

## Goodnight 131

### Chapter 131: fan the flames

At that moment, Lei Xiao was in the International Conference hall.

The higher-ups reported the operational data of each branch to him in an orderly manner.

Lei Xiao sat in the middle of the black leather seat, listening to the report without a word.

There was no expression on his handsome face, and coldness seeped into his bones.

The silent phone screen suddenly lit up.

With the previous experience, Special Assistant Anthony did not even hesitate and quietly placed the phone in Lei Xiao's hand.

It was a WeChat message from Mrs. Lei.

Mama Lei,"son, your daughter-in-law is on her way to find you. Good luck."

A rare trace of a smile appeared in Thunder Valiant's cold eyes.

He naturally knew about his aunt's little tricks.

Otherwise, the SU family's daughter wouldn't have been invited into the lounge by the Secretary.

But he didn't expect that his mother would be able to trick Hanxing to come here.

The meeting would take at least an hour to end.

.....

At that thought, Lei Xiao sent a text message to Yan beixiao.

Then, he passed the phone back to Anthony ...

.....

When Lin Hanxing arrived at the Lei Corporation building, Yan beiming was already waiting for him.

"Little cold star!" Yan Beichen smiled and waved at her, his navy blue shirt making him look even more arrogant.

Lin Hanxing didn't say anything. She stared at him with her beautiful eyes, feeling a little depressed.

"I've been ordered to send you to the president's office!"

As he said that, Yan beixiao's eyes were filled with gloating.

When Lei Xiao sent him the message, he was in the president's office.

When she walked past the lounge, she heard people chatting and looked inside out of boredom ...

Yan beixiao felt that it was a pity that he did not get to witness Lin Hanxing's 'magnificent feat' in the 4S store that morning!

He had picked up an opportunity for nothing. Only a fool would not watch the show!

As he thought about this, Yan beiming's eyes swept over Lin Hanxing ...

If he wasn't afraid of Lei Xiao, he would have whistled at little Hanxing!

She was as beautiful as a demon!

The fresh and elegant pink-blue A-line dress with arms exposed and waist tucked in looked very spiritual on her.

It was a completely different match from the white t-shirt and denim shorts she wore in the morning.

Her long wavy hair was as smooth as seaweed, and it flowed down to her waist.

Her small face was as clear as Jade under the sunlight, and as white as coconut milk.

Yan Beichen had no doubt that if any other woman were to stand beside Lin Hanxing ...

She would be overshadowed by her domineering beauty!

Thinking of the two people in the waiting room, Yan Beichen could not help but smile sarcastically.

"Where is he?"

Lin Hanxing only felt a suffocating feeling in his chest that he could neither exhale nor swallow.

However, when facing that innocent old lady ...

She didn't want to disappoint her.

Thunder valiant is still in the middle of a regular high-level meeting. It'll probably end in another half an hour.

Even though Lin Hanxing did not specify who he was, Yan beiming understood immediately.

Lin Hanxing did not say anything. He raised his head and looked at the steel building in front of him that towered into the clouds and glowed coldly.

To be honest, the fighting strength of that scheming little white Lotus made her completely uninterested.

They couldn't even be called 'opponents'.

"There's something I think I should tell you."

Yan beixiao saw the boredom in Lin Hanxing's eyes and interrupted.

Lin Hanxing looked at him.

"I saw your cousin in the lounge just now. She seemed to be accompanying her best friend."

Lin Hanxing raised an eyebrow, his interest piqued.

Yan beixiao was talking about Luo Ruyin?

She's here?

Seeing Lin Hanxing's expression light up, Yan beiming could not help but give himself 10086 likes in his heart!

He was extremely good at fanning the flames.

Ah Xiao, I can only help you this much!

Next, he was going to watch a good show!

### **Chapter 132 the combination of two sluts**

In the lounge.

"What did you just say? Did you let Lin xiaojiu bully you last night?"

Luo Ruyin's voice suddenly rose. Looking at her best friend's dejected little face, anger suddenly rushed to the top of her head.

Su Ling 'er's eyes were slightly red. She bit her lip and told him what happened last night.

It was just that the plot twisted the beginning and the end, making him look like an innocent and pitiful person who was being bullied by Lin Hanxing.

"How does this B \* tch have the face?"

Luo Ruyin's hands were tightly clenched. The new hatred and old hatred added together made her expression somewhat distorted.

"Why didn't you tell me earlier?"

She looked at Su Ling 'er with resentment. The latter was on the verge of tears and looked very lovely.

Su Ling 'er didn't speak, but sometimes, the effect of not speaking was much stronger than speaking!

don't worry, as long as I'm alive, Lin xiaojiu will never have a good day!

Jealousy and hatred grew wildly in Luo Ruyin's heart.

Today, her aunt had brought her to Lin xiaojiu's room when no one was around.

.....

Her room seemed to have been redecorated, and there was no trace of her.

