

## Goodnight 1531

### [Chapter 1531](#)

1531 The Queen

“Who do you prefer?”

Lin Hanxing looked at the list in his hand. All of them were the top supermodels of IM X who were currently active on the International stage. Any one of them would be enough.

you know that there’s only one Queen in my heart!

Even through the screen, Peter’s eyes could not hide the light!

The spring and summer ready-to-wear advertisement that IM X had collaborated with Louis on the brink of crisis had not only changed the fate of the entire IM X, but the long-term cooperation agreement of 20 years had also allowed IM X to easily gain a foothold in the modeling industry.

With a single leap, he stood at the top of the pyramid.

This was something that Peter would never have thought of back then!

Until today, Peter’s blood was still boiling when he recalled his success.

Lin Hanxing did not say anything.

The commercial she had shot for Louis was just for fun, and she had no intention of going deeper into the industry.

Seeing that Lin Hanxing did not respond to his words, Peter could not help but sigh.

It seemed like he wanted to work with his little queen again!

Just as they were talking, a shadow came down.

Lei Xiao’s body was filled with the refreshing smell of a bath. At this time, he had changed into home clothes, and his entire temperament was cold and lazy.

it’s the model Peter sent over. Do you want to take a look? ”

Lin Hanxing raised his hand and touched his man’s chin before he spoke.

After all, he had messed up the model selection last time.

With her hand, Lei Xiao swept it all over.

In the end, her gaze fell on Lin Hanxing’s fair face.

Before he could speak, there was a hurried knock on the bedroom door.

“Ninth young lady.”

It was Bai Xi’s voice.

“Come in.”

Lin Hanxing looked at Lei Xiao and only called Bai Xi in after he was sure that there was nothing wrong.

“What is it?”

If it wasn't an urgent matter, Bai Xi wouldn't have been in such a hurry.

“A reporter sneaked into the hospital and secretly took a photo of Chenxi.”

The news had just reported about it.

Lin Hanxing's eyes were instantly filled with frost.

“Clarity?”

Bai Xi didn't say anything. He took out his phone and pushed it in front of her.

At the very least, he could no longer hide his white hair!

there seems to be a water Army promoting this matter on the internet. Miss Jiu, do you want to deal with it quickly? ”

Bai Xi and Jiang Xibao were still seriously preparing song Chenxi's room. Who would have thought that such a thing would happen?

Other things were still fine, but some people's mouths on the internet were too smelly!

There were all sorts of nasty things to say!

They were really afraid that Chenxi would see it.

Lin Hanxing did not say anything.

Her slender fingers gently stroked the bracelet on her wrist, and every gentle action was filled with anger.

Seeing this, Peter, who was on the other end of the video call, did not dare to say anything.

“Hanxing,”

A moment later, Thunder Valiant's deep voice resounded.

Lin Hanxing raised his head and looked at him.

do you know what the theme of the Lei corporation's high-end cosmetics advertisement is? ”

Lei Xiao extended his hand and passed the folder to Lin Hanxing.

Lin Hanxing was stunned.

Peter, on the other hand, had a rare moment of quick thinking. He perked up his ears and continued to listen.

Under Lei Xiao's deep gaze, Lin Hanxing slowly opened the document in his hand.

When her eyes fell on the theme of the brand advertisement, her long eyelashes trembled slightly.

Bai Xi was almost driven to death by the way they spoke in riddles. Didn't they just talk about Chenxi? Why did they suddenly start talking about some advertisement theme?

Lei Xiao looked at his wife's face and pinched it.

"When the dam bursts, if it can't be blocked, it must be drained."

"You're right."

...

Suddenly, Lin Hanxing chuckled.

"If one person is an isolated alien, what about a group of people?"

### [Chapter 1532](#)

1532 Find her for me

Even though he still couldn't understand what they were talking about, Bai Xi could feel that the atmosphere was obviously different from before!

"Peter ..."

Lin Hanxing, who had already made up his mind, returned his gaze to the screen.

"At any time!"

Looking at Lin Hanxing's expression, Peter's eyes lit up as if he had telepathy. He suddenly became energetic and waited for his little princess to give the order!

CHLA ...

Lin Hanxing tore the direct copy of the spokesperson in two!

help me contact Jennifer and antantuer ...

On the other end of the video call, Peter watched as Lin Hanxing elegantly threw the waste in his hand into the trash can. He put his hands in front of the computer and looked at Peter!

Her heart was beating fast.

Cool!

"Just tell them that I'll personally take on this advertisement!"

