

Goodnight 1041

[Chapter 1041](#)

1041 Unfortunately, it's too late

The force was so great that Cheng Lingyun's entire body was thrown out uncontrollably.

With a thud, she hit the sofa.

The physical pain could not be compared to the fear in her heart.

Something must have happened without her knowing!

"Big brother Yuan ... Big brother Yuan ..."

Without caring about the pain, Cheng Lingyun wrapped herself in the sheets and crawled back to Yuan shaojing's feet.

"No matter what that B * tch says, don't believe her. She's taking revenge on me for li Yanyu!"

"Big brother Yuan, have you forgotten? Have you forgotten that li Yanyu forced you to marry her while she was pregnant with a bastard child?"

Tears streamed down Cheng Lingyun's face as she clutched Yuan shaojing's ankle tightly, blood seeping out of her nose and mouth from that slap!

She was trying to win even a little pity from the man in front of her!

Lin Hanxing looked at him coldly, a cold sneer in his eyes.

She silently took out her phone and found the two-and-a-half-minute video that she had already played.

After clicking play, he placed it on the coffee table.

The screen was facing Cheng Lingyun.

In the large private room, Cheng Lingyun was lying on the ground. She seemed to be drunk or drugged, and more than a dozen homeless people surrounded her ...

He was doing indescribable things!

The more she looked and heard, the more Cheng Lingyun's body trembled!

So ...

Was this how Yuan SuSu's photos came about?

"No! This can't be real! This isn't me!"

Cheng Lingyun's eyes were red, and she couldn't believe it!

How could that be her?!

Those dirty tramps covered in filth and who didn't clean themselves up all year round were laughing wildly in the video!

It was like a nightmare that she would never wake up from, causing her to tremble and collapse!

It was so disgusting that Cheng Lingyun wanted to vomit!

"No, you're the one who harmed me! Lin, you're the one who harmed me!"

His anger was like a spark that was ignited in the wilderness, and it soon burned like a Prairie Fire.

Cheng Lingyun was about to pounce on Lin Hanxing.

However, before he could even touch Lin Hanxing, he was already kicked to the ground. Before he could even scream in pain, his long hair was grabbed by the expressionless Lin Hanxing.

Cheng Lingyun felt as if she was a gunny sack as Lin Hanxing easily pulled her back to the coffee table. Her scalp was in so much pain that it felt like it was being cut off by a knife.

Soon, Cheng Lingyun was forced to look up.

"I still remember the first time I saw you."

Lin Hanxing's voice was soft and cold, but it was like a blunt blade cutting into Cheng Lingyun's heart.

"Who are you trying to imitate?"

From the first time he saw Cheng Lingyun, Lin Hanxing could easily see that she was imitating aunt Mian. Whether it was her dressing or temperament, she was imitating aunt Mian. It made people not know whether to laugh or cry!

Cheng Lingyun kept struggling, and the bed sheets that were originally wrapped tightly around her loosened, revealing the marks on her body that were hard to hide.

"Big brother Yuan, help ..."

"Who did you ask Yuan susu to imitate this time?"

Lin Hanxing's hand gradually tightened, and Cheng Lingyun's face was forced to look up, revealing a pair of eyes that were mixed with fear and resentment, easily exposing the evil in her heart to everyone.

"If Li Yanyu is a B * tch ..."

Lin Hanxing's delicate face was cold and cruel, even the breath that came out of his mouth was bloodthirsty.

"Cheng Lingyun, Who Do You Think You Are?"

Lin Hanxing leaned over to Cheng Lingyun's ear and asked, word for word.

"Brother Yuan, save me ..."

Right now, Cheng Lingyun had placed all her hopes on Yuan shaojing. Her wealth and glory ...

"Save ... Me ..."

With her scalp being pulled by Lin Hanxing, Cheng Lingyun could only try her best to reach for the tip of Yuan shaojing's shoes. She deliberately put on a pitiful expression, trying to attract the slightest pity from the man.

That pleading voice made another scene appear in front of Yuan shaojing's eyes.

He felt as if he had returned to that day in the water.

All the noise around them was reduced to the sound of flowing water.

With Yuan susu in his arms, he watched as Si Nian's little hands reached out to him. Countless bubbles were bubbling around his mouth.

At that time, she had only thought that he was calling for help.

Just like how Cheng Lingyun wanted him to save her.

However, as time passed, until today, when he finally understood what Si Nian was really shouting, who could understand his hatred and self-frustration?

The man who was originally in the bedroom walked out casually.

He walked towards Yuan shaojing with a flattering smile.

"Mr. Yuan, I've done what you wanted. What do you think ..."

Cheng Lingyun's cry for help came to an abrupt end. Her eyes widened in disbelief as she looked at Yuan shaojing, who was handing a stack of money to the other party. It was as if her entire body had been frozen, and her head was buzzing.

"Did you think that I was the one who took those photos and videos?"

Suddenly, Lin Hanxing's mocking voice rang in Cheng Lingyun's ears, causing her to shiver.

"Cheng Lingyun, don't you think that without Yuan shaojing's permission, I wouldn't have been able to do such things? "Besides ..." Lin Hanxing knew how to use the power of words to hit people's soft spots.

He had treated Yuan susu like this, and now, he was treating Cheng Lingyun, who was already vulnerable, even more so!

"I didn't do this in the first place!"

Lin Hanxing smiled and let go of Cheng Lingyun's long hair.

Between her fair fingers, there were strands of long hair.

impossible ... Impossible ... Big brother Yuan wouldn't do this to me!

Cheng Lingyun's expression was dull, and she couldn't stop mumbling. Seeing that the man took the money and began to count with his thumb, she didn't know what nerve was stimulated, but she threw herself at the other party!

"Brother Yuan wouldn't do this to me!"

That thick stack of money was snatched by Cheng Lingyun like a mad woman, tearing and throwing it all over the room!

Lin Hanxing raised his head and looked at the rain of money that was falling from the sky.

It was like a silent mockery.

They were laughing at this ridiculous comedy in the human world.

Seeing that the money in his hands was gone, the man was not willing to give up. He didn't care that the two of them were having sex in the room just now. He raised his foot and kicked Cheng Lingyun's chest.

Cheng Lingyun had never suffered like this in all these years, and she immediately screamed in pain.

The man still refused to let her go.

One punch after another landed on Cheng Lingyun's body, as if she didn't even treat Cheng Lingyun as a human.

Lin Hanxing sat down next to Lei Xiao, his cold expression unchanging.

If it was any other woman who had been treated like this, she would not have chosen to ignore it. Unfortunately, the one who had to bear this kind of abuse was Cheng Lingyun, the woman who had spent so much effort for wealth and glory that she would not even let go of her own daughter ...

The world was fair.

All the evil you've done will be added to your body in various forms one day.

"Big brother Yuan ... Big brother Yuan ..."

Cheng Lingyun crawled back to Yuan shaojing's feet like a mad woman. The bed sheet that had originally wrapped her body had long been undone, revealing her silk-like skin that had been carefully maintained over the years.

At this moment, other than the red marks, there were also countless red and blue bruises.

Cheng Lingyun's fingers trembled from the pain, and she clutched Yuan shaojing's leather shoes tightly, her eyes filled with fear.

Yuan shaojing lifted Cheng Lingyun's face with the tip of his leather shoe.

He saw all the fear on her face.

Even though he was middle-aged, his handsome and cold face was expressionless.

"Who was it that night?"

Yuan shaojing's voice was very soft, as if he was saying sweet nothings.

Cheng Lingyun's whole body was shaking, and she held her stomach with both hands.

"Brother Yuan, don't be like this, I'm scared ..."

The news was on a loop. The man who had beaten up Cheng Lingyun was squatting on the ground and picking up the money that was scattered all over the house.

Yuan shaojing looked at her expressionlessly.

"It's ... It's me ..."

How could Cheng Lingyun not understand what Yuan shaojing was asking? but she couldn't say it, even if she was beaten to death!

Once he said it, everything would be ruined!

Yuan shaojing's thin lips slightly curved, and his deep eyes had an unspeakable treacherous aura.

"Ah hai!"

Uncle hai walked in from the outside as he spoke these two cold words.

It was as if he didn't even see Cheng Lingyun kneeling on the ground naked.

Yuan shaojing shot him a look.

With a cracking sound, Cheng Lingyun's pinky was crushed by uncle Hai's heel.

"Ah ..."

A piercing scream broke the dead silence.

Lin Hanxing looked at all of this without any waves in his heart.

People who could sit in Yuan shaojing's position often had some unknown means in their hands, just like the G country's royal family and Hua Ji, which were in the gray area, had contact and protected each other.

"I'll ask you again. Who was with me that night?"

Yuan shaojing asked again with an expressionless face.

This time, uncle hai pointed at Cheng Lingyun's ring finger and waited for her answer.

The man who had been picking up the money on the ground had now sat on the ground with his legs weak. He looked at the scene in horror.

"It's ... It's ... Li Yanyu ..."

Cheng Lingyun was in so much pain that even her voice was trembling.

Hearing those three words, Yuan shaojing closed his eyes, not allowing himself to show the slightest weakness.

Uncle Yingluo, why do you hate me? If I could make the decision about love, I would also wish that I had never fallen in love with you.

Yingluo, I'll be in pain too, I'll be sad too, how can you do this to me!

Yuan shaojing seemed to see her standing in front of him.

The sunlight that was as thin as cicada's wings enveloped her. Her thin wrists and thin ankles were so fair and beautiful.

Her black hair was like ink, and she was looking at him with her big eyes.

Uncle Yingluo, you must live.

Yingluo, I'll let you live and let you taste the pain I've suffered.

Yingluo, you have to live.

Yanyu, after you were gone, every minute and every second of my life felt like hell.

"She had been ... Waiting ... Waiting until the morning ... To see you ... For the whole night ..."

At this point, what else could Cheng Lingyun not say?

She had never seen li Yanyu like that.

In his memory, she was strong and cold even when she was beside Yuan shaojing. That night, she sat quietly beside Yuan shaojing and looked at him all night. It was as if there were sad Stars shining in her eyes, gentle and humble.

The muscles on Yuan shaojing's cheeks kept tightening, and his strong fingers clenched into his palms, but his heart couldn't help but ache.

Uncle Yingluo, do you really love her?

Yingluo, what if I tell you that night ...

"Li Yanyu, what other tricks are you trying to play?" Eh? Say it! Continue!

There was nothing in Yingying.

"You already knew that si Nian was my son?"

Yuan shaojing's voice had never been so tense before, and cold despair rushed towards him like a tide.

Cheng Lingyun's eyes widened, and she pursed her lips, not daring to speak.

"Ah hai!"

Yuan shaojing suddenly said, and the moment uncle hai raised his foot, Cheng Lingyun's ring finger was crushed!

"Ah! I'll say! I'll say it!"

Cheng Lingyun was in so much pain that she broke down. She didn't dare to lie anymore and told him everything about how she found out that li Sinian was Yuan shaojing's biological son on the day li Yanyu gave birth.

