

Goodnight 161

Chapter 161: expressionless

The two of them did not move and just looked at each other.

At this moment, Lin Hanxing was lying under Lei Xiao's body, and he was not as cold as he used to be.

Her long black hair was now scattered messily on the bed.

Her face was red.

Her eyes were clean, but unknowingly, they were alluring.

The White cotton nightdress was crumpled by the man's slightly impatient movements.

More than half of her snow-white shoulders were exposed, and her collarbones were sexy and deep.

The Restless torrent of love was burning in the depths of their lower abdomen.

Lin Hanxing could even clearly feel the trembling of Lei Xiao's fingers.

Would he be nervous too?

Lin Hanxing could not help but think.

The hem of her nightgown had already rolled up to her waist, revealing her thin, soft, and fair waist.

Lei Xiao pulled Lin Hanxing into his arms and buried his face in her shoulder.

Compared to the tall and well-built Lei Xiao, Lin Hanxing was like a young student.

"You're mine."

His rough breathing exploded in his ears, hot and itchy.

Her skin was as white as the snow in winter, so white that it was dazzling.

Lin Hanxing's long eyelashes fluttered like a butterfly's wings, making one feel pity for him.

As for the Thunder valiant beast, it left wet marks on her collarbones.

His eyes never left Lin Hanxing's face.

Soon, she heard the sound of metal clashing as the man unbuckled his belt ...

"Uncle!"

Suddenly, Yuan Bao's voice exploded in the living room.

"....."

"....."

Lei Xiao's hand that was unbuckling his belt suddenly stopped!

He was expressionless.

Lin Hanxing blinked, his unfocused eyes gradually becoming clear.

“Uncle, grandma is calling!”

Yuan Bao hugged the ice cream and shouted at the top of his voice, afraid that Lei Xiao could not hear him.

The Thunder valiant beast sucked in a cold breath, trying to calm himself down.

Lin Hanxing looked sideways at the bedroom door that was not closed, and then at Lei Xiao’s private part, which was supporting himself with one hand ...

“Eldest uncle, eldest uncle, eldest uncle, eldest uncle ...”

From the sound of it, it was obvious that Yuan Bao had jumped down from the sofa and was walking towards Lin Hanxing’s bedroom.

Without waiting for Lei Xiao to react, Lin Hanxing bent his leg and kicked him down!

There was a dull thud ...

The Thunder valiant beast landed on the ground with his military tent.

Just as Yuan Bao was about to reach the bedroom door, Lei Xiao was walking out of the bedroom.

Almost at the same time, the door was slammed shut from the inside.

With a click, it was locked from the inside.

“Uncle, did you make Auntie angry again?”

Yuan Bao did not notice Lei Xiao’s ashen face at all. He threw the phone to him, turned around, and ran back to the living room.

His ice cream ...

Lei min was expressionless as he picked up the phone.

“Son, what are you doing?”

The background noise on Zhong Nanyin’s end was very loud, and he could vaguely hear Zhong Yifu crying.

“.....”

Thunder owl’s voice was tense as he tried his best to control his emotions.

However, the throbbing temples and the bulging veins on the back of his hands explained everything.

As an experienced person, Zhong Nanyin could clearly hear something unusual from his son’s disorderly breathing.

His imagination started to run wild.

His son was obviously not satisfied!

At this moment, the mother of the Thunder family, Zhong Nanyin, was in the Lei family's Villa. She looked out of the window at the bright sky ...

He silently lit a candle for his son in his heart.

"Yimu is at your side."

Lei Xiao suppressed the anger in his heart, his voice extremely cold.

"It's just a small problem!"

As he spoke, the background noise on Zhong Nanyin's end became much softer, as if he had left the living room.

"Ah Xiao, don't just care about yourself and ask your daughter-in-law to take her medicine! It's not good for the body!"

Lei Xiao pressed his temple.

"The men of the Lei family can't be such beasts!"

"Yes, I know."

After a long silence, Thunder valiant beast finally spoke.

He had indeed been too impulsive today.

After hanging up the phone, Zhong Nanyin obviously still looked worried.

He quickly searched for his phone and opened Taobao ...

Chapter 162 heart broken

Zhong Nanyin had only learned how to shop on Taobao in the past six months.

And he was extremely interested.

He had once received forty to fifty express deliveries in a single day.

At this moment, Zhong Nanyin was leaning against the wall and sighing.

She couldn't help but worry when she thought of her daughter-in-law's small body. Ah Xiao was a newbie!

What if her daughter-in-law disliked ah Xiao's poor skills?

As a mother, she was really worried to death!

Zhong Nanyin muttered to himself as he looked at the things in the shopping cart.

He quickly settled everything in the shopping cart in one go!

“Son, mom can only help you up to this point!”

.....

Half an hour later.

