

Goodnight 111

Chapter 111 a call

Before Lin Hanxing could finish, the sudden ringing of the bell interrupted her.

It was Lei Xiao's personal phone.

The caller ID showed that it was Mrs. Lei, but Lei Xiao's expression after picking it up made her feel that something was wrong.

Sensing Lin Hanxing's questioning gaze, Lei min expressionlessly put the phone on speaker.

"You don't even give Yimu face? Is it so hard to treat you to a meal?"

It wasn't the voice of the Thunder matriarch.

I've already reserved a private room in the Ivy garden. If you don't come, your mother will have to accompany me here today!

With that, the other party hung up the phone.

The Thunder valiant beast's eyes were profound, no one could tell whether he was happy or angry.

However, Lin Hanxing's intuition told him that he was angry.

"Hongmen banquet?"

Thunder owl didn't say anything, but his gaze fell on her.

"Don't tell me you want me to go with you?"

.....

Lin Hanxing's voice became more alert.

This pool of water was obviously muddy and deep, and it was obvious that the Thunder valiant beast wanted him to jump with him.

"The person who set up a trap for my mother today is my aunt."

Lin Hanxing chose to remain silent. He knew?

"Things are a little complicated. I don't have time to explain it to you now."

you've met my mother and know what kind of person she is. Do you really have the heart to see her being bullied? "

The Thunder valiant beast remained calm and slowly lured him.

Lin Hanxing did not say anything.

She felt that she had been tricked by the Thunder valiant beast.

But ...

She thought of the warm shawl and her mother's scent on Auntie ...

"Let's go home first. I need to change my clothes."

.....

Yuan Bao was sleeping soundly.

He didn't wake up even when Lei Xiao put him on the bed in the guest room.

While Lin Hanxing went into the cloakroom to change his clothes, Lei Xiao sorted out the things he bought from the supermarket and put them into the refrigerator.

The originally empty refrigerator was filled up neatly.

This was the scene Lin Hanxing saw when he came out.

He paused in the middle of hanging the earrings. Did he have OCD?

The ingredients were arranged according to their sizes and colors, and they looked like works of art from a distance.

"You ..."

Closing the refrigerator door, Lei Xiao was about to speak, but he kept quiet the moment he saw Lin Hanxing.

She was very beautiful.

This was without a doubt.

However, Lin Hanxing had never used his appearance as a weapon.

It was obviously different today.

The black sleeveless, deep V-cut dress she was wearing completely showed off her cold and tough side.

She stepped on her five-inch black-bandaged high heels with an imposing aura!

Her slightly curly hair was simply tied up, leaving only a few strands hanging on her cheeks.

Her delicate face was covered in light makeup, but her lips were red.

The light in Lei Xiao's eyes grew deeper.

For a moment, he even regretted his suggestion.

She didn't want to share her beauty with anyone.

"What's wrong?" After putting on the earrings, Lin Hanxing looked at him.

"It's very different from just now."

Hearing this, Lin Hanxing smiled faintly.

“Haven’t you heard of this saying?”

Her back was against the counter, and she supported herself with one hand. Her casual movements were extremely handsome.

“A woman’s makeup and high heels are her best weapons!”

Thunder owl did not say anything.

The two of them looked at each other.

There seemed to be sparks in the air.

“Let’s go, I’ll drive your car this time!”

.....

Green vine Garden.

The manager had been waiting for a long time.

However, when he saw that Lei Xiao was accompanied by a female companion, even the experienced manager was shocked.

For a moment, the words of greeting were stuck in his mouth.

Lin Hanxing glanced at him indifferently, without any expression.

The manager finally came back to his senses when the two of them entered the elevator.

Those eyes were too cold.

Just being looked at for a moment already made her heart shiver ...

.....

Outside the private room, Lei Xiao suddenly reached out and wrapped his arm around Lin Hanxing’s waist.

Lin Hanxing wanted to refuse ...

Chapter 112: Help you

“After you enter, you can play however you want.”

Thunder owl’s deep voice trembled as he spoke to her clearly.

Hearing this, Lin Hanxing looked up at him with a faint smile.

“Aren’t you afraid that I’ll get into trouble?”

He trusted her that much?

The temperature of Lei Xiao's palm was scalding his skin through the thin fabric, it was indescribably intimate.

"Even if you poke a hole in the sky, I'll help you."

As soon as he finished speaking, he pushed open the door.

As for Lin Hanxing, he only reacted after some time ...

After being interrupted by Lei Xiao, she seemed to have forgotten to push away his hand on her waist!

ah Xiao, you come ... Lei Jing's aunt Zhong Yifu's voice stopped abruptly.

Lei Xiao held Lin Hanxing in his arms, his cold face emotionless.

"Daughter ... Daughter-in-law?"

.....

Zhong Nanyin's back was originally facing the door, but when he turned around and saw that his son had brought a female companion, he was shocked!

When he saw her face clearly, his shock turned into surprise!

