

Goodnight 1051

[Chapter 1051](#)

1051 The 'situation' in the pantry

Outside the dining room.

The bodyguards who were originally standing in the dark had already surrounded the place.

Each of them was armed with live ammunition.

His expressionless face exuded a sense of cruelty and coldness.

The atmosphere was only broken when Lei Xiao and Lin Hanxing arrived.

Lei Xiao's deep and handsome face, which had been specially favored by God, was now shrouded in the strong aura of a superior.

The space between his brows made one's entire body shiver.

"Mr. Ley."

The bodyguards saluted Lei Xiao in unison, as if they were robots from the same assembly line.

The Thunder valiant beast raised his hand.

"Open the door."

These two short words were filled with dignity.

Just before the bodyguard was about to kick the door open, Lei Xiao pulled Lin Hanxing behind him to protect him.

It was airtight.

With a loud bang, the door of the food room was kicked open by the bodyguard.

Along with the sound of clicking ...

Everyone aimed and loaded their guns at the house!

The situation suddenly changed!

But the next second, the well-trained bodyguards showed a rare strange expression.

He didn't know what to do with the gun.

Because Thunder valiant never said anything!

The sudden silence was the scariest thing ...

Lin Hanxing's line of sight was blocked by Lei Xiao, who was protecting her well.

Sensing that something was not right, he tilted his head and poked his head out from behind Thunder valiant beast.

Her almond-shaped eyes widened slightly.

A little sheep dumpling was sitting on the ground with a pile of food in her arms.

She was holding a cake in her left hand and an orange juice in her right.

His mouth was stuffed full, and he was motionless, like a little hamster that had been caught stealing food!

Especially when he saw so many guns pointed at him ...

His eyes were wide open!

He slowly raised his hands in front of everyone, burping as he did so.

“Burp ...”

“.....”

“Burp ...”

“.....”

For a moment, no one spoke.

The veins on Thunder valiant beast’s forehead throbbed, but he remained expressionless.

“WA, don’t kill me!”

His deafening cries instantly resounded through the food. Yuan Dabao was so frightened that he stuffed the last piece of cake into his mouth while crying.

Only food could comfort his young heart!

“.....”

Lin Hanxing was speechless. He looked at Yuan Bao, whose face was covered in tears, and his posture as if he was a ghost who did not forget to die full ...

Who did he inherit this from?

.....

In the cabin.

This time, everyone was woken up.

A few pairs of eyes looked at the little sheep dumpling who was cuddling in Lin Hanxing’s arms.

“Yuan Bao ...”

I won’t listen, I won’t listen, I’ll chant Scriptures like a bastard!

Yuan Bao moved his butt and continued to bury his face in Lin Hanxing’s arms.

It was like a fat sheep that was not afraid of boiling water!

“Yuan Bao ...”

The air pressure at Thunder Valiant’s side couldn’t get any lower.

Yuan Bao snorted and covered his ears with his chubby hands, resisting to the end.

Lei Yanchen!!!!

The Thunder valiant beast laughed out of anger, and a black aura enveloped its entire body.

“Ah Xiao ...”

Lin Hanxing said faintly and glanced at him.

Like a fire extinguisher, Lei Xiao’s anger that had already rushed to his head gradually subsided.

“Alright, alright!”

Yuan Bao moved his butt and finally revealed his little face.

His two chubby arms were wrapped around his chest.

“Who asked you to keep occupying first aunt, Hmph!”

Perhaps it was because he had Lin Hanxing’s support, Yuan Bao had a proud look on his face, and he did not look like he had cried in the middle of the food.

“Yuan Bao, how did you get here?”

If Yuan Bao was not sitting in her arms right now, Lin Hanxing could not imagine how a four-and-a-half-year-old child could successfully ‘sneak in’ without being discovered.

Hearing Lin Hanxing’s question, Yuan Bao told her all about how he had hidden in the car, how he had successfully ‘escaped’ from the bodyguards and boarded the plane.

“.....”

“.....”

“.....”

After hearing the whole process, everyone subconsciously looked at Thunder valiant beast.

As expected of the Lei family.

Wasn’t the genes of this man from the Lei family a little too strong?

Lei Xiao raised his hand to his temple, feeling a throbbing pain.

“Do you know how worried your grandparents would be if they found out that you were missing?”

Lin Hanxing asked Yuan Bao seriously without a smile on his face.

Yuan Bao did not speak for a long time.

He only pointed his two chubby index fingers at each other and pouted.

"I left a note ..."

He lifted his head and spoke weakly. The moment his eyes met Lin Hanxing's, he mumbled and added.

"I'm sorry ..."

Lin Hanxing looked at Yuan Bao's fair and delicate face that was filled with uneasiness and smiled helplessly.

"Forget it, don't do it again, understand?"

Lin Hanxing gently tapped Yuan Bao's nose and said in a soft voice, "

He was already here.

He couldn't send him back immediately.

What else could he do?

Of course, she would forgive him ...

Yuan Bao raised his head and looked at Lin Hanxing with Starry Eyes, his arms crossed.

He knew that first aunt was the best!

"But ..."

Lin Hanxing changed the topic and used both soft and hard tactics.

"You should know what to do now, right?"

Yuan Bao nodded heavily.

She slid down from Lin Hanxing's legs and ran to the expressionless bodyguards with her short legs.

"I'm sorry for the trouble."

After that, he made a deep ninety-degree bow.

"....."

The leader of the bodyguards tried to squeeze out a kind smile. After all ...

He was Mr. Ray's nephew.

"Uncle, please stop laughing. I'm about to pee my pants."

Yuan Bao's legs trembled as he spoke.

However, after hesitating for a while, he still looked at Thunder valiant beast.

"Uncle, can facial paralysis be considered a work injury?"

"....."

"....."

“.....”

Where was his gun? Where’s his 5.8-meter long spear?

The bodyguard suppressed the urge to flush the little master down the toilet and closed his eyes expressionlessly.

Out of sight, out of mind.

Yuan Bao turned around and ran to the mute uncle, Zhan Nanheng, to apologize.

However, his eyes were still looking at Yuan Kang, as if he was very curious about him.

“Little brat, what are you doing?”

Ever since Lin Hanxing had exposed his disguise, Yuan Kang had let himself loose in front of this group of people.

As he spoke, he made a face at Yuan Bao.

Yuan Bao’s exquisite face could not help but reveal a look of disdain.

“Uncle, you have a very special temperament!”

Yuan Bao said in a childish voice.

Yuan Kang raised his eyebrows smugly, but he didn’t notice that Lin Hanxing was looking at him with sympathy.

“At least you have good taste. Then why are you angry?”

Yuan Kang’s sleeping robe had been changed in the resting room earlier, and he was now covered in Armani.

“So Gay!”

Yan beixiao must have taught Yuan Bao that!

Lei Xiao thought gloomily.

“.....”

“.....”

“.....”

The leader of the bodyguards, who was standing not far away, gave Yuan Bao a ‘like’ in his heart. He instantly forgave Yuan Dabao’s venomous tongue that had hurt his little heart so badly.

The proud expression on Yuan Kang’s face instantly froze!

Bring me his pot!

He was going to perform a stew in an iron pot ...

Anger didn't make Yuan Kang lose his mind.

He looked over Yuan Bao's shoulder at Lin Hanxing and Lei Xiao, who were standing not far behind him.

Forget it, he'd better act like he was stewing himself in an iron pot!

After Yuan Bao's venomous tongue was over, he obediently strode over to the Thunder valiant beast with his short legs.

He didn't dare to act rashly in front of his uncle!

Yuan Bao placed its two little hooves on Thunder valiant beast's thighs and said adorably ...

"Meh ..."

She also rubbed her head against his hand.

His obedient appearance made everyone forget about Yuan Bao's venomous tongue!

"There will be no next time!"

Looking at his little nephew's pitiful eyes, Lei Xiao finally let go.

Just as he was about to reach out and pull Yuan Bao into his arms, he saw Yuan Bao make an "Oh" sound, turn around and run towards Lin Hanxing.

"First aunt ..."

Lei min's outstretched hand was suspended in the air.

"....."

"....."

Everyone held back their laughter and pretended not to see it.

"Hug ..."

Yuan Bao opened his arms and acted cute towards Lin Hanxing. He knew very well how his aunt would react when she saw him!

Yuan Bao had an innocent expression on his little face, pouting his red lips and blinking his long eyelashes.

Hug, hug, hug!

You're the only one I'll hug in the whole world!

Lin Hanxing was mesmerized by Yuan Bao's cuteness and reached out to carry him back to his knees.

He was so angry.

However, she still had to maintain her smile.

Yuan Kang glanced at Lei Xiao's ice-cold face, and added an OS for him in his heart!

“Auntie, I’m hungry.”

Yuan Bao held his stomach and started to complain that he was hungry again.

Lin Hanxing subconsciously looked at Lei Xiao.

After receiving his wife’s signal, Lei Xiao retracted his outstretched hand and looked coldly at Yuan Bao.

“.....”

Yuan Bao subconsciously shrank his neck, feeling a gust of wind on the back of his neck.

After a long time.

The Thunder valiant beast finally spoke.

He even had the ‘kind’ smile of an elder.

“You can’t get too fat, you’ll be killed.”

“.....”

“.....”

“.....”

Young master Lei, you’re really scaring a child like this ...

Dejected (sick) and crazy (bright)!

.....

In the end, Lei Xiao still asked someone to cook Yuan Bao a bowl of noodles.

After eating, Yuan Bao was still a child, so he quickly fell asleep while leaning on Lin Hanxing.

The others were also drowsy.

Lin Hanxing was the only one who continued to flip through the documents that uncle hai had passed to her.

The luxurious sofa beside her was deeply sunken, and Lei min brought a cup of coffee and placed it in front of her.

The taste was very fragrant.

It was obviously freshly ground and cooked.

The moment Lei Xiao sat down, Lin Hanxing leaned his head against him.

However, Yuan Bao was still sleeping on her lap, so he did not move.

“The people from the yuan family are not easy to deal with.”

Lin Hanxing went through the document and felt the greatest emotions in his heart ...

It was chaos!

It was a complicated mess!

And country G was really a country in which the people of country G were in power, but the Chinese controlled the economic lifeline.

Thunder owl didn't say anything, he just reached out and put his arm around her shoulder.

A mere Lin family was already so tolerant, let alone the yuan family with such a large family.

"What do you think?"

Lin Hanxing closed his eyes as he took in the intoxicating smell of wood on Lei Xiao.

Her long eyelashes cast a fan-like shadow on her face.

"We'll deal with whatever comes our way,"

Lei Xiao said in a deep voice. After he finished speaking, he planted a light kiss on Lin Hanxing's hair.

"You're right."

Lin Hanxing smiled with his eyes closed.

They didn't know that in the eyes of others, this scene was like a family of three.

"Ha ha ha ..."

Yuan Bao was sleeping soundly, smacking his lips in a dream.

Thunder valiant beast decided to pretend he didn't hear.

"A family of a few ... Eldest uncle is the ugliest ..."

With a "bang," a string in Lei Xiao's mind seemed to have snapped just like that. He expressionlessly stretched out his hand and pulled the ingot away from Lin Hanxing's leg, as if he was about to throw it to the side.

... I like ... I like ... Uncle ...

He was about to throw the ingot away when he stopped.

Lei Xiao lifted his hand and pulled Yuan Bao in front of him.

She suspected that he was pretending to be asleep.

However, from the beginning to the end, Yuan Bao only smacked his lips and slept soundly.

Forget it.

Spare this little brat's dog life!

After all ...

He was 24K's own nephew who had been personally taken care of since he was young.

From the beginning to the end, Lin Hanxing's lips curved into a faint smile. He was obviously amused by the uncle and nephew.

However, before he could open his eyes, Yuan Bao slapped him in his sleep.

"We must have a daughter in the future!"

After a while, Lin Hanxing heard Lei Xiao's voice, which was filled with gritted teeth, ringing in his ears.

She blinked her eyes.

There was a smile in his eyes that couldn't be hidden.

"Alright."

.....

The night was dark.

The royal family of snowlan province, country G.

Ever since her only son was confirmed to be brain dead, the great consort Haslina Amiya had not had a good night's sleep.

At this moment, she was sitting on the sofa, supporting her forehead with her hand.

The clock on the coffee table passed by, just like the power that supported her to keep her spirit strong.

Ever since she found out that there was a mole in Huaji, the first wangfei had not used that part of her power.

In the eyes of outsiders, this was a sign that she had completely given up on struggling.

The people on the first wangfei's side were silent like never before as they waited for the darkness to descend.

The silence was broken after two minutes!

First consort Amiya suddenly opened her eyes and looked at the guards who had barged in without her permission.

His gaze was as sharp as a knife.

Obviously, these people already regarded her as the setting sun in the west Mountain, unable to cause any more waves.

A light chuckle came from behind those people.

The second consort, anoshka shamaga, walked in leisurely.

His eyes were filled with unconcealed pride.

"Sister, it's so late and you're still not sleeping. Are you waiting for me?"

The second consort, shamaga, slowly opened her mouth. In the blink of an eye, she was already in front of him.

The long royal blue dress made her fair skin look even more dazzling.

“Who let you in? Get out!”

The first wangfei, Amiya, was not angry, but she was still imposing. She sat there, and it was not difficult to detect the majesty in her words.

I’m here to tell my sister that the cabinet will officially hold a meeting at 9:30 tomorrow and announce that my son will replace your son as the Crown Prince. The second consort, shamaga, was obviously very pleased with herself. Even the corners of her eyes and the tip of her brows were unspeakably presumptuous.

The old respect for elders and children had long disappeared.

The great wangfei’s heart skipped a beat.

His face didn’t show anything.

“Sister ...”

The second Princess Consort covered her mouth and chuckled, her actions unconsciously filled with charm.

“You’ve lost,”

“Until the last moment, who knows who will win and who will lose?”

The great wangfei raised her head and met the second wangfei’s gaze.

There seemed to be a fire between the two women, and neither of them was willing to bow their heads.

Sister, unless you can turn Eric into a living person and bring him to the cabinet meeting tomorrow, how are you going to fight me? ”

Her people had already completely blocked off the airport and all traffic hubs.

As long as Eric dared to return to country G ...

The moment he landed, she would let him have a taste of being unable to return.

This time, she was definitely going to win!

[Chapter 1052](#)

1052 The yuan family mansion

The next morning.

Thunder owl’s private jet landed.

The landing location was at the airport exclusive to the snowlan Kingdom Royal family.

When the group of people saw the Royal symbol through the plane's window, they all looked at Lei Xiao with strange eyes.

Perhaps the second Princess Consort had never thought of this.

She had set up an inescapable trap outside and was only waiting for Eric Zhan Nanheng to walk right into it. By then, he would have safely landed in her base camp and would even be getting off the plane in a while.

This feeling ...

It felt pretty good just thinking about it!

Yuan Kang thought to himself. The last bit of apprehension he had before he landed on the ground had disappeared.

He simply relaxed his entire body and looked at the scenery of the Royal airport outside the window.

One had to know that although he was a member of the yuan family, he was only from the side branch and was the type of person who was least qualified to participate in important activities.

So even if his uncle had been invited to so many royal banquets, it had nothing to do with him.

The luxurious view of the royal family ...

He could be considered to have only seen her because of Lin xiaojiu.

the cabinet meeting will start at 9:30. There's still time to rest.

Lei Xiao's gaze swept across his wristwatch like an eagle, his cold expression not showing the slightest urgency.

It was like a vacation.

"Mr. Ray, the convoy is ready."

The iron-faced bodyguard came forward and reported in a deep voice.

"Why don't we go to the yuan family mansion to rest first?"

Uncle hai said.

There were still nearly three hours left. Moreover, the yuan family's residence was not far from where the royal family was located, so it was considered the best place for them to take a break. Moreover ...

Uncle hai hid all his thoughts.

Moreover, this was also Mister Yuan's intention.

"Let's go," he said.

Lin Hanxing looked at uncle hai and hid the strange feeling in his heart.

Even if she was made of iron and did not need to rest, now that Yuan Dabao was here, she had to make some considerations.

“It’s so hot ...”

As soon as they got off the plane, they were hit by a wave of heat.

Yuan Bao snorted, his entire body deflated like a punctured ball of skin.

She looked at Lin Hanxing pitifully and asked for a hug.

In the next second, the guinea pig was suspended in the air, and Lei Xiao held him in his arms with one hand.

His other hand held Lin Hanxing’s hand.

He was full of boyfriend power.

Just as the bodyguard had said, the convoy had been neatly parked near the tarmac.

Fifteen Mercedes Benz Maybach S600s stopped in an orderly manner.

Each of them was a bulletproof car with a VR7 safety standard.

The black bulletproof glass was like a beast that could easily devour a person, bringing a terrifying visual feast.

Yuan Kang couldn’t help but whistle and give a like.

to save the obsessive-compulsive disorder!

The 15 Mercedes Benz Maybach S600s were parked perfectly. From a certain angle, they were completely horizontal. It was definitely a blessing for people with obsessive-compulsive disorder.

“Get in the car.”

Uncle hai snorted coldly from behind. Yuan Kang immediately put away his tail and behaved himself.