Lin Hanxing came out of the bedroom.

Coincidentally, he bumped into Lei Xiao, who had just finished taking a cold shower in the bathroom.

The two of them stopped in their tracks at the same time.

Lei Xiao’s hair, which was usually combed back for business, was messy and unkempt, and was still dripping with water.

Lin Hanxing looked at him and could clearly feel the cold air coming from the man.

His gaze fell on the Thunder valiant beast’s Adam’s apple.

It was rolling up and down due to the swallowing.

“What’s the secret between you and Yan beiming?”

Thunder valiant was the first to break the silence, casually using a towel to dry his wet hair.

“Go and ask him.”

Lin Hanxing then walked towards the kitchen.

The table was filled with bags of snacks, and the latest curved screen TV was playing minions.

Yuan Bao laughed happily.

Lin Hanxing walked to the fridge and took out a bottle of water.

The moment he closed the refrigerator door, Lei Xiao followed him.

“Why are you following me?”

Lin Hanxing had just opened the bottle cap when Lei Xiao had already reached out to snatch it and started drinking.

... childish!

She glanced at him, took a new bottle from the refrigerator, and sat next to Yuan Bao.

Yuan Bao immediately snuggled into Lin Hanxing’s arms.

Thunder owl looked up at her while drinking water, his eyes deep.

Yuan Bao suddenly shivered.

Subconsciously, he looked in the direction of Big Uncle Lei Xiao.

The originally comfortable Yuan Bao suddenly left Lin Hanxing’s arms and straightened its back.

"It seems like someone is ringing the doorbell!"

Suddenly, Yuan Bao perked up his ears.

Sure enough, the doorbell rang from the opposite door.

"Yuan Bao, go open the door and take a look."

Lei Xiao said in a deep voice.

It was very difficult for anyone to sneak into this floor unless they were the residents or the property management.

Yuan Bao ran over on his short legs and opened the door. He saw the property manager standing there with a delivery box in his hand.

"Uncle, your express delivery."

Because the check-in had just been completed two days ago, the property management had directly sent Lei Xiao's express delivery to this place.

After Yuan Bao signed for the delivery, he directly carried her in.

"You bought it?" Lin Hanxing looked at Lei Xiao, who seemed to be rather heavy.

"I don't know how to buy online."

He was the only person in their family who didn't know how to do online shopping.

"You don't know how to?"

Lin Hanxing was obviously very surprised. Nowadays, even primary school students had a Taobao account, but Lei Xiao did not?

"First aunt, let's open it and take a look!"

Yuan Bao was very curious about what was inside.

"Tear it down."

The package would go through the security check again when it passed through the property management, so its safety was guaranteed.

Lei Xiao handed over the letter opener.

Lin Hanxing was afraid that Yuan Bao would cut his hand, so he took it and unhurriedly opened it.

Yuan Bao cupped his cheeks with both hands, his little face full of curiosity.

At the same time, Lei Xiao's personal phone suddenly rang, and a series of WeChat notifications flashed on the screen.

Mama Lei said, "son, the express delivery is here, right? heyoyoo."

Papa Lei asked, "what is it?"

Young master Lei was speechless.

After seeing the emoji his mother sent in the family group chat, Lei Xiao's expression froze.

A bad feeling rose in his heart.

At the same time, Lin Hanxing had already opened the box ...

Chapter 163: Carefully selected

Lei Xiao strode towards Lin Hanxing.

It was obviously too late.

"What is it, Auntie?"

The little sheep ball's face was full of curiosity. Just as he was about to lower his head to look into the box, his feet suddenly left the ground and he was suspended in the air!

Lei Xiao held Yuan Bao in his arms with one hand and covered his eyes with the other.

"Uncle, let me go!"

Yuan Bao wriggled around in his arms, extremely curious.

His small hands and feet were constantly flailing in the air!

Lin Hanxing lowered his head and looked at the various items in the box, his delicate little face expressionless.

There were ten boxes of the newest air brand's thin air model at the bottom of the box!

There were many things that Lin Hanxing had never seen before!

The guinea pig in his arms was still struggling, but he was already frozen on the spot.

When he saw the emoji that his mother sent, Lei Xiao already had a premonition in his heart.

Why was his old lady always so ...

Not playing by the rules?

Lin Hanxing looked at the contents of the box, then looked in Lei Xiao's direction ...

That gaze was strange and unpredictable, causing Lei Xiao's scalp to tighten.

"My mom bought it!" Thunder valiant beast said hurriedly.

Lin Hanxing did not say anything. He took two books out of the box with his fair fingers.

When Lei Xiao saw the title of the book clearly, his temple throbbed again.

The name of the first book was "must-read general knowledge of family life"!

The second book was called "psychology of bedsheets"!

After that, Lin Hanxing reached out and took out a long white nightgown.