"My daughter-in-law?"

Zhong Yifu glared at her sister when she heard that. The young woman sitting next to her looked terrible.

When did Lei Xiao get a girlfriend?

"I knew it! I can tell that she's from the Lei family just by looking at her face!"

Zhong Nanyin laughed happily.

She got up and walked to Lin Hanxing's side, reaching out to hold her arm affectionately.

He conveniently pushed Lei Xiao to the side as if he was chasing away a fly.

"Auntie." Lin Hanxing's body stiffened, but he did not push her hand away.

For a long time, Lin Hanxing only had uncle Jin and the mute uncle by his side.

No matter how well uncle Jin and the mute uncle took care of her, they were still of the opposite sex.

Moreover, Lin Hanxing had developed a cold and hard personality over the years.

Zhong Nanyin pulled Lin Hanxing to sit down.

"Yifu, the five million I showed you just now was won by my daughter-in-law!"

Zhong Yifu's expression became even more complicated.

It's her?

This little girl?

Did he fool those madams?

Zhong Yifu squinted her eyes and looked at Lin Hanxing.

At the same time, Lin Hanxing was doing the same thing.

He first looked at the young woman.

Finally, his eyes fell on Zhong Yifu's face.

Obviously, she was used to living a pampered life, and she maintained herself well even though she was middle-aged.

She even had French manicure on her ten fingers.

She must have been a beauty when she was young.

However, compared to the Thunder matriarch who was sitting with him, his temperament was far inferior.

The beauty of the Thunder matriarch triumphed in the purity and youth of her heart.

It was said that one's appearance was determined by one's heart. In Lin Hanxing's eyes, this saying was true.

Lei Xiao's aunt's eyes were full of arrogance when she looked at people, and with her high cheekbones, she only gave people a sense of meanness.

Two people with completely different temperaments were actually sisters?

Lin Hanxing could not understand.

"Mom, don't scare her."

The Thunder valiant beast said in a low voice.

The young woman sitting next to Zhong Yifu blushed and peeked at him.

However, Lei Xiao did not even look at the other party and sat down beside Lin Hanxing.

"Sister, why don't you introduce us?"

Zhong Yifu seemed to be staring at Lin Hanxing's beautiful face indifferently, and her voice sounded weird.

"This is my daughter-in-law, she's called ..."

Zhong Nanyin subconsciously spoke, but he stopped halfway.

"Auntie, I'm not your daughter-in-law."

Lin Hanxing said calmly, directly refusing to have any relationship with Lei Xiao.

The situation became delicate.

Lei Xiao did not show any dissatisfaction, on the contrary, his lips curved into a indulgent smile.

Zhong Yifu laughed and patted the young woman's hand subconsciously.

Zhong Nanyin was stunned and suddenly remembered what his son had said before.

Yingluo isn't my girlfriend, she doesn't like me.

So what ah Xiao said was true?

Chapter 113 brother Lei

Zhong Nanyin's expression was bitter as he glared at Lei Xiao.

What happened to seizing by trickery, forcing the Overlord to do it, and cooking the raw rice?

Son, I'm looking down on you!

"I told you, not just any random person can be ah Xiao's wife!"

Zhong Yifu's words had a hidden meaning.

As for the young woman beside her, she pursed her lips and smiled. Although she didn't agree, her eyes were filled with contempt.

"Ah Xiao, it's not that I want to criticize you, but it's inevitable for men to come into contact with some shady women when they socialize outside, but you can't just bring everyone to your mother! Aren't you afraid of tainting your mother's eyes?"

Zhong Nanyin's expression changed, and just as he was about to retort, he was interrupted by a sneer.

Lin Hanxing sat lazily on the sofa, exuding a charming aura.

"You like him?" He didn't even look at Zhong Nanyin, who had a mean tone, but instead stared at the young woman beside him.

Su Ling 'er's face turned red.

Her face was bashful and timid, like a young girl in love. Only a fool could not tell that she was interested in Lei Xiao.

"Brother Lei, do you still remember me?"

.....

Seeing this, Lin Hanxing became playful.

She suddenly leaned on Thunder valiant and reached out her white index finger to hook his firm chin.

He didn't even use any strength to make Lei Xiao face him.

That almost impudent action immediately made the others dumbfounded!

Anyone would know how arrogant and cold Thunder valiant he was to the outside world.

To be able to sit firmly on the throne of the Lei corporation's CEO within a few years, his ability and means were beyond doubt!

But now, that man who was as terrifying as a demon from hell in the eyes of others ...

His chin was pinched between a woman's fingers in an almost frivolous manner?

Lin Hanxing's eyes were like the stars in the sky. At this moment, her red lips were smiling seductively, and even the mole at the corner of her eye was stained with temptation.

In the next second, he yanked Lei Xiao's tie.

He kissed her!

This was truly a passionate kiss!

It was like a spark that had been splashed into gasoline, burning his blood to the point of boiling.