The more uncle hai heard, the more worried he became.

“What did she say? You say it! What did she say on the phone?”

Lin Hanxing looked at Yuan shaojing. His ashen face seemed to be throbbing in pain.

Aunt Mian, how good would it be if you were here right now?

I really want you to see the expression on this man’s face.

That kind of regret, despair, and breakdown ...

Unfortunately, it was all too late.

Wuwu Wuwu uncle, please don’t hold it against me for all the things that happened in the past, okay?

I beg you, please don’t be so cruel to me, I beg you ...

Yueyue, I’m begging you to come and see me ...

Yingluo, I admit it. I lost, okay?

This was the first time in so many years that Yuan shaojing had heard Cheng Lingyun’s despair that day in the misty rain.

If he were to receive those calls ...

Even if he only received one of them, he wouldn’t ignore it. He wouldn’t ignore misty rain.

“Brother Yuan ... I beg you ...”

Cheng Lingyun endured the pain and gasped. Her hand, which had two broken fingers, was trembling.

I was wrong ... Let me go ... Spare me ... I still have ... Your child ... In my stomach ...

Uncle hai looked worriedly at Yuan shaojing, who was sitting dejectedly on the sofa.

It was as if his heart had already died. His eyes were red and dull as he looked at everything in front of him.

“What else did she say? What else did she say?”

This was the only sentence that came out of Yuan shaojing’s mouth.

He kept repeating it, as though li Yanyu was standing right in front of him.

Uncle Yingluo, don’t be afraid. I’ll always be by your side.

Her smile was like the sun in spring, full of vitality. She slowly reached out to him in the warm sun, as if all the hurt and despair had never happened.

Yuan shaojing obviously wanted to reach out to hold her.

As long as he took one more step forward, he would be able to pull her into his arms.

Uncle Hai’s Bluetooth headset lit up.

Li Sinian’s heart, which had been buried deep in Yuan SuSu’s body, had been delivered to her.

He was downstairs.

"I'll ask my men to escort them up."

The Thunder valiant beast said in a low voice.

Soon, someone knocked on the door.

Lin Hanxing got up to open the door, took the cold box from the man's hand, and turned around to walk towards Yuan shaojing.

As soon as she approached, the cold box in her hand was snatched away by Yuan shaojing.

It was as if he had gone crazy!

"It's my fault, it's all my fault! It's my fault!"

[Chapter 1042](#)

1042 A crueler truth

Yuan shaojing crazily hugged the box containing li Sinian's heart to his chest.

Everyone could feel the bone-deep despair and heart-wrenching pain that enveloped him!

Cheng Lingyun's eyes were filled with fear.

She curled up like a shrimp and didn't even care about shame as she hugged her lower abdomen tightly.

It was like a protective talisman that could keep him alive!

She was willing to give up Yuan susu to keep this child, the child who could make her rise to power and maintain her wealth for the rest of her life. She couldn't allow anything to happen to this child.

Lin Hanxing looked down at Cheng Lingyun.

"Bring the person in."

Her voice was unprecedentedly cold, like ice in the middle of winter, without any temperature.

Soon, the door was opened from the outside.

With a loud thud, the sack containing a heavy object was thrown in.

There was something struggling and humming inside.

Cheng Lingyun, do you have anything to say about the car accident back then? "

Cheng Lingyun buried her face in her knees, as if she hadn't heard anything, but also as if she could get through it as long as she remained silent.

Lin Hanxing did not force her.

He just glanced in uncle Hai's direction.

Uncle hai received the signal very quickly and picked up the opening of the sack that had been thrown to the ground with a knife!

Very quickly, the thing that was still struggling inside was completely exposed.

It was a human!

It was the doctor Who performed the surgery on li Sinian!

The doctor Who took si Nian's heart out that year is in my hands.

As if struck by lightning, Cheng Lingyun's whole body began to tremble uncontrollably. She suddenly raised her head and looked at Lin Hanxing with a fierce look. She knew that Lin Hanxing wanted her to die!

She just needed to give her a little more time to clean up the mess ...

Lin Hanxing's cold gaze swept over him.

He bent down and pulled out the cloth that was stuffed into the doctor's mouth. Suddenly, an ear-piercing, Thunder-like plea for mercy resounded in the living room!

Lin Hanxing suddenly reached out and grabbed the man's lower jaw.

Instantly, the begging stopped, and the sound of bone armor moving was terrifying.

"My patience is limited. You should know what I want you to say!"

Lin Hanxing's face was expressionless when he said this, but the blue veins on the bones of his slender hands bulged with his forceful movements. Even his joints gave off an indescribable sense of ruthlessness!

"I'll say it, I'll say anything ... I'll say anything you want me to say!"

The doctor's body trembled like a frightened bird, and he was on the verge of a mental breakdown.

that year ... That year, it was Mrs. Cheng ... Who found li Sinian's blood sample ... I just did what she wanted. It's not my fault, it's really not my fault!

Yuan shaojing's eyes were red as he held onto li Sinian's heart. He then looked at Cheng Lingyun with a sinister look.

"Continue!"

Yuan shaojing's voice was hoarse, and his cheek muscles trembled, sending chills down one's spine.

Lin Hanxing's long eyelashes fluttered.

Does it hurt?

It didn't matter, it would hurt even more later.

before that happened, we had already found a suitable heart ... But Mrs. Cheng said ... Said that she would use young master si Nian's ... I had no choice ... She threatened me with my entire family!

The doctor knelt on the ground. If his hands were not tied, he would have put his hands together and begged for mercy.

“What happened after that?”

Lin Hanxing’s cold tone pulled the doctor back on track when he saw that the doctor was about to start rambling again.

“Don’t say it! You’re not allowed to say it!”

Cheng Lingyun was about to pounce on him, her eyes filled with fear.

However, before he could get close, Lin Hanxing’s heel had already crushed his middle finger.

For a moment, the heart-wrenching pain hit her again.

It was even accompanied by a heart-numbing twitching sensation.

But even so, Cheng Lingyun didn’t give up on trying to seal the doctor’s mouth.

“Mr. Yuan, actually ... Actually ...”

“Continue!”

Lin Hanxing’s heels stepped firmly on Cheng Lingyun’s fingers, and his cold voice sounded like a death knell in the doctor’s ears. The few months of ‘training’ seemed to have formed a conditioned reflex ...

As soon as Lin Hanxing gave the order, the doctor would speak on reflex.

“Actually, young master si Nian could still be saved when he was sent here!”

With a loud bang, Yuan shaojing and uncle hai both turned to look at the doctor at the same time!

What did he just say?

“Can you repeat that?”

Yuan shaojing suddenly stood up, his hands uncontrollably hugging the ice box that contained li Sinian’s heart.

“When young master si Nian was sent to the operating table, there was still a chance to save him!”

This shocking secret had been buried for so many years.

Every day, he had to endure the torture of his soul, and he was afraid that Cheng Lingyun would kill him.

Today, he finally had the courage to tell the truth.

Yuan shaojing suddenly raised his head and looked at Lin Hanxing.

The latter was expressionless and emotionless, as if he had already known about this.

Little girl Lin was too much like Yanyu.

How ruthless!

She must have known about this long ago, but she had to wait until now to say it!

“Back then, when I made my first cut, I already felt that something was wrong! Although I took the money, I don’t dare to kill a living person! At that time ... At that time, the blood just gushed out ...”

Now that the doctor thought about it, he couldn’t help but feel sorry for her.

She hurriedly ran out to discuss with Mrs. Cheng, but ...

Yuan shaojing’s eyes were bloodshot.

Even Uncle hai couldn’t bear to look away.

It was too cruel!

What Cheng Lingyun had done was simply outrageous!

Why didn’t Yingluo save him?

Why did Yingluo have time to save her daughter but not my child?

Yingluo is my son’s life, is she too cheap?

Uncle Yingluo, my son is dead, but her daughter is still alive ...

In Yuan shaojing’s blank mind, he repeatedly recalled that stormy night, when Yanyu walked towards them with a gun in her hand. He even protected Cheng Lingyun?

“It can’t be true! You’re lying to me, aren’t you?”

Yuan shaojing looked at Lin Hanxing, his eyes filled with fear and shock.

“Mr. Yuan,”

Lin Hanxing’s expression didn’t change much even when he was faced with a face that was twisted from the pain.

“A man never goes back on his word.”

“You must remember what you’ve promised me!”

Lin Hanxing’s voice was cold.

After stepping into the suite, she had no other emotions.

Yingluo, I want you alive.

Yingluo, a man like you is not worthy of death.

Yingluo, I want you to live, to endure the pain that seeps into your bones every day, to endure the pain of losing, to endure everything you can’t endure!

It was only now that Yuan shaojing finally understood the true meaning behind Lin Hanxing’s words that day!

She probably already knew the whole truth.

However, he concealed a part of it and lured him into the trap. At the last moment, he would give him a heavy blow!

hahahahahahahahahahaha ...

Suddenly, Yuan shaojing looked up and laughed.

[Chapter 1043](#)

1043 Your turn

His laughter was crazy.

It was as if he had to use up all his strength.

Bean-sized hot tears rolled down the corners of her eyes, which were full of mature wrinkles.

Even when the air in his lungs had been completely squeezed dry, Yuan shaojing was still laughing silently.

His expression was so twisted that it made people feel miserable.

Cheng Lingyun curled up in the corner, not daring to move. Her face was as pale as paper, and her whole body was trembling.

Ever since Li Sinian died, Li Yanyu had disappeared ...

She had never thought that these truths would one day be revealed!

If it was not for Lin Hanxing ...

If it was not for Lin Hanxing's meddling ...

Thinking of this, Cheng Lingyun glared at Lin Hanxing with a murderous look in her eyes, but she didn't expect Lin Hanxing to look back at her with cold eyes.

Lin Hanxing walked towards Cheng Lingyun in his high heels.

With every step she took, Cheng Lingyun unconsciously stumbled back, her whole body trembling.

He didn't even care about his shamelessness.

His eyes were filled with fear.

Cheng Lingyun had never met someone who could make her so afraid.

You can't figure her out.

Whether she looked at you expressionlessly or smiled at you ...

You couldn't imagine if she would turn hostile in the next second.

Lin Hanxing was too scary!

“It’s your turn,”

The clatter of her high heels against the floor was like a countdown, giving off an indescribable sense of ruthlessness.

Before Cheng Lingyun could struggle, Lin Hanxing had already walked in front of her.

He looked down at her with a cold glint in his eyes.

“You ... Ah ...”

Before she could finish, Lin Hanxing had already pulled her messy hair back into his palm.

It was forcefully dragged towards the floor-to-ceiling window with the curtains closed!

The friction between her skin and the floor caused Cheng Lingyun to curse and struggle violently, her two thin legs kicking back and forth.

However, he did not know that Lin Hanxing did not care about the resistance at all.

She dragged Cheng Lingyun forward expressionlessly. Her aura and posture made the man who had beaten Cheng Lingyun up dumbfounded, and even his legs started to go soft.