The design was beautiful, but the problem was that it was too thin to cover anything!

"Did Auntie buy this for you too?"

Lin Hanxing compared his body to Lei Xiao's and felt a chill in his heart.

"It should be ... For you!"

Seeing that dress, Lei Xiao's voice could not help but turn hoarse.

The WeChat notifications were still vibrating.

It was obvious that his old lady still had a lot to say.

Mama Lei: "son, I've carefully selected them. They're the number one in the store [" applause.

[Lei Xiaosi: big bro, mom told me to email you some action movies.]

Lei Xiaosi: "I was forced to 'daydream'.

Papa Lei, [dazed]

Lei xiaoer, [dazed]

Lin Hanxing first took two deep breaths and closed his eyes, his fair little face was pale.

"Uncle, let me go!"

Yuan Bao mumbled, obviously very unhappy.

"What did Auntie tell you?"

He stuffed everything back into the box expressionlessly and felt a headache coming on.

Lei Xiao placed Yuan Bao on the sofa at the side.

He reached out and pressed the box, not letting the little sheep ball have any possibility of opening it.

He stared at Lin Hanxing's face, afraid that she would get angry and run away!

Being stared at by those eyes that were as deep as the sea, Lin Hanxing could not say a single word ...

Her throat was a little dry, and she covered it up by drinking water.

"What are you guys talking about?" Yuan Bao was confused.

The world of adults was really hard to understand!

Lei Xiao's thin lips moved, but his voice was so low that Lin Hanxing could not hear him clearly.

"What did you just say?"

She only saw his lips move.

Lei Xiao placed one hand on the coffee table and suddenly bent over to Lin Hanxing.

Their faces were only 0.01 inches apart.

Yuan Bao's mouth opened into an 'O' shape, and he subconsciously covered his eyes with his hands.

He only peeked through the gap between his fingers!

"She told me not to be happy ... It's not good for you to take the medicine!"

Chapter 164: I want to be with you

The Thunder valiant beast's voice was very low, close to the sound of air.

Lin Hanxing's face was burning hot, and the redness spread from her snow-white ears to her cheeks.

She pushed him away and walked towards the kitchen.

The Thunder valiant beast still maintained its previous posture, its eyes deep and dark, its emotions undisguisable.

"Hmph! You're so shameless!"

Yuan Bao said in a childish voice as he stuffed a handful of potato chips into his mouth.

Lei Xiao ignored him and, under Yuan Bao's curious gaze, placed the box on the kitchen counter.

Lin Hanxing was putting the unfinished water back into the constant-temperature area of the refrigerator.

"What do you want to eat tonight?"

The Thunder valiant beast's voice suddenly came from behind.

She turned back to look at him impatiently. Why was he always haunting her?

"I want to eat sweet and sour meat!"

Yuan Bao's ears perked up at the mention of food, and he quickly raised his hand to answer.

Lin Hanxing didn't say anything, he just stretched out his hand to pull at the fruits that Lei Xiao had sorted in the Tupperware.

The refrigerator door that was opened to the right completely covered her petite figure.

"The yellow peach is very fresh."

Suddenly, a strong arm reached over and took the yellow peach out.

Only then did Lin Hanxing realize that Lei Xiao was standing behind him. The refrigerator door was blocking his view, so Yuan Bao could not see them.

At this moment, the two of them were tightly pressed against each other.

The cool air from the refrigerator could not stop the inexplicable heat in her body.

“I want to ...”

Just as Lin Hanxing was thinking about how to escape, Lei Xiao suddenly mumbled. His voice was not too loud or too soft, and she could hear it just in time.

“What?”

Lei Xiao slowly placed the yellow peach in his hand into her palm.

Looking at Lin Hanxing’s pink face, she did not dare to look into his clean eyes.

It was as if he was afraid of dirtying her.

“I really want to finish them with you.”

His voice was hoarse and contained a hint of forbearance. He did not have the experience that someone his age should have.

“Only with you.”

Lin Hanxing raised his head and looked at Lei Xiao.

His words were like a fire burning in her blood, boiling it.

“Before you met me, did you have any ... Any other woman?”

Lin Hanxing pressed her back against the fridge and asked in an awkward tone that she had never used before.

She was not as cold and distant as before. Her delicate and beautiful facial features had a childlike air that originally belonged to her age.

It was as if a gap had been opened.

“What are you guys doing?”

Just as the Thunder valiant beast was about to speak, Yuan Bao’s baby voice rang out.

The two of them separated like thieves.

Thunder valiant beast suddenly regretted bringing this little guy back.

“Uncle, I want to eat sweet and sour meat!”

Yuan Bao had a greedy look on his face. He really wanted to eat sweet and sour meat!

... the Thunder valiant beast only wanted to stew him now.

