was it so painful ...

Swelling?

Lin Jiaojiao's eyes widened as she slowly looked down!

"Ah!"

Screams escaped her mouth uncontrollably, and her mind went blank.

He crossed his arms in front of his chest, blocking the view of his body!

However, the mottled marks on his body could not be covered up!

From the beginning to the end, Lin Hanxing, who had his back to the crowd, only watched Lin Jiaojiao's final struggle with a cold gaze!

However, it was still not enough!

"Jiaojiao!"

Seeing her daughter in so much pain, Zhong Wan 'er was about to rush over and put on her clothes!

However, before he could get close, he was stopped by the expressionless mute uncle.

"Zhe Han!"

Mother he felt her temple throbbing!

His face was ashen!

He zhehan stared at Lin Hanxing's delicate little face with fire in his eyes, wishing he could tear her into pieces!

She must have known that they were plotting against her!

That's why he had planned all of this and waited for them to come!

Lin xiaojiu was toying with them like they were monkeys!

As if he had seen through he zhehan's thoughts, Lin Hanxing smiled at him with extreme ridicule.

She did it on purpose!

What could he do to her?

"He's strong ..."

Lin Jiaojiao's face was covered in tears and she was about to speak.

"Second young master he, cousin ..."

Lin Hanxing walked to the bed unhurriedly and pulled out a silk blanket from the bed, his voice cold.

even if the Lin and he families have the intention to form an alliance through marriage, they can't just ignore it on such an important occasion. Where are we going to put our face? "

As he said this, Lin Hanxing turned around and looked at Lin youlin.

It was meaningful.

Lin youlin was so angry that she almost crushed her teeth.

At this moment, even if she were to skin Lin Hanxing alive, she would not be able to dispel the hatred in her heart!

Marriage!

When did she say anything about an arranged marriage?

But now, even if the Lin and he families had never planned to do this, they could only swallow this bitter pill!

So many people!

So many pairs of eyes!

No one was stupid!

Even if she could only save a little face, she had to do this!

Moreover ...

When he signed the contract with the X group, the additional treaty clearly stated that 'there must be no problems that would harm the cooperation interests in the Jiangcheng cross-sea bridge project'. ..

There must be no accidents or scandals!

"It's inevitable that the children are young and impetuous. I wanted to announce their marriage after a while, but I didn't expect ..."

Lin Qianlin forced a smile on her face and placed her hand on the back of Mother He's.

Both of their hands were sweating.

Marriage?

Lin Jiaojiao's eyes widened in disbelief. He wanted her to marry this disgusting man?

"I ..."

Before she could say 'no', Lin Hanxing had already gracefully squatted down in front of her and wrapped the blanket around Lin Jiaojiao's body. The shock in his eyes was terrifying!

"Cousin, congratulations!"

Lin Jiaojiao's heart suddenly stopped, and she was consumed by anger.

Lin Xiaojiao was the one who should have been embarrassed!

Lin Xiaojiao was supposed to be the one who had her innocence destroyed!

On the carpet, the dots of red seemed to be mocking her for overestimating her own ability.

Lin Jiaojiao held her breath and suddenly ...

[Chapter 1002](#)

1002 Don't worry, the good show is yet to come

He reached out and wanted to scratch Lin Hanxing's face!

However, before she could get close, the latter had already grabbed her wrist tightly with a force that ordinary people could not imagine!

Lin Hanxing sneered at her.

Their gazes instantly became extremely cold!

"Cousin."

Lin Hanxing's nails dug into Lin Jiaojiao's wrist, and his voice was lazy and full of sarcasm.

It was as if he suddenly woke up.

Lin Jiaojiao's eyes were filled with fear.

He looked over Lin Hanxing's shoulder and looked at his parents as if he was asking for help!

"Jiaojiao ... Little nine, please let Jiaojiao go!"

Zhong Wan'er almost had an emotional breakdown, tears streaming down her face.

The mute uncle was still expressionless and indifferent.

Lin Hanxing ignored him.

He raised his other hand and slowly stroked Lin Jiaojiao's long hair, which was wet with sweat from the passion, and pushed it behind her ear.

"There are times in life that you must have, but there are no times in life that you can't force."

The cold and powerful voice sent a chill down everyone's spine!

The cruel smile on her face made Lin Jiaojiao burst into tears!

Lin Hanxing stood up.

With his back facing the two people who were still sitting on the carpet in a sorry state, he walked towards the guests.

The ice blue dress spread out gracefully.

It was in stark contrast to Lin Jiaojiao's defeat.

Very quickly, Lin Hanxing returned to Lin youlin.

"Aunt."

Lin Hanxing did not hide the mockery in his eyes, which made his eyes look even colder and more resplendent. It was hard to look away, as if he wanted to see how many more 'surprises' she had to offer.

They were not fools. Lin Hanxing's words just now were just to give the Lin family face.

"It seems like our Lin family is going to have another happy event!"

As if he didn't see Lin youlin's pale face, Lin Hanxing said this casually.

"Congratulations, little uncle and little aunt."

Lin yanshu's cheeks trembled.

Even now, he still did not have the courage to step forward and protect his wife and daughter.

Although it was within Lin Hanxing's expectations, she still sighed in her heart.

She waved her hand.

The mute uncle, who had been standing in front of Zhong Wan'er, finally moved aside. Zhong Wan'er rushed over and wrapped her daughter firmly with the bed sheet, tears streaming down her face!

Lin youlin's body was cold.

Mrs. He had already rushed to her son's side.

"Get off my son!"

Seeing that the two of them were still 'sitting', mother he was so angry that she wanted to eat Lin Jiaojiao alive!

Amidst the pushing and shoving.

He zhehan and Lin Jiaojiao suddenly let out a huge cry of pain at the same time!

Zhong Wan 'er and mother he's faces changed in fear!

"I ... I can't ..."