This woman was sometimes scarier than men when she was ruthless.

One had to know that between men, at most, they would only move their fists. As the saying goes, killing someone is just a nod to the ground. But between women, if their hearts were aroused and they started to fight, then it was really all the tricks and schemes, and they would not stop until one of them died.

With the sound of the central control pulling the curtains, Cheng Lingyun was pressed against the cold floor-to-ceiling glass by Lin Hanxing.

There was a thump.

He didn’t hold back his strength at all.

right now, there are a lot of reporters gathered downstairs. They’ve completely surrounded the front and back of the hotel.

Cheng Lingyun’s eyes widened in horror.

She could feel Lin Hanxing’s hand moving back and forth on her hair, and her hair stood on end.

everyone is waiting for Madam Cheng’s appearance.

Lin Hanxing’s voice was cold, as if he was telling a story.

after all, the entire Jiang city and even country G have seen Madam Cheng’s videos and photos.

Cheng Lingyun’s five fingers, which were originally leaning against the glass window, were now tightly clenched, and her joints were turning white from the force.

“You can’t do this to me! Lin xiaojiu! You can’t do this to me!”

Cheng Lingyun shook her head in disbelief.

“Oh? Give me a reason.”

As Lin Hanxing moved, the two pearls on her small earlobes moved along with her. It was a beautiful sight.

“In my stomach ... In my stomach is brother Yuan’s ... Brother Yuan’s child!”

This was the biggest trump card in Cheng Lingyun’s hands.

She was willing to sacrifice Yuan susu to save this child, and now only he could save her life!

The next second, Lin Hanxing chuckled.

He even loosened his grip on Cheng Lingyun.

Cheng Lingyun’s scalp went numb from Lin Hanxing’s smile. She clutched her stomach and looked at Lin Hanxing with vigilance.

“And then?”

Lin Hanxing asked sarcastically as she stood three steps away.

lisnian is dead ... In my stomach ... Is ... The only heir of the yuan family ...

Cheng Lingyun seemed to want Yuan shaojing to hear her clearly as she shouted.

If she followed her plan, she would become the matriarch of the yuan Corporation and the wife of the richest man in country G. She would enjoy endless wealth and glory for the rest of her life.

brother Yuan, Li Yanyu and Li Sinian are both dead. I am ... I am the one ... Who can stay by your side ...

Sitting on the sofa, Yuan shaojing was still holding the ice box containing lisnian’s heart in his arms.

Hearing this, he raised his head.

“I’ve never touched you.”

These five cold words seemed to freeze Cheng Lingyun.

Yuan shaojing’s eyes were as dark as death.

Ever since he had laughed maniacally, it was as if his soul had been drawn out of him, and he was like a walking corpse.

“Brother ... Brother Yuan ... Don’t joke around ...”

Cheng Lingyun shook her head desperately and walked towards Yuan shaojing. She knelt down in front of him and reached out to shake his knee.

“How could you not have touched me?”

Her three crippled fingers swayed back and forth with her movements, and her unkempt face made her look like she had gone crazy.

not only did he not touch you, but the child in your stomach also did not exist.

Lin Hanxing's voice was cold to the bone, like a cat teasing a mouse before eating it. His posture was lazy and indifferent.

"Hehe, that's impossible ..."

Cheng Lingyun sneered as she shook her head, her eyes darting back and forth between Yuan shaojing and Lin Hanxing.

"You guys must be ... You're lying to me!"

At first, she could still maintain a dry smile on her face, but soon, under Yuan shaojing's deep eyes and Lin Hanxing's expressionless face, Cheng Lingyun finally covered her ears and screamed!

"You're all lying to me!"

At this time, the pain in her body was no longer a big deal. Cheng Lingyun's mind was full of her wealth!

Her position as the matriarch of the yuan family!

It was clearly within his reach, how could it ... How could it be like this?

even if you really have a child in your stomach, do you think you can keep him after what happened just now? "

Lin Hanxing's voice had just fallen when it was interrupted by a deafening scream.

"I don't believe it! I can feel him moving in my stomach!"

At this time, Cheng Lingyun no longer had her usual temperament. She was like an uncultured Shrew who was howling.

She even walked up to Yuan shaojing naked and reached out to grab his hand to place it on her stomach to prove that she wasn't lying. Her stomach ...

She really had a child!

"Brother Yuan, I really have a child. I can give birth to a child for you!"

a child who is a hundred times more obedient and smart than Li Sinian, brother Yuan ... I can really ...

Before Cheng Lingyun could finish her sentence, she saw Yuan shaojing's pupils suddenly shoot out a cruel light, and his strong hands tightly gripped her thin neck, tightening!

Lin Hanxing sneered and shook his head.

To mention si Nian's name in front of Yuan shaojing, and repeatedly at that, was Cheng Lingyun courting death?

"Don't mention si Nian's name with me!"

Yuan shaojing's strength was so great that others could even hear the sound of bones cracking from Cheng Lingyun's neck!

[Chapter 1044](#)

1044 He wouldn't

Lin Hanxing, on the other hand, walked back to Lei Xiao's side and sat down indifferently.

Yuan shaojing grabbed Cheng Lingyun's neck with one hand and lifted her up bit by bit, her face turning purple from holding back.

Uncle hai didn't go forward.

Everyone thought that Mister Yuan was a refined man.

But in fact, to be able to control the entire Yuan family for so many years without making a sound, to the point where everyone was afraid of "Yuan" changing color, it was enough to prove his means and ability.

"Not stopping uncle Yuan?"

Lei Xiao did not even look at Cheng Lingyun as he reached out to brush away Lin Hanxing's hair, which was wrapped around the Pearl earrings.

If Cheng Lingyun was really strangled to death ...

Hearing this, Lin Hanxing's lips curved into a faint smile.

"He won't,"

He saw through the Thunder valiant beast's thoughts.

As if to confirm Lin Hanxing's words, Yuan shaojing suddenly let go of his large palm.

He allowed Cheng Lingyun to fall to the ground like a piece of rag and cough violently. She greedily took in big gulps of fresh air, even though the sound was like a bellow.

"I won't let you die."

Yuan shaojing seemed to have regained his calm and said gloomily.

Cheng Lingyun, who was lying on the ground, was shaking like a leaf. She still couldn't believe that the support in her stomach was gone.

"Death would be too easy on you."

To live, he had to live.

Only by being alive could one be truly punished, just like him.

"Ah hai!"

Suddenly, Yuan shaojing calmly said, and Cheng Lingyun, who was kneeling on the ground, suddenly shivered.

She knew this man too well.

the more flat yuan shaojing's instructions were, the more dangerous it was.

cheng lingyun was overwhelmed with fear.

having been by yuan shaojing's side for so many years, no one knew better than her how he treated those traitors!

”

seeing uncle hai getting closer and closer to her, cheng lingyun suddenly started laughing like a crazy person.

“yuan shaojing, who are you acting so affectionately for now?”

cheng lingyun staggered up and roared at yuan shaojing, who was sitting on the sofa, without a care for shame.

“If you didn't bring me back and give me hope, how could I hope for those things that didn't belong to me? The wealth that could rival a country, the life of luxury! You're the one who brought me back!”

“You're the one who indulged me!”

No one knew how jealous Cheng Lingyun was of Li Yanyu all these years!

Li Yanyu had a prideful beauty and was taught by Yuan shaojing to be ruthless. She was so young, but she had already firmly secured the position of the Li family's head. Apart from holding on to Yuan shaojing's love, what else could she do?

you blame me for laying a hand on lisnian, but if you had paid any attention to him back then, you would have realized that he looked more and more like you! Cheng Lingyun shouted at Yuan shaojing, as if she wanted to vent all the darkness that had been hidden in her heart all these years!

Yuan shaojing tightly clutched the ice box in his arms, his joints turning white.

“You didn't! Not only did you not realize it, you even used me and susu to provoke Li Yanyu! You're using her love as a tool to hurt her!”

Lin Hanxing's long, black eyelashes fluttered.

Cheng Lingyun was right.

Yuan shaojing was using aunt Mian's love as a weapon to hurt her.

And wasn't aunt Mian the same?

If aunt Mian hadn't stubbornly chosen to hide it back then, or if Yuan shaojing had been more attentive, Cheng Lingyun wouldn't have had the chance to have those little thoughts. Si Nian ...

He could have lived until now?

“Yuan shaojing, you're the real culprit who killed Li Yanyu and Li Sinian!”

Cheng Lingyun's smile was twisted, and the dried blood at the corner of her mouth was like a strange symbol that was constantly magnified in Yuan shaojing's eyes.

His Adam's apple bobbed up and down, trying to suppress the unending surge of fishy sweetness.

But ...

In the end, he failed.

With a pfft, Yuan shaojing spat out a mouthful of heart blood.

“Mr. Yuan!”

Uncle hai was shocked and wanted to rush over!

“Ah hai!”

Yuan shaojing snorted and waved his big palm!

Uncle hai took a syringe filled with medicine from the European coffee table and walked toward Cheng Lingyun.

At this time, Cheng Lingyun felt scared again and kept stepping back to avoid it.

Uncle Hai’s cheek muscles twitched. Like an eagle catching a chick, he pulled Cheng Lingyun back in front of him. Ignoring her violent struggle, he quickly and accurately stabbed the tube of medicine into her neck!

“No...”

Due to Cheng Lingyun’s struggling movements, the syringe started to bleed.

Even so, uncle hai still didn’t let go of her and continued to push the stakes in.

At that moment, Lin Hanxing’s Bluetooth headset suddenly responded.

The moment he pressed the button, his expression changed slightly when he heard what his subordinate said.

“I think you guys need to hurry up.”

Lin Hanxing did not hang up the phone. His lazy and cold voice rang in the living room of the large Presidential Suite.

“Your distant nephew, Yuan Kang, is coming up with a large group of reporters.”

When the medicine and blood quickly fused, Cheng Lingyun’s struggling movements slowed down, but her eyes became more and more heated.

“Put on a good show, understand?”

Lin Hanxing chuckled and said to the man who had just walked out of the bedroom ...

.....

Yuan Kang’s eyes were fixed on the elevator floor that was constantly rising, and a dark light flashed through his eyes.

All these years, apart from Cheng Lingyun, there had been no other woman by his uncle's side. Although the outside world had speculated about the relationship between the two for many years, in fact, the position of Yuan family's matriarch had been vacant for so many years.

As his uncle grew older, the problem of inheriting the Yuan family became more and more serious in front of all the family members.

Everyone's mind also began to follow.

They all wanted to give their sons to him for adoption.

However, a rumor had started to spread in Country G.

He said that his uncle wanted to pick a smart child from the wealthy families in Jiang City to be his adopted son or daughter to inherit his family business that was as rich as a country!

This was simply inconceivable!

When he heard that, Yuan Kang immediately sneered and thought that his uncle was old and muddle-headed. He would rather hand over the family business to a stranger than to choose from his own family, but ...

