

Goodnight 1101

[Chapter 1101](#)

1101 What are you pretending to be?

“Why did you bring a gift?”

Even the security guard, Xiao Zhang, did not realize that the way he spoke to Lin Hanxing was obviously different from the way he had treated the other people.

He used his eyes to signal her to turn around and look at the things that had just been thrown out of the courtyard.

The meaning was self-evident.

However, if it was really a gift, wouldn't it be a little too shabby to only put it in a small basket?

What was inside?

And he even covered it with something?

As he was thinking, elder Yan's voice came from behind him.

“I'll say this first, if elder Yan asks me to throw the thing out, don't blame me!”

He took the opportunity to mumble to Lin Hanxing and the security guard, Xiao Zhang, moved aside to let Lin Hanxing in.

Lin Hanxing didn't say a word from the beginning to the end.

When she walked in, han mingmei, who had wanted to make things difficult for her at the door, looked pale and embarrassed. As for the higher-up, he was standing beside master Yan with a smile. There was no trace of the majesty he had in the car.

Han mingmei looked up when she heard footsteps.

When he saw Lin Hanxing, his expression turned ugly.

‘Damn it!’

“Ha, another one with gifts.”

Han mingmei said in a weird tone, waiting for elder Yan to throw the things in Lin Hanxing's hands out as well.

The fierceness in elder Yan's eyes had not faded.

He looked at Lin Hanxing without saying a word.

“Who said I'm here to give you a gift?”

Lin Hanxing glanced at han mingmei, and his lukewarm tone sounded provocative to her.

Old Yan was still angry. He reached out and waved at the Green Parrot on her shoulder.

The parrot, which had been standing obediently on Lin Hanxing's shoulder, suddenly flew to his hand and rubbed against master Yan's rough and strong fingers in a very obedient posture.

"Then what's in your basket?"

Han mingmei didn't believe that she would bring some worthless stuff to see elder Yan!

Why was it that the things she brought had to be thrown out, while the things Lin xiaojiu brought could escape?

Master Yan was teasing the parrot as if he didn't hear it.

Even the security guard, Xiao Zhang, craned his neck and waited for the answer.

Lin Hanxing lifted the cloth that Madam Chen had used to moisturize and keep food fresh at the Lei family's house.

When she saw it clearly, han mingmei was the first to be stunned!

The second was the leader of Jiang city who came with her!

"This is ..."

The security guard, Xiao Zhang, couldn't help but open his mouth. Wasn't the basket filled with clusters of red jade peppers that had been tied up neatly?

It was a dazzling red.

Just by looking at it, it seemed to be able to arouse a strong appetite.

It was as if his tongue was burning!

I was afraid that I wouldn't be used to master Yan's food, so I prepared it myself. Is there a problem with that, miss han? "

Lin Hanxing's voice was neither warm nor cold, but it sounded more like sarcasm to han mingmei!

No one noticed it.

Master Yan's serious face changed slightly.

"Bring it over."

The security guard Xiao Zhang thought that the words were directed at him. He had just taken two steps towards Lin Hanxing when he heard a light cough from behind him. He immediately stopped in his tracks.

Did this mean that Lin Hanxing should take it himself?

It was as if Lin Hanxing did not feel han mingmei's burning gaze on him. He carried the basket of peppers and came to elder Yan's side.

The security guard, Xiao Zhang, had a subtle expression.

Han mingmei stared at the basket and kept repeating in her heart for master Yan to knock over the basket, just like how master Yan had mercilessly thrown the basket away when she had handed it to him!

Elder Yan raised his head and looked at Lin Hanxing.

It was hard to tell what that gaze meant.

Lin Hanxing did not avoid him.

She let him look at her.

Han mingmei was still mumbling in her heart. If it wasn't for the circumstances, she would have done it directly.

Suddenly ...

Master Yan made his move!

Han mingmei's eyes lit up in joy!

In the next second, elder Yan reached out to pick up a pepper and put it in his mouth ...

He actually began to chew!

The security guard, Xiao Zhang, seemed to have expected this outcome. It was no wonder that he had such a subtle expression just now.

Master Yan loved this taste!

It could be said that there was no pleasure without spiciness!

In the winter, he would even be asked to go out and buy some millet, hot peppers, and other dry things to chew!

However, after coming to Jiang city, the dishes he made were all bland and nourishing. Although elder Yan didn't say it, it was obvious that his appetite had been declining recently.

He wanted to remind the chef, but master Yan didn't allow him to.

She was afraid that she would cause trouble for the people in the kitchen.

"You little girl ..."

Elder Yan swallowed the Chaotian pepper, and his taste buds, which were about to degenerate recently, were ignited in an instant.

Even his expression became more vivid with this mouthful of chili.

"Send it to the kitchen and add more dishes for lunch!"

This meant that he was going to stay!

Hearing this, han mingmei's fingers involuntarily clenched. She didn't even feel her nails digging into her flesh.

The wound on her shoulder ached, as if it was reminding her of what had happened.

No matter how much resentment she had in her heart, han mingmei was not stupid enough to show it in front of elder Yan.

Who would have thought ...

The eccentric elder Yan was actually bribed by the basket facing the sky pepper?

However, it was such a worthless thing!

"I'm afraid miss han, who has tasted all the delicacies, is not used to it."

As if he didn't feel han mingmei's gaze, Lin Hanxing fiddled with the chili that elder Yan had taken out and placed on the table as a snack. His half-smile made han mingmei stand up abruptly.

She was definitely provoking her!

As soon as Lin Hanxing finished speaking, he picked up a red Chaotian pepper and put it in his mouth.

There was no expression on his face as he chewed.

Han mingmei walked towards her, grabbed the remaining food from Lin Hanxing's hand, and stuffed it into her mouth without a word.

The moment the peppers entered his mouth, a burning pain spread through his taste buds.

cough cough cough cough cough cough ...

Han mingmei choked and couldn't speak. She coughed non-stop and her face turned red.

Lin Hanxing sneered.

Why did he have to get himself involved to make her unhappy?

Because of her daily health care, han mingmei rarely ate spicy food. She regretted it the moment she ate the chili.

He thought that it wasn't as scary as he thought it would be after seeing elder Yan and Lin Hanxing's expressions. However, when he really bit it, he realized that it was a hundred times worse than scary.

"Have a glass of water."

Lin Hanxing poured a glass of water from the table and handed it to han mingmei.

However, the latter took it without thinking and took a big mouthful.

With a pfft ...

Just like that, han mingmei's Chili and water were all sprayed on the ground.

'Damn it!'

Lin Hanxing had poured her hot water!

The walls of his mouth, which were already hot from the skyward pepper, were now worse than dead after being boiled by the hot water!

She was definitely doing this on purpose!

She turned her head and glared at Lin Hanxing's face. Her face was flushed red and her eyes were moist. No matter how she looked at it, she seemed to have been bullied.

As they were making a ruckus, there was movement at the door.

A tall figure quietly appeared ...

[Chapter 1102](#)

1102 CQ is your company

"You ..."

Han mingmei's voice was hoarse, and her throat was burning with pain.

But before he could finish his words, the Green Parrot, who was standing at the table and letting master Yan tease it, suddenly squeaked.

Elder Yan raised his head.

"You really can't bear to leave this girl."

He waved his hand and asked the odd-job soldier who brought Lei Xiao to leave.

A deep voice rang out. Han mingmei turned around and when she saw Lei Xiao's face, the grievances in her heart surged out.

"Ah Xiao ..."

He didn't even come to see her during the few days she was hospitalized.

Was this man really that heartless?

Lin Hanxing did not expect Lei Xiao to come. No matter how cold he was to outsiders, his eyes were now extremely bright.

The Thunder valiant beast stood against the light.

The ash-gray shirt gave off a cold and arrogant feeling, and his eyes fell on Lin Hanxing's face.

Her porcelain-white face, which had just eaten chili, was now a healthy red.

When she saw him now, her pair of watery eyes became even more beautiful.

His cold and thin lips curled up imperceptibly.

Lei Jing walked over there.

Seeing Lei Xiao walking towards her, han mingmei's heart thumped and her eyes became even more miserable.

She looked exactly like a daughter-in-law who had been made difficult by an evil mother-in-law.

Seeing that he was right in front of her, han mingmei happily took a step forward ...

The Thunder valiant beast didn't even stop and just brushed past it!

The higher-ups who came with han mingmei could not help but shake their heads in their hearts when they saw this scene. Chairman Han's daughter had been smart since she was young, but she was really confused when it came to relationship issues.

Lei Xiao quickly stood beside Lin Hanxing.

"Elder Yan,"

Although he was speaking to elder Yan, his large palm had already grabbed Lin Hanxing's hand possessively.

"You finally saw me."