With a boom, it was like red Rain falling from the sky. Peter's heart burst with joy at this sudden good news. He couldn't even speak!

In this lifetime, he could finally work with her again, right?

OMG!!!

Peter subconsciously covered his heart with his hand. He wanted to cancel all his work and book a plane ticket to country G!

Immediately!

Immediately!

No one could stop him from running towards his little princess!

The next second, the screen turned black.

ninth young lady, then we ...

In just a few minutes, the matter of Chen Xi's white hair had reached the top of the hot search list. The situation seemed to have developed to an uncontrollable point!

Lin Hanxing sneered.

"Of course it's to find him!"

.....

Downstairs.

Yan beixiao was holding a little pig in a Tutu Dress in his arms as he read the news.

"Tsk, I'm afraid something bad is going to happen!"

If someone dared to mess with the Grand Duke, wasn't he afraid that little Hanxing and that wife-protecting demon would eat him?

Just as she was thinking about this, she heard some movement from upstairs.

He looked up and saw little Xingxing in black!

If not for the fact that the big fiend was still there, Yan beiming would have whistled.

There was no other reason other than the fact that Lin Hanxing was too handsome in his outfit!

She was wearing a black v-neck female suit with a short skirt of the same color. Coupled with a pair of high heels, her straight and beautiful legs exuded an oppressive aura no matter how you looked at it!

Zuo Xiangdong had already received the call and was waiting downstairs.

The three Hall Masters of Hua Ji were also with him.

One of them was tied up like a dumpling and was kneeling on the ground, his eyes filled with panic.

"Miss Lin, I've brought the person."

As soon as Zuo Xiangdong opened his mouth, the man who was kneeling on the ground trembled a few more times. He almost peed his pants in front of everyone.

Lin Hanxing slowly walked down the stairs.

In the almost silent space, the clicking sound of heels on the floor was like a death knell counting down, making the whole atmosphere even more tense.

Very quickly, Lin Hanxing stood in front of the other party.

“Don’t be afraid.”

She said indifferently and even smiled.

However, that smile was even more terrifying in the other party’s eyes.

“Who allowed you to sneak into the hospital?”

As he spoke, the two Tibetan Mastiffs, ah Zuo and ah you, slowly strolled over from elsewhere. Like two mighty stone lions at the door, they squatted on either side of Lin Hanxing.

He licked his fur and stared coldly at the man.

The reporter rolled his eyes and almost died on the spot.

His friends had initially advised him not to get involved in this mess, but the other party’s offer was simply too high, and it was impossible for anyone not to be tempted.

Who would’ve thought that before he even got the rest of the money, he would be directly taken away from the night snack stall!

It didn’t even take more than an hour!

“If you don’t say anything, I’ll let the dog out!”

...

Seeing that the reporter was about to cry, Yuan Kang stuck his head out and added.

There was only a Wuwu sound ...

Fine, this time he was really scared to tears!

### [Chapter 1533](#)

1533 I was going to take a picture of you

Lin Hanxing raised his hand and pointed at the reporter.

The mute uncle walked up silently and removed the cloth covering the other party’s mouth.

The Tibetan Mastiffs that were crouching on both sides of Lin Hanxing trembled in fear when they heard a loud howl.

The demonic sound pierced his ears!

“.....”

“.....”

“.....”

It wasn't easy for a man to cry in such a fresh and refined way!

Half a minute passed ...

A minute passed ...

A minute and a half passed ...

“Shut up!”

Seeing that the reporters had no intention of giving up, seven to eight voices rang out at the same time!

It was deafening!

“Burp ...”

The reporter was so frightened that he swallowed the cry that was on the tip of his tongue.

Her red and swollen eyes scanned the angry faces around her, and finally settled on Lin Hanxing, who had been calm and relaxed from the beginning to the end.

“I was going to take a picture of you ...”

The reporter's voice was hoarse from crying, but his words were shocking!

In the next second, a sharp gaze shot straight at his face like a cloud-piercing arrow.

The reporter trembled instinctively.

Wei raised his head, trembling, and quickly met the eyes of the owner of his gaze.

Oh my God, I should just let him die!

The Thunder valiant beast was intimidating. His strong body was like a fatal shadow, ruthlessly covering the other party.

For a moment, the atmosphere in the Li family's Villa was frozen and distorted. Even the people of Huaji who had been in the Jianghu subconsciously swallowed their saliva.

“Originally?”

As he said those words, Lei Xiao's large palm gripped the reporter's shoulder tightly.

It hurts, it hurts, it hurts, it hurts ...