She wanted to get into the car behind Lin Hanxing.

But before he could get close, he was blocked by Lei Xiao’s iron-faced bodyguards.

The bodyguard gestured for Yuan Kang to take the next car.

The black streamlined door was closed after Lin Hanxing got into the car, completely cutting off the noise outside.

A faint lily of the valley fragrance filled the air.

The floor was covered with a luxurious carpet, and the interior was designed with a car refrigerator and wine rack.

The car was air-conditioned.

Only then did Yuan Bao seem to have come back to life, full of energy.

“Where is this place?”

Yuan Bao looked out of the window curiously.

country G, snowlan province.

Lin Hanxing said indifferently. He did not hide anything from Yuan Bao just because he was a child.

Yuan Bao's quick-witted eyes widened.

"I know, it's the country with nine royal families!"

After he finished speaking, Yuan Bao snorted and snuggled into Lin Hanxing's arms, yawning.

Indeed, country G was a country with nine royal families.

Nine royal families, nine SU's.

Didn't every su have the possibility of becoming the Supreme head of state of G? the head of state would only be chosen among the nine of them.

The term of office is five years.

Five years later, the next one would be decided by a vote.

This was why the battle for the Crown Prince was special.

The current leader of snoworchid province, su buchang, had been appointed as the next head of state. He only had to wait for the current leader to finish his five-year term in the last half of his term. Half a year ago, the current leader of snoworchid province had decided to abdicate and let the Crown Prince inherit the throne to show his power.

From then on, the situation changed.

As Lin Hanxing was thinking, a glass of water was handed to her.

He raised his head and looked at the Thunder valiant beast.

Meanwhile, Yuan Bao was already gulping down the iced Coke.

Suddenly, a sound came from the other end of the sound insulation board.

Lin Hanxing took the water and drank it slowly, while Lei Xiao turned on the soundproof panel.

"Mr. Lei, it's a call from the second Princess Consort,"

The bodyguard sitting in the front passenger seat said in a deep voice.

Lin Hanxing raised an eyebrow.

So fast?

Lei Xiao calmly took the satellite phone and answered Lin Hanxing's question before the call connected.

"I've said it before, the second Princess Consort has been trying to win my support."

He said in a deep voice.

she promised that if I could reach country G in person, she would open the Royal airport for me to stop.

After Lei Xiao finished speaking, Lin Hanxing pursed his lips and laughed.

If they were to talk about eating people without spitting out the bones, their ah Xiao was also a powerful character.

How could the second Princess Consort have expected that the privileges she had opened up to win Lei Xiao's support would be used by them so thoroughly!

Bringing someone into country G right under her nose ...

If the second Princess Consort found out the truth in the future, she would probably be so angry that her nose would be crooked.

He picked up the phone.

"Mr. Ley ..."

The soft voice of the second consort, shamaga, spread through the loudspeaker in the carriage.

Yuan Bao subconsciously shivered.

The person on the other end of the phone couldn't speak properly. He had goosebumps all over his body.

He reached out his chubby little hand and tugged at the corner of Lin Hanxing's shirt to express his dissatisfaction.

Lin Hanxing shook his head with a faint smile, then pointed his index finger at Yuan Bao and shushed him.

Yuan Bao nodded like a chicken pecking at rice in her arms.

Lin Hanxing hugged him and leaned his entire body against the leather seat, listening to the conversation between the second Princess Consort and Lei Xiao.

"I'm so honored to have Mr. Ray here to support us. After this ..."

With a flower-like smile, the second Princess Consort continued.

It was extremely suggestive.

"There will definitely be great thanks."

during the cabinet meeting, representatives of the yuan family and I will be present. You can arrange it.

Lei Xiao's voice was cold, almost like a king's commanding tone. It did not change because of the other party's identity.

"A representative of the yuan family? You're saying that Mr Yuan shaojing has also relented?"

This was definitely good news for the second Princess Consort, and she immediately stood up from the chaise lounge.

“Don’t worry, Mr. Ley. I’ll definitely make the necessary arrangements!”

Lin Hanxing glanced at Lei Xiao.

Thunder valiant beast received the message very quickly and opened his thin lips.

“The first wangfei ...”

At the mention of the first wangfei, the second wangfei, shamaga, once again lazily leaned back in her chaise lounge. Even her voice could hear the pride in her voice.

“Mr. Lei, you Chinese have an old saying,” the mountains are at the end of the line.””

Moving her red lips, the second wangfei took a grape from her confidant’s hand and put it in her mouth.

I’ve been keeping a close eye on my sister. I’m just waiting for the dust to settle after the cabinet meeting.

As Lin Hanxing listened, he reached out and stroked Yuan Bao’s wool rolls.

There was no change in her delicate and fair face, as if she had not heard anything.

After a few simple words, Lei Xiao hung up the phone.

“What a pity.”

Lin Hanxing said indifferently.

“Auntie, what’s a pity?”

Yuan Bao laid on Lin Hanxing’s lap, his Obsidian-like eyes filled with curiosity.

“The second Princess Consort only knows that we are at the end of our rope, but she doesn’t know that in the 5000 years of Chinese culture, there’s another saying ...”

Lin Hanxing reached out and touched Yuan Bao’s nose.

In the next second, the two of them spoke at the same time.

there’s no way out in the mountains and rivers, but there’s a ray of Hope in the Dark.

.....

In the study of the yuan family mansion.

“What did you just say? Big brother agreed? He even sent uncle hai as a representative to attend today’s cabinet meeting?”

The middle-aged man who received Yuan Kang’s call was ecstatic.

He even ignored the most important part of Yuan Kang’s phone call ...

Xuxu sent uncle hai to assist the representative.

“Thunder valiant? Young master Lei is here too?”

Yuan shaojing's third brother, Yuan Junhui, was even happier when he heard this.

Although his big brother was on good terms with the Lei family of Rivertown, that was only his personal relationship with the Lei family.

They had nothing to do with the Lei family.

"Good, good, good! That's great! Then, the child in Cheng Lingyun's stomach ..."

Yuan Junhui hesitated for a moment and asked.

After a long time.

"You're serious?"

Yuan Junhui suddenly raised his head and slapped the paperweight in his hand, shocking everyone around him.

"I'll get ready immediately!"

After that, he hung up the phone.

"Third brother, how is it?"

There were three people sitting where the voice came from. There were men and women, but they were obviously from the same family.

"Yuan susu is dead,"

Yuan shaojing's third brother, Yuan Junhui, said.

"What?"

"What's going on?"

"What about Cheng Lingyun?"

"Where's the one in her stomach?"

One after another, the atmosphere was lively.

Yuan Junhui played with the paperweight, his eyes filled with joy.

"Also gone!"

For a moment, the siblings looked at each other with surprise in their eyes.

let's not talk about that for now. Big brother has agreed to support the second Princess Consort. Now, he has sent uncle hai back to prepare for the cabinet meeting. Hurry up and pack up. Young master Lei is here too!

.....

Yuan Kang was still holding his cell phone on speaker. He looked up at uncle hai, whose expression was unclear.

“Uncle, he ...”

Before he could finish, uncle hai raised his head and coldly glanced at Yuan Kang.

Instantly, the other party swallowed his unfinished words.

“You don’t have to ask about anything else. You only need to know one thing.”

Yuan Kang subconsciously shivered in his heart.

With uncle Hai’s status in the yuan family, even his eldest uncle’s siblings couldn’t order him around.

“Whatever miss Lin asks you to do, you will do.”

.....

Half an hour later.

The yuan family mansion’s antique carved gate slowly opened, attracting the nearby tourists to stop and exclaim.

After all, everyone knew that Mr. Yuan shaojing, the richest Chinese man in country G, lived in a private mansion that was never open to the public.

Even so, when many people came to Xuelan province, they would always come and take a look from afar.

Over time, it had even been added to the must-visit tourist spots route by travel agencies, which was enough to show the popularity of the tourist spots.

Fifteen Mercedes Maybach S600s drove into the gate at a constant speed.

The same model, the same color, and even the car plate numbers were consecutive.

It looked like a silent movie, quiet and shocking.

It made people speechless for a long time.

At this time, Yuan Bao, who was in the car, was leaning on the window and crying out.

He had never seen such a unique old house.

The yuan family’s mansion was built in 1897. It was the most famous designer in Jiangnan invited by the ancestors of the yuan family. More than 100 Fengshui Masters measured it, and it took a full seven years to complete.

The entire mansion occupied more than 5000 square meters. The construction area alone had used more than 3000 square meters.

It was completely worthy of the word ‘mansion’.

“The yuan family’s ancestors really had good taste.”

Lin Hanxing couldn’t help but sigh at the scenery inside the carved gate. It was filled with the taste of history.

Just taking a picture with a DSLR would make one feel like they were in an oil painting.

“It’s a pity that after uncle Yuan, there’s no one else here who can take on the responsibility.”

Lei Xiao’s eagle-like eyes swept out of the car window, his voice carrying a rare sense of regret.

Lin Hanxing looked at Lei Xiao.

“Uncle Yuan once told me that among his siblings, the only one who is qualified to take on such a great responsibility is his second brother!”

Lin Hanxing was silent.

The second brother who had broken Yuan shaojing’s legs and chased him out of the yuan family like a stray dog.

“The others are either too narrow-minded or short-sighted.”

To be able to support the rise and fall of such a big family like the yuan family, he absolutely couldn’t be such an ordinary person.

so that’s why there’s been rumors all these years that Yuan shaojing has been looking for a successor in Jiang city? ”

It was not easy to find a good seedling, and it would take years or even decades to cultivate it to the point where it could take on a big responsibility. It was no wonder that Yuan shaojing had started to look for a partner.

“Even if there’s no one suitable among the siblings, could it be that even their children ...”

In such a big Yuan family, you can’t even find a suitable seedling?

Hearing Lin Hanxing’s question, Lei Xiao gave her a deep look.

“You’ll know when you see them.”

Lin Hanxing shrugged nonchalantly. To her, it did not matter whether there was a child or not, it was the yuan family’s business.

She was just asking casually.

“That Yuan Kang ...”

Suddenly, the Thunder valiant beast spoke again, but this time, he mentioned Yuan Kang.

“What?”

Lin Hanxing looked out of the car window. Even when he heard Yuan Kang’s name, he didn’t show any special emotions.

“Forget it, you’ll know in the future.”

Thunder valiant didn’t dwell on this topic. After all, he was only staying in Malaysia for a short time, and there was no need to get to the bottom of it.

Lin Hanxing could not help but chuckle when he heard that.

Zhan Nanheng and the mute uncle ...

Zhan Nanheng definitely couldn't appear at the event later.

"I've already made the arrangements."

One of the reasons why he had prepared so many cars of the same model was because of this.

"Uncle is very reliable!"

Yuan Bao took the opportunity to help his uncle claim credit and act cute at the same time.

While they were talking, a fleet of 15 Mercedes Benz Maybach S600s stopped in front of the main building of the yuan family mansion. It was already full of people, waiting for Lei Xiao to appear.

When the convoy completely stopped, the yuan family, who were originally prepared to go forward to welcome them warmly, stopped instead.

There were so many cars here, which one was Lei Xiao in?

He was thinking.

A bodyguard in a black suit and sunglasses got down from the front passenger seat of each car.

His face was expressionless, and his aura was astonishing.

Soon, they gathered in front of one of the cars.

The next second, the car door suddenly opened.

[Chapter 1053](#)

1053 He is young master Lei

The yuan family raised their heads in anticipation.

Especially the proud and arrogant young ladies ...

They couldn't hold back their curiosity and looked for various angles to see young master Lei's face first.

One had to know that Lei Xiao's name was like a god in country G's political circle. Even the Royal Princess had a crush on him.

As everyone knew, the low profile of the four young masters of the Lei family was inversely proportional to the wealth of the Lei family.

The Lei family kept a low profile as they were rich!

Among them, the Lei family's eldest young master was the most mysterious!

Not only did the Jiang City Media not dare to post his photos, even if the G country reporters took photos, they would be ordered by the higher-ups to delete them!

That was why when Lei Xiao first opened his Weibo account, his good friend Yan beixiao's photo had caused such a sensation ...

It was no weaker than an atomic bomb explosion!

No one could forget the extreme shock that the photo had brought to the woman!

In the photo, Lei Xiao, who was wearing a black shirt, was standing sideways in front of the floor-to-ceiling window.

The neckless collar of his shirt faintly revealed his sexy collarbones.

He was lighting a cigarette in the dark.

In the flickering red light, only the outline of the Thunder valiant beast's face could be seen ...

Even though she only had a rough look, the cold face that seemed to have been favored by God still showed unparalleled maturity and restraint. The loneliness and indifference exuded from his whole body stirred the hearts of women.

Just as everyone's hearts were in their throats, waiting for Lei Xiao ...

However, a fair and delicate doll was the first to jump out of the car.

Her black and round eyes looked around, and her thick eyelashes were long and curled, like two small fans.

So cute!

“.....”

Everyone was silent.

What was going on?

I've never heard of young master Lei having a son.

Auntie, help! The guinea pig is melting ...

Yuan Bao looked like he was about to crawl back into the car with a crying expression on his face. He felt like he was melting at the speed of light, like ice cream under the sun.

It was too hot!

It was really too hot outside!

“Yuan Bao,”

A magnetic voice could be heard from within the carriage. It carried supreme authority and made people submit to it.

As he finished speaking ...

His long, strong legs wrapped in dark-colored suit pants stepped out of the car.

Very quickly, the mysterious and extraordinary young master Lei Xiao was already standing in front of the car.

His cold features were like an ice sculpture without any extra expression. His narrow black shirt was not tied with a tie, but it somehow showed the bloodthirsty wildness in Lei Xiao's bones. The pressure that belonged to a superior gave people a strong sense of oppression.

No one spoke.

Everyone's eyes fell on Thunder valiant beast.

It was as if she was involuntarily intimidated by his aura, and she didn't even dare to breathe.

Especially the two daughters of Yuan shaojing's third brother, they were completely stunned.

He was young master Lei!

"Bring me a parasol."

Lei Xiao didn't even look at the yuan family people who were still waiting at the door, and only issued orders to the bodyguards in a deep voice.

Very quickly, the bodyguards opened up an umbrella.

Block the sun.

Only then did Lei Xiao bend over and stretch out his hand into the car, the deep palm print facing up.

Everyone in the yuan family finally noticed.

There was one more person in the car!

Very quickly, a jade white hand stretched out from the carriage and landed on the palm of the Thunder valiant beast.

The contrast between the two colors was too obvious.

People couldn't help but wonder what the owner of this pair of hands looked like.

The next second, the answer was revealed.

Under the parasol, an exquisite and flawless face was reflected in everyone's eyes.

It was only the size of a palm and so tender that water could be squeezed out.

Her slightly curly long hair was soft and smooth like seaweed, and it fell on both sides of her cheeks. As her long eyelashes fluttered, the small mole under the corner of her eye made her look even more charming.

She was unbelievably beautiful.

Thunder valiant beast tightened his grip. Anyone could feel that this man, who was originally like an ice sculpture ...

The moment he saw the woman, he slowly melted.

The combination of a handsome man and a beautiful woman was like a character from a comic book, making people reluctant to look away.

Yuan Kang and uncle hai got out of the car behind and quickly walked to the two.

“Mr. Ley ...”

Yuan shaojing’s third brother, Yuan Junhui, quickly stepped forward, but his eyes couldn’t help but fall on Lin Hanxing.

Who was she?

Before he could get close, he was stopped by the expressionless uncle hai.

Yuan Junhui’s expression turned ugly.

“This is miss Lin, Lin Hanxing.”

It was obvious that uncle Hai’s words carried a lot of weight in this house. When he spoke, the servants around him looked more serious.

Lin Hanxing stood firmly beside Lei Xiao.

There was no expression on her fair little face, and her beautiful eyes under her long eyelashes were like deep ancient wells, cold and misty.

“Miss Lin ...”

Uncle hai walked to Lin Hanxing’s side and introduced them one by one.

“The third son of the yuan family, Yuan Junhui.”

“The fourth son of the yuan family, Yuan peiming.”

“The fifth son of the yuan family, Yuan Qixian.”

“The yuan family’s sixth son, Yuan Meiyun.”

The entire process was carried out in an orderly manner. Before the yuan family could react, uncle hai had already finished the introduction.

The yuan family looked at each other.

He felt that something was not quite right.

“Ah hai, what do you mean by this?”

Yuan laosan couldn’t help but ask.

miss Lin will be representing the yuan family in today’s cabinet meeting.

Uncle hai said calmly. At the same time, Yuan Kang had already hidden in an unnoticeable corner, afraid that he would be affected by his anger.

“What did you just say?”

The yuan siblings said in unison, their eyes wide open.

“Ah hai, you’re joking, right?”

“This is also Mr. Yuan’s intention.”

Uncle hai didn’t seem to feel the anger of the people in front of him. He reached out and took out the thing that Yuan shaojing had given him before he left.

With a click, he opened it in front of everyone.

In the black velvet box, there was a Dragon-shaped ring.

As the dark light swirled, there seemed to be an invisible pressure enveloping it.

“Ah hai!”

When they saw the ring, all the yuan family members turned pale.

