

Goodnight 1011

[Chapter 1011](#)

1011 You want to force me to my death

“Put the medicine in Luo Wenbo’s champagne.”

Upon hearing this, everyone was shocked!

Zhong Wan ‘er turned her head and looked at her daughter in disbelief.

Even though she had done such an illicit thing with he zhehan before, Lin Jiaojiao, who was wearing a white sweater, still looked as pure as ice and as clean as Jade.

Her eyes were filled with tears, and she looked very pitiful.

“You’re talking nonsense!”

The makeup on Lin Jiaojiao’s face had been removed, and she looked even paler.

“You guys are in cahoots!”

Lin Jiaojiao’s chest heaved up and down violently due to her excitement!

“Why would our Jiaojiao drug Wenbo for no reason?”

As she spoke, Zhong Wan ‘er’s palm turned cold!

“Say something!”

Zhong Wan ‘er’s nasal voice was thick as she pushed Lin yanshu, but he remained silent like a closed gourd!

“On what basis?”

Lin Hanxing raised an eyebrow and drooped his long eyelashes.

A dark shadow fell from his face.

“Just because cousin heard something she shouldn’t have!”

Lin Hanxing’s cold words were like ice, causing Lin Jiaojiao and he zhehan’s murderous gazes to land on her!

“Hehe, well said!”

Shen Shu ‘er fiddled with her big, wavy hair flirtatiously. Her red lips were slightly open as she blew out white smoke.

“I heard Luo Wenbo threaten her with my own ears!”

“Shut up!”

Lin yanshu, who was the closest to Shen Shu 'er, suddenly stood up and raised his hand, ready to give her a tight slap!

However, before he could get close, Shen Shu 'er gave him a fierce kick in the crotch!

"Who the F * ck do you think you are? how dare you hit me?"

Shen Shu 'er's words were filled with disdain.

If she was a pet of Luo Minghao, then Lin yanshu was worse than a dog in his sister's eyes!

He was so cowardly.

"They're rebelling! They were all rebelling! Men! Throw her out!"

Lin qianlin bellowed.

However, after shouting for a long time, no one came forward!

It was empty.

It was as if there was no one else other than them!

"Aunt, you don't have to call. No one will come!"

Lin Hanxing said indifferently.

Jiang Xibao handed her the tea that had just been brewed. Lin Hanxing took it with a calm expression and smiled.

Shen Shu 'er's kick was not light.

Lin yanshu fell to the ground without making a sound. His face was flushed red, clearly in great pain!

"Why is your precious daughter pretending to be pure and innocent? Not only did I hear Luo Wenbo threaten her, but I also saw this second young master he couldn't wait to touch Lin Jiaojiao in front of Luo Wenbo!"

"Which part of her looks like she was forced? I can't be happier!"

Shen Shu 'er looked at Lin Jiaojiao with disdain.

She pretended to be a chaste woman, but she was a B * tch in her bones!

you're talking nonsense!

Lin Jiaojiao immediately covered her ears as large drops of tears fell from her eyes.

Mother he looked at Lin Hanxing with a complicated expression.

The noise and screams didn't seem to affect her mood. She even took a sip of tea slowly.

He was calm and composed, as if he was not involved in this!

"Cousin, I'll give you one last chance."

Lin Hanxing's voice was as cold as ever. There was no emotion in his voice, it was like an icy Lake.

"Don't disappoint little uncle and little aunt again."

"I don't believe anything you said! He zhehan raped me! He was the one who insulted me!"

Lin Jiaojiao covered her ears and shouted in a sharp voice!

Lin Hanxing looked at her deeply.

"How can you prove it?"

Suddenly, Lin Hanxing's tone changed, and his cold eyes were filled with an aggressive aura!

"Lin Hanxing, are you trying to force me to my death?"

Lin Jiaojiao raised her face, which was as white as a sheet of paper, and suddenly sneered.

Lin Hanxing looked at her and smiled.

The atmosphere became as subtle as it could get.

"I'll do as you wish!"

In the next second, before anyone could react, Lin Jiaojiao suddenly stood up and slammed into the White Roman decorative pillar in the villa's Hall!

His body fell limply to the ground.

Even though blood gushed out of Lin Jiaojiao's head, it was only a scratch.

"Jiaojiao!"

Zhong Wan 'er cried out in surprise and ran over, holding her daughter and wailing.

Lin youlin and mother he were so shocked that they stood up immediately!

"I didn't do it ... I mean ... I didn't do it ..."

Blood flowed down his pale face as he gasped for breath.

"I'm ... C-c-c-c-c-pure!"

As she spoke, the tears in Lin Jiaojiao's eyes were like broken pearls ...

It rolled down the corner of his eye!

"Hehe, you're really acting!"

Shen Shu 'er's Red lips parted slightly as she spoke charmingly.

Her hair was gently wrapped around her fingers, and her voice was filled with undisguisable disdain.

From the beginning to the end, Lin Hanxing only looked at Lin Jiaojiao with a faint smile.

It was as if they were watching a good show.

He didn't say anything.

"You mean that Shen Shu 'er was lying to you just now?"

Lin Hanxing finally spoke.

"All ... All ... Lies!"

"Not a single one of them ... Is ... True!"

With a firm tone, Lin Jiaojiao reached out and grabbed her mother's wrist.

"Mom ... Believe me ..." He said.

"Mom believes you! They're definitely framing you!"

Zhong Wan 'er wished she could tear Shen Shu' er and Lin Hanxing into pieces.

Ruthlessly!

Lin youlin, who was originally furious, saw Lin Jiaojiao's death and her expression became uncertain.

If it was really as Shen Shu 'er and little 9th had said, why would Jiaojiao use such an intense method to prove herself?

Could it really be a false accusation?

As she thought about this, Lin youlin's eyes turned even gloomier as she looked at Lin Hanxing!

pa pa pa pa ...

Suddenly, a soft clapping sound was heard.

He looked in the direction of the voice.

Lin Hanxing laughed as he clapped his hands, making a crisp sound.

Mrs. He looked at her, her heart skipping a beat.

Mother he's intuition told her ...

She must have something else up her sleeve!

It was a terrible feeling.

It was as if all of them were being toyed around by Lin xiaojiu.

"Mute uncle,"

Just as mother he was thinking about this, she heard Lin Hanxing's cold voice.

Her heart skipped a beat when she heard that.

His heart was palpitating!

It's here!

The expressionless mute uncle quickly handed Lin Hanxing the things he had prepared.

It was in a kraft paper bag.

No one could guess what was inside!

“Next time, if cousin wants to act like you hit a pillar to prove your innocence, then please use more force, don’t be so childish!”

Lin Hanxing’s voice and expression were cold.

Even his voice was filled with ridicule.

“Lin xiaojiu!”

Lin qianlin howled. What was she trying to do?

since cousin said that he zhehan forced you, then how are you going to explain to me what I have in my hands? ”

As he spoke, Lin Hanxing unhurriedly opened the paper bag in his hand.

“If you can’t give me a reasonable explanation, I don’t mind at all. Do you want to hand these things over to the entertainment reporters you’re familiar with tomorrow? after all, they’ll definitely be interested!”

Lin Hanxing’s long, black, down-like eyelashes blinked as he reached into the paper bag ...

[Chapter 1012](#)

1012 Do I have to pick a date to slap your face?

It was a stack of photos.

“What is this?”

Lin youlin said gloomily.

No one paid her any attention.

Lin Hanxing placed the photos on the White European coffee table with her slender fingers.

His movements were neither fast nor slow.

They were spread out in order.

Lin Jiaojiao’s forehead was bleeding, and her eyes were filled with nervousness.

“Mom ... What ... Are those?”

Although he was weak, his eyes were filled with anxiety.

“Heavens!”

At first, Zhong Wan 'er didn't want to pay attention to her, but when mother he's exclamation sounded, Lin Jiaojiao suddenly clenched her wrist.

Even Lin qianlin's expression darkened, let alone mother he.

His eyes were fixed on the photo.

His mind was thinking of something else!

"Lin xiaojiu!"

He zhehan's voice sounded like it was squeezed out from between his teeth. He gritted his teeth!

"Little uncle and little aunt, aren't you going to come and admire it?"

When Lin Hanxing had the last photo in his hand, she spoke softly and held the last photo in her hand.

She didn't have any intention of paying attention to he zhehan.

Lin yanshu finally managed to recover from Shen Shu 'er's' bloodline ending'.

When he heard this, he raised his head abruptly!

He happened to see the photo on the table.

At the end of the Roman column.

Zhong Wan 'er and Lin Jiaojiao clearly heard him taking a deep breath. Then, his eyes looked straight at his wife and daughter. The red in his eyes had not faded, which was extremely terrifying!