Even the people who were watching blushed and their hearts beat faster!

"She asked if you remember her."

Lin Hanxing's eyes were watery and her lips were red.

As he spoke, he wiped Lei Xiao's thin lips with his fingertips.

She was so charming that she could kill him!

"Brother Lei, huh?"

When these words came out of Lin Hanxing's mouth, Lei Xiao felt his lower abdomen tighten!

He couldn't wait to carry her home!

Su Ling 'er's face turned pale, as if she had been struck by lightning.

"He's simply shameless!"

Zhong Yifu's face turned livid. She didn't expect her to be so unpredictable!

"You're both thousand-year-old foxes. Why are you playing chaste with me?"

Lin Hanxing's eyes were filled with cold disdain.

"You ..."

Zhong Yifu did not expect that she would dare to talk back. She stood up immediately!

"Little aunt." Su Ling 'er grabbed Zhong Yifu's hand and shook her head desperately.

"This sister, my aunt is straightforward and doesn't have any ill intentions."

Su Ling 'er looked at Lin Hanxing with red eyes, like a little white Lotus.

Lin Hanxing sneered.

“Just now ...”

Zhong Nanyin suddenly said.

Lin Hanxing’s fingers paused.

If it were any other parent, they would probably not be able to accept the actions just now.

Lin Hanxing, who had never had any scruples in doing things, became nervous when he thought of that simple-minded old lady!

Zhong Yifu was as anxious as she could be.

She only wanted her sister to throw this B * tch out!

daughter-in-law, you just took advantage of our ah Xiao. You can’t just eat and not take responsibility!

Zhong Nanyin blinked his eyes and spoke with a serious and righteous expression!

“.....”

“.....”

“.....”

Lin Hanxing had to admit that when it came to playing by the rules, she was only convinced by Mama Lei!

Zhong Yifu almost cursed out loud!

This sister of hers was simply crazy!

There was a knock on the door, and the waiter came to serve the dishes.

“I’ll serve the dishes.”

Su Ling ‘er hurriedly got up and hid the darkness in her eyes, but she pretended to be innocent ...

Chapter 114: Cashew Shrimp

daughter-in-law, do you know that kissing without any intention of taking responsibility is being perverted? ”

As he spoke, Zhong Nanyin was all smiles.

It was as if he didn’t feel the infighting in the private room at all.

Zhong Yifu was furious.

Su Ling ‘er was the daughter of her husband’s younger brother, and she had been in love with Lei Xiao for a long time.

With the idea of increasing their marriage, she tried to create opportunities for the two of them.

However, the lightning tribulation was nowhere to be seen!

Lin Hanxing's hand was affectionately held by Zhong Nanyin, but the corner of his eye fell on Su Ling 'er, who was serving the food.

She was so quiet that people almost forgot about her existence.

Suddenly ...

Su Ling 'er's hand slipped when she was carrying the last plate of Cashew Shrimp.

The entire plate of prawns was about to fall on the Thunder matriarch!

Ah ... Su Ling 'er seemed to be frightened. She covered her mouth with both hands and her eyes widened.

.....

Lei Xiao's deep eyes fell on her face, and annoyance flashed through his eyes.

There was a loud bang ...

Zhong Nanyin lowered his head and looked at his empty palm in shock. He then turned around.

The pair of small hands that she was holding just now were now tightly clasping an exquisite plate ...

When he took a closer look ...

The plate, along with the cashew nuts and prawns inside, was all smeared on Su Ling 'er's face!

Not a single bit was wasted!

"You're crazy!"

Her movements were so fast that Zhong Yifu didn't even react until Lin Hanxing had put the shrimp on Su Ling 'er's face!

Lin Hanxing's cold eyes fell on Zhong Yifu's face.

If she couldn't even see through this little trick, then she had really lived all these years in vain.

"Daughter-in-law, are you alright? Did you hurt your hand?"

Zhong Nanyin was shocked. He looked at Lin Hanxing back and forth to make sure that she was fine.

It was unknown if that action was intentional or not, but Lin Hanxing's plate, which was clasping Su Ling 'er's face, was pressed down again!

"I'm fine, but this lady's condition is quite serious!"

Lin Hanxing retracted his hand, and the plate fell to the ground with a clatter, shattering into pieces.

The Thunder valiant beast didn't even move.

He had absolute faith in Lin Hanxing's ability.

This daughter of Dong Su wasn't even worthy of carrying his Hanxing's shoes!

If he wanted to plot against his mother, he had to see if he had the ability!

"Aiya, this little girl is so pitiful!"

Zhong Nanyin clicked his tongue.

Zhong Yifu was so angry that her face turned green!

daughter-in-law, quickly take this little girl to clean up. She's such a good little face, and she looks like neither a human nor a ghost!

Su Ling 'er's chest heaved violently!

However, he didn't dare to speak or take deep breaths.

It was because of the grease on his face that made him feel nauseated!