Hiding in the corner, Yuan Kang sneered in his heart.

Big Uncle really put in a lot of money!

This was the clan head token!

Anyone who wore this ring could temporarily take over the position of the head of the yuan family, and the entire Yuan family would respect the person wearing this ring as much as they respected Yuan shaojing.

And this was also a hundred-year-old tradition of the yuan family!

If there was any violation, he would be punished by the family rules.

“Mr. Ray, please help Ms. Lin put on this ring.”

Uncle hai did not care what the other Yuan family members thought and handed the black velvet box to Lei Xiao.

“Ah hai! I think you’re crazy!”

Yuan laosan couldn’t help but shout in anger. His eyes were fixed on the Dragon-shaped ring, full of greed.

Uncle hai turned a deaf ear.

To him, Yuan shaojing’s orders were his orders.

As for the others ...

Hehe, I won’t accompany you!

“Ah Xiao, help me put it on!”

The cold voice was like a pool of ice spring, penetrating into the heart.

In front of the yuan family, Lin Hanxing slowly raised his hand and did not waste any time.

“Miss Lin, you ...”

Yuan Junhui was about to say something but was interrupted by Lin Hanxing.

“I what?”

Her voice was extremely languid, but her words carried a sense of intimidation and oppression that did not lose to men!

“Or are you questioning Mr Yuan’s orders?”

Leng Leng threw the question back at him. Lin Hanxing was best at causing trouble for others.

No one from the yuan family said anything.

Or rather, no one dared to respond to Lin Hanxing’s words.

“Anyone else has any objections?”

Lin Hanxing’s cold eyes swept over the order that uncle hai had just mentioned.

No one spoke.

Some of them even lowered their heads, not daring to look into her eyes.

“Since you have nothing to say, that means you accept.”

Lin Hanxing’s eyes narrowed.

She suddenly understood what Lei Xiao had said to her in the car.

Zhenzhen, uncle Yuan, once told me that among his siblings, the only one who was qualified to take on this responsibility was his second brother!

The others were either too narrow-minded or too short-sighted.

They didn’t even try to fight for their own interests. The yuan family was too disappointing.

Lei Xiao’s eagle-like eyes swept across the crowd.

His slender fingers took out the Dragon-shaped ring from the black velvet box, and his entire person exuded a cold aura.

The ring was made of Black Gold.

It was decorated with small diamonds.

It was lifelike.

Even the Dragon patterns and scales seemed to be about to appear in front of him in the next second.

As everyone knows, Black Gold is a very expensive rare metal in the world. Only 25 tons of it are mined in the world every year, and the market price is as high as 5000 pounds per ounce, which is 44000 Yuan.

The one in Lei Xiao's hand was worth a fortune even without the cost of crafting it!

The crowd watched as Lei Xiao placed the clan head Token Ring on Lin Hanxing's finger.

A click was heard.

As if it had a life of its own, the head of the Dragon mouth connected and automatically closed.

She had a white jade finger and a Black Dragon Ring.

It brought about a strong visual impact and was quite shocking!

"Yuan Kang,"

Lin Hanxing said indifferently. His eyes easily caught Yuan Kang, who was hiding in the corner.

"Go and change into formal attire."

Yuan Kang's expression froze for a moment, he clearly didn't understand what Lin Hanxing meant.

"What's wrong? Don't you want to go with me later?"

Lin Hanxing gave him a sidelong glance.

"I'll go immediately!"

Yuan Kang suddenly came back to his senses. He thought that he wouldn't have much to do after returning to the yuan family, but he didn't expect Lin Hanxing to really bring him to the Royal cabinet meeting.

For a moment, the expressions on their frivolous faces brightened.

Mr. Lei, miss Lin, your clothes are ready upstairs. I'll get the servant to bring you up.

Uncle hai spoke respectfully, as if he was talking to Yuan shaojing.

Even though the yuan family's eyes looked like they were going to eat him, there was no change.

"Please," he said.

Uncle Hai's palm faced up and he gestured to the stairs ...

.....

When the two of them went upstairs, the yuan family surrounded uncle hai.

"Ah hai, what does big brother mean?"

Yuan laosan, who was speaking, was obviously flustered and exasperated. He had even prepared his attire for the cabinet meeting and was only waiting for uncle hai to return and deliver the family head token to him. Who would have thought ...

However, he was intercepted by an inexplicable little girl!

Uncle hai stood in the middle.

He bore the yuan family's anger expressionlessly.

"Isn't this what you want?"

Just as the group of people were talking, uncle hai finally spoke.

There was even a sarcastic smile on his face.

For a moment, there was complete silence.

"You've tried every possible means to get Mister Yuan and the yuan family to join the royal family's battle ..."

Uncle hai and Yuan laosan looked at each other.

now, you've succeeded. What are you not satisfied with? "

Everyone from the yuan family was silent, as if they didn't know how to respond.

They did want their big brother to participate in the royal family's struggle so that the yuan family could obtain greater benefits, but ...

They wanted to show their faces in front of the second Princess Consort even more!

Now that the credit was stolen by a little girl, what would happen if they were to be rewarded in the future?

"Ah hai, let's discuss this ..."

Before Yuan laosan could finish his words, uncle hai turned around and left without even listening.

"Bah, what is this ..."

After uncle hai left, Yuan laosan spat on the ground.

"You're just big brother's Lackey, what's there to be proud of!"

"Third brother, what do we do?"

The other members of the yuan family looked at Yuan laosan as if he was their backbone.

"We can't let that girl go!"

After a long while, Yuan Junhui finally spoke again.

"Third brother, she has the clan head token!"

How could she not go?

Moreover ...

That girl seemed to have an unclear relationship with young master Lei. If he were to offend her ...

Yuan laosan sneered and whispered to his younger brother.

The latter's eyes widened ...

.....

Lin Hanxing was brought to the guest room by the servant.

“Ah Xiao ...”

Before they entered the room, Lin Hanxing suddenly called out to Lei Xiao, who was leading Yuan Bao to the next room.

Thunder valiant stood still.

His height of nearly 1.9 meters gave people an indescribable sense of oppression.

Lin Hanxing blinked at him and walked towards the man.

Almost at the same time, the Thunder valiant beast’s palm slammed into Yuan Bao’s big, round eyes.

“Oh, uncle ...”

Yuan Bao struggled uncomfortably, his nose clearly picking up Lin Hanxing’s unique fragrance.

The yuan family servant’s eyes widened, which was a rare sight.

Lin Hanxing, who had already walked up to Lei Xiao, stood on his tiptoes, put his arms around his neck, and kissed him deeply.

The brief shock in Lei Xiao’s eyes was quickly replaced by a cold glint after Lin Hanxing whispered in his ear.

A kiss on the Fengxi.

Lin Hanxing used his thumb to wipe away the moisture at the corner of his lips.

Her movements were languid yet alluring.

Even though the servant was also a woman, she blushed and her heart beat faster because of Lin Hanxing.

“Let’s go in.”

Lin Hanxing’s hand accidentally brushed across Lei min’s carotid artery, which was beating irregularly.

She pursed her lips into a smile and pushed him into the guest room.

“Have you seen enough?”

Lin Hanxing’s gaze turned cold as he changed the topic. He looked into the dark.

There was a rustling sound in the dark.

But no one came out.

The servant was obviously arranged by uncle hai. He frowned and was about to walk over.

However, before he could take a step, Lin Hanxing reached out and stopped him.

She didn't care who those people hiding in the dark were.

Lin Hanxing's lips curled into a cold sneer. He did not look in that direction again and went back into his room.

"Sister, she's too arrogant!"

In the dark, the youngest daughter of the yuan family's third son stomped her feet, her face red with anger.

On the other hand, the eldest daughter was looking at the tightly shut door of Lei Xiao's room, thinking about something ...

.....

Guest room, cloakroom.

Lin Hanxing turned on the wall lamp with a click.

However, her eyes were attracted by the clothes that uncle hai had asked someone to prepare.

It was made of cloud brocade, and it was smooth and cold to the touch. The upper part was modeled after a cheongsam's collar and the lower part had an a-shaped design. The color of the deep green to ink-white gradually changed, and it was matched with silver silk su embroidery.

Every stitch showed her skill, and it was lifelike.

It was very beautiful.

A dignified and magnificent beauty.

[Chapter 1054](#)

1054 All five poisons

Even her high heels and accessories were carefully matched and placed to the side.

After making sure that there were no problems, Lin Hanxing quickly changed and walked out of the cloakroom.

Due to safety concerns, the original set of jewelry he had on him was not touched.

Fortunately, the pearls were of all sorts of styles and perfectly matched the Chinese ink style design.

Standing in front of the full-length mirror, Lin Hanxing painted his lips elegantly.

Hiss ...

Suddenly, there was a commotion at the door.

Lin Hanxing did not stop and continued what he was doing.

In the mirror, a pair of star-like eyes flashed with a cold light.

After a long time, the corners of his lips curled up into a mocking smile.

Lin Hanxing's eight-inch heels made a beautiful turn on the floor as she turned and walked towards the source of the sound.

The side of the guest room door was already occupied by darkness.

Snake, Toad, Scorpion, centipede, and Gecko, all five poisons were present!

These things looked like they had just been poured in and were like headless flies, crawling around randomly.

If it was an ordinary woman, she would have screamed and fainted.

However, Lin Hanxing simply walked past the snakes, scorpions, and centipedes with an expressionless face and placed his hand on the door handle.

He used a little force.

As expected, the door was locked from the outside.

At this moment, outside the door.

The person standing outside was leaning on the door, listening for any movements.

Then, he smiled sinisterly at the tightly shut door, his eyes filled with unspeakable pride.

He was only waiting for the earth-shattering scream to ring out, and then he would have completed his mission and could go to someone to ask for a reward!

Hehe, she's just a little girl still wet behind the ears!

Do you know how dangerous the world is?

Throwing the room key into the air, the man raised his head and snorted coldly, waiting for the key to fall and catch it.

A muffled thump ...

The man only felt that he had hit something when he raised his head, and the key that was supposed to fall down did not move.

He seemed to have felt something strange ...

The man's Adam's apple bobbed up and down as he swallowed his saliva with all his might. His eyes shifted backward in horror ...

A frightening dark color entered his field of vision.

His line of sight continued upwards ...

The moment he met the bloodthirsty Hawk-like eyes of the person behind him ...

His heart felt like it had suffered a violent impact ...

Thump!

It's finished!

This time, he was really finished!

.....

In the restaurant downstairs.

The servants had already prepared a sumptuous breakfast on the antique square table.

Yuan laosan's expression was obviously very happy.

Beside him, the other Yuan family members had different expressions.

The uneasiness of knowing the inside story.

Those who didn't know the inside story were waiting impatiently for the meal.

Uncle hai, who had changed his clothes, stood by the table expressionlessly, patiently waiting for Lei min and Lin Hanxing to come downstairs.

Yuan Kang was standing beside him.

With his status, he was not qualified to eat at the table.

"How much longer do we have to wait?"

The third Yuan's daughter, Yuan huannong, couldn't help but Mutter.

Uncle Hai's cold eyes swept over him, and Yuan Hualong was so frightened that he immediately shut up. He lowered his head and pretended not to see anything.

ah ... a shrill scream came from upstairs.

Success!

Little girl, I've eaten more salt than you've walked!

Yuan laosan concealed the smugness in his eyes and pretended to be surprised.

"What's going on ..."

Before he could finish speaking, uncle Hai's expression changed and he ran upstairs.

Yuan Kang was one step slower.

He looked in the direction of Yuan laosan.

Yuan laosan seemed to have noticed that someone was looking at him. He got up leisurely and looked in the direction of the gaze.

In the next second, he met Yuan Kang's eyes.

Leng Leng raised her eyebrows.

It seemed to be a warning.

He would settle the score with this ignorant thing after the royal family's matter was over!

After thinking about it, Yuan laosan and the other Yuan family members turned around and followed them upstairs.

He couldn't wait to see the girl's terrified expression!

Upstairs.

Hai Shufeng frowned and stood outside the open door, not taking a step forward!

"Aiya, what should I do ..."

The last 'okay' was stuck in his mouth. When he saw the scene in the room ...

This time, he was really surprised!

There was nothing in the guest room!

It was empty.

It was so clean that it looked like no one had ever been here before!

What was going on?

Yuan laosan's expression instantly froze!

Didn't you just hear that girl screaming?

Where was he?

Where did he go?

"Where is he?"

The yuan family members muttered softly behind Yuan Lao San. After all, the scream just now was really too shrill.

If he were to hear it at night ...

Even his hair would probably stand on end!

Uncle hai did not say anything and walked into the guest room.

There was still an inexplicable stench in the air. It seemed like ...

Uncle hai squinted his long and narrow eyes and suddenly turned to look at Yuan laosan.

His gaze was dangerous!

Under the gaze of such a pair of eyes, the yuan family's thoughts clearly had no way to hide!

On the contrary, Yuan laosan still pretended not to know.

Although uncle hai was already used to these people's shamelessness, he didn't expect that they would throw away their limits for the so-called glory and wealth!

But unfortunately ...

They had underestimated miss Lin!

Even Mr. Yuan couldn't help but sigh at Lin Hanxing, who would be feared in the future. How could he be someone they could mess with as they pleased?

Uncle hai glanced at the empty guest room next to him, which was also open, and he had an idea.

He gave her a meaningful look, turned around, and walked downstairs.

Everyone from the yuan family looked at each other.

After hesitating for a moment, he followed uncle hai down the stairs, as if he wanted to find out what was going on.

"She ..."

When everyone had returned to the dining room, someone let out a short cry.

Lin Hanxing, who was supposed to be in the guest room, was now sitting elegantly on the master's seat in front of the eight-seater table.

The one that only belonged to Yuan shaojing ...

Even if he wasn't there, no one would dare to sit there.

The expressionless but subconsciously dangerous Lei Xiao sat beside her. Even though there was a Jade-like little sheep dumpling sitting on his knees, to those who understood his vicious methods, he undoubtedly brought a strong sense of intimidation!

A man that even the royal family of country g respected ...

If it wasn't for Yuan shaojing's existence, how could he have come into contact with them?

Lin Hanxing had already changed his clothes.

When she saw the dark blue to Ink White cloud brocade gown on her body, the youngest daughter of the third Yuan family couldn't help but widen her eyes. This dress ...

The material of this dress was given to her by the royal family.

It was because it was too precious and rare that only one dress could be made from a single piece of cloth. She and her sister were very interested in it.

For this reason, she did not know how long she had pestered her father ...

That was why her father agreed to wait until the new year to ask her uncle.

Yuan Huaneng had never expected that this precious dress would be worn by someone else before the new year!

"Uncle hai, please ask someone to bring Yuan Bao out for some food."

Lin Hanxing said with a faint smile.

Uncle hai did not say a word and simply went forward to pick up the obedient Yuan Bao from Lei Xiao's knees.

He handed it over to his trusted aide and walked to another room.

"Have a seat."

There was a cup of hot tea in front of Lin Hanxing, and it was currently steaming.

There was no emotion in his voice.

Yuan laosan was about to laugh and open his mouth when Lei Xiao's profound gaze swept over him. The biting cold aura between his brows made people feel fear.

The atmosphere suddenly became strangely quiet.

His bodyguards had quietly stood behind the yuan family members.

A few muffled thuds could be heard ...

The members of the yuan family, who had been standing there stupidly a moment ago, were now all seated in front of the ancient square table.

"What do you want to do?"

Yuan Hua was already in a fit of anger, and at this moment, his eyes widened in anger!

Lin Hanxing ignored him and picked up the teacup in front of him with her slender fingers.

Her red lips parted slightly, and the White air around her changed direction as she blew.

The Dragon-shaped ring was clearly reflected in everyone's eyes!

The strong visual impact made the yuan family members, who already had different thoughts, even more excited.

"What did you just say?"

After a long time, Lin Hanxing finally looked at her. Her thick, black eyelashes were like her pupils.

It was unfathomable.

"I'm asking you, what are you trying to do?"

When Yuan huannong saw the clothes she was wearing, he got angry. Although his sister kept tugging at her, Yuan huannong still shook off her hand and repeated himself in an aggressive tone.

No one dared to speak.

One had to know that Yuan Huaneng was the youngest daughter of Yuan laosan, and she usually did things in an overbearing manner.

In the past, when the head of the family, Yuan shaojing, wasn't around, she lost her sense of propriety.

In addition, third brother was protecting her ...

“Hua Nong, how can you say that!”

Yuan laosan said casually as he turned to look at Lin Hanxing.

“Miss Lin, please don’t be angry. Our Hua Neng is still young and a little impulsive. Please don’t take it to heart.”

As the saying goes, you don’t hit a smiling person.

Yuan laosan had a smile on his face. He obviously didn’t think that Lin Hanxing would do anything to his daughter, but he also wanted to make her feel disgusted. Compared to the casual reprimand he had given to Yuan Huneng before, this sentence was obviously intentional.

Lin Hanxing smiled.

When she smiled, Yuan laosan felt at ease. She was indeed easy to bully!

But the next second, the situation changed!

“Call him.”

As the smile on Lin Hanxing’s face suddenly disappeared, these three words rang in everyone’s ears like thunder.

