

Goodnight 1501

[Chapter 1501](#)

1501 I was too immersed in my character (3)

Song Chenxi coughed a few times, and even her throat was filled with the strong smell of blood.

The pain seemed to want to empty her.

“Gong Chen ...”

She used all her strength to spit out these two words softly. The others couldn’t hear it clearly, but Gong Chen’s eyes trembled slightly when song Chenxi called out his name.

“I ... I’m pregnant.”

When these words came out of song Chenxi’s mouth, it was like a tornado had risen from the ground. Gong Chen’s heart was struck hard. He even took a few steps in her direction involuntarily!

Song Zhiyun’s expression changed immediately!

She never thought that her sister would say these words!

She looked at Gong Chen nervously. The shock and joy that flashed across his face were like needles that pierced into song Zhiyun’s heart. At the same time, she felt a sense of danger.

Gong Chen’s cold and thin lips trembled.

“Chen!”

Song Zhiyun’s shrill voice pulled Gong Chen back to reality, and all the expressions on his face disappeared in an instant.

“Song Chenxi, don’t joke about this!”

In the end, he responded like this.

It was as if time had stopped. Song Chenxi’s body temperature dropped in an instant. It was only a short three to five seconds, but to her, it felt like a lifetime.

“Yes ... I was just lying to you.”

She leaned there, her back straightened stubbornly, and the corners of her mouth curled up slightly.

It was just like the distance between them every time she faced Gong Chen.

“Mr. Gong ...”

“Song Zhiyun!”

The kidnapper’s boss had just opened his mouth when Gong Chen interrupted him. The moment those three decisive words left his mouth, everything was settled.

Upon hearing this, the leader of the kidnappers subconsciously turned to look in song Chenxi’s direction.

With a single glance, his subordinates went forward to untie song Zhiyun. Almost at the same time, song Zhiyun ran in Gong Chen's direction.

She burrowed into his arms!

His entire body trembled uncontrollably as if he had been reborn.

Luckily!

Fortunately, Chen had chosen him!

Fortunately, he did not believe his sister's words!

Gong Chen protected song Zhiyun with one hand, but his eyes were locked on song Chenxi's pale face, as if he wanted to take another look.

One more look!

On the other hand, song Chenxi had already closed her eyes the moment he looked over, hiding all her emotions.

"I hope that Mr. Gong will not regret this decision today in the future."

The leader of the kidnappers spoke slowly, and his men had already picked up the US dollars on the ground. Their eyes were full of greed that could not be hidden.

"Send someone to collect the remaining payment with me. Also, don't touch song Chenxi!"

The veins on Gong Chen's forehead bulged, and he couldn't control the strength in his arms. Song Zhiyun felt the pain but gritted his teeth and didn't make a sound. He weakly lay on Gong Chen's chest.

The leader of the kidnappers waved his hand and one of them followed.

"Please!"

Gong Chen knew that he should take song Zhiyun and leave this place as soon as possible. Then, he would rescue Chen Xi with Lin Hanxing as soon as possible.

But ...

He stopped in his tracks.

He turned around and looked at song Chenxi, who was half-covered by the blanket.

Song Zhiyun couldn't help but tremble with guilt.

It was as if he was afraid that Gong Chen would go back on his word at the last moment!

In the next second, song Zhiyun fainted in Gong Chen's arms.

Chen, if you choose to leave me one day, please don't look back.

Why?

Yingluo, because I won't wait for you here anymore.

Gong Chen, the moment you made your choice, we couldn't go back to how we were.

Between you and me, I was too immersed in my character.

That's why I lost so badly.

Song Chenxi looked at him.

The corners of his mouth slowly curled up into a self-deprecating smile.

[Chapter 1502](#)

1502 Starfire

For a moment, Gong Chen didn't dare to look her in the eye!

He looked away and picked up the unconscious song Zhiyun. This time, he didn't stay any longer. He turned around and walked steadily towards the exit.

He knew that song Chenxi was still looking at him.

But Gong Chen no longer had the courage to turn back!

In the dust, Gong Chen's figure finally condensed into the last speck in song Chenxi's pupils. Then, it completely dispersed and disappeared.

"He's gone,"

The leader of the kidnappers reminded.

Song Chenxi's lips moved.

"Let go of my hand."

The pain and tears just now seemed to have never existed. In just a moment, song Chenxi returned to her usual indifference.

The leader of the kidnappers did not say anything.

"What, you're afraid I'll run away?"

Song Chenxi looked at him, and her pupils had turned as black as ink.

