

Goodnight 1361

[Chapter 1361](#)

1361 If I remember correctly

Lin Hanxing did not speak immediately.

The black gown set off her fair skin, and under the crystal Light, it looked even more dazzling.

Her waist-length hair was slightly permed into curls and spread out on both sides of her body.

The pride and indifference in his bones were natural!

“Before we begin the auction, I have some personal matters that I need to discuss with Mr. Gong.”

Lin Hanxing’s hands moved casually, and the ‘Queen’s tear’ crown was next to it!

The beauty of the two seemed to merge into one, making people hold their breath and concentrate!

Upon hearing this, the others came back to their senses and their gazes shifted back and forth between Lin Hanxing and Gong Chen.

Those who were able to attend tonight’s banquet were all top figures in the Xuelan region. By now, many people had already noticed that something was wrong, and their initial fanaticism for the crown had gradually subsided.

He changed to a wait-and-see attitude.

Gong Chen pursed his thin lips tightly and looked at Lin Hanxing, who was standing on the stage.

Mr. Gong, if I remember correctly, I once told you ...

Lin Hanxing said lazily. When he raised his hand and placed it on the microphone, the broken diamond bracelet on his wrist shook slightly.

“Don’t covet things that belong to me without my permission, otherwise ...” He said.

Lin Hanxing paused on purpose.

He smiled.

“Bear the consequences!”

Lin Hanxing’s smile disappeared as he heard this. He let go of the microphone and walked towards Song Zhiyun.

The speed was so fast that no one could react in time!

Song Zhiyun’s body trembled reflexively. He dodged in Gong Chen’s direction with all his might, as if he had already foreseen the danger of his death!

“Don’t ...”

The closer Lin Hanxing got, the more tears of fear gathered in Song Zhiyun’s eyes!

She was already starting to regret provoking this terrifying woman!

Yuan Kang and the others stood up leisurely.

He blocked song Zhiyun's escape route without a trace.

Very quickly, Lin Hanxing was already in front of song Zhiyun!

Her expressionless and delicate face contained a terrifying and deep-rooted oppression.

miss Lin, I will give you a satisfactory answer regarding the 'Queen's tear' later!

Gong Chen's eyes were deep and profound. He gestured to his subordinates standing in the dark not to act rashly.

However, as soon as these words came out, the banquet hall suddenly became silent, and everyone's eyes converged on this side!

"Hehe."

Lin Hanxing sneered, his face full of undisguised mockery.

"For me?"

She spoke very slowly, as if she wanted everyone present to hear her clearly!

alright, I'd like to hear why the 'Queen's tear' I personally gave to your wife, miss song Chenxi, at the cabinet meeting would appear at tonight's charity banquet!

Everyone was in an uproar.

Some people were surprised that the crown was given to song Chenxi by Lin Hanxing!

Some people were even more surprised by the words 'at the cabinet meeting'!

It must be known that everyone knew that the second Prince would replace the deceased first Prince as the Crown Prince. In fact, he was only one step away from becoming the Crown Prince.

However, a cabinet meeting changed everything!

The people who had attended the meeting that day had kept their mouths shut, but Lin xiaojiu was actually there!

Could it be ...

The eyes of the observant people kept darting back and forth between Lin Hanxing and Zhan Nanheng, each of them looking thoughtful!

"If Mr. Gong's answer does not satisfy me ..."

Lin Hanxing narrowed his eyes and looked in song Zhiyun's direction.

Profound and dangerous!

"Miss Lin, enough is enough!"

The veins on Gong Chen's forehead were throbbing. Because he knew Lin Hanxing's style of doing things, he would never let her make a big deal out of it in public!

[Chapter 1362](#)

1362 The word "my woman" doesn't exist in my dictionary

As soon as Gong Chen's voice fell, he sensed a strong and dangerous aura surging behind him like a whirlwind!

"Gong Chen,"

The Thunder valiant beast half-squinted its eyes, which were as cold as an Eagle's, and its five features contained endless cruelty!

"The word" my woman "doesn't exist in my dictionary!"

It was just a simple sentence, but it revealed the long-hidden wildness in Lei Xiao's bones!

He was dressed in a black suit, and his expression was extremely cold!

It made the hearts of everyone who heard those words jump around like a rabbit.

Even in Xuelan, the ability and means of the Lei corporation's CEO, Lei Xiao, were deeply feared!