Rong Shiyu also stuck his head out curiously.

With just one look, his deer-like eyes began to flash in panic.

It was only when he Chengyu reached out and pulled her back to his side that she felt better.

Lin Jiaojiao was even more panicked.

What exactly did his cousin have that made her so confident?

And everyone who saw it had this expression?

"Help me ... Mom ... Help me ... Over there ..." He said.

Lin Jiaojiao forced her dizzy body up, her heart thumping.

What was it?

What kind of photo was on the table?

She wanted to see it!

She wanted to know!

When Zhong Wan 'er helped Lin Jiaojiao back to the coffee table with great difficulty, her eyes had just swept over the table ...

It was as if he had been struck by lightning!

Zhong Wan 'er turned her head and looked at her daughter in confusion.

Photos!

The coffee table was full of photos of her, Luo Wenbo, and he zhehan!

In the photo, Lin Jiaojiao was wearing light pajamas and he zhehan was hugging her from behind at an abnormal distance.

His actions were ambiguous.

Whether it was a coincidence or an accident, Lin Jiaojiao's expression happened to be blurred.

It was hard to tell if he was annoyed or happy.

In other photos, he zhehan was even more outrageous as he reached his hand into the collar of her dress.

He was even licking Lin Jiaojiao's ear!

The following photos showed a series of scenes, as if they were watching a TV series. Lin Jiaojiao's parents were trembling.

In every photo ...

Lin Jiaojiao's skirt was lifted up by an inch, and he zhehan's hand was even reaching for the deep shadow ...

"Just now, someone said 'I didn't do it', 'I'm innocent', and even used his death to prove his innocence. So swearing is so worthless now? He can casually open his mouth and come up with two paragraphs?"

Shen Shu 'er added salt to Lin yanshu's family's wounds in a sarcastic tone.

The more pain they were in, the happier she was!

From the moment Lin Jiaojiao drugged Luo Ruyin and accidentally injured her youngest son, the two of them had been in a situation where they would not rest until one of them died!

"These photos must have been photoshopped!"

Even if the irrefutable evidence was right in front of them, Lin yanshu and Zhong Wan 'er, as parents, were still unwilling to believe that the images presented in the photos were real!

"Second young master he, tell me this isn't true!"

Zhong Wan 'er suddenly looked up at he zhehan, as if she was holding onto the last life-saving straw!

"These photos must have been photoshopped, right?"

He zhehan didn't say anything.

Instead, he looked in Lin Hanxing's direction with a dark gaze.

How did she manage to take those photos?

One part of it was in the study room, and the other part was in Wenbo's room. What exactly was she ...

How did you get it?

He tried to open his mouth, but he couldn't say anything.

Admit that those things were true?

Then, he was threatened by Lin xiaojiu to marry Lin Jiaojiao?

He was unwilling to accept this!

The one he wanted to play with was Lin xiaojiu!

That arrogant and overbearing woman!

Lin Hanxing didn't even look at he zhehan. He just seemed to be Fanning himself with the last photo in his hand.

It was as if he was holding a trump card.

"Little uncle and little aunt really won't give up until they reach the Yellow River."

Lin Hanxing suddenly chuckled.

His eyes, which were illuminated by the crystal lamp as if they were embedded with bright stars, were fixed on Zhong Wan 'er's face.

There was a thud.

Lin Hanxing threw the last photo on the table.

Everyone who was curious about the item in her hand immediately focused their eyes on it.

"If you want to know who's the one lying, just look at her palm and you'll know."

In the photo.

Luo Wenbo pressed the cigarette butt into Lin Jiaojiao's palm expressionlessly.

The latter's pained expression was self-evident!

Almost instantly, Lin Jiaojiao clenched her fists!

How could it be ...

How did this happen?

She had never thought that Lin Hanxing would use this against her!

"Uncle and aunt, since you trust your cousin so much, then go and take a look at her palm. If there are burn marks, it will prove that all the photos in my hands are real! And what I said before ..."

Lin Hanxing sneered.

"It's all true!"

"Jiaojiao! Jiaojiao, let me see your hand!"

Zhong Wan 'er stood in front of Lin Jiaojiao as if she was holding onto the last life-saving straw.

mom believes you. Lin xiaojiu is lying, right? "

Zhong Wan 'er was still talking.

It was as if he did not see his daughter's face that was as pale as paper and her heart that was as dead as ash.

Seeing that Lin Jiaojiao didn't say anything, Zhong Wan 'er suddenly reached out her hand and wanted to open her palm.

Lin Hanxing's eyes flashed with cold mockery.

She didn't feel that this family was pitiful at all.

If he hadn't been prepared, he would have been the one to bear such an embarrassing situation.

Those people had tried so hard to scheme against her ...

He only had himself to blame!

"Jiaojiao!"

Zhong Wan 'er shouted loudly. She didn't care if she would hurt her daughter. She stretched out her hand and forcefully opened Lin Jiaojiao's clenched palm.

However, with just a glance ...

However, she was stunned on the spot.

A round-shaped burn wound appeared before everyone's eyes.

Anyone with eyes could tell at a glance that it was burned by a cigarette butt!

"Why?"

Lin Jiaojiao's entire body seemed to have been pulled out, and she looked at Lin Hanxing with a bone-deep hatred!

"Why are you doing this to me?"

She was happy just because she had exposed her scars in front of everyone?

Why was Lin xiaojiu allowed to be so arrogant and happy while she had to suffer all the humiliation?

Why?

Lin Hanxing sneered at her words, got up, walked up to Lin Jiaojiao, and gave her a fierce slap.

"What's wrong? Do I have to pick a date to slap your face?"

[Chapter 1013](#)

1013 You just can't bear to see me doing well

This slap sent Lin Jiaojiao flying onto the sofa.

The strength was so great that it left people dumbfounded!

In order to prove her innocence, Lin Jiaojiao had just performed a good act of hitting a pillar. There was still blood on her forehead. In addition, she was treated roughly by second young master he for her first time, so her whole body was still weak.

He didn't have much strength to begin with.

However, his eyes were bloodshot as he glared at Lin Hanxing.

It was as if he wanted to eat her up!

"Why should I do this to you?"

Lin Hanxing twisted his index and middle fingers elegantly, but his voice was as cold as ice.

The earrings made up of fine blue diamonds were hooked along her ears, and her snow-white Swan neck turned slightly in the direction of Lin Jiaojiao. Her fairy-like porcelain skin and Lin Jiaojiao's disheveled appearance formed a sharp contrast!

Lin Jiaojiao, how do you have the face to ask me this question? "

Lin Hanxing flicked out the White Lin Jiaojiao's Foundation from his nails.

His emotionless eyes were filled with ruthlessness.

The powerful aura that covered the sky and the earth was suffocating.

Under the crystal chandelier, Lin Hanxing's entire being was cold.

His gaze slowly swept across every face in front of him.

He sneered.

"You just can't bear to see me doing well! You just can't bear to see the Lin family doing well!"

Lin Jiaojiao sobbed and howled.

He seemed to want to put up a final struggle.

"Right! You're back for revenge! 'Luo Mingwei, Luo Ruyin, and now Wenbo and our Jiaojiao. Lin xiaojiu, you're too scary! You're too scary!"

Zhong Wan 'er only felt her mind go blank.

He didn't think about it at all when he said those words. He only realized what he had said after that and took a deep breath!

Lin Hanxing's eyes were on her face.

She was smiling.

His smile was thought-provoking.

don't be in such a hurry. Other than admiring the photos, I'd like to invite you to listen to a voice recording.

A recording pen appeared in Lin Hanxing's hand.

Auntie Wanwan lost this child because she stepped on this oil!

Xuanji's cousin, who knew who did such a sinister thing?

Zhong Wan 'er's face turned pale in an instant!

He raised his head and looked at Lin Hanxing!

"I'm sorry, I put it wrong."

Lin Hanxing's voice was calm and emotionless, but the effect was no less than a bomb explosion!

"You ..."

This was the pain in Zhong Wan 'er's heart for a lifetime. When Lin Hanxing mentioned it, she felt like she had been hit in the head!

Lin Jiaojiao gritted her teeth so hard that she almost broke them!

She did it on purpose!

She must have mentioned this on purpose!

Was Lin xiaojiu trying to warn him?

But why was there a recording?

When did she start preparing all this?

At the thought of this, Lin Jiaojiao's body turned cold.

Lin Hanxing looked at her and smiled as if he knew what Lin Jiaojiao was thinking.

Cousin Yingluo, I won't say anything, I swear ...

.....

Yingluo, what are you trying to say?

Since cousin Xuxu has something on you, why don't you just do the same to her?

