

## **Goodnight 1061**

### [Chapter 1061](#)

1061 A mistake of one thought

Song Zhiyun stole her things?

Most of the people present did not believe Lin Hanxing's words.

Putting the song family's background aside, even if song Zhiyun wanted the stars in the sky, Gong Chen would pluck them for her ...

Why did he need to steal?

"You're talking nonsense!"

Song Zhiyun was in pain and angry. He didn't expect that woman to make such irresponsible remarks.

Lies came out of his mouth!

"Chen, you have to believe me ..."

Ever since he was born, song Zhiyun had never suffered such a loss.

Her tears fell down.

In other people's eyes, he was as pitiful as he could be.

"It's her and my sister ..."

Just as song Zhiyun angrily pointed at Lin Hanxing from Gong Chen's arms ...

A diamond bracelet fell from her body to the ground with a clatter!

Song Zhiyun was shocked!

This thing was not hers!

It was clearly ...

He subconsciously looked in Lin Hanxing's direction, and the moment their eyes met ...

Song Zhiyun swore that she had definitely seen ridicule and provocation in those cold and beautiful eyes!

She was provoking her?

A nameless flame of anger burned in his heart. Not to mention, Gong Chen was here, so song Zhiyun suddenly had confidence!

Although the diamond bracelet was not hers, she thought it was exquisite and beautiful. When she got close to the woman, she paid special attention to it and was prepared to ask Chen to make a special one for her when he went back.

I'm really curious. The gong family is so well-off, so why can't this brother-in-law even bear to buy a bracelet for his wife's sister? why would he need to steal it? " Lin Hanxing leaned lazily against the wall and said indifferently.

In the ears of others, it was so good that it made one's heart melt.

what a joke! This bracelet is mine! Chen gave it to me for my birthday!

Song Zhiyun's eyes were filled with tears as he nestled in Gong Chen's arms like a porcelain doll that would shatter with a single touch.

She was weak to begin with, and at this moment, she had aroused the sympathy of the public, so they naturally chose to stand on her side.

Song Chenxi laughed bitterly in her heart.

As expected.

It was like this every time.

Only crying children get candy.

Ever since he was young, as long as Zhiyun showed a sad expression, he would give up the things he liked no matter how much.

His family could still indulge Zhiyun, but this person in front of him ...

It was the ninth young lady!

Others said that she, song Chenxi, was a rare business genius in country G, but compared to the ninth miss, who could stir up storms and plan strategies without batting an eyelid, what was she?

I'm afraid this time ...

Suddenly, Lin Hanxing chuckled under everyone's accusatory gaze.

This smile was like the spring in winter!

It was so comfortable that even the condemning eyes that were originally aimed at her had disappeared.

"You said that the bracelet is yours?"

Lin Hanxing laughed sarcastically and spoke lazily.

Almost at the same time, she snapped her fingers beautifully.

The aura of a Queen was evident.

Lei Xiao's bodyguard appeared without a sound and picked up the diamond bracelet from the ground. He presented it respectfully to Lin Hanxing.

Song Zhiyun, I'll give you one last chance.

Lin Hanxing chuckled. The tassels by her ears were reflected by the sunlight outside the window, but her voice gradually turned cold.

Gong Chen frowned.

She had beaten Zhiyun up like this, and he hadn't even settled the score with her yet. Now, she was taking a mile after getting an inch?

Song Zhiyun felt a lump in his throat.

He didn't know if it was his own illusion, but the moment the woman's voice fell, the air in the entire space seemed to be sucked away bit by bit, making him feel more and more suffocated!

However, now that things had come to this, how could she suddenly change her mind and say that the thing was not hers?

As the saying goes, it's hard to get off when you're riding a Tiger ...

It was nothing more than this!

"Chen gave me this bracelet! With my status, ah 'Chen will buy me anything I want. Why would I steal yours?" Song Zhiyun bit the bullet and spoke.

In fact, she was extremely regretful.

If he hadn't been provoked by that woman's provocative gaze just now, why would he dig such a big pit for himself to jump into?

Song Zhiyun even began to suspect ...

Did the other party deliberately use that gaze to lure him into the trap?

But very quickly, song Zhiyun denied this ridiculous thought.

They had only met for the first time ...

pa pa pa pa ...

Lin Hanxing clapped his hands again. Almost reflexively, song Zhiyun shrank into Gong Chen's arms in fear.

"What a wonderful and beautiful speech!"

Lin Hanxing did not try to hide the mockery in his words.

please be my witness. If I wrongly accuse song Zhiyun, I will hand over the 'Queen's tear' and the Amethyst ginseng without any conditions. I don't want a single cent!

Lin Hanxing's words immediately caused everyone to gasp!

The 'Queen's tear' and Zixuan's participation were worth a fortune, and she just casually used it as a bet?

"But if I can prove that song Zhiyun is a thief ..."

Lin Hanxing looked around and finally fixed his eyes on Gong Chen's face.

The corners of his mouth curled up into an almost malicious smile.

I want this song Zhiyun to kneel in front of song Chenxi and shout 'I'm wrong' three times!

It was like water that couldn't be melted into a hot pot, and the crackling immediately caused everyone to boil.

She wanted song Zhiyun to kneel in front of song Chenxi?

And shout 'I'm wrong' three times?

Could it be that this beautiful fairy-like figure in front of him was found by song Chenxi?

Gong Chen naturally thought of what others could think of.

He suddenly turned his head to look at song Chenxi. His eyes were filled with ruthlessness, as if he wanted to swallow her alive.

However, when he met her stubborn eyes ...

His heart felt like it had been punched hard, but he couldn't say those cold words.

His brain was throbbing in pain!

"Change to another one!"

Just as song Chenxi was prepared to bear the hurt of Gong Chen's words, she saw him look away and speak coldly.

"Hehe, do you think you're buying vegetables at the market and letting you pick and choose?"

Lin Hanxing slowly turned the Dragon Ring with his fingertips.

An intimidating aura surrounded her, making people's hearts jump.

"Besides ..."

Her long eyelashes were slightly closed, and the mockery in her eyes was hidden.

I'm the one who's upset. I'm lucky to have heard about the grudges between the song sisters. Mr. Gong, which condition do you think would make me and the yuan family behind me feel better ...

"What?"

It was a simple word, but it was domineering!

Lin Hanxing cast a sidelong glance at Gong Chen, and the others who heard what she said suddenly came to a realization!

At first, they thought that this woman was hired by song Chenxi, but they forgot for a moment that this woman represented the yuan family. One must know that before the marriage between the gong and song families, the yuan family was in a balance of three powers. However, after the marriage, the balance was broken ...

As the saying goes, When two tigers fight, one will be injured. Why would song Chenxi join hands with the yuan family?

After coming to this conclusion, Lin Hanxing's request did not seem so ridiculous anymore.

This was killing two birds with one stone!

It wasn't just a slap to song Zhiyun's and the song family's faces, it was a slap to the gong family's faces!

As expected of someone who represented the yuan family!

"You ..."

Gong Chen had never expected that there would be such a difficult woman in this world other than song Chenxi.

"What's wrong? Didn't Mr. Gong trust song Zhiyun the most? It is said that they have been married for three months, but they have never left their wife's sister's side. They are so touching, why are they not even willing to say a few happy words?"

Lin Hanxing's voice was as lazy as it could get, but every word he said forced Gong Chen and song Zhiyun to the point where they couldn't fight back at all!

"I agree!"

Song Zhiyun felt his blood boil. Even his face changed after being ridiculed!

Anyway, it was just an ordinary diamond bracelet. At most, the design was a little more exquisite. Based on his sensitivity to jewelry and the fact that he had taken a few more glances just now, unless that woman could make the bracelet speak, otherwise ...

Hehe, he even wanted her to kneel down in front of her sister ...

In your dreams!

As song Zhiyun thought about this, his face began to hurt again.

'Damn it!'

She would definitely not spare her!

Absolutely not!

Lin Hanxing glanced at Lei Xiao's bodyguard. The latter quickly took the bracelet and walked to Gong Chen with an expressionless face.

Everyone's eyes followed the bodyguard's movement. After all, no matter who won or lost this bet, it would be a good show, and they, who were here to watch the fun for free, would not lose anything!

"Chen, put me down."

Song Zhiyun spoke gently. Her eyes were like pools of water as she looked at her sister Song Chenxi. Her whole body seemed to be sending out a 'I forgive you' signal. Her fragile appearance made people feel pity for her.

At this moment, Gong Chen's forehead was throbbing with pain, but he endured it with great difficulty, and no one could see it.

you said that this bracelet is yours. It's very simple. Put it on and let everyone see.

Lin Hanxing looked at song Zhiyun's face and said lightly.

She didn't even look at the people around her who were confused by song Zhiyun and were looking at her with sympathy. Instead, she casually fiddled with the Dragon Ring on her fair finger, her cold eyes filled with playfulness.

It was just a bracelet ...

Song Zhiyun laughed awkwardly, but still put on a timid expression. He reached out and took the diamond bracelet from Lei Xiao's bodyguard, then made a gesture of undoing the buckle and putting it on his own hand ...

In an instant, song Zhiyun's body stiffened.

She lowered her head in disbelief, her fingers frantically searching for the open button on the diamond bracelet.

It only took a few seconds, but she dragged on for a minute!

The onlookers outside were waiting for song Zhiyun to put on the bracelet and slap him in the face with sympathy. They didn't expect that the longer they waited, the more song Zhiyun didn't even undo the diamond bracelet.

This ...

Even Gong Chen was frowning as he looked down at song Zhiyun's flustered actions.

Zhiyun had lied.

A cold voice seemed to be speaking to him in Gong Chen's mind.

That voice had been there for a long time, appearing and disappearing from time to time.

At first, Gong Chen thought it was just his imagination after he was seriously injured. However, later on, every time he saw song Chenxi, he would loathe her deeply and hurt her almost cruelly. That cold voice would always appear.

He stopped himself.

At the thought of this, Gong Chen subconsciously looked in song Chenxi's direction.

She had her usual stubborn expression, but there was also a paleness that others could not notice.

Song Chenxi, are you not feeling well?

I'm going to die.

I said, I'm going to die.

When that slightly trembling voice resounded in his mind, Gong Chen's cold and deep eyes were a little unfocused.

Why can't I untie it!

Why can't I untie it?

The longer they dragged on, the more flustered Song Zhiyun's hands became. He was so annoyed that he wanted to just pull them away!

Kada, kada.

However, they heard the sound of Lin Hanxing's high heels stepping on the clean floor, which was shocking!

Gong Chen suddenly came back to his senses.

He suddenly pulled Song Zhiyun into his arms and glared at Lin Hanxing.

Lin Hanxing did not even look at him.

It was as if there was no such person in front of him at all. The aura of a superior exuded from his bones, and when others felt it, it was exactly the same as the feeling that Lei Xiao gave people, it was extremely unforgettable!

She quickly walked up to Song Zhiyun and slowly reached out her palm.

It seemed to contain enough power to overturn the universe.

Song Zhiyun didn't even think about it as he clutched the bracelet tightly and hid in Gong Chen's arms.

Miss Song, you're really interesting. You said that this bracelet is yours, but you can't even unbuckle it. Now, you want to take it for yourself in front of everyone. How do you expect these people who believe you to feel? "

Lin Hanxing said coldly, the mockery in his eyes deepening.

This seemingly casual sentence, when it fell into the ears of others, for some reason, it made people feel a sense of righteous indignation!

Originally, it had nothing to do with these people. However, for a moment, it was as if their interests had been damaged. Pairs of eyes filled with anger fell on Song Zhiyun.

Those who could enter the inner Pavilion were not fools. What else did they not understand when they saw this scene?

"You ... What evidence do you have to prove that this is yours?"

Song Zhiyun said, avoiding the main point.

She didn't want to!

She would never kneel in front of her sister and admit her mistake!

As he spoke, he waved his hand that was still holding the bracelet in front of Lin Hanxing, and the diamonds made a soft sound.

There was a loud slap.

No one saw what Lin Hanxing had done. Song Zhiyun cried out in pain as the bracelet flew through the air in a parabolic trajectory. Before it could fall, Lin Hanxing had already grabbed it back in his hand.

His movements couldn't be any more skilled as he pushed open the well-hidden APAs. No one could even see his movements clearly.

Just now, Song Zhiyun had spent a full two to three minutes to complete this task, but Lin Hanxing had done it effortlessly!

"You're asking me if I have any evidence to prove that this is mine?"

Lin Hanxing slowly put the bracelet back on. The White wrist and the broken diamond complemented each other well, and anyone could see that they were a good match. Then, he thought of what Song Zhiyun had said before ...

Many people began to doubt from the bottom of their hearts. Was the Song family's second young miss really as kind and harmless as she looked on the surface?

Lin Hanxing gently brushed his finger across a wild jasmine petal made of white diamonds. His movements were gentle, and his long eyelashes, which were like black down feathers, trembled.

When she looked down at the bracelet, it was as if she was looking at her lover.