Lin Hanxing's lips curved into a smile.

He slowly reached out his fingers and pinched Song Zhiyun's chin in front of everyone, forcing her to look up at him!

Lin xiaojiu, how dare you mess around in this kind of situation? "

The second Princess Consort, who did not mind watching a good show, spoke in a strange tone. After all, the Senanda family and the Gong family were closely related.

"Do I need to choose the occasion to do what I want to do?"

Lin Hanxing turned around lazily.

The moment their eyes met, the second consort dodged out of reflex.

"I don't ... I don't know ..."

Song Zhiyun was like a small white flower, trembling and falling from the wind and rain.

"Maybe sister didn't like your gift and sent it to me!"

Tears gathered in her eyes, making the men present feel bad for her.

"Is that so?"

Lin Hanxing asked Song Chenxi with a smile.

"Someone has sent this here without my permission!"

Song Chenxi's delicate little face was cold and expressionless.

Song Zhiyun's tears fell immediately!

She did not expect Song Chenxi to not help her even though it was just a matter of one sentence. Did she really want to blow this matter up?

"So it was without permission ..."

Lin Hanxing said indifferently, his tone full of meaning.

I'm not from Snowlan Province, so I don't understand the rules here, but Eric is. Why don't we let him decide on the plan!

Although these words were meant for discussion, his tone was unquestionable.

"In that case, let's call the police."

Zhan Nanheng's mesmerizing doll-like face turned cold, and there was a kind of Royal Majesty in his words. It was obvious that he was fundamentally different from the man who had been in the entertainment industry at the beginning.

"Let the police solve this. Where did this thing come from? Who sent it? It's clear at a glance!"

Upon hearing Zhan Nanheng's words, Song Zhiyun clearly panicked.

She was already used to taking things from her sister and had never taken it seriously. Naturally, she didn't think it was that serious. Who would have thought that it would turn out like this!

Song Zhiyun looked at Song Chenxi anxiously, his eyes pleading.

However, this time, Song Chenxi's face was cold and she did not say a word!

"Call the police."

Lin Hanxing released his grip on Song Zhiyun's chin and spoke indifferently.

Zhan Nanheng immediately picked up his phone and contacted the police Director.

There was a loud bang, and Song Zhiyun's mind went blank. She knew better than anyone else that she didn't treat this matter seriously at all, so she didn't hide anything from the start!

If the police wanted to find her, it would be a piece of cake!

By then, the image she had painstakingly built ...

Wouldn't it be destroyed?

As he thought of this, Song Zhiyun's face turned paler and paler. He couldn't even catch his breath as he fell limply in Gong Chen's direction!

And this scene was completely seen by Gong Ming upstairs!

"Idiot!"

The two simple words that were cold and mocking blurted out!

[Chapter 1363](#)

1363 She woke up with a needle

Seeing song Zhiyun's actions, Lin Hanxing was instantly amused.

"Second miss song is truly a well-deserved actress!"

Lin Hanxing clapped his hands and chuckled as he shook his head.

Perhaps her words were too meaningful, even the many socialites present also secretly laughed, as if they instantly understood what she was trying to do.

"Miss Lin ..."

Before Gong Chen could speak, Lin Hanxing had already interrupted him!

"Did you see her?"

Lin Hanxing pointed in the direction of the expressionless song Chenxi, his face cold.

if you can say what you're going to say to me in front of your wife, I'm willing to waste my time to listen!
Her attitude was clear as day!

"If you can't, then shut up!"

Lin Hanxing said indifferently, not giving him any face at all!

As soon as he said this, everyone's expression changed. Although they had long heard of Lin xiaojiu's temper, this was the first time they had felt it so directly!

As expected ...

He truly lived up to his reputation!

Lin xiaojiu, song Zhiyun is the second daughter of the song family. Is it appropriate for you to treat her like a criminal? "

The second Princess Consort's sister, nalita, spoke in a strange tone.

She just couldn't bear to see her comfortable!

besides, you can't even see her when she fainted. As a woman, don't you have any sympathy for her? "

"I don't like what you're saying!"

Bai Xi suddenly spoke up. As a firm supporter of Lin Hanxing, the thing she couldn't stand the most was someone talking bad about her in front of her. She immediately exploded!

"What do you mean by no empathy?"

Bai Xi retorted in the same tone.