.....

Lin xiaojiu's biggest backing is the Lei family and Lei Xiao. What kind of scandal do you think will make everyone despise her?

Qianqian might as well scheme against him as well.

With a click, Lin Hanxing turned off the recording pen with a faint smile.

“Cousin, now you still want to ask me ...”

Lin Hanxing’s slender fingers twirled the recording pen in a fancy way, as if he was playing a game.

“Why did I do this to you?”

Lin Jiaojiao’s face was deathly pale, while Zhong Wan ‘er and Lin yanshu had yet to recover from the shock.

Did Jiaojiao say all these?

The one who couldn’t even open the lid of a drink bottle ...

His daughter, who was so weak that she would cry for a long time when her pet died, said that?

They couldn’t believe it.

you’ve gone through so much trouble to plot against ah Xiao and me. Why should I let you all live comfortably? ”

Lin Hanxing’s long eyelashes fluttered.

He hid the darkness in his eyes.

Under the chandelier, the Blue Diamond reflected a cold light.

No one spoke.

Shen Shu ‘er had never felt so good in her life.

In the past, the Lin family members would not be able to see her eyes or nose, but when they faced Lin Hanxing, their faces turned ashen and their eyes were filled with fear.

Weren’t they powerful?

Weren’t they good at scheming?

He laughed happily and complacently as he took a deep puff of his cigarette to swallow the bitterness in his heart.

Son, mom can finally avenge you!

This bunch of bastards!

As she laughed, big drops of tears fell from her eyes.

these photos and this recording, any media that I hand over to would cause a huge uproar. Not to mention that the media Group under the Lei Corporation controls 68% of the media in the entire River City ...

Lin Hanxing said as he walked back to the sofa in his high heels.

This was the most direct threat.

However, Lin Hanxing still said it in a calm tone.

Lin youlin gritted her teeth in hatred.

aunt, you're best friends with Madam he. I heard that you were the one who brought Madam he into the he family. Now, the Lin and he families can be even closer ...

Lin Hanxing's words were like a tight slap to Lin youlin's face!

Who in Jiang city didn't know how mother he married into the he family? although they didn't show it on their faces, most of them despised her in their hearts.

Not to mention, the he Corporation had been going downhill under he zhehan's leadership.

He couldn't even guarantee the benefits that young master he had when he was still around.

If it wasn't for the Jiangcheng sea bridge project, second young master he would be a joke in the circle of the rich and powerful in Jiangcheng.

"Isn't that a good thing?"

Happy news?

To think she could say that!

Her daughter was still in prison pretending to be crazy and waiting for a judicial appraisal!

Her son had also been taken to the police station!

Happy event?

What other happy events could there be for the Lin family?

Lin qianlin cursed in her heart. She wanted to say something, but it was stuck in her throat.

If she could, she really wanted to kill Lin Jiaojiao.

"I'm not getting married! I'd rather die than marry this bastard!"

Lin Jiaojiao started screaming when she heard this. Her expression was so ferocious that she looked like she had gone crazy.

"I want to marry Lei Xiao!"

"Thunder valiant is the man who is worthy of me!"

As soon as Lin Jiaojiao said this, the half-smile on Lin Hanxing's face disappeared.

"Can you repeat that?"

Even though he already knew that Lin Jiaojiao had different feelings for ah Xiao, hearing her say such things with his own ears, Lin Hanxing still wanted to make her suffer a fate worse than death.

It was not her place to think about her man!

"I won't marry him either! What kind of woman can't I f*cking marry? Why does he have to marry this vicious woman?"

He zhehan suddenly kicked the table.

He did not want Lin Hanxing to be smug!

"Mom, no matter what I did wrong, I'm still your daughter! Help me this time! I don't want to marry him!"

Lin Jiaojiao cried like a Pear Blossom bathed in rain.

Zhong Wan'er's heart ached when she heard that.

She was her only daughter!

"Sister ..."

Lin yanshu's voice trembled. He had been a coward his entire life, but even so, Jiaojiao was still his precious.

"Hehe, you're going to beg her?"

Lin Hanxing said sarcastically. Since things had already come to this, he might as well tear down the Lin family's veil!

[Chapter 1014](#)

1014 Tear off that veil

"Jiaojiao is innocent! If you have anything to say, come at me!"

Ever since Lin xiaojiu had returned, the Lin family no longer had any peaceful days. Lin yanshu had blamed everything on her!

Lin Hanxing raised his eyebrows and laughed when he heard this.

He fiddled with the ring on his finger.

"Innocent?"

She repeatedly muttered these two words, her eyes cold and playful.

"Which one of you is innocent?"

As he spoke, Lin Hanxing's eyes slowly swept across the faces of the Lin and he families.

In this place, other than young master he ...

Between the two families, who was the innocent one who was not involved?

I wonder if little Auntie still remembers that you once called me privately to ask about something.

Lin Hanxing sat on the black leather sofa like a king.

He held his cheek with one hand.

She let her long, silk-like, slightly curly hair slide down her arm.

Wuwuwu, little aunt, what you've been asking for will not come to fruition within three years.

Zhong Wan 'er's eyes were still filled with tears.

His head was buzzing.

She had only called Lin xiaojiu once in private, and the contents of that call were still a mystery in her heart!

It was so heavy that she was about to go crazy!

The way Lin xiaojiu had looked at him through his sunglasses on the day he returned was still cold!

She curled her red lips and threw out those words coldly.

It became a nightmare that she couldn't get rid of for a long time!

Zhong Wan 'er's intuition told her.

What Lin xiaojiu was saying was directly related to her accidental miscarriage seven years ago!

The strange thing was that the stairs that they usually walked through had been sprayed with oil.

Auntie Wanwan lost this child because she stepped on this oil!

The two sentences that Lin xiaojiu had mistakenly played earlier were still lingering in her mind. At that time, she had only wanted to give birth to a boy for her husband to inherit the family business. When she found out that she was pregnant, she was so happy.

However, in the blink of an eye ...

"What are you trying to say?"

Why did he have to bring up this old matter from seven years ago?

Was it that interesting to tear open other people's bloody wounds?

"You've never doubted it?"

Lin Hanxing chuckled as he spoke.

"Lin xiaojiu, what nonsense are you spouting? That was an accident!"

Lin Jiaojiao shouted.

Lin Hanxing ignored Lin Jiaojiao and just looked at Zhong Wan 'er coldly.

"What if I tell you that it wasn't an accident?"

Lin Hanxing's lips curved into a cold smile.

"Shut up! Lin xiaojiu, stop stirring up trouble!"

Lin youlin's expression darkened when she heard Lin Hanxing mention what had happened seven years ago. Although she knew that Lin xiaojiu had been secretly paying attention to the Lin family all these years, but ...

Lin youlin's hair stood on end when this matter was presented so bluntly in front of her eyes!

He shuddered in fear!

"Little uncle, at a time like this, aren't you going to say anything?"

Lin Hanxing turned to look at Lin yanshu.

This face was 70% similar to father Lin's, but whether it was courage or ability, he was far inferior to father Lin.

Lin yanshu's thin lips trembled.

"You've already vaguely guessed it, haven't you?"

Lin Hanxing's cold gaze fell on his face, and the moment their eyes met, Lin yanshu visibly shrank.

"What are you guys talking about? What did you guess?"

Zhong Wan 'er suddenly turned her head and looked at her husband without blinking.

"Why don't you say something!"

"Don't listen to her nonsense!"

Lin yanshu couldn't take it anymore and roared. His eyes were bloodshot, as if he had been touched on his reverse scale.

seven years ago, it was Lin Jiaojiao who spilled the oil on the stairs without anyone knowing.

Just as the atmosphere turned cold, Lin Hanxing's calm voice was heard.

BOOM!

It was like a sudden clap of thunder on a sunny day, causing everyone's expression to change!

"What did you just say?"

Zhong Wan 'er suddenly stood up.

Perhaps it was because he had suffered a heavy injury, but his entire body seemed to be on the verge of collapse as he let out a cry of shock!

"You didn't hear wrong."

As if he didn't feel the impact of his words on Zhong Wan 'er, Lin Hanxing quickly spoke again, his voice cold.

I said, it was Lin Jiaojiao who caused your miscarriage seven years ago.

Lin Jiaojiao tried her best to stay calm, but she couldn't help but tremble.

“Is it true?”

Zhong Wan ‘er turned her head and looked at Lin Jiaojiao mechanically.

This was the daughter whom she had treasured for so many years and could not bear to let her suffer even the slightest bit of harm.

In her heart, she was like a little white flower.

Lin Jiaojiao’s eyes were sparkling.

I’m asking you, is it true?!