Lin Hanxing did not say anything and the others just waited as if this was a normal thing. Even they did not realize it and did not feel reluctant at all ...

Time passed by.

Suddenly, heavy footsteps could be heard coming from nearby.

He left behind the aura of a King wherever he went.

"Mr. Ley!"

The bodyguards who were standing guard at the door saluted the person respectfully in unison ...

## [Chapter 1062](#)

1062 How does it feel to be framed?

Thunder owl's hard and clear carved face was favored by God.

The luxurious dark-colored tailored suit that symbolized civilization could not hide the coldness and alienation in her bones.

Just by standing there, he gave people a strong sense of oppression that made it difficult to breathe!

He walked past the crowd and headed towards Lin Hanxing.

“Have you had enough fun?”

Lei Xiao’s words were simple, his noble face devoid of any warmth, but if one listened carefully, it was hard to hide his pampering.

As soon as he finished speaking, his eagle-like eyes glided towards Gong Chen.

The cold aura was intimidating!

Song Zhiyun’s heart trembled and his legs went soft when he was swept by such a pair of eyes.

“You’re injured?”

Lei Xiao’s magnetic and deep voice rang out, so pleasant that it made the women present dizzy.

As he said this, his indifferent eyes were still on Song Zhiyun’s face.

In the eyes of others, those words seemed to be directed at her.

Song Zhiyun also thought so.

Her long eyelashes blinked slightly, and soon, bean-sized tears rolled down from her eyes. Her fragile appearance was as if she had been swept by a storm. She was soft and tender, making people feel pity for her.

Song Zhiyun nodded lightly at Lei Xiao.

“Here, and here ... She’s the one who hit ...”

Before the woman could finish her words, Lei Xiao’s sharp brows had already tensed up, and his eyes were filled with impatience.

“Did I ask you?”

“.....”

Upon hearing this, the surroundings were silent at first, then everyone’s eyes turned to Song Zhiyun, who had been ‘delusional’ and complaining pitifully.

At this moment, she finally realized what was going on and looked at Lei Xiao with a dumbfounded expression.

He was not asking her ...

Then who was he asking ...

Lei Xiao’s nearly 1.9-meter tall, well-built figure stood firmly in front of Lin Hanxing. His large, powerful palm held her small, Jade-white hand and carefully examined it back and forth. After confirming that the pair of hands were still the same as when they came, the cold expression on his face finally looked better.

“It’s all red.”

The Thunder valiant beast said in a low voice.

“.....”

“.....”

Everyone who heard this was dumbfounded. They just looked at the two people with their mouths wide open.

“I can’t help it, her skin is thick.”

Lin Hanxing’s simple words made song Zhiyun’s eyes widen in disbelief.

Was there still justice in this world?

It was one thing for that woman to distort the truth, but the president of the Lei Corporation was actually protecting her without any bottom line?

She was the victim, alright?

Why did it seem like that woman was the weaker one?

She blushed and wished she could just dig a hole and bury herself in it.

Gong Chen’s cold features were extremely tense. He looked at the man and woman not far away with a dark gaze.

He reached out and pulled song Zhiyun into his arms.

Just as he was about to speak, he saw Lin Hanxing scoop up Lei Xiao’s powerful wrist, revealing his hidden Black Watch.

There was a red dot on it.

The special notifications kept coming.

“Did you see that?”

Lin Hanxing successfully cut off Gong Chen’s words, and there was an indescribable interest in his cold tone.

She tapped the Thunder valiant beast’s dial with her fair finger.

Even the onlookers could see his actions clearly.

now, miss song, you still dare to say that this bracelet is yours in front of so many people? ”

Lin Hanxing’s lazy tone was filled with sarcasm.

Lin Hanxing’s eyes fell on the little white flower’s face. His gaze was filled with provocation. With the presence of Lei Xiao, who was like a Demon King in the eyes of the people around him, Lin Hanxing turned the situation around without much effort.

The opponent was still too weak ...

Lin Hanxing sighed in his heart. He could almost imagine what methods song Zhiyun would use to escape if he didn’t want to kneel and admit his mistakes!

“Chen ...”

Song Zhiyun timidly tugged at Gong Chen’s shirt. She absolutely didn’t want to apologize to her sister.

Especially in front of so many people!

Or kneel down and admit your mistake!

Absolutely not!

“Mr. Ley ...”

Before Gong Chen could finish speaking, Lei Xiao had already extended his hand to stop him.

The cold action was an unreasonable refusal.

“I will do whatever Hanxing wants me to do.”

As he spoke, Lei Xiao raised his hand and pushed Lin Hanxing’s long hair behind her ear.

The underlying meaning was clear.

Even if she asked him to commit murder and arson, he would definitely only be the one to stab her with a knife and pour oil on her!

Gong Chen’s expression was wonderful.

He took a deep breath and turned to look at Lin Hanxing.

“Lin ...”

This time, Gong Chen only said one word. He was the one who stopped when he saw Lin Hanxing’s mocking eyes.

“Say it.”

“Why don’t you continue?”

Lin Hanxing cast a sidelong glance at Gong Chen.

Gong Chen had never encountered such a tricky situation in his life.

“No matter what happened in the past, you’ve also hurt Zhiyun. Why don’t we call it even?”

Lin Hanxing’s sneer was the only reply Gong Chen got.

“Even?”

Lin Hanxing looked as if he had heard a funny joke, his exquisite face was filled with obvious disdain!

this song Zhiyun, I’ve already beaten him up. What do you mean even? ”

Lin Hanxing walked leisurely to Gong Chen in her high heels, like a proud Queen who could not be profaned.

“Miss Lin, do you have to be so ruthless?”

Gong Chen saw Song Chenxi's shadow in the woman in front of him.

He was just as arrogant and despotic.

He was just as cold and aloof.

"Mr. Gong, are you insistent on protecting her?"

Lin Hanxing chuckled. There was no fear in his words, and he spoke as he pleased.

For a time, the atmosphere was tense.

Song Zhiyun looked in Lin Hanxing's direction in fear, as if he had never expected things to develop like this.

It was clearly very smooth every time.

Ah 'Chen would clearly feel more and more tender towards her every time!

But why did it end up like this?

"You're clearly the one who's trying to frame me!"

Song Zhiyun couldn't take it anymore. She faintly felt that her reaction was being controlled by that woman. Otherwise, why would she have done such a stupid thing under the stimulation of her gaze just now?

Lin Hanxing could not help but sneer.

"Just now, everyone here heard you. You said that the bracelet was yours and even made a bet with me. Now you're accusing me of framing you? Do you think they're stupid?"

Lin Hanxing's voice was cold as he calculated the time in his heart.

"I'll ask Mr. Gong one last time ..."

As time passed, Lin Hanxing's limited patience was running out. Even the smile on her delicate face was slowly fading.

If Yan Beiming was here, he would definitely be cursing in his heart before bringing his beer, mineral water, peanuts, melon seeds, and Eight Treasure porridge to a position with the best view and patiently waiting to watch the show!

Are you really going to insist on protecting Song Zhiyun and not fulfill your promise? "

Lin Hanxing's request was very simple. Either Song Zhiyun knelt down and apologized immediately so that they would not waste each other's time, or ...

As soon as he finished speaking, Thunder Valiant shot a silent glance to the side.

The bodyguards spread out silently.

Perhaps it was because the movement was too quiet, the onlookers who were only paying attention to the few people in the field didn't notice.

Song Zhiyun pretended to bury his face in Gong Chen's arms again.

Before that, he did not forget to look at his sister, song Chenxi, with a smug look.

She wanted her to know ...

No matter what the situation was, Gong Chen would always be on his side!

In the next second, the situation suddenly changed!

"Ah ..."

Before song Zhiyun could retract the smile on his face, he felt a sharp pain in his scalp. Before he could hug Gong Chen, his entire body leaned back uncontrollably!

Her long curly hair was caught by the Jade-like hand, and she screamed in shock!

Gong Chen wanted to snatch song Zhiyun back at lightning speed, but just as he raised his hand, he was stopped by Lei Xiao with lightning speed!

He couldn't move at all!

Lin Hanxing pulled song Zhiyun's waist-length hair and walked in song Chenxi's direction.

No matter how much song Zhiyun struggled, Lin Hanxing's steps were as steady as a mountain, and his body didn't tilt at all.

She was even wearing stiletto heels!

let me go ... Ah ... Chen ... Save me ...

Song Zhiyun felt like his scalp was about to split open.

She had never been treated so roughly in her life, and her tears fell.

"How does it feel to be falsely accused?"

Suddenly, a cold voice rang in song Zhiyun's ears.

It made her heart tremble.

Lin Hanxing's simple and brutal actions also shocked the onlookers.

"F \* ck ..."

Yuan Kang's voice came from the door of the washroom. He looked at the scene in front of him in shock. He did not feel good at all!

Originally, Yuan Kang couldn't help but join in the fun when he saw Lei Xiao leave. He didn't expect to see such a fierce scene. On the other hand, uncle hai, who was standing beside Yuan Kang, was expressionless.

He just glanced at Yuan Kang.

It was obvious that he was disdainful of his lack of experience!

With a loud thud, Lin Hanxing kicked song Zhiyun's knee hard. The latter knelt down in front of his sister, song Chenxi, without any preparation. His eyes widened in disbelief!

"....."

"....."

"....."

Such a simple and brutal method was really ...

It was unheard of!

"Lei Xiao, you've gone too far!"

Gong Chen looked at song Zhiyun, who was forced to kneel in front of song Chenxi by Lin Hanxing, and his eyes were filled with ferocity!

On the other hand, Thunder valiant.

He only glanced at Gong Chen with a cold gaze. The pressure of a superior was unquestionable.

"Gong Chen, if you dare to say anything bad about our ah Xiao again, I'll cut this piece of meat in your heart into a thousand pieces!"

At this moment, Lin Hanxing was no longer as cold as he was at the beginning. The corners of his mouth were curled up in a teasing smile, making people feel a chill that came from the bottom of their hearts and spread all over their bodies!

Was her man someone who could be casually mentioned by any Tom, Dick, or Harry?

Lin Hanxing clasped the back of song Zhiyun's head with his five fingers and looked up lazily to meet Song Chenxi's eyes. A deep smile flashed in his eyes.

"Song Zhiyun, do you want me to help you or do you want me to do it?"

Lin Hanxing's voice resounded through the entire washroom.

"Don't touch me! Ah 'Chen, save me!"

Song Zhiyun propped himself up, his already pale face looking like a sheet of paper. Lin Hanxing couldn't help but feel annoyed at his constant struggle.

So, before song Zhiyun could finish his sentence, Lin Hanxing had already grabbed the back of her head and pressed it against the ground with a loud thud.

"You'd better think carefully. As long as you don't say those three words, this kowtow won't count!"

Lin Hanxing's voice was flat.

It was as cold as ice in the middle of winter.

Around them, Gong Chen's bodyguards and Lei Xiao's bodyguards were confronting each other, guarding the place tightly.

At first, song Zhiyun bit her lower lip and didn't say a word. Although she knew Lei Xiao's identity, a strong Dragon couldn't suppress a snake in its own territory. She didn't believe that those two people would really ignore the background of song group and Gong group and do whatever they wanted!

However, when Lin Hanxing grabbed the back of her head impatiently and kowtowed a few times to song Chenxi, and Gong Chen, who was not far away, could not break through Lei Xiao's line of defense no matter what, she finally cried out in pain!

"I'm sorry ... I'm sorry ..."

"Song Chenxi!"

Gong Chen roared at song Chenxi, and his forehead began to hurt again!

"That's your sister!"

His sharp eyes met with song Chenxi's eyes, which were as blue as the lake.

Her eyes ...

There was a strong sense of self-mockery, a faint disappointment, and a calmness that gradually returned to calmness.

"What's wrong? Am I not worthy of my sister's three apologies?"

The feeling of exhaustion caused by the previous severe headache gradually faded, and she returned to her calm and self-restrained image of a strong woman.

Perhaps other than herself and Lin Hanxing ...

No one would ever know how she had walked on the line between life and death just now.

"In your opinion, I'm used to doing things without restraint ..."

Song Chenxi snorted coldly and looked down at song Zhiyun with a complicated expression. It was obvious that Lin Hanxing had completely subdued song Zhiyun.

This time, it was no longer a disguise.

Her younger sister had really suffered!

She, song Chenxi, accepted the deep disgust in Gong Chen's eyes!

Since she didn't have long to live, why should she be like before?

"Gong Chen, you owe me this!"

Song Chenxi met Gong Chen's eyes and stubbornly straightened her back as she spoke, as if she wanted him to hate her enough!

"Second song Missy, let's start."

Lin Hanxing's long eyelashes fluttered slightly, and all the emotions in his eyes were completely hidden.

There was a thump.

"I ... I was wrong ..." He said.

There was a second thump.

"I was wrong ..."

There was a third thump.

"I was wrong ... I was wrong!"

Song Zhiyun sobbed and sobbed. Her voice was so weak that it made people's hearts tremble.

They all looked at Lin Hanxing with a look of condemnation.