“Did we hit her or scold her? Our miss Lin clearly gave this to miss song, how did it end up here? Who knows if second song fainted because he felt guilty!”

The cadence of yin and yang resounded loudly!

It was as if he would only stop after everyone heard him!

Song Zhiyun, who was pretending to faint, felt his heart ache when he heard this. He didn't know what to do, and he didn't know how to end this farce. Other than closing his eyes tightly and begging Gong Chen to take her away quickly, he had no other request.

Bai Xi's rebuttal left the other party speechless.

“Nalita senanda,”

The Thunder valiant beast's voice suddenly interjected.

He just sat there steadily, but his words and actions attracted everyone's attention.

Nalita did not come back to her senses for a long time after being called by her name so suddenly.

you've even heard that my wife is a fortune-teller, then have you heard of something else? ”

The Thunder valiant beast said, but there was no warmth in his eyes.

For no reason, they held their breaths and waited.

“What ... What?”

Being stared at by such a pair of dangerous eyes, Narita felt uncomfortable all over!

when old su of Rou city was fine, the first person the royal family looked for when they were helpless was my wife.

Thunder owl's words caused an uproar.

Many of the people present did not know much about the fact that Rou city's old su was not in the royal family. When they heard Lei Xiao's words, they immediately boiled over.

Could it be that Lin xiaojiu was the one who cured old su?

Lin Hanxing looked at her husband and winked playfully at him from an angle that no one else could see. It was obvious that she had already understood why Lei Xiao would say such a thing at this time.

Lin Hanxing's eyes flickered as he silently pulled out the thin acupuncture needle between his fingers.

It was like magic!

“Second young lady song was just too anxious. She woke up after the injection!”

[Chapter 1364](#)

1364 Didn't I wake up now?

The acupuncture needles were placed between her fingers, and a buzzing sound could be heard when she flicked them gently!

Everyone's eyes widened.

This was the first time they had seen someone carrying this thing with them. They were speechless for a while and just watched Lin Hanxing walk towards song Zhiyun.

Gong Chen could clearly feel the trembling of the person in his arms.

He knew better than anyone that song Zhiyun hadn't really fainted!

Just as he was about to speak, Lin Hanxing seemed to have already seen through it and took the lead.

Mr. Gong, do you not trust me or the royal family's judgment? "

That lazy sentence had already completely blocked Gong Chen's remaining words!

Of course, he didn't believe her!

But some words absolutely couldn't be said in public!

In just a short while, Lin Hanxing had already walked up to Gong Chen. His beautiful eyes were three parts cold and seven parts playful as he looked down at song Zhiyun.

A faint, cold fragrance spread in the air!

according to Traditional Chinese Medicine, cold causes coagulation, coagulation causes blockage, blockage causes stagnation, stagnation causes blockage, blockage causes blockage, blockage causes blockage, blockage causes blockage, and blockage causes tumor. All illnesses start from the residual cold. Second miss song knows that her body is not in good condition, so it's best for her to wear more clothes.

Lin Hanxing glanced meaningfully at song Zhiyun's thin and fragile clothes.

after all, you don't always have brother-in-law to protect you ...

Song Zhiyun's eyelashes couldn't hide the slight tremble in his eyes. It was obvious that he was struggling in fear.

Everyone followed Lin Hanxing's line of sight and saw song Zhiyun's scheming outfit. However, before they could react, Lin Hanxing had already inserted the acupuncture needle into song Zhiyun's philtrum like a bolt of lightning!

"Ah ..."

Everyone heard a sharp scream as song Zhiyun sat up suddenly!

He reached out and covered his chest!

Dark red blood was dripping down from the gaps between his fingers!

It was so painful that she couldn't even continue to pretend!

“Look, he’s awake!”

Lin Hanxing smiled, his long eyelashes slightly closed, and he slowly wrapped the acupuncture needle back between his fingers.

No one would have thought that she was hiding something like this in her hands.

Song Zhiyun didn’t dare to move his hand away.

Her tears fell down like a broken string of pearls!

She was like a little princess who had been wronged.

From the beginning to the end, song Chenxi only looked at the man and woman with a cold gaze, as if she was watching what happened to strangers.

Even when his eyes met Gong Chen’s, he didn’t show any emotion.

Gong Chen’s heart felt as if it was being clenched by two invisible palms.