Zhong Wan ‘er grabbed Lin Jiaojiao’s shoulders with both hands and forced her to look up at her.

“I don’t know! I don’t know!”

Lin Jiaojiao desperately tried to break free from her mother’s shackles, but she couldn’t break free no matter what.

“For the past seven years, little aunt has been thinking of ways to make up for the regrets of that year. For a whole seven years, there was no news from her stomach.”

Just like that, Lin Hanxing supported her cheek with one hand and looked lazily at Lin yanshu and his family.

The mole at the corner of her eye was glistening.

I can tell you that it’s also because your daughter, Lin Jiaojiao, has been constantly drugging you all these years.

It was just a casual sentence, but it almost made Zhong Wan ‘er faint!

She was lying!

Lin xiaojiu must be lying!

How was that possible?

How could Jiaojiao have caused her miscarriage seven years ago?

How could she have drugged him for the past seven years?

This must be a lie Lin xiaojiu told to break up their family and take revenge!

She didn’t believe it!

“It can’t be true! This can’t be real!”

Zhong Wan ‘er’s hand was tightly wrapped around Lin Jiaojiao’s shoulder, as if it was going to be embedded in her.

Rong Shiyu, who was sitting next to young master he, could not believe his ears.

The Lin family ...

Why was he so terrifying?

It was not only Rong Shiyu, but many people were also surprised by this unexpected plot!

What was going on?

Lin Hanxing calmly took out another item from the leather bag that the mute uncle had given him.

“In fact, when the Lin group’s chief lawyer’s office was robbed, more than one document was lost!”

Lin Hanxing looked at his aunt, Lin youlin, as he held the item in his hand.

and this is the real reason why the murderer used your daughter, Lin Jiaojiao, to get rid of the baby in your belly!

What?

The mastermind behind the scenes?

Zhong Wan ‘er’s eyes, which were still dripping with tears, kept widening!

Why would there be a real culprit behind the scenes?

if I’m not wrong, you’ve already found out the gender of this child through your internal connections, right? ”

“I ...”

At that time, Zhong Wan ‘er had indeed done so.

Not only did he know about it, but he also happily shared the news with the Lin family.

“The mastermind you’re talking about ...”

Zhong Wan ‘er couldn’t even say a complete sentence, and she was on the verge of collapse.

“Who is it? Who is it?”

Lin Hanxing smiled, but this time, he did not answer her immediately.

little uncle, you’ve been hiding it for so many years. I wonder if you can be more honest with your wife this time? ”

[Chapter 1015](#)

1015 Enjoy your last happy night

Lin yanshu turned to look at Lin Hanxing!

That gaze was as if she was a giant beast with its bloody mouth wide open. As long as one was targeted by her, there would be no return!

Lin Hanxing allowed him to size him up.

He casually fiddled with the ring on his finger and enjoyed the expressions of everyone present.

It had been eighteen years.

The Lin family looked bright and beautiful on the surface, but it was rotten on the inside.

Even the foundation was shaken.

She fiddled with it a little, but the earth shook and the mountains shook. It was really ...

How boring!

“What did she mean by that?”

Zhong Wan 'er's face was full of tears. She turned her head and looked at her husband. She had been married to him for so many years, and no one could find any fault with him. He had even endured his cowardice and cowardice. What else was he hiding from her?

Lin yanshu's lips trembled.

His eyes flickered, and he didn't say a word for a long time.

“Say something!”

With a loud slap, Zhong Wan 'er angrily slapped Lin yanshu's face!

Then, he slapped her a few times in succession, as if to vent the depression in his heart, one slap after another!

No one spoke.

Or rather, no one dared to speak.

Lin Hanxing's lips curved up silently, his eyes full of sarcasm.

In her extreme anger, Zhong Wan 'er didn't restrain her strength.

She kept recalling the pressure she had suffered all these years because she couldn't give birth to a son for him, the fact that she had become a joke among the madams of Jiang city because she had gone everywhere to seek medical advice, and the psychological and physical pain she had suffered because of the successive test tubes.

Their Lin family!

The Lin family had gone too far!

Lin yanshu's mouth and nose were bleeding quickly, but he still kept quiet.

Even the glasses on his nose bridge were deformed.

Lin Jiaojiao looked at her parents in horror.

“Oh right, I forgot to tell you.”

After a while, Lin Hanxing finally said coldly after making sure that he could no longer see his uncle's face.

"In the past seven years, you've done test tubes five times, and two of them were successful. Unfortunately ..."

As Lin Hanxing spoke, Jiang Xibao placed the prepared copies of the information on the coffee table.

"Lin xiaojiu!"

Right now, Lin youlin's heart was filled with uneasiness and fear.

Why did she know everything?

There was only a buzzing sound in Zhong Wan 'er's head. She couldn't hear anything other than Lin Hanxing's voice.

She rushed back to the coffee table.

She held the information in her trembling hands and read it back and forth carefully, as if she was trying to read every word clearly.

"Why? Why did you ..."

Zhong Wan 'er raised her head in confusion and looked at Lin Hanxing's cold and indifferent face.

Her red and swollen eyes were filled with helplessness and misery.

"Little 9th, I'm begging you, can you please tell me?"

With a plop, Zhong Wan 'er knelt down in front of Lin Hanxing.

His knees kept moving forward.

His hands finally touched Lin Hanxing's knees.

This time, Lin Hanxing did not push her hand away. Instead, he looked down at her with a cold gaze.

"Then can I ask you something too?"

Lin Hanxing's body suddenly leaned forward slightly, and he looked at Zhong Wan 'er face to face.

In this house.

Lin yanshu might seem weak and spineless, but he had one good thing, and that was his tight-lipped mouth.

In the entire Lin family, it was Zhong Wan 'er who ...

This was the best Breakthrough point!

Zhong Wan 'er's eyes were wide open, and tears fell from her eyes.

"Ask, I'll tell you everything!"

Hearing this, Lin youlin stood up abruptly, her head was about to explode.

He was about to pull Zhong Wan 'er up from the ground.

However, before he could even get close, he was blocked by the expressionless mute uncle.

Lin Hanxing's eyes fell on Lin youlin's face, and his eyes were wild.

He stretched out his slender fingers, accurately pinched Zhong Wan 'er's chin, and lifted it up.

He didn't even look at her.

"Back then ..."

Lin Hanxing's Red lips opened and closed, and in Lin youlin's eyes, he was no different from a man-eating beast!

who gave my father a chronic drug? "

BOOM!

It was like a sudden clap of thunder in the clear sky, causing everyone's scalp to go numb!

Even Lin youlin didn't realize it.

She was trembling.

A trembling that was out of his mind's control!

"If you tell me, I'll tell you the truth!"

Lin Hanxing slowly turned his head back to Zhong Wan 'er.

She was so pitiful now, but in the past, each of them was the murderer who killed her parents!

Zhong Wan 'er's legs went soft.

He never expected her to ask about this, and he was completely dumbfounded!

Her chin was still under Lin Hanxing's control.

It hurt.

However, it couldn't be compared to the pain of being kept in the dark for so many years.

Her lips opened and closed, and just as she was about to make a sound ...

"It's me! I was the one who asked Lin Jiaojiao to do it! It was also me! I'll make you fail every test tube!"

Just as Zhong Wan 'er was about to say something, Lin youlin suddenly roared!

Lin Hanxing's fingers paused.

He chuckled and released his grip on Zhong Wan 'er.

He only heard a loud cry.

Zhong Wan 'er's whole body was like a spring as she pounced towards Lin youlin, as if she had gone crazy.

Lin youlin was caught off guard and was scratched by her long nails, leaving five marks on her face.

“Why? Why do you want to harm me?”

Lin Hanxing rubbed the thick Foundation on Zhong Wan ‘er’s face with his fingertips, and a little disgust flashed in his eyes.

The mute uncle passed her a wet tissue.

A rare look of worry and complicated emotions appeared on his expressionless face.

Lin Hanxing smiled at the mute uncle.

When she watched them fight each other, she was ...

I’m so happy!

The villa was in chaos, and the servants hid and didn’t even dare to breathe.

There was a faint worry in his heart.

Was the Lin family going to play?

“Are you happy now? Are you satisfied now?”

Lin Jiaojiao’s gloomy voice was heard. She was like a ghost, floating there.

Her eyes were filled with anger and deep hatred.

Lin Jiaojiao, when you set your sights on your own family for that small amount of shares, movable and real estate, did you not think about the principle that evil will be rewarded? ”

Lin Hanxing laughed sarcastically, his voice cold.

He didn’t blame himself for doing evil, but he blamed the person who exposed him for being a busybody ...

The ways of the world today were really unpredictable!

“What do you know?”

Lin Jiaojiao screamed.

