

Goodnight 121

Chapter 121 greed

It was the person who had risked his life to save mother Lei!

Seeing that she understood, Lei Xiao reached out his hand and gently rubbed the top of her head twice, with indulgence.

“Although I respectfully address the person you saw tonight as my aunt, she is not actually related to my mother by blood. She was the one who risked her life to save my mother from the car accident.”

When these words came out of Lei Jing’s mouth, the dust settled.

“What’s her relationship with the driver?”

According to the timeline, his aunt should still be in school at that time.

There was only one answer Lin Hanxing could think of for being able to sit in the same car as Auntie even though they were not related by blood.

“She’s the driver’s daughter.”

The reason why the Thunder valiant beast liked to talk to smart people was because it was effortless.

after the incident, the driver died on the spot, and Zhong Yifu was seriously injured.

His hand gently caressed Lin Hanxing’s Pearl-like earlobe, but it was a subconscious action.

“The Zhong family adopted Zhong Yifu out of gratitude.”

Hence, she became aunt’s sister, Lei Xiao’s aunt.

.....

“There’s no news in Jiang city.”

At least, if it wasn’t for Lei Xiao telling her, she wouldn’t have known the hidden story.

“Her face was severely injured in the car accident, and then she had several facial restoration surgeries. Even if someone who used to know her stood in front of her, they wouldn’t be able to recognize her. In addition, the Zhong family deliberately concealed it ...”

Lin Hanxing did not speak for a while.

“I understand now.”

Compared to saving his life, other things were indeed nothing.

But ...

Lin Hanxing looked at Lei Xiao. His expression told her that the matter was not as simple as he had said.

based on your personality, if Zhong Yifu had sacrificed her life to save Auntie, why would you treat her like this? ”

Hearing this, Thunder valiant beast chuckled.

His gaze was soft.

“What did I do to her?”

He didn’t answer but asked instead.

Lin Hanxing, whose legs were hanging in the air, kicked his calf. He asked the obvious.

Unexpectedly, Lei Xiao seized the opportunity.

“She’s too greedy.”

The five simple words were cold and emotionless, but there was too much room for imagination.

Lin Hanxing was stunned.

She had seen Zhong Yifu’s greed with her own eyes.

Before she could come back to her senses, she felt a warm feeling on the back of her hand.

He lowered his head subconsciously.

Thunder valiant lifted his head, his deep eyes focused.

The room was too quiet.

Lin Hanxing was stunned, his hands clenched on the countertop.

Even his throat was slightly dry.

“I need to borrow your computer, I still have some work to do.”

When he noticed her nervousness, his thin lips curled up slightly.

Lin Hanxing’s eyes lost their usual coldness and were now covered in a layer of fog.

“Oh, it’s over there,”

She pointed at the White all-in-one machine next to the window.

Lei Xiao let go of her and walked over.

The sound of typing could be heard and Lin Hanxing’s computer page was different.

Obviously, it had been specially encrypted.

It would be difficult to decipher in a short time.

Lin Hanxing took out a bottle of water from the refrigerator. Seeing that his refrigerator had been tidied up by the lightning, he found it hard to get used to it.

It was like a prototype machine in a TV commercial.

Thunder owl ...

Do you have OCD?

Lin Hanxing's phone rang just as he was deep in thought.

It was a message from the mute uncle.

Lin Hanxing lowered his head to look at the content. A mocking smile suddenly appeared on his face.

Greed was indeed the nature of humans.

Yingying didn't stop her and let her in.

After sending the text, Lin Hanxing's long eyelashes fluttered.

If that person was greedy, then don't blame her for not being polite!

Chapter 122 greed

Lin family villa.

It was obvious that an intense argument had just taken place here.

"She's just a little girl, but look at how you're all so nervous."

Luo Mingwei yawned and lazily looked at her manicure.

She had just returned to the Lin family today, and upon hearing about Lin xiaojiu's 'great achievements', her heart was filled with disdain.

However, when he saw the luxury cars in the garage, he had an idea.

But when he asked, all those cars actually belonged to Lin xiaojiu?

That little girl who had disappeared for 18 years from sister-in-law's mouth, did she have this ability?

aunt, you'll know how powerful Lin xiaojiu is when she comes the day after tomorrow!

Luo Ruyin, who had been forced out of the bedroom, was filled with anger, and she was still holding back her hatred for the snakes that had been dancing around.

"Mingwei!" Luo Minghao glanced at his sister coldly.

Luo Mingwei didn't dare to act rashly anymore.

you guys can continue quarreling. I'm going upstairs to sleep.

.....

As she spoke, Luo Mingwei walked up to the second floor.

She didn't know whose call her sister-in-law had received today, but she seemed to have gone crazy at night.

It made everyone nervous.