This time, uncle came to Jiang City and publicly announced that he was going to marry Cheng Lingyun?

Cheng Lingyun was even pregnant?

Once the news reached Country G, the entire Yuan family was in an uproar!

Who wouldn't understand the meaning behind this?

Yuan Kang couldn't sit still anymore.

It just so happened that there was a serious problem with the Crown Prince, and the first and second Wangfei both came to win the support of the Yuan family. After weighing the situation, Yuan Kang volunteered to come to Jiang City, ready to lobby with Lei Xiao to support the second Wangfei in seizing power!

I didn't expect this, I didn't expect this!

All of a sudden, Cheng Lingyun had created such a big scandal?

Although Yuan Kang was sensitive enough to sense that something was wrong, this was related to the issue of the heir of the Yuan family. How could he not fan the flames and ignite the fire?

If Cheng Lingyun lost, they would all have a chance!

[Chapter 1045](#)

1045 Not even half the time

In the parking lot, inside Lei Xiao's car.

There was a sudden movement in the empty car.

A small head popped out from the gap in the last row that was connected to the trunk.

With two chuckles, her delicate little face was full of pride!

It shifted its position like a small meatball.

He took out a bag of jelly from his bag, twisted the lid open with great effort, and started drinking.

Uncle is the most annoying!

Every time, he would bring first aunt out to play and hoard first aunt all by himself!

Hmph!

How could he, Yuan Dabao, be willing to be left behind?

Tremble!

Stupid humans!

.....

The elevator door opened.

The reporter brought up by Yuan Kang followed behind him.

His face was filled with excitement. He could already imagine how explosive the headlines would be tomorrow!

The closer he got to the Presidential Suite, the more nervous he felt.

All these years, the world had only seen uncle's refined and mature side.

That was his appearance when he faced the public.

But in fact, only the yuan family knew that Yuan shaojing had fought his way out of the bloody rain and storms in this complicated country G, and he had exchanged his life for that!

Yuan shaojing's words were like an imperial edict in the yuan family.

The people below would naturally support him unconditionally!

It was because as long as Yuan shaojing sat in that position, people would continue to pour in for the enviable benefits.

Since ancient times, money and power had always been the most moving things.

Who would have thought ...

This Yuan shaojing had his legs broken by his second brother and was chased out of the yuan family like a dog.

At that time, no one helped him.

The yuan family's younger generation had never heard of these old matters. As for those old people who knew about the past, they naturally wouldn't dare to make Yuan shaojing unhappy in the current situation.

While walking, Yuan Kang seemed to be thinking.

To be honest, he admired this distant uncle in his heart.

However, all these years, only one order he gave was incomprehensible.

The Li family.

The yuan family swore to never lay a hand on the Li family.

If the Li family was in trouble, the yuan family couldn't just sit by and do nothing.

Yuan Kang couldn't understand the reason as long as he thought of the defeated Li family.

They were already in such a state, and yet they were still waiting for the return of the family head. Those who had connections would have already joined other families. The few old men who had been guarding the empty shell of the Li family still had to work to make a living.

But those old geezers simply didn't accept Big uncle's kindness,

Just as he was about to reach the door, a figure came out from the dark.

It was Lin Hanxing.

She had already taken off her caramel-colored cashmere coat and was only wearing a white silk shirt. The rolled edge of the neckline made her small face look even more fair and clear, but her soft, seaweed-like, slightly curly long hair that was originally hanging behind her was held up by a hairpin.

It was obviously the same set as the jewelry she was wearing today, with white pearls clasped tightly together.

"Mr. Yuan,"

Lin Hanxing said calmly. There was no trace of the banter he had in the president's office of the Lei Corporation this afternoon.

"Miss Lin."

Seeing that she was obviously waiting for him, Yuan Kang's heart skipped a beat.

The reporter behind him obviously did not expect to see Lin Hanxing here!

After last night's dinner and what happened at Lin's group today, no one could imagine that such a weak-looking woman could turn Jiang city upside down in such a short time!

"My uncle is still inside?"

Yuan Kang's only thought was to spread the scandal of Cheng Lingyun.

Lin Hanxing smiled without saying anything, but his expression was meaningful.

Yuan Kang's eyes were filled with surprise.

Compared to when he had come up, the people at the door had been dismissed. Even Uncle hai was not there.

This made him cautious.

"Miss Lin, you ..."

A reporter appeared behind Yuan Kang, as if he wanted to ask her why she was there.

But before he could finish, Lin Hanxing's cold eyes swept over him, and he swallowed the words that were on the tip of his tongue.

"What you want is inside."

Lin Hanxing looked away and met Yuan Kang's eyes.

It was as if the little thoughts in her heart had been easily seen through ...

This made Yuan Kang's heart turn cold, and at the same time, he felt an unspeakable fear towards Lin Hanxing.

Yuan Kang thought about the things Lin xiaojiu had done after returning to Jiang city, and how she was not intimidated by Lei Xiao's aura even when she was standing beside him. Based on this alone, Yuan Kang would never underestimate her.

"Please,"

Lin Hanxing then extended his hand in the direction of the Presidential Suite.

The suite Butler was already waiting there with the room card.

He seemed to be waiting for Lin Hanxing's order.

Yuan Kang felt something was wrong.

However, the arrow had already been nocked and had to be fired. Furthermore, there were so many reporters. No matter what was inside the door, he could only advance and not retreat.

Lin Hanxing didn't care what Yuan Kang was thinking.

She wasn't interested in how many people were affected by Cheng Lingyun's 'pregnancy', but since the man in front of her wanted to make use of the reporters behind him to create more momentum, she might as well add fuel to the fire.

With a click, the Butler swiped the room card and nodded to Lin Hanxing before leaving.

The door opened a crack.

There was a faint movement coming from inside.

As a man, Yuan Kang immediately understood and subconsciously turned to look at Lin Hanxing in shock.

However, the latter just looked back at him with an expressionless face.

There was no change in her delicate little face.

However, it made people feel an inexplicable fear.

The reporters were all ready to go, and at this time, their faces were all full of excitement.

They all wanted to be the first to get first-hand information so that they could go back and claim credit.

Yuan Kang pushed the door open completely.

The lights were off in the room, but the moonlight poured in through the floor-to-ceiling glass windows, making it hazy.

The smell in the room ...

It was obviously the smell of the aftermath.

Was Cheng Lingyun that bold?

Just as Yuan Kang was feeling puzzled, a slapping sound came from behind him.

The room lit up.

Yuan Kang turned around and saw that Lin Hanxing, who was leaning against the wall, had turned on the headlights.

The reporter sucked in a cold breath.

The carpet was covered with money, and on the money, Cheng Lingyun was entangled with a man. It was a strong visual effect that shocked the reporters' eyes.

"Help ... Help me ..." He cried.

The man was dressed in the uniform of the hotel's logistics staff, and he looked like he was reaching out to them for help.

It was simply absurd and comical!

"She's gone crazy ..."

Before the reporter could recover from his shock, he heard another sentence that sounded like he was crying.

As if to confirm her words, Cheng Lingyun suddenly raised her head. Her face, which was obviously not satisfied, was now full of greed and malevolence. Without thinking, she pounced on Yuan Kang and the group of reporters.

"Second aunt ..."

Yuan Kang didn't expect Cheng Lingyun to look like this, but when his eyes met hers, he was stunned.

In stark contrast to her greedy and despicable actions, her eyes were filled with fear and desperation. It felt like two people with completely different personalities had been forced into the same body.

In that split second, Cheng Lingyun had already pounced on Yuan Kang.

Yuan Kang was still wearing a bathrobe, but it was quickly pried open by Cheng Lingyun, revealing his swimming trunks.

Feeling Cheng Lingyun's body constantly moving around, Yuan Kang felt extremely disgusted. He couldn't wait to kill this old woman on the spot. With this thought in mind, he suddenly kicked her.

Something was wrong, something was very wrong!

Seeing that Cheng Lingyun, who had been kicked to the ground by him, was pouncing towards the reporter, Yuan Kang, who was still in shock, finally realized that something was wrong.

He was here to meet his second aunt, Cheng Lingyun.

All these years, she and her daughter had been as elegant and proud as a flower. When had she ever been so lewd and out of control like this? Furthermore ... This was not a state that a normal woman should be in!

When one of the reporters screamed and was pushed to the ground by Cheng Lingyun, even having his pants pulled off, Yuan Kang finally wanted to stand up and stop her.

How could this still be a scandal for the yuan family?

This was a public relations nightmare!

However, before he could scold her, his eyes inadvertently fell on Lin Hanxing, who had his arms crossed in front of his chest.

All of a sudden, Yuan Kang shivered.

She just stood there, looking at everything with a cold gaze that you couldn't imagine.

Lin Hanxing raised his head as if he sensed Yuan Kang's gaze.

Their eyes met.

Lin Hanxing's lips curved into a meaningful smile.

It was as if he had been struck by lightning.

Yuan Kang felt like he was a prey that was being targeted by a ferocious beast, and he trembled in fear.

Lin xiaojiu was so thin that he could knock her down with a single punch. However, that indescribable intimidating power made Yuan Kang feel insignificant like he had never felt before.

The reporter under Cheng Lingyun felt the same as Yuan Kang. He raised his hand and punched Cheng Lingyun's face. He was so flustered that he didn't even dare to grab his clothes and run out.

Cheng Lingyun, on the other hand, let out a low growl and chased after him madly!

He chased after her?

After the scene just now, everyone looked at each other and hesitated for half a minute before deciding to follow.

“Hurry ... Hurry and stop second aunt!”

Yuan Kang growled at Lin Hanxing. If he let Cheng Lingyun run out of the hotel like this, the yuan family would lose face.

Initially, Lin Hanxing did not do anything.

But soon, she walked in Yuan Kang’s direction.

Yuan Kang swallowed his saliva and subconsciously reached out to cover up the bathrobe that Cheng Lingyun had pulled open.

He looked at Lin Hanxing warily.

“Come with me, Yuan shaojing is waiting for you.”

.....

In another Presidential Suite.

Yuan shaojing’s condition was obviously not right, but he had calmed down more or less.

The ice box containing si Nian’s heart was quietly placed on the coffee table, where Yuan shaojing could see it with his bare eyes.

His hands were placed on top of the Black Dragon-headed walking stick.

His eyes were closed, and his expression was cold.

Uncle hai stood behind him.

Lei Xiao was sitting not far from Yuan shaojing.

When Yuan Kang entered the room, his cold eyes only turned warm when he saw Lin Hanxing.

Seeing this, and thinking of Cheng Lingyun’s appearance just now, Yuan Kang felt uneasy.

All these years, it could be said that Cheng Lingyun had been able to live such a comfortable life under the protection of her uncle. Even her daughter was more well-known than the daughter of the yuan family.

If it wasn’t for his heart problem, he would have been trampled on by the major families of country G.

Who would have thought that Yuan susu, who was like this, would disappear after coming to Jiang city?

Moreover, he was shamelessly strangled to death by Lin xiaojiu’s cousin.