It was a dull pain.

“Since you’re awake, it’s time to settle the matter.”

Lin Hanxing glanced at the pitiful song Zhiyun and spoke coldly.

As soon as she finished speaking, the carved door of the banquet hall was pushed open from the outside, and the director of the snowlan province police, who was sweating profusely, hurriedly walked in with his men.

When he received Eric’s call, his head exploded.

Who was the one who wanted to stir up trouble at this special time of the charity banquet tonight?

Wasn’t this asking for his life?

“Mr. Zhan ...”

The director stood by Zhan Nanheng’s side and took out a handkerchief to wipe the sweat off his forehead, afraid that he would say something wrong that would affect his future career.

it seems like the director can only see Eric.

The second Princess Consort sneered and said.

The director’s face immediately turned bitter. How could he have forgotten that this great aunt was still here!

The more you say, the more mistakes you make!

“Second Princess Consort ...”

“Don’t say that. Miss Lin has made such a big scene and if she still can’t do anything ...”

The second Princess Consort raised an eyebrow.

“At that time, don’t blame us for not being polite!”

[Chapter 1365](#)

1365 I’m slapping your face (1)

Lin Hanxing turned a deaf ear to his words and turned the Dragon-Phoenix ring on his finger.

He smiled and said nothing.

No one noticed that Lei Xiao had quietly glanced in a certain direction.

Someone quickly received his message.

The second Princess Consort was sensitive to this, but just as she was about to turn her head, she heard the sound of clapping.

“Interesting.”

Yun Bai smiled and released her charm, attracting everyone’s attention.

thanks to miss Lin, I was able to see such wonderful content today. It’s really an eye-opener!

Yun Bai fiddled with the ring on his thumb as he spoke, looking as leisurely as a guest from another world.

It wasn’t until then that the police Director realized that the person who spoke was Yun Bai, and he immediately shivered in fear.

When he looked at the people at the table again, he felt like he was going to faint!

Who were these people?

They were all big shots who could easily stir up the current situation in Xuelan!

The independent sea route behind Lei Xiao, the Hua Ji that everyone in country G knew about, and now, there was also the Yun Ding casino’s young master Yun Bai. Just these three connections were enough to make people deeply afraid!

The more he thought about it, the more sweat dripped from the director’s forehead!

“But ...”

Yun Bai smiled, and the female guests present felt as if a strong wind from the snow Peak was blowing in their faces, peerless and otherworldly.

“I’m also entrusted by Ms. Lin to present a gift to second miss song!”

Song Zhiyun, who was holding his philtrum and trembling all over, looked at Yun Bai.

Anyone who looked at the little white flower in the rain could not help but show compassion. Only the man at Lin Hanxing’s table was completely unmoved, as if his heart was made of iron!

“Bring it up,”

Lin Hanxing's long eyelashes lifted slightly, and he looked at the little white flower opposite him with a playful look in his eyes. He could not help but feel fear!

"Alright!"

Yun Bai stood up and bowed to Lin Hanxing.

"My honor!"

With a snap of his fingers, someone quickly brought the things that had been prepared in advance to him respectfully!

"Please, miss Lin!"

He looked like a subordinate who respected his superior!

The people watching were dumbfounded!

Bai Xi stood up and took it, then handed it to Lin Hanxing.

"Do you know this person?"

Lin Hanxing's lips curled into a smile, and he motioned for Bai Xi to raise the top piece of information for the people around him to take a look.

Song Zhiyun's heart skipped a beat when he saw the figure in the information.

Wasn't that the servant who had helped her retrieve her sister's things all these years?

"Chenxi should know him, right?"

Lin Hanxing tapped the table with his fingertips. Song Chenxi, who was called out, had a look of forbearance on her face. The veins on the back of her hands were faintly visible.

"Yes, he's Zhiyun's man."

Lin Hanxing laughed when he heard this.

"What a coincidence, she's also the one who sent this 'Queen's tear' here."

As he spoke, Lin Hanxing fiddled with his fingers and gave Bai Xi a look.

The latter understood tacitly.

"Bring the person up!"

Bai Xi cleared his throat and spoke at a volume that everyone could hear clearly even without the microphone.

Soon, a woman who was tied up like a dumpling was pressed up by the people from Hua Ji!

It kept struggling and crying!

He was in a mess.

Song Zhiyun's blood froze and his mind went blank!