“Yes, let your uncle make it for you.”

Lin Hanxing reached out and pinched Yuan Bao’s chubby little face, not even looking at Lei Xiao, as if nothing had happened just now ...

.....

Night fell.

The aroma of sweet and sour meat filled the air.

Yuan Bao snuggled up on the sofa and continued reading the minion series.

Lin Hanxing, on the other hand, was looking at the Jade necklace he had snatched from Luo Mingwei's neck.

"Lei Xiao, don't you need to spend your own money to buy things at your aunt's house?"

Lin Hanxing looked at the Jade necklace in his hand and matched it with the code on the information.

She suddenly realized that this necklace was probably bought by Lei Xiao's uncle for Luo Mingwei.

And when she bought this necklace, it was under Zhong Yifu's name, but the Lei family was the one who paid for it?

Lin Hanxing glanced at the information in his hand. It was not just the necklace. Almost all of Zhong Yifu's family expenses were paid for by the Thunder matriarch. They were settled quarterly, and every time ...

Just the settlement amount for the last few quarters alone was so high that it made Lin Hanxing's jaw drop!

Chapter 165: I'll wait

She used an orange highlighter to carefully outline the account records from the big data.

It could be seen that Lei Xiao's uncle was very cautious in the beginning. He only made one or two transactions a month.

However, as time passed and no one noticed, his courage also grew.

"Great-aunt, you always take advantage of grandma."

Yuan Bao's cheeks were stuffed with snacks, bulging like a little hamster.

"Last time, I saw her steal two jade bracelets from grandma's jewelry box."

Yuan Bao stretched out his two short hands, his eyes full of accusation!

Lin Hanxing's eyes turned cold. The Lei family was the one who paid for her emotional distress.

"Let's eat," The Thunder valiant beast said in a low voice.

Since Yuan Bao wanted to eat sweet and sour meat, he obediently went to wash his hands.

"My mother doesn't have to pay for any of the products she buys at the Lei corporation's stores. She only needs to sign the bill."

“Aunt found out about this when she was shopping with my mother.”

Lei Xiao placed the okra egg custard in front of Lin Hanxing.

The White porcelain bowl was filled with tender yellow egg custard, and on top of it was okra that had been cut into five-pointed stars.

Lin Hanxing could smell the delicious food even before eating.

at first, she would call my mother if she wanted to buy something. Later, she simply signed her name.

“According to auntie’s personality, she probably won’t expose you, so it’s a silent agreement?”

From the looks of it, it wasn’t hard to understand.

Yuan Bao quickly ran back and couldn’t help but exclaim when he saw the dishes on the table.

The portion of each dish was very small, but there were many different styles.

Apart from the sweet and sour meat in front of Yuan Bao, the rest were all vegetables.

“No wonder their family is getting more and more insatiable.”

As soon as Lin Hanxing’s voice fell, Lei Xiao had already placed the food in her bowl.

“Try it and see if it’s good.”

Lei Xiao’s thin lips were slightly pursed, and his expression was so deep that it was impossible to tell whether he was happy or angry, but his eyes were fixed on her without blinking.

He seemed to be waiting for Lin Hanxing to acknowledge his cooking skills.

Lin Hanxing looked at him and picked up his chopsticks.

“It’s delicious.”

His cooking skills were very good, better than she had imagined.

The okra egg custard was very soft in the mouth, and it tasted like pudding, smooth, tender, and refreshing.

Hearing the affirmative answer, Thunder owl’s cold expression softened a lot.

He took out his phone and called his assistant, Anthony.

The call was picked up quickly.

As Lei Xiao’s Special Assistant, Anthony’s phone was always on standby 24 hours a day.

from today onwards, Zhong Yifu is prohibited from signing any form of payment in my mother’s name at all the stores under the Lei Corporation.

With that, he hung up.

“Aren’t you afraid that she’ll cause trouble?”

"If she wants to make a scene, then let her come to me directly."

As he said that, Lei Xiao kept putting food into her bowl.

"It's enough. I can't eat it. There's too much."

Lin Hanxing quickly interrupted him when he saw the small mountain of food in his bowl.

"If you can't finish it, leave it in the bowl. I'll eat it."

There was a subtle and strange feeling that made Lin Hanxing silent for a long time.

Lei Xiao was very good to her.

He was pampering her like he was raising his daughter.

She could feel it.

"Do you like cars? A limited edition Veneno!"

Suddenly, Lin Hanxing spoke, a faint light in her eyes.

As if he didn't understand why she jumped to this topic, Thunder owl didn't speak for a while.

"Can you wait for me to send you back?"

The Lamborghini's Veneno was something she had been longing for.

Tonight, she was determined to win!

Moreover, Lin Hanxing had another thought in his mind.

And that was to gift this car to Lei Xiao!