The reporter's face turned pale.

Yan beixiao, who was holding the little pig in his arms, could not help but gloat.

The wife-protecting demon was angry!

“Ah Xiao, let him finish his words.”

On the contrary, Lin Hanxing's expression was calm and he did not look angry at all.

Lei Xiao's cold gaze swept across the reporter, with a hint of warning, before he moved his hand away.

It was as if he had died and come back to life. The reporter's back was drenched in cold sweat.

I've followed you for two weeks and I didn't take any photos. It's not easy for me!

The more the reporter spoke, the more he choked up, as if he was about to start another round of crying.

How would he know that Lin Hanxing really had no dirt on him!

If the employer had not said that he would be killed if he could not take a picture, he would not have posted song Chenxi's photo up in a moment of desperation!

It's hard to earn money, and it's hard to eat sh \* t!

Lin Hanxing's long eyelashes fluttered slightly, his thoughts unknown.

His true emotions could not be seen from his expression.

"Who's the employer?"

Everyone held their breath for a long time before they heard her speak again.

"I don't know! I only have the bank account number of the other party!"

The reporter only wanted to live now. He didn't care about the other party's life!

He quickly gave her a long list of account numbers.

"Liang,"

The Thunder valiant beast's voice was low and deep, causing the hearts of those who heard it to tremble.

"Half a minute,"

Liang yuran's slender fingers flew across the laptop's keyboard, his cold face expressionless, proud and Noble.

In less than half a minute, he had already deciphered all the information about this account.

Then, she lazily returned to the sofa.

...

There was no challenge at all.

The information was then sent to Lin Hanxing.

"Ha."

Who did she think it was?

Yan beixiao hugged the little pig in his arms tightly, and his bladder tightened when he heard that word.

He instantly recalled the fear of being dominated by mining in Africa!

Kidney pain!

“Bai Xi, Xi Bao ...”

Lin Hanxing held the printed piece of information in his hand, a thin smile on his lips.

He picked up the lighter beside him.

With a click, the flame jumped up from the paper!

...

“Let’s go!”

[Chapter 1534](#)

1534 I’m afraid I’ll have to take a detour

Song Garden.

The lights were off, and the villa was quiet.

Since that day two weeks ago, Gong Chen had given all the servants a holiday.

The originally lively Song Garden had turned into a haunted house.

On the second floor.

Gong Chen was lying in a pile of wine bottles. In the environment reeking of alcohol, he looked Haggard, but he was still holding a woman’s suit jacket in his arms.

His time had stopped!

He cut off all contact with the outside world and left all company matters to the Vice President. He turned off his cell phone and never opened the door for anyone.

“Chenxi, I think I’ve gone crazy.”

Gong Chen said.

Ever since that Night of Thunder, it was as if there were two of him in her head.

They were constantly quarreling.

It was so noisy that he could not rest in peace.

Even if he was drunk, the images in his mind would be split into two.

Gong Chen had once experienced the same scene with song Zhiyun, but now it was like a replay with Chen Xi.

He wouldn’t be able to tell which was real and which was fake!

Suddenly, the sky outside the window brightened.

What followed was a clamor, and there seemed to be the sound of drones taking aerial photos mixed in. It was a dream again.

Gong Chen raised his hand and gulped down a mouthful of hard liquor, then smiled sarcastically.

At the same time.

“Miss Lin.”

Zuo Xiangdong, who was sitting in the driver’s seat, turned around.

“I’m afraid we’ll have to take a detour,”

The road ahead was really terrible.

“Ninth young lady, it seems to be ... Song Yuan?”

Bai Xi exclaimed in a low voice and looked at Zuo Xiangdong with uncertainty.

The latter nodded affirmatively.

At this moment, Song Garden was surrounded by the live broadcast vehicles of various major TV stations. The dark night was almost lit up by the lights.

Lin Hanxing did not say anything.

His dark eyes looked at the chaotic scene through the window.

I heard that Gong Chen went missing two weeks ago and no one could contact him. The gong corporation’s operations are only maintained by the Vice President, and everyone is in a state of panic ...

Zuo Xiangdong glanced at Lin Hanxing and briefly explained the recent situation.

Lin Hanxing remained silent.

His eyes were dark.

The others didn’t dare to make a sound.

The atmosphere in the car became more and more tense.

“Zuo Xiangdong,”

Lin Hanxing’s voice was cold, but those who were familiar with her knew that she was furious.

“Yes, miss Lin.”

Zuo Xiangdong answered immediately.

“Switch seats with me.”