Just as everyone was still in a daze, they heard two crisp sounds of slapping ...

Two ruthless slaps landed on Yuan Huaneng’s face!

Absolute silence!

Everyone was shocked!

Even Yuan Huaneng himself was the same!

She was used to being tyrannical, so who would really dare to lay a hand on her?

When Yuan huannong finally reacted, he wanted to tear Lin Hanxing apart!

“You ...”

Seeing his daughter being humiliated, Yuan Lao San slammed the table and stood up. The entire Yuan family stood up and glared at Lin Hanxing with anger and hatred.

Yuan laosan pointed his finger at Lin Hanxing.

At the same time, the bodyguards behind Lei Xiao also charged forward at a rapid speed!

The subordinates that belonged to Yuan san’s group stood behind them.

Meanwhile, uncle hai and his faction stood around Lin Hanxing expressionlessly!

The tea leaves in the teacup rose and fell, and the White steam continued to rise until it was extinguished.

Lin Hanxing smiled faintly again.

However, such a smile would only cause Yuan Hua, who had just suffered a loss, to feel apprehensive.

“Do you know what happened to the last person who pointed at me like this?”

In the silence, Lin Hanxing’s voice sounded extremely cruel.

She didn’t look at anyone but Yuan laosan.

Her fingers gently brushed over the SU embroidery on her dress.

The handiwork was really exquisite to the point that it made people sigh.

Yuan laosan didn’t say anything.

The people around him did not dare to move, as if they were all intimidated by Lin Hanxing’s aura!

Lin Hanxing’s long eyelashes fluttered as he spoke sarcastically.

“I know that many of you are not convinced that I am in this position.”

The moment the clear and cold voice sounded, a bone-piercing chill flowed through everyone’s limbs and bones.

That kind of indescribable trembling ...

“But ...”

This time, Lin Hanxing’s gaze swept across the room and landed on everyone’s face.

“If you’re not convinced, then endure it!”

Following Lin Hanxing’s words, Lei Xiao shot him a cold look and with a loud thud, an object wrapped in a bedsheet fell apart on the dining table.

“Ah ...”

“Ah ...”

The woman’s scream suddenly became louder and louder.

The yuan family’s men weren’t any better. They only cared about their face, so even if it was hard to endure, they still held on.

Snakes, scorpions, toads, geckoes, and centipedes were swimming back and forth on the table full of breakfast, especially the snake’s S-shaped position, which made people’s hair stand up. It was no wonder that the yuan family would lose their composure.

On the other hand, Lin Hanxing, who was sitting in front of the table, looked past the snakes, scorpions, and centipedes expressionlessly at the people.

“Bring him over.”

Lin Hanxing only spoke coldly after he was done admiring their shocked expressions.

Very quickly.

Lei Xiao's bodyguards carried a man who was tied up like a fried dough twist and walked over.

With a bang, he pushed him to the table and sat down!

"My mouth."

Lei Xiao said in a deep voice, but it was not difficult to hear the anger behind his voice.

As soon as he finished speaking, the cloth stuffed in the mouth of the man who was tied up like a fried dough twist was taken out.

"Spare me ... Save ..."

The other party was so frightened that he began to shout randomly. Even his expression was extremely flustered!

Especially when the snake's S-shaped head was looking at him, the man struggled even more!

"Shh!"

Lin Hanxing slowly extended his index finger, which was wearing the clan head's Dragon Ring, and put it to his lips. He shushed her expressionlessly.

However, this sound made the man not dare to breathe again. His eyes were pleading!

The combination of delicious food and five poisonous snakes and scorpions was not as shocking as the expressionless Lin Hanxing!

Yuan laosan finally knew where the things he had arranged had gone!

Where did his people go?

However, it was too late now!

The man's tears and snot came out from fear, and his legs were trembling. That was the most poisonous snake!

He had specially chosen it!

"Spare me ... Spare me ... Please give me a chance! It's ..."

The man softly begged for mercy for himself, his eyes full of fear. He seemed to want to point out Yuan laosan, but before he could open his mouth, his mouth was already covered by Lei Xiao's eyes. Other than the sound of sobbing ...

He could no longer make any movements!

Lin Hanxing picked up the teacup on the table again, her white fingers brushing past the Scorpion.

There was no fear.

But it caused the hearts of those who saw this scene to turn cold!

She used the lid to gently remove the tea floating on the water. Her Jade-like fingers and the celadon teacup complemented each other well, and the amber tea was faintly fragrant!

Lin Hanxing took a sip of tea, white steam swirling around him, his expression cold.

His eyes inadvertently met with Yuan laosan's, who was standing not far away.

Lin Hanxing raised his teacup to him.

[Chapter 1055](#)

1055 Happy Valentine's

The yuan family was stunned on the spot!

All of them were either terrified or shocked, and even Yuan Huaneng, who had just been beaten up, could not move!

A click.

Lin Hanxing placed the teacup back in front of her. Her beautiful long eyelashes trembled slightly, and her cold voice was heard again.

"If you want to blame someone, then blame the person who made you work for him."

She looked at the man whose mouth had been gagged again.

He smiled.

Her fair and clear face was only the size of a palm, and her slightly curled and waist-length hair was spread out on both sides.

The light makeup on her face made her look ...

It was elegant but cruel.

The sunlight poured in through the Gothic-style high window above everyone's heads, coating the dust in the air with a soft color. At this time, the dust was scattered and lingered around Lin Hanxing.

In the past, the yuan family loved to enjoy breakfast in such an atmosphere.

But now ...

This place that they loved the most in the past had become the most terrifying shadow!

The man whose mouth was covered by the bodyguard began to struggle in fear.

She begged for mercy.

Lin Hanxing's tone was too scary for him!

Originally, he wanted to bite Yuan laosan out to atone for his crimes, but who would have thought that he wouldn't even listen!

"It's too noisy,"

Lin Hanxing looked away and said casually.

But it made one's heart turn cold.

It was as if a basin of cold water had been poured on him in the middle of winter.

His hands and feet were cold.

Lei Xiao shot a bloodthirsty look at him, and everyone heard a crack. The man's jaw, which was originally covered and could only make a whimpering sound, was dislocated from his joint ...

Silence!

The women who were slow to realize what was going on started to scream again, and they all hid behind the men.

They thought that they would be safe this way!

Seeing this, uncle hai couldn't help but sigh.

The Thunder valiant beast was clearly enraged!

Otherwise, he would not have started a massacre in the yuan family mansion!

Outsiders had only seen Lei Xiao's decisiveness in the business world, but who could really spy on the bloodlust in his bones?

If he was born in ancient times, he would be a general with rivers of blood wherever he went!

It was as if they were Born to Kill!

Mister Yuan had once commented on Lei Xiao like this.

Mr. Lei, this is the yuan family. Please ask your men to stop!

Suddenly, a stubborn voice sounded.

The person who spoke walked out from behind Yuan Lao San. His face was as white as paper, and it could be seen that he was trying his best to hide his desire to vomit.

He didn't even dare to look at the dining table.

This was Yuan third's eldest daughter, Yuan yunrong.

The two sisters' names came from the song of peace.

The clouds miss the clothes and the flowers miss the appearance, and the spring breeze blows the dew on the threshold.

At this time, Yuan yunrong was like a White Lily in full bloom, and there were even faint tears in her eyes.

Her existence ...

It was as if she was trying to evoke the last trace of gentleness in the hearts of men!

Lin Hanxing glanced at Yuan yunrong.

After experiencing the underhanded tactics of those women in Jiang city, her heart was really not enough to look at.

He did not know if these people had watched too many early stage speeches ...

Did she really think that she could attract attention by going against a man?

“Are you done?”

The pure black suit made his handsome face, which had been favored by God, look even colder.

It was as if his entire body was covered in ice that would never melt!

If Yan beiming was here, he would definitely be smart enough to hide far away from Lei Xiao.

This was because ...

He was obviously annoyed!

This was definitely a terrifying signal!

“Mr. Ley ...”

Yuan yunrong held her heart in her hands. Being stared at by that pair of eagle-like eyes, her heart was jumping around like a rabbit.

He seemed to want to say something.

But before he could open his mouth, he was met with a cruel glare from Lei Xiao.

It was creepy!

Lei Xiao lifted his long finger and pointed at the bodyguard.

The expressionless, cold-blooded bodyguard propped up the man whose jaw had been dislocated. His loose jaw hung there, revealing his tongue and tonsils. He deliberately faced the yuan family.

A silver light flashed.

There was a faint smell of blood in the air, which was nauseating.

The man’s tongue had been cut by a sharp blade, but the force was well controlled. Although it bled, it was not fatal!

The snakes, scorpions, centipedes, and the other five venomous creatures that had stopped eating at the breakfast table began to stir again when they smelled the blood. They collided with the dishes and danced wildly!

“Ah ...”

The woman’s screams rang out again, as if she had gone crazy from fear!

Lin Hanxing subconsciously looked at the man who was tied up like a fried dough twist, but before she could see him, a powerful palm reached out from behind her and covered her eyes, blocking Lin Hanxing’s vision.

Lin Hanxing raised his hand and covered the back of Lei Xiao's hand.

"Don't look."

The man used a little more force to let Lin Hanxing lean on his chest.

Lei Xiao protected her in his arms.

He didn't even want to see any dirty things.

"I'll settle it."

Su zhinian's deep and charming voice rang in her ears, and the smell of wood that belonged exclusively to men completely enveloped her.

Lei Xiao's bone-chilling gaze only had a hint of warmth when he looked at Lin Hanxing. When he lifted his gaze to look at the bodyguard, his thin lips slowly curved into a bloodthirsty and cruel arc.

Yuan yunrong looked at him, fascinated.

However, to the yuan family behind her, this was definitely not a good experience!

"Feed him."

Three simple words, but it brought a strong shocking effect to the yuan family!

Hey ... Feed him?

Before they could even react, Lei Xiao's bodyguard had already picked up the centipede on the table with his chopsticks and stuffed it into the man's mouth, which was filled with blood.

With a snap, he closed his jaw to prevent things from falling out!

Yuan huannong was the first to retch!

There was still half a centipede struggling outside the man's lips. Its eyes were as wide as a cow's as it struggled violently!

But he was held down by Lei Xiao's bodyguards!

"If you eat faster, you can suffer less."

The Thunder valiant beast's deep voice rose again.

The unique and powerful aura of a superior permeated the air.

Although he was talking to the man, Lei Xiao's eyes passed through the crowd and directly fell on Yuan laosan's face.

There was a cruel and evil look in his ruthless and sinister eyes!

Wu Wu Wu Wu Wu Wu ...

With the intense struggle and glaring, a fishy smell filled the restaurant.

The other party was so frightened that he wet his pants!

The sound of dry vomiting could be heard.

Lin Hanxing's eyes were covered by Lei Xiao's, and his fingertips were casually fiddling with the ring.

The two of them were like a painting.

Yuan Kang, who was hiding in a corner, took in the entire scene.

He couldn't help but laugh in his heart!

The group of people who used to rely on the yuan family's name to act arrogantly in the past actually had such a time when they were at a disadvantage!

Refreshing!

It was simply too refreshing!

The woman who was hiding behind the yuan family man vomited once and couldn't bear the torture anymore. She turned around and wanted to leave the Asura arena.

But before he could take a step, he was surrounded by people under uncle Hai's signal!

"Mr. Ray, don't you think you're being too cruel?"

It was Yuan yunrong who spoke again!

With the poison on the table reduced, she also bravely took a few steps towards Lei Xiao. She stood there, her eyes seemed to be covered with mist!

"Cruel?"

Lin Hanxing's sarcastic tone interjected.

Lin Hanxing, who did not get angry even when he knew that he would be tricked and his door was sealed by the five poisonous substances, was now shrouded in a strong evil aura that almost overshadowed Lei Xiao's!

Who was she to criticize Lin Hanxing's man?

Feeling the anger of the person in his arms, Lei Xiao's hand that was holding her tightened slightly, as if he was comforting her.

"It seems like someone has completely forgotten the rules of their own family!"

Lin Hanxing's hand slammed onto the square table with 80% of his strength, and even the plates on the table shook!

Lei Xiao's sharp brows furrowed.

He held Lin Hanxing's hand tightly.

She had used too much force just now and her palm was red.

“Uncle hai!”

Lin Hanxing shouted angrily. Not only did he not raise his voice, he lowered it instead.

However, the more he did so ...

The more shocking the effect was, the more intense it was.

Lin Hanxing’s cold eyes were like sharp blades, ruthlessly cutting through every face of the yuan family.

the person who wears the Dragon Ring can temporarily take over the position of the head of the yuan family. This has been a tradition of the yuan family for a hundred years!

Uncle Hai’s deep voice was powerful and full of vigor.

“If there is any violation, you will be sentenced to death!”

Although Lin Hanxing’s anger had subsided a lot under Lei Xiao’s comforting, the cold aura around him was still overwhelming!

After looking around, his gaze finally fell on Yuan yunrong’s face.

The latter subconsciously took a step back and broke out in a cold sweat. It seemed that he did not expect a woman to have such a strong aura.

In Yuan yunrong’s view, women should be peonies in full bloom, carefully refined and gentle like water.

But the one in front of him ...

He had the aura of a superior and acted like a man.

It was simply unimaginable!

At this time, Yuan laosan’s heart was already beating wildly.

When uncle hai spoke just now, his eyes were fixed on him, as if he was warning him, but also mocking him!

He was mocking him for overestimating his ability!

In an instant, anger rose in his heart. Just as he was about to open his mouth, the poisonous snake on the Eight Immortals table suddenly pounced in Lin Hanxing’s direction while everyone was caught off guard ...

Yuan laosan was overjoyed!

.....

The royal family.

First wangfei, Amiya, stood in front of the floor-to-ceiling window and looked at the bright sky outside with a calm expression.

Except for the maidservant who had been following her since she married into the royal family, the others all looked like they were facing a great disaster, as if they had lost their parents, their faces ashen and at a loss.

“Find the clothes that my son gave me.”

Suddenly, first wangfei Amya spoke to the maidservant beside her.

The door was strictly guarded by the people sent by the second Princess, shamaga. Before the cabinet meeting at 9:30, she did not even have the freedom to step out of the room!

All the phones in the room were cut off, and she was under house arrest.

Other than the loyal servant girls, the other servants who were locked in the room did not get up.

The maidservant quickly returned.

She brought over the ironed, water-red dress with gold thread. It was elegant and luxurious, symbolizing her status as the first wangfei.

First wangfei, Amiya, touched the silk embroidery.

She couldn't help but recall the time she spent with her son in the past.

Was she going to be defeated just like that?

At this point, first wangfei Amelia had already done everything she could.

She had no other choice but to wait for God's arrangement.

He subconsciously looked at the maidservant.

The latter shook his head without a trace.

The satellite phone's signal had been completely cut off, so even if someone called, they would not know.

The light of hope in first consort Amiya's eyes was finally extinguished.

He regained his calm.

“Help me change my clothes.”

Even if she were to lose, she would never let that woman see her dejected state!

.....

The venomous snake raised its upper body in an 'O' shape, preparing to make a final struggle at the speed of light!

It all happened so quickly that even Uncle Hai's expression changed. There was only one thought in his mind. If it really came to a critical moment, he would rather exchange his life for Lin Yi's and save her!

The women shrieked continuously, feeling that Lin Hanxing's blood would be spilled on the spot!

Suddenly!

Before the woman's screams could stop, Lin Hanxing sneered and with lightning speed, he easily caught the arrow-like poisonous snake!

The venomous snake had been subdued, and its entire body was wrapped around the Jade-like wrist in an S-shape, unable to tighten.

No one said anything!

Even the women's shrieks had stopped abruptly!

This was because the scene was too strange!

Yuan Kang suddenly stopped in his tracks, and only then did he realize that he was actually going to save her?

Since when did he have that kind of heart!

Lin Hanxing flicked his other wrist and a silver light appeared out of nowhere, cutting towards the snake's belly.

Very quickly, a snake gall was picked out by the tip of the blade.

It was covered in blood!

For many years, uncle hai had never been so scared that he broke out in a cold sweat. Only when the crisis was over did he take a deep breath and relax his muscles.

With one look, someone stepped forward and took the snake away from Lin Hanxing.

Lin Hanxing, on the other hand, was still holding the sharp knife lazily and fiddling with the freshly peeled snake gallbladder.

Soon, he threw it into the teacup that Yuan laosan had just drunk.

Lin Hanxing stood up.

The ink-and-cloud brocade fabric bloomed in front of everyone like an ancient painting as she moved. The deep green to ink-white color gradually changed, making the SU embroidery on the dress seem to come alive. Even the most inconspicuous flower embroidery gradually bloomed like a 3D effect.

It was so lifelike!

Yuan huannong was so jealous that his eyes were about to turn red!

No one knew better than her how precious this material was!

It took seven years to make one, and even the royal family did not have much in stock.

Not to mention, there was su embroidery!

Those were all sewn by the handiwork master!

Lin Hanxing held Yuan laosan's cup of tea in his hand expressionlessly, but there was not a single trace of blood on his fair hand!

On the contrary, the Dragon Ring of the clan head token was even more majestic!