Even if he had stolen a bracelet, he didn't have to use such a cruel way to wear down the little girl's self-esteem!

After three snorts, Lin Hanxing let go of song Zhiyun's hand and let him fall to the ground.

Uncle hai walked over and handed her the wet tissues he had prepared.

Lin Hanxing took it expressionlessly and wiped his fingers coldly and carefully.

A crying child indeed gets candy!

"Ah Xiao ..."

Lin Hanxing said indifferently.

This time, Lei Xiao quickly stepped aside and allowed Gong Chen to run quickly towards song Zhiyun. He pulled song Chenxi into his arms right in front of her, and his bloodthirsty eyes met song Chenxi's eyes at a close distance.

Xuxu, Chenxi, you are the most important person to me.

Yingluo, if I forget you one day, Chenxi, you must constantly remind me.

Xuxu, Chenxi, I love you.

Looking at the man who hated her to the core, song Chenxi kept thinking about the past.

Was the ninth young lady getting closer to death ...

The more he missed the past?

Song Chenxi did not ask this question.

Perhaps to her, it no longer had any meaning.

ah 'Chen ... I want to go home ... Go back to our home ... Ah' Chen ...

Song Zhiyun cried in Gong Chen's arms.

Sister Yingluo, there are only the two of us here now!

Yingluo, are you crazy?

Sister Yingluo, if I go out like this, will Chen believe you or me?

Suddenly, a weak and innocent voice sounded.

Song Zhiyun's crying came to an abrupt stop as he stared at Lin Hanxing with wide eyes ...

### [Chapter 1063](#)

1063 It's not who can cry more, who's in more pain

Not only her, but the other onlookers were also shocked when they heard this!

This was clearly song Zhiyun's voice!

For a moment, everyone's eyes wandered back and forth between Lin Hanxing, who was lazily fiddling with his phone, and song Zhiyun, who was trembling in the rain.

What was the direction of this plot?

Gong Chen was stunned.

"How can I enjoy such a wonderful conversation between sisters alone?"

Lin Hanxing said indifferently.

The coldness and mockery in his voice were clear.

Standing at the intersection of light and shadow, he seemed to be able to see through people's hearts with just a glance!

"Don't you want to explain? Second miss song?"

Her long black eyelashes blinked, and the entire situation that was in song Zhiyun's favor was completely overturned!

Lin Hanxing glanced at song Zhiyun, who was in Gong Chen's arms.

The little white flower bit her lower lip tightly as if she had been hit by the wind and rain, shaking like a sieve. Her pitiful appearance didn't arouse the sympathy and support of the people who had fought to give her in the past. Instead, they looked at song Zhiyun with strange eyes.

Song Zhiyun didn't expect this.

The disguise that had worked so well in the past was completely ineffective this time!

What to do!

What should he do?

It was all that woman's fault!

Who asked her to be a busybody? Who asked her to actually record it?

Song Zhiyun subconsciously glared in Lin Hanxing's direction and wanted to tear her face apart!

However, the moment their eyes met, song Zhiyun was the first to lose!

It was too cold!

Those eyes were so cold that even though the weather was hot outside, just looking at them would give one goosebumps.

Song Zhiyun had never lost so badly in his entire life!

“Zhiyun ...”

Gong Chen’s deep voice rang out from the top of her head, causing song Zhiyun’s heart to tighten.

Ah ‘Chen ...

“No... It’s not like that ... Chen ... You ... I ...”

At this moment, song Zhiyun’s usually smart mind was completely blank. He couldn’t even find a suitable reason. In a fit of anger, his eyes rolled back and he collapsed in Gong Chen’s arms, unconscious!

“Are you really fainting?”

Since Lin xiaojiu and Yuan Kang were now in the same boat, Yuan Kang would naturally spare no effort to help her build up her reputation.

He spoke in a deliberately rascally manner.

It attracted the attention of others.

Seeing song Zhiyun fall into Gong Chen’s arms, Lin Hanxing stuffed his phone into Lei Xiao’s suit pocket.

To Lin Hanxing, it didn’t matter if song Zhiyun was really unconscious or if he was faking it. Once the seeds of suspicion were planted in other people’s hearts and then sprouted, her goal would be achieved.

In the story of ‘the wolf comes’, the one who killed the child was no one else ...

It was himself!

“Mr. Gong ...”

Lin Hanxing looked at Gong Chen, who had picked up song Zhiyun and was about to leave, and said calmly, “

if you want to send her back personally, you may not be able to make it in time for the cabinet meeting later.

She ‘kindly’ reminded him.

Gong Chen’s muscular back stiffened.

Yuan Kang, who was standing at the door, burst into laughter.

The crowd looked at him, baffled.

Yuan Kang would rather die than say anything. He had clenched his hands when he saw the white flower hairpin in Gong Chen's arms.

If it wasn't for the inappropriate occasion ...

Yuan Kang really wanted to give Lin xiaojiu these four words ...

A Gu treatment expert!

After saying that, Lin Hanxing did not look at Gong Chen anymore and extended his hand to Lei Xiao.

The soft white palm was facing up.

With complete trust, even that good-looking little face was no longer cold and mocking, so beautiful that it was eye-catching!

"Let's go back,"

When he heard Lin Hanxing's obviously happy voice, Lei Xiao's cold and sinister eyes turned warm. Before anyone could regain their senses, his powerful palm had already grabbed her small hand tightly.

"Yes."

He liked it when his wife was happy after torturing scum.

Holding his wife's hand, Lei Xiao walked out of the washroom.

The bodyguard followed him in silence.

Lin Hanxing suddenly stopped when he passed by Gong Chen.

Her beautiful eyes didn't even look at Gong Chen.

He looked forward.

"It's not about who can cry more, who is in more pain."

As if there was no direction, Lin Hanxing left after saying this ...

.....

In the corridor, Lin Hanxing's hand was held by Lei Xiao as the two of them walked towards the main hall.

Uncle Yuan kanghai and the rest of the bodyguards followed closely behind.

He was wearing a black suit and looked Grand, just like a scene that would only appear in a movie!

Yuan Kang swore that he had never been so imposing in his entire life.

No wonder Yuan laosan was so greedy for power. It turned out that the happiness that power brought ...

This was really unimaginable!

As he thought about this, Yuan Kang became even more curious about Lin xiaojiu, who was walking in front.

According to his investigation, she was just an orphan of the Lin family who had been missing for 18 years. Although the Lin family was considered a wealthy family in Jiang city, even their own daughter's aura was Just So So (that's all). This Lin xiaojiu ...

He was a bug-like existence!

Looking at her appearance, she should be the kind of person who had been pampered at home and would not pose the slightest threat to others, but in fact ...

If you dare to touch her reverse scale, you will be more ruthless than anyone else.

Everyone said that song Chenxi was arrogant and despotic, but in Yuan Kang's opinion, song Chenxi's ruthlessness towards her business enemies was not even one-tenth of Lin xiaojiu's.

She really had that ability!

Moreover, Yuan Kang's intuition told him that she was not acting so confident because of a man.

So ...

It was because she was ...

Lin Hanxing, who was walking in front, seemed to have sensed the probing gazes from behind him. He suddenly stopped and turned around to look at Yuan Kang with his precise intuition. His cold eyes brought a different kind of shiver.

Yuan Kang suddenly shivered and pulled his neck back.

His appearance was extremely coy!

"You guys head over first."

It was obvious that Lin Hanxing had no intention of pursuing the matter with Yuan Kang, he only gave the order in a cold tone.

Yuan Kang was about to ask her where she was going when uncle hai glared at him ...

He instantly became well-behaved.

Soon, everyone had left.

Lin Hanxing's eyes scanned the surroundings. After making sure that there was no one else around, he tugged at Lei Xiao's wrist.

"What?"

The man's deep and rich voice was so pleasant to hear that it made one's hair stand on end.

The sunlight reflected into his eyes, and the original deep darkness was replaced by a thick amber color. Lin Hanxing's breath caught in his throat.

Her man was so good-looking!

Lin Hanxing pulled Lei Xiao into the blind spot of the surveillance camera at the corner of the corridor.

Then, she put her palms together and looked up at the Thunder valiant beast, her eyes twinkling like stars.

“I’m sorry!”

She suddenly apologized to him.

Thunder owl was stunned for a few seconds, then he raised his hand and brushed her long hair behind her ear.

“What’s wrong?”

The cloud brocade, which was a deep green to ink-white color, made Lin Hanxing’s small face look even more beautiful.

The edges of the silver silk su embroidery bloomed in the sun.

It was lifelike.

At this moment, Lin Hanxing was like a child who had done something wrong. His long eyelashes trembled slightly and he bit his lower lip.

He looked a little uneasy.

The Thunder valiant beast laughed.

The cold and emotionless face in the eyes of others instantly became very gentle.

#### [Chapter 1064](#)

1064 Our Hanxing is always right

“I used the bracelet you gave me.”

Even though he was having a good time beating up trash, Lin Hanxing still felt a little guilty.

It was a gift from ah Xiao after she returned to Jiang city.

Afraid that he would be angry, Lin Hanxing decided to admit his mistake and try to get a lighter sentence.

After saying that, she simply closed her eyes.

They waited for the results.

For a long time, she did not hear any movement from the man opposite her.

Lin Hanxing’s eyes opened slightly.

In the next second, a strong and powerful arm pulled her into his embrace, so tight that not even a gap could be seen.

“Are you happy?”

The Thunder valiant beast’s voice resonated through his muscular chest.

Lin Hanxing looked up at the man in his arms.

Although it was just three simple words, Lin Hanxing knew that Lei Xiao was asking her if she was happy to beat up a scumbag.

She nodded her head like a chicken pecking at rice.

The sound of tassels colliding with each other was heard, and the morning light rippled.

“As long as you’re happy.”

Lowering his head to look at his wife, Lei Xiao’s rough fingers gently brushed past her eyebrows.

The first rule of the Lei family was to spend your own money to make your wife happy!

The second rule of the Lei family was that whatever the wife said was right!

The third rule of the Lei family was that when the wife was bullied, she had to unconditionally torture the scum, and when the wife did, she had to be unconditionally blind.

The fourth rule of the Lei family ...

These were the essence of the husband-training rules that mother and father Lei had concluded after living for decades.

All the men of the Lei family must abide by this rule!

In other words, in the Lei family, the wife was heaven and earth. If she said something from the East, you couldn’t say anything from the West!

“You’re really not angry?”

Lin Hanxing tilted his head and looked at him. When he faced his man, his coldness was replaced with a cuteness that only Lei Xiao and the Lei family could see!

“Our Hanxing is always right!”

Lei Xiao leaned close to her ear and said in a deep voice, while using his thin lips to press on her ear.

Immediately, a numb feeling spread from his spine to his spine.

How detestable!

That’s too against the rules!

It made her feel as if she had lost!

Lin Hanxing mumbled in his heart. He felt his heart thumping and his cheeks burning!

“But ...”

Suddenly, Lei Xiao changed the topic, his tone slightly dangerous.

Lin Hanxing acted as if he was being called out by an instructor during military training, his expression serious as he waited for him to continue.

“You’re not allowed to lose me!”

Lei Xiao said these words extremely seriously, his pupils containing a deep dark light.

His rough fingertip touched Lin Hanxing’s small nose.

Almost immediately, Lin Hanxing lifted his hand and held Lei Xiao’s finger in his palm. Then, he leaned over and planted a gentle kiss on his finger, his long eyelashes blinking.

“I’ve said it before, my man is not part of the bet!”

Lin Hanxing had mentioned it when he confronted han mingmei at Y. R.

Her ah Xiao could only be hers!

“Forever!”

Shaking Lei Xiao’s arm, Lin Hanxing tilted her head and looked at the smile on his face, which he was trying to hide. He was obviously very happy, but he did not want to show it in front of her.

“Ah Xiao, do you see anything wrong with my lips?”

Lin Hanxing blinked and raised his head to ask casually.

The Thunder valiant beast had just leaned over ...

However, Lin Hanxing suddenly reached out and wrapped his arms around his neck. He leaned forward and kissed his thin lips.

She was smiling like a little fox that had finally succeeded!

He looked satisfied.

Lei Xiao was caught off guard and was caught by her.

Helplessly, she first clasped Lin Hanxing’s waist with both hands, then wiped the color of her lips with the pad of her thumb.

“I didn’t have the time to see if the flowers were spent just now, but now ...”

His voice sounded a little hoarse.

In a flash, he pushed Lin Hanxing against the wall and leaned down again ...

After a long time.

“I’ve spent it.”

How could a little fox fight against an old fox who wanted to tear her apart and eat her?

Lin Hanxing's legs went soft.

It was like his bones had been pulled out!

"If we don't hurry up, we'll be late."

Lei Xiao held her waist with one hand to prevent Lin Hanxing from falling to the ground. He casually glanced at his watch and saw that there were only three minutes left before the cabinet meeting.

"Just you wait!"

Lin Hanxing poked Lei Manjin's thin waist with one hand, obviously unconvinced.

"Let's wait and see,"

.....

