

Goodnight 1451

[Chapter 1451](#)

1451 I'll give you one more chance to live

The next morning.

Li garden.

The moment his phone vibrated, Lei Xiao reached out his hand.

The voice stopped abruptly.

Lin Hanxing had not woken up and was curled up in Lei Xiao's arms. Perhaps it was because it was too hot, but he moved away a little in disgust.

"....."

The wife-doting demon was a little unhappy.

He reached out and pulled her back into his arms without a word.

Mm, very good.

Lei Xiao's thin lips slightly curved, but in the next second, after being woken up by his wife's glare, his eyebrows immediately drooped down.

This was a new trick he had learned recently.

She pretended to be wronged.

"....."

Lin Hanxing covered his eyes with his hands and couldn't help but laugh.

Was the cold and aloof President eaten by a dog?

"What did sacred hands say?"

She sat up with the blanket wrapped around her. The dark green shoulder strap of her pajamas naturally slid down to her collarbone, and her messy hair was dyed with a flirtatious and sexy aura.

Every morning, the two brothers in Johor would send him a message.

"He's alive."

Lei Xiao's words had always been concise and to the point. What he meant was that first Prince Johor was still hanging on to his last breath, and because of the sacred hands and the Dr. Bell's existence, at least his life was not in danger.

Just as Lin Hanxing replied, Lei Xiao had already moved his upper body closer.

At the same time, her phone vibrated.

"My phone is ringing."

Lin Hanxing turned his head to look at Lei Xiao, who was resting his chin on his shoulder. No matter how he looked at it, he looked just like the two Tibetan Mastiffs downstairs who were acting cute.

Downstairs, ah Zuo and ah you were speechless ...

"You can pick it up."

Thunder owl's reply was also very straightforward, even his expression did not change.

Lin Hanxing rolled his eyes and picked up the call. After patiently listening to the report from the other end of the phone, he stretched lazily with a happy expression.

Feeling that his wife's mood had suddenly turned for the better, Lei Xiao subconsciously reached out to touch her little stomach.

"There's meat."

It felt really good ...

"....."

If you don't know how to chat, don't talk nonsense!

Lin Hanxing would never admit that he had been fed fat recently!

Lei Xiao, who was glared at by his wife but didn't GET it at all, moved his huge body to the side, feeling wronged.

He seemed to feel that this wasn't right, so he straightened his back and smiled at her.

The next second, Lin Hanxing pushed him down without hesitation and sat on him.

"....."

Without waiting for her to speak, Lei Xiao, who realized that he had accidentally stepped into a minefield, did not say a word. He only felt that his wife, who was still in a bad mood after waking up in the morning, was extremely fierce.

Lin Hanxing pinched his stomach, his eyes were full of the fierceness of a Wolf Cub!

Just as Lei Xiao was hesitating whether he should admit his mistake, he heard Lin Hanxing sneer as he pinched the thin piece of meat on his stomach that he had just fed with great difficulty ...

"Come, call me sugar daddy!"

"....."

After Lin Hanxing finished speaking, he laughed so hard that he was lying on top of him.

Lei Xiao's lips curled up, his large palms tightly gripping the sides of Lin Hanxing's waist, stabilizing her body.

"Are you in a good mood?"

“Song Zhiyun hasn’t been very comfortable these past two days.”

Lin Hanxing sneered.

She had never felt any sympathy for those who had the guts to plot against her.

“Yes.”

She would be even more uncomfortable.

These words, Thunder owl thought in his heart, but he did not say it out loud.

He conveniently pinched his wife’s small waist a few more times, feeling satisfied as he prepared to help her dig a few more deep pits.

They were just waiting for the bunch of brats to jump in by themselves.

MMH!

Let’s do this!

Lei min’s expression did not change, and he quietly embarked on the path of darkness.

Chapter 1452-suffering and swallowing blood

At the same time, in the royal family.

“Hehe, this is really like someone taking the initiative to hand you a pillow when you’re sleepy!”

The second Princess Consort sneered, but the second Prince’s confidant’s back was covered in cold sweat.

Didn’t he already call Lin xiaojiu’s men?!

“The second Princess Consort will be helped by the heavens!”

As a qualified confidant, although he was complaining in his heart, he didn’t forget to flatter.

These words obviously pleased her, and her eyes were full of charm.

I wonder how the second Princess Consort is going to deal with that arrogant Lin xiaojiu? ”

Seeing that she was happy, his confidant asked again.

The second Princess Consort glanced at him coldly.

“You’ve been asking a lot of questions recently.”

The second Prince’s henchman did not dare to make a sound.

How could there not be a lot of problems? his life was in the hands of others. If he did not know how to be more proactive, he would really be finished!

“Where’s farick?”

Fortunately, the second Princess Consort's attention quickly shifted, and the second Prince's confidant couldn't help but sigh in relief.

"The second Prince is not up yet."

He didn't know if it was because his memory had been erased, but the second Prince seemed to be particularly sleepy these two days.

"Still sleeping?"

What time was it already?

Eric had already arrived at Su Dan's place early in the morning, but her son was still sleeping?

"The second Prince has always been unwilling to accept the matter of the jewelry box ..."

Seeing that the second Princess Consort was about to get angry, the confidant hurriedly deliberated and spoke first, stopping the second Princess Consort's words from coming out of her mouth!

The second Princess Consort was stunned.

When he heard the words 'jewelry box', he instantly thought of the person in the capital, and his anger instantly dissipated by half!

She had to find that old B * tch before the other side got the news!

If what happened back then was exposed, none of them would have an easy time!

"What's there to be unhappy about? once the banquet is over, let alone a mere jewelry box, even Lin xiaojiu's people can forget about being arrogant!"

The second Princess Consort's confident tone made the confidant's scalp tingle.

this Lin xiaojiu is not a kind person. If ...

hehe, it's different this time. I'm going to make her suffer and swallow blood!

The second wangfei laughed coldly, her eyes full of scheming and ruthlessness.

"Has there been any movement from the Li family in the past two days?"

The second Prince's confidant swallowed his saliva. Before he could calm down, this sentence rang in his ears again.

well, I heard that the Li family invited all the bosses of the snow orchid Opera Club and spent a lot of money to invite them to perform.

The confidant said these words after much deliberation. After confirming that there were no problems, he spoke.

"An opera? What show is he singing?"