It was a real scream, the kind that broke through the human brain.

Lin Hanxing had a new understanding of his cousin’s explosive power.

“Do you think that everyone has parents as good as you? I’m willing to give you the shares under my name! Where are my parents?”

Lin Jiaojiao broke down and cried.

“Ever since I was young, I’ve seen my dad being bullied by my aunt, and I didn’t even dare to let out a fart! Where’s my mom? You’ve been dreaming about having a son all day, but you don’t know that it’s a joke!”

Lin Jiaojiao's voice was sharp.

His words were filled with contempt for his parents.

"This family is always full of schemes! If I don't think and plan for myself! I would have been like you, sold off without a word for eighteen years!"

Jiaojiao!!!!

Lin Jiaojiao!

Lin youlin, Lin yanshu, and the rest of them screamed out in shock, as if they wanted to stop her from continuing!

This time, Jiang Xibao, he Chengyu, and the others looked at Lin Hanxing in shock.

What did Lin Jiaojiao just say?

Sold?

Wasn't she taken away by human traffickers?

How could it be sold now?

Who sold it?

Lin Hanxing's expression was as calm as ever, compared to the gloomy and surprised expressions of the others.

Under the crystal chandeliers, her beauty was beyond comparison!

"What's wrong? We're already at this stage, what's there that you can't say?"

Lin Jiaojiao's expression was as if she had been sucked dry.

"I was indeed the one who drugged Luo Ruyin. Who asked her to bully me? And you want to snatch my things? What's the result I told you? You want me to endure? Why? Why is it always our family that has to endure in this family?"

Lin Jiaojiao laughed so hard that she almost went crazy.

"I want money, I want power, I want shares! I want to hold everything that belongs to our family in my hands!"

Lin yanshu and Zhong Wan 'er looked at her.

Was this still the weak and gentle daughter in their memories?

She seemed to have gone crazy!

It made people feel afraid!

However, in this family, who wasn't crazy?

mom, if you want to blame someone, blame Grandpa. He was the one who made these brothers and sisters sign the agreement. If they give birth to a boy, they will get 5% of the shares of Lin's group. Aunt's family will not allow us to have more than what they have in our hands!

From the beginning to the end, Lin Hanxing, who was sitting on the black leather sofa, only had a faint smile on his face ...

They watched this Human Comedy!

Dad, did you see that?

These are the brothers and sisters you treat with sincerity.

Do you and mom see their ugly faces now?

Lin yanshu fell limply to the floor as if he had been given a cramp, and he lowered his head in silence.

Lin qianlin was entangled by Zhong Wan 'er, her hair and face unkempt.

It could not be more laughable.

Mother he and second young master he's expressions were unreadable, as if they wanted to run away quickly.

Pa pa pa pa pa pa ...

Suddenly, the sound of someone clapping entered everyone's ears. In the chaotic atmosphere of the villa, it seemed extremely strange.

"What a good show."

Lin Hanxing patted his hand and smiled.

The silver Lotus eyes that were fastened to ru Yu's ears glowed with silver light, giving her an indescribable sense of coldness.

let me give everyone a piece of advice. You'd better hold a press conference tomorrow morning to officially announce the marriage between the Lin family and the he family. Otherwise ...

Lin Hanxing's words were full of reservations and it made everyone's heart jump!

"Otherwise what?"

Lin qianlin and mother he asked, their lips quivering.

think about the Additional Terms that you signed with X group, and think about the photos and recordings I have.

Lin Hanxing replied with a smile.

Youyou guaranteed that there would be no problems that would harm the cooperation interests in the Jiangcheng cross-sea bridge project. Otherwise, X group would not only withdraw its capital but also demand the three groups to buy back the early investment of X group at a higher price than the market price as compensation.

a scandal is also a problem that damages the interests of the cooperation.

Lin Hanxing stood up slowly, a profound smile on his face.

Lin youlin felt a chill down her spine.

“Enjoy your last night.”

Lin Hanxing’s gentle voice was insipid.

allow me to go upstairs and change my clothes. I’m going to send young master he home.

[Chapter 1016](#)

1016 rose

Lin Hanxing quickly changed his clothes.

In front of the dressing mirror, she looked at herself in the mirror with a cold and expressionless face as she took off her jewelry one by one.

The next second, a loud bang was heard.

Lin Hanxing then threw away the expensive makeup on the dressing table!

It shattered on the wall!

The air was filled with a rich and refreshing smell.

Thump thump thump.

Someone knocked on the door.

“Come in.”

Lin Hanxing said coldly.

The door was opened from the outside, and the mute uncle’s expressionless face appeared.

“Mute uncle, pass down the order to thoroughly investigate all the people who have had abnormal business dealings with the Lin family over the years.”

Lin Hanxing’s clear eyes were as cold as ice.

I thought it was just the Lin family, but I only found out tonight ...

Her long, curly eyelashes, which were like black down feathers, drooped and trembled slightly.

The bones of her slender hand turned white from the tight grip.

“I’m afraid there’s another mystery to what happened back then!”

If the Lin family was the only party involved, Lin youlin would not have admitted to it so quickly.

Her expression was obviously trying to hide something!

Good!

Very good!

I'd like to see who else is involved behind the scenes!

Lin Hanxing's hand slammed on the dressing table.

The force was so great that everything jumped up.

After a long time.

Lin Hanxing regained his calm.

The hostility between his brows also gradually receded, and his gaze slowly swept across the room.

"Mute uncle, you and Xi Bao pack up. Xi Bao will go to the Lei family with me and you will go back to Y. R. He had prepared two sets of plans. If the Lin and he families held a press conference tomorrow morning to announce the marriage, he would let that person continue to stir up the storm. If they don't announce it ..."

Lin Hanxing sneered, his eyes full of sarcasm.

The mute uncle nodded.

However, he quickly sent a message to Lin Hanxing.

Ran ran, what about the Lin family's old residence?

Lin Hanxing looked at the mute uncle with a gentle gaze, as if he was looking at his own father.

"I'll make them give it to me in its original state ..."

"Spit it out!"

.....

The mute uncle followed behind Lin Hanxing and quickly came down from the second floor.

In the future, she would not come back to stay here unless there were special circumstances.

The room was as messy as it was before she went upstairs.

"Xi Bao, you listen to mute uncle's arrangement."

Lin Hanxing ordered calmly. Then, he looked past the vicious eyes of mother he, second young master he, and he zhehan and stood in front of first young master he, he Chengyu, and Rong Shiyu.

"Young master he, let's go!"

Lin Hanxing then walked towards the door.

The men who were standing at the door to block the way opened the door respectfully and neatly.

The cold wind blew in.

It lifted her long black hair, and she was so beautiful.

Outside, an extended version of a black Cadillac was waiting quietly.

Madam Chen's husband, who had been a chauffeur for the Lei family for decades, opened the car door respectfully when he saw her.

Madam and young master are worried about young mistress, so they asked me to wait here.

The driver's voice was low.

It brought Lin Hanxing the warmth of a home.

"Lin Hanxing!"

Suddenly, mother he's anxious voice came from behind.

Lin Hanxing's face was cold as he turned to look at her.

"You were the one who took him away from the hospital?"

All these years, Mrs. He had never been so scared of someone before. Even though the other party hadn't done anything, she was afraid of her from the bottom of her heart after witnessing everything she had done since she came back!

Lin Hanxing's expression did not change.

She looked over mother he's shoulder and saw young master he and Rong Shiyu walking behind her.

He gestured for the two of them to get into the car.

I won't let you send him back to the he family. There's no place for him there now!

Seeing that Lin Hanxing did not even look at her, she gritted her teeth and said, "

"No one will open this door for you without my order!"

Mother he took two steps forward, but when she was about to get close to Lin Hanxing, she was blocked by The Man in the Black Suit.

At this moment.

He Chengyu and Rong Shiyu had already gotten into the car.

Lin Hanxing finally turned to look at mother he, who was on the verge of going crazy, as if he was doing charity.

after he Chengyu came back, did you really think that the he family was still in the hands of you and your mother? "

The cold wind ruffled her long hair.

Her porcelain-white skin was particularly moving in the dark night.

It gave off an indescribable charm.

Unconsciously, it made the others fall into madness.

“As for the door ...”

Lin Hanxing’s lips curved into an obviously sarcastic smile. It was as cold as the bone-chilling winter wind, making mother he’s heart jump.

“Why don’t we try?”

.....

The car started moving slowly.

Lin Hanxing sat opposite he Chenglong and Rong Shiyu.

missus, there are fruits and chocolates over there that young master specially ordered us to leave behind.

The chauffeur’s voice was heard.

Lin Hanxing turned around and saw cut fruits and small pieces of chocolate.