He looked at Lin Hanxing subconsciously!

In fact, Lin Hanxing was also looking at her.

The moment their eyes met, Lin Hanxing's dark eyes looked into song Zhiyun's eyes ...

It was like an abyss!

Suddenly, Lin Hanxing's Red lips parted slightly, and he said something to her ...

[Chapter 1366](#)

1366 I'm slapping your face (2)

When he finally figured it out, song Zhiyun couldn't wait to leave this damned place!

Yingluo is smacking your face!

She saw it clearly. That was what the woman had said!

Just as he was thinking about this, the guards were about to push him to the ground ...

"Hold on,"

Bai Xi happened to catch the slight frown between Lin Hanxing's brows and said with a smile.

The man from Hua Ji was stunned and stopped what he was doing.

Everyone's eyes fell on Lin Hanxing in confusion, not knowing what she was trying to do!

Lin Hanxing flipped her hand, and the White ru-kiln teacup that was placed next to her fell to the ground and shattered into pieces!

The originally pleasant tea's fragrance inexplicably brought a fatal fear to people!

What did Lin xiaojiu mean?

However, everyone soon had an answer to this question.

Lin Hanxing smiled and pointed at the broken pieces of the teacup on the ground, and with a plop, the man was forced to kneel on the ground!

Even through the cloth covering her mouth, her cries of pain were enough to reverberate through the entire auction hall!

"Ah ..."

It was the first time for many of the socialites present to see such a scene and they immediately exclaimed!

The faint smell of blood spread in the air ...

"Lin ..."

The director was dumbfounded. His own people were still here!

But before he could finish his words, Lei Xiao's cold eyes had already swept over, and the invisible pressure gradually condensed into the air!

The other party instantly shut up!

"Bai Xi, help that person loosen his bite."

Lin Hanxing said lazily, ignoring the reactions around him.

"Alright, miss Lin!"

Bai Xi agreed with a smile. He quickly walked to the other party and removed the cloth covering his mouth. Almost at the same time, a scream of fear and pain exploded in everyone's ears.

Lin Hanxing reached out impatiently and covered his left ear with his finger.

"Are you done?"

He waved his hand and got someone to bring a new cup of tea.

Her expression only relaxed a little when the new tea entered her mouth.

His eyes indicated for Bai Xi to take out the things one by one from the box that Yun Bai's people had sent over.

The sounds of whispering could be heard as the items were taken out.

Song Zhiyun's face turned even paler ...

"I'll give you a chance. As long as you can tell me clearly who took the things here from miss song Chenxi, I'll let you off."

Lin Hanxing fiddled with the tea in his cup, his eyes cold and full of pressure!

"If you can't explain it clearly ..."

She smiled and said nothing, but the meaning was self-evident!

"It has nothing to do with me! Really! It has nothing to do with me! It was second miss song who told me to do this! She ordered me to do it! It's second miss song who's jealous!"

The other party was obviously afraid, crying and begging for mercy.

Lin Hanxing slammed the teacup in his hand onto the table with a loud thud, his eyes suddenly turning fierce!

"Nonsense!"

Lin Hanxing's name stunned the others. Wasn't this the answer she wanted?

"Who sent you here to drive a wedge between the two sisters? Eldest miss song was so good to second miss song. They were biological sisters! What kind of heartless thing would do such a despicable thing out of jealousy?"

Lin Hanxing's voice was sonorous and powerful, as if he wanted everyone to hear him clearly!

This insult was like a slap to song Zhiyun's face!

"No one can do it, don't you think? Second miss song?"

As he spoke, Lin Hanxing turned his head to look in song Zhiyun's direction, his eyes filled with ridicule.

[Chapter 1367](#)

1367 I think you're completely crazy

In the private room upstairs.

Gong Yun's eyes flashed with a strange light.

This Lin xiaojiu ...

It was really interesting!

Downstairs.

Listening to Lin Hanxing's insulting words, song Zhiyun was so angry that he almost fainted!

However, he couldn't say anything to defend himself!

His lips couldn't stop trembling!

"Speak!"

Lin Hanxing got up and walked to the person who was kneeling in front of her. Her slender fingers grabbed the back of the person's neck and he was lifted up like a Willow catkin. With a loud thud, he was pressed onto the table!