The second Princess Consort raised her eyebrows.

"I heard that it's something he's never acted in before. It's called ... Climbing the dragon and phoenix!"

It was said to be quite popular, and every place was full of people.

Social climbing?

The second Princess Consort pursed her lips. She couldn't figure out what the Li family was up to under Lin xiaojiu's leadership!

But ...

He thought of the tin ore that the Li family had now. That was a fat piece of meat!

It was the kind that could cause oil to ooze out when pressed casually!

When she and song Zhiyun succeeded in their alliance, she would make Lin xiaojiu spit out all the tin!

She was arrogant!

Hehe!

.....

Yuan Corporation.

Lin Hanxing sneezed.

Everyone's eyes fell on her face in unison.

"I guess someone is trying to scheme against me again."

She lazily cracked a joke and leaned her body weight against the leather seat.

"....."

Who the F * ck would dare to scheme against you?

Yuan San felt extremely aggrieved. Of course, he would never say this in front of Lin Hanxing.

[Chapter 1453](#)

1453 Too lazy to care

"Oh, right ..."

Lin Hanxing, who was too lazy to guess what others were thinking, suddenly raised her hand and placed it on the large pile of documents that had been placed beside her since the beginning of the meeting.

these things are quite important. To be safe, I'll have uncle hai distribute them to everyone according to the names on it!

Lin Hanxing's voice was soft, but there was an unquestionable strength in his bones.

Uncle hai followed her instructions and distributed the documents to everyone.

He was expressionless the entire time.

The Board of Directors of Yuan's group looked at each other and didn't understand what she meant.

However, ever since Lin Hanxing showed off her skills, no one dared to look down on her anymore. They just reached out and flipped through the documents in front of them.

It didn't take long for everyone to straighten their backs.

He looked around with a look of fear.

After realizing that the others were doing the same, they smiled awkwardly and discreetly, as if they were afraid that others would see through them.

"Did you all see clearly?"

Lin Hanxing rapped the table with his knuckles, his voice elegant and cold.

"....."

"....."

"....."

There was silence.

No one made a sound. Their faces were pale and their eyes were rolling quickly.

The documents were filled with extremely shameful things that they had. No one had expected that they would be exposed in such a way.

"It took me a lot of effort to collect these things. I originally wanted to give them to you earlier, but it seems that it's not too late."

Lin Hanxing smiled faintly as he spoke.

Her elbows were resting on the table, and her posture was as relaxed as she could be.

"What's the meaning of this?"

Yuan san's expression was extremely ugly.

There was one in front of everyone, and there was naturally no exception here. It seemed that the problem was even more serious than that of everyone sitting here.

'Lin xiaojia knows about my deal with the second Princess Consort?'

She even helped him make a detailed list?

"We are all smart people, and I can't be bothered to say any more polite words."

Lin Hanxing smiled when he heard Yuan san's question. At least on the surface, he seemed to be in a good mood.

I'm a very righteous person. I don't care what you've done in the past, but from today on, if I find out that anyone has second thoughts about the yuan Corporation ...

As Lin Hanxing laughed, his expression suddenly turned frosty, causing everyone's heart to tremble!

Even though she didn't finish her sentence, everyone already felt threatened and intimidated. Sweat started to form on each other's foreheads as if they had agreed on it.

Yingluo wanted to give it to you earlier ...

Yuan san's pupils trembled, and the words she had just said appeared in his mind.

So, she already had these things in her hands?

Even when the fight for the sugar King had not been clear and everyone was looking down on her, Lin xiaojiu did not use these things to suppress them. Instead, she only used them after the dust settled?

How sure was she of her victory?

How could he be so calm and composed?

And how many of the little things they did in private could really escape Lin xiaojiu's eyes?

Thinking of this, Yuan San shivered.

What Yuan San could think of, the others could obviously think of it as well. Their faces were as colorful as it could be.

"Just like how you used a hundred ways to swallow this, I have a thousand ways to make you spit it out a few times more!"

[Chapter 1454](#)

1454 I've slapped you, but there's still no sweetness

Lin Hanxing's eyes scanned the room, and wherever he went, a chill ran down everyone's spine!

Moreover, her fingers were tapping on the table as if she was hypnotizing her.

The large International Conference hall could only hear the commotion from Lin Hanxing's side.

Ka-da ...

Ka-da ...

"Since we're done talking about trivial matters, let's talk about serious matters."

Just as everyone was holding their breath in anxiety, Lin Hanxing's voice finally rang in their ears!

Everyone's face was filled with unconcealable shock.

They thought that she was going to make a big deal out of it. Did they misunderstand?

"Uncle hai."

Lin Hanxing obviously didn't care about what the others were thinking. Uncle hai looked at Yuan Kang with a complicated expression.

Yuan Kang was speechless.

What was going on?

Could it be that my elegant and suave aura has leaked out?

Looking at Yuan Kang's strange expression, uncle hai felt even more stifled. Without a word, he distributed the things that Lin Hanxing had given him.

the share transfer agreement has been distributed to everyone. I hope that everyone here can take the initiative to give up one to two points of shares. Of course ...

Lin Hanxing paused for a moment, a faint smile on his lips.

"I'm not forcing you."

"....."

"....."

"....."

She wasn't forcing him, but she was threatening him directly!

Logically speaking, shouldn't he be giving her a sweet date after slapping her?

The shareholders, who had their own scandals and the share transfer agreement, were left speechless by Lin Hanxing's unconventional way of doing things.

"Miss Lin, you want us to sell our shares because ..."

One to two points would not affect the overall situation, but why did they feel so aggrieved?

Lin Hanxing pointed at the documents in one of the board members' hands as soon as he asked the question.

"I'm done."

In short, the answers were all in there.

Suddenly, the International Conference hall fell into silence again. Everyone began to read the documents in their hands carefully and quickly.

"You want to transfer the shares to Yuan Kang?"

Yuan San, who was the first to finish reading, suddenly slammed the table and stood up, the blue veins on his forehead throbbing!

In this way, Yuan Kang would be able to get over ten percent of Yuan group's shares without doing anything.

Hearing this, Yuan Kang was stunned as he looked at Lin Hanxing.

She had not informed him about this at all. Those shares ...

Lin xiaojiu was the one who wanted to give them to him?

“On what basis?”