“Hmm, huh?”

Zuo Xiangdong answered subconsciously, but he reacted two seconds later.

Change ... Change seats?

However, before he could say anything, Lin Hanxing had already opened the car door and got out.

Behind them, several Hua Ji cars were still following. They clearly didn't know what had happened in front of them and why they had suddenly stopped halfway.

This question was even more obvious when they saw Lin Hanxing get out of the car!

However, before he could ask anything, the people in the back car saw that Zuo Xiangdong and Lin Hanxing had exchanged positions, and the latter was now sitting in the driver's seat.

Zuo Xiangdong, who was forced to sit with Jiang Xibao and Bai Xi, was obviously a little reserved. His burly figure curled up in a small corner, feeling wronged.

"Miss Lin, what are you doing?"

Until now, Zuo Xiangdong still had no idea what she was up to.

Lin Hanxing did not respond, he just stepped on the gas a few times and the car suddenly rumbled.

...

All of this was also noticed by the television station staff who had surrounded the entrance of Song Garden and all looked over.

"Did you buy insurance for your car?"

Lin Hanxing stepped on the accelerator at a steady speed, and his voice drifted into Zuo Xiangdong's ears.

"I'll buy it."

Zuo Xiangdong swallowed his saliva and raised his head to look at the delicate little face in the rearview mirror.

### [Chapter 1535](#)

1535 Then sit tight

As if she sensed his gaze, the beautiful eyes in the rearview mirror met his.

He raised his eyebrows.

Lin Hanxing's action was impudent and handsome.

"Then sit tight!"

As soon as he finished speaking, he turned the car around and rushed straight to the entrance of Song Garden!

Zuo Xiangdong, whose face was stuck to the car window due to inertia, looked at Bai Xi and Jiang Xibao, who had grabbed the handle as soon as Lin Hanxing finished speaking, and his eyes were full of sorrow.

How could they react so quickly!

The rumbling sound of the accelerator could be heard again. The expressionless Lin Hanxing stepped on the accelerator, and the sound was louder and louder, as if it was a warning.

The reporters felt their hearts skip a beat.

He felt that he had seen this kind of style before.

“Don’t you guys think that this means that we should move aside?”

The rumbling sound of the gas engine was getting more and more impatient.

In fact, before this person could say anything, the reporters and staff who had been blocking the entrance of Song Garden had already subconsciously moved away and made way for the most spacious path in the middle.

“Wait, miss Lin, what are you trying to do?”

This time, Zuo Xiangdong did not forget to tie himself up with the seat belt.

What answered him was a car that suddenly sped away like an arrow!

Lin Hanxing made his move almost at the same time the crowd parted to form a path!

It caught him off guard!

Thump!

Like a thunderclap in the clear sky, the black streamlined car with an extremely high bulletproof coefficient crashed into the tightly-shut carved iron door of the song Garden!

Exclamations of shock rang out!

“.....”

Such a valiant way of doing things ...

There seemed to be only one in Xuelan recently ...

Everyone had the same thought in their minds!

F \* ck ...

Although Zuo Xiangdong had been prepared for this, he could not help but feel glad that he had fastened the seat belt for himself after he had experienced it himself.

The expressionless Lin Hanxing reversed the car and rammed into the car again.

The entire movement was done in one go!

Soon, the carved iron door began to deform on a large scale.

It didn’t even last five hits. With a loud bang, the iron door actually fell down on its own!

“.....”

“.....”

“.....”

Absolute silence!

Not to mention five times, if it was anyone else who was driving the car, even if they were given ten more times, they would not be able to break through the iron gate that was as solid as a rock!

Lin Hanxing drove straight into Song Garden.

The others looked at each other and hurriedly ran towards the villa in Song Garden with their machines in order to get first-hand news!

When the car finally stopped in front of the villa, Zuo Xiangdong was the first one to get off.

If it wasn't for his identity as a martial artist, he would have vomited!

Miss Lin was driving at a low altitude speed!

The door of the driver's seat opened.

The black high heels with straps were the first to land on the ground, making a dangerous click.

Her waterfall-like long hair was slightly curled and scattered behind her back, giving off an indescribable beauty and mystery.

Lin Hanxing had one hand on the car door, but the other was looking at the closed door of Song Yuan villa.

The place that should have been brightly lit was now shrouded in darkness. The entire villa was dead from head to toe, and there was not a single trace of human life.

Bai Xi and Jiang Xibao also got out of the car. They looked at Lin Hanxing's side profile and didn't dare to breathe.