In her eyes, she was just a little girl who had been missing for eighteen years.

If a powerful Dragon knew not to overpower a local snake, what ability did Lin xiaojiu have to turn the clouds and rain?

As she thought about this, Luo Mingwei stretched.

However, he paused in the next second.

Through the faint light from the crack in the door, Luo Mingwei realized that she seemed to have walked to Luo Ruyin's original room.

The image of the luxury cars in the garage appeared in his mind.

She knew that after her niece gave up her room, Lin xiaojiu's men had tidied it up again.

And now, it was filled with Lin xiaojiu's things.

As he thought about it, his mind started to wander.

She did not notice that there was a figure in the dark who had been staring at her.

He was like a dormant wild beast, waiting for an order to tear it apart.

Yingying didn't stop her and let her in.

However, shadow received a reply message very quickly.

Silently, he once again hid his figure in the darkness, as if he had never existed.

Luo Mingwei's eyes darted around quickly.

While her brother and sister-in-law's family were arguing over Lin xiaojiu, Luo Mingwei sneaked into the room.

There was no longer any trace of Luo Ruyin in the room.

In just a short period of time, it seemed to have been renovated!

Unlike the decorations in the other parts of the Lin family's house, even Luo Mingwei had to be impressed by the taste of the room's design.

This was the room of her dreams!

Luo Mingwei couldn't help but gasp when she pushed open the door to the cloakroom!

The custom made shoe cabinet on the left was filled with hundreds of pairs of female shoes.

They were classified by color, shade, heel, height, and style.

The closet on the right was filled with brand new and unopened women's clothing.

With the addition of handbags and accessories, this place was like a woman's paradise!

Luo Mingwei's eyes widened in disbelief. She couldn't move her feet, as if they were nailed to the ground!

She couldn't help but reach out to take a piece of clothing from the closet and walk to the fitting mirror.

There were several new women's clothes that she had seen in the magazine, and they were only pre-sold to the high-class VIP guests.

But now, these clothes that were still on preorders were all lying in Lin xiaojiu's wardrobe?

How was this possible?

At that thought, Luo Mingwei's heart burned with jealousy.

Why did this little girl get to enjoy everything when she didn't?

Luo Mingwei threw the clothes aside and walked toward the jewelry store.

The special mirror of the jewelry cabinet blocked her outstretched hand.

The glittering jewelry illuminated Luo Mingwei's greedy expression.

All of these ... Belonged to Lin xiaojiu?

Chapter 123: The fax has been sent, please take note to receive it

2:30 am.

Lei Xiao sat in front of the desktop to deal with official business while Lin Hanxing sat on the sofa with his laptop.

For nearly two hours, the two of them didn't say a word.

They each did their own thing.

But no one felt awkward, nor did they deliberately try to find a topic to talk about.

Lin Hanxing's fingers quickly typed on the keyboard and after some time, the printer connected to the WiFi started to work.

Lei Xiao's work had also temporarily come to an end.

"Do you want some beer?"

Lin Hanxing walked into the kitchen and called out to him.

After getting an affirmative answer, he walked out with two bottles of cold beer.

When he raised his head, he saw Lei Xiao looking at him with a faint smile.

“What’s with that expression?”

.....

Lin Hanxing said as he threw the beer at him.

Thunder owl raised his hand and caught it steadily.

The phone screen beside the desktop showed a WeChat interface.

He had only opened it just now.

When he saw what he had received ...

Only then did Lei Xiao understand why his mother had winked at him and prompted him to look at his phone in the private room tonight.

The scene of him being forced to kiss by Han Xing tonight had been taken into a series of photos.

His mother sent him every single one of them.

The resolution was good, and the angle was good.

He began to reminisce about the heat that had melted into his bones and blood.

His deep gaze fell on Lin Hanxing, who was drinking beer not far away ...

Lei Xiao extended his hand and saved all the photos.

The fax machine suddenly received a notification.

At the same time, Lei Xiao’s phone rang. It was Liang yuran.

the fax has been sent. Take care to receive it. In addition ...

Liang yuran’s voice was cold and emotionless, like a robot.

someone paid a high price in the black market to issue a pursuit order to teach Lin Hanxing a lesson.

The warmth in Lei min’s eyes disappeared.

The yin Chi gradually filled the air.

The black market was a non-official trading place in Jiang city.

For many years, it had been tacitly acknowledged by the Jiang city officials.

Thunder owl did not say anything.

On the other end of the phone, Liang yuran didn’t say anything. He clearly knew that Lei Xiao was angry.

After a long time.

“Who posted it?”

Liang yuran replied coldly, and Lei Xiao instantly sneered.

I understand. Pass down the order. I'll take the life of anyone who dares to accept it!

.....