Yuan san’s voice was so loud that it broke!

“Do you even know that Yuan Kang is ...”

Yuan San almost instinctively wanted to blurt out the rest of his sentence, but Lin Hanxing’s eyes were already frozen with a thick layer of frost. Before Yuan San could finish his sentence, Lin Hanxing expressionlessly picked up the teacup next to him and threw it in his direction with lightning speed!

The loud thump shocked everyone present!

Yuan Kang’s heart skipped a beat. What was he?

What was Yuan san’s unfinished sentence just now?

Yuan Kang’s eyes darted back and forth between Lin Hanxing and the shocked Yuan San, his heart thumping wildly!

“Say it! Why did you stop?”

Lin Hanxing took the tissue from uncle hai and wiped his fair fingers as he spoke coldly.

The action of raising an eyebrow had already buried a deep chill into the hearts of everyone present!

“What’s yuan Kang?”

Lin Hanxing looked at Yuan San as if he was looking at a dead object.

“What?”

Her tone was heavy, and it was obvious that she was impatient.

[Chapter 1455](#)

1455 What does it feel like to reap without sowing?

Yuan San didn’t dare to make a sound!

He didn’t even have the courage to turn around and look at the wolves behind him!

By constantly swallowing his saliva, Yuan San finally regained some spirit.

Lin Hanxing’s sudden outburst just now had really frightened him!

“Didn’t you just ask me why?”

Lin Hanxing casually threw the used tissue to the side, his movements smooth and handsome!

“Just because I’m happy!”

This answer was as casual as it could be. It did not even make sense to others, but when it came from Lin Hanxing’s mouth, it was so reasonable that it made people feel that it was the standard answer!

Uncle hai only felt a headache.

Although he had been with Lin Hanxing for some time, he still needed some time to get used to her different style of doing things from Yuan shaojing.

Moreover ...

Uncle hai secretly scanned everyone's expressions.

Don't think that Lin Hanxing was joking, the only rule she followed was to make her happy!

What a headache ...

The first thing he did when he received the news was to call Mr. Yuan. However, when Mr. Yuan heard what Lin Hanxing was going to do next, he did not stop him as uncle hai had expected. Instead, he gave his silent consent after a while.

I don't have much time, so I can't be bothered to say any more nonsense. If you're willing to sign this document, there will be someone in charge of following up. If you're not willing to sign it, I won't force you, but I naturally can't guarantee what will happen after that.

Lin Hanxing said as he got up. If it was any other time, his lazy tone would have made people's bones go numb.

However, this time, everyone's foreheads were covered in cold sweat.

This was an undisguised threat!

Who would dare to disagree?

He didn't know what kind of good luck Yuan Kang had, but he had been a nobody in the yuan Corporation, or even in the entire Yuan family. However, ever since he had joined Lin Hanxing's side, he had turned over a new leaf!

Now, he could get the shares without doing anything ...

They really wanted to interview Yuan Kang.

"What are you still doing?"

Lin Hanxing saw that Yuan Kang was still in a daze, so he kicked the leg of his chair with the tip of his high heels.

"....."

Yuan Kang stood up in a daze and followed Lin Hanxing out of the International Conference hall.

It was not until he entered the elevator that he took a deep breath.

"You ... Want to ... Give me those shares?"

There was still some hesitation in his voice.

Lin Hanxing did not even look at him, his expressionless face was reflected on the smooth inner wall of the elevator.

“What else?”

With a ding, the elevator door that led directly to the parking lot downstairs slowly opened. Lin Hanxing was the first to walk out, and the crisp sound of a central control unlocking a parking space not far away could be heard.

Hearing Yuan Kang’s words, uncle hai tried his best not to roll his eyes.

“W-why?”

Yuan Kang felt that it was unreal to be hit by a pie that suddenly fell from the sky.

Hearing this, Lin Hanxing, who was about to get into the car, turned around and gave him a dark look. Yuan Kang immediately swallowed the words he was about to say.

He didn’t know if it was just his imagination ...

Lin Hanxing seemed to be on the verge of exploding after losing his patience!

Lin xiaojiu ...

Before he could finish his words, accompanied by the movement of the elevator opening again, Yuan San chased out, panting.

With a loud bang, Lin Hanxing slammed the car door that he had just opened. He turned around and looked coldly at Yuan San, who was not far away from him.

His eyes were cold.

[Chapter 1456](#)

1456 The countdown to the exhaustion of patience

“Big brother won’t agree to this!”

Yuan san’s footsteps suddenly stopped. It was obvious that he had a deep fear of her.

However, he was unwilling to accept it.

“Do you want me to give Yuan shaojing a call and ask him personally if he agrees or not?”

Lin Hanxing’s lips curved up, but the smile did not reach his eyes.

“Impossible!”

Yuan san’s cheek muscles twitched, as if he was quite angry.

“Yuan Kang,”

Lin Hanxing suddenly woke up Yuan Kang, who was still in a daze, and the latter made a dry “ah” sound.

“Get in the car and turn the music to the loudest.”

The commanding tone of his voice was obviously very powerful, and Yuan Kang got into the car without asking anything.

The moment the car door closed, Lin Hanxing's gaze fell back on Yuan San.

The music started playing.

because Yuan Kang is Yuan Yuzhong's son, Yuan shaojing can't possibly give him the yuan corporation's shares. Is that what you're trying to say? "

Her voice wasn't loud, but it was enough for Yuan San to hear clearly.

She! He knew! Dao!

Yuan san's pupils suddenly enlarged!

"You ..."

For a moment, Yuan san's mind went blank. He opened his mouth but didn't know what to say!

In the car.

Yuan Kang stuck his face to the car window, as if he wanted to hear what the people outside were talking about.

However, he was too honest. As soon as he came in, he turned the music to the loudest. At this time, no matter how hard he tried, he couldn't hear any movement except for the mouth shapes of a few people.

Lin Hanxing seemed to have noticed the movement in the car, he gave Yuan Kang a cold warning glance.

The latter finally became obedient.

"Yuan San, I've always been curious ..." He said.

Lin Hanxing raised his eyebrows, his little face was full of the countdown of his patience running out.

"Where do you get the confidence to think that you can control the yuan family?"

Did he really think that no one could see through those little tricks that he had secretly set up?

Perhaps Lin Hanxing's tone had triggered Yuan San, the latter's expression turned even uglier.

