

Goodnight 1351

[Chapter 1351](#)

1351 The hot topic, Lin xiaojiu

Night fell.

The annual charity banquet held in snoworchid city was held at Linhai auction house. It was the largest commercial auction house in the entire snoworchid city. Tonight, all the prominent figures in the political and business world were gathered there.

The dreamlike flowing lights and vibrant colors illuminated the entire venue, making it high-profile and luxurious.

Tonight's charity banquet would be held as scheduled, but it was obvious that the atmosphere tonight was different from the past.

The guests who arrived early gathered in their own circles and whispered.

However, the topic of conversation all mentioned one person!

Lin xiaojiu!

The woman who had caused a huge storm as soon as she arrived in country G had been confirmed to attend the charity dinner tonight!

Now, who wouldn't be interested in the person behind this name?

At such a young age, he had turned Jiang city upside down with his own strength and even miraculously won Yuan shaojing's favor, becoming the only heir of the yuan group he had appointed!

After that, she came to country G and continued to write her own raging waves!

In such a short time, she had made a three-day appointment with the royal family, and then she had a grudge with the senanda family behind the second Princess Consort. It was as if she didn't care about anyone, which made people even more curious about her!

However, up until now, no matter which family sent the invitation, it was like a stone sinking into the sea when it was sent to the Li family. There was no news at all, and the sixteen-word rule that the Li family had released back then had become a boundary that no one dared to cross.

"You've seen her before?"

A cry of surprise came from the corner, attracting everyone's attention.

"On the day of hadier's funeral, that Lin xiaojiu went with Crow and slapped him in the face without any hesitation! I'm not talking nonsense, everyone there saw it that day! I'm not the only one!"

The person who spoke saw that he had attracted everyone's attention and became more and more enthusiastic.

is Lin xiaojiu good-looking? "

Someone lowered his voice and asked curiously.

“Do you think the sisters of the third Yuan family are pretty?”

Before answering the other’s question, the man threw out another question.

Everyone who heard this was stunned.

As everyone knew, the yuan family’s third son had a pair of sisters and a beautiful daughter. They were both beautiful and were recognized as good-looking.

“Beautiful!”

Even in the entire gstan’s socialite circle, the pair of sisters could definitely be considered good-looking! that Lin xiaojiu is a hundred times prettier than them!!

As soon as he finished speaking, the crowd exclaimed in surprise, as if they were skeptical of his words.

In the dark corner, someone clenched his glass tightly and gritted his teeth. If someone had not stopped him, he would have rushed out!

“Sister!”

Yuan Hua was so furious that he almost crushed the Goblet in his hand!

“Huaneng, don’t cause trouble for the yuan family.”

Yuan yunrong was obviously much calmer than her sister. She raised the champagne glass to her lips and covered the part that was raised because of her hidden anger!

“Sister!”

Yuan Hua was so angry that his hands were trembling.

“The second Princess Consort will be attending on behalf of the royal family tonight. Do you want to make a fool of yourself?”

Yuan yunrong lowered her voice and warned.

Yuan Huaneng was instantly stunned.

As they were talking, there was a commotion at the door.

Song Zhiyun was walking in with Gong Chen’s arm in his. His figure was graceful and eye-catching, while the handsome Gong Chen attracted the women’s attention even more.

Although everyone knew that Gong Chen’s wife should be song Chenxi, and the person standing next to him should also be song Chenxi, no one had any doubts about this combination.

After all, everyone in Xuelan knew that song Chenxi had used extreme means to snatch her brother-in-law!

[Chapter 1352](#)

1352 Like a stranger

"It's so funny."

Yuan Huaneng's attention was attracted by the man and woman, and he began to ridicule them.

"So what if she forced someone to marry her by all means? You've become the laughingstock of the entire Xuelan Kingdom!"

When he thought of song Chenxi, Yuan Hualong's heart immediately felt much better.

So what if she was the president of Song Empire?

He still couldn't get what he couldn't get!

Gong Chen's eyes silently searched the banquet hall for something. Others couldn't detect it, but song Zhiyun, who was beside him, could clearly sense it!

She subconsciously bit her lower lip!

"Ah 'Chen, it seems that sister is not here yet."

Song Zhiyun spoke in a low voice. She looked very charming and there was a hint of worry in her eyes.

Gong Chen didn't say anything, and his deep eyes narrowed.

It was as if he had not heard anything.