He zhehan gasped.

Upon hearing this, Mrs. He turned her hand and gave Lin Jiaojiao a tight slap!

Zhong Wan 'er didn't want to be outdone.

The two of them immediately started fighting without any regard for their image.

Lin Hanxing did not expect this at all, and the guests behind him wanted to laugh but did not dare to. They could only hold back their laughter, afraid that it would make the scene even more awkward!

However, the Lei family did not have such concerns.

pfft! mother Lei covered her mouth and laughed out loud. She gave Lin Hanxing a thumbs up!

She had really worried for nothing just now!

Lin Hanxing winked at mother Lei, and while the guests' attention was on the young man and woman, she suddenly leaned over and whispered into Lin youlin's ear.

"Auntie, don't worry. The good show is yet to come."

Lin Hanxing's voice was melodious, but it made Lin youlin's hair stand on end!

"What do you mean by that?"

Inexplicably, Lin youlin thought of her eldest son, Luo Wenbo, whom she had not seen since just now ...

In the next second, screams rang out again!

[Chapter 1003](#)

1003 I won't let off anyone who schemed against me

"What have you done?!"

Lin qianlin's heart beat like a drum, and she turned to look at Lin Hanxing.

"What can I do?"

Lin Hanxing did not answer but asked a question instead. The mole at the corner of her eye looked charming under the light.

"Where's Wenbo? I'm asking you, where is Wenbo?"

Lin youlin's scalp went numb. No matter what stupid things Luo Wenbo had done in the past, he was still her and Minghao's eldest son. She had always only considered letting him manage the Lin group!

He reached out and held Lin Hanxing's arm, his eyes pleading.

Lin Hanxing only looked down at Lin youlin's hand.

There was an indescribable coldness in his eyes.

"Aunt, it's such a pity,"

As he spoke with regret, he reached out and slowly pressed down on Lin youlin's wrist.

"I won't let off anyone who schemed against me."

Lin Hanxing's tone was soft, but it was as heavy as a rock. Lin youlin felt her whole body turn cold.

It was as if the bucket of cold water had been poured on him.

"I think Auntie should go and take a look ..."

Lin Hanxing sneered coldly and reminded him 'out of goodwill'.

"Cousin's wonderful curtain call!"

.....

Lin Hanxing stood where she was, watching Lin qianlin's back. She wasn't in a hurry to go over.

Bai Xi walked out from the dark.

There was no trace of disorder on her body, and she was beautiful and moving.

Lin Hanxing met her gaze.

Bai Xi nodded his head and forced a smile.

Lin xiaojiu!

In the guest room, he zhehan angrily shouted at Lin Hanxing.

The latter was too lazy to even spare him a glance.

"Let's go," he said.

Lin Hanxing said indifferently.

She walked towards Luo Wenbo's room at the other end of the corridor, elegant and Noble.

Bai Xi, Jiang Xibao, and the mute uncle were standing behind her.

Luo Wenbo's door was crowded with people.

It was the servant who had screamed.

At this moment, he was sitting on the floor in fear and weakness.

It was different from just now.

Everyone's eyes were wide open and their faces were pale with fear.

When they heard the sound of Lin Hanxing's high heels behind them, they subconsciously opened up a path for her to walk through.

On the bed in the room ...

Luo Wenbo was half-kneeling, his hands strangling someone's neck.

Ruthlessly, he pinched her to death.

He was still madly shouting that there were ghosts.

At first glance, it was not a state that a normal person should be in.

The bloody scratch marks on his face clearly showed that he had struggled for a while.

"Big brother!"

Luo Wensu rushed forward and tried to pull Luo Wenbo away, but when he looked down and saw the face he was holding by the neck, he sucked in a cold breath and subconsciously turned to look at the door.

Lin youlin's heart turned cold when she saw her son's expression.

He didn't have the courage to step forward!

"Men! Pull the young master away!"

Luo Minghao was burning with anger!

"Susu ..."

All of a sudden, Cheng Lingyun let out a shrill cry, causing everyone's hair to stand on end!

Susu?

Could it be ...

At this moment, the person lying on the bed with young master Lin's hand around his neck ...

She was Cheng Lingyun's daughter ...

The yuan susu who had heart disease since she was young?

How did the two of them end up together?

"Brother Yuan, that's susu!"

Cheng Lingyun suddenly grabbed Yuan shaojing's arm, her tears pouring out.

Even though he had expected this outcome ...

However, Yuan susu was her biological daughter, after all. It would be a lie if she said that she didn't feel any pain in her heart.

"Ah hai!"

Yuan shaojing's voice was low, and uncle hai, who was beside him, rushed over without a word.

He lifted his leg and kicked Luo Wenbo in the stomach.

Luo Wenbo's entire body flew out like a broken kite.

Then, uncle hai lifted Yuan susu up horizontally!

[Chapter 1004](#)

1004 I just want to ask you for something

Unfortunately, Yuan susu had already lost all her life!

The moment uncle hai picked her up, her four limbs drooped down like a puppet with broken strings.

The slanted face looked straight at the guests, and they screamed in shock!

He died with his eyes wide open!

Maybe because she was struggling too hard, the blood vessels in her eyes were all broken, and her eyes were red.

Cheng Lingyun didn't know if it was just her imagination, but she felt that Yuan susu was looking at her fiercely.

"Isn't this what you want?"

Suddenly, he heard a sound.

It was very small, but very clear.

Cheng Lingyun turned around and saw Lin Hanxing standing behind her!

There was a faint smile in her eyes.

But it was filled with wisdom that could see through everything.

"Now, I'm the only one who knows your secret!"

Cheng Lingyun felt as if all the blood in her body had frozen, and she couldn't make a sound.

Lin Hanxing was still smiling.

However, in Cheng Lingyun's eyes, he was even scarier than no smile.

"You ..."

"Don't be afraid, I just want to ask you something."