Moreover, the designs of those clothes, shoes, and jewelry were so new that even Luo Ruyin herself couldn't order them!

That room was hers!

Then the things in the room should also belong to her!

But those things now belonged to Lin xiaojiu!

This couldn't help but remind Luo Ruyin of the past that had been deeply engraved in her mind.

"Ling 'er, remember, you must firmly hold on to what belongs to you!"

"Unscrupulous, regardless of the consequences!"

Luo Ruyin held Su Ling 'er's hand tightly, the gloominess and jealousy in her eyes growing wildly!

"What a good unscrupulous means without considering the consequences, younger cousin sister has really made me look at her in a new light!"

Suddenly, a gentle female voice accompanied by clapping sounds came from the lounge door.

The familiar tone made Luo Ruyin stand up abruptly!

As for Su Ling 'er, her hands and feet had long turned cold and she was frozen in place.

This voice was terrifyingly familiar to the two of them!

Lin Hanxing's lips curved into a lazy smile. He half-leaned against the door with his arms crossed.

He didn't know how long he had been listening.

The Secretary heard the commotion in the lounge and rushed out, but was chased away by Yan beixiao with a hand gesture.

What a joke!

It was not easy for him to witness the little cold star's full aura, so how could it be destroyed?

They had just stepped out of the elevator when they heard the conversation in the lounge.

Yan beiming was almost amused by the innocence in Su Ling 'er's words.

"Why aren't you talking?"

Her high heels clicked on the marble floor.

Lin Hanxing slowly walked in front of the two of them, his face was pale and his eyes were cold.

Although he was still smiling, the pressure was so strong that it made it hard for people to breathe.

The moment Luo Ruyin saw Lin Hanxing, her scalp was about to explode.

Almost subconsciously, she thought of the snakes dancing in her bed.

"It seems like the lesson last night wasn't deep enough, miss su."

Lin Hanxing's eyes were fixed on Su Ling 'er's face.

He really didn't mind how she described herself as so innocent and pitiful.

When Su Ling 'er heard this, she held the thermos in her arms tightly and shook like a sieve.

A pair of pitiful eyes subconsciously looked at Yan beiming, who was watching the show, as if begging him to help.

After her wish was fruitless, she unwillingly pulled at Luo Ruyin's skirt while crying.

"Forget it, Ruyin, let's just apologize to my cousin."

Seeing Su Ling 'er's tears, the flame in Luo Ruyin's heart suddenly rose as if it had been splashed with gasoline.

apologize my ass. It just so happens that we have to settle our scores with this B \* tch today!

Lin Hanxing suddenly took a step back.

Luo Ruyin thought that Lin Hanxing was afraid of her and snorted coldly, but when she heard Lin Hanxing's next words ...

His expression changed drastically!

### **Chapter 133: A slap in the face**

"Younger cousin sister, your mouth is really smelly!"

Looking at Luo Ruyin's embarrassed face that instantly turned red, Lin Hanxing did not hide the provocation in his eyes.

Luo Ruyin only felt her qi and blood surge, and her line of reasoning snapped.

Especially in front of Yan Beichen.

"Lin xiaojiu!"

With bloodshot eyes, Luo Ruyin raised her hand and was about to slap Lin Hanxing.

Because of the hatred in his heart, his strength was 100% vicious!

Su Ling 'er narrowed her eyes and hid the joy that flashed in her eyes, but her tears still fell.

Yan beixiao subconsciously took a step forward.

If Lei Xiao knew that his woman had suffered a loss in front of him, he would be in deep trouble!

There was a loud bang, and time seemed to have stopped.

Su Ling 'er's eyes widened, and she felt a sharp pain on her cheek. Even her mouth was filled with the taste of blood.

"Younger Biao sister is really impulsive. What if this slap disfigured young lady SU's face?"

.....

Looking at the dumbfounded Luo Ruyin and Su Ling 'er, Lin Hanxing said with a smile.

Yan beiming saw it clearly.

Just as the slap was about to land, Lin Hanxing pulled Su Ling 'er in front of him.

He had to take the hit for her.

"Does it hurt?"

Lin Hanxing reached out and grabbed Su Ling 'er's chin, forcing her to look up at him.

Su Ling 'er nodded blankly.

"It's fine. It'll hurt more in the future anyway."

A muffled laugh could be heard from Yan beiming. Little Hanxing was really interesting.

Lin xiaojiu, I'll teach you a lesson!

Anger burned through Luo Ruyin's rationality, and she reached out to scratch Lin Hanxing's face.

"Ruyin, stop fighting."

Su Ling 'er came back to her senses and suddenly hugged Lin Hanxing.

It looked like he was trying to stop the fight, but in reality, he was restricting Lin Hanxing's movements, making it impossible for her to escape Luo Ruyin's attack range.

Lin Hanxing did not panic at all.