She had never been in such a sorry state in her life!

"Let's go!"

Lin Hanxing sneered and reached out to grab Su Ling 'er's wrist.

Su Ling 'er didn't even have a chance to resist that Swift and fierce action!

"Don't touch her, bitch!"

Zhong Yifu stood up abruptly, but she was pushed back to her seat by Zhong Nanyin in the next second.

"My daughter-in-law won't eat her!"

"You ..."

Zhong Yifu watched Lin Hanxing take Su Ling 'er out with her own eyes!

"Ah Zhen is muddled, so you're muddled along with him! Do you know who that B * tch is? Do you know what she has done?"

"Aunt!"

Thunder valiant beast, who had been silent all this time, spoke in a deep voice.

The coldness in his eyes made Zhong Yifu shiver subconsciously.

"At your age, you'd better know what you can say and what you can't!"

That extraordinarily handsome face was now filled with a cold and vicious aura.

It was like a dormant, deadly beast.

Zhong Yifu's words were stuck in her throat!

At the same time, in the corridor.

“Let go of me, bitch!”

Su Ling ‘er flung Lin Hanxing’s hand away. She wanted to kill him!

“What’s wrong? You’re not pretending anymore?”

Chapter 115: Fully released aura

Lin Hanxing leaned against the wall.

The seductive look she had in the private room faded, and her delicate face exuded a cold air.

Su Ling ‘er was trembling with anger.

“As the saying goes, a dog that bites doesn’t bark. This saying is not false at all.”

Lin Hanxing said unhurriedly, squinting his cold eyes.

“Look at you, you were so quiet just now, like a little white Lotus, but in your heart, you’ve already schemed against Auntie!”

If that plate of cashews and prawns had fallen on her, she would have been embarrassed and vented her anger.

However, this little white Lotus had chosen the mother of Thunder!

If she dirtied her clothes, she could explain it as an accident. According to Mrs. Lei’s personality, she wouldn’t be so calculative.

But following that, Little Lotus used this matter as an excuse to pay a visit.

As he went back and forth, he not only sold his obedient character but also closed the distance between them.

What a good scheme!

“It’s a pity that you met me!”

.....

Stepping on his five-inch stiletto, Lin Hanxing’s aura was fully released.

“Don’t be so ungrateful!”

Su Ling ‘er’s voice was sharp, and she wasn’t as obedient as she was in the private room.

“You think I don’t know who you are? Ruyin’s right, you’re a bitch!”

Lin Hanxing laughed when he heard this.

This little white Lotus actually knew Luo Ruyin?

“Who knows how you’ve been sleeping all the way here for the past 18 years? Do you really think you’re the young miss of the Lin family?”

“Wake up, your parents are dead!”

Su Ling ‘er’s tone was filled with contempt and she didn’t hide her disdain for Lin Hanxing.

“The current young miss of the Lin family is Ruyin. Remember your identity!”

“I’m telling you, don’t even think about clinging to brother Lei. He’s mine!”

From the beginning to the end, Lin Hanxing had a faint smile on his face.

“Are you done?”

Even his voice sounded like a spring breeze.

Su Ling ‘er was stunned.

However, in the next second, Lin Hanxing’s smile disappeared and his eyes turned cold!

“Since I’m done, it’s my turn!”

Her white fingers grabbed Su Ling ‘er’s long hair with an unimaginable strength and clenched it in her palm!

“Ah ...”

Su Ling ‘er screamed in pain!

Lin Hanxing ignored her and pulled her towards the washroom expressionlessly!

The waiters they met along the way widened their eyes in horror and wanted to step forward to stop him.

Before he could get close, he stopped in his tracks under Lin Hanxing’s cold gaze!

The sound of her five-inch stiletto stepping on the ground was sonorous and powerful.

The deep V-neck black one-piece pants showed the cold and dark side of her, and he held Su Ling ‘er firmly with one hand.

There was a loud bang.

Lin Hanxing pushed the bathroom door open.

After that, he dragged Su Ling ‘er and kicked open the cubicle doors one by one. After confirming that no one was around, he hung the ‘cleaning ‘sign on the door.

“You’re very lucky. It’s been a long time since someone could make me so angry so easily!”

Lin Hanxing turned on the tap as he spoke!

“Bitch, let me go! Ah ...”

Su Ling 'er's delicate body had never suffered like this before, and she was in so much pain that her tears were forced out.

Lin Hanxing's face was expressionless in the mirror.

But his eyes were filled with unspeakable cruelty!

"It seems that I have to help you wash your mouth."

As he spoke, Lin Hanxing pushed Su Ling 'er's head into the basin full of water.

Fear instantly invaded his mind.

He wanted to scream, but the water gushed into his mouth.

With a few gulps, Su Ling 'er drank a few mouthfuls!

Her tears fell.

"Save Wu"

She finally managed to breathe in some fresh air, but the next second, she was pushed back into the basin again.

Over and over again!

