

Goodnight 101

Chapter 101: playing big

"You can do whatever you want to the Wang and Qian consortiums, but don't touch the he consortiums."

As he said this, the manager of the drifting cloud Pavilion stood in front of Lin Hanxing with six strong Men in Black.

Lin Hanxing raised his hand expressionlessly to signal for him to keep quiet.

"Yes, I know. I won't break your plan."

Lei Xiao stood still in the corridor, his eagle-like eyes overlooking the heavy traffic under his feet.

there's one more thing that I can't explain over the phone. Come back early tonight.

The corners of his lips, which were usually tightly pursed, lifted slightly.

Lin Hanxing didn't know that her simple words were enough to make Lei Xiao, who placed his work first, rush home.

"Alright, wait for me."

Special Assistant Anthony came out of the conference room.

He wanted to remind Lei Xiao that the recess time was over, but when his eyes swept across the smile on Lei Xiao's lips, he felt as if he was struck by lightning!

He had followed Lei Xiao for so many years, but when had he ever seen him like this?

.....

"Mr. Ley, the time is up."

Anthony could not help but feel lucky that he did not hang up miss Lin's call out of habit.

But ...

Anthony stole a glance at his boss. Why did he have the illusion that his boss was deeply in love with him?

Even if he were to tell others about this, they would probably not believe him.

His boss!

He was the president of the Lei Corporation!

Lei Xiao, who had won the title of the most valuable diamond Bachelor in Jiang city for seven consecutive years!

Just now, she was smiling so happily like a love beginner?

An illusion!

It was definitely an illusion!

.....

Lei Xiao returned to the International Conference hall.

The higher-ups who were still chatting instantly fell silent.

“Who’s in charge of the collaboration between the Wang Group and the Qian group?”

Very quickly, two higher-ups answered.

“From tomorrow onwards, the Lei Corporation will officially cut off all ties with these two companies.”

His words were like thunder, exploding in the ears of the upper echelons.

Without any warning.

Minister Gao, I know you have a personal relationship with the director of the Qian group.

In the meeting room, department head Gao’s back was covered in cold sweat.

but I don’t want any word of this to leak out before tomorrow.

The coldness in Lei min’s eyes reached the hearts of everyone in the meeting room.

They knew that these words were not only for Minister Gao, but also for each of them.

For a time, everyone was in danger ...

.....

guard this door well. Don’t let a single fly out!

Lin Hanxing hung up the phone and said coldly.

It wasn’t convenient for the manager to appear on such an occasion.

He passed the two black leather suitcases to the Man in Black behind him, nodded at Lin Hanxing, and left.

“You two, come in with me.”

There were faint sounds of ridicule coming from the private room. It seemed that Madam Lei had already lost a few rounds.

Since this bunch of noble ladies liked to play so much, why not ...

He might as well play big!

Lin Hanxing sneered and pushed the door open!

“The ladies are in a good mood!”

The high heels made a pleasant sound as they stepped on the floor. The cold and emotionless sound made people's hearts skip a beat for no reason.

It happened so suddenly that the noble Madam, who had originally won over her excitement, raised her head and met that pair of beautiful eyes that were filled with coldness ...

His fingers trembled.

Even the Mahjong tiles fell from the table and rolled towards Lin Hanxing.

A "ka" sound was heard!

Lin Hanxing lifted the tip of his shoe slightly and stepped on the Mahjong tile.

sixty thousand, good hand. It means a six-six.

Lin Hanxing lowered his head and glanced at the cards. He seemed to be smiling, but the words he said made people's throats tighten.

"Do you still have any rules? who let you in? Where's the manager?"

Yuan Xiaolei was the first to react. She looked at Lin Hanxing with resentment and her voice was shrill.

He pressed the service bell!

"I've been entrusted by someone to deliver money to Madam Lei!"

With a simple gesture, the two men behind Lin Hanxing opened their black leather suitcases!

Chapter 102 reading your face

The two boxes of money were neatly arranged, and there were at least a million Yuan in them.

"Put it on for Madam Lei."

As soon as Lin Hanxing finished speaking, the two men behind him came to Zhong Nanyin's side and silently stacked the money.

While the others were staring at the money, Yuan Xiaolei clenched her fists and stared at Lin Hanxing.

Lin Hanxing seemed to have sensed her murderous gaze and returned a provocative smile.

Zhong Nanyin, who had not yet recovered from the depression of losing a few rounds in a row, looked at Lin Hanxing with his mouth wide open.

"I've given you all the money, get out!"

As long as she saw her, Yuan Xiaolei's heart would be filled with shock and fear.

As soon as he finished speaking, no one saw Lin Hanxing's movements ...

That 60,000 seemed to have a life of its own as it flew into Yuan Xiaolei's mouth!

“Young Madam he’s mouth is not very clean.”

Lin Hanxing said as he walked to Zhong Nanyin’s side and took a seat. The two burly men naturally stood behind her.