However, she was smiling wantonly and her fingers were clasping the lifeline on Su Ling 'er's wrist.

The latter cried out in pain, and the situation was completely reversed.

Su Ling 'er was like Lin Hanxing's shield. She dodged left and right, and her swollen face was full of scars.

In Yan beiming's memory, a fight between women was not like tearing hair, pulling clothes, or slapping someone. But after seeing Lin Hanxing today, he finally realized how shallow his previous understanding was.

While nimbly avoiding all the attacks, she could also accurately calculate the area of impact.

This su clan's daughter's perfectly fine face had already been beaten to the point that her human appearance was almost unrecognizable.

This fight was too beautiful!

"Secretly instigating and using an idiot as a gun, is this fun?"

Lin Hanxing chuckled and whispered in Su Ling 'er's ear.

"This cousin of mine was born impulsive and not smart. I'm grateful that Miss Su thinks that she's easy to use, but ..."

Without even looking at Luo Ruyin, Lin Hanxing raised his leg and kicked her knee.

Luo Ruyin suddenly fell to the ground, looking miserable.

"Good luck won't always be by your side."

From the beginning to the end, this little white Lotus 'every word had a hidden meaning. A few simple drops of tears were enough to make Luo Ruyin lose her self-control, regardless of the fact that this was the Lei corporation's Lounge where a fight was going on. She had profound skills!

Su Ling 'er looked up and met Lin Hanxing's eyes, her eyes full of panic.

On the other hand, Lin Hanxing's pretty little face had a lazy amorous feeling, and his every frown and every smile was filled with ridicule.

Lin Hanxing really looked down on this little trick.

Suddenly, the door of the lounge was pushed open from the outside.

When Su Ling 'er saw who it was, her big eyes were like a faucet with an open valve, and tears couldn't stop falling.

"Brother Lei, save me!"

#### **Chapter 134: Even if it was on purpose**

Hearing this, Yan Beichen laughed.

How thick-skinned was this girl to ask Lei Xiao to save her?

Thunder valiant beast had just finished his regular meeting with the higher-ups, and his face was as cold and serious as a knife-carved deep line.

Luo Ruyin, who had fallen to the ground, looked at him in a daze.

She often saw the name Thunder owl in the financial section of newspapers and magazines.

Now that she had seen him in person, he was so handsome that she simply couldn't take her eyes off him!

"She's asking you to save her,"

Lin Hanxing's soft voice was the most soul-stirring, and even Yan Beiming felt his heart melt when he heard it.

Lei Xiao did not even look at the others and walked towards Lin Hanxing.

"Didn't I tell you to wait for me in the president's office?"

Lei Xiao's cold eyes swept over Yan Beiming, and the latter immediately felt a chill down his spine.

Su Ling 'er clenched her fingers tightly when she heard this.

They had been 'invited' to the lounge as soon as they arrived, but this B \* tch could wait in the president's office?

.....

"I'm bored, so I'm here to have some fun,"

Lin Hanxing tilted his head, his eyes full of innocence.

Lei Xiao's gaze swept back and forth as if he was inspecting her. After making sure that she was not injured, he hummed in a low voice.

"Mr. Lei, could it be that you didn't see Ling 'er being beaten up by her like this?"

Seeing that Lei Jing had no intention of paying attention to them, Luo Ruyin couldn't help but speak.

They were the ones who were being bullied!

"My dear cousin, I want to correct you. The wound on miss SU's face was caused by you!"

Lin Hanxing said unhurriedly.

"I can testify for little Hanxing!"

Yan beiming interrupted.

After all, from the beginning to the end, the injuries on Su Li's face were all caused by Luo Ruyin!

Little Hanxing clearly didn't use his strength and was just playing with them.

Luo Ruyin reached out and hugged Su Ling 'er, who was crying like a Pear Blossom, and glared at Lin Hanxing with eyes full of anger.

She wanted to retort, but when the words reached her mouth, she realized ...

The injuries on Su Ling 'er's face were indeed all caused by herself!

"That's because of you!"

Luo Ruyin's index finger pointed at Lin Hanxing.

"Brother Lei, don't blame miss Lin. She didn't do it on purpose."

Su Ling 'er sobbed softly.

A scratched face with a handprint was as funny as it could be.

"So what if it's intentional?"

A deep and magnetic voice suddenly sounded.

Lei Xiao's originally cold eyes swept over Luo Ruyin's fingers, and a flash of ruthlessness appeared in his eyes.

Almost reflexively, Luo Ruyin withdrew her hand.

At that moment, she had the illusion that she was going to lose her hand!

Yan beiming could not help but want to cover his mouth and laugh wildly.

As soon as Lei Xiao's words fell, Su Li's face turned green.

"Brother Lei ..."

Lin Hanxing smiled and pulled Lei Xiao's tie to him.

To be honest, she really couldn't stand Lei Xiao's cold face and his frivolous tone.