“Give up? Unable to recover?”

Lin Hanxing's tone was playful, but his voice was cold to the bone.

“Gong Chen, you're not worthy!”

The cool wind blew, lifting her long hair.

As expected ...

No matter what, he still couldn't mess with women ...

...

Alright!

Zuo Xiangdong shivered in his heart and became more and more certain!

[Chapter 1536](#)

1536 Get up!

“Xi Bao.”

Lin Hanxing looked around, and his cold eyes fell on a decorative water lotus jar at the door.

“Smash it!”

Lin Hanxing raised his hand and pointed at the full-length glass window.

Jiang Xibao walked toward the water lotus VAT without saying anything. Just as Zuo Xiangdong was about to call for help, the fair and chubby little girl lifted the water vat that was almost 50 kilograms of water and water lotuses with her bare hands ...

He raised it up with his bare hands ...

He raised it up ...

He got up ...

The accompanying Hall Masters and their subordinates were all dumbfounded!

His eyeballs were about to pop out!

“Ninth young lady ...”

Just when everyone’s hearts were in their throats and they were ready to witness a miracle, Jiang Xibao tilted his head and looked in Lin Hanxing’s direction. His eyes were filled with hope.

“The almond tofu made by the mute uncle is really delicious.”

Gulp, so greedy.

Jiang Xibao swallowed his saliva.

“.....”

Bai Xi almost burst out laughing.

Sure enough, as long as her little Xi Bao made a sound, horror movies could become comedy movies!

Lin Hanxing’s gloomy eyes flashed with helplessness.

“I’ll let you eat until you’re full this time, okay?”

Lin Hanxing had always been generous to his own family.

Before anyone could react, the chubby little Xi Bao chuckled in satisfaction and threw the big VAT at the clean floor-to-ceiling window at lightning speed!

It was as fast as lightning!

Thump ...

Hualalalala ...

“.....”

“.....”

“.....”

When the group of reporters finally arrived in front of the villa with their equipment, they saw the amazing scene of the floor-to-ceiling window fragments falling to the ground like diamonds!

“What’s the situation?”

“What happened?”

The reporters looked at each other and could not help but ask in private.

The people of Hua Ji who knew the truth from the beginning to the end either looked up at the sky or lowered their heads to the ground.

Almond tofu ...

Hahahahahahaha ...

I don’t know, I don’t know ...

We didn’t see or hear anything!

miss Lin, why did you appear in Song Garden? ”

“Miss Lin, did CEO song’s hair really turn white overnight as the rumors said?”

“Miss Lin ...”

“Miss Lin ...”

Lin Hanxing did not say a word. He stood in the center of the media, his face cold and dark.

“Zuo Xiangdong ...”

Lin Hanxing finally spoke in a low voice.

“Brother Hua Ji, keep them outside. One! We can’t let any of them off!”

After saying this, Lin Hanxing ignored the clamor behind him and stepped into the villa through the floor-to-ceiling glass window. With every step he took, his feet made a cracking sound.

It was the sound of broken glass being crushed again!

In the ears of others, it carried an indescribable domineering air!

Lin Hanxing went upstairs.

There were many rooms, but following the smell of alcohol, she quickly found the room Gong Chen was in.

He reached out and pushed open the half-closed door.

Gulp gulp gulp ...

The liquor bottle rolled on the floor and finally stopped at Gong Chen's feet.

...

He was still wearing the same clothes from two weeks ago.

In the dark room with no lights on, Lin Hanxing looked at the man sitting on the floor with a cold face. A cold aura seemed to be gathering in the air.

Very quickly, she noticed the bottle of whiskey that she had not had time to drink from the corner of her eye ...

Gong Chen, very good!

Lin Hanxing walked over coldly, picked up the bottle of wine, and poured it into Gong Chen's head!

The air that hadn't been processed for two weeks was mixed with the smell of alcohol. For a moment, the smell in the room was indescribable!

The bottle was empty.

"Gong Chen, get up!"

With a crisp sound, the empty bottle broke into pieces on the floor!

### [Chapter 1537](#)

1537 What qualifications do you have?

"Lin ... Hanxing?"

Gong Chen, who was in a daze, woke up for a short while and saw Lin Hanxing in black.

He was looking down at her with cold eyes.

It was as if he was looking at a dead object.

"It's me."

The air pressure around Lin Hanxing was extremely low, and even the words he said were covered in ice.

She walked slowly to the floor-to-ceiling window and pushed the inner fan open. A strong wind formed a convection current from the outside, blowing Lin Hanxing's long hair away and scattering the smell of alcohol in the room!