The sound of an ambulance was heard from the guests, and everyone picked up their phones reflexively.

The scene was chaotic.

Cheng Lingyun subconsciously looked at Yuan shaojing.

When he saw Yuan shaojing walking towards ah hai, he spoke with a tense expression.

“What do you want? Money?”

Lin Hanxing raised his eyebrows when he heard Cheng Lingyun’s words.

“I can give you as much money as you want ...”

Before Cheng Lingyun could finish, Lin Hanxing impatiently interrupted her.

“I want si Nian’s heart!”

All of Cheng Lingyun’s words were stuck in her throat, and her eyes were indescribably depressed.

hahahahahahahahaha ...

Suddenly, Luo Wenbo’s smile, which had lost its mind, filled the room. His ferocious expression frightened everyone!

“You’re already dead! I killed him!”

This roar was really confusing, but the next moment, Luo Wenbo pushed his brother away and ran downstairs!

“Send people to follow them! Don’t let anything happen!”

Lin Hanxing’s words were neither warm nor cold, and soon, some guests who wanted to watch the show followed him down.

Bai Xi couldn’t help but tremble.

She knew.

The answer she had been waiting for all these years was finally here.

Her sister ...

“Tonight’s show was too much for the eyes to take in.”

In the corner, elder Zheng couldn’t help but sigh.

He had heard about the Lin family’s incident back then, but now it seemed ...

There was probably something else going on!

The security guard, Xiao Zhang, followed master Yan closely, paying close attention to his attitude.

To his surprise ...

Master Yan usually hated these kinds of shady things the most, but today, he paid attention to them without a sound. It seemed that master Yan’s attitude towards miss Lin had been unusual since the day he returned from Y. R.

Lin Hanxing looked down and happened to meet Yan beiming’s eyes as he entered through the side door.

The latter gave her an “OK” gesture.

“Bai Xi, I’ll give you a perfect answer to what I promised you back then.”

Lin Hanxing’s voice was calm.

For some reason, it calmed Bai Xi’s Restless Heart.

“Your sister is waiting for you.”

Lin Hanxing slowly reached out his hand to Bai Xi, his long and slender fingers making Bai Xi’s eyes burn.

“I know,”

I’ve been looking for her.

My sister.

White rain.

.....

Downstairs.

Even though it was already winter, the flowerbed was still well-maintained and soft.

The guests who followed Luo Wenbo looked at him from afar as he dug the soil of the garden like a madman, as if he wouldn’t stop until he found something. And inside ...

What was he hiding that made him so obsessed with it?

[Chapter 1005](#)

1005 The burial ground

“Stop him!”

Realizing what he was digging, Luo Minghao roared.

It caused one’s body to tremble!

He was getting more and more curious about what Luo Wenbo was desperately digging.

They had thought that they were just here to attend an ordinary dinner party, but the moment Lin Hanxing appeared, the dinner party became full of excitement, as if they would miss a great show if they were not careful!

Suddenly, a whistle sounded not far behind them.

It was like the chirping of birds in the night, melodious and melodious.

Before the guests could turn around, someone had already swarmed over silently and blocked everyone outside.

“I really want to see what secret cousin brother is hiding here!”

Under the bright moonlight, the three thousand diamond shards on Lin Hanxing's body shone like stars.

"Lin xiaojiu!"

Luo Minghao shouted at her deafeningly!

"I'll see who dares to bully my daughter-in-law!"

Father Lei also roared like a lion that had just woken up. It was an unspeakable shock!

"Ah ..."

Suddenly, the daughter of a famous prostitute covered her mouth and screamed.

It cut through the night sky.

It caused a commotion!

As these words fell, an even greater commotion was brewing behind.

Luo Wenbo was pulling at it with his hands as if he had gone crazy.

Even though his fingers were bleeding and filled with soil, he did not show any signs of stopping!

"Bones ... Human bones!"

Luo Wensu, who followed closely behind, suddenly widened his eyes. Not only him, but the Lin family members and even the servants around him also widened their eyes in disbelief. They just stared blankly at the hole that had been dug out in the flower garden ...

There, a corpse that had obviously decayed into white bones lay quietly!

Her scream echoed through the night.

"Hehe ... I've already killed you!"

It was freezing cold, but Luo Wenbo was still able to fish out the head of the skeleton with his thin clothes!

"Bastard!"

The moment the head was picked up, Bai Xi's eyes immediately burst into tears!

All the suffering and grievances she had suffered over the years had turned into anger that was about to kill her!

This was her sister!

Back then, in order to support her studies, she had no choice but to go to a nightclub to serve tea. However, because Luo Wenbo had taken a fancy to her, she disappeared overnight!

Her world had completely collapsed from that moment on!

Father Lei shielded mother Lei behind him, frowning as he looked at the scene.

Lin Hanxing remained silent.

He looked down at the scene from above.

No one knew what she was thinking, but there was a dangerous glint in her eyes.

He looked at the mute uncle.

The mute uncle immediately turned on the recording device.

“Who is she?”

Lin Hanxing said coldly after a while.

“Hehe, it’s Bai Yu!”

“Shut up, shut up!”

Luo Minghao didn’t know what was wrong with his eldest son. It was as if he had been bewitched!

“How did she die?”

Lin Hanxing ignored Luo Minghao’s angry roar and continued to ask.

“Drugged ... I slept with her ... She woke up and said ... She wanted to call the police ...”

The originally chaotic screams gradually disappeared. Everyone just looked at the man who had picked up the white bone in his hand.

He shuddered in fear!

“What happened after that?”

The calmness in Lin Hanxing’s voice seemed to blend in with the cold wind of winter.

“I took some medicine ... So I beat her up ...”

“She’s not good ...”

“I’ll cut off her ... Pinky ... As a warning ...”

“Hehe ... Soak in ...”