As soon as he finished speaking, there was a clamor at the door again, and this time, the guests who were whispering in the banquet hall suddenly stopped as if their voices had been stolen!

The second Princess Consort and the rest of the senanda family met Lin Hanxing and the others at the entrance.

Everyone who heard the news stretched their necks and looked at the door without caring about their image!

Although she was mentally prepared, the second Princess Consort's hatred for Lin Hanxing burned through her when she saw him again!

Lin Hanxing, on the other hand, was wearing a black suit that accentuated his fair skin, revealing his delicate collarbones. His long hair was let down behind him, and the mole at the corner of his eye matched his cold and aloof eyes.

To everyone's surprise, it was the person standing beside her!

She was also wearing a black women's suit, which wrapped around her thin figure. Her delicate facial features were not affected at all. She swept her gaze over expressionlessly, and there was a kind of power that spread from the bones of a superior.

Wasn't that song Chenxi?

Not far away, song Zhiyun's breathing stopped the moment he saw his sister. His eyes flickered as if he was avoiding something.

If she knew that he was angry, she would ...

Lin xiaojiu ...

Her sister, who was standing beside the second Princess Consort, had become skin and bones in just a few days. She glared at Lin Hanxing with hatred.

“The second Princess Consort doesn’t look too good.”

Lin Hanxing’s eyes swept across the second Princess Consort’s face, and the corners of his lips slowly curled up into a cold smile.

Could she get better?

The second Princess Consort’s suppressed anger began to burn!

However, his eyes were wandering back and forth between song Chenxi and Lin Hanxing!

Song group, which was controlled by song Chenxi, was the only group that could compete with Yuan group. They had been minding their own business, but now ...

Since when did song Chenxi and Lin xiaojiu have such a good relationship?

“Second wangfei, you must take good care of your health. After all ...”

Lin Hanxing took two steps forward and a cold fragrance spread in the air. However, the senanda family members were inexplicably afraid.

“There’s still a long way to go!”

After saying this, Lin Hanxing and the people behind him walked past him.

Ever since song Chenxi appeared, Gong Chen’s gaze had never left her face.

Xuanji and Gong Chen.

Actually, Yingluo, my first child doesn’t have to be yours!

Song Chenxi’s words from that day seemed to still echo in his ears. His heart felt as if it was being squeezed tightly by an invisible hand.

The pain was unbearable.

Song Chenxi ...

Song Zhiyun held Gong Chen’s arm and looked in his sister’s direction with a guarded look.

They were walking over.

He was close.

It was closer.

The moment song Chenxi passed by them, Gong Chen subconsciously raised his arm to grab her wrist.

But in the next second, song Chenxi left without even looking.

They were like strangers!

[Chapter 1353](#)

1353 You are Lin xiaojiu

This scene was beyond everyone's expectations.

This also caused the others who had originally wanted to watch a good show to be greatly disappointed!

Even song Zhiyun didn't expect his sister to react like this.

He subconsciously looked at Gong Chen ...

Gong Chen's gaze never left song Chenxi's back.

She had never been like this before!

In the past, no matter what outrageous things he had done, song Chenxi would never treat him with such complete disregard!

"Chen ..."

Song Zhiyun bit his lips so hard that they turned white. He carefully pulled on Gong Chen's sleeve.

"Go over and sit."

The moment he opened his mouth, Gong Chen almost didn't recognize his own voice. It was tense and distorted.

Song Zhiyun nodded obediently, but his heart was in a mess.

She had a feeling that Gong Chen seemed to be different from before!

At that time, in order to avoid future trouble, she had asked that person to implant the word "hate and hurt my sister" in that person's mind when he sealed Gong Chen's memory. In fact, Gong Chen and my sister had been getting along like this over the years.

The person that Gong Yun had found had promised her that under normal circumstances, sealed memories and subtext wouldn't be unlocked, but she couldn't rule out the possibility of accidentally stimulating her.

If ...

Song Zhiyun thought to himself and unconsciously tightened his grip on Gong Chen's arm.

"He's been looking at you."

Lin Hanxing turned a blind eye to the probing gazes from all directions and spoke to song Chenxi calmly.

She seemed to be different.

Lin Hanxing could feel it.

Song Chenxi had always been a strong and calm woman. In some ways, their personalities were very similar. However, song Chenxi was deeply involved in the whirlpool of her relationship with Gong Chen and was inevitably restrained.