Perhaps he still didn't understand love that well. What was love? however, she was willing to be good to whoever was good to her!

Lei Xiao never had any requirements for cars.

Even the one he was opening now was a birthday gift from his younger brothers.

"Alright, I'll wait."

Chapter 166 wild competition

At 10:30 sharp, Lin Hanxing came out of the bedroom after changing his clothes.

He had a high-waisted motorcycle jacket and a casual open-fitting leather jacket, skinny pants, and a pair of rimmed Roman high heels.

He looked extremely handsome in all black, like a supermodel!

Yuan Bao had already fallen asleep earlier, she wanted to say goodbye to Lei Xiao before leaving, but ...

Looking at the empty living room, Lei Xiao was nowhere to be seen!

The elevator went all the way down to the garage, and his black Bugatti was still there.

Without thinking much, Lin Hanxing drove the car out and headed to the meeting place with Yan beiming ...

.....

At the same time.

Yan beixiao looked at the Asura-like man sitting in the passenger seat.

He hadn't said a word since he got into the car. His cold face was expressionless, making people feel a chill from the bottom of their hearts.

Outside the front windshield was the red Bay ramp used for tonight's wild game.

At this moment, it was as bright as day under the illumination of the lights. There was a hubbub of voices and it was very lively.

However, it was so quiet in the car that one could even hear a pin drop.

Lei Xiao's gaze fell outside the window, his hand half hanging outside the window, a cigarette still between his fingers.

In the dark carriage, his expression was hard to see, but it was enough to make Yan beiming tremble in fear.

Yan beiming had originally come to wait for little Hanxing according to the agreed time, who would have thought that he would actually meet this fellow!

Only the heavens knew that the moment he saw him, he was almost scared out of his wits. Come!

When the Thunder valiant beast spoke, he could still be considered a normal person, but when he didn't speak, that vicious aura on his body ...

"I was wrong, alright? It's my fault for letting little Hanxing know!"

Yan Beichen refused to resist and revealed his true colors.

"If anything happens to her tonight ..."

Lei Xiao's voice was cold, and just a simple sentence was enough to make Yan beiming's heart beat faster.

"Ah Xiao, don't worry, even if I have to be turned into ashes, I will definitely not let little Hanxing lose a single hair!"

Yan beiming quickly raised his hand and swore.

The Thunder valiant beast glanced at him coldly and did not speak again.

"She's here,"

His watch showed that it was already eleven O'clock at night. Hanxing had always been very punctual when it came to the appointed time.

no way ... before Yan beixiao could finish his sentence, he heard the sound of an engine approaching!

With a beautiful drift, a modified sports car stopped in the open space beside them!

If not for the fact that Lei Xiao was still by his side, Yan beiming would have blown a whistle!

Almost as soon as the car stopped, Lin Hanxing pushed the door open and got out of the car.

The handsome all-black outfit accentuated her graceful and exquisite figure, and the coldness and unruliness in her bones were completely aroused.

Unlike his good temper when he was facing the Thunder valiant Lord, his eyes and brows were extremely cold.

As she walked, her long, black, and curly hair fell down like a waterfall.

"Cool, little cold star!"

Even Yan Beichen, who was used to seeing beautiful women, could not help but be impressed by her Valiance.

Even if he could hold back from whistling, others couldn't!

From the moment Lin Hanxing got out of the car, the clapping and whistling had not stopped. There were even jeers from afar.

Yan beixiao's neck stiffened when he heard a few cracking sounds.

The sound of bones cracking from the Thunder valiant beast's side was endless, and the air pressure in the carriage seemed to have dropped even more.

"Get down!"

A deep and cold male voice rang out, and Yan beixiao opened the door and got out of the car as if he was escaping!

If someone could stay in this atmosphere for a second longer, he would kneel down and call him daddy!

Lin Hanxing wanted to call Yan beixiao, but before he could take out his phone, the guy had already stumbled in front of him.

It was as if a ghost was chasing after him!

"Little cold star!"

Yan Beichen looked at her with a wronged expression. Before he could finish his sentence, someone had already come over and laughed.

"Oh, isn't this young master Yan? Why? This little girl is new to you. Huanhuan?"

Chapter 167 not taking him seriously

The person who spoke looked carefree, and he was holding two men in his arms. Sister.

With a leaking belly button top and denim hot pants, her Earth-like chest was now being played with in the man's palms.

Although his hands were not idle, his perverted eyes kept looking at Lin Hanxing.

Yan Beichen's face darkened, and he moved in front of Lin Hanxing, trying to block his gaze.

Only God knew that the person was still sitting in the car and watching. If anything happened, he would probably have to go to Africa to mine for the rest of his life.

young master Lu, you should understand the saying 'trouble comes from the mouth', right? "

Yan Beichen deliberately lowered his voice, his expression unhappy.