It made people feel extremely dangerous.

"I've lost so much blood. It's a miracle that I'm still alive to talk to you ..."

She looked at the other party, and there was no emotion in her words.

"Escape? You're overestimating me!"

The boss stared at song Chenxi for a long time before he pouted at his subordinate beside him.

The subordinate hurriedly walked over. The moment he pulled the blanket away, he felt the difference in weight. When he took a closer look, he saw that Song Chenxi's blood had already soaked the core of the blanket.

"Mother of God!"

The man threw the blanket away and almost jumped up in shock.

On the contrary, Song Chenxi looked at the other party indifferently.

"Trash!"

The leader of the kidnappers took a knife and walked towards Song Chenxi. He bent down and cut open the things that were binding her. He spoke as he moved.

Director Song, you're quite a ruthless person. I'm impressed!

Song Chenxi ignored him and moved her stiff wrist in silence, as if she could not feel the pain. The more she did this, the more she gained the respect of these men.

"Do you have a cigarette?"

In reality, Song Chenxi was not as calm as others thought.

However, another matter was brewing in her heart.

"CEO Song, you smoke?"

The boss was interested in waiting for the money. After all, she didn't seem to be able to hold on for long. Once the money was in their hands, the brothers immediately ran away.

It was a pity that the man with the surname Gong was too blind. In the end, he still took second Song away.

But ...

Wasn't this what they had agreed on with the second Princess Consort?

"In ancient times, there was an ending meal. Can't I smoke a cigarette to send me to my death?"

Song Chenxi was still leaning against the wall. Her self-deprecating tone made the group of people not suspect him at all. Besides, who would really care about a woman who was bleeding and half-dead?

After a while, the cigarette and lighter were thrown in front of her.

"Director Song, you're good at everything, but you have bad taste."

Even they could tell that second Song was a B * tch, but someone else couldn't.

"Yes, I'm blind."

Song Chenxi's hands trembled as she held the cigarette and the lighter in her hands.

That's right. After you finish this cigarette, I'll leave your corpse intact. It's the last bit of dignity I'm leaving for you, Director Song.

The words of the boss of the kidnappers clearly showed that he was not prepared to leave anyone alive. The moment he got the money would also be the moment song Chenxi died.

Song Chenxi did not say anything. She just played with the lighter in her hand.

Her long eyelashes trembled slightly.

Yingluo, put your hand on my shoulder and I'll take you away.

Yingluo, I'll be with you. You don't have to worry about anything.

Yingluo, even if the whole world betrays you, I'll be by your side.

"How about I leave your corpses intact first?"

As soon as she finished speaking, the lighter in song Chenxi's hand was lit and she threw it at the gasoline can that song Zhiyun had opened earlier.

With a boom, a three-meter-tall flame was ignited!

[Chapter 1503](#)

1503 Sighing one after another (1)

Five minutes ago.

Lin Hanxing stood alone in the wind, staring coldly at the abandoned warehouse's exit. No one dared to approach her because she no longer suppressed her anger.

This was something that had not happened for a long time after she married Lei Xiao.

"How long has it been?"

She opened her mouth, her voice cold as ice.

"Nine minutes."

It was the Thunder valiant beast's voice.

Lin Hanxing turned around.

Lei Xiao came directly from the corporation, his cold face made people unconsciously make way for him. She asked him to walk to her side to comfort Lin Hanxing's heart.

I'll give Gong Chen one more minute. If he doesn't come out by then, we'll follow our original plan and attack them by water.

Lin Hanxing was talking to Zuo Xiangdong.

She had given Gong Chen a chance for Chenxi's sake, but that didn't mean she trusted him!

In fact, the only people she could trust in this world were ...

There were very few of them!

“Hanxing,”

Lei Xiao’s voice was deep and mellow. The news of her leading people into the gong family and the royal family today had already spread throughout the entire snow orchid. He had suppressed the news single-handedly and did not cause a larger spread.

He placed his large palm on the back of her hand, but it was cold to the touch.

This only meant one thing ...

Lin Hanxing was not as calm as he looked!

Without saying a word, Lin Hanxing silently leaned back against Lei Xiao, just like every time the two of them walked hand in hand. It was as if this was the only way to erase the uneasiness in his heart.

Time passed by.

The sound of the needle moving that was not supposed to be heard from the watch grew louder in Lin Hanxing’s ears.

Drip, drip.

Three seconds ...

Two seconds ...

One second ...

“He’s out! It’s out!”

Suddenly, Jiang Xibao’s surprised voice was heard.