"At the very least, big brother shouldn't have given up the Empire that we brothers have built!"

This was something that Yuan San had been brooding over until now.

"The Empire that you and your brothers fought for?"

Lin Hanxing looked at him as if he was an idiot. Uncle hai, who was standing at the side, swallowed the vulgarities that were on the tip of his tongue.

All these years, it was already good enough that they didn't hold Mr. Yuan back!

if you guys had stood up when Yuan Yuzhong broke Yuan shaojing's legs back then, perhaps I would've looked up to you!

When Yuan shaojing was chased out of the yuan family like a dog, where did these brothers who 'fought together' go?

They were just a bunch of fence-sitters, yet they were still immersed in the self-indulgence of power ...

What a joke!

Hearing Lin Hanxing's words, Yuan san's face turned red.

But he was unable to refute!

Back then, no one would have thought that his big brother, who had lost everything, could rise again in just a few years!

Every night, he would dream of it ...

There was no one more regretful than Yuan San for not being able to take action that year!

Yuan San, for the sake of Yuan shaojing, I'll give you a piece of advice.

Lin Hanxing was actually not interested in the yuan family's internal affairs. If it was not for Yuan San crossing the line time and time again, she would not even bother to pay attention to him.

"Don't come into contact with the second Princess Consort!"

Those methods of giving a slap and then giving a sweet date were already used up to the point where they could not be left!

In Lin Hanxing's opinion, the second Princess Consort had been living too comfortably in the royal family all these years, so much so that her sharp claws had gradually been worn out without her knowing it. If it was not because of this, after their consecutive confrontations, the most important thing she should do was to recuperate and conserve her energy for the next battle and not to provoke them brainlessly again ...

Lin Hanxing sneered.

Perhaps it was because she thought of the following trip to Johor, but her expression was cold and subtle.

"That's all I have to say, it's up to you to listen or not!"

.....

On the way back.

Uncle hai was supposed to drive the entire journey, but on the way back, Lin Hanxing naturally took the keys.

On the way, she parked her car in a temporary parking space and made a phone call.

Yuan Kang, who was sitting in the back seat, didn't say a word, but his eyes kept glancing at Lin Hanxing's back.

After thinking for a while, she decided to speak after Lin Hanxing hung up the phone.

"Where are we going now?"

This wasn't the way back to li garden.

Lin Hanxing glanced at him through the rearview mirror, his eyes indifferent and without any emotion.

"You can't tell?"

Instead of answering, he asked a question.

"....."

I'm not a God, how can I tell!

Uncle hai, who was sitting beside Yuan Kang, sighed in his heart. He closed his eyes and took a nap.

Lin Hanxing hung up the phone and waited for about ten minutes before starting the car.

Perhaps it was because of Lin Hanxing's question, Yuan Kang kept looking out of the car window. The more he looked, the more familiar he felt.

"This is the way to the yuan family mansion!"

After a long while, Yuan Kang whispered to Lin Hanxing.

He wasn't too stupid.

Lin Hanxing hummed in agreement and did not say anything else.

So, they were going to the yuan family now?

After parting on bad terms with Yuan San?

Yuan Kang felt that he couldn't keep up with Lin Hanxing's thoughts, so he decided to just keep quiet and look for trouble.

After driving for about fifteen minutes, a few black Mercedes Maybach cars suddenly appeared at the intersection and followed Lin Hanxing's car.

"How many times have you sneaked out in the past few nights?"

Lin Hanxing's voice suddenly came from the front as Yuan Kang was silently observing.

"Yes."

Yuan Kang didn't deny it this time.

He didn't expect to hide his movements from her.

"What did you do?"

Lin Hanxing looked straight ahead, his voice emotionless.

Hearing this question, Yuan Kang looked away uneasily.

"I went to see my mom."

Yuan Kang had gone to Jiang city because the yuan family had threatened him with his mother.

“You’ve never thought of taking her to li garden?”

Lin Hanxing’s voice remained calm.

“You think I don’t want to?”

Yuan Kang pursed his thin lips as he realized that his words were a little harsh.

From the first day he had returned to Xuelan, he had thought about bringing his mother to li garden to live in. He had been thinking for a long time about how he should tell Lin xiaojiu about this, but before he had the chance to tell her, his mother had cut off his thoughts.

She didn’t know if it was because her submissiveness was deeply rooted in her bones, but she was not prepared to leave the yuan family no matter what.

Lin xiaojiu, are you willing to ... Let my mother ...

Yuan Kang hesitated for a moment and tried to probe.

Although he always said that they were a Team, li garden wasn’t his territory after all, so Yuan Kang still had a sense of propriety.

However, before Yuan Kang could finish his question, Lin Hanxing’s phone rang again.

He was interrupted.

Yuan Kang was a bit annoyed. If he didn’t hesitate just now, he would have at least finished his words.

Chapter 1457 Killing the hidden danger in the cradle

After a few simple words, Lin Hanxing hung up the phone.

However, Yuan Kang’s energy was clearly exhausted, and he didn’t want to continue the conversation.

“Do you know why she didn’t want to go with you?”

Yuan Kang didn’t expect Lin Hanxing to say something like that when he was completely caught off guard.

He did not know.

But she clearly knew the answer!

Yuan Kang raised his head and looked at Lin Hanxing’s cold eyes in the rearview mirror.

Even though she didn’t look at him, Yuan Kang could already vaguely sense the purpose of their trip to the yuan family.

Soon, the yuan family’s residence, which had a construction area of more than 3000 square meters, was in front of them.

The car window slowly rolled down when they arrived at the carved main entrance.

When the security guard at the door saw Lin Hanxing’s face, he opened the carved door without hesitation.

Previously, the matter of 'all five poisons' had been spread by word of mouth by the yuan family's servants, and it could be said that there was no one who did not know about it!

Everything that happened that day was enough to scare people out of their wits, not to mention the fact that the newly-appointed patriarch of the yuan family had done so many things that outsiders would think were spectacular!

The news had spread all over Xuelan, so who wouldn't recognize her face?

The car window rolled up again.

The few Mercedes Maybach cars behind Lin Hanxing also followed quietly.

Behind the carved door was the same oil painting-like taste of history.

However, this time, no one appreciated it.

Lin Hanxing did not give any notice before coming, so the entire Yuan family mansion was extremely quiet, which was the effect she wanted to achieve!