Elder Yan's torch-like eyes swept over the two people's hands and said this in a lukewarm tone.

"Yes, I'm afraid you'll bully her, so I'm here to protect her."

Hearing this, the leader couldn't help but break out in a cold sweat. This President Lei was too honest. Even if he thought so in his heart, he couldn't just say it out loud!

"You, you ..."

Just when everyone thought that elder Yan would get angry, he raised his sword-like eyebrows and didn't get angry.

"Alright, stay for lunch."

After saying that, the Green Parrot flew back to Lin Hanxing's shoulder.

"You guys sit downstairs, come up with me!"

The last sentence was spoken with a sharp gaze directed at the leader. It was obvious that he was angry.

With that said, he went upstairs with his hands behind his back.

The security guard, Xiao Zhang, stayed on the first floor under master Yan's eye signal.

Even though in his heart, this place was already not much different from an Asura arena.

Lin Hanxing, Lei Xiao, and han mingmei sat on either side of him, but han mingmei's eyes were fixed on her fiancé without any attempt to hide it. Even Xiao Zhang felt that she had gone a little too far.

He stood where he was, secretly waiting for someone to speak first.

ah Xiao, we've been together for so many years. Do we really have to end up like this? "

Han mingmei's shoulder ached faintly, but it was nothing compared to her heartache.

She wished she could dig out her heart and show it to Lei Xiao. She had liked him so much since she was young and had hinted to him so many times, but Lei Xiao's response to her was always cold.

It was a coldness that was engraved in his bones and engraved in his heart.

She had originally thought that this was his nature and she had accepted it. However, the appearance of the Lin family's little 9th had completely broken this peace!

Han mingmei realized sarcastically ...

It turned out that Thunder owl was not cold and heartless by nature, but he had reserved all his enthusiasm for another person!

"CQ is your company."

Lei Xiao's simple words caused han mingmei's expression to change.

Even Lin Hanxing could not help but raise his eyebrows.

"Yes, so what if CQ is my company?"

She just couldn't stand that Qi Li shamelessly pestering ah Xiao for so many years!

Lei Xiao looked at han mingmei.

She didn't know when it started, but she had han boming's hostility and evil nature.

the Qi corporation's stock price was stabilized by the Lei Corporation.

His cold tone was emotionless, but Lei Xiao's words instantly caused han mingmei to stand up with a twisted expression.

The security guard, Xiao Zhang, tried his best to reduce his presence.

Although he didn't understand a single word of their conversation, only a fool wouldn't be able to sense the constantly increasing tension in the air.

Han mingmei looked at Lei Xiao, then at Lin Hanxing, who was teasing the Green Parrot ...

"Lin xiaojiu, are you really going to remain unmoved after hearing this? This Qi Li is ..."

"Everyone in Jiang city knows of the woman who has been in love with ah Xiao for many years to no avail'. Is that what you're trying to say?"

Lin Hanxing said with a half-smile, successfully stopping han mingmei's second half of the sentence.

"I told ah Xiao to do that."

Han mingmei's eyes widened involuntarily when she heard that.

"Are you crazy?"

She let Lei Xiao help her love rival, did she have such good intentions?

miss han, you're trying to destroy the Qi Corporation regardless of the cost. Shouldn't I also ask you if you're crazy? " Lin Hanxing's fingertips gently slid over the Green Parrot's head, and he looked up at han mingmei with an indescribable charm in his movements.

"Are you going against me on purpose?"

There was another reason why han mingmei had made a move on the Qi Corporation, and that was Lin Hanxing!

Zhao Dongyang came to her Ward after the incident.

He had wanted to get a bodyguard to break Lin Hanxing's arm to teach her a lesson, but who knew that she would Dodge him as if she had eyes on the back of her head! Not only was han mingmei's shoulder disabled, but Zhao Dongyang's right ear was also removed.

The more han mingmei thought about it, the more the anger in her heart burned!

Lin Hanxing should have been the one to take the arrow that pierced through his shoulder!

She wanted to do something to make Lin Hanxing suffer, but the more han mingmei thought about it, the more she realized that Lin xiaojiu had no weakness to speak of!

The Lin family was troubled by both internal and external problems and was badly battered.

Lin xiaojiu was clearly the one who was secretly adding fuel to the fire. If he were to make a move on the Lin family, she might be even happier.

Other than that, han mingmei could not find any other information related to Lin Hanxing.

He couldn't even teach her a lesson.

In a fit of anger, han mingmei simply vented her anger on Qi Li.

Who asked her to pester ah Xiao so shamelessly over and over again!

I heard that CQ poached the models and guests from the Qi family's spring and summer fashion show tomorrow at a high price. They even paid an extremely high penalty for breach of contract? " Lin Hanxing did not answer but asked a question instead. His long eyelashes blinked slightly, and there was a scheming light in his eyes.

Han mingmei laughed when she heard that.

He sat back down, his expression filled with confidence.

since you want to help Qi Li, I'm not afraid to tell you that I've already spoken to all the management companies and model publishing companies. As long as it's a deal from the Qi family, no one will dare to take it!

As he spoke, he looked over at Thunder valiant beast.

"Ah Xiao, you're not thinking of interfering in the conflict between us women, are you?"

If the Thunder valiant beast were to make a move, she would naturally have no way of resisting it in terms of strength.

"If it's Hanxing's request, why not?"

Lei Xiao's hoarse voice was icy cold, causing han mingmei to choke.

[Chapter 1103](#)

1103 Let's see who will win, then

Would he die if Lin Hanxing told him to?

Seeing han mingmei's ugly expression, Lin Hanxing's lips curled up as he raised his hand and grabbed Lei Xiao's palm.

"But if that's the case, then it'll be boring."

From han mingmei's point of view, Lin Hanxing's long eyelashes concealed the dark light in his eyes as he spoke, giving off a mysterious and intimidating aura.

It seemed like ...

You would never understand what she was thinking when she looked at you.

"Since miss han is so confident, do you dare to bet with me?"

The green-skinned parrot jumped onto Lin Hanxing's shoulder and stared at han mingmei with its beady eyes.

"What are we betting on?"

Upon hearing this, han mingmei's desire to win was clearly aroused.

let's bet on whether the Qi corporation's spring and summer fashion show will go smoothly tomorrow night!

Lin Hanxing hooked Lei Xiao's slender fingers and gave han mingmei a sidelong glance.

"If you don't rely on ah Xiao, I'll definitely win!"

Han mingmei was confident that in Jiang city, as long as the Lei family did not interfere, she would be able to make Lin Hanxing admit defeat!

miss han, don't raise flags so quickly. After all, you were also so confident last time at Y. R.

Lin Hanxing was calm and collected, but his words had hit han mingmei's sore spot!

"I think you're the one who's afraid!"

Han mingmei sneered, her tone filled with ridicule.

Lin Hanxing shrugged noncommittally and let her say whatever she wanted. The Green Parrot, on the other hand, jumped from her right shoulder to her left.

Han mingmei's eyes turned cold.

What she hated the most was Lin Hanxing's calm expression, as if everything was in her hands!

"If you want to bet, then there must be a stake. What do you think, miss han?"

"Of course!"

Han mingmei was not to be outdone.

"Last time, you interrupted our competition by accident. Why don't we continue to bet on Fu Ruixiang and the authentic work of Huang Tingjian this time? Of course, if miss han doesn't dare to play so big, we can change to another one."

This ... Wasn't this a little too much ...

The security guard, Xiao Zhang, looked a little confused.

If he didn't know what auspicious fortune was, then he definitely knew the value of Huang Tingjian's authentic work!

He just spent a few hundred million ...

Did the Thunder valiant beast not have any objections?

As he thought about it, his gaze swept over to Lei Xiao.

However, the man who always had a cold expression on his face was now looking at Lin Hanxing with an indulgent gaze. The corners of his cold lips were curled up. Was it a smile?

"How can I not take what's given to me?"

This time, han mingmei had full confidence.

She understood Lei Xiao. Since he had already said that, he would definitely not use the Lei clan's power to help Lin xiaojiu in secret. He would not use such an unruly method!

Since the Lei family was not going to make a move, han mingmei did not believe that Lin xiaojiu could find any models or celebrities to help her, not to mention that she had already established a good relationship with them ...

If the reporters didn't even go, she didn't believe that the Qi family's spring and summer fashion launch would be able to continue!

"Alright, it's a deal! Why don't we invite elder Yan to be our witness when he comes down later? that way, some of us won't be able to deny what we said!"

Lin Hanxing raised his head and met han mingmei's eyes.

"That's for the best, of course!"

As the two of them were talking, master Yan and the leader came down from the second floor.

As for the leader's expression ...

Ugly wasn't enough to describe it. He was like dead ash, and no one knew what the two of them had said.

elder Yan, please rest. I ... I'll take my leave first!