Lin Hanxing stood by the window, turning a blind eye to Lei Xiao's sudden malevolence and bloodlust.

He just lowered his head and read the fax.

The account with the foreign transfer and the private detective's movements during this period of time were all presented in front of Lin Hanxing's eyes.

Before she could say anything, the thing in her hand had been taken away by Thunder valiant beast.

"I'm sleeping."

After hanging up the phone, Lei Xiao threw the document on the table, reached out to grab Lin Hanxing's wrist, and pulled her into his arms.

"If you want to sleep, then sleep. Why are you pulling me?"

Lin Hanxing's voice had just fallen when she saw Lei Xiao staring at her, and in the next second ...

She only felt that she was floating in the air!

He was actually carried on the shoulders of the Thunder valiant beast.

"You sleep with me!"

As he spoke, he walked towards the guest room.

"Thunder valiant beast!"

Lin Hanxing was thrown onto the soft bed. Just as he was about to get up, a shadow fell on him.

Lei Xiao reached out and pulled her into his arms, closing his eyes.

Lin Hanxing's eyes were parallel to his sexy Adam's apple, and he inexplicably remembered the concentration he had when he kissed the back of his hand.

Not long after.

The sound of even breathing soon came from above.

The Thunder valiant beast had fallen asleep.

A man's unique wooden fragrance enveloped her, and Lin Hanxing's nerves relaxed unconsciously.

After a long time, sleepiness hit her.

He gradually fell asleep.

In the dark night, the man who had fallen asleep earlier slowly opened his eyes.

He kissed the corner of her lips.

"Good night," she said.

Chapter 124: flustered

The next morning.

Luo Wensu had received he zhehan's flustered and exasperated call early in the morning.

When he found out that he had actually spent money to put up a bounty on his head in the black market, he suddenly came to his senses.

"Are you crazy?" Luo Wensu wiped his face.

"I'm crazy! She almost laid her hands on my mother yesterday!"

He zhehan roared. Luo Wensu could feel his anger through the phone.

Luo Wensu didn't know what to say.

"But up until now, no matter how much I bid, not a single person has accepted!"

He zhehan hated the feeling of losing control.

In his eyes, she was just a woman as fragile as an ant. He could casually stretch out his hand and crush her to death!

Yet, she had challenged her limits time and time again!

"I don't believe that I can't cure her!"

After saying this, he zhehan didn't care about Luo Wensu's reaction and hung up the phone!

.....

Luo Wensu had a headache.

He understood he zhehan. He was afraid he would mess around again.

However, against Lin xiaojiu ...

He thought of those bright but cold eyes ...

What were the chances of him winning?

.....

Lin Hanxing was awoken by Yuan Bao's voice.

uncle, you're a liar! You promised Yuan Bao that you'd let Auntie sleep with him!

Yuan Bao placed his hands on his hips and stood on the small stool, trying to make himself look taller.

Lei Xiao had just come back from his morning run and taken a shower. He didn't even look at the little radish who was so angry that its hair was standing on end.

"I'm going to tell first aunt that your door lock isn't broken, Hmph!"

Yuan Bao jumped down from the stool and ran towards the guest room.

then I'll go tell your father that you've successfully driven away the 23rd nanny.

Thunder valiant beast said unhurriedly.

He successfully made Yuan Bao stop in its tracks and turn around to look at him with resentment.

"Can you not be so childish?"

Lin Hanxing leaned against the guest bedroom door and said indifferently.

Her messy and soft hair was casually let down on her shoulders, and her sleepy eyes were lazy and sexy.

Yuan Bao did not expect Lin Hanxing to wake up at this time, and he quickly covered his mouth with his chubby little hands.

"Yuan Bao is only so old, how old are you?"

When he heard that his aunt was on his side, Yuan Bao snorted at Lei Xiao with confidence.

Lei Xiao unhurriedly glanced at Yuan Bao, and the latter quickly hid behind Lin Hanxing.

Lin Hanxing had just finished washing up and was more or less awake.

She recalled the fax she had read halfway last night and walked back to the table in front of the floor-to-ceiling window.

Early in the morning, Thunder owl had already sorted out the fax and printed information.

"Your uncle's younger sister ..."

Lei Xiao looked at Lin Hanxing, who was standing by the window, and said in a thought-provoking voice.

Other than the fax that Liang yuran had sent him last night, the other printed copy was Luo Mingwei's current situation.

In the morning, Thunder owl had roughly scanned the area.

There were hundreds of hotel check-in records with a certain someone in the past six months.

He had forcefully gotten a Platinum VIP Membership for a five-star hotel!

"Hehe, if she works hard, she might be able to make a Guinness."

Lin Hanxing sneered.

His phone suddenly rang.