"Yuan Kang,"

Lin Hanxing's voice was heard again when the mansion could be seen from a distance.

"No matter what you see later, don't say a word before I say anything!"

Compared to the easy-going look he had when he was with Lei Xiao, Lin Hanxing had returned to his usual cold and indifferent look. The calmness that seeped out from his bones made Yuan Kang feel as if he had returned to the scene when they first met in Jiang city.

Their car quickly stopped in front of the mansion.

Compared to the previous grandiose welcome, this time it was obviously shabby.

Lin Hanxing unbuckled his seat belt and got out of the car.

At the same time she got out of the car, the people in the Mercedes Maybach behind her also got out.

They were all from Thunder valiant.

Lin Hanxing lowered his head and glanced at the text message on his phone.

"What are you doing here?"

The shock and wariness in the soft female voice made Lin Hanxing stop in his tracks.

He raised his head.

Wasn't that Yuan san's eldest daughter, Yuan yunrong?

Lin Hanxing did not say anything.

The people that Lei Qian had sent were all dressed in black suits. They were expressionless and seemed to be standing in different positions, but anyone with experience could tell that if anyone wanted to

hurt Lin Hanxing, these positions would definitely be the best place to subdue the other party and even protect him with their lives!

“Uncle hai ...”

Lin Hanxing ignored Yuan yunrong and turned the phone screen towards uncle hai.

Uncle hai only took one look and understood what she meant.

“This way,”

After all, uncle hai had stayed in the yuan family for decades. He could find the location with his eyes closed.

Lin Hanxing didn’t even look in Yuan yunrong’s direction. She just turned around and followed behind uncle hai. Her attitude had obviously angered Yuan yunrong.

He followed without thinking!

He didn’t even bother to return to the mansion to call for help!

.....

Yuan Kang finally understood what Lin Hanxing meant when he said that.

If it wasn’t for Lin Hanxing’s words, Yuan Kang would have already charged out. The bloodthirsty blood in his body was boiling, as if he would kill Lin Hanxing with just a single glance!

Perhaps uncle hai did not expect to see such a scene, and he subconsciously looked in Lin Hanxing’s direction.

Lin Hanxing’s face seemed to be covered with a layer of mist, making it hard to tell what she was thinking.

Yuan yunrong’s expression was very awkward.

Not far away, in the observation Pavilion in the middle of the Lotus pond, Yuan Kang’s mother was kneeling on the ground while her younger cousin was riding on her. Beside her, her group of aunts were drinking tea and chatting with no qualms.

The servant, who was used to all this, didn’t feel anything at all. On the contrary, the cousin, who was about to fall off, subconsciously reached out and grabbed Yuan Kang’s mother’s hair. The latter gasped in pain and trembled.

Perhaps it was because he was small and thin, he looked extremely pitiful.

But even so, the little thing still fell from Yuan Kang’s mother’s back.

This was like poking a hornet’s nest. The child’s cries were so loud that it shook the sky, giving people a headache!

He didn’t know when it started, but Yuan Kang had clenched his big fists on both sides of his body.

“Do you not have eyes!”

While the other side was talking, a servant raised her hand and slapped Yuan Kang's mother across the face.

That sound made Yuan yunrong's scalp go numb!

She was about to stop him, but before she could, Lin Hanxing seemed to have sensed something and looked at her coldly.

It was as if she would regret it for the rest of her life if she dared to Shout!

Under Lin Hanxing's gaze, Yuan yunrong was unable to say another word.

Although she already knew that Yuan Kang's Mother's Days in the yuan family had become even more difficult after her uncle left for Jiang city, Yuan yunrong had never expected that her relatives would actually do such an outrageous thing!

He didn't even treat Yuan Kang's mother as a human being!

"Hit her! Hit her!"

Yuan yunrong's cousin pouted and kept waving his hands, as if he was still not satisfied. He walked over unsteadily and grabbed Yuan Kang's mother's hair.

For a time, the scene was in chaos.

Seeing this, Yuan Kang's breathing grew heavier.

Even Yuan yunrong, who was standing at the side, could feel that he was on the verge of a mental breakdown.

Her heart was beating fast as if she was afraid of being affected. She wanted to hide to the side, but Lin Hanxing's men didn't give her any chance.

An ominous premonition shrouded Yuan yunrong.

Based on the few short 'confrontations' she had with Lin xiaojiu, she would not simply stand by and do nothing. Furthermore, she had even brought her men over to this place!

Just as Yuan yunrong was thinking about this, she suddenly heard a 'pa pa pa' sound.

Everyone was stunned.

That included uncle hai and the Furious Yuan Kang.

They looked in Lin Hanxing's direction in disbelief. The woman just clapped her hands lightly and smiled meaningfully as she walked towards the observation Pavilion in the middle of the Lotus pond.

His footsteps were light.

[Chapter 1458](#)

1458 The Lotus moved

For a moment, it was as if time had stopped, and everyone's eyes in the observation Pavilion were fixed on her.

One of them recognized Lin Hanxing and stood up in fear.

His eyes widened as he looked at the black figure walking towards him.

The long embroidered dress made of silk fit Lin Hanxing's graceful curves perfectly. With every step she took, the hem of the dress rippled like an irregular waterfall.

It rippled like water.

"This place is so lively."

Lin Hanxing's lazy voice was accompanied by the fragrance of the Lotus, coming closer and closer.

A chill that shouldn't have appeared in this weather suddenly lingered in everyone's heart.

The people sent by Lei Jing followed behind her.

It was as silent as a ghost.

"You ..."

The person who was about to speak was Yuan yunrong's fourth aunt, who was also the wife of Yuan peiming, the fourth son of the yuan family.

what are you doing? help him up!

Yuan yunrong was afraid that something would happen, so before fourth aunt could finish speaking, she had already taken the initiative to speak.

Lin Hanxing looked at her with a faint smile.

With just a glance, Yuan yunrong's palms were already covered in cold sweat, and she didn't even dare to breathe.

However, before the servants could help Yuan Kang's mother up, Yuan Kang, who had been holding back his anger, charged at her like an injured beast.

"Get lost!"

He protected his mother in his arms!

The many years of groveling had long worn down the edges of this mother's character. At this time, when her son saw her in such a sorry state, other than her trembling lips, she was unable to say a word for a moment. She could only watch everything that happened in front of her in a daze!