When Lin Hanxing and Lei Xiao returned to the meeting place, the originally lively inner hall was silent for a moment.

It was obvious that what had happened in the washroom had been spread throughout the entire venue through the mouths of bystanders.

Everyone looked at Lin Hanxing with a strange expression.

As for Lei Xiao, the wife-protecting devil, his expression turned cold again. He held Lin Hanxing's hand and walked towards their seats. On the other hand, Gong Chen and Song Chenxi, who had returned to their seats, did not have Song Zhiyun in the middle ...

Even though there was still some distance between them, it was the first time in three months.

According to the time, the great wangfei and the second wangfei should have arrived together before the cabinet meeting, but the empty door clearly did not look like someone was going to appear.

Lin Hanxing pursed his lips and glanced lazily at the two items on the table.

He seemed to have thought of something and whispered something into Lei Xiao's ear.

Lei Xiao looked in Song Chenxi's direction and nodded expressionlessly.

There was a crack.

As Lin Hanxing stood up and the seat moved back, everyone's eyes focused on her face again.

She was holding the 'Queen's tear' and the purple root in her hands as she walked towards Song Chenxi.

After a muffled sound, the two items were placed in front of her.

Song Chenxi, who had a calm expression on her face, looked up and met Lin Hanxing's eyes.

"Here, for you."

Lin Hanxing's indifferent words caused an uproar among the crowd.

Even Yuan Kang, who was not far away, widened his eyes.

What a prodigal!

Do you know how much these two things are worth?

He just gave it away so casually?

Song Chenxi was stunned for a moment and subconsciously wanted to refuse.

However, before he could say anything, Lin Hanxing's lips curved into a meaningful smile.

Even the mole at the corner of her eye was intoxicating.

"A true queen shouldn't cry so easily."

A thousand-year-old purple Sage ginseng was like a flower on top of a brocade for Lin Hanxing.

However, to Song Chenxi, who was on the verge of death, it was like charcoal in the snow. She needed to recuperate.

"There are so many witnesses here. I don't think Mr. Gong will turn around and ask Miss Song for it for second song, right?"

Lin Hanxing slowly walked up to Gong Chen in his high heels.

He suddenly placed his hands on the table and leaned over to look at Gong Chen with a mocking gaze.

There was a thump.

The door with the flower of country G, Fusang, was pushed open by the guards from the outside.

Lin Hanxing turned his head slowly.

He looked at the woman who was walking into the cabinet conference hall.

A long red dress with gold thread was brought over. It looked elegant and majestic on the person!

As he walked, he exuded an indescribable aura.

She raised her chin arrogantly, as if she did not see the smugness on the faces of the people from the second Princess Consort's faction, nor did she see the firm or guilty expressions of her trusted aides who used to follow her.

She was the first wangfei, Amiya!

## [Chapter 1065](#)

1065 I can win and I can also afford to lose

Behind her, there were a few well-built men in casual clothes who looked like bodyguards.

Without waiting for anyone to approach, his eyes revealed a fiendish look.

It seemed like it was to protect the great wangfei, but at this time, everyone in the inner Pavilion was very clear ...

These were the second Princess Consort's people!

In order to prevent the second Prince from replacing the first Prince as the Crown Prince, the second Princess Consort had put in a lot of effort!

Looking at the situation ...

Unless a miracle happened, it would be difficult for the great wangfei, who no longer had any trump cards in her hands, to make a comeback!

Even Hua Ji ...

All the cabinet members had the same thought.

“Let’s go!”

A bodyguard behind her roughly pushed the first wangfei.

A crisp slap was heard!

First wangfei Amya turned her hand around and gave a ruthless slap, accurately hitting the other party’s face!

No one dared to speak!

The great wangfei exuded an inviolable dignity from her bones.

Looking at the bodyguard who was stunned by the beating, her pair of almond eyes narrowed dangerously and she just looked at the other party quietly!

“At least for now, my son is still the Crown Prince!”

After a long while, first consort Amiya spoke with a strong voice, her gaze as sharp as a knife!

The people watching couldn’t help but feel terrified!

“Big sister is right!”

Suddenly, a gentle and melodious female voice came from not far away, as if it could reach one’s bones.

Everyone looked in the direction of the voice.

They saw second consort, who was dressed in a golden and yellow dress, holding her son, farric, walking over leisurely. The guards were eagerly accompanying her. Their attitude was obviously different from when the first consort had come!

And beside her, there was another person with his head lowered!

When he saw it clearly, uncle Hai’s face suddenly darkened!

That person was none other than Yuan laosan, who had just caused trouble for Lin Hanxing in the morning!

Uncle hai had never expected that he would throw away the yuan family’s integrity for glory and wealth!

When had the yuan family ever bowed to the royal family?

“Second Princess Consort, that’s the girl!”

A flattering smile appeared on Yuan laosan’s face. His eyes quickly found Lin Hanxing’s figure and he reported to the second Princess Consort, shamaga, in a low voice.

The second Princess Consort’s eyes swept over Lin Hanxing.

When she saw it clearly, even as a woman, her breathing also froze.

That girl was too dazzling!

Not only in appearance, but also in aura!

Even with a group of powerful men behind her, it still couldn’t hide her beauty!

It really made people ... Jealous!

Lin Hanxing naturally felt the second Princess Consort’s gaze on him.

He raised his head and looked at her.

The two’s gazes met in mid-air, and neither of them retreated. It was like a king refusing to see the king.

Seeing this, Yuan laosan clenched his fists.

The scene from this morning was still fresh in his memory. Did that girl think that she could stop him just like that?

In your dreams!

“Cane him to death!”

Suddenly, the second consort spoke in a soft voice. Second Prince farrick glared at the bodyguard who had just been slapped by the first consort, and he was pressed to the ground by the guards!

The mournful cries for mercy were endless!

Although she was talking to the bodyguard, the second Princess Consort’s eyes never left Lin Hanxing’s face.

The meaning of killing the chicken to warn the monkeys was obvious.

With a muffled bang, the bodyguard, whose mouth had been sealed and whose plea for mercy had been abruptly stopped, was flogged in the hall in front of all the cabinet members.

The smell of blood filled the entire meeting room.

Very quickly, the other party was out of breath.

“Take him away and feed him to the dogs.”

The second wangfei didn’t even look at him. She casually stretched out her slender fingers and waved.

Yuan laosan almost vomited.

He didn't dare to show it, and could only force a smile.

It was not only him. Perhaps no one here would have imagined that the second Princess Consort would suddenly launch an attack.

This was the inner Pavilion!

Just as everyone was having their own thoughts, they saw the second Princess Consort slowly walk towards Lin Hanxing, twisting her slender waist. When she was almost in front of her, she reached out her hand.

"I hope we can work well together."

The second wangfei's face revealed a beautiful hibiscus smile, and her words showed the arrogance of the royal family.

When Yuan Lao San called, the second Princess Consort only felt that Yuan shaojing was regressing as he lived. He actually found a little girl he had never heard of to temporarily take over as the family head. He was simply crazy.

However, her son's words had changed her contemptuous attitude.

What kind of person was Yuan shaojing?

As a woman, she was able to gain his approval at such a young age, and even obtained the clan head token almost ridiculously. Just based on this point alone, this woman must not be underestimated!

However, on such an important occasion today, second Princess Consort shamaka would not allow any accidents to happen. Therefore, this act of killing the chicken to warn the monkeys was not only to intimidate the first princess' faction, but also a warning to this girl!

Lin Hanxing lowered his head and glanced at it indifferently.

Her dense eyelashes trembled slightly, and she suddenly laughed lightly.

That smile dazzled everyone's eyes, and even the second Princess Consort was confused.

"I hope so,"

These simple yet profound words rang clearly in everyone's ears.

Lin Hanxing did not reach out.

He let the second Princess Consort's slender fingers hang in the air, and no one responded.

"Impudent!"

Second Prince farrick's expression was dark as he took a step forward.

But before they could do anything, Lei Xiao, Shangguan shixiu's bodyguards, who had received the order, all came forward.

The guards were naturally not to be outdone.

For a time, it formed a situation of confrontation between several sides, and there was an inexplicable sense of shock in the heart of those who saw it!

No one noticed.

The moment Lin Hanxing opened his mouth, first wangfei, who was originally expressionless, suddenly narrowed her eyes. She looked at Lin Hanxing in disbelief. This voice ...

It was clearly the voice from the last satellite phone call ...

At this time, Yuan Lao San could not wait for the second Princess Consort's men to beat this arrogant little girl to death. His eyes were almost greedily looking at the Dragon Ring on her jade white finger.

Suddenly, Yuan laosan shivered.

When she came back to her senses, she met a pair of clear and cold eyes.

Lin Hanxing even raised his eyebrows and made a silent toast to him.

Instantly, Yuan laosan recalled the live snake gallbladder that he was forced to drink in the morning.

His stomach could not help but churn.

"Don't scare the little girl."

The second Princess Consort spoke gently and reached out to block her son.

It was easy to deal with a little girl, but she had to be wary of Lei Xiao and Shangguan shixiu.

Especially the Thunder valiant beast.

If his son became the Crown Prince and wanted to sit firmly in that position, he would definitely have his support behind him!

These three words had already labeled Lin Hanxing as a little girl.

"Second Princess Consort, don't worry. The entire Yuan family will definitely support you!"

Yuan Lao San expressed his loyalty at the right time. He bent his back and had a flattering expression on his face. He only hoped that after today's matter was completed, the second Princess Consort would be able to leave a suitable position for him in the royal family.

Moreover ...

Third brother Yuan's eyes swept over second Prince farrick.

If he took a fancy to either Yun Rong or Hua Nong, then ...

"The royal family will naturally not forget the contributions of your Yuan family."

The second wangfei said lightly and skillfully avoided the topic. Her eyes turned to the first wangfei, who was wearing a red dress with gold thread. It was as if she was trying to find the dejection of her destined failure.

"Sister ..."

He slowly walked in front of first consort Amiya with the posture of a Victor.

“Even though your son is still the Crown Prince ...”

The second wangfei leaned close to the first wangfei’s ear and said the last sentence softly.

“But soon, it won’t be!”

After she finished speaking, she charmingly covered her mouth with her hand to hide her smug smile. Her slender snake-like waist seemed to be able to be held with one hand. As the most favored woman of the Sutan of snoworchid province, the second Princess Consort was indeed a beauty that was one in ten thousand.

Unfortunately, he was too ambitious.

Lin Hanxing walked back to Lei Xiao’s side and took a seat. His eyes swept over every face of the inner sect members.

In his mind, he compared each person with the information that uncle hai had given him last night and made the most systematic differentiation in the shortest time possible.

“Shamaga, I can win and I can lose, but what about you?”

The moment the second Princess Consort walked past her arrogantly, first princess Consort Amiya spoke in a sonorous and powerful voice!

“Can you afford to lose?”

The second wangfei stopped in her tracks and looked back at the first wangfei with a mocking expression, as if she was looking at a lunatic!

“Lose?”

The second consort, shamaga, yawned lazily. At this moment, even if she was in the inner chamber, she was too lazy to even pretend to be polite.

“Amiya, your son is already brain dead, unless there’s a miracle ...”

Every word she said was deliberately jabbing at the first wangfei’s sore spot!

This Lei Xiao, Shangguan shixiu, the yuan, song, and Gong family were all on his side. She had even bought over Hua Ji, the only one she could take out, so what was left?

“A green bamboo snake’s mouth and a wasp’s tail have needles. Neither of them are poisonous, but a woman’s heart is the most poisonous.”

Yuan Kang muttered in a low voice.

Lin Hanxing glanced at him with a faint smile.

“Who are you talking about?”

Why did it sound like his words had a wide range of implications?

Lei Xiao's gaze went past Lin Hanxing's shoulder and landed on Yuan Kang's face, scaring the latter into shrinking his neck.

This lady ...

He couldn't afford to offend them, but he could hide!

Lin Hanxing picked up the teacup in front of him leisurely.

While they were talking, Yuan laosan walked toward Yuan Kang.

"You get up."

Because of the sudden interruption, the inner court did not set up a position for Yuan laosan.

At this moment, he only had two choices. Either someone was willing to switch positions with him, or he would stand.

After looking around with a pair of sneaky eyes, Yuan laosan immediately picked Yuan Kang.

In his eyes, she was the easiest target to manipulate.

"Third uncle, shouldn't there be a first come, first served basis?"

Yuan Kang said with a smile. There was no joy or anger on his handsome face, and it was clear that he didn't have the slightest intention of giving in.

"Is your brain broken? You're telling me first come, first served?"

Yuan laosan was already filled with anger towards Lin Hanxing, but since Lei Xiao was here, he naturally didn't dare to vent it on her, so he could only vent all his anger on Yuan Kang!

Besides, don't think that I didn't see it. I wanted to help this d \* MN girl in the morning!

As soon as he finished speaking, he was about to slap Yuan Kang's face.

Yuan Kang was a smart person. He had already guessed that his words would anger Yuan laosan. Almost at the same time, he jumped back to avoid it. The accuracy was just right.