As if someone had turned on the switch, the person began to fire off all the things that song Zhiyun had 'borrowed' from song Chenxi all these years. He explained everything clearly and even described it to her!

The more he heard, the more the others looked at song Zhiyun.

It turned out that the socialites who knew about her experience and sympathized with her had a strange feeling in their hearts.

When a crack appeared in the perfect image of the weak, endless suspicion would follow. This was human nature!

And this was the most important thing Lin Hanxing had to do today!

She wanted to overthrow song Zhiyun's impeccable image of a perfect victim and reshape her position in other people's hearts!

hehe, miss song only lost some valuable things, but second miss song lost her love. If we count it this way, it's hard to say who's the more despicable one!

The second Princess Consort's elder sister interjected in a strange tone, her words full of sarcasm!

Gong Chen's gaze had been fixed on the side of song Chenxi's face.

As if she sensed his gaze, song Chenxi finally looked him in the eye.

That's enough, ran ran.

If this continued, it would not benefit anyone, especially her!

Gong Chen's thin lips parted slightly as he uttered these two words silently.

Song Chenxi's knuckles turned white as she clenched the wine glass. She suddenly realized something ...

In the last few days of her life, how bad could things be?

Thinking of this, song Chenxi suddenly laughed.

"I don't know who's the lowliest, but there's one thing I have the right to do as the president of the song group!"

As she spoke, song Chenxi suddenly smiled charmingly.

The smile dazzled the eyes of all the men present. After all, it was the first time in so many years that they had seen the frosty President of the song Corporation show such an expression!

It was simply ...

It was unbelievable!

When he saw song Chenxi's smile and the men's reactions, Gong Chen's cold face suddenly turned cold!

An unknown emotion gradually overflowed in her heart!

That is to completely terminate all cooperation with the senanda family in country G!

The men, who were still in a daze because of song Chenxi's smile, felt their hearts skip a beat. What did they just hear?

The song Corporation was going to stop the cooperation with the senanda family?

Was song Chenxi crazy?

Even the second Princess Consort had not expected this development!

As the largest corporations in country G, the song Corporation and the gong Corporation had been in stable cooperation with the senanda family for a long time, not to mention that there were many unknown secrets involved in this!

But now, song Chenxi said in public that she wanted to terminate the cooperation?

"Director song, do you know what you just said?"

The second Princess Consort was so angry that her hands were shaking. She asked with a fake smile.

"I said, I want to completely terminate all cooperation with the senanda family in country G! Now, second Princess Consort, do you understand?"

Song Chenxi did not seem to be aware of the uproar she had just caused. She repeated what the second Princess Consort had wanted.

I think you're completely crazy!!!

[Chapter 1368](#)

1368 I've never joked about the future of song Corporation

The second consort suddenly stood up and trembled with anger!

This was crazy!

They're all crazy!

Ever since Lin xiaojiu had arrived, this group of people had all been standing on her side as if they had been bewitched. It was as if everyone wanted to make things difficult for her!

"Sister, you're joking with the future of the song Corporation!"

Song Zhiyun was also panicking. She had never imagined that her sister would one day make the decision to break the Alliance. After all, the cooperation between the song family and the senanda family had lasted for decades. It could be said that ...

The senanda family behind the second Princess Consort was the reason why the song family had a place in snowlan province!

Now, his sister gave up and did not want it just like that!

She was really going to bury the entire song Corporation with her!

"I never joke about the future of song Corporation!"

Song Chenxi said coldly.

In the current song family, it was difficult to find another person who could take on a greater responsibility than her.

She had to leave eventually, but the song family was still there!

Song Chenxi had seen through the senanda family more than anyone else over the years!

The benevolence and righteousness ceremony was nothing in their eyes. They would forget it once they let it go. The younger generation was short-sighted and only cared about the immediate benefits. The second Princess Consort was like this, and the second Prince was like this. Following such a person ...

What was there to talk about for a lifetime?

The reason why they didn't make a move before was because they didn't have a substitute!

But now, song Chenxi was more certain than anyone that Lin Hanxing was the person she was looking for!

Now, she was taking a gamble!

She was betting that after she left, Hanxing would not be able to help her support Madam Song on account of their past friendship!

“Sister!”

At this moment, Song Zhiyun couldn’t care about anything else. All he could think about was the foundation of Song Group!

“Good! Very good! Director Song’s appetite is too big, and the Senanda family can’t satisfy you anymore. Since that’s the case, we’ll do as you wish!”