"I propose a toast to Mister Yuan San!"

Soon, Lin Hanxing arrived in front of Yuan laosan, accompanied by the clacking of her high heels.

The snake gall was still floating in the cup.

There was a faint smell of blood.

"You ..."

Just as Yuan Huneng was about to speak, Lin Hanxing's cold gaze swept over him.

Instantly, she swallowed back the words she had wanted to say!

"If Mister Yuan gives me this face, I will not pursue the past. But if you refuse ..."

Lin Hanxing's lips curved into a smile.

A shrill scream suddenly came from behind her. The man who had been fed with the snake and Scorpion finally couldn't take it anymore and began to foam at the mouth. It made people tremble in fear and their legs go soft!

It was like a warning!

It was a warning to Yuan laosan's insatiable greed!

Yuan laosan's eyes were wide open as he looked at the cup of tea with the fresh snake gall floating in it. She wanted him to ...

Drink it?

"Mr. Yuan, please!"

1056 Happy New Year's

Yuan laosan's head was immediately covered in sweat.

If one were to really count, this snake gall was still a good thing for clearing heat and detoxifying.

However, putting aside the fact that there were no parasites, how would he dare to do so after seeing how Lin Hanxing took it out?

"What's wrong?"

As he spoke, the smile on Lin Hanxing's face slowly disappeared.

Her delicate little face seemed to be covered in a layer of frost, and her expression quickly turned cold.

“Mister Yuan San doesn’t want to give me face?”

Lin Hanxing gently shook the teacup in his hand.

When he looked up at Yuan laosan, a sharp and cold light flashed through his eyes.

Being stared at by this pair of eyes, Yuan laosan’s heart suddenly thumped. He regretted it as much as he wanted!

Glory, splendor, and wealth were good.

However, compared to his own life, his own life was still the most important!

If he had known earlier that this girl was so vicious despite her young age, Yuan Lao San would never have opposed her even if he was beaten to death!

“Then don’t blame me for being impolite ...”

With Lin Hanxing’s words, Lei Xiao and uncle Hai’s men were ready!

They just had to wait for the dust to settle.

“Mr. Ley, I beg you ...”

“Or do you want to drink for him?”

Yuan yunrong had just opened her mouth when Lei Xiao interrupted her impatiently and coldly, his cold aura chilling everyone.

That pair of cold and emotionless eyes fell on the other party’s face.

A powerful aura covered the sky and earth.

How could Yuan yunrong be willing?

Just the thought of that scene made her stomach start to churn, and she wanted to hide far away!

“I’ll drink!”

Yuan laosan gritted his teeth and loosened his bite. His heart was itching with hatred!

If he didn’t drink it ...

As he thought about it, Yuan laosan reached out with a trembling hand and snatched the teacup from Lin Hanxing’s hand.

The snake’s gallbladder bobbed up and down in the cup.

It looked terrifying!

Yuan laosan made up his mind and closed his eyes to drink the stinky tea.

There was a gulp ...

Just like that, the snake’s gallbladder was forcefully swallowed down his throat!

pa pa pa pa ...

Lin Hanxing's eyes swept over the empty teacup and he raised his hand to Pat his palm.

"Mister Yuan San is indeed a straightforward person!"

Lin Hanxing's lips curled into a lazy smile again, and the danger seemed to have disappeared.

Where did big brother find such a powerful girl!

Yuan laosan didn't dare to open his mouth for fear that he would spit it out. However, he was roaring madly in his heart.

"Since you've finished drinking, then take your people away."

Lin Hanxing's casual reply made everyone in the yuan family gasp in shock.

Yuan laosan was so angry that he almost fainted!

He finally understood.

This girl probably already knew that he was the one who had made things difficult for her. He was just killing the chicken to warn the monkeys!

But what else could he say?

"Good! Very good!"

Yuan laosan sneered, turned around, and left the dining room with his hands behind his back.

The other members of the yuan family naturally didn't dare to stay any longer. They turned around and chased after Yuan Lao San.

A farce ended just like that!

Uncle hai quickly got someone to clean up the place. Yuan Dabao, who had a full stomach, sat back on Lin Hanxing's lap, satisfied. He held his stomach with his chubby hands and looked relaxed.

"Great! It's too satisfying!"

Yuan Kang sat down and slapped his own thigh, his face full of excitement.

Lin Hanxing took the disinfecting wipes from the servant and carefully wiped his hands.

She had seen Yuan Kang walking towards her just now.

This surprised Lin Hanxing.

Although they were in a cooperative relationship, in fact, their relationship was not that deep.

On the surface, Yuan Kang looked like a frivolous person, but in reality, he was extremely slick and sly. He was like a mudfish, and in order to protect himself, he would not easily fall out with others.

However, when she was in danger, he had walked towards her without hesitation ...

It was beyond Lin Hanxing's expectations.

"To be able to see those old fellows suffer a loss in my lifetime, I can die without regrets!"

Yuan Kang's mouth curved into a devilish smile. Obviously, he had been bullied too much in this family and had been holding back for too long!

"Why don't you two take me in! I'll be your little brother, how about that?"

Yuan Kang winked at Lei Xiao and Lin Hanxing.

Lei Xiao did not even look at him, but Lin Hanxing raised his head and met Yuan Kang's gaze.

"You just need to be yourself."

Her voice was faint, but it made Yuan Kang's well-disguised fake smile reveal a flaw.

"Miss Lin, it's almost time."

Uncle hai stood at the side and spoke respectfully.

In fact, even Uncle hai himself didn't expect to be delayed here for so long.

"Let's go," he said.

.....

A convoy of 15 Mercedes Benz Maybach S600s slowly drove away from the yuan family mansion.

However, this time, no one from the yuan family came to send him off.

"I'm afraid that Yuan San will hate me to the core."

In the cold car, Lin Hanxing looked at the Dragon Ring on his finger, which symbolized the position of the head of the yuan family, and said, "

Yuan Bao secretly reached out and poked Lei Xijin's thin waist.

He saw his uncle looking down at him ...

The little dough, which was carved out of Jade, winked and drew randomly in Lin Hanxing's direction with its chubby finger.

He seemed to be hinting at something!

"They're just unimportant people."

Lei Xiao's ice-cold voice rang in Lin Hanxing's ears, causing her to chuckle.

At this moment, Lin Hanxing was leaning back on the leather seat with all her weight. There was still a tough battle to fight later, so she was obviously resting with her eyes closed.

Seeing that his uncle was still not taking out the item, Yuan Bao was extremely anxious!

"First aunt!"

Yuan Bao snorted and spoke in his baby voice.

The Thunder valiant beast's body stopped ...

Hearing Yuan Bao call him, Lin Hanxing opened his eyes and looked at the little sheep dumpling.

"Uncle has something to give you!"

Yuan Bao snorted coldly at Lei Xiao after he finished speaking. These adults really worried him!

If that thing had not rolled to his feet when he was changing in the guest room, he would not have cared about his uncle!

Hearing this, Lin Hanxing looked over at Lei Xiao.

He asked with his eyes.

A rare subtle expression appeared on Thunder owl's cold face. He didn't even show it when his little nephew stared at him with disdain.

"It can't be a proposal ring, right?"

Lin Hanxing waved his finger with the Dragon Ring at him, his expression mischievous.

A helpless, indulgent, and pampering emotion flashed across Thunder owl's deep eyes.

He took out the item.

"I asked ah Zhen to buy it for me."

A green, flat velvet box appeared in front of Lin Hanxing, causing her heart to beat slightly chaotically.

Could it really be a ring?

The box opened with a clack, and the contents of the box came into view.

It was a blue tasseled comb.

It was very beautiful.

Ancient yet reserved beauty.

It's not a ring ...

Lin Hanxing thought to himself and felt a little disappointed.

"Apart from the one in Mengsong, I've always wanted to give you something better."

He had wanted to give this to her on the plane, but the little incident with Yuan Bao had happened!

Lin Hanxing brushed the tassels of the comb with his fingertips.

"Help me put it on."

She tucked her long hair behind her ear, inadvertently revealing her Jade-white neck.

Thunder owl's gaze stopped there.

"Hurry up, we'll be there soon."

Lin Hanxing urged him when he did not move.

Lei Xiao's eyes darkened as he reached into the velvet box and took out a blue comb. He carefully and seriously inserted it into Lin Hanxing's soft hair, which he had deliberately tied up.

Fixed.

The tassels drooped down naturally, matching the set of clothes that uncle hai had ordered people to prepare ...

She was so beautiful that no one could take their eyes off her!

First aunt is really good-looking!

Yuan Bao supported his chubby cheeks with both hands and could not help but stare in a daze!

"Is it good?"

Lin Hanxing tilted his head slightly.

His eyes were dark and bright, as if they had stars in them.

Her fair skin was almost transparent under the sunlight.

When she smiled, her long eyelashes seemed to be stained with broken Jade ...

Flowing light!

Yuan Bao hurriedly nodded his head like a chicken pecking at rice.

On the other hand, Lei Xiao raised his hand and touched her soft and tender cheeks, his slightly rough fingers carrying a hint of gentleness.

"It's nice."

Hanxing looked good no matter what.

In the eyes of outsiders, this powerful and invincible person in the business world no longer had any trace of the murderous decisiveness, sinister, and cunning in the eyes of outsiders.

His eyes, on the other hand, seemed to be soaked in ink.

It was dark and deep.

"Dumbo!"

Lin Hanxing smiled and reached out a finger to touch his nose.

Yuan Bao smacked his lips in his heart.

Hehe, where did the uncle who was cold to women in the past go?

However, first aunt was so beautiful, so he had to pamper her, pamper her, and pamper her without a bottom line!

Soon, the venue of today's cabinet meeting was not far away. From afar, the flag of country G could be seen fluttering in the wind.

As country G's richest city, snowlan province ...

The extravagant taste of a rich and magnificent Empress was everywhere.

The entrance was heavily guarded by heavily-armed guards.

It was a stark contrast ...

It was the reporter who was standing opposite the guards with his long and short gun.

It was pitch black.

When they saw a car driving over, the flashes lit up one after another.

The long camera was just short of piercing into the car.

"A reporter?"

Lin Hanxing's gaze fell outside the car window, and his voice was slightly sarcastic.

"It's the second Princess Consort's doing."

It was a heart-killing move.

These reporters had obviously received the notice before the start of the cabinet meeting.

If there was no one else, how would they dare to be so presumptuous in front of the cabinet?

The second Princess Consort could not wait to share her joy.

After passing through layers of security checks, the convoy drove through the solemn iron gate.

The second Princess Consort's men were already waiting there.

Because today's meeting was related to the crown prince's position, only the royal family and the senior cabinet members were present. But it was also because of this that the meeting was covered with a layer of mystery and sadness.

Those who knew the inside story had clearly determined that the great wangfei's faction had come to an end with the previous crown prince's brain death!

In the past few days, even Hua Ji, who had always supported the great wangfei, had not made any moves.

The great wangfei and the second wangfei had been fighting in the open and in the dark for so many years, and now ...

Yet, victory was decided in such a way!

It really made one sigh.

“Right now, I’m afraid that most of the people here think that the first wangfei’s defeat is certain.”

Lin Hanxing looked at the solemn royal emblem in front of him, his eyes full of mockery.

He casually turned the Dragon Ring on his finger.

Outside the carriage, the second wangfei’s men had been waiting for Lei Xiao for a long time, their faces full of joy!

Today, to the people on the second Princess Consort’s side ...

It was definitely a joyous day!

The back door opened and uncle hai and Yuan Kang got out first.

Seeing uncle hai, the second Princess Consort’s people were even more certain. They heard that even the yuan family’s master, Yuan shaojing, had come to support them. Let’s see how arrogant the first princess Consort’s people can be this time!

This Feng Shui, it was finally their turn!

The bodyguards outside the car did not receive any orders, so no one dared to open the door of Lei Xiao’s car without permission.

In the car.

“Yuan Bao also wants to go!”

The little sheep dumpling pouted her lips so much that a bottle of soy sauce could be hung on it, and her hands were wrapped around her chest.

“No.”

Lei Xiao laughed coldly. He was so capable that he had not even settled the score with him for secretly following him onto the plane!

“First aunt ...”

She blinked her eyes at Lin Hanxing adorably. In the past, this wave of love Attack was the most effective.

He did not expect Lin Hanxing to shake his head at him without any room for negotiation.

Yuan Bao’s shoulders drooped, and he covered his eyes with his hands, pretending to cry. As he cried, he peeked at the two of them through the gaps in his hands.

“I’m really the most unfortunate four-and-a-half-year-old child in the world ...”

Shua shua shua.

“Uncle doesn’t feel pain, Auntie doesn’t love ...”

He continued rustling.

"I'm still a baby, and you're hurting me like this ..."

I'll definitely beat them up until they agree!

With a clatter, he heard the sound of something breaking coming from Lin Hanxing's side, which attracted all of Yuan Bao's attention.

Lin Hanxing had a small gadget in his hand.

It was as if he had already anticipated this situation and had made preparations in advance.

"This is the ninth chain."

She waved it at Yuan Bao, and the sound of metal clashing could be heard.

"If you can solve it in two minutes, I'll Take You There."

"Really?"

Yuan Bao's eyes suddenly widened, and it was as if there were stars shining in his big, clear eyes.

"Of course it's true!"

Lin Hanxing gave an affirmative answer.

Yuan Bao snorted and took the nine chains from Lin Hanxing's hands, then he lowered his head and began to undo it seriously.

For a time, the rustling sounds continued.

Lin Hanxing raised his hand and looked at his watch to time Yuan Bao.

As time passed, Yuan Bao's originally confident face was now on the verge of tears!

It was too difficult!

He would not do it!

I can't do it!

"The time is up!"

Lin Hanxing put down his wrist, took out a box of Haagen-Dazs from the car refrigerator, and put it in front of Yuan Dabao.

"First aunt ..."

Yuan Bao raised his head and cried like a poor abandoned child.

a man never goes back on his word. Stay here obediently and wait for us to come back. You're not allowed to sneak out ...

Lin Hanxing glanced at Yuan Bao's teary eyes and spoke gently.

"Promise me, okay?"

He stretched out his little finger and made a gesture of hooking.

Yuan Bao pouted in grievance.

he couldn't stop sniffing.

he slowly stretched out his chubby little hand and made a pinky promise with lin hanxing.

"can i bring a gift back for little grape?"

despite feeling aggrieved, yuan bao still tried to negotiate with the two people in front of him.

"sure, what do you want to bring back for little grape?"

lin hanxing reached out and brushed his soft little face with a doting expression.

"

"....."

"....."

"It's that 'don't ask me where I came from' tree!"

Yuan Bao clenched his little fists, his eyes shining with hope as he looked at the two people in front of him.

"....."

"....."

Lin Hanxing and Lei Xiao looked at each other, they really did not want to break his fantasy.

'Baby, that's an olive tree!

1057 Shangguan shixiu's grass Dragonfly

At the same time.

On the way to the meeting place where the cabinet meeting was held.

A black Audi A8L with a bulletproof coefficient reaching the safety limit of the VR7 was moving at a constant speed.

Under the sunlight, the streamlined body of the car glowed coldly.

In the car.

Shangguan shixiu sat in the back leather seat, his eyes closed.

He was holding a grass Dragonfly that he had just woven.

His fingers would occasionally brush across her face.

“Young master, second Princess Consort is calling.”

Uncle Liang, who was sitting in the front passenger seat, turned around to look at Shangguan shixiu. He was still holding a satellite phone in his hand.

Shangguan shixiu didn't respond.

Her unhealthy white skin looked even more sickly under the sun.

His black jade-like hair covered his eyes, making it impossible to guess what this man was thinking.

Shangguan shixiu didn't say anything, so uncle Liang let the satellite phone ring.

For various complicated reasons, Shangguan shixiu represented the entire Shangguan family to support the Crown Prince.

As for who he would support ...

Uncle Liang kept looking at the back seat through the rearview mirror.

The wound on the young master's abdomen was really worrying!

“Young master, who do you favor?”

Uncle Liang, who was sitting in the front passenger seat, hesitated for a moment, but he still asked the question in his heart.

During the time he had been in country G, the eldest and second Princess Consort's men had frequently contacted the young master, but he had chosen to reject them all.

Shangguan shixiu slowly opened his eyes.

His handsome face was as cold as Jade, and there was no change in expression. His eyes met uncle Liang's through the rearview mirror.

“Who do you think will win?”

It was a simple sentence without much emotion.

Uncle Liang thought for a moment.

“Last night, the second wangfei's people placed the first wangfei under house arrest in the palace.”

This was the latest news they had received.

The great wangfei ...

This was a definite loss!

Although uncle Liang didn't finish his sentence, his meaning was obvious.

Shangguan shixiu didn't speak.

He just stroked the grass Dragonfly in his hand.

His long, black eyelashes were slightly closed.

In his eyes, nothing was decided by winning or losing.

Even if the great wangfei was under house arrest, it did not mean that she had lost.

As for who he should support ...

Shangguan shixiu lowered his head and looked at the grass Dragonfly. His sickly and Noble face had an indescribable cold and intimidating look.

The car, under the flashing lights of the reporters at the entrance ...