After he finished speaking, he even forgot about han mingmei and fled.

Elder Yan stood there for a long time before he snorted.

The security guard, Xiao Zhang, walked over quietly and told him what had happened downstairs.

"The authentic work of Huang Tingjian?"

The interest on master Yan's face was obvious, and han mingmei saw it. She decided that after she got the calligraphy painting tomorrow night, she would try to send it to master Yan.

"Both of you did it out of your own free will?"

The aroma of stir-fried chili was already coming from the kitchen. When master Yan smelled it, his expression no longer seemed so serious.

"Of my own free will."

"Of my own free will."

Lin Hanxing and han mingmei said in unison. However, one of them was calm while the other was determined to win!

"You don't have any objections?"

Elder Yan turned his head to look at the silent Thunder valiant beast and asked for his opinion.

"Even if the sky falls, I can still help her."

In other words, he could do whatever Lin Hanxing wanted.

Han mingmei's expression changed.

He did not seem to understand what Lin xiaojiu had done to make Lei Xiao so unprincipled.

"In that case ..."

Even the deep wrinkles on master Yan's face had a subtle fluctuation.

"Let's see who will win, then!"

Han mingmei straightened her back. Even if this action touched the unhealed wound on her shoulder, she did not flinch.

Tomorrow night, she would let her have a taste of what it was like to lose face!

Elder Yan's eyes swept over han mingmei and saw the confidence in her eyes. He didn't say anything and gave the guard an arrogant look. The latter quickly understood.

He went down quietly.

When he returned, he had many gift boxes in his hands.

They were piled on the table.

"Mr. Han took advantage of my absence that day and forcefully left these things at the door. Since miss han is here, please take them back." As he spoke, elder Yan sat on the main seat and drank his tea.

Han mingmei's expression suddenly became awkward.

He had never expected that master Yan had called him over for this matter!

He couldn't say anything for a long time.

She finally understood why master Yan had asked someone to throw out the things she had brought in without a word. It turned out that the problem was with her father!

However, elder Yan raised his head and saw that han mingmei was still standing in the same place. He raised his eyebrows slightly.

"What's wrong? You want to stay for lunch?"

Han mingmei's face turned red as soon as she finished speaking.

So, master Yan didn't have any intention of making me stay for lunch?

Then ...

Then why was Lin Hanxing able to stay?

"Master Yan, I came with uncle's car today. He just left, I ..." He said.

No matter how outsiders said that elder Yan had an eccentric personality, it was still difficult to accept it after personally experiencing it today. The words that came after were unable to be said under the sharp eagle-like gaze.

She thought that master Yan would ask her to stay for a while after she said that, but she didn't expect ...

As soon as he finished speaking, master Yan was already waving at the security guard, Xiao Zhang.

"Send a car to send miss han back."

As soon as he finished speaking, he added another sentence.

"Along with those things outside, take them away."

This time, no matter how good han mingmei's mouth was in the past, she could not keep up with her blank mind.

"Yes!"

As Xiao Zhang spoke, he turned around and walked outside. He was going to get the car to be parked.

Didn't master Yan send someone to the hospital to ask her to come to the main courtyard?

Not elder Yan ...

Why did she have to leave just like that while Lin Hanxing could stay for lunch?

As he thought about it, he glared at Lin Hanxing fiercely!

[Chapter 1104](#)

1104 What else do you want to do?

Lin Hanxing naturally saw it too.

She just felt that she was really innocent this time. She didn't call him over, nor did she ask him to leave.

Why was han mingmei glaring at her?

It was as if he would be able to stay if he stared a few more times.

"Elder Yan ..."

Han mingmei still wanted to say something, but the security guard, Xiao Zhang, had already returned.

The car was waiting at the entrance.

"I hope miss Lin doesn't forget our bet."

What's done can not be undone. Han mingmei knew that it was useless to say anything more. After reminding her in a gloomy voice, she turned and left.

His back was very straight.

It was as if this could save her face from not even having lunch with him.

The small detached building returned to its usual silence.

"Aren't you curious why I called you here today?"

Elder Yan held a cup of tea and looked sharply at the couple sitting not far away.

"I'm quite curious."

Although he said that, Lin Hanxing's expression clearly showed that he was not curious.

"But there's something that I'm more curious about."

Lin Hanxing's cold voice changed the topic.

It was a meaningful look, and even the mole at the corner of her eye was dyed with a subtle glow.

"Oh?"

Elder Yan's expression was thought-provoking as he replied with a single word.

"Elder Yan, you seem to be very interested in my writing."

When talking to smart people, one didn't need to be too sure of everything.

This had always been Lin Hanxing's style of doing things.

The security guard, Xiao Zhang, who had sent Han Mingmei away, happened to enter the door. When he heard this, he paused.

However, a difference of a fraction of a second ...

However, Lin Hanxing still managed to catch it.

It seemed that she had guessed correctly.

There was indeed someone in the conference hall of the military base that was taken to the laboratory of Zhu Chengdi that day!

And that person was the one in front of him.

"Or rather, I'm more interested in you as a person."

Master Yan's words were said very skillfully, as if he had answered but also as if he had not answered anything.

"What do I have that you're interested in?"

Lin Hanxing said indifferently.

"Everything."

Master Yan's eagle-like eyes fell on Lin Hanxing.

He closed the lid with a clatter and put the teacup by his hand.

"The year of the missing mugwort turned Jiang city upside down the moment he returned. He has a mysterious background, he never lacked money, he could easily bet hundreds of millions of Huang Tingjian's calligraphy and paintings, he drank the tribute tea from the Qing Palace, he could afford to invest in Zhu Chengdi's laboratory ..."

Any one of them was enough to make people's jaws drop.

Elder Yan's gaze went past Lin Hanxing and landed on Lei Xiao's face.

From the beginning to the end, there was no change in his expression when he spoke to her.

"Ah Xiao, don't you have anything to say?"

Hearing this, Lei Xiao raised his head.

In front of Lin Hanxing and people other than the Lei family, it was rare for him to show an expression other than coldness.

"No matter who she is, I can afford to take care of her."

In other words, he did not care about Lin Hanxing's identity.

Lin Hanxing tilted his head and looked at Lei Xiao.

Her beautiful eyes were sparkling. Although she didn't say anything, it was obvious that she was in a good mood.

Perhaps it was because of Lei Xiao's words that Lin Hanxing was too lazy to beat around the bush with elder Yan.

elder Yan, to tell you the truth, if you're thinking of using my handwriting to do some handwriting verification, I advise you to give up on that idea. Lin Hanxing's words sounded a little impolite, and the guard, Xiao Zhang, was a little afraid that elder Yan would be angry.

In addition, when he heard the words 'handwriting verification', he was shocked.

She knew?

"If I didn't want to, no one would be able to find anything from these clues."

Lin Hanxing chuckled.

His voice was filled with confidence and certainty.

"You're that confident in yourself?"

To little Zhang's surprise, elder Yan did not get angry.

Not only did he not get angry, he even laughed.

"Please bring me a pen and paper."

Perhaps it was because he was in a good mood, Lin Hanxing raised his head and smiled at the security guard Xiao Zhang. It was as beautiful as a flower bud blooming in spring, and the latter could not help but be stunned.

Until Thunder valiant lifted his head and glanced at him indistinctly ...

A chill quickly crept up his tailbone.

He turned around and quickly retrieved the pen and paper.

Lin Hanxing took the paper and did not even look in elder Yan's direction. He just picked up the pen with both hands and wrote something on the paper.

She stopped after a while.

Then, he handed the paper to the security guard, Xiao Zhang, and asked him to bring it to master Yan.

Little Zhang, who had been watching from the side the entire time, had a subtle expression.

He finally understood why Lin Hanxing had the confidence to say those words.

Very quickly, the item was delivered to elder Yan.

On the paper, every line of words was written in a different font and in a different way. If they had not seen it with their own eyes, they would have thought that Lin Hanxing had really written the words stroke by stroke ...

It was hard to believe that all of these were done by the same person!

Elder Yan held the piece of paper, but his eyes fell on Lin Hanxing's face.

She was very direct.

He told him directly not to waste his time.

The things that he had done obviously did not escape the little girl's eyes.

"If you have any questions, you can come to me directly."

Lin Hanxing exchanged glances with elder Yan and smiled.

"If I ask, you'll tell me the answer?"

Elder Yan placed the piece of paper on the table. He had to admit that her handwriting was really good.

"Of course, I can tell you what I can."

Elder Yan laughed.

His own problems would probably be classified into the part that he couldn't say.

"These few days, the Lin, Hefang, and other families have been tormented by you."

Elder Yan said as he teased his Green Parrot. His voice seemed to be nonchalant.