“Soak it in the extra Terry ... Tell her to drink it ...”

Bai Xi couldn’t help but tremble. Even though he could already imagine his sister’s painful death, when he heard it with his own ears ...

She was still on the verge of a mental breakdown!

[Chapter 1006](#)

1006 Bai Yu’s death

“What happened after that?”

Lin Hanxing's cold voice was clearly heard by everyone.

"I fed her ... Medicine ... She cried ... And begged me ..."

Luo Wenbo's expression was ferocious and his eyes were crazy.

Due to the effects of the medicine, the blue veins on his forehead were clearly entrenched on them!

"Hehe ... Drink the wine ..."

I didn't expect her to ... Have a drug reaction ... Vomit ...

Luo Wenbo laughed, his pupils dilated, but the words he said stunned everyone!

Yingluo knew what happened back then!

So, this was the reason why Zhao Xijing had distanced himself from Luo Wenbo and he zhehan?

Lin yanshu felt a chill down his spine.

He couldn't help but recall the last words that Zhao Xijing, the eldest son of the Zhao family, had said in the corridor outside the emergency room.

If little 9th had known about the whole thing back then, then everything that happened tonight ...

"Drugging, rape, intentional injury, and causing death ..."

Lin Hanxing looked at the parterre.

No one would have thought that a young life would be lost here.

This was the real burial ground!

"I forgot, Yuan susu is also here!"

Even if the lawyer could argue that Luo Wenbo had recorded the testimony in his delirious state and couldn't be considered evidence in court, then everything that had happened in his room ...

It was enough to convict Luo Wenbo!

"Let's call the police,"

Lin Hanxing said coolly, as if he didn't see Lin qianlin's body crumpling to the ground as if her bones had been pulled out.

Tears rolled down Bai Xi's cheeks.

In the corner, Lu bingde had been watching her.

"You can't call the police ..."

This was the only thing that Lin youlin could say, but no one responded to her.

Rong Shiyu handed the phone to Bai Xi.

She felt that Bai Xi should be the one to call the police.

Lin Hanxing turned around slowly and looked at Lin yanshu and Lin qianlin, one after another, until his eyes fell on Luo Minghao's face.

With a cold smile on her lips, she walked towards him.

Luo Minghao looked at that exquisite face, but he had never wanted to strangle him so badly before!

Or perhaps ...

He should have strangled her back then!

"Luo Mingwei, Luo Ruyin, Luo Wenbo ..." He said.

Lin Hanxing spoke in a volume that only the two of them could hear. The playfulness and mockery in her cold eyes made the Lin family's hearts jump. It was as if she would open her mouth and swallow them up in the next second!

"Uncle-in-law, what do you think about the next ..."

"Who is it?"

Lin Hanxing said this very slowly.

The cold night wind blew over everyone's heart.

Under the fluorescent light, Lin Hanxing's Silver Lotus eyes, which he had inserted into his hair, flashed with a silver light.

It was just like her smile ...

The feeling it gave people!

.....

The dinner party ended with the sound of sirens.

Red and blue lights illuminated the entire night sky!

Lin Hanxing stood on the spot, watching Luo Wenbo being held by the police.

He didn't know if it was an accident or coincidence.

It was still the same group of people who had taken Luo Ruyin away last time.

It was still the same old policeman with deep eyes.

"I didn't expect the Lin family to be in trouble again."

The old policeman's words had a lot of meaning.

Lin Hanxing, on the other hand, did not hide anything and looked him in the eye.

"Yeah, who would have thought?"

He casually said.

But it gave people an indescribable sense of ridicule.

his condition isn't normal, that recording might not be able to be used ...

"Miss Yuan is a G National."

Before the old policeman could finish, Lin Hanxing smiled. It seemed like a simple sentence, but it made the other party's expression change greatly!

That's right!

Yuan susu was a G-citizen, so she was considered a foreigner!

[Chapter 1007](#)

1007 Lin Hanxing, how dare you

If a foreigner died an unnatural death in China, it was necessary to inform the consulate and the Ambassador in China. This was a foreign incident!

It could not be simply mixed up with ordinary criminal cases.

The old policeman who came back to his senses looked at Lin Hanxing with a complicated expression.

Her name had already resounded throughout the major police teams.

Luo Mingwei, Lin Jiaojiao, and now Luo Wenbo ...

The Lin family's younger generation had almost been completely wiped out. Hearing that something had happened to Lin Jiaojiao tonight, it was really ...

"You've already ..."

When he said this, the old policeman hesitated.

He knew that he shouldn't have asked, but he still asked!

"I'm not an immortal, how can I predict the future?"

Lin Hanxing looked at him.

Her smile was so elegant that no one could find any mistakes.

Her delicate face was immersed in the red and blue police lights, giving people an indescribable sense of charm.

More than three thousand rhinestones on the ice-blue dress were shining with Starlight.

Her Lotus-like arms were exposed.

She was unbelievably beautiful.

At some point in time, the night was covered in fog, making it look like a Fairyland.

The next second, a suit jacket covered Lin Hanxing's body.

He turned around.

The Thunder valiant beast appeared out of nowhere.

The lines on his unforgettable cold face were as deep as a knife.

It would bring supreme authority!

He glanced at the old policeman.

The latter's heart skipped a beat.

Young master Lei's gaze was indeed not something that an ordinary person could withstand.

He laughed.

The old policeman found an excuse and left.

"You've scared him,"

Lin Hanxing looked up at Lei Xiao and stretched out his hand to smooth his collar.

"You're coming home with me tonight?"

Lei Xiao looked down at Lin Hanxing, who was wearing his suit jacket, and there was a gentleness in his deep and cold eyes.

"You guys go back first."

Seeing Lei Xiao raise his eyebrows in displeasure, Lin Hanxing chuckled.

"There's still some things to wrap up."

Lin Hanxing pointed his chin in the direction of the Lin family villa, looking very cute.