"Little girl, you have a good figure. How much did he pay you?"

Obviously, young master Lu did not take Yan beixiao's words to heart.

He even tried to suck up to Lin Hanxing. The movement of the tongue!

From the beginning to the end, Lin Hanxing's porcelain-white face was expressionless, and her already delicate features were even more breathtaking in the night.

"You can't afford the price that Yan beixiao offered!"

She suddenly chuckled, a mixture of mockery and laughter.

"How can you speak to our Master Lu like that?"

The spiciness in young master Lu's arms. The girl was not happy. She raised her nearly ten-inch heels and reached out her hand to slap Lin Hanxing.

Before he could do it, he heard a crisp slap ...

Yan beixiao's eyes were wide as he slowly turned around to look at Lin Hanxing, who was standing behind him.

He didn't even see how she did it, but the hot girl in front of him had already been slapped.

"Just for fun. Things must be fun to play with. You know your own limitations!"

In an instant, Lin Hanxing's expression changed.

Sharp as a blade, a little fierce, coupled with that indifference, it was even more difficult to look at.

"You, he ... Mom. The B * tch dared to hit me!"

The hot girl had never suffered such a loss ever since she had been with young master Lu. The burning pain on her cheek reminded her of how hard the slap had been. She had completely forgotten that she was the one who had struck first!

how much face can you gain all by relying on your sugar daddy? since I don't care about him, what are you? "

Lin Hanxing was obviously not inferior to him in terms of verbal skills.

Seeing this, Yan beiming could not help but give little Hanxing 10086 likes in his heart!

"Girl, you're quite arrogant!"

As soon as he finished speaking, young master Lu's body suddenly trembled, as if there were thorns on his back.

Not to mention Master Lu, even Yan beiming could clearly feel the pressure of that aura.

He glanced at the car ...

However, Lin Hanxing seemed to feel nothing as he kept staring at the spiciness. The round half-ball on his sister's chest.

She thought that Lin Hanxing was going to wring it off for her, which scared the girl so much that she buried herself into young master Lu's arms.

I don't need you to worry about whether I'm arrogant or not. But if you dare to do that to me again ...

Lin Hanxing's voice was neither loud nor soft, but it was as if he had just walked through purgatory, full of pressure!

"I'll cut your tongue off, cut it into pieces, and feed it to the dogs!"

F * ck, little cold star, you're too awesome!

Yan beiming was the first to be stunned by Lin Hanxing's aura!

He was originally worried that she would be at a disadvantage, but now it seemed that he was simply too stupid and naive!

"Hahahaha! Did you hear what she said?"

That prickling feeling had never disappeared!

Young master Lu laughed dryly in consideration of his face, but his throat was extremely dry!

His intuition told him that he had really kicked an iron plate this time.

This wasn't just a rose with thorns, she was just like him. Mom is a man-eating flower!

Lin Hanxing frowned, clearly impatient.

This man's laughter was simply too unpleasant to hear!

In the next second, Lin Hanxing, who had lost his patience, suddenly made a move, so fast that Yan beiming did not even see it clearly ...

Chapter 168: Where is he?

Young master Lu was still smiling dryly when a silver light flashed before his eyes, and his ears felt much lighter ...

He subconsciously let go of the spiciness. Sister, cover your ears!

Lin Hanxing was obviously very satisfied with the sudden stop in his laughter.

At this moment, she was standing side by side with Yan beiming, her face cold. The latter was shocked to see the dagger that had appeared in her hand.

The blade was so sharp that it glowed with silver light!

“Now, did you hear what I said?”

Lin Hanxing was still holding a strand of chestnut hair that he had just cut and waving it at young master Lu.

Not to mention young master Lu, even the onlookers were shocked!

They didn’t even see how she attacked!

Young master Lu’s face was ashen.

He finally knew that she wasn’t lying when she said she would cut off his tongue piece by piece and feed it to the dogs!

Lin Hanxing couldn’t be bothered to listen to what this young master Lu had to say, and directly retorted to the person he had just slapped. The girl walked away.

The latter was no longer as arrogant as before. He was so scared that his eyes widened.

Yan beixiao’s rationality told him that he should stop Lin Hanxing, but he really wanted to watch the show!

It was spicy. In front of her, Lin Hanxing bent down and looked at her.

A cold glint flashed across her clear eyes.

Spicy. The younger sister was so scared that she trembled and didn’t dare to say another word.

Lin Hanxing expressionlessly tucked young master Lu’s hair along her deep-cut collar into the middle of her two balls.

“Where is he?”

Lin Hanxing’s voice rang out almost at the same time he walked back to Yan beiming.

Yan beixiao had not yet recovered from the joy of watching a good show, and subconsciously said, “ ah!