Lin Hanxing looked over.

In just a moment, she narrowed her eyes dangerously.

The chilliness that had slightly dissipated due to the arrival of the Thunder valiant beast once again descended like a Blizzard, and it was even more intense than before!

Even thunder valiant beast frowned.

Jiang Xibao, who had been so happy just now, felt as if his throat was stuck ...

The voice stopped abruptly!

This was because everyone could clearly see that Gong Chen had carried a person out, and that person was obviously not Chenxi!

Soon, Lin Hanxing’s expression returned to normal.

He walked in Gong Chen’s direction.

“Who is she?”

Lin Hanxing didn’t even look at the person in Gong Chen’s arms. His cold eyes fell on Gong Chen’s face.

“Move!” He shouted.

At this moment, Gong Chen deliberately avoided Lin Hanxing’s eyes.

Gong Chen, I’m asking you who she is!

Lin Hanxing’s powerful aura suddenly burst out!

“Didn’t you see it? What else do you want me to say ...”

Before Gong Chen could finish his sentence, a fierce slap had already landed on his face!

“Mr. Gong!”

When Gong Chen’s subordinates saw that he had suffered a loss, they immediately wanted to rush over.

I’ll take the life of anyone who dares to come over!!!

It was as if Lin Hanxing had eyes in the back of his head, he growled without turning his head.

Lei Xiao shot a cold look at them, and the people on the outside silently surrounded the other party, making it impossible for them to get close!

“Say it! Who is she?”

Compared to now, Lin Hanxing, who had barged into the Gong’s group with a group of people, could be said to be like a spring breeze!

At this moment, her face was frosty, and her eyes, which were like an ancient well in winter, had an indescribable chill. Even the group of men present, who were experienced and knowledgeable, trembled with fear.

Gong Chen’s face was still in the same position as Lin Hanxing’s slap, his thin lips tightly pursed!

“Chenxi’s condition is better than Zhiyun’s ...”

“Shut up!”

Lin Hanxing was furious!

[Chapter 1504](#)

1504 Sighing one after another (2)

She wasn’t song Chenxi, who didn’t even want to hear a word of his nonsense!

Lin Hanxing’s eyes turned to song Zhiyun, who was in Gong Chen’s arms. The woman who had ‘fainted’ almost instinctively stiffened.

He was like a prey in the forest that was being targeted by a beast, not daring to move at all!

However, once Lin Hanxing’s anger was ignited, how could he control it?

There was still a lingering pain in her palm from when she had used all her strength to slap Gong Chen. However, even so, she couldn’t extinguish the monstrous fire in her liver!

“Oh, good! That’s good!”

Gong Chen had easily wasted Chenxi’s life for this woman!

He had eyes but failed to see!

He was really blind!

In the next second, Lin Hanxing reached out his hand at lightning speed. No one saw how she did it. Song Zhiyun, who was still lying in Gong Chen’s arms, screamed and was pulled down by her long hair.

After a muffled thump, song Zhiyun fell to his knees.

“Lin Hanxing!”

Gong Chen’s expression changed, but before he could get close, he was blocked by Lei Xiao’s cold face!

Lin Hanxing turned a deaf ear to Gong Chen’s shouts. In order to make it easier for her to drag song Zhiyun’s long hair, he wrapped it around her hand and forced her to kneel in front of him.

“Release me! Let me go, Lin!”

Song Zhiyun’s torn neckline split open even wider due to her struggle, and the bruises on her body made it obvious what she had encountered inside.

As soon as he finished speaking, he felt a cold and sharp pain on his cheek!

After realizing what it was, song Zhiyun didn’t dare to move.

Lin Hanxing had taken off his earrings.

The originally beautiful jewelry was now completely exposed because the diamond had been removed. The sharp tip was stuck to song Zhiyun’s side profile, but Lin Hanxing’s eyes revealed even more murderous intent when he looked up!

“Gong Chen, actually, Chenxi has been hiding a few things from you ...”

“The first one ...”

Lin Hanxing sneered, but the smile did not reach his eyes.

“The reason why Chenxi agreed to exchange her kidney for this marriage ...”

As she spoke, her hand slid across song Zhiyun’s face.

A cold light flashed, and the smell of blood burst out!

Song Zhiyun suddenly screamed, his eyes flickering with fear!

“It’s because she’s about to die!”

and the first reason why I came to country G is because she asked you to kill her with your own hands to complete the original plan!

Lin Hanxing was already prepared to go against the contract, but who knew that by a freak combination of factors, the outcome would still come to this!