They drove into the iron gate that was heavily guarded by heavily armed guards.

“Eh? Isn’t that young master Lei and ...”

Uncle Liang was just casually glancing at him and subconsciously opened his mouth, but then he realized that something was wrong and shut up!

However, it was too late!

Shangguan shixiu’s movements suddenly stopped, and he raised his head.

It was her ...

The intense ecstasy was like a hurricane that set off wild waves in his limbs and bones.

His pale and gloomy handsome face was lit up by something, making it seem particularly vivid!

“First aunt ...”

Lin Hanxing, who had just gotten out of the car, turned around slowly. His long eyelashes seemed to be dyed with a fine luster under the sun.

The tassels on the side of her hair moved slightly.

Standing next to Lei Xiao, the people who were ordered by the second Princess Consort to welcome him were stunned.

What a beautiful couple!

“What?”

Lin Hanxing looked at the little sheep dumpling who was still running towards him with the nine chains in his hand. The mole on his porcelain skin was moved by his smile, melting the chill that had enveloped him since he got out of the car.

“Can first aunt undo it?”

Yuan Bao raised the nine chains in his hand and extended two chubby fingers.

“Within two minutes!”

Seeing that the little one still did not give up, Lin Hanxing reached out and took the item.

The clear sunlight poured down.

The light lingered around her.

Her slender fingers moved up and down the nine-chain buckle in a way that ordinary people couldn't see with the naked eye. The metal collided back and forth, making a crisp sound.

Lin Hanxing's actions seemed to have given it a new life, and it was hard for anyone to look away.

With a click, the buckle was completely out of his control!

"One minute and fifty-seven seconds."

Lin Hanxing glanced sideways at his watch, then mimicked Yuan Bao's actions and waved the nine chains in his hand.

Yuan Bao was crying!

"I've prepared your snacks. Be good and wait for us to come back."

As soon as he finished speaking, Lin Hanxing pieced the Rings back together and handed them back to Yuan Bao.

The moment she turned around and met the Thunder valiant beast's eyes, she smiled at him.

It was so sweet.

It tasted like malt candy.

The corners of Lei Xiao's thin and cold lips melted and curled up.

When he was right in front of her, she raised her hand and gently rubbed Lin Hanxing's head.

Everyone was dumbfounded!

That Mister Lei, who was rumored to be decisive, ruthless, and cunning, had a look of 'my daughter-in-law is the best' on his handsome face!

Just as people were doubting whether the rumors were false, they saw Lei Xiao's cold eyes sweep across them ...

The pressure that belonged to a superior made people's legs go soft and sweat like rain.

As expected, Mr. Ley was still the same Mr. Ley who wanted to kill!

"Mr. Ley, welcome, welcome!"

The female cabinet minister of snowlan province had been delayed by some matters, so she rushed over to welcome him after finishing her work.

A group of cabinet members followed behind him.

It was enough to show how much they valued and respected the Thunder valiant beast.

A group of people walked up to Thunder valiant beast, especially the high-spirited female Minister who was walking in the front. She was even more arrogant, her eyes fixed on Thunder valiant beast's face.

As a guest that was extremely important to the entire country G, Lei Xiao's promise to come caused the entire royal family of Xuelan province to be in an uproar. If it wasn't for today's cabinet meeting, she might not have been able to seize the opportunity.

He saw the other party's true appearance.

As for the woman in his arms ...

The female cabinet minister only treated him as a plaything and didn't even pay attention to him. There was even a trace of disdain in her eyes.

Lin Hanxing's back was facing the other party first, so he did not notice.

But Thunder valiant saw it.

The aura around him turned cold at the speed of light.

"Mr. Ley ..."

The female Minister extended her hand to welcome Lei Jing.

Unexpectedly, Lei Xiao only glanced at the other party's face with his cold, eagle-like eyes.

The other party felt like he was a prey that had been targeted by a ferocious beast in the wild, and he was in a bad mood!

She could feel the thunder valiant beast's displeasure.

But the problem was, she had no idea why Lei Xiao was unhappy.

That bloodthirsty and sharp gaze slowly moved down from the other party's face, and finally landed on the hand that was stretched out in front of him.

Lin Hanxing was sensitive enough to detect the change in Lei Xiao's aura.

He slowly turned around and looked at the leading cabinet member of snowlan province.

For a moment, there was complete silence.

The cabinet members behind the female Minister were all amazed by her beauty.

No one spoke.

Uncle hai and Yuan Kang, who were standing at the side, saw the whole process clearly.

Uncle hai walked towards Lin Hanxing and was about to open his mouth to let people know her identity ...

A click.

The sound of a car door opening came from not far away.

The same bodyguards in black suits surrounded them, and the same aura made the entire square seem to be divided into two different sharp edges!

It made people feel suffocated.

Uncle Liang, who was sitting in the front passenger seat, got out of the car first. He walked to the back and opened the door respectfully.

Soon, a sickly pale but delicate and handsome face was reflected in everyone's eyes, and they couldn't help but Marvel.

Shangguan shixiu!

Today, he would be representing the Shangguan family!

"Mr. Shangguan!"

No one had expected that Lei Xiao and Shangguan shixiu would arrive one after another, together with the representatives of the yuan family, the representatives of the Chinese society. The three Giants were gathered together ...

Looking at the people surrounding them who belonged to the second Princess Consort's faction, it was obvious that the three great forces were standing here for the second Princess Consort!

It seemed that the first wangfei was really dead this time!

The female cabinet minister gave a look to the people behind her. For the second Princess Consort, because of what Lei Xiao had in his hands, it was more important to stabilize his emotions than to stabilize Shangguan shixiu.

His subordinates behind him hurriedly rushed toward Shangguan shixiu.

Today, including the yuan family, he could not afford to offend any of the three forces!

After all, this would be something that the second Princess Consort would be able to rely on in the future!

A group of people grandly walked in Shangguan shixiu's direction, greeting him with a smile. But before they could speak, Shangguan shixiu suddenly strode toward the Thunder valiant beast!

The Thunder valiant beast's facial features were as cold as ice.

As Shangguan shixiu got closer, the pressure and coldness of his Qi field became stronger.

The female cabinet minister of snowlan province, who was still standing opposite him, shivered. She racked her brains, but could not figure out how she had offended Lei Xiao, but she could not ask.

He could only let the atmosphere freeze.

But ...

What made the female cabinet minister secretly happy was that at this time, Shangguan shixiu seemed to be walking toward her!

If they could use this opportunity to break the stalemate ...

Just as she was thinking about this, the female cabinet minister once again perked up. Just as she was about to say something, she saw Shangguan shixiu change his direction and actually bypassed her, walking in the other direction!

As if the embarrassing scene just now had reappeared, the female cabinet Minister's hand was suspended in the air!

Her smile froze on her face.

He was so angry that he couldn't even say a word!

Soon, Shangguan shixiu stood in front of Lin Hanxing.

The two men and one woman's standing position made people's imagination run wild.

Perhaps Shangguan shixiu felt that his expression was a little cold, so he tried to smile. He looked down at Lin Hanxing, and his eyes, which had always been cold, were now warm.

"Little Jiu ..."

The two gentle words seemed to scare Lin Hanxing with caution, and even a little flattery.

For a moment, no one spoke.

Everyone watched this scene in silence. It was only later that they realized that perhaps the identity of the woman who looked like a porcelain doll was not as simple as they had thought!

Shangguan shixiu didn't even look at the others. Ever since he saw Lin Hanxing here, all his attention was on her alone, and he didn't even spare a glance at anyone else.

The malicious aura around Lei Xiao grew more and more intense.

Uncle hai had attended the banquet with Yuan shaojing, so he naturally knew how special Shangguan shixiu was to Lin Hanxing.

That was something that only men would do to women.

It was no wonder that Lei Xiao was in such a dangerous situation at this time. Anyone would be furious if their beloved wife was coveted by another man!

As a latecomer, Yuan Kang naturally didn't know the details.

But even so, as a man, what did that look in Shangguan shixiu's eyes mean?

How could he not understand?

He couldn't help but stroke his chin. He didn't expect Lin xiaojiu to be so successful!

Tsk, tsk, why don't we just have two more to play mahjong?

He gloated.

Lin Hanxing could sense that Lei Xiao was on the verge of exploding in anger.

“Ah Xiao ...”

A faint, soft voice rang out, like a timely fire extinguisher, allowing Lei Xiao to regain some self-control.

It also gave the people on the second Princess Consort’s side a slight chance to breathe.

Just now, they were inexplicably enveloped by an extremely strong sense of oppression and cold Qi. It was as if their hands and feet could not listen to their orders, and they could only think that they had seen a ghost!

“Mr. Shangguan, I don’t like it when people call me that.”

Seeing that Lei Xiao’s condition had improved, Lin Hanxing turned his head to look at Shangguan shixiu. His eyes were calm, without the slightest ripple of emotion.

The alienation in his words was obvious.

Hiss ...

The people who knew Shangguan shixiu’s identity all sucked in a cold breath.

There was actually someone in the world who dared to speak to Shangguan shixiu in this way? did he really want to die?

Speaking of Shangguan shixiu, his most famous deed in country G was that he had once caused the blood of a high-level official of country G to splatter three feet high without saying a word. It could be said that everyone who knew the inside story was terrified and uneasy.

However, it was also that person who had a death wish.

At a banquet held by the G country’s royal family, the G country’s higher-ups, who had mistakenly thought that Shangguan shixiu was their arch-enemy’s lover, laughed at him for selling his body to get to the top.

She even said that with his slender body, she could crush him to death with one finger!

Some people watched from afar, while others laughed.

When Shangguan shixiu heard this, he didn’t do anything. However, the other party seemed to feel that it wasn’t enough and ran to provoke them.

Did he think that this would make Shangguan shixiu take action?

No!

According to the people who had returned from the banquet that day ...

The reason why Shangguan shixiu had gone on a killing spree was because that person had arrogantly tried to snatch the grass Dragonfly from his hands.

It was just a grass Dragonfly ...

That person had paid the price of ten fingers.

When others mentioned it, they couldn't help but shiver. It was enough to show how terrifying and shocking the scene was.

Such Swift movements, such a sharp blade ...

With an expressionless face, Shangguan shixiu didn't even dirty his clothes!

She was holding his grass Dragonfly in her hand and looking down at him coldly.

No one dared to question him, especially after they knew he was Shangguan shixiu.

After this incident, everyone knew that the grass Dragonfly was the symbol of Shangguan shixiu's attack.

When they came back to their senses, the cabinet members who followed the female Minister were horrified to find that the legendary grass Dragonfly was in Shangguan shixiu's hand.

That woman was brought by Mister Lei. If Shangguan shixiu ...

When the time came, who should they side with?

What should we do?

Yuan Kang had naturally heard of Shangguan shixiu's terrifying rumors. When he saw the grass Dragonfly, his expression also became nervous. Uncle hai looked at him inexplicably, clearly not knowing why he was so nervous.

Yuan Kang quickly winked at uncle hai.

He looked panicked.

Hurry up and save that Lin guy, or Guan shixiu will make his move!

The others obviously had the same thought. Some of them couldn't bear to look away, and some even covered their faces with their hands, not wanting to face the bloody scene.

Soon, Shangguan shixiu made his move ...

[Chapter 1058](#)

1058 Gong Chen and song Zhiyun

When two tigers fought, one would definitely be injured.

Just when everyone thought that Lin Hanxing's blood would be splattered on the spot, and that Lei Xiao and Shangguan shixiu were about to start a war ...

But she saw Shangguan shixiu turn his palm and reach out to her.

"Here you go,"

A grass Dragonfly was lying quietly in his long and pale palm.

There was a smile on his handsome face, and anyone with eyes could see the hope and flattery in his eyes.

There was complete silence.

Everyone's jaws dropped to the ground, except for uncle hai and himself.

Why was this F * cking different from what they had agreed on!

What happened to the cold, unfeeling, bloodthirsty, and murderous aura?

Why was Shangguan shixiu acting like a tame Alaskan dog?

Could the rumors be wrong?

Lin Hanxing looked at the green grass Dragonfly in his palm. It still had a fresh smell, so it was obviously freshly woven.

Her long eyelashes fluttered.

He didn't reach out to take it.

The atmosphere was in a deadlock.

Shangguan shixiu's sickly white face always had a warm smile on it, which was almost like an ingratiating smile. It weakened his own gloominess, and the women present couldn't help but feel motherly love in their hearts.

Seeing that Lin Hanxing did not take it, they all looked at her with condemning eyes.

Especially the female cabinet minister.

"It's Mr. Shangguan's ..."

She, who had been afraid of Shangguan shixiu's rumors, couldn't help but step forward to smooth things over, reaching out to stuff the grass Dragonfly into Lin Hanxing's hands.

However, before he even touched it, the situation suddenly changed!

Her fingers had just brushed past the straw-woven thing when Shangguan shixiu's handsome and sickly features suddenly turned cold and gloomy. Even his pupils were covered with a layer of bloodthirsty killing intent!

"Ah ..."

The people who had originally thought that the rumors were true and had let down their guard against Shangguan shixiu ...

The hair all over his body stood up when he heard the scream!

The usually haughty female cabinet minister of country G's snowlan province was now being held tightly by Shangguan shixiu's pale and slender hands around her neck like a dog!

Shangguan shixiu's strength was great.

The female cabinet Minister's feet were off the ground, her hands were gesturing wildly, and the blood vessels on her forehead were bursting from suffocation.

No one had thought that Shangguan shixiu would suddenly turn hostile.

He had been so gentle in front of that woman a second ago, but in the next second, he was like a demon from hell, cruel and bloodthirsty!

The guards, armed with loaded guns, ran over hurriedly and aimed their muzzles at the man, repeatedly asking Shangguan shixiu to put her down in gstan.

Shangguan shixiu didn't respond.

He just smiled sinisterly, his eyes fixed on the face of the female Minister who did not know her place.

"Shangguan shixiu!"

Just as everyone was helplessly waiting to collect the woman's body, a cold female voice suddenly interjected.

Shangguan shixiu's hand paused.

He raised his head and looked at Lin Hanxing.

Did she just call my name?

"Little Jiu, do you want me to let her go?"

At this time, Shangguan shixiu was still holding the woman's neck with one hand, even shaking her slightly as if he was playing with a worthless toy, even though the woman was breathing less in than out!

It made people's hearts jump, and they didn't dare to move forward.

Perhaps he was afraid that his appearance would scare Lin Hanxing, so Shangguan shixiu tried his best to soften the lines of his face and smiled.

Lin Hanxing frowned.

"But the present I gave you ..."

Seeing that she didn't speak, Shangguan shixiu's gaze swept over the dust-covered grass Dragonfly on the ground.

In an instant, he tightened his grip again.

Clearly, he was in a bad mood and was affected!

"She should die!"

The veins on his pale and slender hands popped out, and his gloomy voice made people shiver.

"Save ... Cough cough cough cough ..."

The female cabinet minister, whose feet were suspended in the air, painfully asked for help in G language, but no one dared to come forward.

The woman's subordinate realized that Lin Hanxing was the key to saving the Minister. Without thinking, he quickly bowed beside her and begged for mercy in gstan.

For a moment, the scene was in chaos!

“Let her go!”

Lin Hanxing’s voice was as cold as water. The moment his voice fell, Shangguan shixiu released his big palm.

The female cabinet minister fell to the ground like a broken rag, curled up like a shrimp, and coughed violently.

When had she ever been in such a sorry state in her life?

Soon, someone came forward to help the female Minister up. The purple-black bruise on her neck was really frightening. When she looked at Shangguan shixiu, who had returned to his gentle appearance, she couldn’t say a word of criticism.

What a joke, blaming him, did he not want his life?

“I’ll listen to whatever little 9th says.”

Shangguan shixiu said with a harmless expression. If someone who didn’t know the inside story saw his pale and sickly handsome face, they would definitely be filled with tender love. But now ...

Those who fled far away couldn’t wait to escape, so who would dare to approach?

Yuan Kang, who had witnessed everything from the beginning to the end, was dumbfounded!

Just now, he had thought that Lin xiaojiu was doomed for offending Shangguan shixiu. But in the blink of an eye, she had become the most important person in Shangguan’s life. He really had nothing to say in his heart!

They felt that Lin xiaojiu was someone they could not underestimate!

So ...

He really had to hold on tightly to this seemingly slender and straight leg that was actually thick and strong!

It was just ...

Yuan Kang glanced at Lei Xiao without a trace ...

At this moment, Lei min’s face was expressionless, but his entire body was shrouded in a thick sinister aura. It was as if the air around him was being sucked away, bringing about an absolutely suffocating feeling!

Especially after Shangguan shixiu glanced at Lei Xiao, as if he didn’t exist!

Even more!

Lin Hanxing felt his forehead throb and his delicate little face seemed to be covered in frost!

Shangguan shixiu took the handkerchief from uncle Liang and carefully wiped each finger, but his eyes didn’t move from her face for even a second.

At this moment, someone walked out from the inner Pavilion.

He was a young and cold man.

He was dressed in a black Armani tailored suit, showing off the unique and Noble temperament of an aristocrat.

He had handsome features and deep-set eyes.

It was as unforgettable as a sculpture.