She really couldn't control herself!

"Miss su, you're wrong. I did it on purpose!"

Lin Hanxing laughed arrogantly, like a dark red poppy, beautiful but dangerous.

"Lin xiaojiu, don't tell me you've been taken by him?"

Luo Ruyin suddenly sneered.

If they still could not tell that there was an affair between Lin xiaojiu and the Lei corporation's CEO ... Love? then she would be a fool!

Thinking about it, those luxury cars, those jewelries, clothes, shoes, bags ...

How could Lin xiaojiu be so rich if she didn't have a big financial backer?

However, the Lei clan ...

Why was it the Lei clan!

Even if the Lin family and the Lei family did not have much interaction, but the Lei group and the four brothers of the Lei family were famous in Jiang city! Why was Lin xiaojiu so lucky ...

Could it be related to the Lei clan?

Yan beixiao's eyebrows twitched. Just as he thought that Lei min would be angry, he saw him ...

### **Chapter 135: What is face?**

His handsome face was as calm as water as his cold eyes swept across Luo Ruyin's face.

With just one look, she felt like she had fallen into an ice cellar.

Even his hands and feet were cold and stiff.

"It's none of your business,"

When these words came out of Lei Xiao's mouth, coupled with the frozen face in front of him, the lethality could be imagined.

Su Ling 'er's eyes were filled with tears and she couldn't believe it.

As for Luo Ruyin, she didn't even have the guts to refute and make a scene.

"We've been watching the show for so long, I'll leave the rest to you,"

Lei Xiao looked at Yan Beichen, who was snickering at the side. He had seen enough of the show, and it was time for him to collect some interest.

Ignoring Yan beixiao's bitter expression, Lei Xiao held Lin Hanxing's hand and left the lounge.

He didn't even spare a glance at Su Ling 'er ...

.....

Lin Hanxing's laughter rang out as soon as the door to the president's office closed.

.....

Her dimples were deep, more beautiful than stars.

Lei Xiao lowered his head and looked at Lin Hanxing, who was holding his arm with both hands and smiling with his eyes sparkling.

There was a helpless and indulgent warmth in his eyes.

"Are you done laughing?"

His voice was deep and magnetic, intoxicating the listener.

Although Lin Hanxing nodded, he still pursed his lips and smiled.

Just now, the faces of su and Luo Ruyin had turned green.

"You brought money with you?"

Seeing that she was in a good mood, Lei Xiao's expression softened.

"Take as many as you want."

Lin Hanxing took out his wallet and threw it to him. He was obviously in a good mood.

Lei Xiao didn't say anything, but took out a note from her wallet.

"This is the living expenses you're paying me,"

Lin Hanxing was originally walking towards the sofa, but when he heard Lei Xiao's sudden words, he turned around to look at him.

"What did you just say?"

His eyes were filled with confusion.

He slowly raised his hand, casually holding the notes.

"In the future, you can tell others that you're the one who's keeping me."

Lin Hanxing did not speak for a long time.

Instead, it was Lei Xiao who walked in front of her and placed the wallet back into her soft palm.

She knew that the reason he did this was because of Luo Ruyin's words.

"If I really say that, do you still want your face, Thunder valiant?"

Lin Hanxing deliberately ignored the throbbing in his deep eyes and reached out to snatch the money back.

The Thunder valiant beast took a step back.

Lin Hanxing did not hesitate and jumped into his arms.

A strong palm pressed down on her waist and stopped her movements.

"What's face? Can it be eaten?"

His voice was transmitted to Lin Hanxing through the vibration in his chest.

He looked down at her, not hiding the smile in his eyes at all.

"Hey, ray ..."

Suddenly, the door to the president's office was pushed open from the outside.

Yan beixiao took two steps forward, but when he saw the situation inside, he suddenly stopped!

Lei Xiao's sharp eyes slowly swept over.

Yan beiming was so frightened that he quickly shrank his neck.

I didn't see anything. You guys can continue kissing and hugging and raising me up high. Just treat it as if I'm dead!

Suddenly, the internal telephone on the table rang.

Lei Xiao silently let go and walked to the table to pick up the phone. His sharp gaze did not leave Yan beiming's face at all.

Lin Hanxing, on the other hand, seemed to have come back to life.

He adjusted his breathing rate.

Just now, she thought that Lei Xiao was going to kiss her again.

While Lei Xiao was on the phone, Yan beiming quickly ran to Lin Hanxing's side.

"Little Hanxing, how's our ah Xiao's kissing skills?"

Nudging her with his elbow, Yan Beichen deliberately lowered his voice, his face full of gossip.

It must be known that from the time they met till now, Yan beiming had rarely seen any expression on Lei Xiao's face other than indifference.

He couldn't help but be curious.

Did Lei Xiao also wear this face when kissing and doing that?

Lin Hanxing raised his eyebrows and looked at Yan beiming.