"What is it?"

Lin Jiaojiao and he zhehan's marriage!

What's more, he zhehan was also one of the main culprits of the Bai Yu incident.

He couldn't have really thought ...

Would she let him off so easily?

"I'll go with you."

Lei Xiao's voice was low as he raised his head to look at the Lin family's Villa that was gradually being shrouded in fog.

Lin Hanxing smiled and shook his head.

"Be good, go home and wait for me."

Lin Hanxing stood on his tiptoes and gave him a light Peck on the lips.

The yuan brothers and Zhu chengdi happened to witness this scene.

Yuan hou and Zhu chengdi's eyes dimmed.

Anyone could feel that the atmosphere between these two people was one that no one could interfere with.

"My daughter-in-law!"

Mother Lei lifted the hem of her dress and ran over in her high heels. Lin Hanxing was afraid that she would fall.

"Miss Lin's solo show tonight was really wonderful!"

Suddenly, a mocking voice came from not far away.

Zhong Xueqing walked over with Fang Mengran, her steps like a blooming hibiscus.

As he spoke, he clapped his hands.

It made a clear sound.

Mother Lei quickly stood beside Lin Hanxing and raised her head to look at her.

The other members of the Lei family also quickly arrived behind them.

there's just one thing I want to remind miss Lin out of goodwill.

When she heard Zhong Xueqing's sarcastic words, mother Lei grabbed Lin Hanxing's arm and suppressed her anger.

On the other hand, Lin Hanxing laughed as he patted the back of mother Lei's hand.

"I'm all ears,"

"Your surname is Lin after all, and you are bound together with the Lin family for good or bad. How rotten the Lin family is is your own business, but don't you think it'll affect the Lei family by shamelessly spreading your arms in front of so many people?"

Zhong Xueqing said.

He looked at Lei kangnian!

"Zhong Xueqing, you ..."

Mother Lei couldn't stand her arrogant tone when she spoke to Lin Hanxing.

"I'm talking to Lin Hanxing!"

Zhong Xueqing glanced at mother Lei, Zhong Nanyin, and then her eyes fell on Lei Xiao.

It seemed to be warning her about something.

The fourth young master of the Lei family, Lei Jue's face darkened.

Among the four young masters, his temper was already the worst.

Although he had restrained himself for the sake of Yuan Bao all these years, a person's temperament was still deeply buried in their bones no matter how hard they tried to hide it.

However, before Lei Jue could flip out ...

Lin Hanxing's side had already taken action.

She walked towards Zhong Xueqing.

In the fog, the sound of high heels stepping on the ground was extremely dull.

Fang Mengran, who hadn't said a word from beginning to end, felt her heart skip a beat.

Everything that happened tonight was deeply imprinted in her heart.

Yingluo, you can't win against her!

Zhenzhen-don't try to get into that girl's heart.

Yingluo, that girl, ate people without spitting out the bones!

At that time, every word her grandfather said was deeply engraved in Fang Mengran's mind.

Why did her mother have to come and provoke her?

Very quickly, Lin Hanxing stood in front of Zhong Xueqing and looked at her with a mocking smile.

"Can you repeat what you just said?"

An overwhelming and powerful aura came from all directions.

Zhong Xueqing's breathing suddenly stopped!

However, before she could speak, her chin was already clasped by a pair of strong and slender hands.

The force was great.

Her fingertips sank into her flesh.

"What?"

Lin Hanxing looked at Zhong Xueqing's beautiful face that had been deformed by his hands, but there was no pity in his eyes!

Zhong Xueqing was forced to raise her head and look at her.

"Zhong Xueqing, I really don't like the way you speak to mother Lei!"

Her thin fingers were bent, and her joints were white from the force she used, but her expression was dangerous.

"If I destroy the Lin family, then so be it. What does it have to do with the Lei family?"

Lin Hanxing's voice was so arrogant that the guests who had not left the venue could feel it for themselves.

Zhong Xueqing was in pain.

But no one dared to step forward.

"Mom ..."

Fang Mengran tried to save her, but before she could reach out, Lin Hanxing's cold eyes swept over ...

She froze on the spot!

"Lin Hanxing, How dare you!"

A thunderous roar sounded. Han Boming, who had searched for old general Yan but could not find him, came back and happened to see this scene!

"Impudent?"

Lin Hanxing laughed when he heard this and looked up at Han Boming.

"I thought Mr. Han had already seen the more presumptuous side of me."

Han Boming choked on his words and didn't speak for a long time.

"I'll give you two options. Either you apologize to mother Lei now, or ..."

Lin Hanxing no longer looked at Han Boming and said to Zhong Xueqing with a smile, but his eyes were very cold.

"I'll teach you a lesson!"

Lin Hanxing's smile disappeared as soon as he finished speaking.

"Boming ..."

Zhong Xueqing was in so much pain that her tears were about to fall.

"Ah Xiao, is this the woman you picked? Do you still have any respect for your elders?"

Lei Xiao raised his head and looked at Han Boming.

"Uncle Han has no right to tell me what to do with my woman."

His already low voice now had an even more unquestionable Majesty, suppressing people to the point of suffocation.

Upon hearing Lei Xiao's words, Han Boming was furious.

"Zhong Nanyin, aren't you afraid that I'll tell others about that matter?"

Suddenly, Zhong Xueqing shouted.

Mother Lei's expression changed.

“Hehe.”

Lin Hanxing looked at Zhong Xueqing coldly and laughed in anger.

[Chapter 1008](#)

1008 Let's see who has more leverage

“You're threatening mother Lei right in front of me?”

Lin Hanxing used a little force and turned Zhong Xueqing's face to look at him!

The cold temperature of his fingertips shocked the latter.

Lin Hanxing was even more terrifying than before!

“Good! Very good!”