"Bastard! Get out! Bastard!"

Just as the situation was at a stalemate, a tender child's voice suddenly interjected.

His little cousin, who had just been hugged by the servant, suddenly bared his fangs and brandished his claws. From his smooth posture, it was obvious that this was not the first time he had done this.

He even started to spit in Yuan Kang's direction.

Yuan Si's wife suddenly gasped and quickly walked towards her son, covering his mouth.

He kept looking in Lin Hanxing's direction.

It was as if they were looking at a flood or a ferocious beast.

However, from the beginning to the end, other than the first sentence that Lin Hanxing said, he only stood there quietly the rest of the time, watching everything that was happening with a gaze that no one could understand.

"Wuwuwu ..."

Seeing that her younger cousin's mouth was covered, Yuan yunrong's suspended heart finally relaxed a little.

After all, with her protective personality, he really thought for a moment that Lin Hanxing would turn hostile on the spot and drown his nephew in the Lotus pond in front of him!

Just as he was thinking, there was a sudden movement from Lin Hanxing's side.

It gave them a fright.

Lin Hanxing was still smiling as he sat unhurriedly at the table where Yuan yunrong's aunt had been sitting.

Because of her arrival, the others had already stood up.

Lin Hanxing was the only one who was sitting.

The refined red teacup in front of her was still stained with the lip marks of Yuan yunrong's two aunts, and even the desserts on the table were emitting an alluring fragrance.

It was really ...

I'm so annoyed!

In the next second, Lin Hanxing waved his hand and everything on the table in front of him fell to the ground of the pavilion in the blink of an eye.

There was a crackling sound.

"It looks much more comfortable like this."

They heard Lin Hanxing's mumbling, but no one dared to reply!

The atmosphere was strange.

Lin Hanxing raised his hand and pointed in the direction of Yuan yunrong's younger cousin.

Her white fingertips made one's heart tremble.

"No, don't ..."

Seeing Lin Hanxing's actions, Yuan yunrong's fourth aunt's body trembled as if an electric current had passed through her. She acted as if she wanted to firmly protect her son in her arms.

Thunder Valiant's underlings were faster than her.

In the blink of an eye, he took the little thing from Lin Hanxing's arms and placed her on the stone chair next to her.

"Release me! Bitch! Cheap slut!"

Like a parrot, the little guy spat out a string of provocative words.

The people who heard this broke out in cold sweat.

Yuan yunrong almost knelt down in front of this little ancestor.

Although she knew that fourth uncle and fourth aunt favored her, this little cousin, wasn't she looking for death by making noise at this time?

Yuan Si's wife was also anxious. Her eyes were filled with the desire to skin Lin Hanxing alive.

"I didn't hear you clearly. Say it again."

Just when everyone thought that Lin Hanxing would explode, she turned her head calmly and looked at the little thing.

His cold eyes had an indescribable 'calmness' effect. The squeaking little guy's voice became softer and softer under his gaze. Suddenly, his body trembled and he sat on the stone bench, not daring to say another word.

Children were born with an extraordinary sensitivity to danger!

Lin Hanxing retracted his gaze and tapped the table lightly with his fingertips, then turned his attention back to Yuan Kang.

The ring on his finger, which represented the yuan family's master, flashed with a cold light.

"Uncle hai, I remember that when Mr. Yuan was still here, he had set the rules."

Lin Hanxing said faintly.

"Yes, miss Lin."

Uncle Hai's face was cold. He was boiling with anger, especially when he saw what happened today with his own eyes.

"What happens to those who disrespect the patriarch?"

She didn't mention a word about what had happened with Yuan Kang, but spoke indifferently.

"Die!"

Without any hesitation, uncle hai said in a deep voice.

When Yuan yunrong's fourth aunt heard this word, her whole legs went soft. If it wasn't for Yuan Wu's wife beside her who quickly supported her, she would have probably sat on the ground.

"Watch your words in front of children."

Although Lin Hanxing said that, the corners of his mouth curled up into a thin smile.

"Although Mr. Yuan has set a rule, I also have a rule, and that is that I never lay a hand on children."

These words, to the yuan family members here, were no different from a death-exemption gold medal landing on the ground!

but rules are rules. Since Mr. Yuan had set them up, I can't ruin everything because of my relationship. In the end, someone has to be punished, so ...

Lin Hanxing's gaze circled the faces of the group of people in front of him, causing waves of fear wherever he went.

"I'll choose you."

She raised her fair finger again and casually pointed at one of them.

Wasn't she the maid who had slapped Yuan Kang's mother just now?

As soon as he finished speaking, uncle Hai's cold eyes swept across the room. However, Lin Hanxing and his men were faster than him. In the blink of an eye, they had already dragged the servant like a little chick to the front. Before anyone could even make any preparations, the upper half of the servant's body was already pressed into the Lotus Pool.

The moment it entered the water, it struggled violently, and bubbles kept rising from the boiling water.

Just as the other party felt that he was about to die, Lin Hanxing's men had already calculated the time and raised their heads again. Their heavy panting sounded in everyone's ears, as rough as bellows.

A few times in a row, he looked like he was on the verge of death!

Chapter 1459-Wind Rises

"Uncle hai ..."

Yuan yunrong's whole body turned cold, and her eyes were filled with tears.

She subconsciously looked in uncle Hai's direction.

No matter what this person had done before, Lin xiaojiu had gone too far!

However, uncle hai ordered people to rearrange the tea and snacks on the table, but he didn't even spare her a glance.

"There's no need to kill anyone."

Lin Hanxing held the teacup elegantly.

The words that came out of the White mist made people panic!

She said 'don't' kill, not 'can' kill!

There was a huge difference between the subtext of the two!

'Can't' meant that he didn't know how to do it.

And 'don't need' meant that he could do it but not do it!

Lei Xiao's men clearly only acknowledged Lin Hanxing's orders. The moment she opened her mouth, they stopped their actions.

However, Yuan Kang's eyes were still fixed on the yuan family.

Blood and Qi surged.

Lin Hanxing took a sip of tea and smiled. She looked as gentle and amiable as she could be, but everyone present knew that this was just an illusion she had created.

Yuan yunrong was anxious and secretly gave a look to the people beside her.