But today, song Chenxi was overly calm.

It was as if he had already pulled himself out of this messy relationship, leaving no room for negotiation!

“He just thinks that I’m disgracing Zhiyun.”

Song Chenxi said in a deep voice, her voice cold and sarcastic.

Lin Hanxing glanced at song Chenxi and did not continue the topic.

“Are you nervous?”

Lin Hanxing turned to look at li Yuanjun, who was attending this kind of event for the first time. The young man’s body was tense, which was a sharp contrast to the leisurely crowd around him.

Li Yuanjun shook his head subconsciously, but when his eyes met Lin Hanxing’s, he hesitated for a moment before nodding.

“You’ll get used to it after a few more times.”

Lin Hanxing said indifferently.

The Li family’s return to the mainstream society of snow orchid was a foregone conclusion. What the Li family needed to do now was to follow her footsteps and grow quickly. Otherwise, it would only get harder and harder in the future.

Suddenly, Lin Hanxing’s expression froze.

She turned her head and looked at a certain spot in the banquet hall.

It was empty ...

“What’s wrong?”

Lei Jing’s sharp eyes followed Lin Hanxing’s line of sight, but he did not find anything.

“There’s someone ...”

Lin Hanxing stopped mid-sentence.

This was the first time she had made an official public appearance. It was normal for someone to observe her in the dark, but the feeling that she got from her gaze just now was very different.

The target shouldn’t be him.

Lin Hanxing was even more alert because he had learned from ah Xiao’s earlier gunshot.

“I’m fine.”

Lin Hanxing raised her head and smiled at Lei Xiao. Before she was sure, she did not want to cause an overreaction.

"You're Lin little nine?"

Suddenly, someone walked to the table in front of her and stood still. There was a deliberate provocation in her gentle voice.

Almost instantly, everyone's eyes were focused on this side.

Lin Hanxing raised his head lazily and looked at the man.

[Chapter 1354](#)

1354 The people who have caused me trouble ...

The other party's eyes sized him up, almost rude and contemptuous.

The Thunder valiant beast's soul-stirring eyes squinted dangerously, like a sudden clap of thunder rolling up from the ground, making people feel as if they were frozen in fear.

On the other hand, Lin Hanxing smirked and pressed the back of her husband's hand.

What's the point of playing if you scare them away?

"Xi Bao."

Lin Hanxing's long eyelashes fluttered as he spoke softly.

Almost as soon as she finished speaking, Jiang Xibao had already reached out and crushed the empty cup in front of everyone with a cute expression on his face. It was as simple as crushing a piece of cake.

"....."

The originally lively venue suddenly became silent.

"What did you just say?"

Lin Hanxing shifted his gaze back to the man's face and spoke slowly.

Song Chenxi pursed her lips to hide her smile.

He pretended not to see the other party's ashen face.

"You ..."

The woman's slender brows rose, and she was just about to get angry, but when she met Lei Xiao's eyes, she suddenly shuddered. She subconsciously wanted to retreat, but someone was one step ahead and glared at her fiercely.

Bracing himself, the man had no choice but to blurt out the lines he had prepared!

"I heard that you came from Jiang city, and before you came, you turned the city upside down, and everyone is afraid of you! Now that you've come to our Xue LAN, what do you want to do?"

The voice seemed to be trying to attract everyone's attention as it looked down at Lin Hanxing.

Song Chenxi frowned.

She recognized her.

She was a distant relative of the senanda family who had a close relationship with the second Princess Consort.

“You understand me?”

Lin Hanxing casually waved his hand and the waiter brought the red wine over.

The rich aroma of wine spread out along with her gentle swaying movements. It was rich and fragrant. The beauty of her movements was soul-stirring, making people reluctant to look away.

Lin Hanxing’s question was cold and distant.

It was suffocating.

The corners of her mouth curled up in front of everyone, like a mandala blooming in the dark.

“Who Do You Think You Are? why should I know you?”

In fact, after the woman got the first-hand inside information, she had a deep fear of Lin Hanxing, who was so young but had so many human pulse lines.

At the same age, when they only knew how to buy clothes and go shopping, such a woman was able to achieve such status and results. She was even so devoted to the man she found.

This made everyone jealous!

“Since you don’t understand me, I’m sure there’s something you don’t know ...”

Lin Hanxing said softly and placed the crystal glass in his hand on the table.

“What ... What?”