However, it was obvious that someone was faster than him!

"Ah ..."

Yuan laosan's wrist was tightly clasped with a small jade white hand.

It was a strange combination!

Lin Hanxing still had a cold smile on his face. His expression was calm, and in the eyes of others, he did not even seem to have used any strength!

But ...

Only Yuan laosan knew that the hand that was clasping his wrist!

How F \* cking strong was he!

Yuan Kang was stunned for a moment as he did not expect Lin Hanxing to help him!

The expression on his face was somewhat comical.

“Sit down,” he said.

Lin Hanxing didn’t even look at Yuan Kang as he spoke in a cold voice. However, Yuan Kang knew that he was talking to himself.

This feeling of having boss’s protection ...

Yuan Kang slowly sat down again and continued to think.

It didn’t seem too bad!

In the eyes of the bystanders, this scene was indeed a little strange.

He, Yuan laosan, was not as strong as a woman?

He couldn’t be pretending, right?

If Yuan laosan knew what the others were thinking, he would definitely cry out that he was being wronged!

Yuan laosan tried to pull his hand out of her hand several times, but how could this weak-looking woman be so strong?

At this time, the second Princess Consort, who was already seated, could not help but frown when she saw this scene.

No one knew better than her how difficult it was to gnaw on the yuan family, led by Yuan shaojing.

All these years, she had used all kinds of threats and promises, but she had never been able to make Yuan shaojing open his mouth!

But unfortunately ...

Even if he, Yuan shaojing, was a tough nut to crack, his brothers and sisters might not be.

When he finally sat down ...

Second consort shamaga sneered in her heart, obviously full of malice.

Those Chinese who wanted to fight for their position, she would crush them like ants!

She closed her long eyelashes.

At the same time, he concealed the disgust in his eyes.

Lin Hanxing was too lazy to argue with Yuan laosan, and he was pushed away by the hand.

He staggered.

Yuan laosan sat down in the middle of the venue in a sorry state.

No one dared to make a sound.

“You ...”

Yuan laosan felt that his tailbone was about to break. Just as he was about to curse, he heard a splash and a cup of hot tea was splashed on his face.

“If you dare to say one more word ...”

Lin Hanxing lazily placed the empty teacup back on the table and said coldly without even looking at Yuan laosan.

For a moment, a powerful aura spread out.

“Bear the consequences.”

These simple words, coupled with Lin Hanxing’s cold and sinister gaze, were extremely intimidating!

The first wangfei looked at Lin Hanxing with mixed feelings.

Now, she could be sure from the voice that she was that person!

But ...

Was he a friend or a foe?

The great consort straightened her back. The crown prince’s seat that should have been next to her was empty.

Her son had been declared brain dead by the doctor!

Now, he was completely relying on machines to keep him alive.

At the thought of this, first consort Amiya’s eyes coldly looked at second Prince farrick!

It was him!

She knew that he was the one who did it!

The second consort glanced at the time, and the corners of her mouth slowly curled up into a smile that looked like a mandala. It seemed to have an indescribable viciousness and fatal charm, making people only dare to look at it from a distance and not dare to play with it.

She still had a big gift for her!

Just as the second consort was thinking about this, the door to the cabinet’s meeting hall was suddenly pushed open from the outside. A senior figure from the first consort’s faction walked in with a pained expression. His expression was dark and sad like never before.

The great Wang Fei’s heart skipped a beat when she saw this.

He suddenly stood up.

Lin Hanxing’s eyes darkened. He already knew the answer.

## [Chapter 1066](#)

1066 Strong as a Mother

“First wangfei ...”

The elder-level figure staggered to first consort Amiya, his eyes full of despair.

It’s here!

A smug smile slowly appeared on the second Princess Consort’s beautiful face.

‘Amiya, you have to keep this gift well!’

The first wangfei clenched her fingers so tightly that her nails dug into her palm and blood started to ooze out.

He closed his eyes.

“The hospital just called to say that the first Prince ...”

Before he could finish his words, this veteran who had always been known for his iron-blooded and tough character actually shed tears on the spot!

“Continue!”

When the great wangfei opened her eyes again, she was expressionless, but her voice was sonorous.

“He passed away!”

With a loud boom, it was like a sudden clap of thunder that exploded on the ground, catching everyone off guard!

There was complete silence.

Those who were able to attend today’s cabinet meeting naturally knew the inside story of the great Prince’s brain death in the car accident. However, there was still a difference between brain death and true death, not to mention that ever since the great prince had been made Crown Prince ...

He had always been diligent and tried his best to promote the integration with the Chinese in country G.

At the same time, he proposed many welfare policies for the Chinese.

This naturally caused strong opposition from the Chinese, led by the second Prince.

“How could this be ...”

When the people under the great wangfei’s command heard this, they all stood up abruptly, and their already ashen faces became even more bloodless.

Some of the elders simply closed their eyes.

Now that things had come to this, it was useless to say anything more.

In contrast to the complete defeat of the first princess 'faction, the second Princess, shamaga, was full of joy. The first Prince's death did not bring them sadness, but the joy of being able to seize power!

"Sister, you have my condolences!"

The second consort, shamaga, consoled him, but there was an indescribable sense of relaxation in her words.

The great Wang Fei looked over!

A pair of stern eyes landed on the second Princess Consort's face.

His eyes were still burning with a raging fire!

Being stared at by such a pair of eyes, it would be a lie if the second Princess Consort said that she was not afraid. However, power moved one's heart. She had waited for so many years. Wasn't it just for this day when her son could take the throne?

"Since the first Prince has passed away, then the crown prince's position ..."

The second Princess Consort cast a coquettish glance at the cabinet minister, and the pressure in her eyes was obvious.

Lin Hanxing's cold eyes swept over the two women who were fighting openly and secretly.

The business representatives, who represented country G's economic pillar, had not made any moves for the time being. However, Yuan laosan could not help but smile when he heard the news of the first Prince's death.

Unparalleled stupidity!

Lin Hanxing sneered in his heart.

The yuan family's third son was still dreaming of being rich and powerful, thinking that the second Prince would be able to help him prosper after becoming the Crown Prince. But why didn't he think that if it was that simple, Yuan shaojing wouldn't have had such a hard time all these years?

What's more, the situation of the Chinese in country G was like walking on thin ice.

Did Yuan laosan really think that he could protect himself?

In your dreams!

The moment the second Prince became the Crown Prince, the first person he would deal with would be the Chinese representative, the yuan family!

Uncle hai looked at Lin Hanxing.

He could clearly see the dark waves in her deep eyes.

Mr. Yuan really didn't choose the wrong person.

In fact, Yuan shaojing had already anticipated this situation the moment he found out about the crown prince's problem.

Even if Yuan Kang didn't get involved in the royal family's struggle ...

It was also something that could no longer be avoided!

But ...

Uncle hai couldn't help but sigh in his heart.

Mister Yuan had still underestimated the stupidity and ambition of his siblings.

"Shamaga, before that, I have something to say to you."

The great consort's face was expressionless. No one could see any emotion on her slightly tired face.

It was hard to imagine.

This was a mother who had just suffered the pain of losing her son!

As she spoke, the great wangfei spread out her palm.

Half of a strangely shaped seal was lying inside.

The second Princess Consort and the second Prince's eyes lit up when they saw the item.

That was the special commander's seal of the Crown Prince.

With this thing, they could openly intervene in many core military parts that they could not normally touch.

"Do you want it? If you want it, come over."

After she finished speaking, the great wangfei clenched her fist again and firmly held the commander's seal!

Second consort shamaga's eyes darted around, but she quickly relaxed her vigilance. Right now, the first consort was like a turtle in a jar. No matter how much she wanted to turn things around, without the first Prince as her trump card ...

She wanted to see what else she could do.

With this in mind, the second Princess Consort walked toward her old enemy in her golden and yellow robe, like a delicate peony.

"Give it to me!"

With her palm facing up, the second Princess Consort stretched out her hand to ask for it.

The great wangfei raised her head and said something to her in G nation with an expressionless face.

The surrounding people who heard it couldn't help but widen their eyes!

That was ... A curse!

The great wangfei had been married into the royal family for decades and had always been dignified and dignified in the eyes of the public. When had she ever had this side?

But before everyone could recover from their shock, they heard the second wangfei's scream. The first wangfei, who had maintained her dignified and dignified appearance for decades in everyone's eyes, suddenly pounced on the second wangfei as if she had gone crazy.

He sat on top of her and slapped the second Princess Consort back and forth with both hands!

That strength, every move was steady, accurate and ruthless!

The second Princess Consort could not fight back at all and cried out in pain.

By the time the guards had forcefully separated the two of them, the second imperial consort no longer had the smug and arrogant look she had earlier. She covered her face with both hands, her eyes filled with hatred as she glared at the first imperial consort.

"Let me go!"

The great wangfei shook off the Guard's hand and tidied herself up in a cold and arrogant manner.

"I've long wanted to deal with you, shamaga!"

If not for her son, she would not have swallowed her anger for so long.

Now, it felt great!

How satisfying!

She forcefully held back the tears in her eyes. The great wangfei would not allow her pride and backbone to be trampled on by them!

"They're rebelling! They're rebelling!"

The second Princess Consort fell into her son's arms, dumbfounded from the beating.

Covering her hibiscus-like face, she even had the heart to swallow the great wangfei alive on the spot!

"Take her down!"

Seeing his mother being humiliated, second Prince farik immediately roared in anger, and even his eyes became fierce.

"I'll see who dares!"

The great consort suddenly shouted angrily, and the guards who had wanted to step forward were actually stopped by her!

They did not dare to take another step forward!

Seeing that the group of people had been intimidated, the great wangfei slowly turned around and looked at every face of the cabinet members!

"Those who originally followed the first wangfei, as long as you are willing to submit to me, I will not pursue the past. However, if you continue to be stubborn, after today, I will completely clean up the house!"

The second Prince spoke in a gloomy voice. It was obvious that he wanted to take revenge for his mother.

Very quickly, people who had originally belonged to the first princess Consort's faction moved towards the second Princess Consort's side.

Everyone wanted to live.

Since he knew that he had lost completely, why wouldn't he fight for a chance to live?

While some people left, there were naturally some who stayed.

The great wangfei looked at those people's faces, and for the first time, she felt sorry for being at a loss.

It seemed that she was destined to let them down!

"Amiya, you've been deserted by your friends and family! Let's see how you can continue to be so arrogant!"

The second Princess Consort was furious.

He didn't care about his status.

"Hehe."

Suddenly, a cold laugh came from the table.

For a moment, it interrupted all the daggers drawn.

He couldn't help but look towards the source of the sound.

The great wangfei was naturally no exception.

When she met Lin Hanxing's cold and beautiful eyes, her heart trembled.

He didn't even think ...

Then, he threw the extremely important commander's seal in Lin Hanxing's direction!

That movement was so fast that even the second Princess Consort and the second Prince, who were in front of her, could not react in time!

The commander's seal fell in a parabola from the air.

At the final landing point, Lin Hanxing lifted the object without even looking at it. He held it in his hand and played with it casually, as if it was a worthless toy.

The others thought that the great wangfei had gone crazy!

Yuan Kang, on the other hand, almost choked to death on his own saliva.

Are you kidding me?

"Give it to me!"

The second Prince could not care less about the second Princess Consort. He rushed towards Lin Hanxing and the guards surrounded Lin Hanxing at the second Princess Consort's signal.

Thunder Valiant's well-trained bodyguards quickly blocked those people.

And with a look from Shangguan shixiu, uncle Liang also sent people to take action!

"Second Princess Consort ..."

Lin Hanxing did not panic even when the situation was tense.

With a beautiful playing posture, he allowed the commander's seal to flow between his fingers.

He raised his head and looked at the second Princess Consort, who was still in a slightly sorry state not far away.

"Sometimes, winning and losing can be decided by a single thought."

No one could hear any emotional changes in Lin Hanxing's cold tone. Everyone's eyes were focused on her hand in fear, afraid that she would accidentally break the commander's seal.

Lin Hanxing stood up slowly and walked towards the first princess Consort.

In the eyes of outsiders ...

The great wangfei was already at the end of her rope and had no chance of turning things around!

With every step Lin Hanxing took, the expressionless bodyguards stood guard.

"If you dare to come over, I'll smash it on the spot and no one will get it!"

Lin Hanxing said this as if he was joking.

However, the moment she finished speaking, everyone's expression became nervous, as if they were afraid that she would really fall!

Soon, Lin Hanxing stood in front of the great consort.

"Does the first wangfei still remember what you said on the phone?"

Lin Hanxing's lips curved up slightly, and even the mole at the corner of his eye was glistening.

Yingluo, if you lose, have you thought about the consequences?

The winner was King, and the loser was Bandit.

Yingluo, so you're ready?

At that time, the contents of the phone call quickly flashed back into the first wangfei's mind. And at that time, how did she answer her?

"I haven't lost yet!"

The sonorous and powerful business was accompanied by the great wangfei's powerful aura, shocking everyone!