He reached out and put a piece into his mouth.

He allowed the bitter taste of the chocolate to melt on his taste buds.

Lin Hanxing’s originally cold features softened, perhaps because he was thinking of Lei Xiao.

There was even a slight smile on his lips.

“You two have such a good relationship.”

Rong Shiyu opened his doe-like eyes and looked at Lin Hanxing.

“You don’t have to worry.”

Lin Hanxing glanced at young master he, his eyes calm and emotionless.

He Chengyu looked up and met her eyes.

At the banquet tonight, all the rich and powerful families in Jiang city had witnessed Lin Hanxing’s imposing manner.

It was an aura that could not be described with words.

Before tonight, when Lin xiaojiu and Lei Xiao were mentioned as a couple, the first impression they gave was that they were not a good match!

After all, the difference in status between the Lin family and the Lei family was too great!

However, after tonight ...

No one would ever have such a feeling again!

Lin xiaojiu’s beauty and mysteriousness gave her an indescribable charm!

Anyone with eyes could tell that she was extraordinary!

you just have to remember that you are the young master of the he family. The he family is your home, he Chengyu!

As they spoke, the faint sweet scent of chocolate spread in the air.

“Stop the car.”

Suddenly, Lin Hanxing’s gaze fell outside the window and he spoke.

The driver quickly stopped the car.

The weather tonight seemed particularly gloomy, and the street lights were yellow.

Lin Hanxing stepped out of the car in his high heels and walked towards the flower shop that was still open.

Very quickly.

She walked out with a big bouquet of roses in her arms.

The red roses made Lin Hanxing look even more beautiful. When she returned to the car, she put the flowers aside.

“I wonder if ah Xiao will like it.”

“.....”

Well, she didn’t know if she liked Rong Shiyu or not, but ...

Is there something wrong?

Rong Shiyu tilted his head, his clear eyes showing confusion.

It seemed like men always gave women flowers. Why was it the opposite when it came to miss Jiu?

However, these words.

It was better not to say it for now.

Rong Shiyu decided to be a silent baby.

Twenty minutes later.

The he family’s Villa appeared in sight.

She could clearly feel young master he Chengyu’s body starting to tense up.

[Chapter 1017](#)

1017 Unscrupulous merchant with no bottom line

Lei family villa, study room.

In the black Leather Executive Chair, Lei Xiao sat upright, his handsome and fierce facial features were expressionless.

The floor-to-ceiling tempered glass reflected a cold light.

In the ashtray beside her, a white smoke ring curled upwards until it disappeared.

The computer's LCD screen was lit up.

Lei Xiao was in a three-way video conference with Yan beixiao and Liang yuran.

A few buttons of his shirt were unbuttoned, revealing his muscular chest. His fluffy hair after the shower covered his deep eyes.

It was the coldness of work.

ah Xiao, the first and second wangfei of country G are trying their best to get your and Mr. Yuan's support.

Liang yuran turned his back to the camera and poured himself a glass of whiskey.

"F * ck, is this your doghouse?"

Yan beixiao's eyes almost popped out of the screen. How long had it been since he last saw the color of his floor?

Liang yuran didn't even pay attention to him. He took the glass of hard liquor and put it against the ice outlet of the refrigerator.

He added a few pieces of ice.

"Who I support will depend on Hanxing's attitude."

As soon as Lei Xiao finished speaking, Yan beiming snapped his fingers on the other end of the video.

"Liang, it seems that from now on, little Hanxing will be the conscience of this profiteer!"

Thunder owl did not say anything.

He picked up the cigarette and took a puff. The smoke spread in his nose.

His posture was cold and charming.

"Unscrupulous merchant?"

After a long time, Lei Xiao rummaged over these two words.

Liang yuran held the cup in one hand and turned around, his handsome face relaxed in front of his good friend.

"Don't tell me you've just found out that people are calling us 'unscrupulous merchants with no bottom line'?"

All these years, the three of them had been traveling around Golden X corner, estan, France, N country, and other places. As long as the other party could afford it, they could get whatever they wanted.

Lei Xiao raised his eyebrows.

The collar of his black bathrobe was half open.

It was extremely sexy.

Yan Beichen felt lucky that he was a man. If he were a woman, she would definitely not be able to hold back and throw herself at him.

Tsk tsk.

He was really curious.

How did little Hanxing manage to face ah Xiao like this without panicking?

It was really ...

I'm so curious!

.....

At the entrance of the he family villa.

After three years, when he Chengyu stood here again, he couldn't calm down.

When he left home that day, he would never have thought that so many things would happen.

As a result, he no longer belonged here after three years.

Just as she was thinking about it, the car's headlights suddenly lit up, as if they were going to cut through the dark night, with a rush and coldness.

He chengchen subconsciously raised his hand to block the glaring light.

It was unknown when.

Lin Hanxing, who was wearing a black cashmere coat, stood behind him. The gentleness on her delicate face in the car had disappeared, and she returned to her usual cold and indifferent look.

"Get lost! This is my home!"

Second young master he, he zhehan, got out of the driver's seat and slammed the door.

The entire body of the car seemed to shake along with him!

The headlights of the two cars were so bright that they could even see the dust in the air clearly.

"Ha."

Lin Hanxing chuckled, his long eyelashes rippling with ridicule.

He zhehan's head buzzed.

She didn't know why, but she felt as if she had exploded.

All the humiliation he had suffered tonight had finally been vented.

“Zhe Han!”

Sensing that something was wrong, mother he quickly got out of the passenger seat, but she still watched as the hot-tempered he zhehan rushed towards Lin Hanxing.

He Chengyu blocked Lin Hanxing’s way without a word.

However, before she could reach him, Lin Hanxing pushed her aside with a slightly impatient expression.

He Chengyu, who had wanted to protect Lin Hanxing, was a little dumbfounded.

But before he could recover, what happened next shocked him even more!

He zhehan, who had just walked over violently, didn’t even have the chance to say anything before he was thrown over his shoulder by Lin Hanxing, who had still been turning his wrist a second ago, to the cold ground!

She was clearly wearing a few-inch high heels, but she was still as steady as Mount Tai!

He didn’t even blink.

Lin Hanxing looked down at he zhehan, who was struggling in pain. Her hand was still on his forearm, with a strength that could be easily broken at any time. Her eyes were full of indifference and contempt.

“If you can fight, then stop talking nonsense!”

She could only blame he zhehan for insisting on looking for trouble after she bought roses for ah Xiao.

Although the petals would not wither for a while.

However, Lin Hanxing still wanted to give it to Lei Xiao in its best condition.

“Lin xiaojiu!”

Seeing this scene, mother he’s scalp went numb, especially after she had witnessed Lin Hanxing’s combat power.

He Chengyu was still in a daze.

The guard behind the carved gate heard the commotion and walked out.

“Open the door,”

Lin Hanxing said coldly. As soon as he finished speaking, he zhehan started to clamor again.

“Whoever dares to open the door, I’ll fire all of you tomorrow!”

With a crack, he zhehan’s forearm was dislocated by the expressionless Lin Hanxing!

The pain hit him!

Mother he rushed over and was about to slap Lin Hanxing’s face.

However, before she could get close, Lin Hanxing’s vicious gaze had already successfully blocked her path.

Just as the situation was in a stalemate, suddenly, the carved door slowly opened.

Mother he and he zhehan suddenly turned their heads.

He looked at the door.

Who was it?

Who had opened the door?

At the end of her line of sight, the housekeeper that the he family had hired for two and a half years was standing there expressionlessly.

In the two and a half years, he had not made a single mistake.

She was the one that mother he trusted the most.

He was the one who opened the door.

This dramatic scene made the mother and son of the he family speechless for a long time.

“Miss Lin.”

The Butler bowed respectfully to Lin Hanxing, just like the burly Men in Black suits that night.

He recognized that this was the new housekeeper that the he family had hired after his accident. Not only the mother and son, but even he Chengyu was confused by this scene. Why was the new housekeeper of the he family treating Lin Hanxing so respectfully?

“Get in the car.”

Lin Hanxing nodded at the other party, then got into the car first.

Very quickly, the others also followed him up.

She ignored the mother and son of the he family.

The car started again.

They drove slowly into the he family villa.

On the way, young master he’s eyes never left Lin Hanxing and the Butler’s faces.

The air was filled with the faint fragrance of roses.

On the other hand, Lin Hanxing closed his eyes expressionlessly, but he was trying to guess what ah Xiao was doing.

There was some distance between the gate and the villa.

The sound of a sports car rumbling could be heard from behind. She wondered if it was Mrs. He.

Soon, the car stopped.

“From now on ...”