He glanced at the caller ID and saw that it was from the 4S store.

She still hadn't mentioned the Maserati that had its front bumper broken.

Lin Hanxing picked up the phone and hung up after a few simple words.

However, his expression was a little subtle in Lei Xiao's eyes.

"What's wrong?" Lei Xiao poured a glass of milk for Yuan Bao, but his words were directed at Lin Hanxing.

"It's just someone digging a trap for me to jump into."

The languidness in his eyes disappeared and was replaced by sharpness and coldness.

"You need my help?"

Lei Xiao raised his eyebrows, the lines on his face were cold.

"The price of asking President Lei for help is too high, I can't afford it!"

Lin Hanxing's gaze inadvertently swept across Lei Xiao's exposed Adam's apple and collarbones, and his heart burned.

"If you have that much time, why don't you fix the door locks that aren't broken, so that you won't have to trouble the neighbors again!"

Chapter 125: There is no what if

At the entrance of the 4S store.

When Lin Hanxing got out of the car, Jiang Xibao, who was wearing sports clothes, was squatting on the ground and eating a hot pancake.

When he saw Lin Hanxing, his chubby face broke into a bright smile.

"Delicious?" He squatted down like Jiang Xibao and looked at her with his head tilted.

Jiang Xibao's eyes widened in fear. He subconsciously handed over the half-eaten pancake.

Lin Hanxing was dressed very simply today.

White t-shirt Denim shorts with white shoes, beautiful and fresh.

When he reached out his hand, Jiang Xibao realized how stupid his actions were.

Just as she was feeling vexed, she saw Lin Hanxing open his mouth and take a bite. He held his chin with one hand and smiled at her.

"It's delicious."

Looking at Lin Hanxing's smile, Jiang Xibao's eyes felt hot for some reason.

She had been bullied because she did not have a father.

When others couldn't beat her, they used words to humiliate her.

.....

Jiang Xibao didn't even dare to make friends.

“Aren’t you going to ask me why I called you here so early in the morning?”

Lin Hanxing smiled lazily and even reached out to pinch Jiang Xibao’s chubby little face.

That meaty touch really made her unable to let go.

“I’ll do whatever ninth young lady asks me to do.”

Jiang Xibao said in a simple and honest manner. He then lowered his head and ate the pancake bite by bite.

However, she ate very slowly this time. She devoutly avoided the places where Lin Hanxing had bitten.

To be honest, Lin Hanxing was really liking Jiang Xibao more and more.

“There might be danger, aren’t you afraid?”

Jiang Xibao nodded and then shook his head.

“I’m afraid, but I’ll do my best.”

Lin Hanxing looked at Jiang Xibao.

“Don’t worry, I’m just asking you to come and practice.”

Jiang Xibao nodded.

“There’s a problem here.”

Jiang Xibao suddenly spoke when he was only left with a mouthful.

Lin Hanxing raised his eyebrows and looked at her. He could feel that there was something wrong with the 4S store. She was not as silly as she looked.

“Am I wrong?”

Jiang Xibao was puzzled when he saw Lin Hanxing’s emotionless face.

“It’s time for the appointment, we should go in.”

.....

The black Bugatti stopped in the dark.

“You’re that assured?”

Yan beiming held the cigarette in one hand and turned to look at the expressionless Lei Xiao.

His handsome face was full of cynicism.

“She won’t let herself be at a disadvantage.”

“What if? It’s better to be safe than sorry, understand?”

Yan beiming could not stand the sour smell in the air.

Lei Xiao sat in the driver's seat made of real leather, his handsome and tall figure wrapped in a dark-colored shirt.

His entire person was cold and strong!

"As long as I'm here, there's no" what if "!"

.....

Lin Hanxing and Jiang Xibao entered the 4S store.

The surroundings were quiet.

Jiang Xibao swallowed his saliva and felt that the pancake he had eaten in the morning was a little salty.

Suddenly, a burly man in a black sleeveless shirt came out and stared at the two of them with a gloomy look.

"I'm here to pick up the car."

Lin Hanxing said coldly, as if he did not see the malice in the other party's eyes.

hehe, boss, she said she's here to pick up the car.

The burly man grinned and shouted to the resting room behind him.

At the same time, the rolling curtain Door was suddenly lowered!

The 4S shop instantly became an enclosed space.

A few men carrying steel pipes walked out of the resting room with sinister smiles, clearly with ill intentions.

Lin Hanxing could clearly feel Jiang Xibao's nervousness.

However, she had no intention of comforting him.

As long as he stayed by her side, such things would only happen more often in the future.

It would be beneficial and harmless for Jiang Xibao to accept it earlier.

"Lin xiaojiu, you didn't expect this, did you? One day, you will still fall into my hands!"