The other party forcefully held up her momentum, only hoping that the matter would blow up as much as possible so that she could explain herself!

“Those who have caused me trouble are all dead.”

Lin Hanxing said this in the calmest tone possible. In an instant, the air in the already silent venue was sucked away, making everyone feel suffocated.

Fear silently spread in everyone’s heart ...

Even the woman who was standing in front of him with her head held high a moment ago started to feel thirsty.

“Hehe.”

Suddenly, Lin Hanxing’s eyes curved into crescents as she smiled, making people feel like they were bathing in the spring breeze.

“I was just lying to you!”

Lin Hanxing's reaction was as if she had just made a harmless joke to everyone. Everyone subconsciously heaved a sigh of relief, as if they understood her humor.

Only the one standing in front of her was frozen in place, unable to move!

Lin xiaojiu's eyes ...

It was so scary!

[Chapter 1355](#)

1355 Lin xiaojiu again

She knew that she was telling the truth!

This was not a joke!

In the short period of time since Lin xiaojiu returned to Jiang city, those who had mocked her, schemed against her, and tried to use her ... Had all disappeared without a trace. It could be said that their families had been destroyed!

"What's the matter? let me hear it too!"

A deep and melodious male voice suddenly sounded, breaking the deadlock. However, the moment people saw who it was, it set off a storm again!

Childe yunbai!

The mysterious person in charge of the Yun Ding casino!

Everyone cried out in alarm.

After all, young master yunbai had rarely participated in any public activities for so many years. Even if he did, he would not get close to anyone. Who would have thought that not only did he participate today, he even went straight to Lin xiaojiu's table?

Yun baijin's slim figure was wrapped in a gray suit, and his sinisterly charming face had a rare smile.

"Miss Lin, we meet again."

Yun Bai had to admit that the memory of this woman who had come to the cloud cauldron to bargain was still fresh in her mind.

Lin Hanxing raised his glass with a faint smile.

"Do you mind if I sit here?"

Yun Bai turned a blind eye to the gazes that fell on her and glanced at the three remaining empty seats at the table.

Although he asked this, he had already sat down.

"If I were you, I wouldn't have come to find trouble with her."

Yun Bai raised his head to look at the woman who was still standing stiffly in front of him and 'kindly' reminded her.

"This is a person who doesn't even put me in his eyes."

This half-jesting sentence somehow sounded like a warning to the others, especially the woman. The moment young master yunbai's gaze swept over her, cold sweat instantly broke out on her back.

He quickly returned to his seat.

He fled in panic.

Yuan Kang's eyes flickered between Yun Bai and the Thunder valiant beast from time to time.

He didn't know if he had an illusion from time to time, but he felt that the two of them were old acquaintances, and Yun Bai's attitude towards Lei Xiao ...

Although Yun Bai hadn't looked at Lei Xiao since they sat down, Yuan Kang still felt that something was wrong.

young master yunbai, you're exaggerating. When have I ever looked down on you? "

Lin Hanxing raised his eyebrows and looked at the other party, a faint smile on his lips.

Yun Bai smiled but said nothing.

As they were talking, Zhan Nanheng had already arrived at the venue under the escort of his bodyguards.

It immediately attracted the attention of many socialites!

After all, he was once the idol of country G's national treasure, but he had become a member of the royal family overnight. This legendary experience had also added a layer of mystery to this man who was popular all over country G!

Without any extra small talk, Zhan Nanheng walked towards Lin Hanxing's table.

He did not look well.

It was as if he had not slept for several days and nights. His brows were filled with fatigue.

"My childhood friend ..."

Lin Hanxing glanced at Zhan Nanheng.

It was faint.

A single glance was enough to calm Zhan Nanheng down.

The walls had ears.

This was not a good place to talk.

He raised his hand, wanting to finish the red wine in front of him, but before he could touch it, the mouth of the glass was sealed by Lei Xiao's big palm.

“Bring me a cup of warm water.”

Lin Hanxing asked the waiter to replace it.

And all of this was seen by everyone in the venue!

Before Lin Hanxing could react, the head of Hua Ji, elder mu, who had never been there since the charity banquet, unexpectedly appeared in person. After a simple greeting, he walked towards Lin Hanxing just like Eric and Zhan Nanheng did.

The moment he took his seat, the venue immediately burst into exclamations!

Lin xiaojiu again?