.....

“B * tch ...”

Yuan Xiaolei vomited the Mahjong tiles. When she thought about how it was Lin Hanxing who had stepped on it, she retched.

“Madam Lei, what do you mean by this? You can’t afford to lose, so you want to smash the place?”

Mrs. Qian received Mrs. He’s gaze and yelled.

Zhong Nanyin didn’t even look at Mrs. Qian, his gaze only fell on Lin Hanxing’s face.

This girl looked even better up close!

It was just that she seemed to be a little young. If she were to be kidnapped home and become ah Xiao’s child bride ...

“Madam Lei!”

Seeing that Zhong Nanyin was ignoring her, Mrs. Qian couldn’t contain her anger!

“What are you shouting about? I can’t hear you!”

Zhong Nanyin came back to his senses and glared at Mrs. Qian in dissatisfaction.

“You call giving money to destroy the venue?”

Everyone in the circle of rich ladies knew that the second miss of the Zhong family had a pure child’s temper.

Especially in these years, her husband and son had pampered her to no end.

girl, I’ve read your face. You’re missing a husband in your life!

Zhong Nanyin smiled as he held Lin Hanxing’s hand, the gloominess of losing money swept away.

“.....”

Lei Xiao’s mother didn’t seem to play by the rules.

“Auntie’s luck doesn’t seem to be very good today.”

Lin Hanxing said as he looked at the other three people meaningfully.

However, Madam Lei’s hand was too soft and warm, and she was not used to it.

“Little girl, do you want two rounds?”

The more Zhong Nanyin looked at Lin Hanxing, the more he liked him. His mind was no longer on Mahjong, but on how to get her home.

Mother he didn't say a word from beginning to end.

Her intuition told her that this girl was not easy to fool.

Moreover, from her stance, it was clear that she was here to support Madam Lei.

"We're fighting this girl at our age? I'm afraid people will think that we're bullying her if we tell them, right? Forget it, since Madam Lei doesn't want to play with us anymore, let's go back to our own homes and leave!"

Mother he forced a smile on her face like a peacemaker.

After she finished speaking, she pulled her daughter-in-law, Yuan Xiaolei, and wanted to leave.

However, before she could get up, the burly man behind Lin Hanxing had already blocked mother he's way.

The atmosphere suddenly became tense.

Lin Hanxing touched the Mahjong table and played with it in his hand. He looked at the mother of Thunder with a faint smile.

"What do you mean by this? Do you think I won't call the police?"

"Madam Lei, you're simply making a scene!"

After mother he finished speaking, the other two also started quarreling.

"I'm afraid that even if you don't want to play, you'll have to!"

"What if we don't fight?"

Mother he's face darkened and her voice was cold.

"Then you guys can try and see if you can walk out of this door!"

Lin Hanxing threw the red card on the table with a loud thud, and his cold eyes swept across every face in front of him.

Swords were drawn.

On the other hand, the mother of Thunder, Zhong Nanyin, had yet to enter the state.

She looked at Lin Hanxing with a dumbfounded expression and then at the people opposite her.

Subconsciously, she chose to stand on Lin Hanxing's side!

Chapter 104: Limited patience

"We didn't bring that much cash."

Chairman Wang's wife said awkwardly.

online bank transfer is also fine. Times are different now. Ladies, you should keep up with the times.

Lin Hanxing said as he sipped his tea.

A few wisps of white air swirled around him, making his face look even more lively.

"There's a limit to the amount of money you can transfer. Four hundred thousand is a lot ..."

"Mrs. Wang, with your status, how can you have the same quota as ordinary people?"

Lin Hanxing's cold eyes swept over Mrs. Wang, who was like a deflated ball, and no longer moved.

Zhong Nanyin revealed his account number with a smile.

She had never seen the he family's young master look so upset before, and all the depression in her heart was swept away!

1.2 million Yuan was transferred to his account!

"The money is in my account. Everyone, let's continue!"

Lin Hanxing obviously did not intend to let them go.

.....

"I still have something to do at home ..."

Mrs. Qian's heart ached when she thought of the 400000 Yuan.

"I didn't ask Auntie to call home just now for your sake. But if Auntie is unhappy ..."

Lin Hanxing said coldly.

that's right. If you don't continue, I'll be very angry. Once I'm angry, I'll call!

Zhong Nanyin hurriedly added.

She thought of the Lei group behind Madam Lei, her husband, and her sons ...

Mrs. Qian shuddered.

Yuan Xiaolei glared at Lin Hanxing with a pair of venomous eyes. She wanted to burn a hole in Lin Hanxing's body.

The sound of mahjong tiles being shuffled rang out again.

From the beginning to the end, Lin Hanxing had a lazy and idle look.

However, every card that he threw out seemed to be calculated in his heart, and he didn't let anyone else eat or touch a single card!

One or two times could still be considered luck!

Being able to avoid it every time could only prove one thing!