"Everything has a cause and effect."

"Want to get, and not want to pay, how can there be such a cheap thing in this world?"

Lin Hanxing did not try to hide anything, even his expression did not change.

However, the guard, Xiao Zhang, couldn't help but click his tongue when he heard it.

In the past two days, the Lin, Hefang, and other three groups had been facing a difficult situation. The three groups that had just successfully taken over the Jiangcheng cross-sea bridge project had not had enough time to be in high spirits when the Lin family was the first to get into trouble ...

And the he family ...

I'm afraid I can't keep it!

However, Lin Jiaojiao from the Lin family had just had an unclear relationship with second young master he zehan at the banquet. Everyone present could clearly see it. Although the engagement was announced to the public, there was more to it than meets the eye ...

Other than the people involved, it was really hard to say.

"What else do you want to do?"

Hearing Lin Hanxing's words, it seemed like she still had a trick up her sleeve.

Lin Hanxing smiled but did not say anything.

Elder Yan waited for a long time, but she didn't say anything. Then he realized that this must be the part that he couldn't say.

"Master Yan, it's time to eat,"

Lin Hanxing finally spoke up.

The security guard, Xiao Zhang, glanced at the kitchen from the corner of his eye.

As expected, it was time to eat.

The aroma of stir-fried skypepper was appetizing. It was obvious that Lin Hanxing had brought the most authentic chili, so it was no wonder that master Yan couldn't help but chew on it.

"What a pity ..."

Elder Yan shook his head as he stood up, looking at Lin Hanxing with regret.

It was a pity that the old woman did not leave him a son.

Otherwise, he would definitely ...

[Chapter 1105](#)

1105 Like like like like you

After lunch, Lin Hanxing and Lei Xiao took their leave.

Lei Xiao's car was also parked at the entrance of the courtyard, and the two of them still had to walk a long distance before they could get there.

From time to time, Lin Hanxing would hook his fingers, but when Lei Xiao's large palm reached out to grab her, she would split it.

"I can't move."

Suddenly, Lin Hanxing knelt down and spoke in a soft voice.

Lei Xiao turned around and saw the little girl who was hugging her knees and squatting on the ground. She was looking up at him.

The ground that had just snowed was white.

On the contrary, her porcelain-white face had a faint Health Powder on it, and her eyes were so moist that they seemed to be gathering light.

Thunder owl turned around and followed her.

Looking at that delicate little face, Lei Xiao's heart softened, he wished he could find all the good things in the world for her.

He poked Lin Hanxing's face with his finger.

Lin Hanxing opened his mouth and was about to bite him.

“Get on, I’ll carry you.”

Lei Xiao laughed, he loved the childish little moves she only showed in front of him.

Lin Hanxing looked up and saw his smile.

His heart skipped a beat.

Others only knew that the Lei family’s eldest young master was as cold as ice, but very few people knew how mesmerizing this man was when he smiled.

“Yes.”

Lin Hanxing obediently stretched out his hand and laid on Lei Xiao’s back. Her legs, which were wrapped in black ladies ‘suit pants, swung back and forth on both sides of his body, and a satisfied smile appeared on her face.

She was like a cat that had stolen a fish.

Her small hands were wrapped around Lei Xiao’s neck, and she leaned her face against his cheek.

dad’s birthday is in two days ‘time. On that day, we will officially announce our engagement.

Thunder Valiant’s mesmerizing voice resounded.

“Alright,” he said.

Lin Hanxing sniffed the pleasant smell of wood on his body.

It could easily cause people to sink.

“Ah Xiao,”

Lin Hanxing suddenly opened his mouth, his hot breath blowing on Lei Xiao’s ear, extremely alluring.

“What?”

Carrying her on his back was like carrying a feather, light as a feather.

Her mother had clearly fed Hanxing a lot of food recently, and she had even started to eat the fruits and supper that she usually didn’t eat, but why did it feel like she still hadn’t put on much weight?

“Can you tell mom not to buy me any more things?”

She had only left with ah Xiao for a day and the room was almost filled with the things that mother Lei had sent over.

Not to mention the cosmetics and skin care products, even the cloakroom had a few more rows of clothes, and the space for Lei Xiao’s clothes was getting smaller and smaller ...

She looked as if she wanted to move the entire shopping mall over to her.

there’s a shelf life for cosmetics. Even if we give it to Xi Bao and Bai Xi, we won’t be able to use up so much.

Moreover ...

Yujing garden also had things sent from all over the world from various manufacturers.

She only had a face and a body. It was such a waste to have so much.

“Mom told me today that she’s going to help you expand the cloakroom.”

Lei Xiao walked towards the entrance of the courtyard unhurriedly, not hesitating even a little because of the gazes of the people around him.

He was carrying his wife.

What was there to be embarrassed about?

“The heavens ...”

Lin Hanxing buried his face in his neck like a hamster.

“Actually, I also want to buy one for you.”

Lei Xiao’s deep voice resounded. However, his mother was too enthusiastic, and he was completely useless.

“.....”

Lin Hanxing was speechless.

“After the engagement ...”

Lei Xiao continued to walk forward, his black leather shoes making muffled sounds as they stepped on the concrete floor.

“Let’s sign an agreement,”

Lin Hanxing paused. Agreement?

What agreement?

“Don’t tell me you’re going to copy dad and transfer everything under my name?”

Lin Hanxing said jokingly.

But unexpectedly, she heard Thunder Valiant’s serious “hmm” sound, which made her fingers tremble in fear.

“Is this also a rule of our family?”

Lin Hanxing’s eyes widened like a frightened squirrel.

“.....”

Lei Xiao tilted his head, and Lin Hanxing happened to lower his head. Their lips brushed against each other.

It was fragrant and soft.

His wife's little mouth.

"It's not a family rule,"

I just want to give it to you. I want to give you everything I have.

Including myself.

"I don't want to."

Lin Hanxing laid on his back and said softly.

"I don't want your money!"

She buried her face in his neck, but her white little ears turned red.

In Thunder Valiant's eyes, she was as cute as she could be.

"Hanxing,"

The Thunder valiant beast suddenly called her.

"Previously, Dr. Zhong ..."

His psychological problems ...

Before she could finish, Lin Hanxing bit her ear lightly.

The force was very small.

But it was filled with an indescribable warmth.

"I like you."

Before Lei Xiao could finish his sentence, he was interrupted by Lin Hanxing.

"Cold star ..."

"Like like like like you!"

The soft voice once again reached his ears, causing the haze that had just gathered in his heart to slowly dissipate.

"You don't want me to finish?"

"En!"

Lin Hanxing tilted his head and admitted it.

She already knew what he wanted to say when he mentioned Dr. Zhong.

He didn't want to hear it.

She also didn't want him to remember unhappy things.

The secrets that belonged to him ...

It was not important.

It was not important at all.

“Do you know something?”

Lei Xiao was sensitive enough to sense Lin Hanxing’s unusual behavior. The moment he opened his mouth to speak, his phone suddenly rang.

Lin Hanxing took out his phone. When he saw the caller ID, his expression froze.

“Hello,” he said.

The person on the other end of the phone said something. Lin Hanxing hummed in agreement and hung up.

“I’m going to the hospital.”

The phone call just now was from Yuan shaojing.

“I’ll send you there.”

“I’ll get Anthony to drive your car home later.”

.....

At the Affiliated Hospital of Jiangcheng Medical University.

The two of them had just gotten out of the car when the sound of an ambulance suddenly came from outside the emergency passage.

A commotion could be heard.

“Are you taking drugs?”

it looks like it. His hands are full of needles. It’s so scary.

“Do you think he has aids?”

The intermittent voice made Lei Xiao’s face turn ugly.

Lin Hanxing did not even turn his head, but he could feel the sudden chill from his body.

He did not move.

His eyes were fixed on the ambulance.

“Ah Xiao ...”

Suddenly, a soft voice sounded in her ears, penetrating everything and reaching her heart.

It was the cold star.

He had lost his composure.

Just as Lei Xiao turned his head and wanted to speak, he felt someone suddenly grab the collar of his shirt. Before he could react, the little girl, who was more than a head shorter than him, tiptoed and suddenly moved close to his lips!

He kissed himself fiercely!

The Thunder valiant beast was caught off guard and took two steps back before he managed to stabilize their bodies.

His hand was on her soft and thin waist ...

His body gradually warmed up.

“Star ...”

If it was just a vague idea in his heart just now, then now, Thunder valiant was a hundred percent sure ...

She knew.

“Let’s go,”

Feeling the man’s body gradually soften, Lin Hanxing finally moved his lips away. The corners of his mouth curved into an indescribable smile as he reached out to Lei min.

That smile ...

It melted the coldness around the Thunder valiant beast, like the bright spring light that could touch the heart.