[Chapter 1356](#)

1356 Reading your face

With Yun Bai as the representative of Yun Ding casino, Zhan Nanheng as the representative of first wangfei's faction, and now elder MU's Hua Ji, how did Lin xiaojiu from Jiang city manage to unite so many forces in such a short time?

Is this a new alliance?

To fight against the senanda family led by the second Princess Consort?

Everyone had a different understanding of the situation, but they all remained silent.

“No wonder she's so arrogant!”

Yuan Hua mumbled to himself, his voice was filled with sarcasm and bitterness.

“Isn't the second Princess Consort usually very powerful? why are you not saying anything now?”

As soon as Yuan Huaneng finished speaking, he heard the sound of movement from the second Princess Consort's table.

The second Princess Consort's sister, nalita, stood up abruptly and walked quickly towards Lin Hanxing. She was so fast that the second Princess Consort could not even stop her. She still had to maintain an appropriate smile on her face.

Yuan yunrong was stunned, her fingers subconsciously gripping the wine glass in her hand.

She had suffered too much at Lin xiaojiu's hands, so she was looking forward to it.

“Lin xiaojiu!”

Ever since they parted ways at the herbal tea shop, nalita had been having nightmares for a few days. Even the redness on her face had disappeared for a few days.

Lin Hanxing was talking to elder mu with a glass of wine in his hand. When he heard her, he looked up lazily and stared at her emotionlessly, as if waiting for her next performance.

“I heard that you can read fortunes?”

Narita raised her brows and chuckled. Her tone was filled with contempt.

The men and women around them remained silent, but their ears perked up in curiosity.

“Miss Lin, why don’t you help me calculate?”

Nalita opened her palm in Lin Hanxing’s direction and looked at him with a mocking gaze.

“I can give you money.”

Oh, there were still people who were so blind.

Young master yunbai thought to himself as he looked around. The people sitting around Lin Hanxing seemed to have become accustomed to looking for trouble.

“What do you want to know?”

Just when the others thought that Lin Hanxing would ignore her, she suddenly spoke.

Narita was stunned.

Fortune-telling wasn’t something that could be brought to the table. She originally thought that she would deny it so that it would be easier for her to find trouble with her!

“As you wish.”

After a short moment of shock, nalita quickly regained her senses.

He was invigorated.

She had already thought of thousands of ways to make trouble for Lin xiaojiu, and she was just waiting for Lin xiaojiu to continue.

“Alright,” he said.

Lin Hanxing took a sip of red wine, a meaningful look in her eyes.

Narita was overjoyed. Just as she was about to take a step forward, Lin Hanxing had already spoken.

looking at your face, you will have no children, lost your parents, lost your loved ones, and will end your family!

Lin Hanxing tilted her head, the diamond earrings on her white earlobes making a soft sound.

His voice was bone-chilling.

Lin Hanxing did not hide his cold side at all. His delicate little face was covered in a thin layer of frost. If the mockery in nalita’s eyes earlier was only at the beginner level, then the current Lin Hanxing had already demonstrated what it meant to look down on the world with his own strength.

“Are you satisfied now?”

Lin Hanxing asked with a smile.

There was complete silence.

Even though everyone present knew that Lin xiaojiu and the senanda family were not on good terms, they were still dumbfounded by how straightforward he was!

A strange sound suddenly rang in Yuan huannong's ears.

She subconsciously turned her head and saw that it was her sister's wine glass, which was making a creaking sound from her grip ...

"You ..."

Narita glared at Lin Hanxing in anger and was so angry that she could not say a word.

song Chenxi, as the president of the song group, are you really going to join them in their evil ways? "

[Chapter 1357](#)

1357 You have no right to lecture my friend

"Collude?"

Song Chenxi casually placed one hand on the table and looked at nalita with a cold gaze.

His thin cheekbone gave off a sharp feeling.

"You don't have the right to lecture my friend!"

"Sister!"

As soon as song Chenxi finished speaking, song Zhiyun suddenly cried out in surprise. It wasn't just her, but everyone else who heard her was a little stunned. They looked at her in shock.

The song group that song Chenxi represented was the only group in the entire country G that was qualified to compete with Yuan shaojing's yuan group.

All these years, especially after the marriage between the song and Gong families, it was obvious that the song and Gong families were biased toward the second Princess Consort's faction!

But now, song Chenxi had actually embarrassed the second Princess Consort's sister in public just for Lin xiaojiu ...

Was she crazy?