“Mr. Gong ...”

As soon as he came out, everyone bowed to him, which also indirectly highlighted his special identity!

But ...

Palace?

Lin Hanxing’s attention was attracted by the surname, and song Chenxi’s face appeared in his mind.

This man was Gong Chen!

Beside him, there was a woman who looked weak and boneless. She looked 80% similar to song Chenxi. Her eyes were watery, her skin was white and her hair was black. Her face was the size of a palm, and she looked very gentle.

Song Zhiyun!

Chen, I’m fine. My sister ...

Song Zhiyun’s voice had just fallen when he saw the chaotic situation at the entrance of the cabinet meeting hall. He was surprised and stopped talking.

Lin Hanxing’s gaze crossed the crowd and landed on song Zhiyun’s face.

There was even a light pink on her fair skin. She was even a little fatter than song Chenxi. If not for the fact that she was born weak and sickly, and even had kidney problems, no one would have thought ...

A woman like this could be a patient.

Yingluo, actually, I don’t have much time left.

There was a bullet lying inside, and he couldn’t take it out.

The one that should be the patient looked normal.

However, the one who looked like a normal person did not have much time left!

He even brought this woman with him for such an important occasion. Song Zhiyun’s significance to Gong Chen was self-evident!

Lin Hanxing’s lips curled into a mocking smile.

It was laughable.

“Aunt Sarina, why are you ...”

Song Zhiyun covered his mouth with his hand and quickly walked to the female cabinet minister, trying to help her up from the ground. The latter was still immersed in the fear of surviving the disaster, and her hands and legs went soft as she staggered song Zhiyun!

“Zhiyun ...”

Gong Chen’s cold expression changed slightly, and he walked toward her.

At the same time, a black business car slowly drove in and stopped not far away.

As the car door opened, someone got out of the back seat.

Song Chenxi!

Today, song Chenxi was wearing a black women’s suit. She was beautiful and capable. Her originally pale face had makeup on, and no one could see any signs of weakness. She exuded a strong aura from her bones.

She would be representing the song group at today’s important cabinet meeting.

As for song Chenxi, the first thing she saw when she got out of the car ...

It was her husband holding her sister in his arms.

Song Chenxi, who had originally wanted to go up the stairs, made a turn and walked towards the two people.

Everyone had different expressions.

But to be honest, she still sympathized with song Zhiyun.

After all, everyone in country G knew that Gong Chen was supposed to be song Zhiyun’s husband, but he was snatched away by her domineering sister for no reason!

Her husband had become her brother-in-law. Who could stand it?

“What ...”

As soon as song Chenxi’s cold voice rang out, song Zhiyun, who was in Gong Chen’s arms, revealed a panic-stricken and pitiful expression like a little rabbit. She was waiting for the cold and unreasonable words that followed, but ...

This time, his sister didn’t continue for a long time!

Song Zhiyun looked up and saw his sister staring at a certain spot in a daze.

He followed her line of sight ...

Song Zhiyun couldn’t help but suck in a breath of cold air.

What a beautiful woman!

In country G, the song sisters’ looks could already be considered one of the best, but ...

If the woman in front of them stood next to the two sisters, others would definitely only look at each other first!

This made song Zhiyun subconsciously grab Gong Chen's collar.

After carefully using her eyes to make sure that there was no fluctuation in his eyes when he looked at the woman, she heaved a sigh of relief.

"Nine ..."

Song Chenxi knew that she had lost her composure in front of everyone, but ...

When she saw miss Jiu standing not far away, she was completely stunned!

They had clearly only met in Jiang city for a second, but in the blink of an eye, they met again here.

It was beyond his expectations!

Lin Hanxing's delicate little face did not change at all, and he had already conveyed his meaning to song Chenxi without leaving a trace.

"Cloud brocade!"

Before anyone could regain their senses, song Zhiyun, who was in Gong Chen's arms, spoke in surprise.

It attracted everyone's attention!

Wasn't Lin Hanxing wearing the cloud brocade that only the royal family could wear?

Soft and beautiful, smooth and cool ...

Su embroidery was so detailed that even the smallest detail was enough to present a shocking beauty!

It was something that money couldn't buy!

All these years, other than the royal family, only the yuan family had one. Even the song family, who had close relations with the royal family, did not have one. But now, it was worn by that woman!

Could she be a member of the royal family?

However, she had seen all the princesses in the royal family, and she had never seen one with such a proud appearance.

After song Zhiyun's reminder, everyone's eyes fell on Lin Hanxing again.

At first, everyone only thought that she was Thunder Valiant's favorite, and with her back facing the crowd, she didn't attract any attention.

But as time passed, she had silently become the center of attention for the important people present. The two big shots, Lei Xiao and Shangguan shixiu, had actually restrained their sharpness in front of this woman!

This was simply an impossible task!

Furthermore, she was wearing the cloud brocade that only the royal family and the yuan family had.
This ...

Who was she?

Everyone's eyes were focused on Lin Hanxing.

Even so, Lin Hanxing did not panic at all. His delicate little face was calm and unruffled, allowing everyone to size him up.

"The clan head token ..."

Suddenly, song Chenxi opened her mouth.

Because everyone was sizing up Lin Hanxing previously, they were all silent. Now that they heard song Chenxi's words, they looked at each other and did not react for a long time. What's with the family head token?

"The yuan family head's order!"

Gong Chen spoke in a low voice and added in line with song Chenxi's words.

It was natural.

However, Gong Chen frowned as soon as he finished speaking. Why would he explain for that woman?

He hated her so much!

Song Zhiyun sensed the emotions in Gong Chen's eyes and nervously clenched his fists.

If ah 'Chen found out ...

Upon hearing Gong Chen's words, everyone came to a sudden realization.

But after the sudden realization, it was an even greater shock!

As the richest Chinese family in country G, the yuan family had always been under the leadership of Yuan shaojing. Even if all the people in country G knew that the yuan family had a patriarch token, it wasn't something that anyone could use as they pleased!

Therefore, knowing it was one thing, and making them completely forget about it after decades of not using it was another!

But now, the yuan family's head token was actually on this little girl's hand. What did this mean?

Could it be that something had happened to the yuan family?

Otherwise, could it be that Yuan shaojing's brain was damaged to give that thing to her?

"Patriarch, it's almost time."

Uncle hai walked to Lin Hanxing's side and reminded him respectfully.

It's uncle hai!

Everyone here clearly knew him.

He was Yuan shaojing's most trusted aide.

He was leading a group of subordinates who only listened to Yuan shaojing's orders.

No one in the yuan family could order him around!

Just as everyone's eyes were fixed on Lin Hanxing, he walked back to Lei Xiao's side indifferently. He held his arm and slowly scanned the rest of the people present.

She simply glanced past the people around her.

Only when he looked at song Zhiyun, his cold eyes seemed to have a deeper meaning.

The tassels by her ears moved slightly.

It even caused ripples of light and color.

It was so beautiful that it made one's soul tremble!

Song Zhiyun and Lin Hanxing looked at each other and felt an inexplicable chill in their hearts. He subconsciously buried his face in Gong Chen's arms.

"If you still have the mood to stay here, please go ahead."

Lin Hanxing said indifferently.

In an instant, the look in her eyes changed.

Sharp as a knife, 20% fiendish, 80% cold.

Coupled with a fully-opened aura, it was hard to look at ...

[Chapter 1059](#)

1059 The Queen's tear and the purple ginseng

Within the Parliament Hall of snowlan province.

Lin Hanxing took the document from uncle hai and read it expressionlessly. He would only occasionally exchange a few words with Lei Xiao.

It was as if she did not feel the curious gazes of others on her at all.

After a long while, Lei Xiao received a call and left the venue temporarily.

The seats in the cabinet's Parliament Hall were arranged in the shape of a Chinese character".

The meeting had not officially started, but the whispers were already endless.

News of what had happened at the entrance had spread from one to ten to a hundred, and everyone in the conference hall knew about it.

Everyone looked in Lin Hanxing's direction in shock.

Seeing that she was indeed wearing the Dragon Ring that symbolized the yuan family's patriarch, he couldn't help but curse in his heart ...

Her?

This little girl?

Was Yuan shaojing out of his mind?

He would rather hand it over to her than let someone from the yuan family take over temporarily?

The yuan family's third son had been longing for it for so many years, but now, he was stolen by a woman of unknown origin ...

She could imagine his flustered and exasperated look!

A click.

Just as everyone was still talking, uncle Liang, who was next to Shangguan shixiu, walked up to Lin Hanxing and put down a wooden box.

His expression was obviously unwilling.

When they saw what was inside, they gasped.

The Queen's tear!

It was a crown made of 675 diamonds, and there were only two in the world.

Other than the one in front of Lin Hanxing, the other one was kept in the royal family of England.

It would only be worn by the Queen when attending important events.

The sunlight poured in from all directions through the Gothic high windows, causing the crown to reflect a bright light.

In fact, the crown ...

It even caused a piece of news that was neither big nor small!

Last night, the 'Queen's tear' was originally going to be auctioned at the largest auction house in country G's capital. Before that, there was already news that Gong Chen, the president of the gong Corporation, would buy it for song Zhiyun.

But who knew that a mysterious buyer would step in and bid for the crown at a price of 135 million.

He did not expect ...

The mysterious buyer was Shangguan shixiu.

He also did not expect ...

He didn't even try to hide it as he brought it to Lin Hanxing in front of Gong Chen and the others.

However, this was not the most unfortunate thing.

Gong Chen's luck last night wasn't that good.

The highlight of the auction was actually a thousand-year-old purple ginseng.

Song Zhiyun's current physical condition was what he needed the most!

After losing the crown, he could always look for a new one, but this thousand-year-old ginseng was something that could only be found by luck!

But unfortunately ...

In the end, it was still won by someone at a price of nearly 270 million!

It was said that Gong Chen's expression was extremely unsightly at that time. He contacted the auction house overnight to find the news of the buyer.

No results!

Lin Hanxing looked up.

When Shangguan shixiu saw her looking at him, a harmless smile appeared on his face.

He was sitting diagonally not far away from Lin Hanxing, so he could see all of Lin Hanxing's movements and expressions.

His eyes were filled with apprehension, as if he was afraid that she would not like it.

"Chen ..."

Song Zhiyun's soft voice was accompanied by a weak cough. It made people feel like a spring breeze was blowing on their faces. That fragile appearance formed a sharp contrast with the overbearing strong woman song Chenxi who was also at the scene.

One could not help but sigh.

They were both sisters, but why was there such a huge gap between them?

Lin Hanxing originally looked impatient and wanted uncle hai to return the things.

However, when she saw the others' expressions, she suddenly stopped and her eyes turned playful.

His fingers gently stroked the luxurious diamonds embedded in the crown.

Shangguan shixiu, who had been prepared to be sent back, suddenly had his eyes light up. He looked like a young boy who had won the favor of his beloved girl, and was no longer as bloodthirsty and brutal as before!

"Uncle hai, ask around."

Lin Hanxing leaned back in his chair with all his weight.

Soon, uncle hai returned.

She leaned over and whispered into Lin Hanxing's ear, telling him what happened.

A sneer slowly appeared on her originally indifferent and expressionless delicate little face.

Gong Chen had actually wanted to buy this for song Zhiyun!

&Nbsp; interesting.

At this moment, Gong Chen was whispering to his subordinate, his cold eyes looking at Lin Hanxing from time to time.

It seemed to be brewing.

At the same time, Lei Xiao, who had just taken a call and left the venue, returned.

She was holding something in her hand.

When he saw Lei Xiao return, Lin Hanxing's eyes softened.

With another click, another box was placed on the table in front of her!

No way ...

Lin Hanxing looked at the things that Lei Xiao had placed in front of him, and could not help but laugh in his heart while shaking his head.

Gong Chen's luck was really bad!

The 'Queen's tear' crown that she wanted to buy for song Zhiyun was snatched away by Shangguan shixiu and presented to her. The thousand-year purple ginseng that she wanted to buy for song Zhiyun was also cut off by Lei Xiao ...

It was also delivered to her!

The audience burst into an uproar!

Lei Xiao clearly saw the other item placed in front of Lin Hanxing.

He slowly turned around and looked at Shangguan shixiu with a malicious expression.

The latter did not show any weakness.

The king would not see the king!

Compared to the tension on the other side, song Chenxi was a little uncomfortable.

The severe headache caused her face to turn pale even though she had put on makeup. The cold sweat on her back had already soaked her white shirt.

"I'm going to the washroom."

Song Chenxi said to her entourage, then stood up and left her seat.

Almost at the same time, Gong Chen's gaze followed her.

This feeling was completely out of his control. It was like his body's instinctive reaction, but the orders given by his brain were different. He was told to hurt her and hate her ...

Song Zhiyun noticed Gong Chen's slight daze.

He was a little nervous.

She subconsciously held Gong Chen's hand under the table.

When she saw him looking at her, her pale face revealed a weak smile.

It was like a young bird.

Seek protection.

"Chen, that purple ginseng ..."

Although she wanted the 'Queen's tear' tiara more, Song Zhiyun knew what to say to get the most pity, so he was willing to give up the diamond tiara.

"Don't worry, I'll get someone to talk to him."

Gong Chen said in a low voice.

On the other side, Lin Hanxing raised his head and looked at Uncle Liang.

Ever since the crown had been delivered, he had been standing at the side, waiting with his eyes closed.

"Give me Shangguan Shixiu's account number, and I'll buy this from him at twice the price."

Lin Hanxing said coldly.

Hearing this, Uncle Liang snorted coldly in his heart. He turned around and walked toward Shangguan Shixiu.

"Why are you still standing there?"

Lin Hanxing glanced at Lei Xiao.

No one else could see any change in his expression, but Lin Hanxing knew ...

Ah Xiao was not happy!

Hearing this, Lei Xiao glanced at her, then turned around and sat back in his seat.

His entire body was enveloped by the sinister aura field.

"I can buy it for you."

After a long while, the Thunder valiant beast, who was looking elsewhere, said these words in a seemingly unintentional manner.

If he knew that she liked that ...

He would have definitely gotten someone to strike first last night!

There was no need to wait for Shangguan to claim credit!

Lin Hanxing couldn't hold it in any longer. A faint smile appeared at the corner of his mouth, instantly melting the cold and distant feeling.

His hand reached out from under the table and held Thunder valiant beast's palm.

The man struggled arrogantly but when Lin Hanxing was about to let go, he nervously held his hand back.

I know. Even if I want the stars in the sky, my ah Xiao will buy them for me.

Lin Hanxing said softly, comforting the man who was about to explode.

"I have a use for this."

She said indifferently.

Soon, Gong Chen's attendant walked toward Lin Hanxing.

However, uncle Liang was faster than them.

"Young master said that what he gave to miss Lin is a gift to you, and you can do whatever you want with it! However, young master Shangguan only has one request ..."

Uncle Liang's expression became subtle, which was rare.

He unwillingly took out his hand from behind his back.

"....."

Lin Hanxing silently looked at the grass in uncle Liang's hand. It had been handled with the most careful care, and even if he touched it directly, it wouldn't hurt his hand. It was obvious that Shangguan shixiu always carried it with him.

"Miss Lin, please make him a grass Dragonfly."

When uncle Liang had heard this, he had thought that Shangguan shixiu was joking, but who would have thought that he would be so serious?

"I know."

Lin Hanxing took the things from uncle Liang's hands without looking at Shangguan shixiu.

Gong Chen's men also took the opportunity to speak.

"Miss, Mr. Gong wishes to buy the purple Sage ginseng in your hands. You can name your price."

His tone wasn't soft, and there was a hint of disdain for the Chinese in his voice.

Lin Hanxing ignored him and focused on what he was doing, as well as ...

From time to time, the Thunder valiant beast would 'accidentally' destroy the place.

"Don't mess around,"

Lin Hanxing stretched out his hand and pinched Lei Xiao's rough fingers. Even though he was unwilling, the latter did not play any more tricks.

"This young lady ..."

The other party impatiently urged him, but before he could finish, Lei Xiao suddenly raised his head and looked at him.

His eyes were cold and sinister.

Gong Chen's subordinate felt as if he was a prey targeted by a fierce beast, and he subconsciously shivered.

"He wants to buy it, so I have to sell it to him?"

Just as the other party was about to run away, Lin Hanxing finally spoke in a lazy tone. He glanced at the other party's face, which was obviously filled with fear and lingering fear.

"No matter how much it costs!"

Gong Chen's subordinate hurriedly added.

Lin Hanxing was done with the finishing touches, and a grass Dragonfly was lying quietly in her palm.

It was lifelike.

It had been a long time since she had made something like this.

His skills were very rusty.

"What a coincidence, the thing I lack the least is money!"

As Lin Hanxing spoke, he raised his head and looked at Gong Chen with a mocking gaze.

Her Jade-like fingers were still playing with the things she had just made up.

Arrogant!

He was too arrogant!

Uncle Liang, who was standing at the side, couldn't stop his mouth from twitching. He had a feud with Lin Hanxing since Jiang city, so he simply didn't pay attention to what was happening outside. He only waited for Lin xiaojiu to hand him the things so he could report back.