Lin Hanxing chuckled softly, his fingers twirling like a pen in a gorgeous and dazzling manner.

His indifferent eyes glanced sideways at the second Princess Consort.

“I forgot to tell the second Princess Consort that I hate it the most when people try to kill the chicken to warn the monkeys!”

## [Chapter 1067](#)

1067 Raising flags too early, it's easy to be slapped in the face

These words sounded so overbearing that it was almost arrogant in everyone's ears!

As Lin Hanxing moved, the cloud brocade on his body split open like water.

The SU-embroidered Mulan with silver threads gradually bloomed from all angles, like a 3D effect.

For a moment, it was as vivid as life!

It was too beautiful to take in!

At this time, the second consort was still covering her face with her hands and glaring at the two people in front of her.

If time had moved on for even ten minutes, she would not have believed that the first wangfei, who was already a fish on her chopping board, could actually do such a thing in front of her!

The person who angered the second Princess Consort the most was Lin Hanxing!

That woman ...

The ridicule and disdain in their eyes when they looked at him was simply damnable!

“You don't know what's good for you!”

The second Prince, farrick, glared at the guards, and they surrounded Lin Hanxing, the first princess Consort, and the others.

“Protect the first wangfei!”

The remaining forces of the first wangfei's faction roared in anger at this moment and gathered to protect her!

Yuan laosan was dumbfounded!

Didn't big brother send that girl to support the second Princess Consort?

Why did he suddenly put on the same pants as the first wangfei?

Could it be that the one surnamed Lin didn't hear just now that even the eldest wangfei's only trump card, the Crown Prince, had died?

Following the first wangfei now was a dead end!

Yuan laosan originally thought that his big brother had thought things through. He didn't expect him to be so muddleheaded.

As if afraid of being affected, the others hurriedly escaped from the storm area, but Yuan laosan took the initiative to move forward.

"Second Princess Consort, I'm definitely on your side! The yuan family will definitely side with you!"

Yuan laosan swore to the heavens that he was loyal!

He couldn't help but rejoice in his heart that he had followed them out of worry. Otherwise, he didn't know what kind of trouble he would have caused!

"Mr. Yuan san's words can only represent yourself!"

Lin Hanxing chuckled and waved the Dragon Ring on his finger in his direction.

Yuan laosan's head buzzed as if it had exploded.

"Are you crazy? Are you trying to get our Yuan family killed?"

At this moment, Yuan laosan wanted to skin Lin Hanxing alive, and even his eyes were filled with anger!

Lin Hanxing did not even look at Yuan laosan.

Her every move showed her contempt for that person.

"Just a mere Yuan family and you want to go against me?"

The second consort put down her hands that were covering her cheeks. Her dark eyes looked at every face of the remaining forces of the great consort's faction in front of her. It was as if she was prepared to be executed one by one after the dust had settled!

The people from the first wangfei's faction that she had her eyes on did not retreat!

"A mere Yuan family?"

Lin Hanxing fiddled with the commander's seal. Even though the situation was already so tense, there was no fear on her fair and delicate face. Instead ...

Yuan Kang muttered in his heart.

Why did he feel that the woman was so excited to beat up the scumbag?

"Uncle hai."

Lin Hanxing said lazily, and the expressionless uncle hai quickly stood beside her.

pass down the order to stop all of the yuan corporation's businesses in country G and have them rest.

It was just a casual sentence, but it caused a great uproar!

What did she just say?

He wanted to stop all the businesses under the yuan family in country G?

“You’re crazy, right?”

Yuan laosan was the first to Shout!

Did she know that apart from the gong and song families, almost half of the economic lifeline of country G was in the hands of the yuan family?

It covered the four major aspects of clothing, food, housing, and transportation!

If it was really as she said ...

Not to mention how the stock market would be in turmoil, just the banks, food, housing, travel, public order, and so on would be paralyzed immediately!

“Do you know what you’re saying?”

Yuan laosan was so shocked that he had goosebumps all over his body.

Not only him, but even the second Princess Consort and everyone in her faction were so shocked that their backs broke out in cold sweat!

The uniqueness of country G was that ...

It was a place where the Chinese controlled the economic lifeline, but at the same time, the status and welfare of the Chinese were worrying.

As the most important group in Chinese society, the yuan group could stir up a storm almost single-handedly, which was one of the reasons why Yuan shaojing’s status in country G was extremely special.

Even the members of the royal family did not dare to show him any attitude.

“No! Absolutely not! I don’t agree!”

Yuan Lao San no longer cared about his face. If he really did as she said, the outside world would definitely think that there was something wrong with the yuan Corporation. Then the shares in his hands would definitely be affected.

“You don’t agree?”

Lin Hanxing glanced at Yuan laosan with a mocking smile.

“Is there any use?”

Three simple words made Yuan Lao san’s face turn ashen. He even wanted to swallow this girl alive!

However, Lin Hanxing’s eyes quickly moved away from his face and fell back on the second Princess Consort’s face, whose expression was now absolutely wonderful. The mockery in his indifferent eyes was obvious.

“It’s just a mere Yuan family. I’m sure the second Princess Consort doesn’t put them in her eyes.”

As soon as she finished speaking, even the first wangfei could not help but clap for her in her heart!

“Second Princess Consort, you can’t ...”

The people in the second Princess Consort's faction also realized the seriousness of the problem at this time, and they all spoke out to dissuade the second Princess Consort!

"You dare to threaten me?"

At this moment, the second Princess Consort's face, which was as beautiful as a hibiscus, was a mixture of green and white.

He sneered.

"So what if I am?"

Lin Hanxing's long eyelashes blinked slightly, and the unique cold aura of a superior could not help but make people dumbfounded.

"I don't believe you dare!"

The second Princess Consort didn't believe that the entire Yuan family would really listen to her arrangements just because this girl was wearing the family head's Dragon Ring, not to mention that it was something that would cause a devastating blow to both the Yuan family and country G!

Lin Hanxing leaned lazily against the table, his every movement was filled with disdain.

"Then let's start with the banking industry."

A nonchalant voice rang in everyone's ears.

The serious-looking uncle Hai had already taken out his phone and passed down Lin Hanxing's orders in front of everyone.

Everyone in the second Princess Consort's faction broke out in a cold sweat.

"You can't do this! I'm going to call big brother!"

Without saying anything, Yuan Laosan picked up his phone and called Yuan Shaojing, who was still in Jiang city.

He pressed the speaker.

The beeping sound of the phone when it was not connected touched the hearts of everyone present.

After a long time.

The other end of the phone finally answered.

Almost as soon as he heard Yuan Shaojing's voice, Yuan Laosan immediately complained to his brother about Lin Hanxing's actions.

While the complaints were in full swing on the other side, Lin Hanxing was still leisurely fiddling with the amber commander's seal in his hand. One look at that thing and one could tell that it was a product of the royal family. The exquisite cutting skills were perfect!

In the eyes of the bystanders, this scene was somewhat comical.

After a long time.

Yuan Lao San finished complaining in one breath and was waiting for his big brother to fly into a rage and take back the family head token. He wanted to show the second Princess Consort with 100% sincerity, but he heard ...

“Hanxing’s meaning is my meaning!”

With that, the call was hung up with a click!

“.....”

“.....”

“.....”

Yuan shaojing’s meaning was clear-Lin Hanxing could do whatever he wanted!

There was two minutes of silence.

The first thing that broke the silence was the ringing of the Minister of Economy’s phone.

He picked it up in a daze, then his eyes suddenly widened and he looked in Lin Hanxing’s direction. Cold sweat rolled down his forehead, as if someone had poured a bucket on him.

“Second ... Second Princess Consort ...”

The Minister of Finance’s face was pale, and the fear in his eyes was clear.

all the banks under the yuan Corporation have stopped operating. It’s a mess outside!

The banking industry was closely related to people’s lives. Moreover, it was hard for outsiders to imagine how many bank shares the yuan Corporation controlled in snowlan province and even the entire country G. This was simply ...

This was simply asking for his life!

If this kind of panic were to spread to the hearts of the people, it would cause a great shock to the entire Xuelan province!

At that time, he, as the Minister of Finance ...

It was certain that he would be forced off the stage!

What to do ...

‘What should I do ...’

The other party’s face was deathly pale. It was obvious that he was really afraid!

Although the other department heads had temporarily escaped, they couldn’t escape from the other industries under the yuan group.

“Enough!”

Even if the second Princess Consort was scheming, she would not dare to mess around in such a big matter!

Furthermore, if she didn't know that she had angered the Yuan family and caused such a big mess ...

The second Princess Consort didn't even dare to think further!

Now, she could only feel her scalp going numb!

"Let the bank resume its business! No matter the cost! Give the order!"

The second Princess Consort roared at the Minister of the Economy.

The Minister of Finance wanted to cry but had no tears!

He also wanted to!

He didn't want the stalemate to cause panic among the people!

But he really couldn't!

That was a bank under the Yuan group, he had no right to do that!

However, in the face of the second Princess Consort's pressing, the Minister of Economy could only shake his head desperately with a broken expression!

From the beginning to the end, Lin Hanxing only looked at the second Princess Consort's faction with cold and mocking eyes. Second Prince Farik gritted his teeth in hatred when he saw that!

They had imagined thousands of possible situations, but they never imagined that they would face this one!

She's just a woman!

"Second Princess Consort ..."

Lin Hanxing raised his head and looked at the second Princess Consort, as if he did not see the panic on her face at all.

This incident taught us that if we raise flags too early, we'll be easily slapped in the face.

Lin Hanxing said calmly, enunciating each word clearly as if he wanted the second Princess Consort to hear him clearly.

The second Princess Consort, who was originally very proud of her victory, was first slapped by the Furious First Princess Consort. Now, she felt as if she was being slapped repeatedly by Lin Hanxing. Her face was so dark that it looked like water could drip out of it.

"Impudent!"

Second Prince Farrick suddenly roared. He pulled out the gun he always carried on his waist and walked toward Lin Hanxing. He pointed the gun at her. He was clearly really enraged!

The situation suddenly became tense.

Lei Xiao and Shangguan shixiu's bodies tensed up at the same time.

## [Chapter 1068](#)

1068 Either the enemy dies, or she dies

The great consort blocked Lin Hanxing's path without a second word, displaying her might!

His sharp eyes were fixed on the second Prince!

Almost at the same time, song Chenxi slammed the table with both hands and stood up. She didn't even feel anything when Gong Chen turned to look at her!

He only stared in Lin Hanxing's direction.

Even her slender fingers turned white.

Gong Chen took in her reaction, and his deep eyes darkened.

He subconsciously wanted to reach out and cover the back of song Chenxi's hand, but the moment this thought emerged, a sharp and severe headache suddenly came. It made his cold face tense up and he clenched his big palm.

No one in the venue noticed their actions.

This was because everyone's eyes were focused on Lin Hanxing!

The situation over there had clearly entered a state of white heat, and even their breathing was unconsciously held!

"Hehe."

Lin Hanxing, who had the second Prince's gun pointed at him, smiled faintly and raised his hand to cover the first princess Consort's shoulder.

First wangfei, Amiya, turned around.

Lin Hanxing's eyes indicated for her to move away.

Even though she was worried, the great wangfei still moved to the side, leaving some space.

However, everyone was still looking at the second Prince with a serious expression.

Others might not know, but first wangfei, Amelia, knew better than anyone that for the position of Crown Prince, the second Prince really dared to 'accidentally fire off a gun'. It was also because of this that her heart was beating frantically!

She had already lost a son, and she could not let anyone else sacrifice themselves for her!

He thought in his heart.

First wangfei, Amiya, was already prepared to rush out at the critical moment!

Without the first princess blocking his way, Lin Hanxing walked towards the second Prince unhurriedly.

“Lin ...”

Yuan Kang frowned and wanted to stop her, but he was blocked by the expressionless uncle hai. He didn't have the chance to do so!

“Miss Lin knows what she's doing!”

Uncle hai said in a low voice.

The usually noisy Grand Hall was now so quiet that one could hear a pin drop.

Only the sound of Lin Hanxing's high heels against the floor could be heard clearly!

There was no fear on her delicate and fair face. Instead, she looked as if she was on vacation.

With a click, the second Prince loaded his gun.

In return, Lin Hanxing smiled silently.

Everyone thought she was crazy!

He actually dared to challenge the second Prince. Was he risking his life?

“Second Prince, you can't be so naïve as to think that killing me will solve the problem, right?”

Lin Hanxing said faintly, unable to hide his mockery.

Without any hesitation, she continued to walk in his direction.

Wherever she went, she was met with terrified gazes and reflective actions of subconsciously stepping back to make way for her.

The great wangfei's heart trembled as she watched.

Not far away, Lei Xiao's handsome face was cold and dark. If Yan beiming was here, he would have been shocked.

How many years had it been since he had seen the Thunder valiant beast in this state!

If Lin Hanxing lost a single hair ...

The consequences were not something that a small royal family could bear!

Soon, Lin Hanxing walked to the muzzle of the gun.

“If I were to die Here today ...”