She could accurately count the number of mahjong tiles in everyone's hands!

it's all green. Sorry, I won again!

After another three or four rounds, Lin Hanxing's luck seemed to be on his side.

Zhong Nanyin could only hear the continuous ding ding ding of his mobile phone's bank transfer. He had earned five million in a short time!

She excitedly sent the screenshot to her family's WeChat group.

Mother Lei, "my daughter-in-law helped me earn" pride."

Papa Lei: [dazed] [dazed] [dazed]

Lei xiaoer, [dazed]

Lei Xiaosi, [dazed]

Yuan Dabao replied, [dazed]

Lei Xiaosan, [dazed]

Boss Lei, "hmm, not bad."

At that moment, Lei Xiao was in the president's office, looking down at his phone with a smile on his face.

Yingluo, don't worry. I'm here. I won't let Auntie suffer.

Not only did he not suffer a loss, but he also earned a lot.

Zhong Nanyin looked at Lin Hanxing with a face full of adoration. He wished he could immediately snatch her home and treat her like a god of Wealth.

"Girl, I'm going to the washroom."

Zhong Nanyin suddenly said. Of course, she wouldn't say that going to the washroom was a lie. Her real intention was to call her boss!

After Zhong Nanyin left the private room, Lin Hanxing's expression instantly turned cold.

As he played with the Mahjong tiles in his hand, his cold and sharp gaze swept across the few people in front of him.

Madam Lei has gone out. Now, tell me, who is the one who asked you to find trouble with her? "

Mrs. Wang and Mrs. Qian, who were already looking upset, looked at mother he subconsciously.

His face turned extremely pale!

Lin Hanxing naturally noticed their movements.

Hehe, it seemed that the key to the problem was Mrs. He!

my patience is limited, and I have a bad temper. It doesn't matter if you don't want to tell me. We'll keep fighting. You're rich anyway, and you don't care about this small amount of money!

Lin Hanxing sneered.

Then she would make them lose so much that they wouldn't even be able to keep their underwear!

Chapter 103: who's pretentious?

"Xiaolei, call Zhe Han!"

Mother he's voice was gloomy and her expression was arrogant. It was obvious that she did not take Lin Hanxing seriously.

"Girl, don't be afraid, we have people too!"

Zhong Nanyin heard that mother he was about to make people unhappy, so he pretended to call Lei Xiao.

Lin Hanxing suddenly laughed.

it seems that the relationship between young mistress he and brother-in-law is very close.

Lin Hanxing gave Yuan Xiaolei a meaningful look.

The latter's hand that was pressing the button suddenly stopped, and he looked up with a livid face.

"What nonsense are you talking about?"

This time, mother he completely exploded. She slammed the table so hard that a large number of mahjong tiles fell.

Both Mrs. Wang and Mrs. Qian tried their best to lower their presence.

They could finally see that this was a jinx!

I have something that's very strange. I hope that young mistress he can help me with my doubts.

.....

Lin Hanxing stood up and walked to Yuan Xiaolei's side.

The burly man automatically retreated to the corner.

"Young master he has been in the hospital for three years, but ..."

Yuan Xiaolei looked at Lin Hanxing, who was standing in front of her, with vigilance.

Suddenly, Lin Hanxing's hand pulled Yuan Xiaolei's collar down, revealing a large part of her muscles.

"What are you doing!" Yuan Xiaolei screamed!

"Who left these behind?"

ah ... Mrs. Qian covered her mouth, her eyes full of surprise.

Yuan Xiaolei's chest, which had been pulled low, revealed many red marks. As for how they were left ...

The madams present were all experienced in human affairs, how could they not understand!

Mother he looked at Yuan Xiaolei coldly.

Of course, she knew who had left behind those traces, but now they were being used as leverage!

Zhong Nanyin looked at Yuan Xiaolei in disgust.

The people of Jiang city said that the young mistress was gentle and pleasant, and that she would never leave her husband who had been in a coma for three years.

She had thought that she was one of the few good seedlings in the he family.

He did not expect ...

"As for the two of you ..."

Lin Hanxing retracted his hand and took a wet tissue from the table to wipe his fingers.

His expressionless face made Mrs. Qian and Mrs. Wang, who were called out, shiver.

"She's a rich fool, she'll be happy after winning one or two rounds ..."

After throwing the wet tissue into the trash can, LIN Hanxing sat back down beside Zhong Nanyin.

"I won't say much. It's good that you two understand."

Except for Zhong Nanyin, who was still in a state of shock, the others' faces were as pale as a palette!

"Auntie, how much did you lose just now?"

Lin Hanxing did not even look at him and asked softly.

Zhong Nanyin was a little embarrassed as he extended four fingers.

"Four hundred thousand?"

According to the time just now, he had only played two or three rounds, and he had already lost 400000. This was a big game!

"We've already said this much, sit down!"