[Chapter 1106](#)

1106 Life is short

Thunder valiant beast looked at her outstretched hand.

The weather was very good today, and even Han Xing’s little hand that was reaching out to him seemed to be coated with a layer of warm light.

She was waiting for him.

She was waiting for him to hold her hand.

Thunder valiant beast’s slender fingers moved slightly, but he didn’t raise them for a long time.

Lin Hanxing did not rush him. He just smiled and waited patiently, just like how he had waited for him for a long time.

After a long time.

The Thunder valiant beast finally covered her palm with his large palm.

Carefully.

Lin Hanxing grabbed it without thinking.

“Here, remember, this is your wife’s hand!” He said.

When facing Lei Xiao, she returned to her soft and cute voice. No one could imagine that this was the culprit who had turned the major families of Jiang city upside down.

“You can’t hold anyone else’s hand other than me ...”

“Did you hear that?”

Lin Hanxing raised his chin like a proud cat.

Lei Xiao held Lin Hanxing’s hand and pulled him into his arms.

He rested his chin on the top of her head.

He allowed the little ball to stay in his arms, and the two of them felt an indescribable warmth.

“You don’t mind?”

The deep sound resonated through the tremors, and Lin Hanxing could also feel it.

“Aunt Mian once said that the stupidest thing a person can do is to give up the most important thing for the sake of the world.”

She had never minded.

No matter what had happened to ah Xiao, she didn’t mind.

Life was short, and it was a miracle to meet the person you loved.

As for the rest, why should he mind?

He stretched out his little hand and poked Lei Xiao’s hard chest. He was hugging himself so tightly that he was almost out of breath.

It was as if he wanted to bury her entire person in his chest!

“Someone is laughing at us ...”

It was a child pulling a balloon. When he grinned, he was even missing a front tooth.

“Didn’t you say that we don’t need to care about what the world thinks?”

Lei min chuckled and let go of Lin Hanxing slightly. His Hawk-like eyes glanced at the fat child.

The latter immediately slipped away!

Yuan Dabao was still cuter!

Thunder valiant beast thought.

By the time the two of them took the elevator to the top floor, Yuan shaojing had already been waiting with uncle hai and Yuan Kang for a long time.

“Tsk, do you want to be together all day long?”

When Yuan Kang saw Lin Hanxing, he thought that Lin Hanxing had been very casual when they were in country G.

It was only after hearing uncle Hai's cough that he remembered that they had already returned to Jiang city. He subconsciously glanced at Yuan shaojing ...

However, when her gaze swept past his head of white hair, she paused for a moment.

"He's inside?"

Lin Hanxing's expression was cold as he glanced at the tightly shut door.

Yuan shaojing looked at her.

The image of the Begonia Red cheongsam that Lin Hanxing had worn when he returned last night appeared in her mind.

She was standing in the snow.

Just like the ball that year, just like that night, just like ...

"You like him a lot?"

Yuan shaojing's hand was on the Dragon-headed walking stick, and there was no trace of black in his silver hair. His voice was calm.

Instead of answering, he asked a question.

The "him" here was, of course, Yuan Kang.

Under such circumstances, Yuan shaojing wouldn't have asked Yuan Kang to appear, but after hearing about what had happened in country G from uncle hai, he changed his mind.

Although Yuan Kang was ...

"You can still find a useful person in your Yuan family?"

Lin Hanxing said indifferently.

It should have sounded like sarcasm to others, but Yuan shaojing knew that Lin Hanxing didn't mean it that way.

She was just stating a fact.

However, he had only stayed in the yuan family for a short hour, but he had already peeked into the predicament that the yuan family was currently facing ...

This girl was always able to bring him more surprises.

Yuan Kang was speechless.

Can you guys not be so serious in front of me?

I don't want my face!

“We’ll talk about the rest after I come out.”

Lin Hanxing raised his hand to stop Yuan Kang from speaking.

“You wait for me here.”

He turned to look at Lei Xiao. Even his expression changed when he heard the voice.

Thunder owl did not say anything.

However, he raised his hand and placed it on Lin Hanxing’s head, rubbing it.

Lin Hanxing pushed the door open and entered the ward ...

.....

A woman was lying on the bed, staring at the ceiling with her eyes wide open.

When she heard movement at the door, she turned her head stiffly ...

However, it exploded in an instant.

If not for the fact that his legs were still tied to the bed, he would have torn Lin Hanxing apart.

Lin xiaojiu ... Lin xiaojiu ...

Cheng Lingyun’s voice was muffled, as if she had a piece of candy in her mouth!

However, the hatred in his eyes was obvious!

Lin Hanxing chuckled when he heard this.

It seemed that Yuan shaojing had indeed dealt with it according to his wishes.

Cheng Lingyun didn’t die, nor did she go crazy. In fact, she was so clear-headed that she couldn’t be any more clear-headed, but she had lost the freedom of movement.

Lin Hanxing still remembered the first time he saw her in Jiang city.

Cheng Lingyun, who was wearing a suit, had maintained her skin very well. Her skin was smooth and fair, which was not the state that she should have at her age ...

However, looking at it again today ...

Lin Hanxing looked at the face that seemed to have aged more than ten years overnight. It was rough as if it had been air-dried, and the fine wrinkles at the corners of his eyes and the wrinkles that were gradually deepening were really uninteresting.

He looked down at Cheng Lingyun.

Lin Hanxing did not hide the coldness and mockery in his eyes.

It was as if he was looking at a walking corpse.

“It’s me.”

Lin Hanxing said indifferently.

As soon as Cheng Lingyun moved, the rope around her made a slight noise.

“Let me go!”

Cheng Lingyun mumbled, and her dry lips were bleeding.

With her current appearance, what difference was there between her and a ghost?

As for the man’s Red marks on her body, some were deep and some were shallow. They were imprinted on Cheng Lingyun’s body like a humiliation, and she would remember it.

Yuan shaojing even asked someone to find a mirror.

As long as Cheng Lingyun turned her head, she would be able to see her current ghost-like appearance through the mirror!

“Don’t you think this scene is very funny?”

Lin Hanxing’s cold gaze swept across Cheng Lingyun’s head and feet, causing her to shiver!

“Back then, Yuan susu had also struggled and begged for mercy like you are now.”

At the mention of Yuan susu, Cheng Lingyun’s bloodshot eyes looked like they were about to bleed as she glared at Lin Hanxing!

“Shut up! Shut up!”

“I forgot to tell you, the man outside has already taken out si Nian’s heart from her body!”

Cheng Lingyun naturally knew who the man outside was!

Yuan shaojing!

This was the man she had been longing for her entire life!

In the end, he even set such a vicious trap for himself!

For that B * tch li Yanyu!

That B * tch!

it’s so funny. You’ve been scheming for your whole life, but in the end, you still end up like this!

She kept comparing herself to aunt Mian, but the truth was ...

This ghostly appearance ...

She probably couldn’t even compare to a finger of aunt Mian!

“Shut up! B * tch! You B * tch!”

[Chapter 1107](#)

1107 I’ll make sure you live well

Cheng Lingyun struggled like crazy.

The bandages that bound her wrists and ankles were ground into a bloody mess.

Even so, Cheng Lingyun had no intention of stopping.

On the other hand, Lin Hanxing ...

Chuckling, he pulled a chair over and sat down. His right leg crossed elegantly over his left, and he watched her go crazy at the end with a cold gaze.

The white shoes on her feet had long been replaced with high heels.

Cheng Lingyun roared for a while and finally stopped.

“Not playing anymore?”

Lin Hanxing bent his fingers as his gaze fell on the trimmed and smooth armor.

Her long eyelashes cast a shadow on her face.

After the madness, extreme fear surged towards Cheng Lingyun like a tide.

Only now did she truly realize how terrifying this woman was!

He looked at Lin Hanxing in horror ...

However, when he saw the Phoenix ring of the Li family's head on her finger, he broke out in a cold sweat.

Lin xiaojiu, let me go and I'll give you all my money, okay? ”

Cheng Lingyun swallowed her saliva with difficulty and began to discuss the conditions with Lin Hanxing.

Hearing this, Lin Hanxing sneered.

He raised his eyebrows and looked at Cheng Lingyun sarcastically.

“How much can you give me?”

Seeing that Lin Hanxing seemed to be very interested in this question, Cheng Lingyun was overjoyed.

“As long as you let me go, tens of millions of dollars is no problem!”

Over the years, she had also made some investments, including the real estate and Yuan SuSu's assets. She could definitely afford to fork out tens of millions of us dollars!

“Oh, tens of millions of dollars.”

Lin Hanxing deliberately dragged out his words. He looked at Cheng Lingyun's eyes that were filled with hope for survival and smiled.

“It does sound very tempting.”