He had to quickly inform fourth uncle and fifth uncle to come over. If he was any later, he might not even be able to see his wife and son again!

However, under Lin Hanxing's pressure, no one dared to move.

Yuan yunrong gritted her teeth and simply took out her mobile phone secretly. She composed a simple message group and sent it to those people.

"You're done?"

Just as Yuan yunrong was about to heave a sigh of relief, Lin Hanxing's cold voice suddenly rang in her ear. Her heart, which had just calmed down, suddenly jumped back into her throat.

She actually knew?

And even allowed him to call people over?

Yuan yunrong suddenly felt a sense of crisis as if she had taken the initiative to jump into the other party's trap.

Lin Hanxing gestured with his chin to the stone table in the observation Pavilion, and Yuan yunrong had already reached out and thrown her phone out reflexively.

As this action was completed, the phone on the table suddenly rang, frightening everyone.

Lin Hanxing glanced at the screen.

"That B * tch Lin, if she dares to touch my son, I'll bury her!"

Lin Hanxing read out Yuan Si's message word by word in a calm tone. The atmosphere was as strange as it could get.

"Hehe."

Lin Hanxing even smiled meaningfully after he finished reading.

“.....”

“.....”

“.....”

Sister, can you not smile so evilly?

“Miss Lin, we were actually just playing with her!”

The person who spoke was the wife of Yuan Wu, Yuan Qixian.

“Don’t you think so?”

Yuan Wu’s wife gave Yuan Kang’s mother a look. She had heard her husband’s description of how difficult and powerful Lin xiaojiu was. Now, she just wanted to make a small thing out of this big thing.

The corner of Yuan Kang’s mother’s eyes twitched. Her submissive nature made her want to answer “yes,” but before she could say anything, Yuan Kang had already pressed her down.

“Are you playing around?”

Lin Hanxing didn’t look at Yuan yunrong’s phone again, but turned his gaze in the direction of the sound.

In the next second, he looked at Yuan Wu’s wife.

The latter hurriedly nodded.

“I don’t like it when people lie to me, so ...”

Lin Hanxing turned to look at Yuan Kang’s mother and stared into her eyes.

“Tell me, is this really just a joke?”

Yuan Kang’s mother looked back at her timidly. Her eyes flickered a few times, but slowly, she seemed to be attracted by the deep and cold eyes in front of her and stopped moving.

After a long while, Yuan Kang’s mother timidly shook her head.

Lin Hanxing smiled.

She gestured for uncle hai to get someone to treat the wounds on her face and body.

Almost at the same time, the smile on Lin Hanxing’s face disappeared at a speed that was visible to the naked eye. It was a strong visual impact.

“I’ve said it before, I don’t like it when people lie to me.”

She looked at Yuan Wu’s wife and said word by word, as if she wanted her to hear it clearly.

That old B * tch!

Yuan Wu’s wife felt her heart skip a beat and her palms were wet with cold sweat.

After saying that, Lin Hanxing did not look at her again. Instead, he fiddled with the two phones that were originally on the table.

Obviously, they were Yuan Si's and Yuan Wu's wives.

It didn't take much time for Lin Hanxing to determine which one was Yuan Si's wife.

The iPhone Xs Max covered with pink crystals was particularly eye-catching. With a light touch of the screen, the lit up desktop showed the young and beautiful figure of Yuan Wu's wife.

Lin Hanxing gave a look and Lei Xiao's men had already pinched Yuan Wu's wife's chin, forcing her to look up. Almost instantly, the phone was unlocked due to her face and ID.

She was really grateful for the development of modern technology, which saved her a lot of trouble.

"You didn't touch my phone ..."

Yuan Wu's wife's eyes suddenly became frightened and she started to struggle. This discovery also piqued Lin Hanxing's interest.

She randomly opened a few chat software, but after a few glances, she smiled.

"Can you read?"

Lin Hanxing turned his head to look at Yuan yunrong's younger cousin. He shrank his neck back when he felt the danger and didn't curse as he usually did.

"Read it to your mother."

She tapped on the screen and picked a few messages.

that ... Old hag ... She still ... Doesn't know ... That I was the one who sold ... All the dirt on her to the media ...

These words were read out in a tender tone, which was somewhat strange, but there was also a trace of strangeness in the strangeness.

"Don't think ... I don't know ... Before she married Yuan si ... She ... Had ... Plastic surgery ..."

If Yuan Si's wife didn't understand at the beginning, then she would really be a fool if she still didn't understand now!

He raised his head in disbelief and looked at the woman with uneasiness in her eyes. He could not help but be angry.

"You bitch!"

As these words were blurted out, Yuan Si's wife raised her hands and started hitting Yuan Wu's wife's flower-like face like crazy!

Even the Thunder valiant beast's men could not control their anger.

"Now you know how scary a woman can be when she goes crazy, right?"

Lin Hanxing's lips curved into a faint smile when he said this to Yuan Kang. Even the Furious Yuan Kang felt uncomfortable when he saw fourth Yuan's wife's attitude.

The relationship between women was really ...

In the beginning, Yuan Wu's wife was unable to fight back because of her guilty conscience. However, she was beaten up so badly that her temper also came up. After a while, the two of them were tangled together with their hair.

Lin Hanxing, who was sitting at the side and watching the show, felt that it was boring.

He couldn't even come up with anything new in a fight.

"Surnamed Lin! Get the hell out here!"

Fortunately, not long after, a thunderous roar resounded through the Yuan family's residence. Yuan Yunrong, who had been cowering at the side, immediately perked up when she heard the voice and subconsciously looked in Lin Hanxing's direction.

It was as if he wanted to see a frightened expression on her face.

However, Yuan Yunrong didn't know if she had seen it wrong, but she seemed to think ...

Lin Hanxing's eyes were even brighter than before!

It was as if his actions had explained what it meant to be ...

Anticipation?

Chapter 1460-Thunder

A group of thugs led by Yuan Si, Yuan Wu, and the others walked noisily towards the observation Pavilion, looking as if they were going to skin Lin Hanxing alive and grind his bones to dust.

Even the people in the villa were shocked!

They all ran out to see what was happening.

For a moment, the entire Yuan family mansion was in an uproar!

"The person who will collect my corpse is here."

Even in such a tense atmosphere, Lin Hanxing was still playing with his teacup lazily, as if he was watching a show.