Lin Hanxing's voice suddenly rang out. His long eyelashes fluttered like wings, bringing about ripples.

"Pick up your dignity as young master he."

Lin Hanxing turned to look at he Chengyu.

After entering this door, the things that belonged to him could only be firmly held in his own hands.

He couldn't let go no matter who came to snatch it!

"I know, ninth young lady!"

[Chapter 1018](#)

1018 Young master he is back

When Lin Hanxing's eyes closed again, the car door had already been opened from the outside.

The cold wind gushed into the car.

The fragrance of the flowers floated.

Lin Hanxing bent down and got out of the car first, a strong aura spreading from his bones.

That cold calmness could make her stand out from the crowd and make people pay attention to her first.

He chengche, Rong Shiyu, and the Butler followed behind her.

A click.

The mansion's white European style door opened from the inside.

Mother he, who was supporting her son from behind, had never felt so threatened before.

This was different from the Lin family's Villa.

Back then, Lin xiaojiu was targeting the Lin family, but here, she was standing against them for he Chengyu!

Just like that, she walked steadily up the steps in her high heels.

His figure disappeared at the entrance of the villa.

It was like ...

It was as if she, Lin xiaojiu, was the master of the house!

"Mom!"

He zhehan's hands were still dislocated and his entire body was weak, but his voice was gritting his teeth!

It was as if he hated her to the bone.

"This home belongs to us, mother and son!"

They had spent so much effort to hold it in their hands, and they would definitely not let it be snatched away so easily!

Lin Hanxing walked forward expressionlessly.

He Chengyu was a step too slow.

His eyes swept across everything in front of him, both familiar and strange.

Three years.

To others.

It was neither long nor short.

It was only three Chinese New Years.

But to him, it felt like a lifetime.

This was still the he family's Villa.

However, the inside had completely changed, and he could no longer find the appearance in his memory.

Some of the servants were newly hired.

Most of them were old people. At this time, they had not received news of young master he's re-appearance, but the moment they saw he Chengyu, their eyes widened as if they had seen a ghost in broad daylight!

Pa!

The servant who was holding the vase accidentally broke it.

Lin Hanxing, who was walking in front, paused.

His gaze swept across.

The latter's breathing suddenly stopped, and he was at a loss.

Lin Hanxing did not say anything.

He stepped on the broken pieces of the vase, making a crackling sound.

Yuan Xiaolei heard the commotion downstairs and walked out of her room. She stood at the entrance of the carved staircase. The moment she saw he Chengyu, her eyes widened in shock and she subconsciously reached out to cover her mouth!

He ...

When did she wake up?

Lin Hanxing quickly sat down on the main seat of the sofa.

The black cashmere coat made her small face look even more cold.

“Madam he, sit down and have a chat.”

Lin Hanxing said faintly, a mysterious smile on his lips.

“This is my home!”

Mother he’s voice trembled slightly, obviously trying to suppress her anger.

Lin Hanxing didn’t say anything, his clear eyes looking in he Chengyu’s direction.

“This is my home too!”

As soon as the words left his mouth, young master he seemed to have found his confidence.

The feeling of helplessness and discomfort of returning home after three years had disappeared.

He seemed to have become the same person as he was three years ago.

Strategic planning.

He was the most promising successor of the he Corporation.

“We’re all thousand-year-old foxes, so let’s not beat around the bush.”

Lin Hanxing fiddled with the diamond bracelet on her slender wrist. Her eyes were calm, but her eyebrows were raised.

“Call everyone over.”

Lin Hanxing said this to the Butler.

Mother he felt a chill down her spine.

Especially when they saw the he family’s butler being so respectful to Lin Hanxing, the fear they felt was like throwing a person into the deep sea.

It was getting darker and colder.

Soon, the servants on duty were called over by the Butler and stood in the living room of the villa.

Rong Shiyu couldn’t help but widen his eyes at the scene.

Footsteps could be heard from the stairs.

Yuan Xiaolei ran down with red eyes and stumbled.

The moment he met he Chengyu’s eyes.

Her tears fell down like beads from a broken string.

This B * tch!

He zhehan cursed in his heart. When he Chengyu was still alive, she couldn’t wait to climb into his bed. Now, she was pretending to be a chaste woman. Did she really think that he could turn the house upside down just because he came back?

Lin Hanxing didn't even look at Yuan Xiaolei.

He only slowly scanned the faces of every servant in front of him with his sharp eyes that seemed to be able to see through people's hearts.

Such a shock.

She had used it once when she had just returned to the Lin family.

"You don't need to know who I am, and you don't need to know what happened in this family."

Lin Hanxing's voice was not loud.

But strangely, it was clearly transmitted into everyone's ears.

It made one's heart turn cold.

It was as if he could not help but regard her words as an imperial edict.

She had such a slender body.

She clearly had such an exquisite and beautiful face.

But it made people bow down to him, even if ...

This was the first time they had met!

you just have to remember that the person beside me is the first young master of the he family, he Chengyu!

Lin Hanxing's tone was powerful.

All the servants, old or new, subconsciously looked in he Chengyu's direction.

He was the young master of the he family ...

The rumored 'comatose' person who had a serious car accident during her wedding three years ago?

He's awake?

The new servant finally understood why the others had looked at each other as if they had seen a ghost.

This was simply unheard of!

and that person will always be the second young master of the he family!

Lin Hanxing enunciated every word clearly.

"Do you understand?"

"Lin xiaojiu!"

He zhehan was flustered and exasperated, but just as he finished speaking, the teacup flew out of thin air and exploded on his face!

Lin Hanxing's cold and ruthless eyes fell on he zhehan's face.

“Do you understand?”

Lin Hanxing turned his head to look at he zhehan, but his words were directed at all the servants!

No one spoke, and there was an indescribable strange atmosphere circulating among the crowd.

They couldn't help but feel awe.

“Whoever dares to open their mouth, you don't have to go to work tomorrow!”

Mother he followed.

“Especially you!”

Mother he rushed towards the Butler and stopped in front of him. She gritted her teeth and continued to speak.

“Now pack up and get lost!”

Lin xiaojiu, Oh Lin xiaojiu!

If she had been preparing for these things two and a half years ago, how terrifying would she be?

Mother he would rather believe it.

The Butler had only been bribed by her people recently!

But even so, she wanted everyone here to know.

Who was their master?!

This he family belonged to her and her son!

After the old man died in that air crash, this place was theirs!

The Butler didn't move.

The atmosphere was tense.

“I'm sorry, I was hired by miss Lin to take care of young master he.”

The Butler said in a low voice.

He didn't know if it was an illusion, but there was a faint mockery in his voice.

Mother he suddenly covered her chest.

What did he just say?

1019 From now on, I'll be the master of this family

“Can you repeat that?”

Mother he said these words through gritted teeth, as if she wanted to crush her silver teeth.

The Butler looked in the direction of mother he.

His eyes were as sharp as a knife.

"I said, I was hired by miss Lin to take care of young master he!"

As the saying goes, when Immortals fight, little ghosts suffer.

The servants of the he family didn't even dare to breathe loudly, but one thought inexplicably welled up in their hearts.

The heavens of the he family ...

It was probably going to change!

I will pay double or even triple the salary of the people she dismissed to hire them back.

He Chengyu said in a deep voice.

His deep and handsome facial features exuded a convincing aura.

"From now on, I'll be the master of this family!"

He Chengyu's voice was deep and intimidating.

Hearing this, Lin Hanxing looked at him with approval.

She originally thought that young master he would need some time to get used to it, but she didn't expect him to get into the zone so quickly.

It saved her the trouble of explaining.

After all, he Chengyu would be the one in the house in the future. If she said too much, she would overshadow the host.

"So, do you understand?"

He Chengcheng's eyebrows were like swords and his eyes were like stars. His spirit was terrifying, and coupled with the hatred that had accumulated over the past three years, it made people shiver instantly.

"Understood!"

Almost at the same time he finished speaking, someone chimed in!

Mother he and second young master he were so angry that their noses were almost crooked. Their entire bodies trembled uncontrollably!

Lin Hanxing's eyes fell on the two men.

His arm rested lightly on the sofa's genuine leather armrest. His face was as cold as ice, and a kind of toughness spread from his bones.

No one was allowed to question it.

Lin xiaojiu, what are you trying to do!?

Who did she think she was to stir up the entire Jiang city with her own strength?

Lin Hanxing looked at mother he and chuckled.

“Send young master he back to where he should be.”

There was a chill running through her limbs and bones. Mother he glared at her fiercely.

Lin Hanxing did not care.

She got up slowly, smoothed out the wrinkles on her coat casually, and walked to mother he in her high heels.

He stood still.

He looked down at mother he.