Su Ling 'er, who knew that she was going to meet Lei Xiao, had specially dressed up, but at this moment, she no longer looked human.

He was like a piece of rag under Lin Hanxing's control.

"If you don't want to learn from the upper class, then you want to learn from the lower class. You didn't learn from the lower class, but you have a cheap mouth ..."

Lin Hanxing sneered.

"Idiot!"

Chapter 116: It's none of your business

The people in the private room had no idea what had happened in the washroom.

Zhong Yifu was obviously angry with Zhong Nanyin and didn't even look at the mother and son.

Lei Xiao's well-built body was sitting on the sofa, expressionless.

His phone suddenly vibrated.

When he looked up, he saw his mother winking at him, signaling him to look at his phone.

However, before Lei Xiao could lower his head, the higher-ups of green vine Garden knocked on the door and hurriedly entered.

He walked to Lei Xiao's side with a troubled expression and spoke anxiously in a low voice.

The volume was so low that only the two of them could hear it clearly.

"Find someone to seal that side and don't disturb her."

Lei Xiao ordered in a deep voice, his attitude was clearly indulgent.

"Did something happen on Ling 'er's side?"

Zhong Yifu's eyes lit up as she sensed that something was wrong.

Auntie, I remember that uncle used your money to invest in a few big projects at his relatives 'side.

.....

Lei Xiao's eyes indicated for the hotel's top management to leave, and he spoke unhurriedly.

Zhong Yifu was about to get up, but she froze and looked at Lei Xiao.

"I advised him to leave if he could."

"Ah Xiao, what do you mean?"

At this moment, Zhong Yifu couldn't care about Su Ling 'er anymore.

All he could think about was his money.

"There's some money that he can't earn just because he wants to."

.....

Lin Hanxing squatted down casually, his movements handsome and charming.

Her beautiful eyes looked at Su Ling 'er, who was paralyzed on the ground, and she smiled sarcastically.

He grabbed her long, messy hair with one hand and forced her to look up at him.

"Remember, you are not allowed to say anything about the Lin family's matters!"

It was not up to a small character like him to slander her parents!

Tears welled up in Su Ling 'er's eyes, but she didn't dare to let them fall.

He could only nod his head desperately.

The resentment in her heart grew wildly.

Lin Hanxing stood up, his whole body shrouded in coldness.

He slowly walked to the sink to wash his hands.

In the reflection of the mirror, he could clearly see the resentment in Su Ling 'er's eyes.

However, even if he did, Lin Hanxing did not care at all.

There were so many people who hated her, who was she?

With his five-inch heels, Lin Hanxing returned to his cold and lazy state.

She took out her lipstick and slowly reapplied it, then pushed the door open and left.

"I won't let you go ..."

Su Ling 'er clenched her fists.

Compared to the pain on her body, what she felt most humiliated about was that her self-esteem had been crushed by her.

"I won't let you off!"

.....

The sound of Lin Hanxing's high heels echoed in the empty corridor.

Her eyes were cold and emotionless.

Yingluo, who knows how you've been sleeping for the past 18 years? Did she really think she was the young miss of the Lin family?

Yingluo, wake up. Your parents are dead!

Yes, her parents had died eighteen years ago!

"Don't you think you went too far with your actions just now?"

Suddenly, a clear female voice came from behind.

Lin Hanxing stopped and turned to look at the source of the voice with narrowed eyes.

The one who spoke was a young woman.

She looked clean and pure, and her clothes were branded from top to bottom.

There was a kind of otherworldly taste.

The man couldn't help but love her from the bottom of his heart.

"Even if she said a few unpleasant things, it's not to the extent of ..."

"You know me?"

Lin Hanxing's sudden words stunned the other party.

"I don't." After hesitating for a moment, he answered.

"Then what does what I do have to do with you?"

Perhaps the dark emotions in his heart had been suppressed too much, Lin Hanxing was cold and uncaring.

The young woman's eyes widened. It was obviously the first time someone had said that to her.

Lin Hanxing did not even look at her and walked towards the private room.

An unknown amount of time passed ...

“Xiao Lu, what are you doing standing there?”

The young woman with slightly red eyes turned around and called out to the person who came.

“Brother ...”

Chapter 117: Eat more

At the end of the corridor stood a man.

His dark suit was ironed and his black jade-like hair had a faint luster.

However, her skin was an unhealthy white, giving off a sickly feeling.

His dark pupils were full of politeness and alienation.

Even if it was an insult to describe a man as beautiful ...

But everyone who had seen him would subconsciously think of this word.

It was a kind of feminine handsomeness that made people involuntarily stop their eyes on him.

“You’re indeed a busybody.”

After listening to the whole story, Shangguan shixiu coldly spoke.

“Brother, you don’t know how cruel she is ...”

Shangguan Yilu wanted to refute.

“You don’t know the life experiences of others, so don’t accuse them for no reason.”