In the next second, a crisp slap was heard. Zhong Xueqing did not even have time to react as she was stunned on the spot!

Then, a sharp pain came from his left cheek ...

She suddenly realized that she had been slapped by Lin Hanxing in front of so many people!

“You ...”

Zhong Xueqing could only feel her blood boiling, her eyes burning red from anger.

He was going to teach Lin Hanxing a lesson!

But before he could get close, there was another crisp sound, and the right side of his face was not spared!

Zhong Xueqing's face immediately swelled up.

“I what?”

Lin Hanxing suddenly opened his hands and grabbed the bun on the back of her head. He pulled hard, and she could even feel the hair breaking.

“Lin xiaojiu!”

Seeing that Zhong Xueqing was being bullied by Lin Hanxing, Han Boming's roar shook the sky.

“If you say one more word of nonsense, I'll kill her right now!”

Lin Hanxing turned his head slowly.

Just like that, he kept all the emotions on his face and spoke with a cold and expressionless face.

There was even a fiendish aura in his eyes.

She was not joking!

Everyone present could feel the warning in Lin Hanxing's words.

She really dared to do such a thing!

“Zhong Xueqing, you should be glad that I’m in a good mood today!”

Lin Hanxing leaned close to Zhong Xueqing’s ear and said this in a cold voice.

If it was in the past ...

“Let me go ...”

This time, the tears in Zhong Xueqing’s eyes really fell.

“I’ve seen it clearly!”

Lin Hanxing forced her to open her eyes and looked in the direction of the Lei family.

“Everyone who is standing there, take a good look at them!”

Her voice was cold.

It was as if this was how Lin Hanxing should have been.

It was the same as before he met the Thunder valiant beast.

“Put away your little thoughts and I can still spare your life. But if what happened today happens again ...”

Lin Hanxing smiled cruelly.

His eyes were as dark as the night.

Her long, black, feather-like eyelashes trembled slightly, hiding the danger in her eyes.

“Then let’s see who has more leverage in their hands!”

Lin Hanxing laughed sarcastically as he pushed Zhong Xueqing to the ground.

After a dull thump.

Zhong Xueqing fell to the ground in a sorry state, her entire body trembling!

Han boming quickly stepped forward and held Zhong Xueqing in his arms, then put his suit jacket on her.

It blocked the view of the guests who had not left.

Lin xiaojiu, you’re too arrogant!

Thinking of his daughter who was still lying in the hospital, han boming looked at Zhong Xueqing, who was trembling in his arms, and said gloomily.

He pointed at Lin Hanxing.

“So what?”

Lin Hanxing’s long eyelashes trembled as he asked.

"I'm arrogant because I have the right to be arrogant!"

She curled her lips slightly.

The confidence and confidence in his words were self-evident.

I heard that miss Han's shoulder was severely injured, and it's impossible for her to pick up the recurve bow again.

Lin Hanxing spoke in a voice that only the two of them could hear.

"You're the one who harmed mingmei!"

"Wrong! It was Zhao Dongyang who harmed miss han. If you want to blame someone, blame the Zhao family!"

The guests not far away couldn't help but whisper when they heard this.

Those who didn't know the inside story at first now had a general idea.

"If you hadn't dodged at that time, that arrow should have been shot at you!"

Han boming did not give up.

Upon hearing this, the people around them suddenly felt that the Han family's words were a little too unreliable.

Why didn't he Dodge?

"Oh? I dodged because I wanted to save elder Yue's granddaughter. According to Mr. Han's words, this person ... I saved the wrong person?"

Lin Hanxing's eyes swept across a place not far away.

Very quickly.

The wind blew past traceless.

"Right! You should save our Ming Mei first!"

Han boming blurted out!

"I see."

Lin Hanxing said meaningfully, looking behind han boming!

At some point, the guests who were still talking at the side fell silent.

He seemed to have a premonition.

Han boming's heart skipped a beat.

He raised his head and looked behind him.

He didn't know when elder Yue and elder Zheng were standing there!

Thinking back to the conversation she had with Lin xiaojiu, she ...

She had actually set a trap for herself!

“Elder Yue ...”

Han boming couldn’t care about anything else, and he hurriedly tried to round up his words.

However, everything had happened too suddenly, and his mind was blank.

“Little Lin, come here!”

Elder Yue and elder Zheng didn’t even look at han boming, and the latter just waved at Lin Hanxing.

Lin Hanxing lifted the hem of her dress and walked over.

Only when he passed by han boming did his footsteps stop slightly.

“I forgot to tell Mr. Han ...”

Lin Hanxing said indifferently, his face cold.

“I hate it when people point their fingers at me!”

.....

“You! You’re young and full of vigor!”

Even though he said that, elder Zheng did not look unhappy at all. Instead, he was as happy as if he had found a treasure.

“Did old general Yan go back first?”

She really did not expect old general Yan to come. Their friendship had not reached that stage.

I’ve already urged the Public Security Department to deal with this abominable intentional murder seriously, not to mention that it also involves foreigners. Elder Yue’s expression was slightly serious, obviously not intending to let Luo Wenbo go.

His crimes were simply outrageous!

He paused here and looked at Lin Hanxing.

“Elder Yan’s temper is a little strange, and it’s hard to guess, but ...”

As he spoke, he touched his sleeve.

“Two days later, elder Yan would like to invite you to the main courtyard.”

Lin Hanxing did not say anything.

Did old general Yan invite her to the courtyard?

They shouldn’t have had any interactions, right?

“What’s the reason?”

Lin Hanxing asked after hesitating for a while.

"To be honest, we don't know either."

Elder Yue shook his head and smiled bitterly. Elder Yan was famous for his temper, who could guess it?

"I know."

this is the address and the phone number of the guards. Call them directly when you arrive and let them in.

After handing her the contents with the address and phone number, elder Yue smiled and shook his head at her. Fortunately, he had sent little grape and Yuan Bao back in advance. Otherwise, tonight's events would be really not suitable for children!