"You really want to know?"

Lin Hanxing said in a low voice, and Yan beiming nodded his head like a chicken pecking at rice.

He was extremely curious!

"Then try to kiss her!"

### **Chapter 136: gutsy**

Yan Beichen's face looked as if he had just swallowed a piece of sh \* t.

Even if he had the guts, he wouldn't dare to kiss Lei Xiao!

Only God knew the year he first met Thunder valiant beast ...

Seeing that he was cold, quiet and didn't like to talk, she just thought that he was easy to bully and made a few harmless jokes!

In the following three years, with his extraordinary wisdom and perseverance, Lei Xiao taught himself what it meant to seek death!

For three whole years, Yan beiming had been living in deep water and burning fire.

Furthermore, if not for the fact that they had become good friends and Lei Xiao had told him about it, Yan beiming would not have known about it at all ...

The one who made him cry out in pain was Lei Xiao!

That scheming mind! That ability! That method!

"Believe it or not, if I dare to kiss him, he'll make me suffer. Are you pregnant? Yu!"

Yan beixiao whispered in Lin Hanxing's ear.

This time, Lin Hanxing looked at Lei Xiao, who was leaning against the president's desk and answering the phone with one hand, and nodded in agreement, which was a rare sight.

It was more than just No. Are you pregnant? Yu, Lei Xiao would probably turn Yan into Yang Yuan early. Release!

.....

I have some things to deal with. Wait for me here. We'll go and pick up Yuan Bao together later.

Lei Xiao hung up the phone and looked at Lin Hanxing.

When he noticed Lin Hanxing's conflicted expression, he immediately added, "

Yuan Bao was very reluctant to part with you this morning.

With just one sentence, Lin Hanxing's heart softened and he agreed.

Yan beiming, who was standing beside Lin Hanxing, could not help but sneer in his heart.

The longest road I've ever walked is f \* cking ah Xiao's tricks!

It was really like a pit with every step, and the shape was different.

He was the one who had sent Yuan Bao to the extracurricular class with him in the morning. When had that little fatty ever shown any reluctance to part with little Hanxing?

But before he got off the car, he patted Lei Xiao's shoulder like a little adult!

He was cheering for his uncle!

This little sheep ball had become a spirit!

"I want to stay here and accompany little Hanxing!"

Seeing Lei Xiao's gaze sweep over, Yan beiming hurriedly spoke.

Lei Xiao did not say anything, but his eyes needed Yan beiming to understand it.

Very quickly, Lei Xiao left the president's office.

hey, little Hanxing, there's a car race at the black market tonight. Do you want to come and watch? "

Taking advantage of Lei Xiao's absence, Yan beiming quickly incited Lin Hanxing.

"Black market?"

Lin Hanxing raised his eyebrows, obviously interested.

the black market is the most challenging place in Jiang city at night. I'm sure you'll like the reward for tonight's competition!

Yan beiming's face was mysterious as he pulled out a picture from his phone and handed it to Lin Hanxing.

"Veneno from the Lamborghini?"

Only four of this model were produced in the world that year. One was in the Lamborghini museum's collection, two were ordered abroad, and the last one was said to have been bought by a mysterious buyer in China.

"If we win the race tonight, we can drive this car away!"

When he saw the hidden light in Lin Hanxing's eyes, Yan beiming snapped his fingers.

"Little cold star, come and see big brother's elegance tonight!"

“What if I say I want to participate?”

Lin Hanxing fell in love with the car the moment he saw it.

She had always wanted to buy this car, but she had missed it.

“Ah?”

Yan beixiao was shocked. Did little Hanxing just say that she was going to participate?

no, this is an open competition, it's too dangerous. If Lei Xiao knows that I encouraged you to participate, he'll kill me!

And this was under the premise that little Hanxing wasn't injured. If it was injured ...

Yan beixiao shivered.

Oh ... Lin Hanxing deliberately dragged out his words, his eyes filled with deep meaning.

“If Thunder valiant finds out that you're instigating me to participate ...”

Yan beixiao only remembered what he had said after a while and gave himself two tight slaps in his heart!

How could he have forgotten!

This pair of male and female were old foxes who had cultivated for tens of millions of years!

He couldn't win!

### **Chapter 137: Eccentric and eccentric**

Lin family villa.

“No wonder she's so arrogant!”

He zhehan gritted his teeth. The pain in his knee reminded him of the humiliation he had suffered this morning.

After coming out of the 4S store, he zhehan was taken back to the Lin family by Luo Wensu.

He had just called the doctor to treat his wound when the disheveled Luo Ruyin brought a crying Su Ling'er home.

“Good method! You've just returned and you're already with young master Lei!”

His aunt, Luo Mingwei, didn't go out today. She looked at her manicure and said in a sarcastic tone.

Luo Wensu looked at her gloomily, clearly dissatisfied with his aunt's instigation.