Lin Hanxing switched places with Zhong Nanyin, and the sound of the Mahjong machine shuffling could be heard.

No matter how unwilling she was, mother he, Mrs. Wang, and Mrs. Qian sat back at the table.

"Since Auntie has lost four hundred thousand, I'll set the price at four hundred thousand per round. If I don't play until Auntie has her fill ..."

Lin Hanxing looked around.

Her posture was lazy and beautiful.

“Don’t even think about leaving!”

.....

At this moment, in the Lei family WeChat group.

Madam Lei asked, “may I ask, how do you abduct a daughter-in-law?”

Papa Lei was speechless.

Lei xiaoer was speechless.

Yuan Dabao replied, [dazed]

[Lei Xiaosi: ingots!]

Papa Lei asked, “where did you pick it up?”

Mama Lei replied, “on the Mahjong table.”

Papa Lei asked, “are you a Mahjong addict?”

Mama Lei was speechless.

“Self-touching, Hu!”

Lin Hanxing pushed down the Mahjong tiles in front of him. Three minutes into the game, he played the first round lightly.

“Ladies, it’s time to pay!”

The madams were dumbfounded. 400000 Yuan was gone just like that?

Chapter 105:

Mrs. He’s temples were throbbing. This was a clear threat!

Mrs. Wang and Mrs. Qian were really about to cry, but their lifelines were still in his hands and they couldn’t make a comeback!

The sound of Mahjong was heard again.

Lin Hanxing was no longer as lazy as he was when Madam Lei was around. He was now very imposing!

Even though he knew that the three of them were signaling to feed each other with their eyes, he didn’t seem to be angry at all.

“I won!” Suddenly, Mrs. He exclaimed.

He stood up abruptly with an uncontrollable smile on his face, which made his usually arrogant face look even more insolent!

"Mrs. He seems to be happy too early."

Lin Hanxing glanced at the face, his voice full of ridicule.

Under everyone's shocked eyes, she calmly described the cards of the few people in front of her.

Although they had long known that she could count cards, the expressions on these three noble ladies' faces were still very interesting!

Lin Hanxing leaned back on the sofa.

When she wasn't smiling, she would always give people a bone-chilling coldness.

.....

His cold eyes fell on Mrs. He, 30% focused and 70% malicious.

"Madam he, do you know what happens to those who play tricks in the casino?"

Lin Hanxing's words were like a cold current that swept through everyone's hearts!

.....

At the same time, Zhong Nanyin was sitting on the toilet lid and calling Lei Xiao.

"Ah Xiao, I've picked up a wife for you,"

yes, find a flower pot and plant it. I'll carry it home later.

With that, he hung up.

He expressionlessly looked at Yuan Bao, who was eating a lollipop.

There was a small bag beside him.

Clearly, she was running away from home again.

"Reason?"

"The bad guy confiscated my phone!"

The bad guy Yuan Bao was referring to was his biological father, the fourth son of the Lei family, Lei Jue.

"Big Uncle has taken Yuan Bao in."

Yuan Bao said in a childish voice as he licked the lollipop.

Lei Xiao didn't even look at him and pretended to call Lei Xiaosi.

"Uncle is going to call the bad guy, so I'm going to tell grandma about Auntie!"

Yuan Bao snorted and scratched the wool roll on his head, looking at the Thunder valiant beast adorably.

"Only Yuan Bao knows about the bracelet that uncle gave to Auntie!"

Yuan Bao said arrogantly.

“Are you threatening me?”

Lei Xiao looked at his precious nephew and leaned back on the president’s chair.

There was even a cold smile on his handsome face.

“I love uncle the most!”

Yuan Bao was especially good at adapting to the situation, pouting at Lei Xiao in a soft, cute, and adorable manner.

“Uncle, take Yuan Bao in and I’ll sell you some information about grandma!”

Rolling his big black eyes, Yuan Bao ran to the Thunder valiant beast and asked for a hug.

When Lei Xiao carried him to sit on his lap, he whispered in his ear mysteriously.

The Thunder valiant beast snorted coldly.

“Great-aunt came to take advantage of grandma the other day, and she even asked grandma to arrange a blind date for you and su something!”

Yuan Bao pouted unhappily.

He didn’t like great-aunt.

Lei Xiao’s eyes were cold. It seemed that it was not an accident that Chairman su brought his daughter to the equestrian Club.

Her hands had stretched too far!

.....

At this moment, the private room was in a state of chaos.

Lin Hanxing’s men pressed the ladies onto the Mahjong table.

They didn’t even dare to breathe!

“Don’t you dare!” Yuan Xiaolei was grabbed by the burly man and shouted.

“Why wouldn’t I dare?”

Lin Hanxing’s smile was reflected in everyone’s eyes, and it was extremely intimidating!

She fiddled with the Mahjong tiles in her hands, not hiding the hostility in her eyes at all. Accompanied by that smile, it was as scary as it could get!