"Still not awake?"

Lin Hanxing turned around from the floor-to-ceiling window.

Like a Rakshasa of the night, he gave off an endless pressure.

"Who let you in? Get out!"

Gong Chen's expression turned ugly.

Lin Hanxing did not speak, half of his face was immersed in the light.

It was clearly destroyed.

"Xi Bao!"

Just as the atmosphere was in a stalemate, Lin Hanxing said two words to the door.

Jiang Xibao immediately entered the room. After receiving Lin Hanxing's instructions, she stretched out her chubby white hand and pulled Gong Chen up from the ground with a Qi-gathering motion in her dantian!

"....."

After all, he had once carried Liang yuran like a princess. Little Xi Bao didn't care about Gong Chen's fighting strength at all after being drunk and dreaming for so long!

"Let me go!"

Gong Chen's voice was hoarse and unpleasant due to the corrosion of alcohol.

Upon hearing this, Jiang Xibao's movements paused.

She tilted her head and looked at the dejected Gong Chen, then ...

"Neehee~"

Hit me if you have the ability,

"....."

Gong Chen was speechless for a while. He only felt that Lin Hanxing's subordinates were as unreasonable as her!

At Lin Hanxing's signal, Jiang Xibao pressed Gong Chen to the floor-to-ceiling window. With a little force, Gong Chen's body was suspended outside the window!

"Ah ..."

The reporters' screams could be heard from downstairs!

After all, he was the heir of the gong family, so Gong Chen quickly calmed down.

"Lin Hanxing, what are you trying to do?"

Gong Chen was completely awoken by the wind outside the window.

"Look outside!"

Lin Hanxing enunciated every word clearly, as if he wanted him to hear it clearly!

Only then did Gong Chen notice that the originally quiet song garden's entrance was brightly lit. More than a dozen TV station broadcast vans could be clearly seen, and even the downstairs was surrounded by reporters!

"What happened?"

Gong Chen's heart skipped a beat, and a string in his mind instantly tightened.

He knew that there must be a problem somewhere!

"Chenxi? Did something happen to Chenxi?"

That's right. If something hadn't happened to Chenxi, why would these reporters block the entrance of Song Garden? How could Lin Hanxing appear in front of him?

She couldn't wait to drink herself to death!

"Xi Bao."

It was simple. Jiang Xibao pulled back his strength and Gong Chen fell back to the floor.

A copy of today's freshly printed newspaper was thrown at Gong Chen's face before it slid to the ground.

It dispersed with a slap.

At the top of the list was news about song Chenxi.

Gong Chen's pupils suddenly contracted!

He grabbed the newspaper with both hands and carefully read every word on it!

The words 'white hair overnight' and 'white hair from a beautiful face' deeply stimulated Gong Chen's already fragile nerves.

On the other hand, Jiang Xibao felt that his hands were itchy in such a dirty and messy room.

He really wanted to clean up.

She really wanted to clean up.

...

I really, really want to ...

Buzzzzzz!

"How did this happen?"

how could this be!!

Gong Chen's eyes turned red after he said those words!

Why would Chenxi ...

Lin Hanxing laughed coldly when he saw his reaction.

so, what right do you have to stay here and play the game of never rising again? ”

The bone-chilling sarcasm pierced Gong Chen’s heart!

It was so painful that blood was immediately seen!

...

### [Chapter 1538](#)

1538 You must have a way

Gong Chen raised his head and looked at Lin Hanxing with bloodshot eyes.

The big palm clenched tightly, and the newspaper could not bear the weight and made a fragile sound.

“You’ve turned such a big Song Garden into a haunted house! Do you know how many pairs of eyes are waiting to see you and Chenxi make a fool of themselves?”

Through the French window, Lin Hanxing looked coldly at the reporters downstairs.

Those people were like blood-sucking bugs, waiting for Gong Chen’s appearance to compile news and set off a bigger storm!

“I want to activate media intervention immediately!”

Gong Chen’s voice was hoarse as he desperately searched for his phone, which he had left somewhere early in the morning!

Lin Hanxing sneered.

“It’s too late!”

If the media intervention had been initiated in the beginning, perhaps it would have been effective. If they had taken action after everyone’s curiosity had been aroused, it would only have the effect of adding fuel to the fire.

Gong Chen quickly understood what Lin Hanxing meant.

It was indeed too late!

The blood in his body froze, and Gong Chen stood stiffly on the spot ...

He didn’t move!

“You must have a way, right?”