“What are you looking at me for? Am I wrong?”

Luo Mingwei's mouth ached at the thought of the room full of precious things that women loved.

“What’s the status of the Lei family? What’s her status?”

She did not hide the sarcasm in her tone.

“I’m just a little lucky!”

.....

“If big brother and sister-in-law had brought Ruyin to the horse track that day, who knows who would have saved the Lei family’s young master!”

Luo Mingwei looked at Luo Ruyin, and the latter’s expression clearly froze.

That day, her parents wanted to go to the horse track to see Lin xiaojiu, but she was the one who didn’t want to go.

However, he had never expected that he would just brush past young master Lei like this.

When she thought of this, Luo Ruyin’s heart was filled with regret.

look at all of your depressed faces. How capable can Lin xiaojiu be? ”

“It’s just that I have young master Lei’s back!”

Luo Mingwei reclined on the sofa, looking seductive. Even her eyes were alluring.

After he finished speaking, he zhehan instantly found his face.

He attributed the embarrassment to Lin Hanxing’s support to the big tree that was young master Lei.

However, they had completely forgotten that they were only facing two people from the beginning.

“Men, when they first get together, they want something new. With the Lei family’s background, do you really think that he can marry her? Moreover, there were too many things that could be fabricated in the past 18 years! It’s so easy to make a person stink.”

“One person can’t do it. You have so many people, can’t you?”

I heard from big brother and sister-in-law that they’re planning to hold a banquet for Lin xiaojiu in a few days ...

Luo Mingwei yawned lazily. That was all she had to say. The rest was up to the younger generation to understand.

As they were talking downstairs, they didn’t notice that there were two people standing in the shadows at the corner of the stairs.

Jiang Xibao clenched his fists tightly. Just as he was about to rush downstairs to protect Lin Hanxing, a pair of strong hands pressed down on his shoulders.

He turned around and met a pair of deep eyes.

The mute uncle shook his head at her expressionlessly ...

.....

When Lei Xiao returned from his work, Yan beiming was slumped on the sofa, looking as if he had nothing left to live for.

Lin Hanxing, on the other hand, was sitting in the black leather Executive seat with an imposing aura.

The chair was facing the semi-circular glass floor-to-ceiling wall that took up almost a third of the room. Lin Hanxing looked out the window. From this angle, he could easily see the whole of Jiang city.

Hearing the voice, she turned around and looked at Thunder valiant.

It was a kind of extreme beauty and indifference, difficult to tame and soul-stirring.

“Let’s go and pick up Yuan Bao.”

Lin Hanxing was shocked.

As for Yan beiming, he stood up abruptly and looked out of the window exaggeratedly.

“The workaholic actually has to get off work early? It’s not raining red outside!”

Thunder valiant shot him a cold glance, and the latter hurriedly put on a fawning smile.

“Isn’t it too early?”

Lin Hanxing thought that he would be busy until late at night.

teacher Yuan Bao called to say that he got into a fight with a kid in the class. He’s in the hospital now.

Lei Xiao’s expression was serious, and Lin Hanxing’s heart skipped a beat.

However, they had just separated not long ago. Why was the little sheep ball in the hospital?

### **Chapter 138: Sheep dumpling**

At the Affiliated Hospital of Jiangcheng Medical University.

When Lei Xiao appeared in the ward, the teacher clearly heaved a sigh of relief.

It had happened so suddenly that no one had noticed Yuan Bao pushing him down the stairs.

Lin Hanxing immediately saw the little sheep dumpling in the crowd.

Yuan Bao’s head was drooped, and there was a look of fear on his face. His chubby hands were still bleeding.

“Yuan Bao,” She called him softly.

Yuan Bao raised his head abruptly, and when he saw that it was Lin Hanxing, tears gushed out of his eyes.

“First aunt!”

Without waiting for Lin Hanxing to walk over, she ran into her arms with her short legs and shivered.

Lin Hanxing's heart ached, and he reached out to carry Yuan Bao.

"Mr. Ley, you have to give us an explanation for today's matter!"

A deep voice resounded through the ward. An elder spoke with a sharp gaze.

Lin Hanxing looked at the person who spoke and was surprised to see a familiar face.

.....

She was Mrs. Qian, the one who had set up a trap for mother Lei to take advantage of!

it's fine if you cut off all the escape routes of the Qian family in the business world. Don't tell me that Mr. Lei is also going to kill all the children now? "

Chairman Qian's voice was high, as if he wanted to shout for everyone to know.

"Hanxing, take Yuan Bao out first."

Lei Xiao finally opened his mouth, but his profound eyes fell on Lin Hanxing's face.

Lin Hanxing could clearly feel the fear of the little sheep in his arms. He nodded and turned to leave.

"You can't leave!"

Mrs. Qian rushed out as if she wanted to grab her.

Lin Hanxing looked at her coldly. His eyes were as cold as a frozen lake without any emotion.