Lin Hanxing raised his eyebrows and looked at him with a ‘are you an idiot’ expression, which made Yan beixiao feel wronged.

Little Hanxing had been led astray by ah Xiao!

From little Hanxing's gaze just now, he thought it was ah Xiao standing in front of him!

Seeing that he was still immersed in his own world, Lin Hanxing forced himself not to roll his eyes.

She walked in the direction that Yan beiming had sneaked a glance at.

Seeing Lin Hanxing's direction, Yan beiming finally realized who the 'he' she had just mentioned was!

Lin Hanxing opened the car door and got in.

"Have you seen enough?" Lin Hanxing leaned back in his seat and looked at Lei Xiao.

In the dark carriage, Lei Xiao's eyes were deep and he looked at her expressionlessly.

She locked the car door to prevent Yan beiming from entering.

In fact, Lin Hanxing's decision was timely, because in the next second, Yan beiming was about to open the car door.

But soon, he realized the cruel fact that he was locked outside.

Yet, Yan beiming did not even dare to voice out a single complaint.

you have such an ugly expression. People might think that I owe you money.

Lin Hanxing said nonchalantly as he looked through the front windshield at the crowded hillside not far away.

Lei Xiao didn't say anything, he just reached out and snuffed out the cigarette.

Then, he pulled out a wet tissue from the car, grabbed Lin Hanxing's hand, and wiped it carefully.

Lin Hanxing let him do as he pleased, a lazy smile on his lips.

"I didn't expect there to be such a fun place in Jiang city!"

Lei Xiao held her hand and slowly tightened his grip.

From the moment she got out of the car, everyone's eyes seemed to be attracted to her.

Perhaps Han Xing didn't notice that he could see the amazement and desire in every man's eyes from the car!

At that moment, his mind seemed to be occupied by darkness.

The Thunder valiant beast wanted those people's lives!

All those who coveted Lin Hanxing, all those who had dirty thoughts about her!

Not a single one was left!

Perhaps the dark and perverse emotions on Lei Xiao's body were too strong, but a deep glint flashed across Lin Hanxing's eyes.

All of a sudden, the Thunder valiant beast grabbed his hand and pulled him in front of him ...

Chapter 169: Who allowed it?

The moment his eyes met Lin Hanxing's crystal clear eyes, Lei Xiao subconsciously tried to hide his dark side, afraid that Lin Hanxing would see through him.

Before he could turn his head, his firm jaw was already firmly held by a pair of soft hands!

"Thunder valiant beast, who gave you the permission to not look at me?"

Lin Hanxing's domineering voice rang in Lei Xiao's ears.

Their faces were so close to each other that their breaths could be felt on each other's faces.

In the dark carriage, Lin Hanxing's long eyelashes trembled slightly. She was as beautiful as an ancient landscape painting, making people want to collect her.

She didn't have any makeup on, so her lips were light and had a pretty color similar to jelly powder.

"What were you thinking about just now?"

Just now, his eyes, which were as dark as the starry night sky, seemed to be shrouded in mist, and his body was surrounded by hostility.

After hearing Lin Hanxing's question, Lei Xiao stared at her for a long time.

"Is my life really boring?"

Her life was so fresh, like the first rays of dawn.

As for him, it was a dark night. Even if he forced himself to cross paths, he had to endure the pain of losing it at any time.

I originally thought that people who could sit in that position wouldn't have boring lives.

This was what Lin Hanxing had once said.

Would she have enough of him one day and place all her attention on another interesting person?

Just the thought of it was enough to make him mobilize all the bloodthirsty factors in his blood.

Hearing this, Lin Hanxing was stunned at first, as if he did not understand why the topic had changed to this.

However, before she could come back to her senses, the man had already pressed her down on the backward leather seat like a ferocious beast.

For a time, the world was spinning.

The collar of her black undershirt was wide open under her leather jacket, and Thunder valiant could vaguely see her black lace when he lowered his head slightly. Si Wen. The edge of her chest was wrapped in a large round and soft snow, so white that it was dazzling.

After a brief moment of shock, Lin Hanxing quickly got used to it.

When she looked up, she could see Thunder Valiant's sexy Adam's apple bobbing up and down.

He wanted to touch it.

When the thought flashed through his mind, Lin Hanxing did exactly what he wanted to do.

Her soft fingers slowly slid up the Thunder valiant beast's collarbone.

It passed by the highest point of his Adam's apple, following the other party's swallowing movements back and forth, as if it was a game.

Suddenly.

Lei Xiao held Lin Hanxing's waist with both hands and lowered his head to kiss her deeply. His kiss was gentle and lingering, and he sucked her lower lip hard. Suck.

It was like he was addicted and couldn't bear to let go.

Knock, knock, knock ...

Yan beixiao was knocking on the car window. Although he did not want to disturb the couple, it was almost time!