“What did you just say?”

All the blood in Gong Chen’s body seemed to have frozen at this moment!

Ran ran, do you know that if Zhiyun doesn’t get the operation done, she’ll die!

But Yingluo isn’t dead yet!

Actually, Wanwan, if possible, you’d rather I die ...

Yes! If your death can help Zhiyun recover, song Chenxi, I wish you could die immediately! I’ll definitely celebrate!

“You’re talking nonsense!”

Gong Chen’s eyes instantly turned scarlet red, and his entire body exploded like a wounded beast!

He didn’t even care about song Zhiyun, who was wailing in pain as his face bled!

“Didn’t she already tell you?”

Lin Hanxing said in a cold and sarcastic tone.

“But you never believed me!”

From! Come! No! Trust!

Lin Hanxing’s lips slowly curved into a cruel arc as he looked at Gong Chen’s pale face with satisfaction.

“She’s ...”

He pointed his finger at his head. In his mind, the first image he saw song Chenxi in Jiang city appeared.

“In order to save you, there was a bullet that couldn’t be removed lying there!”

[Chapter 1505](#)

1505 Sighing one after another (3)

“No!”

Gong Chen’s eyes were filled with shock. His pupils suddenly contracted, and his body trembled violently.

At first, it was just a little bit, but later, almost everyone could see it with their naked eyes!

“She won’t die!”

He retorted angrily, not willing to believe what Lin Hanxing had said. What followed was a severe pain in his head, more severe than any other pain he had experienced in the past few years!

“You’re lying to me. The person who saved me was Zhiyun!”

Lin Hanxing looked at the veins on Gong Chen's forehead, and his smile became more and more mocking.

"The second thing is that she's pregnant!"

As soon as he finished speaking, Lin Hanxing crossed the wounds on song Zhiyun's face again. He even forced song Zhiyun, who was screaming in pain, to look up so that Gong Chen could see him clearly!

Song Zhiyun knew that his face was disfigured by Lin Hanxing's own hands. What terrified her even more was the truth that she had personally exposed!

All these years, song Zhiyun knew his sister's personality. Who would have thought that one day, an outsider would expose everything!

"Chen, save me ..."

Song Zhiyun broke down and cried.

However, no one cared about how she felt!

"The bullet in her head made song Chenxi feel like she was walking on a tightrope ten thousand meters in the air. But you F * cking made her pregnant!"

The pain that song Chenxi couldn't say was coming from her!

Yingluo, I'm ... Pregnant.

Song Chenxi, don't joke about this!

Yingluo, yes ... I was lying to you.

With a loud bang, cold sweat seeped out of Gong Chen's forehead.

She had told him before!

She had clearly told him just now!

But he didn't believe it!

What did he do?

He had chosen song Zhiyun in front of Chenxi and pushed her into the abyss with his own hands!

"What did you want to say to me when you carried song Zhiyun out? Chenxi's condition was much better than song Zhiyun's? Do you really think that she won't be sad if she doesn't cry or throw a tantrum?"

Lin Hanxing couldn't bear to imagine what Chenxi was thinking when she chose song Zhiyun and left her alone in that cold and dangerous abandoned warehouse!

"Gong Chen, I've never believed you!"

because of Chenxi, because I know she's waiting for you. That's why I gave you this most important opportunity. And what did you give her???"

Her subordinates were already moving toward the waterway as planned.

However, he had still missed the first opportunity!

Lin Hanxing tried to abandon his rationality and believe in Chenxi's choice ...

But this man was not worthy!

"Chenxi!"

Gong Chen's cold face was pale and flustered. The taste of blood was churning in his throat, and his forehead was throbbing as if it would explode in the next second.

"Stop him!"

One sentence, a hundred responses.

Did he really think that he would have another chance?

Gong Chen, there's a third matter. Didn't the woman you saved tell you? "

The cold light in Lin Hanxing's hand fell again, as if he was going to dig out a piece of song Zhiyun's flesh. The woman, on the other hand, was sprawled on the ground, panting more than she was panting.

If Lin Hanxing's hand was not still wrapped around her hair, she would have fallen down!

"She already knew that Chenxi was going to die, but she no longer had the patience to wait. That's why she conspired with the second Princess Consort in the heavy rain last night ..."

Gong Chen turned his head in disbelief and looked at song Zhiyun, whose side profile was a bloody mess. It was as if his entire world was about to collapse.

"When you brought song Zhiyun out, did you ever think that the people inside would let Chenxi off? Will he ..."

Hurt her?