With a simple sentence, Shangguan Yilu swallowed all the words she wanted to say.

.....

“I’m not eating, I want to go back to the hotel!”

After a long time, Shangguan Yilu said angrily ...

.....

When Lin Hanxing returned to the private room, Zhong Yifu was no longer there.

He raised his eyebrows and looked at Lei Xiao, but the latter just pressed the service bell and asked someone to remove the cold dishes on the table.

“Hanxing, come quickly.”

Zhong Nanyin reached out his hand to her with a smile.

“I’ve asked someone to make the dishes again. I’m just waiting for you to come back!”

Lin Hanxing hesitated for a moment before he sat back down beside the Thunder matriarch.

In the next second, her hand was grabbed by Zhong Nanyin.

Her washed hands were cold, but hers were warm.

“Ah Xiao told me everything. So you’re the little girl from the Lin family who has been missing for eighteen years.”

Zhong Nanyin’s voice was gentle.

He had a maturity that was completely different from when he was with his sister.

“I’ve seen you when you were young,”

Zhong Nanyin touched Lin Hanxing’s hand, then touched her hair.

The hot dishes were quickly served.

They were all vegetarian dishes.

Lin Hanxing looked at Zhong Nanyin, and his heart couldn’t help but burn.

Ever since his parents passed away, he had never experienced this kind of familial love, but from Lei Xiao’s mother, he felt it.

“Hurry up and eat.”

Lei Xiao passed a pair of chopsticks to Lin Hanxing.

She raised her head slowly and looked at Lei Xiao.

There was a hint of weakness in her eyes that she didn’t have time to hide.

Even though it was just a flash, it was still caught by the Thunder valiant beast.

“Hurry up and eat.”

He said in a low voice.

Her voice was obviously gentle.

Zhong Nanyin looked at Lei Xiao, then at Lin Hanxing, and smiled kindly.

Ever since that incident, she had never seen ah Xiao being so human.

Lin Hanxing lowered his head and ate quietly.

She was just like an obedient child.

Lei Xiao’s gaze fell on Lin Hanxing without blinking.

This was the first time she had been so obedient since they had met.

“You should eat quickly too.”

Zhong Nanyin picked up some food for Lei Xiao with the serving chopsticks.

Can you be full just by looking?

Son, you can't be a coward, you have to bring it home and eat it!

Mom will be responsible for helping you fatten up the little cold star, but you have to be responsible for the overbearing president's forceful seizing!

Zhong Nanyin supported his chin with one hand and looked at the two children.

His eyes were gentle and bright ...

.....

This was the first time in years that Lin Hanxing had eaten too much.

Mother Lei was too enthusiastic, she kept putting food into her bowl.

She didn't know how to express it.

Lei Xiao drove Zhong Nanyin back.

Zhong Nanyin pulled Lin Hanxing to the back seat and held her hand without letting go.

"Hanxing, you're so skinny, you should eat more."

why don't you stay at my place tonight? I'll ask Madam Chen to make you some soup tomorrow.

Lin Hanxing was a little overwhelmed by Zhong Nanyin's enthusiasm, and his eyes subconsciously looked in Lei Xiao's direction.

At the same time, Lei Xiao was also looking at her through the rearview mirror.

His eyes, which were usually filled with coldness, were now smiling.

mom, Yuan Bao ran away from home with Xiao si today. He's still at Hanxing's place.

Upon hearing that Yuan Bao was with Lin Hanxing, Zhong Nanyin's smile immediately became even more cheerful.

Yuan Dabao was a godly assisting weapon!

"Hanxing, when the Lin family holds a banquet for you, I'll definitely go and support you!"

Chapter 118: Telling a story

Yujing garden.

When Lei Xiao returned with Lin Hanxing, the house was brightly lit.

The little one who was sitting on the sofa had already changed into her pajamas. When she saw the two of them return, she huffed angrily!

“As expected, Daren can not be trusted!”

Yuan Bao crossed his arms in front of his chest. When he woke up, he was the only one left in the house.

If he didn't rely on snacks, he would have starved to death!

Lin Hanxing first looked at the snacks that filled the entire coffee table, then at Yuan Bao, and could not help but laugh.

He still had her Facial Mask on his face.

“You're going to lose me easily like this!”

Yuan Bao patted his chest. Seeing that the two of them still did not come over to coax him, he jumped down from the sofa and ran to them.

“I want to eat meat!”

Lei min expressionlessly glanced at Yuan Bao, who had his hands on his hips, and reached for a porcelain plate from the cupboard.

“Do you want some red braised pork?”

.....

When he had just arrived at green vine Garden, he had already asked the kitchen to prepare red braised meat.

“Eat, eat, eat!”

Yuan Bao's eyes lit up when he heard that there was meat.

“You go take a shower first.”

Lei Xiao said to Lin Hanxing as he took off his jacket.

Lin Hanxing nodded and walked towards the bedroom ...

.....

In the bathroom.