Up until now, no one could clearly explain why Yuan susu had appeared in Luo Wenbo’s room, or how she had been strangled to death.

The answer to this question must have disappeared along with the death of Yuan susu and Luo Wenbo.

But ...

Yuan Kang couldn’t help but look in Lin Hanxing’s direction.

What a coincidence, it was her again?

Even when Cheng Lingyun was in trouble today, she was there!

Yuan shaojing closed his eyes and didn't speak, and Yuan Kang didn't dare to make a sound either.

"Did you hear the words I asked ah hai to bring to you?"

After a long time, Yuan shaojing finally spoke. He slowly opened his eyes and looked at Yuan Kang, his eyes calm and without ripples.

However, the more he thought about it, the more terrified Yuan Kang felt.

Lin Hanxing walked back to Lei Xiao's side and sat down. He took out his phone unhurriedly and turned on the live broadcast channel.

No one stopped Cheng Lingyun.

Or rather, no one dared to stop her.

Cheng Lingyun, who was clearly clear-headed, but her body was uncontrollably thirsty and wanted to find a man to relieve herself, ran naked on the road in the snow, attracting the panic and screams of countless passers-by.

Soon, everyone knew that there was a naked woman shamelessly pulling men around on the road.

"Y-Yes, Uncle!"

Yuan Kang answered.

Yuan shaojing waved at him expressionlessly.

Yuan Kang walked over without any hesitation.

Almost at the same time he walked in front of Yuan shaojing, the Black Dragon-headed walking stick in his hand was swung down fiercely!

Yuan Kang didn't even dare to make a sound. He covered the bleeding hole on his head and didn't dare to make a sound!

"What do you want to say?"

At this time, Yuan shaojing's aura was fully released, and the luxurious Presidential Suite was like a battlefield, making people feel awe.

Yuan Kang shook his head.

He didn't dare to say anything.

"What's wrong? You have the guts to come on their behalf, but you don't have the guts to tell me in person?"

Yuan shaojing sneered, obviously laughing out of extreme anger.

Hearing this, Yuan Kang's knees went weak, and he almost knelt on the ground.

The blood on her forehead dripped to the floor through the gaps between her fingers. Her eyes flickered with fear.

“Speak!”

“Dong!” Yuan shaojing’s Dragon-headed walking stick heavily hit the floor!

uncle, the second Princess Consort has sent someone to the yuan family to lobby and threaten them. She said that if they don’t support her at the Royal meeting tomorrow, the yuan family won’t have a good life in the future! Yuan Kang’s words caught Lin Hanxing’s attention.

Her eyes moved away from the live broadcast channel in her hand and fell on Yuan Kang’s face.

“What did you just say?”

Lin Hanxing’s cold voice interjected.

At this moment, Yuan Kang’s face was covered in blood, and he no longer looked as elegant as he did before.

There was no expression on her exquisite little face, but she gave off an inexplicable sense of pressure.

“The second Princess Consort sent someone to the yuan family to threaten us ...”

“Not this sentence!”

Lin Hanxing interrupted impatiently, his words sharp.

Yuan Kang originally thought that his uncle, Yuan shaojing, would get angry, but he didn’t expect him to have no reaction at all.

“You mean the Royal meeting tomorrow?”

Lin Hanxing did not want to waste any more time and reminded him.

Only then did Yuan Kang realize what Lin xiaojiu was talking about.

that’s right. In the Royal meeting tomorrow, it will be decided ...

At this point, Yuan Kang hesitated. After all, this involved the inside story of country G’s royal family.

Yuan shaojing suddenly knocked on the Dragon head walking stick again.

“The second Prince will replace the first Prince as the Crown Prince!”

Yuan Kang didn’t dare to hide anything, and quickly blurted out everything he knew.

After he finished speaking, it was as if a huge burden had been unloaded.

“Does the great wangfei still not know about this matter?”

Lin Hanxing was fiddling with his phone while Leng Rui’s eyes fell on Yuan Kang’s face. Even the mole at the corner of his eye was dyed with a cold light.

I don’t know. Other than a few high-level officials in the cabinet, no one ...

Yuan Kang felt as if his tongue was tied up in a knot. He couldn't even speak properly as he looked into Lin Hanxing's eyes.

Yuan shaojing and uncle Hai's eyes fell on Lin Hanxing.

At this moment, her long eyelashes were slightly closed, and no one knew what she was thinking.

He frowned.

The first wangfei had estimated two days and 48 hours, but it looked like there was not even half of the time left.

"Little Lin ..."

Yuan shaojing saw the change in her expression and spoke in a hoarse voice.

I'll be leaving for country G tonight.

When Lin Hanxing raised his head again, he had regained his usual calmness.

Hearing this, Yuan shaojing and uncle hai were obviously stunned. Even Yuan Kang was surprised.

Only the Thunder valiant beast remained calm.

"I'll leave Cheng Lingyun to you for the time being before I come back,"

Hearing Lin Hanxing's tone towards Yuan shaojing, Yuan Kang almost went crazy.

How dare she?

"She can't go crazy, she can't die, otherwise ..."

Lin Hanxing's eyes flashed coldly, his long eyelashes as thick as feathers were extremely cold.

Yuan shaojing didn't say anything.

However, he wasn't thinking about Cheng Lingyun.

When he thought back to Lin Hanxing's reaction after Yuan Kang said that, his expression turned serious.

"You're doing this for ..."

He didn't finish the second half of his sentence, perhaps because he was worried that Yuan Kang was here, but Yuan shaojing's deep eyes fell on Lin Hanxing's face, and even his eyes had an indescribable inquiry.

"No, you can't go alone!"

He had been in country G for many years and he knew how cruel the situation could be once it involved the royal family. How could he just watch Lin Hanxing get involved?

"Ah Xiao, are you just going to let her do whatever she wants?"

Yuan shaojing tried to use Lei Xiao to stop Lin Hanxing.

“Uncle Yuan,”

The Thunder valiant owl spoke in a low voice, his cold and resolute face devoid of any expression.

“I believe in Hanxing.”

As soon as he finished speaking, Yuan shaojing suddenly stood up with the help of his Dragon-headed walking stick and looked down at the two people.

Lin Hanxing didn't avoid Yuan shaojing's gaze.

Seeing her was like seeing misty rain.

Once she set her mind on something, she would not care even if there were dangers in front of her. She was stubborn and unwilling to admit defeat.

In an instant, Yuan shaojing was defeated.

‘Yanyu, I wasn't able to protect you, but at least ...

Let me help you protect that Lin girl!

“Okay, but ah hai has to go with you!”

When Yuan shaojing sat back down on the sofa, his expression changed. Lin Hanxing was about to speak, but he beat him to it.

I know you don't care for my help, but you have to know that the situation in country G is unstable. You're new here, so it's impossible for you to obtain the greatest benefits in the shortest time possible!

Yuan shaojing analyzed the pros and cons with Lin Hanxing expressionlessly.

Hearing this, Lin Hanxing didn't refute and just listened to Yuan shaojing continue.

“With ah hai, you'll be able to do twice the work with half the effort. If you contact the imperial family, ah hai will definitely be your greatest help!”

Lin Hanxing did not say anything for a long time.

He just raised his head and looked in uncle Hai's direction.

In fact, Yuan shaojing was right. What she needed to do now was to race against time. It was naturally best to waste less time on unnecessary things.

Although ah Xiao could also arrange it, Yuan shaojing was a local tyrant, so the meaning was completely different!

“Mr. Yuan, you were the one who firmly said that as long as you were still alive, you would not side with any of the royal family.”

Lin Hanxing's lips curved into a faint smile.

Yuan shaojing looked at her with kind eyes.

“With you around, Lin girl, things are different.”

Hearing this, Yuan Kang felt as if he was struck by lightning, as if he was caught off guard.

Just who was this Lin xiaojie?

Even Uncle ...

“As for you ...”

Yuan shaojing's gaze suddenly fell on Yuan Kang's face, and the latter didn't even dare to move.

“I know what you're thinking! I also know that all of you are very concerned about the issue of the heir of the family!”

If Yuan shaojing's eyes were kind when he looked at Lin Hanxing just now, then the eyes he was looking at Yuan Kang with now were as fierce as a blade, as if they could kill him on the spot.

“However, there are some thoughts that you don't have the right to touch!”

The wound on Yuan Kang's forehead had already dried up and formed a scab, but at this moment, he felt as if the blood in his entire body had frozen.

“Uncle ...”

go back and tell them that I will personally inform them about the successor in two days.

Yuan Kang suddenly opened his eyes wide.

All these years, the successor to the position of the yuan family's head had always been a hot topic within the family, but no one dared to ask in front of Yuan shaojing. Hearing this, he was a little dumbfounded.

As he leaned against Lei Xiao, Lin Hanxing's eyes fell on Yuan Kang.

Her beautiful eyes narrowed as if she was thinking about something.

“Yuan Kang,”

Lin Hanxing suddenly spoke.

there are so many people in the yuan family, but they only sent you here. I think you must have some extraordinary skills.

Yuan Kang was stunned for a moment, not knowing why she would suddenly praise him.

what if I ask you to go to country G with me now? ”

Lin Hanxing leaned back on the sofa and asked in a lazy and indifferent tone.

Rather than calling it an inquiry, it would be better to call it a threat.

“Of course, you can choose not to agree, but ...”

Lin Hanxing looked at Yuan shaojing in front of Yuan Kang, his eyes full of hidden meaning.

“Miss Lin, I what ...”

Yuan Kang's face turned bitter when he heard this, and before he could finish speaking, Yuan shaojing and Lei Xiao's cold gazes landed on him in unison!

How many lifetimes of bad luck did he have?

"I, Yuan Kang, will only follow miss Lin's lead!"

Yuan Kang didn't say anything but changed the direction of his words.

Only God knew how many disasters he had avoided with his sixth sense since he was young.

But this time, Yuan Kang's sixth sense told him ...

If he were to return to country G tomorrow, he would definitely 'have fun' with extreme excitement!

Just as the dust settled, Lin Hanxing suddenly took out a memory USB flash drive from his pocket and pushed it from the coffee table to Yuan shaojing. He used just the right amount of strength and didn't let the thing slide off the table!

[Chapter 1046](#)

1046 If you want me to turn back, if you want to hold my hand

The large suite instantly fell silent.

Yuan shaojing raised his head and looked at Lin Hanxing, not understanding what she meant.

"I found a video when I was sorting out aunt Mian's belongings."

Lin Hanxing said indifferently.

The moment he heard this, Yuan shaojing's calm expression collapsed.

It was as if he couldn't believe his ears.

He kept looking at Lin Hanxing to make sure he had heard him wrong.

I used a videotape back then, but I found someone to transcribe it. Due to technical reasons ...

Lin Hanxing looked at Yuan shaojing, his voice flat.

"There's only this one."

Not caring that Yuan Kang was still present, Yuan shaojing's thin lips trembled so much that he couldn't say a word. He only reached out and held the USB drive tightly in his hand, as if it was a gift from the heavens.