"Gong Chen!"

A sudden braking sound was heard, and a heart-wrenching male voice exploded in everyone's ears at the same time!

[Chapter 1506](#)

1506 I love her (1)

Gong Yun abandoned the carriage and ran over. When he saw the scene in front of him clearly, he understood what was going on. The blood in his body boiled as he punched Gong Chen's face with bloodshot eyes!

Gong Chen's oral cavity was immediately torn apart and blood was seen!

"If I had known that this day would come, I wouldn't have not fought for anything!"

He was furious.

But more than that, he felt regret.

Upon hearing this, Gong Chen suddenly raised his head and looked at him!

However, even fiercer punches landed on Gong Chen's face one after another!

Gong Chen, the reason I want the gong Corporation is that I want to stand in front of her with an upright identity. I love her. I love song Chenxi!

The qi and blood that surged up made Gong Yun's eyes turn red.

"Shut up!"

Gong Chen's mouth was filled with the taste of blood. The intense pain in his temple made his facial features look even more distorted!

ninth young lady!!!!

Suddenly, Bai Xi's cry of alarm barged in.

"Fire! The warehouse is on fire!"

At first, it emitted black smoke, and then there was a crackling burning sound in the air.

This was an unforeseen event that no one expected!

"Chenxi! Chenxi is still inside!"

Yingluo, I didn't ask you to hurt anyone!

Yingluo, you can't choose your birth, but you can choose what path you will take in the future!

Gong Yun ran towards the abandoned warehouse without thinking, her eyes filled with madness!

That was his life!

Gong Chen's mind went blank as he looked at the flame that had suddenly appeared. All the images he saw were the tears that song Chenxi had burst into when she suddenly looked at him.

What was she thinking at that time?

"It's Chenxi!"

Inexplicably, Lin Hanxing's heart trembled as he looked at everything in front of him.

The hand that was still wrapped around song Zhiyun's long hair gradually loosened, allowing the woman to fall to the ground like a broken rag.

Her intuition told her that this was Chenxi's own choice.

She did not want to live anymore.

She understood her, and that was why she felt even sadder!

It was as if he was recalling his memories ...

She was like aunt Mian, who waited under the longan tree with si Nian's photos every day when her life was almost up.

Deep love does not live long, extreme wisdom will hurt.

Bai Xi and Jiang Xibao couldn't control their tears. The fire spread too fast. It took less than half a minute from the time the smoke was discovered to the time the fire rose to the sky.

"Everyone, extinguish the fire at all costs!"

In the raging flames, the cold light in Lin Hanxing's eyes was illuminated. Before she could say anything, Lei Xiao, who was beside her, had already given her an order.

At dawn, only when one was alive could they see hope.

If he died, he would have nothing!

"Also, stop him!"

His cold gaze turned to Gong Chen, who was staggering to his feet and trying to rush into the fire.

She had given this person a chance because of Chenxi!

After today, there would not be a second time!

Never again!

.....

The moment Gong Yun rushed in, he felt the heat of the raging flames coming at him. However, he didn't care about his own danger and just charged in.

"Chenxi, Chenxi, where are you?"

Billowing black smoke gathered above, and Gong Yun could no longer open her eyes after a while. She could only lower her body as much as possible and run inside.

The flames burned Gong Yun's skin, and the crackling of the fire exploded in his ears.

This warehouse had been in disrepair for a long time. No one knew how long it could last, but Chen Xi would be in danger if she stayed here for one more minute.

"Chenxi!"

Gong Yun's heart was beating fast. The path that could have been completed in seconds in the past had become a difficult hell because of the fire and smoke.

God, I'm willing to use everything I have to exchange for her.

I beg you.

[Chapter 1507](#)

1507 I love her (2)

Perhaps his prayers had been heard by the heavens. A gust of wind from somewhere guided the flames in a single direction.

Gong Yun's breathing stopped and she ran away without thinking!

The closer he got, the stronger the smell of gasoline became. Sparks flew and the burning speed was extremely fast. The man's painful screams followed.

The thick black smoke and poisonous substances made it hard for people to open their eyes, but even so, Gong Yun was able to identify the direction based on his howls!

Hell on earth!

As it was the initial point of fire, the fire here was much stronger than the outside. The sound of glass breaking due to the high temperature rose and fell, and this also caused a large amount of air to pour in at the same time, further strengthening the fire.

"Chenxi!"

The moment she saw song Chenxi, Gong Yun's blood froze.

She was lying quietly in the corner!

Gong Yun ran over without a second thought and hugged the silent song Chenxi tightly.