After a long time, the car window was rolled down.

Lei Xiao's frosty eyes were fixed on Yan beiming.

"I have to go and register!"

Why were they looking at him? What could he do? he was innocent too!

Lin Hanxing laughed and reached out to stroke Lei Xiao's chin, as if to comfort him.

Yan beiming was stunned by this scene.

When had he ever seen such an honest Thunder valiant beast?

She didn't resist at all and allowed little Hanxing to touch her. One had to know that he would usually despise her for a long time even if he put his hand on her shoulder.

"Do you want to go with me?"

"I'm afraid I'll have to disappoint little Hanxing. Every time I ask ah Xiao to come, he ..."

Yan beiming had been ridiculing her nonchalantly, but in the next second, his eyes widened.

Lei Xiao came down from the other side of the car and stood beside Lin Hanxing.

"I ... F * ck, do you have to be so biased!"

They had been brothers for many years!

Yan beixiao looked at Lin Hanxing with an aggrieved expression, and the latter's cold eyes swept over him.

Wuwuwuwuwu, why is there a kind of cabbage quilt that is well raised at home ...

The feeling of a little fairy's holy light shining upon the world!

Chapter 170: The ramp at Red Bay

Yan beiming was obviously a regular here.

He brought Lin Hanxing to the registration point with familiarity.

The official game would start at 12 O'clock sharp at night, and the location was on the red Bay ramp in front of them.

It was the most famous mountain road in Jiang city.

Because of the steep terrain and the high risk factor of the consecutive turns, it had become the Holy Land in the heart of all Rivertown racers!

Every year, there was an endless stream of people who wanted to challenge their limits.

As a result, the ramp at Red Bay was also the most troublesome area for the traffic Department of Jiangcheng. The accident rate was too high!

If it rained, the ground would be even more slippery!

It was this place where danger and opportunity coexisted that welcomed many young masters from the rich and powerful.

There was no other reason.

Everyone wanted that limited edition Lamborghini Veneno!

"Little Hanxing, you're not going to consider it anymore?"

Yan beiming was a little worried.

His skills were considered pretty good among the young masters, but he was still scared when he knew the location was on the red Bay ramp.

The red Bay ramp was most famous for its twelve consecutive turns.

As the name suggested, it was a series of twelve turns in the middle of the mountain road.

And this was also the road with the highest occurrence of accidents!

At this time, Lin Hanxing was lifting the front engine cover to check the engine, his long hair tied casually with a black hair tie.

Her delicate little face was cold and serious.

Thunder valiant beast's whereabouts were unknown.

After he had finished his registration, he had disappeared into the crowd. He was so fast that by the time Yan beiming noticed him, he had already disappeared.

“You’re blocking the light.”

Lin Hanxing finally raised his head. Just when Yan beiming thought that she had finally heard him, he said this to himself coldly.

She stood to the side dejectedly, like an abandoned wolfdog.

“I won’t lose.”

She was still holding the wrench in her hand, and only when she was sure that there was no mistake did she close the engine cover with a bang.

His movements were smooth and handsome. He was obviously not a newbie who was playing around!

Lin Hanxing seemed to have sensed the worry hidden beneath Yan beiming’s laughter and scolding, and finally spoke again.

“You’re that confident?”

Yan beixiao crossed his arms and looked at Lin Hanxing, who had just removed his gloves and thrown the wrench into the toolbox.

His expression finally turned serious.

it’s because only with absolute strength can one have absolute confidence!

If anyone else had said this, Yan Beichen would have thought that they were talking big. But when Lin Hanxing said it, even he could not help but bow down to her.

There was no arrogance or mockery in his eyes, only calmness.

Yan Beichen raised his eyebrows and did not say anything more. He looked around for Lei Xiao.

Where did he go?

Just as he was thinking about this, Lei Xiao walked towards them from the crowd.

Some of the young masters from the rich and powerful families who recognized him quickly made way for him. For a moment, people took two steps back wherever the Thunder valiant beast passed.

Lei min’s face was expressionless, and his body reeked of hostility and blood.

His pure black shirt had two or three buttons unbuttoned without a tie, revealing his sexy collarbones.

He walked over, his feet stepping on cold determination.

However, the moment his eyes met Lin Hanxing’s, he retracted his fierceness and appeared much more normal.

“Where have you been?”

Based on his many years of understanding of Lei Xiao, Yan beiming knew that he must have gone to do something. As for what he had done ...

Lin Hanxing did not even ask. He opened the car door, leaned over to take a bottle of mineral water from the car refrigerator, and threw it to Lei Xiao with one hand.

The latter received it steadily.

“Go and wash your hands!”

Don't think that she didn't see the blood on his knuckles.

Almost at the same time, there was a commotion not far away ...