Lin Hanxing chuckled when he heard this.

He held the wine glass and gestured in song Chenxi's direction. The wine-red liquid shook.

"I'm extremely honored."

Gong Chen obviously did not expect song Chenxi to speak up for Lin xiaojiu so directly.

"Sister ..."

Song Zhiyun was anxious. She was afraid that her sister would offend the second Princess Consort's family. Just as she was about to get up, song Chenxi seemed to have already seen through her actions. Her cold eyes immediately swept over her.

“Zhiyun, I’m the president of the song Corporation.”

Her red lips parted slightly, and her voice was without ripples.

Song Zhiyun’s words were suddenly blocked and she looked at song Chenxi in a daze.

“Good! Good job, you guys!”

Narita was so angry that she laughed, and her entire body tensed up. Acting like a sister in front of her?

They were not worthy!

Song Chenxi and Lin Hanxing turned a deaf ear. The two of them drank the wine in their glasses at the same time and smiled at each other.

When did their relationship become so good?

Song Zhiyun couldn’t help but slowly clench his hands under the table.

At this moment, Gong Ming, who was in the VIP room upstairs, looked greedily at song Chenxi.

This was the angle that Gong Ming had carefully chosen. He could see song Chenxi’s every move very clearly.

“You’re still the same.”

He had a charming smile on his face, one hand supporting his cheek, and his eyes were full of light.

Inexplicably, song Chenxi’s movements downstairs paused.

He seemed to have sensed that someone was peeking at him, and he subconsciously looked upstairs.

Almost at the same time, Gong Yun dodged reflexively. It was only later that he realized that she couldn’t see him at all, and the trembling in his blood made his entire body boil.

The corners of his mouth couldn’t help but curve up.

It was only when the organizer walked over and gave Narita a way out that the situation was not as ugly as it had been before!

“Then is song Chenxi blind? Of all people, why did you choose Lin xiaojiu as your friend?”

Yuan Huaneng was greatly disappointed by this show. He could not understand how Lin xiaojiu could be so lucky to escape another calamity.

Yuan yunrong didn’t say anything and drank the wine in the cup in one gulp!

“That’s because miss Lin is capable.”

He spoke coldly.

He was indeed a capable one!

Who else in country G had the means and ability to gather all the forces and form a new alliance in such a short time?

If the second Princess Consort still wanted to cover the sky with one hand, I'm afraid it won't be so easy!

Just as the atmosphere was getting awkward, someone else walked in with the bodyguards.

Lin Hanxing raised his eyebrows.

It was an acquaintance he had met before.

Shangguan Qinghe!

With a smile on his face, he sat down at the second Princess Consort's table!

[Chapter 1358](#)

1358 Don't touch me

However, his line of sight never left Lin Hanxing's direction!

He didn't have the slightest intention of hiding his ambitions!

After Shangguan shixiu's 'disappearance', Shangguan Qinghe had temporarily taken over all the affairs of the Shangguan family in country G.

For a time, he was in the limelight.

Even so, Shangguan Qinghe could not help but recall a cold female voice when he dreamed about it at night ...

If a mayfly wanted to wear a crown, it had to at least learn to hide its ambition. Otherwise, it would just be a Mantis that was torn apart and eaten by an Oriole, and in the end, it would all be in vain!

Hehe, he wanted to see who would be the one to end up with nothing!

Thinking of this, Shangguan Qinghe sneered.

"Preposterous!"

The second wangfei's blood rushed up, and her fingers clenched the wine glass tightly, making a creaking sound.

The face of the senanda family was about to be crushed into the mud by her, Lin xiaojiu!

Lin xiaojiu!

"Why should the second Princess Consort be angry with such a small character?"

Shangguan Qinghe's elegant smile dazzled the eyes of all the socialites present. Even the second Princess Consort was stunned at first, but then her tense back relaxed.

she, Lin xiaojiu, is no small fry ...

The second Princess Consort responded in an unpleasant tone.

"Can she be more powerful than you, second Princess Consort?"

Shangguan Qinghe's leisurely words immediately extinguished the last bit of anger in the second wangfei's heart.

Her expression also turned from gloomy to sunny.

"I'm going to the washroom."

Song Chenxi whispered something to Lin Hanxing before she got up and walked towards the washroom.

Gong Chen, who was not far away, took in this scene without leaving a trace ...

.....

Five minutes later.