A burst of arrogant cold laughter came from the lounge.

Soon, the owner of the voice appeared in front of Lin Hanxing ...

Chapter 126: Come, let's hurt each other

He zhehan had the arrogant look of a young man and six or seven burly men followed him.

The steel pipe streaked across the ground and made a piercing metallic sound.

"Second young master he seems to be in good spirits."

Lin Hanxing looked at he zhehan, who was sitting in the middle of the six or seven burly men, and laughed.

“I’ll be more energetic later!”

Snatching the steel pipe from the burly man next to him, he zhehan looked at the delicate little face with an evil smile.

Behind him was Lin Hanxing’s Maserati Ghibli, which was as shiny as new.

“You’re not a bull. Force? Aren’t you very powerful? Hmm?”

He zhehan’s expression was twisted as he stared at Lin Hanxing.

With a few loud bangs, he zhehan waved the steel pipe in his hand and smashed it at the Maserati.

The broken car windows fell all over the ground.

“You dare to provoke my mom? Who Do You Think You Are!”

He zhehan tried to find a trace of fear on Lin Hanxing’s face, but he was disappointed ...

.....

Not only did he not feel fear, but he even caught a hint of playfulness in her eyes!

Playfulness?

This discovery made he zhehan, who had just started to be proud, fly into a rage!

Lin Hanxing looked at him casually. He had thought that second young master he was a smart person, but now it seemed ...

He was wrong!

“You, go and bring her over!”

“Who dares to touch her!”

Although Jiang Xibao was nervous, she still stood in front of Lin Hanxing resolutely.

Lin Hanxing looked over Jiang Xibao’s shoulder at he zhehan, and her eyes were filled with deliberate provocation.

Lin xiaojia, I’m going to let you have a good taste of a man today!

“Oh? Second young master he, you’re quite arrogant!”

Lin Hanxing smiled faintly, as if he was determined to light up more anger in he zhehan’s heart!

Sure enough, he zhehan’s eyes were bloodshot!

He walked towards Lin Hanxing and waved the steel pipe in his hand threateningly.

“You’re so stubborn. I’ll see how wild you can be when you’re lying under these men ...”

He zhehan stretched out the steel pipe and wanted to use it to force Lin Hanxing to look up!

However, before he could get close, Jiang Xibao grabbed one end of it with lightning speed!

“Filthy!” Jiang Xibao furrowed his brows and his fair and chubby little face was filled with disgust!

She was so disgusted that she almost vomited the pancake she had just eaten.

He zhehan wanted to take the steel pipe back from Jiang Xibao’s hand, but no matter how hard he tried, the thing wouldn’t budge in the fat girl’s hand, and his whole face was red!

However, Jiang Xibao easily snatched the steel pipe from he zhehan’s hands and a cracking sound was heard ...

The sturdy steel pipe was actually turning back and forth in her hands like a folding spring!

Not long after, it was broken in the middle!

Not to mention he zhehan, even the burly man behind him suddenly widened his eyes when he saw this situation!

It was not that Lin Hanxing had not imagined Jiang Xibao’s lethality.

However, when she showed her hand, it still made her smile.

When her cold and beautiful eyes swept over he zhehan’s face, it was as if she was saying ...

Come on, let’s hurt each other!

“What are you still standing there for? Go! Kill them!”

He zhehan took two or three big steps back and gasped!

Six or seven burly men walked towards Jiang Xibao and Lin Hanxing with Cold Steel pipes in their hands.

“Ninth young lady, don’t be afraid. I’ll protect you!”

Jiang Xibao took a deep breath and stared at the group of people with determination!

However, the smile on Lin Hanxing’s delicate face suddenly disappeared, and a kind of hostility gradually spread from her bones.

Second young master he, have you ever wondered why I dared to come alone? ”

Chapter 127: if you’re stupid, you have to hide it

He zhehan looked at Lin Hanxing vigilantly.

His heart started to beat faster!

This feeling was very familiar!

It was just like the crazy moment when he saw her suddenly turn the car around on the steep mountain road!

“Kill her!” He zhehan roared until the veins on his neck popped out.

The burly man waved the steel pipe in his hand and charged at Jiang Xi, Bao Lin, and Hanxing with a ferocious smile!

“You’re making it sound so big. I’ll be very disappointed if you don’t kill me!”

The soft tone of a woman was the most touching, but Lin Hanxing’s words were bone-piercingly cold!

Almost at the same time as she finished speaking, she made a move!

Jiang Xibao felt a gust of wind behind him, and when he saw it again ...

Lin Hanxing, who she had been shielding behind her, was now standing in front of her. The burly man in front of her was still holding the steel pipe in his hand, but the weapon in his hand was already in Lin Hanxing’s hand!

All of this happened too quickly!