He even threw out a joke.

When Yuan Yunrong heard this, she couldn't help but feel a chill run down her spine, and a bad feeling spread in her heart.

Lin Xiaojie, you go first. This is between me and them!

Yuan Kang's handsome face was so gloomy that it looked like it could drip water. He protected his mother by his side, and it seemed like he was going to fight to the death with this group of merfolk.

However, as soon as he finished speaking, he was already pressed down by uncle hai to the side.

"You better sit down and don't cause any trouble."

Lin Hanxing's voice drifted into Yuan Kang's ears.

In the blink of an eye, Yuan si and the rest had arrived in front of them.

They surrounded the viewing pavilion so tightly that not even a drop of water could leak through!

"You hit him?"

The fourth son of the yuan family, Yuan peiming, saw his wife's miserable state and glared at Lin Hanxing. The fifth son of the yuan family, Yuan Qixian, did the same.

"There were so many pairs of eyes watching, but I didn't even touch the two of them."

A mocking smile appeared on Lin Hanxing's refined face.

"....."

Strictly speaking, she did not lie.

"You F * cking ..."

As soon as old fifth of the yuan family said these three words, uncle hai and Lei Xiao's men turned their heads to look at where he was standing. For a moment, the atmosphere seemed to have frozen!

"Who's the mother?"

Lin Hanxing said indifferently. His voice was emotionless, but the mole at the corner of his eye seemed to be covered in a thin layer of frost.

Yuan Wu's Adam's apple moved and he swallowed his saliva.

She only felt that when she met this pair of eyes, she didn't know where to put her hands and feet.

"I've already said all that, I can't bear the scolding for nothing."

Lin Hanxing's calm voice had a hint of cruelty to it, which reminded uncle hai of the first time he met her in Jiang city.

Her personality was unpredictable and difficult to explain.

Lin Hanxing shot a look at Lei Xiao's men, and the woman, who was initially elated that her husband had arrived, was suddenly lifted up by the back of her collar and thrown at Lin Hanxing's feet with a thud.

Yuan si and Yuan Wu's hearts were in their throats with this action.

"Ah ..."

Lin Hanxing lifted his foot and expressionlessly stepped on the back of Yuan Wu's wife's hand with the thin champagne heels of his high heels, as if he was going to step a bloody hole in it, and she screamed in shock!

Yuan Wu's wife trembled as if she had been electrocuted. No matter how she struggled, she was the one who suffered in the end.

In a short while, her delicate hands were bruised.

Lin xiaojiu!!!

Seeing his wife being bullied like this, Yuan Wu's eyes immediately turned red. Like a bull that had seen red, he rushed towards Lin Hanxing's back without any regard for his life!

Everything happened too quickly. Even Yuan si didn't expect his younger brother to suddenly explode!

Uncle hai and Yuan Kang, who were the closest, wanted to make a move at the same time, but before they could do anything, what happened next was enough to make them freeze in place with strange expressions.

Lin Hanxing easily dodged Yuan Wu's attack as if he had eyes on his back. His slender and white wrist was like a slithering snake, and in the next second, he grabbed his opponent's neck in a strange position.

"If you move again, I'll take your life!"

She spoke in a serious tone.

The mole moved.

Lin Hanxing's fingers were tightly clenched around Yuan Wu's throat. When he looked at the latter again, his eyes were so wide open that he could even count the number of blood vessels in them.

She was not joking!

The same thought appeared in everyone's mind.

"You ... You wouldn't dare ... Ah!"

Yuan Wu gave a muffled groan and did not forget to be stubborn. However, as soon as he finished speaking, a clicking sound came from his neck, scaring him so much that he could not even breathe!

"Why use your life to bet on whether I dare or not?"

The clear and cold voice did not forget to tease, but it made everyone's heart skip a beat!

An invisible pressure was released from Lin Hanxing's bones, and even the flowing air seemed to have frozen.

"Quickly release him!"

Since receiving the news, Yuan San had rushed home from the yuan family's house at full speed. When he came back and saw this scene, his knees felt a little weak.

Didn't Lin xiaojiu leave from the yuan family?

Why did you suddenly turn around and come home?

"Yo, everyone's here."

Lin Hanxing tilted his head and looked at Yuan San with an ambiguous expression. Behind him, Yuan Liu, the younger sister of the yuan family, was silently observing the situation.

“Since everyone is here, we should have a talk.”

With a loud bang, Lin Hanxing slammed Yuan Wu’s head onto the stone table. The sound frightened Yuan Kang’s mother, who was already on edge.

Discuss, discuss what?

Everyone had the same question in their minds.

Yuan yunrong, however, stared blankly in Lin Hanxing’s direction. Thinking back to how she had deliberately asked her to send a text message, she finally understood. From the beginning ...

Did Lin xiaojiu want everyone to be there?

In other words, everything that had happened before was just an appetizer?

Yuan yunrong swept her gaze across the ruins ...

When she realized this, she shuddered!

Lin Hanxing really did not care about what others thought. She casually took a piece of tissue from the table and wiped her fingers.

In the blink of an eye, he returned to his seat.

Everyone’s eyes were fixed on Lin Hanxing.

Uneasiness spread.

Lin Hanxing looked somewhere and the latter quickly sent her the prepared information. The whole process was silent and orderly.

“What do you want?”

Yuan San wiped the cold sweat off his forehead with his hand. He had been in the business world for decades. No matter how powerful a character was, there would always be a pattern to their actions.

However, the person in front of him seemed to do everything based on his mood, but he didn’t forget to dig a trap for others step by step. By the time people finally came back to their senses, they had already fallen into the trap without knowing it.

Lin Hanxing did not say anything, he just flipped through the information in his hands.

He didn’t even spare Yuan San a glance.

Her movements were elegant and beautiful, and no one could tell that her hands had been stained with blood.

Lin Hanxing did not say anything and the others did not dare to move.

Suddenly, a strange sound came from not far away.

“I’m sorry, I’m late ... Uh ...”

The lawyer spoke as he wiped the sweat on his forehead with a handkerchief. However, before he could finish his words, he stopped awkwardly when he saw the scene in front of him.

What was going on?

“Have a seat.”

The lawyer’s appearance put everyone in the yuan family on guard. Lin Hanxing, on the other hand, still had the same calm expression, as if it was the last calm before the storm ...