Lin Hanxing changed his posture and turned the Phoenix ring on his finger, as if he was seriously considering her suggestion.

Cheng Lingyun's lips curved up.

She knew that no one in this world could resist the charm of money!

"Did I tell you something?"

Lin Hanxing looked at him quietly, and there was no fluctuation of emotion in his voice.

It was cold without any warmth.

Looking at her face, Cheng Lingyun's smile suddenly froze.

His heart was thumping.

Lin Hanxing leaned closer to Cheng Lingyun and put his mouth next to her ear.

"It's a pity, I ..."

The blood in Cheng Lingyun's body seemed to freeze as she heard Lin Hanxing's cold words. Her bloodshot eyes widened in disbelief!

Lin Hanxing sat back down and looked at her quietly.

His eyes were bottomless.

However, it was enough to reflect Cheng Lingyun's dumbfounded and embarrassed look.

"Impossible! I don't believe it!"

Cheng Lingyun kept shaking her head, as if she couldn't bear the blow of knowing the truth.

"I don't believe you are ... I don't ..."

Her emotions were so agitated that Cheng Lingyun started to show signs of epilepsy, and her hands and feet twitched unconsciously!

Lin Hanxing's lips curved up coldly.

Looking at Cheng Lingyun's shocked expression, the coldness in her eyes made people shudder.

"Cheng Lingyun ..." He said.

Lin Hanxing smiled and called out her name. To the latter, it sounded like a death warrant!

"Don't worry, I'll make sure you live well."

From the very beginning, Lin Hanxing had no intention of killing Cheng Lingyun. Not only did he not want to kill her, but he also wanted her to live a 'good' and 'wonderful' life!

Sometimes, death was the true release!

"I don't ... Don't ..."

Cheng Lingyun said with a trembling voice. She watched as Lin Hanxing pulled open the bedside table and took out a single-use syringe!

A bottle of medicine appeared in her hand.

Lin Hanxing had previously asked the sacred hands to specially make it for her.

The liquid in the light purple sealed glass bottle swayed back and forth with Lin Hanxing's movements.

A click.

Lin Hanxing broke the bottle with practiced movements and extracted the liquid.

"Have a good sleep. When you wake up, you'll find that you're already in the largest red-light district in Mexico."

With a light flick of his finger, a cold voice sounded.

Cheng Lingyun's eyes were filled with fear.

His slightly rough breathing sounded like bellows, and it was really uncomfortable to hear.

Lin Hanxing was like a demon in Cheng Lingyun's eyes, her eyes fixed on the syringe.

His pupils flickered.

"I'll let you enjoy it every day."

Lin Hanxing leaned over and pinched Cheng Lingyun's chin with his cold fingers at lightning speed, forcing her to look at him.

"You just need to lie down."

She could feel that Cheng Lingyun's entire body was trembling.

"Lie down comfortably ..."

Ka la ka la.

Cheng Lingyun's teeth started chattering uncontrollably.

The red-light district in Mexico ...

"Save ... Save me ..." He cried.

She said.

Even if she had to exchange all her assets for it, Cheng Lingyun was willing.

"Si Nian also begged like this ..."

Lin Hanxing's fingers dug deep into Cheng Lingyun's flesh, but his voice was extremely cold.

"But who has ever paid attention to him?"

The next second, the needle was inserted into Cheng Lingyun's neck.

Cheng Lingyun screamed in pain.

Even his pupils seemed to be a little lax.

The medicine was quickly pushed into Cheng Lingyun's body. She blinked her eyes, her dry lips trembling, and couldn't say a word.

"Oh, I forgot to tell you."

Lin Hanxing seemed to have suddenly thought of something important, and the corners of his mouth slowly curved into a smile.

However, that smile did not reach his eyes at all.

Her voice, in Cheng Lingyun's ears, was as distant as if It Came from Outer Space.

while you're asleep, Yuan shaojing's men will arrange a small operation for you. You don't have to worry too much.

Cheng Lingyun's pupils were trembling violently.

"You want to know what kind of surgery it is?"

Lin Hanxing seemed to be able to read people's minds easily.

"I just did something to your spine, so that you can't move the part below your chest."

She chuckled softly.

Cheng Lingyun felt like she had fallen into hell when she heard his laughter.

However, she couldn't help but feel drowsy. Even though she knew that it was dangerous and that she would be ruined if she woke up ... Cheng Lingyun still couldn't get rid of her sleepiness ...

He teased Cheng Lingyun.

In her daze, she seemed to see li Yanyu standing in front of her.

"I ... Don't ... Want ... To ... Lose ... To you ..."

Cheng Lingyun thought that she had said it very clearly, but in the ears of the others, it sounded like her tongue was stuck out and she was stuttering.

The woman's eyes were still cold.

He would seek revenge for the smallest grievance and his methods were ruthless.

That was the label that the world had given her.

She was the only one ...

Only she, Cheng Lingyun, had ever seen her begging and begging.

Hehe.

Li Yanyu, the person you've taught is really like you ...

They were equally ruthless!

Lin Hanxing stood by the bed and looked down at Cheng Lingyun's face, which had suddenly aged. His expression gradually relaxed, and even when he closed his eyes, his breathing was even ...

"Cheng Lingyun, this time, we really have to say goodbye!"

[Chapter 1108](#)

1108 Meeting Lin Jiaojiao by chance

Lin Hanxing pushed the door open and walked out of the ward expressionlessly.

Her high heels made a cold echo as she stepped on the marble floor. The wet tissue she used to wipe her hands was thrown into the trash can.

Yuan Kang was speechless.

Lin xiaojiu's aura was not just for show.

The moment she walked out of the room, his heart had been beating wildly with the sound of her high heels.

Especially that gaze ...

"I'll leave the rest to you,"

Lin Hanxing said faintly. The hair that he had casually tied up behind his head was a little loose, so he simply untied it and let it pour down like a waterfall.

It spread out in the air and formed a big black flower.

Yuan shaojing gave uncle hai an order.

"Can I take a look?"

Yuan shaojing's hand was still on the Dragon-headed walking stick, and it was hard to tell that he was trembling without looking carefully.

Lin Hanxing followed his gaze and finally saw the Phoenix ring on his finger.

After some thought, she took it off and handed it to the man.

The lifelike Phoenix looked like it was about to fly away in the next second.

Yuan shaojing looked at her in a daze.

After a long time, he received the yuan family's Crouching Dragon clan head token from uncle hai and put the two together ...

A click was heard.

Under Yuan Kang's astonished gaze, the Crouching Dragon and the coiling Phoenix joined their heads and tails together to form a ring.

Yuan shaojing's fingers brushed over the Phoenix, and he quickly returned the two rings to Lin Hanxing.

Lin Hanxing did not take it.

He raised his eyebrows.

He seemed to be asking what it meant with his eyes.

"They should have been together."

Yuan shaojing said in a low voice, not a trace of his usual sharpness in the business world.

"Ha."

Lin Hanxing smiled faintly and leaned against the bench.

It was hard to tell if that laugh was mocking or other emotions.

Yuan shaojing never cared about her attitude towards him, even though Lin Hanxing had indirectly included him in the game time and time again.

Yuan Kang was stunned at first.

Then, he seemed to have heard something incredible.

Her uncle and the head of the Li family ...

This time, Lin Hanxing did not say anything and put the ring back on his finger.

The dragon and phoenix were auspicious.

Her fair fingers with the ring on looked thin and long, with an indescribable beauty.

"Those people, they've made a fool of themselves."

After a while, Yuan shaojing's voice sounded again. As for who he was referring to, it was self-evident.

Lin Hanxing looked straight ahead.

Cheng Lingyun, who was in a deep sleep, was pushed out of the ward.

"No matter how much i scheme, I can't leave anything behind."

Lin Hanxing couldn't quite tell if he was talking about Cheng Lingyun or the yuan family.

"I should go."

Lin Hanxing got up and buttoned up his open female suit.

His actions were handsome.

"At Kang Nian's birthday party, I will officially announce the matter of my successor."

Behind her, Yuan shaojing's voice rang out again.

Lin Hanxing did not even turn his head back. He held Lei Xiao's hand tightly as they walked towards the elevator. His other hand casually waved at the people behind him. It was obvious that he was not interested in this topic at all.

Yuan shaojing watched her leave and didn't look away for a long time ...

.....

When the elevator reached the first floor, the drug addict who had been sent to the hospital by the ambulance just happened to be pushed out of the emergency room.

It was covered with a layer of white cloth.

One of his hands was hanging outside, and he could see large and small needle marks and bruises on the inside of his arm.

Lei Xiao's eagle-like eyes suddenly darkened.

"Are you busy this afternoon?"

Lin Hanxing's delicate little face suddenly appeared and blocked his view. There was a hint of sweetness in his smile.