I didn't watch the entire video.

When he first transcribed it, Lin Hanxing only read the beginning and fell silent.

"Actually, I've been hesitating whether I should give this to you or not."

Lin Hanxing didn't know if aunt Mian would be angry at her for acting on her own initiative, but at least she wanted to give it away on behalf of aunt Mian, who had recorded this video back then ...

It was sent ... To the person who should have received it.

Lin Hanxing stood up.

Since she wanted to leave, Lei Xiao naturally wouldn't stay any longer. Although Yuan Kang wanted to know who 'aunt Mian' was and what was in the video, he didn't dare to act rashly at this time.

However, before he could get up, uncle hai had already reached out and grabbed him by the back of his neck collar. He dragged him out of the suite expressionlessly.

“.....”

I'm so angry!

However, he didn't dare to resist!

He could only maintain his smile!

.....

Soon, Yuan shaojing was the only one left in the room.

After a long time.

He had tried many times.

He tried to get up with the help of the walking stick.

However, he failed every time.

His legs were just like when they were broken by his second brother, and he could not use any strength.

He could only hold onto the memory USB as if he was holding onto his own life.

After some time, Yuan shaojing finally walked to the TV and inserted the USB.

He reached out and wiped his face.

Only now did he feel that his hands were cold.

After taking a deep breath, Yuan shaojing finally pressed the play button with the remote control.

The image on the television jumped out.

“Is that so?”

“Has the recording started?”

“I'll just sit here, right?”

The moment he heard the voice, Yuan shaojing's blood seemed to freeze.

After so many years ...

He finally saw misty rain again.

She still looked the same as when she was young and had even dressed up.

She was wearing a wedding dress.

Not far away, there was a floor-to-ceiling window that took up a third of the room.

The sunlight was as thin as cicada wings, pouring in from the outside.

It seemed to give people a hazy soft light.

Even the dust in the air seemed to have been assimilated, floating in the air.

It was lingering around li Yanyu's fair and beautiful body.

After the person who helped her set up the machine left, li Yanyu was a little unaccustomed to it. She tucked her jet-black hair behind her ears, revealing her white little ears and smiled shyly.

"Do I look good?"

Li Yanyu tilted her head and asked in a soft and careful tone.

"You definitely won't look at me properly on our wedding day."

Yuan shaojing's tears fell in an instant.

There was nothing.

There was nothing on the day of their wedding.

He had no friends or relatives, no wedding dress, and even Gong Zheng was a reliable confidant that li Yanyu had found.

He did not give her anything.

She hugged the ice box that contained lisnian's heart tightly in her arms, as if the mother and son were still by her side.

"Uncle, actually ... The person who was with you that night ..."

Li Yanyu's face was flushed red.

It was as if she had put on Rouge.

"It's me."

Yuan shaojing suddenly hugged the ice box even tighter, and he tried his best to control his expression while silently crying.

Li Yanyu chuckled in the video.

With a self-deprecating tone.

"If I told you, I'm afraid you ..."

"You won't even let me finish."

Uncle Yingluo, do you really love her?

Yingluo, what if I tell you that night ...

“Li Yanyu, what other tricks are you trying to play?” Eh? Say it! Continue!

There was nothing in Yingying.

“Because you like Cheng Lingyun so much, even if I tell you ... You’ll only think that si Nian and I are a disgrace in your life, right?” Li Yanyu subconsciously covered her lower abdomen as a bitter smile appeared on her face.

“I’ve named our child si Nian.”

Even though she knew that she was facing an ice-cold machine, the bitter smile on Li Yanyu’s face instantly turned into happiness.

“When he is born, I will not hide anything from him.”

“I will tell him that you are his father.”

“My biological father.”

Why didn’t Yingluo save him?

Why did Yingluo have time to save her daughter but not my child?

Oh, my si Nian.

Yingluo is my son’s life, is she too cheap?

“Uncle, I’ll leave si Nian and I to you. You must protect us, okay?”

As she said this, Li Yanyu seemed to have finally lost control of her emotions and turned her face to the side.

Tears rolled down from the corners of her eyes.

It was like a broken Pearl.

Yuan shaojing’s tears rolled down at the same time. It was too painful!

It was really too painful!

A heart-wrenching pain instantly engulfed his entire body.

Yuan shaojing slowly slid down the sofa with Li Sinian’s heart in his arms. He opened his mouth and wanted to scream, but no sound came out, as if he was playing a silent mute.

Yingluo, I’ll be in pain too, I’ll be sad too, how can you do this to me!

Wanwan, Yuan shaojing, can you ...

Yingluo’s heart aches for me. Even if ... Only ... Once?

Yuan shaojing looked at the tears on li Yanyu's face and thought of everything that had happened after that ...

Uncle Yingluo, please don't hold it against me for all the things that happened in the past, okay?

I beg you, please don't be so cruel to me, I beg you ...

Yueyue, I'm begging you to come and see me ...

Yingluo, I admit it. I lost, okay?

When si Nian was born, when she was bleeding, her mind was filled with thoughts of him. When she called him over and over again, her despair ...

Her uneasiness!

Her helplessness!

Why didn't I receive those calls?!

'Why ...'

"Uncle, our personalities are too similar."

Li Yanyu stretched out her slender fingers to wipe away the tears on her face as a faint smile appeared on her face.

"I'm really afraid that in the end, we'll both end up with heavy losses ..."

It turned out that misty rain had already thought of this.

"Uncle, I don't know what the future will be like, but I want you to know ..." He said.

Li Yanyu said softly.

"As long as you turn back, as long as you're willing to hold my hand ..."

Li Yanyu raised her hand as if she was reaching out to Yuan shaojing ...

"I've always been here."

1047 Testing each other

No one spoke on the way to the airport.

Yuan Kang sat in the passenger's seat and didn't dare to move. He kept looking at Lin Hanxing through the rearview mirror, who was resting with his eyes closed.

His mind was filled with questions.

What was going on between Lin xiaojie and uncle?

Who was the aunt Mian she was talking about?

“That ...”

Yuan Kang tried to open his mouth to ease the awkward silence.

But just as he said those two words, a cold voice came from the back seat.

“Don’t disturb miss Lin’s rest.”

“.....”

Yuan Kang looked at uncle hai, who was sitting beside Lin Hanxing, through the rearview mirror.

Uncle wasn’t here, but why did he have a sense of Majesty?

Was it an illusion?

“What do you want to say?”

Lin Hanxing, who had been resting with his eyes closed, suddenly spoke, his cold eyes meeting Yuan Kang’s through the rearview mirror.

“.....”

Being stared at by that pair of eyes, Yuan Kang felt a cold wind blowing on his back.

She could not help but shiver.

He should just let him die.

Yuan Kang had never felt like he had caused such a big trouble.

To be honest, when he heard that Lei Xiao was together with someone he had never heard of in country G, he only felt that it was unbelievable.

Due to the relationship between the Lei family and the yuan family, Yuan Kang had met Lei Xiao many times.

His attitude of keeping himself pure for who knows who was completely inconceivable to them.

During the new year, he even gambled on whether Lei Xiao was a Virgin or not.

Of course, they didn’t dare to say this kind of death-seeking behavior in the open.

In the eyes of outsiders, a man like Lei Xiao was ruthless and ruthless. In the business world, everyone avoided him like the plague. However, no one knew how much women went crazy over him, be it in Jiangcheng or country G!

A woman who could conquer such a man ...

At the red light, the black business car stopped at the intersection. Yuan Kang, who was looking at Lin Hanxing in the rearview mirror, suddenly felt a sharp gaze sweep past him, and he inadvertently saw ...

He was so scared that he almost jumped out of the car and ran away.

With one hand on the steering wheel, Lei Xiao’s Hawk-like sharp eyes looked at him coldly.

It contained a warning aura.

This is killing me!

I want to say that miss Lin won't let those people from Hua Ji send Eric back to country G, right? "

Yuan Kang hurriedly answered.

Lin Hanxing raised an eyebrow at Yuan Kang.

"So what if I am?"

Lin Hanxing's voice was as cold as when he was in the Presidential Suite, but there was a different kind of playfulness in his coldness.

Yuan Kang scratched the back of his head with his hand.

"If that's the case, then I advise you not to do that."

Lin Hanxing did not say anything, he just fiddled with the broken diamond bracelet that Lei Xiao had given her.

"Give me a reason,"

Lin Hanxing spoke again.

"I suspect that there's a mole among them!"

Yuan Kang quickly added.

"I'm only saying that I suspect it! It's not for sure!"

The moment he said those words, Yuan Kang felt a little regretful, especially when he met Lin Hanxing's eyes through the rearview mirror. The regret he felt grew even stronger!

For some reason, he felt an unfathomable sense of danger from Lin xiaojiu.

Even though he tried his best to look away, Yuan Kang could still feel the sharp gaze behind him.

If Lin Hanxing didn't pay much attention to Yuan Kang at first ...

Lin Hanxing had changed his mind after hearing what he had said.

She didn't urge Yuan Kang to continue. On the contrary, the pressure on uncle Hai's side was getting lower and lower, as if he was threatening her.

"Alright, alright, alright, I'll tell you, alright?"

Yuan Kang couldn't stand it anymore.

"Hua Ji has always supported the great wangfei's side, and they also have a closer relationship with the cabinet. For tomorrow's meeting, the great wangfei has not received any news at all. Don't you think this is very strange?"

The frivolous expression on Yuan Kang's face faded as he spoke in a rare serious tone.

“Either there’s an internal problem with Hua Ji, or ...”

Yuan Kang glanced at Lin Hanxing through the rearview mirror, but he didn’t finish his sentence.

Lin Hanxing closed his eyes again.

Or, it was because everyone believed that the great wangfei would never be able to turn things around this time!

“I’ve underestimated you.”

Lin Hanxing said indifferently. Yuan Kang couldn’t tell if Lin Hanxing was complimenting him or insulting him.

Yuan Kang decided to shut up.

The less you say, the less mistakes you make.

since you said that only a few senior cabinet members knew about the meeting to decide the succession of the Crown Prince, how did you know?” Lin Hanxing asked Yuan Kang.

Oh, this was a question of life and death!

Yuan Kang’s face was bitter, and he regretted that he had said that just now.

He subconsciously looked at uncle hai.

With him around, she didn’t dare to speak nonsense.

“Actually, I didn’t know at first.”

Yuan Kang’s shoulders drooped weakly, and he decided to just spit out the truth.

uncle isn’t in country G, but the first and second wangfei both wanted to win the support of the yuan family. Both of them had secretly sent people to the yuan family, and then ... I realized that something was wrong.

Hearing this, Lin Hanxing’s long eyelashes fluttered.

“I trust my sixth sense. It has helped me avoid so many disasters since I was young!”

Yuan Kang quickly added as if he was afraid that Lin Hanxing would not believe him.

“What’s wrong?”

Lin Hanxing asked.

“The yuan family’s attitude towards the first and second wangfei’s people has changed.”