Suddenly, Gong Chen raised his head and looked at Lin Hanxing.

It was like seeing light in the dark, trying to grab onto it tightly!

Hearing this, Lin Hanxing’s dark eyes were gradually filled with mockery.

is this how the president of the gong group behaves? ”

A faint sneer spilled out from her mouth.

Lin Hanxing didn't want to say anything else to Gong Chen.

She walked toward the door but stopped the moment she passed Gong Chen. She turned her head to look at the man who reeked of alcohol and was in a sorry state.

Even though there was a huge difference in height between the two of them, Lin Hanxing's aura still overpowered Gong Chen's without a doubt!

Chenxi will be discharged from the hospital soon. I will bring her to li garden directly!

Gong Chen was about to say something, but Lin Hanxing impatiently put a finger on his lips.

He hushed her.

“This is not a discussion, but a notice!”

.....

If not for the people from Hua Ji, the reporters downstairs would have rushed in.

Seeing that Lin Hanxing had not come down, one or two of them stuck their heads in, afraid that they would miss the most exciting scene.

After all, the scene upstairs just now had really shocked everyone.

If it wasn't so sudden, they wouldn't have missed it in time!

The longer they waited, the more Zuo Xiangdong began to doubt himself. According to miss Lin's temper, could it be that someone had died upstairs?

“It's out, it's out!”

They didn't know who started it, but everyone looked over and saw Lin Hanxing walking down the stairs coldly through the broken floor-to-ceiling window.

Like a queen, no one dared to make a sound.

This time, she walked to the main entrance.

As soon as she came out, a pair of sharp and beautiful eyes swept across every reporter's face in front of her, leaving a deep shock wherever she went.

Even though Lin Hanxing had not said anything, the crowd in front of him was already waiting in silence.

She did not know when it started, but whenever Xue LAN had something to do with Lin xiaojiu, regardless of whether it was beneficial to her at the beginning or not, as long as it was in her hands, the situation would be turned around. It was like a miracle!

“The song Garden is the private property of Chenxi.”

A cold and warning voice rang in everyone's ears in the next second.

regardless of whether Chenxi is here or not, go back and tell your colleagues and friends that if I find someone surrounding Song Yuan again ...

Lin Hanxing slowly caressed the diamond bracelet on his wrist, his movements elegant and charming.

“Bear the consequences!”

### [Chapter 1539](#)

1539 I definitely didn't know

In the car.

Lin Hanxing sat in the back seat, his refined face hidden in the dim light.

After getting back into the car, Zuo Xiangdong and the others kept their silence, afraid that they would touch her.

Everyone knew what kind of raging anger was hidden under this calm appearance!

Soon, they arrived at their original destination.

At this time, the bar Street was full of red and green lights.

It was a lively time, and there were groups of young people everywhere.

It was at this time that the Hua Ji group's fleet of cars drove into Bar Street.

One car after another.

It was like a scene from an old Hong Kong movie from the last century. The passers-by were dumbfounded, and those who knew that this Street was the Hong gang's territory were even more shocked ...

These cars all had the Huaji on them!

The Hong gang and Huaji ...

Could it be that they were about to start a fight?

“Miss Lin, we're here.”

Zuo Xiangdong stopped the car and turned around.

To be honest, he was a little hesitant before coming here. After all, Hua Ji and the Hong gang had maintained peace on the surface all these years. If he went to their territory to make trouble, and something really happened ...

This was no small matter!

Lin Hanxing, who had been resting with his eyes closed, slowly opened them. It was hard to tell whether he was happy or angry.

“Give old Chai a call.”

Lin Hanxing did not get out of the car immediately. Instead, he looked at Zuo Xiangdong and gave an order.

Zuo Xiangdong made the call without a word.

The phone rang a few times before it was finally picked up.

“Zuo brat, do you think my phone is your home phone?”

“Old Chai,”

The other party’s cursing stopped abruptly when he heard Lin Hanxing’s voice, as if he had choked.

“Why?”

After a long while, elder Chai cleared his throat and tried his best to make his voice sound extremely dignified!

“Elder Chai should be very clear on how I’ve been doing things these days ...”

Lin Hanxing said coldly.

Every word and sentence made old man Chai’s skin tighten, and he felt a chill down his back.

What kind of trouble is this?

“Compared to the second Princess Consort, the senanda family, and even Yuan San ... My attitude toward the Hong gang can be considered ‘affable!’”

Lin Hanxing slowly turned the ring on his finger, but his voice was cold.

“.....”

Don’t you have any shame?

Can’t you be more shameless?