Lei Xiao retracted his gaze and lowered his head to look at her.

He shook his head.

then come with me to Y R. I have something to deal with.

She should contact Peter about the Qi corporation's new product launch tomorrow night.

"Alright," he said.

With that, he took out his phone and gave Anthony a call.

Lin Hanxing's eyes suddenly fell on a place not far away.

It was the figure of a woman who looked like a ghost.

What a coincidence, it was Lin Jiaojiao!

Perhaps it was because she had been tormented too badly by he zhehan that she walked awkwardly now. Her small face was as pale as paper under her beige coat. She held her lower abdomen and looked lost ...

She brushed past Lin Hanxing and did not even notice her.

A light piece of paper fell at Lin Hanxing's feet.

Lin Jiaojiao, who was on the phone, didn't notice at all.

he zhehan, did you get some dirty disease and infect me? "

Lin Hanxing bent down to pick up the piece of paper, but he heard Lin Jiaojiao's angry roar.

He raised his eyebrows.

&Nbsp; interesting.

He lowered his head and glanced at the paper.

Tsk, tsk, this second young master he really didn't know what it meant to have tender and protective feelings for women.

Judging from the deep tear and the local infection on the test report, one could tell how intense the two had been that night.

"Lin xiaojiu!"

Just as she was thinking about it, a scream suddenly rang in her ear.

Lin Hanxing looked up.

He happened to see Lin Jiaojiao, who had turned around to look for the test report when she realized that it was missing, rushing toward him with a twisted face.

"You jinx!"

Lin Jiaojiao had nowhere to vent her anger. When she saw Lin Hanxing, she was like an angry bull that had seen a red cloth.

He lost control!

She never thought that she would see Lin Hanxing in the hospital!

What was more hateful was ...

She was still so beautiful and dazzling, but what about him?

The Lin family was torn apart by her, and her mother couldn't take the blow and returned to her maternal family, not even willing to acknowledge her!

The incident at the banquet spread throughout the entire Jiang city in an instant.

Everyone was laughing at her, and even some blurry photos were spread. Especially at the end, because they were nervous about her and second young master he's inseparable private part, it became the talk of the entire Jiangcheng!

It was all Lin xiaojiu!

It was all Lin xiaojiu's fault!

To be honest, Lin Hanxing really did not want to talk to Lin Jiaojiao, especially when she was acting like a Mad Dog.

Just as Lin Jiaojiao was about to reach her, she was stopped by a shadow that appeared quickly and violently. With a strong push, Lin Jiaojiao fell to the ground with her phone.

There was a huge thud!

“Star!”

The Thunder valiant beast’s pupils contracted, and its entire body seemed to be covered in a layer of bloodlust.

“I’m fine,” she said.

Even if ah Xiao wasn’t here, Lin Hanxing wouldn’t let himself suffer any loss.

He reached out and patted the back of Lei Xiao’s hand.

She could clearly feel the muscles all over his body tightening.

“What’s the situation?”

“Sharp point?”

“It seems like the man pushed the woman!”

Lin Jiaojiao’s face was as fragile as a little white flower. At this time, she was crying pitifully, which attracted the sympathy of the onlookers, who all looked at Lei Xiao and Lin Hanxing with condemnation.

If they were looking at him, he would have been fine, but when he realized that they were pointing at Lei Xiao, Lin Hanxing’s face immediately darkened.

She could say that she was casual, but she could not say that her ah Xiao was alright!

Thunder valiant beast soon discovered that something was wrong with her.

He was like a cat with its fur standing on end.

“Cousin ...”

Suddenly, Lin Hanxing’s lips curved into a cold smile and he looked down at her ...

[Chapter 1109](#)

1109 Cousin, take care of yourself

“Have you cried enough?”

Lin Hanxing raised his eyebrows, his delicate face attracting everyone’s attention!

It was like this again!

Lin Jiaojiao’s heart was as disgusted as if she had swallowed a fly’s poop!

It was as if as long as the two of them appeared together, everyone’s eyes would involuntarily fall on her cousin.

She had nothing left!

Why was his cousin not affected at all?

When she saw Lei Xiao's Weibo post the other day, Lin Jiaojiao went crazy and smashed everything in the house into pieces. Her intense jealousy was like countless little ants gnawing at her heart!

Just as she was thinking about this, her long hair was grabbed and she was forced to raise her head.

"I'm asking you, have you cried enough?"

Lin Hanxing's cold action exposed the pillar-hitting scar under Lin Jiaojiao's bangs that had not yet healed.

"You little girl ... If you don't let go, I'm going to call the police!"

Lin Jiaojiao was crying so pitifully that the man couldn't help but fight for her justice.

Hearing this, Lin Hanxing looked at the man who was about to take out his phone.

The corners of her mouth gently curved into a faint smile, causing the other party to look at her in a daze.

please tell the police that my good cousin failed to covet my husband, but she secretly tried to drug me. She's suffering because of her own mistake ...

Lin xiaojiu!

Lin Jiaojiao did not expect Lin Hanxing to say something like that so directly. Her face turned pale in an instant!

The man who had just taken out his phone and pretended to call the police couldn't help but be dumbfounded. Not to mention him, even the onlookers were shocked. They had never seen such a direct person!

However, when they heard this, they all looked at Lin Jiaojiao with angry eyes.

Looking at this little girl, why didn't she do something human?

"You're talking nonsense!"

Lin Jiaojiao's entire body was trembling.

The reason she came to the hospital today was that after that night, her lower body was always painful and itchy, and there seemed to be some small red pimples, which raised her vigilance.

No one had expected to run into Lin Hanxing.

The moment Lin Jiaojiao finished her sentence, Lin Hanxing suddenly bent down and brushed away the black hair by her ear with his fingers. A cold glint of interest flashed across his eyes, as if he was hiding a different emotion.

"Cousin ..."

Lin Hanxing's cold voice was like a bucket of ice water poured over his head.

Lin Jiaojiao subconsciously looked up.

He looked into Lin Hanxing's beautiful eyes, which seemed to contain a sharp blade.

"I seem to have forgotten to tell you something."

Her tone was as gentle as could be, as if she was afraid of disturbing the butterfly.

"What ... What ..."

Lin Jiaojiao said dryly. Her eyes flickered with fear.

"Everyone in Jiang city knows that second young master he is a Playboy and plays with women as frequently as he changes his clothes. But as far as I know, one of second young master he's female companions some time ago didn't seem to be in good health ..."

Lin Hanxing straightened his back after he finished speaking. There was a cold and subtle light in his eyes.

She smiled, turned around, and held Lei Xiao's hand as they walked out of the hospital with elegant steps.

But very quickly, he seemed to have thought of something. He paused in his steps and turned around to look at Lin Jiaojiao, who was frozen in place.

"Cousin, you're on your own!"

.....

At the Y-R Equestrian Club.

In the conference room.

The mute uncle quietly passed some urgent documents to Lin Hanxing.

He looked at the Thunder valiant beast.

"Mute uncle, help me connect to Peter's video call."

Lin Hanxing did not even lift her head as she scanned through the document in her hand. Her small, fair, palm-sized face was filled with an indescribable seriousness.

Very quickly, the video call was connected.

The multi-function output system on the wall soon showed the honor of the famous Mr. Peter. The moment he saw Lin Hanxing, he smiled charmingly.

"Good afternoon, my little princess."

"....."

The pen in Lin Hanxing's hand suddenly stopped, and he looked up at the charming middle-aged man in the video.

His blue eyes were like the blue ocean.

"Don't call me that, my fiancé is here."

The two of them conversed in fluent English, and the person on the other end of the video suddenly asked with an exaggerated expression, "What?!

fiancé? "

"You're in Shanghai?"

Lin Hanxing glanced at the background behind him and sharply caught a landmark building.

"Don't tell me you've forgotten? I've even sent you an invitation!"

Pitar helplessly spread his hands and sighed.

Lin Hanxing recalled that there was indeed such a thing, but there were so many invitations sent to her every month, she really did not have time to pay attention to all of them.

"Do me a favor,"

Lin Hanxing signed the document in his hand and put it aside. He looked up and said seriously, "

there's an old Chinese saying that goes, 'even if I have to go through fire and water', I'll do it for you. Of course, I'll help you!

He didn't even ask what the favor was, and the other party had already agreed.

"Your men all came to Shanghai with you?"

Lin Hanxing looked at his watch and counted the time in his heart.

"Uh-huh,"

Peter snapped his fingers, his movements gorgeous.

"When does the event end?"

"11:30 p.m.,"

I'll book plane tickets for you. Come to Jiang city after the event. Also, help me inform Judy that ...

Lin Hanxing did not waste any time talking to him. He told him a few more details and then cut off the video call.