Yuan Kang turned his head to look out of the window and continued.

“Even though it looks the same on the surface, I’m the only one who knows that feeling. They’re just patronizing the first wangfei’s people.”

I realized that the world in country G is about to change!

Yuan Kang's voice became deep and heavy.

all these years, uncle has always prioritized the interests of the Chinese in country G and has never gotten involved in the conflicts between the royal family of country G. But in fact, there have been people who have been dissatisfied with this for a long time.

Yuan Kang glanced at uncle hai as he spoke.

Seeing that he had no reaction, it was obvious that he had already known about the situation. He sighed in his heart.

"This time, while uncle is not here, the people of the yuan family want to act first and report later, but they don't dare to be too obvious. In addition ..."

Yuan Kang glanced at Lei Xiao again.

"The second Princess Consort also wants to get young master Lei's support ..."

"So they decided to send someone to Jiang city to persuade Yuan shaojing and ah Xiao?"

Lin Hanxing calmly continued the next sentence.

to be honest, although I volunteered to come to Jiang city, I was forced to do so.

Yuan Kang's expression turned gloomy as he said this.

miss Lin, you've been asking me questions the whole time. Now, it's my turn to ask you a question!

Yuan Kang's eyes met Lin Hanxing's through the rearview mirror.

"Miss Lin, why don't you guess why I had no choice but to volunteer for this?"

"Impudent!"

Uncle Hai's eyes widened in anger.

Lin Hanxing suddenly laughed and reached out to stop uncle hai from continuing.

This was a test between them!

[Chapter 1048](#)

1048 She's so smart that it's scary

&Nbsp; interesting.

you just said that your uncle prioritizes the interests of the Chinese people in country G and has never gotten involved in the conflicts between the royal family. It's also because of this that no matter who comes to lobby, as long as they open their mouths, they will definitely be furious.

Lin Hanxing turned to look out the window.

In the deep night, the scenery on both sides of the road kept moving backwards.

"So, the person selected to lobby must be a useless person."

Lin Hanxing said coldly.

No one would be stupid enough to take the initiative to do such a thing that would only bring harm and no benefit to the inheritance.

"I can feel your unwillingness in your words ..."

Lin Hanxing's lips curved into a smile as he said this.

that's right. It's about the heir of the yuan family. Who would be willing to be used as a useless son? "

that's why you went against your uncle's wishes and brought the reporters here at the hotel. After you made a big deal out of it, you deliberately mentioned the royal family and the yuan family in front of him ...

this will make Yuan shaojing vent his anger on the entire Yuan family in country G instead of you!

The more Lin Hanxing spoke, the darker Yuan Kang's eyes became.

"Yuan Kang, you're really an interesting person."

Their eyes met again through the rearview mirror.

However, this time, Yuan Kang's expression was no longer carefree and relaxed, but instead, it became more profound.

"Miss Lin ..."

"Since we're testing each other, why don't we make things clear?"

Lin Hanxing interrupted Yuan Kang's words, obviously he had something else to say.

you deliberately mentioned the Royal meeting tomorrow in front of Yuan shaojing to force him to make a choice.

As soon as he said that, uncle hai pulled out a gun from his waist and pointed it at the back of Yuan Kang's head.

Yuan Kang subconsciously raised his hands and remained silent.

For a moment, the atmosphere in the carriage became strange.

Lin Hanxing pressed his elbow against the car window and continued to speak in a lazy tone.

you know Yuan shaojing's character. He definitely won't let this kind of thing happen and put the eldest wangfei in a passive position. But if he makes a move, it will be seen as being involved in this Royal struggle to choose a side.

"You're really smart."

first, you transferred Yuan shaojing's anger towards you to the entire Yuan family, then you set up such a deep pit for him to jump into, thus completing at least half of the yuan family's mission for you to come to Jiang city ...

“You won’t be at a disadvantage either way, and you can still continue to act innocent.”

To be honest, Yuan Kang’s plan was extremely ingenious.

Unfortunately, he had met her.

After hearing Lin Hanxing’s words, uncle hai came back to his senses and loaded his gun!

Yuan Kang laughed drily.

miss Lin, you really like to joke. How would I have the ability to play the game of Infernal Affairs? ”

With a muffled thud, uncle hai pointed the gun at the back of Yuan Kang’s head.

“It’s not that you don’t have the ability to play the game of Infernal Affairs, but that you were forced to do this.”

The lights in the car flickered, giving off a subtle and unpredictable feeling.

“There’s a mole in Hua Ji. You couldn’t eliminate the threat, but you wanted to send the news to the eldest wangfei, who was in the palace and unaware of it. Your uncle was clearly your last chance!”

Lin Hanxing glanced at Yuan Kang from her angle.

“You are the first wangfei’s people?”

Now, it was her turn to ask him.

“I don’t ...”

“Yuan Kang, my patience is limited. I’ll give you one last chance.”

All of a sudden, Lin Hanxing’s eyes in the rearview mirror became as sharp as ice.

The atmosphere in the dark car also changed.

After a long time.

Yuan Kang suddenly sneered, a cold light flashing in his eyes.

He reached out and rubbed his face back and forth with his palm, completely removing the yes-man look on his face.

Lin xiaojiu, you’re so smart that I’m afraid of you.

As soon as he finished speaking, Yuan Kang indirectly admitted to Lin Hanxing’s speculations.

“I can finally understand why Lei Xiao challenged you alone!”

Even with uncle Hai’s gun pointed at the back of his head, Yuan Kang didn’t look afraid at all. Instead, he was as relaxed as if he was at home.

“Which part of my sentence did I miss?”

Yuan Kang was really asking this question with an open mind.

Just now, he had been paying attention to the changes in her expression from the rearview mirror, afraid that he would expose himself. But who would have thought that he had long been caught like a turtle in a jar, and he was so proud that he thought no one would find out.

"Answer my question first, then I'll answer yours."

Lin Hanxing leaned back into the black leather seat with all his weight.

One question for another.

It was fair.

"I'm not the first wangfei's man."

Yuan Kang answered directly, tearing apart the layer of camouflage in the middle.

Lin Hanxing glanced at the pair of eyes in the rearview mirror.

Yes, it was the truth.

"When you said 'I'm saying that miss Lin wouldn't let those people from Hua Ji send Eric back to country G, right?'" When you say this."

Yuan Kang raised his eyebrows.

With just this one sentence, he had exposed himself?

"I don't understand. Can you please explain?"

Yuan Kang laughed. He didn't have any reaction that he should have when his life was in danger.

"You're obviously not the second Princess Consort's man, so why are you helping the first princess Consort?"

One question after another.

The smile on Yuan Kang's face froze. This time, he remained silent for a long time.

"The great Princess Consort saved my mother's and my life."

It was the truth.

"When you brought the reporters here, it was the first time I suspected you."

"After that, you wanted to say something but stopped. You wanted to provoke my interest in continuing to ask questions, so that you could point out that there was a mole in Hua Ji's people, and thus put an end to the possibility of me handing Zhan Nanheng over to Hua Ji's people to escort! However, in your haste, you forgot one thing ..."

Lin Hanxing answered calmly.

Yuan Kang laughed as he realized what had happened.

if I didn't plan for this, how would I know that Eric was in your hands? "

He was one move behind.

In the end, he was still one step behind.

His mother had told him.

Never think that you are smarter than anyone else.

One must know that in this world, there would always be someone better.

Lin Hanxing's right leg crossed elegantly over his left, his expression neither happy nor angry. He had been in a calm state from the beginning to the end.

There are so many people in the yuan family, but they only sent you. You must have some extraordinary skills.

Yingluo, what if I let you go to country G with me now?

The words Lin xiaojiu had said back in the Presidential Suite suddenly resonated in Yuan Kang's mind.

So, she had already felt that something was wrong with her at that time?

Lin Hanxing slowly raised his hand and pressed his palm down on the gun barrel in uncle Hai's hand.

With a little force, that thing moved away from the back of Yuan Kang's head.

"Since we've already tested each other ..."

Lin Hanxing looked up.

In the dark car, the pair of big eyes with distinct black and white flashed with wisdom.

"How about we talk about cooperation now?"

[Chapter 1049](#)

1049 What a pleasant surprise

Midnight.

Jiang city's private airport, on the other hand, was brightly lit.

Due to the last-minute scheduling of the flight route, the plane would only take off in another 20 minutes.

In the lounge.

Lin Hanxing had just hung up the phone.

Just now, she had asked someone to buy all the tickets for the same flight in Zhan Nanheng's name, but she had avoided country G. Zhan Nanheng's manager, Erma, had also been brought to the VIP room at the airport to be on standby.

After he was done, Lin Hanxing turned around and his eyes met with Lei Xiao's.

Lei Xiao extended his hand to her.

His palm was facing up, and the lines on his palm were deep and clear, as if he could control everything in the world.

Lin Hanxing smiled and extended his hand to him.

With a little force, Lei Xiao pulled Lin Hanxing into his arms.

Uncle hai and the others were outside.

He didn't need to avoid anything.

Burying his face in Lei Xiao's shoulder, Lin Hanxing could not help but sigh. Ah Xiao's embrace was indeed the most comfortable!

"Are you sleepy?"

The Thunder valiant beast's large palm held the back of her head, caressing it from time to time.

She shook her head from his neck and simply kicked her high heels on the ground ...

It was crooked.

"You smell good."

Lin Hanxing's eyes were closed, and she kept rubbing her nose against the skin of his neck, like a satiated cat.

"Don't mess around,"

Thunder owl had wanted her to rest for a while.

Lin Hanxing had been in a state of continuous rotation for the entire day. Even if he was made of iron, he would not be able to hold on.

Lin Hanxing suddenly chuckled.

"Are you feeling sorry for me?"

Her clear and soft voice was slightly hoarse. Lin xiaojiu, who appeared calm and composed to others, shed all pretense in front of the Thunder valiant beast. Her expression was quick-witted, and she even looked soft and cute.

"When I was in Myanmar, I could go without sleep for three days and three nights."

Lin Hanxing stretched out three fingers and gestured in front of him.

In terms of perseverance and patience, she believed that many men were no match for her.

Thunder valiant lowered his head and gave her a deep look.

He opened his hand and wrapped Lin Hanxing's three fingers in his palm.

He tightened his arms around her and held her tightly in his arms.

“What else?”

Thunder owl’s chin was on the top of her head, his voice trembling through her skin.

“I can assemble a gun in 10 seconds, blind.”

Lin Hanxing paused for a moment, then raised his little face and said.

“Yes, what else?”

As if he was coaxing a child, Lei Xiao’s low voice did not sound as haughty and cold as it usually was, and was instead full of patience.

Lin Hanxing raised his head and looked at him.

When Thunder valiant didn’t have any defense, his shoulders were pressed down by her.

“And my taste in men is really, really, really good!”

Lin Hanxing placed his palms on his shoulders and straightened his upper body. His slightly curly black hair, like clouds and mist, poured down.

“Who praises themselves like that?”