Just as everyone was holding their breath, Lin Hanxing's calm voice rang out again. It was as cold as the spring water in the mountains in winter. Everyone who heard it trembled and their eyes followed her movements.

“You and your mother ...” He said.

Lin Hanxing's lips curled into a smile. He reached out his soft hand and held the cold Gun barrel.

Second Prince farrick had never felt so terrified before.

Especially the moment his eyes met Lin Hanxing's!

Since he was young, he had accepted the royal family's law of the jungle. When it came to ruthlessness, no one could be more obedient than him!

But now ...

Second Prince farrick actually realized that he was afraid of this woman?

The woman's eyes ...

"You'll all be buried with me!"

Her fingernails, which were like jasmine petals, scratched the barrel of the gun, making an ear-piercing sound.

Thump thump ... Thump thump ...

Second Prince farrick could hear his heart beating rapidly.

The gun was already loaded, and as long as he pulled the trigger, this arrogant woman's blood would spray under his muzzle, but ...

Even he himself didn't know why, but as long as he met that pair of eyes full of mockery, he couldn't do it!

Because he was afraid!

No one would believe this!

In the thirteen states of country G, which state's royal family had heard of his ruthlessness? but now, he was actually ... Afraid of a woman who looked so weak that she couldn't even stand the wind?

This was simply a fantasy!

Seeing this scene, the bystanders didn't even dare to breathe loudly, for fear that they would personally witness the scene of the Beauty's blood splattering three feet!

This was because, in their eyes ...

This second Prince of theirs was not the kind of man who was so kind that the old, weak, women, and children would not make a move!

For the sake of the crown prince's position, he was even willing to lay his hands on his own brother ...

Everyone broke out in a cold sweat for Lin Hanxing.

However, no one noticed the second Prince's strange behavior!

"Heh, second Prince, your hands are shaking!"

Lin Hanxing sneered.

His cold and intimidating gaze didn't seem to have any intention of moving away from second Prince Farrick's face.

The pitch-black gun barrel was trembling slightly.

If others couldn't sense it, how could Lin Hanxing miss it?

The contempt in his eyes deepened.

Lin Hanxing had been in life-threatening situations like this countless times.

It was the same for malicious hostility.

However, she had never chosen to retreat. She would always face it head on!

The enemy was ruthless, but she was even more ruthless than the enemy!

Either the enemy dies, or she dies!

Unfortunately, Lin Hanxing had not lost even once!

As for those who lost ...

The second Prince knew that his mental state had completely collapsed the moment he finished speaking.

His hand ...

Under Lin Hanxing's fierce gaze, he could not move at all!

At that moment, Lin Hanxing's powerful aura was fully released. His delicate little face was so cold that there was no expression on it. His small hand easily took the gun from the second Prince's hand.

"....."

"....."

"....."

He was dumbfounded!

No one could understand the direction of this plot!

Why can't the second Prince move?

How did the gun in his hand get taken by that woman?

He took it away!

Just when everyone thought that the second Prince was going to make that guy's blood spill all over the place ...

The great Wangfei's heart was hanging in the air ...

After seeing Lin Hanxing take the gun away, he finally landed.

His back was drenched in cold sweat.

His heart was filled with lingering fear!

The unloaded gun still exuded a dangerous aura, and the guards were always on guard!

The next second.

The hearts of the people who had just heaved a sigh of relief and were surprised that Lin Hanxing had survived the second Prince's attack started to race again!

Lin Hanxing suddenly raised his gun.

The guards aimed their guns at Lin Hanxing!

Lin Hanxing ignored him.

However, his eyes were fixed on second Prince Farrick.

Bang Bang Bang Bang Bang ...

He fired a few shots until he ran out of bullets!

Hualalalala ...

The decorative crystal lamp above her head cracked like a cobweb until it couldn't bear its own weight. With a cracking sound, Crystal Rain fell from the sky without any warning.

The sunlight from the Gothic-style window refracted into little crystals.

All of it was poured out beside everyone!

"You can't even hold a gun steadily, and you're trying to compete for the Crown Prince like others ..."

Lin Hanxing casually threw the empty gun on the ground. His tone was full of contempt. Second Prince Farrick, who was usually like a Tibetan Mastiff, felt dizzy and his heart was beating violently because of anger.

"You think you're worthy?"

The three words "cold" were full of sarcasm!

There was complete silence.

Everyone had noticed that the situation that was originally under the control of the second Princess 'side had unconsciously been taken back by this little girl in front of them, who looked like she could be easily crushed by any strong man!

Not only did he take back the initiative ...

In fact, even his aura had crushed over!

No one spoke, or rather, no one dared to speak.

“Second wangfei, have you thought it through? It was the banking industry just now, and now it’s the transportation industry!”

Lin Hanxing glanced over.

The second Princess Consort, who was glowing with health just now, was no longer as arrogant as before.

As for the Minister of Economy, his face turned pale when he heard Lin Hanxing’s words.

Whether it was by plane, ship, train, or other transportation services ...

The yuan family held the majority of the speaking rights!

If it was really as that woman had said, and the banking industry was shut down like before, the entire snowlan province would be in complete chaos!

Not to mention Xue Lan’s Su bu, even the people above ...

He was about to call to ask!

If they were to pursue responsibility ...

What should he do?

Who would be able to take responsibility?

after that, there’s also food and entertainment ...

“What the hell do you want!”

The second Princess Consort, who had originally been confident of winning, was now panicking. She had never thought that she would play such a big game.

“A mere Yuan family ...”

Lin Hanxing said with a smile. He moved slightly, and the tassels on the comb next to his ear swayed.

“Shouldn’t the second Princess Consort say something for the sake of the word ‘mere’?”

The Chinese in country G had used their wisdom and hard work to create the current living environment. However, even though they were humble and polite, they were inevitably subjected to all kinds of discrimination in the local area.

Even the yuan family, which had a large family and business, was no different.

Lin Hanxing’s first priority was respect.

Say something?

These four simple words, when heard by the members of the Cabinet of the second Princess Consort’s faction, made them look at each other in dismay.

Both of them could see the awkwardness in each other’s eyes.

Uncle hai tried hard to cover up his excitement, but his short breathing betrayed his excitement.

Yuan Kang was also stunned.

Ever since he was young, he had encountered discrimination against Chinese people many times.

Sometimes, even the Chinese would have internal strife.

He had never felt so proud and elated before!

It was a recognition of the Chinese identity from the bottom of his heart!

The pride and arrogance that had been integrated into his bones and blood!

“Uncle hai!”

Seeing that the second Princess Consort did not speak for a long time, Lin Hanxing spoke up.

“Here!”

Uncle hai straightened his chest and responded.

cut off all transportation under the yuan Corporation ...

“I apologize!”

#### [Chapter 1069](#)

1069 It’s easy to add flowers to brocade, but it’s difficult to send charcoal in the snow

Without waiting for her to finish, the second Princess Consort, shamaga, had already roared!

Lin Hanxing’s voice stopped abruptly.

He just looked at the flustered second Princess Consort indifferently.

It was obvious that her opponent was in a mess.

This was Lin Hanxing’s first goal!

The first rule of facing an enemy was to first crush the other party’s confidence and let them fall into chaos.

“What did you say? I didn’t hear you clearly.”

Lin Hanxing smiled elegantly and lazily, but he did not show any intention of letting his opponent off!

The second Princess Consort’s breathing quickened.

His cheek muscles twitched uncontrollably, but he forced a ‘kind’ smile.

“I’m willing to ...”

The second Princess Consort gritted her teeth, but before she could finish her words, Lin Hanxing interrupted her impatiently.

“Louder!”

This voice was so sonorous and powerful that it made people’s scalps numb!

Second Prince farrick glared at him. He couldn’t understand why the cards that were supposed to be won were being held back like this!

And it was a woman!

As if he had sensed the second Prince’s disgruntled gaze, Lin Hanxing gave him a cold side-glance.

He didn’t change his expression, but he had his own prestige.

The second Prince was forced to take a step back by that aura. The malicious words that were already at the tip of his tongue were forcefully swallowed back down, one mouthful at a time. It was obvious that he had not pulled himself out of her powerful intimidation just now!

Suddenly, second Prince farrick felt two dangerous gazes coming from different directions!

He didn’t dare to look back!

Like a thorn in the back!

It was really like a Wolf in front and a Tiger behind!

The second Prince, who was known for his ruthlessness, was like a stray dog, and could only behave obediently!

The second Princess Consort took a deep breath.

The ever-expanding anger made her heart hurt, and her face hurt even more!

It was clearly a situation where she was certain to win, so why was she the one who suffered?

Would he be the one embarrassed?

“What’s wrong? did the second Princess Consort not eat her fill in the morning?”

Lin Hanxing said indifferently, not giving up!

She did it on purpose!

He was definitely doing this on purpose!

The second Princess Consort was about to explode with anger!

How could there be such a shameless woman in this world?

He bit his lower lip. He knew that she was making things difficult for him just like how she made things difficult for the first wangfei, but he could not do anything to that woman!

Didn’t she want to hear it?

Her mouth was her own. She would never open her mouth again even if she was beaten to death. Let’s see what she could do to her.

He thought so in his heart.

The second Princess Consort raised her head and looked at Lin Hanxing provocatively!

Lin Hanxing couldn't help but shake his head and chuckle in his heart. The ancient people didn't lie to me. The so-called big-breasted but brainless was nothing more than this.

Who was afraid of who?

Then let's just drag it out!

Lin Hanxing continued to play with the commander's seal in his hand slowly, but his eyes looked past the crowd to Lei Xiao.

At this time, Thunder owl had already shed all his hostility and leaned his body weight against the back of the seat.

His pair of cold eyes surveyed the entire situation.

Under his signal, the bodyguards had already spread out with Lin Hanxing as the center to ensure that everyone could rush to her for protection at the first moment if anything happened.

When he saw Lin Hanxing's gaze, he silently knocked on the table three times.

He understood tacitly.

Lin Hanxing's eyes narrowed as he tried to hide his smile.

Not far away, Shangguan shixiu saw this scene. No emotion could be seen on his sickly and pale face. He only fiddled with the grass Dragonfly with his slender fingers, his movements gentle but dangerous.

Time passed by.

The Minister of Finance's phone had not stopped ringing since just now. The longer it was delayed, the paler his face became. Cold sweat rolled down his face without even wiping it off!

Finished, finished!

He only had one thought in his mind at this moment!

The Minister of Economy could easily imagine how chaotic it was outside!

This is killing me!

The second Princess Consort had already spoken, so she just had to follow the girl's wishes and speak!

"I seem to have forgotten to tell you something."

Lin Hanxing looked up and spoke lazily, as if he could not see the despairing expression of the Minister of Finance.

if anyone asks us the reason for closing our business, the unified answer we give is ...

At this point, Lin Hanxing paused and chuckled.

look at my memory, uncle hai. What was our unified answer? ”

Although he said so, his expression didn't seem like he had really forgotten!

The second Princess Consort gritted her teeth so hard that she almost broke them.

How could there be such an annoying woman in this world?

“Miss Lin, the answer we gave was that the second Princess Consort and the second Prince ...”

“Enough!”

Before uncle hai could finish his sentence, he was already cut off!

The second Princess Consort gritted her teeth and swallowed her last bit of unwillingness. She never thought that Lin Hanxing would have such a trick up his sleeve!

Was she trying to stir up public resentment?

Even if his son became the Crown Prince, he would lose the People's support!

The second Princess Consort's chest heaved up and down in anger.

Originally, she only wanted to apologize verbally, but she didn't expect the other party to be so strong!

He was just helping an ant ...

When her son became the Crown Prince, she would definitely try her best to kill the yuan family!

He took a deep breath and adjusted his breathing.

The second Princess Consort, who was wearing a golden yellow dress, took a step back and bowed at a 90-degree angle in Lin Hanxing's direction in the most solemn manner. However, the resentment on her face could not be hidden.

“I, anoshka shamaga, solemnly apologize to you!”

After he finished speaking, he suppressed his anger and raised his head.

However, with just a glance, the second Princess Consort's nose was almost crooked from anger!

The woman who was standing in front of him just now had become the first consort, Amelia. In other words, the person she 'solemnly' bowed and apologized to had changed to the old sister that he had been fighting with for many years?

“Now, are you satisfied?”

What it meant to clench one's teeth? he believed that everyone in the cabinet and Parliament today had really seen it for themselves!

Lin Hanxing did not even look at her and nodded at uncle hai.

The remaining trusted aides of the first wangfei's faction were both happy and sad.

The joy was to see the usually arrogant second Princess Consort suffer a defeat without even the slightest resistance.

The sad thing was that even so, their defeat was certain.

The first Prince had already passed away, and he was the only son of the great wangfei. Even if they wanted to find another person to compete with the second Prince, it was impossible. It was a fact that the second Prince had replaced the first Prince as the Crown Prince!

The commander's seal was still moving back and forth between Lin Hanxing's fingers in an extremely gorgeous manner, but soon, as if he had had enough fun, he flicked it with his thumb ...