Her face, which she had taken great pains to maintain, was delicate and lustrous, and she did not look like someone of her age at all.

“You ...”

Before mother he could finish her sentence, Lin Hanxing had already grabbed her chin.

He used a little force.

She forced mother he to look up at her.

It was domineering!

“Whoever you are, you should stay where you are.”

Her red lips opened slightly.

Lin Hanxing’s pupils were reflected by the light into an alluring amber color.

Mother he couldn’t help but shiver.

She wanted to turn her head away, but Lin Hanxing had already let go of her.

“Hehe, don’t tell me you want to threaten me like you threatened your aunt?”

Mother he was so angry that she spoke without thinking.

There was an unspeakable savagery and unscrupulousness in his cold laughter.

Lin Hanxing chuckled and shook his head.

She looked at mother he as if she was an idiot. Even her eyes were impolite.

Lin Hanxing raised his hand and patted mother he’s shoulder.

His expression made mother he feel uneasy.

“Have a good sleep tonight. You’ll know tomorrow.”

Lin Hanxing then walked towards the door of the villa.

In the silence, the sound of high heels clicking on the floor was frightening. It was like a whirlwind, creating strong ripples.

“Oh, that’s right,”

Suddenly, Lin Hanxing stopped in his tracks with his back facing the crowd.

She slowly turned around.

He was expressionless.

However, it made everyone’s hearts rise to their throats along with her.

That feeling.

It was even more unbearable than the ten great tortures.

I’m looking forward to the good news of the marriage between the Lin family and the he family tomorrow. It will spread to every corner of Jiang city.

He smiled.

But it was indescribably cruel!

.....

Lin Hanxing only realized that it was snowing when they left the villa.

Snowflakes were falling from the sky.

He reached out subconsciously and let the coldness melt in his palm.

“It’s the first snow of this year,”

Lin Hanxing said calmly and put his hand down. However, when he was going down the stairs, his eyes fell on a place not far away and he paused.

In front of the extended black Cadillac ...

A tall figure was standing there quietly.

The cold wind blew, lifting Lin Hanxing’s long black hair like a waterfall. It was beautiful.

Lin Hanxing’s footsteps suddenly quickened.

He walked towards the tall figure.

Even her delicate little face was full of surprise, which instantly softened the original hostility on her face.

“What are you doing here?”

Lin Hanxing looked up at Lei Xiao.

She didn't know how long he had been standing outside, but even his black coat was covered in snow.

He was only wearing a black shirt under his coat, and his neckline was slightly open.

He seemed to have just taken a shower as there was still a fresh smell on his body. Lin Hanxing could not help but take a deep breath.

"It's snowing,"

Lei Xiao's voice was low as he raised his hand to brush away the snow on her head, his movements gentle.

"What?"

Lin Hanxing's eyes were bright, as if there were stars shining in them.

"Mom said that when the first snow falls, I have to be with the person I love."

"....."

Lin Hanxing didn't say a word. He reached out and wrapped his arms around his thin waist, and buried the smile on his face deep in his arms.

She decided that she would get her mother a set of beeswax jewelry on her birthday.

Yes, let's do that!

"Then ... Did you bring me a present?"

After some thought, Lin Hanxing placed his hands on his handsome face and blinked.

It was cold.

Lei Xiao lowered his head and looked at Lin Hanxing. As if he was afraid that the ground would be slippery after the snow, he supported her with both hands.

When he heard this, he raised his eyebrows.

"Am I not your present?"

Oh, good ...

Who taught him this?

Lin Hanxing could only feel his heart trembling with numbness.

"Get in the car."

Thinking of the roses in the car, Lin Hanxing grabbed Lei Xiao's hand and opened the car door.

If he were to stand outside ...

He was going to become an ice block!

Lei Xiao had just gotten into the car when he saw the large bouquet of red roses. His gaze froze, then he raised his brows and looked at Lin Hanxing.

"I bought it for you."

She thought she would have to wait a while before she could give it to him, but she didn't expect ah Xiao to come and pick her up.

"....."

He didn't hear wrong?

Buy ...

Was it for him?

Lei min did not know whether to laugh or cry.

"Cold star ..."

He called out to the person who had excitedly picked up the large bouquet of roses. Lin Hanxing turned around, her long eyelashes fluttering slightly. Her eyes were overflowing with light, making people really reluctant to disappoint her.

"What?"

As he spoke, Lin Hanxing shoved the Rose into Lei Xiao's arms.

"The flowers are very beautiful."

After a long while, only these four words spilled out from Lei Xiao's mouth.

It was filled with love and indulgence.

Hearing that he liked it, Lin Hanxing blushed and pursed her lips. She first looked at the driver subconsciously, then turned back to look at Lei Xiao and blinked.

Then, she slowly extended her two thin arms to the man.

Hug ... Hug ...

He mouthed silently to Lei Xiao.

She was like a soft and cute little rabbit, no longer as domineering and strong as she was at the Lin and he families.

Without a word, Thunder owl grabbed her wrist and carried her onto his thigh!

He let her sit down steadily.

[Chapter 1020](#)

1020 "Ah"

Lin Hanxing let out a long sigh of relief.

Her slender legs drooped casually, and she raised her head just in time to see Thunder valiant beast's exposed Adam's apple.

"Aren't you cold?"

She wanted to shiver at the sight of a shirt and a coat.

Lei Xiao lowered his head and looked at his wife, who was looking at his collar with bright eyes.

His thin lips curled up slightly.

He shook his head.

Lin Hanxing didn't believe him, and stuffed his cold hands into his collar, directly sticking to his muscles.

Thunder valiant beast's whole body tensed up.

"Is it cold?"

Lin Hanxing raised his head and laughed evilly, like a rabbit that had not been found out by its owner for stealing a carrot.

"It's not time for class to end yet, let it sit back down."

Lin Hanxing leaned over to Lei Xiao's ear and snorted.

"You're going to tell it?"

Lei Xiao fished her hand out of her collar and turned around, as if he was going to press her there.

Lin Hanxing opened his mouth and bit on his ear. Almost in the next second, Lei Xiao sucked in a cold breath.

"Keep messing around!"

He smacked her butt through her clothes.

Lin Hanxing immediately put on an aggrieved expression and blinked at Lei Xiao innocently.

With one look, Lei Xiao's heart softened without any principles.

"It hurts,"

Lin Hanxing snorted, his voice slightly nasal.

In Lei Xiao's ears, she was as cute as she could be, and the man who had no principles towards her raised his hands in surrender.

"Then why don't you hit me back?"

Lei Xiao reached out and tucked her seaweed-like soft hair behind her ears, revealing her white and small ears.

There was a small ear hole in the middle of the earlobe.

Lin Hanxing looked at him and shook his head.

She narrowed her eyes and didn't speak, but in her heart, she was wondering if she was a little pretentious.

He moved slightly.

She pretended to caress the man's indescribable part.

"Then what do you want? Hmm?"

Lei Xiao fiddled with her earlobe, his "en" was filled with helplessness and compromise.

It was as crunchy as it could be.

Lin Hanxing looked up at him, her makeup still on her face bright and beautiful.

Suddenly, he reached out and grabbed Lei Xiao's neck.

Taking advantage of his unguarded state, he pushed him towards himself, but then stopped at a distance of 0.01 meters.

Lin Hanxing rubbed the tip of his nose lightly.

They could feel each other's careful breathing and slight trembling.

Lei Xiao held Lin Hanxing's back tightly with his large palm, afraid that she would fall. He felt the D * mned grip on his abdomen tighten even more.

tonight, Lin Jiaojiao's original plan was ...

Lin Hanxing's long eyelashes fluttered like a butterfly's wings. Before he could finish his sentence, the remaining word was swallowed by Lei Jing.

The tip of his tongue pried in.

Of course he knew.

But he didn't want Han Xing to say it out loud and dirty her mouth.

The man's lips spread from the corner of her lips to her small ear. They were white, and his breath entered her ear hole, causing electric shock-like ripples.

Lin Hanxing could clearly feel it.

At his place.

It was getting harder and harder out of control.

After a long time.

Lei Xiao tried his best to control himself, pressing his forehead against hers, breathing rapidly.

Lin Hanxing's lips were completely drained of color.

At this moment, it was suffused with a moist red.

“Are you sure ... You can still hold it in?”

Even though Lin Hanxing felt that it was unkind of him to laugh at him like this, he could not stop the corners of his lips from curling up.

“Endure until you get married?”

Her little hand reached over and was stunned for a moment. Then, she immediately pretended to not know anything and looked away.

Thunder owl didn't say anything.

Lin Hanxing could clearly see the blue veins on his forehead.

She smiled and continued to flirt with him!