“I’ve said it before, my patience is limited, and I have a bad temper!”

With that, Lin Hanxing threw the Mahjong tile on the table with a loud thud!

“I’ll talk ... I’ll talk ...”

Mrs. Qian, who was next to him, seemed to be unable to take it anymore and shouted emotionally.
His face was so pale that there was no blood in it!

Chapter 106: The smell of mom

“Why didn’t you be so happy earlier!”

No one present had any doubts. If it wasn’t for Mrs. Qian’s shout ...

Today, the few of them were probably going to die Here.

Taking advantage of the fact that Madam Lei had not returned, Lin Hanxing did not hide her arrogance at all.

“Tell me.”

“The person who called us here is ...”

When Lin Hanxing realized who that person was, a hint of doubt flashed across his eyes ...

.....

Zhong Nanyin wasn’t too happy when she came back. She felt that her son had brushed her off.

The moment she sat down, she was shocked.

“Why are your faces as white as ghosts?”

She couldn’t be blamed for having such a reaction. The three people’s faces were simply too ugly.

Zhong Nanyin had no idea that these people had been running around the gates of hell several times while she was in the washroom!

.....

“Maybe the air conditioner is too cold.”

Lin Hanxing said lazily. There was no coldness in his body.

It was just that when Zhong Nanyin wasn’t paying attention, her beautiful eyes looked around with a strong warning.

The next second, her eyes froze.

A shawl was draped over Lin Hanxing’s body.

look at how cold your little hands are. Let’s stop fighting and go eat dessert!

Lin Hanxing did not come back to his senses for a long time.

The shawl was very warm, and it still carried the warmth of Madam Lei’s body. It felt like ...

It was the smell of her mother.

“Alright, but ...”

Lin Hanxing changed the topic and looked at the few people again.

“Don’t forget to transfer the money from the game just now to auntie’s account!”

“Otherwise, I’ll be angry!”

.....

When the people in the private room had all left.

Mother he slapped Yuan Xiaolei’s face with vicious eyes!

“You have the ability to steal food but can’t learn how to clean your mouth, trash!”

She used too much strength, and Yuan Xiaolei’s mouth was filled with the taste of blood. However, she didn’t dare to say anything.

He zhehan was a Mad Dog. Every time he did that, he would leave countless bruises on her body.

In the past six months, he had been treating her more and more like a commodity.

“You’re good, Lin little Jiu!”

She had to call youlin immediately to inform her that she had invited back a wild wolf Cub that would eat people up without spitting out the bones!

“I’d like to see who will be played to death first!”

.....

In the Lei family WeChat group.

Mother Lei, [my daughter-in-law ran away after receiving a call] [crying]

Papa Lei: [WeChat red packet]

[mother Lei: you saved money behind my back] [pouting]

Papa Lei was speechless.

Mother Lei: ” my daughter-in-law ran away after receiving a call ” in tears ” ” crying ” ”

[daddy Lei: you can plant the Mahjong tiles in the yard so that a tree will grow next year, my daughter-in-law.]

Mama Lei was speechless.

Mama Lei,”Sen jingbing, give me money.”

.....

In fact, Lin Hanxing did not plan to go for dessert with Madam Lei.

Before she could find an excuse, Rong Shiyu’s call came.

But ...

While they were waiting at a red light, Lin Hanxing looked at the shawl on the passenger seat.

There was an indescribable warmth in her heart.

Yingluo, our family is different from those people.

Yingluo, my parents and brothers are all good people.

Yingluo told me that no matter how hard it was, as long as my family could live the life they wanted, I would be very happy.

Lin Hanxing seemed to be able to empathize with Lei Xiao's feelings when he spoke.

Even in front of Madam Lei, she could not help but want to protect her kind and innocent child's temper.

He chuckled.

It seemed that he could only ask Lei Xiao to bring the shawl back to his mother at night.

He thought about what he was going to tell Lei Xiao that night ...

Lin Hanxing's face turned cold again!

Chapter 107 improvement

At the Affiliated Hospital of Jiangcheng Medical University.

The cold sound of high heels came from the empty corridor of the special VIP Ward.

When Lin Hanxing arrived, Rong Shiyu was treating he Chengyu's wound.

The room was like a hurricane, and it was a mess.

Rong Shiyu was so angry that he was trembling.

Lying on the bed, he Chengyu's arms and thighs were covered with cigarette burns.

The new and old wounds were stacked together, and it was a terrible sight.

"He hasn't improved at all these years."

He Chengyu was still cold but calm.

He was different from when Lin Hanxing first met him.

The intense hatred in his heart was not extreme. It was more of tenacity and forbearance.

"Do you really think that your opponent has not improved at all?"

Lin Hanxing smiled indifferently.

.....

He slowly walked to the bed and reached out to take out a black object from a secret place on the bed.

It was a tapping device!

don't worry. I'll ask someone to block the signal after installing it today.