Lin Hanxing stood under the shower expressionlessly and looked down at his palm.

The heat of the lightning mother seemed to still linger there.

It reminded her of the last time she saw her mother ...

Those nightmares and pain transformed into countless evil spirits that burst out from her small body!

Yingluo, wake up. Your parents are dead!

He slowly closed his eyes, hiding the cruel blood in his eyes ...

.....

After she came out of the shower, the air was filled with the aroma of food.

She subconsciously looked towards the kitchen.

Yuan Bao was gobbling down the red braised meat, clearly famished.

“Where’s your uncle?”

Lin Hanxing walked over, took a bottle of red wine from the wine cabinet, and poured it into the decanter.

“Answer the phone.”

Following the direction Yuan Bao was pointing, Lin Hanxing saw Lei Xiao’s back on the balcony.

At the same time, on the balcony.

“The Shangguan family has arrived in Jiang city.”

For the past two days, Yan beiming had been in a state of invisibility.

He wished he could spend 24 hours a day with his beloved limited edition Ferrari sports car.

If not for the urgency of the situation, it would not have appeared.

this time, they want to rent two of our private routes, and they want to talk about cooperation with the Golden Triangle.

Yan Beichen’s tone was as serious as ever when they were talking about business.

“Okay, I got it.”

Lei Xiao said in a deep voice.

After hanging up the phone, Lei Xiao leaned against the balcony railing and looked into the room.

Lin Hanxing was sitting next to Yuan Bao, supporting his chin with one hand and looking at him with his head tilted.

Her usually cold face now had a warmth that she didn’t even notice.

Seeing that Yuan Bao was choking, she passed him a glass of fruit juice.

The corners of Lei Xiao’s lips couldn’t help but curl into a faint smile.

He pushed the door open and entered.

I got you some casual home clothes from the supermarket tonight. I left them outside the bathroom. You can wear them after your shower.

Lin Hanxing’s voice was calm, but he was actually thinking about how to tell him about the accident that happened to mother Lei.

“Yes.” Lei Xiao casually placed his phone on the table and walked towards the bathroom.

But ...

Lin Hanxing looked at his back with confusion in his eyes.

Last time, it was in the bathroom, and this time, it was the bathroom. He found it himself without even waiting for the hint?

first aunt, can Yuan Bao sleep with you tonight? ”

Yuan Bao’s glistening mouth opened and closed, bringing with it the aroma of red braised meat.

Lin Hanxing was stunned.

Yuan Bao poked at the rice in front of him, his head lowered.

“They all say that their mothers will tell them stories before they go to bed at night ...”

Suddenly, he raised his head, his eyes filled with hope.

“First aunt, can you tell me a story?”

Chapter 119: He did it on purpose

When Lei Xiao came out of the bathroom, the kitchen had already been cleaned up.

The used dishes were washed and drained, and the unfinished food was also placed in airtight containers.

A faint voice came from the direction of the bedroom.

Thunder owl walked over.

The bedroom door was half-closed, and the dim yellow light poured in through the gap.

Lin Hanxing obviously had no experience in taking care of a child.

The voice of the storyteller was cold and indifferent, and even the action of patting the guinea pig was a little stiff.

However, Yuan Bao clearly enjoyed it.

Her chubby little hands that were as white as a silkworm grabbed the corner of Lin Hanxing’s clothes. Her eyes were droopy as she nodded her head.

Lin Hanxing only heaved a sigh of relief when he was sure that he was asleep.

When she looked up, she saw the man who had been leaning against the door for a long time.

Just as he was about to speak, he saw Lei Xiao put his index finger on his thin lips and shushed him.

Lin Hanxing didn’t move and watched as he pushed the door open and walked in quietly.

.....

The Thunder valiant beast smelled like it had just taken a bath.

His hair was half-dried, and the casual home clothes he wore made him lose the arrogance and coldness in his bones.

He stood by the bed and did not move for a long time.

He looked down at Lin Hanxing.

She had changed into a set of Lake Green, ice-threaded loungewear, with a V-neck spaghetti strap top and a thin shirt.

The dark shadows fell densely and enveloped Lin Hanxing.

The Thunder valiant beast stood in the same position as last time, his eyes deep and dark.

Her light yellow pyjamas had been constantly appearing in his mind since that day.

There was a slap.

He turned off the lights and it was pitch black.

The moonlight was like silver as it scattered on the floor.

“You ...”

Not wanting to wake the sleeping Yuan Bao, Lin Hanxing was stopped by Lei Xiao’s palm just as he was about to speak.

“You want to wake up Yuan Bao, huh?”

Lei Xiao leaned over and whispered in her ear.

His voice was magnetic and hoarse.

Lin Hanxing froze.

The man’s hands that had just taken a shower were slightly cold.

In the dark, his muffled laughter sounded.

“Don’t you still have something to tell me? Yuan Bao’s hand is grabbing onto your clothes. Are you sure you want to talk to me here?”