Perhaps it was God's blessing, the place where song Chenxi fainted happened to be in the blind spot of the fire. Lin Hanxing's men were obviously close to the warehouse and the fire extinguishing measures were activated.

But ...

Compared to the uncontrollable fire, these measures were like a cup of water on a burning cart of firewood!

"Chenxi, don't be afraid. Chenxi ..."

Previously, due to the surge of adrenaline, Gong Ming did not feel any pain at all. It was only when she hugged song Chenxi that the intense pain surged.

Gong Yun's back and arms were burned by the fire, and large blisters appeared on them.

However, he could not care about that. He only lowered his trembling hands to carefully check on song Chenxi's injuries.

The smell of blood came from her body, so strong that even in the fire, Gong Ming could smell it clearly.

Song Chenxi was lifeless.

Her long, closed eyelashes cast a shadow on her face.

Her body was covered in blood.

Gong Yun didn't know what to do, and her face turned pale.

“Chenxi ...”

He hugged her tightly.

Song Chenxi, on the other hand, was like a broken doll that would break with a single touch.

“Chenxi, I was wrong.”

I shouldn't have changed Gong Chen's memory for my own selfish reasons. I'd rather let the two of you be together than let you lie here covered in wounds.

Perhaps Gong Yun had never thought that a mistake made by a single thought would hurt him so deeply.

Even though they were in the midst of the raging flames, song Chenxi's body was still cold. Gong Yun carefully protected her in his arms, trying to find a way to escape from the harsh environment.

The sound of glass breaking due to the high temperature was still heard.

Gong Ming hugged song Chenxi tightly, not allowing the fire to touch her at all. Large beads of sweat rolled down her face, which had been blackened by the smoke, and splashed on song Chenxi's collar.

His deep eyes fell on the deformed window frames that had been burned by the fire. With the current situation in the abandoned warehouse, unless someone outside could help, he could not send Chen Xi out at all.

“I can't determine miss song's location!”

Suddenly, Gong Yun heard a voice, causing him to raise his head and look at the deformed window that was as tall as a person.

“Here! Chenxi is here!”

He tried his best to let his roar spread.

After a few seconds of silence, there was finally a response.

Gong Yun, who had placed all her attention on the outside world, did not notice that song Chenxi's fingers, which had been hanging by her side, trembled slightly.

She heard someone calling her name.

She opened her eyes weakly. In the heat, song Chenxi saw a familiar face.

[Chapter 1508](#)

1508 I thought I was not good enough

“You guys take her out first!”

Gong Yun's furious roars were clearly transmitted to song Chenxi through the trembling resonance in her chest.

Even a man like him couldn't stand such a high temperature, let alone her!

the window frame is deformed. It will take time to break it down!

Hearing this, Gong Yun subconsciously lowered her head and accidentally looked into a pair of eyes.

Gong Yun's heart trembled violently.

Their Adam's apple moved up and down, and for a moment, they were speechless.

"Don't be afraid."

Finally, his hoarse voice reached song Chenxi's ears.

Carefully.

"I'm not afraid ..."

Song Chenxi was so weak that she looked like she would disappear from Gong Ming's arms in the next second. The light of the fire reflected on their faces.

"I was the one who set this fire,"

Her voice froze his blood.

He seemed to want to say something, but his thin lips could not stop trembling.

"Do you ... Hate us that much?"

The corners of song Chenxi's lips curled up slightly, but her eyes were indifferent.

Hate?

He didn't hate her.

Don't you hate me?

Hate.

The sound of forced demolition came from above their heads and woke Gong Ming up. He suddenly wrapped her in his coat and avoided her head.

The dry, masculine scent filled the air.

hate me all you want. If hating me can make you happy, I'll give you my life!

Gong Yun's eyes were burning.

His top priority now was to bring her out safely.

Song Chenxi smiled and did not comment.

Due to the excessive blood loss, her entire body was cold.

"Gong Yun, I don't want your life. You can leave."

There was still time to go out now.

"Gong Chen's memory has been switched by me and song Zhiyun!"

Gong Yun stared at the window.

He could clearly feel the body of the person in his arms stiffen.

all of his memories of being with you were replaced with those of him being with song Zhiyun. That's why Gong Chen has been so cold and cruel to you all these years!

Song Chenxi looked at him.

and song Zhiyun even asked the hypnotist to put a psychological suggestion on Gong Chen at the end. As long as you get close to him, Gong Chen will show an obvious rejection reaction.

Gong Yun laughed bitterly.