Lin Hanxing fiddled with the bug in his hand and sat on the sofa lazily.

in addition, from this morning, a slow-acting poison was added to your nutrient solution. Although it won't kill you in the short term, you'll die silently within half a year without any traces!

"Why would I?"

Rong Shiyu stood up in shock and fear.

"You have a new nurse here."

Lin Hanxing did not say much and stopped.

young master he, you made the same mistake three years ago and three years later.

Her gaze went past Rong Shiyu and met he Chengyu's eyes.

"You've underestimated your enemy!"

Since their last meeting, Lin Hanxing had already arranged for people to be on guard.

Therefore, she was aware of any movements in the ward.

He Chengyu looked at Lin Hanxing.

but the good news is that he zhehan didn't find out that you were awake.

"All of his actions ..."

Lin Hanxing put the listening device back to its original position.

"Perhaps it's because of the uneasiness in my heart!"

From the moment she spoke, he Chengyu subconsciously held his breath until Lin Hanxing finished.

"Has anyone ever told you that you're very scary?"

Lin Hanxing was stunned.

"Many people."

Such a straightforward answer made he Chengyu's expression relax a little.

"I'm glad we're not enemies."

He was really glad!

.....

When Lin Hanxing drove back to Yujing garden, the sky was getting dark.

As soon as she came out of the elevator, she heard a surprised child's voice!

"First aunt ..."

Before she could react, her leg was hugged by a little sheep ball!

Thunder Valiant's hand that was entering the password stopped.

Yuan Bao rubbed his head against Lin Hanxing in satisfaction, his black and bright eyes darting back and forth.

Hmph, Big Uncle is so cunning!

Why did he have to wait at the door for so long?

He started acting when he heard the commotion!

Auntie, can you take uncle and Yuan Bao in? the door lock is broken!

As he said that, Yuan Bao turned around and winked at Lei Xiao.

Then, she turned around and looked at Lin Hanxing with a silly and aggrieved expression. She was on the verge of tears.

The lock was broken?

Lin Hanxing looked up at Lei Xiao in surprise. Wasn't he still fine this morning?

"Yes, it might be a system problem. I can't open it."

Lei Xiao said in a deep voice.

However, after he finished speaking, he pressed between his eyebrows with a tired expression.

Hmph! He started acting again!

Yuan Bao secretly pouted.

Auntie, Yuan Bao's stomach is empty.

Yuan Bao's chubby hand hooked onto Lin Hanxing's pinky finger, the sweet Milky fragrance on his body softening Lin Hanxing's heart.

As for the man ...

Lin Hanxing raised his head and met Lei Xiao's eyes.

There was an unspeakable attraction under his deep black eyes.

Subconsciously, Lin Hanxing's mind was filled with the image of him just after his shower.

And the frequency of his Adam's apple bobbing up and down ...

"Come in first."

He avoided Lei Xiao as if he was trying to escape, not noticing Yuan Bao's cute V sign at his uncle!

Chapter 108: Who do you like?

Lin Hanxing went into the bedroom to change his clothes.

Yuan Bao sat on the sofa, unwrapped a lollipop and put it in his mouth, staring at Lei Xiao.

"Are you hungry?" Thunder owl glanced at his watch.

"I'm hungry!" Yuan Bao did not hold back.

Lei Xiao got up and went to the kitchen, but after opening the refrigerator, his expression froze for a moment, which was rare.

Although it wasn't empty, it was almost the same as empty.

It was mostly beer and facial masks.

Even though Lei Xiao didn't understand why women's facial masks had to be kept in the refrigerator.

His mother was the same.

The moment he closed the refrigerator door, Lei Xiao saw Yuan Bao, the little sheep dumpling, put on a Detective Conan expression.

"Uncle, I don't think Auntie likes you!"

Yuan Bao said as he brought a small wooden stool back and stepped on it.

... Lei Jing was expressionless and did not speak.

.....

"I think first aunt likes me more! What should I do? I'm really a child loved by everyone!"

This time, the Thunder valiant beast directly lifted Yuan Bao by the back of his neck and suspended him in the air.

"Who do you like?"

"Uncle!" This time, Yuan Bao did not hesitate.

"What are you guys doing?"

This was the scene that Lin Hanxing saw when he came out.

"Auntie, I'm so hungry."

Yuan Bao had an aggrieved look on his face as he opened his chubby arms to Lin Hanxing, asking for a hug.

Lin Hanxing's expression was a little awkward when he heard Yuan Bao say that he was hungry.

No one knew better than her how empty the fridge was.

Hesitating, he reached out and hugged Yuan Bao in his arms. It was soft and felt a little strange.

"I've called the property management and said that a master will be here soon."

Yuan Bao looked towards Lei Xiao guiltily, only to see his first uncle acknowledge him with an expressionless face.

Hmph, Daren is really too evil!

He doesn't even feel guilty when he lies!

"I'm going to the washroom."