Even Jiang Xibao could not react in time and looked at Lin Hanxing in a daze.

.....

Lin Hanxing’s delicate face was expressionless.

However, his eyes were filled with 50% interest and 50% ferocity as he slowly scanned the area ...

Wherever her eyes landed, all these rough men who were much taller and stronger than her felt fear from the bottom of their hearts!

“Second young master he!”

Suddenly, Lin Hanxing spoke.

“Didn’t anyone tell you that villains die because they talk too much?”

Hearing this, he zhehan, who was standing not far away, suddenly shivered!

The burly man who had his steel pipe taken away was furious. He roared and was about to punch.

However, just as he got close, the steel pipe with a fierce momentum fell heavily on his kneecap. He didn’t even have time to react before he felt an overwhelming pain. The next second, he couldn’t even stand still!

With a bang, he curled up and hugged his knee, crying out in pain!

“Xi Bao, catch it!”

Lin Hanxing did not even look back, he just casually threw the steel pipe behind him.

When Jiang Xibao heard his name being called, he immediately reacted and held the steel pipe tightly!

“Follow the positions I demonstrated just now. Don’t let anyone go!”

Although Lin Hanxing said this to Jiang Xibao, his eyes were on he zhehan’s face.

The latter’s heart was already pounding with fear, and his back was drenched in cold sweat.

“Ah, I know!”

Jiang Xibao answered honestly, but his actions were very fierce!

She was born with great strength, and one hit from the steel pipe could even hear the sound of bones breaking.

For a moment, the huge 4S shop was full of pleading and wailing.

On the other hand, Lin Hanxing walked towards he zhehan unhurriedly.

“Don’t come over!”

He zhehan was so scared that his hands and feet started to synchronize.

He couldn’t believe his eyes. He felt like his entire world was collapsing.

Lin Hanxing casually picked up the chair he zhehan had just sat on and sat down in front of him with a bang.

“Now, do you know why I dared to come alone?”

The ferocity in his eyes slowly faded and Lin Hanxing returned to his usual lazy self.

She was as beautiful as a painting.

Behind him was a bloodstained Asura field.

Jiang Xibao ended the battle very quickly and stood behind Lin Hanxing.

His eyes glared fiercely at he zhehan, who had just spoken rudely.

Lin Hanxing casually took the steel pipe from Jiang Xibao’s hands and with a look, Jiang Xibao kicked he zhehan’s knee.

With a bang, he zhehan cried out in pain and knelt on one knee in front of Lin Hanxing.

Lin Hanxing slowly lifted his chin with the steel pipe.

In Jiang Xibao’s eyes, that action had an indescribable charm.

Jiang Xibao’s heart suddenly started to beat uncontrollably. He looked at Lin Hanxing and felt that she really admired her!

“If you’re stupid, you have to hide your true strength!”

Chapter 128: Too brutal

Yan beixiao picked up the phone nonchalantly, but his eyes widened as he listened.

He hung up the phone and looked at Lei Xiao with a strange look.

He finally knew why Lei Xiao was not worried about Lin Hanxing at all.

Not only did Yan beiming not use the people he had set up in the dark just in case, he even got to watch a good show for free.

“Your woman is too brutal!”

If not for his subordinate’s report, Yan beiming would not have believed it ...

The two women had subdued the scene so easily?

“That kid from the he family played dirty this time. Should we teach him a lesson?”

Yan beiming moved his knuckles, which made a clear cracking sound.

“No need, Hanxing doesn’t allow me to touch the he family.”

His deep and rich voice successfully stopped Yan beiming’s eagerness to move.

Yan beiming could not help but roll his eyes in his heart ...

He wouldn’t move just because Hanxing didn’t want him to?

.....

When did the Thunder valiant beast become so obedient?

.....

He zhehan’s eyes were filled with the fierceness and fear of a trapped beast.

The feeling of the cold Steel pipe on his chin made him feel an unprecedented sense of shame.

However, there was also an indescribable emotion in his shame that made him feel an unprecedented sense of affection for Lin Hanxing!

“You should be glad that I’m in a good mood today.”

The strength of Lin Hanxing’s attack was completely based on his mood that day.

If he was in a good mood, he could control the blood from flowing out, but if he was in a bad mood ...

“What do you want?”

He zhehan only felt a severe pain in his knee that was kicked by Jiang Xibao just now, as if it was going to break.

“How is it? I should be the one asking second young master he that!”

Lin Hanxing pressed the steel pipe against the ground. Her beautiful eyes were moving and even the mole at the corner of her eye was moving.

second young master he, you came to find trouble with me for no reason, destroyed my car, and scared my friend. Shouldn't you show some gratitude? "

He zhehan didn't expect her to be so shameless!