Everyone only heard a muffled ding sound. The priceless commander's seal on its back formed a beautiful arc in the air. Under everyone's fearful eyes, it returned to the first wangfei's hand.

"Remember the people around you."

Lin Hanxing looked at the first princess Consort and said lightly.

"To be able to choose to stand by your side in the danger of knowing that you are on the path to death, the great wangfei should be grateful and remember this in her heart. After all ..."

Lin Hanxing's delicate little face was expressionless.

If it wasn't for that unparalleled powerful aura, it would be very difficult for anyone to associate this fragile doll-like woman with the identity of the yuan family's master.

"It's easy to add flowers to brocade, but it's difficult to send charcoal in the snow!"

There was an indescribable feeling in the great wangfei's heart, because she thought of the timing when this girl stood out ...

She had to wait until the second Prince asked her people to choose a side.

This girl, was she helping him to see through people's hearts?

The great wangfei turned around and looked at the familiar faces in front of her who had been assisting her since she married into the royal family.

These people, even if they knew that they were going to lose, still resolutely chose her as the bet with their lives. This deep friendship was enough for her to remember for the rest of her life!

"Thank you."

The first consort placed her hand on her chest and bowed to those people with the highest etiquette of the G country royal family.

The second Princess Consort was furious!

Why was that woman always so lucky? why were there always people who were willing to die for her?

Even bribing them was useless!

Hehe!

She wanted to see how that woman could turn things around now that she had lost her son.

Did she really think that she would be so lucky to be blessed by the heavens every time?

“Sister, don’t forget why you’re here today!”

The second Princess Consort suppressed her anger. When she thought about how her son would become the Crown Prince in a while, her expression finally looked better.

“The first Prince is already dead. For the sake of better development in the future, shouldn’t sister give up the position of Crown Prince and ask someone more suitable to take that position?”

At this point, the second Princess Consort’s confidence seemed to have returned.

One had to know that the only variable that could help the first consort turn the tables was Eric. However, she had already ordered people to seal off the airport and all other transportation hubs. As long as Eric appeared, he would definitely not be able to return!

Furthermore, in the second Princess Consort’s opinion ...

If Eric Zhan Nanheng really wanted to stand on the first princess’ side, he wouldn’t have had to hide for so many years.

In order to push her son to the top, she had planned and waited for countless years for today’s matter. Originally, she wanted to find an opportunity to completely eliminate Eric, the biggest variable, but damn it, of all things he could do, he had to become a celebrity!

He had even become the idol of country G’s national treasure!

He had even been personally received by the head of state and given a high rank of nobility!

On the surface, she could not touch him at all!

“Great wangfei, the crown prince’s position is of great importance. I hope that you can consider it from the royal family’s point of view and give up the crown prince’s position!”

The people from the second Princess Consort’s faction spoke up after receiving the hint.

The first Prince had just passed away ...

The first wangfei’s men were filled with grief and indignation. Each of them stared at the other party with angry eyes, but they were helpless.

When Yuan laosan heard this, he couldn’t help but straighten his back.

It was as if he had completely forgotten about his cowardice and embarrassment of trying to lower his presence.

“Yes, yes, yes! The second Prince is the most suitable person to be the Crown Prince. All these years, if it wasn’t for the first Prince ...”

Before Yuan laosan could finish his sentence, Lin Hanxing's cold gaze swept across him and successfully made him swallow the second half of his sentence as if he had burned his tongue. It was a conditioned reflex!

He cursed in his heart.

Even Yuan laosan himself didn't realize that Lin Hanxing had already established his power in front of everyone in such a short time!

And this was something he had not been able to achieve even after spending decades!

They were all forcing her!

With a cold laugh, the great wangfei exuded an inviolable dignity from her bones as she looked at the people who had spoken.

"I will never give the crown prince's position to the second Prince!"

A sonorous and powerful voice rang out, successfully freezing the smug smile on the second Princess Consort's face!

"Do you know what you're saying?"

The second Princess Consort spoke in a dark voice. Who gave her the courage to say such words?

As he thought about it, his eyes fell on Lin Hanxing's face.

Lin Hanxing didn't back down at all. He just lazily smiled back, even the mole at the corner of his eye revealed a hint of mockery.

"Shamaga, don't you know your son? He is ambitious but lacks the ability. If he becomes the Crown Prince, he will definitely bring disaster to Xue LAN!"

The two women who had been fighting for decades were now back and forth, and their eyes seemed to be shooting fire!

The second Prince looked at the great wangfei with even more viciousness.

"Amelia, I'm afraid it's not up to you this time!"

The second wangfei spoke in a low voice. As long as she raised this motion, more than half of the cabinet would support her. This matter was already a fact, and she could not wrangle with her here!

No matter how powerful the yuan family was, they were just businessmen. Could they control the cabinet?

"Second Princess Consort, are you that confident?"

Lin Hanxing, who had been silent for a long time, spoke up. The second Princess Consort glared at him with hatred.

She could have been in the limelight today and ruthlessly crushed that woman under her feet. If it wasn't for this girl, how could she have been in such a sorry state?

The more the second Princess Consort acted this way, the calmer Lin Hanxing was.

“Yuan Kang ...” He said.

Yuan Kang, whose name was suddenly called, was stunned at first, but he quickly responded.

“Send the information to them one by one.”

Lin Hanxing’s voice was full of authority, and people could not help but do as she said!

The great Wang Fei subconsciously turned to look at Lin Hanxing. This was clearly beyond her expectations.

Information?

What information?

It was not just the first princess, everyone’s eyes were on Lin Hanxing, as if they wanted to see something from her face.

But unfortunately ...

They all failed!

Lin Hanxing’s expression was so well-controlled that no one could see anything.

Perhaps it was because of this that these people were even more curious about the information that Lin Hanxing was talking about!

What exactly ...

What was the content?

Yuan Kang also had the same question in his heart. So, after he got the first copy, he first scanned it from top to bottom. Almost at the same time, he stopped and gasped in front of everyone!

His expression was as if he couldn’t believe his eyes!

Whether it was deliberately mystifying or if they were really surprised, the people around them who were already curious about the content craned their necks in anticipation!

Lin Hanxing’s lips curled into a cold smile.

Speaking of which, discovering this thing could be considered a coincidence.

Last night, Lin Hanxing had been looking through the information uncle hai had given him. When he saw the contents of the second Prince’s report, he suddenly remembered something. He had contacted uncle Jin overnight to get the information he had in the shortest time possible.

This was the content that shocked Yuan Kang!

The second Prince seemed to have a premonition, and the expression on his gloomy face suddenly became strange.

Could it be that matter?

His heart was beating fast. He didn't even tell his own mother about that matter, so how did that woman know?

No, absolutely not!

Even though he was comforting himself in his heart, the second Prince's face still couldn't help but turn ugly!

1070 The thing that she tried to hide

Yuan Kang raised his head and looked at second Prince Farrick with a strange expression.

The latter was even more alarmed.

"What are you still doing?"

Lin Hanxing said coldly, his eyes as dark as ink.

Yuan Kang came back to his senses. This time, he deftly went to the senior members of the Cabinet and handed them the information in his hands one by one. He didn't believe that these people could remain calm after reading the contents.

The higher-ups who received it first quickly browsed through it, but soon, the surrounding people gasped one after another.

They all looked up at second Prince Farrick in disbelief.

"Let me see!"

The second Wangfei couldn't wait for Yuan Kang. She walked over and snatched the documents from one of the men's hands to read.

After a while, she looked up with a shocked expression.

"Is what is written here true?"

The second Princess Consort suppressed her anger and waved the documents in her hand at the second Prince, making a crackling sound.

Swallowing his saliva, the second Prince took it from his mother's hands.

Just as he took a look, his head felt like it was about to explode.

The most worrying thing had still happened!

"Why don't we let the second Prince explain it to everyone?"

Lin Hanxing's expression was lazy as he sat down beside the first princess consort, his expression elegant and indifferent.

"How did you lose nearly 400 million Yuan in such a short time?"

The information that Lin Hanxing pulled out was a mortgage receipt from a casino in Macau three months ago. It was clearly stated in black and white that the second Prince owed a total of 398 million Yuan on that day.

It was an astronomical figure!

Lin Hanxing didn't even look at the second Prince. He glanced at his fingertips and continued, "

I'm afraid that second Princess Consort doesn't know that the dozens of properties under your son's name all over the world have been sold out two months ago. Even so, he still owes the casino nearly two hundred million!

These words sounded extremely ironic at this time.

Hearing this, everyone in the great wangfei's faction looked at the second Prince in shock.

Two months ago, the first Prince had been trying his best to draft a bill to ensure the education and welfare of the Chinese in the snow orchid. For the sake of a fund of 80 million, he had been lobbying for a long time.

Even the people in the second Princess Consort's faction could still recall this scene.

However, the second Prince had casually owed a debt of nearly 400 million Yuan ...

It was inconceivable!

"How did you know about this?"

The expression on the second Prince's face could no longer be described as ferocious. He looked like he wanted to tear Lin Hanxing apart.

Cold sweat started to form on his forehead!

He was worried that such a thing would happen, so he signed a confidentiality agreement with the casino from the beginning. If the other party dared to disclose it, then he had the right to not return the remaining debt of nearly two hundred million.

Lin Hanxing looked at him coldly.

"Because I'm your creditor."

"....."

"....."

"....."

Lin Hanxing's words silenced the entire room.

Even Uncle hai and Yuan Kang couldn't help but be shocked when they heard this, let alone the others.

What did she just say?

She was the second Prince's creditor?

“Are you kidding me?”

Yuan Kang felt terrible. According to the investigation, she was only the little orphan of the Lin family who had been missing for eighteen years. How did she suddenly have two identities?

Even the people on the first wangfei’s side found it unbelievable.

Lin Hanxing chuckled and glanced at Yuan Kang, successfully silencing him.

Lei Xiao’s bodyguard walked over and handed over the confidentiality agreement and loan receipt that had been faxed over half an hour ago to Lin Hanxing.

Lin Hanxing held the thin confidentiality agreement between her fair fingers.

He looked as casual as he could be.

“According to your agreement with the casino, I broke my promise first, so you don’t have to pay back the rest of the money.”

Lin Hanxing said, and everyone heard a Chila sound ...

Lin Hanxing tore up the confidentiality agreement along with the receipt!

Strength explained what it meant to be rich and willful!

Did she really tear it apart?

Yuan Kang immediately cursed in his heart, “that’s close to 200 million!

Was there anyone who squandered like this?

He looked at Lei Xiao with resentment in his eyes. Can’t he control him properly!

Why was that ‘my wife is always right’ expression so annoying!!!

The second Prince’s nervous expression clearly relaxed.

He had seen it just now. The woman was indeed holding the agreement that he had signed. He had racked his brain for the remaining debt and had thought of everything ...

They just had to wait for the matter of the Crown Prince to be settled!

It was said that the first Prince had left behind a few welfare funds for the Chinese. He had planned it well, and was just waiting to use these funds to fill the hole!

“However, are you really at ease to hand the crown prince’s position to such a person?”

Lin Hanxing said casually and threw the question back to the higher-ups in the cabinet!

The group of people looked down at the information in their hands with different expressions on their faces. They had no other choice but to relax!

“Cut the crap!”

The second Princess Consort knew that it was not the time to settle scores with her son.

Even if she knew exactly what he was planning in his heart!

Lin Hanxing rested his elbow on the arm rest and supported his chin with one hand, looking at the mother and son lazily.

The tassels in her hair swayed back and forth with her movements.

“Alright, let’s cut the crap. How about making a deal?”

Lin Hanxing took the tablet from Lei Xiao’s bodyguard, and with a light swipe of her finger, a video began to play.

Wasn’t it the scene of the second Prince at the casino that day?

In the video, the second Prince’s eyes were red from gambling and he was crazily increasing the bid. Anyone who saw this would think that he had gone crazy.

“How much do the second Princess Consort and the second Prince think this video is worth?”

Lin Hanxing’s words left the other party dumbfounded?

Especially the second Prince!

“You ...”

They had broken their promise first, but now they were going back on their words to threaten him?

“No, I should ask this. How much do the second Princess Consort and the second Prince think their faces are worth?”

Not far away, Lei Xiao’s thin lips couldn’t help but curl up into a smile.

His wife would never let him suffer a loss. As expected, she was digging a hole here waiting for the mother and son.

As he was thinking, his phone suddenly vibrated.

He opened his WeChat and a message from ‘Xing Xiaoxing’ popped up.

[ Xing Xiaoxing: I’ll earn my pocket money and buy you ] can I steal your little heart ].jpg

Lei Xiao raised his head and his eyes met Lin Hanxing’s.

The latter blinked at him, her eyes bright.

He was the happiest when he was scamming money.

if you want to sit in that position, you have to pay a corresponding price. I think I don’t need to say this. You both understand this, right? ”

Lin Hanxing smiled, as if he did not see the mother and son’s livid faces.

The great wangfei had never felt so happy before.

Even she herself had forgotten how many years it had been since someone had defeated her like this!

Yet, he didn't even have the slightest strength to resist!