With that, Lei Xiao walked towards the washroom, so fast that Lin Hanxing did not even have time to tell him where it was.

Lin Hanxing's eyes flashed with confusion, but he did not say anything.

The first thing Lei Xiao did after entering the washroom was to contact Liang yuran.

Without his permission, the lock would continue to break!

After hanging up the phone, Lei Xiao's deep eyes swept across the washbasin.

It was obvious that Lin Hanxing had just washed his face. There was still a faint scent of face wash in the air.

He would not mention it to anyone.

When he saw Lin Hanxing's clean face walking towards him, he only wanted to carry her back to the bedroom.

All of a sudden, Thunder valiant beast understood what the greatest loneliness in life was.

That was, even if you had rehearsed the surging emotions in your heart countless times, the other party would never know about it.

When he came out of the bathroom, the manager had already arrived.

The result was obvious.

Lin Hanxing sent his master off, and Yuan Bao, who was lying on top of her, was so hungry that it could only groan.

"There's a supermarket nearby. Let's go buy something."

Lei Xiao said in a deep voice as he reached out to take Yuan Bao.

"Thunder valiant beast ..."

Lin Hanxing originally wanted to say something, but when he saw Yuan Bao's pitiful look of hunger, he gave up.

“Let’s go. Do you want to drive your car and drive my car?”

Lin Hanxing casually tied his hair into a bun.

Her pretty little face looked even more tender.

“I’ll just drive your car.”

The Thunder valiant beast paused for a moment, but quickly returned to normal.

Those words just now sounded inexplicably passionate, as if ...

It felt like they were a family.

A family ...

The corners of Thunder valiant beast’s lips curled up imperceptibly.

Lin Hanxing did not see it.

.....

In the supermarket.

It was overcrowded.

After being thrown into the cart by Lei Xiao, Yuan Bao sat down, full of energy.

Yuan Bao wants to eat zhajiangmian, braised pork, sun egg ...

She said a long skewer of food in one breath while holding Lin Hanxing’s little finger.

“Auntie, uncle’s cooking is really delicious!”

Chapter 109 Yuan Dabao

When Yuan Bao said this, his big eyes seemed to be shining with beautiful stars.

Lin Hanxing looked at Lei Xiao, who was standing in front of the cold air preservation cabinet not far away, and did not speak for a long time.

Lei Xiao’s suit jacket was thrown into the car, and the tailored black shirt perfectly showed his inverted triangle figure.

The cuffs were cut to the elbow, revealing half of his strong arm.

In the past, that man’s hand should have been the most involved in tens of millions of investment cases, but now ...

He was looking down and carefully checking the shelf life of the yogurt.

He was so serious that his handsome face looked unusually serious, as if he was facing his subordinate.

Auntie, what should I do? I think my uncle is so outstanding!

Yuan Bao cupped his cheeks in his hands and couldn't help but sigh.

The chubby face kept changing shape in his hands, looking both cute and stupid.

"Look at my uncle. He can cook and earn money. Although he has a bad temper, his looks can make up for it!"

Yuan Bao counted them one by one with his chubby little hands.

"And my uncle is very manly!"

.....

"How old are you? do you even know what a man is?"

Lin Hanxing was amused by Yuan Bao.

Her originally clear and cold little face instantly gave people a heart-stirring feeling of peach fragrance brushing against their faces.

When Lei Xiao turned around, he happened to see Lin Hanxing's smile.

He stopped in his tracks.

"Those with big Ji Ji are men. Uncle's Ji is very big, so he's very manly!"

"Yuan Dabao!"

The deep male voice was accompanied by a strong aura.

Lei Xiao reached out and picked up Yuan Bao from the shopping cart, his deep and cold eyes staring at his little nephew who was like a little chick.

"Who taught you that!"

"Auntie, save me! Auntie ..."

Yuan Bao swayed back and forth in the air, asking for Lin Hanxing's help.

She pouted her little mouth and was about to burst into tears.

"If you cry, there won't be any more noodles!"

As if a switch had been turned on, Yuan Bao instantly shut up and blinked his big eyes.

"If you cry, the red braised meat will be gone!"

Yuan Bao sniffled and stopped crying.

"Tell me, who taught you this!"

"Uncle Yan ..."

Hehe, good job, Yan beiming!

After throwing the guinea pig back into the shopping cart, Lei Xiao pretended to be unconcerned and looked at Lin Hanxing's face.

She was smiling.

Perhaps he did not want to attract the Thunder valiant beast's attention, so he covered his mouth with his fingers.

The cold expression on Thunder Valiant's face instantly melted.

He loosened his grip on the shopping cart and reached out to Lin Hanxing.

Lin Hanxing was stunned.

The shape of Lei Xiao's hands was very good-looking, and the joints of his slender fingers were distinct.

Lin Hanxing instinctively took a step back when he saw that the hand was about to reach him.

But in the end, Lei Xiao's hand only fell on the top of her head, which was tied up in a bun.