He admitted to destroying her car and scaring her friend?

He zhehan's eyes looked at the White and fat Jiang Xibao. This damn fatty didn't look frightened at all.

Lin Hanxing glanced at Jiang Xibao indifferently ...

Jiang Xibao was expressionless. He had obviously received Lin Hanxing's signal.

"I'm so scared that I'm hungry."

"....."

"....."

In contrast to he zhehan's 'you're f * cking lying' expression, Lin Hanxing couldn't help but smile.

Jiang Xibao was more interesting than she had thought.

"How do you want me to express my feelings?"

He zhehan took a deep breath and suppressed the intense pain in his knee.

He just wanted to leave this place as soon as possible.

Moreover, the painful wails of the group of people he had found behind Lin Hanxing were like a talisman that urged him to die, making him afraid.

Xi Bao, what does second young master he want you to say to forgive him? "

Lin Hanxing's smile bloomed like a flower, even the small dimples at the corner of his lips were beautiful.

Jiang Xibao pondered for a while and his eyes were fixed on he zhehan.

He zhehan only felt his heart in his throat.

"Cut off his hands, cut off his feet, and throw him into the moat!"

Jiang Xibao finally spoke after a long time.

He zhehan took a deep breath and Lin Hanxing laughed even more happily.

"But what do I want his hands and feet for? I'm a law-abiding citizen!"

Lin Hanxing put his hands on the steel pipe and looked innocent.

He zhehan's hanging heart suddenly fell, but when he saw Lin Hanxing's eyes, he was frightened.

His intuition told him that Lin xiaojiu would not let him off so easily.

"Why don't we just gouge out his eyes and cut off his tongue? I'll keep it as a memento!"

Lin Hanxing's smile slowly turned evil.

"I'll pay! Tell me, I'll pay you however much you want!"

Chapter 129: Don't go overboard

As he said this, he zhehan knelt on the ground, but his eyes were almost inaudible as they fell behind Lin Hanxing.

He saw a strong man enduring the pain and picking up the steel pipe. He was silently approaching Lin Hanxing and Jiang Xibao, who had their backs facing him.

He zhehan looked like he was begging for mercy, but he was secretly happy.

The next second, his eyes widened in horror!

Just as the burly man was about to approach Lin Hanxing with the steel pipe, he saw the woman who had been sitting facing him suddenly stand up. Her movements were smooth and beautiful as she lifted the wooden chair and swung it in the direction of the burly man!

With a loud bang, the wooden chair broke into pieces.

As he zhehan's only hope, the burly man fell to the ground with blood spurting out of his forehead.

he zhehan, you've worn out my patience.

Lin Hanxing slowly turned his head to look at him, but he did not even try to hide the ferocity in his eyes.

"I'll make a call immediately. I'll pay you however much you want!"

The huge contrast of burning hope and then falling short really made he zhehan's legs go soft.

"Three million in cash!"

.....

.....

Half an hour later.

Someone knocked on the tightly shut iron door of the 4S store from the outside.

Jiang Xibao subconsciously looked at Lin Hanxing. After getting her approval, he opened the iron door.

Luo Wensu and Yuan Xiaolei walked in, the latter even carrying a black leather suitcase.

When she saw the situation in the 4S store, Yuan Xiaolei subconsciously sucked in a cold breath.

On the other hand, Luo Wensu's eyes were fixed on Lin Hanxing, who was sitting lazily in the middle of the room.

He knew this would be the result!

it's my honor to have the young mistress personally give me money!

As if he didn't see Yuan Xiaolei's eyes that looked as if she wanted to eat someone alive, Lin Hanxing lazily spoke.

Yuan Xiaolei's scalp was about to explode!

It was her again!

"Lin xiaojiu!"

Yuan Xiaolei gritted her teeth when she said these three words.

Last night, she kept talking to he zhehan about it to teach her a lesson, but she didn't expect ...

Lin Hanxing raised an eyebrow.

Almost subconsciously, Yuan Xiaolei took two steps back in fear.

This woman was very evil!

"Xi Bao, we should go after taking the money."

Lin Hanxing stood up, his straight legs dazzled the eyes.

Jiang Xibao snatched the black leather suitcase from Yuan Xiaolei's hands without saying anything.

In her opinion, it was full of the ninth young lady's emotional damage!

"Don't go too far."

Just as Lin Hanxing and Jiang Xibao passed by luowen and su Xiaolei ...

Luo Wensu, who had been silent the entire time, finally spoke.

Lin Hanxing stopped in his tracks and turned to look at his cousin with a half-smile.

"But I just want to live so arrogantly and wantonly!"

Luo Wensu looked at her with a gloomy gaze.

Lin Hanxing did not back down.

The air seemed to burst into flames ...

.....