Lei Xiao hugged her and leaned his handsome and strong body back.

The collar of his black shirt was open, revealing his sexy and deep collarbones.

“You dare to say no?”

Lin Hanxing raised his eyebrows, his eyes gleamed with pride.

Lei Xiao discovered that whenever his little girl was with him, there would always be more micro-expressions than usual, so that he could see through her emotions at a glance, whether it was pride or sadness ...

She had never hidden her true self in front of him.

It was just like him.

“Actually ...”

Lei Xiao’s eyes, which were originally filled with a cold aura, were now filled with a deep smile.

“What?”

Lin Hanxing waited for his answer, obviously in a good mood.

“I also think I’m pretty good.”

After Lei Xiao finished speaking, the two of them looked at each other with their large eyes and burst into laughter.

“I’m leaving,”

Lei Xiao stretched out his hand to stroke her long hair by her ear. When his fingers accidentally brushed past her pearl earrings, he suddenly felt a sharp pain in his fingertips.

Upon closer inspection, he was actually bleeding.

“Let me see.”

Lin Hanxing could smell the blood and knew that he was injured.

Looking at the blood beads on Lei Xiao’s rough fingers, she did not even think about it and took a sip with her small mouth.

Thunder valiant beast felt his fingers heating up, and his heart tightened.

“Which piece of clothing on me isn’t for self-defense? if you want to touch it next time, wait until we get home ...”

Before Lin Hanxing could finish his words, Lei Xiao had already blocked his mouth.

It was as if he wanted to take Lin Hanxing’s soul out of his heart.

Lin Hanxing was stunned at first, then he refused to be outdone. As they went back and forth, the breathing between the two became tighter.

It was difficult to tell.

There was a knock on the door outside the resting room, reminding the two of them that it was almost time.

Only then did the Thunder valiant beast let go of her.

Lin Hanxing’s breath was in a mess, her Pearl-like eyes were slightly open and slightly dazed, the little girl’s posture made Lei Xiao’s eyes even darker.

However, Lei Xiao quickly carried her up and placed her back on the sofa, her eyes still blank.

He was half-squatting in front of her.

She picked up the high heels that had fallen to the ground, pinched Lin Hanxing’s feet, and put them on for her.

“See you later,”

After leaving behind these meaningful words, Lei Xiao was the first to get up and leave the lounge.

The moment he opened the door.

He met the mute uncle outside the door.

After Lei Xiao left, the mute uncle quietly walked in front of Lin Hanxing.

He looked down at her with love in his eyes, as if he was looking at his own daughter.

On the other hand, Lin Hanxing was still hugging a pillow.

There seemed to be stars twinkling in his eyes, and the corners of his mouth couldn't help but curve up. Then, he buried his face in the pillow that still had the smell of the Thunder valiant beast.

“.....”

The mute uncle remained silent.

After a while, he knocked Lin Hanxing's head with his knuckles to remind her that the time was up.

Only the mute uncle and uncle Jin would dare to do this.

By the time Lin Hanxing raised his head again, he had already regained his strong and calm appearance.

The moment he stood up, he had already packed everything!

“Let's go,” he said.

.....

The private jet was like a Vulture as it landed on the empty runway, stirring up a hurricane that seemed to want to swallow people.

In Jiang city, there were many people who could afford a private plane.

However, only the Lei group was allowed to build a private airport.

Lin Hanxing walked at the front, followed by a group of people.

Yuan Kang looked at her from behind, an indescribable feeling in his heart.

It was fortunate that such a woman was not an enemy.

Or else ...

Yuan Kang didn't even dare to think about what would happen after that. He could only accept his fate and follow.

Lin Hanxing boarded the cabin expressionlessly.

As if she had thought of something, she stopped a second before she entered the cabin and turned around to look at the empty place.

Everyone's movements stopped because of her.

He did not know what she was looking at.

Her black, seaweed-like hair was blown away by the wind.

For a moment, it was a beautiful scene.

But soon, Lin Hanxing closed his eyes and entered the cabin.

The people behind him moved again.

After everyone had boarded the private jet, the cabin door began to slowly close, and the final preparations for take-off were carried out.

“Miss Lin, Mr. Yuan told me to prepare this early in the morning.”

In the cabin, uncle hai handed the prepared information to Lin Hanxing with a respectful attitude.

Yuan Kang sat a little further away from them, and returned to his usual carefree appearance.

Her sensitive heart sensed that something was not right.

Uncle Hai’s attitude toward Lin xiaojiu was too respectful. It was as if ...

His eyes moved back and forth.

Yuan Kang had a shocking and bold assumption.

Even he himself was shocked by this thought. He covered his eyes with his large palm and suppressed the trembling in his heart.

Lin Hanxing heard uncle Hai’s words and did not move.

He just raised his head and looked at uncle hai with a meaningful look.

The latter didn’t move and allowed her to look at him.

In the end, Lin Hanxing still took the document.

In it, it clearly indicated the current situation of the division of power in country G. Even the local Huaji and Hong sect were described in detail in the document.

The plane took off.

Lin Hanxing was already flipping through the documents at an astonishing speed while memorizing them in his mind.

The status of the Chinese in country G was really difficult.

It was no wonder that Yuan shaojing had chosen to refuse to stand on any side of the royal family.

This was probably the result of his careful consideration.

But unfortunately ...

Lin Hanxing’s fingers tapped on the table rhythmically, his eyes thoughtful.

Unfortunately, no one in the yuan family could see through his good intentions.

All these years, although Yuan shaojing had the title of country G’s richest Chinese man, in fact, he was probably the only one who knew the ups and downs of it.

The minute and second hands of the clock on the table were moving forward in an orderly manner.

The song group, the gong group, and the yuan group, which represented the Chinese, had formed a tripartite balance in country G's business circle. After the marriage between the song and Gong groups, the status quo was broken, and it became a situation where two tigers competed with each other.

At this moment ...

Any slight movement could be a fatal blow to the yuan group.

Furthermore, the yuan Corporation had always been the pride and representative of the Chinese in country G.

In country G, the status of the Chinese had always been suppressed, but because of the rise of the yuan Corporation, it was finally able to improve a little. They even welcomed a pro-Chinese Crown Prince. In just over half a year, the status quo could be changed ...

Who would have thought that an accident would break all the illusions that seemed calm ...

Lin Hanxing closed his eyes again.

He had to make use of the limited time to make the most comprehensive preparations.

Uncle hai did not disturb her.

Because of the private air route, the original route was shortened by nearly half.

Yuan Kang made up his mind to go with the flow. He was the first one to fall asleep. Although the others had something on their minds, their bodies were not made of iron. They gradually fell asleep as well.

For a moment, even though there were many people in the cabin, they were all silent.

Lin Hanxing was the only one who kept it in mind as he flipped through the documents.

He didn't notice that a dark shadow was quietly approaching him from behind.

The mute uncle suddenly opened his eyes.

However, when he saw the person clearly, his tense nerves gradually receded, and he returned to a relaxed state and closed his eyes.

The man sat down beside Lin Hanxing.

The luxurious sofa sank.

Lin Hanxing, who had his eyes closed, subconsciously moved to attack at lightning speed.

This was a conditioned reflex action of someone who had barged into a safe area without her permission.

Just as he stretched out his hand, it was easily dispelled by the other party.

He even grabbed her wrist and pulled her into his arms.

[Chapter 1050](#)

1050 The dazzling stars

Lin Hanxing could have dodged it, but when he saw who it was, all his movements stopped abruptly!

The moment she stopped, she was hugged.

The familiar and intoxicating scent of wood enveloped Lin Hanxing.

"I said, see you later."

At this moment, the coldness in Lei Jing's eagle-like eyes faded away and was replaced with gentleness.

The noise between the two of them woke up the few people who had just fallen asleep.

Sour.

Yuan Kang curled his lips, turned over and went back to sleep.

Zhan Nanheng, who had been occupying the corner since he got on the plane, opened his eyes and looked at the two people in the distance ...

Her baby face was immersed in the shadows ...

No one knew what he was thinking.

Lin Hanxing was so surprised that he could not speak.

Before she got online, she thought it was just her imagination, but she didn't expect that Lei Xiao would really follow her!

"Follow me."

Lei Xiao stood up. His handsome and muscular body descended from the shadows and completely covered Lin Hanxing.

He reached out his palm to her.

Lin Hanxing grabbed his hand without hesitation.

It was a gesture of complete trust.

Lei Xiao brought Lin Hanxing to the captain's room at the head of the plane.

At that moment, the plane was in autopilot mode. The captain was drinking his freshly ground coffee calmly. When he heard the noise behind him, he turned around and saw Lei Xiao walking in with Lin Hanxing.

Lei Xiao raised his hand and greeted the captain in fluent English.

He led Lin Hanxing to the front passenger seat.

Surprise!

The captain's dark blue eyes flashed with ridicule as he turned off all the lights in the captain's room with a snap.

In an instant, there was only the faint light of the instrument left in the cabin.

Lei Xiao stood behind Lin Hanxing, his hands on her shoulders.

Suddenly, he leaned over to her ear and whispered.

“I’ll take you to see the stars.”

Then, he covered her ears with both hands to block out the noise for Lin Hanxing.

Lin Hanxing’s eyes were completely drawn to the scene in front of him, his long eyelashes fluttering like wings.

The night sky was filled with bright stars outside the aviation glass of the large fan’s nose.

It was as if there was a natural and eternal mysterious force that attracted her. Lin Hanxing subconsciously wanted to reach out and touch it.

Lin Hanxing was looking at the stars.

But Thunder owl was looking down at her.

Such an opportunity was too rare. Since he first learned how to fly, he had always hoped that one day he could bring her to see it.

At that time, he had thought that it was a fool’s dream.

He didn’t expect that he would finally get it.

Lin Hanxing had never seen so many stars before.

In the deep and turbulent night, stars twinkled in the sky, as if they could be easily picked away.

“Do you like it?”

Lei Xiao whispered in Lin Hanxing’s ear in a deep and hoarse voice.

Lin Hanxing looked up at him.

His eyes were shining with surprise.

“I like it.”

Lin Hanxing said without hesitation.

Under the ethereal clouds, the bright stars above, such a beautiful scene, but it couldn’t compare to the joy of him being by her side.

“But I like you more.”

Lin Hanxing added without any hesitation.

Although the pilot was British, he lived in China all year round, so he could naturally understand.

He could not help but whistle.

He gave Lin Hanxing a big thumbs up.

He really knew how to win.

Ray looked like he was about to be sent flying by this little girl.

Lei Xiao's thin lips curled up uncontrollably, and he leaned over to plant a light kiss on Lin Hanxing's forehead.

Her heart was beating wildly because of her words.

Suddenly, someone knocked on the door of the captain's room.

The few of them turned around and saw that it was the flight attendant.

At this moment, his expression was extremely subtle and panicked.

"Mr. Ray, there seems to be a situation in the dining room."

The other party spoke in English and was slightly anxious, even the rhythm was disrupted.