Sensing her resistance, Lei Xiao slowly lured her.

Lin Hanxing stopped resisting.

He really knew how to seize the right moment!

The Thunder valiant beast’s gaze was locked on her in the dark.

The next second, he lifted Lin Hanxing up from the bed with his strong hands!

Lin Hanxing groaned and was already in his arms.

The bedroom door was closed silently.

Yuan Bao, who was in a deep sleep, was completely unaware that Lin Hanxing had been taken away by his uncle and continued to sleep as usual.

He thought that he was still hugging his aunt, but Lei Xiao had already stuffed a pillow into his arms ...

The lights in the living room were bright and Lin Hanxing was not used to it, but he did not let go of Lei Xiao's smug smile.

He did it on purpose!

Lin Hanxing was furious!

In Thunder Valiant's eyes, the lake-green icy silk pajamas made her skin look so white that it dazzled.

Lei Xiao's shoulder strap slid down slightly due to his movements and was barely covered by Lin Hanxing's soft black hair.

"Thunder valiant beast!"

Lin Hanxing was a little annoyed.

His expression was like a little hedgehog ready to bare its fangs and brandish its claws. In the eyes of the Thunder valiant beast, it was as funny as it could be.

She saw Lei Xiao carrying her to the counter unhurriedly.

Tonight, when she had changed her clothes in the cloakroom and walked towards him, he had wanted to do this when he leaned against the counter.

Lin Hanxing only felt that he was gently placed on the kitchen counter by Lei Xiao.

The marble countertop was slightly cold.

However, the man in front of her was smiling like a child who had succeeded in his prank, and his eyes were shining with a childish light.

Lin Hanxing did not know whether to laugh or cry. For a moment, the anger in his heart was stuck.

"Speak."

Chapter 120: The Zhong family's Secret

"What should I say when you're like this?"

Lin Hanxing glared at him.

"When you forced a kiss on me, did you ever think about whether I could speak properly at that time?"

"....."

Lei Xiao's cold face made Lin Hanxing's face burn.

She didn't look at him, for fear that Lei Xiao would change the topic again.

did you know that Auntie had a car accident when she was young? "

Lin Hanxing's voice regained its calm as he deliberately ignored the heat from Lei Xiao's body.

The Thunder valiant beast's eyes darkened, but he did not say anything.

"It seems like you know about this."

The two of them had been together for a long time, and Lin Hanxing could clearly capture the changes in Lei Xiao's emotions.

Even though he was expressionless.

today, someone came to me and mentioned the car accident.

.....

From the very beginning, he had no intention of hiding this matter from Thunder valiant.

Moreover, he had a better understanding of some of the news from back then.

"What if I tell you that there was something wrong with the car accident back then ..."

Lin Hanxing and Lei Xiao looked at each other.

"Can you tell me what you know?"

"Who's looking for you?"

Lei Jing seemed to caress her soft long hair casually, but the deep coldness in her eyes could not be concealed.

Lin Hanxing told her about how Jiang Xibao had found her.

"You're saying that the private detective died four days ago?"

The Thunder valiant beast's voice was sinister.

I've had someone investigate it. The private detective's family has already cremated him, but a large sum of money was transferred to the private detective's wife's account in the early morning of the third day after the incident.

the most important thing is that the private detective called Jiang Xibao before the accident.

The time was too short, and the information Lin Hanxing could gather was limited.

"I don't know if he really found out something, or ..."

The other party only wanted to borrow his hand to see who was investigating this old matter.

Thunder Valiant's deep, knife-like facial lines were now shrouded in solemnity.

He reached out for the phone and called Liang yuran.

She simply told him about the target of the investigation.

“Do you have a fax machine here?”

Lin Hanxing was stunned at first, but then he nodded.

within three hours, he will send over all the useful information he can find by fax.

Lei Xiao supported himself with both hands on the kitchen counter and trapped Lin Hanxing, who was still sitting on it, in his arms.

also, tonight, I feel that Auntie ...

Lin Hanxing suddenly did not know what to say.

It was an instinct.

She felt that her mother was not completely clueless about what had happened today.

Or even ...

Lin Hanxing had a suspicion that Auntie might have known what her sister had done from the start.

But he didn't say anything.

back then, if it wasn't for the driver's timely judgment and the person sitting next to my mother risking his life to save her, she wouldn't have been able to live until now. That's why my mother doesn't want to talk about that car accident many times.

Lei Xiao clearly understood what Lin Hanxing did not finish.

He was even trying to explain it to her in another way.

at the same time, she was very grateful to the driver and the passengers in the car.

Thunder valiant beast's deep voice sounded as if he was telling someone else's story, rational and calm.

As he listened, Lin Hanxing suddenly froze, as if he had realized something.

She seemed to have missed something all this time!

The car accident that year caused the death of two people, Jiang Xibao's father and the driver of his aunt.

However, other than Auntie, in fact ...

There was still one person alive!