“But someone’s not honest!”

When these words entered old Chai’s ears, his heart skipped a beat!

Elder Chai had heard of such a calm and cold warning a few times since he met Lin Hanxing. It was because of this that he felt a sense of crisis!

This was because ...

Every time this Lin girl said something like that, she would end up in a miserable state!

“I just don’t know if this has anything to do with you, old Chai?”

Lin Hanxing’s hand paused, his black eyes narrowed.

Seeing this, even Bai Xi and Jiang Xibao, who were sitting opposite her, were shocked, not to mention Zuo Xiangdong, who was always watching her through the rearview mirror.

He was still hesitating if he should call more people over.

“.....”

“I didn’t. Don’t you accuse me!”

After a short silence, old Chai helped to prove his innocence.

If he found out which brat was doing this behind his back, he would definitely skin that person alive!

“In other words, you don’t know?”

Lin Hanxing wanted to hear this.

After all, when she was in Jiang city, she had promised Yuan shaojing that she wouldn’t go head to head with the Hong gang and wouldn’t give outsiders any chance to cause a heavy blow to the Chinese people in country G.

I definitely didn’t know!!!

...

1540 People who don’t offend me

After saying that, even old Chai himself was stunned!

According to the story, shouldn’t he, the villain, take on the responsibility of provoking the protagonist? Why did he cower when he was right in front of him?

It’s finished! It’s finished!

He had been brainwashed by his precious grandson in the past few days!

Only the heavens knew that if elder Chai wasn’t too clear that his grandson was ignorant when it came to relationships between men and women, he wouldn’t be able to help but suspect if he had a secret crush on that Lin.

He had praised her to the point that she was like a fairy from heaven!

From the moment old Chai woke up for breakfast, he had been hearing his grandson’s endless chatter all the way until the end of his sleep. His head was buzzing with pain from listening to his grandson’s chatter!

“I’ve been waiting for you to say that!”

The cold female voice on the other end of the phone pulled old Chai back to reality. The warning in the phone made old Chai frown.

“Old Chai, I’m currently in the Hong gang’s territory. If your subordinates report to you that something has happened, you can bring your men to my li clan’s territory tomorrow to seek justice!”

After saying this, the other end of the phone cut off the communication without waiting for elder Chai to speak again!

“.....”

After a long time, old Chai suddenly shuddered!

The room was well-air-conditioned, and he was covered in cold sweat.

When the air conditioner was turned on, old Chai ran downstairs, not caring that he was still barefoot!  
all of you, get down!!!

It was a furious roar that still carried the shock of surviving a disaster.

He could only hear the sounds of chaos as old Chai's trusted aides ran down the stairs in a panic. Their faces were filled with confusion, clearly not knowing what had happened all of a sudden!

“Have you been secretly causing trouble for that girl during this time?”

Seeing that his underlings were still confused, old Chai was so angry that he picked up the decorative vase on the table and threw it behind them!

With a slap, they were really awake!

“What ... What girl?”

Knowing that the great master was really angry, everyone was on tenterhooks!

“Which other girl is there? Of course, it's that Lin girl!”

After spending some time with her, elder Chai knew that Lin xiaojiu was a person who would not attack unless she was attacked. She must have her reasons for daring to bring her men to the Hong gang's territory!

What old Chai was most afraid of right now was what his subordinates had done behind his back!

No, from Lin xiaojiu's reaction, they must have done something behind her back!

“Ah?”

Many people had strange expressions on their faces, but only one hall master's expression was not quite right.

“You, speak!”

Old Chai pointed out the person in a short while.

“I ...”

The other party's face was pale, and his eyes were filled with panic!

“Tell me!”

Old Chai took the walking stick from the person beside him and used it to hit the person's forehead.

“I only heard my youngest son mention that the Qi family’s daughter asked him for a small favor. She said that it might be related to this Lin! I thought that you and her usually have some conflicts anyway, so I lent him some people ...”

After hearing this, elder Chai felt as though all the blood in his body was about to congeal together!

We’re finished!

This bunch of brats had caused him big trouble!

“What’s the news Tonight?”

Because his grandson had flown back to country M today, he was prepared to sleep early. He was so depressed that he didn’t even look at his phone. If it wasn’t for the phone call tonight ...

His subordinate hurriedly pulled up the news that had topped the list tonight. Old Chai only took a few glances before he suddenly gasped!

Lin xiaojiu’s protective nature ...

The person who did this was indeed the one who plucked a strand of hair from a tiger’s tail ...

Are you looking for death!