Song Chenxi walked out of the bathroom with a pale face.

For tonight's banquet, she had taken a few painkillers just now to make her condition look better.

As soon as she walked out, a strong force had already grabbed song Chenxi's entire body.

His back hit the wall, making a muffled sound!

It was already too late when Gong Chen realized that he had used too much force. With a flustered expression, he tried to pull song Chenxi back, but she slapped his hand away!

Song Chenxi gasped in pain.

His eyes and brows were covered by shadows.

The cold sweat on his forehead was also covered up.

"Don't touch me!"

Song Chenxi said coldly.

Gong Chen, who had never been spoken to in such a tone, was stunned.

"I ..."

Before he could finish his sentence, he stopped abruptly when he met song Chenxi's eyes!

His eyes were filled with obvious resistance.

"Gong Chen, you and I both know what kind of occasion this is!"

Song Chenxi tried her best to control the trembling of her weak body. Her voice was calm and composed.

"If you want to bet on the reputation of the song and Gong family just to seek justice, then there's no need for that!"

She sneered, her attitude was cold and sarcastic.

Gong Chen had never been so flustered before. His instincts warned him that he was losing something, bit by bit!

"I didn't!"

He subconsciously denied it and reached out to hold Song Chenxi's wrist.

His temple was in severe pain, but Gong Chen was unwilling to let go this time.

Song Chenxi looked at him expressionlessly.

The only thing that appeared in her mind was the scars near Song Zhiyun's collarbone.

"Other than seeking an explanation from this evil sister of yours for Zhiyun, what else can you come to me for?"

Song Chenxi said calmly and reached out to push Gong Chen's big hand away from her wrist.

"It can't be just to talk about love with me, right?"

She mocked in a low voice.

Gong Chen lowered his head and looked at his empty palm. A hollow voice echoed in his heart.

"Coffee ..."

Suddenly, he opened his mouth!

[Chapter 1359](#)

1359 I am sorry

Song Chenxi was stunned when she heard that.

"Coffee beans, no more."

Gong Chen didn't know how he managed to say this. The excuse that he used to think couldn't be any worse in the past was like a life-saving talisman at this moment, being used by him!

Song Chenxi's eyes were dazed.

She didn't expect that he would know!

"I'm not used to it."

Gong Chen looked at Song Chenxi, his cold eyes filled with deep emotions.

"There's nothing else,"

When Song Chenxi's voice rang out, Gong Chen subconsciously pursed his thin lips.

The place of origin was hit by an earthquake, and even the last two trees were destroyed.

Originally, she had wanted to find a substitute before Gong Chen finished drinking it ...

But later, song Chenxi realized that it was gone. It was gone. No matter how hard she searched, it was useless!

Just like she and Gong Chen.

“Gong Chen, you’ll get used to the different types of drinks eventually.”

After saying this, song Chenxi wanted to turn around and leave. But just as she took a step, a solid chest leaned against her from behind!

He wrapped his arms around himself.

Song Chenxi’s eyes widened slightly and she subconsciously wanted to resist.

However, Gong Chen hugged her even tighter.

“I’m sorry,” she said.

Even Gong Chen didn’t know why he had said these words.

However, now that he was close to song Chenxi again, he no longer felt an inexplicable rejection like in the past. It was as if something was gradually melting under the repeated contact and friction.

Song Chenxi had never thought that she would hear this from him.

He laughed sarcastically.

She slowly pushed Gong Chen’s hand away from her body and walked in the direction of the venue.

In the dark.

Song Zhiyun stared at this scene and subconsciously bit his fingernails. He didn’t even react when he bled.

Gong Chen had actually taken the initiative to hug his sister!

What to do ...

.....

The charity banquet officially began in this strange atmosphere.

After the organizer gave a simple speech of thanks, it was time for the highlight of the charity banquet ...

The auction!

Each item would be arranged into a book in advance and distributed to the front of each seat before the auction began for reference. All the proceeds from the auction would be used for the operation of charity in Malaysia.

Naturally, there would be some surprises.

To put it bluntly, there would be other treasures that would not be auctioned in the order of the auction book. It was an unexpected interactive session.

“Not long after you and Gong Chen left, your sister followed them.”

Lin Hanxing said lazily as he flipped through the album in his hand.

Song Chenxi’s movements paused for a moment before returning to normal.

“I’ve guessed it,”

Zhi Yun was too possessive of Gong Chen, but he had no choice but to disguise himself in a weak way. Even if he was about to go crazy from anger, he had to endure it.