Song Zhiyun felt an inexplicable sense of danger and subconsciously wanted to hide behind Gong Chen.

However, after a while, he remembered that this was the cabinet's Parliament Hall. He couldn't tolerate her being so petty. He thought that his sister had gone to the washroom, so song Zhiyun decided to change locations to avoid a direct confrontation with that strange woman.

"Chen, I'm going to the washroom."

Song Zhiyun's voice was like a raindrop hitting Jasmine. Gong Chen, who was immersed in how to get the purple root, nodded. He had forgotten that song Chenxi had gone to the washroom. Otherwise, he would have sent someone to follow song Zhiyun.

Lin Hanxing handed the grass Dragonfly to uncle Liang.

Without looking back, uncle Liang turned around and walked toward Shangguan shixiu.

Gong Chen's subordinate also walked back to Gong Chen's side in anger.

Gong Chen frowned when he heard the other party's report. He got up and walked toward Lin Hanxing.

Yuan Kang, who was sitting next to Lin Hanxing, took out some melon seeds from somewhere and started munching on them. He had finally realized that anything that was impossible could become possible by following Lin xiaojiu around!

No matter how big a figure was, in front of her, they would have to bow down!

Uncle hai looked at Yuan Kang, who was treating the cabinet conference table as his own dining table. He couldn't help but kick the back leg of his chair with a blank expression.

Instantly, the melon seed in Yuan Kang's hand flew out!

F * ck, I won't eat it, alright?!

"Mr. Ley."

Gong Chen was the first to walk up to Lei Xiao. He didn't pay any attention to uncle hai or Yuan Kang.

His cold expression carried the air of a noble.

"I hope that the young lady beside you will be willing to part with these two items. In terms of price, I will definitely not let you suffer a loss." Gong Chen's attitude toward Lei Xiao was obviously much more cautious.

The pressure around Lei Xiao was at its lowest. He raised his head and glanced at Gong Chen gloomily.

He did not speak.

"I heard that Mr. Gong just got married not long ago. For you to be so willing to spend so much money, could it be ..."

Gong Chen didn't know if it was his imagination, but from the mouth of this woman who was as exquisite as a porcelain doll ...

He heard the sarcasm?

"Are you giving it to your new wife?"

Gong Chen's face instantly darkened when he heard the words 'newly-wedded wife'.

Song Chenxi, was she worthy?

"You don't know about this."

Yuan Kang, who was beside them, saw that there was a show to watch, so he interrupted.

"I'm afraid that Mr. Gong Chen is going to give his new wife's younger sister, song Zhiyun."

Gong Chen's sharp eyes instantly stared at Yuan Kang.

Naturally, he knew Yuan Kang's identity. In the yuan family, Yuan Kang was just an unremarkable nobody.

He could be crushed to death at any time.

Now, who gave him the courage to do so?

"Oh?"

Lin Hanxing chuckled, as if he did not care about the others' gazes.

Soon, she said something in fluent G language.

Gong Chen's expression suddenly turned ugly.

It was a local saying in country G. If translated into Mandarin, it would be a four-word idiom.

Qianqian had eyes but failed to see!

"I'm sorry, I need to go to the bathroom."

Lin Hanxing glanced in the direction that song Zhiyun had left from the corner of his eye and said lightly.

There were still 15 minutes before the start of the cabinet meeting.

The people from the second consort's faction had all arrived. On the other hand, the people from the first consort's faction had their heads drooped. All of them looked as if their energy had been sucked away. They were like the setting sun, without any signs of life.

Before Lin Hanxing got up, he leaned over and whispered something into Lei Xiao's ear. Then, without even looking at Gong Chen, he turned around and was about to leave.

However, he had only taken two steps when he seemed to have suddenly thought of something and stopped.

Her high heels spun on the floor and she turned back.

He looked at Gong Chen.

"Mr. Gong, I seem to have forgotten to tell you something."

Lin Hanxing reached out and touched the two items on the table, his tone neither warm nor cold.

"Don't covet things that belong to me without my permission, otherwise ..." He said.

She smiled, full of aura.

"Bear the consequences!"

[Chapter 1060](#)

1060 What a weak little white flower

In the washroom.

Song Chenxi rushed into the cubicle, squatted in front of the toilet, and kept retching silently.

Under her fair skin, the blue blood vessels were clearly visible. At this moment, they burst out. The pain caused by the severe headache was unbearable even for a man. However, song Chenxi stubbornly endured it and did not make a sound.

Footsteps could be heard from outside the cubicle.

“Sister.”

That was song Zhiyun’s unique voice. In the eyes of outsiders, it was a weak voice that song Chenxi, the strong woman, couldn’t learn.

Song Chenxi endured the pain and grunted.

“You won’t blame me and Chen for coming, right? I didn’t want to, but Chen said he was worried about me being alone ...”

Song Zhiyun had already put up a temporary cleaning sign outside.

There were only the song sisters in the huge washroom.

Song Zhiyun stood in front of the mirror and took out some powder to touch up her makeup. Her already pale face became even paler.

For a long time, there was no sound in the cubicle.

Zhenzhen, song Chenxi, you’re the most vicious woman I’ve ever met!

Yingluo, you disgust me.

Song Chenxi smiled bitterly.

That man really doted on Zhiyun as if he was the apple of his eye.

Towards her, all that was left was disgust.

“Sis, you and Chen haven’t ...”

Song Zhiyun closed the powder box in her hands. Her long eyelashes trembled slightly, revealing the fragility that could stir up a man’s desire to protect her. Her seemingly casual words stabbed song Chenxi’s heart.

Gong Chen had indeed not touched her in the three months they had been married.

that’s right. Even if you two are married, Chen will still sleep in my room.

Song Zhiyun deliberately made his words sound ambiguous.

In fact, even though Gong Chen was staying at her place, he had never touched her.

No matter what she hinted or hinted.

Thinking of this, song Zhiyun couldn't help but clench his fists.

'Damn it, what went wrong?'

With a click, the door of the cubicle was pushed open from the inside. Song Chenxi walked out with an expressionless face.

"So?"

Song Chenxi turned on the tap. The sound of the running water hid the weakness in her voice.

It was as if all the pain had never happened.

Song Zhiyun pouted.

Sometimes, she really hated her sister's impenetrable behavior.

It was as if nothing could affect her.

"Sister, there's only the two of us here now!"

Song Zhiyun said lightly.

Song Chenxi did not even look at her. She turned around and wanted to leave.

However, when a crisp slapping sound came from behind her, she finally succeeded in stopping her from leaving!

Song Chenxi turned around in disbelief and looked at song Zhiyun.

A red palm print appeared on her fair face!

"Are you crazy?"

The only response she got was song Zhiyun's weak and teary smile. He looked so pitiful with that slap.

sister, if I go out like this, will Chen believe you or me? "

Song Zhiyun covered her face and asked softly.

Song Chenxi did not respond. She only looked at her sister as if she was a stranger.

His heart was filled with sorrow ...

Pa pa pa pa pa pa ...

Suddenly, a crisp slap that no one expected suddenly sounded in the silent space.

The smile on song Zhiyun's face froze.

A panicked look flashed through her watery eyes.

Outside the partition wall of the decorative bathroom, a slender figure suddenly walked out slowly. Her fair fingers clapped together, making an extremely pleasant but untimely sound.

“How wonderful.”

The cold and emotionless voice made song Zhiyun subconsciously shiver.

It was her!

The woman who was dressed in luxurious cloud brocade and had the yuan family’s token on her hand.

Song Zhiyun’s intuition told him ...

She was in danger!

He wasn’t someone he could afford to offend with some small tricks!

Song Zhiyun’s eyes flickered and he subconsciously wanted to leave, but the moment he brushed past Lin Hanxing ...

But he suddenly stopped!

She slowly lowered her head and looked at the snow-white slender arm that was blocking her chest. Her long eyelashes trembled slightly.

“Miss song, you’ve invited me to watch such a good show for free. How can I not thank you properly?”

As Lin Hanxing tilted his head, the tassels on his hair comb made a soft sound.

Song Zhiyun’s heart skipped a beat.

Before he could react, his jaw was already firmly locked by a strong force!

It was so painful that she instantly cried out in pain!

For many years, song Zhiyun had never been treated so roughly because of the relationship between the song family and Gong Chen!

Her tears started to flow.

“Let go ...”

Song Zhiyun didn’t dare to imagine that the woman was so thin and weak, but she couldn’t break free from his grip!

“This handprint doesn’t look real enough!”

Lin Hanxing seemed to be talking to himself. The next second, there was a crisp slap and song Zhiyun fell to the ground.

With a thump, his entire body fell onto the clean floor!

Pain ...

It really hurt!

It was completely different from when he was hitting himself. Song Zhiyun only felt that half of his ears were buzzing.

Kada, kada.

The sound of high heels clicking on the floor could be heard, and a pair of black stilettos with straps came into song Zhiyun's view.

It made her whole body shiver.

Lin Hanxing's slender figure leaned against the sink. The slender fingers that had just slapped song Zhiyun turned the tap on inadvertently, and the sound of water covered song Zhiyun's sobbing.

"What a weak little white flower."

As he spoke, Lin Hanxing gently pressed the tip of his high heels against song Zhiyun's chin.

With a little force, he almost forced her to raise her head.

Blood seeped out of the corners of song Zhiyun's mouth.

Half of his face was swollen.

Her soft, long, and curly hair was scattered on the clean floor, looking as embarrassing as it could be.

Lin Hanxing could not help but recall Gong Chen's expressionless face.

How interesting.

She was looking forward to seeing Gong Chen's expression when he saw this.

"I didn't ... I didn't ... Didn't offend you!"

Song Zhiyun was in so much pain that his entire body was trembling.

She had come here to avoid a direct confrontation with her, so why did it become like this?

"There's a Chinese saying," the one who flirts with you first is cheap ..."

Lin Hanxing chuckled. For a moment, he saw a shadow of Cheng Lingyun on the seemingly weak face in front of him.

I'm just helping you turn a fake act into reality. By right, you should be thanking me.

If it wasn't for the fact that the conditions didn't allow it, song Zhiyun really wanted to roar!

Can't she be more shameless!

She still wanted him to thank her?

"Chen ... Won't ... Won't let you off!"

Song Zhiyun's jaw was lifted by Lin Hanxing in an embarrassing position. He struggled to say these words, but his eyes were looking at song Chenxi with resentment that others could not understand.

“Alright, why don’t we just wait and see how he won’t let me go?”

Lin Hanxing’s voice was filled with sarcasm and coldness.

The gong and song families were not on good terms with the yuan family in the business world to begin with. Ever since the marriage between the gong and song families, Gong Chen even had the intention of nibbling away at the yuan family’s power, which represented the Chinese.

As he spoke, Lin Hanxing bent down and grabbed song Zhiyun’s long hair, lifting her up forcefully.

“It hurts ...”

Song Zhiyun couldn’t help but cry out in pain. He had always been pampered, but when had he ever been treated like this?

“But before that, miss song, you have to pay some interest!”

.....

When Lei Xiao received the news from his bodyguard, his cold face did not change at all.

On the other hand, Gong Chen suddenly stood up.

His entire body was clearly shrouded in extreme anger, yet he looked towards Lei Xiao’s direction coldly. Even Uncle Yuan kanghai could feel the suffocating, excruciating anger.

“What’s the situation? Has Gong Chen lost his mind?”

Yuan Kang felt that it was strange. He picked up the cup in front of him and started drinking.

Uncle hai was expressionless.

She leaned over and told him the news she had just received.

There was a pfft.

The water in Yuan Kang’s mouth spurted out, and he coughed continuously.

“What did you just say?”

Yuan Kang’s eyes widened. Lin xiaojiu was going to turn the world upside down!

She had beaten up that piece of meat on Gong Chen’s heart?

Everyone in country G knew that song Zhiyun was weak and sickly. She could’ve easily passed out. Why did she have to choose song Zhiyun?

What if he killed him?

Since Lin Hanxing did not deliberately erase the traces, the news spread like wildfire throughout the inner Pavilion.

For a time, those who wanted to watch the show or those who wanted to observe started to discuss.

Apparently, Shangguan shixiu had also received the news, and a condoning smile appeared on his sickly and pale face.

Intentionally or not, he looked over at Lei Xiao and met his eyes.

send someone over. If even a hair on the cold star is missing, you will bring your head to me.

Lei Xiao's voice was filled with the dignity of a King.

It was just a mere song Zhiyun, his Hanxing could beat him up if he wanted.

If anyone else knew what the Thunder valiant beast was thinking, they would have vomited blood.

It turned out that in this man's eyes, Lin Hanxing was a treasure that no one else could touch. Other people's things were as worthless as grass. With such a difference in treatment, could he not be too biased?!

On the other side, Shangguan shixiu also ordered the bodyguards to follow.

isn't this Thunder valiant beast too indulgent with Lin xiaojie?!

Yuan Kang couldn't help but whisper.

But very quickly, a chill slowly rose from under his feet, uncontrollably flowing through his limbs and bones!

Lei Xiao's eagle-like sharp eyes had landed on Yuan Kang.

This was also the reason why he lost his composure.

"I won't say it, I won't say it, alright?" Yuan Kang's face immediately turned sad.

At the same time.

The entrance of the washroom was already surrounded by people who had heard the news.

Lei Xiao's bodyguard stood guard outside with an expressionless face.

The matriarch who was guarding them.

"This is too tragic ..."

Occasionally, there would be whispers, which immediately attracted the agreement of others.

this song Chenxi really doesn't give any face to her sisters. She's killing us!

Speaking of the grudges between the song sisters, everyone in country G knew about it. There were so many men in the world, but song Chenxi only had her eyes on her younger sister. Over the years, she had been showing her goodwill to Gong Chen countless times.

This time, it was even more excessive!

Because of this, even though everyone knew that song Chenxi was Gong Chen's official wife, most people acquiesced to him bringing song Zhiyun by his side.

However, song Chenxi was also a famous career woman in the business world. She usually had a domineering and strong style, so many people were guessing when this delicate balance would be broken!

He did not expect ...

It was now!

Suddenly, a powerful aura spread behind them, making them turn around in silence.

Gong Chen!

His entire body was exuding anger, like an Asura from hell, and his entire body was shrouded in Yin Chi.

There's a good show to watch!

"Move!" He shouted.

Following Gong Chen's voice, the others made way for him. The referee stretched his neck and waited for the situation to develop.

In the washroom.

Lin Hanxing lifted song Zhiyun's face, which was soaked in the basin, and let go of him. The woman fell limply on the clean floor.

At this moment, song Zhiyun was in an extremely sorry state.

Not to mention that her long hair was still dripping with water, even her clothes were unsightly.

His face, which was originally as pale as paper, had some blood in it due to the violent coughing.

The first person Gong Chen saw when he entered was song Chenxi!

She didn't know if it was because of the light, but her face was pale and she looked a little tired.

Gong Chen frowned. When he looked at the ground, he was furious!

"Zhiyun!"

Without a word, Gong Chen pulled song Zhiyun, who was on his last breath, into his arms. The bloodlust in his eyes was boiling as he looked at song Chenxi and Lin Hanxing!

"You can't stand your sister that much?"

Gong Chen spoke to song Chenxi in a cold tone.

These words were obviously the thoughts of everyone outside the door. For a moment, they were pointing and whispering.

Song Chenxi raised her head and looked at him.

The weakness and exhaustion after the severe headache were completely hidden by her.

"Don't you also want me to die?"

She spoke indifferently and returned to her usual cold appearance, as if Gong Chen's words didn't affect her at all.

"Song Chenxi!"

Gong Chen was furious. Song Zhiyun, who was in his arms, returned to his familiar embrace and finally couldn't help but sob.

He wasn't pretending this time.

Being tidied up like this, she was really in pain and aggrieved, and her whole body felt uncomfortable.

It's rare to see our young master Gong's face change. It seems that I've gained a lot!

Lin Hanxing looked at the two of them, who refused to back down, and his eyes were dazed for a moment. His fingers inadvertently turned the Dragon Ring on his finger, which symbolized the position of the Yuan family's master.

The two of them looked a little like aunt Mian and Yuan Shaojing.

"Chen, save me ..."

Song Zhiyun's hand clenched on his heart, and his weak voice reached everyone's ears.

It made one feel pity.

Miss Lin, is it your intention to make me, Gong Chen, your enemy? or is it the Yuan family's intention behind you? "

Gong Chen suppressed the boiling anger in his blood and spoke in a gloomy tone, causing the onlookers outside to subconsciously swallow their saliva. They didn't know if it was an illusion, but they felt suppressed by his aura and found it difficult to breathe.

Lin Hanxing could not help but chuckle when he heard the threatening words.

Although they knew that she was the main culprit behind Song Zhiyun's misery, the crowd couldn't help but be dazed when they saw such an intoxicating smile on her delicate little face.

It's ... Really good looking!

Gong Chen's sharp brows furrowed tightly. They looked like two sharp swords with a bone-deep murderous aura.

Since Mr. Gong has said so, I'd like to ask you ...

Lin Hanxing's cold eyes swept over Gong Chen.

Did second Miss Song steal my things out of her own will, or is it your brother-in-law's will? "

As soon as he finished speaking, everyone was in an uproar!