"Ninth young lady, your money."

After leaving the 4S store, Jiang Xibao handed the black leather suitcase with the money to Lin Hanxing.

Even though he knew that there was three million Yuan in the bag, Jiang Xibao still did not show any reluctance.

Lin Hanxing smiled but did not take it.

“That’s your money.”

After a long time, Jiang Xibao finally reacted and his eyes widened slightly.

“This three million is the reward for helping me today. Keep it.”

Lin Hanxing pinched Jiang Xibao’s chubby face.

I’ll send you to the Lin residence now. You only need to listen to the mute uncle’s arrangements. Don’t ask about anything else.

Jiang Xibao nodded.

However, it was clear that he had not yet recovered from the fight in the 4S store.

Lin Hanxing’s beautiful figure made her heart fill with fanatical admiration.

“What about you, ninth young lady?”

Lin Hanxing controlled the steering wheel with one hand and smiled without answering ...

Chapter 130 tip-off

Yujing garden.

After coming out of the bathroom, Lin Hanxing walked to the refrigerator and took out a bottle of water.

However, when she glanced at the artistic decorations in the refrigerator, she paused.

He couldn’t help but recall the night before, when Lei Xiao stood there, arranging the things he bought from the supermarket into different categories.

The tailored shirt accentuated his perfect figure.

Lin Hanxing’s Adam’s apple moved up and down in a sexy way ...

With a bang, the refrigerator door was closed.

He threw away the daydreaming in his mind.

Yuan Bao had been sent to the extracurricular class by Lei Xiao early in the morning, and his little bag was still on the sofa.

Lin Hanxing’s phone on the coffee table suddenly rang.

As he drank the water, he casually picked it up and glanced at it ...

Lin Hanxing coughed and choked.

A friend request popped up on the WeChat interface on the phone screen.

.....

Wanwan, daughter-in-law, I’m your mother-in-law.

Lin Hanxing's hands trembled when he was sure that he was not mistaken.

Why would mother Lei add him on WeChat?

Lin Hanxing had never been so conflicted before.

His finger hovered above the word [accept] for a long time.

After a while, his finger finally pressed down.

Almost at the same time, a message came from the Thunder matriarch.

Mother Lei replied, "my daughter-in-law, muah muah."

Before Lin Hanxing could think of a reply, Thunder mother had already sent him a video call.

Lin Hanxing, who had not shown any mercy even when facing a few burly men, was now nervous!

In a panic, Lin Hanxing, who wanted to reject the call, accidentally clicked the green button to answer the call.

Lin Hanxing's mind went blank.

"My daughter-in-law, what are you doing?"

The smiling face of Mrs. Lei appeared on the phone screen.

"I just took a shower."

Lin Hanxing sat upright on the sofa as if he was waiting for an inspection.

"Don't you have other things to do?"

Zhong Nanyin's face was filled with joy that Lin Hanxing couldn't understand, but she still nodded.

"That's great!"

"Daughter-in-law, go to the Lei clan to find ah Xiao!"

"Auntie, actually, Lei Xiao and I ..."

Lin Hanxing felt that she still had to explain to the Thunder matriarch.

She was not her daughter-in-law.

"Ah Xiao's aunt called me and told that su something from last night ... To send something to the Lei Corporation and ask ah Xiao to pass it to me! Hmph! Don't worry, daughter-in-law, I'm definitely on your side!"

The little old lady said as she stuffed a rose cake into her mouth, her face full of pride.

"Which one? Are you still eating?"

Suddenly, a deep male voice interjected, sounding slightly serious.

She covered her mouth in a panic, turned her head to the side, and snorted.

Lin Hanxing was stunned at first, then he realized that the one who spoke was obviously Lei Xiao's father ...

Lei kangnian!

daughter-in-law, let's not talk about it anymore. Remember to go to the Lei clan to find ah Xiao!

"I'll call to check!"

Before Lin Hanxing could reply, Zhong Nanyin had already hung up the video call.

"....."

From the beginning to the end, Lin Hanxing did not have the time to reject her.

After a while, Lin Hanxing maintained his position with his phone in his hand. He felt that he had just ...

It seemed like she was struck by lightning ...

A trick?

.....

Lei Corporation.

Su Ling 'er had obviously dressed up deliberately today.

Without last night's embarrassment, he regained his spirit and was accompanied by his best friend Luo Ruyin.

It was obvious that this was Luo Ruyin's first time at the Lei Corporation.

Although she was the daughter of the Lin group, the scale of the Lin group was still far from the Lei group's!

Because she was using aunt Lei Xiao's name, she was able to enter the Lei clan without any obstructions.

However, when she reached the top floor, she was stopped by the Secretary, who seemed to be speaking gently but was actually forcing her to the lounge ...