She did not notice the eye contact between the mute uncle and Lei Xiao.

"Hanxing, I'm going out for a smoke."

Thunder valiant suddenly stood up and walked out of the meeting room.

After a long time.

Lei Xiao was standing not far away, smoking. The mute uncle walked over.

She typed a line of words on the screen and turned it to him.

A part of little Nine's memories had been sealed.

The Thunder valiant beast's long and narrow eyes were slightly narrowed, and the cigarette between his fingers was emitting wisps of smoke.

He didn't move.

Yingluo mentioned it to me and wanted to untie it.

The mute uncle typed another line of words.

Lei Xiao's fingers moved slightly. When did this happen ...

I don't wish for little 9th to unlock that part of her memory.

The mute uncle expressed it very directly.

In fact, he had wanted to talk to Lei Xiao about this problem for a long time, but he did not have the time and opportunity. Now that he had the opportunity, he naturally had to be more direct.

This was also what misty rain and ah-Jin wanted.

When the three of them decided to help little 9th seal her memories, they did not want her to open them again.

"What happened?"

The mute uncle maintained his usual silence. Not long after, he took out a yellowed document from his arms and handed it to him.

Thunder owl took it.

Even he didn't realize that his hands were shaking.

After a long time, he finally reached out and opened it.

However, with just a glance, the blue veins on his forehead popped out, and even the corners of his cold face seemed to be frozen, and a chill enveloped his whole body.

His little girl ...

His slender and rough fingers glided over every line of words. His deep eyes trembled, and his emotions seemed to collapse in an instant.

This was the last thing she wrote before her memory was erased.

The mute uncle reached out and flipped to the last page of the document.

When he saw it clearly, the Thunder valiant beast's deep pupils suddenly contracted.

[Chapter 1110](#)

1110 It's because of you that I'm looking forward to this world

That piece of paper had already turned yellow and crunchy due to the long time.

It was as if it would fall apart with a light touch.

[I'll send you home.]

Lei Xiao closed his eyes, not wanting to lose his composure in front of his mute uncle.

Even though he knew that such an action was more like trying to cover up.

After a long time, he opened his eyes again.

"I won't let her unseal her memories."

Lei Xiao used a lot of strength to say this sentence, but the mute uncle could hear the slight tremble from the tension.

He apologized.

The mute uncle hesitated for a moment before typing these two words on the screen.

They had all seen Lei Xiao's attitude towards little nine.

But even so, he and a Jin would never allow anything to hurt little Jiu, who was like a daughter.

"I should be the one apologizing."

The corners of Lei Xiao's lips curled up bitterly, as if he had exhausted all his strength.

It lasted for less than a second.

"Mute uncle, she used ..."

The words were on the tip of her tongue, but she didn't know how to continue, so she chose to remain silent.

"I'm sorry, I want to be alone for a while."

Said Lei Xiao.

The mute uncle left very quickly.

As for Thunder valiant, he was smoking cigarette after cigarette, and his feet were unknowingly filled with cigarette butts.

This was the scene Lin Hanxing saw when he found him.

Seeing Lei Xiao lighting another cigarette without restraint and holding it between his fingers, Lin Hanxing walked over, reached out and clasped his strong wrist, and looked up at him.

"What's wrong with you?"

Under the reflection of the sunlight, Lin Hanxing's eyes were shimmering.

He could clearly feel the thunder valiant beast's chaotic pulse in his palm.

She was still fine when she left the meeting room.

But now ...

In Lin Hanxing's eyes, Lei Xiao's surroundings seemed to be shrouded in endless darkness and grief, even his hand holding the cigarette was trembling.

Thunder owl didn't say anything.

He stood against the light and lowered his head to look at her porcelain white face.

It was like that year.

She was like a ray of light, appearing in front of him.

In his dark and gloomy world, he left behind an irreplaceable position for anyone in this world.

No one knew.

The moment he was taken away in place of ah Luo, he had no intention of going back alive.

He didn't even want his parents to waste the ransom on him.

What's so good about being alive?

He might as well die.

It was all over.

"Our ah Xiao doesn't look happy!"

Lin Hanxing snuffed out the cigarette in his hand.

Then, she spread her thin arms in the direction of the Thunder valiant beast.

"Then ..."

"Come into my arms!"

Lei Xiao still did not say anything, but his deep eyes were overflowing with deep emotions, so heavy that Lin Hanxing's expression froze.

Without waiting for her to speak, Lei Xiao had already walked up to her.

He slowly pulled Lin Hanxing into his arms and even reached out to place her little hand behind his waist.

"What's wrong?"

Lin Hanxing gently patted Lei Xiao's back, his eyes gentle and bright.

It was as if it was embedded with bright stars.

Lei Xiao hugged her even tighter.

"Cold star ..."

"What?"

Thunder owl did not speak, but he quickly called her name again, repeating the process.

Every time, Lin Hanxing would reply to him with extreme patience.

He didn't show any impatience.

"How much do you know about me?"

The Thunder valiant beast's lower jaw was on top of her head, and its voice resonated through her chest, deep and powerful.

"All of them."

She didn't want to lie to ah Xiao.

"Mom told me."

Lin Hanxing added, afraid that he would misunderstand.

"Aren't you afraid?"

The Thunder valiant beast covered her face with his large palm, his action showing his undisguisable affection.

His dim eyes and sigh made Lin Hanxing's heart throb in pain.

"You're not a good man, and I don't believe in women. What's there to be afraid of?"

Before she met him, Lin Hanxing never believed that someone would barge into her world in a domineering manner, occupy a place for no reason, and make her fall head over heels for him, never to let go.

Lin Hanxing stood on his tiptoes and kissed Lei Xiao's thin lips.

Her soft hands wrapped around his firm cheeks.

"Besides, even if you're a lunatic, I'll still love you."

Lin Hanxing had never been shy about acknowledging his love for Thunder valiant.

She couldn't tell when she started to want this man, nor could she tell why she wanted this man. But love was love. No one knew whether tomorrow or an accident would come first, so why did she have to hide her feelings?

She didn't care what she had experienced with him.

Lei Xiao hugged her even tighter.

Lin Hanxing felt that he could not breathe.

"I want to get married."

After a long time, three words came from above his head.

It was deep and powerful.

His breath was burning hot.

Hearing this, Lin Hanxing's heart burned. Before he could say anything, Lei Xiao had already lowered his head to meet her eyes.

"I want to marry you."

He repeated.

Cold star.

I once wanted to leave this place with a clean slate.

Because of you, I've had new expectations for this world.

I can give you everything I have.

I beg you.

You'll only stay by my side for the rest of your life.

Is that alright?

Lin Hanxing's heart was beating fast.

Based on her understanding of the man in front of her, she knew that he was serious.

As long as she agreed ...

He would not hesitate to drag her to the Civil Affairs Bureau.

Lin Hanxing knew that too.

If she shook her head, the man would not say anything.

He had never wronged her.

Not even a little bit.

Qianqian, after you're done with your business, let's get married, Lei Xiao.

If Yingluo is really unwilling, then I can only snatch it by force!

Lin Hanxing's ears rang with the words he had said at the Lei clan.

Suddenly, Lin Hanxing raised his wrist and glanced at his watch, watching the minute and second hands ticking away.

"If we can get to the Civil Affairs Bureau within an hour, we should still be able to make it!"

After a long time.

Lei Xiao finally realized what Lin Hanxing had said.

The hurricane-like joy filled his limbs and bones, causing him to be unable to control himself for a short time.

"But my documents are still at home. Ah ..."

Before Lin Hanxing could finish his sentence, Lei Xiao had already carried him in his arms and strode towards the car.

“Ah Xiao, let me down!”

Lin Hanxing buried his face in his neck. God knows how awkward it was when he met the Y. R. Staff on the way.

However, Thunder valiant never seemed to have heard anything.

Fortunately, they arrived very soon.

He gently placed Lin Hanxing on the passenger seat and slammed the door shut. Then, he walked around and returned to the driver’s seat. He did not get in the car for a long time, but he made a phone call.

Lin Hanxing heard it faintly.

Lei Xiao was calling Yan beiming.

Yingying will go get it now.

Yingluo, don’t alarm mom and dad.

He called chief Zheng.

After a long while, Lei Xiao hung up, opened the door and got into the car.

“No regrets?”

Bending over to buckle up Lin Hanxing’s safety belt, Lei Xiao’s deep voice rang out. Those who did not know him would only hear his indifference, but those who were familiar with him would hear the apprehension in his voice.

“If you continue to hesitate, I might really regret it!”

Lin Hanxing’s words were very direct. After all ...

She had indeed been too impulsive today!

In the next second, Lei Xiao stepped on the accelerator.

With a boom, the speed increased!