The new and old grudges were added together, causing the second Princess Consort to explode!

Everyone present was dumbfounded. It was as if they had never thought that a routine charity banquet would turn into this.

Was Xue Lan’s life going to change because of Lin Xiaojie’s arrival?

As they were talking, someone walked over from Yun Bai’s side and whispered something in his ear. It was just a few simple words, but it made him raise his eyebrows.

Almost at the same time, the wet nurse who had come with the second Princess Consort saw a certain part of the auction booklet in her hand. Her eyes suddenly widened as if she had been frightened!

Yun Bai’s body leaned toward Lei Xiao, her actions filled with respect.

Yuan Kang was sensitive enough to notice this.

However, the moment his eyes met Lei Xiao’s, he immediately stopped his wild thoughts.

On the other side, the nanny clutched the auction book tightly and walked to the second Princess Consort’s side. She tried her best to control herself from trembling, but the second Princess Consort, who had almost lost control of her emotions, did not notice the nanny’s existence at all!

No one noticed that the situation seemed to be changing subtly.

“Then I should properly thank the second Princess Consort for letting me go!”

Song Chenxi pursed her lips and smiled, which made the second Princess Consort even more furious!

She was rebelling against her!

Just as he was about to open his mouth again to retort, the banquet hall’s door was suddenly pushed open from the outside. Bodyguards in black suits and other royal guards blocked the entrance and exit before the people around them could react.

The organizers had obviously not been notified, so they looked at each other, not knowing what had happened!

And the next second ...

“Su Budai!”

[Chapter 1369](#)

1369 Did anyone tell you that this is not very polite?

The situation seemed to have been dissolved in an instant. The second Princess Consort did not even have time to retract the ferocious expression on her face and looked blankly at the source of the voice.

Su is not coming?

Why had she never heard him mention it before?

When everyone's attention was on su bu, Lei Xiao stood up in silence. His handsome face was filled with a bone-chilling coldness. His firm and slender legs that were wrapped under his suit pants strode steadily towards Lin Hanxing!

"Star ..."

Only the two of them could hear the rest of his words.

As Lei Xiao finished speaking, Lin Hanxing swept his gaze towards the dark corner of the second floor without a trace.

That movement couldn't have been more subtle. Even Bai Xi and the others who were standing beside him didn't notice it!

"I know."

Lin Hanxing's lips suddenly curved into a meaningful smile. Almost at the same time, he beckoned for the waiter to come over.

After a few simple words, the waiter's expression froze.

However, he still went to prepare according to Lin Hanxing's instructions ...

Su bu slowly walked in under everyone's respectful gaze. His face was expressionless, and he exuded the majesty of a member of the royal family. His sharp eyes, which seemed to be able to see through people's hearts, did not look sideways and looked in the direction of the second Princess Consort.

The second Princess Consort's wet nurse stood at the side, breaking out in a cold sweat.

Although he had already vaguely guessed why Su bu would appear here, he had missed the best time to inform the second Princess Consort. He could only wait and see for other opportunities!

"No, why didn't you come with me ..."

Before the second Princess Consort could finish her words, she saw the woman who had come with su bu and her voice stopped abruptly!

First wangfei Amiya!

How could it be her?

Ever since Eric's mother passed away, whenever su didn't go out to attend events, she would be the one to take care of her!

Why was it that this B * tch, Amelia, got there first this time?

The great consort stood beside Su dan in a dignified manner, and her aura blended in with Su Dan's. It was an unforgettable sight!

No matter who the great wangfei looked at, she still had that majestic posture.

It was only when he looked at Lin Hanxing that his brows relaxed a little, and the corners of his mouth curled up into a faint smile.

The organizers hurriedly contacted people to set up a new table in the direction of the main seat so that su could not maintain enough exclusive privileges!

The waiter who had been ordered by Lin Hanxing came back quickly, holding something in his hand.

The next second, he handed it to Lin Hanxing.

Lin Hanxing wasn't interested in the reason why Su Buhe came to the banquet at the last minute. However, when he glanced at Gong Chen, his eyes were cold.

"I'm going to the washroom."

Lin Hanxing took the things that the waiter had sent her and disappeared without a sound.

Bai Xi and Jiang Xibao used their bodies as cover at the same time to minimize the presence of Lin Hanxing's 'disappearance'!