"Let's go, ah Xiao is still waiting for you."

If he had not seen it with his own eyes, Yue Guanqian would never have thought that the man who had the most stone-hearted subordinates would actually be so docile in front of the Lin girl. What a change of fortune!

The group returned to the Lei family.

"You guys go back first. I'll go home as soon as I'm done here."

Lin Hanxing adjusted mother Lei's shawl for her, his eyes gentle.

There wasn't a trace of the hostility from earlier.

"Didn't you settle it? What else is there?"

Mother Lei looked at her, unwilling to let go.

As soon as he finished speaking, Jiang Xibao walked over.

"Lin Jiaojiao has woken up."

Lin Hanxing smiled and turned to look at mother Lei.

"Isn't that what happened!"

[Chapter 1009](#)

1009 She had to get married, whether she wanted to or not

When Lin Hanxing stepped back into the villa, everyone's eyes were on her!

All of them looked like they wanted to eat her up!

"I'm very timid when you all look at me like this!"

Lin Hanxing chuckled.

No matter how he heard it, it sounded sarcastic.

Luo Minghao and Luo Wensu went to the police station, leaving Lin youlin behind.

Lin Jiaojiao and he zhehan had clearly woken up.

The former looked like he was about to die while the latter looked gloomy. However, when Lin Hanxing entered, their eyes were bloodshot.

“She’s the one who harmed me!”

“She was the one who drugged me!”

Lin Jiaojiao’s body went limp after her first time. Although she had already put on her clothes, the humiliation was still engraved in her bones!

After tonight.

Everyone in Jiang city would know that she was shamelessly hanging out with second young master he without any clothes on!

It should have been the Thunder valiant beast!

Why did he become he zhehan?

Her first time ...

Why couldn’t he escape from this bastard!

Zhong Wan ‘er had been crying for a while, but she was still furious when she heard Lin Jiaojiao’s accusation.

Even though she was usually afraid of Lin Hanxing ...

But now, she really wanted to kill her!

Lin xiaojiu had ruined Jiaojiao!

“Why? Little Jiu, what have we done to you?”

Zhong Wan ‘er’s nasal voice was extremely heavy.

“What did you do to me?”

Lin Hanxing repeated this sentence over and over again. His eyes were so deep that they were bottomless, and for a moment, they were cold.

“Why don’t you go ask your good daughter?”

As she spoke, she walked to the main seat of the sofa and sat down, not even paying attention to Lin youlin.

They had already shed all pretenses of cordiality anyway.

Why play some fake family game?

“After all, I gave her a chance.”

Lin Hanxing chuckled.

She was a very fair person. Before setting up a trap, she would give people one last chance.

If the other party was tactful ...

In that case, he would punish her with a small punishment.

However, if the other party didn't know what was good for them ...

No matter how others schemed against her, she would never be soft-hearted!

Jiang Xibao and the mute uncle were standing behind Lin Hanxing.

Young master he, he Chengyu, was sitting on her right.

He did not leave after the banquet.

"Little Jiu, you're too ruthless!"

Lin yanshu took a few deep breaths before he could suppress his burning anger.

He couldn't help but think.

Big brother and sister-in-law were such good people, how could they give birth to such a cruel and violent daughter like little 9th?

When she was young, she ...

Lin Hanxing turned to look at his uncle.

"Ruthless?"

Lin Hanxing's long eyelashes fluttered. Although he was still smiling, his eyes seemed to be covered in a layer of frost!

He held his cheek with one hand.

Lin Hanxing said lazily.

"I can't afford that."

As he spoke, Lin Hanxing exchanged glances with Lin Jiaojiao.

Her face, which was as pure as a little white flower, was filled with bone-deep hatred.

Why wasn't she the one who fell for it!

Why?

"I can't be as ruthless as your daughter!"

"Shut up!"

Lin youlin suddenly exploded, she picked up the empty teacup on the table and threw it at Lin Hanxing!

However, before the teacup could even get close to Lin Hanxing, she had already raised her hand and grabbed it with precision without any expression on her face. There was not even the slightest deviation!

The small teacup in Lin Hanxing's hand turned in a fancy way.

She was playing with it.

Compared to Lin youlin, mother he was in a better state, except for her livid face.

After all, he zhehan was a man.

The world was always harsh to women and tolerant to men.

But ...

But what made her heart burn the most was ...

She looked at he Chengyu with a dark expression and an unspeakable fear spread in her heart.

Back then, for various reasons, she and Zhe Han had not been able to get he Chengcheng's shares even after he had gotten into that kind of situation. Now, he even had to add in the 10% Lin xiaojiu had given him ...

He Chengyu was trying to suppress his son!

"Aunt, I advise you to listen to what I have to say, otherwise ..."

Lin Hanxing gave him a cold side glance that was as sharp as a knife that could not be ignored!

"You will regret this!"

"The thing I regret the most is bringing you back to the Lin family!"

Lin qianlin's voice was forced through gritted teeth.

Upon hearing this.

Lin Hanxing laughed as he threw the teacup in his hand into the air.

Jiang Xibao took the teacup almost reflexively, and there was a crack ...

The originally intact teacup was broken into several pieces by her!

"Aunt, you're wrong."

Lin Hanxing's voice was cold as he deliberately corrected her.

you're not the one who's bringing me back to the Lin family. I'm the one who's taking the initiative to look for the Lin family!

Upon hearing this, the Lin family members gasped at the same time.

So, Lin Hanxing had admitted that she ...

Was she the one who had planned everything?

you know better than anyone what happened eighteen years ago.

Lin Hanxing said calmly.

However, the more she acted like this, the more the Lin family feared her!

“You don’t want to marry second young master he?”

Lin Hanxing turned to look at Lin Jiaojiao, his eyes full of thought.