He gently patted it twice.

"When you smile ..."

His already deep voice was now a little hoarse.

Lin Hanxing subconsciously stopped in his tracks and met Lei Xiao's eyes.

She smiled. What's wrong?

"It's very good!"

The moment he said those three words, Lei Xiao retracted his palm and subconsciously pushed the shopping cart in another direction.

Lin Hanxing was left standing there.

She allowed the redness to spread from her ears, but she didn't feel it at all.

On the other hand, Yuan Bao, who was sitting in the shopping cart, pursed his lips.

Hmph, Daren is really too cunning!

First uncle was clearly overjoyed, but he still had to act cold!

"Uncle ..."

"What?" Lei min walked forward expressionlessly.

"Who is Su Fei? Why do I feel so assured with her around?"

Yuan Bao looked at the advertisements on the screen in a daze.

On the other hand, Thunder valiant stopped in his tracks and raised his head to look ...

The rows of shelves were filled with a dazzling array of women's products, and there were even disassembled 420 long night-use samples ...

Chapter 110 ordinary people

Lin Hanxing watched as Lei Xiao walked past.

By the time she reacted and wanted to remind him, the man had already pushed the shopping cart back with a cold face.

Yuan Bao cupped his cheeks with both hands, looking helpless.

When she returned to Lin Hanxing's side, she carefully pointed at him with her back to Lei Xiao.

Then, he said the word "coward" to Lin Hanxing!

A paper tiger!

Perhaps it was because he had played for the whole day and had not eaten anything, Yuan Bao soon fell asleep.

Lin Hanxing's pushing of the cart slowed down.

"Yuan Bao said that your cooking is very delicious."

Lei Xiao hadn't said anything since just now, so Lin Hanxing thought for a while and found a topic.

Thunder owl was holding a bag of strawberries in his hand.

In Lin Hanxing's eyes, he and strawberries were two completely different things.

At this moment, there was an inexplicable sense of disharmony.

.....

It made the deeply hidden violent aura in his body disappear.

when I first carried Yuan Bao home, he cried at everyone he saw. He cried from morning to night.

Lei Xiao's voice was deep, as if he was telling a story.

"It's only quiet when Xiaosi and I are carrying him."

Yuan Bao seemed to be dreaming of delicious food. He smacked his little mouth, looking soft and cute.

"How much milk powder do you want? Hot or cold? What supplementary food should I eat? I have to worry about everything that's nutritious. However, he learned to be picky about his food, so I could only think of ways to make what he liked to eat."

As Lin Hanxing listened, he tried to grab a bottle of peanut butter from the shelf.

However, the peanut butter was placed at the top of the shelf, and she couldn't reach it.

In the next second, Lin Hanxing felt his entire body suspended in the air. He was much taller.

Without any defense, she subconsciously grabbed the man's shoulders.

"Don't move around, take it quickly."

Lei Xiao said in a deep voice. He carried her up easily and let Lin Hanxing get the peanut butter.

She was very light.

She was so light that he could pick her up with one hand.

Lin Hanxing held the peanut butter tightly in his hand and kicked him with the tip of his foot.

Thunder valiant put her down quickly.

He rubbed his palm with some reluctance.

It was as if the delicate touch of her skin still remained there.

She also took a few bags of snacks and threw them into the shopping cart, obviously for the children.

"I know many people who don't allow their children to eat snacks."

The Thunder valiant beast was obviously an anomaly.

one should do what one should do at their age. As long as they don't overdo it, I won't stop Yuan Bao from eating snacks.

Lin Hanxing did not expect to hear such words from Lei Xiao.

In her imagination, Lei Xiao would definitely be the type of father Yan.

"The more I spend time with you, the more I feel that you are completely different from what I imagined."

When they first met, Lin Hanxing had thought that Lei Xiao was a cold and unfeeling person.

He could take people's lives without changing his expression, as if he could play with everything in his hands.

Later on, she felt that he was a decisive person with a complicated heart.

Her instincts told her that this man was too dangerous and that staying away from him was the best decision.

As for now ...

He was the son of that adorable old lady. He was the uncle that Yuan Bao liked. He was ...

A very good ordinary person!

"I'm just an ordinary person."

Without the Halo of the Lei group and his identity as the young master of the Lei family, he was just an ordinary person.

“Red braised pork ...”

Yuan Bao smacked his little mouth and cooperated with the Thunder valiant beast.

Lei Xiao lowered his head to look at his nephew, then reached out and pinched his chubby face.

The sleeping Yuan Bao seemed to have sensed something, as he rubbed his chubby face against Lei Xiao’s fingers obediently.

Lin Hanxing looked at the two of them in silence.

She seemed to have long forgotten what it felt like to have a family.

“By the way, there’s something I need to tell you.”

Lin Hanxing’s expression turned serious as if he had thought of something.

“The person who set up a trap for Auntie today ...”