In the past, he had watched coldly from the side and even indulged in his own selfish desires. In the end, it had become the shackles that had backfired on him, causing him to suffer the consequences of his own actions!

Chenxi, you haven't seen the retribution for song Zhiyun and I with your own eyes!

So, how can you stay here?

Song Chenxi's pupils trembled slightly. Perhaps her heart had long been numb, but she could not react at all.

The scenes of her and Gong Chen over the years flashed past her eyes.

The grievances of being loathed and the hurt of being abandoned time and time again, in the end, only transformed into a sigh from song Chenxi.

"I thought I wasn't good enough ..."

So, it was only like this ...

Gong Yun's heart seemed to be clenched by a pair of invisible palms.

It was so painful that blood was spurting out!

Why did he allow song Zhiyun to do such a thing?

She was able to abandon everything to go to Gong Chen's side when he was blind and exiled by the gong family!

He was also able to stand in front of Gong Chen when he was in danger!

How could he forget how stubborn and obsessed Chenxi was?

"You're good, Chenxi. You're really good!"

You're the best woman I've ever met in this world!

It was so good that the vines in my heart grew wantonly, dark and crazy!

"So don't die! Chenxi, I beg you not to die!"

Gong Ming placed her forehead on song Chenxi's cold forehead. Even though there was a fire everywhere, her body temperature was still frighteningly low.

"Fate is always like this ... Love ... Love to joke ... With people ..."

Song Chenxi's long eyelashes trembled slightly, and her eyes were all misty.

"I ... Don't ... Want to play with you guys ..."

She chuckled and slowly closed her eyes.

[Chapter 1509](#)

1509 The setting sun is infinitely beautiful, but it's close to dusk

"Chenxi!"

Almost at the same time, with a loud bang, the demolition was successful, and the rescue team began to enter. However, just as they approached the two people, an angry roar exploded without warning!

"Don't even think about leaving!"

The man, who had been burned to a bloody mess, ran towards them with flames all over his body.

This man was the boss of the kidnappers!

When Gong Ming confirmed that song Chenxi was safe and protected by the rescue team, he rushed towards the leader of the kidnappers without thinking and hugged him by the waist, preventing him from getting close.

The raging fire burned Gong Yun's skin. Furthermore, that person was still aiming for his head. It was obvious that he was going to kill!

take her away!!!

Gong Yun turned around and roared. Then, in the same position, he carried the man and rushed towards the place where the fire was the fiercest.

Chenxi, you have to live well ...

.....

This fire seemed to want to burn the sky of Xue LAN red!

On the way from the abandoned warehouse to the hospital, the people from Huaji and Yun Ding casino escorted them all the way. The entire road was under martial law, and the traffic lights were completely set up.

Outside the hospital's emergency room.

Song Chenxi's condition was not good.

It had even reached the point where the doctor could only rely on massive blood transfusions to delay the passing of her life.

Her signs of life were extremely weak.

Even though all the medical elites of Xuelan were gathered here, no one could guarantee how long song Chenxi could last!

Lin Hanxing looked at the red light of the operating room, expressionless.

Everyone's nerves were tense.

Jiang Xibao could not help but stand in front of the window in the corridor and stretched out his hand to pray, hoping that God would bring good news.

Even Bai Xi, who didn't believe in ghosts and gods, started to imitate her.

"It's my fault."

Lin Hanxing said.

Lei Xiao turned his head to look at her, frowning.

Under his palm, Han Xing's hand was so cold that it didn't have any temperature.

I clearly didn't trust him. Why did I give the choice to that person? "

Lin Hanxing and Lei Xiao looked at each other, their eyes filled with sorrow.

Lei Xiao reached out and pulled her into his embrace, his large palm caressing the back of Lin Hanxing's head.

"Sacred hands is about to arrive."

He had already asked Yun Bai to rush to the airport and was just waiting to pick up the sacred hand as soon as possible.

The emergency room door suddenly opened.

The doctor's expression was grave.

"Miss song's condition is not good. The strong impact caused the placenta to peel off and bleed profusely. If the bleeding can't be stopped, we suggest ..."

The doctor raised his head and looked at Lin Hanxing.

"Remove two-thirds of the uterus."

The temperature in the corridor dropped to freezing point.

Lin Hanxing's lips opened and closed a few times, but there was no sound.

"Don't use it unless you have no other choice."

Lei Xiao spoke on Lin Hanxing's behalf with the cold authority of a superior.

This decision was too difficult to make, and he didn't want her to have any psychological burden.