Mrs. Qian shuddered and fear flashed in her eyes.

"With the Thunder valiant beast here, what can't be solved? Do you want to make things difficult for a child?"

Lin Hanxing's voice was cold, and the pressure in his voice was extremely heavy!

After looking around, she walked out of the ward with Yuan Bao in her arms.

This time, no one stopped him ...

.....

The corridor was very quiet.

The sound of Lin Hanxing's high heels against the marble floor was particularly loud.

"I'm not ..."

Yuan Bao was still trembling, and his small hands were tightly holding onto the front of her lapels.

It was as if he was grabbing onto the last life-saving straw.

Lin Hanxing stopped in his tracks.

"I didn't push him ... He ... Fell ... On purpose ... Down!"

Tears rolled down Yuan Bao's face, and he stuttered.

Lin Hanxing's expression froze. Yuan Bao said that the child fell on purpose?

"First aunt ... Xin Yuanbao ..."

As if he was afraid that she would not believe him, Yuan Bao sobbed and did not know what to do.

don't cry, I believe in Yuan Bao.

Lin Hanxing reached out and slowly wiped the tears from his face.

It was gentle yet powerful.

uncle is here, so Yuan Bao doesn't have to be afraid. Let's go wash our hands first and come back later, okay? "

Yuan Bao looked at Lin Hanxing's smile in a daze.

The panic in her eyes gradually receded, and she nodded timidly.

Lin Hanxing walked towards the public restrooms.

Because it was the VIP Ward area, the people who came here were either rich or noble. Each Ward was equipped with an independent washroom, so very few people would use the public washroom.

Before he could get close, Lin Hanxing heard the sound of someone talking on the phone.

My father-in-law is trying to use this incident to negotiate with young master Lei.

Lin Hanxing's eyes turned cold when he heard this and he stopped walking.

At the same time, he shushed Yuan Bao, who was in his arms.

Qianqian, my mother-in-law was bewitched to set up a trap for Madam Lei. I don't know who leaked this information, but the Lei Corporation directly cut off all the channels for the Qian Corporation. It's obvious that they want to force us to our deaths.

Yingluo's nephew is in the same class as my son ...

### **Chapter 139: Her anger**

Lin Hanxing lowered his head and looked at Yuan Bao as he listened.

She couldn't help but think of how he had been so frightened that his face had turned pale when she had first entered the ward.

She sat there timidly, like a timid Cub.

Lin Hanxing's eyes were gradually filled with malice.

She closed her eyes and patted Yuan Bao's back, hoping that this action would make him relax.

The other party hung up the phone and turned to walk towards the ward.

In order to avoid the other party, Lin Hanxing carried Yuan Bao into the fire escape.

Through the narrow glass on the two thick doors, she could vaguely see the other party dripping eye drops into his eyes.

After a long time ...

Lin Hanxing walked out of the fire exit and continued to walk towards the public washroom.

She turned on the tap and gently washed the dried blood off Yuan Bao's hands, even smiling.

However, if the mute uncle Jin was here, he would definitely understand ...

To Lin Hanxing, this could be considered the calm before the storm ...

.....

"Auntie, I want to go pee ..."

After all, Yuan Bao was only a child and had been holding it in for the entire morning.

"Go, I'll wait for you here."

Lin Hanxing watched as Yuan Bao entered the bathroom, the slight smile on his lips only lasting until he disappeared from view.

In an instant, she became expressionless.

He took out his phone and called the mute uncle.

"Mute uncle, help me find some people. Also, help me investigate as fast as possible ..."

.....

15 minutes later.

Lin Hanxing held Yuan Bao's hand and walked back. Suddenly, a group of men in Black suits appeared in the corridor of the ward.

"Guard this place, not even a fly is allowed to fly out!"

Her voice was heavy and cold, but when she gave orders, there was a heavy sense of oppression, making people have no choice but to submit.

Yuan Bao, wipe your tears. We should go in!

Yuan Bao, who was holding Lin Hanxing's hand, nodded heavily, his little face full of determination.

Lin Hanxing did not show the cold indifference he usually showed to others. He smiled faintly, then pushed the door open and entered.

Everyone's eyes fell on Lin Hanxing.

No one knew what Lei Xiao had said, but it was obvious that the Qian family was enraged.

“Yuan Bao, go to your uncle’s!”

Lin Hanxing’s eyes swept over the graceful figure in the corner, and tears kept flowing out of his red eyes.

Yuan Bao was stunned, a little reluctant to let go of the warmth of her palm.

But she still obediently ran towards Thunder valiant beast with her short legs and threw herself into his arms.

Thunder owl’s tall and handsome figure stood out among the crowd.

At this moment, his deep eyes met Lin Hanxing’s in mid-air.

Thunder owl did not say anything.

Although he didn’t know what happened when he went out, it was clear that Hanxing’s condition had become much sharper.