“I’m not getting married! I definitely won’t get married!”

Lin Jiaojiao said like a crazy person.

She absolutely did not want to waste her entire life on a piece of trash!

“It’s a pity that you’ll have to marry him no matter what!”

Lin Hanxing sneered.

It was as if Lin Jiaojiao’s final struggle had pleased her.

“Back to the main topic.”

Lin Hanxing gestured to the mute uncle behind him without turning his head.

Very quickly, the mute uncle came out with a mug!

There was a muffled thud as he placed the mug on the table.

“This ... Cousin, you’re not unfamiliar with this, right?”

The mug!

Lin Jiaojiao’s body, which was still sore and in pain, suddenly stiffened, and her whole body was shivering.

She went to look for him later.

The one that Luo Ruyin had always placed on the bed!

She was the one who had drugged her!

“When are you going to stop being mysterious?”

Now, as long as Zhong Wan ‘er closed her eyes, she could imagine her daughter sitting on he zhehan’s back and forth.

That was simply a nightmare!

“This cup was originally placed on Luo Ruyin’s bed.”

“Ever since Luo Ruyin’s accident, I’ve taken her away,”

Lin Hanxing's voice was heard by everyone.

It was cold.

Everyone's heart turned cold.

How did Luo Ruyin get involved?

Lin youlin's eyes widened. What was she trying to say?

"Luo Ruyin went crazy because she was drugged."

The next second, when Lin Hanxing blurted out this sentence, Lin youlin was stunned and stood up suddenly!

"It's you!"

He was about to pounce over!

"Unfortunately, it wasn't me."

Lin Hanxing's expression was filled with regret.

As she spoke, she raised her hand and pointed in Lin Jiaojiao's direction.

"Cousin, do you have anything to say?"

Lin Hanxing seemed to be smiling, the mockery in his voice was obvious.

Following the direction of her finger, everyone's eyes turned to Lin Jiaojiao, especially her mother, Zhong Wan 'er, who was beside her. She simply couldn't believe her ears!

What did Lin xiaojiu just say?

She said that Jiaojiao had poisoned Ruyin?

No, this was definitely a false accusation!

It can't be true!

She didn't believe it!

[Chapter 1010](#)

1010 I want you to be unable to explain yourself

Lin Jiaojiao broke out in cold sweat.

Especially when she saw her aunt's murderous gaze, she almost broke down!

Lin xiaojiu, why are you so evil? "

Zhong Wan 'er would never believe that her usually obedient and lovely daughter would do such a thing!

"Even if there's a conflict between us adults, why did you have to involve Jiaojiao? she's still a child!"

Zhong Wan 'er's tears fell down.

"Between us adults? A child?"

Lin Hanxing raised his eyebrows and looked at his aunt. Compared to the latter's sadness, the smile on her face was as ironic as it could get.

"I think little Auntie misunderstood something!"

Her voice was cold.

The coldness was mixed with some other emotions.

my parents are of the same generation as you. If Lin Jiaojiao was still a child, then what right does little aunt have to label me as an adult? "

Zhong Wan 'er couldn't answer Lin Hanxing's question.

Not only her, but all the Lin family members in the villa could not answer.

In their eyes, Lin xiaojiu could no longer be considered a junior ...

He couldn't be considered a child!

It was because she was too scary!

Even if it was just a glance, it could make people feel scared out of their wits!

However, they had all forgotten that Lin Hanxing's parents were of the same generation as them!

"In addition, it's not just Luo Ruyin, even Luo Wenbo was drugged by her tonight!"

Before the group of people could react, Lin Hanxing threw out this sentence in a seemingly light tone.

It was like pouring ice water into a pot of boiling oil.

The pot exploded!

"I didn't! I didn't drug Luo Wenbo!"

Lin Jiaojiao suddenly stood up.

However, her body, which had just undergone 'intense exercise', could not take it anymore and fell back onto the sofa.

"I didn't!"

cousin, you said so readily that you didn't drug Luo Wenbo, but you were completely different when you mentioned Luo Ruyin just now! Lin Hanxing chuckled and said indifferently.

It's a pity that you weren't the one who drugged him.

However, I want you to be unable to explain yourself!

I'll let you have a taste of what it feels like!

Lin qianlin felt her liver throb in pain.

Her anger was slowly burning away at her rationality.

“I can prove it!”

Just as the atmosphere was tense, a charming figure slowly walked down the stairs.

The air was filled with a faint fragrance.

It was Shen Shu ‘er!

She was dressed in a graceful red dress, and her waist was like a water snake. It made one’s heart beat faster!

He walked as if he had no bones.

He still had a thin cigarette between his fingers.

Tonight, she had watched the whole night.

He had never felt so refreshed before!

“What did you just say?”

Zhong Wan ‘er’s voice carried undisguisable contempt.

In her opinion, Shen Shu ‘er was a mistress. Since she was a mistress, she should be rejected by the first wife!

“I said, I can prove it!”

As Shen Shu ‘er spoke, she brought the lady’s cigarette to her lips. She slowly took a puff and blew it at Zhong Wan’ er’s face.

cough, cough, cough, cough. What can you prove? ”

Zhong Wan ‘er waved her hands in front of her, her heart beating fast.

Shen Shu ‘er sat on the back of Lin Hanxing’s sofa. However, unlike when she was with Zhong Wan’ er, she did not dare to be presumptuous in front of Lin Hanxing.

“I saw it with my own eyes and I heard it with my own ears.”

With a Foxy smile on her face, Shen Shu ‘er’s gaze fell on Lin Jiaojiao’s face.

This face that was like a white flower ...

She looked so pure!

He really wanted to ruin her ruthlessly!

“Don’t hesitate! Speak!”

Lin youlin growled.

“She ...”

Shen Shu ‘er extended her slender finger and pointed in Lin Jiaojiao’s direction. Then, she continued to speak ...