“Also ...”

The doctor hesitated for a moment before taking out his phone.

these are the bruises left behind by miss song’s abdomen from an external impact. I think miss Lin needs to take a look.

After Lin Hanxing had a clear look, the doctor put on his mask again and turned around.

Almost at the same time, Lin Hanxing leaned his back against Lei Xiao’s chest. He closed his eyes and the aura around his body was as cold as ice.

Song Zhiyun!

What a song Zhiyun!

The footprints left behind on the abdomen were those of a woman!

To be able to leave such a heavy mark even with clothes between them, it meant that when Gong Chen made his choice, Chenxi had already begun to lose blood!

How did Gong Chen manage to make it so that nothing could be seen?

When he opened his eyes again, Lin Hanxing’s gaze fell outside the window.

The orange sun was setting in the West.

Heavy footsteps suddenly came from the corridor.

Not far away, Gong Chen, dressed in black, appeared in a grandiose manner with his people!

[Chapter 1510](#)

1510 She’s never let you down

Lin Hanxing, who was lying in Lei Xiao’s arms, showed no expression at Gong Chen’s appearance. On the contrary, Lei Xiao’s cold eyes glanced at a certain spot, and soon, a subordinate appeared silently and stood between the two groups of people.

Gong Chen’s men were just ordinary bodyguards, so how could they be a match for Lei Xiao’s men? however, they didn’t dare to back down without orders.

“Gong Chen, you still have the face to come here?”

Bai Xi was the first to explode.

That bright and beautiful face was filled with anger. The person she didn’t want to see the most right now was the one in front of her!

Gong Chen didn’t even look at her. His eyes were fixed on Lin Hanxing’s face.

“I want to take her away!”

Lin Hanxing laughed when he heard this.

She waved her hand, and Thunder Valiant's men automatically made way for her.

Lin Hanxing walked up to Bai Xi and wiped the tears off her face.

"You're taking her away?"

At the same time, he spoke indifferently.

It was like the chill of spring, giving people a chill at the most unexpected time.

It was obvious that Gong Chen didn't even know that Chen Xi was on the verge of death in the emergency room.

"Who Do You Think You Are?"

Lin Hanxing raised an eyebrow. Her icy, beautiful eyes fell on Gong Chen's face.

Upon hearing this, Gong Chen's bodyguard's expression changed drastically!

"I will invite the world's top experts to treat Chenxi's burn!"

Burn?

Just how laughable were those words!

do you think that she's only lying here with simple burns? "

Lin Hanxing's words made Gong Chen's heart skip a beat.

When Chen Xi was rescued, Lin Hanxing's men had protected her so tightly that Gong Chen couldn't even get close to her. He could only see her from a distance, but he couldn't see her clearly at all.

"What do you mean by that?"

Gong Chen's eyes suddenly turned sharp!

"Chenxi is bleeding profusely and is about to die!"

Jiang Xibao sobbed as he spoke. He tapped on the screen of his mobile phone and showed the photo he had just taken to Gong Chen.

"This is what the woman you saved left on her!"

Gong Chen's blood froze in an instant, but a moment later, it all rushed back to his brain.

His heart was beating rapidly.

"Chenxi's condition is much better than song Zhiyun's?"

Lin Hanxing did not stop Jiang Xibao's actions. Instead, he threw Gong Chen's exact words back at him in a mocking tone.

she was already bleeding when you chose song Zhiyun in front of her!

She's never let you down, but you're forcing her to a dead end.

“At that time, you really didn’t notice that she was different?”

If Gong Chen had been more careful, more careful, would he have been able to notice Chenxi’s abnormality?

Gong Chen was silent from Lin Hanxing’s interrogation.

He did smell blood, but he thought it was from song Zhiyun. He subconsciously felt that song Zhiyun was more injured than Chenxi, so he gave up on her!

He was the one who gave up on her!

An intense throbbing pain and self-blame began to spread.

As the two groups of people were confronting each other, another dull and hurried footsteps sounded in the corridor.

The sacred hands had finally arrived!

“What’s the situation now?”

Although he had already received news from various parties along the way, sacred hands still seized every second to understand the situation. He did not even bother with small talk.

The Thunder valiant beast’s deep voice resounded.

With his superb memory, he repeated exactly what the doctor had said when he came out. His calm voice, however, gave Gong Chen a bone-chilling chill!

Chenxi might die ...

This was the first time he was so clear about this problem!

the location of the bullet is already dangerous, and with her current physical condition, it’s not suitable to remove it. I’ll save her life first!