Weakness was Zhiyun’s advantage.

Unknowingly, it had become her weakness.

Lin Hanxing smiled faintly.

The character that song Zhiyun had set up back then was now crying and kneeling to the end.

The auction was proceeding in an orderly manner.

There was nothing particularly eye-catching.

Lin Hanxing’s hand under the table fiddled with Lei Xiao’s slender fingers as if he was playing with his favorite toy.

It was too boring.

Thunder owl held her small hand in his palm, without a sound.

next, we will enter the first round of the surprise auction!

The emcee on the stage suddenly spoke.

The audience became interested and raised their heads, waiting for the ‘surprise’ to come.

“I believe that this item will definitely drive the female guests crazy! That is ...”

When the emcee gestured for the assistant to bring the item up on stage, Lin Hanxing and song Chenxi’s faces turned cold amidst the exclamations!

[Chapter 1360](#)

1360 This is interesting

“The Queen’s tear!”

The crown, which was made of 675 diamonds, reflected a dazzling light under the crystal Light. There were only two such crowns in the world!

In the last auction, it was sold at a high price of 135 million!

He had originally thought that he would never have the chance to see this item appear in the world again in his life, but who would have thought that the last buyer would be willing to take it out on such an occasion in such a short time!

The guests, especially the women, exclaimed one after another. Many people who knew the inside story turned their strange gazes to song Chenxi.

Didn't Lin xiaojiu give the Queen's tear to song Chenxi during the cabinet meeting?

However, looking at her expression ...

Obviously, he didn't know about this in advance!

This was interesting!

Seeing this, the second Princess Consort could not help but sneer.

Didn't they have an old saying in China?

The wicked will be tortured by the wicked!

She really wanted to see how Lin xiaojiu would end this scene!

Yingluo, I'm sorry.

At this moment, song Chenxi's delicate little face was covered in frost. She turned her head and looked in Gong Chen's direction expressionlessly.

So, this was the real reason why he had inexplicably apologized to her just now?

Hehe.

Lin Hanxing leaned back lazily, his fair fingers tapping on the table in a very regular pattern.

&Nbsp; interesting.

Yuan Kang glanced at her expression and movements, then subconsciously shrunk his neck, feeling a chill down his spine.

One had to know that the more Lin xiaojiu looked calm on the surface, the more turbulent his emotions were!

"I'm sorry, Hanxing!"

Song Chenxi suppressed the anger in her heart and took the lead to apologize to Lin Hanxing. She did not expect Zhiyun to be so bold!

Just as she finished speaking, Lin Hanxing raised his hand to signal for her to stop.

He slowly looked in song Zhiyun's direction, one hand supporting his cheek, his eyes meaningful ...

As if sensing danger, song Zhiyun didn't even dare to raise his head. He tried his best to maintain a calm expression, his hands clenched tightly under the table.

"Chen ..."

Her lips trembled as she spoke timidly, as if she wanted to find someone to rely on!

"Why did you do that?"

Gong Chen's expression changed the moment he saw the 'Queen's tear'.

When Song Chenxi's cold and sarcastic gaze swept over him, Gong Chen immediately knew that she had misunderstood his meaning!

"I ..."

Song Zhiyun's mind went blank.

When she took the thing away, her thoughts were simple. She didn't want her sister to have what she couldn't have!

Besides, if it wasn't for Lin Xiaojie's sudden appearance, Chen would have bought it for him long ago!

The emcee on the stage was following the script and introducing the show in full swing.

The 'Queen's tear' was placed on a special display shelf, and the 675 diamonds were displayed in a different color under the light as the host explained.

It was beautiful.

Those who didn't know the inside story were already eager to try, while those who knew the inside story were smart enough to keep silent and watch the situation develop.

The more she listened, the more Song Chenxi's fingertips dug into her palm.

She had really indulged Zhiyun too much all these years!

now, we'll officially start the auction. The base price is 150 million, and each bid is five million ...

"Wait!"

Before the emcee could finish his words, a cold voice interrupted him!

Everyone's eyes focused on the source of the voice.

Lin Hanxing's lips curved into a faint smile as he stood up and walked towards the stage!

This was obviously the first time the charity banquet had encountered such a situation since its establishment. The host was stunned as he watched Lin Hanxing walk up the stage and stand in front of the microphone!