“Mr. Ray, since you’re so insistent, I’ll have to call the police!”

Chairman Qian glared at Lei Xiao with unconcealed anger in his eyes.

He had never expected that things would not develop in the direction he had hoped for.

As soon as he finished speaking, a cold laugh suddenly came from not far away.

Chairman Qian turned and glared at the source of the voice.

“Then please call the police, Chairman Qian.”

Lin Hanxing said slowly. There was no expression on his delicate features, and his eyes were as cold as ice.

She pulled a wooden chair over and sat down.

teacher, did anyone see Yuan Bao push someone down the stairs? ”

Hearing Lin Hanxing’s question, the teacher was stunned. The affirmative answer that he was about to blurt out suddenly became uncertain.

In fact, no one had seen it with their own eyes.

And the place where the child fell happened to be in the blind spot of the surveillance.

Now, they could only say that the public was right and the woman was right.

However, he was only a few years old. There was no need for him to lie, right?

**Chapter 140: Don’t even think about leaving**

“What do you mean by that?”

Chairman Qian was burning with anger. The other members of the Qian family in the ward surrounded Lin Hanxing.

“Whoever dares to touch her will be my enemy!”

Lei Xiao’s entire body emitted a threatening aura, forcing the group of agitated Qian family members to stop in their tracks, not daring to move.

“It’s just the literal meaning. Don’t you understand, Chairman Qian?”

Even though he was surrounded by the Qian family, Lin Hanxing did not show any fear.

The corner of his mouth held a cold smile as he looked at the head of the Qian clan.

“Who Do You Think You Are? Where is your place to interrupt?”

Dong ‘er’s tone was sharp as he glared at Lin Hanxing with bloodshot eyes.

Lin Hanxing could tell from the voice that she was the woman who had made the call outside the public washroom.

Lin Hanxing seemed to have noticed that Lei Xiao’s hostility was getting stronger and stronger, so he used his eyes to comfort him.

Lei Xiao’s deep eyes narrowed slightly, his ice-sculpted features were expressionless, but that supreme authority that belonged only to the higher-ups still made people feel suffocated.

“You, come over.” Lin Hanxing beckoned her over.

.....

Perhaps it was because there were many people, but Chairman Qian’s daughter-in-law walked towards Lin Hanxing without any hesitation.

It was too late for Mrs. Qian, who had suffered a loss at Lin Hanxing’s hands, to stop her daughter-in-law.

There was a loud and clear bang!

A loud slap had landed on the face of Chairman Qian’s daughter-in-law.

No one could react in time to this slap!

Dong ‘er covered her face and stood there in a daze. She finally moved after a while.

“I’m going to kill you!”

Used to a pampered life, director Qian’s daughter-in-law flew into a rage out of humiliation and pounced in Lin Hanxing’s direction without thinking.

Carrying Yuan Bao, Lei Xiao subconsciously took two steps forward.

“You’re not worthy to fight me to the death!”

The disdain in Lin Hanxing's eyes was obvious. No one saw how she moved her hand, but the beautiful hair of Chairman Qian's daughter-in-law, who had been swooping down, was now wrapped around Lin Hanxing's hand expressionlessly.

teacher, I'll ask you again. Did anyone see Yuan Bao push someone down the stairs? "

Qinshui's eyes were frosty. It was just a simple glance, but it made the teacher's hands and feet feel as if they were frozen.

"No... No one ..."

The teacher spoke with a trembling voice, hoping that they could leave this place as soon as possible.

This group of people was too terrifying!

Yuan Bao, tell them loudly what happened!

Lin Hanxing's gaze fell on Yuan Bao's face this time, but compared to when he looked at other people, his eyes were much gentler.

Yuan Bao was in Lei Xiao's arms, the familiar warmth giving him courage and confidence.

"Qian duo Bao rolled down the stairs himself, I didn't push him, he rolled down by himself!"

"Did you hear that? Yuan Bao said that it was young master Qian who rolled down on his own."

Lin Hanxing's hand clenched tightly onto Chairman Qian's daughter-in-law's long, curly hair, and with a little force, it caused her scalp to hurt.

"Children these days can tell any lie to avoid responsibility! Who would believe that?"

When Chairman Qian met Lin Hanxing's bone-chilling eyes, he felt fear for no reason.

"I do!" Thunder Valiant's deep voice rang out.

"We, the Lei family, do not bother to lie."

"Preposterous! This is ridiculous!"

Chairman Qian clutched his chest, his eyes filled with viciousness and anger.

"Today, none of you can leave!"

With a wave of his hand, the Qian family members surrounded Yuan Bao and Lin Hanxing.

don't worry, Chairman Qian. I'll say the same thing to you. Since you have the guts to accuse our Yuan Bao ...

Lin Hanxing's eyes seemed to be burning with fire.

"Then today, no one can leave!"