.....

Upstairs.

The phone in the room rang.

With all his attention still on the situation downstairs, he casually picked up the call with one hand and said hello.

The other end of the phone was silent ...

Gong Ming retracted her gaze and focused on the phone in her hand.

"Not talking?"

His lips curved into a devilish smile, and Gong Ming's handsome face was full of temptation.

Even his voice sounded like that of a patient hunter who was trying to catch his prey!

This is interesting!

He was starting to feel very curious about the identity of the person on the phone!

"Did anyone tell you that this is not very polite?"

Gong Ming supported her chin with one hand and muttered to the person on the other end of the phone.

"Since that's the case, why don't we have a chat face to face?"

The moment Gong Ming finished speaking, the door of the private room was pushed open from the outside. Lin Hanxing appeared with the internal telephone that the waiter had brought!

1370 Gong Ming, you are a smart person

Looking at that dazzlingly beautiful little face, the smile on Gong Yun's face gradually froze!

He stood up subconsciously!

Lin Hanxing, on the other hand, just hung up the internal phone in his hand leisurely. Then, he pulled out the seat opposite Gong Ming and sat down. His black suit contrasted against his fair skin, and the pendant on his exquisite collarbones was floating.

"Time is limited, so I'll make it short."

Lin Hanxing glanced at the time as he spoke.

She could only stay for five minutes at most, so she might as well focus on the main points.

in the three minutes after I leave, you can use any method to temporarily send Gong Chen away from downstairs!

Lin Hanxing's long eyelashes trembled slightly, his fingers fiddling with the crystal candle holder on the table, his eyes cold.

"Get him away?"

After a brief moment of shock, Gong Ming finally found her voice. She threw the phone on the table with an evil smile, placed one hand on Lin Hanxing's side, and leaned over, wanting to get closer.

However, before he could close the distance, Lin Hanxing had already lifted his leg and kicked towards his knee joint.

The latter was caught off guard and his tall figure staggered, barely holding on!

"Gong Yun, you are a smart person."

Lin Hanxing glanced at him indifferently, his voice was bone-chillingly cold and he did not even bother to brush him off.

The intense pain made Gong Yun finally realize the difference between the two of them.

His expression also turned serious!

"Why should I take the risk of being discovered to help you?"

Gong Yun sneered.

On the contrary, Lin Hanxing laughed when he heard this.

Lin Hanxing would have to be on his guard if he had agreed to her request without even asking.

"Hehe."

Lin Hanxing pushed the photo he had brought to Gong Ming from his desktop and patiently cast a net.

When Gong Yun saw it clearly, her expression immediately changed.

In the photo, Song Zhiyun was getting out of a red Porsche. On the second floor of a villa in the suburbs, a man was gently lifting the curtains and looking down with a teasing expression.

“Do you think that if you don’t help me, your identity will not be discovered?”

Lin Hanxing touched the photo with his finger, his eyes were cold and oppressive.

If Yuan Kang and Yan Beiming were here, they would definitely feel that this was the second thunder valiant beast!

Gong Yun’s eyes flickered, but she didn’t say anything.

I’m just giving us a chance to work together. As the saying goes, there’s a return. If you help me once, I can help you once too!

As he spoke, Lin Hanxing and Gong Ming looked at each other.

“You’ll help me? Can you help me secure my position as the head of the Gong family?”

Gong Yun sneered.

“As long as I’m happy, nothing is impossible!”

Lin Hanxing said indifferently.

If anyone else said this, they would appear arrogant and conceited. However, when this woman said it, Gong Yun could not help but believe it.

Lin Xiaojie had the ability!

“What do you want to do by sending him away temporarily?”

Gong Yun’s heart was in turmoil, but she appeared to be more relaxed on the surface. She leaned back in her chair and asked Lin Hanxing casually.

“Can you guess?”

Lin Hanxing said as he picked up the lighter on the table.

With a click, the photo of the two people was ignited from top to bottom.

The flames spread.

Very quickly, she scalded her hand.

Lin Hanxing silently put the burning photo into the crystal ashtray, and the light from the fire illuminated her delicate little face!

“You can really help me?”

Gong Yun raised his eyebrows. He was smart enough to have a vague answer to the previous question.

This time, Lin Hanxing was stingy with his answer.

It was time.

“That will depend on your performance.”
